Chapter 1901: Counter-ambush (3)

"It's so late at night. I'm afraid I won't be able to explain myself if someone sees me walking through the main door!" Qin Yitian frowned.

"It's even more difficult to explain if someone saw us climbing through the window!" Chen Xiaobei was speechless.

"Let's not talk about this! No one saw it anyway!" I heard something happened to you," Qin Yitian changed the topic. have you solved it? "

Chen Xiaobei was surprised. "My matter has been resolved! On the other hand, what happened to you? Why does it feel like you're isolated from the world?"

Qin Yitian explained, " I've given all I've gained from The Five Venoms sacred cult's Treasury to the clan. That's why great-grandfather rewarded me with a pill that's helpful to my cultivation. I've been cultivating in seclusion all this time. I just sneaked out of the cultivation chamber!

"Oh?" Chen Xiaobei blinked his eyes and activated his golden gaze fiery eyes.

Obviously, this Qin Yitian had aroused Chen Xiaobei's suspicion!

First of all, Qin Yitian's innate killing intent couldn't be felt from this man!

Secondly, Qin Yitian had the aura of a Queen. She was serious when she spoke and did things. She would not do such childish things like climbing through the window and sneaking out of the cultivation room!

That was why Chen Xiaobei felt that something was not right!

As expected! As soon as he activated his golden gaze fiery eyes, Qin Yitian's face became blurry.

His fiery golden eyes could see through everything. That layer of thing directly turned translucent, and under it was another face!

This was enough to prove that the person in front of him was a fake Qin Yitian. He was wearing a human skin mask and was very good at disguising himself. He was even skilled in voice changing!

Chen Xiaobei calmed himself down and asked, " Yitian, why did you come here so late at night? is there anything else? If you don't, you can go back. I still need to sleep!"

"There are! I want to show you something!"

The fake Qin Yitian immediately reached out a clenched hand and said in a mysterious voice, " Come over and take a look! This thing is very magical!"

"Open your palm." Chen Xiaobei said.

no, come over here first. I can only open my palm! The fake Qin Yitian clenched his fists and urged, " Hurry up! I snuck out, so I have to go back and cultivate immediately!"

“Alright! I’ll come over!” Chen Xiaobei nodded and walked over.

“Help me take a closer look at this. What exactly is this thing?” The fake Qin Yitian opened his palm slowly. An extremely sharp dagger slid out of the sleeve of his other hand.

Without a doubt, the fake Qin Yitian wanted to take advantage of Chen Xiaobei’s attention, which was focused on the clenched hand, to launch a sneak attack at close range and kill Chen Xiaobei!

“Swish!”

The fake Qin Yitian took the opportunity and stabbed the dagger into Chen Xiaobei’s dantian!

“BOOM!”

But in the next moment, a purple-gold fireball shot out from Chen Xiaobei’s dantian!

Although the fake Qin Yitian’s dagger was made of extremely hard material, it was still far from earth-god level!

As a result, the moment the dagger touched the purple-gold fireball with the power of a three-star earth-god, it was instantly melted into molten iron and dripped to the ground.

how ... How is this possible?!

The fake Qin Yitian was dumbfounded. His pupils contracted uncontrollably, and he trembled in fear.

“Whoosh!”

The next moment, Chen Xiaobei reached out and grabbed the throat of the fake Qin Yitian. “I’ve already used this move a long time ago! Do you think you can kill me like this? You can’t be more naive!”

It was obvious that Chen Xiaobei had used this kind of sneak attack before, and he was very familiar with it.

Because of that, Chen Xiaobei not only saw through the fake Qin Yitian’s identity, but also knew every move the fake Qin Yitian made!

Chen Xiaobei knew better than anyone else that when the fake Qin Yitian made her move, she would be the most focused!

The fake Qin Yitian thought that she had attracted Chen Xiaobei’s attention. She did not expect that Chen Xiaobei would launch a sneak attack when she was at her peak!

Not only did he fail to kill Chen Xiaobei, but his life was now in Chen Xiaobei’s hands!

“Don’t ... Don’t kill me ... Please don’t kill me ...” He begged.

The fake Qin Yitian was extremely shocked. His breathing quickened, and cold sweat poured down his face like rain. He was obviously a person who was extremely afraid of death.

“Speak, who sent you?” Chen Xiaobei’s voice was cold as he clutched the fake Qin Yitian’s throat with his fingers.

“I ... I’ll tell you, I’ll tell you ... Please don’t kill me ... I’ll tell you everything ...” He begged.

The fake Qin Yitian felt a strong sense of suffocation in her throat. It was as if Chen Xiaobei would break her neck at any moment.

The fake Qin Yitian was extremely afraid of death. This feeling made her not dare to hesitate at all. She immediately confessed, "Young master zixu sent me here ..."

"Qin zixu?" Chen Xiaobei said, "Tell me everything you know!"

"Yes, yes, yes ..."

"Our young master zixu and the sixth branch's young master Haoxiang have a very, very good relationship!" The fake Qin Yitian said quickly. The moment he heard that young master Hao Xiang was beheaded in public, our young master Zi Xu was enraged! I also heard that you entered the Qin residence, so they sent me here ... To ... To assassinate you ..."

"Something's wrong! You're lying!"

Chen Xiaobei said, "Qin zixu tried to attack me in the ruins of The Five Venoms order, but I scared him so much that he fell flat on his face!"

"This ... This can't prove that I'm lying!"

The fake Qin Yitian swallowed and tried to argue, "I can swear! I'm definitely not lying! If I'm lying, then ... Then I'll die a horrible death ..."

"You must be lying!"

"That day, Qin zixu was so scared of me that she crawled away in front of hundreds of people! This is enough to prove that Qin zixu is extremely timid and afraid of death!"

"That's why even if Qin zixu wanted to kill me, he wouldn't have chosen to do it on the night before the old master's birthday! Even if Qin zixu had a hundred guts, he would never dare to do this!"

"The point is, even if Qin zixu wanted to kill me, he would choose someone who would rather die than submit! A coward like you who betrays your master the moment you open your mouth! Qin zixu wouldn't dare to use it even if he had the guts!"

the two points are enough to prove that you have never spoken the truth from the beginning to the end! Chen Xiaobei's eyes were cold and murderous.

this ... This ... the fake Qin Yitian was speechless. He wanted to argue, but he had no reason to.

I'll give you three seconds! Chen Xiaobei said coldly. tell me the truth! Otherwise, I'll fulfill your promise and make you die a horrible death!"

"Chen Zhufeng! You're amazing!"

The fake Qin Yitian gritted his teeth and said, "I'm a top-tier assassin, and I actually failed on you! I admit defeat! Just kill me! Even if I die, I will not betray master!"

"Master?" Chen Xiaobei was surprised. "Don't be in such a hurry to die. I have a way to make you speak the truth!"

Chapter 1902: The truth behind the scenes (4)

“Don’t worry! Even if you torture me! Even if you make me wish I were dead! I will never betray master!”

The fear of death on the Assassin’s face was instantly swept away, and in its place was an indifferent expression that was not afraid of death.

Obviously, the assassin was pretending to be afraid of death so that he could blame it on Qin zixu after the failed assassination!

However, at this time, the Assassin’s assassination failed, and so did the framing. She knew that she was going to die, so she did not have to continue acting.

The loyalty in her heart was already higher than her life. Not only did it make her not fear death, but it also made her fearless of all torture. Even if she was better off dead, she would be 100% loyal!

The Assassin’s actions had reminded Chen Xiaobei of something!

“Open your mouth!”

Chen Xiaobei took out a heavenly dog biscuit and said, “ as long as I eat this biscuit, you will tell me the truth!

No... I’m not eating it!!! The killer’s pupils contracted uncontrollably, and he shut his mouth tightly, shaking his head and struggling desperately.

hehe, from the looks of it, you seem to have eaten the same biscuits before!

“You don’t have to tell me. I can already guess the answer!” Chen Xiaobei grinned. The person who gave you these biscuits is called Tian Peng! The person who taught you to assassinate me and frame Qin zixu is called Qin Wuxin!”

how ... How is this possible?!

The assassin gasped and exclaimed, “ how could you guess the master’s identity ... And even the division of labor between the two masters ... You ... Are you a human or a ghost ...

The assassin looked at Chen Xiaobei as if he was looking at an all-knowing ancient demon!

Chen Xiaobei smiled, his dark eyes shining with wisdom. “Tian Peng is someone from another world! Other than me, only Tian Peng can take out heavenly dog food!”

Qin Wuxin is a scheming conspirator. Sneak attacks, assassinations, and framing are all his specialty!

Chen Xiaobei shrugged and said, “ “That’s why it’s not difficult to guess the answer to this!”

The Assassin’s face was full of horror and he asked worriedly, “ “You ... Since you’ve already guessed it ... What do you plan to do ... How are you going to deal with my master ...”

“You want to know?” Chen Xiaobei said, “ “But I don’t want to tell you!”

"I know even if you don't tell me!" "You will send me to the Qin eldest great grandfather and let him punish my master!" The killer furrowed his brows and gritted his teeth.

"Childish! How old are you to Sue your parents for a conflict?" Chen Xiaobei laughed and took out a short wooden figure from his infinite space ring.

what ... What is this ... the killer was dumbfounded.

tsk ... Chen Xiaobei took off the Assassin's skin mask and revealed her true appearance.

Then, Chen Xiaobei grabbed the killer's throat with one hand and pressed the other hand on the wooden figure's head.

"Whoosh ..."

As spiritual Qi burned, the wooden man's special ability was activated.

The short and ugly wooden figure suddenly grew taller and had an excellent figure. Even the big head had turned into the Oval face of a beautiful woman.

this ... This, this, this ... Isn't this me ... the killer was dumbfounded, his eyeballs almost falling out.

In just two or three seconds, the wooden figure had turned into a woman who looked exactly like the assassin!

Her appearance, clothes, and figure were exactly the same!

Even their expressions and temperaments were exactly the same!

The assassin looked on in a daze. He felt like he was looking into a mirror, and he couldn't find any flaws at all!

"Chen Zhufeng!" "What's going on?" the killer shrieked. What do you want to do to my master?"

this is a Golem. His name is No. 8 Luban! of course! Chen Xiaobei grinned. your master asked you to assassinate me. Of course, I have to return the favor and give them a surprise!

"What surprise?"

The killer was extremely nervous and kept asking, "You better explain it clearly! You have to explain it clearly! I will never allow you to hurt my master!"

"Don't worry, I won't assassinate them!" Chen Xiaobei shrugged.

"Then what do you want to do?" "You have to tell me!" The assassin screamed excitedly. What do you want to do ... Uh ..."

"Crack!"

Chen Xiaobei snapped the Assassin's neck and said, "You're not qualified to ask so much!"

It was obvious that even though the assassin was a beautiful woman, her original intention was to kill Chen Xiaobei!

Moreover, she was a top-tier assassin, and her hands were already stained with blood!

Although Chen Xiaobei liked beautiful women, he would never be seduced by them. He would kill anyone who crossed his bottom line!

[ding! You have eliminated a first-generation villain. You have been rewarded with 10000 merit points!]

[ding! You have eliminated a second generation villain. You have obtained ...]

[eliminated the third generation villain ...]

[your current merit points are 62700000. You need another 27700000 merit points to go to the next level.(Charm: 6270000, luck: 6270000)!]

Chen Xiaobei checked his netherspirit battlescouter and saw that he had also earned three realms merit points from the black-robed men he had just killed.

All in all, Chen Xiaobei had earned 200000 merit points.

“Two hundred thousand merit points ... Sounds like a lot, but it’s still very, very far from ninety million ...”

Chen Xiaobei frowned. I have to get 90 million merit points before brother Yama finishes the list of ghosts! he said.

“First, I’ll help Ying Zheng exchange for an earth immortal position, and then, with Ying Zheng’s merit points of the Three Realms, I’ll let more important Yin ghosts become earth Immortals! Only in this way can we strengthen our Jie sect! Only then can I be of great help to shizun!”

Chen Xiaobei and Ying Zheng had already discussed this matter.

Unfortunately, there was nothing Ying Zheng could do. All the pressure was now on Chen Xiaobei’s shoulders.

Time was running out. Chen Xiaobei had to think of a way to accumulate as much merit points as possible!

Of course! This was a story for later!

Chen Xiaobei had more urgent things to do!

Chen Xiaobei crouched down and found the cell phone and the storage bracelet on the Assassin’s body.

Chen Xiaobei quickly located Qin Wuxin and Tian Peng’s location from the messages on his phone!

After that, Chen Xiaobei placed the phone and the storage bracelet on No. 8 Luban’s body.

“Go! Pikachu!”

Chen Xiaobei then turned into No. 8 Luban, the female killer, and left the room quietly.

.....

Wuxin yard!

A secret study!

Qin Wuxin and Tian Peng were waiting for the news.

“Senior Tian Peng! Do you think our plan will succeed?” Qin Wuxin could not help but ask.

Chapter 1903: The canopy great country’s ambition (1)

“I can’t succeed!”

Tian Peng shook his head and his cold eyes were filled with wisdom. He said indifferently, “From what I know about Chen Xiaobei, your little tricks will not be able to hurt him!

“Ah?”

Qin Wuxin was taken aback. He asked in surprise, “Since you know that the plan won’t succeed, why did you still let me carry it out?”

“You’re too inexperienced compared to Chen Xiaobei!” Tian Peng said coldly. If it was Chen Xiaobei, he would not have asked such a simple question! Just use your brain and you’ll find the answer!”

this ... Qin Wuxin furrowed his brows tightly. He thought for a long time but still could not come up with an answer. “This junior is slow-witted and still can’t understand. Senior, please give me some pointers!”

“Stupid!”

“Do you still remember the request I made to you after I saved you?” Tian Peng said indifferently.

“Request? I remember, I remember! Of course I remember!”

in the next ten years,” Qin Wuxin said very seriously, “thirty thousand large-scale temples will be built on the Qin family’s territory. In addition to the thirty thousand temples we have now, all of them will be converted into the Golden body Dharma laksana to worship you!

“At the same time, we will also vigorously promote senior’s great achievements in the Qin family’s territory, so that the people will deeply worship and believe in you! In the next 30 years, turn 3 billion people into your devout followers!”

Qin Wuxin paused, patted his chest, and promised, “I won’t forget a single word of senior’s request and will do my best to fulfill it! To repay senior for saving his life! The favor of assisting!”

“What’s the prerequisite for this?” Tian Peng asked.

“This ...”

Qin Wuxin’s expression darkened slightly. “The premise is that I must become the Qin family’s head! Only then will I have the authority to fulfill senior’s request!”

yes! Tian Peng nodded. I saved you and helped you, except for the fact that you have a common enemy, Chen Xiaobei! It's also because you can become the head of the Qin family and help me realize my greater ambitions!"

"Greater ambitions?" "Gaining three billion followers is your greater ambition?" Qin Wuxin asked, puzzled.

Tian Peng said indifferently, "insects in summer can not speak of ice, mortals can not speak of Dao!" You won't understand my ambition even if I tell you!"

"Yes! If you don't want to tell me, I won't ask ..."

Qin Wuxin thought for a moment and suddenly realized something. "I understand! Although Today's Plan could not kill Chen Xiaobei! But he could kill Qin zixu! This way, I'll be one step closer to the position of the Qin family's heir! That's why senior still asked me to carry out the plan even though he knew that the assassination was ineffective!"

Tian Peng finally nodded and said indifferently, " "It seems that you're not so stupid that you're beyond redemption!"

Qin Wuxin smiled and was not angry at all. He asked again, " "I found that female killer from the martial world! He was born in the wild and did not care about morality! Senior, are you sure she won't betray us?"

"Of course I'm sure!" Tian Peng said confidently, "before she left, I gave her a piece of dog food!" The effect of this thing was extremely overbearing! One pill and no matter how wild she is, she will become 100% loyal!"

Qin Wuxin smiled and said, " I don't believe it. I don't believe it. But since it's from senior's mouth, I believe it 100%! Senior even has an immortal pill that can bring the dead back to life, so this kind of immortal pill that can control people's hearts is naturally nothing difficult!"

"Alright, cut the crap! The people you sent have returned!" Tian Peng's eyes focused as he looked at the closed door.

what? " Qin Wuxin was stunned. He said in surprise, " we are now in the secret study of the Wuxin yard. It is located in the underground secret room! How did senior know that he had returned? Could it be ... Could it be that senior has always been in the ... Primordial soul domain?"

Tian Peng didn't say anything.

Tian Peng was a peak four-star earth level deity and his primordial spirit was very powerful.

An ordinary person had five senses-eyes, ears, nose, tongue, and body!

The five senses corresponded to the five senses-sight, hearing, smell, taste, and touch!

And the biggest feature of the earth immortal realm was the evolution of primordial spirit, the birth of The Sixth Sense besides the five senses, the divine sense!

When one released their essence soul, the space they could envelop was an essence soul domain!

In the primordial spirit realm, even if an earth immortal lost all his five senses, he could still use his divine sense to sense everything in the realm.

This was the power of the primordial spirit. It was also the essential change from a 'human' to an 'immortal'!

At this moment, Tian Peng's primordial spirit domain was extremely vast. It could easily cover an area of a thousand meters!

Because of this, although Tian Peng was in the secret study room, his spiritual mind could already sense the situation outside the heartless yard!

"Senior," he said.

this is the Wuxin yard, " Qin Wuxin said respectfully. it's very safe here. You don't have to keep your primordial spirit domain open all the time. It'll be a waste of energy and vital essence.

"That's why I said you're too inexperienced!"

"Chen Xiaobei has a special ability that allows him to become as small as an ant!" Tian Peng said. I have to activate my primordial spirit realm at all times to prevent Chen Xiaobei from dying! If he flies into our mouths, we're finished!"

"What? Chen Xiaobei has such a special ability?" Qin Wuxin swallowed his saliva. Cold sweat poured down like rain!

Was Chen Xiaobei a human or a ghost?

"You've only seen the tip of the iceberg of Chen Xiaobei's power!" Tian Peng said. His trump cards, his wisdom, his state of mind ... All of them are almost monstrous, making people fear him!"

"This ..."

Qin Wuxin swallowed his saliva and said awkwardly, " senior canopy is indifferent and emotionless ... To think that he would give Chen Xiaobei such a high evaluation ... This kid is amazing!

this is probably what it means to appreciate each other ... Tian Peng squinted his eyes and said coldly, " if he didn't steal my woman, we might still be Good Brothers!

"Good brother?" Qin Wuxin was taken aback. He gritted his teeth and said, " "The hatred of snatching one's wife is absolutely irreconcilable! I will definitely help you kill Chen Xiaobei! He will pay the most painful price for his actions!"

"I don't need you to sow discord!"

Tian Peng's eyes turned cold, "don't show off your little tricks in front of me. Don't you feel embarrassed?."

I ... Qin Wuxin was sweating profusely. He nodded and said, " "Senior is wise and unparalleled. This Junior's little trick is indeed disgraceful. I won't dare to do it again in the future!"

"Thump! Thump thump!"

At this moment, a unique knocking sound came from outside the secret study.

Qin Wuxin flicked his finger and released a burst of vital essence. He controlled the formation and opened the door.

“Master! I’m back!”

No. 8 Luban, who had transformed into a female killer, walked in.

Chapter 1904: Another stab (2)

“How’s the operation going?”

Tian Peng squinted his eyes. Every move and expression of No. 8 Luban could not escape his eyes.

However, No. 8 Luban had turned into the same female killer.

More importantly, everything No. 8 Luban saw and heard would be transmitted to Chen Xiaobei’s mind, and he could control it remotely.

Coupled with Chen Xiaobei’s wonderful sound perception, he could perfectly imitate the female Assassin’s voice.

Thus, at this moment, even Tian Peng could not see any flaws.

“Master, my mission has been successfully completed! I’ve already beheaded Chen Xiaobei!” No. 8 Luban said calmly.

“What? This ... How is this possible?”

Tian Peng and Qin Wuxin shrieked at the same time. They could not believe their ears.

This was f * cking awkward!

senior canopy ... Qin Wuxin asked in embarrassment, “ you ... Didn’t you say ... That the plan would not succeed? ”

this ... Tian Peng’s face turned red and green. He was extremely embarrassed.

Half a minute ago, Tian Peng was still full of confidence, saying that the plan would not work and even praising Chen Xiaobei!

He did not expect Chen Xiaobei to be dead! His head was actually chopped off by a female assassin!

This result was simply a slap in the face!

Tian Peng’s face was burning. He couldn’t believe this result!

However, the female assassin had eaten heavenly dog food and was Tian Peng’s loyal dog. She would not lie and Tian Peng had to believe this result!

“You better explain it clearly! How did you succeed in your mission?” Tian Peng calmed himself down and frowned.

“Yes, sir!”

“When I arrived, Chen Xiaobei was already fast asleep!” No. 8 Luban said. I snuck up to him and slashed down with my first blade, but something blocked it and didn’t hurt him!”

Tian Peng nodded and said, “yes!” It was a master-protecting puppet! It can help Chen Xiaobei block a fatal blow!”

Oh my God ... There is actually such a magical thing in this world ... Qin Wuxin muttered to himself, stunned.

I was quick to react. Before Chen Xiaobei woke up, I gave him another stab and cut his head off! No. 8 Luban continued.

Qin Wuxin praised, ‘as expected of a gold-medal assassin! It’s not in vain that I spent so much money to invite you here!”

“You’re welcome, young master Wuxin!” No. 8 Luban replied respectfully. I’m already my master’s loyal dog, you don’t need to pay me anymore!”

“Oh? There’s such a good thing!” Qin Wuxin raised his eyebrows and praised, “Senior Tianpeng’s ability to control people’s hearts is really amazing!”

“Cut the crap!” hand over Chen Xiaobei’s head and infinite space ring! Tian Peng ordered.

“Yes, sir!”

No. 8 Luban took off the female Assassin’s storage bracelet and held it up with both hands, “ Chen Xiaobei’s head and infinite space ring are all in here!

Tian Peng gave a look.

Qin Wuxin immediately walked over and picked up the storage bracelet. He grinned hideously and said, “This is a pleasant surprise! He had only wanted to frame Qin zixu, but he did not expect Chen Xiaobei to be killed in one fell swoop! The heavens are really helping us!”

As he spoke, Qin Wuxin turned around and walked toward the canopy great country.

“Uh ...”

However! Before Qin Wuxin could take a step forward, he felt a sharp pain in his back!

Qin Wuxin lowered his head and saw a sharp dagger piercing through his back and coming out of his chest!

what’s going on!!!

Tian Peng was shocked. He jumped up and slapped No. 8 Luban, sending it flying.

“BOOM!”

No. 8 Luban smashed into the wall and broke into pieces. Its power lost its effect and it returned to its original form as a robot.

that '@@ s ... That's No. 8 Luban!

Tian Peng's expression changed and his eyes almost fell out. He gritted his teeth and said, "F * ck! We've been tricked by Chen Xiaobei!"

save me ... Senior, save me ... I don't want to die yet ... Save me ... Qin Wuxin spat out a mouthful of blood. His chest had been pierced by a knife, and blood was also flowing out. His body was weak, and he fell to the ground.

Seeing this, Tian Peng was so angry that he almost vomited blood, "Chen Xiaobei! You sinister and cunning little thief! I'm not done with you!"

It was obvious that the canopy great country still needed Qin Wuxin to gain three billion followers!

With a believer, Tian Peng could choose the heavenly path reward! His future would be bright! Even if Tian Peng wanted to return to heaven realm, it was not impossible!

Because of this, the canopy great country placed great importance on Qin Wuxin's life.

Last time, in order to save Qin Wuxin, Tian Peng had even torn all decorum with Shen Gongbao.

However, it had only been a few days, and Qin Wuxin's chest had been pierced through by a knife again. This was simply a trap!

Of course, it was one thing to cheat him! But there was no one else like Qin Wuxin, who had talent, knowledge, and secrets. More importantly, he hated Chen Xiaobei.

Thus, Tian Peng had to save Qin Wuxin no matter what.

Tian Peng immediately took out his phone and contacted Shen Gongbao to ask for another elixir.

However, Shen Gongbao didn't reply and Tian Peng didn't know any medical skills, so he could only wait.

.....

A few minutes later, hurried footsteps were heard outside the secret study.

"Who's there!"

Tian Peng's eyes narrowed and he became alert.

Chen Xiaobei and great-grandfather Qin were the first to rush in.

Chen Xiaobei held the Dragon's edge in his hand, while the Qin eldest great grandfather held a four-star earth-god grade sword!

Behind the two of them, there were more than a dozen core members of the Qin family. These people were all in the late spirit-forging stage and all of them had three-star earth-god instruments!

In terms of individual strength, none of these people could compare to Tian Peng!

However, if these people formed a battle formation and used the spiritual energy in the Qin family's main city, they could suppress the canopy great country!

Without a doubt, everything was planned! It was Chen Xiaobei's meticulous plan! It was a flawless and perfect setup!

Chen Xiaobei!!! Tian Peng's eyes were about to spit fire. He gritted his teeth and said, "You despicable, shameless thief! You actually dared to trick me!"

"Shut up!"

Before Chen Xiaobei could say anything, the Qin eldest great grandfather shouted, "the conspiracy of you and Qin Wuxin, the unfilial son, has just been spread to the ears of all the high-level members of the Qin family through the mobile phone!"

"Cell phone?" Tian Peng frowned and looked at the broken No. 8 Luban.

He saw that the female Assassin's mobile phone was on speaker mode, and every word she had just said was being live-streamed!

"You two were the ones who wanted to kill our young friend Zhufeng!" The Qin eldest great grandfather continued to berate them. He even wanted to frame Qin zixu! How dare you call our little friend Zhufeng shameless? Do you still have any shame?"

Hearing this, Tian Peng almost fainted from anger. He cursed hysterically, "Chen Xiaobei! You're too sinister!"

"Second senior, you should know very well what kind of person I am!" you're too young to fight me!
Chen Xiaobei laughed.

Chapter 1905: Releasing the Tiger back to the mountain (3)

"I'm so angry! I'm so angry! I'm so angry!"

Tian Peng's face was purple and he screamed, his eyes almost spitting fire, "Chen Xiaobei! So what if you've tricked me! Today, even if I have to risk my life, I will definitely tear you into pieces!"

"You dare!"

"This is the Qin family's main city! Zhufeng is my distinguished guest!" The Qin eldest great grandfather bellowed. Don't think that you can do whatever you want here just because you're a peak four-star earth-god! The people here are enough to suppress you!"

As soon as he finished speaking, all the core members of the Qin family clenched their earth-god instruments and immediately formed a small battle formation, ready to attack at any time!

"Then come and try! I'll die first! Chen Xiaobei will die first!"

Tian Peng's eyes were filled with rage. The flames of hatred had made him lose control of his emotions. He ignored the entire Qin family and made up his mind. Even if he had to exchange his life for Chen Xiaobei's, he had to kill Chen Xiaobei.

little friend Zhufeng will definitely not die!

yes! the Qin eldest great grandfather said solemnly, "there's a five-star earth-god level array buried under the Qin family's main city! If you use force, I'll activate the array and kill you even if I have to burn half of my spiritual vein!"

this ... Tian Peng's expression froze and he was speechless.

The battle formation in front of him was made up of a four-star earth-god instrument and a dozen three-star earth-god instruments. Tian Peng had no choice but to risk his life!

Who dared to think about it!

The Qin family even controlled a high-level five-star earth-god array!

Earth level deity, one minor realm and one heaven!

Even if Tian Peng had a hundred more lives, he would still be killed by the formation.

It was no exaggeration to say that as long as they were in the Qin family's main city, even if a five-star earth-god came, the Qin family had the ability to fight!

This was the true power of the Qin family!

Without this Foundation as a pillar, the Qin family would have been destroyed hundreds of times in the apocalypse Starfield, which was full of hidden dragons and crouching tigers!

"Kneel down immediately! I'll wait for little friend Zhufeng's decision! Otherwise, I'll make sure you die without a burial place!"

The Qin eldest great grandfather was very determined. Even if he had to burn half of his spiritual vein, he would activate the formation to support Chen Xiaobei!

"Don't even think about it!" no! Tian Peng shouted, "I will never kneel before Chen Xiaobei even if I die!"

"Then this old man will send you to hell right now!" The Qin eldest great grandfather was a super ambitious person who ruled a region. He acted swiftly and decisively, and he was about to activate the array!

"Old man, wait!"

don't hurt him! Chen Xiaobei quickly said. don't hurt my second Shixiong!

"Ah?"

Hearing this, the Qin eldest great grandfather and Tian Peng were both stunned.

"Little friend Zhufeng!"

"This person's cultivation is extremely high!" The Qin eldest great grandfather said worriedly. If you don't kill him today, you will be in danger anytime and anywhere in the future! It'll be endless trouble!"

Chen Xiaobei shrugged. it's okay. Let my second senior brother go. I'll take responsibility for any danger!

Hearing this, Tian Peng was even more stunned.

The Qin eldest great grandfather frowned and said, " Zhufeng, my young friend, even if you want to let your second senior brother go, you should inform your master first and ask him to discipline this traitorous disciple of his!

"You've misunderstood." he and I are not from the same sect. Calling him 'second Shixiong' is just a nickname. I've been calling him that since I was young. I'm used to it," Chen Xiaobei said.

this ... the Qin eldest great grandfather's expression was slightly startled."Not from the same sect? But you've been calling him second senior brother since you were young? The relationship between you two is really messy ..."

Chen Xiaobei looked at Tian Peng and said, " "Second senior brother, you should leave! Where there is life, there is hope! Don't look for trouble in the Qin family's main city. Let's meet again in the pugilistic world!"

"Don't f * cking call me second senior brother!" Tian Peng roared,"I will not live under the same sky as you!" You and I are already mortal enemies! If you let me go today, I won't be grateful to you! As long as I have the chance, I will still kill you!"

"It doesn't matter, you can go!" Chen Xiaobei waved his hand and said calmly.

"Swish!" Tian Peng didn't say anything and rushed out of the secret study room. He was extremely fast and disappeared in the blink of an eye.

It was clear that the canopy great sect did not just want to kill Chen Xiaobei. They wanted to gather more followers and return to heaven!

Because of this, Tian Peng would not risk his life if he had the chance to escape!

Once they left, the canopy great country would definitely leave the Qin family's main city to think of a better way to deal with Chen Xiaobei!

After the danger was over, Chen Xiaobei put away the Dragon's edge and said, " "Old man, I've troubled you because of my personal grudges!"

"This old master wasn't tired!" The Qin eldest great grandfather waved his hand and looked at Chen Xiaobei with a complicated expression. "But I still have to talk about you! You're really not right to snatch someone's wife! No wonder they want to fight you with their lives!"

"Pfft ... You're mistaken again!"

second Shixiong has had a crush on a girl for many, many years," Chen Xiaobei quickly explained. but he's a womanizer himself. The girl doesn't like him at all! Let alone his wife, they can't even be considered friends!"

"Not long ago, that girl and I put on a show and pretended to be my girlfriend! As a result, second senior brother's mentality collapsed and he thought that I stole his woman ... Don't you think I'm innocent?"

Chen Xiaobei's face was filled with helplessness. She was telling the truth.

“This ...”

The Qin eldest great grandfather furrowed his brows and said, “this is your second senior brother’s fault!” Your unrequited love has gone into a dead end, but you’re the one who’s being blamed! He’s just messing around without distinguishing right from wrong!”

“You’ve hit the nail on the head!”

“Second Shixiong is crazy about love!” Chen Xiaobei said. In fact, he’s not a bad person by nature, so I don’t want to hurt him! I’m going to think of a way to slowly help him free himself from this bull’s horn!”

The Qin eldest great grandfather frowned and said, “that’s true, but have you ever thought about it?” If you want to help your second senior brother, you have to gamble your life! You could die at his hands at any moment!”

Chen Xiaobei said firmly, “Even if I have to bet my own life, I can’t do something like killing my brother with my own hands!”

Hearing this, the Qin eldest great grandfather’s expression changed. He admired Chen Xiaobei and praised, “Little friend Zhufeng is indeed a young hero! Heroic spirit! This old man is deeply impressed! If your second senior brother knew about this, he would definitely change his mind!”

“Please don’t praise me!” “Second Shixiong won’t change his mind so easily!” Chen Xiaobei sighed.

The Qin eldest great grandfather lowered his voice and asked, “Tell me honestly, do you have any feelings for that girl?”

what?” Chen Xiaobei was surprised. why are you asking this?”

“I don’t think your second senior brother would target you for no reason!” The Qin eldest great grandfather said in a low voice. It must be that you have feelings for that girl! Am I right?”

this ... Chen Xiaobei was taken aback. He could not help but think of the most beautiful woman in the Three Realms, fairy Chang ‘E!

Chapter 1906: Top secret of the blood pool (4)

“It would be a lie to say that I don’t have any thoughts about it!”

it’s just that I’m far away from her. I don’t know how things will develop in the future until we meet!
Chen Xiaobei said.

The Qin eldest great grandfather grinned and said, “that’s right!” You have thoughts about the girl, and the girl also has thoughts about you! Therefore, the knot in your second senior brother’s heart will not be untied so easily!”

“I understand.” yes! Chen Xiaobei nodded. second Shixiong isn’t a bad person. He’s just a bit of a mental demon! I won’t hurt second senior brother. He will wake up one day!”

“Little friend Zhufeng!” The Qin eldest great grandfather praised. I’m starting to admire you more and more! There are very, very few people in the world who are as loyal as you!”

“Old master, you’re too kind!” Chen Xiaobei smiled.

“Little friend Zhufeng!” The Qin eldest great grandfather lowered his voice again and asked, “Tell this old man the truth! Do you have any thoughts about Yitian?”

“Ah?” Chen Xiaobei was annoyed and said, “No idea! Yitian and I are just good friends! She treated me as a confidant, and I absolutely trusted her! That’s all, I definitely don’t have any other thoughts!”

“Don’t be nervous! This old man won’t eat you!”

The Qin eldest great grandfather smiled and said, “don’t look down on me just because I’m old. I’m actually very open-minded!” It was common for a man to have three wives and four concubines in the top continent and the earth-god Realm! This old man doesn’t mind Yitian becoming one of your wives!”

uh ... Chen Xiaobei was sweating. “You’ve really misunderstood. I don’t have any feelings for Yitian ... Really ...”

“Then can’t you have any thoughts?” The Qin eldest great grandfather frowned and said, “take a bold step forward!” This old man will definitely support you!”

uh ... Chen Xiaobei was at a loss. He did not expect that a powerful figure like the Qin eldest great grandfather would pull strings and be a matchmaker. He did not know what to do!

“Blargh ... Pfft ... Help ... Help ...”

At this moment, Qin Wuxin, who had fallen not far away, suddenly vomited a mouthful of blood and cried for help in a daze.

The Qin eldest great grandfather’s expression changed as he angrily shouted, “You unfilial son, you’re still alive! Assassinating a distinguished guest and framing a brother, this old man can not let you Live!”

As he was speaking, the Qin eldest great grandfather was about to use his true core strength to kill Qin Wuxin.

“Old man! Wait!” don’t kill Qin Wuxin! I still need to ask him some questions! Chen Xiaobei tried to stop him.

The Qin eldest great grandfather furrowed his brows. this unfilial son’s heart was pierced with a knife. He’s only left with his last breath. What can we ask from him in such a state of unconsciousness? ”

Indeed, Qin Wuxin had lost a lot of blood and was unconscious. His cry for help just now was just a last-ditch effort.

Forget about answering the question, he would probably die within a dozen seconds!

“Actually, I didn’t stab him in the heart!” Chen Xiaobei said with a smile. Although he looks like he’s on the verge of death, his life isn’t in danger. He’ll be fine once the bleeding stops!”

“Is ... Is this true?” The Qin eldest great grandfather’s face was filled with shock and disbelief.

“Of course it’s true!” that’s right! Chen Xiaobei nodded. medical skills are one of my specialties. I’m confident of it!

Hearing this, the Qin eldest great grandfather praised,”no wonder Yitian said that little friend Zhufeng is a top-notch Divine Doctor!” Now that I’ve seen it today, it really lives up to its reputation!”

Obviously, there was no love in this world for no reason!

The reason why the Qin eldest great grandfather valued Chen Xiaobei was because of Chen Xiaobei’s medical skills! After that, he was impressed by Chen Xiaobei’s strength and state of mind! Just now, he was even more interested in Chen Xiaobei’s friendship!

That was why Grandpa Qin liked Chen Xiaobei so much that he was even willing to let Qin Yitian be his second wife!

“Old master, you’re too kind!”

Chen Xiaobei calmed himself down and said seriously, ” although Qin Wuxin’s life is not in danger, I still have to stop the bleeding as soon as possible. If there’s nothing else, you can go back first!

The Qin eldest great grandfather nodded and said,”alright, I’ll leave this place to you!” You can punish this unfilial son, Qin Wuxin, as you wish!”

“Understood!” Chen Xiaobei nodded.

After that, the Qin eldest great grandfather led all the core members of the Qin family away from the scene.

Chen Xiaobei immediately stopped Qin Wuxin’s bleeding.

Without a doubt, Chen Xiaobei did not stab Qin Wuxin’s heart this time because he wanted to keep Qin Wuxin alive and ask for the exact location of the blood pool!

As long as he could get the blood ancestor’s four-star earth-god blood, Chen Xiaobei could use the blood contract Jade token of the Taiyin true deity to write a primordial spirit blood contract!

He would be able to use the primordial spirit blood contract to control Zi Yuan’s soul!

By then, Chen Xiaobei would have a powerful helper, and his overall strength would be like a tiger with wings!

Of course, at this moment, Qin Wuxin was in a deep coma. It was impossible for ordinary people to get any information from him.

But Chen Xiaobei was different!

“Ding Ling Ling ...”

Chen Xiaobei took out the dreamcatcher Bell from his infinite space ring, shook it, and activated its special ability!

The function of the dreamcatcher Bell was to make people who were unconscious or sleeping reveal secrets that they would never reveal under normal circumstances!

One should know that Qin Wuxin had the blood patriarch's special ability, which made him immune to all poisons!

The heavenly dog biscuit could not turn Qin Wuxin into a loyal dog. The best way to find out the secret of the blood ancestor's blood pool was to rely on the dream-stealing Bell!

"Qin Wuxin! Tell me! Where is the exact location of the blood patriarch's blood pool?" Chen Xiaobei cut to the chase.

Qin Wuxin's body was as stiff as a corpse, but he could still make a mechanical sound. there is a mysterious planet in the westernmost part of the blood Emperor Starfield ... The blood pool is on that small planet!

"How do we find that small planet?" Chen Xiaobei asked again.

yes, " Qin Wuxin replied mechanically. in the westernmost part of the blood Emperor Starfield, there is a fog that looks like a black hole in the universe! As long as we pass through that fog, we'll be able to reach that small planet!"

"A universe black hole? Are there any dangers?" Chen Xiaobei continued to ask.

that's not a real black hole. It's just a mist!

Qin Wuxin answered, " after we enter the fog, we only need to follow the map. There won't be any danger! However, if we are not careful and deviate from the route, we might be attacked by magical beasts!"

"What demonic beast?" Chen Xiaobei asked again.

"I'm not sure about the details ..."

yes, " Qin Wuxin replied, " I only know that those demonic beasts are hiding in the fog, and their speed is surprisingly fast! His strength was also extremely powerful! The main point is that there are a lot of them!"

if it were to be attacked by such a magical beast, even a giant space carrier would be reduced to nothing!

it's also because the aircraft that flew into the fog didn't leave anything behind. That's why outsiders treat the fog as a universe black hole that devours everything and avoid it!

Chen Xiaobei was shocked, but he did not waver. "Where is the fog map?"

Chapter 1907: The remaining value (1)

Obviously, Qin Wuxin was in a deep coma. He could answer the questions but not draw a map for Chen Xiaobei!

So, Chen Xiaobei could only ask for the exact location on the map, and then find a way to get the original map! Otherwise, it would be too dangerous to enter the fog rashly!

“There are only two maps!” Qin Wuxin said, “one of them was originally in my hands.” After I memorized it, I completely destroyed it!”

Chen Xiaobei could not use the heavenly dog biscuit on Qin Wuxin, so his only hope was the second map!

Qin Wuxin continued, “the second map should be in the deepest part of devil Earth Star field. It’s the most desolate land at the edge of the nine galaxies. It’s said to be the territory of the demons and the birthplace of Devils!”

“Devil Earth Star area? The demonic remains?” “What’s the situation there?” Chen Xiaobei asked. How can I find the second map?”

of course! Qin Wuxin answered. devil earth, Blood God, heaven’s wings, and dawn and dusk are the four most special galaxies among the nine galaxies!

Apocalypse Starfield was the top Starfield, and the nine upper-level starfields were further down!

Saint Duke, Tenshou, Royal dome, Ocean Emperor, and Dragon God! Chen Xiaobei was already very familiar with all five of the galaxies!

Devil earth, Blood God, heaven’s wings, morning and evening! Chen Xiaobei had never been to these four galaxies, nor did he know anything about them!

Qin Wuxin continued. because of the existence of The Omen Ridge, devil earth, which is at the border, has become the common target of the blood God, heaven’s wings, and dawn and dusk!

for a long time, the people of the three space zones have been trying their best to explore the core secrets of the extraterrestrial Devils ‘relics and excavate the treasures left by the extraterrestrial Devils!

Chen Xiaobei said, “In other words, the second map of the blood pool is in the core of The Omen Ridge?”

“Yes, I am!”

yes, ” Qin Wuxin replied. after I obtained the blood patriarch’s inheritance, I subconsciously have some relevant information. Therefore, I know that the second map should be there!

“Are you sure the map hasn’t been found by the people from the Three Galaxies?” Chen Xiaobei asked worriedly.

“I’m sure!” yes! Qin Wuxin said, “although the three major galaxies have always wanted to unravel the core secrets of the extraterrestrial demon’s remains, they have never succeeded!

“Understood!”

this means that if I want to get the second map, I’ll have to go to devil earth Starfield and compete with the other three starfields. We’ll see who can solve the core secret of the demonic remains first! Let’s see who can snatch the otherworldly demon’s treasure at the core!”

yes ... Qin Wuxin said with certainty.

“Alright!” alright! Chen Xiaobei decided, ” after attending the Qin eldest great grandfather’s birthday banquet tomorrow, I’ll leave for devil earth Starfield!

Since Chen Xiaobei did not ask any more questions, Qin Wuxin did not reply. He stood there like a corpse.

“Ding Ling Ling ...”

Chen Xiaobei shook the dreamcatcher Bell again.

As the power was removed, Qin Wuxin’s stiff body finally relaxed. The wound had stopped bleeding. He only needed to rest quietly and his life would be safe.

It was obvious that Chen Xiaobei had no intention of killing Qin Wuxin!

If it were an ordinary person, they would definitely think that Qin Wuxin was no longer of any value and that the best choice would be to eliminate him completely!

However, Chen Xiaobei was not an ordinary person. He could think of other ways to exploit Qin Wuxin’s remaining value!

Chen Xiaobei took out his phone and sent a private message to Taiyin true deity.

Although Qin Wuxin was immune to all poisons, there was one thing that he was not immune to!

That’s right! It was Wu Zhen!

Back then, Taiyin true deity had given Chen Xiaobei a beginner-level Voodoo book.

Chen Xiaobei was already a beginner in cultivating, using, and removing Gu. He was even more powerful than the witchcraft Masters on earth.

Besides, Chen Xiaobei had raised a mother-child Voodoo worm before!

The child Gu was planted in another person’s body and took root in three days! Once the mother Gu was killed, the child Gu and the host itself would die together!

Back then, Chen Xiaobei had used this seed mother-child heart linking Voodoo to make a name for himself in Dragon City.

However, the child-mother heart linking bug was a low-level witchcraft. As Chen Xiaobei’s enemies became stronger and stronger, the low-level witchcraft was no longer useful!

Chen Xiaobei could not raise a Gu on the spot, and he could not raise a high-level one either. So, he could only ask for help from Taiyin true deity.

Chen Xiaobei: ” Brother Sun Moon! Are you there? ” I have something I need your help with!

Taiyin true deity: ” what’s the matter? just tell me! (Straightforward)

Chen Xiaobei: ” bro, you’re a straightforward person. I’ll get straight to the point! I remember there’s a witchcraft spell called ‘mind-reading’ in the book [beginner-level witchcraft]!

Taiyin true deity: " yes, you're right! As long as the child Gu of the knowing mind Gu is planted in another person's body, and you control the mother Gu, you can eavesdrop on the thoughts of the person who is poisoned!

Chen Xiaobei: " I've run into an enemy who's in God-Ascension cultivation. But I can't cultivate a high-level witchcraft spell. So, I'd like to ask for your help!

Taiyin true deity, so that's how it is! Private Bag collection!

Ding! Congratulations! [you have snatched a red envelope from true deity Taiyin. You have received an advanced voodoo spell. It has been stored in your treasure chest!]

Ding! Congratulations! You have snatched a red envelope from Taiyin true deity. You have received a pair of high-level intimate Gu. It has been stored in your treasure chest!

Chen Xiaobei: Brother Taiyin! You're too straightforward!

Taiyin true deity: " I'm in a hurry right now. I can't talk to you much! You can study it yourself. With your comprehension, there won't be any problems!

Chen Xiaobei: Brother, hurry up and get busy! Don't worry about me!

After the private chat ended, Chen Xiaobei immediately withdrew the two new red packets.

Advanced witchcraft was a book. The content of the book could basically deal with all existences below the five-star earth-god level!

As long as Chen Xiaobei could master the advanced planting spell, he would be able to plant the Gu in Qin Wuxin!

The high level intimate Gu was placed in a small bottle, with only one child Gu and one mother Gu.

When Chen Xiaobei learned the advanced Gu cultivation technique, he would be able to produce more children Gu and eavesdrop on more people's thoughts!

the ancient people didn't lie to me. Only by studying hard can I improve every day!

Chen Xiaobei calmed himself down and started to read.

With the scholar heart's super learning ability, this book of advanced witchcraft spell, which would take a few years or even decades, was only a three-hour dish in Chen Xiaobei's hands.

He read it all in one breath and ate it all in one breath!

When he closed the book, Chen Xiaobei had turned into a powerful advanced witchcraft master!

"Start planting Gu!"

Without hesitation, Chen Xiaobei formed a witch's seal with his fingers and planted the seed Gu into Qin Wuxin's body.

After he was done, Chen Xiaobei's lips curled up into a devilish smile.

second senior brother must be very lonely in the human world. I'll spare Qin Wuxin's life so that he can be your companion!

Chapter 1908: Grand birthday celebration (2)

After planting the intimate Gu, Chen Xiaobei could eavesdrop on Qin Wuxin's thoughts whenever he wanted to!

As long as Qin Wuxin returned to Tian Peng's side, Chen Xiaobei would be able to know his enemy and himself, and he would never be defeated!

So, Chen Xiaobei left Qin Wuxin where he was. He would contact canopy great country when he woke up.

Because the heavenly dog biscuit was ineffective on Qin Wuxin, Tian Peng would not be suspicious!

In this way, Qin Wuxin had become Chen Xiaobei's pawn.

As long as he could use this chess piece well, Chen Xiaobei could easily control the entire situation!

.....

It was a quiet night.

The next morning, the entire Qin Manor was bustling with activity.

This time, it was the Qin eldest great grandfather's 500th birthday! It was of great significance!

Moreover, everyone knew that the Qin eldest great grandfather had already reached the nine flames God-refining stage. As long as the opportunity came, he could combine the nine flames into one at any time and become an earth immortal!

Therefore, it was very likely that today would be the last time the Qin eldest great grandfather would celebrate his birthday on the Vermillion Bird continent!

It was precisely because of this that the Qin family had organized a very Grand birthday celebration. There were also many people who came to offer their blessings.

The sky had just brightened, and the first batch of people had already arrived at Qin Manor.

The Qin Manor's scale was even larger than the Imperial Palace's, and it opened eight gates to welcome guests at the same time.

Who would have thought that there would be a long queue in front of each door!

A rough estimate put the number of guests in the first batch to exceed 10000!

The point was that these 10000 people were not ordinary people! All of them were the leaders of the middle-and upper-level forces in the four continents of apocalypse Starfield!

It wasn't an exaggeration to say that a brick thrown by you could smash eight sect leaders!

These people all brought birthday gifts, and they were all of high value!

If all the birthday gifts were gathered together, they could even fill a small treasure vault!

when will I hold a birthday party? I'll let bei Xuan faction celebrate with tens of thousands of people!

On top of a Pavilion, Chen Xiaobei was looking at the situation outside the door with a smile on his face.

"You?"

Qin Yitian, who was standing beside him, asked coldly, "A twentieth birthday?"

Qin Yitian had been cultivating in seclusion for the past few days. She had only come out of the training room early in the morning to attend the Qin eldest great grandfather's birthday banquet.

This girl was still the same. Her face was so beautiful that it was bubbling, but it exuded a cold killing intent.

Of course, Chen Xiaobei knew Qin Wuxin very well. Her killing intent was not malicious. It was just a unique aura that she was born with.

20th birthday ... That doesn't seem appropriate ... Chen Xiaobei raised his eyebrows and said, "Then I'll throw a big birthday party for my parents!"

"You're quite filial!" Qin Yitian's beautiful eyes flickered. At that time, I don't know if there will be tens of thousands of people coming to congratulate me, but I will definitely go!"

"Thanks!" of course! Chen Xiaobei grinned. at the moment, bei Xuan faction is not very powerful. But one day, I will definitely bring all the other factions to the capital!

Ten thousand sects were here!

The dynasty! It was worship!

This was a thousand times more difficult than ten thousand people coming to congratulate him! Ten thousand times!

Qin Yitian frowned and sighed. "You're really too arrogant ... I advise you to keep a low profile. Today's birthday banquet is full of hidden dragons and crouching tigers! Being too high-profile will get you into big trouble!"

Chen Xiaobei shrugged and said, "Why is there so much trouble on such a happy day?"

"There, your trouble is here!" Qin Yitian raised her hand and pointed below the building.

They saw a young man in gorgeous and bright clothes, leading a large group of followers, walking into Qin Manor with his head held high!

There was a limit to the number of people attending today's birthday banquet! Even the leaders of the middle and upper-class forces could only come alone to offer their congratulations!

However, that young man could bring a large group of people with him. It could be imagined that his identity and status must be higher than others!

“Greetings, young master tulong ... Greetings, young master ... Greetings, young master tulong ...”

The fact was that the leaders of the surrounding forces would greet the young man respectfully when they saw him.

However, the young man had an arrogant attitude and basically didn't put anyone in his eyes.

From this, it could be seen how high the young man's status and identity were!

That's right!

The young man was the number one genius of the Helian family, Helian tulong!

One must know that the Helian family was the top noble family in the Azure Dragon continent. In terms of overall strength, they were one level higher than the Qin family!

The main point was that the Helian family had a close relationship with the number one sect in apocalypse Starfield, heaven dominating sect.

It could be said that other than the aristocrats of the Azure Dragon, Vermilion Bird, White Tiger, and black Tortoise imperial cities, there were only a handful of forces in apocalypse Starfield that could compare to the Helian family!

That was why Helian tulong was the center of attention wherever he went, and everyone had to respect him! He was flattering him!

Even the few arrogant young masters of the Qin family were all like little brothers to Helian tulong!

However, Chen Xiaobei did not seem to care at all. “This guy? Can it be considered troublesome?”

“Don't think I don't know!” Qin Yitian frowned. You severely injured Helian tulong during the princess of Saint Duke's groom search competition! With Helian tulong's temper, he'll definitely get his revenge ten times or a hundred times over!”

“Hehe!” “I'm not trying to act cool!” Chen Xiaobei smiled. Even if he has a hundred guts, he won't dare to seek revenge on me!”

“You're not acting cool?”

“Don't say that I didn't warn you!” Qin Yitian said sternly. In the past years, the people who came to the Helian family's birthday celebration were all small and insignificant people! This year, Helian tulong has come personally, and I'm sure he's here for you!”

“Yes, I was the one who asked him to come.” Chen Xiaobei shrugged and said.

“You're really shameless! You think you can command young master tulong?”

At this moment, an extremely ear-piercing voice was heard. I've seen many pretentious d * ck before, but this is the first time I've seen such a shameless pretentious d * ck like you!

“Qin Mingfeng! Who allowed you to come over!” Qin Wuxin's face darkened, and he glared at the newcomer.

“This is the Qin family’s observation tower. If you can come, why can’t I?” Qin Mingfeng smiled and asked.

Behind Qin Mingfeng were Qin Tianhan, Qin zixu, and a large group of scoundrels.

From the looks of it, they were planning to occupy this Pavilion.

“Zhufeng, let’s go!” Qin Yitian said, frowning. I’m disgusted to be with this fellow!”

“You’re tactful!”

Qin Mingfeng grinned. we’re going to hold a welcome party for young master tulong in this observation tower. Unrelated people, get lost!

“Zhufeng! Let’s go!” Qin Yitian was very unhappy but she was worried that Chen Xiaobei would get into trouble. So, she suppressed her anger and dragged Chen Xiaobei away.

“There’s no need to leave!” Chen Xiaobei shrugged and said, ” “It’s still not certain who’s the idle person!”

Chapter 1909: Various ways to court death (3)

“Will you die if you don’t show off!”

Qin Mingfeng said disdainfully,”I asked you to get lost purely to help you!” Although you’re stronger than Helian tulong, there are several great experts who have cultivated the three fires spirit among his followers! I can crush you like a piece of trash, easy as pie!”

Hearing this, Qin Yitian’s face darkened. She was even more worried! She tugged at Chen Xiaobei’s sleeve, trying to get him to leave!

Chen Xiaobei did not move. He did not plan to leave. He looked at Qin Mingfeng and asked, ” “Did your head get squashed by a door? You’re actually concerned about me?”

“Hmph! Your head is the one that’s being squeezed!” “If great-grandpa didn’t treat you as a distinguished guest and Qin zixu didn’t beg me, do you think I would care about you?” Qin Mingfeng said angrily.

“Qin zixu?” Chen Xiaobei looked at the person beside him.

Childe Zhufeng ... Qin zixu said with great respect, ” “I’ve heard about what happened last night! It’s all thanks to your wit that you exposed Qin Wuxin’s scheme! Otherwise, I’ll be severely punished by great-grandpa!”

“You’re welcome,” Chen Xiaobei shrugged and said, ” I did that for my own sake! I’m just helping you along the way, it’s no big deal.”

“No matter what, I still have to thank you!”

Qin zixu said seriously,”you let us go in the ruins of The Five Venoms order and even saved our lives!” Including this time, I already owe you three lives! I will never forget your great kindness!”

“Don’t say such useless things!” “If you really want to thank me, don’t compete with Yitian!” Chen Xiaobei said.

“Of course!”

Qin zixu immediately said, “this morning, I told my great-grandfather that I’m withdrawing from the fight for the heir!” Great-grandfather even praised me, “a wise man submits to circumstances!” I don’t have any competition with sister Yitian anymore!”

“Oh? This is a good relationship!” Chen Xiaobei’s eyes lit up and he said, “ I did a good thing last night, and now Yitian has one less competitor. I’ve earned it!”

“Alright, alright, alright! You’re amazing! I thank you too!” “But now, you have to leave this place with me!” Qin Yitian said, frowning. Helian tulong will be here soon!”

let him come. In front of me, he can’t do much! Chen Xiaobei shrugged nonchalantly.

“Childe Chen! Now is not the time to be stubborn!”

Qin zixu also said nervously, “think about it. Is your face more important or your life more important?” You won’t be able to escape once Helian tulong comes!”

Chen Xiaobei was unmoved and continued to sit there leisurely.

“Ha! Truly, a dead pig wasn’t afraid of boiling water! You won’t shed tears until you see the coffin!” Qin Mingfeng sneered and said, “ “Qin Yitian! Qin zixu! Childe Zhufeng likes to court death, so why should you stop him?”

“Who likes to court death in fancy ways?” Just then, Helian tulong walked out from the stairs alone.

“Aiyaya! Childe tulong! You are finally here! I’ve been waiting for so long! Hurry up! Please come in!” Qin Mingfeng quickly went up to greet him, nodding and bowing. He was extremely respectful.

“Who did you just say was courting death? There’s such a funny person in this world?” Helian tulong asked curiously.

“It’s that stinky brat!”

Qin Mingfeng pointed at Chen Xiaobei and said, “ I told this kid that Childe tulong would be here soon, but he didn’t run away. Instead, he just sat there. Isn’t he seeking death? ”

“Pa!”

Helian tulong gave Qin Mingfeng a tight slap without saying a word.

uh ... Qin Mingfeng was dumbfounded and said awkwardly, “ “Childe tulong ... You ... Why did you hit me?”

“You’re the one who’s courting death! Your whole family is seeking death!” Helian tulong glared at Qin Mingfeng and ran to Chen Xiaobei.

this ... Qin Mingfeng’s face was twisted. He was slapped for no reason. It was as if he had eaten a lump of hot poop. He was depressed!

Zhufeng ... Hurry up and leave ... Qin Yitian and Qin zixu were very nervous. They were afraid that Chen Xiaobei and Helian tulong would start a fight.

Qin Tianhan and his gang of scoundrels were gloating. They could not wait for Chen Xiaobei and Helian tulong to fight to the death, and it would be best if both of them were injured!

However, the scene that appeared in the next second directly shocked everyone!

Helian tulong ran up to Chen Xiaobei, bowed, and shouted, "Bro bei!"

"What? Bro bei?"

Everyone present was dumbfounded and couldn't believe their ears!

He was the number one genius of the Helian family! heaven dominating faction core disciple! She actually called Chen Xiaobei bro bei!

This scene was even more unbelievable than the sun rising from the North!

Oh my God ... Who the hell is Chen Zhufeng? "

Qin Mingfeng's heart turned cold. He put on a long face and wailed, "I knew he wasn't simple last time ... Now it seems that he's the Crown Prince of some big force in the earth-god Realm ... I'm done for ... I've offended him more than once ... I'm dead ..."

Oh my God ... Chen Zhufeng is so scary ... Luckily, we didn't mock him directly ... Qin Tianhan and his friends gulped. Their eyes and mouths were wide open, and they didn't even dare to breathe.

Qin Yitian and Qin zixu were stunned. They looked at Chen Xiaobei and complained, "this guy ... He's Helian tulong's brother. Why didn't he tell us earlier? we were worried for nothing ..."

Chen Xiaobei looked at Qin Mingfeng and the others and said, "Miscellaneous people! You guys can get lost now!"

Qin Mingfeng and the rest were stunned at first, but after Helian tulong glared at them, they ran out of the observation tower like a group of frightened chicks.

I ... I'll be leaving too ... Qin zixu swallowed and left as well.

Qin Yitian was completely stunned. She did not expect her unruly cousins to be so easily subdued by Chen Xiaobei! It was simply godly!

Chen Xiaobei did not mind Qin Yitian's presence and asked, "Helian, have you prepared the things I asked you to?"

"I'm ready!"

Helian tulong nodded and said, "I've got the fastest Azure Dragon-grade flying device!" I'll send you to devil Earth Star field as soon as the birthday banquet ends! There's someone I've bribed there, and he'll take us to the demonic remains!"

"Very good!" Chen Xiaobei nodded, satisfied. "There was still value in letting you live back then!"

“Helian tulong! Are you up there? Get down immediately!”

At this moment, an extremely arrogant shout came from the observation tower!

How dare he ask Helian tulong to ‘roll’ down!

Who was the owner of the voice?

Chapter 1910: Innumerable tribulation noble (4)

“Who’s that downstairs? You’re actually so arrogant!”

Chen Xiaobei frowned and looked out of the window.

He saw a young man in his mid-twenties, wearing a gorgeous robe.

On the long robe, there were clouds embroidered with gold and silver threads, and a Vermillion Bird in high spirits embroidered with red and gold threads!

The entire robe was floating in the air. Although it didn’t trigger any special ability, anyone with a discerning eye could tell that it was at least a three-star earth-god instrument!

Chen Xiaobei could see it too, and he was shocked!

This man dared to wear a three-star earth-god instrument and swagger around the city. He was not afraid of being robbed at all! One could only imagine how high his status was!

[ding Yingying’s cultivation base: spirit-refining of five flames, lifespan: 2377, physique: 3500000, combat power: 3500000!]

Chen Xiaobei’s netherspirit battlescouter gave him another shock.

This person’s age was not more than 30 years old, but his cultivation had already reached the level of a 300-year-old Qin family elder! It was so high that it was inconceivable!

More importantly, there were hundreds of red-robed men behind him! All of them started with one fire spirit-refining, and the highest had even reached seven fires spirit-refining!

This formation was much bigger than Helian tulong’s!

Even if one used their toes to think, they would know that this person must have a top force behind him! The strength of their Foundation was enough to crush the Helian family dozens of times!

From this, it could be seen!

In terms of strength! In terms of status! In terms of Foundation! Even the young man in the Scarlet-gold Vermillion Bird robe was far more powerful than Helian tulong! Naturally, he had the confidence to tell Helian tulong to get lost!

“Mu chenfeng!”

Helian tulong and Qin Yitian said the man’s name almost in unison.

Oh? ” Chen Xiaobei raised his eyebrows and said, ” looks like this guy is quite famous! I’m afraid I’m the only one who doesn’t know him.”

“There are four continents in apocalypse Starfield,” Qin Yitian said. At the core of every continent, there was a capital! other than heaven dominating faction, the four royal cities were the strongest! It’s definitely above all other forces!”

“That’s why the four royal families are at the top of the pyramid in apocalypse Starfield! And the members of the royal family are publicly recognized as ‘aristocrats of eternal calamity’. Below the earth-god Realm, no matter where they go, they can be superior to others!”

“The guy downstairs is called mu chenfeng!” Helian tulong continued. The third Prince of the Vermillion Bird Royal City! He was also a member of the ‘innumerable tribulation aristocrat’! He was arrogant and despotic ... And extremely lecherous! This time, I’m afraid you’re here to propose marriage again!”

“Marriage proposal?” Chen Xiaobei looked at Qin Yitian.

“If I had known that this guy was coming, I would have continued my closed-door cultivation!” Qin Yitian frowned in disgust. She wanted to go back to the training room immediately.

“I can help you if you need me to!” Chen Xiaobei grinned.

Qin Yitian was taken aback. She sighed.”You really know me too well! Of course, I want you to help me, but that would get you into big trouble, so forget it ...”

Chen Xiaobei did not say anything, but his dark eyes glowed with a hint of playfulness as he began to plan.

bro bei, I have to go down and deal with mu chenfeng first! Helian tulong said. if he gets angry, I won’t be able to handle it!

“Go!” Chen Xiaobei waved his hand.

From the looks of it, Helian tulong must be one of mu chenfeng’s lackeys. As soon as he stepped down, he started to flatter mu chenfeng.

After that, Helian tulong followed mu chenfeng and walked into the depths of the Qin residence.

“Let’s go over too!” Chen Xiaobei looked at Qin Yitian and said.

No... Qin Yitian shook her head decisively.”I’m going to tell great-grandfather to hide for a while. I won’t be attending the birthday banquet ...”

what a surprise! Chen Xiaobei raised his eyebrows. I didn’t expect that the famous Qin family’s jinx would escape from reality.

mu chenfeng’s status is extraordinary. I can’t afford to offend him. Can’t I just hide? ” Qin Yitian said helplessly.

“You can hide for now, but can you hide forever?” Besides, even if you hide, he will still propose marriage. When the time comes, you won’t be there and the crowd will make a fuss, maybe the old master will agree!”

this ... Qin Yitian was stunned. "Great-grandfather probably won't agree to it ..."

"Why wouldn't I?" Chen Xiaobei laughed. You've already reached the age to talk about marriage! The old master must also want to marry you off before I go to the earth-god World! It's better to be safe than sorry!"

Qin Yitian was completely dumbfounded. She said nervously, "What should we do about this?"

"Listen to me!" let's pretend to be a couple! Chen Xiaobei said. let's make mu chenfeng give up on us!

"Pretend? A couple?" Qin Yitian's eyes widened, and her pretty little face turned pink. She was so cute at that moment!

Chen Xiaobei nodded. don't worry! It's just an act. I won't take advantage of you!

No... Qin Yitian shook her head decisively."If that's the case, mu chenfeng will view you as a love rival. At that time, your life will be in danger!"

Chen Xiaobei said seriously, "If mu chenfeng is really an unreasonable person who kills innocent people! I can't let you marry him! You must listen to me! If anything happens, I'll take responsibility!"

Qin Yitian's face turned even redder, her heart beating wildly. "Why ... Why are you so good to me ..."

"Uh ..."

Chen Xiaobei felt that the atmosphere was not right and quickly said, "Don't let your thoughts run wild! As long as it's a friend that I acknowledge, I'm willing to risk my life to protect them! I'm doing this to you and second senior brother, I have no other intentions!

you don't mean anything else ... Qin Yitian couldn't help but purse her lips. She actually felt a little lost.

"Do you want me to have other intentions? Or do you have other feelings for me?" Chen Xiaobei was amused. Why was this girl the same as great-grandfather Qin? both of them hoped that he had other intentions!

"Bad guy! Don't be talkative!" Qin Yitian pouted, but she didn't reveal her thoughts.

"Alright, I'll stop teasing you!" alright! Chen Xiaobei calmed himself down and said, "later on, you'll have to cooperate with me! If mu chenfeng was reasonable, he would definitely retreat! If he's unreasonable, then let him come at me!"

Zhufeng ... Qin Yitian's eyes flickered and her voice was as soft as a mosquito's."You're a real man!"

"Eh? What did you just say?" Chen Xiaobei did not hear her clearly.

"No... Nothing ... Let's go!" Qin Yitian blushed and walked out of the building.

Chen Xiaobei walked behind them, his dark eyes were full of meaning.

"I'm going to make bei Xuan faction stand proudly at the peak of myriad tribulation continent! Those who threatened bei Xuan faction would either surrender or be exterminated! Mu chenfeng, if he doesn't know what's good for him, then let him be my stepping stone to reach the peak!"
