Chapter 25: There is no more Zhang family in Changning!

puff!

This foot is not light.

Cao Bing vomited blood in the air and hit the steps, almost breaking his spine.

"father in law!"

Zhang Yun exclaimed.

The Zhang family was horrified, and the faces of all the celebrities changed drastically.

Good guys!

That was Cao Bing, the commander-in-chief of the Changning war zone, with tens of thousands of soldiers and horses under his command, so powerful that someone dared to kick him and almost was kicked to death!

who is it!

One after another, he looked over.

A thirty-year-old man with a stern bronze face and a straight military uniform indicated his identity, and what was shocking was that the man carried three superstars on his shoulders.

That is...

Samsung warrior!

This person is surprisingly Guo Xiong.

In the early morning, he returned to Qingzhou from Kyoto; although he eagerly wanted to meet Ye Fan, he didn't dare to bother rashly before the time was up.

So stayed in the Qingzhou War Department.

When he arrived in Changning near noon, he rushed over immediately and happened to spot the officers and soldiers in the Changning war zone.

Guo Xiong thought it was Ye Fan's call and asked Cao Bing to lead his troops to cheer.

Unexpectedly, Cao Bing was here to help the Zhang family, and he even dared to scold Ye Fan.

Just now has the scene just now.

At this moment, Guo Xiong turned around and knelt down on one knee to Ye Fan, "Under Guo Xiong, the deputy commander of the Qingzhou War Department, I have seen Tianzun."

Everyone hadn't recovered from the shock of "Samsung Warlord Coming", seeing that Guo Xiong, the warlord, bowed to Ye Fan, and they were all unsteady.

Oh my god!

That's a Samsung warrior! He is the deputy commander of the Qingzhou War Department!

That was the commander-in-chief who could mobilize hundreds of thousands of officers and soldiers in the Qingzhou War Department, not to mention Changning, in Qingzhou, he was a super boss.

Kneeled down at the moment.

Tianzun?

What kind of identity is it!

The audience was silent.

In the corner, Langya no longer had a trace of doubt—in fact, although he chose to withdraw from the Zhang family and bow down to Ye Fan, he was always puzzled.

Can't understand, how did Tianzun appear in Changning?

Will it be fake?

At this time, seeing the three-star warlord Guo Xiong, this famous new star of the Great Xia War Department all knelt, and Langya knew that Ye Fan was a proper heavenly sovereign.

There is no doubt!

"I remember you."

Ye Fan looked at Guo Xiong, and something happened three years ago in his mind.

"Thanks to Tianzun's rescue three years ago, I made me who I am today. When I learned that Tianzun had mobilized the Dragon King's battle department to come to Changning, I immediately rushed from Kyoto."

"Guo Xiong, I would like to hear Tianzun's dispatch!"

Ye Fan smiled, glanced at the villa's door jokingly, and said playfully, "You are the deputy commander of the Qingzhou War Department, and he is the commander of the Changning War Zone, which is considered your subordinate."

"Yes!"

Guo Xiong nodded and got up.

Turning around suddenly, he shouted: "Cao Bing!"

The momentum is like a rainbow.

A stepped Guo Xiong came to the steps, and Zhang Yun and others all fell to the ground in fright; while he grabbed Cao Bing's neck, held it high, and said angrily:

"Dare to disrespect Master Tianzun, and offend Tianzun, you are a capital crime!"

Guo Xiong's power is too strong.

As the key training target of the Great Xia War Department, 30 is a three-star warrior, the deputy commander of the War Department of a province, which is simply unreasonable.

Where did Cao Bing stand Guo Xiong's coercion?

At this moment, Cao Bing had forgotten the pain of being kicked, his face was as pale as paper, and he tremblingly said, "The warlord calms down my anger. I have no eyes. Please warlord, please... please forgive me!"

"Forgive? You are worthy too!"

Guo Xiong punched Cao Bing to the ground.

Then, his tiger eyes swept across, wherever he passed, whether it was the Zhang family or the guest celebrities, all knelt on the ground, head down, trembling, no one dared to raise their heads.

"Puff!"

The last one, Zhang Tianhu knelt.

His face was ashen ashes.

The trump card he was originally proud of was instantly destroyed, completely defeating his psychological defense.

Da da da.

The sound of iron footsteps is thrilling.

Ye Fan walked up to Zhang Tianlong step by step, condescendingly, and said contemptuously, "Now, do you believe it, Zhang Family is like grass in my eyes?"

"You, you...puff!"

Zhang Tianlong couldn't bear the blow, spurting blood again, lying on the ground feebly.

"Our Zhang family, we lost."

A word, revealing sadness.

Looking at Zhang Zhe who was completely abolished, Zhang Tianbao, Zhang Gang and his son with both legs abandoned... Zhang Tianlong said sadly, "Mr. Ye, my Zhang family is already miserable, please leave a trace of incense for my Zhang family."

"Mr. Ye, Ye Tianzun."

At this moment, Zhang Yun climbed over, held Ye Fan's leg, and cried, "Tianzun, I don't know anything, I'm still young, spare my life, please spare my life."

"Tianzun, so am I, and spare my life."

"Tianzun, I am willing to be your servant."

The young men and women of the Zhang family all crawled over and begged.

Jiang Long kicked them one by one.

Guo Xiong asked, "Tianzun, these people are not holding you and Dragon King, I will take them all."

Ye Fan glanced at the six tablets.

With a long gaze, he said coldly, "Put my partners on Zhangjiazu's grave and let them kneel in front of the tablet to confess for seven days and seven nights."

"Seven days later, the dust will return to the dust."

"Yes!"

Guo Xiong clasped his fists, but Jiang Long patted him on the shoulder and said with a smile, "I will handle the affairs of the Tianzun Temple."

Jiang Long waved his hand, and thirty-eight dragon generals flashed over and detained everyone in Zhang's family.

The three brothers Zhang Tianlong blushed.

"Ye Fan, you bastard, you actually put these six wild species on my Zhangjiazou grave, you are humiliation, extreme humiliation!" Zhang Tianbao roared.

"Ye Fan, you are too much!" Zhang Tianhu gritted his teeth.

Zhang Tianlong is also about to split his eyes.

Jiang Long sneered and said, "You still care about this until you die. Seven days later, you go down to explain the situation to the ancestors of the Zhang family and just explain it."

"Take it all away!"

The dragon generals shot, and the Zhang family was quickly cleared.

At this moment, Ye Fan stared at the full house of guests who were kneeling on the ground.

These people had long been sweating coldly. They had come to congratulate the Zhang family and swear by their relationship. They didn't expect to see the Zhang family shattered. It was so thrilling.

"Tianzun spare his life."

Shouted a middle-aged man.

Someone took the lead, and everyone started begging.

Injustice and debt are in charge.

Ye Fan is not a bloodthirsty person, these are innocent, he gives Guo Xiong a look, then waved his hand.

Jiang Long immediately gave orders.

"All dragon generals, retreat!"

"Rumble."

It was another terrifying scene, and in three to five minutes, eight thousand dragons would disappear.

Ye Fan and Jiang Long floated away.

Just as the two left for a while, police cars arrived.

Li Chungang, then director of the Changning Public Security Department, had a solemn expression, and Zhang Tianhu contacted him and told him to leave it alone.

It's too much movement.

The leaders of the authorities called to ask about the situation. Where did Li Chungang dare to stand still, he immediately organized manpower to come.

"So many officers and soldiers?"

"I heard secretly that Cao Bing's daughter and Zhang Tianhu's son were married. It seems to be true. What is Cao Bing doing!"

Seeing the scene outside the community and the appearance of tanks, Li Chungang was stunned.

The police car can't get in.

He jumped out of the car, ignoring the patrol brigade behind him, and rushed to Zhang's house.

Li Chungang gasped, glanced at the man in the middle of the yard, his pupils contracted and swallowed severely.

"Guo Jiang, why are you here?"

"I won't come, this Changning will be overthrown by your malignant tumors." Guo Xiong stared angrily.

Out of the corner of Li Chungang's eyes, he saw Cao Bing, who was kneeling on the ground with a swollen nose and swollen nose, and found that the Zhang family had disappeared. He suddenly understood something.

He was tense and shuddered and said, "Guo Jiang, I am wrong, I will take the initiative to go to the inspector's office to accept punishment."

"Humph!"

Guo Xiong snorted coldly, pointing to Zhang Tianbao's four or five hundred **** and the Spike Mercenary Corps, "These people will be handed over to you."

Li Chungang solemnly patted his chest and said, "Guo will rest assured and absolutely handle it."

"As for you..."

Guo Xiong's gaze scanned the celebrities.

Everyone is a smart person and quickly expressed his position, "Guo will rest assured that we will not say a word about what happened today. If we violate the oath, we will apologize!"

"Forgive you for not dare."

Guo Xiong said, grabbing Cao Bing and walking out of the yard.

then.

The green leather car roared, and the officers and soldiers retreated.

So far.

Li Chun just breathed a sigh of relief, he wanted to ask what happened, but due to Guo Jiang's password, he could only suppress curiosity.

But he knows—

Since then, Changning has no more Zhang family!
