### Chapter 1911: Clay Bodhisattva (1)

There were too many guests.

The venue of the birthday banquet was set up in the square in front of the Qin Manor's main hall.

A total of 1800 large tables were placed in the square in an orderly manner. It was enough to accommodate nearly 20000 people at the same time.

In the middle of the square, there was a high platform decorated with red cloth.

There was only one big table on the stage.

Obviously, only the most important guests could sit on this platform. Even the core members of the Qin family didn't have a seat.

The central seat was naturally for the old man.

Mu chenfeng was the youngest among the guests at the table, but he sat on the left seat without any hesitation!

As the third Prince of the Vermillion Bird royal family, mu chenfeng could do whatever he wanted in the Vermillion Bird continent. No one would dare to compete with him for a seat!

The remaining seats at the same table were occupied by the representatives of the nine major forces that were on the same level as the Qin family.

The powers that had a good relationship with the Qin family had all sent their highest-ranking people to personally come and offer their congratulations!

The forces that were not on good terms with them had also sent their core upper echelons, mainly to give mu chenfeng face! Of course, it was more or less because of the Qin eldest great grandfather who was infinitely close to being an earth immortal!

Helian tulong and the representatives of heaven dominating faction also had their own seats on the stage, showing their superior status!

"Strange. Mu chenfeng is sitting on the left seat, but why is the right seat still empty? Could it be that another aristocrat is coming?"

Chen Xiaobei and Qin Yitian were sitting at the same table as the young men from the Qin family.

The news of Helian tulong calling him bro bei had already spread throughout the Qin family.

The young men of the Qin family who were sitting at the same table all looked at Chen Xiaobei with respect.

As for Qin Mingfeng and Qin Tianhan, they had already moved far away from Chen Xiaobei.

“Mu chenfeng from the Vermillion Bird royal family is already very important. No one else can come.”

“As for the other three royal families, they don’t have much of a relationship with the Qin family, so they won’t send anyone to celebrate the birthday!” Qin zixu said.

what? ” Qin Yitian frowned. heaven dominating faction sent a core elder, but he can’t sit on the right! I really can’t think of any other Big Shot who can sit in that position!”

Yitian! Chen Xiaobei said, ” if the first seat on the right is not reserved for the aristocrats ... Then it’s most likely reserved for you!

“Me?”

Qin Yitian’s expression froze, and she became nervous. “You mean that mu chenfeng will let me go up the stage?”

“It shouldn’t be wrong!”

“Look at the core elder of heaven dominating faction!” It was Helian tulong! They were the representatives of the Vermillion bird’s nine great forces! Even the Qin eldest great grandfather would not be able to suppress all these people! Only mu chenfeng can make them obediently give up the right first seat!”

“What ... What should we do?” Qin Yitian’s face darkened, and she became nervous.

“Don’t worry, I said I would help you!”

don’t worry! Chen Xiaobei chuckled. just play your role and leave the rest to me!

but ... even though Qin Yitian trusted Chen Xiaobei, she could not help but feel worried.

His opponent was mu chenfeng, an aristocrat of the myriad tribulation realm! How could he not be worried?

“Young lady Yitian!”

At this moment, a middle-aged man in Vermillion Bird robes strode over and said with a deep voice, ” “Our third Prince invites you to the stage to take a seat. We have very important good news to announce today!”

“I ... I don’t want to go!” Qin Yitian refused and looked at Chen Xiaobei.

Chen Xiaobei was the one who should have done it!

The middle-aged man raised his eyebrows and looked at Chen Xiaobei from head to toe. His eyes were filled with disdain, as if he did not take Chen Xiaobei seriously.

“Miss Yitian, you should come with me!”

The middle-aged man said in a deep voice, ”a seat has been reserved for you on the stage, and the third Prince has also invited the clay Bodhisattva today!” After the eight characters are approved, we will announce a big piece of good news!”

“What?” The clay Bodhisattva is here? How ... How is this possible?!”

Upon hearing the words 'clay Bodhisattva', all the young men at the table, including Qin Yitian, were shocked.

Chen Xiaobei, on the other hand, was very curious. He had no idea who the 'clay Bodhisattva' was.

"Young lady Yitian, don't hesitate anymore!" "The birthday boy is coming out soon. You can't let him wait for you, can you?" the middle-aged man said in a deep voice.

this ... Qin Yitian's heart was in a mess. She was extremely conflicted.

"Go, it's fine." Chen Xiaobei said, " "No matter what, don't let great-grandfather wait!"

alright, I'll listen to you ... Qin Yitian frowned. She had no choice but to trust Chen Xiaobei.

After that, Qin Yitian walked up to the stage.

The man in red glared at Chen Xiaobei and threatened, " "Little brat! I don't care who you are! If you can't figure out how high the sky is and how thick the earth is, I'll let you die without even knowing how you died!"

"Hehe, thanks for the reminder!" Chen Xiaobei chuckled. He was too lazy to argue with this Lackey.

"Heavens ..."

As soon as the red robed man left, Qin zixu exclaimed,"Mu chenfeng actually invited the 'clay Bodhisattva'! He's determined to marry sister Yitian!"

"Who is this 'clay Bodhisattva' that you guys are talking about?" What does he have to do with mu chenfeng marrying Yitian?"

Qin zixu quickly explained,"this clay Bodhisattva is an extremely mysterious master!" He was proficient in numerancy! With just a brass compass, you can predict good and bad luck, and even peek into the secrets of heaven!"

Oh? " Chen Xiaobei raised his eyebrows and smiled. so, you're a fortune-teller? "

uh ... You can say that he's a fortune-teller ... But this 'clay Bodhisattva' is definitely not something that an ordinary charlatan can compare to!

Qin zixu said seriously,"as long as it's something that the clay Bodhisattva divines personally, there has never been a mistake!" Therefore, all the continents in apocalypse Starfield were very fond of him! There are even more people who want to ask him for fortune-telling!"

"Prying into heaven's secrets will incur the wrath of the heavens!" Chen Xiaobei said. Isn't this 'clay Bodhisattva' afraid of death?"

"Of course I'm afraid!"

Qin zixu said,"there are as many people who want to find a 'clay Bodhisattva' for fortune-telling as there are hairs on an ox, but there are only a few people who can really get a 'clay Bodhisattva' to do it!" Even the aristocrats would have to pay a huge price to invite the clay Bodhisattva!"

Chen Xiaobei immediately understood. "From the looks of it, Mu Chen paid a great price to invite the clay Bodhisattva to help him and Yitian calculate their birth characters! If your birth characters match, you have to propose in public!"

"Right! This time, mu chenfeng has put in a lot of capital. He's definitely serious!"

Qin zixu said,"the marriages and funerals of important people are very particular. Not only mu chenfeng, but even great-grandfather is very superstitious about the 'clay Bodhisattva'!" If the eight characters match, great-grandfather might immediately agree to the marriage proposal!"

"Hehe!" no! Chen Xiaobei said nonchalantly, " I'm here! Their birth dates won't match!"

Chapter 1912: Are you worthy of being called a Bodhisattva?(2)

Childe Chen ... You ... Where do you get your confidence from? "

Qin zixu frowned and said,"the prediction of the clay Bodhisattva has never been wrong!" The point is, even if mu chenfeng and sister Yitian's birth characters don't match, the clay Bodhisattva will have a way to resolve the problem!"

"Hehe." "You won't understand my self-confidence even if I tell you!" Just relax and watch the show!"

this ... Qin zixu looked conflicted and mumbled, " I hope you really have a way ... Otherwise, sister Yitian might really marry mu chenfeng, that lecher who does all kinds of evil!"

"A lecher who does all kinds of evil?" "If mu chenfeng is really that kind of person, I will definitely teach him a lesson!" Chen Xiaobei said.

"What!" "Childe Zhufeng!" Qin zixu was shocked and said awkwardly. Medicine can be eaten indiscriminately, but words can't be said indiscriminately! If the Vermilion Bird red-robed man were to hear this, you'll be dismembered into a thousand pieces!"

"Mm, let's not talk about it for now. The old master is out!" Chen Xiaobei's tone was calm as he turned to look at the stage.

In an instant, everyone's eyes turned to look at him.

The Qin eldest great grandfather was dressed in a white robe. With his white beard and white hair, he looked like an old immortal with a Sage-like demeanor.

After arriving, the Qin eldest great grandfather first politely exchanged greetings with the people on the stage, and then said some words of thanks to the audience for their support.

Then, the birthday banquet officially began.

Gifts, birthday wishes, toasts ... All the guests tried their best to please the Qin eldest great grandfather.

Of course, everyone on the stage would take the opportunity to please mu chenfeng.

Smart people would even put mu chenfeng and Qin Yitian together and flatter them. They would agree to win mu chenfeng's favor.

However, although mu chenfeng was happy, Qin Yitian felt as if she was sitting on pins and needles. She felt uncomfortable all over and wanted to leave the scene immediately.

However, today was the Qin eldest great grandfather's 500th birthday, and mu chenfeng's status was extraordinary!

Therefore, no matter how unwilling Qin Yitian was, she could only bite the bullet and sit where she was, saying things that went against her heart and drinking the bitter wine.

It was only when Chen Xiaobei and Qin zixu went up the stage to celebrate the birthday that Qin Yitian's face finally brightened up. She kept looking at Chen Xiaobei, hoping for his help.

Chen Xiaobei only smiled in response but did not tell Qin Yitian what to do.

At the same time, mu chenfeng had been keeping an eye on Qin Yitian. Naturally, he noticed the 'flirtatious' exchange between Qin Yitian and Chen Xiaobei.

This made mu chenfeng very unhappy. He glared at Chen Xiaobei like a ferocious Wolf, ready to pounce on Chen Xiaobei and skin him alive!

"Everyone!"

The Qin eldest great grandfather stood up and said in a clear voice, " "I'm very sorry! I'm going to interrupt the birthday banquet!"

As soon as he said that, all the guests quieted down. Everyone's eyes were focused on the high platform, on mu chenfeng and Qin Yitian.

Everyone thought that the Qin eldest great grandfather was going to announce the engagement between mu chenfeng and Qin Yitian.

Mu chenfeng also thought so. He raised his chin and his face was full of pride. He was completely prepared to make all the men envious of him.

However, the Qin eldest great grandfather ignored mu chenfeng. Instead, he pulled Chen Xiaobei to his side and introduced him, " "This old man would like to introduce a person to everyone! This is young master Chen Zhufeng, a friend I just met!"

Mu chenfeng almost fell off his chair when he heard this.

Mu Chen thought that the Qin eldest great grandfather was going to announce the engagement.

He had never expected that the Qin eldest great grandfather would interrupt the birthday banquet at such an important occasion to introduce an unknown young boy.

When mu chenfeng recalled the scene of Qin Yitian and this kid 'making eyes', he was even more displeased!

He was an aristocrat! The third Prince of the Vermillion Bird Royal City! He was actually outdone by a nobody!

To mu chenfeng, this was a great humiliation!

All the guests at the scene were also very surprised. They did not understand why Grandpa Qin introduced Chen Xiaobei first.

Everyone perked up their ears, eager to know who Chen Xiaobei was!

“Everyone! Zhufeng may be young, but his medical skills have already reached the peak! His cultivation base is definitely the best among his peers!”

The Qin eldest great grandfather said very seriously, “The most important thing is that he has an excellent character! There are very few young people in apocalypse Starfield who are willing to risk their lives for their friends!”

As soon as he said that, the crowd below the stage was stunned at first, and then an uproar broke out.

“Heavens! That kid is too awesome! I’ve never seen the Qin eldest great grandfather praise a young man like this!”

“His medical skills have reached the peak! His cultivation base was superior to his peers! And he had a good character! How can there be such a perfect young man in this world?”

I’ve never seen his medical skills before, but I’ve heard of his strength. It was this Chen Zhufeng who easily defeated Qin haoyan in the battle at North City last night!

“Yes, yes, yes! I’ve also heard of it, destroying the sun with a single glance! One punch of burning black steel! The North City is going crazy with the news!”

could it be that the Qin family’s eldest great-grandfather wanted to get Chen Zhufeng engaged to Qin Yitian? ”

“No way? This is simply offending the third Prince to death!”

“Isn’t it? Look ... The third Prince’s face has turned black ...”

The guests were all discussing why Grandpa Qin wanted to introduce Chen Xiaobei to them.

On the stage, mu chenfeng’s face was black as he spoke in a strange tone, “Old Qin! Today was a big day, there was no need to introduce an outsider, right? I’ve heard that many people have misunderstood!”

The Qin eldest great grandfather smiled. actually, the guests didn’t misunderstand. I did have the intention to matchmake little friend Zhufeng and Yitian!

Mu chenfeng was furious and shouted sternly, “I’ve come here today to give you enough face!” Are you trying to slap this Prince’s face?”

“No, no, no! Third Prince, please don’t misunderstand!”

“Although I’m trying to matchmake you, it’s up to fate whether little friend Zhufeng and Yitian are meant to be!” The Qin eldest great grandfather said. This old man believes in fate, and even more so in the heavens! If the third Prince and Yitian are fated, this old man will also fully support you!”

“This is more like it!” Mu chenfeng’s anger subsided a little and he ordered, “Bring the clay Bodhisattva up!”

As soon as he said that, four Vermilion Bird red-robed men carried an ebony chariot and quickly walked up to the high platform.

An old man in an old gray robe was sitting on the carriage, holding a bronze compass.

The old man's body was thin, dark, and covered in dust. At first glance, he really looked like a clay Buddha statue in an old temple!

But!

Under this sloppy and fragile appearance, he exuded a calmness that was as steady as a mountain! As well as the calm and unperturbed silence of an ancient well!

Anyone with eyes could see that this was a living Bodhisattva who had hidden his abilities!

In an instant, everyone, including the Qin eldest great grandfather and mu chenfeng, had a look of deep respect in their eyes.

Chen Xiaobei was the only one who was calm and composed. He laughed and said, "How can you be called a Bodhisattva?"

Chapter 1913: Can't predict (3)

What did he mean by shocking people with his words? That was Chen Xiaobei!

How could someone like this be called a Bodhisattva?

This simple sentence instantly made Chen Xiaobei the center of attention! He had also become the target of everyone's bombardment!

"You little brat! You're crazy! The clay Bodhisattva was a living God recognized by the entire apocalypse Starfield! You dare to be so disrespectful, you're simply too Savage!"

"Do you know! In apocalypse Starfield, many big shots were crying and begging for clay Bodhisattva! You actually dare to be so disrespectful to the clay Bodhisattva! He was simply courting death! Fancy death seeking!"

"And here I thought this kid would be awesome! After all this, he's just a frog at the bottom of a well who doesn't know the immensity of heaven and earth!"

"Well said! This kid was not arrogant, he was just stupid and ignorant! He doesn't even know the name of the clay Bodhisattva, I'm afraid he doesn't even know how to write the word "death"!"

The tens of thousands of people in the audience were all in a frenzy, firing their verbal attacks at Chen Xiaobei.

After all, the clay Bodhisattva was very popular in apocalypse Starfield.

Even the top figures were very superstitious about the clay Bodhisattva.

In the class of ordinary people, there were many devout believers who regarded clay Bodhisattva as a living God.

Chen Xiaobei's words were like a fuse that ignited everyone's anger.

Even old master Qin frowned at Chen Xiaobei's words and actions. "Little friend Zhufeng! You're too rash! There should be a limit to being young and frivolous! Hurry up and apologize to the clay Bodhisattva!"

Helian tulong was so shocked that he broke out in a cold sweat. He was extremely nervous. "Bro bei, what the hell are you doing? why did you have to offend a clay Buddha?"

At this moment, mu chenfeng was undoubtedly the happiest person. He grinned and said, " "Little brat! Apologize to the clay Bodhisattva immediately! Otherwise, I'll take action on his behalf and crush you to death!"

"I won't allow you to hurt Zhufeng!" Qin Yitian could not sit still any longer. She immediately rushed to Chen Xiaobei's side to protect him.

"Qin Yitian! What's the meaning of this!" "I'm here to propose marriage to you today!" Mu chenfeng shouted angrily. You're protecting an unrelated man and going against this Prince? Don't tell me you want to die too?"

"Zhufeng is my man!" Qin Yitian's face was cold. Of course, I have to protect him!"

what did you just say!!!

"You're saying that you'll choose this little brat over me?" mu chenfeng was furious. This is an insult to this Prince! You and your Qin family will pay a painful price!"

I ... Qin Yitian's expression froze. She didn't know what to do.

Mu chenfeng was an aristocrat with a thousand tribulations. With the Vermillion Bird Royal City backing him, he definitely had the ability to cause the Qin family to suffer a huge blow!

Qin Yitian was willing to bear all the hardships alone, but she could not accept the fact that the entire Qin family would be implicated.

"Qin Yitian! If you don't explain the situation clearly, then don't blame me for being impolite!"

Mu chenfeng wasn't a kind person. His tone was filled with killing intent, and he was definitely not joking.

Below the stage, hundreds of Vermilion Bird red-robed men stood up in unison, ready to fight at any moment.

"Third Prince, please calm down!"

At this moment, the clay Bodhisattva sitting on the carriage finally opened his mouth. His voice was extremely hoarse as he said, there is no marriage between this man and woman. They are just a couple in disguise ...

“Oh?” Mu chenfung’s eyes brightened as he grinned: “Qin Yitian! In front of a clay Bodhisattva, any lie is useless! Sit down obediently and let me pinch that little brat to death. Then, we can slowly talk about the matter of marriage!”

this ... Qin Yitian was completely stunned. On the one hand, the entire Qin family was under threat. On the other hand, the clay Bodhisattva was like a living God who knew everything. He could not be deceived.

At that moment, Qin Yitian was completely at a loss. She didn’t know what to do. She was about to die of frustration!

“Yitian, you can sit down!”

Chen Xiaobei reached out his hands and helped Qin Yitian to a chair at the side. “That old scammer has some skills. Our acting skills can’t fool him! I have to find another way!”

“You ... You have another way?” “Clay Bodhisattva is a living God recognized in apocalypse Starfield!” Qin Yitian said worriedly. If you can’t deal with him with your method, you’ll be dead ... I’ll also fall into mu chenfung’s demonic claws ...”

“Don’t worry!”

Chen Xiaobei shrugged and said, “To me, a fraud of this level is no different from a three-year-old child! Just watch! I won’t let you down!”

hmm ... Qin Yitian was conflicted.

In her heart, Qin Yitian did not believe Chen Xiaobei’s words.

But in reality, Qin Yitian had no other choice but to trust Chen Xiaobei unconditionally.

“Little brat! Don’t think I didn’t hear you! You said clay Bodhisattva is a three-year-old child!”

Mu chenfung’s body was already flowing with true energy. He said ruthlessly, “The clay Bodhisattva is an honored guest that I have invited! I have the responsibility to kill all those who disrespected him! Accept your death!”

“Third Prince, please wait!”

At this moment, the clay Bodhisattva spoke again in a hoarse voice, “From the looks of this young man, he’s not a reckless or stupid person! Why don’t you let him live a little longer and tell me why I’m a three-year-old child!”

Obviously, this clay Bodhisattva was not a kind person either!

Although he tried to stop mu chenfung, he only wanted Chen Xiaobei to live for a little longer!

In other words, whether Chen Xiaobei could explain himself or not, there was only death waiting for him. The only difference was whether he would die sooner or later!

From this, it could be seen that although this clay Bodhisattva was known as a Bodhisattva, he had no good intentions in his heart and was in fact a great evil person!

“Alright, I’ll let him live a little longer!”

Mu chenfeng sneered and said, “little brat, hurry up and say your last words!” I don’t have much patience!”

Qin Yitian and Helian tulong became nervous at the same time. Their hearts were in their throats.

Even though the Qin eldest great grandfather was not happy with Chen Xiaobei’s actions, he was still worried at this critical moment. He did not want Chen Xiaobei to die Here.

However, Chen Xiaobei did not show any fear. Instead, he said mockingly, “ “Since the clay Bodhisattva is so powerful, why don’t you calculate if I’ll die today?”

“What a joke!” “If you don’t die today, I, mu chenfeng, will take your surname!” Mu chenfeng said disdainfully.

“Changing your name is a big deal!” Chen Xiaobei teased. You can also ask the clay Bodhisattva about the impact on your fate after you change your surname to Chen!”

“Little bastard! You’re looking for death!” Mu chenfeng was furious, and he was about to kill!

it’s over ... Qin Yitian, the Qin clan’s eldest great grandfather, and Helian tulong all wailed in despair. At this moment, they could not stop mu chenfeng.

“Third Prince! Stop!”

However, at this moment, the clay Bodhisattva’s eyes widened as if he had seen a ghost. He exclaimed, “ “I ... I can’t even predict this kid’s fate! He was like a void! It’s beyond the Three Realms ... And not within the five elements ...”

As soon as he said that, the entire place fell silent.

Chapter 1914: Heavenly punishment (4)

No fate? A piece of void? Transcending beyond the Three Realms? Not in the five elements?

Every word that the clay Bodhisattva said was like a bolt of lightning that struck everyone’s heart.

All the big shots on the high platform were stunned! Their eyes and mouths were wide open, and their world views were shattered!

“Clay Bodhisattva! You ... You’re not joking, are you?” Mu chenfeng’s face was filled with shock. He simply couldn’t believe his ears.

The Qin eldest great grandfather’s expression changed drastically as he muttered to himself, “ “Am I wrong about you, Zhufeng? He’s not young and frivolous, but he really has a mysterious background that surpasses the clay Bodhisattva ... That’s why he doesn’t take the clay Bodhisattva seriously ...”

Qin Wuxin and Helian tulong were both stunned on the spot. Their mouths opened and closed, and they were so shocked that they could not speak.

They had thought that they knew Chen Xiaobei very well, but now they realized that what they knew about Chen Xiaobei was only the tip of the iceberg!

At the same time, the tens of thousands of guests below the stage were all dumbfounded. They stood rooted to the ground, and gasps of shock could be heard. Some of them even began to doubt their lives!

“Isn’t the clay Bodhisattva a living God? How can you not be able to divine that kid’s fate?”

“According to the legends, as long as the clay Bodhisattva personally divines something, there has never been any error! He actually couldn’t calculate it this time? It’s too strange!”

“With The Brass Compass in hand, the clay Bodhisattva can predict good and bad luck, and can even spy on the secrets of heaven! Could it be that the boy’s fate is even more mysterious than the heavenly secrets?”

“No way ... That kid’s fate is above the heavenly secrets? Could he be a deity of the great all-embracing heaven?”

“Even the gods of the great all-embracing heaven can’t be above the heavenly secrets! There was only one explanation! That kid had used some special means to hide his fate! The clay Bodhisattva is not skilled enough to see through that kid’s concealment!”

“Right! It must be like this! But then again ... Who on earth was that kid? He could actually hide from the clay Bodhisattva! This is too awesome!”

“That’s right ... No wonder that kid dared to look down on the clay Bodhisattva! So he wasn’t acting cool, but he has a Foundation that’s above the clay Bodhisattva!”

that brat is definitely not an ordinary person. You must not say the same words you just used to scold him. Otherwise, we will all be in serious trouble!

The crowd’s attitude towards Chen Xiaobei had a 180-degree change!

Tens of seconds ago, the tens of thousands of people in the stadium were all shooting their mouths off at Chen Xiaobei!

At this moment, they were like tens of thousands of frightened chicks. They all shrank their necks and didn’t even dare to breathe.

Even if they had ten thousand guts, they would not dare to scold Chen Xiaobei again.

“Impossible ... This is impossible ... Why can’t I figure it out at all ...”

Under the exclamations of the audience, the clay Bodhisattva broke out in a cold sweat. His hands kept spinning the brass wheel, but he could not get any useful information.

“Clay Bodhisattva! You can’t be!”

Mu chenfeng frowned and impatiently said, “It can’t be like what the audience said, that you’re not skilled enough to see through that kid’s hidden means!”

“I ... Cough cough cough ...”

The clay Bodhisattva's entire face was in a dilemma. He was so anxious that he couldn't stop coughing.

It was obvious that the clay Bodhisattva had been peeking at the secrets of heaven all year round and had been punished by the heavens. His body was very weak.

Finally, after a series of coughs, the clay Bodhisattva let go of the wheel in his hand and sighed with a pale face. I really can't figure it out ... Young master Chen ... I admit defeat ... I'm completely convinced of my defeat ... Can you let me know how I lost ...

As soon as he said that, everyone was shocked.

Never in their wildest dreams would they have thought that the living God of apocalypse Starfield would admit defeat to Chen Xiaobei! It was simply unbelievable!

"Hehe."

"Since you're so sincere, I'll make sure you lose!" Chen Xiaobei said with a smile.

Everyone's eyes widened as they stared at Chen Xiaobei. They wanted to see how Chen Xiaobei had defeated the clay Bodhisattva!

"Chi ..."

Chen Xiaobei raised his palm, and a brilliant light emerged from his palm!

It began to transform in front of everyone.

Tai Chi, yin and yang, four symbols, five elements, Eight Trigrams, ten Heavenly Stems, twelve Earthly Branches, thirty-six heavenly stars, seventy-two earthly fiends ...

The stars in the sky! Everything in the world!

In an instant, a universe was formed!

That's right!

This was Taishang Laojun's Eight Trigrams evolving divine pattern!

Control the divine patterns of the eight trigrams, predict the rise and fall of destiny, predict misfortune and fortune, and measure the pattern of Feng Shui!

However, because peeking into the sky would incur the wrath of the heavens, Chen Xiaobei had not done any divination for a long time.

As for the Feng Shui pattern, Chen Xiaobei did not have the chance to observe it.

The only thing Chen Xiaobei used was the eight-trigram Qi observation skill. It could see the Qi of all things, and distinguish between antiques and high-value items.

Of course, the eight-trigram Qi observation skill could also be used to look at people. However, it was also considered as prying into the secrets of heaven, so Chen Xiaobei did not use it.

The reason why Chen Xiaobei's fortune could not be divined was because he was using the power of the eight trigrams to interfere with the clay Bodhisattva's fortune-telling!

“Plop ...”

At this moment, the clay Bodhisattva’s eyes widened as if he had seen something extremely terrifying. He trembled in fear and fell from the carriage to the ground.

“Senior clay Bodhisattva!”

“ what? ” the crowd cried out in shock, not daring to believe their eyes.

In the eyes of the public, the clay Bodhisattva was a living God!

Unmoving like a mountain! Calm as an ancient well! This was the deep impression that the clay Bodhisattva had left on everyone!

Who dared to think about it? The clay Bodhisattva had actually fallen from the carriage!

No one had ever seen or heard of a living God who had lost his composure like this!

It was obvious that Chen Xiaobei’s Eight Trigrams evolving divine pattern had frightened the clay Bodhisattva!

Mu chenfeng quickly ran over and helped the clay Bodhisattva up. He said in a deep voice, “ Clay Bodhisattva! Are you alright? What was that thing? Why are you so scared?”

“Divine item ... That ... That’s a divine item of the Dao sect ...”

The clay Bodhisattva’s breathing was rapid, and his lips were pale and trembling. He was like a mouse that had seen a Tiger and was scared out of his wits.

“What? A divine item of the Dao sect?”

Mu chenfeng’s eyes turned cold and he said ruthlessly, “ Just in time! I’m going to kill that kid now! We’ll directly take his divine item!”

“You can’t!”

The clay Bodhisattva lowered his voice and said nervously, “ This kid’s identity and background are extraordinary ... If we act rashly, we might attract a disaster ...”

“A disaster?” Mu chenfeng’s expression froze and he said in shock, “ You mean ... He has a force even more powerful than the Vermillion Bird Royal City behind him?”

third Prince, there’s no hurry ... His fate should be revealed by now ... Let me see how strong his backing is ... the clay Buddha said as he tried to calculate Chen Xiaobei’s fate again.

boom boom boom!!!

Who dared to think about it! As soon as the clay Bodhisattva’s hands turned the wheel, a sudden clap of thunder exploded in the clear sky!

“Pfft ...”

Without any warning, the clay Bodhisattva spat out a mouthful of blood, rolled his eyes, and fainted.

In an instant, everyone was dumbfounded!

Chen Xiaobei was the only one who grinned evilly. "If there's a fancy death-seeking competition, the clay Bodhisattva will definitely be the champion! You actually dare to call me master! No one else!"

Chapter 1915: Scared away immediately (1)

"Oh my God ... This, this, this ... What exactly is going on?"

In an instant, everyone at the scene screamed and trembled in fear.

Thunder suddenly exploded in the clear sky without any warning!

The clay Bodhisattva suddenly vomited blood and fainted!

This unbelievable scene had far exceeded the level of everyone's understanding and could not be explained with common sense.

At this moment, everyone's heart was hit by the impact of a nuclear explosion that was hundreds of millions of times stronger!

What were the three views? What was life? Everyone's brains had short-circuited, and they couldn't even think properly!

Tens of thousands of people's brains were occupied by the same question!

Chen Xiaobei! Who exactly was he?

Everyone racked their brains to guess, but they couldn't figure it out. Their brains had completely short-circuited. They stood dumbfounded on the spot like thousands of stone sculptures.

"Mu chenfeng!"

Chen Xiaobei walked over and said, "Didn't you want to kill me? Make your move!"

"Ah? No... Don't come near me ... Don't come near me ... mu chenfeng gasped and stepped back like a mouse that had seen a Tiger. He did not dare to let Chen Xiaobei get close to him.

Below the stage, the hundred red-robed men's faces were all pale and their hearts were trembling.

More than ten seconds ago, they were still eager and ready to attack at any time. But at this moment, they were so scared that they didn't even dare to let out a fart.

"Heh, it seems like you don't dare to kill me, right?" Chen Xiaobei raised his eyebrows and said, "If I remember correctly, you said in front of all the guests that if you can't kill me today, you'll take my surname!"

I ... I ... Mu Chen's face turned green.

In his heart, mu chenfeng really wanted to kill Chen Xiaobei. He could not wait to tear Chen Xiaobei into pieces and burn his bones into ashes.

However, mu chenfeng did not dare to do so!

The clay Bodhisattva was only trying to figure out Chen Xiaobei's background, but it had caused a thunderclap and the clay Bodhisattva had even vomited blood and fainted for no reason!

Mu chenfeng could not guess the reason behind this.

With mu chenfeng's knowledge, the only explanation he could think of was that Chen Xiaobei had used some kind of special technique to hurt the clay Bodhisattva.

However, mu chenfeng could not figure out what Chen Xiaobei had done! They could not even guess what kind of terrifying backer Chen Xiaobei had!

Mu chenfeng had a bad feeling that if he were to attack Chen Xiaobei, he would be struck by lightning and die without an intact body!

More importantly, mu chenfeng was extremely afraid of Chen Xiaobei's mysterious backer!

Under such circumstances, even if Mu Chen had a hundred guts, he would not dare to kill Chen Xiaobei!

According to mu chenfeng's own words, if he could not kill Chen Xiaobei, he would have to take on Chen Xiaobei's surname!

This result was simply a slap in the face!

This was a great humiliation to a noble of a thousand tribulations!

It wasn't just mu chenfeng, but the entire Vermillion Bird Royal city's face had been lost.

"Why aren't you saying anything?"

"If you don't have the guts to kill me, then get the hell out of here!" Chen Xiaobei said, his eyes narrowed. I'm embarrassed for you with tens of thousands of eyes on you!"

let's ... Let's go ... Let's go ... mu chenfeng took a deep breath. He was so afraid that he did not dare to challenge Chen Xiaobei.

After that, under the shocked gazes of tens of thousands of people, mu chenfeng grabbed the unconscious clay Bodhisattva and led the group of red-robed men away from the scene with their tails between their legs.

.....

After such a shocking incident, it was obvious that the birthday banquet could not continue.

The guests were all afraid of offending the Vermillion Bird Royal City, so they all left.

Of course, the guests were more afraid of offending Chen Xiaobei. Before they left, they all left their gifts and said goodbye to the Qin family's eldest great grandfather. They did not dare to offend the Qin family!

"I'm sorry, old man!"

On the stage, Chen Xiaobei sighed and expressed his apology. "I've ruined a good birthday banquet!"

At this moment, the guests had already left.

The entire square was empty, and only the Qin eldest great grandfather, Qin Yitian, and Chen Xiaobei were left on the stage.

“No harm! No harm!”

The Qin eldest great grandfather didn’t care that the birthday banquet had ended early. He asked with great anticipation, “Little friend Zhufeng! Tell this old man! Which great force in the earth immortal world are you from? In the future, when I go to the earth-god Realm, I might have to go to you!”

“Old man, you’re too kind!” I don’t think so. Chen Xiaobei shook his head. I do have some friends at earth-god level, but they might not be what you think ...

“Why do you say so?” The Qin eldest great grandfather asked in confusion.

“I didn’t do anything when the sky Thunder and the clay Bodhisattva vomited blood!” It’s because the clay Bodhisattva touched a taboo of the heavenly Dao, so he was punished by the heavens on the spot!”

a taboo of the heavenly Dao!? The Qin eldest great grandfather and Qin Yitian were both shocked. They could not help but swallow their saliva.

there are some things and some people that can not be offended! Chen Xiaobei said.

Both Grandpa Qin and Qin Yitian did not fully understand what Chen Xiaobei was saying. They were so shocked that they felt like they were from a different world than Chen Xiaobei!

“I can’t explain the reason behind this in a few words!”

“I have something urgent to attend to later. I need to leave for a while!” Chen Xiaobei changed the topic. You must remember my words!”

“What did he say? You say it! We will definitely remember!” The Qin eldest great grandfather and Qin Yitian calmed themselves down and listened attentively.

“Wait until I’m gone. If the people from the Vermillion Bird Royal City come looking for us! Just push all the blame onto me! If anything happens in the Vermillion Bird Royal City, it’ll all come at me!”

“How can we do that!”

no! Qin Yitian shook her head decisively and said, “you’re trying to protect me. That’s why Mu chenfeng has fallen out with you! I will never push all the blame onto you! Don’t worry! Even if the sky falls, I will shoulder it with you!”

The Qin eldest great grandfather also immediately expressed his stance, saying, “Right! The Qin family is willing to stand with little friend Zhufeng!”

“No! You must listen to me! Have the Vermillion Bird Royal City come at me!”

“I’m not doing this just to protect you!” Chen Xiaobei said. It was to protect my bei Xuan faction! My family, friends, and disciples are still very weak and can’t withstand the Vermillion Bird Royal city’s attacks!”

this ... the Qin eldest great grandfather and Qin Yitian were both stunned.

“Don’t hesitate!”

“The Qin family must stay out of this!” Chen Xiaobei said seriously. Because I need you to help me look after bei Xuan faction! If all of you are dragged into this, I’ll have to save both bei Xuan faction and all of you. This will cause me a lot of trouble and slow down all my operations!”

Chapter 1916: Canopy great sect visits (2)

“I understand! We’ll do as you say!”

Grandpa Qin and Qin Yitian weren’t stupid. They knew the implications of this.

The Qin family could not fight against the Vermillion Bird Royal City. If they were dragged into this mess, not only would they not be of any help to Chen Xiaobei, but they would also drag him down.

On the other hand, if the Qin family stayed out of it, they could use their family’s power to protect bei Xuan faction, at least not distracting Chen Xiaobei.

The Qin eldest great grandfather and Qin Yitian promised seriously, ” “Don’t worry, we’ll listen to you and stay out of this! At the same time, we’ll also seal off any news about bei Xuan faction! I promise that the Vermillion Bird Royal City won’t be able to touch bei Xuan faction in a short time!”

“Alright!” alright! Chen Xiaobei nodded. this way, I can go to the blood Emperor Starfield in peace!

“Why are you going to the blood Emperor star area?” Qin Yitian asked worriedly.

“I’m going to get something! Don’t worry, there’s no danger!” Chen Xiaobei’s tone was calm and he did not elaborate.

mm, that’s good ... Qin Yitian nodded and said, ” among the nine galaxies under the myriad tribulation, devil earth is the only special one. The other eight galaxies shouldn’t be a threat to you!

Chen Xiaobei looked like he wanted to say something but stopped himself.

In fact, before going to the blood Emperor Starfield to find the blood pool, Chen Xiaobei had to go to The Omen Ridge in devil earth Starfield and find the map of the black hole mist. Only then could he get to the asteroid where the blood pool was located!

Of course, Chen Xiaobei did not tell Qin Yitian about these details. He did not want her to worry.

.....

After a simple farewell, Chen Xiaobei left the Qin residence.

Because the Qin family wanted to ‘draw a clear line’ with Chen Xiaobei, they could not send anyone with them.

Of course, Helian tulong had been waiting outside the Qin residence for a long time. He quietly picked Chen Xiaobei up and immediately headed to the devil earth Galaxy.

The initial journey was simple. They would go to the blood Emperor star area directly through the portal.

But what followed was a long interstellar journey.

Devil Earth Star area was very special. There was no transmitting formation. Therefore, one had to travel billions of miles across the universe from blood Emperor star area to get there.

Even though Helian tulong had the fastest Azure Dragon-grade flying device, it would still take him about ten days.

Moreover, this was under the circumstances of a smooth journey. If they encountered any trouble along the way, it would take even longer!

Of course, Chen Xiaobei did not have to worry about wasting time.

With Helian tulong, a full-time pilot, by his side, Chen Xiaobei could cultivate in peace during the long journey.

There was still 30 billion low-grade spiritual Qi in the green jade gourd, which was enough for Chen Xiaobei to cultivate for 300 hours.

Chen Xiaobei now had the witch Dragon Flame and the Dragon's edge. He could defeat any earth-god below four stars.

But at the end of the day, Chen Xiaobei's own cultivation was also very important.

In short, Chen Xiaobei needed to reach the earth-god level and go to the earth-god Realm to find little fox!

Chen Xiaobei needed to have enough cultivation to ascend to heaven and help the prime of Tongtian to face the infinite cataclysm!

Because of this, whenever Chen Xiaobei had the chance, he would put all his effort into cultivating and raising his cultivation.

So, the moment he stepped onto the aircraft, Chen Xiaobei immediately started cultivating.

Only Helian tulong was left behind to pilot the aircraft and head to devil earth at full speed!

.....

The Qin family's main city! The Vermillion Bird Palace!

On the Vermillion Bird continent, every top force would build a temporary residence for the aristocrats of Vermillion Bird. No matter when they came, they would get the best living environment!

"Hurry up! All of you, hurry up! Take out all the best healing pills! No matter what, we must protect the life of the clay Bodhisattva!"

Mu chenfeng was shouting in the extremely luxurious palace.

A dozen red-robed men with the highest cultivation surrounded the bed, took out all kinds of pills, and stuffed them into the mouth of the clay Bodhisattva as if they were free.

the clay Bodhisattva must be saved ... Must be saved!!!

Mu chenfeng's face was pale and his eyes were filled with fear. Only a clay Buddha can tell me who that Chen Zhufeng is ... I have to know who I've offended, or I'll be in deep trouble!

There was no doubt that everything that happened today had made mu chenfeng feel fear in his bones.

Chen Xiaobei's mysterious identity was like a sharp sword hanging over mu chenfeng's head!

Mu chenfeng was worried every second. The sharp sword could fall at any time and bring disaster to himself and the entire Vermillion Bird Royal City!

If he did not find out Chen Xiaobei's identity, mu chenfeng would not be able to sleep well in the future!

"Bang!"

At this moment, the door of the bedroom suddenly burst open.

More than a dozen red-robed men were hit by the huge force and flew in from outside the door. All of them were paralyzed on the ground, coughing blood and unable to get up!

"What ... What's going on?"

Mu chenfeng's pupils involuntarily contracted. His throat rolled as he swallowed his saliva. Cold sweat poured out like rain!

The cultivation of these red-robed men was not weak, and they had several one-star earth-god instruments in their hands. However, they had been completely defeated!

One could only imagine how terrifying the person outside the door must be!

it ... It can't be Chen Zhufeng, right? "

The group of red-robed men by the bed were all horrified, and the sound of gasping rose and fell among them.

"Oh my God ..."

When mu chenfeng heard this, he was so scared that he almost peed his pants. He actually knelt down on the ground with a 'plop' and wailed, Childe Zhufeng, please forgive me ... I was wrong ... I know I was wrong ... I shouldn't have offended you ... Please spare my life ...

"Idiot! How would Chen Zhufeng have the guts to come to you?"

Under everyone's terrified gazes, two figures walked in from outside the door.

One of them was injured and looked very pale. He was a harmless-looking young man.

The other person was tall and straight, exuding an extremely heavy aura. He was a youth with a cold appearance.

That's right!

These two people were Qin Wuxin and Tian Peng!

who ... Who are you? ” Mu Chen stood up immediately.

Tian Peng’s eyes were empty without any emotion, ” “Mu chenfeng, stay behind. As for the others, get lost!”

Hearing this, the red robed men on the ground all ran out of the palace. They knew how powerful Tian Peng was and didn’t dare to stay.

Beside the bed, the other red-robed men hesitated and did not leave immediately. After all, they were mu chenfeng’s followers with the highest cultivation. They were not willing to bow their heads and give in.

“Swish!”

Suddenly, Tian Peng flicked his finger and a sharp true essence slashed out like a saber!

“Swish!”

In an instant, the red-robed man with the highest cultivation was beheaded by his vital essence!

The headless corpse froze on the spot, and like a fountain, blood splattered all over the faces of the other red-robed men!

“Earth level deity ... This is a four-star earth level deity ...”

All the red-robed men screamed and ran for their lives.

Only mu chenfeng was left, peeing like rain.

Chapter 1917: Two loyal dogs (1)

Without a doubt, Tian Peng was a peak four-star earth level deity. If he didn’t show mercy, all the red-robed men would have died.

“Se ... Senior, Who are you? We don’t have any grudges between us ... You’ve got the wrong person ...”

Mu chenfeng’s pupils contracted, and his body trembled. Fear had reached the deepest part of his soul.

Although mu chenfeng was a noble, the third Prince of the Vermillion Bird Royal City, and had three three-star earth-god instruments, he was still a noble.

However, everything that mu chenfeng had was useless in front of the canopy great tree.

For example, the old master Qin could suppress Tian Peng in the Qin family main city but outside the main city, he was no match for Tian Peng!

It was the same now. Mu Chen was far away from the Vermillion Bird Royal City. If he angered the canopy great country, he would definitely die!

“Open your mouth!”

Tian Peng was too lazy to explain and only said two words.

“Ah? Senior ... Who are you ... What do you want ... You should at least tell me ... Uh ...”

Before mu chenfeng could finish his words, Tian Peng had already flashed over.

Tian Peng pinched mu chenfeng's face with one hand and opened his mouth. With the other hand, he stuffed a heavenly dog biscuit into his mouth.

“Master ...”

Mu chenfeng quickly completed the master recognition and became Tian Peng's loyal dog.

“Stand aside.”

Tian Peng ordered coldly and walked to the bed. He took out an elixir and stuffed it into the clay Bodhisattva's mouth.

“Cough cough ... Hu ... Hu ... Am I dead ... Is this hell ...”

The clay Bodhisattva quickly woke up and panted heavily. He was still in shock.

“Heavens! Master! What kind of pill is that? He's too godly!”

Mu chenfeng was extremely surprised. just now, my men used the best Pills in the Vermilion Bird continent, but they couldn't wake up the clay Bodhisattva. Your pill actually had an immediate effect. It's simply amazing!

“That's an immortal pill!” Qin Wuxin said coldly, “senior Tianpeng is a celestial!” There are countless powerful treasures, so don't make a fuss in the future!”

yes, yes, yes ... mu chenfeng swallowed his saliva and immediately closed his mouth. He did not even dare to breathe.

Obviously, Qin Wuxin had been stabbed by No. 8 Luban on the night before the birthday party.

In order to save Qin Wuxin, Tian Peng had extorted an immortal elixir from Shen Gongbao.

Later, when he found out that Qin Wuxin's life was not in danger, Tian Peng only used a few low-level elixirs to stabilize his injuries.

Because of this, the elixir had not been used, and it could save the clay Bodhisattva's life.

Oh my God ... Chen ... Chen Zhufeng's backer ... Is a Supreme Being ... I'll definitely go to hell ... I'll never be able to reincarnate ... Hmm ... What are you going to feed me ...

Before the clay Bodhisattva could finish his words, Tian Peng stuffed a piece of heavenly dog food into his mouth.

There wasn't even a free lunch in the world, so how could there be free immortal pills?

Tian Peng had spent so much to save the clay Bodhisattva, so he naturally had to use the clay Bodhisattva's ability!

A heavenly dog biscuit could turn a clay Bodhisattva into a loyal dog and maximize the use of the clay Bodhisattva!

“Master ...”

Soon, the clay Bodhisattva also completed the master recognition process.

In just a few minutes, the canopy great country had obtained two loyal dogs, mu chenfeng and the clay Bodhisattva. Their overall strength could be said to have increased greatly!

find Chen Zhufeng’s location immediately! Tian Peng said.

I ... I don’t dare to ... the clay Bodhisattva’s face was filled with anxiety. As if he wanted his life, he shook his head like a rattle drum.

“Idiot!” “I told you to divine Chen Zhufeng!” Tian Peng said angrily. I didn’t ask you to divine his master! What was there to be afraid of? Furthermore, this is my order! Even if you die, you must carry it out!”

“As you command!

The muddled sand calmed himself down and immediately took out the yellow copper compass, beginning to deduce the heavenly secrets.

It was obvious that the clay Bodhisattva would not dare to predict Chen Xiaobei’s future.

But now, the clay Buddha had eaten the heavenly dog biscuit and his loyalty to Tian Peng was above all else. As long as it was Tian Peng’s order, the clay Buddha would follow it unconditionally.

“There’s a result!”

The clay Bodhisattva was, after all, a master who was widely acknowledged as a ‘living immortal’. Of course, he had some real skills. He immediately said, Chen Zhufeng is in the nine galaxies and is heading to the far west ... If I’m not wrong, he should be heading to devil earth!

“What? He’s going to devil Earth Star area?” Qin Wuxin suddenly screamed.

Qin Wuxin, why are you so nervous? ” Tian Peng’s eyes narrowed,”could it be that you still have some secrets you haven’t told me?.”

this ... Qin Wuxin swallowed his saliva, and his expression turned extremely unsightly.

“Qin Wuxin! I treated you as one of my own and saved you time and time again! You’re actually still planning your own schemes!”

Tian Peng’s face turned green and he said,”don’t blame me for not warning you!” Chen Zhufeng was not an ordinary enemy! We have to cooperate without any reservations, or else we’ll never be able to kill Chen Zhufeng!”

senior, please calm down ... I’ll tell you ... I’ll tell you everything ... Qin Wuxin calmed himself down and immediately revealed the secret of the blood ancestor’s blood pool.

Qin Wuxin didn’t want to say it at first, but he didn’t want to lose a super ally like Tian Peng.

“I got it!”

“Chen Zhufeng has the dream-stealing Bell!” Tian Peng said. The night before the birthday banquet, when you were unconscious from backstabbing, he already knew all your secrets! After he gets the map from devil Earth Star area, he’ll go and seize the blood pool of the blood patriarch!”

how ... How is this possible?! Qin Wuxin could not believe his ears.

“Mu chenfeng! Immediately mobilize the interstellar Army of the Vermillion Bird Royal City! Clay Bodhisattva! He immediately calculated the fate of Chen Xiaobei’s trip! Qin Wuxin! Take me to the blood pond immediately. I’ll think of a way to help you digest the blood essence of the blood patriarch!”

After all, Tian Peng was a general of the heaven court. He reacted quickly and gave orders immediately.

.....

13 days later.

Helian tulong’s aircraft finally arrived at devil earth.

Chen Xiaobei had been cultivating non-stop for 300 hours! The 30 billion low-grade spiritual Qi in the green jade gourd had been completely exhausted!

[ding Yingying’s cultivation base: early stage of God-Ascension cultivation base. Lifespan: [3800 years, physique: 1390000, combat power: 1000000!

For 300 hours, his cultivation attribute would increase by 100 points every hour. It should have increased by 30000 points!

However, with the help of the heavenly cultivation Halo, Chen Xiaobei’s cultivation had increased by 90000 points!

The physical body was the foundation of his combat power. So, this time, Chen Xiaobei focused all of his cultivation on the physical body!

“It would take a normal person a few years, or even a dozen years, to increase 90000 points of cultivation attribute. I only used 300 hours, which is already very fast! However, it’s still too slow compared to the sunlight cache!”

Chen Xiaobei thought to himself, I have to start making pills that can increase my lifespan! Also, I need to find a way to repair No. 8 Luban!”

“Bro bei!” “Are you ready?” Helian tulong asked excitedly. It’s time to set foot on ‘devil earth’! ”

Chapter 1918: Heaven’s wing base (2)

He walked out of the aircraft.

Chen Xiaobei furrowed his brows and sighed. “The name of devil earth is indeed well-deserved!”

This was an extremely desolate land!

As far as the eye could see, the Gobi Desert, the desert, the glacier, the Rift Valley, the Stone Forest, all the bad terrain could be found here!

The only thing he could not find was any vegetation, not even a clean water source!

The Gobi Desert and desert were formed due to the lack of water and plants!

If there was a strong wind, the sand and stones in the desert would be blown away, causing a sandstorm that covered the sky!

In addition, the temperature here was maintained at -30 to -40 degrees Celsius all year round. Even a slight breeze would be like an ice blade, cutting people's skin painfully!

The high glaciers were frozen all year round because of this low temperature.

As for the huge ravines and the stone Forest with strange rocks, they were all the work of the violent earthquake!

The earthquakes here were not only frequent, but they were also very powerful! It tore the earth apart, crushed the mountains and rivers, and even spewed out lava!

There was no doubt that ordinary humans and animals would not be able to survive in such an environment!

Because of this, even the Tenshou royal family, who had wanted to expand their territory the most, had never had any ideas about devil earth.

Perhaps only true demons could survive in such a land.

"Bro bei! Do you regret coming here?"

Helian tulong sighed and said seriously, "What you see now is only the tip of the iceberg of devil Earth's 'continent'! The closer they got to the demonic remains, the worse the environment would become! There are even terrifying demons!"

"What's there to regret? Since I'm already here, even if it's the hell of the devil, I'll still charge through it!"

Chen Xiaobei's eyes were filled with determination, but he still had some questions. "Did you just say that this is devil Earth's 'continent'? Why the continent? Shouldn't it be the main star?"

"Bro bei, you don't know! Devil Earth Star area is referring to the continent under our feet! This continent is very, very large. It can even be compared to the four continents in apocalypse Starfield!"

"Legend has it that devil earth used to be a part of apocalypse Starfield!" Helian tulong said seriously. It might even be a top tier continent on the same level as the Azure Dragon continent! It's infinitely close to the earth-god Realm!"

but later, for some special reason, devil earth completely degenerated and was removed from apocalypse Starfield! In the end, they would fall into the ranks of the nine great star areas! Therefore, devil earth was originally a complete continent, not a star field!"

of course! Helian tulong frowned. that's a legend from millions of years ago. No one can verify the details!

history doesn't need to be verified. We only need to take large strides forward! "Didn't you bribe someone to bring us to the demonic remains?" Where is he?"

Helian tulong took out his phone and said, "That person sent me a location. We'll go find him ourselves!"

"What an arrogant guy!" Chen Xiaobei then summoned the somersault cloud and stepped onto it. "Get on!"

this ... Helian tulong was dumbfounded. He could not believe his eyes as he stepped onto the somersault cloud.

"Swish!"

In an instant, the somersault cloud soared into the sky and disappeared without a trace in the blink of an eye.

In terms of speed, the somersault cloud had reached the level of a two-star earth-god, which was more than ten times faster than the Azure Dragon-grade aircraft.

However, Chen Xiaobei could not breathe in space. If he used the somersault cloud, the 13-day journey would not even take a day.

.....

Tens of thousands of miles away.

In a relatively flat area, there were high-tech buildings that looked like space stations.

There were special flags on these buildings.

It had a sky-blue background with a pair of angel-like snow-white wings in the middle.

It was the flag of the heaven's wing Starzone, one of the nine great Starzones.

This special building complex was a small base in the heaven's wing star sector.

Similar bases were scattered all over devil earth.

After all, in devil earth, countless explorers from the blood God Star area, heaven's wings star area, and dawn and dusk Star area were fighting against the harsh environment at all times!

When the explorers were at their wit's end, they could go to their respective bases to take refuge, heal their injuries, or be sent back home!

On the magical earth continent, which had no plants or water, these bases were the oases for explorers.

"Tyrande! Didn't you say that you have a friend coming over? It's getting dark and you're still sleeping. Aren't you afraid that your friend will die on the way?"

Inside the room, a young man in silver armor asked with a smile that was not a smile.

The young man had brown hair and blue eyes, and he had a European and American face.

In fact, the entire heaven's wing Galaxy was made up of Europeans and Americans.

The one called Tyrande was a middle-aged man. He was holding a flagon in his arms, and his face was slightly red. He was in a daze from his sleep. He had probably drunk too much in the afternoon and had not woken up until it was almost dark.

"Mikel ... Why are you so nosy ..."

Having his sweet dreams disrupted by the young man, Tyrande gave him a sideways glance and said in a bad mood, "That's not my friend! They were just two hotheaded young men introduced by the bounty Guild! I've already accepted the bounty, and it's none of my business whether you're Dead or Alive!"

"Alright! You old drunkard!" "There's a chance to earn some extra money, but you didn't bring me along!" Mikel said unhappily. Quickly tell me! What kind of good job is it? He earned the bounty so easily? You won't say it! I won't let you sleep!"

"So annoying!"

Tyrande was no longer sleepy, and said casually, "It's just two inexperienced young men who want a guide to take them to the demonic remains! They'll give me a reward, and I'll take the mission. It's that simple!"

"No way? You want to go to the demonic remains? Pfft ..."

Mikel was amused, 'I haven't seen someone so fearless in years! This was the first time he had set foot on devil earth, and he actually dared to go to the remains of the heavenly Devil? Even if you're tired of living, you can't court death like this!"

"Isn't this just seeking death?" Tyrande pursed his lips and said shamelessly, "Even if they come, I don't dare to go to the demonic remains! I hope they die on the way! It'll save us trouble!"

"BOOM!"

Suddenly, there was a violent explosion outside the house.

"Wuaowuwu ~ Wuwu ~"

Immediately after, the entire base rang with a sharp alarm.

"It's an enemy attack!"

Mikel's expression changed drastically. He immediately drew his heavy sword and said nervously, "the people of the demonic sect have finally calmed down for a while. Why are they so restless again?"

Tyrande unscrewed the bottle of wine and took a big gulp. He clenched the heavy sword beside him and said in a trembling voice, "Not long ago, I heard a rumor ... I'm afraid the demonic sect is going to make a big move soon!"

"BOOM!"

In the next moment, a burst of true essence exploded like a cannonball, directly blowing up the house they were in.

#### Chapter 1919: The demonic sect's attack (3)

"Mikel! Little rascal! Are you alright? Little rascal ... Say something ..."

Tyrande cried out in alarm, his entire face contorted, "Don't die ... Don't die ... Mikel!"

Mikel's entire body was on top of Tyrande's, and blood was flowing out of his mouth like water.

No matter how Tyrande shouted, Mikel did not respond. His body did not move, and he had already stopped breathing.

In the explosion just now, a sharp piece of building debris directly penetrated Mikel's back, cutting through his spine, tearing his heart, and ending Mikel's young life in an instant!

"BOOM! BOOM! Boom ..."

Loud explosions continued to ring out in the surroundings. The entire base was surrounded and under crushing attack.

Just like Mikel, the heaven's wings Warriors in the base lost their lives one after another. In just a short while, hundreds of people had died.

In just a few minutes, the thousands of men in the base were all dead.

The ground was littered with dismembered corpses and blood flowed like a river. The base, which had been peaceful just a moment ago, had turned into a terrifying battlefield.

As the only surviving man in the base, Tyrande hid under Mikel's body, biting his lips tightly and not daring to make a single sound.

Tyrande knew very well that once he was exposed, he would die without a doubt!

"It's another small base that can't even withstand a single blow. There's no challenge at all! The few of you, go and capture the women and children! The rest of you, come with me and collect the Bloodsoul!"

At this moment, hundreds of weirdly dressed and sinister-looking men walked into the base, stepping on the blood-stained ground.

the demonic sect ... It's the demonic sect again ... What are they trying to do ... Tyrande's entire body trembled. He was screaming in his heart, but he didn't dare to make any sound.

Whoosh ... Whoosh ... Whoosh ...

The demonic men from the demonic sect took out their Dharma artifacts that looked like clay jars and mumbled to themselves as they stood in the middle of the broken corpses and blood.

As they chanted the evil incantation, blood-red spirits appeared in the space!

These dark spirits were the heavenly winged warriors who had just been killed. At this time, their expressions were very ferocious and painful, as if they had been greatly tortured!

Usually, after a person died, their spirits would enter the land.

However, at this moment, the thousands of Yin souls were like prey that had been caught and kept into the earthen jars.

Tyrande could even clearly see a Bloodsoul crawling out of Mikel's corpse, also suffering great torture.

The young man's face was completely twisted in pain. In the end, they were also kept into the clay pot.

"What ... What is going on?" Tyrande watched everything secretly, his scalp tingling, and his heart almost jumping out of his throat.

"Ah ... Help ... Help ..."

At this moment, a group of demonic men from the demonic sect came over with more than ten golden-haired, blue-eyed heavenly wing women.

"Don't you have children?"

The leader of this group of demonic people from the demonic sect was a fierce-looking brawny man. His Tiger-like eyes were wide open, and his expression was extremely displeased!

No... No children ... the underlings said helplessly, " Lord lie Gu, you should know that no one would bring a child to a godforsaken place like the devil earth continent!

"Of course I know that no one would bring the child here!"

Lie Gu said angrily, 'but Lord devil Emperor has given a death order! Thirty-six great demonic sects and seventy-two great demonic sects had to capture eight thousand one hundred boys and girls alive within a month! Our team must catch three of them! Otherwise, we'll all die!"

Lord lie Gu, " a few of his subordinates suggested. we haven't even caught a single child so far. Let's go to the nearby star fields and do it. If this drags on, we'll be dead ...

"Idiot!"

of course not! lie Gu said unhappily. right now, all the demon sects are having a headache over this matter! They can't even complete their own mission, so how can they let us get involved?"

this ... What should we do ... the surrounding demonic cultivators all looked troubled. They had no choice.

"Lord lie Gu! There was a woman here! And there's a child!"

At this moment, a demonic sect disciple from afar shouted, " "There's a tunnel here, and they're hiding inside!"

Soon, a demonic sect disciple dragged a pale-faced woman and walked over.

The woman's complexion was very bad, and she was struggling to protect the baby girl in her arms.

Looking at the baby girl's body, she should have just been born.

"Hahaha! The heavens truly did not forsake those who worked hard! We've destroyed more than ten bases in a row, and we've finally found something!"

Lie Gu laughed excitedly, "No one would bring the child here, but some people would get pregnant and give birth here! Hahaha ..."

"Don't! Don't take my child away ... I beg you ... She's just a baby ... She'll starve to death if she leaves me ..."

The woman's complexion was very bad, and she basically couldn't exert much strength.

"Hand it over!"

The demonic sect disciple beside him snatched the baby away and handed it to lie Gu.

"Good! You've done very well!"

Lie Gu nodded his head in satisfaction and laughed. "As a reward, you can play with any of the women over there!"

"Thank you for your reward, Lord lie Gu! It's been a long time since I've tasted a woman!" The demonic sect's disciple was all smiles as he walked toward the heavenly wing women who had just been captured.

"My Lord ... My Lord! Please let go of my child ... She's still so young ... What's the point of you capturing her ..."

On the other side, the young mother knelt on the ground and cried like rain.

"Hehe, you will be played to death like those women anyway. I will let you die with a clear reason!"

the seven absolute Holy Infant demonic formation! lie Gu said ruthlessly. our Supreme demon commander has developed the seven absolute Holy Infant demonic formation that has been lost for tens of millions of years! Your child's flesh will be cut off and his blood will be drained, turning him into a formation core of the demonic formation! This is the ultimate glory!"

"What? Give me back my child!" The child's mother lost control of her emotions and pounced at lie Gu without a care.

"You're looking for death!" Lie Gu's face was full of disdain as he instantly condensed a sharp true origin in his hand.

Judging from the Zhen Yuan fluctuations, lie Gu had already reached the early stage of God-Ascension cultivation. It would be a piece of cake for him to kill a weak woman who had just given birth to a child.

don't!!! Seeing this scene, Tyrande let out a shrill scream of self-blame in his heart.

He was like a coward, hiding under the bodies of his companions and watching the cruelest thing happen.

However, he could only be a coward!

With his own strength, he couldn't change anything!

"I'm going to kill you!" The child's mother was like a moth to a flame. She charged at Lie Gu without a care for her life.

"Heh, you? What can you fight with me for? I'll let you die in front of your child right now!" Lie Gu's face was filled with disdain. He mercilessly waved the vital essence in his palm and ruthlessly attacked the child's mother!

"Oh, merciful God! Did you see all this? I beg you ... Please save the mother and son ..."

Tyrande's heart was wailing and praying, and his eyes were filled with endless despair. He could do nothing but pray.

"Swish!"

At that moment, a figure descended from the sky!

But it wasn't God, it was just a Chinese kid who looked like he was in his early twenties!

Chapter 1920: Kill all of them (4)

"Swish!"

Chen Xiaobei descended from the sky, turned into a shadow, and saved the child's mother from Lie Gu's attack to safety.

"Who's there? You dare to meddle in our business!"

The valley and all the demonic sect disciples glared at Chen Xiaobei.

"We're saved ..."

Tyrande heaved a sigh of relief. He looked at Chen Xiaobei and mumbled, "Is that an Angel sent by God? You've really come at the right time!"

At the same time, the heavenly wings women were also looking at Chen Xiaobei as if they were looking at their Savior. They wanted to rush to Chen Xiaobei's side and seek the protection of the angels.

"Who ... Who are you? Why did you save me?" The child's mother looked at Chen Xiaobei, still in shock.

"It doesn't matter who I am!" Chen Xiaobei's voice was calm and collected. "The heavenly Dao punishes evil and promotes good. Saving you is what I should do!"

The child's mother was stunned for a moment before she said in a sad voice, "Since you have a kind heart, please save my child ... My child's father has already died in battle ... My child is my only family ... If anything happens to my child ... I won't live alone ..."

"Don't worry!" Chen Xiaobei said, "Those who should be saved will be fine! Those who should be killed, don't leave a single one alive!"

thank you ... Thank you ... the child's mother's eyes were filled with tears. At this critical moment, Chen Xiaobei's appearance had undoubtedly brought her great hope.

Although she did not know Chen Xiaobei's identity or his power, she did not know who he was.

However, the domineering aura that Chen Xiaobei was exuding gave her a strong sense of security. It was as if as long as Chen Xiaobei was here, she would not have to worry even if the sky fell!

"Where did this little brat come from? He really didn't know the immensity of heaven and earth! Men! Kill him!" Lie Gu's face was full of disdain. He did not even take Chen Xiaobei seriously.

"Yes, sir!"

The five demonic sect disciples immediately stepped out and approached Chen Xiaobei.

"Little brat! Prick Up Your Ears and listen! We're from the blood soul sect, one of the 36 great demonic religions, under the demon Lord's command!"

"How dare you meddle in our business! Not only will you die today, but your soul will also be refined into a blood slave! If you can't enter the cycle of reincarnation, you can't be reincarnated!"

"How is it? Are you afraid? If you kneel down and beg for mercy now, we might let you die an easy death! Otherwise, you'll end up in this pile of dismembered corpses!"

The five disciples of the demonic sect raised their chins arrogantly, as if their eyes were on top of their heads.

"Witch Dragon! A strange fire!"

Chen Xiaobei stomped on the ground, and his dark eyes suddenly burst into golden-purple flames.

Chen Xiaobei turned into a ghostly shadow and dashed toward the five demonic sect disciples.

"Whoosh ..."

The purple-gold flames grew in the wind and instantly turned into two pillars of purple-gold fire!

"Woof! Whoosh!"

As Chen Xiaobei moved forward, the two pillars of fire left long afterimages in the air, like two purple-gold fire dragons!

The next moment, Chen Xiaobei had just brushed past the five demonic sect disciples!

Chen Xiaobei did not make any moves, nor did he make any special movements. He just brushed past her!

"Ah ... Ah, it's hot ... It's burning ..."

Chen Xiaobei's speed was so fast that the five of them did not even have time to react before their bodies were lit up by the witch dragon's flame. They were in so much pain that they could not stop screaming.

In the purple-gold colored heavenly flame, those five people were completely unable to resist.

His body was like a snowman under the scorching sun, melting rapidly. In just three seconds, he was completely burned into ashes, not even leaving a trace!

“Oh my God ... So strong ...”

Tyrande was dumbfounded. He looked at Chen Xiaobei in awe. “Oh my God ... This ... Could this be the legendary Seraphim? I’ve sobered up ... I shouldn’t be seeing things ...”

“Thank God ...” The child’s mother also exclaimed. “That young man is too powerful ... My child can be saved! There’s hope ...”

he’s too strong ... Too handsome ... How could there be such a perfect young man in this world ... the heavenly wings women were all infatuated with him. Their eyes were full of stars.

don’t ... Don’t come any closer!!!

At the same time, lie Gu also let out a shrill scream, “If you dare to take half a step forward, I’ll pinch this baby to death!”

The power of the Twin Dragons in Chen Xiaobei’s eyes had completely crushed lie Gu’s will to fight!

Lie Gu did not dare to fight, so he could only threaten Chen Xiaobei with the baby’s life!

“You don’t care about human lives, you don’t even let women and prostitutes off! Scum like you are already unforgivable! How dare you use the child to threaten me? this will only make your death more painful!”

Chen Xiaobei’s eyes were like two dragons, and he did not stop as he charged at lie Gu.

“Don’t come any closer! I told you not to come any closer! Do you think I don’t dare to kill this baby!”

Lie Gu shrieked in fear and lost control of his emotions. He raised his large hand and smacked the baby’s small head.

“Swish!”

Chen Xiaobei’s eyes narrowed, and the Dragon Shadow in his left eye sped up, shooting out like lightning!

“Oof ... My ... My hand ...”

In the next moment, lie Gu let out a miserable howl. His right shoulder was slashed by the purple-gold lightning and his entire right arm was torn off.

The wound was scorched black, and black smoke was coming out of it. That heart-piercing pain was bone-chilling just thinking about it.

“Swish!”

At the same time, Chen Xiaobei had already reached lie Gu’s side. He snatched the baby away from lie Gu and said, “

“Die!”

In an instant, the Dragon's Shadow shot up into the sky from Chen Xiaobei's right eye, like a giant dragon that could tear through the heavens and earth, exuding a terrifying power that could incinerate everything!

"Run ... Quickly run ..."

Lie Gu shrieked, and the hundreds of demonic sect disciples around him also shrieked and fled in all directions.

Their mental states had been crushed, and they couldn't even gather the slightest bit of fighting spirit!

Facing the terrifying Chen Xiaobei, they had no other choice but to run!

"BOOM!"

However, Chen Xiaobei would not give them the chance to escape!

Scumbags like them, if any one of them escaped, they would become the scourge of this world!

With a loud bang, the purple-gold dragon that was soaring into the sky suddenly exploded like a gorgeous firework, scattering hundreds of streams of light!

"Whoosh! Whoosh! Whoosh ..."

The purple-gold light beams fell from the sky like meteors!

"BOOM! BOOM! Boom ..."

On the ground, the demon cult disciples who were running for their lives could not escape the pursuit of the purple-gold meteor!

Anyone who was hit by the purple-gold meteor would be devoured by the strange fire on the spot and instantly burned to ashes!

Oh my God ... Don't kill me ... I don't want to die ... lie Gu wailed. He was the fastest and the furthest away.

Chen Xiaobei's eyes were cold and he said, "If you don't die! Where is the Justice of the heavens!"
