

Elegant SS 24

Chapter 24: Haven't lost yet!

The guests sighed and sighed.

The Zhang family, which was still glorious a few minutes ago, fell apart in an instant.

The Jinshan Group is the root of the Zhang family. At this moment, the group is in a huge crisis, and the industry has shrunk by 80%. It can be said that there is no way to survive.

Because.

Being able to disintegrate the Jinshan Group in such a short period of time is absolutely monstrous energy; such an existence will definitely not give the Jinshan Group a chance to resurrect.

Who is making the shot?

The celebrities have doubts in their minds. Ye Fan has eight thousand soldiers, but it is just force. For the business community, force is not enough.

To quickly disintegrate the Jinshan Group, the business giant must make another move.

In Changning, there are such business methods...

The richest man, Zhao Qingmei!

Is it her?

As if to verify everyone's doubts, Zhang Zhe, who had fainted before, awakened. He was dying, and spoke with the strength of milking.

"Dad, run away..."

"Azhe!"

Zhang Tianlong rushed over.

"Dad, run away, Ye Fan is terrible... he, he is... Zhao Qingmei's... master!"

The master of Zhao Qingmei? ! !

Not to mention Zhang Tianlong, the celebrities present also dropped their jaws.

It really was her.

Only Zhao Qingmei has such business energy!

"what!!"

Zhang Tianlong roared in anger, but it was too late.

At this moment, he was crying bitterly, full of grief and anger.

Zhang Tianbao was also limp on the ground.

Ye Fan was expressionless and motioned to the six dragons to step forward.

"Now, can I kneel down and confess?"

"Ye! Fan!" Zhang Tianlong's face was twisted and hideous, and his eyes were bloodshot. The Zhang family he had built with one hand fell apart.

He resented, didn't understand, didn't understand!

Ye Fan, this wild species has disappeared for 13 years, how far has it grown now? !

"Little dragon."

"exist!"

"Since they don't want to take the initiative, then help them kneel down!"

A cold light appeared in Jiang Long's eyes, and he shot instantly, two stones burst out, smashing a young man's knee to pieces.

"what!"

The young man's name is Zhang Gang, the son of Zhang Tianbao.

"A Gang!" Zhang Tianbao yelled in pain and roared, "You abolished my son's legs, and I want you to die."

"puff!"

Facing Zhang Tianbao's killing, Jiang Long sneered disdainfully and quickly kicked out his feet. Zhang Tianbao screamed and flew out, his legs twisted strangely.

at the same time.

Eight thousand dragon generals shouted together.

"Kneel down!"

"Kneel down!"

"repent!"

The momentum is like a tide, earth-shaking.

Wherever the Zhang family could stand, they knelt down on the ground angrily, kowtow begging for mercy.

"Puff!"

In the end, Zhang Tianlong also knelt down.

For a time, as if he had been old for more than ten years, he said weakly, "I was wrong. I shouldn't have you instruct Wang Xiong to set fire to the welfare home. I'm sorry children, I'm a sinner!"

"Mr. Ye, please spare my Zhang family once."

Zhang Tianlong said so, and the others begged.

"Mr. Ye, please spare us."

"We are just a collateral line. The three brothers Zhang Tianlong are the main line. They are the culprits. We are innocent."

"I beg Mr. Ye to be extra-legal."

show mercy?

Ye Fan sneered.

Before the avalanche, no snowflake was innocent.

However, compared to Zhang Tianlong and the others, Ye Fan is more interested in another person——

The second master of the Zhang family, Zhang Tianhu.

From beginning to end, Zhang Tianhu didn't say a word, and...

Did not kneel down either.

Jiang Long squinted and squinted, "Aren't you the Zhang family? Do you need me to kneel down for you!"

"I haven't lost yet."

Zhang Tianhu pushed the gold-wire glasses, his face was cold and calm.

Ye Fan was surprised.

Zhang Tianlong and others and even celebrities are also at a loss.

Didn't lose?

The Zhang family's force was wiped out and the Jinshan Group collapsed. Apart from that, is it possible that the Zhang family still has a hole card?

Ye Fan came to be interested and signaled Jiang Long to withdraw.

He looked at Zhang Tianhu and said lightly, "Zhang Tianlong is in business, Zhang Tianbao is in politics, and you are in politics."

"You haven't lost what you said. Are you trying to use the power of the government?"

"Speaking of such a big movement, the patrol did not come. I am afraid that you greeted the Public Security Department and prevented them from coming. Why? Change your mind now? Let the Public Security Department send a patrol?"

Ye Fan looked at Zhang Tianhu playfully.

And Zhang Tianhu had no bottom in his heart. He quietly sent a message as early as when the soldiers appeared, but he never responded.

As for the place where the news was sent, it was not the Public Security Department, but...

Buzzing.

At this moment, the mobile phone in Zhang Tianhu's trouser pocket vibrated, his eyes shone brightly, and he shouted, "Come on!"

Ye Fan also felt it, and looked outside the Zhang Family Courtyard.

Rumbling.

One by one, green leather cars approached.

After that, hundreds of officers and soldiers emerged, but this was only a part. The huge movements outside the community could be guessed. More officers and soldiers were stationed outside, even surrounding the entire Haitang Mansion.

Cang Dang.

The car door opened and a young man jumped down.

"dad!"

Zhang Yun rushed into the yard and saw the scene of the scene, furious.

Zhang Tianhu finally breathed a sigh of relief.

No one knows, even if it is Zhang Tianlong and Zhang Tianhu, they don't know that the Zhang family still has this level of power and relationship— —

Zhang Yun's girlfriend, or fiancée, is the daughter of Cao Bing, the commander of the Changning war zone.

A while ago, Zhang Tianhu and Cao Bing had secretly met.

Both of them are very satisfied with this marriage.

Before Zhang Tianhu's text message was sent to Cao Bing, now Cao Bing finally brought his troops to come, and he was also an officer and soldier of the entire theater.

A full 10,000 people.

There were more soldiers than Ye Fan, and even a few tanks came, just outside the community.

"Xiaoyun."

Zhang Tianhu was very pleased, and then strode towards the gate of the yard.

The oncoming man was very burly, not angry, and very mighty in a uniform.

He is Cao Bing, who has ten thousand officers and soldiers.

In Changning, only the top leader of the authorities can sit on an equal footing with him.

What is Zhao Qingmei!

What is Ye Fan!

In front of Cao Bing, there were all scum.

"Brother Cao."

"My family." Cao Bing nodded, and when he walked in, Zhang Tianlong was already walking with Zhang Yun's support.

Zhang Yun has already briefly stated the reason, Zhang Tianlong did not expect the second child to conceal such a major event.

Fortunately, the situation was saved.

Zhang Tianlong clasped his fists, "Commander Cao, please also preside over the overall situation."

"Um."

Cao Bing's face was serious, and he glanced at the dragon generals all over the Zhang family, surprised; he was a soldier, and he could see how extraordinary the dragon generals were.

But this is Changning, his territory, and it cannot tolerate other people's arrogance.

"Everyone get up."

When Cao Bing spoke, the Zhang family got up in a hurry.

I was crying and begging for mercy just now, and now each of them looked fierce, gritted their teeth, and wanted to tear Ye Fan to pieces.

The celebrities also slapped their tongues.

The reversal came too fast!

At this time, Cao Bing's eyes fell on Ye Fan.

"Boy, if I guess right, you are mercenaries, I don't have a young commander like you in Daxia."

"Then what?"

Ye Fanyun was light and breezy.

This attitude made Cao Bing very upset.

"Humph!"

Cao Bing scowled with a sullen face, his eyebrows erected.

"The whole world knows that my Daxia ordered mercenaries to be forbidden from entering the country. Even if they sneak in, they are in the dark. You blatantly made such a big move and threatened to destroy a big family?"

"Who gave you the courage, you are tired of being crooked!"

"You are the one who is tired and crooked!"

An extremely angry drink, exploded in the heavens and the earth.

The next second, a black shadow flew in, carrying a fierce wind, appeared in front of Cao Bing, and kicked it fiercely.
