

Chapter 28:

Elle's POV:

"TALIA! WHERE IS THE EYELINER!" I shouted. "NEVER MIND I FOUND IT"

"Next time actually look before shouting me." Talia said as she walked into my room.

"Girl you look really good." I complemented.

"I know." she stated whilst doing a little twirl.

The dress I'm wearing is nice like don't get me wrong it makes me look sexy as hell, I just, I dunno, I'm not really in the mood to go to prom.

"Hey wipe that lil frown o your face."

"I wasn't frowning." I stated.

"You so were, I also bet you were thinking of her," my cheeks flush a deep red, "you need to stop thinking about her, like you guys are over and you are free now, GO FUCK WHO YOU WANTTTTT!"

"Yeah I know."

It's just that all I can think about is her, I know I shouldn't but I do.

"We should get going." Talia said whilst doing the strap on her heels.

ding

Talia looked down at her phone.

"Who's that?" I asked.

"Oh just Lucas," she said as she started to read the text she just received, "he...he's gay." at this point tears were running down her face, her mascara running but she stood up. "It's fine, I'm okay, it's not as if we were dating for long and I guess I could kind of tell."

FUCK. Well at least I might get out of going to prom now?

"Aww Talia are you okay? I mean we don't have to go tonight, we could just stay in and watch a movie?" I asked.

"No. We are going, I'm not going to let some little shit ruin my prom and stop me from being prom queen."

I really don't want to go.

"Yeah I'll go and we are going to have the best night as two sexy, hot, single bitches."

"Thanks Elle, I know you don't want to go and that I'm probably not in the right mind set right now but it's prom soooooo let's get our freak on," I raised my eyebrow, "I'm joking but for real we deserve to enjoy ourselves."

Talia starts to walk out the door.

"Wait." I said.

"Huh?"

"Your makeup." I pointed out.

"Oh right yeah, I forgot."

~~~~~

Aurora's POV:

"Jake, are you sure I look good?" I asked my brother.

"How many times do I have to tell you? You look great and Elle is going to be all over you." he stated as he fixed his hair.

I kinda hope she is...

"Eww not like that get those dirty thoughts out of your head." Jake said as he scrunched his face.

"I didn't say anything?"

"No but it was written all over your face."

"Ugh just shut up and drive us to prom already."

\*\*\*

The music was loud but not eardrum bursting loud. The room was warm, however the air outside was cool. The people were dancing, laughing and colliding with one another.

"Can you see her?" I asked Jake.

"Huh? Oh nah but I can see my date, bye lil sis." he said before swi making his way to his boyfriend.

I wonder how Talia took the news?

I started to look around for Elle but I couldn't find her so I decided to take a break from searching and go to the bathroom.

As I was perfecting my hair in the mirror I heard mu led moans.

For fuck sake, I mean they couldn't at least wait until a er prom?

I decided to cough a little to make them aware that they weren't alone, a few seconds later Lizzie came out of the cubicle.

Ugh, I fucking hate this bitch. Like how come she is getting action and I'm not?

Then another person comes out of the cubicle.

"Sydney?" I accidentally asked aloud.

"I umm hi." she said as she waved awkwardly at me.

I didn't respond, instead I just stood there with my mouth ajar.

"Aurora, I know how this looks but we were just umm helping each other with makeup." Lizzie lied as her cheeks started to blush.

I blinked back into reality. "I knew you weren't straight, you two where so shagging in there."

"I umm please don't tell anyone." they both said in unison.

"Don't worry about it your secret is safe with me?" I stated, slightly unsure on what I have just discovered.

The pair make their way to exit the bathroom but before they do Sydney stays behind a little bit.

"Aurora, I'm sorry that you and Elle didn't work out and I'm sorry about how I acted." I nod, accepting her apology. "But please could you not tell anyone about me and Lizzie because I really like her."

"You have me word." I smiled.

"Thank you, it means a lot". she pulled me into a hug before she le .

What the fuck just happened?

The door suddenly swings open. But before I could see who it was they ran into one of the stalls. The next thing I knew I heard loud sobs coming from them. I decide to gently knock on their stall.

"Hey is everything okay?" I ask gently.

"NO EVERYTHING IS NOT OKAY, I DON'T HAVE A DATE TO PROM AND MY EX IS GAY." she shouted before opening the door.

Talia? I really am seeing everyone in the toilets tonight, maybe if I stay longer Elle could appear.

"Hey your okay, everything is going to be fine." I cooed.

"NOT YOU, WHY DID IT HAVE TO BE YOU." she shouted at me before returning to the cubicle.

"What's wrong with me?" I asked slightly confused.

"YOU BROKE ELLE'S HEART YOU DIPSHIT."

"Oh right yeah." I sighed. "I know you may not like me but if there is anything I can do then just tell me."

"Could I have a hug?" she asked, this time not shouting.

"I umm sure?"

The stall door opened once again. She then engulfed me into a tight hug which I then reciprocated. We stayed like that for a little while.

She pulled away. "I guess you want to know where she is now?" she asked.

"Yeah actually I kind of do."

"Okay I'll tell you if you promise not to do anything stupid and break her heart anymore. Promise?" she asked.

"Promise." I stated.

"She will most likely be by the bu et."

"Okay, thank you so much." I pulled her into another hug.

"No problem let's just never bring up the fact that you hugged me ever again, okay?"

"You asked m-"

She raised her eyebrow.

"My lips are sealed." and with that, I went to go and find Elle.
