Chapter 1941: The Box Opens (2)

"What is this thing?"

Chen Xiaobei quickly took out a black metal box from Jiang Shaodian's storage bracelet.

The front of the box was carved with an ancient character 'Xu'!

More importantly, the material of the box reminded Chen Xiaobei of something!

"Bang!"

Chen Xiaobei then took out Ying Zheng's Black coffin.

After taking a closer look, Chen Xiaobei said with certainty, " "I really didn't misjudge! The material of this black box is exactly the same as the material of the black coffin!"

It was strange that this black metal had no spirituality and was not an earth-god material.

However, the hardness of this black metal could withstand the powerful attacks of a high-rank earth immortal. It was very, very special.

"Whoosh ..."

Soon, a dark demonic shadow rose from the black coffin, and Ying Zheng's voice rang out, " "Sect leader Chen, what is this place? Do we need to borrow the Black Dragon cavalry again?"

"No, no need to fight! Take a look at this, do you recognize it?" Chen Xiaobei said as he picked up the black box.

"I don't know what this is ..."

Ying Zheng shook his head at first, but after taking a closer look, he immediately exclaimed, " "The material of this box is exactly the same as the material of my black coffin! And ... The word 'Xu' on it! It's our Qin country's calligraphy!"

Chen Xiaobei said, " it seems that this should be Xu Fu's!

"Xu Fu's dog stuff? Where was he? Where is he?" Ying Zheng was instantly enraged, and a terrifying Imperial pressure emanated from him.

It was as if in a fit of anger, he would turn the world into mountains of corpses and rivers of blood!

"Xu Fu is not here."

no! Chen Xiaobei shook his head. I got the box from a man named Jiang Shaodian. But he's already dead. I can't get any details from him.

"Jiang Shaodian? Jiang ..."

Ying Zheng suppressed his anger, carefully calculated and said, "When I was still alive, the Jiang family was a large family to the East of Hangu Pass! But they never had a grudge against me ..."

"Moreover, this is a top-tier Starfield, which is extremely far from earth! Even if this box was Xu Fu's, it should have been made after he left earth. By chance, it ended up in Jiang Shaodian's hands!"

but, Jiang Shaodian is already dead. The clues have been cut off here ... Ying Zheng heaved a long sigh, feeling very unwilling to give up.

Chen Xiaobei had another idea. "Maybe we can find some new clues by opening this black box!"

"Open the black box? How is this possible?"

Ying Zheng couldn't believe it. the black box is sealed by a secret magic. More importantly, this black metal can withstand the attack of a high-stage earth immortal. How did you manage to open it? "

"Since I've said so, I naturally have a way!" Chen Xiaobei grinned and took out Xiao 'er from his ring.

"What ... What is this?" Ying Zheng asked, puzzled.

"This is the most ferocious insect in the ancient times, the twelve-winged Golden Cicada!" It can even bite open a divine object. A mere black box is not worth mentioning!"

"That's not right! Sect leader Chen!"

you have such a powerful spirit beast? " Ying Zheng was greatly shocked. why didn't you just bite open the black coffin and let me out? "

"It's not that I don't want to do this, but I don't dare to!"

first of all, there's a formation hidden inside the black coffin. I can't see what's inside even with my golden gaze fiery eyes! I have reason to suspect that Xu Fu has set up a 'self-destruction array' in the pass to prevent you from escaping!"

"If you use brute force to break the coffin, you will definitely activate the 'self-destruction array', which will directly destroy your soul and completely destroy you! At that time, even the gods can't save you!"

"This ..."

Ying Zheng's heart skipped a beat as he sighed and said, 'sect leader Chen is really thoughtful! Xu Fu, that bastard, is a schemer. Since he left behind the black coffin, he must have a backup plan!"

"There's a second reason!" you destroyed the Six Nations and unified the world. You quelled the wars in the world. There must be a huge amount of merit recorded in the merit book!

"Back then, the reason why Xu Fu left you with a remnant soul was probably because he was worried that you would be protected by a huge amount of merit! If I kill you, I will be punished by the heavens!"

however, Xu Fu wanted to report to the Jade Emperor, so he used a secret technique to seal you away from the Three Realms and let the Jade Emperor think that your soul had been destroyed!

"If I were to break open the coffin now, even if there is no 'self-destruction array', your soul would still appear in the Three Realms, and the Jade Emperor might be able to discover it!"

"The Jade Emperor has poisoned the Emperor of the human world who has a huge amount of merit added to his body! This was a serious crime of defying the heavenly Dao! He will never allow you to exist!"

Chen Xiaobei said seriously, " at that time, endless pursuit will befall you. The Jade Emperor will never stop until you've been turned into ashes!

hiss ... Ying Zheng gasped and exclaimed, " "Faction leader Chen is really far-sighted ... Now is really not the time to break the coffin!"

Chen Xiaobei nodded. don't worry. I promised to help you regain your freedom. I will keep my promise! However, you still need to wait a little longer!"

"Wait? How long do we have to wait?" Ying Zheng asked impatiently.

when I have 90 million merit points, I will help you exchange for an earth level deity!

"As long as you can become an earth level deity, you will be a living being in the human world! The nether soldiers in the earth realm can't capture you, and the heavenly soldiers in the heaven realm can't descend to the mortal world as they please. At least, it's much safer than you, a ghost, right now!"

"Faction leader Chen is far-sighted! Ying Zheng is impressed!"

thank you! Ying Zheng said gratefully from the bottom of his heart, " it's Ying Zheng's great fortune to have received sect leader Chen's help! When Ying Zheng stepped into the earth level deity realm, he would definitely give his life to repay faction Master Chen's great kindness! Die! Force!"

Chen Xiaobei's blood was boiling. He pointed at his heart and said, " "We're brothers, and we trust each other with our lives! It's all here!"

"Good brother!" Ying Zheng's shadow also raised his finger and pointed at his heart, " "It's all here!"

"Hmm ... Hmm? Bro bei ... Why did you bring me out again? I was sleeping soundly ..."

At this moment, the waiter woke up from his sleep in a daze.

Chen Xiaobei picked up the black box and laughed, " "You brat, you better think clearly! Was it sleeping fragrance? Or is the smell of heavenly treasures more fragrant?"

hiss ... My God ... the waiter took a deep breath, jumped up, and pounced at the black box as if he was crazy from hunger.

"Take it easy!" don't eat it! Chen Xiaobei quickly warned, " you're only allowed to open the box with your teeth! You're not allowed to eat it all! This box is very useful!"

Xiao 'er was a God-tier glutton. If Chen Xiaobei did not warn him, the box would be gone in less than ten seconds.

Of course, even though Xiao 'er loved to eat and sleep, he still listened to Chen Xiaobei.

The waiter soon stopped and said reluctantly, " "Bro bei, the box is open ..."

Chapter 1942: Important Bait (3)

"Hurry up! Sect leader Chen, quickly take a look at what's in the box!"

Ying Zheng asked impatiently. This was the only clue about Xu Fu so far, and it was very important.

"This ... This is ..."

Chen Xiaobei opened the black box and found a very familiar token!

On the token made of special metal, there were three big words 'weapon Mystic sect'!

"This is actually a profound weapon token!" Chen Xiaobei could not believe his eyes.

One had to know that the mysterious weapon token was a very special token! Not only did it contain the secrets of the ancient weapon Mystic sect!

Most importantly, goddess nǎ¼wa had already made it clear that the weapon Mystic token was the key to finding Daji's third life!

Getting this token meant that Chen Xiaobei was one step closer to being a little fox!

"Sect leader Chen, what's a profound weapon token?"

Ying Zheng's face was filled with puzzlement, and he asked, " "What's the relationship between Xu Fu and the weapon Mystic sect? How did the token fall into Jiang Shaodian's hands through Xu Fu?"

the mysterious weapon token is the exclusive token of the sect master and the eight core elders of the mysterious weapon sect!

I heard that once we gather all of them, we can activate an ancient magical formation in the weapon Mystic sect! Find the earth-god instruments and heaven-God instruments left by the equipment Mystic sect!"

"What? The weapon Mystic sect has a heaven immortal weapon?" what?! Ying Zheng was greatly shocked. if Xu Fu finds us, it will be as difficult as ascending to the heavens for us to take revenge!

"You can rest assured!"

"With this token, I have two of them!" Chen Xiaobei said. Even if Xu Fu has the other seven pieces, he still can't find the core ruins of the weapon Mystic sect, let alone lay a finger on the heaven immortal artifacts of the sect!"

that's strange ... Ying Zheng was even more puzzled, " the token is so important. How could Xu Fu give it to Jiang Shaodian? "

according to my speculation, Xu Fu must have lost this black box by accident!

of course! Chen Xiaobei said, " after all, Jiang Shaodian is only the twelfth Prince of the Azure Dragon Imperial City. His talent, status, and personality are all very ordinary! Xu Fu would never entrust the token to such an unreliable guy!"

"That makes sense!"

that's right! Ying Zheng nodded and said, " Xu Fu stored the token in a black box, which shows how precious it is! He had no reason to hand the black box over to Jiang Shaodian for safekeeping! It should be like what you said, Xu Fu lost the black box by accident!"

Chen Xiaobei smiled and said, " "If that's the case, perhaps I have a way to lure Xu Fu out!"

"What is it?" Ying Zheng was immediately excited.

I don't think so! Chen Xiaobei said, " spread the news that someone picked up the black box. Xu Fu will definitely come and get it!

"Yeah!" Ying Zheng's eyes lit up. in this case, we don't need any clues, " he said in surprise. we can use the token as bait and fish Xu Fu out!

that's right! Chen Xiaobei nodded and smiled. as long as we're prepared and set up an inescapable trap, Xu Fu will definitely not be able to leave!

"Wonderful! Wonderful! At that time, Xu Fu will be in the open while we'll be in the dark. We'll have a great chance of winning!" "But, I'm trapped in the black coffin now, so I can't help you much!" Ying Zheng was slightly startled. We'll have to rely on sect leader Chen now!"

Chen Xiaobei answered without hesitation, " don't worry, I will put this matter on the agenda. I will start preparing as soon as I have the opportunity. When everything is ready, I will help you take revenge!

"Sect leader Chen! I, Ying Zheng, will never forget your great kindness!" Ying Zheng was extremely serious and sincere. He bowed deeply to Chen Xiaobei!

"Quickly get up! I've already said that you don't have to be so polite with your brother!" Chen Xiaobei waved his hand.

"Young master Chen! you're not asleep, are you? " at this moment, Monroe came to the door and said, " "I can hear your voice!"

"Uh ... I'm on the phone, what's up?" he asked. Chen Xiaobei and Ying Zheng exchanged a look, and then kept the black coffin.

" nothing, " Monroe said, " I just wanted to inform you that we will arrive at the top base in ten minutes. Get ready!

"Alright, I got it!" yes! Chen Xiaobei replied. is there anything else? "

"There's nothing else. It's fine as long as you're ready!" Monroe didn't enter the room. She turned around and left.

only ten minutes left ... Chen Xiaobei took out Jiang Shaodian's storage bracelet and threw it into the heaven and earth smelt.

After putting away the token, Chen Xiaobei looked at the broken black box and asked, " "Waiter, what is this box made of?"

seven-star earth-god grade, black Luo meteorite metal! The waiter was drooling. it's a pity that it's all gone. Otherwise, it would be even more delicious!

"It's lost its spirituality?" Chen Xiaobei asked, " why did the spirituality disappear? "

I'm not sure ... the waiter shook his head. maybe it was sucked away, or maybe it stayed too long in a place where the spiritual energy was exhausted, causing the spiritual energy to slowly dissipate ...

a place where spiritual energy is exhausted? " Chen Xiaobei suddenly thought of something and mumbled, " I have a vague feeling that ... The secret to opening the black coffin might be hidden in the place where Xu Fu obtained the black Rakshasa meteorite metal ...

"What secret?" The waiter asked in confusion.

I'm not sure ... Chen Xiaobei shook his head."It's just a feeling ... But there are no clues or evidence to support this feeling ... To be honest, I'm just guessing!"

"Tsk! Stop guessing!" "Let's think of a plan and share this small box, shall we?" the waiter was extremely greedy.

"You ate it?" "I haven't used your power to eat in a long time!" Chen Xiaobei's eyes lit up. You're making me a little greedy!"

The waiter said excitedly,"actions speak louder than words!" You take half, I'll take half, just eat it!"

"No!" Chen Xiaobei shook his head.

"Why can't I?" The waiter was extremely disappointed and tried his best to incite, " "Bro bei! This was a seven-star earth-god material! Even if it had no spirituality, it could still increase your physical strength by more than 100000! It's such a waste not to eat it!"

"I didn't say I wasn't eating! But you can't eat it now!" I'll fall into a deep sleep after using your ability. I'll sleep for more than ten days. All the things I wanted to do will be delayed!

this ... the waiter was at a loss for words.

Chen Xiaobei smiled and said, " "I promise, when I have enough time, we'll eat together!"

"Good! It's a deal!" When the waiter heard this, he was overjoyed.

alright, you go back to the ring of ten thousand beasts first. I'll let you out when the time comes! Chen Xiaobei kept Xiao 'er and looked at another item.

three-star earth-god instrument, Green Dragon Mountain-breaking saber!

Chen Xiaobei narrowed his eyes and thought,'what if I use it for myself? Or are you going to melt it down?"

[Red Envelope Group of the Three Realms](#)

Chapter 1943: Minor Heavenly Fate Ranking (4)

this Green Dragon Mountain-breaking saber is a three-star earth-god instrument. It's not weak, but its actual combat effect is not as good as the black saber, demonic dragon apocalypse. It can be recycled ...

'Besides, this saber is one of the top ten most treasured sabers in the Azure Dragon Imperial City. I can't return it to them. I might as well refine it and completely cut off their thoughts!'

Chen Xiaobei then threw the Green Dragon Mountain-breaking saber into the furnace.

"There are only three spirit beast bracelets left!"

Chen Xiaobei thought for a moment and said, " Jiang Shaodian's fire cloud celestial Lion is a spirit beast at the peak of the nine flames refinement. It can fight against the powerhouses on the heavenly fate ranking. I have to tame it. That way, whether I bring it with me or leave it with bei Xuan faction, it will be a great help!

as for the two Japanese's golden-horned wind-seeking deer and silver-horned wind-seeking deer, they're only at the three-fire spirit-refining stage. They're neither good nor bad. It's a waste of dog food to subdue them, but it's a pity to let them go ...

Chen Xiaobei kept the three spiritual beast bracelets and said, " "Forget it, I'll keep it first. It's not too late to deal with it later!"

Chen Xiaobei was now counting his gains from the battle.

Once all the resources in the heaven and earth smelt were refined, he could then choose to strengthen his trump cards or raise his own cultivation.

Of course, no matter what he chose, the spiritual aura of heaven and earth this time would give Chen Xiaobei a huge boost.

.....

Chen Xiaobei walked out of the resting room after he was done packing.

The aircraft also began to descend quickly and landed steadily in a huge base.

"Young master Chen! We're here! This is our heaven dominating sect's highest base on the devil earth continent!"

The door of the aircraft opened, and Monroe ran down excitedly.

Chen Xiaobei followed behind and looked around. He was surprised."This base is really big ..."

As far as the eye could see, it was a huge base with no end in sight.

Judging from the height of the buildings in the base, it could probably accommodate more than 100000 people at the same time.

One could see the whole picture with just a glimpse!

from the size of the base, one could also see how large heaven dominating faction's headquarters was!

It was the number one sect under the earth immortal realm!

The scale, the number of people, the foundation, everything was top-notch!

It was no exaggeration to say that heaven dominating sect was the biggest power in the earth-god Realm!

no power could be compared to heaven dominating faction!

Just look at this base, let's not talk about things far away! The land within a radius of a thousand miles was an inviolable forbidden zone!

even the crazy demon sect members didn't dare to challenge heaven dominating sect's dignity!

"One day ... Our bei Xuan faction will have the same prestige ... No matter who it is! Any force! "Those who offend bei Xuan faction ... Will be killed!"

Chen Xiaobei looked at the base and felt his blood boiling. "I want to become stronger! I want to become stronger! Only with enough strength can one have enough ambition!"

"Young master Chen? What are you doing there?" Menglu grabbed Chen's hand and said, " "Let's go! I'll take you to eat something good!"

"Don't pull me!"

Chen Xiaobei retracted his hand and said, " "Someone's already coming! Get away from me! Go away! Hurry up!"

"Why? Childe Chen, why do you want to chase me away?" Monroe's face was full of surprise. She did not understand why Chen Xiaobei was suddenly so cold to her.

"Men! Surround that kid!"

Suddenly, a man in his late twenties strode towards Chen and pointed at him.

There were dozens of people behind the man, and they surrounded Chen Xiaobei.

Menglu suddenly realized, young master Chen! So, you asked me to leave to protect me ... Don't worry! I won't leave you behind!"

silly girl ... Chen Xiaobei's head hurt.

Monroe had already taken a step forward and cupped her hands in salute. "Senior brother he Qing! You brought so many brothers to surround young master Chen, what do you want to do?"

"Cassidy menglu! This is none of your business! Get out of the way immediately, or you'll have to bear the consequences!"

The man was very arrogant and exuded an overbearing aura. He was also very cold and would even attack menglu if they didn't agree!

"He's from the Jiang family, right?" Chen Xiaobei asked.

"Young master Chen is so smart!"

"That person's name is Jiang Heqing!" Xia Jinlin whispered. It was the ninth Prince of the Azure Dragon Imperial City! heaven dominating faction core disciple! Of the thirty-six heavenly stars on the minor heavenly fate ranking, he is ranked thirty-third!"

what? " Chen Xiaobei frowned. I've always heard you guys talk about the minor heavenly fate ranking. How do you guys calculate the rankings? "

Xia Jinlin said, "pass the myriad tribulations above the nine territories, strive for the heavenly destiny, and become an earth immortal!" The heavenly fate ranking was the ranking of the strongest powerhouses in apocalypse Starfield! The people on the list are all super experts who have the highest chance of becoming earth Immortals!"

"The minor heavenly fate ranking is the ranking for those below thirty years of age! There are a total of 108 people on the board, divided into 36 Tiangang and 72 Disha!"

"Jiang Heqing is one of the thirty-six heavenly stars, ranked thirty-third! This means that Jiang Heqing is ranked 33rd among billions of young people under the age of 30 in the earth-god Realm!"

Chen Xiaobei was shocked.

There were billions of young people in the earth-god Realm, but only 108 of them could be considered famous!

This was even rarer than Phoenix Feathers and Qilin horns! It could be said that he was the proud son of the heavens!

[ding Yingying's cultivation base: four fire god-refining, lifespan: Year 2251, physique: 3000000, combat power: 3000000!

With a sweep of his netherspirit battlescouter, he immediately saw through Jiang Heqing's strength.

At the age of 28 or 29, he had 3000000 combat power!

With such a cultivation speed, it would not be an exaggeration to say that in less than a hundred years, he would be able to refine a spirit with nine flames and even become an earth God!

"I'll say it for the last time! Unrelated people, step back!"

Jiang Heqing suddenly roared. His voice was like a mountain roar, causing the surrounding people to tremble in fear.

The ordinary disciples who came down from the same aircraft immediately ran away with their tails between their legs. They did not dare to get involved in this matter.

Even Xia Jin Lin was so shocked that he shut his mouth tightly and did not dare to make a sound.

Xia Longxiang's brows were furrowed tightly, but he didn't dare to say anything.

In this world, the strong were respected!

They were both aristocrats, but it was clear that Jiang Heqing, who had a higher cultivation level, had a higher status than the Xia siblings in heaven dominating faction!

Edina was not a noble, so she did not dare to speak. She pursed her lips, and her face was full of fear.

"Senior brother he Qing! What are you trying to do!"

At this time, only Monroe refused to give in and insisted on getting to the bottom of it.

"Stinky girl! What I want to do is none of your business! Dodge!"

Jiang Heqing walked over and raised his hand to slap menglu's face!

"Stop!"

Chen Xiaobei stomped on the ground, and a terrifying aura burst out of him. It was like a tsunami crashing down on Jiang Heqing.

[Red Envelope Group of the Three Realms](#)

Chapter 1944: The Big Shot Appears (1)

"Hiss ..."

Jiang Heqing took a deep breath and his pupils contracted. He felt as if a huge rock was pressing down on his chest. He was almost suffocating and his heart felt like it was going to burst.

"You ... Who are you ..."

Jiang Heqing did not think much of Chen Xiaobei.

But now, Jiang Heqing was observing Chen Xiaobei with a serious look in his eyes.

"Hiss ..."

When Jiang Heqing saw Chen Xiaobei's dark eyes, he gasped again. His face turned pale as if he had been struck by lightning!

That pair of deep black eyes were as sharp as a sword, as if hiding a terrifying thing that could make people lose! It was as if a terrifying bloody disaster would erupt at any moment!

"You ... No... Who are you, Sir ..."

Jiang Heqing's body trembled as he gulped and tried to guess Chen Xiaobei's identity.

He was the ninth Prince of the Azure Dragon Imperial City! heaven dominating faction core disciple! One of the thirty-six heavenly stars of the minor heavenly fate ranking! This was the first time in Jiang Heqing's life that he had been intimidated by someone younger than him!

There was no direct confrontation! He didn't even show his trump card!

Chen Xiaobei's roar alone had suppressed Jiang Heqing on the spot!

In Jiang Heqing's eyes, Chen Xiaobei was not a young man in his early twenties. The terrifying aura that he exuded was like that of an old monster who had lived for hundreds of years!

"Hiss ... Hiss ..."

At the same time, gasps of shock could be heard from the crowd.

Although Chen Xiaobei's aura was only directed at Jiang Heqing, it was still enough to make everyone's heart race and their breathing quicken. Cold sweat poured down their faces like rain!

It was as if the entire space was filled with the violent Qi of an ancient fierce beast, and everyone was about to be swallowed alive! Not even a corpse was left!

"Young master Chen ..."

While everyone was still in shock, Menglu ran away from Jiang Heqing and returned to Chen Xiaobei's side. She looked at the overbearing young man with a dazed expression.

Seeing that Monroe was fine, Chen Xiaobei's terrifying aura slowly dissipated.

In an instant, the hostile aura that enveloped the surroundings disappeared. Everyone panted heavily as if they had been granted amnesty.

"It's too scary ..."

Jiang Heqing rubbed his numb scalp and realized that his forehead was covered in cold sweat.

Childe Chen ... Your aura ... It's too terrifying. We thought the end of the world was coming ...

Xia Longxiang, Xia Jinlin, and Idina were all looking at Chen Xiaobei in awe.

They could no longer look at Chen Xiaobei as if he was their age.

cut the crap. Take Menglu away. I'll deal with this myself! Chen Xiaobei's tone was calm, but there was a domineering air to it.

"Alright!"

Xia Jinlin and Idina quickly ran over and pulled Monroe to the side.

Of course, Monroe herself knew that with her status, position, and cultivation, she could not help Chen Xiaobei.

On the other hand, Chen Xiaobei had the confidence and ability to handle everything that was about to happen!

Due to this, Monroe did not resist and obediently followed Xia Longxiang and the others, temporarily retreating to a distance to observe.

Therefore, only Jiang Heqing and the dozens of ordinary disciples were left.

"Heaven dominating sect disciples are only so-so!"

Chen Xiaobei said nonchalantly, "You, Jiang Heqing, are not qualified to speak to me. Call someone who can make decisions here!"

you ... Jiang Heqing was so angry that his face turned red. But when he saw Chen Xiaobei's black eyes, he was so scared that he could not even say a word.

The dozens of people around him were trembling in fear, not even daring to let out a fart.

"Get out of the way!"

At this time, an old and deep voice came from the crowd.

greetings to Grand Elder ... Greetings to Grand Elder ... Greetings to fourth elder ...

all the heaven dominating faction disciples knelt down on one knee and bowed to the newcomer.

He saw three old men in gorgeous Daoist robes walking over side by side.

The person on the right had white hair and a thick killing intent.

he was wearing the uniform of the heaven dominating faction, but his hair was tied up in a unique way.

From this, it could be seen that this 'fourth elder' should be a member of the Tenshou.

That intense killing intent was probably because of the deaths of ishiqi kungfeng and ishiqi Chisa. He wanted to kill Chen Xiaobei to take revenge.

The person on the left had white hair and a Sage-like temperament, but his eyes were also filled with hatred.

Everyone referred to this man as 'great elder', but Jiang Heqing referred to him as 'great-grandfather'!

It was clear that this person was not only the core Grand Elder of heaven dominating faction, but also the highest leader of the Azure Dragon Imperial City! He was the most powerful person in the Jiang family!

The man in the middle had half-black and half-white hair. His face was calm, and his eyes were as calm as an ancient well.

This person was the 'Grand Elder' that the disciples had been talking about!

The word 'Grand Supreme' meant that this person's seniority within heaven dominating sect was even higher than the current sect leader!

although he didn't have as much power as the sect leader, he had seniority. Even the heaven dominating sect leader had to respect him and call him junior uncle!

heaven covering sect's sect leader was definitely in charge of the sect. This was the highest base on devil earth, so naturally, the Grand sect leader was the one who had the final say!

For such a Big Shot to come out in person, it was clear that Chen Xiaobei's appearance had attracted the attention of the entire base!

"You little brat! You're so young, but you're quite arrogant!"

The fourth core elder, tenhon ishigasaki, glared at Chen Xiaobei and said, " "Didn't you want to see the person in charge? The three of us are the Supreme commanders of this highest-ranking base!"

" so, this is how you treat your guests? " Chen Xiaobei raised his eyebrows and asked.

The Grand core elder Jiang Zhaoyan said coldly, " "You're just a little thief, how can you call yourself a guest?"

"Heh, as expected, a Crooked Stick will have a crooked shadow!"

of course not! Chen Xiaobei smiled. earlier, I helped a bunch of heaven dominating faction disciples to detoxify their poison. But I was not rewarded for my kindness. They made things difficult for me! Right now, I'm helping you guys to resolve the demon cult's scheme, but I'm not even considered a guest?"

Jiang Zhaoyan snorted and said disdainfully, " "Hmph, don't think too highly of yourself! The demonic sect's plot was exposed by themselves! You're just playing a little trick and getting menglu to tip you off! What's the big deal?"

"Yeah, I'm not that great." Chen Xiaobei shrugged. I can't stay here, but there's another place for me! I'll leave, don't think that your heaven dominating faction is that rare!"

"You want to leave? It won't be that easy!"

Jiang Zhaoyan and Shiqi Tianhong roared at the same time.

[Red Envelope Group of the Three Realms](#)

Chapter 1945: Something's Wrong (2)

" I'm not a member of your heaven dominating sect. I don't need your permission to leave!

Chen Xiaobei's tone was cold and determined. He was not afraid of them just because they had a high status.

you little thief! Jiang Zhaoyan roared. you stole the storage bracelet of my Jiang family's descendant. If you don't take it out immediately, don't even think about leaving today!

Amazumi Ishizaki was even more unreasonable, and said with a murderous look, "No! This kid can't leave! He must pay with his life for the descendants of my Ishizaki clan!"

"Did sh * t go into your brains, you two old things?"

Chen Xiaobei snorted and said, " "Once Jiang Shaodian is dead, his things will become ownerless! I killed the demon from the demonic sect to get that bracelet, what right do you have to ask me to take it out?"

also, Ishizaki kungfeng and Ishizaki Chisa are spies from the demonic sect. If we don't kill them, are we going to keep them for the new year? "

what's more, the person who killed them was the poison priest of the demonic sect. What does it have to do with me? " Chen Xiaobei said coldly. Even if you want to pay with your life, it won't be my turn!"

you ... Jiang Zhaoyan's face turned red. He was obviously reluctant to part with the Blue Dragon Mountain breaking saber and the many resources. "The thing in the bracelet is extremely important to the Jiang family! No matter what, you must take it out!"

Ishizaki kungfeng was even more shameless, and he angrily shouted, "As the head of the family, I'll naturally investigate whether my ishiqi family's descendants are spies or not! They were spies, so naturally, they should be killed! However, the matter has not been investigated yet, so I have reason to suspect that they have been wrongly accused!"

"I've realized that you two old things are very strange!"

"Jiang Shaodian, the descendant of the Jiang family, was beheaded by ishiqi kungfeng, the descendant of the ishiqi family!" Then, Ishizaki kunge stomped on his head and crushed it! In the end, he died without an intact corpse!"

As soon as these words came out, the surrounding people's expressions changed one after another, and the voices of private discussion rose one after another.

I didn't expect that ishiqi Gale would be so vicious. He didn't even leave an intact corpse for Jiang Shaodian ...

"Not only was he beheaded, but he also stepped on his head ... It's scary just thinking about it ..."

"Yeah ... It's too ruthless! How deep was the hatred? How much resentment? That's why he's so vicious ..."

In the midst of the crowd's discussion, Chen Xiaobei said loudly, " "Good question, little brother! How much hatred? How much resentment? That's why ishiqi was so furious and attacked Jiang Shaodian so viciously?"

Jiang Zhaoyan and Shiqi Tianhong's expressions changed. They felt as if they had been tricked by Chen Xiaobei.

Chen Xiaobei raised his eyebrows and continued, " I would also like to ask, there's such a huge grudge between the Jiang family and the Shiqi family, yet they didn't care about each other. Instead, they joined forces to bite me. Don't you think it's strange? "

As soon as he said that, the surrounding people began to discuss in low voices again.

young master Chen is right ... After that incident, there was no conflict between first elder and fourth elder ...

it's indeed strange ... With great elder Jiang's temper, it's impossible for him to be at peace with fourth elder Shi Qi!

"There must be a special reason behind this! Otherwise, first elder Jiang and fourth elder Shi Qi would not have let go of their deep hatred and joined forces to target young master Chen, who was not in the wrong!"

The crowd's eyes were sharp. Chen Xiaobei had pointed out the key point of the matter, and they naturally found something suspicious!

"You little brat! "Don't ... Don't talk nonsense ..." Jiang Zhaoyan's expression was very unnatural, and he said, " "I'll settle the score with you first, and then I'll naturally find the ishigashi family to settle the score!"

Tenhon Ishizaki's eyes flickered, and he felt very guilty: "You little brat! Don't try to change the topic! The great elder and I will fight against the outsiders first! We'll settle our internal conflicts later!"

"Ha, that's a nice way of saying it!"

Chen Xiaobei's eyes narrowed and he said, " " anyone with eyes can see that not only am I not at fault in this matter, but I have also helped heaven dominating faction!

"However, not only are you not grateful to me, but you're also acting like mad Dogs, unable to tell right from wrong! There was no right or wrong! They didn't even care about the great enmity between them! You just want to bite me to death!"

under the watchful eyes of so many people, your actions can be said to be strenuous and unrewarding. It might even cause your image in the disciples 'hearts to plummet!

I believe that the core elders of heaven dominating faction are all very smart! Chen Xiaobei said. I believe that they are all very smart! There must be some unspeakable reason behind your idiotic behavior!"

you ... You're talking nonsense ... Jiang Zhaoyan and Shiqi Tianhong shouted anxiously at the same time, as if their tails had been stepped on.

"Whether it's nonsense or not, you don't have the final say! Even the Grand Elder doesn't have the final say!" Chen Xiaobei raised his eyebrows and said, " "Justice is in the hearts of the people, right and wrong, everyone will judge!"

All of the heaven dominating faction disciples 'expressions changed. Although they did not dare to say anything, their eyes showed that they all agreed with Chen Xiaobei.

"What a sharp-tongued little thief! He actually dared to bewitch people's hearts! I can't let you Live!" Jiang Zhaoyan roared and was about to kill Chen Xiaobei.

"Stop."

At this moment, the Taishang elder, who had been silent all this time, finally expressed his attitude. "Young master Chen is right, justice is in the heart! If you lose justice, you will lose the hearts of the people!"

"Grand Elder ... We can't let this kid Live!" Jiang Zhaoyan's face was full of anxiety.

"I can!"

The Grand Elder said with a smile that was not a smile, prepare an independent courtyard for young master Chen immediately. Send two clever female disciples over and serve young master Chen as a distinguished guest. They must not be neglected!

this ... How can this be ... Ishizaki tenhon's eyes were about to pop out.

"If this Lord says it's possible, then it's possible!" The Grand elder's tone was deep and firm, leaving no room for doubt.

"Yes ... We'll make the arrangements!" Jiang Zhaoyan and Shiqi Tianhong immediately cupped their hands and accepted the order, not daring to speak any nonsense.

"Young master Chen!"

The Grand Elder smiled and asked, " "Do you think that this Lord's way of handling things is fair to you?"

Chen Xiaobei did not answer immediately. He looked around and saw menglu, Xia Longxiang, and the others nodding their heads excitedly. The other disciples around them were also smiling happily.

It was obvious that everyone was satisfied with the Grand elder's decision.

"Fair!" Chen Xiaobei nodded and smiled.

As the saying goes, those who win the hearts of the people win the World!

Even the Grand Elder of heaven dominating faction had to care about the people!

The Supreme elder did not stop Jiang Zhaoyan and tenhon Ishizaki from the start because he wanted Chen Xiaobei dead.

but if they killed their benefactor without distinguishing right from wrong, then heaven dominating sect would lose the hearts of the people!

Moreover, Chen Xiaobei had already pointed out the suspicious point of this matter!

If he killed Chen Xiaobei without a valid reason, not only would he lose the People's support, but they would also investigate the matter!

This was the situation that the Grand Elder was most worried about and did not want to see the most!

That was why the Grand Elder had to comfort Chen Xiaobei and find another chance to kill him without damaging the People's heart!

"Since young master Chen agrees with this Lord's decision, you should give this Lord some face and stay here so that this Lord can treat you well! Reward!"

The Supreme elder put emphasis on the last four words with a smile on his face, clearly trying to make Chen Xiaobei stay.

Chen Xiaobei pretended to be confused and said greedily, " beauty, food, and wine. As long as you have these three things, I'll stay!

"There are! You have everything you need!" The corners of the Grand elder's mouth rose, but there was a dagger hidden in his smile.

Chapter 1946: A Big Shot's Scheme (1)

In the base's VIP courtyard.

Just like the villas on earth, it was built in the quietest and safest corner of the base.

The exterior of the house was exquisite, and the interior was luxuriously decorated. Even in a dead land like devil earth, fresh flowers and green grass were planted with special floor heating and water supply devices.

The two female disciples who were sent to serve Chen Xiaobei were both very beautiful! There was also a lot of good wine and food.

From the perspective of others, the Grand Elder of heaven dominating faction had indeed treated Chen Xiaobei as a guest of honor and was grateful to Chen Xiaobei for his actions in breaking the demonic sect's plot.

However ...

While Chen Xiaobei was staying in the courtyard, the three leaders of the base entered the secret meeting room.

"Martial uncle Nangong ..."

Jiang Zhaoyan's brows furrowed and he said anxiously, "The higher-ups have ordered us to get rid of Chen Zhufeng! I'm already prepared to kill them, why did you stop me?"

that's right ... Ishizaki Tianhong's face was also filled with worry. the order from the top is very strong. If we don't get rid of sect leader Chen, there may be a huge change in our plan!

"Of the two of you, one is the Azure Dragon Imperial city's Lord! One is the head of the ishiqi family!"

Nangong Kurong narrowed his eyes and said in a deep voice, you are in charge of hundreds of millions of people. Don't you understand the importance of the People's hearts? "

"Furthermore, the higher-ups want believers! It was incense! It's fate!"

what if I ask you to kill Chen Xiaobei like what you did just now? " Nangong Kurong said. you can't tell right from wrong and return kindness with enmity! The result will definitely chill the hearts of the people!"

"By then, the number of believers will be reduced, and it will be difficult to absorb new believers in the future! Even if we kill Chen Zhufeng, it's not worth it for the higher-ups!"

As soon as he said that, Jiang Zhaoyan and Shiqi Tianhong both frowned, their faces full of confusion.

uncle-master, are you saying that we should not kill Chen Zhufeng? "

this kid can cure the demon spirit heart-burning poison, " Jiang Zhaoyan said in a deep voice. if we let him live, it will be endless trouble for the higher-ups!

"Other than being able to detoxify poison, this brat also has a deep foundation!" He actually managed to counter the heavenly Wind Tiger taming formation by himself. Letting him live is equivalent to raising a Tiger!"

"I'm very clear about what you've just said! Chen Zhufeng can't be left alive!" of course not! Nangong Kurong said indifferently, " but you have to think of a better way to get rid of Chen Zhufeng! Let everyone be convinced!"

it's easy to kill Chen Zhufeng, but it's difficult to convince everyone ... both Ishizaki Tianhong and Jiang Zhaoyan were stunned, their faces filled with embarrassment.

Nangong Kurong waved his hand impatiently and said, " you can leave now. If you can't even handle such a small matter, your futures will end here!

this ... Jiang Zhaoyan and Shiqi Tianhong gasped and quickly bowed, promising, " "Martial uncle, don't worry. We'll immediately go and plan! I'll definitely handle this matter beautifully!"

After saying that, the two of them retreated.

At this moment, they were indeed in a difficult position.

However, they were all existences at the top of the Green Dragon continent's pyramid. They had long lived to become human elites, stratagems, wisdom, conspiracies, and intrigues. There was nothing they weren't proficient in!

It was not an unsolvable problem for them to plot to kill a young boy.

.....

In the guest courtyard.

two little Sisters, it's quite tiring to stand at the door. Come and sit down, let's have some snacks together!

Chen Xiaobei was sitting on the soft sofa with his legs crossed and a cynical smile on his face.

" young master Chen, you are too polite. You are an honored guest and we are just normal disciples of heaven dominating faction. We are not qualified to sit on the same level as you!

The two women were very respectful to Chen Xiaobei, and there was even a hint of fear in their eyes.

Obviously, they did not know what the three magnates were really thinking. They only knew that Chen Xiaobei was a distinguished guest who was highly valued by the Supreme elder and they could not afford to be rude to him.

"Come over and sit! It's true that I'm a distinguished guest, but we're the same age, so I'm not that old-fashioned. I'm actually feeling uneasy if you keep standing!"

Chen Xiaobei raised his eyebrows and smiled."Why don't I hold some desserts and stand with you?"

"Don't! Don't! You're a distinguished guest, how can you serve us? We'll come over now!" The two girls quickly ran over and sat beside Chen Xiaobei.

I'm Chen Zhufeng. What about you guys? " Chen Xiaobei asked with a smile.

The two girls were initially in awe of Chen Xiaobei, but now they saw that he was handsome and easy-going.

"I'm Fang Yuan, I'm Lin Wei,"

The two women relaxed a little and introduced themselves.

"You two little Sisters are a few years older than me, so just treat me as your little brother, don't be restrained! Come! Eat more snacks! It's delicious!" Chen Xiaobei was smiling like a spring breeze.

.....

Fang Yuan and Lin Wei were cautious at first, not daring to open their hearts to Chen Xiaobei.

But as time went by, they realized that Chen Xiaobei was very sincere and easy to get along with. They could even make friends with him.

"Young master Chen, why did you come to the devil earth this time?" Fang Yuan asked with concern.

I'm going to the demonic remains.

since we're on this topic, I would like to ask the two of you, do you know where the demonic remains are? " Chen Xiaobei said.

"Is this young master Chen's first time in the devil earth? The demonic remains are right in front of us!"

"After we leave the base, head west for another 10000 miles, and you'll reach the border of the demonic remains!" Lin Wei said.

Oh? " Chen Xiaobei asked, " then, do you two ladies know where the core of the demonic remains is? "

Fang Yuan furrowed her brows, amused."Young master Chen, you really know how to joke! The demonic remains was a huge underground world! The area was comparable to ten planets! So far, no one has been able to find the core!"

"Underground world? An area comparable to ten planets?" Chen Xiaobei was shocked. He had thought that he could find a way to find the core of the ruins, but it seemed like he was looking for a needle in a haystack!

Childe Chen, for thousands of years, countless forces have set foot on the devil's Land, built bases one after another, and sent a steady stream of Warriors. But until today, no one knows where the core of The Omen Ridge is!

you want to find the core the first time you set foot on devil earth ... Lin Wei laughed. I can only say, wake up, stop dreaming!

of course not! Chen Xiaobei shrugged and smiled. I still have to have dreams. What if they come true?
"

"Well said!"

At this moment, a charming woman's voice came from the door.

Chen Xiaobei looked at her and laughed, " "What good day is it today? Another big sister is here to accompany me?"

He saw a beauty in a red dress walking in.

Her appearance, figure, and temperament far surpassed Fang Yuan and Lin Wei in all aspects.

[Red Envelope Group of the Three Realms](#)

Chapter 1947: Sinister Scheme (2)

The woman in front of the door had a pretty face, long curly hair, a hot figure, and a red dress that fluttered in the wind, giving people a feeling of a myriad of amorous feelings.

In the eyes of ordinary people, she could already be considered a top beauty.

But in Chen Xiaobei's eyes, this woman was only better than a high-quality woman. She was not even close to a top-quality woman.

The main point was that this woman exuded a pampered and spoiled aura. When she spoke, she raised her chin and looked at people. Her tone was also very frivolous, and she felt that she was superior to others!

From the fact that she didn't knock on the door when she entered, it could be seen that she was a very self-righteous woman.

He thought that he would be welcomed wherever he went, so he naturally didn't need to knock on the door.

"This is?"

what's wrong? " Chen Xiaobei asked, his smile gone.

"This is Senior Sister Yun Ziru," Fang Yuan quickly introduced. She was the eighth young mistress of the Yun clan of the Azure Dragon! he was also a core disciple of heaven dominating faction! He's also a Jiang ..."

"Shut up!"

Yun Ziru was extremely arrogant and shouted angrily, " "Nosy cheap servant! It's not your place to speak!"

yes ... Fang Yuan's face was filled with fear, and she shut her mouth tightly.

Lin Wei, who was at the side, naturally didn't dare to speak.

After all, Fang Yuan and Lin Wei were just ordinary disciples of heaven dominating faction. Although their family backgrounds were not bad, they were far from being comparable to the top rich family in the Azure Dragon continent, the Yun family!

Her cultivation, status, and background were all far inferior to Yun Ziru's, so Fang Yuan and Lin Wei could only swallow their anger.

"Two lowly servants! Young master Chen was a distinguished guest! How dare you all sit beside young master Chen!"

Yun Ziru continued to roar, " you're insubordination! You're disregarding the sect rules! The two of you, go to the torture chamber and receive a hundred lashes!"

Senior Sister, please spare me ... Please spare me ... Fang Yuan and Lin Wei immediately stood up from the sofa, their faces pale with fear.

One hundred lashes did not sound like much.

However, the executioner's cultivation base was extremely high, and the executioner was holding the red flame iron whip, but the executioner was not allowed to use his protective Zhen Yuan!

Even a man with a strong physical body would be bedridden after a hundred whips!

If Fang Yuan and Lin Wei were whipped a hundred times, they might even lose their lives!

From this, it could be seen that this Yun Ziru was not only arrogant and domineering, but also cruel and ruthless!

"What's wrong? Do you dare to disobey my orders?" Yun Ziru's face turned cold, revealing a ruthless pressure.

Fang Yuan and Lin Wei were so frightened that they were trembling all over. Cold sweat poured down like rain, pouring down non-stop!

"Miss Yun!"

Chen Xiaobei stood up and said, "First of all, I was the one who asked these two young ladies to sit down and chat with me! Secondly, I didn't invite you in, so I'll have to trouble you to leave the courtyard immediately!"

"What!" Yun Ziru was stunned and said in surprise, "I can't believe my ears! Child Chen, are you asking me to leave?"

hehe, since you know that you're asking me to leave, then go out quickly. Don't disturb me from chatting with the young ladies. Chen Xiaobei shrugged.

Fang Yuan and Lin Wei were dumbfounded when they saw the scene before them.

He did not expect Chen Xiaobei to go against Yun Ziru, and he did not even give Yun Ziru any face. He was too arrogant!

"What? I'm obstructing you?"

Yun Ziru's eyes widened in anger, and he almost fainted on the spot. I, Yun Ziru, am extremely beautiful, have a noble background, and have an extremely high status. These two lowly servants are like dust and ants in front of me. How dare you say that I'm obstructing you? "

"Ha, you're really self-righteous!"

Chen Xiaobei said, "In my eyes, your looks, background, and status can only be considered average! Especially her looks, her face is full of ordinary powder, her body is covered in gold, silver and jade, and she is trying to pretend to be charming, so vulgar!"

you ... You, you, you ... Yun Ziru heard this and almost spat blood on the ceiling.

Fang Yuan and Lin Wei were even more dumbfounded.

It must be known that Yun Ziru had always been self-righteous, and coupled with his good condition, he was treated like a star wherever he went and was surrounded by praises.

But in Chen Xiaobei's eyes, Yun Ziru was worthless!

miss Yun, I'm eating some desserts. You're affecting my appetite by standing here. Please leave! Chen Xiaobei said impatiently.

"Affect your appetite? Do I make you feel disgusted?"

Yun Ziru's face turned very ugly, alternating between red and green. "Chen Zhufeng, you're definitely the first person who dares to say that about me! Have you thought of the consequences?"

"You're so long-winded!"

Chen Xiaobei picked up a plate of snacks and said, " "Little Sisters, let's go to the back garden! We can't afford to offend them, but we can hide!"

"Chen Zhufeng! Stop right there!"

Yun Ziru was so embarrassed that she rushed over and grabbed Chen Xiaobei's collar, refusing to let go.

Chen Xiaobei frowned and said, " "Are you people from heaven dominating faction all Mad Dogs? You just won't let go easily?"

"Hmph! I'm giving you face, but you don't want it!" hehe, " Yun Ziru sneered. next, I'll make you pay the price!

"You want to fight?" Chen Xiaobei said, " don't forget, Jiang Zhaoyan and Shiqi Tianhong don't dare to touch me. If you hurt me, you'll be buried with me!

hehehe ... Yun Ziru laughed sinisterly. She grabbed Chen Xiaobei with one hand and tore her own collar with the other. She even tore a few holes in her red dress!

Chen Xiaobei was stunned. "You really are a Mad Dog? Biting me isn't enough, so you're biting yourself?"

molestation ... Help ... Chen Zhufeng molested me ... Help ...

Who would've thought that Yun Ziru would scream hysterically with vital essence in his voice? perhaps everyone in the base could hear it.

"This is bad!" Chen Xiaobei's heart clenched. He could feel the severity of the situation.

"Bang!"

At this moment, the door of the courtyard was kicked open.

Jiang Heqing led a few dozen men and surrounded the entire courtyard.

"Ziru! Ru 'er ..."

Jiang Heqing rushed in, grabbed Yun Ziru, and protected him in his arms.

wuwuwu ... Brother he Qing, help ... Chen Zhufeng molested me ... Help ... Yun Ziru pretended to cry, trying to make himself look pitiful.

young master Chen ... You're in big trouble ... Fang Yuan said in a low voice, " Senior Sister Yun Ziru is senior brother Jiang Heqing's fiancée!

"Fiancée?"

Chen Xiaobei saw through everything. "Ha, in order to scheme against me, you guys really put in a lot of effort!"

"Chen Zhufeng! You molested my fiancé! I, Jiang Heqing, will not rest until you die!" Jiang Heqing channeled his ethereal force and roared. Everyone in the base heard his voice.

"Good plan! I can't even explain it now!" Chen Xiaobei shrugged. just say it. One-on-one? Or a team battle?"

Red Envelope Group of the Three Realms

Chapter 1948: Arrest In The Torture Chamber (3)

"Heh, you brat, you're on the verge of death and you still dare to act tough!"

Jiang Heqing sneered and said in disdain, "You're just an ant-like piece of trash. I, Jiang Heqing, am more than enough to take care of you! Is there still a need for a team battle?"

Chen Xiaobei shrugged and said, "Alright, then let's find a spacious place and I'll fight you one-on-one!"

"Hehe, there's no need to find the place!"

there's a life or death Ring in the base. If you have the guts, I wonder if you dare to go up the stage with me! Jiang Heqing grinned.

"Why wouldn't I?" Chen Xiaobei shrugged. He looked like nothing had happened, but he was a little worried.

One must know that all magical weapons were not allowed to be used in the life and death Ring!

The point was that, unless one party was beaten to death, or the winner was willing to spare the loser's life, the restriction on the life and death arena would not be lifted. The battle would not stop until one party was killed!

Jiang Heqing was a four-fire god-cultivating stage cultivator with a combat power of 3000000!

Without using his trump card, Chen Xiaobei could not possibly defeat Jiang Heqing!

Of course, even though Chen Xiaobei knew that he could not defeat Jiang Heqing, he could not show any signs of nervousness or fear on his face.

Otherwise, the enemy would be able to see through Chen Xiaobei's true strength, and their last fear of Chen Xiaobei would be gone!

Seeing Chen Xiaobei agree so readily, Jiang Heqing started to back out and said, "You have the guts to go up the stage, but you may not be qualified to go up!"

"What do you mean?" Chen Xiaobei frowned.

"Because you molested my fiancée!" He said.

"hehe! Jiang Heqing grinned. according to the rules of our heaven dominating faction, you will be whipped 300 times as punishment for the crimes you have committed. If you are still alive by then, it will not be too late for us to enter the life and death arena!

Obviously, Jiang Heqing was not sure of Chen Xiaobei's strength and was not confident that he could win.

Therefore, Jiang Heqing charged Chen Xiaobei with the crime and whipped him 300 times. After that, Chen Xiaobei might not even be able to live.

This was the safest way to get rid of Chen Xiaobei!

heh, it's not that I'm trying to be pretentious, but I'm bored with such a plain woman who carries my shoes!

"Fang Yuan and Lin Wei were watching! Half a minute ago, I told Yun Ziru to get out of the yard!" Chen Xiaobei said. I molested her? What a joke!"

"Fang Yuan? Lin Wei?"

Jiang Heqing glanced over and said coldly, "If I remember correctly, Fang Yuan is from the Fang family of Yu Feng mountain in the Azure Dragon Southern domain! Lin Wei is from the Lin family of the purple pine forest in the Western Region of Green Dragon!"

he ... Senior brother he Qing, you didn't remember wrongly ... Fang Yuan and Lin Wei's faces turned pale as they swallowed their saliva.

it's good that you didn't remember wrongly. I'd like to pay you a visit another day! Jiang Heqing said with a deeper meaning.

senior brother ... Our family is of low status. We're not worthy of you visiting us ... Fang Yuan and Lin Wei both knew that Jiang Heqing was threatening them, a blatant threat!

Jiang Heqing was the Prince of the Azure Dragon Imperial City. It would be as easy as killing two ants for him to annihilate two second-and third-rate families.

At the thought of this, Fang Yuan and Lin Wei's hearts clenched. Cold sweat poured down like raindrops, and they could not stop!

"Let's put aside the matter of the visit for now and get back to the main topic!"

Jiang Heqing's eyes narrowed and he sneered. "You two, what did you hear and see just now, you can tell me the truth! Don't be afraid! Senior brother is very fair! As long as you speak the truth, senior brother will definitely deal with this matter fairly!"

"We ... We didn't see anything! "I didn't hear anything ..." Fang Yuan and Lin Wei looked at Chen Xiaobei with guilt.

Of course, Chen Xiaobei knew that they did not have a choice, so he did not blame them.

"Chen, did you hear that? Fang Yuan and Lin Wei didn't hear anything!"

just you wait! The elder of the punishment Hall will be here soon. You won't be able to escape the 300 lashes! Jiang Heqing grinned.

"Fang Yuan and Lin Wei didn't hear it, but Yun Ziru did!" I just told Yun Ziru to get out of here because I felt nauseated when I saw her. It's affecting my appetite! Chen Xiaobei said.

"You little brat! I dare you to say that again! I'll tear your mouth apart!" Yun Ziru shrieked in anger as if his tail had been guessed.

"The one surnamed Chen! You're going too far!" "Why isn't the elder of the disciplinary Hall here yet?!" Jiang Heqing bellowed. Men! Hurry up and get the elder of the punishment Hall to come and arrest him!"

"I think it's better if you don't rush me." Chen Xiaobei shrugged.

"What's wrong? Are you scared?"

"Even if you're afraid!" Jiang Heqing laughed hideously. Even if you kneel down and beg me! It won't change the crime you've committed! You're destined to die today!"

"No, no, no, you've misunderstood!"

I'm doing this for your own good! Chen Xiaobei laughed. you and Yun Ziru will regret it if the elder of the torture chamber comes!

"We'll regret it? You must have been scared silly!"

Yun Ziru sneered and said, 'the elders of the punishment Hall will definitely come to catch you! 300 whips would not be less! I'm going to personally whip you ten times. I can guarantee that you'll die! Hehehe ..."

"They're coming! Senior brother he Qing! The elder of the punishment Hall is here!" At this moment, a shout came from outside the door.

Soon, a middle-aged man with a face as black as iron and as strong as a bull strode in and stood in front of the crowd like an iron tower.

This person had a straight face and dark skin! His gaze was like a torch, and his aura was cold!

Chen Xiaobei could not help but think of the strict and impartial black-faced Bao Gong on earth.

If such a man were to become an elder of the punishment Hall, he would definitely enforce the law fairly! Strictly abiding by the rules! He would definitely not bend the law for personal gains! Colluding with others!

If he were to capture Chen Xiaobei and punish him, heaven dominating faction would be convinced!

"Greetings, elder Hanshan ... Greetings, elder Hanshan ... Greetings ..."

Jiang Heqing, Yun Ziru, Fang Yuan, and Lin Wei immediately bowed and saluted. Their tone was filled with respect and they did not dare to show any neglect.

Yuchi Hanshan glared at Chen Xiaobei and said, " "You brat, you're quite bold!"

"Elder Hanshan is too kind."

Chen Xiaobei shrugged and said, " "You don't need any courage to do this kind of thing!"

"You flatter me?"

Yun Ziru cursed angrily, "you stinky brat!" Don't you have any shame? Is elder Hanshan complimenting you?"

"This kid is really too pretentious! No one would dare to be disrespectful to my fiancée, even if they had the guts of a bear!"

"This brat has already molested my fiancée, yet he's still trying to act cool after getting the advantage!" Jiang Heqing bellowed. Elder Hanshan! Where were the disciplinary Hall's disciples? Quickly arrest them and execute them!"

"Yes, we should indeed quickly arrest him!"

Yuchi Hanshan nodded and said, "men!" Arrest Jiang Heqing and Yun Ziru as well and bring them to the torture chamber for trial! Execution!"

[Red Envelope Group of the Three Realms](#)

Chapter 1949: Society, Your Big Bro Bei (4)

"What?"

Jiang Heqing and Yun Ziru were instantly dumbfounded. "Elder Hanshan ... You ... You're joking with us, right?"

"I never joke!" Yuchi Hanshan's face was as cold as steel, like an emotionless Iron Man.

"Woof! Buzzzzzz! Yi ..."

As soon as he finished speaking, four disciples of the torture chamber rushed in and grabbed Jiang Heqing and Yun Ziru.

"What are you guys doing? I'm Jiang Heqing! You dare to capture me! Was he not afraid of death? Let me go ... Let me go ..."

Jiang Heqing was infuriated and struggled with all his might.

However, the disciples of the torture chamber were specially selected to carry out complicated law enforcement!

Their cultivations had already reached the level of ordinary elders. Jiang Heqing could not break free from them!

The main point was that they would listen to Yuchi Hanshan's every word!

even if Yuchi Hanshan ordered the punishment Hall disciples to capture the heaven dominating faction leader, they wouldn't even bat an eye!

"Jiang Heqing!"

"If you continue to struggle!" Yuchi Hanshan said coldly. This Lord will view you as an arrest by force! His crime is three times more severe!"

this ... Jiang Heqing was dumbfounded. He did not dare to struggle anymore.

One had to know that Yuchi Hanshan was famous for being impartial and incorruptible, and the sect's rules were more important than the heavens!

If anyone dared to break the rules, Yuchi Hanshan would deal with them fairly.

He would not care about any feelings, nor would he care about the identity and status of the criminal!

Because of this, Yuchi Hanshan was the most respected core elder in the entire heaven dominating faction!

The disciples were afraid of his coldness, but they respected his justice!

Originally, Jiang Zhaoyan and Shiqi Tianhong had planned to let Yun Ziru frame Chen Xiaobei for molesting him, and then use Yuchi Hanshan to get rid of Chen Xiaobei!

this way, all of heaven dominating sect's disciples would be convinced.

However, they did not expect that Yuchi Hanshan would not only not arrest Chen Xiaobei, but also Jiang Heqing and Yun Ziru!

"What ... What is going on?"

Jiang Heqing's face contorted in anger, as if he had just eaten a pile of hot sh * t.

Yun Ziru bit her lips and begged in a low voice, " elder ... Elder Hanshan ... We do not dare to arrest ... But we would like to know, why did you arrest me and Minister he? "

"Yeah ... Why did they catch us? Even if the punishment Hall wants to arrest someone, they should have a reason, right?" Jiang Heqing was so depressed that he wanted to vomit blood. If he didn't get an answer, he would be depressed to death.

Even Fang Yuan and Lin Wei perked up their ears at the same time. They wanted to know what had happened to turn the situation around in an instant.

Yuchi Hanshan shook his head. this is new stuff. I can't explain it. Let young master Chen explain!

"Something new? What's that?"

All of a sudden, everyone's eyes were on Chen.

"We'll see!"

Chen Xiaobei pointed at the cabinet in the living room.

There was a cell phone on the cabinet.

The phone was leaning against the vase, the body upright, the camera on the back facing the crowd, and the screen facing away from the crowd.

If Chen did not point it out, no one would have noticed the tiny phone.

"Isn't that just a cell phone? Is there anything new?" Jiang Heqing asked impatiently.

"You'll know soon enough!"

Chen Xiaobei walked over, picked up his phone, and turned on the front camera.

Then, Chen Xiaobei turned the screen over for everyone to see.

The screen was playing the scene in the living room.

What was interesting was that on the screen, lines of text were popping up simultaneously!

Xuanji yunziru was really shameless! She was the one who tore her own dress, and now she's framing our handsome streamer! I'm also a woman, but I feel ashamed for her!

Jiang Heqing was even more despicable! He didn't dare to go on the life and death Ring with our streamer, but he used his fiancée to frame the streamer. What kind of man are you?

Our streamer is so smart, she's broadcasting the enemy's conspiracy Live! That's really 66666!

Yingying's actions were really amazing! He deserved a reward! I'll reward you with ten flying devices!

I'll reward you with an 'earth-god instrument'! Brother streamer! Mua Mua!

.....

On the screen of the mobile phone, in addition to the lines of enthusiastic comments, there was also a continuous stream of gifts!

At the same time, many people were asking.

Streamer Qinqin! What's your stage name? The live broadcast has been going on for so long, but you haven't introduced yourself yet!

Yingluo, yes! Even the name of the livestream room remained the same!

Yingluo, now that the enemy has been taken down, you can start introducing yourself!

.....

On the screen, many people were asking similar questions, clearly interested in Chen Xiaobei.

"My brothers!"

Chen grinned at the camera and said, " I'm the new streamer on 'old Wang streaming platform'. My name is ' society, you bro bei'. Everyone, please follow me. I'll be bringing you the most exciting streams in the future!

As soon as he said that, the number of fans of the streamer immediately began to soar.

"Live streaming platform? A host?"

At the sight of this, Jiang Heqing and Yun Ziru were dumbfounded. Cold sweat poured down their bodies like raindrops!

so ... Young master Chen had placed his phone on the cabinet from the start ... Everything that happened just now was already broadcasted live ...

Fang Yuan and Lin Wei swallowed their saliva. They had already roughly guessed it.

"Well said!"

of course! Chen Xiaobei grinned. old Wang's livestream platform has been in operation for quite some time now. The signal is very stable, and it has a wide coverage!

"When I entered this courtyard, the live broadcast had already started! From me eating desserts with Fang Yuan and Lin Wei, to Yun Ziru tearing off her clothes and framing her, to Jiang Heqing's interrogation, the entire process was broadcast live!"

"At this moment, the heaven dominating sect disciples are watching! heaven dominating sect's elder was watching! Millions of people in apocalypse Starfield are watching it at the same time!"

"It's very obvious that elder Hanshan saw the live broadcast, which is why he's apprehending the real criminal in a fair and just manner!"

Everyone finally understood what had happened.

"The one surnamed Chen! You're too sinister!" Jiang Heqing roared hysterically.

"The one surnamed Chen! You're even more cunning than a Fox! You're too despicable!" Yun Ziru also gritted his teeth and cursed.

" ah, today, I just arrived at heaven dominating faction's base and I felt the threat of death!

"I'm doing this livestream to protect myself!" Chen Xiaobei said with a smile. The truly sinister and despicable person is the one who schemed against me behind my back! If you guys didn't scheme against me, how would you have fallen into my livestream trap?

this ... Jiang Heqing and Yun Ziru were instantly speechless.

Chen Xiaobei ignored them and turned to the camera. "My brothers! Do you want to see the punishment Hall of heaven dominating sect?"

Of course Yingying wanted to! the punishment Hall of heaven covering sect was something that normal people wouldn't be able to see in their entire lives! Please do a live broadcast!

A kind-hearted streamer! Hurry up and broadcast the trial of heaven dominating faction! We're really looking forward to it!

Chapter 1950: Super Streamer (5)

"Pa!"

In the Grand elder's yard, Nangong kuirong smashed a phone on the ground.

The phone instantly shattered, and a pit was formed on the hard floor.

It was obvious how furious Nangong Kurong was.

uncle-master, please calm down ... We ... We didn't expect such a situation to happen either ... That little fox with the surname Chen is too cunning ... She's actually doing a live broadcast ...

Jiang Zhaoyan and tenhon Shiqi lowered their heads and bowed. Their tone was nervous and they kept swallowing their saliva.

"Two pieces of trash! Even with our combined efforts, we still can't kill a little brat!"

" no! Nangong Kurong said angrily, " I told you to plot in secret so that everyone will be convinced. We will make our disciples and believers believe that heaven dominating sect is not wrong!

"Good for you, coming up with such an extremely stupid idea! he had broadcasted the dirtiest and ugliest side of heaven dominating faction! What would the disciples think? What do the believers think?"

"Don't blame me for not warning you, the higher-ups are extremely interested in the number of believers! If a large number of believers are lost, the two of you will be thrown into the 'pit of ten thousand demons' and become food for the Yimo!"

"Plop! Plop!"

As soon as he said that, Jiang Zhaoyan and Shiqi Tianhong knelt on the ground at the same time, their faces full of fear.

Who dared to think about it?

The leaders of the two top forces fell to the ground and kowtowed desperately while trembling because of Nangong Kurong's words.

"Martial uncle! I'm going to stop Chen Zhufeng's stream! Even if I don't want this old face, I will kill him by force! We can't let him continue the live broadcast!"

Amazumi Ishizaki stood up, ready to take action.

"Pa!!!"

Nangong Kurong did not say a word and gave him a big slap on the face.

"Owuuu! Pfft ..."

Ishizaki Tianhong was whipped to the ground, as he spat out a mouthful of blood. He asked in shock: "Uncle-master ... Why did you hit me?"

"You're really so stupid that you're incurable!"

"The whole world already knows about the scandal!" Nangong kuirong cursed. If you kill Chen Zhufeng now, the world will say that heaven dominating sect can't tell right from wrong! Bending the law for personal gain! Killing innocents! Heaven dominating faction's rules are like farts!"

"At that time, our heaven dominating sect's reputation and prestige will be gone. It will make the believers doubt their own beliefs and give up on them!"

losing believers is the most intolerable result for the higher-ups! Nangong kuirong enunciated each word clearly, and his words were as sharp as knives. No one was allowed to question him!

"Yes ... I understand ..."

Amazumi Ishizaki nodded and said awkwardly, if we don't stop him ... Are we just going to let Chen Zhufeng continue his stream? "

"That's right! We have to let Chen Zhufeng continue his stream!"

Nangong kuirong said,"the only correct decision you made today was to let Yuchi Hanshan take action!" with this iron face elder here, the world would be able to see the righteous side of heaven dominating sect! If we continue to broadcast, at least we can earn a good reputation!"

Jiang Zhaoyan suddenly became nervous. "Martial uncle ... If we let Yuchi Hanshan try, what about Minister he? You've watched him grow up!"

"You're the one who got Jiang Heqing involved!" Nangong kuirong said coldly. Now that the plan has failed, you're sending him to his death! You're asking me what to do? Who am I supposed to ask?"

"Martial uncle! Please show me the way ..."

Jiang Zhaoyan's expression stiffened and he said, " "Minister he is a genius descendant of our Green Dragon Jiang clan! He's also a heaven's chosen who is ranked thirty-third on the minor heavenly fate ranking!"

"In the near future, Minister he's achievements will definitely be above mine! Even if he's an earth level deity, he still has a chance to break through ... We can't let him die young ..."

"You think I want him to die?"

Nangong Kurong frowned and said,"apocalypse Starfield, a trillion young men!" He Qing was ranked 33rd! He was definitely a top genius that only appeared once in ten thousand years! Given time, his achievements will even surpass mine!"

"Yeah! Martial uncle is right!"

Jiang Zhaoyan begged, " martial uncle, please think of a way to spare Minister he's life. I'll definitely make him work for the higher-ups in the future! Force of death!

"I can't think of a way! We can't think of such a method!"

Nangong Kurong sighed. although Minister he is an excellent material, it's a pity that his mistakes are known to the world. If we don't give him a fair trial! The higher-ups will be furious and your entire Jiang family will be exterminated!"

this ... Jiang Zhaoyan's entire face was twisted. His heart felt as if it had been struck by lightning, and he actually spat out a mouthful of blood.

alright ... You can leave now ... Nangong Kurong sighed."Adjust your mood and prepare for Minister he's funeral ..."

pffft ... Jiang Zhaoyan was extremely depressed and spat out blood again.

"Don't be too sad ..."

"After all, the top ten of the minor heavenly fate ranking are led by the three heroes of the Jiang family!" Nangong kuirong said in a deep voice. The loss of Jiang Heqing, who is ranked 33rd, is not enough to shake the foundation of the Jiang family!"

"I understand ..."

Jiang Zhaoyan nodded weakly and said through gritted teeth, "Chen Zhufeng! You're lucky today! However, you won't be able to escape death!"

.....

The punishment Hall!

the whole thing has been broadcast live. The video is the physical evidence, and the audience is the witness!

Yuchi Hanshan stood on the stage and coldly said, "The witnesses and evidence are all here, there's no room for argument!"

the trial process is meaningless. I hereby announce that the criminal's crimes are as follows!

Yun Ziru, you're shameless. You've disgraced the sect's reputation. You'll be punished with a hundred whips!

"Yun Ziru, you didn't respect the Grand elder's dharmic decree and showed disrespect to our honored guest. For framing an honored guest, an additional penalty of six hundred! Threatening the life of a noble guest, you will be fined a thousand!"

"Yun Ziru, a total of two thousand lashes!" Yuchi Hanshan said solemnly. Men, bring her down for the execution!"

"Elder Hanshan, please spare me ... Please spare me, elder Hanshan ..."

Yun Ziru screamed, " my bones are so weak! Even 200 whips can kill me! Let alone 2000 whips!

"Every family has its rules, and every house has its rules!"

Yuchi Hanshan's voice was incomparably cold."Even if you die, you will be whipped until the number of whips is full!"

hiss ... Yun Ziru gasped and fainted from fear.

Yuchi Hanshan's expression didn't change as he continued,"Jiang Heqing, you disrespected the Grand elder's decree and showed disrespect to our honored guest. For framing an honored guest, you will be fined an additional thousand! Threatening the life of a noble guest, you will be fined 2000!"

"What!"

Jiang Heqing's expression changed drastically, and he almost peed his pants. "Why do I have to be punished so much ... You're going to make me die without an intact corpse ..."

"Because you're the mastermind behind Kumoko's accomplice!"

"I've missed out on one!" Yuchi Hanshan said coldly. Jiang Heqing, you've used your Junior Sister and caused her death. You'll be punished with an additional three thousand Yuan!"

this ... Jiang Heqing's face turned green. Not only would this whipping claim his life, but it would also tear his body into pieces!

"My brothers!"

Chen Xiaobei stood at the door of the torture chamber with his phone in his hand. "Move your little hands! Ask the streamer to increase his fans to five million, and I'll show you the whipping scene! I'll give you a 'heaven-immortal instrument' and I'll do a livestream of whipping the corpse!"
