Chapter 1851: Life and death gamble (1)

“What are you doing?”

Chen Xiaobei looked at the black coffin and said, “I’ll definitely fulfill my promise to you! I will help you break open the black coffin and let your dark soul regain its freedom! I will help you kill Xu Fu and let you die in peace!”

“No... This is not enough!” Ying Zheng said anxiously.

I’ll even talk to the King of Hell so that you can reincarnate and live a comfortable life in your next life. That’s the best way out for you. All you need to do is to wait patiently!

“No! And that old man Jade Emperor! We must find him and take revenge!”

Ying Zheng’s attitude was very firm, as he bellowed, “I don’t want to be reincarnated! I want to become an earth level deity and continue to cultivate and grow! One day, he would definitely take revenge for that ancient hatred! Sect leader Chen! Please, you must help us!”

“Ying Zheng! We’re brothers who’ve gone through life and death together, I’m not lying to you!”

the infinite cataclysm is coming! It’s going to be the ultimate Massacre! Chen Xiaobei said. Everyone had to fight for a chance of survival! My master and I need powerful help! Therefore, I can only help the top Yin ghosts to change to the earth immortal realm!”

“I can also help you!” as long as you help me this time, I’m willing to join bei Xuan faction and serve you for the rest of my life! Ying Zheng said with utmost seriousness. I will never betray you even if I die!”

“Brother ...”

you’re just an Emperor! Chen Xiaobei sighed. to put it bluntly, I can even use heavenly dog food to subdue an earth level deity like you! There’s a limit to how much merit I can get from the Three Realms, so I can only choose a Yin ghost that’s stronger than you!”

“Sect leader Chen! I, Ying Zheng, have swept across the eight wastelands, destroyed the six states, and unified the world! Even the Jade Emperor is afraid of me! Could it be that you believe that we can’t give you more help?” Ying Zheng asked in a deep voice.

“Of course I know what you are capable of!” Chen Xiaobei said. If you have enough merit points, I’ll help you without hesitation! However, the merit is very limited, so I have to make a choice that benefits me the most!”

“Moreover, from another perspective, this is also protecting you! You have a special identity. Once you become an earth level deity, the Jade Emperor will immediately target you! I’m afraid that you’ll be poisoned by the Jade Emperor again before you can grow up!”

Chen Xiaobei sighed and said sincerely, “listen to my advice and wait for your reincarnation. This is the best way out for you!”

“Sect leader Chen! Zhen is very grateful to you for thinking for Zhen’s sake!”

I don’t need you to have enough merit! Ying Zheng said domineeringly, changing the topic. You only need to have enough courage! If you have the guts! Let’s join hands and gamble! If we lose, we’ll die together. If we win, we’ll be wild together!”

“What do you mean?” “What do you want to bet on?” Chen asked.

“Just as sect leader Chen said, my identity is special, and I’m regarded as a thorn in the Jade Emperor’s side! If I become an earth immortal, the Jade Emperor will definitely find a way to get rid of me! If we lose the bet, sect leader Chen may die with us!”

“But if we win the bet!” Said Ying Zheng very seriously. When I United the world and resolved all the wars in the world, I can freely use the huge amount of merit! At that time, sect leader Chen can exchange for as many earth level deities as he wants!”

this ... Chen Xiaobei was stunned. His heart was in turmoil.

Back then, when Ying Zheng destroyed the six Dynasties and unified the world, the merit points he earned were more than enough to exchange for a heaven immortal!

The merit points were bestowed by the heavenly Dao and recorded in the merit book!

The Jade Emperor didn’t have the authority nor the ability to erase the records!

In other words, as long as Ying Zheng regained his freedom, he would be able to freely use his merit points!

At that time, it would not be impossible to exchange for dozens or even hundreds of earth level deities!

“Sect leader Chen! You should know very well whether what I said is true or not!”

now, ” said Ying Zheng solemnly, ” you just need to tell me, do you dare to take this bet? ”

“I dare!”

the tribe of severity suffered greatly in the last calamity! Chen Xiaobei said firmly. Sifu and I will rebuild our forces in this calamity! If I win the bet, I’ll be of great help to shizun! If he lost the bet, he would just die! It’s not a loss to use this life to repay shizun!”

“Good! You are indeed the faction leader Chen that I know!” “That’s bold!” Ying Zheng praised. He had guts! What a hero!”

“Don’t be in such a hurry to praise me ...”

I still need 27.5 million merit points! Chen Xiaobei frowned. I need 27.5 million merit points to become an earth-god! Moreover, if this black coffin is not broken, you will not be in the six paths of reincarnation. If you want to change to an earth level deity, you have to break the coffin first!”

Upon hearing this, Ying Zheng said calmly, ” Faction leader Chen is a man of his word. As long as you promise me, I can wait with peace of mind! With sect leader Chen’s ability, I believe he won’t make me wait too long!”

“Of course I won’t make you wait too long, because I don’t have much time left ...” He said.

the King of Hell is patrolling the land right now. Once he’s finished sorting out the list of ghosts, he’ll start a large-scale earth-god exchange operation! I have to settle everything before that. Otherwise, the top Yin ghosts will be taken away by other forces!”

it seems that I’ve come at the right time when I proposed this bet! said Ying Zheng with a smile.

“That’s right!”

of course! Chen Xiaobei said. I’ve been busy with all sorts of things recently. If you didn’t remind me today, I wouldn’t have thought this through!

“It’s good that you’ve thought it through now!” “Good luck!” Ying Zheng said excitedly. I believe that you can do the best! I’m looking forward to your good news!”

“No problem!” Chen Xiaobei nodded and kept the black coffin and the blood God’s deity-killing painting.

He looked around and saw that the Qin family members were still unconscious.

Chen Xiaobei walked over and used the cleansing Bodhi to help Qin Yitian get rid of the poison.

“Uh ... So beautiful ... Immortal land ... Eh? How did the immortal land disappear ...”

Qin Yitian woke up groggily and mumbled to herself. She seemed to be feeling a little regretful.

“Wake up!”

Chen Xiaobei put his hand on Qin Yitian’s shoulder and shook her. “There’s no such thing as an immortal realm! That was just an illusion you had after being poisoned!”

“An illusion? I was poisoned?”

Qin Yitian furrowed her brows. She composed herself and asked in surprise, “I remember now! The wonders of the tilted moon peak were poisonous! All of us lost consciousness and fell to the ground!”

no! Chen Xiaobei shook his head and said, “there’s no wonder at all! When the sun and the moon alternated, the tilted moon peak only released a colorless and odorless poisonous gas. Everything the poisoned person saw was actually an illusion!”

how ... How is this possible?! Qin Yitian couldn’t believe it. She looked up again.

It was pitch-black on the tilted moon peak, and there was no such thing as a starry sky!

“What ... What is going on?”

“Are there any remains of the five poison sacred sect here?” Qin Yitian asked, her face full of surprise. Do you have the enchanting Emerald fruit you’re looking for?”

Chapter 1852: Oriole behind (2)

“The ruins of The Five Venoms sacred cult? This might really exist!”

it's right at the top of the peak. When the sun and the moon were alternating, there was a tiny Green Crack. If I'm not wrong, there should be a portal there that leads to the ruins you mentioned!

"A crack?"

"You mean to say that the space gate will loosen up when the sun and the moon are alternating?" Qin Yitian asked, surprised. It then released poisonous gas. Once people standing on the peak were poisoned, they would see the illusion of the starry sky!"

"Yes, I am!"

yes! Chen Xiaobei nodded. the poisoned person was knocked out by the illusion and did not notice the crack at all. So, it's possible that no one has ever set foot in the ruins you mentioned. It's still an unknown territory!

"Other people can't go in, but we can!" "Because you're a miracle doctor!" Qin Yitian said expectantly. You have a way to detoxify the poison!"

"There's no need to detoxify it now."

that's right! Chen Xiaobei shrugged. the reason why the dimension door will open when the sun and moon are alternating is because the bewitching Emerald fruit behind the door will only release spiritual fluctuations at specific times! Once the time was up, it would enter a dormant state and would no longer release poisonous gas!

"That's even better!" "Let's go in and take a look!" Qin Yitian said impatiently. There's something you want and something I need in there!"

"Don't rush in." Chen Xiaobei looked around and asked, "What should we do with the people on the ground?"

Qin Yitian's heart skipped a beat. "What's with those dismembered corpses in the distance?"

those are the people from the Holy flame bounty Association. Governor Qin Wuji hired them with a huge bounty to kill you! Chen Xiaobei said.

"Supervisor Qin! Where is he?" Qin Yitian's eyes turned cold. Her eyes were filled with killing intent.

"He's lying down beside me." "Do you want to kill him?" Chen Xiaobei asked.

Qin Yitian was taken aback. Although she was filled with murderous intent, she couldn't bring herself to do it. She shook her head and said, "Forget it. He's my cousin after all. Let him live ..."

I shouldn't have said anything when you showed mercy to your family ... Chen Xiaobei said in a low voice."But you should know that letting this guy go is the same as letting a Tiger return to the mountain!"

"Of course I know!"

Qin Yitian's expression was downcast. actually, it's not just Governor Qin. Most of the people lying on the ground are like wolves and tigers. They can't wait to swallow me alive! If I kill them now, it'll only benefit me!"

“However, I want to give them a chance. At least, I want them to have a chance to face me with weapons! I’ll feel better if I kill them then!”

It was obvious that even though Qin Yitian looked murderous, she still cared about her family.

Qin Yitian did not want to kill her family unless she had no other choice.

“Okay ... I respect your choice ...” He said.

that’s not a bad choice. I can only say that you’re not cut out to be the head of a top-tier family ... The head of a top-tier family must be a formidable character! I’d rather betray the world than let the world betray me!”

“I didn’t want to be the head of the family!” Qin Yitian laughed bitterly. If there’s a suitable candidate who can ensure the safety of my third branch, I’d rather help that person become the successor! I’ll be a carefree and free man, it’ll be easy and fun!”

what a pity! Chen Xiaobei sighed. your cousins are all like wolves and tigers! You can only fight for the position of heir yourself! After you gain power, you can protect the third branch and prevent the other branches from killing each other ...”

Qin Yitian looked at Chen Xiaobei in shock. “It’s easy to get a thousand gold, but hard to get a close friend! Everyone thinks that I want to fight for it, but only young master Chen knows that I actually want to protect it!”

“You think of me as a confidant?” Chen Xiaobei was surprised. He did not expect the female fiend, Qin Yitian, to say such touching words.

Of course, she was touched by their friendship!

young master Chen knows what I’m thinking. What are you if not a confidant? ”

“Even my parents don’t know me as well as you do, Childe Chen!” Qin Yitian said sincerely. It’s my good fortune to have a close friend like you, Childe Chen!”

“Don’t flatter me!” Chen Xiaobei smiled. Since we’ve already made our decision, let’s go open the space gate!”

“What should we do about the poison in these people?” Qin Yitian was worried.

“Don’t worry about them.”

Chen Xiaobei shrugged. the poisonous gas in the surroundings has dissipated. Let them breathe in fresh air for the night. They will wake up by themselves by tomorrow afternoon at the latest. It will be like a dream. Nothing will happen to them!

“Good! I’m relieved!” “What’s our next step?” Qin Yitian asked seriously. Young master Chen, please give your orders!”

“Take your Heavenly Sword and follow me closely!” let’s go! Chen Xiaobei said as he walked towards the peak.

“Swish!”

Chen Xiaobei took a step and leaped more than ten meters into the air. Like a Dragonfly skimming the surface of the water, he reached the peak of the tilted moon peak in just two to three steps.

“Ka! Ka ka ka ...”

Chen Xiaobei’s claw was like peeling an egg shell, and a big hole was made in the rock.

“This cave is hollow! As expected, there’s a hidden secret!” Qin Yitian’s eyes widened as she exclaimed.

“Let’s go! Let’s go in!”

Chen Xiaobei bent down and entered the cave.

Qin Yitian followed closely behind.

“This young master Chen ... Is indeed not an ordinary person ...”

at this moment, one of the Qin family members who had fallen asleep on the ground opened his eyes.

Half a minute ago, Chen Xiaobei had said that the Qin family would need at least a whole night to wake up.

With Chen Xiaobei’s medical skills, there was no way he would be wrong!

However, at this moment, there was indeed one person who had woken up!

More importantly, this person’s expression was calm and composed, unlike Qin Yitian, who had just woken up in a daze.

This meant that this person might have woken up a long time ago! It was even possible that he had not been poisoned to the point of fainting!

“My perfect plan was destroyed just like that ...”

The man slowly stood up and looked at the cave at the top of the crescent Peak. He muttered, “I have to think of something ... If I don’t get rid of that Chen guy ... I’m afraid there will be huge changes in the future ... What should I do?”

Under the moonlight, the man stood quietly. His fair face had a harmless expression, like a big boy in a daze.

“There it is!”

Suddenly, the corners of this fair-skinned boy’s mouth curled up as he walked toward the unconscious Governor Qin!

With every step he took, a strange change would appear on the big boy’s body.

His eyes turned blood red and his pupils turned Platinum!

His skin became paler and paler, and even his black hair turned white!

White fangs grew out of the corners of his mouth, sticking out like a beast!

“Woof!”

That person helped Governor Qin Wuji up. His sharp fangs instantly bit through Governor Qin Wuji’s neck and he started to drink blood in big gulps!

Chapter 1853: Three-star earth-god level cultivator (3)

this cave is pitch black, and I can’t see anything special ... Where is the space gate you mentioned? ”

Qin Yitian frowned as she searched the cave with Chen Xiaobei. She had no idea what was going on outside.

“I’m not sure about the exact location, let me look around first ...”

Chen Xiaobei activated his golden gaze fiery eyes and scanned every corner of the cave, trying to find the hidden space door.

this cave isn’t big. If there was one, we would be able to see it at a glance! “Could you have remembered the location wrong?” Qin Yitian questioned.

“There’s no mistake! It’s right here!”

Chen Xiaobei quickly walked to a corner of the cave and frowned. “Unfortunately ... This is not an ordinary space gate ...”

“Is there anything special about this door?” Qin Yitian followed him. She took out her phone and lit up the corner.

He saw a tightly shut metal door in the corner.

There were also many ancient runes carved on the door.

“The portal we’re looking for should be behind this metal door!” Chen Xiaobei said. However, this metal door is supported by a magic array. I’m afraid it won’t be easy to open it!”

“This is simple!”

Qin Yitian raised the long sword in her hand and said indifferently, ” “Step back a little and watch me break this gate with one strike!”

“Don’t you do anything stupid!”

wait! Chen Xiaobei quickly stopped him. from the runes on the metal door, this should be a formation with a ‘self-destruct’ ability!

“Self-destructing? What’s the meaning of this?” Qin Yitian was shocked.

” to put it simply, if you use brute force to break the door, the formation will self-destruct, and the door will be destroyed. It can’t be opened, and it will completely cut off the passage for outsiders!

“What ... What should we do?”

“If we can’t use brute force, how are we supposed to get in?” Qin Yitian asked, frowning. We’re not from the five poison sacred sect, so we don’t know how to open the door ...”

let me think ... Chen Xiaobei frowned and started to think.

After a simple selection, the image of Ying Zheng’s Black coffin appeared in Chen Xiaobei’s mind.

Judging from the current situation, there were some similarities and differences between the metal door and Ying Zheng’s Black coffin!

The similarity was that there was a mysterious formation set up by Xu Fu inside Ying Zheng’s Black coffin. If the coffin was broken by force, the formation would explode from the inside, which could possibly destroy Ying Zheng’s soul!

The only difference was that Ying Zheng’s soul could not control the formation inside the black coffin! However, there was something behind the metal door that could open it!

I need to think of a way to make the thing behind the metal door open for us! Chen Xiaobei said.

how ... How is this possible?!

Qin Yitian’s expression froze. She couldn’t believe it. “We don’t even know what’s behind the door. How can we let it open for us?”

of course it’s possible!

“When the sun and moon are alternating, this metal door will be open for about three minutes!” Chen Xiaobei said.

“So, you’re saying that we’ll have to wait here until the next cycle of the sun and moon?” Qin Yitian asked.

“No!” no! Chen Xiaobei shook his head. if we wait until daybreak, most of the people outside will have woken up. They will definitely take all the benefits in the remains!

“But, if we wait, what method can we use to open the door?” Qin Yitian frowned.

“It’s simple!”

“When the sun and the moon are alternating, the green wood element in the forest will reach its peak! This is the best time for demonic beasts to absorb the essence of the sun and moon!”

“Green wood attribute? The essence of the sun and moon?” Qin Yitian was taken aback. “What does this mean?”

“If I can release a huge amount of green wood essence, I might be able to lure out the thing behind the door!” As soon as it opens the door, we can immediately rush in!”

“A huge amount of green wood essence?” “You make it sound so easy!” Qin Yitian frowned. This isn’t something we can do!”

“Since I said it, I will definitely do it!” Chen Xiaobei grinned and took out a green crystal the size of a quail’s egg from his infinite space ring.

Although the crystal was small, it could emit an extremely strong spiritual nature.

Moreover, the green wood element was extremely pure, and the green light illuminated the entire cave, bringing about a peaceful and vibrant atmosphere.

what ... What is this ... Qin Yitian couldn't help but gulp. Her face was full of shock.

"This is a two-star earth-god item, the green wood elemental spirit crystal!"

Chen Xiaobei grinned and said, "Step back a little. The thing behind the door might hurt you!"

"A two-star earth-god item ... Childe Chen! you're so powerful ... Qin Yitian was dumbfounded and took five steps back.

"My Foundation? It's just average." Chen Xiaobei shrugged and raised the crystal in his hand.

"Whoosh ..."

In an instant, the green spiritual light exploded and filled the entire cave!

Not only did the green wood spiritual crystal emit a strong green spiritual light, but it also revealed a strong spirituality!

The most important thing was that it emitted a kind of green wood element that was highly compatible with the nature!

"Green wood essence! Let me borrow it!"

Chen Xiaobei raised his head and turned his chaotic ethereal force into the green wood ethereal force. He communicated with the green wood essence in nature and activated the green wood celestial phenomenon!

Whoosh ... Whoosh ... Whoosh ...

Then, all the trees, flowers, and grass in the forest around him started to exude the essence of green wood!

The green wood essence gathered in the air like countless fireflies and flew toward Chen Xiaobei.

Chen Xiaobei had used this move once before.

However, Qin Yitian had never seen or heard of such a thing. She was so shocked that she was stunned.

this ... This, this, this ... Qin Yitian's beautiful red lips opened and closed, but she couldn't even form a complete sentence. She was shocked to the extreme!

"Chi ..."

at this moment, the metal door in front of him suddenly loosened and slowly opened.

Behind the metal door, an emerald green light screen appeared. It was obviously a space door!

"Success! My speculation was completely correct! Through this space gate, we can go to the ruins of the five poison sacred sect!" Chen Xiaobei's face lit up with excitement.

“Young master Chen ...”

“You’re amazing!” Qin Yitian could not help but praise. Wisdom! Foundation! Strength! Medical skills! He was extraordinary in everything! I thought I had seen through you! Only now do I realize that what I’ve seen is just the tip of the iceberg!”

be careful!

Chen Xiaobei did not enjoy Qin Yitian’s praise at all. Instead, he let out a cry of surprise.

“Woof!”

The next moment, a green figure rushed out of the portal and charged at Chen Xiaobei with the speed of a three-star earth-god!

Chapter 1854: Strange creatures (4)

“Woof!”

The green shadow was so fast that Chen Xiaobei and Qin Yitian could not even keep up with it!

Even though Chen Xiaobei and Qin Yitian both had three-star earth-god instruments, they were only God-Ascension cultivators.

In front of a three-star earth-god, Chen Xiaobei and Qin Yitian’s consciousness, reaction, speed, and all other aspects could not keep up!

Even with a three-star earth-god instrument in his hand, he could not use it in time.

“BOOM!”

Chen Xiaobei was hit in the chest by the green shadow.

The strange thing was that the power of the green shadow was not at the three-star earth-god level. It was only equivalent to that of a one-star earth-god!

Of course, even if it was only one-star earth-god strength, it was still far beyond Chen Xiaobei’s current strength!

“Boom boom boom ...”

The terrifying force sent Chen Xiaobei flying like a meteorite and he crashed into the mountain wall.

A terrifying crater was formed in the thick and hard rock. The mountain trembled and swayed as if the entire mountain was about to collapse.

Childe Chen!!!

ah! Qin Yitian screamed in despair. Her heart trembled, and her face turned pale.

In Qin Yitian’s eyes, Chen Xiaobei was strong but not at the level of a primordial soul earth-god.

If Chen Xiaobei had his earth-god instrument ready, he might be able to fight!

However, if Chen Xiaobei was caught off guard and hit by a primordial spirit realm earth-god, even a one-star earth-god would be able to turn Chen Xiaobei into meat paste!

“Freak! You dare to harm young master Chen! I, Qin Yitian, will kill you!”

Boundless grief and indignation filled Qin Yitian’s heart instantly. An extreme killing intent gushed out like a stormy sea.

Qin Yitian saw Chen Xiaobei as a close friend!

A gentleman would die for his bosom friend!

At that moment, Qin Yitian’s mind had turned into a demon’s heart. She would pay any price, even if it meant risking her life, to avenge Chen Xiaobei!

“COO! Gulp ...”

At the same time, the green shadow finally stood still. It was an extremely strange creature.

Its entire body was green, its head was like a furry coconut, and its body was like a giant gourd.

It did not have any upper limbs, but there were dozens of vine-like tentacles growing under the big gourd, constantly twisting and turning. Ordinary people would definitely feel numb when they saw it.

“Clang”

Qin Yitian was not an ordinary person. Her expression did not change, and her killing intent soared. She immediately took out her three-star earth-god instrument, Heavenly Sword!

“Gulp!”

The strange creature seemed to be extremely confident in its own strength. It didn’t take Qin Yitian seriously at all. It raised its head and looked at Qin Yitian!

“Hiss ... Hiss ...”

A huge mouth full of fangs had opened up on the big furry head. A long blood-red tongue had also extended out, greedily absorbing the Greenwood essence in the cave.

“Whoosh ...”

Qin Yitian took the opportunity to throw out ten thousand mid-grade spiritual stones and crushed them with her vital essence.

One medium spiritual stone was equivalent to 10000 low-grade spiritual stones.

10,000 medium spiritual stones were crushed, and 100 million low-grade spiritual Qi was released.

“Clang!!!”

Heavenly Sword absorbed the spiritual Qi rapidly and burned all of it.

With a terrifying sword howl, the terrifying spirituality of the three-star earth-god instrument suddenly burst out.

The white-gold light illuminated the entire space like the most dazzling star in the night sky, illuminating the entire cave as if it were daytime.

“GRU?”

The strange creature was shocked by the strong spirituality. It immediately stopped absorbing the essence of the green wood and turned to stare at Qin Yitian.

“Freak! I want you to pay with your life for young master Chen!”

Qin Yitian let out an angry roar. He held the sword with both hands and slashed forward.

“Swish!”

In an instant, the Platinum sword slashed out brazenly with the momentum of a Thunderbolt. It was like a Divine Blade that descended from the heavens. There was nothing in the world that could not be cut!

Even before the blade arrived, the sword Qi alone had already split the entire cave into two!

The surface of the rock was as smooth as a mirror, as if the entire space had been split into two by the Platinum blade!

“Gulu!!!”

The strange creature let out a cry of surprise.

Before this, it didn't take Qin Yitian seriously.

He had never expected Qin Yitian to be able to unleash such a terrifying power.

“Woof!”

The strange creature also burst out with the speed of a three-star earth-god and retreated directly into the spatial gate.

It was obvious that the combat strength of this strange creature was only at the one-star earth-god level. Its defensive power would not be too high either.

It was completely unable to block the Platinum sword, so the strange creature could only choose to escape back into the space gate and temporarily avoid the extreme sharpness of Heavenly Sword.

“Swish!”

The strange creature wanted to escape. However, Heavenly Sword was a step ahead of it. In a situation where their speeds were equal, the strange creature was already half a beat too slow to Dodge!

In a battle between experts, an instant could determine the outcome of the battle.

The blade of the sword suddenly descended. Before the strange creature could escape, it slashed across its neck and directly cut off its big head!

phew ... Qin Yitian let out a sigh of relief and quickly looked at the spot where Chen Xiaobei had fallen.

“Whoosh!”

But! At this moment! The head that had been chopped off suddenly bounced up and directly entered the space gate!

“What? That thing isn’t dead yet?” Qin Yitian was shocked, and her face was filled with disbelief.

“Swish!”

In the next moment, a portrait that shocked Qin Yitian to the extreme appeared!

The headless corpse of the alien creature stood up once again. Thick viscous liquid oozed out of its severed neck, completely covering the wound!

“Swish!”

The headless body did not die either. It burst out with the speed of a one-star earth-god and charged at Qin Yitian.

how ... How is this possible?! Qin Yitian’s pupils contracted uncontrollably. Her heart clenched, and her back turned cold. Her face was filled with despair!

The sword attack just now had consumed all of his spiritual energy!

Although the headless body’s speed had been greatly reduced after losing its head, the speed of a one-star earth-god was enough to crush Qin Yitian.

At least, in this short period of time, Qin Yitian would not have the time to take out the spiritual stones, nor would she have the time to make a second strike!

This was the difference between an earth-god instrument and a real earth-god!

The time it took for an earth-god instrument to replenish spiritual energy was short, but it was enough to decide everything!

“I’m finished ...”

Death was imminent, but Qin Yitian was at her wits ‘end. There was nothing she could do but wait for her death.

“Heavenly! Don’t be afraid!”

Chen Xiaobei’s voice suddenly came from behind them.

Childe Chen ... You’re not dead ... Qin Yitian was both surprised and happy. She could not believe her ears.

“Woof!”

The next moment, a black blade suddenly slashed out with the speed of a two-star earth-god, reaching the headless corpse before Qin Yitian could be attacked!

Chapter 1855: Treasure hunt (1)

“Swish!”

The black blade was as fierce as a Dragon. With the addition of the two-star earth-god strength, it could definitely crush the headless corpse of the strange creature.

Without a doubt, the headless corpse was directly struck by the black light. The gourd-like body was directly split in two.

“Chi ... Chi ...”

There was no flesh, blood, or bones in the severed section of the corpse. There was only green tissue that looked like a plant, and it was constantly emitting mucus.

Soon, the two halves of the corpse completely shriveled up like a withered plant due to the loss of a large amount of mucus. They no longer had the ability to move.

“I should be fine now ...”

Chen Xiaobei walked over with the saber in one hand and said, “I’ve been observing in the dark. The head should be the core of the monster! Without its head, its power will be greatly weakened, and the corpse will quickly lose its vitality!”

“Young master Chen! You ... You really didn’t die!”

In this life and death situation, Qin Yitian’s sorrow turned into joy, and her despair turned into hope. She could not control her emotions and threw herself at Chen Xiaobei, hugging him tightly.

uh ... Chen Xiaobei was so shocked that he started to sweat.

Who dared to think about it? Who knew how many lives had been taken by the Qin family’s jinx? why would she care so much about Chen Xiaobei’s life?

If this news got out, everyone in apocalypse Starfield would be shocked.

Of course, this was not surprising. Qin Yitian only looked murderous on the surface. In fact, she was a person of emotions, justice, and flesh.

However, no one could see Qin Yitian’s true nature, only Chen Xiaobei could.

That was why Qin Yitian saw Chen Xiaobei as a close friend and was willing to risk her life for him!

“I’m fine, I won’t die!” Chen Xiaobei consoled her, hoping that she would calm down as soon as possible.

the monster’s attack hit you ... How can you be fine? ” Qin Yitian shook her head in disbelief. She hugged Chen Xiaobei tightly, afraid that he would run away.

I have a secret weapon with me. It can help me block a fatal attack! Chen Xiaobei said.

The secret weapon Chen Xiaobei was talking about was the upgraded netherspirit battlescouter.

After the upgrade, the netherspirit battlescouter’s protective puppet ability could withstand any attack below the level of a five-star earth-god!

The current effect was a huge level higher than before. It could be said to be a qualitative leap!

However, the restrictions on the master-protecting puppet were the same as before!

[the master-protecting puppet can only be effective once within 24 hours!]

Moreover, the master-protecting puppet could only block damage once. It could not block continuous damage!

For example, if a nuclear bomb exploded, the master-protection puppet could help Chen Xiaobei withstand the initial impact, but it could not withstand the subsequent heat and radiation!

Of course, Chen Xiaobei would not explain these details to Qin Yitian. It was not that he did not trust her, but even if he did, Qin Yitian might not understand.

“How do you feel? Can we continue?”

After Qin Yitian had calmed down, Chen Xiaobei reminded her, “If you don’t have any questions, let’s go in quickly. It’ll be troublesome if the door is closed.”

hmm ... No problem. Let’s go! Qin Yitian was not a weak woman. She quickly gathered her thoughts and followed Chen Xiaobei into the space gate.

“Chi ...”

The two of them passed through the green light barrier together.

Space shifted, and the scene in front of him suddenly brightened up, presenting a completely different scene.

On the whole, it was a huge building complex.

However, all the buildings had collapsed and were in ruins.

Moreover, the ruins were severely weathered, and the surface had long been covered by all kinds of plants.

From this, it could be seen that these ruins were very ancient and should be a relic left behind from ancient times!

if I’m not mistaken, this should be the ruins of The Five Venoms sacred cult that you mentioned!

Chen Xiaobei looked into the distance and observed the ruins carefully. it seems like no one has set foot here for a long time. Other than that strange creature, there shouldn’t be any other living things!

“Where’s the bewitching Emerald fruit?”

Qin Yitian looked around and frowned. when the sun and the moon alternate, the poisonous gas of the bewitching Emerald fruit will come out of the space gate. It should be near the space gate!

“Not necessarily!”

no! Chen Xiaobei shook his head. when the sun and moon are alternating, the strange creature will open a portal to absorb the green wood essence! At the same time, in order to protect their own safety and prevent outsiders from invading, the strange creature will release some poisonous gas!”

you mean ... Qin Yitian immediately understood. that alien creature only brought the poisonous gas here. The bewitching Emerald fruit itself is actually hidden in the ruins!

"It should be like this!"

I don't think so! Chen Xiaobei said, " from what I've observed, the monster's intelligence is not high, but it knows what is good for it and what is bad for it! If I'm not mistaken, the bewitching Emerald fruit will be regarded as a treasure and hidden in the safest place it thinks!"

that's right! Qin Yitian nodded. in other words, we have to enter the ruins to search for the bewitching point Emerald fruit!

Chen Xiaobei's lips curled into a smile, and his eyes shone with anticipation. we must search carefully. As long as we find the bewitching Emerald fruit, we might be able to find all the treasures left behind by the five poison sacred sect!

treasure!?

Qin Yitian's expression froze for a moment before she nodded heavily. "Yes, yes, yes! I heard from Qin Wuxin that The Five Venoms sacred cult is a great ancient sect, and its Foundation can be compared to the entire Qin clan!

"Qin Wuxin?" Chen Xiaobei was shocked as well.

"He's the young man who greeted you on the training field the day we set off!" Qin Yitian explained.

"Oh! I remember now!" I didn't notice him because I was in a hurry. Now that I think about it, this kid is not as simple as he looks! Chen Xiaobei said.

indeed ... Qin Yitian nodded and said, " Qin Wuxin is young, but what he has experienced can only be described as 'legendary'!

"Tell me about it." Chen Xiaobei asked.

.....

Outside the cave on the tilted moon peak.

Wuxin ... Wuxin, wake up ... he Lan Yi shook the unconscious Qin Wuxin.

uh ... What's going on ... Why did I faint? " Qin Wuxin opened his eyes in a daze.

"We've been poisoned! everyone was unconscious just now ... Helan Yi frowned and said, " but someone sprayed 'calming incense' nearby, which woke us up in advance. Otherwise, we would've been in a coma until tomorrow morning!

Oh ... Qin Wuxin rubbed his head and slowly looked around.

The hundreds of people in the Qin family woke up one after another.

"Heavens!"

“Young ... Young master Wu is dead ... Everyone in the fifth branch is dead ...” Someone quickly screamed.

“Something has happened! Quickly go and take a look!” Qin Wuxin rushed over with a nervous expression.

The members of the Qin family also gathered around the corpse.

He saw that Governor Qin and the hundred people from the fifth branch that he led were all dead. Furthermore, their bodies were torn into pieces. The scene was extremely terrifying.

“Who’s the murderer ... He’s so cruel ... He deserves to die!” Everyone’s brows were tightly furrowed and they were boiling with anger.

“Eh?”

sister Yitian! Qin Wuxin suddenly asked, “ where did sister Yitian go? ”

Qin Yitian!?

Everyone’s expression changed drastically, and they were instantly enraged. “She must be the murderer!”

Chapter 1856: Blood Emperor Starfield (2)

“I won’t! Young lady Yitian wouldn’t do that!”

The dozens of people from the third branch stood out one after another, wanting to defend Qin Yitian.

“Shut up!”

Qin Mingfeng roared in anger, his aura extremely strong, “ “You said that Qin Yitian wouldn’t do that. Where is she? He’s clearly running away to avoid punishment!”

“Well said!”

Qin Yitian must have a guilty conscience, ” Qin zixu said coldly. otherwise, why is she the only one who’s not here? ”

this ... hearing this, the dozens of people from the third branch all revealed a worried expression!

The truth was right before their eyes. Qin Yitian’s sudden departure was indeed suspicious. Even the third branch could not deny this.

“Don’t say anything!”

“Report this to the higher-ups of the family immediately and apply for a kill order!” Qin Tianhan bellowed. We must kill Qin Yitian and clean up the Qin family!”

“That’s right!” “If we don’t kill Qin Yitian today, we’ll end up like Governor Qin tomorrow!” Qin haoyan said through gritted teeth.

“Kill, kill, kill!”

All of a sudden, the hundreds of people around them were enraged. They wanted to find Qin Yitian and kill her on the spot.

everyone, please calm down ... at this time, Qin Wuxin stood up and said weakly, ” “I don’t think sister Yitian is the murderer ...”

“Wuxin! You’re too childish!” “How many words has Qin Yitian ever spoken to you since you were young?” Qin Mingfeng said unhappily. You keep calling her sister Yitian! How well do you know her?”

“Yup!”

Qin zixu echoed, ‘Wuxin, you’re too naive! You’ve never experienced Qin Yitian’s ferocity!’”

“Wuxin, don’t meddle in other people’s business! Hurry up and come over!” He Lan Yi grabbed Qin Wuxin’s arm and pulled him to her side. She said in a low voice, ” the other houses are fighting with Qin Yitian. We’ll just wait and watch!

Qin Wuxin did not comment, but a hint of undetectable ruthlessness flashed in the depths of his eyes.

the problem now is, where are we going to find Qin Yitian? ” Qin Mingfeng’s brows furrowed.

“Look over there!” there’s a cave over there. The rocks have collapsed. There must have been a huge battle there! Qin Tianhan pointed at the peak.

“Hurry up! Let’s go and take a look!” Qin Mingfeng took the lead and rushed over.

The rest of the hundreds of people followed suit and rushed into the cave.

.....

The ruins of the five poison sacred cult.

“We’ve basically searched the periphery of the ruins, but we didn’t find anything useful ...”

according to Qin Wuxin, The Five Venoms order was wiped out because of the spread of a strange poison! Chen Xiaobei said. However, we didn’t even find a single corpse ... This is very strange ...”

I don’t know the details ... Qin Yitian shook her head. I’ve only heard about the legends of The Five Venoms sacred sect from Qin Wuxin. I can’t verify the truth!

‘Qin Wuxin ... Is really something!’ Chen Xiaobei said. With just his mouth, he had deceived everyone! In terms of acting skills, I’m afraid he’s not worse than me!”

to be honest, I was too busy with my cultivation in the past and didn’t know anything about my cousin, Qin Wuxin!

Qin Yitian frowned. I've only heard that he's extremely talented. In just a few years, he's turned from a piece of trash to the young master of the seventh branch who's in God-Ascension cultivation! In terms of talent, he can even be called the number one genius of the myriad tribulations!"

"He must have had some kind of fortuitous encounter, right?" Chen Xiaobei asked.

In fact, Qin Wuxin and Chen Xiaobei had one thing in common!

They were all from unknown backgrounds, but they improved rapidly in an extremely short period of time, like golden scales transforming into Dragons, reaching the sky in a single step and shocking everyone with a single brilliant feat!

Chen Xiaobei's success was all thanks to the Super fortuitous encounter in the Three Realms red envelope group!

It had not even been two years since he joined the group, but Chen Xiaobei's transformation was enough to shock the world!

In comparison, Qin Wuxin had spent a few years to achieve what he had today. He was still far behind Chen Xiaobei.

However, for ordinary people, Qin Wuxin's experiences and achievements could be described as 'legendary'!

If Qin Wuxin did not have any fortuitous encounters, Chen Xiaobei would have to give him the word 'respect' in bold!

"He had a fortuitous encounter!"

yes," Qin Yitian said. a few years ago, Qin Wuxin went to the 'blood Emperor Starfield'. It's the westernmost Starfield of the nine major starfields! It was there that Qin Wuxin had met his master! From then on, life will be completely rewritten!"

blood Emperor Starfield!?! Chen Xiaobei was taken aback.

Of the nine starfields under apocalypse Starfield, Chen Xiaobei had only come into contact with five-Saint Duke! The Dragon God! Poseidon! Heavenly reflection! Royal dome!

There were still four other galaxies that Chen Xiaobei had not had the chance to get in touch with.

the blood Emperor Starfield is a very mysterious place. It's almost hidden from the world. It's normal that you haven't come into contact with it! Qin Yitian said indifferently.

"Forget it, let's not talk about Qin Wuxin!"

the center of the ruins is right in front of us. That bulge should be the core Hall of The Five Venoms order. If I'm not mistaken, the sect's treasure vault should be below the hall! That monster might also be there!"

"Understood!"

Qin Yitian gripped her sword tightly and said, " we have to be on high alert. The place that the monster thinks is the safest must be the most dangerous place for us!

"Woof!"

At this moment, a wild fluctuation of true core strength came from behind. It was at least two-star earth-god strength, and the whole space trembled.

"This is bad!"

Qin Yitian's heart skipped a beat. She tried to take out the spiritual stones in a hurry.

"Behind me!"

Chen Xiaobei reacted quickly. There was still 80 million low-grade spiritual Qi in the Dragon's edge. He did not need to replenish it. He just burned it and unleashed the power of a two-star earth-god!

"Woof!"

Chen Xiaobei turned around and slashed out a black arc!

"Boom boom boom ..."

What was rushing from behind was a golden true essence, with an extremely strong seventh metal attribute, giving people the feeling of a golden spear Iron Horse swallowing mountains and rivers.

Of course, although this attack was strong, the power of the Dragon's edge was not any weaker.

The black saber arc directly clashed with it. It was like Mars crashing into earth. There was nothing fancy about it. It was brute force!

"BOOM!"

The earth trembled and dust filled the air. It was as if the entire space had been torn apart, and everyone's heart was shaken.

"Young master Chen is so strong! He was actually able to take eldest cousin brother's attack head on!"

Before the dust had settled, Qin Wuxin's exclamation was heard.

the kid with the black blade is the helper Qin Yitian invited? "

Qin Mingfeng's face was gloomy. As the eldest son of the Qin family, he had used all his strength to launch a sneak attack from the back, but it was easily resolved. He really felt embarrassed.

"Right!" yes! Qin Wuxin nodded and said, " that day at the martial arts practice field, the person sister Yitian was waiting for was this young master Chen!

Hundreds of people turned to look at Chen Xiaobei.

Everyone's eyes were filled with hostility and killing intent!

Chapter 1857: Wind and thunder in all directions (3)

“Strange ... Why did they wake up so early?”

Qin Yitian furrowed her brows. “Young master Chen, didn’t you say that they would be unconscious until tomorrow? With your medical skills, it’s impossible for you to make a wrong judgment ...”

why did they wake up earlier? that’s no longer important!

“Don’t you realize that there’s something wrong with the atmosphere?” Chen Xiaobei asked. Even the people of your third branch have become very different!”

“It seems so ...”

Qin Yitian’s expression changed. “Logically speaking, even if Qin Mingfeng was hostile to me, he wouldn’t have attacked me so brazenly! If someone reports this to the higher-ups of the family, he’ll definitely be punished!”

” that’s right! Chen Xiaobei said, ” if Qin Mingfeng dared to launch a sneak attack, it means that he’s not afraid of the higher-ups of the Qin family. He might even have received orders from them!

how ... How is this possible?! “Why did the higher-ups order Qin Mingfeng to kill me?” Qin Yitian asked in shock.

just wait and see ... Chen Xiaobei said, ” this matter is definitely not as simple as it seems. Perhaps it has something to do with Qin Wuxin!

“Qin Wuxin?” Qin Yitian’s face was filled with confusion.

At the same time, hundreds of people from the Qin family had already surrounded them under the leadership of Qin Mingfeng.

Everyone was holding their weapons tightly, full of killing intent, ready to fight at any time.

“Qin Yitian! You murderer! Put down your weapons immediately! Surrender without resistance!”

Qin Mingfeng took a step forward. He held a two-star earth-god level Golden Hammer and pointed it at Qin Yitian.

“Murderer?” Qin Yitian was taken aback. “What are you saying? I don’t understand a single thing!”

“Don’t play dumb!”

“All the corpses of the deceased are in my storage bangle. You have no choice but to admit it!” Qin Mingfeng shouted in anger.

“Dead?”

Chen Xiaobei stepped out and said, ” “I killed all the people from the Holy flame Guild! What does this have to do with your Qin family!”

“What? You killed everyone in the Holy flame Guild all by yourself? This ... How is this possible?”

Everyone was shocked. They looked at Chen Xiaobei as if they had seen a ghost.

Everyone knew that Chen Xiaobei was not a simple person, but they did not expect him to be so overbearing. He had single-handedly killed hundreds of people, and his decisiveness was chilling to the bone.

“Don’t try to divert our attention, kid!”

Qin Wuxin said solemnly, ‘the Holy flame Guild has nothing to do with the Qin family! We don’t care if they die or not! The dead I’m talking about is Governor Qin and the hundreds of people from the fifth branch he brought with him!’”

“What?”

Chen Xiaobei and Qin Yitian were both stunned.

outside the cave, I did suggest to eldest miss Qin to kill supervisor Qin Wu. However, eldest miss Qin refused!

Chen Xiaobei’s face turned cold and said, ” eldest miss Qin and I haven’t even touched Governor Qin. How could we kill him and the hundreds of people he brought with him? ”

“The dead can’t testify! You can say whatever you want to!”

Qin Mingfeng’s words changed and he said ruthlessly, ” “But no matter what you say, we won’t believe you! Today, you and Qin Yitian will both die Here!”

“Qin Mingfeng!”

“I’m one of the candidates to inherit the family!” Qin Yitian shouted. You don’t have the right to kill me without an order from the higher-ups of the family! I will never let you hurt young master Chen!”

“The order is clear, right?”

Qin Mingfeng grinned hideously, “I’ve already reported this matter to the fifth branch’s managing elder!” As Governor Qin Wuji’s father, the fifth branch’s managing elder has already given me a clear order to kill you on the spot. He will bear all the consequences!”

“This ... This is impossible!” Qin Yitian’s heart skipped a beat. She had a bad feeling.

“Miss Yitian ... This is all real ...”

The dozens of people from the third branch all advised, “Miss Yitian ... You should put down your weapon and confess! If he returned alive, he could still explain to the higher-ups! If you try to resist, you’ll really be killed on the spot!”

“Who told you that you can confess and get a lighter sentence?” Qin Mingfeng grinned hideously and said sinisterly, ” it doesn’t matter if Qin Yitian puts down her weapon or not. She will die today!

“That’s right! Qin Yitian must die! She must not be allowed to live today! Kill, kill, kill ...”

Qin Tianhan, Qin zixu, and Qin Haohao all clamored, fully supporting Qin Mingfeng’s decision.

It was obvious that the fifth branch’s managing elder had already said that he would bear the consequences of killing Qin Yitian!

Qin Mingfeng and the rest did not have to take any responsibility. They would seize this rare opportunity to get rid of their biggest competitor, Qin Yitian!

“Members of the Qin family, hear my order!”

let’s go! Qin Mingfeng raised his hand and roared, ” form the ‘eight directional thunderstorm’ battle formation immediately. We’ll work together to kill Qin Yitian and clean up the Qin family!

“Clang! Clang! Clang ...”

As soon as he said that, the hundreds of people around him drew their weapons and quickly changed their positions, forming a very exquisite battle formation.

“Shit ...”

Seeing this, Qin Yitian’s heart clenched even more. Her eyes were filled with anxiety. the Octagon wind and thunder array is one of the nine unique skills of the Qin family. It has reached the three-star earth-god level!

what do you mean? ” Chen Xiaobei frowned. are you saying that if these people work together, they can unleash the power of a three-star earth-god? ”

“More than that!”

“The hundreds of people in front of us are all elites from the various branches of the Qin family!” Qin Yitian said nervously. Their cultivation bases are all at the heavenly origin stage!”

the point is, the five candidates are all God-Ascension cultivators. They also have two-star earth-god instruments!

if they join forces with the help of the Octagon wind and thunder array, I’m afraid they can unleash a peak three-star earth-god’s combat strength!

As he spoke, the hundreds of people began to circulate their true Yuan, and the terrifying energy fluctuations caused the entire space to tremble.

the peak combat strength of a three-star earth-god!

that’s why they dared to face Heavenly Sword head-on! They have a way to suppress Heavenly Sword! Chen Xiaobei said.

“Young master Chen ... Run ...”

“I should be able to take one hit and buy you some time to escape!” Qin Yitian said in a low voice.

“No! There’s no such thing as escape in my dictionary!” Chen Xiaobei shook his head and focused on the situation.

“Childe Chen!” Qin Yitian was anxious. Don’t try to show off! Although your black blade is also a three-star earth-god instrument, even if you and I join forces, we can’t break the Octagon wind and thunder array. In the end, we will both die Here!”

“Whoosh ...”

At the same time, the formation had been completely formed, and it exploded with the power of wind and lightning!

The entire ruins was filled with violent winds, lightning, and Thunder. It was as if the end of the world was coming. It was extremely terrifying!

“Young lady Qin! You stay here!”

Facing such a terrifying formation, Chen Xiaobei took a step forward and said calmly, “Leave this array to me!”

Chapter 1858: Peed his pants in an instant (4)

“Young master Chen! You must be joking! You can’t go over there, the Octagon wind Thunder formation will tear you to pieces ...”

Qin Yitian was shocked and tried to stop him.

“Young lady Qin!”

Chen Xiaobei stepped forward with the saber in one hand and said without looking back, “You see me as a close friend, but you don’t know me!”

what ...? Qin Yitian was stunned.

“Don’t you underestimate me!”

As Chen Xiaobei walked, he said, “You’ve only seen the tip of the iceberg of my strength! I have at least a 50% chance of winning this battle!”

“Fifty percent chance of winning? How ... How is this possible?!”

Qin Yitian couldn’t believe it. She said nervously, “Do you know how big the gap is between an early-stage three-star earth-god and a peak three-star earth-god? You have no chance of winning in a head-on battle!”

“I don’t want to explain, I just want you to believe me!” Chen Xiaobei did not turn back and continued to walk forward.

His tone was very calm, but it exuded an extremely overbearing pressure, as if it was an imperial decree from a King, and no one could question it!

this ... Qin Yitian’s heart skipped a beat. It was as if something had pierced through her heart. She stood rooted to the ground, unable to speak.

By the time Qin Yitian came back to her senses, Chen Xiaobei had already walked out of her control range. It was too late to stop him.

“Chen Zhufeng! I believe you!”

Qin Yitian gritted her teeth and shouted, " "However, if you die, you will be betraying my trust! I will never forgive you in this lifetime! Even if I have to chase you to the yellow Springs, I'll still ruthlessly deal with you!"

Obviously, Qin Yitian's shout was to express her trust in Chen Xiaobei.

At the same time, it also showed that he was determined to die!

If Chen Xiaobei was defeated and killed, Qin Yitian would not live on either. She would follow him to the netherworld and die with him!

Chen Xiaobei did not respond. He raised his saber and waved it in the air.

.....

"Big cousin! Qin Yitian did not move! On the other hand, that Chen brat came over. He seems to want to deal with us alone!"

Qin Tianhan's brows furrowed, his face filled with disbelief.

They could not imagine how Chen Xiaobei would have the courage to face a battle formation of hundreds of people.

Qin Mingfeng sneered, "it's obvious that kid knows nothing about our Qin family's Octagon wind Thunder formation!" Everyone, don't hold back, kill him in one hit! He won't even know how he died!"

"Big cousin, you think too highly of that kid!"

what? " Qin haochen said disdainfully, " the black blade in his hand is only a two-star earth-god instrument. It can't even block half a move from the Octagon wind and thunder array! If we go all out, it'll be like killing a chicken with a dragon slaying knife!"

"You're right!"

"The Octagon wind and thunder formation is prepared for Qin Yitian!" Qin zixu said with disdain. We also have two-star earth-god instruments, and any one of us can crush that Chen fellow! He doesn't deserve to die under the eight directional lightning!"

Hearing this, everyone around him nodded.

"Young master zixu is right! That kid is a little trash, he's not a threat to us at all!"

"Yup! Qin Yitian is our biggest enemy! That little trash is not worthy of us activating the formation!"

"You're right! If it wasn't for that black blade, we wouldn't even need you young masters to do anything. We could easily deal with that little trash!"

It was not hard to tell that the hundreds of people in the Qin family all agreed with Qin zixu's statement and did not take Chen Xiaobei seriously at all.

Even his ethereal cultivation subordinates dared to threaten Chen Xiaobei.

"Everyone, calm down!"

Just as everyone was looking down on Chen Xiaobei, Qin Wuxin said in a deep voice, "Young master Chen is definitely not an ordinary person! We can't underestimate the enemy! Otherwise, the consequences will be unimaginable!"

"Wuxin, you're such a coward!"

Let's go! Qin zixu said disdainfully, "I'll kill that Chen brat in seconds. Then, we'll work together to deal with Qin Yitian!"

"Swish!"

As soon as he finished speaking, Qin zixu raised a battle spear and rushed out of the battle formation.

"Whoosh ..."

At the same time, Qin zixu threw out 10 million low-grade spiritual stones and crushed them with Zhen Yuan, which instantly released a huge amount of spiritual Qi.

boom boom boom!!!

In the next moment, 10 million low-grade spiritual Qi was completely absorbed by the spear in Qin zixu's hand, and it was burning rapidly.

With a loud sound, the spear suddenly burst out with earth true essence.

"Little brat! Did you see that? This is this young master's Mountain-shattering earth-splitting spear! It's a two-star earth-god instrument, just like the black blade in your hand!"

Qin zixu said arrogantly, "Although our weapons are of the same grade, my cultivation has already reached the one fire god-refining realm! I can definitely crush you easily!"

[ding Yingluo's cultivation base: spirit-refining with one fire, lifespan: [year 1607, physique: 1500000, combat power: 1500000!]

With a sweep of his netherspirit battlescouter, he saw through Qin zixu's strength.

After the upgrade, the cultivation base displayed by the netherspirit battlescouter had also changed.

One fire to refine the spirit!

By displaying his cultivation like this, he could better reflect the essence of the God-Ascension realm!

Simply put, when a cultivator's combat power reached one million, a weak primordial Spirit Fire seed would be produced in their dantian!

When it reached 1.5 million combat power, the essence Soul Fire seed would form the first essence Soul Fire!

His current cultivation base was at the one fire god-refining realm!

After that, for every 500000 combat power increase, he would have an additional primordial Spirit Fire!

When the primordial spirit had nine Balls of Fire, it would be the nine flames God-refining realm. This was the true peak of the God-refining realm!

In the end, the nine primordial spirit flames would merge into one and evolve into a mysterious primordial spirit. Then, the cultivator could break through a major realm and achieve the extraordinary earth immortal realm!

From the essence Soul Fire seed to the nine flames spirit-refinement realm, this was the essence of the spirit-refinement realm!

Combining the nine flames into one and forming the primordial spirit was the ultimate goal that all spirit-forging stage powerhouses dreamed of!

Chen Xiaobei had already heard about this from Kojiro the turtle, so he was not surprised.

“Little brat! Why aren’t you saying anything? Are you scared silly by me?”

Qin zixu had always looked down on Chen Xiaobei. Now, he said arrogantly, ” “That black blade is powerful, but your own strength is trash! As long as I exhaust the spiritual Qi in the black blade, you will die!”

“Whoosh ...”

Without a word, Chen Xiaobei took out 1.12 billion low-grade spiritual stones!

“Ka! Ka! Ka ...”

The spirit stones that filled the sky were like a heavy downpour. Before they even touched the ground, they were already crushed by true essence, releasing extremely dense spiritual Qi.

The spirit Qi was being absorbed by the Dragon’s edge!

In addition to the remaining spiritual energy from the Dragon’s edge, the total amount of spiritual energy at the moment had reached an astonishing 1.2 billion!

Chen Xiaobei did not change his expression and said, ” “What did you just say? You want to exhaust my spiritual energy?”

this ... This, this, this ... Qin zixu almost peed his pants.

Chapter 1859: Testing the saber with a formation (1)

Qin zixu was dumbfounded.

However, what really shocked him was not the amount of spiritual Qi.

After all, 1.2 billion low-grade was only equivalent to 120000 middle-grade. To the young masters of the wealthy families in the top-tier starfields, this was not a lot at all.

But! Every earth-god instrument had its own capacity for spiritual energy!

Using a one-star earth-god instrument would require one million low-grade spiritual energy, and the upper limit of its capacity was about ten million low-grade spiritual energy. It could not absorb more at once!

Using a two-star earth-god instrument would require ten million low-grade spiritual energy, and its capacity was limited to one hundred million low-grade spiritual energy.

In Qin zixu's eyes, Chen Xiaobei's Black saber was just a two-star earth-god instrument!

However, in just a few seconds, the black blade had absorbed 1.12 billion low-grade spiritual energy!

This had far exceeded the upper limit of a two-star earth-god instrument!

It had even exceeded the upper limit of a normal three-star earth-god instrument!

"Cousin Zi Xu! Quickly come back! The black blade's spiritual fluctuations were stronger than Heavenly sword's. It was at least a late-stage three-star earth-god instrument! A casual slash could completely obliterate you! Quickly retreat!"

At this critical moment, Qin Wuxin was extremely calm. He accurately judged the level of the Dragon's edge and immediately warned them.

three ... Late-stage three-star ... This ... How is this possible?!

As soon as he said that, the hundreds of people around him were all shocked. They couldn't believe their ears.

However, the truth was right in front of their eyes!

After burning his spirit Qi, the Dragon's edge was already emitting a spirituality that was even stronger than Heavenly sword's!

According to the spiritual fluctuations, everyone could confirm that the Dragon's edge was definitely a mid to late three-star!

"Oh my God ..."

Qin zixu took in a breath of cold air and used all his strength to run for his life. As he ran, he shouted, "who the hell is that kid ... How could he have an earth-god instrument that's stronger than Heavenly Sword ..."

Just a few seconds ago, Qin zixu was still saying that he wanted to crush Chen Xiaobei.

But a few seconds later, before Chen Xiaobei could even do anything, Qin zixu was so scared that she ran for her life!

When he was about to reach the battle formation, Qin zixu even fell down and rolled into the battle formation, looking extremely embarrassed!

"Trash!"

Chen Xiaobei was disdainful and did not bother to chase after her. He held the saber in one hand and raised it in front of him. "Prepare your great formation. Today, I will use your eight directional lightning! Test the saber!"

"Whoosh ..."

As soon as Chen Xiaobei finished his sentence, the dark demonic Qi shot up into the sky like a black pillar, reaching 300 meters high!

100 million low-grade spiritual Qi was instantly ignited, stimulating an intense and unparalleled vital essence!

With the help of true essence, the dark demonic Qi that reached the sky quickly turned into a ferocious dark demonic Dragon!

The 300-meter-tall Dragon looked down at the people below from above!

The moment the darkness Demon Dragon lowered its head, an extremely terrifying pressure descended along with its gaze!

Fiendish, overbearing, arrogant, looking down on all living beings in the Three Realms!

Oh my God ... The pressure of this demonic Dragon phenomenon is too terrifying ... Even Heavenly sword's full-powered attack will be suppressed ...

The hundreds of people below were all intimidated by the darkness Demon Dragon's ferocity.

Their pupils contracted, their bodies and minds trembled, and the sound of gasping rose and fell in the crowd.

Many people even felt that the end of the world was coming. Everything in the world would be crushed by the terrifying demonic Dragon and turned into ashes!

"So strong ..."

Qin Wuxin furrowed his brows and gritted his teeth. He tried his best to maintain his composure, but he was still extremely shocked. This darkness Demon Dragon's pressure ... Is almost comparable to the blood patriarch's ...

"So this is young master Chen's trump card ... It's indeed stronger than my Heavenly Sword ..."

Qin Yitian's pupils contracted, her face full of shock. At the same time, she was still very worried. "Although black saber is strong ... He's still a distance away from a peak three-star! If we were to fight head on, young master Chen still has no chance of winning ..."

everyone, stay calm!!!

At this moment, Qin Mingfeng circulated his true core strength and suddenly let out a thunderous roar, "That black blade is indeed very strong! However, compared to the Qin family's eight directional wind Thunder formation, it's still far from it!"

The sound was like thunder, deafening everyone's eardrums!

"Hiss ..."

The surrounding hundreds of people all gasped as if they had just woken up from a dream. They recovered from the extreme shock.

It was obvious that the enemy could see what Qin Yitian could see as well.

“Guard your mind!”

black saber is not a peak three-star! Qin Tianhan also shouted, “let’s activate the omnidirectional wind and thunder formation! Within ten moves, that brat will be defeated without a doubt!”

“That’s right! Well said! You’re right!”

Everyone calmed down and shouted in unison, “Young master Mingfeng and young master Tianhan’s analysis is completely correct! Everyone, attack together! We’ll definitely be able to kill that kid!”

kill!!!

Hundreds of people let out majestic battle roars at the same time. Their blood boiled violently, and their battle intent instantly soared! It actually exploded with a massive aura that was like an Army of thousands!

Whoosh ... Whoosh ...

Along with the majestic battle roars, hundreds of people circulated their true Yuan and pushed their strength to the extreme. They also pushed the power of their spirit weapons to the extreme!

These hundreds of people were all elite warriors of the Qin family, all at the sky origin stage! The spiritual weapons in their hands were all high-end spiritual weapons that were six-star and above!

It was no exaggeration to say that these few hundred people were enough to kill an Army of ten thousand people from any force under apocalypse Starfield!

They were all fighting with all their might, joining forces, just to take on Chen Xiaobei!

This was not all!

With Qin Mingfeng as the leader, the five young masters of the Qin family were all in the spirit-forging stage. Each of them had a two-star earth-god instrument!

Whoosh ... Whoosh ...

The five young masters circulated their vital essence and released tens of millions of low-grade spiritual stones to reduce the power of their two-star earth-god instruments to their peak!

“Wind, rise! Thunder!”

Qin Mingfeng stood in the middle of the array, raised the earth-god instrument in his hand, and let out a deep roar.

“Phew! Whoosh ... BOOM! Rumble ...”

The next moment, the world changed!

The frenzied Hurricane came from all directions. Wherever it passed, the plants, the ruins, and the earth were all crushed by the wind. It was as if a world-ending catastrophe had left the entire space in ruins!

A thick bolt of lightning struck down from the depths of the sky like the divine Thunder from the nine Heavens. It was powerful, fierce, and domineering. Everything that stood in its way was reduced to ashes. Even time and space were not spared!

eight directional lightning ... The gods and Buddhas are all annihilated ... Zhufeng, how are you going to resist it ...

Qin Yitian's body trembled. She had never been so nervous before. Her breathing and heartbeat had stopped. All her energy was focused on Chen Xiaobei!

But what Qin Yitian saw was a fearless Chen Xiaobei!

His expression didn't change, only two words!

"Devil! Dragon!"

Chapter 1860: Black Lightning ability (2)

"Three great tribulations! The black Lightning tribulation of destruction!"

The enemy was going all out, and Chen Xiaobei did not dare to be slow. He used his ultimate trump card!

Ever since the Dragon's edge had been upgraded to a three-star earth-god instrument, Chen Xiaobei had won every single battle he had fought.

Such a battle could not test the strength of the Dragon's edge!

The eight directional thunderstorm formation was stronger than the demonic Dragon's edge. It would be a tough battle for Chen Xiaobei!

Chen Xiaobei did not back down. He chose to face the difficulties head-on!

In the face of a tough battle, Chen Xiaobei had to give it his all. Not only could this test his strength, but it could also test his potential!

This battle was a battle to test the saber!

"Roar!"

The next moment, Chen Xiaobei swung his saber and attacked!

With a wave of the blade, the darkness Demon Dragon in the sky swooped down directly and pointed at the giant lightning above the array!

"BOOM! Rumble ..."

The enemy also took action immediately. Qin Mingfeng controlled the lightning above the formation to rise from the ground and roll toward the darkness Demon Dragon.

Boom ... Boom ... Boom ...

In an instant, the darkness Demon Dragon and the giant Thunderbolt were engaged in a close-range battle.

From a distance, it looked like a Black Dragon was fighting a Thunder Dragon in the sky!

The power of both sides had reached the three-star earth-god level. The battle scene was extremely terrifying.

Just the aftershocks of the collision caused the sky to be cloudless and the earth to tremble as if it was going to be turned upside down!

The aftermath was already so terrifying!

One could imagine how earth-shaking the power of a three-star earth-god at the core of the battle would be!

“BOOM! BOOM! Boom ...”

A series of loud sounds rang out continuously. The darkness Demon Dragon and the giant Thunderbolt flipped and shifted in the air and were locked in a fierce battle. It could be said that they were equally matched!

On the surface, it seemed like the darkness Demon Dragon had already withstood the giant lightning!

However! Chen Xiaobei's face was not relaxed at all!

The enemy's battle formation was called the eight directional wind and thunder, and the Thunder Dharma was only a part of it!

“Woof! Buzzzzzz! Yi ...”

In the next moment, the wild wind energy construct that had been biding its time suddenly activated after the darkness Demon Dragon was entangled!

The target! He was pointing at Chen Xiaobei!

With the support of the three-star earth-god strength, the Dharma power of the fierce wind burst out with extreme speed and strength!

Each wisp of air current in the wind was like a battle blade that could cut through iron as if it was mud!

Strong winds surrounded them from all directions, and the number of wind blades within them was uncountable!

Chen Xiaobei was standing right in the middle of the storm. There was no way out!

Once the wind blade reached Chen Xiaobei, he would be cut into dust that was even smaller than the residue!

“Zhufeng!”

From afar, Qin Yitian shrieked nervously, her eyes turning red.

Obviously, when one reached the earth level deity stage, even if they were the same level, there would be a huge difference in power between the early, middle and late stages.

The current battle situation was enough to explain the problem!

Although the blackfiend Dragon had managed to entangle the giant lightning bolt, it did not have the strength to stop the wind from all directions.

This was the difference!

Because of that, Qin Yitian thought that Chen Xiaobei was dead for sure. He would not even have a corpse left!

“Hahaha ... That kid is dead ...”

At the same time, all the enemies, like Qin Yitian, believed that Chen Xiaobei was dead for sure!

All of them were beaming with joy and were even ready to cheer and celebrate!

“Black Lightning of destruction!”

But! It was at this critical moment! There was no fear on Chen Xiaobei’s face, and his dark eyes were sharp!

Who dared to think about it!

Right before he died, Chen Xiaobei launched a sudden counterattack!

He was terrifyingly calm!

“BOOM! Rumble ...”

In an instant, the darkness Demon Dragon’s four giant claws surged with Black Lightning at the same time!

They were like hundreds of Black Lightning pythons coiling around the dragon’s claws!

Without a doubt, the power of the demonic Dragon tribulation was not as strong as the Octagon wind Thunder formation! In a head-on confrontation, he would definitely lose!

But!

The special ability of the Dragon’s edge originated from the heavenly Tribulation, which was an anomaly among fixed things!

Chen Xiaobei’s 50% chance of winning was built on the Dragon’s Edge’s special ability!

“BOOM!”

The darkness Demon Dragon suddenly swung its front left claw like the Grim Reaper’s scythe that could split the sky and earth!

The black Thunder of destruction split the giant lightning in front of it into two!

“BOOM!”

Its right front claw followed closely behind and it waved it like throwing a spear, throwing dozens of Black Lightning bolts into the wind!

The black Lightning fell and surrounded Chen Xiaobei. They intertwined with each other and formed a net of lightning, protecting Chen Xiaobei in the middle!

Whoosh ... Whoosh ...

The next moment, the wind from all directions came crushing down on Chen Xiaobei. What should have been countless wind blades cut Chen Xiaobei into mincemeat!

However, as soon as the wind came into contact with the net of Black Lightning, its power would be greatly weakened.

The original three-star Peak earth-god strength had directly shrunk to two-star earth-god strength after touching the Thunder net!

Even though a two-star earth-God's power was far beyond Chen Xiaobei's own cultivation!

However, a two-star earth-God's power was not enough to kill Chen Xiaobei!

"Chi ..."

The blood God's deity-killing painting suddenly appeared.

Forty-eight blood gods rushed out of the picture and activated their Blood Shield ability to withstand the weakened wind!

The blood God's deity-killing painting was already a two-star earth-god instrument. Even without activating the thousand spirit formation, its Blood Shield alone had the defensive power of a two-star earth-god!

"Woof! Buzzzzzz! Yi ..."

Countless wind blades hacked at the bloody shield like a storm!

It was a pity that the two-star earth-god strength of the wind blades, which had been weakened by the Nirvana Black Thunder, was not enough to break the defense of the blood Shield!

"I won ..."

Chen Xiaobei stood proudly in the middle of the black Lightning net and the 48 Blood God illusions. Not only was he unscathed, but his expression did not change much.

Before this battle, Chen Xiaobei was not sure how strong the Nirvana Black Lightning was!

After testing the saber, Chen Xiaobei had a whole new understanding of the Nirvana Black Thunder. He had absolute confidence in it!

This battle was a sure win!

"BOOM! BOOM!"

In the next moment, the darkness Demon Dragon waved its back claws and shot hundreds of Black Lightning bolts toward the people in the Octagon wind and thunder array!

“Shit! Everyone immediately increased their strength! Activate the lightning protection formation!”

Everything had happened in the blink of an eye. At this moment, among the hundreds of people in the Qin family, only Qin Wuxin remained calm and issued a warning immediately!

The wild wind Dharma power had been neutralized by the black Lightning net and the blood God!

Although the Thunder Dharma was broken in half, it still had the power to fight. As long as everyone added their vital essence, they could still exert the power of a three-star earth-god!

“BOOM! BOOM! Boom ...”

However, the people of the Qin family were not as calm as Qin Wuxin. The number of people who contributed their vital essence at the first moment could be said to be few!

Dozens of Black Thunder of Nirvana struck down and shattered the broken Thunder Dharma form into pieces!

“BOOM! BOOM! Boom ...”

The remaining dozens of Black Thunder of Nirvana headed toward the Qin family and struck down.
