Chapter 1921: The heavenly Dao's feedback (1)

"BOOM!"

The next moment, the largest purple-gold meteor struck lie Gu's head!

However, lie Gu was not incinerated. Instead, he was blasted apart and turned into a pile of mush on the ground!

All the members of the demonic sect were exterminated!

From the moment Chen Xiaobei appeared to the end of the battle, it had not even been a minute!

my God ... Too ... Too strong ... Tyrande sucked in a breath of cold air. He was extremely shocked, and he was completely dumbstruck, completely rooted to the spot.

what a terrifying power ... Is that young man an Angel ... Or a demon? " the female heavenly wings were shocked by the scene in front of them.

The extreme fear made them tremble all over.

After all, Chen Xiaobei's killing methods were too brutal, overbearing, and bloody! This made people involuntarily think of the cold and heartless demons of hell.

Of course, Chen Xiaobei did not mind the women's gazes. He put away the witch Dragon Flame and looked at the crying baby in his arms. child, don't cry. Mommy's heart will ache!

"Argh! He's so gentle!"

Instantly, the dozens of heavenly wings women turned their faces as if they were flipping through a book. They all shrieked like crazy, " "That young man is as cold as a demon to his enemies, but he's as gentle as an Angel to his children ... He's simply a perfect man ... No! He's the perfect God!"

Chen Xiaobei ignored them and walked to the other side of the room. He then handed the child to her mother.

thank you ... Thank you ... I really don't know how to repay you ... the child's mother was so grateful that tears were streaming down her face. The moment she took the child, she knelt down in front of Chen Xiaobei and kowtowed.

"Quickly get up! There's no need to do this!"

Chen Xiaobei helped the child's mother up and said, " "You don't need to repay me, the heavenly Dao will repay me on your behalf!"

"Heavenly Dao? What's that?" The child's mother was confused. She did not understand what Chen Xiaobei meant.

Chen Xiaobei did not explain, but his eyes were filled with excitement.

As he spoke, the heavenly Dao had already made the most direct response!

[ding! You have eliminated a fifth generation villain. You have been rewarded with 50000 merit points!]

[ding! Eliminated third generation villain. Obtained ...]

[eliminated second generation villain ... –

– your current merit points are 66000000. You need another 24000000 merit points to proceed to the next level.(Charm: 6600000, luck: 6600000)!

The netherspirit battlescouter popped up with a long list of information. When Chen Xiaobei saw the results, he was shocked!

Who dared to think about it!

Chen Xiaobei had earned 3.3 million merit points from this battle!

Of course, if one thought about it carefully, this result was actually not strange at all!

These demonic cultists were all extremely evil. Chen Xiaobei would be able to obtain a large amount of merit points just by killing a small fry!

With more than 100 demonic cultists, Chen Xiaobei had earned 3300000 merit points. This was a reasonable result!

And this was exactly what Chen Xiaobei needed the most right now!

King Yama had been sorting out the list of Yin ghosts during this time! Once everything was sorted out, there would be a large number of heaven realm forces to exchange for earth level deities for the yin ghosts in the earth realm!

Of course, Chen Xiaobei did not want to fall behind. He planned to help Ying Zheng get an earth level deity position first, and then use Ying Zheng's merit to exchange for more earth level deity allies!

So, Chen Xiaobei had been troubled all this time. How could he quickly earn merit points?

The result in front of him had solved Chen Xiaobei's problem!

But even more than that, if he were to fight eight more battles of this level, he would be able to save up 90 million merit points and Exchange them for an earth-god position for Ying Zheng!

The main point was that the demonic sect seemed to be making a big move this time!

If only Chen Xiaobei could wipe out the demonic sect in one go! He would definitely be able to obtain an astonishing amount of merit points!

By then, if Chen Xiaobei and Ying Zheng worked together, they would be able to help a large number of Yin ghosts exchange for earth-god status!

Especially those ancient Immortals who had died in the last cataclysm!

As long as he could help them get to the earth immortal realm, he could sign a soul contract with them! When they arrived in the earth-god Realm, they would serve Chen Xiaobei loyally!

With the ancient gods' memories and heritage, not only would they be of great help to Chen Xiaobei, but they could also be of great help to the prime of Tongtian, who was far away in the heavenly realm!

This was exactly what Chen Xiaobei had been looking forward to!

In the last Eon, sect leader Tongtian's sect of Jie was like the sun in the sky, with the momentum of thousands of Immortals coming to worship!

Although Chen Xiaobei could not return to the Jie sect's peak state, he still wanted to do something for the prime of Tongtian with his own ability!

He couldn't let the master take care of his disciple for everything!

When the disciple grew up, he could also share the master's burden!

Of course! This was all for the future! As for the specific situation, he would have to wait for the King of Hell to sort out the list of Yin ghosts before he could decide on the specific operation!

"Come down!"

Chen Xiaobei summoned the somersault cloud in the sky.

Helian tulong was still squatting on the somersault cloud. He said in fear, "Bro bei! You're too valiant, directly jumping down from the sky, you really scared me!"

"Look at you! Stand properly! Don't embarrass me!" Chen Xiaobei said.

yes ... Helian tulong composed himself, looked around, and said in a daze, "What is going on here? Bro bei? Did you do this?"

"Cut the crap!" Chen Xiaobei was too lazy to explain, so he ordered, "you're not familiar with the devil earth continent anyway. You'll be responsible for sending these women back to the heaven's wing star area!"

"Ah?" Helian tulong was taken aback. He said awkwardly, "Then what about you?"

"I'll find the demonic remains myself!" Chen Xiaobei said.

"You're going by yourself?" "Do You Know the Way?" Helian tulong asked, frowning.

"I don't know the way, but do you?" I was counting on your people to lead the way. It seems like that person is dead. I have no choice but to look for him myself! Chen Xiaobei said.

uh ... Helian tulong nodded and said awkwardly, "Indeed, even if I follow you, I won't be of much help. You still have to find the way to the demonic remains yourself ..."

"It's good that you know!" "yes!" Chen Xiaobei said, "send these women back safely. That's a small favor for me!"

"Yes! Don't worry!" Helian tulong patted his chest and promised, "Even if I have to risk my life, I will send them back to heaven's wing Starfield safely!"

thank you, benefactor ... Thank you ... I'm really grateful ...

All the women, including the young mother, were grateful to Chen Xiaobei.

“Benefactor!”

Just then, Tyrande jumped out from the ruins and said with a serious expression, “You’ve really touched me! I also want to help you with something!”

Chen Xiaobei raised his eyebrows. How can you help me?”

Chapter 1922: Devil spirit heart-burning poison (2)

“I know how to get to the periphery of the demonic remains! I can bring you there!”

Tyrande patted the dust off his body and said very respectfully, “To tell you the truth, I’m the guide that young master Helian hired! My name is Tyrande!”

“You’re Tyrande?”

Helian tulong squinted his eyes and sized him up. He said angrily, “You’re really good! All the men in the base have died in battle, but you’re not injured at all!”

“I admit it! I’m a coward! When my friends and comrades were being slaughtered, I hid under the body of a young man and lived an ignoble life!”

Tyrande’s face was filled with guilt, and he said from the bottom of his heart, “But! I definitely don’t want this to happen! If I had young master Chen’s strength, I would not hesitate to charge out and kill all of the demonic sect members!”

“Unfortunately, I’m far inferior to young master Chen! Even if I rush out, I’ll only become one of the corpses on the ground ... I can’t do anything with my strength, I can’t change anything ...”

Tyrande composed himself and said seriously, “But it’s different now! I can bring young master Chen to the demonic remains! Even if I die on the way, I will have no regrets! At least my death can make a little contribution and change the situation a little!”

Helian tulong’s expression changed slightly. He nodded and said, “hmm, you’re right ... Since you’re alive, you should be my bro bei’s Guide. Don’t try to be sneaky anymore!”

“Don’t worry!”

Tyrande touched his conscience and said very seriously, “I swear in the name of God! From now on, I will take responsibility for young master Chen! Take young master Chen to the demonic remains at all costs! I swear!”

The power of truth was enormous.

Before the attack, Tyrande had thought that Chen Xiaobei and Helian tulong were just two inexperienced young men.

However, at this moment, the facts before his eyes had completely overturned Tyrande’s thoughts!

In Tyrande's heart, Chen Xiaobei had already occupied an extremely high position.

It was not an exaggeration to say that Tyrande had become one of Chen Xiaobei's hundreds of millions of believers, and he respected and worshipped Chen Xiaobei from the bottom of his heart!

He would never underestimate Chen Xiaobei again! She would never betray Chen Xiaobei!

"Alright, since things have come to this, let's split up!"

let's go! Chen Xiaobei said. Then, he summoned the somersault cloud, took Tyrande with him, and flew into the sky.

Helian tulong took out his Azure Dragon-grade flying device and escorted the women back to the heaven's wings star system.

.....

"Whoosh ..."

After flying for a few thousand miles, Chen Xiaobei suddenly controlled the somersault cloud to dive towards the ground.

"Young master Chen! Don't fly around! We still have to move forward! Why did you suddenly land?" Tyrande asked, his face full of surprise.

some people down there are in trouble. I'll go help them. Chen Xiaobei said calmly. He controlled the somersault cloud and landed on a Rocky Mountain.

The heavenly law punished evil and promoted good. Chen Xiaobei had already received a lot of good in the process of doing good.

Since he had a lot of free time, Chen Xiaobei was willing to do more good.

Even if he couldn't help the world, he could at least help with what was happening right under his nose.

.....

On the other side of the mountain, there was a large group of luxuriously dressed young people.

There were both men and women among them, and one look was enough to tell that they were young masters and young mistresses born with a golden spoon in their mouths.

But at this time, the group of young people all had very ugly expressions. They all sat cross-legged on the ground and silently circulated their true essence, as if they were circulating their energy to heal their injuries.

"Young master Chen! Stop! Don't go there! They're all poisoned!" Tyrande's brows were tightly furrowed, and his expression was extremely nervous.

"I didn't know you knew poison?" Chen Xiaobei raised his brows in surprise.

young master Chen, you're flattering me ... I don't know anything about poison ... Tyrande explained. I've only lived on devil earth for more than 20 years, so I'm more experienced.

“Then tell me, what kind of poison did they get?” Why won’t you let me go?”

look at their foreheads,” Tyrande said. they’re all dark red, and their sweat evaporated into wisps of white smoke as soon as they came out! One could only imagine how frighteningly high their body temperatures were! These symptoms are caused by the devil spirit heart-burning poison, which is unique to the devil earth continent!”

“Devil spirit heart-burning poison?” what? ” Chen Xiaobei asked, ” you’re not letting me go because the poison is contagious? ”

“Yup!”

“There’s a demon spirit volcano tens of thousands of miles away!” Tyrande said. The volcano erupted, and volcanic ash that covered the sky burst out! This dust contained the demonic spirit heart-burning poison! The poison spreads through the air, and once a person comes into contact with it, they will be poisoned immediately!”

“Yes, I understand.” you stay here, ” Chen Xiaobei said. I’ll go over myself. I don’t want you to get infected.

“No! You can’t go over there either! You can’t come into contact with this poison at all!”

Tyrande quickly pulled Chen Xiaobei back and said, ” “If you go over now, you’ll definitely be poisoned! At that time, your body will be as hot as them, your blood will boil, and your heart will explode! Their deaths were extremely miserable!”

“Don’t worry, I won’t be poisoned.” Chen Xiaobei shrugged, looking very confident.

According to Tyrande, this poison came from a volcano and was considered a natural poison.

As long as it was not caused by evil magic, the cleansing Bodhi would be able to withstand all kinds of poison.

“Impossible! How can you not be poisoned?”

Tyrande did not know what was going on. He held on to Chen Xiaobei tightly and refused to let go.”Even an earth level deity’s body isn’t immune to this demon spirit heart-burning poison! For a long time, the ‘righteous path Alliance’ has attacked the demonic sect countless times, but they have always been rejected by this demonic poison. They can’t do anything to the ‘Sky Soul Hall’! ”

“There’s such a thing?” Chen Xiaobei raised his eyebrows and said, ” “If I can get rid of this strange poison, wouldn’t I be able to lead the ‘righteous Alliance’ to destroy the demonic sect? Then wouldn’t I be the ‘righteous Alliance’s leader’? ”

“That’s true, but how can you cure the demon spirit heart-burning poison?”

Tyrande’s brows furrowed as he said, ” for a long time, countless righteous alchemists, great Chinese medicine doctors, and great poison Masters have been trying their best to cure the demon spirit heart-burning poison! But in the end, not a single one succeeded!”

“Let go of my hand.” Chen Xiaobei raised his eyebrows and said confidently, “Others can’t, but that doesn’t mean I can’t! Don’t you think of me as an Angel?”

y-yes ... Tyrande nodded and said in surprise, “Don’t tell me you’re going to use the Holy Light magic of an Angel?”

I’ll tell you, I’m not an angel. I’m a God! The godly doctor of China!

Chapter 1923: The angelic girl (3)

“Great ... Great celestial doctor? How ... How is this possible?!”

Tyrande’s face was filled with bewilderment, and he simply couldn’t believe his ears.

While Tyrande was still in shock, Chen Xiaobei had already walked over to the group of poisoned young men.

“Young master Chen!”

Tyrande was shocked, but he quickly calmed down. “Eh? Young master Chen really didn’t seem to be infected? This ... This is unbelievable ...”

Of course, Tyrande was timid and didn’t dare to follow.

In Tyrande’s eyes, Chen Xiaobei was an unfathomable master! Tyrande did not dare to compare himself to Chen Xiaobei!

On the other hand, Chen Xiaobei’s eyes lit up when he saw the group of poisoned young men.

He saw a very, very beautiful girl among the group of young people.

Her silver-white hair was as smooth as water, and her skin was as white as snow. She was wearing a white gauze dress, and her entire person exuded a pure and holy aura.

The main point was that she had the deep eyes of a European woman and a high nose bridge. Coupled with her Holy temperament, she was like a goddess who had descended to the mortal world. People only dared to look at her from afar and did not dare to touch her!

Tyrande had been saying that Chen Xiaobei was an Angel sent by God.

But in Chen Xiaobei’s eyes, this young girl was like a little angel in deep sleep.

“Yes, let’s start with her!”

Chen Xiaobei walked over to the girl and decided to detoxify her.

Chen Xiaobei walked over and observed the girl’s complexion. Suddenly, he frowned and said, “This poison ... Seems familiar!”

From the girl’s face and aura, Chen Xiaobei thought of another type of poison!

“That’s right! It was Neptune Starfield! The poison released by that strange magical beast is very similar to this demon spirit heart-burning poison!”

that’s right! Chen Xiaobei squinted his eyes. when the David’s deer was wreaking havoc in Neptune, it released a poisonous gas that spread through the sea. Anyone who touched it would be poisoned!

“However, the grade of that poison is one grade lower than the demon spirit heart-burning poison! From the looks of it, that neither fish nor fowl demonic beast is likely to have run from devil earth to Neptune!”

“Let’s look at it from another angle! Could the demon spirit heart-burning poison also be a poison released by a magical beast?”

if that’s the case, this demonic beast must be living in the demonic spirit volcano, and its cultivation must have reached the mid to late stage of earth-god! Chen Xiaobei speculated. This is too scary ...”

Chen Xiaobei’s head started to hurt.

The devil earth continent was indeed not an ordinary place. There were devil religions that committed all sorts of crimes, and there were even more terrifying devil beasts!

No wonder Helian tulong said that the devil earth continent was on the same level as the Azure Dragon continent tens of millions of years ago!

Chen Xiaobei had a feeling that this operation would be very dangerous. He would not be able to enter the core of the demonic remains so easily!

“Calm down, calm down! It’s useless to think so far, saving people is more important now!”

Chen Xiaobei then took out the cleansing Bodhi.

Chen Xiaobei channeled his ethereal force and injected it into the cleansing Bodhi. He activated the cleansing Bodhi’s special ability to purify the poison in the air.

This demon spirit heart-burning poison was of a higher level than the one from the demonic beast in Neptune Starfield!

Even though Chen Xiaobei had a way to cure the poison, he did not have enough high-grade earth-god medicine to make the antidote.

Therefore, the process of detoxification could only be achieved with the help of the cleansing Bodhi.

After the air had been cleaned, Chen Xiaobei placed the cleansing Bodhi next to the angel.

The girl was also consciously circulating her energy to expel the poison. With her breathing and expiration, her qi and blood flowed, expelling the poison from her body and immediately purifying it.

In less than two minutes, the poison in the girl’s body had been completely removed.

“Mm ...”

The girl’s complexion returned to normal, and she opened her eyes in a daze.

It was a pair of extremely beautiful blue eyes! It was clear and sparkling like the most beautiful sapphire. Even the most casual and ordinary look was enough to stun all living beings!

“You ... Who are you? Why are you squatting in front of me?”

As soon as the girl opened her eyes, she saw an unfamiliar Chinese boy squatting in front of her. He was like a cat with its fur standing on end, and she immediately became nervous.

If it wasn't for the fact that the boy was quite handsome, the girl would have punched him.

“If I wasn't squatting here, you wouldn't have been able to wake up!” Chen Xiaobei raised his eyebrows and smiled.

“Me? That's right! The demon spirit heart-burning poison in me seems to have been removed!”

The girl was surprised and said in disbelief, “Did you help me detoxify the poison? This was a strange poison that no one in the world could detoxify! You ... How did you do it? It's simply too magical!”

Without explaining, Chen Xiaobei walked to the person beside him and said, “I don't think it's the time to explain. We should save the others first!”

“Yes, yes, yes! It's more important to save people!” The angelic girl nodded and said impatiently, “Let's save my senior sisters first! Their bodies are weak and can't hold on for long!”

“No problem, Ladies First.”

Chen Xiaobei nodded and brought the cleansing Bodhi to the other young women to help them purify the poison.

Different from the angelic girl, the other young women all had different appearances.

There were Huaxia girls in Han Chinese clothing, Tenshou girls in warrior clothing, and half-human girls with tails.

In addition, the remaining young men around him were also of all kinds of races.

Chen Xiaobei was very curious. “Which sect are you from? Why are there so many different races?”

“We are heaven dominating faction disciples!”

The angelic girl raised her chin and said proudly, “Our heaven dominating faction is the number one faction in apocalypse Starfield! The most elite of all races under the earth-god Realm are all gathered in our heaven dominating faction!”

“I see!” that's right! Chen Xiaobei nodded. heaven dominating faction is the best faction under the earth-god Realm. Of course, it's a gathering place for the elites of all the races!

“By the way, what's your name? Which race are you from?” Chen Xiaobei asked.

“My name is Cassidy Monroe! Young master is my Savior, you can call me menglu from now on!”

The girl was very cheerful and introduced enthusiastically, "I am the little princess of the heavenly wings race! My Shijie has a Tenshou Princess! The princess of Black Tortoise capital city! And the princess of the Chen hun clan!

I know! The heavenly wings are the descendants of the angels. But, what about the Chen and Fu clan? Is it related to demonic beasts?"

"Yup!" yes! Monroe nodded. the Chen and hun clan are the orcs. I know the green Hill Galaxy and the Cang Wu Galaxy. They are all descendants of the orcs!

Oh?" Chen Xiaobei asked curiously, "the Chen and Huang clan all have the characteristics of wild beasts. So, do you have angelic wings?"

Chapter 1924: Prince of the Green Dragon (4)

"Of course I have the angel wings! However, my cultivation isn't enough to activate the core special ability of the 'heavenly wings bloodline'. I have to cultivate to the primordial soul realm earth immortal realm to activate the special ability and grow the angelic wings!"

Menglu did not think much of it and told Chen Xiaobei her secret.

the world is so big, and there are indeed many unknown things waiting for me to explore! Chen Xiaobei was also surprised.

hmm ... What's going on with us ... The high temperature in our bodies has subsided ... The demon spirit heart-burning poison seems to have been completely removed ...

With just a few words, the group of poisoned women woke up one after another.

Menglu quickly said,"senior martial sisters!" It's great that you're all fine! It was this young master Chen who helped us cure the poison! He's our benefactor!"

The girls expressed their gratitude to Chen Xiaobei politely.

They all introduced themselves.

The woman with wheat-colored skin and a cheetah's tail was called Idina.

The elegant princess of Black Tortoise capital city, who was dressed in Han Chinese clothing, was called Xia Jinlin.

The Amaterasu woman in a warrior's uniform was called Chisa ishiqi.

Chen Xiaobei politely responded to their thanks, then turned to the other side to help the rest of the young men.

As soon as Chen Xiaobei left, the three girls surrounded menglu and started to ask about Chen Xiaobei.

Obviously, no one could cure the demonic spirit heart-burning poison, but Chen Xiaobei could do it easily.

This piqued the girls' curiosity. They all wanted to know who Chen Xiaobei was.

However, Menglu was so focused on answering Chen Xiaobei's questions that she forgot to ask about his situation.

If he was unable to satisfy his sisters' curiosity, he would inevitably be despised.

"En ... No way ... The demon spirit heart-burning poison in our bodies is actually cured ... This is too unbelievable ... Who is this kid? Why haven't I seen him before?"

After two to three minutes, the young men woke up and looked at Chen Xiaobei.

Menglu quickly ran over and said, "senior brothers!" This is young master Chen, he was the one who helped us remove the demon spirit heart burning poison. He is our Savior!"

As soon as he said that, the young men's eyes immediately became friendly!

The three people with the highest status stood out and thanked Chen Xiaobei personally!

Monroe was in charge of the introductions. This is Ishizaki kungfeng from the Amaterasu clan. He's Senior Sister Ishizaki Chisa's brother. They're both from the Amaterasu city of the Azure Dragon continent!

Ishizaki kungfeng smiled and thanked Chen Xiaobei politely, " thank you, young master Chen, for saving my life. I will definitely repay your kindness in the future!

"You're welcome!" Chen Xiaobei waved his hand.

Ishizaki kungfeng maintained his smile and asked, " "If I'm not wrong, Childe Chen is not a disciple of our heaven dominating sect! May I be so bold as to ask which top power young master Chen is from?"

As soon as he said that, the few women from before and all the young men around them pricked up their ears.

Everyone wanted to know who Chen Xiaobei was. It could actually detoxify the demon spirit heart-burning poison!

I'm from the Xuan faction," Chen Xiaobei said calmly. it's not a top faction yet.

"What ... What sect?"

Ishizaki kungfeng was stunned for a moment, before he asked respectfully, "I'm ignorant and have never heard of young master Chen's sect ... May I ask if it's a sect from the earth-god Realm?"

"It's not the earth-god Realm," Chen Xiaobei shook his head and said, " my Xuan faction is on the Vermilion Bird continent!

"The Vermillion Bird continent? Your sect?" Ishizaki kungfeng's face turned cold, and his smile disappeared. He said disdainfully, "So it's just a small character from a small sect, what a waste of my expression!"

At the same time, many people around showed disappointment in their eyes, which quickly turned into disdain.

The women, who were initially interested in Chen Xiaobei, rolled their eyes at him.

It seems that I'm no longer welcome here. I'll take my leave! Chen Xiaobei was not stupid. He could tell that they were a bunch of snobby people.

At first, they thought that Chen Xiaobei was a master from some big force, so they all smiled and treated Chen Xiaobei with respect.

The moment they heard that Chen Xiaobei came from a small, unknown sect, their faces changed. Not only did they not thank Chen Xiaobei, but they also did not like him.

Of course, this was not strange!

These young men and women were all disciples of heaven dominating faction. They all thought that they were the most elite and most talented people in the world. Naturally, they would not want to associate with a nobody like Chen Xiaobei!

Chen Xiaobei was not the kind of person to be treated coldly. He took it that he had saved a group of ungrateful people and turned to leave.

"Young master Chen, please wait!"

But at this moment, a burly man with a heroic spirit said in a deep voice, "Heroes don't care about their origins! You're our benefactor, and we haven't repaid you yet. How can we let you leave like this?"

"Yup! Young master Chen! Don't go!" Menglu quickly introduced, "this is the ninth Prince of Black Tortoise capital city, Xia Longxiang!" He's the most loyal person, so you two will definitely become good friends!"

Chen Xiaobei looked at Xia Longxiang and said, "Menglu said you're a loyal friend, I believe her! Let's meet again in the future, I'm not interested in traveling with an ungrateful Wolf!"

"You little brat! Who are you calling an ingrate!" Ishizaki kungfeng glared at Chen Xiaobei.

"Gale, calm down!"

At this moment, a handsome young man in an Azure Dragon robe said with a smile that was not a smile, "Although young master Chen's background is a little humble! But he is our benefactor, we should repay him!"

"Yes, yes, yes! Senior brother Shaodian is right!"

Monroe wanted Chen Xiaobei to stay, so she quickly said, "Young master Chen, look! This is our team leader, senior brother Jiang Shaodian!"

He is the twelfth Prince of the Azure Dragon Imperial City, a core disciple of our heaven dominating faction. He is also the leader of the seventy-two earthly fiends on the 'minor heavenly fate ranking'!

Menglu said expectantly, "Childe Chen, senior brother Shaodian personally said that he would repay you. Please come with us!" the heaven dominating faction's base will be outside The Omen Ridge! When the time comes, we'll all repay you!"

Chen Xiaobei changed his mind, " "Alright, I'll go with you!"

Firstly, Chen Xiaobei did not want to hurt menglu's feelings. Secondly, he could follow these people to the demonic ruins!

After all, the road ahead was too dangerous. If he continued to bring Tyrande along, he might get him killed.

"Yay! That's great!" yes! menglu cheered happily. with Childe Chen with us, we don't have to be afraid of the demon spirit heart-burning poison anymore!

Everyone's expression changed.

Almost everyone's eyes were on the cleansing Bodhi in Chen Xiaobei's hand.

"Let's go, we'll continue moving forward!" Jiang Shaodian said with a half-smile.

Chapter 1925: Colluding (1)

"Wait a moment."

Chen Xiaobei did not leave immediately. Instead, he walked to the distance and called Tyrande over.

"Young master Chen! You're really too awesome! In the beginning, I thought you would be poisoned! I didn't expect that not only are you fine, but you actually also removed the demon spirit heart-burning poison that no one has been able to cure for tens of millions of years. You're simply a God!"

Tyrande's face was full of excitement, and he was in awe of Chen Xiaobei.

However, before Tyrande could finish his sentence, he was interrupted by Ishizaki kungfeng.

"Kid!"

Ishizaki kungfeng shouted in disdain, " "Why did you call such a useless old man over? we are the elite team of heaven dominating faction! We can't afford to lose face by bringing an old waste with us!"

Hearing this, Tyrande's face was filled with embarrassment. He felt extremely embarrassed, but he didn't dare to say anything.

after all, he was just a normal heaven's wings warrior. In front of heaven dominating faction's core disciples, he had no right to speak.

It was Chen Xiaobei who stood up for Tyrande and said, " "Tyrande is my friend. I don't feel at ease leaving him alone! I have to send him to the heavenly wings "base nearby before I can go with you!"

"Did you make a mistake?" Ishiqi Chisa said arrogantly, " "Our time is very precious! Where would I find the time to accompany you to that heavenly wings race's base?"

Chen Xiaobei's face turned cold and he said, " "Since that's the case, I won't waste your precious time. Take care!"

“Let’s go!” With the temper of a spoiled young lady, Ishiqi Chisa said arrogantly, “You’re just a small character, do you expect us to accommodate you? What a joke!”

“Well said!” “We won’t waste our time on nobodies!” Said the Panther lady, Idina, with the same arrogance.

“Right! let’s go ... the Black Tortoise Princess, Xia Jinlin, had just opened her mouth when she was pulled to the side by Xia Longxiang.

Xia Longxiang said sternly, “Jin Lin! You’re not allowed to blindly follow them! Young master Chen is our benefactor!”

“Tsk, what’s so great about being my benefactor?” “Compared to brother Shaodian, that kid is just an insignificant ant!” Xia Jinlin snapped.

“You love-struck idiot! He’s really incurable!” Xia Longxiang turned to the other side helplessly and said in a deep voice, “Senior brother Shaodian! These girls listen to you the most. Hurry up and tell them how they can be so disrespectful to their benefactor!”

“No problem!” Jiang Shaodian smiled indifferently. His handsome appearance, powerful strength, and extraordinary background had made him the Prince Charming in the hearts of thousands of girls.

At the scene, other than Menglu, who was a little muddle-headed, the other three women were all Jiang Shaodian’s die-hard fans.

The moment Jiang Shaodian opened his mouth, the three women immediately looked at him with infatuated eyes.

“All of you, be more polite to young master Chen!”

“Although young master Chen comes from a humble family, he is indeed a little humble!” Jiang Shaodian said with a faint smile. However, he did save us. No one can forget his kindness!”

“Alright, since senior brother Shaodian has said so, we have no objections!” The three women nodded their heads like chicks pecking at rice, obeying Jiang Shaodian’s every word.

Jiang Shaodian narrowed his eyes and said calmly, “young master Chen, if you want to find the heavenly wings ‘base, we will help you. Let’s go!”

“Alright!” Chen Xiaobei nodded.

Even though Jiang Shaodian’s words were harsh, at least he did not go against Chen Xiaobei.

Chen Xiaobei was too lazy to argue with the women. He turned to Tyrande and asked him about the situation. Then, he quickly made his way to the heavenly wings ‘base.

“Menglu!”

Jiang Shaodian came to Menglu’s side and squeezed out a smile that he thought was the most handsome. He asked, “What do you think of my performance today?”

“What kind of performance? Let’s talk about it later! I have something to ask young master Chen!” Menglu did not think much of it and quickly ran to Chen Xiaobei.

“Detestable!” Jiang Shaodian’s smile froze instantly. His eyes were filled with jealousy. He gritted his teeth and said, “Menglu actually ignored me and went to find that lowly and shabby little character. Too hateful!”

“Senior brother Shaodian, why are you so angry?”

Ishiqi Gale immediately came over and fanned the flames, “I told you not to leave with that kid, but you insisted on keeping him! Now, I’ve left myself a Big Love rival!”

“You know nothing!”

“If I wasn’t afraid of encountering the demonic spirit heart-burning poison again, how could I keep a little trash by my side!” Jiang Shaodian said viciously.

“Senior brother Shaodian! We’ve been through a lot together, and we’ve built a strong friendship!”

“You can lie to others, but can you lie to me?” ishiqi kungfeng laughed. If it wasn’t for menglu, you would have already taken that miraculous bodhi seed, right?”

“Shut your stinky mouth!” Jiang Shaodian said coldly, “although we’re brothers, we still have the Xia family and menglu!” There were some things that could not be done too explicitly! There are some things that can’t be said directly!”

“Understood!”

you have to maintain your glorious image! Ishizaki kungfeng laughed sinisterly. leave the matter of offending people to me!

“Alright, since you’re so self-aware, I’ll leave everything to you!” “As long as we get rid of that kid, I’ll definitely repay you later!” Jiang Shaodian said viciously.

“Watch me!” he’s just a small fry! I can play with him however I want! ishiqi kungfeng laughed.

.....

At the front of the team.

Monroe learned what had happened from Tyrande.

“Young master Chen! I would like to thank you once again!”

Menglu bowed to Chen Xiaobei and said, “Although I’m the princess of ‘heaven’s wing city’ on the Azure Dragon continent, heaven’s wing Galaxy and we are of the same clan and clan! Thank you for your help and saving the lives of the heaven’s wings citizens!”

you don’t have to thank me. Chen Xiaobei shook his head. if I had arrived a few minutes earlier, the people in the base would not have to die.

“This can’t be blamed on you, we can only blame the demonic sect for being too cruel!”

thank you," Monroe said, touched. you saved all the women and a baby. That's already very, very impressive! When we get back to the base, I'll definitely tell my father about what you've done and have him announce it to the entire city so that all the billions of people in the heavenly wing city will know your name!"

I'll also tell the Emperor of the heaven's wings Starfield about this," said Tyrande. the people of the heaven's wings race in the Starfield will definitely know who you are, Childe Chen!

Awesome! This was the rhythm of increasing the number of believers!

Chen Xiaobei was pleased but he did not get too excited.

After all, he had only saved a dozen women and a baby, which could not increase the number of believers.

Of course, even if it was just one more believer, it was also a direct reflection of the good will be rewarded!

"Menglu! It was dangerous! Quickly Dodge! Hurry up!"

At this moment, an urgent shout came from the back of the team.

"Boom boom boom ..."

The ground beneath Chen Xiaobei and Monroe's feet began to shake.

Chapter 1926: I know a little (2)

"Young master Chen, quickly Dodge! There's something underground!"

Monroe was so nervous that she subconsciously jumped to the side.

Even though this girl was young, she was from the Azure Dragon continent after all. She was also a disciple of heaven dominating faction, and her cultivation had already reached the two-fire god-refining realm!

His speed had reached two million combat power, which was extremely fast!

In the blink of an eye, Monroe had jumped more than ten meters away!

"Aiya!"

Just then, Tyrande let out a panicked scream.

The earth trembled violently, as if a terrifying earthquake had occurred. Tyrande slipped and completely lost his balance, falling seven or eight meters away.

"Tyrande! Just wait! I'm here to save you!"

Of course, Chen Xiaobei knew that he was in danger, but he could not avoid it.

That was because Tyrande's cultivation level was too low. If he was left alone, he would be dead.

“Young master Chen! Don’t mind me!”

Tyrande shrieked nervously, looking at this movement, it should be the earth drilling devil Scorpion! This type of monster was extremely ferocious and had 1.5 million combat power when it matured! It’s equivalent to the one fire god-refining realm, don’t mind me! Quickly Dodge!”

At the same time, many people at the back of the team laughed evilly.

“Gale! Well done!” Jiang Shaodian’s eyes were cold as he said in a low voice, “You really are worthy of being the number one genius of the Shou Ninja faction! While traveling, he can also use Ninjutsu to control the earth drilling demon Scorpion!”

“Don’t worry, I’ll handle it!” that brat is only at the early stage of God-Ascension cultivation at best! ishiqi kuangfeng laughed. he can’t even take half a move from the earth drilling devil Scorpion!

On the other side.

Xia Longxiang was shocked and shouted, “young master Chen!” Quickly Dodge! The earth drilling demon Scorpion is very powerful. Don’t fight it head-on. I’ll help you immediately ... Jin Lin! Why are you pulling me?”

Before Xia Longxiang could go to his rescue, he was pulled down by his younger sister.

“Brother! I’m also afraid of the earth drilling devil Scorpion! If you leave, who will protect me?” Xia Jinlin tugged at Xia Longxiang coquettishly, refusing to let go no matter what.

Not far away, ishiqi Chisa laughed coldly. Xia Longxiang has been held back. That little trash with the surname Chen is dead for sure!

Idina also laughed disdainfully. there’s no point in living for such a small character in this world. It’s better to die early and reincarnate early. That way, we won’t have to follow him to find that broken base. It’s such a waste of time!

“Boom boom boom ...”

At the same time, the ground cracked.

A giant black Scorpion the size of a truck rushed out of the cracked ground.

Its shell was like a tank’s armor, its pincers were like ten thousand pounds heavy hammers, and its six feet were like sabers. As it moved, six big holes appeared on the ground.

It turned its red eyes and ignored everyone around it. Its eyes were fixed on Chen Xiaobei and Tyrande, and it pounced on them.

“Amazing!” The Ninja Beast style’s [beast slave Ninjutsu] is really too mysterious!”

Jiang Shaodian grinned hideously and said, “ not only can you easily control an adult earth-drilling devil Scorpion, but you can also control it from a distance. You can kill people invisibly! It’s really Ninjutsu, a must-have skill for home travel and murder!”

“Is there a need to say? The beast slave Ninjutsu is the pride of my Shiqi family! It’s also the ultimate secret of our Shou ninja style!”

Ishizaki kungfeng laughed proudly, “When it comes to controlling beasts, if we claim to be second, no one in the world would dare to claim to be first! Just enjoy my performance! Hahaha ...”

“Woof! Whoosh!”

Under the control of Ishizaki kungfeng’s Ninjutsu, the earth-drilling demon Scorpion had already reached Chen Xiaobei and Tyrande. Its pincers slammed down with the force of a meteor.

Just as Tyrande had said, an adult earth drilling demon Scorpion’s combat power had reached 1.5 million.

In terms of combat power and physical strength, even Chen Xiaobei could not withstand the attacks of the earth drilling demon Scorpion.

If the pincers were to land on them, both Chen Xiaobei and Tyrande would be smashed into meat paste.

It’s over ... It’s really over this time ... Tyrande’s face was ashen, and he wailed in despair, “ young master Chen ... It’s all my fault ... I can only return what I owe you in my next life ...”

“Young master Chen! Quickly Dodge! I’m here to save you!” ah! menglu screamed and ran over, trying to save Chen Xiaobei.

However, because Monroe had dodged to the other side, which was far away from Chen Xiaobei, she would not have been able to save him in time.

“That kid is dead! Hehehe ...”

Jiang Shaodian grinned and said enviously, “ “This ‘beast slave Ninjutsu’ is so useful! Can you teach me?”

“Of course not!”

Ishizaki kungfeng said proudly, “ “I just said that the beast slave Ninjutsu is the pride of my Shiqi family! It’s also the ultimate secret of our Shou ninja style!”

not to mention that I can’t teach it to outsiders, even within my family, only a genius like me is qualified to learn it ... This ... How is this possible!

Before ishizaki kungfeng could finish his sentence, his entire body froze on the spot as if he had been electrocuted, and his face turned extremely ugly.

Jiang Shaodian was also dumbfounded. “What’s the matter? Why did the earth drilling devil Scorpion stop?”

Just as the earth-drilling demonic Scorpion was about to kill Chen Xiaobei and Tyrande, the ferocious giant demonic beast suddenly stopped its attack!

What was even more unexpected was that not only did the earth drilling demon Scorpion stop its attack, but its huge body was actually trembling! His eyes were filled with fear, as if he had seen something extremely terrifying!

how ... How is this possible?!

Everyone was dumbfounded by the scene before them.

“What the hell are you doing?” Jiang Shaodian said angrily. Hurry up! We’re about to succeed, stop! Are you crazy?”

No... It’s not that I want to stop ... It’s that the earth drilling fiend Scorpion suddenly lost control ... Ishizaki kungfeng’s face had already turned green.

He had already used all his strength in the dark, but he was completely unable to continue controlling the earth drilling devil Scorpion.

“Numbing! You’re playing with me, right?”

Jiang Shaodian’s face was also livid with anger. He said in a bad mood, “Is this the pride of your Ishizaki clan?” The profound meaning of the Shou ninja style? It’s really f * cking spicy chicken!”

“I ... I don’t know what’s going on either ...”

Ishizaki kungfeng was so aggrieved that he was about to cry, “My beast slave Ninjutsu has never failed before ... I don’t know what’s wrong with me today ...”

“Eh?”

At this moment, Monroe had already run over, her sapphire-like eyes filled with curiosity. “Childe Chen, do you also know how to control demonic beasts?”

As soon as he said that, everyone perked up their ears.

“I know a little.” Chen Xiaobei smiled.

“Wow! Young master Chen is so powerful!” Menglu’s eyes were full of stars as she pleaded, “Can you show me? I’m begging you!”

“It’s a piece of cake, there’s no need to ask for words!” Chen Xiaobei raised his left hand and clenched it into a fist.

“Are you kidding me? How could a nobody like him know beast taming techniques?” On the other hand, almost everyone was looking at Chen Xiaobei suspiciously.

Chen Xiaobei only said two words, “Lie down!”

“Swish!”

The earth-drilling demon Scorpion did not hesitate. It bent its six legs and crawled under Chen Xiaobei’s feet. It even wagged its tail like an obedient pug.

“Get on!”

Chen Xiaobei jumped onto the back of the earth-drilling demon Scorpion and pulled Monroe and Tyrande up.

“Let’s go! Pikachu!”

charge! Chen Xiaobei ordered, and the earth-drilling demon Scorpion immediately stood up and dashed hundreds of meters forward.

Everyone was left in a state of confusion.

Chapter 1927: It's just so-so (3)

how ... How is this possible?!

Xia Jinlin was dumbfounded and couldn't believe his eyes, "Aren't the earth drilling demon scorpions fiendish magical beasts? How could he not kill that kid and become his Mount instead? I'm not hallucinating, am I?"

"Silly sister!"

Xia Longxiang laughed heartily and said, "we've underestimated young master Chen!" She didn't expect him to know beast taming techniques other than detoxification! He's really a hidden expert!"

"That can't be a beast taming technique, right ..."

Edina's eyes widened in disbelief. "We beastmen are also proficient in beast taming techniques, but I can't see through that kid's beast taming method at all! He didn't even use his true essence, so how could he have used beast taming techniques?"

Xia Jinlin asked curiously, "Senior Sister Qian Sha, doesn't your Shiqi family have a very powerful" beast slave Ninjutsu "?" Did you find anything?"

"I ... I ..."

Ishiqi Chisa's face turned green, and she said in confusion, "I don't like that kid's methods either ... He's able to control demonic beasts without using his true essence or secret techniques ... I've never even heard of it, let alone seen it ..."

all the heaven dominating sect disciples around were stunned and shocked.

The princess of the orc tribe, Idina, could not see through Chen Xiaobei!

Even The Beastmaster, ishiqi Chisa, could not see through Chen Xiaobei.

The crowd started to suspect that Chen Xiaobei was just pretending to be weak. He deliberately said that he was a small figure! In fact, he was a hidden expert!

At the front of the team.

Jiang Shaodian's face was contorted in anger. He gritted his teeth and scolded, "Ishiqi Gale! Are you f*cking playing with me? He went to great lengths to get an earth-drilling demon Scorpion, but not only did it not kill that kid, it even allowed him to abduct Monroe! This is a scam!"

senior brother Shaodian, please calm down ... I wouldn't dare to trick you ... tears were rolling down ishiqi kuangfeng's face."I really don't know why the earth drilling devil Scorpion would listen to that kid's orders. It's too strange ..."

“Why?”

Jiang Shaodian scolded mercilessly, “Because you’re trash! Your ishiqi family is trash! Your Beastman style is also trash! You can’t even handle a small character. If I were you, I’d just kill myself! It’s a disgrace to be alive!”

senior brother Shaodian, please calm down ... ishiqi kuangfeng patted his chest and promised, “I miscalculated this time. I will find an opportunity later and personally cut off his head and give it to senior brother Shaodian!

“Hmph! I’m going to say the ugly words first!” Jiang Shaodian said coldly, “if you fail again, don’t ever call me your brother again!” I, Jiang Shaodian, can’t afford to lose face like this!”

“Don’t worry, senior brother Shaodian!” “That brat definitely won’t survive the next time!” Ishiqi kungfeng said through gritted teeth.

.....

On the other side, the earth drilling demon Scorpion had already rushed out for a few thousand meters.

Meng Lu was extremely excited and asked curiously, “Young master Chen, your beast taming technique is so powerful! Without using true Qi or secret techniques, you can control the earth drilling devil Scorpion with just a verbal command. How did you do it?”

Tyrande’s ears immediately perked up, and his face was also filled with curiosity. He had obviously wanted to ask this question for a long time.

that’s my secret! Chen Xiaobei smiled. I can’t tell you!

Monroe and Tyrande instantly furrowed their brows. They were extremely curious, but they couldn’t get an answer.

Chen Xiaobei smiled without saying a word. He secretly put one of the Golden beetles in his hand back into the ring of all beasts.

That’s right!

The golden beetle was the twelve-winged Golden Cicada, Xiao ‘er!

Ever since Chen Xiaobei had gotten his hands on the ring, all of his spiritual beasts had been kept in the special storage space of the ring to increase the speed of their cultivation!

Chen Xiaobei had taken out Xiao ‘er and held it in his hand when he was on the verge of death!

One must know that Xiao ‘er was the number one vicious insect in the ancient times!

Although Xiao ‘er was not yet an adult, and this little lazy bug had been sleeping all this time, the aura of an ancient fierce worm that was naturally emitted from its body was enough to intimidate the earth drilling devil Scorpion!

If it was any other type of magical beast, it might not be afraid of Xiao ‘er’s aura, but as long as it was an insect, it would be afraid of Xiao ‘er from the depths of its soul.

In fact, according to the scientific classification on earth, scorpions were not actually insects!

However, scorpions and spiders belonged to the same class of animals, very similar to poisonous insects!

In addition, the earth drilling devil Scorpion was a hybrid of an ancient Scorpion and an Earth Dragon ancient insect. It had the bloodline of an insect!

It was precisely because of this that it was afraid of the waiter's aura.

Holding Xiao 'er in Chen Xiaobei's hand was equivalent to holding the thing that the earth-drilling demon Scorpion was most afraid of. Naturally, the demonic beast would listen to Chen Xiaobei!

.....

After a while, the heavenly wings 'base that Tyrande had contacted appeared in his field of vision.

When they were still quite a distance away, Chen Xiaobei had the earth-drilling demonic Scorpion stop and leave on its own to avoid causing panic in the base.

After all, an adult earth drilling demon Scorpion had a combat power of 1.5 million. To the ordinary soldiers in the base, it was definitely a very terrifying giant beast.

But to Chen Xiaobei, the earth drilling demon Scorpion was too weak. It was even qualified to be a Mount.

So, Chen Xiaobei was too lazy to tame the earth-drilling demon Scorpion and let it go.

Tyrande, you can go by yourself. You have my phone anyway. If you run into any trouble, you can call me! Chen Xiaobei said.

"No need!" just tell me your name, " Monroe said enthusiastically. if you run into any trouble, just tell me!

"Thank you! Thank you, young master Chen! Thank you, Princess menglu!"

Tyrande was so touched that his eyes turned red."It's really a blessing from my previous life for a small figure like me to receive the care of the two of you!"

After saying that, Tyrande quickly ran toward the heavenly wings 'base by himself.

"Whoosh! Whoosh! Whoosh ..."

At this moment, the sound of a strong wind came from behind.

Chen Xiaobei and menglu looked in the direction of the sound and saw many extreme shadows coming their way.

"Senior brothers and senior sisters have caught up!"

Monroe's face was filled with joy. "Young master Chen, look at their mounts, aren't they very cool?"

He saw Jiang Shaodian riding a Red Lion. Its mane was strong and its feet were covered in red clouds. It was a rare spirit beast.

Ishiqi kungfeng and ishiqi Chisa were each riding a spiritual deer. The deer's horns were gold and silver, respectively, and their fur was shining with spiritual light.

Xia Longxiang and Xia Jinlin were each riding on a green steed. The steeds had Dragon whiskers on their noses and green scales on their bodies. Not only could they gallop on land, but their speed would also be extremely fast in the water.

Edina was riding on a white snow Leopard. Its eyes were like ice crystals, and its fur was like snow. It was running on all four legs, and it was extremely fast, like a shadow of a Snow Ghost.

other than these people, the other heaven dominating sect disciples all had spirit beasts, although their levels were lower! They were precious and rare existences no matter where they were!

But Chen Xiaobei only glanced at it and said disinterestedly, " "Their mounts are just average."

Chapter 1928: Besieged by the crowd (4)

"You little brat! Don't think I didn't hear you! How dare you say that our mounts are ordinary! Aren't you afraid of being struck by lightning?"

Ishizaki kungfeng roared in anger, his eyes fixed on Chen Xiaobei.

The rest of the heaven dominating faction disciples were also looking at Chen Xiaobei in a bad light.

One must know that the mounts they were riding were all rare spirit beasts in the world! No matter where he rode it, he would be envied and praised. But when it came to Chen Xiaobei, he was just average.

Even an ordinary person would be displeased by such a contrast! not to mention these arrogant heaven dominating sect disciples.

They had already looked down on Chen Xiaobei, and now they were even more hostile to him.

the mounts of my senior brothers and sisters are all super awesome. I'm so envious!

In order to resolve the awkwardness, Monroe quickly changed the topic with a smile. I've always hoped to have a handsome Mount, but after searching for a long time, I still haven't found a precious spirit beast that can compare to the mounts of my senior brothers and sisters!

The little girl was very good with her words. As she changed the topic, she also praised the people around her.

"Menglu! Don't try to change the topic!"

Ishiqi kungfeng did not let go of Chen Xiaobei's hand. He rode on the Golden-horned spirit deer and looked down at Chen Xiaobei. "You little bastard! Do you know what my Mount is?"

"I'm not interested in knowing." Chen Xiaobei shrugged.

you ... Ishizaki kungfeng was stunned. He almost choked to death upon hearing Chen Xiaobei's words.

Monroe was nervous. She did not say anything, but she felt that Chen Xiaobei was being too arrogant. He was provoking Ishizaki kungfeng!

Xu Longxiang was also frowning. He had been on Chen Xiaobei's side, but now he was also dissatisfied with Chen Xiaobei's attitude!

Even menglu and Xu Longxiang did not support Chen Xiaobei, let alone the rest of the crowd.

Ishiqi Chisa said in a strange tone, "you little brat!" You're so young, yet you don't know how to ask for guidance with an open mind. You actually said that you're not interested in knowing when someone is giving you guidance! He's simply too uneducated!"

not interested in trash?" Chen Xiaobei said coldly, " does that mean you have no manners? If there's a lunatic who wants to take you to the toilet and teach you all kinds of shit, with your good upbringing, you'll definitely go, right?"

you ... You, you, you ... ishiqi Chisa was so angry that her face turned red, and she was speechless.

"Motherf * cker!" Ishizaki kungfeng roared in rage, "You little brat! You dare to call me a lunatic! You said my Mount is shit! You ... You're simply courting death!"

Chen Xiaobei shrugged. I'm just making an analogy! I didn't say it was you! Are you confessing to yourself by being so eager to take the matter into your own hands?"

you ... Y-y-you ... ishiqi kungfeng's face turned green, and he almost fell off his Mount.

Upon seeing this, the crowd was stunned for a moment before an uproar broke out.

"Too arrogant! I've never seen such an arrogant brat!" Edina exclaimed in admiration.

"Isn't that so?" Xia Jinlin furrowed his brows and said, " senior Brother Wild wind and Senior Sister Qian Sha are both not kind people. They were actually angered to the point of vomiting blood by that kid's words! That kid is too awesome!"

"You call this awesome? He clearly doesn't know the immensity of the heavens and earth!"

" you're just a small fry! Idina said disdainfully, " how dare you be so arrogant in front of heaven dominating faction disciples! I bet he's dead today! I can't be more dead!"

"You little brat!"

Ishizaki kungfeng's eyes widened in anger, and he roared, "My Mount is a golden horned wind seeking deer! There were no more than three in the entire apocalypse Starfield! Even a single strand of hair is more precious than you, you little bastard! Even if you didn't call it sh * t, but called it trash, too! No! Alright!"

"No, no, no!"

no! Chen Xiaobei shook his head. you've misunderstood! I'm not saying that it's trash!

"This is more like it!"

Ishizaki kungfeng's eyes lit up, and he laughed, "At least you still have some self-awareness. If you don't lower your head and admit defeat, I'll kill you!"

Menglu heaved a sigh of relief. Things were simple. All Chen Xiaobei had to do was to lower his head and say a few soft words. Then, things would turn out fine. There was no need to make things so difficult.

Ishizaki kungfeng looked down from above and said arrogantly, "kneel down immediately and apologize to me and my golden horned wind seeking deer. As long as your attitude is good enough, I will be magnanimous and not stoop to your level!"

The crowd laughed and widened their eyes, waiting for Chen Xiaobei to kneel and apologize.

Menglu and Xia Longxiang did not speak up for Chen Xiaobei. After all, compared to Chen Xiaobei's life, kneeling down and apologizing was nothing. Chen Xiaobei was the one who had offended others so arrogantly. He should pay the price!

Jiang Shaodian, who had been expressionless, could not help but smile at this moment.

If he knelt down and apologized, menglu's impression of Chen Xiaobei would be completely destroyed!

This way, Jiang Shaodian would not have to worry about Chen Xiaobei becoming his love rival.

All of a sudden, everyone thought that Chen Xiaobei would kneel and apologize.

But the next moment, Chen Xiaobei shrugged and said, "I'm not saying that your deer is trash. I'm saying that everyone's mounts are trash!"

what???"

A single stone caused a thousand ripples, and the surrounding crowd instantly exploded.

"You little brat! Open your eyes wide and see clearly!"

Xia Jinlin said angrily, "my brother and I are both riding on Azure Dragon steeds!" Even if I sold you, it wouldn't be enough to buy a single green scale from them!"

"Pretentious d * ck!" my Mount is a Nightwalker leopard, " said Idina angrily. it's a spirit beast that Emperor Chen hun brought back from the earth-god Realm. I'm afraid you've never even heard of it!

"I won't talk about my silver-horned wind-seeking deer!"

"Let's talk about senior brother Shaodian's fire cloud Lion!" Ishiqi Chisha quickly said. This was a spirit beast at the peak of the nine fire god-refining! In terms of cultivation, he could even fight against the heavenly fate rankings! As long as the nine flames merged into one, it would become an earth-god beast! Do you dare to call it trash?"

"Why wouldn't I?" "The frog at the bottom of the well regards the well as the sky, but you treat trash as treasure!" You can't blame me for being too arrogant. You can only blame yourselves for not seeing the world!"

"You little brat! You're looking for death!" The crowd was so angry that they wanted to rush forward and beat Chen Xiaobei to death.

“Chen, you have to pay the price for acting tough!”

Jiang Shaodian had always wanted to maintain his image, but he could not take it anymore. He said viciously, “Or, you can show us your actions and convince us! Or, I’ll crush you to death and let you fill the gaps between my fire cloud immortal lion’s teeth!”

heh, if that’s the case ... Chen Xiaobei chuckled.”I’ll reward you with a bold statement that you’re convinced!”

“Whoosh!”

Chen Xiaobei waved his hand and the crowd fell silent.

Chapter 1929: Xiaohu makes his appearance (1)

“Whoosh!”

A golden spiritual light flashed in the ten thousand beasts ring.

The Golden spiritual light expanded rapidly and turned into a huge mythical Tiger in front of everyone!

It was 20 meters tall, and its body and tail were close to 100 meters in total!

Its fangs and sharp claws were thicker than an adult’s leg! It was sharp and even more deadly than a recondite steel saber!

The mystic Tiger’s fur was golden in color and had fiery red stripes. Under the Golden spiritual light, it even gave people the illusion that it was a divine beast, a fire Qilin!

seeing this, all the heaven dominating sect disciples were speechless.

Just a second ago, they were still shouting about how rare and precious their mounts were.

At this moment, they were all dumbfounded. They didn’t even dare to breathe. It was so quiet that one could hear a pin drop.

“Roar!”

Just as everyone was silent, the giant Tiger raised its head and suddenly roared.

In an instant, a terrifying pressure crushed the entire space, and it was as if the earth and sky were trembling.

Along with the ferocious tiger roar, a beast King’s might enveloped the area!

As if an earth level deity had descended, his aura alone could deeply shock everyone’s state of mind!

“Heavens T-t-t-this T-this is T-the giant barbaric Tiger”

The stunned crowd was instantly awakened!

Almost everyone felt like their hearts were being pressed by a huge mountain, as if they would burst at any time!

Some timid people even trembled and broke out in cold sweat. They felt suffocated and were about to faint!

One must know that the giant barbaric Tiger was a very special spirit beast!

The combat strength of an adult giant barbaric Tiger was the unit of measurement for the combat strength of an earth immortal!

In the top-tier star fields and the earth-god Realm, even a three-year-old child knew that an adult giant barbaric Tiger's combat strength was equivalent to a one-star earth-god!

The combat strength of a one-star earth-god was called the strength of a Tiger!

Therefore, anyone who had heard of an earth level deity would definitely have heard of a giant barbaric Tiger!

It was no exaggeration to say that the giant barbaric Tiger was one of the most famous spirit beasts in the human world!

The heaven dominating sect disciples knew that the giant barbaric Tiger was a one-star earth level deity!

Even if all of their mounts were combined, they would not be able to compare to a single giant barbaric Tiger!

“Hiss ... Wuu ... Wuu ...”

At the same time, everyone's mounts also knew how powerful the giant barbaric Tiger was.

As beasts themselves, these mounts were even more frightened, constantly letting out shrieks of fear.

Among their mounts, the most powerful one was Jiang Shaodian's fire cloud celestial Lion, which had achieved the nine-flame spirit-refining!

However, compared to the giant Tiger that Chen Xiaobei had released, the fire cloud Lion was nothing. The other spiritual beasts were nothing.

With a series of panicked and terrified screams, many spirit beasts actually ignored their Masters' orders and directly ran away.

Pa da ... Pa da ... Pa da ...

Fire cloud Lion, two Azure Dragon horses, gold horn and silver horn wind seeking deer, and night snow spiritual leopard.

These spirit beasts were of the highest level and were the most intelligent, so they didn't run around in panic.

But!

These spirit beasts with the highest intelligence bent their four legs and knelt down. Their heads drooped on the ground and their bodies trembled. They kept letting out 'Wu Wu' sounds.

Even those who didn't understand the language of beasts could tell that these spirit beasts were begging for mercy from the giant barbaric Tiger.

This was f * cking awkward!

He would rather run away than beg for mercy on his knees!

"Get up! You stupid thing, get up! You're not allowed to kneel and embarrass me. If you don't stand up, I'll kill you!"

Jiang Shaodian's face turned livid with anger. He slapped the fire cloud immortal lion hard, but the spirit beast didn't move. It knelt on the ground and wailed.

"Get up! You're not allowed to kneel in front of that little bastard! Hurry up and get up ..."

Ishiqi kungfeng and ishiqi Chisa's faces were twisted, as if they had eaten a pile of hot sh * t, and they were depressed.

However, no matter how they whipped them, gold horn and silver horn wind seeking deer continued to kneel on the ground, trembling and wailing. They had lost all their face.

brother ... Little Qing 'er isn't listening to my orders anymore ... This has never happened before ...

Xia Jinlin's elegant brows furrowed as he stroked the head of the Azure Dragon steed. He said uneasily, "brother ... How could that Chen kid have a giant barbaric Tiger ... I'm scared ...

Xia Longxiang's face was filled with shock, " Jin Lin, we've all misunderstood young master Chen ... He's not pretending to be cool, nor is he arrogant ... He's a master who has hidden himself well. It's completely reasonable for him to look down on our mounts ...

"Brother! Why are you still speaking up for that kid!"

Xia Jinlin frowned and said, "don't forget, that brat said that we're frogs in a well!" If this isn't arrogance, then what is it!"

"Young master Chen is right, we are frogs in a well!"

Xia Longxiang sighed, " the frog in the well has never seen the real sky. Instead, it's mocking the birds outside the well! just like how we had never seen a strong Mount and were laughing at young master Chen! We've been slapped in the face by reality, we brought this on ourselves!"

it seems like ... We were really wrong ... Xia Jin Lin's brows were tightly furrowed, and he fell silent as if he was in deep thought.

"Young master Chen! This is where you're wrong!"

The Panther lady edinaran stroked the Nightwalker leopard beneath her as she narrowed her eyes and said playfully, " you're obviously an extraordinary master, but you have to pretend to be a pig to eat a Tiger. You're such a bully!

"I'm not pretending! Every word I've said is the truth!"

"I, Chen Zhufeng, am the leader of bei Xuan faction!" Chen Xiaobei said. If you're willing to leave heaven dominating sect, I can consider taking you in as my disciple!"

"Take me in as a disciple?"

Edina's eyes curved, and she actually giggled, "Childe Chen, you really are the most courageous man I've ever met, no one else! I'm even starting to like you!"

"Numbing next door!"

"You stinky brat!" Ishizaki kungfeng immediately roared in anger. That was too f * cking crazy! how dare you steal from our heaven dominating sect! I think you're tired of living ..."

"Roar!"

Before ishiqi kungfeng could finish his sentence, the giant barbaric Tiger lowered its head and let out a furious roar at him.

hiss ... Ishizaki kunge was so frightened that he sucked in a breath of cold air, and his pupils shrank.

"Shh! shush ... the Golden horned wind seeking deer under Ishizaki kungfeng's Mount trembled violently, and it almost peed its pants.

"Don't pee! You idiot! don't pee ... Ishizaki kungfeng almost spat out a mouthful of blood. He had never been so embarrassed in his life.

"Menglu, stop daydreaming."

Chen Xiaobei ignored ishiqi kungfeng and said with a smile, "Hold my hand, I'll take you to ride the little tiger!"

Chapter 1930: The demonic sect's spy (2)

"Oh ..."

Monroe was in a state of shock the entire time. She could not help but reach out her little white hand to Chen Xiaobei's big palm.

Chen Xiaobei held onto Monroe's hand and jumped onto the giant barbaric Tiger's head.

"This is unbelievable! The giant barbaric Tiger is actually so obedient!"

Monroe sat down and touched the giant barbaric Tiger's mane. It felt like she was touching soft grass, very comfortable.

"Childe Chen, you're too awesome! You actually managed to subdue the giant barbaric Tiger! This is equivalent to subduing an earth immortal!"

Menglu's eyes were full of stars as she looked at Chen with admiration and said, "I really hope that one day, I can be like you and tame such a handsome Mount!"

I thought you wanted the same Mount as your Shixiong and Shijie?" Chen Xiaobei shrugged and smiled.

“Mm ...”

Menglu stuck out her tongue and said, “I’ve already changed my mind! Compared to young master Chen’s little tiger, their mounts are really weak!”

Chen Xiaobei was amused. you little girl! You’re so young, but you’re so brave! If your narrow-minded senior brothers and sisters hear this, who knows how they’ll deal with you!”

“Young master Chen!”

Menglu pouted and said, “I’m only saying this to you!” You must help me keep this a secret! Otherwise, my senior brothers and sisters will beat me to death!”

“Sure, I can help you keep it a secret!” “But you should at least show me some respect, right?” Chen Xiaobei grinned. How are you going to repay me?”

hmm ... menglu tilted her head and said, “ ” when we reach heaven dominating faction’s base, I will treat you to a super delicious meal!

“Good! Then it’s a deal!” let’s go! Chen Xiaobei said with a smile. you will be in charge of commanding Xiaohu! I’ll let you have your fun!”

“Really? Will it listen to my orders?”

Monroe immediately became excited and cheered, “If I command the giant barbaric Tiger, it’s the same as commanding an earth level deity! I can show off for a long time when I get back! Hehe!”

“You little girl, you’re still acting like a child!” You want to show off your new toy in front of your friends!”

“I’m not a child!” Menglu raised her chin and waved her hand excitedly. “Xiao naohu! Let’s go!”

“Oh!”

The giant barbaric Tiger responded and immediately opened its four claws and flew forward.

The Giant Claw was powerful. With one step, the earth trembled and dust filled the air.

“Numbed! Pls...Pls... Pls ... Please ...”

Jiang Shaodian and the others were covered in dust. Their faces were instantly covered in dust, and their mouths and noses were covered in sand. They were in a sorry state.

senior brother Shaodian ... Ishizaki kungfeng came over and asked, “What do we do now ...”

“What do you mean? Chase!” Jiang Shaodian said angrily, my menglu was taken away by that little b * stard! I have to catch up!”

With that, Jiang Shaodian slapped the fire cloud celestial Lion and rode the lion in the direction of the giant barbaric Tiger!

“Senior brother, wait for me! I have something to discuss with you!” Ishizaki kungfeng immediately gave chase.

“Wait for me! I also have something to discuss with you!” Ishiqi Chisa’s face was filled with anger, and she hurriedly chased after him.

Even if they used their toes to think, they would know that these three people would definitely come up with bad ideas!

“My fellow junior brothers! Are you guys alright?”

Xia Longxiang was a righteous person, he shouted, “Everyone, gather here! We have to catch up immediately. Otherwise, we’ll be in trouble if we encounter danger!”

The people who had just scattered all gathered together and set off with Xia Longxiang.

Thus, the team was divided into three groups.

Chen Xiaobei and menglu ran in front, Jiang Shaodian and ishiqi kungfeng, ishiqi Chisa ran in the middle, while Xia Longxiang led the rest of the group and ran at the back.

.....

menglu, it’s impossible for young masters like you to not have an aircraft. Why don’t you just fly to heaven dominating faction’s base? ”

Chen Xiaobei sat cross-legged on the giant barbaric Tiger’s head and asked.

Monroe stood there excitedly, commanding the giant barbaric Tiger as she replied, “We’re here on a mission! Of course you can’t fly!”

“What mission?” Chen Xiaobei asked.

“A sect mission,”

Monroe said without any wariness, “ the demonic sect has been making a big move recently. I heard that they’re going to gather in the demonic earth continent and plot something big!

we, heaven dominating faction, are the number one faction in apocalypse Starfield. We are also the leader of all the righteous people in the world. Of course, we can’t just sit back and do nothing!

” so, the higher-ups of the sect issued a ‘demon-slaying mission’. All heaven dominating sect disciples are free to form teams and join the mission!

“In addition to our team, there are hundreds of other teams that have also set foot on the devil earth continent! His goal was to eradicate the demonic sect! Destroy their assembly!”

that’s why we didn’t use our flying devices. We plan to crush them all the way and eliminate all the demonic cultists we meet along the way!

Menglu raised her chin and sounded very proud. She was a girl with a sense of justice.

Chen Xiaobei was surprised. “ I really didn’t think that your heaven dominating sect would do such a righteous thing? ”

“Young master Chen! Do you have a problem with our heaven dominating sect?”

menglu frowned and said, " we heaven dominating faction are a righteous faction. We often give out missions like this! For example, helping the people fight against magical beasts, quelling natural disasters, treating large-scale diseases ..."

"In apocalypse Starfield, the people love heaven dominating sect! "As a result, our heaven dominating faction has the most believers and the most incense!"

Chen Xiaobei replied honestly, " "To tell you the truth, a Crooked Stick will have a crooked shadow! look at Jiang Shaodian and ishiqi Gale. I thought that the middle and upper echelons of heaven dominating faction would not be any better! But from what you've said, heaven dominating faction is not bad!"

"Of course!" The corners of menglu's mouth rose, and she revealed a beautiful smile!

"By the way, how many demonic cultivators have you killed along the way?" Chen Xiaobei asked.

ah ... Monroe's smile froze, and she awkwardly said, " half ... Half ... Not even half of them have been eliminated ...

"Pfft ..."

Chen Xiaobei did not know whether to laugh or cry. " you're talking so much but you didn't even take care of half a demon ... If all heaven dominating faction disciples are this efficient, then it wouldn't make a difference if they came or not ...

Monroe pursed her lips. we're all trying our best to find the demonic cultists. But it's like the demonic cultists know where we're going. They're hiding so far that we can't even see their shadow. We can't do anything ...

Chen Xiaobei's face turned cold and he said, " " there might be spies from the demonic sect in your heaven covering sect!
