Chapter 1561: You Have to Experience Certain Things (Part Four)

“No! Not annoying!”

Su Xiaojiao was getting anxious.

She missed her daddy so much and yet mommy complained about him being annoying.

Su Yue refused to pass the phone to her so she tried to snatch it away.

“Su Xiaojiao can’t wait to talk to you.” Su Yue finally passed the phone to Xiaojiao. It amused her how happy the little girl was. “Little ingrate.”

“Daddy! I miss you!” shouted Su Xiaojiao immediately.

Su Yue couldn’t hear what Jiao Chen had told Xiaojiao. But the girl furiously shook her head and said, “I miss you. Mommy doesn’t miss you.”

This little lass!

Su Yue frowned. “Su Xiaojiao! How did you know that I don’t miss Daddy?”

“Then do you?” The man raised his voice over the phone.

Obviously, he wasn’t asking Su Xiaojiao but Su Yue. Unconsciously, she cast a glance at Su Yan.

Su Yan was looking at her.

Her face turned scarlet.

Su Yan smirked to himself and averted his eyes.

Su Yue still felt bashful and awkward. She took the phone from Xiaojiao and said, “Mommy needs to talk to Daddy.”

She stood up and walked to the entrance with the phone against her ear.

“What are you talking about?” asked Su Yue.

The familiar gentle voice sounded once more. “Su Yue, did you miss me?”

Excitement was clear from his voice.

Without hesitation, Su Yue replied, “I miss you.”

He saved her life and spent four years with her. How could she not miss this man?

“I... miss you too,” said Jiao Chen in a constricted and slightly hoarse voice.

Nobody knew how hard he was trying to suppress his emotions. Nor the sweet nothings he wanted to say to her.

Su Yue bowed her head as she walked out of the restaurant. Her face was burning, but the cool breeze felt comfortable on her skin.

She asked, "When will you be back?"

"Susu."

Jiao Chen's voice gave Su Yue the illusion that he was just around her. Instinctively, she raised her head. And as though he had just teleported, the towering figure was standing a short distance in front of her.

She was visibly shocked. "You..."

It was dusk and red clouds had strewn the skies. The fading reddish light illuminated the tall and slim man.

The man still looked so gorgeous, and his smile was warm.

He wore a white T-shirt with jeans, and he looked just like any other ordinary guy.

Su Yue had no idea why her eyes were welling up with tears at that moment. She didn't hang up, and in a choked voice, she said, "You're so horrible."

The man grinned and he whispered, "Overjoyed?"

Su Yue inhaled deeply and nodded. "Yeah, I'm overjoyed."

She hung up and strode quickly towards him.

They were gazing at each other, waiting to reunite.

They both chose to stop before each other, and didn't embrace each other, like what the TV characters did.

"When did you arrive?" Su Yue gripped her phone as she asked Jiao Chen.

Jiao Chen replied, "I came here after I landed."

He stretched his hand and held Su Yue's hand. "I'm hungry, let's go back inside."

"Daddy! Mommy!"

Su Xiaojiao saw Jiao Chen from the windows, and that made her feel ecstatic. She banged the windows, looking excited.

Chapter 1562: You Have to Experience Certain Things (Part Five)

Su Yan, who was sitting across witnessed the entire scene. He shook his head in amusement.

But gradually, his smile became oddly twisted while his expression turned grave and solemn.

"Daddy!"

Su Yue and Jiao Chen returned to the table, and Su Xiaojiao squealed in delight. She dove right into Jiao Chen's embrace and hugged him tightly and showered him kisses.

She was like an octopus clinging onto him.

Jiaojiao carried Xiaojiao and hugged her tightly. He loved this little girl so much.

His eyes were flooded with affection as he watched Xiaojiao's face. "Xiaojiao, did you miss me?"

Su Xiaojiao nodded her head fervently.

As though she was trying to convey how much she missed him.

Jiao Chen gave the girl a peck on her cheek. "I miss you so much."

"Did you miss Mommy?" Su Xiaojiao blinked her innocent-looking eyes as she gazed at Jiao Chen.

Jiao Chen briefly pondered before replying in a hushed voice, "A little. But I miss Xiaojiao more."

"Good Daddy." Su Xiaojiao kissed him once more.

His answer satisfied her.

Su Yue interrupted the father and daughter pair who only had eyes for each other at the moment. "Do you still want to eat?"

"Mommy is jealous." Su Xiaojiao covered her mouth and sniggered.

Jiao Chen was rather surprised.

He wasn't surprised that Xiaojiao had assumed Su Yue was jealous, but the words she used.

Su Yue knew why Jiao Chen was surprised. "I bet you didn't know how mature and smart children are these days. They can even portray TV characters."

Jiao Chen chuckled in response.

Su Yan and Jiao Chen didn't talk much. Hence, throughout the dinner, Su Yue and Xiaojiao were the only ones talking.

After dinner, Su Yue and Jiao Chen left with Xiaojiao first.

Jiao Chen placed Xiaojiao on his shoulders, and the girl was giggling.

Su Yan was watching this happy family through the glass windows. A plethora of emotions were whirling in his eyes as he became somber.

Xiaojiao sat on Jiao Chen's shoulders for a while before Jiao Chen swung her around in circles.

The girl was laughing so happily.

"Let's go." Su Yan stepped out of the entrance and asked, "Are you all going home?"

"We'll take a walk?" Su Yue glanced at Jiao Chen.

Jiao Chen agreed with a nod.

She turned to Su Yan. "Brother, do you want to join us?"

Su Yan declined. "I have work to do."

Su Yue frowned. "You're always busy with work. When can you get me a sister-in-law?"

"Don't worry about trivial stuff like this." Su Yan prodded Su Yue's head and said, "Where do you want to go? I'll send you."

Su Yue replied, "We'll take a cab later. I want to take a stroll first."

She stretched her hands to carry Xiaojiao.

"Sure." Su Yan nodded. "Then go back and rest early later."

He took out his car keys as he strode towards his car.

When he walked past Jiao Chen, he cast him a long thoughtful glance.

Su Yue pursed her lips as she stared at her brother. "He will be 28 soon, and yet he doesn't even have a girlfriend."

Jiao Chen smiled when he heard her.

...

"It's getting late, let's go back."

After taking a stroll with Xiaojiao, Su Xiaojiao glanced at her watch.

[Elite Doting Marriage: Crafty Husband, Aloof Cute Wife](#)

Chapter 1563: You Have to Experience Certain Things (Part Six)

Jiao Chen nodded quietly.

"Let's go to..." Su Yue peered at Jiao Chen. "My brother's apartment. There are too many people at home."

She bowed her head to hide her blushing face.

Jiao Chen didn't say a word.

Both of them continued walking and neither of them spoke. Su Yue stole a glance at Jiao Chen.

Jiao Chen was looking ahead, looking a little pensive. Su Xiaojiao was on his back and she was quiet too.

When they got home, Su Xiaojiao became energetic once more.

Jiao Chen placed her down and she began to whine that she wanted to watch cartoons.

Su Yue sat down beside her while Jiao Chen went to take a shower.

The little girl was wide awake, but Su Yue was about to doze off.

"Go take a shower with Xiaojiao. Then rest early."

Jiao Chen came out of the bathroom as he rubbed his hair with a towel.

He walked towards the guest room.

Su Yue pressed her lips and muttered after some time.

“Daddy and Mommy sleep together.”

Jiao Chen was about to push the door open when Su Xiaojiao shouted.

His footsteps and hands stopped at the same time, and then he glanced at Su Xiaojiao.

Su Yue’s eyes darted to her as well.

Su Xiaojiao continued, “Sleep together. Then get married.”

Sister Wenxin said that Mommy and Daddy will only get married if they sleep together. So they have to sleep together.

She wanted Mommy to be a beautiful bride, too.

There was a long pause...

Su Yue’s face turned crimson, and she stared at Su Xiaojiao in exasperation.

Xiaojiao’s remark stunned Jiao Chen as well. He smiled and said, “It’s too cramped for you.”

“Daddy and Mommy sleep together!” Su Xiaojiao flapped her arms as she threw a tantrum.

Other children’s daddy and mommy slept together. But why didn’t her mommy and daddy sleep together?

“Okay, alright.” Su Yue placed her hands on Xiaojiao’s shoulders to calm her down. She glanced at Jiao Chen. “Jiaojiao...”

She was also perplexed. It had been four years, yet Jiao Chen initiated no kind of intimacy with her.

If he didn’t take the initiative, how could she ask him?

Jiao Chen was looking slightly pale earlier on, but he was blushing right now. “You... get her to shower.”

Su Yue’s heart tightened, and she became nervous for no reason. She inhaled deeply before replying, “Okay.”

After Xiaojiao had showered, she put her into bed.

Jiao Chen was reading a book in the living room. Su Yue had helped Xiaojiao to change into her pajamas, after which she opened the door to call Jiao Chen. “Jiaojiao, can you be with her? I’m going to take a shower.”

It sounded perfectly normal but she felt that it sounded ambiguously intimate.

Her cheeks were burning once more.

Su Yue didn’t wait for Jiao Chen to respond, and so she fled to the bathroom.

Her pajamas were all relatively conservative. She chose one which was slightly more revealing.

It was a red sleeveless top with a pair of shorts.

It was revealing... because it was a sleeveless one. Even the collar was V-shaped.

After a shower, Su Yue stood before the basin as she dried her hair with a hairdryer. Her heart was beating restlessly.

She had no idea why she was so nervous.

But she knew that it wasn't because of anticipation.

Neither was she rejecting him.

She wasn't opposed to the idea of being with Jiao Chen... although she wasn't deeply in love with him.

But she had made up her mind to be with him for the rest of her life.

So, there were certain things that she would have to experience.

[Elite Doting Marriage: Crafty Husband, Aloof Cute Wife](#)

Chapter 1564: You Have to Experience Certain Things (Part Seven)

"Mommy."

Xiaojiao's voice sounded from outside the room.

It had flustered Su Yue, and she hastily responded, "Mommy is coming out soon! Xiaojiao, go to your bed first."

But Xiaojiao didn't listen and simply continued calling her.

Su Yue switched off the hairdryer since her hair was almost dry. She then ruffled her hair.

After that, she walked to the door.

The girl was standing outside, staring at her with her huge innocent eyes.

She was wearing pink polka dots pajamas that complimented her fair skin. Her hair was untied and her curls were messy.

She looked exceedingly adorable.

Su Yue was originally wearing a frown. But when she saw her daughter, she couldn't help but smile.

As she lifted the little girl, she changed her mind about her chiding her.

"Time to sleep." Su Yue pretended to be unruffled.

She carried Xiaojiao to her bed.

Jiao Chen was lying on the edge of the bed with a financial magazine in his hands.

He placed the magazine down when he saw Xiaojiao. He rose and carried Xiaojiao.

"I will tell you a story." Jiao Chen placed Xiaojiao on the bed before lying down next to her. He was gazing at her with a tender expression.

Xiaojiao nodded excitedly. It had been a long time since she waited for a story.

Su Yue folded her arms as she walked to the other side of the bed.

Su Xiaojiao was intending to listen to the story. But she frowned when she saw Su Yue sitting so far from Jiao Chen. She sat up and crawled towards Su Yue.

She pulled Su Yue's arm and said, "Mommy and Daddy sleep together."

Su Yue felt awkward and she said, "Xiaojiao, listen to the story first."

Even if... they were to sleep together, they wouldn't let her witness it.

Su Xiaojiao shook her head. "I don't want the story."

What a thoughtful and sensible child!

Su Yue frowned. "Listen to the story."

This girl was merely 3 years old. Why was she so smart? And besides, doesn't she love listening to her daddy telling her stories?

"I don't want." Su Xiaojiao was adamant and she laid down on her bed. She covered her ears and repeated, "Mommy and Daddy sleep together."

The same sentence again.

Even a fool would know that she had heard this from the rest of the children. So, that was why she insisted for Su Yue to sleep with Jiao Chen.

She had no choice but to oblige since the girl seemed to recite scripture. Su Yue and Jiao Chen were both blushing hard.

"Then... you..." Su Yue realized that she was sitting on the edge of the bed. So, she changed her mind and climbed over to the other side.

Her heart was racing.

Her back was against Jiao Chen while she faced Xiaojiao.

Xiaojiao blinked at her and blurted, "Mommy, I want a brother."

Su Yue was speechless...

She reckoned that she could fry an egg on her face at that moment.

She frowned. How she wished she could seal the girl's mouth.

When Su Yue didn't reply, Xiaojiao repeated once more. "I want a brother."

It exasperated Su Yue.

She gritted her teeth. "Hurry up and sleep. Stop talking."

"Xiaojiao won't talk." Su Xiaojiao covered her mouth and shut her eyes.

After the girl closed her eyes, she fell asleep in no time.

When she heard her rhythmic breathing and saw her pouty mouth, Su Yue gave her a gentle peck on her cheek.

Chapter 1565: You Have to Experience Certain Things (Part Eight)

Su Yue's hands were cold, clammy, and sweaty.

The man behind her was motionless. She didn't dare to move nor to turn her head.

"I'm going to sleep, goodnight."

Suddenly, Jiao Chen flung the blanket away.

"Jiaojiao." Su Yue garnered all her courage and tightly embraced Jiao Chen.

Su Yue sensed that Jiao Chen froze on the spot.

Her heart was thumping violently against her chest. With every ounce of determination, she shut her eyes and blurted, "Jiaojiao, let's be together and get married."

How embarrassing!

How could she, a girl, propose to a man?

"Susu."

Su Yue only heard his hoarse voice calling her, but in the next moment, he had sealed her lips with his.

She closed her eyes and was too embarrassed to look at him.

She placed her hands stiffly on his back, unsure of what to do.

Her body was slightly trembling.

The man was kissing her passionately and fiercely, but Su Yue could still feel his gentleness.

Although she wasn't looking forward to being intimate with him, she wasn't entirely against the idea.

They lived together for four years and under the same roof.

He had used his life to save her, and he risked losing it. She spent countless nights taking care of him, and that warranted that they should be very intimate and close.

It was normal for them to be kissing...

Jiao Chen's hands caressed Su Yue's back as his kisses traveled to her neck.

His breathing became hurried and deeper.

Su Yue was trying to hold her breath as she kept her eyes closed all this time.

She could feel a part of Jiao Chen's body changing, and she bit her lips.

"Susu," Jiao Chen called Su Yue's name in a gentle tone.

Su Yue didn't reply. Instead, she moved her hands from his back to his neck.

The moment her soft hands touched Jiao Chen's skin, he felt as though he was about to explode.

His kisses intensified.

'Jiao, your cranial nerves are being compressed, and they are slowly dying.'

'The success rate of the surgery is less than five percent...'

Jiao Chen halted, and then he raised his head. He gazed at Su Yue with red and glistening eyes.

Su Yue's eyelids fluttered as she gazed back at the man.

Her heart tightened when she saw his face.

Jiao Chen's face was glazed with perspiration, but his face was sickly pale.

"Jiaojiao." She stretched her hand to wipe off the perspiration on his forehead.

Jiao Chen moved his head to avoid her touch. "I'll go take a shower. You sleep first."

He muttered that in his deep voice, but it sounded like it was quivering. He was obviously trying to suppress something deep within him.

He hastily left.

Su Yue blankly stared at Jiao Chen, who soon vanished out of sight.

After he had closed the door, she was soon jolted back to her senses.

She retracted her gaze and slowly raised her head. Her heartbeat gradually went back to normal.

She heaved a sigh of relief... rather unconsciously.

Why?

Su Yue realized that she was relieved when Jiaojiao didn't carry on. But why would she feel relieved?

She recalled how Jiao Chen looked and a pang of pain stabbed her heart.

But why did he always distanced himself from her?

She could feel his love for her—but why?

He was still recuperating for the first two years when they were abroad. But now... why was he still so cold towards her?

[Elite Doting Marriage: Crafty Husband, Aloof Cute Wife](#)

Chapter 1566: You Have to Experience Certain Things (Part Nine)

And furthermore earlier on, his body... had already reacted to that extent. She could see in his eyes how much torture he was in from holding himself back.

...

The man stood under the showerhead. Streams of water cascaded down his body and fought the raging fire inside of him.

The moment he closed his eyes, he would start reveling in the beautiful feeling of hugging and kissing the girl he loved.

So, he didn't dare to close his eyes. He let the water gush into his eyes, as though he couldn't feel the stinging pain.

Because the pain was more excruciating somewhere else.

Jiao Chen took a towel from the rack and placed it in his mouth and in between his teeth. He turned around and placed his clenched fists against the wall.

Four years.

Four years with her was enough.

Because he couldn't give her a future. He couldn't take care of her for a lifetime.

So, their relationship mustn't progress further.

The only thing he could do for her now was to control his feelings and desire for her.

...

The next day, while Su Yue was sleeping, she felt a sudden weight on the bed beside her.

But she was too tired, so she flipped herself over and her eyes remained shut.

"Daddy! Mommy!"

She had no idea how long she continued sleeping for when suddenly she heard Xiaojiao's happy voice.

Su Yue opened her eyes and was stunned.

Then she blinked her eyes.

The handsome face before her had a charming smile on his face. She sat up immediately and looked at Jiao Chen. She was about to ask him something when she suddenly remembered that someone came while she was sleeping.

That must've been Jiao Chen...

"Daddy and Mommy sleep together. Marry."

Su Yue instantly realized why Jiao Chen was lying there. Her eyes welled up with tears, and she hugged him tightly. "Jiaojiao."

You're the best.

Before Jiao Chen could react, Su Xiaojiao suddenly threw herself at them. Her chubby hands tightly wrapped around them for a hug. She happily said, “Daddy and Mommy, marry.”

Daddy and Mommy slept together. They could get married now. Mommy would be a beautiful bride.

She was hugging their necks and was dancing happily. Su Yue felt ticklish.

Su Yue chuckled and Su Xiaojiao followed suit.

Both of them had just woken from their slumber and they looked pretty groggy, still. However, they looked adorable.

Jiao Chen smiled unconsciously, but soon after, he fell into a reverie. Sorrow was in his eyes.

Happiness is always short-lived.

But he was fortunate enough to experience it.

...

Jiao Chen hadn’t been back in his home country for a few years. He should’ve gone home to visit his mother yesterday, but he was too excited to meet up with his beloved daughter.

So, he postponed it to today.

“Let’s eat.” Su Yue had prepared breakfast. Jiao Chen was braiding Su Xiaojiao’s hair.

“Okay,” Jiao Chen replied. He finished up her braid and carried her up, walking towards the dining table.

When all of them were seated, Su Yue said to him, “I’ll follow you home today.”

Jiao Chen was elated. He nodded and agreed.

Although his mother had visited them in Country M a few times over the past few years, the moment she returned home, she would ask about Yueyue every time she called.

His mother would even be happier if he brought her along.

Su Yue smiled. “We’ll bring Xiaojiao over to my second aunt’s place later.”

Jiao Chen hesitated before nodding. “Okay.”

Then he picked up the glass and took a sip.

Su Yue pressed her lips as she watched him. She remained silent.

Chapter 1567: You Have to Experience Certain Things (Part Ten)

Jiao Chen’s mother was no longer working at the orphanage. She felt that it wasn’t appropriate to bring Xiaojiao along to Su Yue’s house because there were so many people.

After breakfast, Su Yue and Jiao Chen sent Xiaojiao to the Yan’s.

A child only misses their mother when night falls.

During the day, Su Xiaojiao didn't think of Su Yue, because she was having a fun time playing with Yan Wenxin and the rest.

"Let's go. Grandmother will bring you to the playground."

The three little fellows were creating a ruckus at home, so Mu Li and Yan Weihong brought them to the playground in the mall.

Of course, the little ones were excited when they heard it.

They opened the car door and fought to climb up.

When they set off, Mu Li said to them, "Yanyan and the others will be there, too. You guys better not fight while playing later."

It elated Yan Wenxin. Although she often quarreled with Second Lu, she got along well with both sisters—Second Lu and Third Lu.

But Yan Nuoxing and Su Xiaojiao frowned.

Especially Yan Nuoxing. In an unhappy note, he said, "That annoying girl."

Mu Li ruffled his hair. "Yangyang..."

Yan Nuoxing glared at her.

He pouted and complained, "That doesn't sound good."

Mu Li immediately continued, "Nuonuo, you should be more patient with girls. That's how a true gentleman behaves."

Yan Nuoxing agreed unwillingly.

But he still found Third Lu extremely annoying.

It was the holidays, so there were many kids in the playground.

They were at a high-end mall in the capital city. Although it had the regular facilities, its ranking and ticketing prices were slightly higher because of the mall's prestige.

Only children from wealthy families played there. It catered to kids from a wide age range.

There was an exclusive zone for three to four-year-old kids like Yan Wenxin and the others.

Other zones had racing car simulations, shooting simulations, and other games...

Since they arrived before the three Lu's, they started playing first.

"Yangyang..."

Suddenly, a clear voice sounded from the zone entrance. Yan Nuoxing frowned.

Before he could turn around, the small figure had already jumped onto him.

Both of them fell to the ground and tumbled around. Yan Nuoxing was above Third Lu. He frowned and was about to explode into a rage.

Suddenly, she cried out, “Yangyang, keep quiet! Kiss me!”

Mu Li was speechless. It was a trending phrase on the Internet. But where did she learn it from?

“Brother and Yanyan marry.”

Su Xiaojiao suddenly ran over and chuckled when she saw Third Lu hugging Yan Nuoxing.

Yan Nuoxing frowned. “Annoying.”

He hurriedly crawled off her.

He stormed off to play alone.

“Brother, wait for me.” Su Xiaojiao ran after him.

She didn’t want to play with that domineering older sister.

So the entire morning, Su Xiaojiao played with Yan Nuoxing. Although Yan Nuoxing had ordered her around, she was still very willing to play with him.

“Brother, pee-pee.”

Suddenly, Su Xiaojiao felt the urge to pee. She anxiously hopped around.

Yan Nuoxing replied, “Go to the toilet.”

“Okay.” She nodded and turned around, sprinting to the exit. There were many kids in this zone and were mostly around her age.

Chapter 1568: What Exactly Do You Want? (Part One)

She sprinted out.

Her short legs moved as fast as they could.

When she exited the sector, she looked around. “Toilet... Toilet...”

She kept muttering to herself.

She was wearing a pink T-shirt with a heart-shaped pattern and dark pink striped leggings. She was clutching the area below her tummy with her small hands.

She was afraid of peeing in her pants, so she clutched her private part.

Su Xiaojiao went around, eventually ending up in the arcade zone. There were older kids everywhere, and the bright lights emitted from the screens blinded her.

“F*ck!”

‘Slam!’

Suddenly, someone beside her slammed the machine in agitation.

It startled Su Xiaojiao. She looked over and saw a tall boy standing in front of a claw machine, looking very frustrated.

She blinked, suddenly realizing that something was amiss. She looked downwards...

"Pee in my pants." Su Xiaojiao watched as her leggings got wet. She pouted.

'What to do?'

"Mommy, pee in my pants." She turned her head and looked around, but there was no one familiar in sight.

She panicked.

Her leggings were drenched, and so were her shoes. It overflowed onto the floor.

"Mommy, look. She's peed her pants."

A small child walked past and sniggered.

Su Xiaojiao felt embarrassed. She was a little beauty, but she had peed in her pants in front of so many people.

And she was mocked.

She immediately broke out in tears.

"Mommy..." She cried as she ran around, but she didn't know where to go.

The more lost she became, the harder she cried.

Her shoes were drenched and left footprints wherever she went.

"Little one, what's wrong?"

The staff at the playground saw a child crying and immediately walked over.

"Find Mommy, pee in my pants," Su Xiaojiao said, adjusting the back of her pants because the drenched leggings stuck to her body made her uncomfortable.

The staff saw her drenched leggings and didn't know what to do. She patted her shoulder and continued, "Where's your Mommy?"

Su Xiaojiao sobbed and replied, "To Grandma's house with Daddy."

That was what Su Yue had told her before she left in the morning.

"Your Daddy and Mommy have gone to your Grandmother's house?" It confused her. Then she added, "Then do you know your Mommy's phone number?"

"Don't know." Su Xiaojiao shook her head.

...

Many teenagers went alone to the arcade, so only a few parents were accompanying them.

Ming Ansheng entered the arcade and went straight towards the shooting simulation game machine.

Wang Yuexiang had brought Beibei over to play, so he came over to fetch them.

The little one was aiming carefully, a serious expression on his face. Ming Ansheng walked behind him and glanced at Wang Yuexiang, not wanting to startle Beibei.

After ten shots, Wang Yuexiang patted Beibei's shoulder. "Beibei, your Daddy is here. Let's go."

"There's one more round, give me a while." He gave them a cheeky expression and turned around. He was focused on the game.

Ming Ansheng pressed his lips and remained quiet. He patiently waited for Beibei to finish the round.

"Mommy."

Suddenly, he heard a girl's cries behind him. This childish tone sounded familiar.

Ming Ansheng frowned and turned his head. "Su Xiaojiao?"

Chapter 1569: What Exactly Do You Want? (Part Two)

"Who's that?" Wang Yuexiang followed his gaze and saw the little girl crying. The staff was patiently talking to her. Confused, she asked Ming Ansheng, "You know that girl?"

Ming Ansheng didn't answer her and instead walked over to Su Xiaojiao.

He couldn't confirm that it was Su Xiaojiao, but her side-view looked similar.

When he saw her face, he was startled.

Her eyes were red and puffy, but it was definitely Su Xiaojiao.

He squatted down and placed a hand on her shoulder. He gently wiped her tears with his other hand.

"Su Xiaojiao, why are you here?" Where's your Mommy?"

He scanned the area, but he didn't see Su Yue or any of the Yan's.

He frowned. What was she doing here alone?

"Lying Uncle." Su Xiaojiao finally saw someone she knew and hugged him tightly. She cried, "Pee in my pants, find Mommy."

Peed in her pants? Ming Ansheng was about to carry her up, but his expression turned grave when he felt her butt.

There was a long pause...

Wasn't she already three-years-old? Why was she still peeing herself?

"Sir, is this your child?" the staff asked as she sized him up.

Was she his child? Ming Ansheng hesitated, not knowing how to reply. "... My friend's child."

The staff saw him hesitate, so she became suspicious. "Can you contact her family member?"

Ming Ansheng frowned. "Do I look like a liar to you?"

*F*ck.* Although he wasn't always in the limelight like Yan Rusheng, he was still the President of Bright Vision, the Second Young Master of the Ming family.

Just by his looks alone, he didn't look like a crook either!

"No, no..." She hurriedly shook her head. With a smile on her face, she explained, "This little girl said that her parents have gone to visit her grandmother."

"I'm Ming Ansheng." He didn't have the patience to hear her any longer. He carried Su Xiaojiao and stood up.

Her leggings were drenched and it disgusted him.

But it was mainly because she was the child that Su Yue had with 'another man'. If it were Yan Nuoxing or Yanyan instead, he might not have this reaction.

They were all children anyway.

"Huh?" The staff froze and stared at him, obviously confused.

Ming Ansheng replied, "If you haven't heard of it, search it on the Internet. I'm carrying her away."

Then he turned around and walked over to Wang Yuexiang.

The staff was still stunned. "Ming... Ming Ansheng?"

It suddenly dawned on her and she exclaimed, "The President of Bright Vision, the big boss of Yifeng?"

She opened her mouth wide in shock. "Goodness! No wonder you looked familiar."

What did she miss? She missed the chance to be in close proximity with the most eligible bachelor in the capital city!

"Ansheng, whose child is this?"

Ming Ansheng carried Su Xiaojiao to Wang Yuexiang.

Ming Ansheng replied, "Su Yue's daughter."

"You mean, Su Yue has..." Wang Yuexiang was shocked, and disappointment flashed across her eyes. She looked at Su Xiaojiao's face.

Her face was fair but her eyes were red and swollen.

Chapter 1570: What Exactly Do You Want? (Part Three)

She did look cute and smart.

Why wasn't she her granddaughter?

Su Yue was all grown up now. Back then, she had considered her to be her future daughter-in-law. She liked her very much.

She felt indignant...

"Mom?" Ming Ansheng called her when she saw her in a reverie.

"Ah?" Wang Yuexiang asked as she looked at Su Xiaojiao again.

Su Xiaojiao happened to be looking at her, too.

Their gazes met and the little girl stopped sobbing. She wiped her tears with her sleeve and frowned, sizing her up.

Wang Yuexiang saw her front view. She froze as she stared at Su Xiaojiao's beautiful face strewn with tears.

"She peed her pants." Ming Ansheng suddenly passed her the child.

Wang Yuexiang took the child from him.

She hugged Xiaojiao and then stared at Ming Ansheng. "Who's her father?"

Agitation was clear in her tone of voice.

The child's father was a sore spot for Ming Ansheng. He coolly replied, "Jiao Chen."

Wang Yuexiang knew him. Su Yue had gone overseas with him.

Disappointed, she said, "I was hoping that they wouldn't get together."

Ming Ansheng's emotions were running wild. He walked towards Beibei and said, "I'll wait for you and Grandma outside."

Then he walked towards the exit.

Wang Yuexiang sighed for her heart ached for her son.

Then she said to Su Xiaojiao, "You look like my son."

When she saw Su Xiaojiao's front view, her heart almost beat out of her chest from excitement.

But seeing Ming Ansheng's troubled look, she didn't dare to share her observations.

He hadn't gotten over Su Yue all these years. It was only her gut feeling; she couldn't confirm anything. She could have made things worse if she told him.

She sighed again. Then she asked Su Xiaojiao, "Who brought you here? Why are you alone?"

"Grandma," Su Xiaojiao said, pointing at her pants. "Pee in my pants."

Grandma? Jiang Qinglian hadn't been in contact with the Yan's for a few years, so the first person Wang Yuexiang thought of was Mu Li.

Then she asked, "Where's your Grandma? I'll bring you to her."

A tall figure stopped beside her before she could finish her sentence.

"Come here."

Before she could react, someone had snatched Su Xiaojiao out of her hands.

It wasn't a stranger—it was Ming Ansheng.

Ming Ansheng carried her with one arm and stormed out of the arcade.

It took Wang Yuexiang a while to recover. She hurriedly grabbed Beibei's hand and pulled him over.

"Ansheng, where are you bringing her?"

Wang Yuexiang yelled at him after they exited the playground.

Ming Ansheng said, "To buy clothes and have lunch."

Wang Yuexiang was speechless...

She's not your daughter. Are you crossing the line?

But why didn't she feel like stopping him?

Ming Ansheng carried her and followed the signs that led them to the children's clothing section.

"Get her a set of clothes."

Ming Ansheng entered a random shop selling children's garments.

"Oh, okay." The staff didn't dare to take her own sweet time. She looked at Su Xiaojiao and hurriedly went to find clothes.

She brought three sets of clothes over. One set was a long-sleeved dress and the other two sets were shirts matched with pants.
