

## Envelope 1841

### Chapter 1841: The battle of the seven meridians (3)

After hanging up, Chen Xiaobei immediately set off for the city center.

On the way, Chen Xiaobei thought about the conversation he had with Monkey King.

On the surface, Chen Xiaobei's use of dog food to subdue an earth-god was more worth it than paying 90 million merit points for an earth-god status.

But in reality, that was not the case!

The earth level deities were also divided into different ranks. Putting aside their strength, the secrets hidden in their minds and their Foundation were the more important factors!

Simply put, if you use dog food, you can only subdue ordinary earth Immortals in the human world!

However, if he used the merit points of the Three Realms, the earth level deities he recruited would be the top elites among the yin ghosts!

For example, ancient heroes like Zhao Yun and Li Bai!

Another example was the ancient golden immortal who had fallen during the second tribulation of the previous Eon!

These elite Yin ghosts had great achievements in their lives. Once they became earth level deities, they would undoubtedly be of great help!

It was because of this that the forces in the heaven realm would put in all their effort to exchange merits for the yin ghosts to become earth level deities!

To put it bluntly, Chen Xiaobei's use of dog food to subdue the earth level deity was the second best choice.

If he had enough merit points, Chen Xiaobei would also choose to recruit top-tier Yin ghosts!

Of course, that was a story for later.

What Chen Xiaobei needed to do now was to follow Qin Yitian's lead and find the last type of earth-god medicine to make the high-grade heavenly dog biscuit.

He would first increase his strength as much as possible, and then think of ways to accumulate merit.

.....

At the center of the Qin family's main city.

On the training field used by the Qin family, seven teams had already gathered and were ready to set off for the mission.

The Qin family had a large family and business. The old master had a total of thirteen wives and concubines, who gave birth to thirteen sons and twenty-five daughters.

Aristocratic families valued men over women.

The Qin family's huge Foundation fell on the heads of the 13 sons, and they were divided into 13 branches of the Qin family!

On the surface, they were all relatives, but in secret, they formed gangs and checked and balanced each other. They had long become thirteen independent factions that fought openly and secretly!

Qin Yitian's father was the third son of the Qin clan's old master. He was also the managing elder of the third branch!

As the most outstanding genius of the third branch's younger generation, Qin Yitian was going to represent the third branch's line in the competition for the clan's successor.

Today's mission was the first stage of the competition.

The seven groups of people gathered on the martial arts practice field, other than the third branch, there were six other branches.

This meant that out of the 13 branches of the Qin family, only seven people in Qin Yitian's generation could fight for the position of heir.

This was a battle between the seven of them, a battle between the seven houses and seven meridians!

As for the remaining six households, because the younger generation was mediocre and incompetent, they could not elect a candidate. In this competition, they could only watch. In the future, when the core interests of the Qin family were divided, they could only watch.

This was a world where the strong were respected.

The Qin family was a miniature of the world, and only the strong could become the heir! Only the strong could control the core interests! Only the strong could take over this top-class wealthy family!

"Silence! Next, I will announce the details of this mission!"

The chief butler of the Qin family's first branch stepped onto the high platform and said in a deep voice, "The target of the mission is the Black Tortoise continent, the hundred thousand mountains! The time limit for the mission was one month! There are no restrictions on the content of the mission!"

"Hunting demonic beasts! Exploring the ruins! Seek for opportunities! You can do whatever you want! After a month, the clan will make the corresponding judgment based on your growth and gains!"

At this point, the Grand Deacon's tone became more serious. when the time comes, the two people with the worst performance will be eliminated!

As soon as he said this, everyone in the martial arts practice field was stunned at first, and then an uproar broke out.

“This mission isn’t easy! Hunting demonic beasts was a competition of strength! Heritage exploration was a competition of heritage! The search for opportunities depended on luck! If you don’t want to be eliminated, I’m afraid you can’t miss any of these three points!”

“It’s not just that! Other than martial strength, Foundation, and luck, the most important thing was brains! A good plan could yield twice the result with half the effort! If you don’t plan well, you might not be able to move a single step!”

“This is a must! The Qin family is one of the most powerful families in the Vermillion Bird continent! If you don’t have the ability to overcome all obstacles, how can you become the successor of the family?”

“Yup! Only by passing through all the difficulties and finally giving birth to an heir will the thirteenth branch acknowledge him!”

.....

Amidst the crowd’s exclamations, an arrogant man looked at the high platform and asked, “Father! Can we start the mission? I can’t wait!”

The man’s name was Qin Mingfeng. He was about 34 or 35 years old and was the eldest son of the Qin family’s first branch’s chief butler. He was also the eldest grandson of the Qin family’s old master.

Among the younger generation of the Qin family, his talent was not inferior to Qin Yitian’s. In addition, he was a few years older than Qin Yitian, so his cultivation was higher than her.

In the eyes of the Qin family, Qin Mingfeng was definitely the one with the most hope of winning the battle for the heir!

“Those who are ready, you may set off immediately!” The first branch’s Grand Deacon nodded in satisfaction, full of confidence in his son.

“Let’s go!” Qin Mingfeng shouted and left the martial arts practice field with hundreds of his confidants.

“Let’s go too ... Set off ... Set off ...”

Following that, the rest of the teams also set off one after another.

In the end, only Qin Yitian’s third branch and Qin Wuxin’s seventh branch were left.

Qin Wuxin was a legendary figure!

Qin Wuxin was only twenty-one or twenty-two years old. He was the youngest among the seven candidates!

Originally, Qin Wuxin was the bastard son of the seventh branch’s butler and a maidservant, and his status in the family was extremely low.

However, with his talent, Qin Wuxin was chosen by a core elder of heaven dominating faction. After he became a disciple, his cultivation improved by leaps and bounds.

Not only did he become the most outstanding genius of the seventh branch, but he even had the possibility of surpassing Qin Yitian!

In sharp contrast to Qin Mingfeng, who was the oldest among them, Qin Wuxin did not have much of an aura. With his fair skin and tender appearance, he looked like an immature big boy.

“Sister Yitian, why haven’t you set off yet?” Qin Wuxin walked over and asked with concern.

“I’m waiting for someone.” Qin Yitian only said two words. Her attitude was very cold, and her innate killing intent made her seem even more unapproachable.

Qin Wuxin, however, did not mind. He only asked curiously, “Who is it? He could actually make sister Yitian put down the task and wait in the same place? Isn’t this too big of a face!”

As soon as he said that, many people around him turned their eyes to him!

In everyone’s eyes, Qin Yitian was definitely not a well-behaved little woman. She was a high and mighty goddess of slaughter!

Who would dare to make Qin Yitian wait? Everyone was very curious!

“Young lady Qin!”

Chen Xiaobei finally arrived. “Did I come too late?”

Chapter 1842: Heartless and formless (4)

“No way? I thought Qin Yitian was waiting for someone! After all this time, it’s just a little kid?”

“Lower your voice! The person who could make Qin Yitian wait was definitely not an ordinary person! He might be a core disciple of heaven dominating faction!”

“Impossible! Among the younger generation of heaven dominating faction’s core disciples, our young master Wuxin is the only one who is 21 or 22 years old. This kid is definitely not a disciple of heaven dominating faction!”

“That’s right! Young master Wuxin is the strongest among all the young people in their early twenties! How can that kid be compared to young master Wuxin?”

The crowd was in a heated discussion. At first, they were full of anticipation for the person Qin Yitian was waiting for, but when they saw Chen Xiaobei, they were all disappointed.

Even Qin Yitian’s father was displeased. He could not understand why his daughter would delay her departure time just to wait for Chen Xiaobei.

Only Qin Yitian knew that Chen Xiaobei was not an ordinary person!

“Childe Chen, you’re not late. The others only left a few minutes ago!” Qin Yitian said politely.

“Then let’s go.” Chen Xiaobei chuckled, not caring about the others’ gazes.

“Young master Chen! Hello there!” At this moment, Qin Wuxin walked over and said with a smile, “I’m sister Yitian’s cousin, Qin Wuxin!”

“Oh, nice to meet you.” Chen Xiaobei shrugged and replied politely, but he did not want to talk too much.

“Let’s go! Let’s go too!”

Qin Yitian waved her hand, and together with Chen Xiaobei, they set off with their dozens of men.

After they left, a woman came to Qin Wuxin’s side and said unhappily, “Qin Yitian is so arrogant! That brat surnamed Chen was even more pretentious! How dare you neglect Junior Brother Wuxin like this!”

The woman’s name was he Lan Yi, and she was also a core disciple of heaven dominating faction. She had the same master as Qin Wuxin.

Qin Wuxin shrugged his shoulders and said with a straight face, “I’ve been treated like air since I was a child, and I’m already used to it. Why is Senior Sister so angry?”

he Lan Yi furrowed her brows. other people treat you like air, but master treats you like a treasure. How can you just let this go? ”

Qin Wuxin smiled indifferently and asked, “If being angry can solve the problem, what’s the point of strength? What do you need earth-god instruments for?”

you mean ... Helan Yi’s eyes were filled with killing intent.

“I don’t mean anything!”

Qin Wuxin put on a harmless expression and said, “I’m the son of a maidservant, and my status is extremely low! This time, I’m just going out to play with my brother and sister. I’ve never thought of fighting for anything, and I’ve never thought of harming anyone!”

Hearing this, he Lan Yi’s brows furrowed even more and she said angrily, “With your personality, what great things can you achieve? You’ve wasted shizun’s painstaking efforts, and you even sent me to help you!”

“It’s not the first day you’ve known me, Senior Sister. I’m just like that!” Qin Wuxin shrugged his shoulders. just like what my master said, I am a heartless man. I have no heart and no form! he said.

“Of course, shizun is right!” he Lan Yi sighed. one’s appearance is born from one’s heart. With your harmless appearance, you naturally won’t have the intention to harm others!

Upon hearing this, Qin Wuxin gave a faint smile and waved his hand. “Brothers, let’s go! I hope that everyone will take care of me on this trip!”

After he finished speaking, Qin Wuxin left the Qin family’s martial arts field with dozens of people.

.....

Black Tortoise continent.

It was not Chen Xiaobei’s first time here, so he was familiar with the environment.

The entire process of teleporting from the Qin family to the Black Tortoise Imperial City and then from the Black Tortoise Imperial City to the hundred thousand mountains only took a little more than ten minutes.

Chen Xiaobei was no stranger to the hundred thousand mountains.

The so-called hundred thousand mountains was not the name of a mountain, but there were actually a hundred thousand huge mountains.

The mountain was endless, like an ocean of mountains and forests. It was so vast that it was impossible to estimate.

In addition, the hundred thousand mountains was the southernmost region of the Black Tortoise continent.

The deeper they went into the mountains, the closer they were to the edge of the Black Tortoise continent! The demonic beasts that appeared would also become stronger and stronger!

The last time Chen Xiaobei caught the giant barbaric Tiger, he had only reached the central region of the hundred thousand mountains.

This time, Qin Yitian had set her sights on the deepest part of the hundred thousand mountains!

there are extremely powerful demonic beasts in the deepest part of the hundred thousand mountains. There might even be two-star earth-god demonic beasts!

Sitting in the aircraft, Qin Yitian explained, "As long as I can kill a two-star earth-god level demonic beast, it's enough to guarantee that I won't be eliminated! This is the fastest and most secure method!"

of course! Chen Xiaobei nodded. with Heavenly Sword, you can kill two-star earth-god demonic beasts easily! The other candidates could only hunt low-level demonic beasts! Even ten one-star earth immortal realm demonic beasts could not compare to your two-star demonic beast! Of course, you won't be eliminated!"

"You're right!" Qin Yitian replied indifferently. "My missions are basically not difficult! The main point of this trip is to help you find the three-star earth-god medicine!"

Oh?" Chen Xiaobei asked, "are you saying that the enchanting Emerald fruit I'm looking for is also in the deepest part of Shiwan mountain?"

"Yes, I am!"

"Three-star earth-god elixirs are extremely rare. It's almost impossible to find them on the market!" Qin Yitian said. However, in the deepest part of the hundred thousand mountains, there are few people. There are many areas that no one has set foot in until now, and there are many secret realms left behind from ancient times!"

"Ancient secret grounds?" Chen Xiaobei's eyes lit up and he asked, "Is this a secret realm left behind by the ancient Immortals?"

“The secret realms left behind by Immortals only exist in the earth-god Realm!” “The ancient secret land in apocalypse Starfield is not at that level yet!” Qin Yitian said.

Chen Xiaobei nodded and said, “The level is not important! The most important thing is whether I can find the enchanting Emerald fruit!”

“I found the clue from a book!”

Qin Yitian took out an ancient book and said, “According to the book, there is a special mountain peak at the southernmost tip of the Black Tortoise continent. When the sun and the moon alternate, it will emit a confusing illusion! In the illusion, all the stars in the sky turned green, as if a different world had descended. It was extremely strange!”

“The stars in the sky turn into green jade!” this is the medicinal power of the bewitching Emerald fruit! Chen Xiaobei’s eyes lit up.

yes! Qin Yitian nodded. we have a clear lead. As long as we find that mountain, we’ll know if the thing you’re looking for is there!

the clues are in the book. Could it be that someone else has read this book and taken what I’m looking for?” Chen Xiaobei asked worriedly.

No. Qin Yitian shook her head. this is an ancient book from 3000 years ago. It’s the only handwritten copy. It’s been in the corner of the Qin family’s library for so many years. I don’t think anyone else has read it ...

“Good! This is great!” Chen Xiaobei was extremely excited.

“Young lady Yitian!”

At this moment, the pilot of the aircraft suddenly exclaimed, “ there’s a flight formation behind us. They’re approaching us quickly. I’m afraid they’re up to no good!

Chapter 1843: A mysterious enemy (1)

“Whose men? Qin Mingfeng? Or Governor Qin Wu?”

Qin Yitian furrowed her brows. Her eyes were filled with cold killing intent.

“I can’t tell ... He doesn’t seem to be from our Qin family ...”

it looks like a high-end Azure Dragon-class aircraft,” the pilot said. it’ll catch up to us soon!

“Not from the Qin family?” Qin Yitian was taken aback. immediately try to communicate with the other party with the communication equipment and see if they are friend or foe ...

“BOOM!”

Before Qin Yitian could finish her sentence, a loud explosion came from behind her.

“This is bad!”

“Miss Yitian!” The pilot screamed in fear. The other party had launched a surprise attack! One of our aircraft was destroyed!”

“What?”

Qin Yitian’s expression changed drastically. A terrifying killing intent surged out of her body.

This time, Qin Yitian had brought more than 60 trusted members of the seventh branch with her. They were flying six Vermilion Bird-class aircraft.

If one of the aircrafts was destroyed, it meant that more than ten of their companions had died on the spot!

Among the dozen companions, there were heroes who were loyal to the seventh branch, and even more blood relatives of the seventh branch.

Because of this, Qin Yitian was enraged. She shouted with murderous intent, “Find a place to land immediately! I’ll make sure those damn enemies never return!”

“No... We can’t land ...”

The pilot was intimidated by the murderous aura and said in fear, “there’s a huge swamp below us ... We can’t even set foot on it ... The enemy must have planned this beforehand and chose this place to attack ... They’re trying to kill us all ...”

As soon as he said that, the people on the same aircraft were stunned at first, and then they burst into an uproar.

“If we can’t land, won’t we be dead?”

the enemy is piloting the Azure Dragon-class aircraft. They’ll catch up to our Vermilion Bird-class aircraft very soon!

“Furthermore, the enemy’s aircraft is superior to us in both attack and defense! Once they catch up to us, we will die without a doubt!”

Even though Qin Yitian was on board the aircraft, the crowd was still in shock.

It was obvious that the remaining four aircrafts were in a mess.

“Young lady Yitian! What should we do? Please come up with an idea ... Within 30 seconds, the enemy will definitely catch up ... If we don’t think of a way to deal with it, we’ll be dead ...”

The crowd was terrified. All eyes were on Qin Yitian.

Under such circumstances, everyone’s hopes were pinned on Qin Yitian.

“I ... I have no choice ...”

However, Qin Yitian was also at her wits’ end. Her face was ashen, and her eyes were filled with despair.

There was a huge swamp below them, and their aircraft could not land at all.

With the Azure Dragon-class flying device behind them, they could not escape or fight. Once they were caught, they would definitely be wiped out!

At this moment, it could be said that there was no way out!

Even though Qin Yitian had the heavenly Sword, a three-star earth-god instrument, every slash of the sword consumed a huge amount of spiritual stones.

Without a spirit vein to provide her with spirit Qi, Qin Yitian did not have enough spirit stones to last until the end of the battle! If he used up all his spirit stones, he would still die!

“Whoosh! Whoosh! Whoosh ...”

At this time, laser weapons continued to shoot up from behind, and the power was very strong.

Luckily, they were prepared this time. Qin Yitian’s five aircraft managed to avoid the attack.

However, everyone’s expression was not relaxed at all.

In terms of speed, combat power, and defense, he was at a disadvantage. The enemy was getting closer and closer, and the threat of the enemy’s attacks was getting greater and greater!

Qin Yitian’s team was doomed to be annihilated. There was no way to reverse it!

Everyone was very clear about this, and they all felt extremely desperate!

In everyone’s eyes, the enemy’s laser weapons could hit the target at any time, and all of them would be blown up together with the aircraft!

Everyone, including Qin Yitian, felt their hearts clench. Their pupils contracted uncontrollably, and the sound of gasping rose and fell in the crowd.

“Open the door of the aircraft and let me out!”

However, Chen Xiaobei stepped out and broke the silence.

“What ... What are you going out for?”

Qin Yitian frowned. there’s a giant swamp below us. Even if you jump off the aircraft, you won’t be able to escape!

“You’re mistaken.”

Chen Xiaobei shrugged and said, “I can easily kill the dozen or so flies behind me, so why run?”

“What? Little ... Little fly?”

Everyone looked at Chen Xiaobei in disbelief, as if he was a lunatic!

More than a dozen super-strong Azure Dragon-grade flying devices were about to kill everyone!

And now, Chen Xiaobei had said that they were just a dozen flies!

Such arrogant words, other than a lunatic, who else would be able to say it?

“Young master Chen! Don’t joke around! Hurry up and sit down, don’t disturb young lady Yitian from thinking of a solution! Whether he’s Dead or Alive, we’ll know soon ...”

The crowd was very nervous. Their tone was filled with dissatisfaction towards Chen Xiaobei, but also fear of death.

you guys continue to think of a way. Just help me open the cabin door.

Chen Xiaobei said nonchalantly, “Since I’m going to die anyway, why don’t you let me jump down?”

Childe Chen ... It’s my fault ... Qin Yitian frowned and said guiltily, “I don’t have any other choice ... I hope that after you jump down, you’ll have a chance of survival ...”

Qin Yitian ordered her men to open the door of the aircraft.

“Whoosh!”

Without a word, Chen Xiaobei dashed out.

The next moment, a scene that left everyone dumbfounded appeared!

“Chi ...”

Chen Xiaobei waved his hand, and a golden cloud appeared.

The cloud was very spiritual. It drew an arc and quickly went below to catch Chen Xiaobei.

that ... That’s an extremely rare flying spiritual weapon!

Seeing the scene before them, everyone let out a cry of disbelief.

“Whoosh ...”

Then, Chen Xiaobei took out 10 million low-grade spiritual stones, channeled his ethereal force, and crushed all the spiritual stones.

A vast amount of spiritual Qi was released and instantly absorbed by the somersault cloud.

“Woof!”

In an instant, the somersault cloud’s speed increased by a hundred times! It turned into a Golden Shadow and suddenly charged toward the enemy’s flight formation!

that ... That’s a ... Two-star earth-god grade ... Flying spiritual device ...

Everyone, including Qin Yitian, felt as if they had been struck by lightning. Their eyes widened in shock and their mouths were agape. Their world view was shattered!

Chapter 1844: I’m sincerely convinced (2)

how ... How is this possible?!

Everyone, including Qin Yitian, cried out in shock. They could not believe their eyes.

“Two-star earth-god instruments are already very rare! Two-star flying earth-god artifacts were even rarer! I’m afraid there are no more than ten flying earth-god instruments in the four continents of apocalypse Starfield!”

“Who exactly is young master Chen? He actually has such a powerful treasure!”

“Childe Chen is most likely an expert from the earth-god Realm! His two-star flying earth-god instrument can burst out with the speed of a two-star earth-god, which is definitely better than the Azure Dragon flying device!”

“Speed alone isn’t enough. The enemy’s Azure Dragon-class aircraft has the external armor of a peak spiritual device! Can young master Chen break it ... F \* ck! So strong! Young master Chen is so strong!”

.....

While everyone was still in shock, Chen Xiaobei had already stepped on the somersault cloud and charged toward the enemy’s aircraft!

“Swish!”

Chen Xiaobei raised one of his arms, and a black shadow appeared in his palm!

Because it was too fast, everyone could only vaguely see that the black shadow might be a saber!

“Woof!”

In the next moment, the blade slashed down and a Green Dragon-level flying device was instantly cut in half as if it was made of paper!

“My God ... The black blade in young master Chen’s hand ... Is a one-star earth-god instrument! He could use his one-star earth-god strength to easily tear through the defensive armor of the Azure Dragon spacecraft! Young master Chen ... Is simply too powerful ...”

Everyone was even more shocked by what they saw. They had never thought that Chen Xiaobei would be so powerful.

“No! ‘Isn’t that black blade a one-star earth-god instrument ...’ Qin Yitian frowned as she studied the black blade in Chen Xiaobei’s hand.

“Isn’t that a one-star earth-god instrument?” Everyone was surprised. but, that slash just now clearly had the power of a one-star earth-god! There are so many of us. We can’t be wrong!

let’s wait and see ... I’m not sure yet ... Qin Yi’s eyes were fixed on the black saber in Chen Xiaobei’s hand.

It was as if he had been sucked into an endless black hole, and he could not see through its essence.

“BOOM!”

The next moment, the aircraft that had just been cut in half exploded at the same time.

The Azure Dragon flying device had the speed of a one-star earth-god and the attack power of a peak-level spiritual device.

One could only imagine how powerful the explosion was!

The people on the aircraft were all blown into ashes. Even the two nearby Azure Dragon-class aircraft were hit by the shockwave and exploded.

“BOOM! BOOM!”

In an instant, flames soared into the sky, smoke filled the air, and the terrifying shock waves of the explosion tore open the clouds in the sky, causing the earth to tremble.

“Swish!”

However, Chen Xiaobei had dashed out of the fire at a speed faster than the shockwave!

Not only was Chen Xiaobei unscathed, but he was also charging toward the next Azure Dragon spacecraft!

Oh my God ... Young master Chen's speed is too fast ... He was just at the core of the explosion, but he's already out in an instant ... He's so fast that it's unimaginable!

“That's not young master Chen's speed! It's the speed of the cloud under his feet!”

“That's right! The cloud was a two-star earth-god, and its speed was equivalent to that of a two-star earth-god! Dealing with the Azure Dragon-class aircraft is as easy as an Eagle catching a chick!”

The crowd gasped and turned to look at the cloud beneath Chen Xiaobei's feet. Their eyes were filled with envy.

“Swish!”

Chen Xiaobei stepped on the somersault cloud and appeared in front of the aircraft. Then, he waved the black blade in his hand.

The aircraft seemed to be frightened and desperately tried to change directions to avoid the attack.

Unfortunately, the Azure Dragon flying device was not on the same level as the somersault cloud. It was impossible to avoid it!

“BOOM!”

The black blade slashed down and destroyed the aircraft.

“Swish!”

In the next second, Chen Xiaobei had already stepped on the somersault cloud and arrived in front of another aircraft.

Without any suspense, he still exploded with one slash.

Boom ... Boom ... Boom ...

In the next few seconds, all the remaining Azure Dragon spacecraft were destroyed by Chen Xiaobei's Black knife.

Before the last aircraft exploded, Chen Xiaobei even managed to capture an enemy alive.

“Oh my God ... Young master Chen is too strong ... He’s simply unstoppable! It’s as easy as blowing off dust!”

I was wrong ... I was just saying that young master Chen was like an eagle catching a chicken ... Now I know that young master Chen was really swatting a fly ...

“Something’s wrong! It’s easier than swatting a fly!”

in less than half a minute, more than a dozen Azure Dragon-grade flying devices were all destroyed ... You can’t even finish swatting a dozen flies in half a minute!

Childe Chen is really a godly man ... At such a young age, he already has a one-star earth-god instrument and a two-star earth-god instrument. With such a strong foundation, he can already be compared to the young masters of the four great imperial cities!

The crowd’s eyes were filled with respect and even worship.

“No... You’re all wrong ...”

Qin Yitian’s eyes were dazed, and her lips trembled. the black blade in Childe Chen’s hand ... Is a three-star earth-god instrument ...

how ... How is this possible?!

Everyone was stunned on the spot as if they had been struck by lightning. They simply couldn’t believe their ears.

What was a three-star earth-god instrument?

That was an extremely powerful killing weapon that was on the same level as Heavenly Sword!

The Vermilion Bird continent had a population of fifty trillion, but there were only ten three-star earth-god instruments!

No matter how crazy they were, they could not imagine that a 21-year-old young man like Chen Xiaobei could actually control a three-star earth-god instrument!

Of course, there were also people who asked in disbelief, “ miss Yitian ... Why did you say that the black blade is a three-star earth-god instrument? ”

“Spirituality! The intelligence of the black saber was not inferior to Heavenly Sword at all! It could even be said to be superior to Heavenly Sword!”

what’s more? ” Qin Yitian said, still in shock. Childe Chen didn’t replenish his spiritual energy at all! This meant that there was a huge amount of spiritual Qi stored in the black blade! If it were you, would you store enough spiritual energy in your one-star earth-god instrument to make hundreds of slashes?”

this ... hearing this, those who couldn’t believe it started to swallow their saliva.

She had thought that Chen Xiaobei’s Black saber was on the same level as Heavenly Sword, but from what Qin Yitian had said, the black saber seemed to be even stronger than Heavenly Sword!

All of a sudden, the crowd began to speculate about Chen Xiaobei's identity.

They even suspected that Chen Xiaobei was the Crown Prince of some powerful force in the earth-god Realm.

Of course, no matter who Chen Xiaobei was, after this battle, everyone on their side was convinced by Chen Xiaobei. Some of them even worshipped him!

"I'm coming!"

The aircraft's door opened and Chen Xiaobei walked in with a knife in one hand and the enemy in the other.

Chapter 1845: Acting to fool a fool (3)

"Bang!"

Chen Xiaobei threw the soldier on the ground and said, " young lady Qin, you guys interrogate him first. I'll be back in a while.

"Alright," he said. Qin Yitian nodded. She and the others kept their eyes on the soldier, afraid that he would run away.

However, the enemy soldier had been so shocked by Chen Xiaobei's terrifying combat power that he was trembling in fear. He was so scared that he was lying on the ground, shivering. He did not dare to run away.

.....

On the other hand, Chen Xiaobei walked to a quiet place and started to analyze the changes that had just happened.

[ding! You have eliminated a first-generation villain. You have been rewarded with 10000 merit points!]

[ding! Eliminate a lifetime villain. Obtained ...]

[eliminate the evildoers of a lifetime ...]

[your current merit points are 62300000. You need another 27700000 merit points to go to the next level.(Charm: 6230000, luck: 6230000)!

The ten or so aircraft and the enemy soldiers were all killed, and Chen Xiaobei earned a lot of merit points from that.

Then, Chen Xiaobei clenched the Dragon's edge and said,""There were a total of ten slashes just now, and the power of each slash was suppressed to the one-star earth-god level! Each slash consumed a million low-grade spiritual energy! A total of ten million!"

"There was 100 million low-grade spiritual energy left in the Tribulation of the demonic Dragon. After this battle, there will be 90 million! If you suppress your power, you can transform it into nine two-star earth-god forces, or ninety one-star earth-god forces!"

it's just like how I used the Jingu staff. I used 10000 low-grade spiritual Qi to unleash the power of a demigod!

this way, I can make the power explosion more reasonable and avoid wasting spiritual stones!

I'm running out of spiritual stones! Chen Xiaobei said helplessly. I hope that mengchen and Qingcheng's business will go well and start to make a profit! Only a small stream of water that flows for a long time is the right path. If it's a pool of stagnant water, it will be used up sooner or later!"

Chen Xiaobei collected his thoughts, put away the black knife, and returned to the crowd.

"Did you get anything?" Chen Xiaobei looked at Qin Yitian.

"No, I don't ..."

no," Qin Yitian shook her head. he's very tight-lipped. He didn't say a word.

The enemy soldier was still lying on the ground, his body still trembling in fear. However, he gritted his teeth tightly, not planning to reveal anything.

"Seeing how scared you are, I don't think you're a death warrior, but a warrior from some force!"

Chen Xiaobei looked down at the man and said, "There are some things that are easy to guess even if you don't say it!"

what ... What did you guess ... the enemy soldier gulped. He looked at Chen Xiaobei with fear.

In the eyes of the enemy soldiers, Chen Xiaobei was not ordinary. Perhaps he had already guessed some important information.

"You're a warrior from some force!" Chen Xiaobei said. That power had a Green Dragon flying device! Furthermore, he knew miss Qin Yitian's exact route! With these three clues, I can already guess which faction you're serving!"

No... It's impossible for you to guess ... the enemy soldier's lips were pale and trembling. this operation is extremely secretive. It can't be leaked!

"You don't believe me?" men! This guy is useless now! Destroy his cultivation and throw him into the swamp to feed the demonic beasts! Chen Xiaobei said.

"Yes, sir!"

Hearing this, two strong men immediately walked out.

Initially, they only listened to Qin Yitian. However, after the battle just now, they were filled with respect for Chen Xiaobei and instinctively followed his orders.

don't ... Don't destroy my cultivation ... the enemy soldier screamed, "I don't want to die ... Have mercy ... Please have mercy ..." He begged.

It was obvious that he was extremely afraid of death!

The reason why he didn't say anything was that he was afraid that he would lose his value and be killed!

Chen Xiaobei's order was what he was most afraid of. It pierced through his heart, scared him out of his wits, and made him beg for mercy.

"It's not impossible to live!"

tell me everything you know! Chen Xiaobei said. if there's something I can't guess, I'll spare your life!

"I'll talk, I'll talk! I'll tell you everything!"

The enemy soldier was so scared that he peed his pants. He began to speak in a trembling voice, "I'm from the 'holy flame bounty Guild'! A few days ago, our Guild received a mission with a high bounty on our head. The goal is to kill Qin Yitian!"

Chen Xiaobei shook his head. I've already guessed that. If you want to live, you have to say more! For example, who issued the mission!"

this ... the enemy soldier swallowed his saliva and said, " I can't reveal my client's information ... If I tell you, I won't be able to be a bounty hunter anymore ...

"Alright," he said. no! Chen Xiaobei shrugged. men, throw him down. Let him be a bounty hunter in hell!

"Don't ... Don't ..."

That guy screamed and sobbed, "It's Governor Qin! The eldest son of the Qin family's fifth branch! This is the person who issued this bounty mission!"

As soon as he said that, everyone was stunned at first, but they quickly nodded in agreement.

"The fifth branch is good at business and is extremely wealthy. If you have the money, you can find the bounty Guild to work for you!"

furthermore, Governor Qin Wu is a ruthless person and is famous for not recognizing his own family. This matter must be his scheme!

"Governor Qin Wu is simply too vicious! If not for Childe Chen's help, I'm afraid we would have died without a burial ground!"

"The truth has been revealed! If we encounter the people of the fifth branch, we will not show any mercy and will kill anyone we see!"

Everyone at the scene was extremely furious. Each and every one of them rubbed their fists and wiped their palms, wishing they could immediately go and fight to the death with the fifth branch.

Qin Yitian furrowed her brows and asked curiously, "Childe Chen, how did you guess that it was the Holy flame bounty Association? I didn't expect this at all!"

Chen grinned and said, "Actually, I didn't guess anything. I was just acting to fool a fool!"

what???"

The moment this was said, everyone was dumbfounded.

Never in their dreams would they have thought that the young master Chen that they respected and admired would be so cunning! He was like a frivolous bad boy!

acting to fool a fool???" The enemy soldier was even more confused and almost spat blood to the ceiling.

Because of Chen Xiaobei's terrifying combat power, this guy had always regarded Chen Xiaobei as a master who could do anything.

However, Chen Xiaobei did not even have the chance to guess the truth. He had managed to trick all the information out of her.

Life was really like a play, all about acting!

young master Chen ... I'm an idiot ... the soldier said in despair. I've told you everything I know. Can you let me go now?"

"Of course not, I only said I would spare your life, I didn't say I would let you go!"

hehe! Chen Xiaobei grinned evilly. someone, lock this guy up. After the mission is over, bring him back to the Qin family and let the elders of the Qin family judge him!

Hearing this, the crowd burst out in praise. "Young master Chen is brilliant! With this witness, we can Sue the fifth household!"

you ... You guys ... the enemy soldier's face turned green. He thought that he could leave alive if he told them everything.

But in the end, he could not escape from Chen Xiaobei's demonic grasp! She had to go back and be Chen Xiaobei's witness!

Oh my God! Even the longest road in the world could not be compared to Chen Xiaobei's tricks!

The enemy soldier wanted to cry but had no tears. He even wanted to die.

"Young lady Yitian! Young master Chen!"

Suddenly, the pilot of the aircraft said nervously, " behind ... Behind us, there are hundreds of aircrafts chasing after us ...

Chapter 1846: The five poison sacred sect (4)

"What? Another aircraft is coming?"

Qin Yitian's expression froze for a moment. the enemy's plan was very successful. Without young master Chen, we would have been dead long ago. There shouldn't be any pursuers ...

The people around him were not worried at all. They said excitedly, " "What are you afraid of? With Childe Chen around, no matter how many of them came, they would all die! In terms of aerial combat, young master Chen is definitely an invincible existence!"

“No... This time, it’s not an enemy ...”

“The hundreds of aircrafts behind all belong to our Qin family!” The pilot frowned. It should be the other six candidates. They’ve all gathered here because of the explosion just now!”

Hearing this, Chen Xiaobei smiled and said, “ eldest miss Qin, it seems like you’ve underestimated your competitors!

indeed ... Qin Yitian nodded and said, “ I thought that they wouldn’t dare to come to the deepest part of the hundred thousand mountains. I didn’t expect that they would still come!

“What do you plan to do?” Chen Xiaobei asked.

“Their target is me!” “I’ll deal with them myself,” Qin Yitian said.”Take the ancient book and go find the bewitching Emerald fruit!” With the three-star earth-god instrument in hand, I don’t have to worry about your safety at all!”

no! Chen Xiaobei shook his head. but I’ll be worried about your safety.

“You? Are you worried about me?”

Qin Yitian’s expression turned complicated. She said stubbornly, “ I have Heavenly Sword in my hand. You don’t need to worry about me!”

it’s not the time to be stubborn. Your competitors are not simple people. It’s better for us to work together! I can even help you if necessary!”

no! Qin Yitian refused. I had to rely on your help in the air battle just now! However, the aircraft is about to land, and no one will be my match on land!”

“Are you sure?” Chen Xiaobei frowned.

“I’m sure!”

“I know who my opponent is!” Qin Yitian replied seriously. They can’t threaten me, but they might affect your search for the bewitching point Emerald fruit! That’s a three-star earth-god medicine! They’ll fight for it with all their might!”

alright! Chen Xiaobei nodded. I’ll contact you when I get to the mountain!

“Yes.” “Find a place to land!” Qin Yitian ordered.

Soon after.

The pilot landed the aircraft on the shore of the swamp.

Chen Xiaobei sneaked into the forest before the aircraft landed.

He stepped on the somersault cloud and flew at a low altitude in the forest. According to the records in the ancient book, he quickly rushed to the special peak in the deepest part of the hundred thousand mountains.

The hundreds of aircrafts behind them landed one after another.

The other six candidates brought their trusted aides and gathered around Qin Yitian.

“Qin Yitian! You’re so cunning!”

The eldest son of the first branch, Qin Mingfeng, took the lead and rushed over. He used a reprimanding tone and shouted angrily, “You found the ruins of the five poison sacred cult, but you didn’t report it to the clan! Aren’t you afraid that you’ll die from overeating such a great opportunity?”

Qin Yitian’s expression darkened. “What’s the five poison sacred sect? I’ve never even heard of it!”

“You’re really good at acting, woman! When you lie, your face doesn’t change and your heart doesn’t beat!”

Governor Qin stood out and said in a strange tone, “It’s a pity that Wuxin has already told us everything! At the southernmost tip of the hundred thousand mountains were the ruins of the ‘five poison sacred cult’! No matter how good you are at acting, don’t try to deceive us!”

The people from the third branch behind Qin Yitian all glared at Governor Qin Wuji.

In the aircraft that had been destroyed just now, more than a dozen people from the third branch had lost their lives. This was all thanks to Governor Qin, and everyone wanted to fight him to the death.

However, Qin Yitian ignored Governor Qin. He turned to the other side and asked coldly, “Qin Wuxin, tell me clearly, what the hell is going on! What ‘five poison sacred sect’? You have to explain it clearly!”

Qin Wuxin was the youngest, and his skin was fair and clean. With a harmless expression, he said in a low voice, “Sister Yitian, did I cause you trouble? I didn’t do it on purpose ...”

“Don’t talk about those useless things!” “Explain!” Qin Yitian said coldly.

“It’s like this ... The six of us were drawn here by the aerial battle just now! We didn’t see the aerial battle, but we did see your flying device, sister Yitian.”

“So, the five cousins used the walkie-talkie in the aircraft to guess your purpose. I said that you might be looking for the ruins of the ‘Five Venoms sacred cult’!”

“What ruins? I’ve never even heard of it!” Qin Yitian said angrily.

Qin Wuxin continued to explain, “I read about it in an ancient book. The ‘five poisons sacred cult’ is an ancient sect! 50,000 years ago, they were a famous sect on the Black Tortoise continent!”

“Later on, due to the spread of some strange poison, the entire sect was completely annihilated! Within the sect’s territory, it’s filled with poison and has become a forbidden zone that humans and demonic beasts can’t enter!”

because no one has set foot in it, all the foundations that The Five Venoms sacred cult had accumulated before its destruction are still in the sect!

“You must know that the resources in the ancient times were much more abundant than now!” The Five Venoms sacred cult’s Foundation can even be compared to the top clans of today!”

if we can explore those ruins, the gains we can get will probably be comparable to everything our Qin family has now!

Qin Wuxin's explanation was very detailed. It was obvious that he had done his homework, and it was impossible for him to make it up.

"I don't even know where this place is." Qin Yitian frowned. What right do you have to say I'm going?"

"If I'm not mistaken, sister Yitian took an ancient book from the clan's library yesterday!"

Qin Wuxin said indifferently, "there's a page in that book that states that there's a 'slanted moon peak' at the southern end of the hundred thousand mountains. Every time the sun and moon alternate, the stars in the sky will shine like green jade. It's as beautiful as the descent of a different world!

you ... How did you know?! Qin Yitian was shocked.

.....

On the other hand, Chen Xiaobei had reached his destination.

"According to the records, this should be the mountain!"

Chen Xiaobei was standing on the somersault cloud with the ancient book in his hand. He was observing the strange mountain peak that looked like a crescent moon.

the sun will set in a while. If the contents of the book are correct, when the sun and the moon alternate, this 'Crescent' mountain peak will emit a confusing illusion!

Chen Xiaobei subconsciously patted his chest. There was a cleansing Bodhi in the seven treasures fragrance pouch that could protect him from the effects of the hallucination!

Everything was ready, and they were just waiting for the sunset!

Chapter 1847: Intentional or not (1)

"Qin Wuxin! How did you know that I took the book from the library Pavilion? And how would they know the contents of the book?"

Qin Yitian frowned. She could not figure out where she had exposed herself."Qin Wuxin! Could it be that you've been secretly monitoring me?"

"Of course not!"

Qin Wuxin quickly explained, "I have a lowly status. I've been treated like air since I was young. My brothers and sisters are all busy cultivating. No one has played with me.

"When I was three years old, my mother taught me how to read. When I was four years old, my mother was gone, and I was even more unpopular. I could only hide in the library all day! I've read almost all of the tens of thousands of books in the Qin family's collection!"

"Sister Yitian, you should know that I have the talent of having a photographic memory!"

Qin Wuxin paused and said seriously, "I will never forget the books that I have read!" That day, I saw you enter the library Pavilion. I asked the manager and found out that you had borrowed an ancient book."

I didn't think much of it at first, but after seeing the direction you're heading in and combining it with the contents of the book, I naturally guessed that you're heading to the ruins of the five poison sacred sect!

Qin Wuxin's skin was fair and clean, and he had a harmless expression on his face. He sounded very sincere and trustworthy when he spoke.

Qin Yitian's eyes were cold and furious. "Go find the library Pavilion's steward and inquire about my news! He's clearly scheming Against Me!"

no, no, no... I didn't do it on purpose ... Qin Wuxin shook his head repeatedly, and his fair face was filled with grievance.

"Qin Wuxin! Your acting skills are getting better and better! But do you think you can fool me like this?" Qin Yitian was furious.

"Qin Yitian! That's enough!"

He Lan Yi stood out and shouted, " my Junior Brother Wuxin is humble and kind. As long as I, he Lan Yi, am here, don't you dare bully an honest man!

Qin Wuxin is an honest man? " Qin Yitian felt ridiculous.

"Nonsense!"

Qin Mingfeng also stood up and said, " "You, Qin Yitian, wanted to keep the remains of the five poison sacred cult for yourself, but you had no intention of telling everyone such a big secret! Wuxin isn't an honest man, but are you, Qin Yitian, an honest man?"

Qin Yitian, you're also a descendant of the Qin family. You're selfish and want to take all the benefits for yourself, but you're willing to share the opportunities with everyone! Just because of this, you wanted to kill Wuxin. You're really ruthless!"

"I didn't say I was going to kill anyone!" Qin Yitian's expression was grave. She felt as if a huge rock was pressing down on her chest. She was extremely depressed.

He was the one who had been set up by Qin Wuxin. However, after hearing what everyone said, Qin Wuxin had become the victim, while he had become the selfish and vicious villain!

Qin Yitian could not help but think of the scene where Chen Xiaobei tricked the fool.

At this moment, Qin Wuxin was also putting on an act. Everyone around him was blinded by profit, like a group of fools who had been fooled by Qin Wuxin.

"Wuxin! Let's go!"

"No need to waste time with Qin Yitian!" Qin Mingfeng said impatiently. With me here, she won't dare to touch you! The most important thing now is to use the information you've read in the book to directly open the remains of The Five Venoms sacred cult!"

“Sister Yitian, please don’t be angry with me, okay? I really didn’t mean it ... Qin Wuxin was not in a hurry to leave, and his fair face was full of grievance.

Qin Yitian’s face was expressionless. She turned around and walked away. At the same time, she took out her phone to inform Chen Xiaobei.

“Childe Chen, I have a situation here ...”

the plan has been exposed, ” Qin Yitian said softly. the other six branches are all heading to your side! I’ll also rush over ...”

“Alright, I understand.” I’m done, ” Chen Xiaobei said and hung up the phone.

.....

After that, the group rushed to the foot of the mountain and began to climb up the peak.

Along the way, Qin Yitian kept looking around, but she did not see Chen Xiaobei at all. Even when they reached the top of slanted moon peak, Chen Xiaobei was still not there.

“Sister Yitian, you’ve been looking around the whole way. Are you looking for young master Chen?” Qin Wuxin smiled faintly. His seemingly casual question instantly attracted the attention of the surrounding people.

Qin Mingfeng immediately asked, ” “Who is young master Chen? Are there any experts surnamed Chen in the third branch?”

Everyone perked up their ears. They wanted to know who Qin Yitian was looking for.

Qin Yitian’s face was expressionless, but her killing intent was overflowing. “Young master Chen is my friend, not someone from the third branch. You don’t have to be wary of him!”

“Yo! This is new!” Governor Qin said sarcastically, ” “The Qin family’s female fiend who doesn’t get close to strangers actually has friends? Is the sun rising from the North?”

“Only an idiot would believe that Qin Yitian has friends!” you don’t have to say it. That Chen guy must be Qin Yitian’s helper. He might have already entered the ruins before us! Qin Mingfeng sneered.

As soon as he said that, the other three candidates began to clamor.

“Qin Yitian! Hurry up and tell me the truth! Where’s that Chen guy!” Qin Tianhan roared.

“Qin Yitian! Don’t even think about taking the five poison sacred cult’s ruins for yourself! We’re already here, and we can find that Chen guy in minutes!” Qin zixu gritted his teeth.

“Qin Yitian! If you tell us the truth, we won’t pursue this! But if you don’t tell us, we’ll find that Chen guy and make sure he dies without an intact corpse!” Qin haoyan was even more murderous.

There was no doubt that the competition for the Qin family’s seven lineages would affect the family’s Grand undertaking for the next few decades or even centuries.

The seven candidates would win the competition at all costs.

Whoever could obtain a great opportunity in the ruins of The Five Venoms sacred sect would be able to take the lead in the competition for the successor.

No one would miss this opportunity.

“I’ll say it one last time. I don’t know anything about the ruins! I don’t know where young master Chen is right now!”

Qin Yitian took out a Platinum sword with a murderous aura and said, “If you have the ability, then go find the ruins yourself! However, whoever wants to touch young master Chen must first ask my Heavenly Sword!”

“Clang ...”

Heavenly Sword was sentient, and it could sense the killing intent from its master. It let out an ear-piercing sword cry.

In an instant, a cold light flashed and killing intent burst forth, causing the surrounding air to drop.

The pressure of a three-star earth-god instrument was released all of a sudden, causing everyone’s hearts to tighten. No one dared to provoke Qin Yitian anymore.

No one had expected Qin Yitian to value that Chen fellow so much that she would even reveal her ultimate trump card, Heavenly Sword!

“Everyone, stop quarreling!”

At this moment, Qin Wuxin pointed to the West and said in a deep voice, “The sun has completely set! The ‘wonders’ of the tilted moon peak will lead us to the ruins of The Five Venoms order!”

It took them a long time to climb the mountain, and before they knew it, the red sun had completely set.

There was no light in the mountains. When the sky darkened, the moon and stars immediately shone.

Everyone immediately turned to look at the tilted moon peak and were instantly dumbfounded.

Chapter 1848: Shameless scum (2)

As the sun set and the moon rose, all the stars in the sky appeared.

It was like countless diamonds sprinkled on the black curtain, dazzling and beautiful.

Everyone stood on the peak of the slanting moon peak, as if they were in the middle of a sea of stars, and they could pick up the glittering stars with a raise of their hands.

“Whoosh ...”

Just as everyone’s eyes were completely focused on the tip of the crescent moon, a strange scene appeared.

Green light curtains descended from the sky, like countless huge silk curtains, covering the night sky.

The stars in the sky turned emerald green, as if they were green jades.

“So beautiful ... This scene ... Is like a Fairyland ... Uh ...”

The surrounding people exclaimed in surprise, but before they could finish their words, someone fell down powerlessly.

“It’s really beautiful ... Uh ...”

Qin Yitian sighed from the bottom of her heart. However, before she could finish her sentence, she fell to the ground limply, just like the others.

All of a sudden, the hundreds of people in the area fell to the ground without exception.

Looking at their expressions, they were all smiling, as if they were intoxicated in the illusion, completely unaware that they had been poisoned!

“Hiss ... Whoosh whoosh whoosh ...”

About ten seconds later, thousands of poisonous insects and snakes crawled out of the cracks in the mountain.

These poisonous insects and snakes were not big, but their levels were not low. Almost all of them were at true Nirvana stage!

Its combat strength was not weak, and it was extremely poisonous!

If it covered the area like a carpet, it would definitely be able to gnaw on the hundreds of people lying on the ground until their bones were shamelessly devoured, and not even a residue would be left!

“Holy flame! Erase all traces!”

At this critical moment, a person suddenly jumped down from the sky.

This person was wearing a set of red armor and looked very impressive. In the blink of an eye, a pure fire ethereal force flew out.

“Whoosh ...”

As the true essence fell, it was like a fire setting the Prairie on fire, instantly burning the poisonous insects and snakes on the ground into ashes.

The flames dissipated, leaving no trace behind. It could be seen that the person’s comprehension of the fire true essence had reached an extremely profound level.

“Whoosh! Whoosh! Whoosh ...”

In the next moment, ten Azure Dragon flying devices flew in the sky.

Ten people jumped down from each aircraft, making a total of one hundred people. They all followed behind the red-armored man respectfully.

Judging from their clothes, they were the same as the group that Chen Xiaobei had killed in the air.

This meant that the Crimson-armored man and these 100 people were all from the bounty Guild called 'holy flame'!

The hundreds of people were all bounty hunters.

The man in red armor should be their leader.

"Mr. President!"

A burly bounty hunter said in a deep voice, "The Qin family's people are all poisoned. Should we go over and kill them to silence them? Take away all their belongings?"

"What are you thinking?"

"We're bounty hunters, not mountain bandits!" The man in red armor said angrily. In our line of work, the most important thing is to be honest! Do you even know what integrity is?"

I know, I know ... the brawny man nodded and said awkwardly, "Then, should we go over and wake up Governor Qin Wu?"

"Put on a gas mask and go over. Drag Governor Qin Wuji over first!" The red-armored man said in a deep voice.

"Yes, sir!"

The brawny man immediately took out a gas mask from his storage bracelet. After putting it on, he ran towards the place where the Qin family members had fallen.

Very quickly, the brawny man ran back. Other than bringing Governor Qin back, he also brought Qin Yitian along.

The man in red armor frowned and said unhappily, "You idiot! Did I ask you to save anyone else? Throw that woman back!"

"President! Don't be impatient!"

The brawny man took off his gas mask and said with a smile, "She's a top-tier beauty! I've never seen such a beautiful woman in my life! You can take a look at her first. After you've seen her, I'm sure you won't be willing to throw her away!"

"What?"

The Scarlet-armored man squinted his eyes and looked over. His eyes instantly widened, and his heart beat faster. A lecherous expression appeared on his serious face as he laughed, "The most beautiful woman on the Vermillion Bird continent, Qin Yitian! You really live up to your reputation!"

"She's Qin Yitian?" the burly man asked in shock. She was actually still alive? We've carefully planned and sent out more than a dozen Azure Dragon-grade flying devices, but we still failed to kill her! This woman is not simple!"

The Crimson-armored man squinted his eyes and sighed, "I've obtained Heavenly Sword, and I've crossed the sea to slay a whale!" With the ancient Earth-god weapon Heavenly sword in hand, Qin Yitian definitely has the ability to foil our plans!"

Heavenly Sword?" the burly man frowned. Heavenly Sword is indeed powerful, but Qin Yitian can't attack normally in the sky! Even if our people can't defeat her, we should at least evacuate safely! But now, they had lost contact with more than a dozen aircraft! This is too strange ..."

"That aerial battle was indeed full of suspicious points ... But it's no longer important now!"

of course not! the man in red armor shrugged. the bounty mission that Governor Qin gave us is to kill Qin Yitian! Now that Qin Yitian is in our hands, the mission is a success. We can go to supervisor Qin to collect the bounty!"

"No!" "Mr. President!" The brawny man shook his head. The bounty is no longer important!"

"What do you mean by that?" "We're bounty hunters!" The man in red armor said unhappily. What could be more important than the bounty?"

"Heavenly Sword!" "Kill Qin Yitian!" The burly man said seriously. Let Heavenly Sword recognize you as its master! This is countless times more important than Governor Qin's bounty!"

this ... the man in red armor was stunned, and his pupils shrank.

"Mr. President!" "You're not going to keep your word at a time like this, are you?" the brawny man said anxiously.

"Integrity? How much is integrity? In front of Heavenly Sword, I don't have any integrity at all!"

The man in red armor became excited, and his eyes were filled with greed."Today, not only can I take Heavenly Sword, I can also sleep with Qin Yitian! It was really Double Happiness! Hehehe ..."

Mr. President, you're blessed with great fortune! You're the envy of others! "Mr. President, you've played with Qin Yitian before. Can you let me play with her too?" the brawny man asked with a flattering smile.

"No problem!"

The man in red armor grinned evilly and said, "After I'm done, I'll give Qin Yitian to you. Everyone has a share!"

"What? Everyone gets a share? Hehehe ..."

As soon as he said that, the group of bounty hunters all laughed, and their evil voices rose one after another.

"We have a hundred brothers here. Half an hour each, that's two days and two nights! Will Qin Yitian be able to hold on?"

"So what if I can't? This kind of beauty was rare in the world! I don't mind even if it's a corpse!"

“What the f \* ck! You didn’t even let the corpse go! The taste was simply too strong! However ... I also have a strong taste! Hehehe ...”

This group of people were all laughing, their minds filled with dirty and disgusting images.

“A bunch of shameless scum! All of you will die!”

at this moment, a strange ripple suddenly appeared on the surface of a massive rock, which then transformed into a black-robed figure.

Chapter 1849: Heavenly Fire armor (3)

who’s there!?

The members of the Holy flame Guild turned their gazes over in unison.

Seeing a figure walking out of the rock, every bounty hunter had an incredulous expression on their faces.

The huge rock was not far from them, but before the black figure appeared, no one noticed anything unusual. It was like a ghost, crawling out of the rock. It was extremely strange!

“I’m here to take your life!”

The black figure completely walked out. Black clothes, black pants, black boots, black gloves, and a hideous ghost mask on his head. The more he looked, the more he looked like an Asura demon!

Mr ... Mr. President ... Ghost ... many bounty hunters shrieked, their faces pale and their bodies trembling.

“A bunch of idiots! He himself said he was a human! What are you all afraid of!”

The Scarlet-armored man’s eyes narrowed as he stared at the ghostly-masked man and said, ” “Little brat! From your voice, you should be quite young! I advise you not to meddle in other people’s business. Otherwise, you will bear the consequences!”

“With just you, trash? Do you think you’re qualified to talk about the consequences with me?” The ghoulish masked man’s tone was cold. He waved his hand and threw out a blood-red scroll.

what’s that!?

The man in red armor and all the bounty hunters looked over. They took out their weapons vigilantly, ready to fight at any time.

“Whoosh ...”

The next moment, the blood-red scroll unfurled in the air, revealing a scene of a single rider fighting against thousands.

The blood-red flame burned, and the Army in the painting instantly turned into ferocious skeletons!

In an instant, the blood-red color in the surrounding space became even thicker. The iron-blooded fiendish endless killing intent suddenly exploded, as if an Army of thousands of evil spirits was about to charge and kill their way into the world from the painting!

what ... What the hell is that thing ... What a terrifying pressure ...

With the man in red armor as the leader, everyone's pupils contracted uncontrollably, and a series of gasps rose in the crowd.

"Woof!"

Just as everyone was still in shock, a black box with Nine Dragons carved on it suddenly fell from the sky!

"Not good! Quickly Dodge!"

The Scarlet-armored man's heart suddenly trembled, and he issued an urgent warning.

"Hide? We can't move our bodies ... We can't even move a finger."

The 100 bounty hunters around him were all confined by the blood-red flame. They were all frozen in place like stone sculptures, unable to move at all.

"BOOM!"

In the next moment, the black box with 700000 combat power fell from the sky like a meteorite!

Bang ... Bang ... Bang ...

The black box smashed directly on the heads of the three bounty hunters, smashing them into pieces like tomatoes, blood and flesh splattering all over the ground.

Oh my God ... That devil-masked man is so powerful ... He's a demigod ... 700000 combat power ... He's more than ten times stronger than us ...

The bounty hunters around were all covered in blood. They shrieked in fear and trembled. Their limbs turned cold and cold sweat poured down like rain.

He saw that there was an iron chain as thick as an arm on the nine-Dragon Black box that had smashed the three of them!

One end of the iron chain was hanging on the black box, and the other end was in the hand of the devil-masked man! The 700,000 combat power that had burst out of the black box just now had also come from the young devil-masked man!

"Woof!"

The devil-masked man's killing intent was strong. Without saying a word, he pulled the iron chain and threw the nine-Dragon Black box to the bounty hunter on the other side like a meteor hammer!

The material of the black box was extremely hard, and with a terrifying 700000 combat power, it was easier to kill these bounty hunters than to kill a nest of ants!

help ... Lord President, help ...

The bounty hunters wailed in despair. They were surrounded by the blood-colored flames and had no way to escape.

In the face of the ghost-masked man's overwhelming and terrifying combat power, they had no other choice but to ask for help!

"Holy flame! Heavenly Fire armor!"

At this moment, the Crimson-armored man suddenly let out a roar.

His true core strength was not particularly strong, only about one million combat power.

However, the red armor on his body exploded with fire ethereal force that was ten times more powerful than his own ethereal force!

"Whoosh ..."

In an instant, the entire red armor was wrapped in blazing flames. Like an unparalleled fire god, his every move had the terrifying power to burn down the world.

"Swish!"

The next moment, the man in red armor took a step forward and charged toward the black box.

The surrounding blood-colored flames surged over, trying to imprison the Scarlet-armored man.

However, the Crimson-armored man's power far exceeded the 1000000 combat power he was supposed to have, and he easily tore through the flames!

Furthermore, his speed was far beyond what one million combat power should have been! He had actually arrived first and rushed into the battlefield before his subordinates were killed!

"BOOM!"

With a muffled sound, the Crimson-armored man waved his palm and blocked the nine-Dragon Black box!

"We're saved ... We're saved ..."

The few bounty hunters who had just escaped from death cheered as if they had been relieved of a heavy burden.

"As expected of the president! As expected of the heavenly Fire armor! It's simply too awesome!"

"We have the heavenly Fire armor! That blood-colored scroll won't be able to imprison the president. In this case, the devil-masked man is dead for sure!"

"That's right! The devil-masked man died! We can still play with Qin Yitian! You can still keep Heavenly Sword!"

"We can also take all the property of the Qin family and leave them here to feed the poisonous insects and snakes! Hahaha ..."

"President! Kill him ... Kill him ..."

The situation had reversed, and the bounty hunters who had been trembling in fear earlier were now excited again!

Every pair of eyes was filled with greed! Every face revealed the ugliest side of human nature!

The three people who had just been smashed into meat paste didn't let the rest reflect on their actions at all. They still wanted to do evil, and even more so than before.

"Little brat! Speak! How do you want to die!"

The red-armored man's body was still burning. Blocking the black box's palm just now didn't consume much energy, and the thick Zhen Yuan was still circulating on his armor.

that crimson armor is a one-star earth-god instrument!

The ghoul masked man's tone was low. He had seen through the Scarlet armored man's trump card.

"That's right! My Heavenly Fire armor is a one-star earth-god instrument!"

The man in red armor raised his chin and said arrogantly, "Although your blood map is very mysterious, it's not on the same level as an earth-god instrument! I can crush you to death with a casual move of my fingers! There is no doubt about your defeat!"

"Who told you that my Blood God's deity-killing painting isn't an earth-god instrument?" The devil-masked man's eyes were cold as he suddenly roared, "The Black Dragon cavalry! Get into formation!"

"Whoosh ..."

In an instant, tens of thousands of ferocious ghost spirits rushed out of the nine-Dragon Black box and formed a thousand ghost formation in the air.

At the same time, the blood God's deity-killing painting shone with blood-red spiritual light, covering the bodies of the ghosts!

this ... the man in red armor was stunned at first, then he screamed, "Your blood map is also a one-star earth-god instrument?"

"Whoosh ..."

The devil-masked man raised his hand and took out ten million lower spiritual stones. He said indifferently, "It's a two-star!"

Chapter 1850: All returned to the furnace (4)

"What? A two-star earth-god instrument?"

The ghost-masked man's casual words instantly shocked the Scarlet-armored man and all the bounty hunters. They were so shocked that their eyes and mouths were wide open. They couldn't believe their ears!

"Bang! Bang! Bang! Bang ..."

In the next moment, tens of millions of low-grade spiritual stones were completely crushed, and a huge amount of spiritual Qi was absorbed by the blood God's deity-killing painting.

The blood-red light that shrouded the 10000 spirits of the ferocious Ghost Army suddenly bloomed with a special ability.

With the 10,000 ferocious Ghost Army souls wearing the blood-red robes, they became even more ferocious and strange. The pressure they exuded was dozens of times more terrifying than before!

it burned millions of spirit stones in an instant ... And the horrifying vital essence fluctuation is much stronger than the heavenly Fire armor ... This blood map is definitely a two-star earth-god instrument ... I can't be wrong ...

Everyone's hearts trembled as gasps of shock sounded in the crowd.

"I can't move ... I can't move ... This ... How is this possible!"

At the same time, the Crimson-armored man's body was confined by blood-colored flames.

Just a few seconds ago, the Scarlet-armored man could still easily tear through the blood-colored flames.

However, the man in red armor was trapped by bloody just like the other bounty hunters. He could not even move a finger.

Without a doubt, this was the difference between a two-star earth-god instrument and a one-star earth-god instrument!

Before the Black Dragon Riders appeared, the blood God's deity killing painting could only be considered a peak earth-god instrument. Naturally, it couldn't trap the red-armored man.

However, before this, the blood God's deity-killing painting and the somersault cloud had already been upgraded to two-star earth-god instruments under the support of a huge amount of spiritual aura.

The thousand spirit formation was upgraded to a two-star earth-god formation!

In addition, tens of millions of spiritual energy had been burned out in an instant, and the power of a two-star earth-god instrument was directly unleashed!

"Spare me ... Spare me ..."

The man in red armor knew better than anyone that his Sky Fire armor was not on the same level as the blood God's deity-killing painting.

There was no doubt that he had failed. Other than begging for mercy, there was no other way out.

have mercy ... We won't dare to do it again ... Please spare our lives ...

The bounty hunters around them wailed in despair as if their fathers had died. They were all in tears, and some of them even peed their pants on the spot.

"Shut your stinky mouths! You don't have the right to beg for mercy!"

The ghoulish masked man's tone was indifferent and emotionless as he said, " more than ten seconds ago, when I killed the first three people, you had the chance to beg for mercy. However, not only did you not regret it, but you became even greedier and more vicious!

this ... the surrounding people were speechless and couldn't refute at all.

The devil-masked man's eyes turned cold and he said indifferently, " "From the moment you said that you wanted to kill me, all of you had already been sentenced to death! Go to hell!"

"Woof! Buzzzzzz! Yi ..."

As soon as the devil-masked man finished speaking, the 10000 blood-robed ferocious ghosts in the sky swooped down like 10000 Falcons, aiming their sharpest ghostly claws at each enemy!

"Swish!"

The man in red armor was the first to be attacked!

The blood-robed evil Spirit's speed was so fast that the Crimson-armored man didn't even have time to scream!

In the blink of an eye, a human head was cut off from his neck!

"BOOM!"

The Crimson-armored man's head rolled on the ground, his eyes wide open as he watched his own headless body standing on the spot, spewing blood!

"Woof! Buzzzzzz! Yi ..."

Then, tens of thousands of blood-robed ghosts rushed down!

The terrifying power tore the bounty hunters into pieces as easily as tearing paper!

With his unparalleled speed, he completed a wave of diving attacks in just five seconds!

It was this wave of attack that completely wiped out all the bounty hunters, leaving only broken bodies on the ground!

"This is the power of a two-star earth-god instrument! Compared to the past, there was a qualitative improvement! The investment of a huge amount of Heaven Earth spiritual aura is indeed worth it!"

The ghoulish masked man slowly took off his mask. Without a doubt, it was Chen Xiaobei.

Chen Xiaobei was very pleased with the fact that all the enemies were annihilated in five seconds.

"Woof! Buzzzzzz! Yi ..."

After that, Chen Xiaobei released hundreds of ethereal force to retrieve a large amount of resources from the corpses!

The storage bracelets of the Crimson-armored man and all the bounty hunters, a total of 101!

In addition, there were also 100 spiritual weapon-level weapons!

Most importantly, it was a full set of one-star earth-god Heavenly Fire armor!

“Although there are a lot of spiritual items, spiritual medicine, and spiritual pills in these storage bracelets ... It’s a pity that they’re not of high grade and are completely useless to me! Melt it down!”

Chen Xiaobei was disinterested. the level of these weapons isn’t high either. Although they’re all spiritual weapons, they’re all useless to me. Melt them down!

Obviously, before the prime of Tongtian sent him the heaven and earth furnace, these things were of little value to Chen Xiaobei!

These chicken ribs were all stored in the interspatial ring and were completely useless, no different from trash!

However, after obtaining the heaven and earth smelt, these low-grade spirit items could be brought back to the smelting furnace!

From a useless piece of trash, it had directly turned into a wondrous spiritual aura of heaven and earth!

Not only could it upgrade Chen Xiaobei’s trump card, but it could also instantly increase Chen Xiaobei’s cultivation and even have other uses!

From this, it could be seen that refining garbage was simply turning waste into treasure! It was for the country, the people, and himself!

Then, Chen Xiaobei’s eyes fell on the sky Fire armor.

“This one-star earth-god instrument has no special features! Its power isn’t strong, and its defense isn’t outstanding either. It’s better to just melt it down!”

I’ll upgrade the Nightstalker outfit to an earth-god instrument when I have three one-star earth-god instruments. By then, I’ll be able to crush this Heavenly Fire armor by a few hundred times! Chen Xiaobei said.

Other than the materials that could only be recycled, Chen Xiaobei also found some spiritual stones in each of the storage bracelets.

These bounty hunters were not people who could save money. All in all, they only had one billion low-grade spiritual stones.

Since the spiritual stones could not be melted down, they were all kept in Chen Xiaobei’s own Treasury.

With that, Chen Xiaobei’s wealth had increased to 20000 medium-grade spiritual stones and 1.12 billion low-grade spiritual stones.

Chen Xiaobei was not in a hurry to refine it. He kept all the resources.

Then, the netherspirit battlescouter sent him more information.

[ding! You have eliminated a first-generation villain. You have been rewarded with 10000 merit points!]

[ding! Eliminate a lifetime villain. Obtained ...]

[eliminate the evildoers of a lifetime ...]

[your current merit points are 62500000. You need another 27500000 merit points to proceed to the next level.(Charm: 6250000, luck: 6250000)!

This time, Chen Xiaobei did not let the blood-robed spirit consume the enemy's blood essence and souls.

The souls of the evil people had all entered the land and were moving according to the laws of the six paths of reincarnation.

The heavenly axiom punished evil and promoted good. It would punish the souls of these evil people and reward Chen Xiaobei with three realms merit points.

in this battle, I've earned 200000 merit points. Although it's not a small amount, it's still far from the 90 million merit points needed to exchange for an earth level deity ... I don't know when I'll be able to gather that much ...

Chen Xiaobei furrowed his brows and thought to himself, " "If I can save up 90 million merit points, who should I help to get an earth level deity position first?"

"Help me!"

Right at this moment, Ying Zheng's voice suddenly rang out from the nine Dragon Black coffin, " "Sect leader Chen! You have to help this one!"
