Invincible After Shocking My Empress Wife Chapter 201

Chapter 201: I Have a Wife, How About You?

“.....”

Hearing Luo Wuqing's words, Lin Feng's expression changed subtly, but he quickly returned to normal.

“Lin Feng pays respects to the Empress.”

Lin Feng bowed slightly.

He was well aware that even though he was known as the Medicine Emperor, he was merely a quasi-Emperor. In the face of a great Emperor powerhouse, he was nothing more than an ant.

“May I ask who this is?”

Lin Feng turned his gaze towards Ning Tian, fully aware that Luo Wuqing's decisive action earlier was entirely due to this young man.

She stood up for him!

“This is my imperial husband,” Luo Wuqing said indifferently.

“What!”

Lin Feng was stunned, looking at Ning Tian in bewilderment, “You... Your husband? You're married!?”

During this period, he had shut himself in the alchemy room, focusing on his research without concerning himself with the outside world.

If he hadn't sensed Luo Wuqing's aura today, he probably would still be in seclusion.

But upon emerging, he was greeted with such a shocking blow!

“So it turns out, he is the legendary ancestor of the Heavenly Demon Sect!”

“Actually the legendary ancestor!”

“Damn!”

“Could he be here to tear down our Spirit Medicine Sect? Should we hide some valuable things first?”

The disciples around him looked at each other, their expressions changing.

There was a saying about the ancestors of the Heavenly Demon Sect.

Wherever the legendary ancestor of the Heavenly Demon Sect went, no young girl could resist blushing, no building was innocent.

“So, so it’s the Empress’s husband, my apologies, my apologies.”

Despite the growing dissatisfaction in his heart, Lin Feng could only clench his teeth and say to Ning Tian with a forced smile: “As expected of the Empress’s husband, truly an extraordinary figure.”

“He’s not that handsome, though.”

Ning Tian, however, shook his head.

“Huh?”

Lin Feng was taken aback, scoffing internally, thinking he finally had some self-awareness!

Internally mocking.

With a smile on his face, Lin Feng said cheerfully, “The ancestor is really too modest...”

Before he could finish his sentence, Ning Tian added confidently: “Just a bit more handsome than you by a billion points.”

“Ridiculous...”

Lin Feng, whose words coincided with Ning Tian’s, twitched at the corner of his mouth.

That damn...

He really wanted to take back his previous compliment.

Modesty?

It was the pinnacle of shamelessness!

Lin Feng, having lived for so long, had never seen such a brazen person!

“Ahaha, the ancestor really has a sense of humor,” Lin Feng laughed it off.

“There’s no joke, I’m serious,” Ning Tian said earnestly.

“.....”

Lin Feng’s face darkened, looking extremely displeased.

“Eh, your face turned dark. Could it be kidney deficiency?” Ning Tian looked at Lin Feng with a concerned face and a smile, “I’ve heard that alchemists often taste some herbs, and Medicine Emperor, you must be very careful.”

“Even though you’re older and not that effective, a man must ensure his kidneys are in good condition.”

“.....”

Lin Feng nearly choked on his own blood, but he suppressed it with great effort.

Internally, he was cursing and swearing.

How did this kid know he had kidney issues because of random herb consumption?

“The ancestor worries too much, my health is very good.”

Lin Feng’s face was smiling, but internally, he was cursing.

“However, ancestor should be more cautious. I see you have the strength of the Earth King Realm, right? Such power is very fragile, you know. It’s easy to get hurt with that level of strength.”

Lin Feng reminded Ning Tian with a smiling face, yet in his words, he could not hide his disdain for Ning Tian’s power.

“Hey!”

Hearing this, Ning Tian let out a heavy sigh.

“The Medicine Emperor is right; my strength really is too weak!”

“Huh?”

Lin Feng froze, frowning, choosing not to respond this time to see what Ning Tian would say.

“Hey!”

Ning Tian sighed again.

“I often feel out of place because I’m so weak. Every time I go out, I get hurt, and it’s really annoying.”

Everyone, not just Lin Feng, but also the Spirit Medicine Sect’s disciples and elders were stunned.

Was the legendary ancestor of the Heavenly Demon Sect really struck by Lin Feng’s words?

Damn it!

If the ancestor fell into despair, wouldn’t the Empress vent her fury on them?

The group of disciples and elders trembled, fear flashing in their eyes.

“Ancestor, you really don’t need to be so hard on yourself. You’ve simply started cultivating later than us,” Lin Feng hurriedly advised, understanding the situation.

“No.”

Ning Tian continued sighing, shaking his head and waving his hand, “I know I’m very weak, you don’t have to comfort me, Medicine Emperor. My talent is far inferior to those geniuses.”

In the midst of speaking, he then pretended to be in agony, “Ouch, my shoulder hurts again. Wife, help me massage it.”

“Hmm.”

Next to him, Luo Wuqing gently nodded her forehead and placed her hand on Ning Tian’s shoulder, softly massaging it.

Lin Feng’s eyes turned red at the sight.

His heart ached silently!

Watching the woman he loved massaging someone else’s shoulders, who could bear it?

A group of Spirit Medicine Sect disciples and elders were stunned.

They had not expected the legendary ancestor to have such a high domestic status!

The cold and unfeeling Empress was acting like a demure woman in front of him!

“Ah, my wife’s hands are so comfortable.” Ning Tian heaved a long sigh of deep satisfaction and then looked at Lin Feng, who was grinding his teeth and had a dark expression, and asked, “By the way, you’re so powerful, Medicine Emperor, do you have a wife?”

“.....”

A group of Spirit Medicine Sect elders and disciples were shocked!

Damn it!

He was pouring salt on the wound!

“No, no,” Lin Feng clenched his teeth so tightly they creaked, shaking his head.

“Don’t you? Oh, I thought someone as remarkably strong as the Medicine Emperor would have a wife.”

Ning Tian feigned astonishment and sighed lightly.

Then, he comfortably leaned back into Luo Wuqing’s soft embrace, “Medicine Emperor, do you want a wife? I know a girl like a flower...”

“Thank you for the kind offer, ancestor, but I don’t need it for now,” Lin Feng cut Ning Tian off before he could finish.

“What a pity. By the way, wife, how long did it take me to reach the peak of the Earth King Realm from the status of a martial artist?” Suddenly, Ning Tian seemed to reminisce.

“About two or three months, I suppose.”

Luo Wuqing understood his intention, barely holding back her laughter, she pondered for a moment and replied.

“Two or three months to go from a one-star martial artist to the peak of the Earth King Realm? Ah, this talent really isn’t too good.”

Ning Tian heaved another deep sigh, looking disappointed in himself.

“I actually took two to three months to go from a one-star martial artist to the peak of the Earth King Realm.”

“I’m such a loser!”

“.....”

The group of Spirit Medicine Sect elders and disciples froze, faces burning with a sense of shame.

Two to three months to reach the peak of the Earth King Realm and still calling oneself a loser!?

Damn it!

So frustrating!

They really wanted to punch him!

“By the way.”

“I wonder, how long did it take for a peerless genius like the Medicine Emperor to go from a one-star martial artist to the peak of the Earth King Realm?”

Damn it!

Here it comes!

Hearing this, the group of Spirit Medicine Sect elders and disciples' hearts jolted!

Chapter 202: I'm Begging You, Can We Not Demolish?

To kill is to strike the heart!

What does it mean to kill by striking the heart? This is exactly what it is!

“.....”

Lin Feng's face instantly darkened.

How the hell was he supposed to answer that?

In just two or three months, he went from Martial Warrior One Star to the pinnacle of the Earth King Realm. Is that something a human could achieve?!

He had decades of time!

Did he have to admit that he was more worthless than a waste?

“Hehe, how can the Patriarch be called a waste? Lin Feng is inadequate in many ways.” Lin Feng forced a smile, then quickly changed the subject, “May I ask why the Empress and the Patriarch have come to the Spirit Medicine Sect?”

If this kept going!

He was afraid that this demon cult patriarch would find various ways to degrade him to nothing!

“The Empress has come here for you to refine pills.”

Luo Wuqing looked at Lin Feng indifferently.

“Refining pills?”

Lin Feng was stunned for a moment, and the group of disciples and elders below were also taken aback.

So it was about pill refining.

The disciples and elders all breathed a sigh of relief. Their backs had already been soaked in cold sweat.

Without explanation, given the aggressive manner in which they appeared, they had assumed it was to annihilate their Spirit Medicine Sect!

“Ah... so it's about pill refining.”

Lin Feng also let out a sigh of relief.

“How so?”

Luo Wuqing raised her eyebrows slightly, “Isn't it pill refining? Perhaps you were expecting the Empress to exterminate your little Spirit Medicine Sect?”

As she spoke, everyone tensed up again.

“Ahaha.”

Lin Feng laughed awkwardly and said, "How could that be? Aside from those from the demonic path, how could the Empress possibly do such a thing?"

"That being said, I'd like to interject."

Beside them, Ning Tian spoke quietly, "I apologize, my Heavenly Demon Sect is indeed the leader of the demonic path."

"....."

Lin Feng fell silent, then coughed dryly, "Since you're here to ask me to refine pills, I would ask the Empress and the Patriarch to come down from my statue."

After speaking, he led the way down from the air and landed on the plaza.

Luo Wuqing nodded her head slightly and leaped gracefully from the stone statue, landing lightly on the plaza.

"It's kinda high."

Looking at the ground "about ten meters" away from him, Ning Tian pondered for a moment, realizing he needed to use spiritual energy.

Next, a trace of spiritual energy surfaced under his feet.

Using the stone statue to push off with force.

He then performed a 360-degree spin in mid-air and landed perfectly on the ground.

Crack.

At that moment, a cracking sound came from behind them.

Everyone was startled.

Their expressions changed.

"Medicine Emperor!"

A group of disciples exclaimed.

"Hmm?"

Lin Feng was startled for a moment.

Turning to look behind him, he saw that his enormous stone statue's handsome head had cracked in half.

"Sorry Medicine Emperor, I must have used a bit too much force." Ning Tian said somewhat apologetically.

"It's not a big problem; just fix it up,"

Lin Feng's mouth twitched, but he couldn't lose his temper in front of Luo Wuqing.

"I'll fix it!"

"I broke it, I'll definitely help you!"

Before Lin Feng could move, Ning Tian stepped forward voluntarily with eagerness!

"Goodness."

"Not bad for a legendary patriarch of the Heavenly Demon Sect, really enthusiastic. No wonder he's so loved by so many disciples of the Heavenly Demon Sect."

Seeing this scene, a group of Spirit Medicine Sect elders couldn't help but comment.

It seemed that the patriarch of the Heavenly Demon Sect wasn't all that hateful, after all?

Boom.

Just then, a rumbling sound caught everyone's attention.

Lin Feng's statue, several dozen meters tall, had its left hand suddenly break off and explode, flying off to one side.

"What!?"

Everyone stared at Ning Tian in a daze, utterly confused.

"Ahah, that was an accident, an accident." Ning Tian scratched his head, holding out a large hammer, and said with an apologetic face, "Let me fix it for you."

"Damn!"

"Don't!"

Seeing Ning Tian about to move again, the crowd's expressions changed.

Boom.

Boom!

Boom!!

Then, a series of booming sounds erupted in the ears of the Spirit Medicine Sect disciples.

“Damn!”

“The Medicine Emperor’s left hand statue is flying south!”

“Hey, I think that’s the Spirit Medicine Field!”

“Look!”

“The statue’s right leg is flying north!”

“That’s the Treasure Medicine Field!”

“.....”

“It’s over!”

“Our Spirit Medicine Sect’s hundred-acre medicine field is half destroyed!”

A group of elders and disciples were on the verge of tears.

“.....”

Lin Feng’s face was as black as coal, but he still had to put on a smiling face.

As for Luo Wuqing, she was completely indifferent.

She had guessed it early on, Ning Tian would definitely stir trouble when he came to the Spirit Medicine Sect.

The dust settled on the plaza.

Ning Tian wiped the sweat from his forehead, put away the big hammer, and nodded in satisfaction before looking at Lin Feng, “Medicine Emperor, how do you like the statue I’ve fixed for you?”

“Statue?”

Everyone was taken aback.

They rubbed their eyes and looked at the empty plaza. Where was the statue?

“Patriarch, that’s not funny.”

Lin Feng managed to say this through gritted teeth.

“I’m not joking.”

Ning Tian spread his hands innocently, indicating the ground, “Come and see, isn’t this a statue?”

“Hmm?”

Lin Feng was taken aback. Then, a trace of spiritual energy emerged in his eyes, and he looked in the direction Ning Tian pointed.

Indeed, on the ground, there stood a statue only a few centimeters high.

“What do you think? Isn’t this special statue I made for you pretty good?” Ning Tian said with a smile.

Lin Feng’s mouth twitched. His statue, previously several dozen meters tall, had been reduced to mere centimeters!

I really thank you so much!

“The bigger it is, the less useful. It’s better to be short and powerful. Don’t you agree, Medicine Emperor?”

“..... Yes, the Patriarch’s words are most fitting.”

Lin Feng still had a smile on his face.

I’ll endure!

I need to endure again!

Seeing Lin Feng like this, Ning Tian frowned slightly. Lin Feng was enduring too much like a turtle! If he didn’t get angry, then how could Ning Tian find a reason to get rid of him after he finished refining the pills?

“Report!”

“Medicine Emperor! Just now, a huge rock from the statue flew towards the back mountain, and your pill furnace was completely destroyed!”

At that moment, an elder flew in anxiously.

“What!”

“My elixir!”

“Medicine Emperor, are you alright?”

Ning Tian was somewhat astonished in his heart!

“I’m fine.”

Lin Feng was trembling. The elixir he had been painstakingly condensing for several years was just days away from completion!

But in an instant, it was all ruined!

His heart was bleeding!

“Empress, Patriarch, I beg you, please tell me what pills need to be refined.” Lin Feng pleaded through clenched teeth.

He just wanted to end this nightmare quickly.

If this continued, their Spirit Medicine Sect would truly be in name only!

“You should have said so sooner.”

Ning Tian said with a smile.

That smile, however, left a deep psychological shadow on this powerful being of the Divine Emperor Realm.

I’m begging you, Patriarch.

Please don’t demolish it, okay?

Invincible After Shocking My Empress Wife Chapter 203

Chapter 203: Disciple Zhang Han, This Pill Is Extraordinary!

Taking the small wooden box from Ning Tian, Lin Feng inspected it and immediately frowned.

However, his frown quickly smoothed out.

Lin Feng smiled lightly, then looked at the group of disciples and said calmly, "Although it seems complicated, it should not be difficult. Zhang Han, assist the Grandmaster in refining!"

"As you command, Master!" responded a voice.

Immediately, a young man dressed in white with a confident smile walked out.

"Wow!"

"It's Brother Zhang Han!"

"I wonder what level of pill concoction Brother Zhang Han has reached now?"

Seeing the young man in white, the disciples of the Spirit Medicine Sect all showed admiration in their eyes.

It was clear that this youth named Zhang Han was very popular within the Spirit Medicine Sect.

"Greetings to the Empress, greetings to the Grandmaster," Zhang Han bowed to the two.

"You're letting your disciple refine the pill?"

Seeing this, Ning Tian's brow furrowed slightly.

"Don't worry. If he can't refine it properly, there's no need for the Spirit Medicine Sect to exist," Luo Wuqing, standing beside them, said with indifferent lips.

"..."

Both Lin Feng and Zhang Han shivered.

“Rest assured, Empress.”

Lin Feng quickly said: “The pill refining skill of my disciple is only slightly inferior to mine. There won’t be a problem.”

“Why don’t you refine it yourself? The Empress commands you to refine, so refine. Why the idle talk?” Luo Wuqing looked at Lin Feng with faint eyes.

“I... The Empress might not be aware that my current ability to control fire is somewhat insufficient,” Lin Feng paused, scratching his head awkwardly.

Due to a deficiency, his fire control ability had decreased.

“Besides, my disciple has deeply learned my true teachings, so you don’t need to worry too much.”

After speaking, he looked at Zhang Han and said, “Zhang Han, have you not hurriedly introduced yourself to the Empress and the Grandmaster?”

Zhang Han was stunned for a moment, then quickly gathered his thoughts and cleared his throat before speaking.

“Empress and Grandmaster, standing before you is the champion of the eighth, ninth, and tenth sessions of the Spirit Medicine Sect’s Pill Concoction Competition!”

“The Three-time Champion Zhang Han!”

“The target for my junior brothers!”

“The dream lover of my junior sisters!”

“Disciple of the Medicine Emperor Lin Feng!”

“Zhang Han!”

With those words, pride was written all over Zhang Han’s face, showing he was quite confident in himself!

“Oh?”

“It seems you do have some skills,” Ning Tian raised his brows slightly.

“That is so.”

Zhang Han smiled proudly, then took the small wooden box containing the medicinal ingredients and glanced over it.

“This kind of pill, no problem, it’s not difficult.”

With that said.

He immediately took out his own pill furnace from his storage ring and prepared to start refining this pill.

“Wait.”

Just then, Luo Wuqing suddenly spoke.

“Hmm? I wonder what else the Empress requires?” Zhang Han asked cautiously.

Luo Wuqing did not even glance at him but rolled her eyes at Ning Tian instead, showing a charming look that made everyone’s eyes widen in astonishment!

Beautiful!

Indeed, the most beautiful woman in the Heavenly Spirit Realm!

She said in a pouting voice, “Husband, have you forgotten there are two more ingredients?”

“Oh, yes, right.”

Reminded by Luo Wuqing, Ning Tian recollected and scratched his head as he took out two jade boxes from his storage ring.

Inside these were the Nine Phoenix Frost Grass and the Thunder Heart Fruit.

In order to ensure that these two ingredients didn’t lose their medicinal properties easily, he had placed them in separate containers.

As the two jade boxes appeared, a rich fragrance instantly filled the entire Spirit Medicine Square!

“What a rich medicinal fragrance! These are definitely not ordinary herbs!”

A gleam of light flashed in Lin Feng’s eyes.

“Grandmaster, what are these two ingredients?” Zhang Han couldn’t help but ask.

“Nothing much, just a nine-hundred-year-old Nine Phoenix Frost Grass and a millennium-old Thunder Heart Fruit,” Ning Tian said slowly.

“What!”

“Two immortal herbs!?”

All the disciples and elders were taken aback.

“Are these the extremely precious Nine Phoenix Frost Grass and Thunder Heart Fruit among the immortal herbs!?”

Even Medicine Emperor Lin Feng couldn't help but take a sharp intake of breath.

Immediately, he hurriedly told Zhang Han to pass all the medicinal ingredients to him.

“If it were just the previous seven ingredients, the refined pill wouldn't be too hard, but with these two added...”

Lin Feng frowned and pondered.

Soon enough, his brow furrowed tightly, and he fell into deep thought.

After a while.

He inhaled sharply, “Hiss... The pill concocted from this, at the very least, would be of the immortal grade, but why can't I tell what kind of pill this is!?”

Lin Feng was shocked to his core.

Even the disciples around him were stunned.

Was it really the case that even the Medicine Emperor couldn't refine this pill?

What exactly was the legendary Grandmaster of the Demon Sect trying to concoct?

【You have shocked the disciples of the Spirit Medicine Sect, reward: Pill Dao Proficiency!】

【Current Pill Dao Proficiency: Beginning to grasp the basics!】

At this moment, a voice resounded in Ning Tian's mind.

He was momentarily taken aback.

“Grandmaster, Empress, forgive my incompetence, I cannot refine this immortal pill,” Lin Feng said after a long silence, his face looking a bit unsightly.

His heart was also filled with shock and shame.

To think there was a pill on this earth that even the Medicine Emperor couldn't refine!

How embarrassing!

【You have shocked Medicine Emperor Lin Feng!】

【Reward: Entry to the Pill Dao Saint Experience Card!】

【Pill Dao Saint Experience Card: After using it, you can obtain the proficiency of a Pill Dao Saint for one hour, after which it will expire!】

Ning Tian was stunned once again.

“Sigh.”

Hearing Lin Feng say it was impossible, Luo Wuqing frowned slightly.

The surrounding disciples and elders also sighed endlessly.

There existed a pill in this world that even the Medicine Emperor couldn't refine.

Just when everyone was sighing, Ning Tian's mouth curved into a smile, and he said slowly, “Since the Medicine Emperor can't do it, I guess it's up to me to personally take action!”

Invincible After Shocking My Empress Wife Chapter 204

Chapter 204: Pill Refinement Sublimation, Pilgrimage of Ten Thousand Furnaces!

As Ning Tian's voice fell, a group of elders and disciples within the Spirit Medicine Sect were momentarily stunned.

“Ancestor-Master, you must be joking, right?” Zhang Han looked at Ning Tian, filled with confusion. “This is an immortality-level medicinal pill that even my master cannot refine. You, can you really do it?”

Inside the Spirit Medicine Sect, a group of elders and disciples looked at Ning Tian with doubt.

They weren't disdainful; they genuinely didn't believe it.

If even the Medicine Emperor Lin Feng couldn't refine it, that meant that no one in the entire Tian Ling realm could make this pill.

But now, Ning Tian said he could?

What's more crucial is, if you really can do it, what are you doing at the Spirit Medicine Sect?

"Husband?"

Luo Wuqing was also somewhat puzzled because she had never seen or heard that Ning Tian planned to practice alchemy.

But for now, she kept silent.

If she were to question him now, wouldn't it be disrespectful to Ning Tian?

"Hehe, wife, don't worry, trust me." Ning Tian chuckled and gave Luo Wuqing a look that indicated everything would be all right.

Seeing this, Luo Wuqing said nothing more, simply standing aside and quietly watching him.

She could always trust Ning Tian.

Because this man always brought her all kinds of miracles.

Always making the impossible, possible.

Because he is Ning Tian.

"Ancestor-Master, I don't mean to question you."

At this time, Lin Feng, silent for a long time, slowly began to speak. He furrowed his brow and said in a deep voice, "This pill is not just without a method of refinement, but I deduce, it is at least at the level of an immortality pill."

"I haven't felt any alchemy attainments from the Ancestor-Master."

"How can you refine this pill?"

"Don't waste such good ingredients."

Lin Feng's words weren't sarcastic, as he couldn't refine it either.

Speaking out was completely out of a pill refiner's cherishment for ingredients.

Both the Jiu Feng Bing Han Cao and Lei Xin Guo were rare items; if they were to be wasted and the refinement failed, it would be a pity.

“Don’t worry, I know what I’m doing.”

Ning Tian smiled lightly, his lips curving into a confident grin.

Indeed, he had not delved into the way of the pill.

But,

He could cheat!

“Medicine Emperor, could you find me an alchemy furnace? Preferably one that can refine immortality pills,” Ning Tian said slowly.

“...”

Lin Feng let out a wry smile.

Eventually, he nodded his head.

“An alchemy furnace capable of refining immortality pills, of course, our Spirit Medicine Sect has one.”

Immediately, a splendid alchemy furnace appeared before Ning Tian, summoned from his storage ring.

The alchemy furnace had three legs, its whole body gleaming with golden light, and at the top, there was a statuette of a three-legged golden crow.

“Ancestor-Master, this is one of my treasures, a low-grade immortal artifact, the Three-legged Golden Crow Furnace.”

Lin Feng said proudly.

For an alchemist, a good alchemy furnace is their true treasure!

“Hmm.”

Ning Tian nodded slightly and then silently commanded his mind: “System, utilize the Alchemy Saint Experience Card!”

【The Alchemy Saint Experience Card is being used!】

【Success! You have gained one hour of Alchemy Saint proficiency experience time!】

As the system's announcement ended, a flash of crimson light crossed Ning Tian's eyes, and soon he could feel the fragrance of various herbs within a hundred miles radius!

Boom!

Roaring booms!

Next, all the alchemy furnaces within the Spirit Medicine Sect started to hum as if recognizing their sovereign!

"Whoo~"

"Whoo~"

Eh!?

The sound was so loud that all the disciples of the Spirit Medicine Sect could hear it clearly!

This anomaly caused a slight change in everyone's expression!

"Damn!"

"The common pill I was refining, which required a total of forty-nine days, is now complete ahead of time, and furthermore, it has reached the grade of a precious pill!"

"So is mine!"

"My furnace, it started on its own!"

At this time, many of the Spirit Medicine Sect's disciples felt the change, their expressions shifted, and their eyes filled with confusion!

In the entire Spirit Medicine Sect, all the alchemy furnaces were humming, and the pills they were refining were all promoted to a higher level!

They had been refining pills for decades, or even a century, and had never encountered such a thing!

"Hiss..."

Lin Feng was stunned in place, and it took a long time before he took a sharp breath and fervently watched Ning Tian with heated eyes, mumbling to himself.

"This is... Pill Refinement Sublimation, Pilgrimage of Ten Thousand Furnaces!"

“Has the Ancestor-Master reached Alchemy Saint level!?”

Alchemy Saint!

A group of disciples and elders’ pupils shrank sharply!

This was no joke!

This already indicated that the Ancestor-Master’s alchemy attainments had surpassed Medicine Emperor Lin Feng!

“This guy...”

Luo Wuqing was slightly startled, her beautiful water-like eyes resting on Ning Tian.

This man had really brought her another surprise.

“It turns out the Ancestor-Master is an alchemy grandmaster with the attainments of an Alchemy Saint. Junior Lin Feng had been blind to not recognize Mount Tai; please forgive my insolence, Ancestor-Master!”

At this moment, any disdain Lin Feng held in his heart disappeared!

Even within his heart, he began to wish Ning Tian and Luo Wuqing happiness.

Only the Ancestor-Master could be worthy of the peerlessly beautiful Empress!

“It’s just the initial steps into Alchemy Saint that I’ve taken,” Ning Tian said, waving his hand, telling the truth.

However,

Lin Feng just smiled faintly and shook his head, not believing it at all.

After all, to jump straight from no alchemy attainments to an Alchemy Saint in one fell swoop, not even those dejected scholars who write novels would dare to write it like that.

“Everyone, step back a little; I’m about to start.”

At this moment, Ning Tian spoke up.

Hearing him, Lin Feng led a group of elders and disciples to retreat, their hearts excited to observe the work of an Alchemy Saint.

“Wife, you should also step back a bit; don’t worry, I’ll be fine.”

Ning Tian spoke gently to Luo Wuqing, who was looking at him with some worry.

“Hmm.”

Luo Wuqing nodded lightly, her delicate body moving, and blinked back a distance.

On the entire Spirit Medicine Square, aside from Ning Tian and the Three-legged Golden Crow Furnace, there was no one else.

A group of disciples from the Spirit Medicine Sect all widened their eyes, staring at the center of the square, afraid to miss any detail.

After all, in any field, details are incredibly important!

Without details, what's the point of watching?

At this moment, Lin Feng was also looking seriously at Ning Tian. This top figure in the Tian Ling realm's pill refinement field, the Medicine Emperor himself, was eager like a student thirsty for knowledge.

An Alchemy Saint's pill refinement is a sight seen once in a thousand years!

The focus of thousands.

At the center of the square, Ning Tian took a deep breath, then gently pointed at the wooden and jade boxes.

Subsequently, nine types of medicinal ingredients flew out from them, enveloped in auras of alchemical expertise.

This was not only to protect the medicinal properties of the ingredients but also to enhance their essence!

As the nine types of medicinal ingredients were embraced by the alchemy light and floated beside him, Ning Tian took another deep breath, channeled his spiritual energy, and fiercely struck the firing chamber of the Three-legged Golden Crow Furnace.

Boom!

Spiritual energy exploded!

Then, the moment it entered the furnace, it turned into a red flame!

Within the flame was a rich fragrance of herbs.

“Alchemy Holy Flame!”

Seeing that red flame, Lin Feng's pupils shrank sharply.

Invincible After Shocking My Empress Wife Chapter 205

Chapter 205: The Sky-Patterned Divine Pill, Silence of Heaven and Earth!

Every alchemist who sets foot on the path of pill refinement possesses the ability to ignite the flames of alchemy.

The higher the quality and color of the alchemy flame, the more profound the alchemist's achievements in the path of pill refinement are!

For instance, the alchemical flame Ning Tian is currently using is one of the strongest kinds of flames in the field of pill refinement!

The flames are a vibrant red, burning fiercely and accompanied by bursts of medicinal fragrance.

This is none other than the sacred flame of the pill path!

"Who would have thought that our Ancestral Master, despite his young age, is not only a cultivation genius but also a saint in the pill path! Truly wondrous and astonishing!"

A gleam of admiration flashed in Lin Feng's eyes as he gazed at Ning Tian, secretly shaking his head with a sigh.

However, the only incongruity seemed to be that only a great emperor should have been able to reach sainthood in the pill path, right? But the Ancestral Master was clearly only at the pinnacle of the Earth King realm. How could he possibly be a saint in the pill path?

Could it be...

The Ancestral Master is actually a great emperor?

Lin Feng gasped, casting a glance at Luo Wuqing nearby, and his heart suddenly understood!

Maybe, the Ancestral Master truly is a great emperor!

Otherwise, how could a mere Earth King realm cultivator become a saint in the pill path and catch the eye of the Empress!?

At this moment, Lin Feng felt a sense of relief as if he had narrowly escaped a calamity!

Meanwhile, at the center of the plaza.

Inside the Three-legged Golden Crow Furnace, the alchemy fire kept burning as Ning Tian's mind already had the pill refining method for this immortal pill.

This pill was known as the Sky-Patterned Divine Pill, and even the most inferior were low-tier immortal pills.

“Phew...”

Ning Tian took a deep breath and then, following the pill refining method in his mind, he added the ingredients to the pill.

“Using Explosive Herb as an auxiliary, suddenly increase the intensity of the alchemy flame to leave the medicinal properties lingering in the space within the pill furnace...”

Boom!

The Explosive Herb was placed into the pill furnace.

Immediately after, the flames surged wildly!

In an instant, it turned to ashes, yet these ashes contained the potent medicinal properties of the Explosive Herb!

The entire Three-legged Golden Crow Furnace was enveloped in the medicinal properties of the Explosive Herb.

“The Explosive Herb represents Yang. After reducing three parts of Yang, add seven parts of Yin. Yin and Yang in balance at three and seven, complementing each other,” Ning Tian muttered to himself, his gaze intensely focused on the furnace.

Suddenly, the flames in the pill furnace flickered slightly!

“The flickering of the flame indicates it's time to retreat by three parts!”

He timed it perfectly, touching an herb covered by his pill path aura.

That was a Yin Cold Grass.

However, Ning Tian didn't add the entire herb. Only after removing the root, which accounted for three parts of the plant's Yin properties, did he put it into the mix!

Boom!

Instantly!

Yin and Yang harmonized.

Within the pill furnace, the previously wild aura instantly stabilized!

"What a masterful handling of Yin and Yang balance!"

"What detailed control over the fire's intensity!"

Upon seeing this scene, everyone from the Medicine Spirit Gate inhaled sharply, their gazes toward Ning Tian growing ever more fervent.

Damn!

How can this legendary Ancestral Master from the Sky Demon Sect be so intimidatingly skilled!?

Next, as Ning Tian continued to add the herbs, seven of the nine ingredients were quickly incorporated.

The remaining two most important herbs, the Nine Phoenix Frost-Cold Grass and the Thunder Heart Fruit, were left outside.

Ning Tian was waiting.

Waiting for the pill that was being refined to take shape, and then, in one fell swoop, he would add the two immortal herbs!

Because, he needed the power of these two immortal herbs to inscribe the two most vital patterns on the Sky-Patterned Divine Pill.

The Sky-Patterned Divine Pill was divided into one-pattern, two-pattern, and three-pattern types!

The more patterns, the better the medicinal effect and the stronger the medicinal properties!

He could use his pill path accomplishments to inscribe one pattern, but the other two required the two immortal herbs for inscription!

Thus, these two herbs were extremely crucial!

Should he falter at this step, even if the pill were to form, the medicinal strength and potency would be greatly reduced!

Boom!

At this moment, dark clouds densely cluttered the sky.

Thunder rumbled faintly within the cloud layers.

“Could it be that the Ancestral Master’s refinement of an immortal pill is going to provoke a celestial phenomenon?” Lin Feng was stunned when he noticed these abnormalities.

As a Medicine Emperor who could also refine immortal pills,

He had never once caused such a heavenly phenomenon.

Generally, pills that could trigger celestial phenomena were no common artifacts!

Boom!

Rumble...

Within the sky, the sound of thunder kept emerging.

Yet, Ning Tian was not affected in the slightest. He was absorbed, his hand resting on top of the Three-legged Golden Crow Furnace.

He was feeling the changes within the space of the furnace.

Inside, a pill prototype was beginning to take shape.

“It’s about time!”

A glint of decisiveness flashed in Ning Tian’s eyes.

Then he took a deep breath.

“First, add the Thunder Heart Fruit to increase the ferocity, then add the Nine Phoenix Frost-Cold Grass to suppress the wildness of the Thunder Heart Fruit.” Quickly, a clear strategy formed in his mind.

Boom!

Boom!

The space within the furnace already displayed an enormous aura.

A spherical pill continued to release its potency.

“Boom!”

At that moment, the entire pill furnace quivered slightly.

“Now is the time!”

Ning Tian judged the perfect moment, his hand moved slightly, and with a surge, he placed the Thunder Heart Fruit, which was flashing with lightning, into the mixture.

And at the instant when the Thunder Heart Fruit entered the mix, glowing with lightning!

Ning Tian’s spiritual energy also dissipated by half; the alchemy flame quickly receded a lot. He did this to prevent excessive contact between the naturally wild Thunder Heart Fruit and the vigorous alchemy flame.

Otherwise, it could lead to an explosion!

All would be lost!

“What a strong control over the flames, the Ancestral Master is truly calm,” Lin Feng remarked, unable to help himself from shaking his head and sighing as he watched.

His admiration for Ning Tian deepened even more.

Had it been him, at this moment, it would have undoubtedly exploded, ending in failure.

Boom!

Rumble...

Sure enough, as soon as the Thunder Heart Fruit entered, the space within the furnace turned wild instantly!

But the alchemy flame had already receded, and the entrance of the Thunder Heart Fruit perfectly filled the void left by the flame!

“Condense for me!”

Ning Tian gritted his teeth, his hand suddenly shook the Three-legged Golden Crow Furnace!

Boom!

Suddenly, the furnace shook!

All the pill furnaces within the Medicine Spirit Gate resonated at this moment!

The Thunder Heart Fruit transformed into a thunder dragon and, under the dreadful prowess of Ning Tian's pill path, turned into a thunder dragon circling the forming pill!

When the Three-legged Golden Crow Furnace shook fiercely, it rushed into the pill!

A thunderous pattern, gathered from lightning, appeared instantly on the round pill!

Boom!

Simultaneously, a rainbow light shot into the sky above!

Illuminating the entire cloud layer!

Within the Medicine Spirit Gate, a rich fragrance pervaded.

"Immortal pills with orange, yellow, and green sacred lights!"

"Amazing!"

"What fortune to live in such times!"

The members of the Medicine Spirit Gate felt their brains spinning, their breathing becoming rapid—they had actually witnessed the three sacred lights of an immortal pill!?

Ning Tian's hands didn't stop working!

Once the three sacred colors fully consolidated, he once again judged the timing and tossed in the Nine Phoenix Frost-Cold Grass!

Instantly, the wildness was quelled!

The entire Three-legged Golden Crow Furnace froze over!

But within the tiny heaven and earth of the pill furnace, the sacred fire gathered, showing no signs of dissipating!

Crack!

In just a moment, the ice shattered!

As a frosty pattern appeared on the pill, another sacred light burst forth into the skies!

“Amazing!”

“An immortal pill’s cyan, blue and purple sacred lights!”

“With the previous colors, doesn’t that make six-colored sacred light!?”

At this moment, heaven and earth seemed silent!

Chapter 206: Shocking Xi Zhou, The Arrival of the Imperial Realm!

Ling Yao Men (Spirit Medicine Sect).

The dazzling six-colored holy light shot into the clouds, accompanied by thundering roars, and the dark clouds covered the sun!

In an instant, it seemed as if the heavens and earth changed colors with it!

But in a flash, an extremely rich medicinal fragrance spread throughout millions of miles!

“Hissss...”

“Is this... Is this the terrifying prowess of a Saint-level Alchemist?”

Lin Feng and the other disciples of the Ling Yao Men stood there dumbfounded, looking at Ning Tian as if they were looking at a divine being.

What is alchemy!?

This is alchemy!

“It’s not just that,” Lin Feng shook his head, his eyes filled with seriousness, “The Patriarch doesn’t seem to have any intention of stopping yet. This pill... it is not just that! I’m afraid...”

“It’s not over yet?”

“It’s already a six-colored holy light of an immortal pill!”

The people of the Ling Yao Men were stunned.

...

...

At this moment, the entire Xi Zhou region, as well as the areas nearby, could smell an extremely rich medicinal fragrance.

Countless people were intoxicated by it.

They were all curious, where did this rich and intoxicating medicinal fragrance come from!?

Xiao Yao Holy Land.

The Xiao Yao Holy Master raised his head, his gaze shockingly looking towards the horizon, where a vague six-colored holy light soared into the sky – the source of the medicinal fragrance, perhaps it was exactly there!

“This direction... is it coming from the Spirit Medicine Sect?!”

“What kind of pill is this Medicine Emperor Lin Feng actually refining?”

The Xiao Yao Holy Master pondered with a slightly serious expression in his eyes, his brows becoming more furrowed.

“No, this Emperor must go and take a look.”

The Xiao Yao Holy Master muttered to himself, and with a movement of his body, he disappeared into the void.

Godlike Nation, Tian Bao Holy Land, Ling Xu Sect and other imperial powers nearby in Xi Zhou were all attracted by this commotion, and smelling that medicinal fragrance, they all looked up at the sky!

Their eyes were all flashing with shock.

“An immortal pill’s six holy lights! What exactly is Medicine Emperor Lin Feng doing!?”

The masters of these forces were all exceedingly curious.

They headed towards the Spirit Medicine Sect’s direction in unison.

...

...

At the Immortal Medicine Gate.

Under the attention of everyone, the extremely cold ice shattered!

The waves of medicinal fragrance instantly intoxicated the crowd.

“It is said that just by smelling the fragrance of a top-quality immortal pill, one can resurrect the dead and mend broken bones.”

“Perhaps, the pill that the Patriarch refined is not far off, or even higher!”

Lin Feng nodded repeatedly.

Among those present, except for Ning Tian, who temporarily possessed alchemy skills, he had the highest understanding of alchemy.

Hearing his words, everyone showed a reverent expression.

Luo Wuqing’s expression fluctuated slightly, but the faint smile curling up at the corner of her mouth also revealed that she was in a very good mood at the moment.

“Look quickly, what is the Patriarch about to do?”

At this time, an elder’s shocked voice rang out.

Everyone hurriedly looked over.

They saw Ning Tian’s hands placed on the Three-Legged Golden Crow Furnace, with strands of red light circulating.

“Is he going to make the pill sublime once again?” Lin Feng frowned deeply, a trace of seriousness flashing in his eyes.

“The pill is going to sublime again!?”

“Could it be that the six-colored holy light of this immortal pill still does not satisfy the Patriarch?”

The disciples and elders of the Spirit Medicine Sect felt it was unbelievable.

Above the sky, the clouds surged, and thunder roared.

Whizz!

Whizz!

At this moment, the sound of piercing the sky rang out.

Several dozen figures appeared in the sky around the place.

“Hmm?”

Luo Wuqing frowned slightly, looking towards the sky. The people of the Spirit Medicine Sect also saw this scene.

“The Xiao Yao Holy Master, the Master of the Godlike Nation... Two powerful Emperor Realm experts!”

“And dozens of Imperial Realm leaders!”

“Hisss!”

“Have they all been attracted here by the Patriarch’s heavenly phenomenon?”

The crowd was somewhat astonished.

Above the sky, when dozens of Imperial Realm forces’ masters arrived here and saw the heavenly phenomenon, their expressions changed slightly.

But when they looked towards the person who was refining the pill on the ground, they were all taken aback, with their expressions changing.

It wasn’t Medicine Emperor Lin Feng?

Instead, it was a young man!

“Is it General Ning Bi?” The Master of the Godlike Nation’s expression changed slightly. Not knowing why, but upon seeing Ning Tian, his first instinct was to distance himself.

“The Patriarch...”

“This commotion that has alarmed almost half of the Tian Ling Domain!”

It wasn’t Medicine Emperor Lin Feng, but it turned out to be the legendary Patriarch of the Demon Sect!

“Holy Path’s Alchemy Fire!”

“The Patriarch of the Demon Sect’s alchemy skills have already reached the Holy level!?”

When they saw the alchemy fire that Ning Tian was using, a group of God Emperor Realm powerhouses gasped.

“This is quite interesting.” The Xiao Yao Holy Master raised his eyebrows slightly, wanting to get closer to see what kind of pill this Demon Sect Patriarch could refine to cause such a phenomenon.

“Everyone, stay where you are.”

But before he could approach, a cold voice sounded.

Then, in front of several dozen Imperial Realm powerhouses, a graceful figure quietly emerged in the void, her face cold and indifferent, as she looked at them.

“The Empress of the Demon Sect!”

“She’s also here!”

The Tian Bao Holy Master, the Master of Ling Xu Sect, and others were all taken aback, showing respect to Luo Wuqing after coming to their senses.

“Greetings, Empress!”

“We greet the Empress!”

Although they possessed Imperial Realm strength and had reached the God Emperor Realm,

Compared to Luo Wuqing, a true Empress, they were not on the same level.

“Empress.”

The Xiao Yao Holy Master and Godlike Nation’s Master, although somewhat wary of Luo Wuqing, behaved not as fearful as the others, but greeted her with a smile.

“May I know what pill your Sect’s Patriarch is refining? Can we take a look?” The Xiao Yao Holy Master couldn’t hold back his curiosity, and asked.

“If you approach, there will be a battle to death.”

Luo Wuqing looked at the Xiao Yao Holy Master with a cold and deadly expression, “I will not allow anyone to get within half a step of him, and I will not allow anyone to disturb him!”

Even though there was a true Empress in front of her, she did not show the slightest sign of apprehension.

At this moment, Ning Tian absolutely could not be disturbed.

If he were to be affected, not only would his efforts be in vain, but he could also sustain serious injuries!

“...”

Hearing the indifferent words from Luo Wuqing, and the hint of killing intent within, the Xiao Yao Holy Master immediately retracted the step he had just taken.

He chuckled, “The Empress is joking. Even if I am curious, I would not possibly disturb the Patriarch’s pill refining.”

The other Imperial Realm powerhouses also silently nodded.

They didn’t even know what pill Ning Tian was refining, and if it was out of curiosity that they provoked the Empress of the Demon Sect, it wouldn’t be worth it!

Luo Wuqing alone managed to scare a dozen Imperial Realm powerhouses from taking even the slightest action!

Such was the dignity of the Empress of the Demon Sect!

Boom!

Just then, in the sky above, as a dazzling red light illuminated the heavens and earth, a strong fragrance of immortal medicines entered the nostrils.

Boom!

Then, in the void, two terrifying Imperial presences appeared!

“Such an immortal pill, Luo Wuqing, why not give it to us instead!”

As the sound faded, two massive hands formed from great Emperor’s might, grasping towards Ning Tian who was on the plaza!

Seeing this, Luo Wuqing’s face changed slightly, her face immediately became icy cold, her voice cold enough to freeze one’s blood!

“Should you dare to hurt him, this Empress will scatter your souls!”

Invincible After Shocking My Empress Wife Chapter 207

Chapter 207: The Great Emperor's Calamity, Nine Tribulations Great Emperor!

As the cold voice fell, a terrifying imperial aura burst forth from Luo Wúqing's delicate body, exploding outwards!

Boom!

"What a powerful momentum!"

The Holy Master of Tianbao, the Sect Master of Lingxu, and other imperial realm powerhouses all had their pupils shrink drastically, their faces changed dramatically, and before they could react, they were sent flying hundreds of meters away by this terrifying imperial might!

The only ones who were able to maintain their composure on the scene were the two great emperor powerhouses, the Holy Master of Xiaoyao and the Lord of the Divine Kingdom.

"Tsk tsk, worthy of being a powerhouse capable of supporting an imperial force single-handedly."

"The Empress of the Demon Sect, truly terrifying."

Witnessing this scene, the Holy Master of Xiaoyao couldn't help but sigh in admiration.

Beside him, the Lord of the Divine Kingdom remained silent, feeling the terrifying imperial might and feeling fortunate that he had not troubled Ning Shuai Bi.

Otherwise, it would have made the already war-torn Supreme Divine Kingdom suffer even more!

After all, he knew better than anyone that behind Ning Tian, there was not just one great emperor!

But, damn it, two great emperors!

Boom!

Above the sky, accompanied by celestial phenomena, terrifying imperial might surged!

Two colossal heavenly hands, formed by the imperial might of the great emperors, tore through the void at this moment to grab Ning Tian, who was fully engrossed in refining medicinal pills.

At this time, he naturally felt the terrifying aura coming towards him!

But he did not move!

Because, at this moment, he was in the most crucial stage of refining the Heavenly Pattern Divine Pill!

If he were interrupted, it would result in complete failure, and all his efforts would come to nothing!

Ning Tian now could only place all his hopes on Luo Wúqing!

At that moment, a gentle breeze stirred beside Ning Tian, and a blue and white charming figure appeared out of the void.

Luo Wúqing raised her jade hand, as if the spiritual energy of heaven and earth was mobilized by her at this moment, and a vast and surging energy pressed down fiercely from the sky!

Boom!

The firmament trembled!

The colossal heavenly hands shattered in an instant!

“This emperor said, thinking of laying a hand on him? Do you even qualify?”

Luo Wúqing’s eyes twinkled with cold light, looking indifferently towards the void, “Nothing more than two rats hiding in the void, too scared to show their faces!”

“Heh.”

In the void, a cold laugh sounded.

“Luo Wúqing, do you really think that you can protect him from two great emperor powerhouses?”

“Truly laughable!”

Then, two more terrifying imperial might emerged, and two figures appeared in the void!

However, these two figures were still hidden within the chaos.

Unseen in form, undetectable in breath.

“Who exactly are these two great emperors?”

Several dozen imperial realm powerhouses spectating at the side were filled with doubt.

“Fearful and apprehensive, and they dare call themselves great emperors?” Luo Wúqing’s eyes shone with pride, her delicate body enveloped in an imposing imperial might that was dazzling and imposing!

“Let this emperor teach you, what it means to be a great emperor!”

As her words fell.

Luo Wúqing exuded a magnificent and ethereal aura, behind her a resplendent golden light suddenly spread across the entire sky.

With a wave of her hand, she unleashed a palm strike that turned mountains and seas upside down!

“Hmph!”

In the sky, the two mysterious great emperors faced Luo Wúqing’s terrifying palm without showing weakness, counterattacking!

The clash of three great emperor powerhouses instantly made the whole world tremble under that terrifying pressure, the firmament quaked, and thunder surged uncontrollably!

The void was shattered!

As if even the heavens were suppressed by their power!

Boom!

Boom!

“It’s over, it’s all over!”

Seeing this scene, a group of disciples and elders from the Spirit Medicine Gate wanted to weep but had no tears.

The destruction caused by the battle of great emperor powerhouses was enough to destroy their Spirit Medicine Gate thousands of times over!

They could consider relocating the Spirit Medicine Gate.

In the firmament.

Even facing two great emperor powerhouses, Luo Wúqing still demonstrated her tremendous strength!

Maintaining an equal footing, an undefeated position!

“Eight Tribulations Great Emperor, to my knowledge, there should be no Eight Tribulations Great Emperor in the Heavenly Spirit Realm, who exactly are you?” Amidst the clash, Luo Wúqing had gauged the strength of these two great emperors!

Among the great emperors, they belonged to the Eight Tribulations Great Emperors!

After stepping into the realm of a great emperor, it’s not necessary to break through to a divine realm to advance in strength!

Great emperors can choose to undergo tribulations!

The Great Emperor’s Calamity!

With each tribulation passed, their strength improves a bit!

And she has already surpassed nine tribulations!

Among the great emperors, she is a Nine Tribulations Great Emperor!

Invincible After Shocking My Empress Wife Chapter 208

Chapter 208: Dan Becomes Holy, You’re Doomed!

In the Spirit Heavenly Domain, the great emperors have some understanding of each other.

However, the two mysterious Eight Tribulations Great Emperors before them clearly do not belong to the Spirit Heavenly Domain; they are outsiders!

“Heh!”

“Luo Wuqing, you should first take care of yourself and that young man before questioning us!”

Both Eight Tribulations Great Emperors sneered coldly as they once again exerted their imperial might.

Luo Wuqing’s pretty face was filled with killing intent, and without exchanging words, she revolved the sword dao and pressed down on these two Eight Tribulations Great Emperors with her sword!

While everyone marvels at Luo Wuqing’s great strength, at the plaza...

The spiritual energy in Ning Tian’s hands grew denser, and the pill flame in the Three-legged Golden Crow Furnace intensified!

The Heavenly Pattern Divine Pill had already formed two markings; the immortality pill was smooth, and indeed, it was a top-quality immortal pill!

But, it wasn’t over yet!

“I hope my empress can hold on.”

Ning Tian couldn’t help but worry in his heart, but what he could do right now was to finish refining the Heavenly Pattern Divine Pill as soon as possible.

That way, Luo Wuqing would no longer need to protect him and could fight freely.

“System, infuse the last of the Pill Dao entry into sanctity into the Heavenly Pattern Divine Pill!” Ning Tian silently commanded in his heart.

“Yes, Host.”

The elegant voice of the system sounded.

【Infusing the Pill Dao entry into sanctity into the Heavenly Pattern Divine Pill!】

【Please wait patiently, Host!】

Boom!

The entire Three-legged Golden Crow Furnace shook violently once again!

The Heavenly Pattern Divine Pill, which already had two markings, was enveloped by a scarlet light and began to condense the third heavenly pattern!

In the sky above...

Three shadows flickered, and a crowd could no longer see the battle clearly!

With the gesture of their hands, the mountains and rivers were troubled!

The whole Ling Yao Sect had already been changed beyond recognition.

Leaving a group of Ling Yao Sect elders and disciples trembling around the plaza.

Boom!

A terrifying energy erupted in the sky!

Subsequently, two somewhat embarrassed figures were knocked back from amidst the chaotic energy!

After flying back hundreds of meters, the two were able to stabilize their forms.

“Indeed the Empress, her strength is truly strong.” One of the Eight Tribulations Great Emperors shook his head with a sigh in his voice. “Worthy of a Nine Tribulations Great Emperor, if it were a one-on-one battle, perhaps no one would be your opponent!”

“But unfortunately, there are two of us.”

“Nothing but ants.”

Luo Wuqing looked indifferently at the two, lifting her immortal sword towards them. A flash of sharp cold light passed over the sword, “My Cold Frost, once it’s unsheathed it must taste blood, today, it will be freshened with the blood of Eight Tribulations Great Emperors!”

“Really?”

Both Eight Tribulations Great Emperors sneered.

With bowstrings drawn, another round of imperial battle commenced.

But just at this moment...

Boom!

A rumbling sound came from the plaza below.

“The pill is about to be completed!”

In front of the Three-legged Golden Crow Furnace, Ning Tian’s eyes flashed with a gleam of light.

He glanced at the two injured Eight Tribulations Great Emperors above and lifted the corners of his mouth in a cold smile.

“It seems that before the pill is perfected, I still have to set a trap.”

In an instant, a radiant holy light soared into the sky, illuminating the entire expanse of the heavens!

Roar after roar of thunder echoed.

Between heaven and earth, a nine-colored beam connected the heavens and the earth, spreading a strong fragrance of medicine everywhere!

“Immortal Pill’s Nine Holy Lights!”

“It’s a holy sign! This is a holy sign!”

Seeing the nine-colored holy light soaring into the sky, Lin Feng’s eyes were filled with hot tears. Then, with a plop, he excitedly knelt towards Ning Tian!

The Nine Holy Lights of the Immortal Pill, an eternal rarity!

It’s difficult to witness even once in tens of thousands or even hundreds of thousands of years!

Initially thinking that the ancestor’s Six Holy Lights of the Immortal Pill were extremely extraordinary, but now, the Nine Holy Lights have appeared!

“The ancestor is an eternal god!”

The people of the Ling Medicine Sect were all in a frenzy, kneeling toward Ning Tian following Lin Feng.

“Hiss...”

The Sacred Lord of Tianbao, the Master of Lingxu, and other imperial strong beings all showed a hint of astonishment in their eyes.

They had not expected that the legendary ancestor of the Tianmo Sect was actually a Pill Saint!

“What else is this Ning Shuai hiding!?” The Lord of the Divine Kingdom swallowed, unable to calm his shock for a long time!

Previously, Ning Tian had shocked him by mastering the Church’s Moon Spirit Princess’ Supreme Hunyuan Palm’s highest form in one minute.

However, what he never expected was that now, right under his eyes, Ning Shuai had refined a fairy pill flashing with nine-colored holy lights!

This...

What kind of peerless talent is this!?

Shocked!

In short, the hearts of this group of imperial powerhouses were filled with nothing but shock!

At this time, with the nine-colored holy light shining through the clouds, an extremely rich fragrance enveloped the surroundings.

“What a rich fragrance!”

“Hahaha, my old illness of many years has miraculously cured under this fragrance!”

“Holy grass! My little brother can stand up again! I can finally regain my manly vigor!”

Smelling the fragrance...

The disciples and elders of the Xianling Sect all felt changes in themselves under the fragrance’s embrace.

Above the sky...

The two Eight Tribulations Great Emperors couldn’t help but smile, “Haha, the Holy Pill is born, healing all things! Luo Wuqing, your husband is harming you!”

“It was hard enough to injure the two of us, but unfortunately, with this holy pill fragrance, all your efforts just now have been in vain!”

Hearing this, Luo Wuqing’s expression remained cold and indifferent.

“Humph!”

“We inhale!”

The two Eight Tribulations Great Emperors expanded their chest cavities, and then, like a dragon sucking water, they crazily inhaled without stopping!

Whew!

They directly inhaled all the fragrance into their bodies!

Subsequently, flashes of green light appeared.

The injuries they had just sustained were all healed back to their original state under the fragrance's treatment.

“Hahaha!”

“Luo Wuqing, your husband has really helped us out!”

The two Eight Tribulations Great Emperors laughed wildly, their words filled with a hint of mockery.

“Really?”

Luo Wuqing gave a cold smile.

“Hm?”

The two furrowed their brows, suddenly feeling as if there was lightning flashing within their bodies, crackling loudly!

Boom!

Subsequently, angry thunders struck from the clouds above!

“What?!”

“Why are these pill thunders attacking us?!”

As the two dodged, they were deeply furrowed, wondering why these pill thunders were targeting them!

Boom!

Boom!

The pill thunders bombed furiously.

In an instant...

While the pill thunders couldn't trouble them, they made the two look disheveled and disordered in their aura.

"What the hell is going on?!"

The two Eight Tribulations Great Emperors were furiously outraged!

"Hehe."

"It's not over yet!"

At this time, a light laugh sounded from the plaza.

The two quickly looked down!

They saw Ning Tian with a cheeky smile looking up at them.

"Did you mess with us!?"

The two Eight Tribulations Great Emperors were furious.

Ning Tian smiled, clearly aware that once the Holy Pill was completed, its healing fragrance that permeated the air could likely become a means for these two injured Eight Tribulations Great Emperors to recover.

Then, wouldn't his wife's attack have been in vain?

He isn't foolish!

Therefore, before the pill was completed, he had already laid a trap in the fragrance. A little absorption wouldn't trigger it, but excessive absorption would have a completely different effect!

"Tsk tsk."

"It's really unexpected that you were so greedy as to absorb all the fragrance."

"Up next, you're going to suffer."

Ning Tian's voice, reveling in schadenfreude, rose.

Invincible After Shocking My Empress Wife Chapter 209

Chapter 209: Striking with a Surprise Attack, Turning the Tide!

“Hmm!?”

Upon hearing the statement, the two Sovereign Emperors of the Eighth Tribulation were taken aback and feigned calm, “You think you, a mere Earth King Realm cultivator, can do anything to us?”

Their recent embarrassment was solely due to the pill tribulation!

They didn’t believe that this youngster could play them to death!

“Is that so.”

Ning Tian revealed a meaningful smile.

“Stop pretending to be a mystic!” One of the Sovereign Emperors of the Eighth Tribulation snorted coldly, “You’ll regret it when you’re dead!”

“Wait.”

At this moment, the Sovereign Emperor next to him suddenly changed his expression, asking his companion, “Do you feel something odd about your body?”

“Odd!?”

The other Sovereign Emperor was startled, but before he could ponder further.

Suddenly, he felt a burst of heat throughout his body, his face flushed, as if he was on fire!

“Not right!”

“This strange feeling!”

The two Sovereign Emperors felt their mouths dry and their bodies uncontrollable!

In an instant, a tremendous flame erupted from within their bodies!

Following this, mouthfuls of fresh blood were spewed out!

Boom!

“Wah!”

“The pill’s fragrance is poisonous!”

“You despicable youngster, you’ve drugged us!?”

The indignant voices of the two Sovereign Emperors of the Eighth Tribulation rose from the sky.

“Drugged?!”

“What drug”

The disciples of the Immortal Spirit Sect were stunned, and so were dozens of Emperor Realm powerhouses!

All of them widened their eyes, their eyes gleaming, staring at Ning Tian.

Damn!

Drugging a Sovereign Emperor!?

Truly worthy of being the Ancestral Master, impressive!

Ning Tian smiled and seriously said, “I am a decent person!”

“Damn it!”

The two Sovereign Emperors were infuriated!

The worst part was that their bodies were still swelling, what goes around comes around indeed! Too much of a good thing can act as a poison!

Their bodies felt like they were about to explode!

“Tsk tsk.”

At this moment, Ning Tian’s cheeky voice rang out.

“You might very well become Emperors who died from bursting with energy, tsk tsk, too tragic.”

“If the energy can’t be released, even you would have to self-destruct!”

“.....”

With these words, the dozens of Emperor Realm powerhouses present shivered, looking at Ning Tian with eyes filled with fear.

“No way!”

“I must stay away from this legendary Ancestral Master in the future!”

The Emperor Realm powerhouses swallowed hard.

Unknowingly, they allowed two Sovereign Emperors of the Eighth Tribulation to be poisoned; this was far too terrifying!

To die without knowing how it happened!

“What!”

The two Sovereign Emperors of the Eighth Tribulation were shocked to the core!

“Shameless, despicable!”

“But do you really think we have no way out?!”

“Just stop the medicinal effect from happening!”

Next, the two exchanged glances, a fierce light flashing in their eyes as they nodded to each other.

Each channeling their energy, they furiously attacked each other!

Since it's a great blood-restoring pill, then let's beat out the supplemented blood!

“Wah!”

“Keep hitting me!”

Bang bang!

Thus, the two Sovereign Emperors vomited blood while wildly thrashing each other.

During the onslaught...

Crack!

A cracking sound was heard, as if something had broken.

“Third Brother, you’ve gone too far!”

“Sorry, Second Brother, I kicked the wrong spot!”

From above, the sound of their spitting blood echoed.

“Damn!”

“These two are ruthless!”

Witnessing this scene, everyone around was utterly shocked!

How hateful must they be!

“Boy, you’re finished!”

After the mutual “detox,” both Sovereign Emperors felt much lighter, and the hot sensation throughout their bodies dissipated!

Broken is broken.

Then they would use medical techniques for recovery!

“Tsk, real extremists!”

Ning Tian didn’t expect these two to be so ruthless, and even he felt outdone.

Soon, both were covered in blood, not knowing how much they had spat out.

“Kid, die!”

However, ultimately, they were back to their original state.

At this moment, Ning Tian became the target of the furious Sovereign Emperors of the Eighth Tribulation.

“How dare you!”

Luo Wuqing moved gracefully, rushing forward to intercept them.

But just then, the two Sovereign Emperors of the Eighth Tribulation, who originally charged furiously at Ning Tian, suddenly turned around, revealing a sharp shadow blade in their hands, stabbing at Luo Wuqing!

“Luo Wuqing, this youngster is indeed your weakness!”

One of the Sovereign Emperors laughed coldly.

“Hmph!”

Luo Wuqing’s pretty face turned ice-cold as she was about to face the attack.

But at that moment, a figure stepped out from the void next to her!

And delivered a palm strike!

Boom!

“Mm, a Sovereign Emperor of the Ninth Tribulation?” Luo Wuqing furrowed her brows slightly, a cautious light flashing in her eyes, she countered with a Demon’s Palm, forcibly catching the palm strike!

However, the two Sovereign Emperors managed to execute their sneak attack!

Leaving deep gashes on her back!

But Luo Wuqing didn’t just let them easily escape; with another palm strike, she blasted both Sovereign Emperors, making them vomit blood and fly backward!

The four maintained a distance.

“Another Sovereign Emperor!? And it’s the Ninth Tribulation Sovereign Emperor!”

Dozens of Emperor Realm powerhouses flashed a hint of surprise in their eyes.

“The Ninth Tribulation Sovereign Emperor... Why does he seem stronger than the typical Ninth Tribulation Sovereign Emperor?”

The Freedom Saint Master and the Divine Country Lord’s attention fell on the middle-aged man who had suddenly appeared.

The middle-aged man didn’t try to hide his face, which was extremely unfamiliar; such a powerhouse had never been seen in the Heavenly Spirit Domain!

“I’ve long heard of the great name of the Heavenly Spirit Domain’s Empress. I didn’t expect to see her today, but she’s somewhat beyond what this Emperor expected,” said the middle-aged man with a chuckle.

Luo Wuqing indifferently observed the trio, quietly channeling spiritual energy to stop the bleeding from the two gashes on her back.

Now facing one against three, including a Ninth Tribulation Sovereign Emperor of the same realm as Luo Wuqing!

Although it was certain that these three were external domain Sovereign Emperors.

The Freedom Saint Master and the Divine Country Lord were frowning deeply and chose not to take action.

They too were Sovereign Emperors, but had only transcended seven tribulations.

The strength of these three sudden arrivals could not be taken lightly, and they did not wish to wade into these troubled waters!

The battle was on the verge of erupting!

“Empress, my apologies for the offense.”

The middle-aged man’s eyes flashed with a cold smirk, naturally, he would not let Luo Wuqing recover from her injuries, leading the two towards her!

When the enemy is sick, that’s the time to attack!

Regarding Ning Tian, once Luo Wuqing was dealt with, he would be nothing but fish meat on the chopping block!

Quickly, the battle erupted!

Facing the joint assault of three Sovereign Emperors, Luo Wuqing also unleashed an extraordinary display of her strength.

But one against many was difficult!

Gradually, she began to be at a disadvantage!

On the square below, Ning Tian watched the battle above with great urgency.

He felt a deep sense of powerlessness, hating himself for not having cultivated for a few more years!

A few months was really not enough!

【You have shocked the Freedom Saint Master!】

【You have shocked the Divine Country Lord!】

【You have shocked dozens of Emperor Realm leaders!】

【.....】

At this moment, the system's belated shock reward notifications rang in his mind.

Hearing this, a spark flashed in Ning Tian's eyes!

Could these shock rewards allow him to turn the tide?

Invincible After Shocking My Empress Wife Chapter 210

Chapter 210: Realm Exchange, Die for Me!

[Received Reward: Realm Exchange Card!]

[Realm Exchange Card: You can select one person and exchange power for one hour with their consent!]

The system's voice, like a lifeline, fell.

"Realm Exchange Card?!"

Ning Tian was slightly stunned, without any hesitation, he quickly thought: "System, use the Realm Exchange Card!"

[Using Realm Change Card!]

[Please select the person to exchange with!]

In Ning Tian's mind, the enchanting face of Xi Wangmu (Queen Mother of the West) emerged, without any hesitation, he chose, "Exchange with Xi Wangmu!"

[Transmit exemption information!]

...

...

At this moment, at the Jade Pool.

Xi Wangmu was above the skies, watching a group of disciples practice.

Suddenly, a voice echoed in her mind.

“Xi Wangmu, urgent help needed!”

Huh?

Xi Wangmu was stunned for a moment, a trace of confusion flashed through her beautiful eyes.

Just now,

Was that the voice of the Ancestral Master?

“Strange, why does it seem like I heard the Ancestral Master’s voice? That’s not right, I’m not a young girl anymore, how could I be wishfully thinking?”

“However, I indeed miss the Ancestral Master a bit.”

Xi Wangmu was slightly distracted.

“Xi Wangmu, it’s not an illusion, it’s me, Ning Tian!”

Ning Tian’s voice once again echoed in her mind.

This time, Xi Wangmu could finally determine that this was not a hallucinatory voice!

“Ancestral Master, where are you?”

Xi Wangmu, who had been through many storms, wasn’t too flustered when she heard the sudden voice and calmly asked.

“Xi Wangmu, I don’t have time to explain too much now.”

In her mind, Ning Tian’s voice was somewhat anxious.

“I need your power. Exchange it with me.”

Hearing Ning Tian’s anxious voice, Xi Wangmu slightly frowned but no longer hesitated, “Okay, I’ll exchange with you, but how do I give it to you?”

“It’s already given to me.”

“Thanks!”

“I owe you one!”

As the voice fell, Ning Tian’s voice faded away.

“Huh?”

Xi Wangmu was slightly astonished, what was all this about?

Suddenly!

Her expression changed!

She only felt that her spiritual energy was fading away, her Empress-level power was dissipating continuously!

In the blink of an eye, her great emperor strength vanished, replaced by Ning Tian’s Houtian (Earth King) realm peak strength!

“Hisss...”

Xi Wangmu sucked in a breath of cold air.

This kind of exchange described by the Ancestral Master!

How did he achieve it!?

Xi Wangmu’s heart suddenly shook, but before she could think any further, she felt a void under her feet!

Then, her body began to fall towards the ground below.

Don’t forget, those in the Houtian realm cannot fly!

In an instant, all the disciples in the Jade Pool were attracted, each looking perplexed at Xi Wangmu falling from the sky.

The Saintess is crashing?

...

...

At the Ling Medicine Sect.

In the sky above, Luo Wuchang had already suffered a slight injury.

His breath was somewhat chaotic.

“Indeed, the Empress is powerful!” The middle-aged Nine Tribulations Great Emperor looked up and down at Luo Wuchang with a flash of appreciation in his eyes, “How about following this Emperor from now on?”

This guy turned out to be a cunning thief as well.

Everyone was shocked.

He’s actually taken a fancy to the Empress!?

Luo Wuchang’s eyebrows slightly frowned, her eyes full of killing intent, very displeased.

But before she could say anything.

A loud shout rang out.

“Go to your mom!”

“Cunning thief, die for this grandpa!”

Then, a huge aura soared into the sky!

“Is this another Nine Tribulations Great Emperor!?”

Everyone present was stunned.

But in the blink of an eye, a shadow appeared beside the Nine Tribulations Great Emperor and then punched his face!

Boom!

Immediately, the Nine Tribulations Great Emperor was sent flying!

And the shadow landed, revealing its form.

“It’s the Ancestral Master!”

“He, he, he’s actually a Ninth Stage Great Emperor!?”

Seeing this scene, the Carefree Saint Master and the God Kingdom’s Sovereign were dumbfounded!

“I didn’t guess wrong! The Ancestral Master is indeed a Great Emperor!”

Lin Feng was rejoicing that he could make a comeback when he suddenly saw Ning Tian punch the Great Emperor flying and his eyes lit up!

“Don’t be afraid, wife, I’m here to protect you!”

Ning Tian stood in front of Luo Wuchang.

“You...”

Luo Wuchang was stunned for a moment, a hint of tenderness flashing in her eyes.

Boom!

At this moment, that Ninth Tribulations Great Emperor furiously rose up!

“How dare you knock this Emperor flying!”

“Get lost!”

Ning Tian roared, then, he consolidated a supreme energy in his hands and slammed it out with one palm!

Boom!

A palm seemed to shatter mountains and rivers!

Once again knocked that Ninth Stage Great Emperor flying!

“This is, the Supreme Mixed Yuan Palm of my Supreme Divine Nation!?”

Seeing Ning Tian’s move and the familiar energy aura, the Sovereign of the God Kingdom instantly widened his eyes!

So, the power of his Supreme Mixed Yuan Palm could be this strong!?

“Daring to injure my wife, you two have no right to live anymore.” Looking at the two bloody wounds on Luo Wuchang’s back, Ning Tian’s eyes were full of intense killing intent!

In his hand, a Chixiao Sword (Red Dawn Sword) emerged!

At this moment, his power was at the level of a Nine Tribulations Great Emperor, and the imperial nature of the Chixiao Sword burst forth!

Directly emitting the aura of a high-grade immortal weapon!

The sword blade flickered with a hot red light, and bursts of flames emerged!

Then, under the aura of a Nine Tribulations Great Emperor, Ning Tian's foot movement became incredibly swift, his Chixiao Sword turning into a blazing fiery sword!

[Sword Technique Initiated!]

[Earth-level low-grade martial art, "Sword Technique: Shadow Follow!"]

His figure turned into five shadows, each striking with a sword!

"What a powerful sword intent!"

Both the Eight Tribulations Great Emperors changed their expressions!

"It's not over yet!"

"My big move is not just this!"

Ning Tian sneered.

If a single move won't kill you, then I'll drown you with a big move!

[Fist Technique, initiated!]

[Activate, Tyrant Flame Fist!]

[Execute, Palm Technique!]

[Activate Heaven Demon Palm, Wind Thunder God Palm, Supreme Mixed Yuan Palm!]

One after another, the moves were continually executed!

Glittering in golden light, extremely dazzling!

With the power of a Nine Tribulations Great Emperor backing these skills, any one of them alone could clash with the sky!

Not to mention that the two in front of him were only Eight Tribulations Great Emperors!

"This kid has gone mad!"

Their expressions changed drastically, how could they handle this kind of onslaught!?

Circulating their spiritual energy, they frantically defended!

“How dare you, boy!” The Nine Tribulations Great Emperor charged again.

“I dare your horse, scram!”

Ning Tian was incredibly irritated at this moment, turning into a frenzied demon. His eyes were filled with murderous intent!

Right now, he only wanted to see these two who had hurt Luo Wuchang dead!

With surging aura, he turned into a supreme Mixed Yuan Palm, slapping the Nine Tribulations Great Emperor flying again!

This was the third time!

Without the Nine Tribulations Great Emperor to block him, Ning Tian’s skills all poured onto these two Eight Tribulations Great Emperors!

Bang!

Multiple skills converged.

Forming a mass of fierce energy, directly melting the two Eight Tribulations Great Emperors!

Their souls scattered!

Hiss!

In an instant.

The surroundings fell into silence!

A group of Emperor realm powerhouses widened their eyes, the Ancestral Master, he, he killed two Eight Tribulations Great Emperors!?

No, no!

It wasn’t just a kill. They were eradicated by a bunch of skills!
