

Elite Doting 1321

Chapter 1321: An Unforgettable Night (Part Twenty Four)

She was still really young, although she was already 18. But... wasn't this age more alluring to a man?

He was afraid that he wouldn't be able to control himself.

Young Master Ming's conscience was fighting a battle with his desire at the same time.

Su Yue shook her head and replied, "I'm not scared."

Her fingers, however, intertwined tightly together and it betrayed her nervousness. She was nervously wondering what would happen to Uncle Ming and her if they stayed alone in the room for the entire night.

On the other hand, she was hoping for something to happen.

She was feeling conflicted, too.

"I thought you were playing card games? Why did you return so early?" Ming Ansheng changed the topic.

He reckoned that the beast in him would unleash if Su Yue continued with her bashfulness.

Su Yue pouted and grunted, "Third Brother didn't play by the rules. I don't want to play with them."

She didn't tell the entire truth to Ming Ansheng. She was actually feeling terrible and lonely when she saw how loving the two couples were.

Ming Ansheng grinned and said, "Rest early after you finished the food. You are supposed to go out tomorrow, right?"

Su Yue sounded a little disappointed by his response. She softly muttered, "Are you going out tomorrow too?"

Ming Ansheng asking her to rest early had disappointed her. That meant that nothing would happen to them tonight.

He didn't want to do anything with her.

Deep down, she was actually on tenterhooks at the thought of it. She was still disappointed nonetheless.

"But you won't be with me," Ming Ansheng gloomily answered.

Su Yue hurriedly explained, "But I will be with Third Brother and Third sister-in-law. How can I meet you? If you go with us, they will know about us."

Ming Ansheng pursed his lips and reluctantly answered, "Alright then. I shall sleep in the hotel room."

He placed the glass on the table and was about to stand up.

"Uncle Ming." Su Yue wound her arms around Ming Ansheng's waist.

Ming Ansheng froze, and he immediately pushed Su Yue away. "Yueyue, don't be like this."

His actions were too harsh and abrupt, and it hurt Su Yue's ego. Su Yue glared at him. "You..."

Her lips were sealed by his before she could finish her sentence.

The man's kiss took her completely by surprise, and Su Yue's eyes were huge with shock. She gazed into the depths of his eyes and it was as though it sucked her into a deep whirlpool, trapping her.

Unconsciously, she stretched her hands and placed them around Ming Ansheng's neck in response to his kiss.

Her response caused Ming Ansheng to lose control of himself. He pushed her tiny body on the couch and his body came crushing on hers the next moment. His kisses became more passionate and intense.

Su Yue's heart seemed to jump out of her chest.

Ming Ansheng's lower part of his body was brushing against her thigh. She could tell that it was changing but her knowledge with regards to it was still limited.

"Uncle Ming, *your* ... what happened there? Why is *it* changing?" Su Yue blinked as she asked Ming Ansheng with a straight face.

Ming Ansheng's breath was hurried and irregular and he wasn't able to comprehend her question. "Where?"

"Here." Su Yue's hand grazed lightly against that part.

Ming Ansheng groaned in agony and his body turned stiff. He felt that his body seemed to snap at any moment.

He grabbed Su Yue's hand and raised his voice. "Yueyue!"

How could this girl be so clueless?

"Uncle Ming, is this going to make me pregnant?" Su Yue threw an innocent question at Ming Ansheng.

Chapter 1322: An Unforgettable Night (Part Twenty Five)

Ming Ansheng frowned as he scrutinized the little lass. "Haven't you watch TV shows? Didn't you read novels? Or your textbooks?"

Su Yue sheepishly grinned.

Her grin and expression made Ming Ansheng feel as though she had been mocking and deceiving him.

He stretched his hand to pinch her waist. "You bad girl, how dare you to trick me."

Su Yue screamed and writhed in pain. She chortled and replied softly, "I'm not! I'm not tricking you."

She knew a little about these matters, but she really had no idea about the changes in a man's body.

Ming Ansheng's gaze turned intense as he watched her innocent smile. After a long time, he gravely said, "Yueyue, you're still young."

He straightened his back and retreated from Su Yue. He sat down before adjusting his clothes.

He stole furtive glances at his lower part of his body. He was in agony.

Su Yue clambered up into a sitting position as she glanced at Ming Ansheng. "Don't you love me?"

Third Brother loved Third sister-in-law and he yearned to be with her all day long. But... why did Uncle Ming distance himself away from her? He even rejected her advances.

"I love you." Ming Ansheng gazed into Su Yue's eyes and his expression was so tender. "It's because I love you, I can't bear to hurt you."

F*ck. Why was he so cliché and so pretentious?

She had already turned legal lawfully, so why couldn't she?

But he just couldn't bear to do it when he saw how frail and delicate she was.

Su Yue responded vaguely with an 'oh'.

She raised her glass and emptied it in a gulp. She stood up and said to Ming Ansheng, "I'm going to sleep."

After that, she raised her feet and walked towards the bedroom.

Ming Ansheng knew that he had upset her.

He sprinted after her. "Yueyue, are you angry?"

"I'm not," Su Yue said.

But her tone showed that she was angry. She was furious.

"Don't be angry." Ming Ansheng caught up with Su Yue and hugged her tightly from the back. He coaxed her gently and breathed into her ear. "Silly fool, don't be angry. It's really painful and I can't bear to inflict this pain on you."

"How did you know?" Su Yue turned to look at Ming Ansheng. "Those women that you have slept with before, were they all in pain?"

Su Yue knew of the pain, especially during the first time. She had read about it online.

Ming Ansheng was speechless.

She had to mention the pot that doesn't boil?

Young Master Ming's face turned grave, and he wound his hands tightly around Su Yue once more. He mumbled softly. "Don't be angry. Let's wait till you get older..."

Su Yue suddenly sealed his lips with a kiss, breaking him off in mid-sentence.

Ming Ansheng's eyes were huge with shock. He stared in disbelief at how bold Su Yue was. She hugged him several times before, but this time it was different. She was passionately kissing him right now.

Her soft and delicate lips were so alluring and her breath smelled of wine.

Ming Ansheng instinctively returned the kiss as well. He drew his breath deeply.

Shit. There was no way he could contain the beast within him tonight.

Both of them simultaneously moved towards the bedroom.

When they reached the bed, Su Yue put her arms around Ming Ansheng's neck and pulled him along with her as she collapsed on the bed.

She gazed at Ming Ansheng with a serious expression. "Uncle Ming, you promised me that I will be your only woman in the future."

Chapter 1323: An Unforgettable Night (Part Twenty Six)

Ming Ansheng looked thoroughly amused. "You're still a child, you're not a woman yet."

Su Yue frowned and pouted. "Are you... rejecting me because my chest is flat?"

She blinked her eyes as though he humiliated her, but he never uttered a sound. She looked adorably pitiful.

She was the only woman who could ask such a question. Ming Ansheng was half-exasperated, half-amused by her response. He coaxed her and said, "It's big enough. You are a pretty little woman."

He flushed immediately.

His gorgeous face was crimson, and it was rare to see him being bashful. Su Yue watched Ming Ansheng intently and she swallowed her saliva.

She felt that her heart was ballooning rapidly. She seemed to... want him now.

She had no idea how. But she knew that Ming Ansheng would know how to.

Su Yue began to get impatient and she questioned him. "Uncle Ming, will you only sleep with me in the future?"

Ming Ansheng nodded with no hesitation, after which he gave her a reassuring smile. "Certainly."

The expression in his eyes and tone screamed determination.

He had no idea how much time they would have together. What he was sure was his determination and his desire to take care of her for the rest of his life. He really adored and loved this little girl.

He would be sure to treat her like both like a princess and a woman in his bed.

"Then... I'm willing to be your woman." Su Yue bit her lip and her eyes were sparkling with desire.

She was seducing Ming Ansheng.

His adam's apple moved as he swallowed his saliva. His body was about to snap due to his burgeoning desire for her. He was fighting a losing battle with his determination as he gazed into Su Yue's eyes.

But even her voice still sounded like a child. Ming Ansheng... are you sure you want to?

"Yueyue, I really don't want to hurt you. You're too young."

Ming Ansheng abruptly rose after an intense struggle. He had made up his mind.

He stood towering over Su Yue, with his eyes fixed intently on her.

Su Yue was blushing red as she pouted. She grumbled, "Just now you said I was big enough, but then you said I'm too young just now. You're a liar."

Ming Ansheng was speechless.

He had indeed said that she was big enough, but he was referring to her chest.

"Yueyue, stop seducing me. I need the bathroom." He can't bear to watch her any longer as he knew he would succumb any moment.

He stole a glance at his body and it was indeed... too embarrassing.

Uncle Ming's face flushed and strode quickly towards the bathroom.

Su Yue's voice rang once more. "Uncle Ming, are you going to marry me in the future? Or you don't want to? Are you merely playing with me?"

Oh, my god! What's wrong with this lass tonight? She was literally driving him crazy.

Ming Ansheng was exasperated, and his entire face was crimson now. He maintained a gentle smile and replied, "Silly girl. Of course, I will marry you."

Su Yue sat up as she hugged a pillow. She glared at Ming Ansheng and said, "Then you can't like any other woman in the future. You can't even look at them."

She sounded and seemed as though she had given up the idea of getting intimate with him.

Ming Ansheng heaved a sigh of relief, although he was still a little disappointed.

"I can't even look at them?" asked Ming Ansheng with a grin. He was trying to suppress his exploding desires.

He wanted to maintain the image of a calm and level-headed man in Su Yue's eyes.

Su Yue frowned and retorted, "You want to look at them?"

"No, I don't want to." Ming Ansheng hastily shook his head and smiled. "I'm just asking. Little Yueyue is so beautiful, why would I look at someone else?"

Chapter 1324: An Unforgettable Night (Part Twenty Seven)

“Uncle Ming, you’re so hateful,” Su Yue bashfully said and hung her head low.

Ming Ansheng’s throat was rumbling once more and he clenched his fists. Maintaining a forced smile, he said, “Yueyue, just wait a little longer all right?”

His voice had evidently changed and a normal person could tell.

Without a doubt, Su Yue didn’t notice it and she rattled on, “Why did Third Brother seize every opportunity to do it with Third sister-in-law. *Hmph!*”

Ming Ansheng clammed up when he heard her. He turned around and continued to walk towards the bathroom.

But he was cursing Yan Rusheng in his heart. *‘F*ck! Am I in the same category as that shameless scum?’*

Yan Rusheng had crushed all his moral values to smithereens.

Ming Ansheng entered the bathroom and soon running water was heard.

Su Yue hugged a pillow as her head rested on her knees.

After some time, she snapped out of her reverie. She soon realized that she could still hear running water.

Uncle Ming was still taking a shower?

Su Yue furrowed her eyebrows and she threw a glance at the clock.

Oh, my god! Uncle Ming had gone inside for more than half an hour. Did he faint inside?

Previously, she watched a TV series and remembered that there was a person who fainted in the midst of a shower.

Su Yue leaped to her feet and sprinted to the bathroom. She knocked on the door and shouted, “Uncle Ming!”

She paused, but no one answered.

Oh shit. Did Uncle Ming really faint?

Su Yue gritted her teeth and swiftly turned the doorknob.

They both frightened each other.

What greeted Su Yue’s eyes was the man’s naked muscular body. Water was running down from his head to his well-defined abs.

Su Yue felt as though her face was burning, and her heart had stopped beating.

She opened her mouth and stammered, “Uncle... Uncle Ming...”

“Shit! Damn it!”

Ming Ansheng glanced at his body and he was furious with himself. When Su Yue softly called him *‘Uncle Ming’*, he finally vented his *‘desire’* immediately.

It frustrated Ming Ansheng, and he cursed himself. He turned around and hastily said, “Yueyue, close the door. Stop looking at me.”

“I realized that you might have fainted in the shower since you took more than half an hour.” Su Yue didn’t move at all and she asked, “What happened to you just now? Did you suffer from urine incontinence?”

Urine incontinence?

Ming Ansheng pressed a palm against the wall while he pressed the other hand against his face. How was he supposed to explain to her that it wasn’t urine incontinence? *It was... ahem...*

He had finished venting his desires, and he should feel relieved now. Instead, he felt that his body seemed more strained and tensed than before.

“Yueyue, stop spewing nonsense. Go out now.” His voice had turned hoarse from suppressing his desires.

He sounded so weird. Out of concern, Su Yue asked, “Uncle Ming... are you in pain?”

Was this lass trying to pretend that she didn’t know what was going on?

Ming Ansheng really felt that Su Yue was tormenting him to his death. Although his back was facing her, he could feel Su Yue’s eyes fixed intently on him—his naked body!

The water gushed down, washing away his last ounce of determination and sanity. He clenched his teeth and breathed heavily. “Yueyue, come in.”

Chapter 1325: An Unforgettable Night (Part Twenty Eight)

Su Yue obediently nodded as though she had received a royal decree. She treaded happily into the bathroom and stood behind Ming Ansheng.

She stretched her hands to hug Ming Ansheng.

Ming Ansheng abruptly turned around instead and pushed her back against the wall.

Su Yue’s heart furiously pounded, and the water from the showerhead drenched her in no time. The atmosphere in the entire bathroom was filled with lust and fiery passion.

“I’m in agony indeed.” Ming Ansheng’s eyes quietly trailed to Su Yue’s rosy cheeks.

He kissed Su Yue’s alluring lips. His kiss left Su Yue breathless, and she slumped weakly against Ming Ansheng.

“Uncle Ming, I... I...” uttered Su Yue in a soft tone of voice. She couldn’t bring herself to express her desire.

How would an intelligent man like Ming Ansheng not understand what she wanted right now? He gazed into her misty eyes and he clenched his teeth. He finally succumbed to his desire and tore her bathrobe apart.

Su Yue instantly stood naked before him.

Ming Ansheng's eyes lit up and his eyes were blazing with a fiery passion. He eagerly bent and kissed her chest.

Under the warm light, her scar became quite obvious. Su Yue hastily stretched her hand to cover her scar. "Uncle Ming, don't look at it."

"It's beautiful. Yueyue, you're beautiful from head to toe." Ming Ansheng raised his head and smiled at Su Yue.

Although she had gone for a reconstructive surgery, he could still feel the little bump on her chest when his lips brushed across her chest.

Ming Ansheng's heart seemed to grip tightly. He pressed his lips on the scar for a long time.

He straightened his back before gazing at Su Yue. "Yueyue, why are you so beautiful?"

A gentle and warm smile played at the corners of his mouth.

"I'm much better than you right?" She raised her face and beamed at Ming Ansheng.

Ming Ansheng nodded and replied, "Yes. I'm the mouse who the cat will eat up."

He bent to bite Su Yue's lips before kissing her.

He wrapped a hand around her body while the other slowly pulled her leg up.

"Yueyue, it will definitely be painful. Are you... sure?"

F*ck! It was already too late for her to say no. Even if she said no, would he still be able to let her leave?

Ming Ansheng, stop pretending to be a saint.

Su Yue nodded before blinking at him. "You forgot what I said before? I'm not afraid of pain."

Ming Ansheng weakly smiled and said, "If it's painful, let me know."

"Okay," Su Yue agreed, and she nervously bit her lip in anticipation.

Ming Ansheng tried his best to slow down his pace.

"Ahhh..." Su Yue frowned and she raised her chin. She seemed in pain as she closed her eyes.

Chapter 1326: An Unforgettable Night (Part Twenty Nine)

"Is it painful?" asked Ming Ansheng as he hurriedly halted his action.

Su Yue shook her head. "It's... all right."

"Wait."

Ming Ansheng suddenly squatted before Su Yue. He knew that although she wanted him, the first time would definitely be too painful for her since she was inexperienced.

He felt that there was a need for him to be more patient with her—that should slightly ease the pain.

Young Master Ming, who was the highly respected and capable President of Bright Vision, could forgo his pride for the woman he loved. He was willing to do anything for her.

Yes, anything in the world.

Although it might be beneath a man's dignity.

But who would care about that if he loved the woman?

"Ahhh... Uncle Ming! Don't do that." Su Yue's legs quivered and she almost fell.

She hastily shoved Ming Ansheng away.

"That should be enough," muttered Ming Ansheng with a sly smirk. He raised his head and stood up. He raised Su Yue's leg and entered her.

It was still painful!

But the pain was more bearable now.

Su Yue tightly hugged Ming Ansheng as she clenched her teeth. She tried her best to endure it, and she really wanted to dig her fingernails into Ming Ansheng's back.

"I would love it if you can leave marks on my body." Ming Ansheng voiced Su Yue's thoughts. He bent and bit her ear and whispered, "And you don't have to bite your lips. You can try opening your mouth."

Su Yue did as he told her and opened her mouth.

"Ahhh..."

She let out a scream and her face instantly flushed. She hastily closed her mouth before glancing at Ming Ansheng.

A devious grin appeared on his face and it gradually grew wider.

Su Yue knew that he did it on purpose so she pinched his back with all her strength.

Ming Ansheng carried Su Yue out from the bathtub and covered her with a towel. He strode out of the bathroom towards the bed before placing her gently on it.

He bent and intently gazed at her face as though he was admiring a coveted treasure.

Su Yue blinked, looking confused. "Uncle Ming, what are you looking at?"

She felt so embarrassed.

Ming Ansheng smiled and whispered, "Little girl, it's too late for regrets."

In the end, he wasn't able to control his desires and chose to be a beast.

"I won't regret." Su Yue put her arms around Ming Ansheng and she pulled him towards her. She snuggled up against him as they lay on the bed. "But I don't want to have a baby yet. What should I do?"

She was still a student and they were not even married. Furthermore, Uncle Ming's grandfather still objected to them being together.

If she was pregnant with his child, it would expose their relationship.

Ming Ansheng kissed Su Yue's forehead before hugging her. "Silly girl. Even if you want to, I wouldn't allow you to have a baby now."

How could she have a baby now? He hasn't even had the chance to properly love and dote on her.

She was still so young and giving birth was such a painful process. He could wait for a few more years.

Ming Ansheng knew that Su Yue was feeling insecure, and he understood her worries.

He consoled her and said, "As long as you're willing, I will marry you any time. I don't care if there are any objections, and I don't intend to seek anyone's consent."

"Uncle Ming, I love you very much." Su Yue pressed her lips against Ming Ansheng's chest and kissed him gently.

Ming Ansheng smiled fondly at her. "Silly girl."

"Can we try it one more time?" Su Yue raised her head suddenly and gazed at Ming Ansheng with her twinkling eyes.

Chapter 1327: An Unforgettable Night (Part Thirty)

Su Yue looked so seductive and alluring at that moment.

It slipped Ming Ansheng's mind that this was Su Yue's first time. He didn't understand her question and he gazed at her with misty-looking eyes. "What?"

"Making love." Su Yue snuggled against Ming Ansheng's chest as she purred like a little kitten. "Those male characters in the novels can do it the entire night."

The authors were all lying.

So, she implied that he ended it too quickly?

Young Master Ming felt that his pride as a man was being trampled on. His face darkened instantly as he spat coldly. "Don't you dare read those nonsensical novels in the future."

Those unrealistically perfect male characters would definitely enamor her.

No! He couldn't allow her to do that, even if they were just fictional characters.

Su Yue frowned as she replied, "It's not nonsense. The novels weren't specific and those authors were so annoying. They only wrote that they kissed, switched off the lights, and it was the next morning. That's all."

Ming Ansheng's expression hardened. "You still want to know the details?"

Su Yue pursed her lips as she quipped, "I wanted to know as I was curious. But now that I've experienced it, I don't want to anymore."

Ming Ansheng was speechless.

Did this lass fantasize about those male characters?

He became jealous. He had a whim to delete the app on her phone.

"So can we do it again? That feeling was awesome." Su Yue blushed as she wrapped her arms around Ming Ansheng's waist.

She then raised her leg and deliberately propped it against his thigh.

Ming Ansheng didn't know what to say.

Was it really his problem? He felt that the foreplay took quite some time and the process wasn't short too. Why wasn't she satisfied?

But she had successfully provoked him. Young Master Ming felt that if he didn't manage to do it until Su Yue begged him to stop, he could never hold his head high again.

"Little girl, then don't complain that I bullied you." Ming Ansheng warned Su Yue with a threatening gleam in his eyes before he pressed her down.

He swooped down on her lips.

However... Su Yue didn't act according to what he had assumed. After a few times, she didn't even seem tired.

He gazed at the girl lying on top of him, looking eager and energetic. Young Master Ming began to doubt if he was getting old?

Was this because of their generation gap? Was it because he didn't satisfy her properly?

He had a really long flight and he busied himself with preparing the surprise for her after he landed. He was really exhausted.

"Sleep now, be good." Ming Ansheng stretched his hand to grip her hand, which was dancing lightly across his chest. He patted her back gently and whispered, "We will do it tomorrow again. Let's do it every night."

That immediately shocked him.

If they would do it every night... would he die from an overdose?

Su Yue knew that Ming Ansheng was drained and so was she. But she loved him too much and she really enjoyed the feeling of them being bound together.

She felt that only then did she truly possessed him.

She fell silent and snuggled up against Ming Ansheng. She watched Ming Ansheng and she blinked her eyes. "If you sleep here, what will happen if Third Brother and Third sister-in-law found out about you."

Ming Ansheng gazed at Su Yue with a pitiful expression. "Are you chasing me away?"

Su Yue shook her head. "I can't bear to chase you away."

Chapter 1328: An Unforgettable Night (Part Thirty-One)

She pouted and kissed the corner of his lips. "Goodnight, Shengsheng."

Shengsheng? What the heck?

The corner of his lips twitched and goosebumps formed on his entire body.

Was he a three-year-old kid?

Su Yue grinned. "It's a term of endearment."

"A term of endearment?" Ming Ansheng frowned since he didn't know what to feel about it. "Should I thank you then, my princess?"

Then something came to his mind and he bitterly asked, "You called that fellow 'Jiaojiao' . Was that a term of endearment too?"

Su Yue could tell that he was jealous and she snorted. "Hmph, what 'fellow' ? Jiaojiao was my first love."

*F*ck! What darned first love!*

First loves are insignificant!

Hearing about her first love frustrated Ming Ansheng. Su Yue indignantly said, "You've slept with countless women before."

Ming Ansheng was speechless.

She had to mention the pot that doesn't boil?

Why did he opt for the painless gastroscopy? Why did she have to accompany him for it?

The darned anesthesia! That darned hospital!

Now he didn't have the right to be jealous.

"Sleep." He realized that justice was not on his side, and so he turned off the lights.

Darkness blanketed the room.

Both of them closed their eyes in unison and there was silence.

'Ding, dong.'

The doorbell rang.

Su Yue opened her eyes and her heart wildly palpitated. She grabbed Ming Ansheng's elbow and said, "Oh no, that must be my third sister-in-law."

Her heart hammered against her ribcage, and she looked at him helplessly.

Ming Ansheng turned on the lights. "Don't worry. Can't you just say that you were asleep?"

Su Yue frowned. "I'm talking. Obviously, I'm not sleeping."

Ming Ansheng didn't know what to say.

This little girl was too honest.

The doorbell rang once more and paused before ringing again.

"This can't do. Uncle Ming, you have to hide." Su Yue suddenly stood up and got off the bed.

She grabbed him by the elbow and dragged him off the bed.

Ming Ansheng had no choice but to get off. He put on his bathrobe and tied the strings.

Su Yue's gaze swept across the entire room, finding a hiding spot for him.

But she realized that the closet was the only place he could hide.

Fortunately, the hotel had a closet that reached the ceiling. Although Ming Ansheng was tall, he could still fit in it if he bent over.

Su Yue dragged him over to it. "Uncle Ming, hide in the closet first. I'll chase my third sister-in-law away."

Hide in the closet? Ming Ansheng stared at it and his mouth twitched.

F*ck. He, the president of Bright Vision, had to hide in there? Was she serious?

"Hurry." Su Yue anxiously rushed him.

"Yueyue..." Ming Ansheng really didn't want to.

At most, they could let their relationship come to light.

"Uncle Ming, be good. Listen to me," Su Yue said, mimicking his gentle tone whenever he tried to pacify her. She tipped toe and kissed him on the lips.

Ming Ansheng didn't want to make her angry. "I can't say no to you."

Hide in the closet! He didn't even do that when he played hide-and-seek in his younger days!

Young Master Ming reluctantly hid in the closet. He bent himself over and it was a pitiful sight. Su Yue didn't think into it and closed the closet door.

Chapter 1329: An Unforgettable Night (Part Thirty-Two)

She adjusted the covers before going to open the door.

A woman with a bulging belly greeted her.

"Young pretentious one, I'm sleeping with you tonight," Zhou Shuang said, rushing into the room.

She brushed right past her and Su Yue couldn't stop her in time.

Young Master Ming heard her words from inside the closet and his eyes widened.

'What?! Why was it her? And she wanted to sleep here tonight?'

If he had known it was her, he wouldn't have let Su Yue open the door.

Zhou Shuang went straight into the bedroom. Su Yue chased after her and grabbed her elbow. "What are you doing? I'm not sleeping with you."

She said as she dragged Zhou Shuang out of the bedroom.

But considering that she had a huge belly, Su Yue didn't dare to use too much force. "Sleep with Lu Yinan. I like sleeping alone."

"Won't you be sleeping with your spouse when you get married?" Zhou Shuang insisted. "Your Third Brother refused to move so I have no choice but to come here."

She flung Su Yue's hand off and jogged to the bed, sitting and then lying on it, refusing to leave.

Ming Ansheng cautiously took a peek out of the closet. He gritted his teeth and clenched his fists when he saw Zhou Shuang lying on the bed that he and Su Yue made love on.

Though he was frustrated, he was worried too. He was afraid that Zhou Shuang would really refuse to leave.

If that happened, he was going to have to spend the night in the closet. He would be hunchbacked tomorrow.

'So little Yueyue... Uncle is begging you... Please chase the hooligan away...'

"No. You can't sleep here either." Su Yue hugged her elbow and tried to pull her up.

Zhou Shuang refused. She had gained much weight because of the abundance of good food she ate. And furthermore, she had three babies inside of her, so Su Yue didn't have the strength to move her at all.

It worried her that Zhou Shuang wouldn't leave and that Xuxu might come over later.

Things would be much more difficult if both of them were here.

Su Yue became increasingly anxious. She was about to fly into a rage. "Get up quickly. I don't want to sleep with you."

Zhou Shuang frowned. "Your room is so big. Your bed is huge. Why can't you leave a small part for me?"

She then flipped herself over and took off her shoes, back-facing Su Yue.

She had to sleep here tonight. She had called the counter earlier, but they told her that there were no more rooms available.

It was so late already, and she was too lazy to go home. And furthermore, she was going shopping with Xuxu tomorrow.

"No, not an inch." Su Yue climbed onto the bed and hugged her neck with both hands, pulling her up.

Zhou Shuang pouted. "Little pretentious one, don't be so petty."

But Zhou Shuang didn't budge no matter how hard she tried. She gave up and said to her, "You have to sleep with Lu Yinan. He wants to sleep with you, so won't I be going against him if I take you in? That's a horrible thing to do and I'm not doing it."

It was indeed a fact.

Lu Yinan had even brought a ring with him. He was adamant about winning her over.

How could she ruin his opportunity?

She would not be that evil person.

'Smart girl!'

Ming Ansheng approved Su Yue's words.

This little lass was getting more quick-witted.

Zhou Shuang grumbled, "Who wants to sleep with him? I'd rather sleep with pigs!"

Chapter 1330: An Unforgettable Night (Part Thirty-Three)

Su Yue frowned. "Are pigs as good-looking as him?"

The scene of Zhou Shuang lying around with a herd of pigs entered her mind and she sniggered.

Both Zhou Shuang and Ming Ansheng didn't know why she was laughing.

"What are you laughing about?" Zhou Shuang asked in confusion.

Su Yue shook her head. "Don't disrupt my sleep. I'm dead tired."

She said as she yawned.

"Su Yue, let me stay here for one night. I'll take you somewhere fun tomorrow." Zhou Shuang sat up and hugged Su Yue, buttering up to her.

But Su Yue was adamant. "No. My third brother and third sister-in-law will take me out, you don't have to. So you should leave quickly."

"I'm not leaving." Zhou Shuang was insistent. "I don't want to see Lu Yinan. I hate him."

Su Yue frowned since she couldn't understand her. "He's so good-looking. Why do you hate him?"

In all aspects, Lu Yinan was pretty decent.

Zhou Shuang snorted. "How is he handsome? Your boyfriend is way more good-looking."

Su Yue panicked. "How did you know that my boyfriend is handsome?"

"Of course I know. That Jiao... Jiao something." Then it hit her. "Jiao Chen. The school beau of the Computer Science faculty in A University. Handsome and cheerful. I read up on him. I heard his basketball skills are superb."

There was a long pause...

So the boyfriend Hooligan Zhou mentioned earlier was Jiao Chen. Su Yue heaved a sigh of relief and didn't know how to reply to her. She only chuckled.

Young Master Ming furrowed his eyebrows. That Jiao fellow was handsome and cheerful?

Was he not handsome? Was he not cheerful?

A pregnant woman with triplets and yet he was still drooling over attractive young men. How shameless could she be?

Ming Ansheng despised her for it.

He finally understood why Yan Rusheng hated her so much. She was indeed detestable.

F*ck! She was praising his girlfriend's ex? He was going to make Lu Yinan give her a good lesson.

Zhou Shuang started complaining about Lu Yinan.

Suddenly, a tall figure barged into the room. His aura was too overpowering.

Su Yue and Zhou Shuang looked over. It was Lu Yinan.

His face was cold as he walked over. "Zhou Shuang, here's the room card. I'll sleep somewhere else."

He passed the room card to her.

Zhou Shuang looked at the card in his hand and said, "I don't want your room card. I don't want to sleep in your room lest you say that I seduced you again."

She then looked away.

Lu Yinan frowned. "Why are you so petty? Weren't you shocked and in disbelief as well?"

When they opened their eyes and found themselves unclothed, weren't their reactions the same?
Weren't they equally shocked?

Why did she have to keep harping on it?

He knew that he wasn't a patient person. But he had used up all his twenty years of patience on chasing Zhou Shuang.

Zhou Shuang refused to look at him. She said, "Don't say anything further. I will sleep wherever I want to. It's none of your business."

"Don't force me." Lu Yinan's face was cold as he stored his card away.

His aura was threatening.

In the closet, Ming Ansheng silently cheered him on: *'Go for it, Sissy Lu!'*
