Chapter 31: You can go, your sister stays!

Yuan's Villa.

Yuan Feifei found Yuan Yang and asked, "Brother, how about it, have you taught Su Muyu and Ye Fan?"

"Don't worry, Feifei, at this point in time, Jiuye should be making a move."

"That's good!"

Yuan Feifei wrapped her hands around her chest and gritted her teeth and said, "That **** Su Muyu, it's better to ruin her; Ye Fan's waste, interrupted all three of his legs."

Yuan Yang comforted, "Okay, okay, two untouchables, don't get angry anymore; come, my brother will rub the medicine on you, and see that your forehead is so bruised."

"Brother, you are so kind."

The siblings are snuggling together.

Tianhao Hotel.

Du Jiu sat in the reception area of the lobby on the first floor. Outside there were two hundred seventy and eighty brothers.

"Why haven't you come yet!" Du Jiu grunted dissatisfiedly.

"Jiuye."

When the words were over, Qin Changshou came with Su Muyu.

Du Jiu furrowed his brows. He was a Jianghu person who didn't know Qin Changshou. After the lobby manager introduced him, he understood.

"It turned out to be Dean Qin, so lucky to meet."

"Jiuye, I heard that you were looking for Su Muyu and Ye Fan. I don't know how they both provoke you?"

Du Jiudao, "It's just collecting money and doing things for others."

Qin Changshou glanced at Su Muyu, took Du Jiu to the side, and said, "Jiuye, the Yuan family asked you to come."

"good."

"I know Mr. Yuan well, give me a face, just let them teach them a few words, how about it?"

Qin Changshou is very confident.

He was sure that Du Jiu would give him face, after all, he was a messenger, and he couldn't be seen as the head of the Chinese Medicine Hospital.

However, Qin Changshou was wrong.

In general, Du Jiu really wants to befriend Qin Changshou; but for the invitation of Feiyu Villa, Du Jiu can be said to be doing his part.

"President Qin, I'm sorry, but your face is not enough."

"Um?"

Qin Changshou's face solidified.

Immediately he was sullen and said in a deep voice, "Du Jiu, what do you mean?"

"It doesn't mean anything, just tell Dean Qin not to mix up, tonight Su Muyu and Ye Fan sister and brother, I have a lesson!"

"President." Su Muyu saw the two arguing, and ran over quickly, asking nervously, "President, are you okay?"

As Su Muyu said, she looked at Du Jiu again and begged fearfully, "Jiuye, our elder brother and you have no grievances and no grudges, please let us go."

"Good punctual girl."

Du Jiu licked his lips and said with a strange smile, "Although I can't bear it, but I can't help it. For the invitation, I can only destroy the flowers."

"Where's your brother Ye Fan, let him roll over for me!"

"Jiuye, please..."

"Don't say it, it's useless!" Du Jiu was very determined, his face turned fierce.

Su Muyu shrank her neck and looked at Qin Changshou.

At this moment.

Qin Changshou's face was black and red, and he didn't expect Du Jiu to hit him in the face like this.

He was so angry that he pointed to Du Jiu and shouted, "The surname is Du, I will call the Public Security Department right now to see if I don't take care of you."

"idiot!"

Du Jiu was full of contempt.

Yuan Yang asked him to lead someone to do it. He must have already greeted the Public Security Department, so there is no need to worry about patrols.

But suddenly.

Du Jiu's eyes widened, and then a cold air filled the top of his head from the soles of his feet.

It was as if he had been thrown into the Wannian Ice Cave, and every pore on his body was exuding cold air, and his whole person was frozen on the spot like an ice sculpture.

Yes.....

It's him! !

"sister."

Ye Fan called back to the box and found that Su Muyu and Qin Changshou were not there, so he hurried down and felt relieved when he saw that Su Muyu was okay.

Su Muyu turned her head when she heard the call, panicking all of a sudden.

"Xiaofan, what are you doing here, are you a fool? I'm fine, I'm a woman after all, Jiuye will be merciful..."

Su Muyu pushed Ye Fan, crying urging, "You run away, hurry up, otherwise you will be beaten and disabled by the Jiuye!"

What?

Disabled! !

Miss Su, don't fool me.

this moment.

Du Jiu wanted to cry without tears.

How dare I fight a big man like your brother. I knew Ye Fan was your younger brother, so I didn't dare to bring anyone here if you gave me a thousand courage.

What should we do now?

Yuan Yang, grandson of tortoise, killed Lao Tzu!

Du Jiu was terrified and anxious, but he dared not move.

Don't dare to move.

"Who is going to hit me?"

Huh.

Ye Fan looked over.

"you?"

In an instant, Du Jiu almost peeed his pants.

He witnessed the destruction of the Zhang Family, and truly realized Ye Fan's terrifying and powerful, three-star warrior Guo Xiong had bowed his head.

This kind of existence, in one word, can cause him and the brothers below to die a hundred times.

"me....."

On the knot, the phone rang.

Du Jiu is a joke.

After a glance, it was an unfamiliar number, and he swallowed with a grunt.

"I'll answer the call, wait, wait."

After getting his breathing time, Du Jiu answered the phone while thinking about how to escape, and said, "Hey, who?"

"Me, Li Chungang."

"Li Chungang? Who! You...what? Li Chungang!" Du Jiu was shocked, and asked tentatively:

"You are Li Chungang, Director of the Public Security Department?"

"if not."

Du Jiu was in full bloom.

At this moment, he was anxious that Li Chungang would lead someone to take him away; he would rather fall into Li Chungang's hands than be suppressed by Ye Fan.

"Director Li, what's the matter?"

"I have your information here. If you remember correctly, you should have been in Zhang's house yesterday at noon and saw Mr. Ye's energy. That being the case, how much backer and confidence you have, you dare to lead people to teach Mr. Ye and His sister, ah!!!"

"Director, I... I was deceived..."

"Don't talk about anything useless, immediately apologize, ask Mr. Ye Yuanliang, and then bring your people to the Public Security Department to surrender."

"Good, good."

After hanging up the phone, Du Jiu rushed to Su Muyu and Ye Fan excitedly, knelt down and knocked his head.

"Mr. Ye and Miss Su, I don't know Taishan. I was wrong, I was guilty! Please don't care about it, I will go to the Public Security Department to surrender."

"Boom boom boom."

Du Jiu kept knocking his head, his forehead was broken, blood flowed.

Su Muyu was stunned.

The people in the lobby were also dumbfounded.

"Quickly disappear."

"Annoying!"

Ye Fan was not interested in these small fishes and shrimps at all, and he was even too lazy to deal with them.

Just now, I just called Zhao Qingmei and asked her to deal with it quickly, and don't make any big movements, which disturbed Su Muyu.

Du Jiu was grateful.

"Eh, thank you Mr. Ye." Du Jiu frantically rushed out of the hotel, as fast as he could, beckoning the kids to go up and escape the scene.

"Is it gone?"

Su Muyu opened her mouth slightly, but she couldn't react.

"Just now I heard Jiuye mention Director Li. It seems that it is really the chief leader of the Public Security Department who has come forward."

Ye Fan was about to explain, so he listened to Su Muye shouting: "The Dean."

"Eh."

Qin Changshou came along with an awkward expression.

Just now he went out to call Li Chungang... Once two people showed up at a banquet, he asked for Li Chungang's mobile phone number...

However, it didn't get through at all.

"President, thanks to you, if you hadn't greeted Director Li, Master Jiu wouldn't take people away so quickly."

"Uh-" Qin Changshou was dumbfounded.

Qin Changshou was even more at a loss when he found that Du Jiu was not in the lobby and there were no other gangsters outside.

Su Muyu didn't notice anything unusual, and said gratefully, "Thank you for saving me and Xiaofan."

"Haha, little things, little things."

Qin Changshou guessed that Li Chungang should have known about this matter a long time ago. After all, Du Jiu had brought more than two hundred people. It would be difficult for the Public Security Department to know about such a big battle.

The reason why he couldn't get through was that Li Chungang was calling Du Jiu.

After thinking about this, Qin Changshou smiled inwardly:

—It's really out of **** luck, the blind cat ran into a dead mouse.

"Ahem."

Clearing his throat, Qin Changshou's face was unpredictable.

"I have spent most of my life in Changning, and I still have connections. Du Jiu is a small leader in the rivers and lakes, so what counts in my eyes."

"cut."

Ye Fan was sick and wanted to vomit, this old man would really pretend.

Qin Changshou said displeased, "What are you laughing at? What expression is that!"

Ye Fan ignored it.

He couldn't stay longer for a second, leading Su Muyu and said, "Sister, it's getting late, let's go home."

"Hold on, you can go back by yourself, your sister is still okay."

Ye Fan's eyes suddenly appeared cold.

Qin Changshou came over, pushed Ye Fan away, and gestured "please" to Su Muyu with a smile.

Chapter 32: Beat up the old man

"Xiao Fan, why don't you go home first, I still have something to do." Su Muyu lowered his head and said vaguely.

In an instant, Ye Fan understood.

It must be Qin Changshou who used to solve Du Jiu to force Su Muyu to accompany him.

Huhuhu.

Suddenly, Ye Fan was murderous.

What Su Muyu felt, she learned from Wu Changqing that Ye Fan's kung fu was very good, and Wang Xiong's 30-odd younger brothers were easily defeated by Ye Fan.

Worried about Ye Fan's impulsiveness, Su Muyu pulled him and comforted, "Don't think too much, just talk to the dean about medical matters, don't you still believe your sister."

"Sister, you were cheated by him!"

Ye Fan pointed to Qin Changshou and said angrily, "Old thing, you have been pretending from day to day, are you sure that you drove Du Jiu away?"

"You're blind, aren't people gone."

"Haha, would you like to call Li Chungang and ask?" Ye Fan said mockingly.

Qin Changshou's face was ugly, and he cursed, "Asshole, when it's my turn to do things, make irresponsible remarks. Su Muyu, take care of your brother. If it wasn't for your face, I would have taught him a lesson."

"Xiao Fan, don't say a few words." Su Muyu glared at Ye Fan, "Be obedient, go home."

With that, she pushed Ye Fan and followed Qin Changshou into the elevator.

Ye Fan's blood surged.

Old clapper!

Secretly cursing, he sent a text message.

The elevator came to the ninth floor.

Box 905.

Su Muyu's heart was extremely complicated. She bit her lips, but she felt a sense of powerlessness.

In the face of power, she was a weak woman and couldn't resist at all.

Ugh.

Su Muyu sighed inwardly.

Then his eyes became firm, as if he had made some kind of decision.

"Xiao Yu, I'm so greedy to death, I've long wanted to make you."

After closing the door, Qin Changshou rushed over.

Su Muyu was so frightened that Huarong was pale, and hurriedly avoided. Seeing Qin Changshou's desire to get angry, Su Muyu said, "Dean, you go take a bath first."

"Ha ha."

Qin Changshou is not a fool, and sneered, "Should I take the opportunity to escape, or do I have to do something tricky? Su Muyu, I won't give you this opportunity."

"Take a bath? Okay, let's take a bath together."

"what?"

"Ah what, come in for me."

Qin Changshou shouted angrily, grabbed Su Muyu's hand, and threw her into the bathroom.

then.

As he undressed, he walked in with a grinning face.

Su Muyu's face was full of grief and anger.

Suddenly, she grabbed the vase next to Qin Changshou and threw it at Qin Changshou, and then rushed out of the bathroom; but Qin Changshou had a big belly and blocked the door.

"Hahaha, resist, be a little bit fierce, so that's interesting."

Qin Changshou rushed over.

Bang.

At the same time, there was a loud noise.

The box burst open.

Qin Changshou was taken aback.

A group of five-and-three rough men rushed in, and then shouted: "Qin, come out for Laozi!"

"This voice..."

Qin Changshou walked out of the bathroom and said in shock, "Du Jiu, why are you back!"

"brute!"

Du Jiu rushed over and saw Su Muyu shivering in the bathroom. He was instantly angry and slapped Qin Changshou with a slap. A few teeth flew out.

"Mr. Ye's sister dared to move too, she's tired and crooked."

"You dare to hit me, Du Jiu, you are looking for death! I know Director Li, believe it or not..."

"Believe in your ancestors!"

Du Jiu kicked Qin Changshou with one kick and said, "Brothers, beat me, kill this old clapper, grass!"

For a time, the boxes were in a mess.

Qin Changshou was beaten and shouted.

"sister."

Ye Fan came to the bathroom and ran out holding Su Muyu.

Rush out of the hotel.

After running a long distance, he stopped and gasped.

"I'm exhausted, don't run away!"

Su Muyu stuck her waist.

Ye Fan's face was not red and heartbeat, and he grinned and said, "Sister, are you happy?"

"Cool!"

Su Muyu laughed loudly, completely opposite to her dignified appearance.

For a moment, she calmed down and asked suspiciously:

"How did Du Jiu go and come back?"

"Who knows, it should be the old clapper's upset, let's come back and give a good meal. In short, the old clapper will be miserable tonight, he should not broach for ten and a half months!"

"I'm afraid we are not to blame." Su Muyu's sorrow flashed between her eyebrows, and then said with a smile, "Forget it, I don't want so much. Soldiers will cover the water."

"Sister, I have everything."

...

Yuan's Villa.

After waiting very late, Du Jiu did not reply to the news, and did not answer the phone call. Yuan Yang felt a little strange.

But I didn't care.

In his opinion, it is very possible that Du Jiu has taken a fancy to Su Muyu and is busy.

The next morning.

Ye Fan drove Su Muyu to the hospital.

As soon as the door opened for business, I saw an Audi galloping over.

"Bitch Su!"

With a soft drink, a woman rushed down from the Audi car.

Immediately afterwards.

A man and a woman got out of the car carrying a wheelchair.

Surprisingly it is Qin Changshou's family.

After being taken care of by Du Jiu's gang last night, Qin Changshou broke his leg, his hands were also broken, and his mouth was beaten crooked.

He was strapped to an orthodontic fixture and could not speak.

"Bitch, get out of me!"

The woman's name was Sun Li, and she pointed to the hospital and shouted angrily.

His daughter Qin Fang also joined the camp, while the young Qin Hai stood on the side with gloomy eyes, guarding Qin Changshou.

"What is the name of the ghost!"

Ye Fan walked out and said with a smile, "It turned out to be Dean Qin. He was not in the hospital and stayed there. What are you doing here in the morning?"

"You are Ye Fan, the younger brother of Bitch Su, very good." Sun Li pointed at Ye Fan and said angrily, "Your sister and brother made my husband look like this. We will settle this account."

"I didn't brush my teeth in the morning, and my mouth smelled so bad. Your husband was beaten by Du Jiu, so take care of us." Ye Fan snorted coldly.

"If it wasn't for Bitch Su, would my husband be beaten!" Sun Li roared.

At this time, Qin Fang also screamed and said, "Why **** Su, let her get out. Don't think that you can't take her if you hide inside. This lady can tear down this medical hall with a word."

"Oh, really majestic."

Ye Fan sneered and said contemptuously, "You wait a while, someone will come to you soon, and I will have a good talk with you."

"who?"

"Don't ask, ask is just waiting."

Ye Fan returned to the hospital after speaking.

Su Muyu heard the news and was about to come out to have a look. Ye Fan took her back to the backyard and told her to continue studying medical skills and ignore the outside.

"Unreasonable!"

Sun Li and Qin Fang's mother and daughter are very angry.

Qin Hai said, "Mom, Xiaofang, there is no need to be angry. Su Muyu probably doesn't know the seriousness of the matter. I have already contacted the leader of the Department of Health and will soon revoke Su Muyu's medical qualification certificate."

As soon as the voice fell, the car of the relevant department arrived.

Qin Hai smiled and said, "Look, it came so quickly."

At the right time, Ye Fan also walked out.

Without seeing Su Muyu, Qin Fang yelled:

"Bitch Su, dare to hide. The leader of the Department of Health will revoke your medical qualification certificate! Haha, this is the first step. In the next step, my Qin family will smash your medical clinic, leaving you no place in Changning. !"

"To shut up!"

Ye Fan glanced at it.

Suddenly, Qin Fang only felt that two knives had penetrated her heart, causing her to tingle all over and almost fell.

Ten regular cars arrived.

Qin Hai was a little puzzled. In addition to the car of the Department of Health, why did the Department of Investigation and the Department of Public Security also appear?

"Director Chen."

Seeing the middle-aged man headed, Sun Li hurriedly greeted him, crying with tears and tears:

"Uuuu Chen Si, you have to call the shots for my old Qin."

"Director Chen, my father was harmed by Su Muyu's bitch. He must severely punish that **** and revoke his medical certificate permanently!" Qin Fang shouted.

Qin Hai also walked over and said solemnly:

"Chen Si, I didn't expect you to come here in person."

"Then Su Muyu is too arrogant to come out. Don't put you in the eyes, you must treat him well. The comrades on the patrol had better arrest Su Muyu, detained her for ten and a half months, and let her suffer a little bit. "

However.

Chen Bin didn't squint and ignored the two of them.

He motioned that a comrade of the investigating department next to him took out a red-headed document and said solemnly:

"Qin Changshou, someone has reported that you abused your power and committed a criminal offence, and there is already evidence to prove that the investigative department is now officially arresting you."

Chapter 33: Meritorious service

"What did you say!"

Sun Li, Qin Hai and Qin Fang screamed together.

Qin Changshou couldn't speak because he was wearing the braces, but he kept struggling. Obviously, he was shocked and angry at this sudden sanction.

Chen Bin did not give this family a chance to breathe.

He also took out a red-headed document and said sharply:

"Qin Changshou, after the unanimous decision of the leaders of the Department of Health, remove your position as the president of the Chinese Medicine Hospital and revoke your medical qualification certificate."

Rumbling.

The three of Sun Li were stunned on the spot.

"Uh uh uh....."

Qin Changshou made a strange noise in his throat, but could not tell.

"Chen Si, did you make a mistake."

Qin Hai stepped forward and asked cautiously.

"My dad has always fulfilled his duties, and it is impossible to violate the law and discipline. Who on earth made the report, and the evidence?"

"Talk to the police about these."

Chen Bin waved his hand, unwilling to waste his tongue.

He stared at Qin Changshou with a cold face, "What have you done? I know in my heart that you need to pay for what you do. Honestly, go with the police."

"In addition, the three of you, as family members, also need to be interrogated and get in the car together."

"Any comment?"

As the head of a department, Chen Bin is full of power.

Sun Li and the three dared to disagree. They were silent and frightened. They couldn't figure out why they were suddenly embarrassed. This is unreasonable.

at this time.

A playful word came to their ears.

"It's really sad. Just now you were so majestic. You are just like a dog in the bereavement, and even facing the disaster of prison, tsk."

At this moment, Qin Changshou seemed to have thought of something.

"Uh, uh..."

"Dad, what do you want to say?" Qin Hai asked anxiously.

Qin Changshou's eyes were cracking, and he pointed at Ye Fan tremblingly, his throat squirmed, "You, you..."

"Ye Fan?!"

Qin Hai was uncertain.

Could it be that Ye Fan did all of this?

"I said last night that no one can revoke my sister's medical certificate. On the contrary, you have to protect yourself and the yard hat is not secure."

"Do you believe it now?"

In an instant, Qin Hai's trio were horrified.

It really was Ye Fan!

At this moment, Qin Changshou's eyes were full of panic and regret, but it was too late.

"You just said that you would demolish my sister's medical clinic?"

Ye Fan's eyes shifted and fell on Qin Fang.

Qin Fang, who was still like a proud peacock just now, turned into a hen with mixed hair, shaking his head and talking.

"No, no... I didn't say, you heard me wrong... How dare I. Brother Ye, don't worry about it, I was wrong."

"Don't dare to be the best."

Ye Fan snorted coldly and said, "Director Chen, leave it to you."

"It should be."

Chen Bin nodded.

Looking at Ye Fan, the suspicion in his heart doesn't have to be the Qin family.

Just half an hour ago, he received a call from the leader of the authorities, talking about Qin Changshou's problem, and told him—

Be sure to listen to Ye Fan's arrangement, and there must be no mistakes or dissatisfaction with Ye Fan.

You know, that's the leader of the authorities.

Changning controller.

Between the lines, he heard the respect and awe of Ye Fan from the head of the city, which was unbelievable.

Is he a good brother of Guo Jiang?

Guo Xiong was only thirty years old, and Ye Fan was only in his early twenties, as he was old!

Chen Bin took back his thoughts, no longer thought about it, and ordered the patrol to handcuff Qin Changshou, and quickly took the four of Qin family away.

"Mr. Ye, then I will leave."

"Trouble."

"Yes, you are busy."

Chen Bin smiled, got in the car and left.

Ye Fan returned to the hospital.

Su Muyu didn't know everything outside, because she had already entered a state of learning and couldn't extricate herself from comprehension of "The Nine Dragon God Needle".

Gradually, the employees went to work.

The patients who were watching also came to visit one after another, and the medical hall became lively.

"Sister, I'm going out to play."

"Go ahead."

Qin Changshou was solved... But on the Yuan family's side, Du Jiu was suppressed, Yuan Feifei should have been honest, so there was nothing dangerous in the medical hall.

Ye Fan thought, it is necessary to see another sister.

But as soon as he walked out of the medical hall, I found a middle-aged man wrapped in black, walking straight towards the medical hall.

murderous look?

Ye Fan was surprised.

Could it be the killer hired by the Yuan family?

Really looking for death!

Originally wanted to leave a way for the Yuan family to survive, now Ye Fan has already moved with a murderous intent. He grabbed the middle-aged man's shoulder and threw him into the alley.

"Ouch."

The middle-aged man had a bruise and swollen face.

But he jumped up quickly, with a short knife in his hand, looking at Ye Fan fiercely.

"Boy, what are you doing, do you want to die."

"Who told you to come? Yuan Feifei? Or is there someone else?"

"what are you saying?"

The middle-aged man frowned and asked.

Ye Fan looked at the middle-aged man deeply, and based on his experience and vision, he could conclude that the middle-aged man was not pretending, and he was not a professional killer.

That is... Ordinary murderer?

and.

Ye Fan again saw that this person had a dark illness.

Thinking about it this way, it should be the murderer who came to see Su Muyu for treatment.

Good guys.

This can be touched by him!

"Boy, what do I want to say to you? He shot me for no reason, believe it or not, I stabbed you to death."

"call."

When the words fell, the middle-aged man felt a strong wind on his face.

Then the short knife in his hand shattered, and he was pinched around his neck, and a murderous aura locked him, making him almost fainted.

"Big brother forgive me, we have no grievances and no grudges, where are you playing. Quickly let me go, I have hundreds of dollars on me, and I will give it to you."

"be honest."

Ye Fan drank and threw him into the car.

Twenty minutes later.

Ye Fan arrived at Changning Xicheng Public Security Department, Criminal Police Division.

here.

The Sixth Office of the Criminal Division.

"Why!"

"Why should the person I caught be handed over to Li Xiang."

"That's my case!"

A woman with short hair in a police uniform shouted angrily at a man.

"I'm not convinced, I won't give this case!"

Zhou Ping, the director of the office, looked ugly.

There are other leaders present.

Zhong Ling didn't give him face at all, yelling at him, letting his majesty be attacked, how could he gain a foothold in the criminal police in the future.

"You just need to obey the order."

"I'm not convinced!"

"Presumptuous!" Zhou Ping patted the table and exclaimed, "Zhong Ling, you are really getting more and more unruly. If you refuse to accept it, what qualifications do you have to refuse."

"Since you detected a homicide three months ago, have you achieved any results in the past three months?"

"On the contrary, it is Li Xiang, who has done a good job in the past few months and everyone sees it. If you are incapable, then let him take over the case and let him solve it!"

Zhong Ling's eyes widened and his eyes were red.

I also patted the table and shouted without flinching, "You said I'm incapable? Isn't it because my team has insufficient manpower. If you don't transfer me, you can look at Li Xiang. There are only two of the following ten people. "

"These are all excuses! If you can't, you can't. If you don't accept it, you can stop!"

"Okay, then I won't do it!" Zhong Ling slapped the police officer's card on the table, pushed away the two leaders who wanted to dissuade, and left angrily.

"It's best to leave immediately, and never come back!" Zhou Ping added his jealousy and shouted.

Zhong Ling panicked in his heart.

The suspect, who had worked so hard to catch, dug a big clue, immediately had some clues, but the case was transferred to his opponent Li Xiang.

How could she bear her violent temper.

Besides, she had been angry a lot all the time, and she had complained about Zhou Ping and Li Xiang for a long time, and this broke out.

"If you don't do it, don't do it, I can still starve to death."

"It's more comfortable to be a security guard for your eldest sister company than to do this. Asshole, for me, curse you for being bald earlier!"

Walking out of the criminal police department, I ran into Ye Fan head-on.

Seeing Zhong Ling, Ye Fan exulted: This isn't Fifth Sister, haha, it really is very...Huh, what's wrong with Fifth Sister?

"police officer."

"Um?"

Hearing the shout, Zhong Ling looked over.

Ye Fan walked over with the middle-aged man and said, "Police officer, this guy used a knife at me, and he looks suspicious, can you deal with it."

"No, don't hand me over to the Criminal Superintendent." The middle-aged man yelled frantically, scared to pee.

"Your face is so familiar."

"Haha, sister, I didn't expect..." Ye Fan was about to confess, only to find that Zhong Ling was wearing gloves and holding the middle-aged man's chin.

The next moment, he was full of ecstasy and shouted.

"Wang Defa!"

"Police officer, do you know him?"

Zhong Ling patted Ye Fan's shoulder and laughed loudly, "Young man, you have done a great job, this is a murderer at large, a person on a Grade A wanted order!"

"Yes?"

"I'll take care of this person, don't leave, you have to reward you well."

Ye Fan came here for the purpose of handing the murderer to Zhong Ling so that she could do meritorious service, so he would not take credit for it.

With a grin, Ye Fan smiled and said:

"Sister, the beautiful police officer, the credit is useless to me, it will be different if you give it to you. You were sulking just now, I am afraid that you have been wronged. It just so happens that you can be proud of it now. Go ahead."

Zhong Ling's eyes lit up, his mind heated up, and his blood boiled.

"You go to the milk tea shop opposite, and when I'm done, I'll find you. I'll go first." After Zhong Ling finished speaking, he handcuffed the wanted criminal and ran all the way.

Bang!

Simple and crude.

The door of the sixth office slammed open.

Chapter 34: Uplifted

"Who!"

The office door was violently knocked open, Zhou Ping was furious, it was too rude, would he be the director of him in his eyes?

"it's me!"

Zhong Ling raised his head and walked in proudly.

Zhou Ping was taken aback, and continued to pat the table and shouted, "Zhong Ling, I want to report to the Inspectorate for you to remember. Undisciplined, coquettish and domineering, you are not suitable for being a detective."

"It's a joke, I'm not suitable for being a criminal policeman, then I caught this A-level wanted criminal, what do you say!"

As Zhong Ling said, Wang Defa was still on the ground.

Zhou Ping and even several deputy leaders in the office were stunned.

Everyone looked at Wang Defa, and one of the deputy directors was shocked and said, "Yes, it is indeed the wanted criminal Wang Defa."

"Good guy, wanted for two months, there is no clue, you were caught by Zhong Ling!"

"How did you catch it?"

The leaders directly fry the pot.

Because Wang Defa was involved in a massacre that killed a family of three, including a two-year-old child, it was cruel and heinous.

This case was personally supervised by the authorities and must be investigated as soon as possible.

But Wang Defa seemed to have disappeared from the world. Three special investigation teams and five criminal investigation teams had been busy for two months without a clue.

Now, caught by Zhong Ling.

"Awesome Zhong Ling."

"I served it!"

The leaders kept admiring and giving thumbs up.

Zhong Ling raised his chin to Zhou Ping and snorted coldly, "Didn't you say that I am incapable? Didn't you mean that I can't match Li Xiang? I want to ask, can Li Xiang catch the wanted criminal?"

"you!"

Zhou Ping was speechless, his face flushed.

For a moment, he suffocated a sentence, "Wang Defa's whereabouts have always been mysterious, and the task force has not found it. How did you catch it? Could it be that you have something to do with Wang Defa?"

Suddenly, Zhong Ling was angry.

"Zhou Ping, you are too much!"

A vigorous and vigorous word came over the knotty eyes, and a man in a tunic suit walked into the office.

Zhou Ping and the deputy directors did not dare to neglect, and greeted quickly, "Director, you are here."

"If I don't come, the heroine of our criminal police officer will be slandered by you. You said, can I not come."

Yue Jinpeng's eyes were sharp, staring at Zhou Ping.

Zhong Ling led Wang De into the administrative building and was noticed. He happened to be inspecting the building, so he rushed over.

I heard the conversation in the corridor.

Seeing Zhou Ping suspected Zhong Ling, he couldn't help but walk in and scolded.

And Zhou Ping sweated coldly on his forehead.

This sentence was too harsh, and Yue Jinpeng was dissatisfied with him.

"Director, I admit that I was impulsive, but you should understand it. Zhong Ling suddenly caught Wang Defa, which is very strange."

"It's not surprising that it's not your turn to spit people, write a review yourself and submit it to the Inspectorate."

"Yes, Director."

Zhou Ping bent over, but his eyes flashed with resentment.

Yue Jinpeng first looked at Wang Defa, and after confirming that he was correct, he looked at Zhong Ling and laughed, "It's not a loss to be the new star of our criminal police department. It is really amazing. It is also a second-class merit to catch the A-level wanted criminal."

"Director, I don't care too much about whether there is a second-class merit or not. I just want to get back the case I handled."

"What's the situation?" Yue Jinpeng asked.

Zhou Ping's eyelids twitched wildly, and he said in a deep voice, "Zhong Ling, don't bother with the director for our own affairs. If you want to handle the case, I can just approve it for you."

Yue Jinpeng noticed something tricky, and squinted at Zhou Ping coldly.

"Don't pay attention to him, you keep talking."

Zhong Ling took a deep breath. Although she knew she would offend Zhou Ping, she didn't vomit.

"Director, for the past two months, I have been investigating a murder and robbery case. I have clues and caught the suspect. But at a critical time, Director Zhou asked me to hand the suspect to Li Xiang, and the case was also passed on. I am not convinced by Li Xiang's acceptance."

"This happened!" Yue Jinpeng's expression was ugly.

Zhou Ping stood up and explained, "Director General, it's not what Zhong Ling said. Li Xiang has done a good job recently, and his ability is recognized. It's a good thing to hand it over to him and solve the case as soon as possible. , The starting point is not desirable."

"I don't want credit, I just don't like your partiality to Li Xiang. His team is ten people, and my team has only two. It's not fair. In order to handle the case, I haven't had a good rest in the past month. What's it like?"

As Zhong Ling said, his eyes were red.

The deputy directors also secretly sighed, Zhong Ling's face was ruddy and full before; but after this month of suffering, his face was obviously much rougher.

"I won't transfer you, because the comrades below don't like to be with you, saying that you are too strong and will go your own way. The director is here, I will let them all come over and explain the situation face to face."

After Zhou Ping finished speaking, he motioned to the deputy director to inform.

Three minutes later, twenty detectives under the sixth room came, including Li Xiang who was in full swing.

"You guys, are you here to get along with Zhong Ling?"

More than a dozen patrols shook their heads, and only two of the patrols that followed Zhong Ling did not make a statement.

Seeing this, Zhong Ling was speechless.

Zhou Ping was very proud.

Sample, what can I do if I catch a wanted criminal? I have the final say in the sixth office!

"Director, you have seen the situation. It really wasn't me making things difficult. I have to worry about the feelings of other comrades." Zhou Ping looked aggrieved.

Yue Jinpeng furrowed his brows, feeling that things were not easy to handle.

at this time.

A laugh came from outside the door.

"Zhou Ping, since Zhong Ling is wronged, excluded, and useless with you, it's better to be transferred to my third room."

Boom boom boom.

After strong footsteps, a strong and mighty man walked in.

His name is Tang Jian, the director of the third room.

"Director."

Tang Jian nodded to Yue Jinpeng, then looked at Zhong Ling.

"Zhong Ling, I have always admired you, and all the comrades in our third room hope you can join. If you want, the director is here, and I will apply in person."

"Tang Jian, what do you mean!" Zhou Ping shouted angrily.

"What do you mean? Humph. Zhong Ling has really been in the eighth life with you, and you don't deserve to be Zhong Ling's direct leader. According to the rules of the Criminal Division, it is completely reasonable to apply for adjustment of the department."

Zhou Ping gritted his teeth, panting like a cow.

Then, he asked: "Zhong Ling, are you going to betray the sixth room?"

Zhong Ling is not a weak character, so he said solemnly, "Betrayal? In front of the director, if you dare to say such rebellious things, you treat all the comrades in the department as your private soldiers."

Zhou Ping's face darkened.

Tang Jian laughed, "Well said!"

"Zhong Ling, it seems you have already decided. In that case..." Tang Jian looked at Yue Jinpeng.

"Director, I implore you to agree to transfer Zhong Ling to my third room, and I want to promote Zhong Ling to the third room criminal police squadron leader."

Zhong Ling's heart trembled.

Squadron leader, the officer is promoted to one level.

Yue Jinpeng glanced at Zhou Ping coldly, and then simply said, "I agree, I will approve the formalities for you immediately. From now on, Zhong Ling, you follow Tang Jian. As for Zhou Ping, check for 3000 words, go to the inspector's office to accept punishment. ."

"Director, I..."

"do you have any opinion?"

Zhou Ping was clever and lowered his head, "Yes, I must review myself severely."

Yue Jinpeng retracted his gaze and nodded to Zhong Ling, "This time I did a good job. I will report to it and try my best to win you second-class merit. But don't be proud and keep working hard."

"Yes, Director!"

At this moment, Zhong Ling no longer complained.

Tang Jian asked Zhong Ling to go to the third room to get acquainted with the comrades; he followed Yue Jinpeng to go through the formalities.

The sixth room.

Zhou Ping kicked off the chair angrily and yelled at him.

"Son of a bitch!"

The crowd trembled.

"You all go out." Li Xiang waved his hand, motioning everyone else to leave.

Until there were only two of them in the office.

Li Xiang comforted, "Uncle, don't be angry, under the same roof, there is a chance to deal with her."

Zhou Ping took the teacup and gradually calmed down.

In order for Li Xiang to perform well, he was selected as the "Outstanding Young Criminal Police of the Year" at the end of the year and transferred to the City Criminal Police Chief, but he took a lot of thought.

In Changning as a whole, there are not many that can compete with Li Xiang, but Zhong Ling is the only one.

Originally Zhong Ling was under his command and could be suppressed, but now he was snatched by Tang Jian... and Tang Jian and him were enemies... a little troublesome.

"Yue Jinpeng is dissatisfied with me, I can't make a move; in the next period of time, you can figure it out for yourself."

"Dad, isn't it just a girl? How could I lose to her." Li Xiang had a plan and had a plan.

Chapter 35: Surprise

Because Zhong Ling had to get to know the new comrades in the third room, and he needed some procedures to be promoted to the squadron leader, he was busy until four or five o'clock.

after get off work.

She just remembered that there were still people waiting for her at the milk tea shop.

"Oh, my brain!"

Zhong Ling hurried to the milk tea shop.

The reason why I can raise my eyebrows and even get promoted is thanks to that handsome guy, who can be said to be her benefactor.

Let the benefactor wait so long, he must be very angry and disappointed, right?

Or...

Left long ago.

Zhong Ling rushed into the milk tea shop, and at a glance she saw Ye Fan in the corner deck, sleeping soundly, she couldn't help but laugh.

"Hey, handsome guy."

"Huh? What's wrong? Is it closed?"

Ye Fan woke up, rubbed his eyes and saw Zhong Ling.

"Sister beauty police officer, you are finally here, I have slept for a few times, and I drank four or five cups of milk tea!"

"Sorry, sorry, work is too busy."

Zhong Ling smiled embarrassedly, stretched out his hand and said, "Get to know, my name is Zhong Ling, I'm a squadron leader, and I belong to the third room of the Xicheng Criminal Police Department."

"Ye Fan, a vagrant."

Of course Zhong Ling didn't believe it, and greeted him, "Let's go, I invite you to hot pot. Thanks to you today, I have to thank you very much."

Ye Fan secretly scolded Zhong Ling for being so silly and cute that he hadn't recognized him yet.

"Do You have a Car?"

"There is a Santana." Zhong Ling said, "I know you will definitely not ride. You drive a Maserati, right? The rich second generation."

"Take my car."

Ye Fan brought Zhong Ling to the front of the car.

As he was about to open the door, suddenly a pair of shackles locked his wrist, and the other end was handcuffed to the door handle of the car.

"Uh, what are you doing?"

"Good guy, I thought you were a good young man, but I didn't expect you to be a car thief." Zhong Ling pointed at Ye Fan angrily and shouted, "Is this Maserati your car?"

"it's me..."

"Dare to speak hard!"

Zhong Ling slapped Ye Fan's head.

"You must be deceived by someone else, but unfortunately, you met me; because this car belongs to my eldest sister. I recognize the license plate, exactly the same."

Ye Fan couldn't help but tolerate it.

"You can still laugh!" Zhong Ling snorted coldly, "I'm sorry, the hot pot can't be eaten, we have to go to the interrogation room to have a good chat."

"There is no need for the interrogation room. I still want to talk while eating hot pot." Ye Fan threw the handcuffs to Zhong Ling.

"Fifth Sister, get in the car, get a little numb."

"...?"

Zhong Ling looked at the handcuffs in his hands with a blank face.

Just now.

He was obviously handcuffed, how did he untie it?

and...

He called me fifth sister?

and many more!

Ye, Ye Fan? !

At this moment, Ye Fan put down the car window, stretched out his head, and complained, "Fifth Sister, how did you get into the Interpol, get in the car and eat hot pot."

"little bastard!"

Zhong Ling was happy and angry.

He rushed into the car, trying to beat Ye Fan; but seeing Ye Fan driving, for the sake of safety, he could only endure it.

"Smelly boy, dare to play with me, wait, go back and I will beat you to death... and the eldest sister, it's too bad, you actually kept it from me..."

"Oh, I'm so stupid."

"Xiao Ba, Xiao Ye Zi...Isn't this you, except you, it is impossible for the older sister to pull men into the group..."

Along the way, Zhong Ling kept muttering, she was really happy.

The corners of Ye Fan's mouth rose.

Scenes from my childhood came to mind.

The fifth sister Zhong Ling and the sixth sister Tang Ying have been restless since they were young, and their personalities are a bit like boys.

Whenever he was bullied, Meng Qingyi and Su Muyu protected him, while Zhong Ling and Tang Ying took the courageously.

Ye Fan vaguely remembered—

Once Wang Xiong beat him to death. Later, Zhong Ling and Tang Ying found a sack, and at night they quietly pulled Wang Xiong out and dragged him into the field for a violent beating.

If it weren't for the dean's grandfather, he hurried over, and the two women were afraid they would bury Wang Xiong.

It was also that time, Wang Xiong was frightened.

Never dared to hit him again.

The most famous hot pot restaurant in Changning.

Ye Fan and Zhong Ling feasted.

Listening to Zhong Ling talking about the Criminal Superintendent, Ye Fan secretly remembered the two guys "Zhou Ping" and "Li Xiang".

Take a look at Yue Jinpeng and Tang Jian.

This evening.

Ye Fan returned home alone, because Zhong Ling needed to interrogate Wang Defa, the wanted criminal, overnight.

"Um?"

Walk into the house.

Ye Fan found something was wrong, and someone came in.

On the way back.

He contacted Meng Qingyi, Su Muyu, and Fang Rui. The three of them were either in the company, in the medical clinic, or in the university, and none of them went home.

who is it?

The other sisters are back? No, I didn't say it in the group.

Burglary?

Ye Fan's face was stern, and the theft actually broke into his sister's house.

Came upstairs quietly.

In the third room from the left, Ye Fan heard the sound, and then...

Gently push the door open.

"Huh!"

A dagger brushed past his neck, and then, a dark shadow came towards his nose.

The corners of Ye Fan's mouth rose.

Turn around and avoid the attack.

next moment.

Grasp the woman's wrist with one hand, and hold her waist with the other hand, embracing her in his arms.

"court death!"

The woman yelled, but found that she couldn't move.

In desperation.

The dagger in her hand stabbed.

Ye Fan flicked his fingers and flicked the dagger; and at this time, the woman broke free from Ye Fan's embrace, retreated three to five meters, and took precautions.

"Who are you!"

"you guess."

Ye Fan looked at Han Bing in black with a smile.

That's right.

This is her third sister!

Unexpectedly, the third sister, Han Bing, came back tonight, really surprised.

"Are you... Xiao Fan?"

"Haha Third Sister, you are much smarter than the Fifth Sisters." Ye Fan laughed, and Han Bing had already rushed over and hugged him.

"The eldest sister pulled you into the group and said that you are a small eight, so I have a guess. It really is your kid, it's nice to come back."

"Sister, why are you crying."

In Ye Fan's memory, she had never seen Han Bing shed tears when she was a child, and she was the strongest girl.

The tearful eyes at this moment are enough to prove his importance in Han Bing's heart.

"Sister, your dress..."

Ye Fan had read the information before and knew about Han Bing's occupation. At this moment, he deliberately joked, "Is it because I watched too much TV series, and I got sick with Secondary Two."

"Look for a fight!"

Han Bing knocked Ye Fan on the head and told him to go out and wait for a while.

Not long.

Han Bing in a long black dress went downstairs, revealing a lot of noble elegance and a trace of mystery.

Compared with Meng Qingyi's few people, Han Bing's beauty is very coquettish.

Like a poppy, beautiful and poisonous!

but.

Even if you know it is poisonous, people can't help but want to get close, want to like...

The two chatted for a long time.

The night is getting darker.

Meng Qingyi and the others are not coming back tonight.

At ten o'clock, Han Bing said he was going to sleep and went upstairs; Ye Fan felt boring and went back to the room early.

Around eleven, Ye Fan heard the movement.

Seen from the window, a dark figure left the villa.

"Where is the third sister going so late?"

Anyway, unable to sleep, Ye Fan decided to follow along.

At the same time, he called Zhao Qingmei.

"Qingmei, check it out immediately, does my third sister have a task tonight?"

"good."

ten minutes later.

As soon as the news came, the corners of Ye Fan's mouth became curved.

"Sure enough, there is a mission."

"It's a coincidence that he actually assassinated the pirate leader."

Ye Fan's interest greatly increased.

Han Bing is a killer and belongs to the Black Sky organization.

This organization is a world-class killer organization with as many as 5,000 members and spreads across many countries in the world.

In fact, Ye Fan knows the Heitian organization very well.

Three years ago, he wanted to destroy the Black Sky Organization, but then the boss of the Black Sky Organization, the God, came to him personally to show his allegiance and willingness to be a vassal of the Temple of Heaven.

After investigation, the Heitian organization was quite principled. Ninety-nine percent of the assassination targets were criminals.

Ye Fan also dispelled the thought of destruction.

Han Bing, codenamed Mandala in the Black Sky Organization.

Silver medal killer.

Ranked ninety-ninth among the silver medalists.

The target of the assassination tonight was the pirate leader who escaped into Qingzhou as mentioned by Yan Wang Luohong.

"The assassination of this notorious pirate leader will earn you 1,000 points. If you count that... the third sister will be able to rush to... the eighth silver medal!"

Fragrant tea nightclub.

Ye Fan witnessed Han Bing walk in, besides her, there were several powerful assassins who all took on this task.

It seems that apart from the assassination, there is a fierce competition.

Chapter 36: Bloody night

Fragrant tea nightclub.

The figures flickered and the lights were brilliant.

Men and women are here to wander around, swaying enthusiasm, desire and worry wantonly.

Cai Xingwei sat in the corner deck, hugging left and right, a pair of eagle eyes scanning, looking for a target.

He is tall and thin, with high cheekbones, and his body reveals a fishy smell, the smell of the sea.

Generally speaking, fishermen who live by the sea all year round have this taste; or those who have been working at sea.

Cai Xingwei is the latter.

To be precise, he has hundreds of brothers at sea and three huge ships, all in the Caribbean.

Commonly known as: Pirate.

Cai Xingwei is a native of Daxia. When he was a child, he lived in Binhai Fishing Village. Later, after experiencing a tsunami, his family was destroyed and his family was destroyed.

At the age of twenty, I lived in the Caribbean islands.

Entangled with some **** over there, they evolved into a group of pirates after three to five years; they burned, killed, looted, and committed no evil at sea.

At only thirty years old, he is already one of the top five pirates in the Caribbean.

pity.

All this shattered half a month ago.

The World's No. 1 power, Tianzun Palace's Hades Battle Headquarters, only dispatched a squad of one hundred people, and destroyed his eight hundred brothers and three warships.

But he tossed and fled, stole back to Daxia.

Here, Cai Xingwei is at ease.

As we all know, Daxia is the safest country in the world, and he is not worried about the killing of the people from the Hades War Department.

You can't be a pirate, but with some continuation in private possession, it is enough to live a happy life.

Cai Xingwei played with his hands wantonly with Miss Wine, with a grin on his face.

Suddenly.

His eyes lit up.

In sight, a tall woman with a height of 1.7 meters, a black dress, was elegant and noble, just like the most noble princess in the world.

Although wearing a mask, the exposed eyes and the unique temperament are completely certain, she is a very super beauty.

"hiss."

Cai Xingwei licked his lips, his eyes flashed with greed.

He likes this kind of noble woman most, and can arouse his spoiled excitement.

In the years of dominance at sea, he intercepted cargo ships and cruise ships, and the number of women who played dead was 800.

And there are too few women of this kind.

"go."

Cai Xingwei handed a gem to the hostess and said, "Give it to the beautiful lady in black dress and tell her that I want to get to know her."

The **** lady hurriedly walked.

When Han Bing came to the nightclub, he was thinking about how to find his goal, but he didn't expect a lady to accompany him to send expensive gems.

Looking around, Han Bing's eyes flickered.

That man...

Isn't it the ghost shark?

Pirate leader of the Caribbean, assassinated the target.

Han Bing walked straight forward without even thinking about it.

"This gem is worth a million and started, so your husband gave it to me?"

"Gem goes well with beauty, as it should be."

Cai Xingwei laughed loudly, pushed away the **** lady, and motioned for Han Bing to sit down.

Handing over a glass of wine, Cai Xingwei asked, "Miss, could you please take off your mask and have a drink with me."

Han Bing thought for a while, and said faintly, "Some rich second generations gave me a sports car just to win me a smile. Mister is just a gem, like I drink with you?"

"Hahaha."

Upon hearing this, Cai Xingwei became happy instead.

Worshiping a gold girl, that would be easy.

Turning over, it is another gem, more gorgeous than the one just now, with an estimated value of more than three million.

Cai Xingwei smiled, "Now, can I drink it?"

"certainly."

Putting away the two gems, Han Bing took off his mask.

Seeing his face really, Cai Xingwei's heart throbbed, and a flame rose from his abdomen and burned his whole body.

After drinking it all, Han Bing said, "Anything else?"

"There are so many people here, it's better to change place."

"Where to go?"

"Go to the room." Cai Xingwei said, and the third gem came out, estimated to be five million.

Han Bingxie smiled charmingly, got up and cast a wink.

Cai Xing is very happy.

At this moment, murderous auras permeated.

After countless times of blood and fire, Cai Xingwei is no ordinary person. If he feels murderous, he will know it is not good.

"Damn it!"

Cai Xingwei didn't even think about it, and quickly got into the crowd.

Han Bing was furious.

"Bad me good!"

It was another assassin who stunned the snake. Of course, they didn't want Han Bing to succeed, so they deliberately released murderous intent to muddy the flowing water.

Han Bing also rushed into the crowd.

All of a sudden, the whole venue began to commotion.

"scold!"

At the same time, cold light interlaced.

A killer was killed.

Blood splashed all over the floor.

The **** breath rose from the ground and swept the audience.

"what!"

The woman's screams resounded through the venue, and the scene was completely uncontrollable. In the crowd, Cai Xingwei sneered and stared at the second killer.

puff!

After dozens of seconds, the second killer was cut.

"Just because you want to kill me, a bunch of trash!" Cai Xingwei did not run away. He was murderous and wanted to play.

After solving the four killers, he slipped out of the nightclub.

Han Bing chased it out.

In addition to her, there is another killer.

"Red rose, it's you!"

"Ha ha."

The woman code-named Red Rose smiled disdainfully, surpassing Han Bing and rushed into the park jungle.

Han Bing gritted his teeth, "I won't lose to you!"

One after another, disappeared.

At the right time, Ye Fan walked out of the darkness thoughtfully.

"Red Rose, which ranks ninth on the silver medal list, is much higher than the third sister. However, if the third sister can win the ghost shark, she will be eighth on the silver list and win the red rose!"

Huhuhu.

In the jungle, two women galloped.

But they didn't find Cai Xingwei's figure, and the two stopped, watching the surroundings, and at the same time beware of each other.

"It's all you, if it weren't for you to stun the snake, I would have killed the ghost shark." Han Bing said angrily.

"Mandala, you are a waste ranked ninety-nine, also want to complete this task, dream!" Red Rose is extremely cold and proud.

"You dare to call me trash, do you want to die."

"Only you?"

The two women are fighting each other.

Suddenly, the strong wind blew the Buddha, and gloomy laughter rang.

"Chatter."

"The two beauties don't have to fight, they both go with me and be my women...no, maid, happy life!"

"Ghost shark!!"

At the moment when the two women screamed.

A cold light suddenly appeared.

Immediately afterwards, the red rose screamed and fell in a pool of blood.

"not good!"

Han Bing was horrified.

The intelligence is wrong, the ghost shark is not weak, very strong.

Instantly slashed Red Rose, causing her to lose her combat effectiveness, and Han Bing knew that he was not Guiyu's opponent.

As a killer, pay attention to concealment.

At this moment, she was exposed, but the ghost shark was hiding in the dark. The mission must be temporarily terminated, and she needs to escape.

"Want to escape?"

Cai Xingwei's sneers continued one after another.

Suddenly, a crisis came, and Han Bing felt a cold chill to pierce her abdomen and back.

Frightened, but there is no escape.

Han Bing even saw the ugly face of the "Ghost Shark", but suddenly, the Ghost Shark's face filled with blood, his eyes glowed, and he fell to the ground.

"what!"

Looking at the wailing and dying ghost shark on the ground, Han Bing looked blank, but her psychological quality was still acceptable.

I quickly took out my phone to record a video...

"Don't, don't kill me!"

"You have many sins, damn..." Han Bing was merciless, and the dagger cut Cai Xingwei's throat.

After three minutes, there was no sound.

Han Bing put away his phone, glanced at the red rose struggling to get up, and said triumphantly: "Sorry, I won the task. I will get one thousand points and rush to eighth on the silver list, which is higher than you."

"you!"

The red rose vomits blood.

At the same time, the sirens sounded.

next moment.

A large number of patrols rushed towards this side, accompanied by a shout, "Quickly, everyone disperses and can't let go of any clues."

"Fifth!"

Han Bing recognized Zhong Ling's voice, thought for three seconds, and hurriedly left with the red rose.

They walked on the front foot, and Zhong Ling on the back foot led people there.

"Team Bell, there are dead bodies." A detective called.

Zhong Ling rushed over and said in shock, "According to the description of the people at the nightclub, this man is the murderer, why was he killed!"

At this time, someone urged, "Team Zhong, Li Xiang has brought some people here, and is here to rob the case again."

Zhong Ling snorted coldly and asked, "Have you finished taking the photo?"

"OK."

"Then seal up the corpse and take it back. You are here to protect the scene." Zhong Ling returned with someone and ran into Li Xiang head-on.

Before Li Xiang could speak, she waved her hand and said:

"This case is mine. Don't think about it. I have all the corpses and reported them. They are on the way back. I have the clues. It's none of your business. Where should you go back? Don't get in the way. I handle the case."

"You!" Li Xiang was so angry.

Seeing Zhong Ling's back, Li Xiang's eyes were fierce, and he muttered to himself: "Block my way, then I can only destroy you. Zhong Ling, I wanted to wait, now...huh!"

Chapter 37: Bring your own physique of sister Wang!

Sifan Medical Center.

Han Bing came with the red rose. She had already contacted Su Muyu on the way, and Su Muyu was waiting at the door at this moment.

"Second sister."

"Bingbing, when will you come back, why don't you say anything in advance." Su Muyu greeted her.

Han Bing said, "Sister, you'd better show me this friend first, you have suffered a serious injury."

Su Muyu looked at the shocking wounds on Red Rose's body and hurriedly said, "Come on, why did you do it? Did you call the police?"

Han Bing casually found a reason to prevaricate.

After half an hour of first aid, Red Rose's injury stabilized, and she finally recovered her life.

"Are you the sister of Mandala?"

"Mandala? Are you talking about Bingbing, that girl's alias?" Su Muyu smiled lightly, "That girl always likes to do some weird things. You and Bingbing are friends, what's your name?"

"Red rose."

Su Muyu shook her head, expressing her incomprehension.

Red Rose watched her leave the ward, her eyes became complicated, and then she turned into knife-like sharpness.

But as soon as she got out of bed, she suddenly got tight.

Cold sweat is like rain.

"Where to?"

The three words, like the voice of the Jiuyou cold wind, penetrated into her ears and exploded in her mind, making her whole body tottering.

who is it?

Red Rose turned her head hard, and she saw a young man in white.

Just standing so casually, but in her opinion, it was an upright demon god, with a sea of blood surging behind him, and thousands of dry bones under his feet.

Swish.

At the same time, the equipment in the entire ward was shaking.

It seems to collapse and collapse at any time.

Red Rose was horrified, and she found that she was like a flat boat in the ocean, which could capsize in an instant.

Grunt.

The red rose swallowed fiercely.

This power is too strong!

She had seen the master of the God-Heaven Organization, but compared with the young man in front of her, it was a far cry from the world.

Who is he?

"You, are you the brother of the ghost shark? You came to kill me?... You found the wrong person! I didn't kill the ghost shark... it's a mandala!"

"Mandala?"

"Yes! It's her!"

The corner of Ye Fan's mouth raised her mouth, "She is my third sister."

boom!

The red rose was struck by lightning.

Such a powerful existence is actually Mandala's younger brother?

How can it be!

But the facts are in front of us, and the red rose can't tolerate it.

At the same time, she also understood.

-In the woods of the park, it is the person who shot, otherwise the mandala will die.

"Ha ha."

Red Rose smiled sorrowfully and slumped on the bed.

Mandala has such a strong younger brother, and it is ridiculous that she wants to avenge her revenge.

"If you want to kill me, do it."

"Being a killer, you are prepared to be killed when you enter the industry, so I won't kowtow to you for mercy."

As he said, Red Rose closed her eyes.

Squeak.

At this moment, Han Bing opened the door and entered.

"Huh, Xiao Fan, why are you here?"

Han Bing was very surprised, worried that Red Rose would reveal her identity, so he shoved and said, "Get out of here, you little pervert."

"Sister, you have wronged me. I just want to see what your friend looks like and if you are beautiful."

Ye Fan looked aggrieved.

This appearance stunned the red rose.

Such a powerful man, surpassed by God, is actually like a child in front of the mandala...

For a time, Red Rose was extremely envious.

"Okay, let's go out, we have to say something." Han Bing withdrew Ye Fan, locked the door, and turned to look at Red Rose coldly.

"That's my brother Ye Fan, didn't you tell me who I was?"

"Uh, no."

Red Rose shook her head, secretly amused.

Ye Fan knows everything, but Mandala has been kept in the dark... This feeling of being secretly protected once again made her extremely envious and longing.

"Thank you for saving me."

"Thinking too much, I just don't want to cause trouble. Your being caught by the police will affect me."
Han Bing's face was cold.

As a killer, she knows the sinister heart.

Even if the red rose is saved, it is impossible to be grateful to the red rose, but may be stabbed in the back.

Killers will never become friends.

"I have sent the video of killing the ghost shark to the headquarters. It has been confirmed over there that I am now eighth on the silver list."

"Congratulations!"

Red Rose nodded calmly, without a trace of jealousy.

This surprised Han Bing.

"Your injury is okay. Just rest for a while. Go to the hotel after daybreak."

"Also, you'd better not have any thoughts about my sister and brother. If you dare to hurt them, I will definitely let you die without a place to die!"

After Han Bing finished speaking, he slammed the door and left.

Dawn.

Red Rose left the hospital and stayed at Tianhao Hotel.

She did not leave Changning because she was very interested in Ye Fan...The killer world, the strong respected, such a powerful man will make women rush.

She is no exception.

Han Bing was in a good mood because he improved a lot of ranking, and he greeted Meng Qingyi, Su Muyu, Fang Rui and Zhong Ling to have a dinner at the orphanage.

And Zhong Ling also brought good news.

"Last night there were several murders in the Fragrant Tea Nightclub. The murderer was the pirate leader Guiyu who was smuggled in. His real name was Cai Xingwei. The few people killed by him were professional assassins."

"The notice has been issued above and the case is closed."

"In other words, I have done another meritorious service. The leaders of the City Criminal Police Division came to praise me personally. I was promoted from squadron captain to squadron captain."

Zhong Ling smiled, his face flushed.

Meng Qingyi congratulated him, "Fifth, your luck is here. In just two days, you have been promoted from small captain to large captain, unprecedented in history."

Su Muyu smiled and said, "It won't be long, I am afraid that I will become the deputy director of the third room, then the director, all the way up, and finally become the director of the general department."

Zhong Ling was embarrassed to be said.

"Sister, don't make fun of you. Come on, cheers!"

"Cheers to Xiaofan coming back safely!"

"Everyone together!"

Seeing the children so promising, Dean Wu Changqing was extremely pleased.

After the meal.

Su Muyu took the children to play along the banks of the Qingshui River. Ye Fan looked at Meng Qingyi sitting on the rocks by the river with serious thoughts.

"Sister, what do you think?"

"Come."

Meng Qingyi beckoned, and Ye Fan sat next to her.

She touched Ye Fan's head, smiled and said, "Nothing, I feel like you are our lucky star."

"How to say?"

"After you came back, the Zhang family who had been dealing with me was gone. Xiao Wu was promoted to the captain. Xiao Qi also said that the academic paper is about to be completed, and he hopes to impact Professor Zhang of the Institute. By the way, Mu Yu said that you are good at medicine. She is still great, and grandpa's legs are also hopeful..."

Meng Qingyi hugged Ye Fan.

Suddenly, Ye Fan's face was red and his ears were red.

Because of Meng Qingyi's proud figure, holding him in his arms like this, almost his entire face was buried in the gully, and a scent of fragrance rushed into his nostrils, making Ye Fan dreamy.

"You tell me, are you our little lucky star?"

"Hey, I was born with Sister Wang's physique!"

Ye Fan grinned.

While chatting, suddenly Meng Qingyi's phone rang. She looked at it, her eyebrows frowned, but she still picked it up.

"Hey, Lin Shao."

There was an impatient word on the other end of the phone.

"Meng Qingyi, have you thought about it? Tomorrow is the ceremony at Feiyu Mountain Villa. Do you want to go?"

"I..."

"Don't chirp, answer me now, go or not? If you want to go, come to my house now."

Meng Qingyi bit her lip.

Suddenly, the phone was robbed.

"Xiao Fan..."

Ye Fan ignored Meng Qingyi and said coldly into the phone: "I don't know who you are, and I don't bother to know, but I warn you, don't hit my sister's idea, you can't bear the consequences."

"Grass, who are you?"

"Who I am, you have no right to know. Feiyu Mountain Villa Grand Ceremony, my sister can go if she wants to, it's not your turn to decide."

On the other end of the phone, Lin Hui sneered, "Do you think the ceremony is a playhouse, anyone can attend? Can you get in without invitations?"

"The frog at the bottom of the well."

Ye Fan dismissed it, spit out four words and hung up the phone.

Downtown, super high-end residential area.

Lin Family Villa.

"Damn, he scolded me and hung up my phone. What a dare!" Lin Hui looked at the disconnected mobile phone, furious.

"Come on!"

"Master, what's your order?"

"Check me, who is Meng Qingyi's brother, find out for me quickly, and bring him to see me!"

"Yes!"

Chapter 38: Destroy

"Xiao Fan, you are too impulsive."

After receiving the phone, Meng Qingyi slightly blamed, "Lin Hui is the youngest of the Lin family, and the Lin family is even stronger than the Zhang family. Offending Lin Hui will be troublesome."

Ye Fan said, "Sister, if I don't say that, Lin Hui will let you go."

"this--"

Meng Qingyi bit her red lips.

Before Zhang Zhe pursued her, Lin Hui didn't make a move.

Now that the Zhang family is shattered, Lin Hui can't wait to take her. Knowing that she wants to attend the ceremony at Feiyu Mountain Villa, he uses invitations to make a deal.

"Ugh."

Meng Qingyi sighed and said with a wry smile, "Yes, Lin Hui's dude, it is impossible to give up, there must be a lot of trouble."

"That's right, so when dealing with people like Lin Hui, you can't be weak. The weaker he is, the more he will bully you. Be tough and be afraid of something."

"Sister, you have me."

"Don't forget, I have my own physique of Sister Wang. If Lin Hui dares to do something, I will definitely end up with the Zhang family. As for participating in the ceremony, it's very simple. What invitations do you want? Let's go together tomorrow."

Meng Qingyi smiled.

She knew that this was Ye Fan's comfort, but she didn't say anything, and responded with a smile, "That's OK, let's try our luck tomorrow, we can get in a little bit."

Quietly, Ye Fan sent a text message to Zhao Qingmei.

Not long.

Jiang Long called and said, "Brother Fan, Lin Hui really knows how to live and die. He actually sent someone to investigate you. A dozen **** have already rushed to the orphanage."

"Destroy it and return it to Lin Hui."

"okay."

After half an hour.

Lin Hui leaned on the sofa in the Lin Family Villa, lighting his cigarette, and the maid beat him his leg again.

Sudden.

Bang bang bang.

The windows all burst, and dozens of **** figures flew in and landed on the ground, shocking.

"what!"

The maid screamed.

The villa security rushed to protect Lin Hui in the middle.

The captain checked and said in a deep voice, "Master, the subordinates we sent, all of them have been abandoned."

"Who did it!"

Lin Hui's face was savage, and he burst the wine glass.

The security captain analyzed, "They went to the orphanage to catch Ye Fan, but ended up like this. Obviously they couldn't get rid of Ye Fan. Or Meng Qingyi spent money to find someone to do it. After all, the woman has a group in her hands, and there is no shortage. money."

"Good, good."

Lin Hui sneered, "Smelly lady, who dare to move me. So courageous, really courageous!"

"Master, what do you do now?"

"Assemble all the hands of my Lin family, and I personally lead them to the orphanage. Today, not only will Ye Fan be abolished, the orphanage will be pushed, and Meng Qingyi's **** will be taken!"

ten minutes later.

The mighty motorcade headed towards the orphanage.

at the same time.

Ye Fan didn't care when he got the news.

A mere Lin family, a mob of more than 300 people, is not enough for him to fight with one hand, or in other words, he doesn't even have the qualifications to be his opponent.

"You solve it, don't let the Lin family bother me and my sister anymore."

"clear!"

At Mingyue Manor, Jiang Long put away his phone, with a cruel smile on his face.

Zhao Qingmei's heart trembled.

She knew that Lin Hui was finished, and so was the Lin family!

"Qingmei, how many people are under the Changning branch?"

"one thousand."

"Enough." Jiang Long waved his hand, and the dragon king's aura rose into the sky, sounding like a bell, "divide into twenty teams, and immediately attack everyone in the Lin family."

"Within an hour..."

"...The Lin family wants to be removed from Changning."

Zhao Qingmei clasped her fists and hurriedly left.

Jiang Long was not idle either. He drove to the only way to the orphanage, standing in the middle of the road like steel.

...

An entertainment club in Changning, inside the box.

"Haha, little girl, no one will come to rescue you if you break your throat, I am the second master of the Lin family, who dares to provoke me!"

"hiss--"

Lin Hongda tore the little girl's clothes apart.

There was a lot of laughter in the box.

The girl begged for mercy, but Lin Hongda didn't pay any attention to it.

Bang!

Suddenly, the private room door burst open.

A group of well-dressed men appeared.

"Who? I don't know I..."

"puff!"

Lin Hongda's voice stopped abruptly, clutching his throat, and fell to the ground.

After three minutes, there was no sound.

"take away."

The hard-wearing man put the corpse into the black bag and quickly retreated.

There was dead silence in the box.

The crowd were like ice sculptures, and they dared to breathe without moving.

Outskirts of Changning.

A bulldozer roars in a residential area.

"My house, um, that is my home, you bastards, this is forcibly demolished... I want to sue you and return my house!"

"Give back our house!"

A group of residents were crying.

However, he was suppressed and beaten violently by a group of bastards.

Lin Hongyuan sneered disdainfully, "Sue me? Go, I want to see if you can sue me. Don't you know who I am? I am the third master of the Lin family!"

"so what."

The icy voice reverberated, and the **** who suppressed the residents all flew up and fell to the ground without knowing their life or death.

Dozens of men in black came.

Carrying a strong murderous intent, the black cloud crushed the city, making Lin Hongyuan horrified.

"Who are you and what are you going to do..."

"what!"

Lin Hongyuan screamed, crushing both knees.

Kneeled down towards the residents.

"Don't kill me, I'm the Lin family..."

"Crack!"

Lin Hongyuan's neck turned 360 degrees, and he died of violent death; but the residents had no sympathy and all cheered.

The bizarre deaths of the Lin family one by one quickly reached the ears of Lin Hongchang, the chairman of the Lin Group and the head of the Lin family.

"what happened?"

Lin Hongchang broke out in cold sweat, shocked and anxious.

At this time, the secretary hurried over and reported, "Chairman, the Blue Lake Group has been laid out for three months. The Blue Lake Group you are looking at has been driven to a dead end by us. The chairman and his family have all committed suicide by jumping off the building. The Blue Lake Group is ours. NS."

"Good, good."

This good news dilutes Lin Hongchang's bad mood a lot.

"Chairman, which is the next goal?"

"Next goal... Qingye Group, Meng Qingyi is very famous in the circle, I am very interested."

When the words fell, the blood covered Lin Hongchang's entire sight.

The secretary's head flew up.

Puff puff... scarlet blood filled the entire office.

"Sister Tianzun dared to covet it too. Ten thousand deaths are not enough."

"kill!"

A punch, howl of tigers.

Lin Hongchang's chest exploded and a blood hole appeared.

So far, forty-three members of the Lin family have settled forty-two, and there are still...

Rumbling.

On Qingshui Avenue, Jianglong finally saw the convoy.

"It's really slow enough."

Throwing away the cigarette butts, Jiang Long walked towards the convoy.

"Didi!"

"Dididi!"

"Didi!"

The leading Bentley kept honking its horn, and Lin Hui in the car said angrily, "What is this stupid fork doing!"

The captain of the bodyguard got out of the car and walked over.

"Get out of the way, my master..."

"puff!"

With a slap, the man flew more than ten meters.

Jiang Long's eyes burst into light, and he hit the front of the Bentley with a punch, causing the rear body of the entire car to fly high and overturned.

"Protect young master."

With a shout, more than three hundred thugs from behind rushed down.

Lin Hui climbed out and shouted, "Beat me, kill me, **** it!"

However.

The next scene is destined to be unforgettable for Lin Hui.

Jianglong is like a dragon who crosses the river, stirring up the world and the world, wherever he goes, no one is his enemy.

With a large lineup of more than 300 people, all of them lost their combat effectiveness in less than five minutes.

Lie down on the road very staggeringly.

"Pooh."

Jiang Long took out a tissue and wiped the blood on his face.

At this moment, in Lin Hui's eyes, Jiang Long is simply the devil.

Seeing Jiang Long approaching, he shouted in horror, "You, don't come here, I am the youngest of the Lin family, my father is Lin Hongchang, and my Lin family is a big family, you..."

"Big family? Not necessarily."

"Really, don't lie to you. In Changning, only the four big families can overwhelm my Lin family. No, I will call my dad now, and you will tell him."

Jiang Long laughed strangely, "You fight, and see if he will pick it up."

"This is what you said!"

Lin Hui seemed to have caught the life-saving straw and called Lin Hongchang, but no one answered.

Then, he called the second master Lin Hongda again, but it couldn't get through.

Then there is San Ye Lin Hongyuan...

Fourth Master Lin Hongtu...

Lord Five...

Lin Hui shivered constantly, with a bad feeling, all the forty-two calls were made, but none of them could get through.

"This this....."

"...My Lin family, what's wrong?"

"Of course it's gone." Jiang Long's laugh made Lin Hui's face look ashen, scared to incontinence.

"Why, why... why is it my Lin family, why!"

At this moment, Lin Hui roared.

"Because you provoke people who shouldn't be provoke. Xiao Lin's family, in front of my boss, Sesame is not considered; and you are bold enough to beat my boss and covet my boss's sister, ha ha."

"You mean... Ye! Fan!"

Lin Hui was shocked, but it was too late.

He saw his body, saw blood spurting from his neck...

evening.

The Lin Group was seized.

The investigation team announced that the Lin family was suspected of serious violations of regulations and disciplines, as well as designing major violations of laws and crimes, and the whole family was detained.

The Changning business community was in an uproar.

Only the Haogui who witnessed the beheading of the Lin family knew that things were never so simple, but none of them dared to say anything, and they all thanked the guests behind closed doors.

Chapter 39: Give you a chance!

Compared with the destruction of the Zhang family, the waves of the destruction of the Lin family were very small, almost without discussion, and very calm.

After two large families were destroyed, there must be a powerful and powerful man behind them. At first, some people guessed that it was Samsung warrior Guo Xiong...

It seems that it is not accurate enough.

Even if it is a Samsung warrior, it is impossible to wipe out the two big families in just two or three days.

Even if Guo Xiong had the guts, he would never be allowed to mess around.

In other words, the master behind the scenes is someone else.

It's a more terrifying existence than Guo Xiong... I think of Dadian, there will be a super hero dojo, and everything is consistent!

For the unknown, the instinctive response of human beings is fear, so the Lin family is kept secret.

therefore.

The big families and chaebol groups are honest; for fear that the super man will be upset and wiped out instantly.

The next day, in the morning.

For Changning, today is a great day.

Cao Bing was promoted to a one-star general and held a ceremony at Feiyu Mountain Villa. There is no doubt that this is the biggest banquet in Changning.

Early in the morning, luxury cars rushed towards Feiyu Villa, and the parking lot was full after nine o'clock.

Later, he had to park his car on the road outside.

The entire villa covers an area of 300 acres, including gardens, mountains and rivers, one step at a time, and beautiful scenery.

The villa is very lively.

Wherever you go, you can see the rich and powerful, and the usually arrogant second-generation rich, dare not arrogant here, because there are many officers and soldiers in the manor.

They were all real guns and live ammunition, majestic and prestigious, maintaining the order of the manor.

"Om—"

At the right time, Ye Fan drove Meng Qingyi in Maserati; found a place to park the car, Meng Qingyi held him, and the two of them walked towards the villa.

actually.

Last night, Guo Xiong made a special call to Ye Fan.

Ask him if he wants to arrange for someone to greet him at the door, so that the scene and the battle will be set up.

Think about it, Ye Fan didn't think it was necessary.

The deeper reason.

I just want to maintain a good relationship with my sisters.

If the sisters know that he is a world-dominant figure, his attitude will definitely change, and even become very unfamiliar.

This is what Ye Fan didn't want to see.

"Wow, there are so many people."

Seeing the luxury cars in the open-air parking lot, Meng Qingyi was amazed. There are Rolls Royces studded with gold worth hundreds of millions.

In comparison, her Maserati is not outstanding.

"Look at the time, the ceremony is about to officially begin, sister, let's go in quickly."

"OK."

The two had just walked up the steps.

Sudden.

A sharp, tender shout came, "Ye Fan!"

Meng Qingyi turned her head, her eyelids twitched.

Yuan Feifei!

The Yuan family is one of the four major families in Changning, and Yuan Feifei is also a famous daughter in the circle. It is difficult for Meng Qingyi to know it.

"Why are you still good?"

"Is it possible that Su Muyu will heal you in less than two days?"

Yuan Feifei couldn't believe it. She always thought that Du Jiu taught Ye Fan and Su Muyu that night.

At this time, Yuan Yang also came.

"Feifei, what are you doing?"

"Brother, take a look." Yuan Feifei pointed at Ye Fan and said angrily, "What does Du Jiu do? Ye Fan is fine."

Yuan Yang raised his brows, squinted his eyes and said, "Are you Ye Fan?"

"it's me."

"Du Jiu didn't look for you that night?"

"found."

"Then why are you okay?"

"Well, you should ask Du Jiu, he didn't tell you?" Ye Fan said playfully.

Yuan Yang was sober, he called Du Jiu, but no one answered.

I was thinking about asking when Du Jiu came to attend the ceremony today. I didn't expect Ye Fan to be intact, so Su Muyu would be fine.

Dare to love Du Jiubai whoring an invitation card.

Damn it!

Yuan Yang was furious.

Confused, Meng Qingyi asked quietly, "Xiao Fan, what's the matter, have you offended the Yuan family?"

"It's okay, they are biting by a mad dog."

"What did you say!"

Yuan Feifei and Yuan Yang's brother and sister were furious.

But Ye Fan ignored it at all and led Meng Qingyi to the gate of Dashanzhuang.

"Stop me!"

Yuan Feifei rushed up and stopped the two of them.

"Ye Fan, do you dare to call this lady a mad dog, you can die. Du Jiu didn't teach you, I will come personally."

Speaking, Yuan Feifei slapped Ye Fan.

The last time it was at Sifan Medical Center, Ye Fan dared to beat her; but now at Feiyu Villa, the powerful and powerful gathered, Yuan Feifei was convinced that Ye Fan would not dare to resist.

But when Ye Fan was about to block, a figure stood in front of him.

"Snapped!"

Meng Qingyi blushed all over.

In an instant, Ye Fan's eyes opened wide, and blood surged.

Yuan Feifei was stunned, and found Meng Qingyi's stunning face, a flame of jealousy burned, and viciously said: "Block it for him, okay, this lady will smash your face."

Another slap came over.

Meng Qingyi didn't dare to hide or stop, because the Yuan family was too powerful, and Yuan Feifei was the little princess of the Yuan family, who was notoriously domineering.

Slap a few times and let her vent her anger, and the contradiction may be resolved; if it is tough, there will be big troubles.

This is more troublesome than provoking Lin Hui.

Meng Qingyi closed her eyes tightly.

The crisp voice sounded naturally, but she didn't feel the pain. She opened her eyes and was shocked to find that Yuan Feifei's cheek was swollen and her nosebleeds spurted out.

this...

Seeing Ye Fan's gesture, Meng Qingyi's pupils shrank.

"Xiao Fan, did you beat Yuan Feifei?! You kid, do you know..."

"Sister, it's okay."

Ye Fan hugged Meng Qingyi, turned his head, and said in a condescending posture, "You have provoke me again and again, do you Yuan family want to disappear from Changning, too."

Boom!

Yuan Yang and Yuan Feifei, who were originally furious, heard these words, their hair standing upright, and a nine-secret cold wind rose from the bottom of their hearts.

"Feifei, what's wrong with you?"

Yuan Changping hurried over.

Followed by Yuan Jianghe, the elder of the Yuan family, Yuan Changlong, the eldest of the Yuan family, and others, the entire Yuan family is here.

"dad!"

"Grandpa, uncle."

"This guy hit me, oooooo, you have to call me the shots, he hit me, oooooo!"

The movement was getting louder and louder, and many celebrities gathered around.

Meng Qingyi appeared panicked.

However, Ye Fan hugged her lightly, and she felt inexplicably safe.

"Dare to beat my daughter?!"

Yuan Changping jumped into thunder.

Yuan Jianghe and the others also looked ugly. Their Yuan family was among the four largest families, and the little princess of the family was beaten outside the villa.

It's worth it!

It must be handled, dealt with seriously, and the Yuan family's majesty must be shown, otherwise the Yuan family's face will be put aside.

"Are you, Meng Qingyi?"

Yuan Changlong suddenly asked.

"Yes, Mr. Yuan." Meng Qingyi nodded, her tone of apology, "This is my brother Ye Fan, it was not intentional to beat Miss Feifei, it was Miss Feifei who hit me first."

"What's wrong with my sister hitting you? Are you a **** as expensive as my sister's gold?" Yuan Yang stopped drinking.

"Yes!" Yuan Changping spit.

"Dad, she slapped me, I want to return it to her a hundred times, and slap her in the face." Yuan Feifei shouted viciously.

At this time, Yuan Jianghe stepped forward, knocked on the ground with his crutches, and said weakly, "You are the kid Ye Fan that Feifei said. I heard that you have superb medical skills, can you be serious?"

"What about it."

"Well, you and Meng Qingyi knelt down and apologized to Feifei; then you treat me and the matter is over."

Kob his head and apologize, and heal.

Arrogant! overbearing!

Ye Fan's eyes shone with cold light, and he smirked with anger, "What a Yuan family, I saw someone from Ye."

Yuan Changping shouted, "What are you waiting for, hurry up and apologize."

"If you want us to kowtow, your Yuan family is not qualified and can't afford it. However, this old guy wants me to be treated for a chance."

In the first sentence, the Yuan family was angry; in the latter sentence, they suppressed their anger.

This is even more important to treat the old man.

However, Ye Fan speaks surprisingly.

"Everyone in the Yuan family knelt outside the gate, until the ceremony is over, I will treat the old guy!"

Chapter 40: Cancel the ceremony!

-All the Yuan family knelt down until the end of the ceremony.

This sentence silenced the audience.

All eyes were focused on Ye Fan, and Meng Qingyi beside her was even more pale and short-circuited her head.

"Bastard!"

After a brief absence, the entire Yuan family was furious.

Their blood rushed to their heads, and they couldn't wait to swarm up and tear Ye Fan to pieces.

The Yuan family was humiliated in full view, which had never happened in so many years.

You know, his Yuan family ranks among the four largest families, with strong financial resources and well-connected contacts.

Who dares to provoke!

Even the leader of the authorities has to show some face.

"Little bastard, you are dying!"

"Cut off the tongue, abolish the limbs, and throw it into the sea to feed the fish."

"Must apologize with death!"

The Yuan family kept roaring, and the heads of Yuan Jianghe and Yuan Changlong were even more livid and their mouths twitched.

Ye Fan disapproved, and said calmly, "Old man, you are in a dying ill, but I can heal it. If you want to survive, you kneel down and beg me, and ask her to apologize for my sister with a hundred beeps."

"What did you say!"

Yuan Feifei's eyes were splitting, "Kill him!"

Suddenly, several masters of the Yuan family's bodyguards flew over, with daggers in their hands, they didn't care about it, they wanted to kill Ye Fan in the eyes of everyone.

puff! puff!

Just when the onlookers determined that Ye Fan was going to die, the bodyguard masters all vomited blood and flew upside down, their chests collapsed, and they were dying.

The audience was dead again.

Ye Fan looked cold, if he didn't want Meng Qingyi to see the **** scene, he just wanted to blow up a few bodyguards alive.

"You dare to hurt my people in the Yuan family, brave! Ye Fan, today you will undoubtedly die." Yuan Feifei cried viciously.

"Come on!"

With the summons, more bodyguards from the Yuan family came in, roughly estimated to be more than 30 people.

And Yuan Changlong and Yuan Jianghe looked at each other and said, "Hold on, let me step back."

"Uncle, what are you doing, Ye Fan insulted my Yuan family, and those who beat my Yuan family must apologize with death."

"Today is a good day, to bleed in front of the villa. This is disrespectful to the generals."

Yuan Feifei was startled and calmed down.

At the ceremony, Cao Bing, Guo Xiong, and mysterious super figures will come, and it is indeed wrong to see blood at the entrance of the villa.

"Ye Fan, great."

Yuan Changlong squinted his eyes and said meaningfully, "When the ceremony is over, don't leave. My Yuan family will have a good talk with you."

"Hmph, let you live a few more hours." Yuan Feifei said viciously.

Yuan Changlong supported Yuan Jianghe and led the Yuan family into the villa.

The onlookers felt sorry for not being able to do it.

Everyone walked towards the villa.

"Sister, let's go in."

"Xiao Fan, forget it, I want to go back." Meng Qingyi was anxious, and because there was no invitation, he came to try his luck, so he retreated.

Seeing that Meng Qingyi had decided to leave, Ye Fan did not persuade.

After taking a look at the villa, he said lightly, "Well, eldest sister, don't feel a pity. If you don't attend the ceremony, there is no need to hold the ceremony. I will let someone cancel it."

"idiot!"

The Yuan family who did not go far sneered.

Other celebrities and magnates are also full of contempt and mockery. It is a big tone to cancel the ceremony. You are because of who you are.

Meng Qingyi was up and down in his heart, and did not listen to this sentence.

Ye Fan hugged her and got into the car.

Soon after they left, the bell rang and everyone gathered in the huge square in the center of the villa.

"The ceremony is about to begin."

"Look, a group of officers and soldiers lined up. It seems that General Cao Bing and Guo Xiong are about to appear."

"In other words, what is the existence and level of Mysterious Lord? Is it a big boss from the province?!"

"Maybe upwards."

"How to say?"

"Guo Xiong Zhan will be the deputy commander of the Qingzhou War Department, and he is already one of the top gangsters in the province; while the mysterious lord is a super gangster, he is expected to be much higher than Guo Jiang."

"You mean, Lord Mystery is from..."

"The capital!"

"..."

The atmosphere was fiery, and everyone had a lot of discussions.

At this time, on the high platform, a military lieutenant came out, holding the microphone, and said with a grim expression:

"Tell everyone a bad news."

"This ceremony, cancel!"

???

The venue was deadly silent, and the needle fell audible.

At the next moment, someone excitedly asked, "Why is this? A good ceremony, how did it cancel, and what happened?"

"Yeah, we finally got together, just to congratulate General Cao and pay tribute to General Guo and Mr. Mysterious."

"If you say cancel it, cancel it and leave us as soon as you call it. Isn't it too much? Are we not human!"

For a while, complaints were heard.

The Yuan family looked at each other, looked at each other, there was a look of surprise deep in their eyes.

Ceremony cancelled?

Ye Fan said at the door that it really came true.

How can it be!

"Quiet."

The lieutenant stomped his feet.

The aura of thousands of officers and soldiers rushed to cover the audience, making everyone shiver and dare not say anything.

Immediately afterwards, the deputy general said in a cold voice, "The reason for the cancellation is to thank a certain family for being unruly and arrogant at the entrance of the villa. The mysterious lord can see clearly and is very unhappy."

"So, cancel the ceremony."

"Wait, leave Feiyu Villa quickly, huh!"

After the lieutenant finished speaking, he turned and left.

Thousands of officers and soldiers stared at him, as if anyone who did not leave would have to rectify the Fa on the spot.

"Damn it, which family is pretending to be a fork, and the brain is flooded, don't you know what day it is!"

"A mouse shit, a pot of soup is broken."

"Who knows which family it is, his mother, he is a sinner, a sinner in Changning! I propose that all families and consortia unite and suppress this family."

"I agree."

"I second!"

"..."

The dignitaries were originally excited and looked forward to paying homage to the "mysterious adults", but now because of a certain family, the ceremony has been cancelled.

Everything has fallen through.

How can you not be angry!

In addition to the rich and wealthy, there are also officials from the government, and there are many leaders in high positions, and they are all angry and cursing.

The Yuan family's face was ashamed.

Isn't this talking about his Yuan family?

The mysterious lord witnessed everything that happened at the entrance of the villa, and was dissatisfied with his Yuan family!

Yuan Changlong was about to vomit blood and stared at Yuan Feifei fiercely.

If it weren't for her, things wouldn't have reached this point.

Now that the Yuan family has become the target of public criticism, it is impossible to be stable. Even if it is among the four major families, it is impossible to fight against the entire Changning business community by itself... and even the political magnate!

"go home quickly."

Yuan Jianghe growled.

The Yuan family hurriedly left Feiyu Mountain Villa, and at this time, someone also revealed the culprit.

"What, it's the Yuan family!"

"Grass, what's wrong with the Yuan family. The four big families are at the bottom, what are you afraid of. We join hands, and the Yuan family has to finish playing."

"The Yuan family must be punished."

Soon, many rich people in the business community began to plan.

Some people are trying to vent their anger.

Some people are opponents of the Yuan family and take the opportunity to crusade.

There are others who want to mess up the Changning business community and profit from them.

all in all.

Things fermented quickly, the Yuan family was pushed to the forefront of the storm, the population was criticized, and the group became unstable.

Yuan's Villa.

"Snapped!"

Yuan Feifei, who was slapped by Yuan Changlong, almost fainted.

"idiot!"

"It's the basket you stabbed again. Now the family is embarrassed on all sides. Tell me what to do!"

"You are the sinner of the family!"

Yuan Changlong was furious.

No one dared to speak up for Yuan Feifei, even his father Yuan Changping or Yuan Jianghe, who loved her, remained silent.

For a long time, Yuan Jianghe said, "This thing is very strange."

"Dad, what do you think."

"That kid Ye Fan is not right, canceling the ceremony is definitely not just talking about it." Yuan Jianghe frowned.

There is a clue in my mind, but I can't grasp it.

"Could it be that Ye Fan is that mysterious adult?"

"Impossible!" Yuan Feifei roared ferociously, "Ye Fan is just a pariah, and cannot be a mysterious adult. He is a blind cat and a dead mouse, and he happened to be right."

Yuan Yang said, "Uncle, if Ye Fan is a mysterious lord, we will have to be punished on the spot, for fear that we won't be able to get out of Feiyu Villa."

Yuan Changlong nodded, feeling reasonable.

Yuan Changping guessed, "Brother, did Ye Fan see the mysterious lord at the time and know that the mysterious lord is paying attention, so he dare to be so presumptuous?"

"Right, right, right." Yuan Feifei shouted, "Yes, it must be like that. The fox is a fake tiger! Grandpa, I suggest that Ye Fan be caught and asked."

"you shut up!"

Yuan Changlong thunderously shouted, and Yuan Feifei was so scared that Yuan Feifei did not dare to speak.

Yuan Jianghe sighed and groaned, "Because of oppressing Ye Fan, Mr. Mystery is dissatisfied with my Yuan family. If you attack Ye Fan again and provoke Mr. Mystery, the Yuan family is afraid that it is not going to follow in the footsteps of the Zhang family and the Lin family. "

"The top priority is to contact friends in the business community on the one hand to stabilize the situation; on the other hand..."

"Find a way to contact Cao Jiang, or the first or second in command of the authorities to ask about the situation. If the mysterious lord can be found, all of us in the Yuan family will apologize, even if it's...kowtow, please beg!"
