

## Envelope 1931

### Chapter 1931: Three suspicious points (3)

"A spy from the demonic sect? How ... How is this possible?!"

Monroe's face was filled with shock and disbelief. "Young master Chen! Don't scare me! Our heaven dominating sect is a righteous sect. From the sect leader to the disciples, we are all righteous people. We can't have any relationship with the demonic sect!"

"Stupid girl! Would a bad person write the word 'bad' on their face?"

look at Jiang Shaodian! On the surface, he calls me his benefactor. But in private, he really wants to kill me! Chen Xiaobei said. It's the same for the demon sect spies. They pretend to be righteous on the surface, but do you know what they're doing in private?"

I ... I don't know ... menglu shook her head and frowned. but you have no proof. You don't have any evidence, so you can't prove that your guess is right!

Chen Xiaobei said seriously, "I'm not trying to scare you! So far, I've found three suspicious points! This can't be a coincidence!"

"What ... What are the three suspicious points?" Hearing this, menglu became nervous.

If Chen Xiaobei could provide concrete evidence, then the nature of the matter would be completely different.

The righteous image of heaven dominating faction in Monroe's heart might be completely destroyed!

"First place! Your heaven dominating faction sent over a hundred troops and thousands of people to the demonic land, but you didn't even see the shadow of the demonic sect!"

no! Chen Xiaobei said, "I'm alone! I just arrived at devil earth and was attacked by the demonic sect! I'm afraid that the probability of that is even lower than winning the lottery!"

what?" menglu was taken aback. you're saying that the spy sent information to the demonic sect and intentionally avoided our heaven dominating sect team?"

"Looks like you're not that stupid after all!"

second, the place where you were poisoned is on the high slope of the mountain. The wind direction is completely opposite to the direction of the volcano! Chen Xiaobei continued. Tell me, how did the demon spirit heart-burning poison blow over?"

this ... menglu was stunned again."You mean, someone deliberately poisoned us to kill us?"

"Right! The spy must have informed you of your location, and the demon sect's people released poison at the upwind. That's why the poison was blown to you by the wind!"

Chen Xiaobei's eyes were like torches as he said seriously, "If I'm not wrong, all of you who came out to carry out the mission had a remote positioning device on you! The demonic sect spies can know each of your positions at any time!"

As if struck by lightning, Menglu said in horror, "yes, you're right. We all have mobile phones with positioning chips on us!"

"This is right!" of course! Chen Xiaobei said, "the demonic sect spy is in control of the situation from behind the scenes. All of you are his pawns! He can control the demonic people of the demonic sect to avoid you, and he can also set up a trap in advance to kill you!"

Menglu's face turned pale and she said in disbelief, "that's true, but it's also possible that the demonic sect has infiltrated our Positioning System. It doesn't necessarily mean that there's a spy!"

"No! He must be a spy! Because I've discovered a third suspicious point!"

"The leader of the demonic sect that I killed said that the demonic sect wanted to capture 8100 children!" The demonic sect's branches in the nine starfields and apocalypse Starfield have all started to move in secret!"

"What ... What does this mean?" Menglu asked, confused.

Chen Xiaobei's face turned cold and said, "The demonic sect's operation is taking place in the nine major starfields and apocalypse Starfield! but your heaven dominating sect disciples were sent to devil earth! This is an open path, but a secret one!"

"This ..."

Menglu was stunned and couldn't believe her ears. you ... You mean ... The spies of the demonic sect sent us to the demonic earth on purpose so that the demonic sect could capture children in the nine galaxies and apocalypse Starfield? "

"That's right!"

of course! Chen Xiaobei said, "the demonic sect can hack into heaven dominating faction's location system but they can't issue a 'sect mission' on behalf of heaven dominating faction! So, there must be a spy in heaven dominating faction, and it must be one or more core members of heaven dominating faction!"

this ... This is unbelievable ... Meng Lu frowned. She couldn't accept this.

"There's something you'd never expect!"

you're all here! Chen Xiaobei said. you have thousands of people and you're all here in devil earth! What would the other righteous sects think?"

Monroe frowned and thought, the other righteous sects will focus their attention on the devil earth! They'll think that a great demonic sect conspiracy is about to happen in the demonic earth!"

"Smart!"

of course! Chen Xiaobei said. when all the righteous sects focus their attention on the demonic earth, the demonic sect will be able to capture a large number of young boys and girls. They will also be able to carry out the real conspiracy in a place that is least known!

“This ... This is indeed a plan in the open but in the dark!”

what? ” menglu suddenly realized and exclaimed, ” Childe Chen ... What should we do now? ” Quickly think of a way! No matter what, we can’t let the demonic sect succeed in their plot!”

“It’s simple!”

that’s right! Chen Xiaobei said, ” we just need to find the spy and we’ll be able to know all of their plans! We’ll be able to destroy all of their plans!

“Alright!” ” let’s go back to heaven dominating faction and catch the spy! menglu said urgently.

“You little girl, one moment you’re smart, the next moment you’re confused!” “Do you know who the spy is?” If we just charge back to heaven dominating sect like this, not only will we not be able to catch them, but we will also alert the enemy!”

I ... I don’t know ... menglu pursed her lips and said, ” “You’re smarter than me, you must know who the spy is!”

“Don’t flatter me!” I don’t know you at all! First, we need to go to the base and see if we can find any clues! Chen Xiaobei said.

“No!” we have to find the spy immediately, ” Monroe said anxiously. otherwise, 8100 children will be caught, and 8100 families will be destroyed!

don’t worry! The demonic sect won’t be that fast! Besides, they only want the children alive! So, we still have some time. As long as we can find the spy, I’m confident that we can save all the children!”

that’s good ... That’s good ... menglu heaved a sigh of relief and looked at Chen Xiaobei expectantly.”Young master Chen, this matter is all up to you!”

okay, I’ll try my best ... Chen Xiaobei frowned and fell into deep thought.

.....

The devil earth continent was very vast, and its surface area was comparable to the four continents of apocalypse Starfield.

even when night fell, they still had not reached heaven dominating faction’s base.

Jiang Shaodian said that it was not suitable for them to travel at night. He asked everyone to set up tents and camp for the night. They would set off at dawn.

Chen Xiaobei did not have to follow Jiang Shaodian’s orders. He could use the somersault cloud to continue his journey.

However, Chen Xiaobei suddenly received an important message. He needed to stop and wait for an opportunity!

The news came from a strange-looking worm!

Chapter 1932: Waiting for a rabbit by a tree stump (4)

This worm was very special. As long as Chen Xiaobei held it, he would be able to communicate with it spiritually, allowing him to hear another person's voice!

That's right!

This worm was the mother Gu of the intimate Gu!

The person Chen Xiaobei was eavesdropping on was none other than Qin Wuxin, who had been poisoned by the knowing mind Gu!

Ever since the last time he planted the Voodoo, Chen Xiaobei would eavesdrop on Qin Wuxin whenever he had time!

However, Chen Xiaobei had been cultivating in seclusion for the past 13 days and did not manage to get any useful information.

Chen Xiaobei finally managed to eavesdrop on Qin Wuxin's conversation at sunset.

The gist of his words was that the clay Bodhisattva had predicted that Chen Xiaobei might encounter a disaster tonight. If Chen Xiaobei kept going west, he would be safe. However, if Chen Xiaobei did not move, a disaster was bound to happen!

Although intimate Gu was profound, it had its own limitations!

The biggest limitation was that Chen Xiaobei could only hear Qin Wuxin's voice and not anyone else's.

Therefore, Chen Xiaobei did not know what the clay Bodhisattva had calculated. He also did not know that the clay Bodhisattva and mu chenfung had become the canopy great country's loyal dogs.

However, Chen Xiaobei was a man with the heart of a scholar!

With his intelligence, he had already guessed what kind of disaster would happen tonight!

first of all, if he used the somersault cloud to head west, he would be able to reach heaven dominating faction's base before dawn. That way, he would be able to avoid the disaster!

Secondly, if they didn't move, the spies from the demonic sect would expose the location of this team again, and the demonic sect would attack them again!

One had to know that during the day, this small team was almost wiped out by the demon spirit heart-burning poison!

This was enough to show that the demonic sect had already set their eyes on this team, and they must get rid of this team!

if they allowed this team to return to heaven covering sect's base, the demon sect would lose their chance!

Therefore, the demonic sect would definitely come tonight. They would definitely be ruthless to ensure that they could completely eliminate this team!

That was why Chen Xiaobei had listened to Jiang Shaodian's arrangement and set up camp with the rest. They were waiting for the demonic sect to attack them!

If they could capture the important figures of the demonic sect, it would be a great help in finding the spies!

.....

Night fell, and the sky was completely dark.

everyone from heaven dominating faction sat around the fire, eating barbecued meat and drinking wine. They didn't look like they were here for a mission at all, but more like they were out for a picnic.

Of course, Chen Xiaobei would not hang out with them. He found a place with an open view and stood there quietly, watching everything around him.

"Young master Chen! Come over and drink some wine to warm your body!" Monroe shouted and ran toward Chen Xiaobei.

The temperature on devil earth was -30 to -40 degrees Celsius all year round.

Although it was not enough to harm the body of a spirit-forging stage cultivator, it would still make them feel extremely cold!

Especially on a night without sunlight, it was bone-piercingly cold and unbearable.

"I'm not going," don't worry! Chen Xiaobei shook his head. just go. Don't worry about me.

Menglu went up to Chen and whispered, "Childe Chen, are you worried that the people from the demonic sect will suddenly attack?"

yes! Chen Xiaobei nodded. they'll definitely come tonight. You have to be on your guard!

Menglu clenched her fists and said, "It's good that they're here! I'm going to beat them up until their teeth are all over the ground!"

"Menglu! Don't be silly! You believe whatever that kid says? Do you think he's a clay Buddha?"

At that moment, Jiang Shaodian walked over with a look of disdain.

the others from heaven dominating faction also followed. It was the middle of the night and everyone was really bored. They just wanted to watch the fun.

"Senior brother Shaodian! Why are you eavesdropping?" Monroe was a little displeased.

"I'm just concerned about you!" Jiang Shaodian said with a serious face. I'm afraid you'll be deceived! That brat said that the devil's religion would come, obviously to scare you, to trick you into throwing yourself into his arms!"

Menglu frowned and said, Master Chen is not that kind of person! He really wanted to deal with the demonic sect! To uphold justice!”

“Him? Pfft! Hahaha ...”

hahahaha! Jiang Shaodian laughed disdainfully. it’s already very brave of a hotheaded young man like him to not wet his pants in fear of the demonic sect Army! They still wanted to deal with the demonic sect? You still want to uphold justice? This is the funniest joke I’ve ever heard!”

“Senior brother Shaodian! How can you say that!”

Menglu said angrily, “Childe Chen has a giant barbaric Tiger. That’s a one-star earth-god level beast! Your mounts are all inferior, aren’t they?”

“Right! We can’t beat him in terms of mounts!”

Jiang Shaodian suddenly changed the topic and said, “however, in a real battle, who would win by riding a Mount?” That giant barbaric Tiger is only a one-star earth-god instrument. Which one of us doesn’t have a two-star earth-god instrument? Who would be afraid of it?”

this ... menglu was stunned and speechless.

it must be known that everyone here came from the Azure Dragon continent. They were all disciples of heaven dominating faction. They were all the most elite young people from various races and forces!

Especially Jiang Shaodian, ishiqi Gale, and the others, they were the princes, princesses, and princes of the top forces!

If these people did not have one or two two-star earth-god instruments, they would be too embarrassed to go out!

In terms of mounts, the giant barbaric Tiger was indeed very cool! No one present could compare!

However, in terms of combat power, the giant barbaric Tiger was actually not that strong. Even Monroe could easily crush the giant barbaric Tiger!

This was also the basis of Jiang Shaodian’s arrogance. “Menglu, to tell you the truth, I still have a three-star earth-god instrument! If we really start a war, I’ll destroy this kid in minutes!”

Monroe’s heart tightened, and she quickly tried to mediate, “Senior brother Shaodian! There’s only a small misunderstanding between you and young master Chen. Please don’t fight!”

Jiang Shaodian laughed arrogantly and said, “I’m not that narrow-minded! Otherwise, I could have made my move during the day and directly exterminated this stinky brat and that stinky Tiger!”

Upon hearing that, menglu heaved a sigh of relief. Xia Longxiang also nodded slightly, praising Jiang Shaodian’s magnanimity!

To the crowd, Chen Xiaobei was no match for Jiang Shaodian. It was all thanks to Jiang Shaodian’s magnanimity that he did not lower himself to Chen Xiaobei’s level. Otherwise, Chen Xiaobei would have been dead!

However, no one knew that Jiang Shaodian was actually an extremely hypocritical person.

On the surface, Jiang Shaodian did not bother to argue with Chen Xiaobei. He was very magnanimous!

Jiang Shaodian had secretly colluded with Ishiqi Gale to plot against Chen Xiaobei!

This was a typical two-faced man! Two-faced!

This kind of person was the most despicable and sinister!

“Young master Jiang, the people from the demonic sect are here!”

Chen Xiaobei pointed at the sky and said, “Since you’re so awesome, we’ll all watch your performance in tonight’s battle!”

Chapter 1933: Already defeated (1)

“The people from the demonic sect are here? Where is it?”

Jiang Shaodian’s expression froze for a moment before he quickly looked around.

The surrounding people were also shocked and became nervous. However, there was no one in the surroundings.

“You little brat! Do you think we’re fools?”

“There’s not even a ghost around here,” Jiang Shaodian said angrily. “How can there be people from the demonic sect? If I don’t show my might, do you think I’m a sick cat?”

“Don’t be noisy! Listen carefully!” Chen Xiaobei pointed at the sky and pulled Monroe behind him.

“Phew ... Phew ...”

Everyone quieted down. Immediately, they heard the whistling of strong winds coming from the sky.

“Everyone, be on guard! Someone’s really coming!”

Xia Longxiang shouted loudly and drew out a battleaxe, ready to fight at any moment.

The surrounding people naturally did not dare to be careless. They also took out their weapons and were on full alert.

“Hehe, what’s there to be afraid of?”

However, at that moment, Jiang Shaodian smiled pretentiously and said, “I, Jiang Shaodian, am here. Don’t worry, everyone! As long as the demonic people from the demonic sect dare to come, I will definitely make sure that they will not be able to return! Everyone, don’t make a move! Just watch me perform!”

“Senior brother Shaodian! I’m afraid this is not appropriate!” judging from the commotion in the sky, there should be quite a number of enemies. Let’s fight them together! Xia Longxiang reminded.

“No! Everyone, listen to me! Don’t attack!”

Jiang Shaodian looked at Chen Xiaobei arrogantly and said, "Didn't someone want to see my performance? I'm going to open his eyes today! I'll let him know that I, Jiang Shaodian's strength, is something he will never be able to achieve in his life!"

"Wow! Senior brother Shaodian! You're so domineering! He's so manly!" Xia Jin Lin was infatuated and immediately screamed.

Idina and Ishiqi Chisa were also Jiang Shaodian's die-hard fans. They praised, "Senior brother Shaodian is indeed the Prince of the Azure Dragon Capital city! Heaven dominating faction core disciple! The leader of the seventy-two earthly fiends on the minor heavenly fate ranking! He's so handsome!"

"Hmph Hmph!"

Jiang Shaodian raised his chin and said proudly, "Everyone, just enjoy my performance!"

As he spoke, Jiang Shaodian even threw Menglu a flirtatious look.

It was obvious that Jiang Shaodian wanted to fight alone not only to suppress Chen Xiaobei, but also to show off in front of the dream face and win Monroe's heart.

"Senior brother Shaodian!"

Xia Longxiang's brows furrowed and he said worriedly, "I still think that it's too risky for you to fight alone ..."

"Brother! Stop nagging!"

"Senior brother Shaodian's cultivation base has already reached the three fire spirit-refining stage, and his combat power is 2.5 million!" Xia Jinlin said with a face full of infatuation. Furthermore, there was a three-star earth-god instrument and two two-star earth-god instruments! There's no way he'll be defeated!"

"That's right!" "Senior brother Xia, do you not have confidence in senior brother Shaodian?" He really doesn't give face to senior brother Shaodian!"

Alright, I won't say anything more ... Xia Longxiang did not want to embarrass Jiang Shaodian, so he could only remain silent.

"Phew ... Phew ..."

The wind howled and became stronger and stronger. Dark red Shadows began to appear in the sky like meteors, rushing over at extreme speed.

In terms of numbers, there were about a hundred dark red Extreme shadows.

In terms of numbers, these dark red Shadows all had a combat power of one million, and they were extremely fast.

"Hmph Hmph! There are only a hundred of them, not even enough to fill the gaps between my teeth!"

Jiang Shaodian was very confident. He immediately took out a long green saber. On the blade, there was a Green Dragon Shadow floating. The spiritual light was dazzling. One look and one could tell that it was not an ordinary item!

“Blue Dragon Mountain breaking saber!”

“This is one of the ten great treasured sabers of the Azure Dragon Imperial City!” Xia Jinlin shrieked in a daze. A three-star earth-god instrument! The blade slashed out like a Green Dragon! It’s so powerful that it can cut through mountains!”

Edina’s eyes were also full of stars, and she praised, “ with the Blue Dragon Mountain-breaking saber in hand and senior brother Shaodian’s two-star earth-god instruments, it’s easy to deal with these 100 people!

that’s right ... You’re absolutely right ... this time, Ishizaki Chisa did not praise him too much. Instead, she secretly exchanged a look with Ishizaki kungfeng, as if there was a deeper meaning behind it.

“Phew ... Phew ...”

In the sky, hundreds of dark red Shadows had already charged to a low altitude of about 50 meters from the crowd!

They were huge dark red bats, and on the back of each bat sat a demon from the demonic sect!

However, these hundreds of demonic cultivators all looked a little strange!

They didn’t have any armor or weapons. All of them were wearing black robes and black hats. Their thin bodies didn’t seem to have any combat power. Instead, they gave off a lifeless feeling!

“Hmph! They were just a bunch of old and weak soldiers! How dare you attack us! He’s simply looking for death!”

Jiang Shaodian’s eyes were filled with disdain. He was not afraid of the hundreds of people surrounding him. In fact, he did not even take them seriously.

Of course, Jiang Shaodian had the three-star earth-god instrument, the Azure Dragon Mountain breaking saber, in his hand. He was qualified to look down on them! They also had the confidence to not put these hundreds of people in their eyes!

There were trillions of people in apocalypse Starfield, and there were only a few thousand earth-god instruments in total!

Three-star earth-god artifacts were even rarer!

Other than the higher-ups of heaven dominating faction, the four imperial cities, and a few top-tier wealthy families, it was almost impossible for other forces to have a three-star earth-god instrument!

Of course, the demonic sect had three-star earth-god instruments, but they were very few in number!

None of these people were high-ranking members of the demonic sect, so it was impossible for them to have three-star earth-god instruments!

In this way, Jiang Shaodian would be able to stand on an undefeatable ground. Naturally, he would not care about these enemies!

“Whoosh ...”

Jiang Shaodian waved his hand and threw out 10000 medium spiritual stones!

Crushing the spiritual stones with his vital essence would release 100 million low-grade spiritual Qi, which was enough to activate a three-star earth-god instrument to launch an attack!

“Menglu, let’s retreat!”

Suddenly, Chen Xiaobei held onto Monroe’s hand and quickly backed away from the crowd!

“Young master Chen? What are you doing?”

senior brother Shaodian is about to use his ultimate skill. The enemies will be wiped out soon. We don’t have to retreat! menglu said with a puzzled expression.

“No! Jiang Shaodian has been defeated!” Chen Xiaobei said.

“He was defeated? How ... How is this possible?!”

Monroe’s expression froze, unable to understand what Chen Xiaobei meant. senior brother Shaodian has a three-star earth-god instrument in his hand. There’s no reason for him to lose!

“Trust me! Hurry up and retreat!” Chen Xiaobei did not have the time to explain and quickly pulled menglu away.

“Green Dragon breaks the mountains!”

At the same time, Jiang Shaodian raised his saber with both hands and let out a powerful battle roar.

Upon seeing this, everyone’s expression relaxed and they were certain that Jiang Shaodian would win.

However, in the next moment, everyone’s faces revealed a strange expression!

“Green Dragon breaks the mountains! Broken mountain! Break ... Break it ... Why isn’t there any reaction?”

Jiang Shaodian was dumbfounded. He could not activate the power of the green Dragon Mountain-breaking saber!

Chapter 1934: Huge change (2)

“What’s the matter? I’ve already injected spiritual energy into it, why isn’t it burning? Why couldn’t he activate the power of the Blue Dragon Mountain breaking saber? What the f \* ck is this for?”

Jiang Shaodian’s face was filled with bewilderment. His mind was filled with countless question marks, and he was about to short-circuit.

the surrounding heaven dominating sect disciples also became nervous and began to cry out.

Xia Jinlin was so frightened that his face turned pale, and he exclaimed, "Senior brother Shaodian! Hurry up and attack! The enemy is already in front of you, why are you still standing there!"

Edina's brows were also tightly furrowed, and she said in surprise, "Senior brother Shaodian! Now was not the time to joke! Once the enemy gets close, you will be in danger!"

"I also want to f\*cking help! However, for some reason, the Blue Dragon Mountain breaking saber had completely lost control! I can't activate my ability ... I don't want this to happen ..."

Jiang Shaodian's face turned green. He raised his saber with both hands, but he could not use his superpower at all.

He stood there like a lightning rod, as awkward as he could get.

Just a second ago, Jiang Shaodian was still acting all high and mighty, telling the crowd not to make a move and to watch him perform alone! She was still fantasizing about crushing Chen Xiaobei and winning menglu's heart!

At this moment, Jiang Shaodian's expression was completely ruined. All his fantasies were shattered. He had not been in the limelight but had been humiliated!

If he could do what he said, that was awesome!

He could say it but couldn't do it, this was bragging!

At that moment, everyone's eyes were focused on Jiang Shaodian. They were all filled with disappointment.

Even the two die-hard fans, Xia Jinlin and Edina, felt very embarrassed and embarrassed.

"Ishiqi Gale! You idiot! Why aren't you rolling over here to help me!"

Jiang Shaodian's performance was completely ruined, and he vented all his anger on ishiqi kungfeng.

More importantly, if the power of a three-star earth-god instrument could not be activated, the Blue Dragon Mountain breaking saber would be no different from an ordinary weapon.

If the hundreds of people in the sky concentrated their fire on Jiang Shaodian, he would definitely suffer a great loss.

Jiang Shaodian knew that he was afraid, so he naturally called for ishiqi kungfeng to help.

However, it was very strange!

The hundreds of black-robed demonic cultists did not come crashing down immediately. Instead, they maintained a low altitude of fifty meters.

"They're here!"

The strangest thing was ... Ishizaki kungfeng's face was cold, and when he walked over, he was exuding a murderous aura.

This scene made the surrounding people feel that something was wrong.

It must be known that Ishiqi Gale was Jiang Shaodian's Lackey, and he was extremely respectful to Jiang Shaodian. He almost never retaliated when he was hit or scolded. No matter what Jiang Shaodian said, Ishiqi Gale just smiled.

But at this moment, Ishizaki kungfeng's face was cold! His eyes were filled with cold killing intent!

This was unprecedented!

"Swish!"

Just as everyone was feeling puzzled, Ishizaki kungfeng did something that shocked everyone!

"Clang"

The Ninja Blade was suddenly unsheathed, and Ishiqi windstorm slashed at the defenseless Jiang Shaodian from behind!

"Chi ..."

He raised his hand and the blade fell. Without any hesitation, Jiang Shaodian's head was chopped off!

Ishiqi kungfeng held the bloody Ninja Blade in one hand and snatched the Green Dragon Mountain breaker blade in the other. He stared coldly at Jiang Shaodian's head that was rolling on the ground!

"I've been tolerating you for a long time!"

Who dared to think about it! Ishiqi kungfeng raised his foot and stomped down, crushing Jiang Shaodian's head!

"Bang!"

Like a ripe tomato, Jiang Shaodian's head was stomped on until it burst into blood and splattered all over the ground.

"This ... This, this, this ..."

In an instant, all the heaven dominating sect disciples were stunned. They couldn't believe their eyes and thought that they were dreaming.

"Ah!"

Xia Jinlin and Idinaras shrieked even more. Their pupils contracted uncontrollably, and their faces were as pale as paper.

However, at this moment, another Ninja Blade was already in front of them!

"Stop screaming!"

Holding the cold Ninja knife, Ishiqi Chisha laughed evilly. "Since the two of you like Jiang Shaodian so much, I'll send the two of you to accompany him now!"

"Don't hurt my sister!" Xia Longxiang was shocked. He roared and swung his battle axe.

The axe was a two-star earth-god instrument and it was very powerful.

However, Xia Longxiang was unable to activate the special ability of his battle-ax and was unable to unleash the power of a two-star earth-god!

More importantly, Xia Longxiang couldn't circulate his own quintessential essence!

"This is bad!"

Xia Longxiang came to a sudden realization and said, "we've all been poisoned!" He couldn't use his true essence! It could not communicate with earth-god instruments! That was why senior brother Shaodian couldn't control the Blue Dragon Mountain breaking saber! I can't either ..."

"Hehehe ... It's too late for you to react now! I'm going to kill your sister first!" Ishiqi Chisa sneered and directly slashed at the frightened Xia Jinlin.

"Swish!"

Ishiqi Chisa was at the two-fire spirit-refining stage, and her combat power was as high as two million. The Ninja Blade in her hand was a two-star earth-god instrument, so killing Xia Jin Lin, who could not use his true energy, was as easy as turning over her hand.

"Brother!"

The blade was coming at him, and Xia Jin Lin shrieked in fear. His eyes, heart, and mind were completely filled with despair.

younger sister!!!

Xia Longxiang let out a heart-wrenching wail as he fell into the abyss of despair as well.

at this moment, Xia Longxiang was poisoned, and so were the other heaven dominating sect disciples. Their true energy and spirituality were sealed, and no one had the ability to save Xia Jinlin.

They could only watch as Xia Jin Lin was helplessly beheaded by Ishiqi Chisa in their endless despair!

"Ling jiuxiao!"

At this critical moment, a black shadow appeared beside Xia Jinlin as if it had teleported!

Ling!

The black Extreme shadow paused for a moment before carrying Xia Jinlin with one hand and Idina with the other. He teleported again and appeared beside Xia Longxiang.

"How come it's you, kid!"

Ishiqi Chisa's blade missed its target. She angrily turned her gaze to the person who had saved Xia Jin Lin.

Childe Chen!!!

Xia Jinlin and Xia Longxiang exclaimed at the same time. Their eyes turned red instantly, and tears fell like rain. They thanked him with all their might, "Thank you ... Young master Chen! Thank you for your help ..."

Idina was also grateful from the bottom of her heart. "Young master Chen! I'm so grateful to you ... Saving my life is like giving me a new lease of life ... I'll definitely repay you ..."

at the same time, the heaven dominating sect disciples all looked at him with shock and respect. Their previous disdainful attitude had completely changed.

That's right!

It was Chen Xiaobei, who had activated the witch Dragon's nine transformation!

"Little brat! You're really cunning!"

Ishizaki kungfeng's eyes were also locked on Chen Xiaobei.

"I'm cunning?" "I'm an honest man!" Chen Xiaobei said.

Chapter 1935: The perfect plan (3)

"Heh, if you were an honest man, then there would be no cunning man in this world!"

"You knew that there was poison in the wind, so you sneaked menglu away from the crowd to avoid being poisoned!" But you didn't tell the others that it was poisonous. This directly caused Jiang Shaodian's death!"

"I didn't tell anyone that it was poisonous because I wanted to lure the mole out!"

if I had warned Jiang Shaodian about the poison, he would have taken precautions. How would you and your sister have come out to kill me and steal my treasure?" Chen Xiaobei said.

"If the two of you stay in hiding, everyone's safety will be threatened! Jiang Shaodian's life in exchange for everyone's safety! This is a good deal!"

"Besides, it's normal for Jiang Shaodian to be struck by lightning when he was so arrogant! This is called "one can't live with one's own sins!" Chen Xiaobei shrugged, his tone calm.

"Right! You're absolutely right!"

"Jiang Shaodian, that bastard!" Ishiqi kuangfeng said viciously. He's been barking at me like a dog every day, I've wanted to kill him for a long time!"

"Is this the only thing I'm right about?" Chen Xiaobei asked.

"I have to admit! You're really smart! You've guessed my motive correctly!"

"My goal is to kill and steal!" Ishiqi kungfeng admitted. If you didn't meddle in my business, the demonic spirit heart-burning poison in the day would have taken care of everyone here, and I could have at least gotten ten earth-god instruments!"

Ishizaki kungfeng held the two-star earth-god Ninja Blade in one hand and the three-star earth-god Green Dragon Mountain breaking blade in the other.

After Jiang Shaodian's death, the Green Dragon Mountain breaker saber lost its owner. After it recognized its owner again, it became the weapon of ishiqi storm.

By the same logic, as long as everyone died, all the earth-god instruments would fall into the hands of ishiqi kungfeng.

As soon as he said that, everyone around him came to a sudden realization.

no wonder we were inexplicably poisoned by the demon spirit heart-burning poison on the high slope," said Idina angrily. it turns out that you were the one behind this, you b \* tch. You exposed our location and let the demonic sect poison us!

Xia Longxiang was also furious,"ishiqi Gale!" You're simply too sinister! Back in the sect, you've been playing us together for missions. So you've been eyeing our earth-god instruments for a long time!"

"Hehe!"

"Earth-god instruments are what we lack the most!" Ishiqi kungfeng laughed arrogantly. This time, spies like me will all take action!"

on devil earth, many of heaven dominating faction's teams will be wiped out. Many earth-god instruments will fall into the hands of the demonic sect!

Ishizaki kungfeng seemed to have been injected with chicken blood, and he said excitedly,"This was designed by Sir demon commander long ago. This great plan is perfect, and as long as it succeeds in the end, it'll be enough to change the world! Hahaha ..."

As soon as he said that, everyone was even more shocked.

Xia Jinlin's face turned pale. you mean that there are spies from the demonic sect in many of the teams that came to carry out missions? they would kill the team members and snatch the earth-god instruments from the dead!

"Hehe, I didn't think that a silly girl like you would have an epiphany!" Ishiqi kungfeng laughed sinisterly. Congratulations, you're right!"

Xia Jinlin did not argue and quickly took out his phone. I must inform the other disciples immediately. We must not let the demonic sect's plot succeed!

Obviously, this girl was only infatuated with Jiang Shaodian. In fact, she was not a bad person. At such a critical moment, she even thought of informing her fellow disciples to minimize the casualties.

"Whoosh! Bang!"

At this moment, ishiqi Chisa flicked her finger and released a beam of ethereal force, which directly blew up Xia Jin Lin's phone. She grinned hideously and said, "Silly girl! You're too naive! How can we give you the chance to tell us?"

"Tonight, all of you will die. The first one to take out his phone will be the first to die!" I'd like to see who would dare to disclose the information."

it was obvious that at this moment, the heaven dominating faction members 'true Yuan and spirituality had been sealed. They were like fish on an anvil, waiting to be slaughtered by ishiqi Qian Sha and ishiqi Feng.

Even if someone took out their phone, they would not have the time to call the police.

at that moment, everyone from heaven dominating faction was stunned. They didn't know whether to take out their phones or not. They were in a dilemma and had no choice.

"Young master Chen! Young master Chen! Your plan has succeeded!"

At this moment, Monroe ran over with her phone held high.

what plan? "

As soon as he said that, everyone at the scene, including ishiqi kungfeng and ishiqi Chisa, was shocked.

Menglu stopped not far away and smiled playfully. "Didn't you find it strange that I didn't show up just now?"

this ... Ishizaki kunge and Ishizaki Chisa's hearts trembled, and they had a bad feeling about this.

the heaven dominating faction members asked impatiently, "Menglu! Hurry up and tell me! What was young master Chen's plan? How did you succeed?"

"Have you seen my phone?"

Monroe raised her little hand and said excitedly, " Childe Chen told me to hide in the distance and turn on the hands-free function of my phone. Your conversation just now has been completely heard by the higher-ups of the sect!

" the higher-ups and core elders have already used group messaging to inform all heaven dominating sect disciples who came to devil earth for the mission!

"Now, everyone has to be on guard against the mole and give up on the mission. We'll head directly to heaven dominating faction's highest base! This way, the demonic sect will lose all chances to attack!"

the demonic sect's plot to kill and steal the treasures has been completely destroyed!

Menglu quickly explained the situation to Chen Xiaobei with a big smile on her face. Her sapphire-like eyes were staring at Chen Xiaobei, full of admiration.

"Really? that's great ..."

The heaven dominating faction members were overjoyed. They looked at Chen Xiaobei with respect and admiration.

this is impossible ... This is absolutely impossible ...

Ishiqi kunge and ishiqi Chisa felt as if they had been electrocuted. Their faces turned pale, their scalps went numb, and cold sweat poured down like rain!

“I never lie. Young master Chen is definitely the calmest I’ve ever seen! The smartest! The most invincible person!”

yes! menglu said in admiration, “Childe Chen noticed that there was poison in the wind and secretly led me away from the crowd! Then, he came out to attract attention and lured the two of you into revealing the conspiracy so that I would have the opportunity to secretly use my mobile phone to inform you!”

“This plan was perfect. It was like flowing water and completely disintegrated the demonic sect’s plot! If you don’t believe me, you can check your phone. The message must have arrived!”

Hearing this, Ishizaki kungfeng and Ishizaki Chisa trembled at the same time. They took out their mobile phones and indeed, they received a group message!

“Ishiqi Gale! Ishiqi Chisa!”

At the same time, the leader of the black-robed men in the sky suddenly opened his mouth and roared, “You two idiots! He had seriously ruined the devil Emperor’s plan! Ten thousand deaths can’t absolve you of the blame!”

Chapter 1936: Battle formation in the air (1)

poison priest, please spare me ... Poison priest, please spare me ...

Ishiqi kungfeng and ishiqi Chisa knelt on the ground and kowtowed desperately, begging for mercy.

There was no doubt that the demonic sect’s plot was perfect and had a wide coverage. If it succeeded, they would get dozens of earth-god instruments.

However, due to the exposure of Ishizaki kungfeng and Ishizaki Chisa, the entire conspiracy was completely destroyed.

To the demonic sect, this wasn’t just a huge failure. It also meant that the demonic sect’s meticulous planning and preparations for a long time had all gone to waste!

Even the Supreme demon of the demonic sect would be furious about this!

As the main culprits of the exposed plot, Ishizaki kungfeng and Ishizaki Chisa were definitely going to die!

“You two, stop shouting! Even if I let you go, Lord devil Emperor will definitely not let you have a good end!”

The poison priest sat on the back of a giant dark red bat, his tone cold and merciless.

As he spoke, the poison priest took out a dark red flag.

“Whoosh ...”

The poison priest’s mind moved, and the flag immediately shone with a strong spiritual light. From the spiritual fluctuations, one could tell that it was a one-star earth-god instrument!

Everyone was surprised by the scene in front of them. The three-star earth-god level Blue Dragon Mountain breaking saber in Ishiqi kungfeng's hand clearly showed that he had the strength to fight.

However, Ishizaki kungfeng and Ishizaki Chisa were still kneeling on the ground, desperately kowtowing and begging for mercy. It was as if they were certain that they would lose. They could not even muster up the slightest bit of fighting spirit, let alone resist.

"Poison priest ... Spare me ... Please spare me ..." He begged.

Ishizaki kungfeng's body trembled violently, and he kowtowed as he wailed, "Lord poison prieste ... I beg you! Don't activate the 'heart-shattering spell'. I'll kill everyone around me immediately and get at least ten earth-god instruments. This can be considered as making up for my mistake ..."

"You're right! Getting ten earth-god instruments is definitely a great contribution!"

"But, why should I give you such a great contribution?" the poison priest asked. As long as I kill you, all the mistakes will be yours and all the credit will be mine. I have no reason not to do this deal!"

There was no doubt that there were no kind people in the demonic sect. They were all sinister, cunning, and profit-seeking villains!

For the sake of benefits, it was common for the people of the demonic sect to kill each other!

"Luosha curse!"

The poison priest raised the dark red flag in his hand and activated his ability.

"No... Don't ... Don't ..."

Ishiqi kunge and Ishiqi Chisa screamed at the same time, their faces filled with endless despair.

"Whoosh! Whoosh!"

The next moment, two dark red vital essence rose directly from the one-star earth-god level dark red flag, forming two heart shapes in the air.

"Break my heart!"

The poison priest's eyes narrowed and he let out a low roar filled with killing intent.

As soon as he finished speaking, the two illusions of the heart formed by true essence in the air shattered.

"Ah! Uh ..."

At the same time, both Ishizaki kungfeng and Ishizaki Chisa wailed in pain. They clutched their chests as their bodies collapsed to the ground, twitching in pain.

"Pfft ... Pfft ..."

In less than three seconds, Ishizaki kunge and Ishizaki Chisa opened their mouths and spat out a large amount of sticky blood mixed with minced heart meat!

With their hearts crushed, Ishizaki Kungfeng and Ishizaki Chisa lost their lives completely. Even the miracle doctor could not save them.

“What ... What is going on? How did Ishizaki Kungfeng and Ishizaki Chisa die ... And in such a terrible way ...”

Seeing this, everyone from the heaven-dominating faction was in disbelief. They couldn't understand the nature of this matter.

Menglu frowned and asked, “Childe Chen, do you know what happened?” Why were Ishizaki Kungfeng and Ishizaki Chisa, who had two-star and three-star earth-god instruments, killed by that guy in the sky who only had a one-star earth-god instrument ...”

“It's simple!”

“The people of the demonic sect are not kind people!” Chen Xiaobei said. The only way to have absolute control over the devil disciples is to control their life and death!”

“To put it simply, when Ishizaki Kungfeng and Ishizaki Chisa joined the demonic sect, they were already cursed! As long as we activate the curse, we can shatter their hearts and take their lives!”

That's right! Chen Xiaobei said, “this way, they will be absolutely loyal and will obey the demonic sect's control!”

“Smart!”

In the air, the poison priest looked down at Chen Xiaobei and said coldly, “Little brat! You're really very smart! Those two idiots, Ishizaki Kungfeng and Ishizaki Chisa, are just your chess pieces! You're the one who ruined our plan!”

“Since you know how powerful I am, why don't you kill yourselves to atone for your sins?” Are you waiting for me to make a move?”

Hehehe ... the poison priest laughed eerily, “You brat, you're so young, but your tone is not small! You're already at death's door, yet you still dare to speak such arrogant words!”

Chen Xiaobei shrugged and asked, “I'm already at death's door? How come I didn't know about it?”

“Hmph Hmph! Don't think that you can escape from our Five Finger Mountain just because you're not poisoned!”

The poison priest looked at the hundreds of black-robed men around him and said with confidence, “Look at our positions carefully. With your intelligence, you should be able to find some interesting clues!”

The moment he said this, everyone from the heaven-dominating faction became nervous and looked up at the black-robed people in the air.

From the moment they left, the hundred black-robed men had been riding on huge dark red bats and flying at a low altitude.

At this moment, upon closer inspection, the flying positions of these hundreds of people and hundreds of huge bats actually hid a mysterious pattern. They looked very much like a battle formation!

Chen Xiaobei was smart enough to see through it. “Didn’t you just form a battle formation? What’s the big deal?”

“You little brat! You’re too Savage!”

you’re courting death! the poison priest shouted angrily. the hundred of us formed an earth-god level formation, the ‘heavenly Wind Tiger taming formation’! You won’t be able to escape even if you have wings!

Chen Xiaobei said nonchalantly, ” “Don’t worry, I’m not flying. You’re the ones who are flying!”

“F \* ck! I think you won’t shed tears until you see the coffin!” The poison priest raised the dark red flag with both hands and roared.

“Tianfeng! Up!”

As soon as he finished speaking, the hundred bats all circulated their wind true element and flapped their wings, bringing with them a terrifying Hurricane that crushed down on the ground.

“Rakshasa, curse!”

The poison priest roared again and personally led the hundred black-robed men to circulate their Zhen Yuan. The battle formation had already been set, and his special ability was instantly activated!

seeing this, everyone from heaven dominating faction was shocked! They all looked at Chen Xiaobei!

Everyone had lost their combat power, and all their hopes were on Chen Xiaobei!

Chapter 1937: Here comes the opportunity (2)

“Phew ... Phew ...”

In the air, a hundred black-robed men and a hundred giant bats formed an earth-god level battle formation with the poison priest’s one-star earth-god instrument as the core!

The hundreds of giant bats all had the wind ethereal force, and their cultivation had reached the early stage of the spirit-forging realm.

As they flapped their huge wings wildly, they created a terrifying Hurricane. It was as if a mountain had collapsed, and it suddenly crushed toward the ground.

what a terrifying Hurricane ... We ... We can’t withstand it at all ...

the wind was everywhere and completely covered the heaven dominating faction members.

their true energy and spirituality were sealed, so they didn’t have any protective true energy and couldn’t use their earth-god instruments and spiritual instruments.

the mountain-like power descended and pressed down on everyone from heaven covering sect.

Fortunately, their cultivation was not weak, and their physical strength was high enough. If it were an ordinary person, they would have been crushed into meat paste by the wind alone.

“Bang! Bang! Bang! Bang ...”

the wind was so strong that the normal disciples of heaven dominating sect were all pushed to the ground, and the ground beneath them cracked. It could be seen how terrifying the wind power of the battle formation in the air was!

what a terrifying Hurricane ... Monroe ... Monroe, can you handle it ...

Xia Jinlin and Idina both screamed. If it weren't for Meng Lu's support, they would have already fallen!

“Menglu! Take the two of them and escape! Hurry up! Otherwise, it'll be too late ...”

Xia Longxiang's physical body was the strongest. He gritted his teeth and stood there, but his expression showed that he was struggling. It was only a matter of time before he was completely suppressed.

“No! I definitely won't escape! I believe that young master Chen will be able to save us!”

Monroe circulated her protective Zhen Yuan, and her 2000000 combat power didn't hold back at all. She protected Xia Jinlin and Idina with all her might, and she didn't even take half a step back.

“Ha, it's already like this, and you still believe that kid can turn the situation around? You're too naive!”

The poison priest laughed disdainfully and said, “to tell you the truth, this Hurricane is only the prelude to the ” heavenly Wind Tiger taming formation “! An even more terrifying attack has only just begun!”

Hearing him, people's faces changed dramatically as their hearts clenched.

All of them looked at Chen Xiaobei anxiously. The last bit of hope they had was slowly disappearing.

Chen Xiaobei had to channel his ethereal force to the limit to stand still!

To the crowd, Chen Xiaobei had no other choice but to defend himself. Once the poison priest launched a real attack, Chen Xiaobei would be defeated!

At the thought of this, the hope in everyone's hearts was completely destroyed. What replaced it was endless despair!

“Everyone, don't panic! I haven't lost yet!”

Even in such a situation, Chen Xiaobei remained calm and collected. His eyes were locked on the sky, looking for a chance to break out of this situation.

“You haven't lost yet? I'll make you lose right now!”

The poison priest let out an arrogant shout and led a hundred black-robed men to activate their battle formation ability!

“Whoosh! Whoosh! Whoosh ...”

Streaks of dark red vital essence shot toward the people who were still standing on the ground like venomous snakes!

ah ... What is this ... Our physical strength has disappeared ... We can't even use any strength ... Help ... Help ...

Menglu, Idina, and Xia Jinlin, the three girls screamed at the same time.

The dark red Zhen Yuan, which was like a poisonous snake, directly penetrated through Monroe's protective Zhen Yuan. The moment it touched the three girls' bodies, their physical strength was instantly sealed!

The three girls didn't even have the slightest bit of strength and fell to the ground.

Fortunately, Menglu could still circulate her Zhen Yuan to resist the hurricane. Otherwise, the three of them would have been pressed to the ground and wouldn't even be able to move a finger!

"Bang!"

Xia Longxiang did not have any quintessential essence to protect his body, so he was immediately crushed to the ground by the hurricane. The ground beneath him was also crushed.

"Did you see that? This daddy's Tiger taming heavenly wind formation is an earth God level battle formation! It's not as simple as a hurricane!"

The poison priest laughed arrogantly and said, "Tiger of the heavenly wind!" What he meant was that under this battle formation, even a giant barbaric Tiger at the earth God Realm could only lie on the ground and wait to be slaughtered! What do you have to break the formation? Hahaha ..."

the moment he said this, everyone from heaven dominating faction was in despair.

No one believed that Chen Xiaobei would be able to break the formation. Many of them closed their eyes and waited for death.

Xia Longxiang was also in despair as he shouted anxiously, "Young master Chen, with our current state, it's impossible for us to break through the heavenly Wind Tiger taming formation ... Quickly take the three girls and leave first. Don't worry about us ..."

"Hehehe ... I really don't know if I should call you naive or stupid!"

I'm the master of the heavenly Wind Tiger taming formation! the poison priest said arrogantly. no one can leave without my permission!

"Whoosh! Whoosh! Whoosh ..."

Dozens of dark red ethereal forces surrounded Chen Xiaobei!

Even if Chen Xiaobei moved, he would be attacked by the dark red ethereal force!

The scene in front of him was like a cat catching a mouse. It was not in a hurry to kill it, but to play with it first!

The poison priest did not attack immediately. Instead, he looked down at Chen Xiaobei and provoked, "Kid, aren't you very smart? How are you going to break out of this situation?"

Chen Xiaobei chuckled and said, "Heh, don't say that I'm not being modest. I have at least a hundred ways to break out of this situation!"

“Pretentious! You have a hundred ways to break out of this situation. I can even take your surname!”  
The poison priest rolled his eyes. He did not believe Chen Xiaobei at all.

However, Chen Xiaobei did not show off!

Blood God’s deity-killing painting! Cloud somersault! It was the Dragon’s edge! The chaos Blood Sword! Nightstalker outfit! With all his other trump cards, Chen Xiaobei could definitely come up with a hundred ways to break out of this situation!

The reason why Chen Xiaobei did not take action was because no matter what he did, he could not guarantee the safety of the heaven dominating faction!

after all, the wind Tiger taming formation was too special. The wind kept pressing down and the heaven covering sect people couldn’t run.

Unless Chen Xiaobei could kill all the black-robed men in one go, any one of them that slipped through the net could cause a lot of casualties to the heaven dominating faction!

At that moment, the hundreds of black-robed men were all in the air. Once Chen Xiaobei launched an attack, the black-robed men could spread out in the air.

It was almost an impossible task to kill them in one wave!

Chen Xiaobei was very clear about this!

But Chen Xiaobei did not plan to give up. He kept his eyes on the sky, waiting for a chance to kill everyone!

Chen Xiaobei knew that this opportunity would come!

According to the prediction of the clay Bodhisattva, Chen Xiaobei would face a calamity, but not a death calamity! Even if it was a dead tribulation, there was a chance of survival, there were ways to resolve ordinary calamities and tribulations!

“Little brat! If you’re so pretentious, why aren’t you making a move?”

“If you don’t make a move, then I’ll!” The poison priest grinned. I also have a hundred ways to toy with you to death!”

As soon as he finished speaking, the poison priest took out several small bottles.

Chen Xiaobei was overjoyed. His chance had come!

Chapter 1938: An absolute counterattack (3)

“Which one should I choose?”

The poison priest held the colorful bottles and said with a sinister smile, “Choose the intestine severing powder and let your intestines rot? Or should I choose ‘plagued rat water’ to make you all covered in abscesses? Or should I use ‘corpse powder’ to turn you into a pool of blood?”

It was obvious that the poison priest was a poison master. The small bottles were filled with all kinds of poisons.

At this moment, the hurricane was like a mountain, crushing everyone. The poison priest only needed to sprinkle a handful of poison and everyone would be poisoned!

"I still have a lot of poisons in my hands, and I don't even know which one to choose! Why don't you guys choose one?"

The poison priest looked down at the crowd with a smug smile.

Chen Xiaobei immediately tried to goad her into action, "Ishizaki kungfeng should have told you that I know how to detoxify poison. If you don't have a poison more powerful than the demon spirit heart-burning poison, don't bring it out and embarrass yourself!"

the moment he said this, everyone from heaven dominating sect was stunned.

Xia Longxiang's face was filled with anxiety as he said, "young master Chen!" Are you kidding me? We can't move now, so how are you going to detoxify us? You're provoking the enemy like this ... We'll only die more miserably ..."

Edina's face was pale and she said in despair, "In my opinion, young master Chen knows that he can't break out of this situation, so he might as well seek a quick death ... Come! We'll choose the most powerful poison! Now that things have come to this, death is also a form of release!"

I don't want to die yet ... Brother ... I don't want to die yet ... Xia Jinlin's eyes turned red and he started crying.

"Senior Sister Jin Lin! Don't cry! Believe in young master Chen!"

Everyone was in despair, but Monroe was still determined. "Childe Chen is the smartest person I've ever seen! If he wasn't confident in breaking out of this situation, he would never have let the situation develop to this point! Young master Chen was a person who could change everything! We must believe in him!"

"Ha, you little girl, you're so beautiful but so stupid!"

"Things have already come to this, and you still believe that Chen brat?" the poison priest laughed arrogantly. You're so stupid that you can't be saved!"

"You're the stupid one! Your whole family is stupid!" Meng Lu glared at the poison priest and said angrily, "All talk and no action! You only know how to talk, but when you get serious, young master Chen can defeat you in minutes!"

"Bullshit!"

The poison priest was so angry that he roared with killing intent, "I've killed at least eight thousand people with poison! Since you all want to die so much, I'll fulfill your wish!"

The poison priest took out a small black bottle.

In an instant, the expressions of the hundreds of black-robed men around him changed at the same time, revealing a look of awe. It was clear that they were all very afraid of the poison in the small black bottle!

“What ... What is that ...”

Menglu swallowed her saliva as an ominous premonition shrouded her heart, and she became nervous!

“Hmph Hmph! This was the improved version of the demon spirit heart-burning poison! Even the body of a three-star earth-god was not immune to this poison! It’s even more impossible for small fries like you to be immune to it!”

of course! the poison priest laughed arrogantly. if you want to detoxify the poison, you must use a specific three-star earth-god medicine and follow a specific prescription! Even I can’t cure it, so I don’t believe that brat can cure it!”

it’s over, it’s over ... It’s really over this time ... hearing this, everyone from heaven dominating faction, including menglu, let out a cry of despair.

However, Chen Xiaobei laughed and said, “Hehe, I was wondering what it was! You have the nerve to show off such a small poison? I can guarantee that you won’t be able to hurt anyone!”

“Numbing! You’re an out-and-out poser! This poison is even more powerful than the demon spirit heart-burning poison!”

“Once you’re poisoned, your skin will immediately be filled with poisonous blisters and ooze with pus and blood!” The poison priest roared. Your skin and muscles will fester along the poisonous blisters, and your bones will also be corroded. In less than three minutes, everyone will turn into pus and blood!”

the moment he said this, the heaven dominating faction members ‘faces all turned ugly.

If what the poison priest said was true, everyone would die a terrible death.

“All of you, go to hell!”

The poison priest opened the small black bottle and sprinkled the poison powder inside. He cursed, “Brat, even if you can cure the poison, you won’t be able to save everyone in time! You said I can’t hurt anyone, so I’ll let you get struck by lightning for acting tough!”

Whoosh ... Whoosh ... Whoosh ...

Hundreds of bats were still flapping their huge wings, and the poisonous powder scattered in the strong wind, covering everyone on the ground from 360 degrees without any blind spots!

“We’re dead ... None of us are going to survive ...”

Xia Longxiang, Xia Jinlin, Idina, and every ordinary disciple of heaven dominating faction all let out their final cries.

Even menglu’s face was pale, and she said in a trembling voice, “ young master Chen ... I thought you wouldn’t let me down ... I didn’t expect this to be the result ...

“Hmph Hmph! Fight with me! All of you will die without an intact corpse!”

The poison priest grinned and called out to the black-robed men around him, “Brothers, we’ve already won this battle! When I take their earth-god instruments later, the demon Lord will definitely reward me heavily! When it’s time, we’ll have a good time! Drink spicy! She slept soundly! It was only one word! Cool!”

As soon as he said that, the hundred black-robed men were all excited and laughed, “Good food! Drink spicy! She slept soundly! Hahaha ...”

“Hu! Huu ...”

However, at this moment, a terrifying storm suddenly rose up from the ground below!

Everyone’s eyes were focused on him!

He saw that Chen Xiaobei was holding a burning talisman in his hand!

All of a sudden, it was as if the god of wind had descended!

With Chen Xiaobei as the center, a strong wind started to blow. It was as if thousands of horses and soldiers were charging up from the ground into the sky!

This vast and unparalleled might was thousands of times more powerful than the flapping of the hundred bats ‘wings!

“Divine Wind! Rise!”

go! Chen Xiaobei roared, and the violent Holy Wind around him flew up and pushed back the poisonous Hurricane!

“My ... My God ...”

The poison priest and the hundreds of black-robed men were all dumbfounded. They let out a scream of fear.

“Whoosh ... Hu ...”

In the next moment, the violent divine Wind swept up the poison and directly enveloped the sky!

As the wind was too strong, the one hundred black-robed men and the one hundred giant-winged bats were like sand and dust in the wind. They were swept up uncontrollably and flew all over the sky!

At the same time, each of their bodies was stained with deadly poison!

As a result, one black-robed man after another, one giant-winged bat after another, were all turned into pus and blood by the poison while they were flying randomly, and were swept away by the divine Wind!

“Whoosh!”

Suddenly, Chen Xiaobei stepped on the somersault cloud and burst out with the speed of a two-star earth-god, and used the cleansing Bodhi to save the poison priest’s life!

Chen Xiaobei held the half-dead poison priest in one hand and took out the heavenly dog biscuit in the other.

"Open your mouth!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 1939: Pot Full, Basin Full (4)**

"Oh ... Ah ..."

Flying high in the sky, the poison priest, who was already half-dead from the poison, instinctively opened his mouth.

Chen Xiaobei did not say anything and immediately stuffed a piece of dog food into her mouth.

"Master ..."

Soon, the poison priest had become Chen Xiaobei's loyal dog.

"Whoosh!"

But Chen Xiaobei did not land. Instead, he brought the poison priest deep into the clouds so that no one on the ground could see them.

"Master ... Why are you taking me to the sky?" The poison priest asked with a dumbfounded expression.

you have a very special identity. There are demonic sect spies in heaven dominating faction. If people find out that you're still alive, it'll cause a lot of trouble! Chen Xiaobei said.

"That's true ..."

yes! the poison priest nodded and said, " if the demonic sect finds out that I've become your subordinate, they'll definitely seek revenge!

" what? " Chen Xiaobei asked, " do you know who the demonic sect spy that infiltrated heaven dominating faction is? "

"I don't know ..."

No. the poison priest shook his head. I'm only a middle and lower-level elder in the demonic sect. Only the higher-ups and core elders can know the spy's identity!

"Well, that's not strange." the top spy in heaven dominating faction has a very high position. He is directly related to the success of the demonic sect's plot. Perhaps only the demon himself knows the spy's true identity! Chen Xiaobei said.

yes ... the poison priest said awkwardly, " "I'm useless. I can't help you with this ..."

Chen Xiaobei took out the verdant Emperor's divine gourd and said, " "You enter the verdant Emperor's divine gourd first. I'll need you later!"

"Master, please wait!"

The poison priest asked curiously, "just now, how did you stir up that terrifying Gale?" It's simply too outrageous ..."

"It's a secret!"

Chen Xiaobei was too lazy to explain. He took the red flag banner and put the poison priest into the verdant Emperor divine gourd.

Obviously, the red envelope that he had just won was from Princess Iron Fan, who he had won in the food competition.

The banana divine fan talisman!

Even if Chen Xiaobei had explained to the poison priest that it was a treasure from the Three Realms red envelope group, he would not have been able to understand or believe it.

Chen Xiaobei was not in the mood to explain.

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[ding! You have eliminated a second generation villain. You have obtained ...]

[eliminate the evildoers of a lifetime ...]

[your current merit points are 69000000. You need another 21000000 merit points to proceed to the next level.(Charm: 6900000, luck: 6900000) !

The netherspirit battlescouter kept sending him messages about the merit points he had gained from killing the 100 Black-robed men!

"Hahaha! This battle has earned me three million merit points! The word "cool" is the only word in the sentence!"

Chen Xiaobei was overjoyed when he saw the results.

The time left for King Yama to sort out the 'list of Yin ghosts' was getting shorter and shorter, and the merit points were what Chen Xiaobei needed the most!

Every merit point that entered his account meant a lot to Chen Xiaobei.

If the merit points continued to increase at this rate, it would not take long for Chen Xiaobei to accumulate 90 million merit points and help Ying Zheng exchange for an earth-god position.

Next, he would be able to use Ying Zheng's merits to exchange for more earth immortal companions!

At that time, a series of plans and setups could be carried out in full swing, which would be of the greatest help to sect leader Tongtian when the immeasurable cultivation tribulation came!

Chen Xiaobei was already overjoyed just thinking about this perfect ending!

After obtaining the dark red flag Gu, a loyal dog, and three million merit points, Chen Xiaobei flew back to the ground in high spirits!

He continued to harvest!

Jiang Shaodian's Green Dragon Mountain-breaking saber had been taken!

The two Ninja knives of ishiqi kungfeng and ishiqi Chisa were taken!

The storage bracelets of these three people, take them!

These three people's spirit beast bracelets, take them!

In just a few minutes, Chen Xiaobei had earned a lot of money.

The surrounding heaven dominating faction members saw all of this, but no one interfered with Chen Xiaobei's actions. This was what Chen Xiaobei deserved!

Jiang Shaodian, Shiqi kungfeng, and Shiqi Chisa had been killed by the demonic sect, and their belongings had become ownerless!

From another perspective, Chen Xiaobei had also taken revenge for the three of them by killing the demonic cultists! At the same time, it also protected everyone around it!

It was only natural for Chen Xiaobei to take those ownerless items!

.....

Chen Xiaobei was not in a hurry to do an inventory check after he had packed his things.

instead, he took out a flying device and had everyone board it. They headed to heaven dominating faction's highest base at full speed.

On the aircraft, Chen Xiaobei helped them detoxify the poison.

Everyone was very grateful to Chen Xiaobei. Of course, they were also very curious about Chen Xiaobei, and they all asked him about the defiant Divine Wind.

Chen Xiaobei could not explain, so he used the word 'secret' to shut everyone up.

Still curious, Monroe asked, " "Young master Chen, in the end, you suddenly flew high up in the sky, what was that about?"

"Idiot, of course I'm going to retrieve the poison priest's banner!"

Chen Xiaobei held the flag in his hand and laughed, " it's a one-star earth-god instrument. It'd be a pity if it was blown away by the wind.

Oh, right ... Meng Lu nodded and then shook her head."Something's wrong! The main point was not the banner! The main point is, why can you fly!"

that's right! Chen Xiaobei laughed. because I have a flying spiritual item! It's that cloud!

"Heavens! It's really a flying spiritual artifact!"

As soon as he said that, everyone at the scene let out a cry of disbelief.

"What's wrong? Are you all making a fuss?" Chen Xiaobei asked.

"Young master Chen, don't you know?" flying spiritual weapons are the rarest spiritual weapons! Xia Jinlin said excitedly, " I'm afraid there are less than ten of them in the entire apocalypse Starfield!

Idina's eyes were full of admiration as she said,"young master Chen!" Who exactly are you? A giant barbaric Tiger as a Mount! Heaven-defying Divine Wind! He even had a flying spirit tool! You can't be the Crown Prince of a major force in the earth-god Realm, right?"

"Of course not."

Chen Xiaobei shrugged. I've told you before. I'm the leader of bei Xuan faction. If you want to change your position, you can be my Disciple Now!

"I want to jump ship! I also want to jump ship!"

Menglu and Xia Jinlin were two ignorant fools. They immediately raised their little hands and were extremely excited!

"You two! Don't mess around!"

Xia Longxiang stretched out his two large hands and pressed down on the heads of the two girls, forcing them to quiet down.

there are many sects in apocalypse Starfield, but none of them dare to steal from heaven dominating sect!

"If the two of you jump ship, it'll be equivalent to slapping heaven dominating sect in the face!" Xia Longxiang said in a deep voice. At that time, heaven dominating faction will definitely take revenge on young master Chen!"

Menglu and Xia Jinlin were stunned for a moment before they shook their heads."Then we'd better not jump ship ..."

Who knew that Chen Xiaobei would say, " "What are you afraid of? If the sky falls, I'll hold it up for you!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 1940: Taking Inventory Of Gains (1)**

"Yay! Young master Chen, hold on! Even if the sky falls, I'm not afraid!"

Menglu and Xia Jinlin cheered and looked at Chen Xiaobei with admiration.

After the unbelievable battle, Chen Xiaobei was now an invincible God in the two girls 'hearts.

In menglu and Xia Jinlin's hearts, Chen Xiaobei was almost omnipotent. Even if heaven dominating faction came for revenge, Chen Xiaobei would be able to handle it with ease.

"Senior Sister Idina! Don't you plan to jump ship?"

" I've noticed that you're looking at Childe Chen with such respect! Why don't you join us and join bei Xuan faction? " Monroe said excitedly.

Xia Jinlin quickly nodded and said, "yes, yes!" The three of us will jump ship together! If you join bei Xuan faction, you'll have a bright future!"

"You two silly girls, it's fine if you're just joking, but don't take it seriously!"

"A little princess of the heavenly wings race!" Edina laughed. A Princess from the royal family of Black Tortoise capital city! The two of you are messing around here. Two families, even two races, will be implicated! This is not a joke!"

"That's right!"

Xia Longxiang hurriedly nodded his head. it's fine if you say such a joke in front of your own people. But you must never say it in front of outsiders. Otherwise, you'll definitely bring trouble to the clan!

this ... menglu and Xia Jinlin were stunned and immediately fell silent.

They were simple, but they were not stupid. They understood the stakes very well.

"I was just joking to liven up the atmosphere. Don't take it seriously!" Chen Xiaobei stopped smiling.

From this little joke, Chen Xiaobei could tell that heaven dominating faction was the most powerful faction in the earth-god Realm!

all the races, rich families, sects, and even the noble families of the four imperial cities had to be wary of heaven dominating faction.

Below the earth-god Realm, heaven dominating sect was the top force in the pyramid! His ruling position could not be shaken!

the people from the other factions cried and begged, even in their dreams, to join heaven dominating faction!

Chen Xiaobei was the first person in the earth-god Realm who dared to poach someone from heaven dominating faction!

Chen Xiaobei had already declared that he would make bei Xuan faction surpass heaven dominating faction. He wanted his family, friends, and disciples to all live at the peak of apocalypse Starfield with their heads held high, enjoying the highest glory and life without worry!

Of course, this was a story for later!

At the moment, bei Xuan faction had no way to fight against heaven dominating faction.

It was easy to conquer a country, but it was difficult to defend it!

Be it poaching or expanding the sect, they had to do it under the premise of being able to protect everyone!

All in all, Chen Xiaobei was not strong enough!

Before he had the strength to protect everyone, Chen Xiaobei had to hold back.

If they were brave but not smart, they would only end up with a bloody head!

"If there's nothing else, I'd like to take a rest alone!"

Chen Xiaobei gathered his thoughts and was ready to use all the time he had to increase his strength!

"I'll take you to the lounge! You've been fighting and helping us detoxify. You should have a good rest!"

Menglu immediately stepped forward and led the way.

In the lounge.

Chen Xiaobei went in alone, locked the door, and took out the loot from the battle.

the poison priest's dark red flag Gu is only a one-star earth-god instrument. It won't be of much help to me. I'll melt it down!

Chen Xiaobei took out the heaven and earth furnace and threw the red flag Gu into it.

"Whoosh!"

Chen Xiaobei flicked a ball of witch Dragon Flame into the heaven and earth furnace and started to refine the dark red flag Gu.

"Both Ishizaki kungfeng and Ishizaki Chisa's Ninja knives are two-star earth-god instruments. Their combat power is barely acceptable, but they belong to the Japanese. Melt it down!"

Without hesitation, Chen Xiaobei threw the two ninja blades into the heaven and earth furnace.

these are the storage bracelets of ishiqi kungfeng and ishiqi Chisa ...

Chen Xiaobei picked up two more storage bracelets and started to check the resources inside.

"What the f \* ck! These two little japanese were truly people from the Azure Dragon continent! There were actually 20000 upper spiritual stones! That's equivalent to two trillion lower spiritual stones!"

Chen Xiaobei was overjoyed.

Chen Xiaobei only had 20000 medium-grade spiritual stones and 120 million low-grade spiritual stones left. He was short of spiritual stones!

Recently, Chen Xiaobei had been having a headache on how to earn spiritual stones.

Building a cosmetics factory, opening a live streaming company, and a gaming company ... But Chen Xiaobei had not seen any profits yet!

He had never expected that he would actually earn two trillion in one go today! The word "cool" was the only word!

"No! This wasn't good enough! I haven't checked Jiang Shaodian's storage bracelet!"

Chen Xiaobei transferred the 10000 high-grade spiritual stones into his infinite space ring.

Then, with a flip of his hand, he threw the storage bracelets of ishiqi kungfeng and ishiqi Chisa into the heaven and earth smelt.

The two bracelets contained a lot of resources that could be refined into a lot of spiritual aura!

Of course! Even if all the resources in these two bracelets were added up, they would definitely not be able to compare to Jiang Shaodian's bracelet!

"What the f \* ck! What the fuck!"

When Chen Xiaobei checked Jiang Shaodian's storage bracelet, he was ecstatic. "Thirty thousand! It was a total of 30000 upper spiritual stones! That's another three trillion lower spiritual stones! It felt so good that it exploded! Wakaka ..."

Just half a minute ago, spiritual stones were the resource that Chen Xiaobei needed the most!

But in just half a minute, Chen Xiaobei's wealth had increased by five trillion low-grade spiritual stones!

It wasn't an overstatement to say that this was an astronomical figure!

Chen Xiaobei could not even begin to calculate how many companies he had to start and how long it would take to earn so many spiritual stones!

Chen Xiaobei's mood was so good that he felt like he was in outer space!

Of course, this was not the best!

"Jiang Shaodian is indeed the twelfth Prince of the Azure Dragon Imperial City! There are two two-star earth-god instruments in the storage bracelet!"

Chen Xiaobei then transferred all 30000 high-grade spiritual stones into his infinite space ring.

Then, they each took out a green armor and a Green Shield!

These were the two two-star earth-god instruments of Jiang Shaodian!

in terms of spirituality, these two are just ordinary goods. They don't have much room for growth and are not worth upgrading at all!

"Besides, both of them are defensive earth-god instruments with only defensive abilities. It's better to strengthen the Nightstalker outfit! MMH! Melt it down!"

Chen Xiaobei threw the two earth-god instruments into the heaven and earth smelt without hesitation.

"What?"

Chen Xiaobei continued to check Jiang Shaodian's storage bracelet and found something else. "What is this? Why is there the word 'Xu Han' on it?"
