Chapter 1961: Qing Xuan Tian Che (3)

"You damn brat! You actually dared to kill Xiong Da! This Lord will not rest until you die!"

Ishizaki Tianhong let out a hysterical roar, and his eyes seemed to be spitting out flames of hatred!

One had to know that the Shiqi family was only one of the top noble families on the strong Dragon continent. They could not be compared to the Jiang family of the Azure Dragon Capital city.

As such, Ishizaki Yuuda, who was ranked 30th on the minor heavenly fate ranking, was one of the top geniuses in the clan!

The death of Jiang Heqing was not enough to shake the foundation of the Jiang family!

However, the death of Ishizaki Yuuda was a huge loss for the Ishigashi family, and it almost destroyed the hope of the family's future!

It was precisely because of this that Ishizaki Tianhong was so angry that he vomited blood!

Chen Xiaobei was nonchalant and said, "A life for a life, it's natural! He wanted to kill me, so why can't I fight back?"

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[ding! Eliminate a lifetime villain. Obtained ...]

[eliminate the evildoers of a lifetime ...]

- your current merit points are 70000000. You need another 20000000 merit points to go to the next level. (Charm: 7000000, luck: 7000000%)

The people he had just killed were not good people.

However, the crimes they had committed were still lighter than the demonic people of the demonic sect.

The evil people didn't commit particularly serious crimes, so the amount of merit points they received would naturally be relatively low.

Of course, as long as the heavenly axiom bestowed him with merit points, it meant that the heavenly axiom approved of Chen Xiaobei's actions!

This was the righteous path!

"Don't talk about those useless things! Today, you'll definitely die without a burial place!"

With an ashen face, he wiped the blood from the corner of his mouth and pulled out a Green Ninja Blade!

That's right!

This was the Shiqi family's most precious treasure, the five star earth-god instrument, the Qing Xuan Tian Che!

One must know that a five-star earth-god instrument was almost the most powerful existence under the earth-god Realm!

The Shiqi family was one of the most powerful families in the Azure Dragon continent, but they only had one five-star earth-god instrument!

Even the most powerful heaven dominating faction did not have more than ten five-star earth-god instruments!

That was the reason why Ishizaki Tianhong was so confident that he could kill Chen Xiaobei!

Chen Xiaobei was not afraid at all. "You want me to die? Quickly wake up! Stop dreaming!"

"You little brat! You're about to die, yet you still dare to act tough!"

"I saw your trump card clearly from afar!" Ishizaki tenhon bellowed. A three-star earth-god level heavenly flame and a three-star earth-god level black blade!"

"I'm holding a five-star earth-god instrument! To kill you, it's a million times easier than killing an ant!"

There was no doubt that at the earth immortal realm, even if it was just a small gap, it was extremely huge!

Even a four-star earth-god instrument would be able to suppress the black saber and the witch Dragon Flame, let alone a five-star earth-god instrument.

However, at this moment, Chen Xiaobei had a new backup!

heh, you can't kill me even if you have a five-star earth-god instrument!

Chen Xiaobei shrugged and said, "Cut the crap! If you want to fight, then do it! This Little Lord will accompany you to the end!"

"Brat, you don't know the immensity of the heavens and earth! I'll make sure you die without a proper burial today!"

With one hand tightly holding the green ninjato, the qingxuan tianche, the other hand immediately took out 10 billion low-grade spiritual stones!

That's right! 10 billion!

A vast amount of spirit stones gushed forth like a raging river, instantly covering the ground!

"Bang! Bang! Bang! Bang ..."

With a single thought, his true energy descended and crushed all the spiritual stones!

Whoosh ... Whoosh ...

A huge amount of spiritual energy gushed into the Qing Xuan Tian che.

"You little brat! Did you see that? This was a five-star earth-god instrument! A single move costs ten billion spirit stones!"

Ishizaki Tianhong laughed arrogantly, "A total of 10 billion! I'm afraid you've never seen so many spirit stones in your life!"

"Hehe, have you gone senile?"

"I have both Jiang Shaodian's and Ishizaki kungfeng's storage bracelets!" There was also Ishizaki yuuda's storage bracelet! The number of spiritual stones under my control has already exceeded five trillion! You have the nerve to show off your measly 10 billion in front of me?"

"Whoosh! Whoosh!"

Chen Xiaobei then released two streams of ethereal force.

He took Ishizaki yuuda's storage bracelet and the Crimson Moon-slaying blade into his hands.

In addition to the merit points, these two rewards were also very important.

"You little brat! Don't be too pleased with yourself!"

"As long as I kill you!" Ishizaki tenhon grinned hideously. Everything you have now will belong to me!"

"Heh, I'll give you the same words!"

I'll kill you! Chen Xiaobei grinned. as long as I kill you, your 5-star earth-god instrument and your storage bracelet will be mine!

"Baka Yalu! You little brat! He's simply too Savage!"

"I have a five-star earth-god instrument!" Tianhong Shiqi roared in anger. What do you have in your hands? What right do you have to be so arrogant!"

"A young man is too arrogant! I'm young! What? If you're not convinced, bite me!" The corner of Chen Xiaobei's mouth lifted into a devilish smile.

Anyone with eyes could tell that Chen Xiaobei was not being arrogant, but was just trying to goad him into action.

Chen Xiaobei's chances of winning this battle were very low.

Firstly, he had a five-star earth-god instrument!

Secondly, he was much stronger than Chen Xiaobei!

If they were to fight face to face, Chen Xiaobei would be completely suppressed and his chances of winning would be zero!

Since he couldn't fight them head-on, his only choice was to outwit them.

Chen Xiaobei's goading was very obvious.

However, at this moment, because of Ishizaki yuuda's death, his mind was filled with anger.

Moreover, Ishizaki tenhon thought that he had seen through Chen Xiaobei's trump card and did not take Chen Xiaobei seriously at all.

He had completely ignored Chen Xiaobei's provocation.

"Baka Yalu! I won't bite you, but I'll take your life!"

With a hysterical roar, Tianhong Ishizaki raised the Aeon tianche high in the air and activated the terrifying power of the five-star earth-god instrument.

"Woof!"

In the next moment, a dazzling green light shone in all directions!

It was like a long green Rainbow that shot into the nine Heavens!

The power of the five-star earth-god instrument caused the sky to tremble.

"Qing Xuan! Heavenly chop!"

He heard tenhon Ishizaki's sudden roar. Like a dragon emerging from the water, a huge blade energy surged out from the blue waves!

"Woof!"

The saber Qi was 800 meters long, and it was extremely sharp. It swept across the world as if it was going to tear the sky apart and split the earth in two!

"He's so strong!"

Chen Xiaobei looked up at the sky, but he did not Dodge or attack!

[Red Envelope Group of the Three Realms](#)

Chapter 1962: Victory And Defeat Are Decided (4)

"Woof!"

The power of a five-star earth-god instrument was not only powerful but also fast!

Before Chen Xiaobei could finish his sentence, the green ray of light was already right above his head!

"Boom boom boom ..."

With Chen Xiaobei as the center, a thousand-meter long, hundred-meter deep, and dozens of meters wide trench was created by the green beam!

It was as if the earth had been split into two. The scene was extremely shocking!

"Hahaha!"

Tianhong Shiqi laughed heartily, "that little brat is indeed a pretentious d * ck who only talks!" I only used 70% of my strength in this strike, and I've already killed him in an instant! This was the legendary saying of "acting tough and getting struck by lightning"! Hahaha ..."

It was obvious that tenhon Ishizaki did not think much of Chen Xiaobei. He had only used 70% of his strength in that attack.

In ishiqi's eyes, 70% of his power was enough to kill Chen Xiaobei.

However, what Ishizaki tenhon did not expect was that 70% of his power could not even hurt a single hair on Chen Xiaobei's head!

After the upgrade of the netherspirit battlescouter, the master-protecting puppet could resist any attack from anyone below five-star earth-god level!

If he went all out, he would be able to break through the master-protecting puppet!

However, with only 70% of his strength, he was completely unable to threaten the master-protecting puppet!

At this point, it could be said that the outcome of the battle had already been decided!

"Hehe! Once that kid is dead, everything he has will belong to me!"

Not knowing that Chen Xiaobei was still alive, Ishizaki Tianhong calculated excitedly, "That kid must have quite a few earth-god instruments and trillions of spiritual stones! It was simply a huge profit! Hahaha ..."

Thinking of this, Ishizaki Tianhong was extremely excited, and immediately jumped into the huge Gully.

that kid was standing here just now. His body should not be far from here ...

Ishizaki Tianhong stood at the bottom of the gully, carefully observing his surroundings, trying to find the things that Chen Xiaobei had left behind.

"Bursting flames!"

At that moment, an indifferent voice came from behind tenhon Ishizaki.

"Who's there?"

Tianhong Shiqi was shocked and turned around. His pupils shrank and his body trembled, almost peeing his pants.

"BOOM!"

A blazing flame suddenly exploded, illuminating the pitch-black ravine.

The light of the fierce flame was dazzling!

The temperature of the flames was even more terrifying!

As the flames burst out, the surrounding rocks were melted, turning into boiling lava that flowed down continuously.

this ... This ... This ... This is also a ... Five-star earth-god instrument ...

His physical strength had already reached 5.5 million, but he still could not stand the heat and had to circulate his true energy to protect his body.

However, what shocked Ishizaki Tianhong the most was the source of the terrifying flames!

It was a crimson red longsword that looked like red-hot steel!

The sword's edge was not obvious, but it was like a volcano, constantly erupting with fierce flames!

No matter how many times Ishizaki Tianhong thought, he would never have thought that the person holding the sword was Chen Xiaobei!

"Chen Zhufeng! Why ... Why are you still alive ... Why do you also have a five-star earth-god instrument ..."

Tenhon Ishizaki was dumbfounded. His pupils had already shrunk to the size of a needle tip. His entire body was trembling, and cold sweat was pouring down like rain!

The inferno sword in Chen Xiaobei's hand was a five-star earth-god level sword, the spiritual bursting flames sword!

The level of this sword was the same as Qing Xuan Tian Che!

The only difference was that Chen Xiaobei had just goaded tenhon Ishizaki into using up all the energy in the Qing Xuan heavenly slice.

On the other hand, the spiritual bursting flames spiritual King Sword had already absorbed enough spiritual Qi in the demonic spirit volcano. Now that it was activated, it could kill off tenhon Ishizaki at any time!

With the speed of a five-star earth-god instrument, there was no time for him to replenish his spiritual energy.

Chen Xiaobei only needed to think about it and he would be able to kill off tenhon Ishizaki!

In other words, Chen Xiaobei had already taken tenhon Ishizaki's life!

heh, if you have a five-star earth-god instrument, why can't I? " Chen Xiaobei shrugged and asked.

"This is impossible!"

I've seen all the five-star earth-god instruments in apocalypse Starfield ... he said in a panic. they're all in the hands of the leaders of the top forces ... You can't have them ... Absolutely not ...

you've got good eyes! This sword is not from apocalypse Starfield! It's from the limitless demon nation! Chen Xiaobei said.

"Wu ... Limitless demon nation ..."

Ishizaki Tianhong's expression changed, and he asked in fear: "You ... What is your relationship with limitless demon venerable ..."

"Limitless demon venerable?"

Chen Xiaobei was surprised. "I have nothing to do with him, but I'm very curious, is he the demon commander that the demonic sect is talking about?"

I ... I can't say ... Ishizaki Tianhong shook his head desperately, as if he had been greatly frightened. He did not dare to say a word.

"You must tell me!"

I don't want you to die! Chen Xiaobei said. otherwise, I can turn you into ashes with a single thought!

"Even if you kill me, I can't tell you ..."

Ishizaki Tianhong's face was pale, as he replied in despair: the devil Emperor has placed a 'heart sealing curse' on me. I swear that I will not reveal any secrets of the demonic sect. If I go against my oath, the 'heart sealing curse' on me will automatically activate and my heart will explode!

Chen Xiaobei furrowed his brows.

If it was a poison, Chen Xiaobei would still have a way to remove it. But it was a curse, so there was nothing Chen Xiaobei could do.

"I'll die if I say it, I'll die if I don't!" you've done a lot of evil in your life! Can't you do something good before you die? " Chen Xiaobei asked.

"We can't!"

"Once the 'heart sealing curse' is activated, the demon Lord will also sense it!" He will see me as a traitor and exterminate my entire clan!"

"This Demon Lord is really powerful!" Chen Xiaobei said, " "Since you're not willing to tell me, then you can just die!"

"BOOM!"

As soon as he finished his words, the power of the flame burst Spirit King Sword was fully activated. The terrifying flames were even fiercer and more overbearing than before!

It was as if the sun had fallen to the earth and was about to burn everything into ashes!

Ishizaki Tianhong's face was pale, and his body was trembling violently, but he did not dare to say a word.

Chen Xiaobei could tell that Ishizaki Tianhong was not lying.

Even if he used dog food to subdue Ishizaki Tianhong, he wouldn't be able to reveal many secrets. This was because he would be killed by the curse the moment he mentioned any secrets.

If he couldn't reveal the secret, then he would have no value.

"Spirit King's Fury!"

Chen Xiaobei would not show any mercy to an enemy who was of no use to him. He would kill them all!

Chapter 1963: Uninvited Guest (1)

"Boom boom boom ..."

With Chen Xiaobei's roar, the flames in the dimension were suddenly boosted by a huge amount of ethereal force!

The burning of 10 billion spiritual energy in exchange for the Super power of a five-star earth-god!

In the blink of an eye, the fierce flames and true essence fused, suddenly transforming into an extremely terrifying Demon King Dharma form!

The Demon King's entire body was burning with flames. He had horns on his head, a pair of bat-like wings on his back, and four arms on his shoulders. Each arm had sharp claws comparable to that of a beast!

my God ... This ... This is the spirit Flame King of the demon race ... The spirit Flame King ...

Tenhon Ishizaki let out a terrified wail. His body trembled, and his face was filled with despair. His hands went soft, and he could not even hold his saber firmly.

"BOOM!"

The spiritual Flame King's Dharma power struck down with its claws!

That terrifying power was comparable to a meteor!

That speed did not give him any chance to catch his breath!

"Uh! Ah ... Ah ..."

With an extremely miserable scream, the spiritual Flame King's fiery Demon Claw directly struck down on the head of tenhon Shiqi!

The sharp claws instantly broke through Ishizaki Tianhong's protective true energy!

It was like a war blade, directly crushing Ishizaki Tianhong's entire body into pieces!

Immediately after, the terrifyingly high temperature of the flames instantly melted the dismembered body of Ishizaki Tianhong completely, and finally turned it into ashes.

heaven dominating faction's 4th core elder! The head of the Shiqi family! A Supreme expert ranked 20th on the great heavenly fate ranking! And just like that, he was killed by Chen Xiaobei in one hit! He didn't even have the slightest strength to fight back!

"This is the power of a five-star earth-god instrument! He's too powerful!"

Chen Xiaobei held the spiritual bursting flames King Sword with both hands and said, "This sword can provide me with great help. I must not refine it! I'm going to find a way to make it my earth-god instrument!"

"Now, with the death of Shiqi Tianhong, his Qing Xuan tianche will be mine! By then, I'll have two five-star earth-god instruments and I'll be able to do whatever I want in apocalypse Starfield!"

Chen Xiaobei immediately released two streams of ethereal force.

One of the ethereal force swept up Qing Xuan Tian che, while the other swept up Tian Hong Shiqi's storage bracelet.

Without a doubt, the value of these two items would exceed all that Chen Xiaobei had obtained before!

"Woof!"

Suddenly, an extreme shadow descended from the sky and shot out two extremely condensed ethereal forces, cutting off Chen Xiaobei's ethereal force.

The next moment, the extreme shadow landed, and it was a human figure!

The man's face was cold, his figure tall and straight, and his black robe billowed unceasingly, giving off a very cold feeling.

With a roll of Zhen Yuan, the storage bracelets of Qing Xuan Tian che and Shi Qi Tian Hong were both in the hands of this uninvited guest.

Chen Xiaobei's expression was complicated. "Second senior brother, long time no see!"

That's right! The person was Tian Peng!

"I've said it! Don't call me second senior brother!" Tian Peng's eyes were cold and filled with hatred.

hehe, my mouth is mine. I'll call you whatever I like!

second senior brother? " Chen Xiaobei raised his eyebrows and asked, " why are you here? " Aren't you a little too punctual?"

"Hmph! I'm not afraid to tell you the truth, but the clay Bodhisattva has already become my loyal dog!"

he predicted that I'm in luck today, " Tian Peng laughed hideously. I'm heading west at night. I'll definitely get something!

"I have to admit that the clay Bodhisattva is quite capable!" Chen Xiaobei said. The devil earth continent is in the far west, and the devil spirit volcano is in the West of the devil earth continent!"

"Nonsense!"

Tian Peng sneered, " clay Bodhisattva is a living God recognized by apocalypse Starfield! He's the most suitable person to pry into the secrets of heaven!"

Oh? " Chen Xiaobei chuckled. other than predicting that you will gain something, did the clay Bodhisattva predict that you will face a disaster? "

"Tribulation? Heh, are you kidding me?"

"I am a peak four-star earth level deity!" Tian Peng said in disdain. I still have a five-star earth-god instrument with me! Tell me, where do the calamities and tribulations come from?"

"Bursting flames!"

go! Chen Xiaobei shouted, and the spiritual bursting flames sword in his hand suddenly released a terrifying flame, turning the surrounding area into a sea of fire.

One must know that the explosive flame Spirit King Sword was in the magma of demonic spirit flames all year round and was the closest to the spiritual vein.

After a long time, the spiritual Qi inside the spiritual bursting flames Spirit King Sword had been fully absorbed, and it could activate the power of a five-star earth-god nine times.

"Hmph! Are you in such a hurry to die?"

I have a five-star earth-god instrument as well, " Tian Peng laughed. I'm a hundred and eight thousand times stronger than you!

the point is, I was watching the battle from afar just now. I saw that your master-protecting puppet is protecting your life. There won't be a second chance for you within the next twenty-four hours!

Tian Peng laughed arrogantly, "today, you don't even have a chance of winning!" I'm going to kill you and untie the knot in my heart!"

"When my Dao heart is clear, I will cultivate with all my might and return to the heaven realm! In this next Eon, I must do something earth-shaking!"

"Hehe."

second senior brother! I didn't expect you to be so cold on the outside! You're still so cute on the inside!

"Dorky? What are you farting about, kid?" Tian Peng roared, "you're the one who's dumb and cute!" Your whole family is so cute!"

you've been talking for so long. Have you ever thought that if I attacked you directly, you wouldn't even have the chance to replenish your spiritual Qi. You would be killed! Chen Xiaobei said.

"This ..."

Tian Peng was stunned and cold sweat started to drip down.

Just as Chen Xiaobei had said, the spiritual Qi in the spiritual bursting flames sword could be used to attack at any time.

However, there was no spiritual Qi in the Qing Xuan Tian che. Tian Peng had to take out spiritual stones and replenish his spiritual Qi.

With the power and speed of the spiritual bursting flames sword, this short period of time was enough to kill Tian Peng several times.

"Second senior, I feel that your nature hasn't changed!" Chen Xiaobei narrowed his eyes and said, "Do you have your own difficulties? Or did someone do something to you?"

"Shut up! You're not qualified to ask me!"

Tian Peng was furious. He hurriedly threw out spiritual stones to replenish his spiritual energy and shouted, "I'm not the Tian Peng anymore! I hate you to the core! The hatred of his wife being stolen was absolutely irreconcilable! I'm going to kill you! I will!"

"You're just deceiving yourself!"

I know! Chen Xiaobei said, "you may have loved Chang 'e in your previous life, but in this life, you're a real Playboy! Women, female demons, female Immortals, you like them all!"

"Let's talk about the hatred of his wife being stolen! The Chang 'e fairy has nothing to do with you! Your real wife is obviously Gao cuilan of Gao Laozhuang!"

"Shut up! Don't say anymore!"

Tian Peng's expression became ferocious as if he was in pain. He gritted his teeth and said, "Today, I will kill you!"

Chapter 1964: Stopping The Battle With A Battle (2)

"What's wrong? Did I hit a sore spot?"

Chen Xiaobei narrowed his eyes and continued to speculate, "Why is it that every time I mention the past, your face is filled with pain? You don't look sick, nor do you look poisoned. Are you under a spell?"

"It's none of your business!"

die! Tian Peng roared, holding the Qing Xuan Tian che with both hands and slashing at Chen Xiaobei!

"Whoosh!"

The green saber ray shot up into the sky, extremely dazzling and gorgeous!

In all directions, the mountain rocks, the earth, and the sky all rippled with green waves, as if they were in a fantasy space!

"Woof! Buzzzzzz! Yi ..."

In the next moment, nine huge saber Qi rushed out of the green waves like dragons emerging from the water!

Each blade Qi was a few hundred meters long and extremely sharp. Its power was even stronger than when Ishizaki Tianhong used it. It was as if it wanted to completely split the heavens and earth!

There was no doubt that Tian Peng had used all his strength to kill Chen Xiaobei!

He definitely had no intention of showing mercy!

"Spirit King's Fury!"

Of course, Chen Xiaobei also had a trump card in his hand!

"Boom boom boom ..."

fire burst spiritual King Sword! Chen Xiaobei shouted, and the spiritual Qi in the sword was once again used up. The power of a five-star earth-god was once again activated!

The raging flames around him were suddenly boosted by a huge amount of vital essence!

In an instant, intense flames surged, and with the support of true energy, the terrifying Demon King Dharma form was once again formed!

The Demon King's entire body was burning with blazing flames. He had a demon's horn on his head, a pair of bat wings on his back, and four arms on his shoulders, each with sharp claws comparable to that of a beast!

"BOOM! BOOM! Boom ..."

The four arms of the Dharma form of the Demon King waved wildly like four huge wind and fire wheels. With the strength of a five-star earth-god, it blocked the green blade auras coming from all directions.

The explosive flame Spirit King Sword and the qingxuan heavenly incarnate were both five-star earth-god instruments!

By right, the power of the canopy and the Qing Xuan heavenly incarnate should have been able to suppress Chen Xiaobei.

However, the fire explosiveness spiritual King Sword was an ancient demonic sword. It had been nurtured in the magma and spiritual veins of the demonic spirit volcano for tens of millions of years and had almost reached the strength of a mid-five-star!

Because of this, the spiritual Flame King had the upper hand in the battle.

No matter how hard Tian Peng attacked, he could not break through the defense of the spiritual Flame King and could not hurt Chen Xiaobei.

Of course, the spiritual Flame King Dharma power only had a slight advantage. Chen Xiaobei could protect himself, but it would not be easy to defeat the canopy great country!

"Second senior! It's meaningless for us to continue fighting like this. We're just wasting our spiritual energy!"

Chen Xiaobei held the flame spiritual King Sword in his hand and burned his spiritual Qi every now and then.

Tian Peng was doing the same as he continued to pour spiritual stones into the Qing Xuan Tian che.

One had to know that a five-star earth-god instrument had to burn up ten billion low-grade spiritual energy every time it was activated.

To an ordinary person, this kind of consumption was simply an astronomical figure. They simply could not afford it.

Tian Peng didn't care and smiled, "Hmph Hmph! I have the storage bracelet of Ishizaki Tianhong, and the total amount of spiritual stones is over three trillion low-grade spiritual stones! The sword in your

hand can only activate its Power five or six more times at most. At that time, it will be the time of your death!"

"I'll be honest with you. I have more than five trillion low-grade spiritual stones in my infinite space ring! If we fight a war of attrition, the one who will die in the end will be you!"

Obviously, Chen Xiaobei had gathered Jiang Shaodian, Ishizaki kungfeng, and Ishizaki Chisa. The three of them had a total of 50000 high-grade spiritual stones, which was equivalent to 5 trillion low-grade spiritual stones!

On top of that, Chen Xiaobei had also just received Ishizaki yuuda's storage bracelet, which contained at least 10000 to 20000 high-grade spiritual stones!

At this rate, Tian Peng's spiritual stones would be depleted before Chen Xiaobei!

At that time, Tian Peng would be dead!

"Hmph! Do you think I'll believe your nonsense?"

Tian Peng was disdainful and said indifferently, "if you really have five trillion spiritual stones, would you ask me to stop?" I'm afraid you can't wait to exhaust me to death!"

"You're wrong!"

no! Chen Xiaobei shook his head. it's because I don't want to kill you that I'm telling you to stop the battle. It's a waste of spiritual Qi.

"What? You don't want to kill me?"

Tian Peng said coldly, " everyone in the Three Realms red envelope group knows that you are a vengeful person. You have never suffered a loss! I want to kill you, but you don't want to kill me? Even a fool wouldn't believe this kind of nonsense!"

I don't know! Chen Xiaobei said, " if I wanted to kill you, I wouldn't have asked the Qin eldest great grandfather to let you go back at the Qin family's main city!

"This ..."

Tian Peng's expression became complicated. He gritted his teeth and said, "I told you last time, if you don't kill me, I'll definitely come back to kill you!"

"So, you're not willing to stop the war?" Chen Xiaobei asked.

"Stop daydreaming! I can't stop the war!"

"I'm stronger than you!" Tian Peng said with killing intent. I have more spiritual energy than you! Moreover, the clay Bodhisattva has predicted that I'm in great luck today! I'm completely undefeatable, there's no reason for a ceasefire!"

"Since you're so stubborn, second senior brother, I can only stop the fight with a fight!"

Chen Xiaobei's eyes were filled with fighting spirit. but, second senior brother, you might have to suffer a little!

"Ha, you're too lacking in your acting!"

Tian Peng said disdainfully, "cultivation, spiritual energy, luck, I'm better than you in every aspect!" What do you have to make me suffer!"

"Primal Chaos! Blood Dragon slash!"

Chen Xiaobei held the spiritual bursting flames King Sword in one hand and shot out a beam of blood-red light from the palm of his other hand!

"Roar!"

The blood light turned into nine Blood Dragons in the air and attacked Tian Peng.

"You have the face to use such a small trick to embarrass yourself?"

Tian Peng was extremely disdainful. He controlled Qing Xuan Tian che with one hand and used his other hand to shoot out a wave of true essence!

"BOOM!"

In the next moment, the nine Blood Dragons and the canopy great country's vital essence clashed.

The nine-headed Blood Dragon was the special ability of the chaos Blood Sword, and it only had the strength of a one-star earth-god.

The power of Tian Peng had reached the peak of a four-star earth-god!

The difference in power between the two sides did not need to be said!

"Swish ..."

The nine Blood Dragons were instantly defeated, and the chaos Blood Sword was sent flying with a tremendous force, disappearing without a trace.

"Chen Xiaobei! Is that all you've got?" Tian Peng laughed arrogantly, "you've really disappointed me!" Hahaha ..."

"Tian lang! I'll borrow your ability!"

Suddenly, a black Warwolf appeared beside Chen Xiaobei.

"Bro bei, just go ahead and borrow it! Just treat it as we're fighting side by side!" The black War Wolf was full of spirit and awe-inspiring.

"What ... What is this?" Tian Peng's expression froze and he felt something was wrong.

Chen Xiaobei shouted in a low voice.

"Yin and yang! Soul borrowing!"

[Red Envelope Group of the Three Realms](#)

Chapter 1965: Black Wind Shadow (3)

"Whoosh!"

A ball of black light emerged from Sirius's head and entered Chen Xiaobei's forehead.

Then, Sky Wolf lay down beside Chen Xiaobei's feet as if he had lost all his energy and fell into a deep sleep.

Chen Xiaobei put Sirius back into the ring of all beasts, held the saber in one hand, and fixed his eyes on Tian Peng.

"Chen Xiaobei! What are you trying to do?"

Tian Peng was a little nervous. As a true immortal, he could not see through Chen Xiaobei's tricks. This was too strange.

Chen Xiaobei had borrowed Sirius's innate ability, which was the Yin Yang soul summoning Gu's ability!

The Voodoo art was one of the secret arts of the Voodoo race. The Voodoo race was regarded as a foreign race by the heavenly court, and the Voodoo art was considered a forbidden art!

Apart from a few top-notch Immortals, the ordinary Immortals knew nothing about Sorcery!

"Black wind shadow!"

Chen Xiaobei did not explain anything and activated Sky Wolf's special ability!

"Woof!"

Chen Xiaobei held the spiritual bursting flames King Sword in one hand and took out his Dragon's edge with the other.

At the same time, Chen Xiaobei sped up and turned into a shadow as he charged towards Tian Peng.

"BOOM! BOOM! Boom ..."

In the space, the spiritual image of the spiritual King of explosive flames was still fighting against the blade of qingxuan tianche.

Chen Xiaobei's extreme shadow attacked Tian Peng from the other side.

In an instant, Chen Xiaobei had already reached Tian Peng's side with his spiritual bursting flames King Sword to pin down Qing Xuan Tian che.

Chen Xiaobei used his Dragon's edge and slashed at Tian Peng.

"Hmph! You're overestimating yourself!"

Seeing this, Tian Peng's heart didn't waver and he said in disdain, "If you defend with your life, you can still hold on for a moment! But you actually dared to take the initiative to attack? What's the difference between this and suicide?"

"BOOM!"

As soon as he finished speaking, Tian Peng shot out a wave of true essence.

Although Tian Peng's Qing Xuan Tian che had been restrained, he was already a peak four-star earth immortal!

The ethereal force contained enough power to kill Chen Xiaobei!

"Swish ..."

The ethereal force landed on Chen Xiaobei's body, and the destructive force shattered his body into pieces!

After all, the master-protecting puppet had already been used once, and it could not protect Chen Xiaobei this time.

Even though Chen Xiaobei was wearing the Nightstalker outfit, this nine-star spiritual instrument could not withstand the canopy great power!

By right, Chen Xiaobei should be dead!

"Strange ..."

However, Tian Peng frowned and his face was full of surprise, "Chen Xiaobei was killed, but why didn't the image of spiritual King flaming blast disappear? Why can't I see a single drop of blood on the ground?"

whoosh ... Whoosh ... Whoosh ...

At the same time, the sound of wind could be heard from the medium!

Then, six identical extreme shadows appeared!

There was no difference in their appearance. It was as if there were six Chen Xiaobeis!

"What ... What's going on? Chen Xiaobei is only in God-Ascension cultivation, how could he have such a divine power ... Did I see a ghost ..."

Tian Peng's brows furrowed and his face was filled with disbelief.

"Woof!"

The six Chen Xiaobeis attacked Tian Peng from six different directions at the same time.

"Small tricks! Don't even think about hurting me!"

Tian Peng composed himself and waved his hands repeatedly, releasing six traces of true essence.

Swoosh ... Swoosh ... Swoosh ...

The ethereal force carried the power of a peak four-star earth-god, and each stream of ethereal force could kill one Chen Xiaobei!

But the result was the same as before. Six Chen Xiaobeis were killed without leaving a trace of blood!

Those scattered figures were actually only six phantoms!

"Chen Xiaobei! What the hell are you doing?"

"This kind of child trick won't work on me!" Tian Peng said in disdain.

"Swish!"

At this moment, the sound of the wind suddenly became louder. A shadow flashed from the side, holding the Dragon's edge and pointing at Tian Peng's heart!

"Chen Xiaobei! Are you done? You're addicted to such a boring little trick?"

even if I don't stop you, the protective Zhen Yuan of a peak four-star earth level deity is still something you can't break! Tian Peng said with disdain.

"Then don't block it!" Chen Xiaobei shouted, his tone filled with provocation.

"Hmph! I won't block it, let's see how you can hurt me!" Tian Peng circulated his true Qi to protect himself. He was very confident in his strength!

"Heh, you'll regret this!"

Chen Xiaobei chuckled as he activated the Dragon's Edge's special ability. The blade of the blade was covered in Black Lightning.

"It's just a three-star earth-god instrument!" Tian Peng said confidently. Even if this isn't a smokescreen, you still can't break through my protective Zhen Yuan!"

"All martial arts in the world are unbreakable, but speed is the key!" die! Chen Xiaobei growled and swung his saber!

collapse!!!

As soon as he finished speaking, the edge of the Dragon's edge stabbed Tian Peng's body!

The black Thunder rumbled and was supported by the mysterious ability of the black wind shadow!

Tian Peng heard the sound of an object breaking. Never in his wildest dreams did he expect that his body-protection genuine vitality would be shattered!

"Swish!"

Without the protection of the Zhen Yuan, the Dragon's edge stabbed down and almost hit Tian Peng's heart!

However, Tian Peng was a peak four-star earth-god, and he was much faster than Chen Xiaobei!

One of his hands was holding the Qing Xuan heavenly incarnate tightly, while the other hand had reached the edge of the demonic Dragon's edge!

Tian Peng's palm was cut by the blade and blood flowed out. However, the blade could not move any further and could not threaten his life!

"Chen Xiaobei! You're really awesome! I can't help but admire you!"

Tian Peng's eyes were filled with rage and he said, " "You can actually break the protective true energy of a four-star earth-god! How did you manage to do that?"

"That's my secret!" Chen Xiaobei shrugged.

One had to know that Sky Wolf's talent, black wind extreme shadow, had the effect of breaking true Kang and true Yuan.

With the help of the demonic dragon Apocalypse's ability to weaken the opponent's strength, they could instantly shatter Tian Peng's protective Zhen Yuan!

Of course, this was Chen Xiaobei's Secret move. He could not explain it to Tian Peng.

"Hmph! If you don't want to tell me, then you can die with your secret!"

Tian Peng roared with a ferocious expression, "you almost pierced my heart, but you failed!" The price of failure is death!"

Tian Peng controlled Qing Xuan Tian che with one hand and fought with the flame burst Spirit King.

With his other hand, he held the edge of the Dragon's edge tightly, ignoring the bleeding and pain.

The Canopy's power was overwhelming. It pulled the Dragon's edge and Chen Xiaobei was pulled in front of it!

Then, Tian Peng's right leg kicked out at Chen Xiaobei, trying to kill him!

There was no need to say more about the power of this kick.

"It's still not certain who will die!"

Chen Xiaobei was not afraid at all.

"Sword! Come!"

Chapter 1966: I'm Giving It To You (4)

"Woof!"

die! Chen Xiaobei shouted, and a blood-red sword light shot out from the night sky.

That's right!

It was the chaos Blood Sword that had just been sent flying!

The sword was connected to Chen Xiaobei's mind and he could control it from a distance!

The chaos Blood Sword had not joined the battle after it was sent flying.

But now, when he slashed back with his sword, it was enough to kill!

"This is bad!"

Tian Peng's expression changed and his heart clenched.

One must know that at this moment, Tian Peng's hands were not free. Moreover, he had just lifted one leg and only had the other leg to support his body.

More importantly, Tian Peng's protective Zhen Yuan had just been shattered and could not block the blood-red sword light at all.

Whether it was piercing his heart or cutting his throat, it would be enough to take Tian Peng's life.

"Swish!"

However, the chaos Blood Sword only made a small cut on Tian Peng's arm before it flew back to Chen Xiaobei.

"What?"

Tian Peng's face was filled with shock and he asked in disbelief, "Chen Xiaobei! You clearly had the chance to kill me, so why did you intentionally miss this strike?"

"I told you, I won't kill you!"

Chen Xiaobei shrugged and said, "It's not that I'm trying to act cool, nor that I'm incapable! If I really want to kill you, I have many ways! However, my heart doesn't want to kill you!"

"Don't give me that!"

Tian Peng roared, "don't think that I will be touched by your words!" My heart is already as hard as iron! No one can move me!"

"Ha, I expected you to say that. But it's fine."

Chen Xiaobei shrugged and said, "Back then, Zhuge Liang captured Meng Huo seven times! He captured Meng Huo seven times and released him seven times, and finally convinced Meng Huo! Now, I can also capture Tian Peng seven times! I don't believe that second senior brother's heart is made of stone!"

"Hmph! Just you? You still want to capture me alive seven times?"

Tian Peng gritted his teeth and roared, "you didn't kill me with that sword. That was an extremely stupid decision! Because if you don't kill me, I'll kill you!"

Tian Peng's right leg, which had been raised, suddenly exerted force. He wanted to get closer and kick Chen Xiaobei to death.

Tian Peng was a peak four-star earth-god, and he could easily kill Chen Xiaobei with his physical strength alone.

"Uh ... Hmm? Why don't I have any strength at all ... Hot ... So hot ... This ... What's going on?"

However, before he could kick out, Tian Peng fell to the ground.

He couldn't circulate his true Qi, and his body couldn't exert any strength.

More importantly, Tian Peng felt as if his body was being burned by fire.

His blood was rapidly heating up, and his heart felt like it was about to explode.

Seeing this, Chen Xiaobei put away the Dragon's edge, chaos Blood Sword, and flame burst spiritual King Sword.

just now, after the chaos Blood Sword was blown away, it didn't hide nearby but flew far away! Chen Xiaobei stood where he was and smiled.

Tian Peng didn't understand and asked anxiously, "What do you mean? What fly to the far end? You ... What did you do to me ... My body is about to explode from the heat ..."

"There's a demon spirit volcano not far away! The surroundings of the volcano are filled with demonic spirit heart-burning poison!"

I don't think so! Chen Xiaobei said. the chaos Blood Sword flew around while we were talking and fighting. That's why there's some poison on the blade!

"What? You mean ..."

Tian Peng's pupils couldn't help but contract. He looked at the wound on his arm and said in fear, you mean, I ... I've already been struck by the demonic spirit heart-burning poison!?

"That's right!"

Chen Xiaobei nodded. you've been poisoned. Very soon, your body will be at an extremely high temperature. Your blood will boil and your heart will explode. You'll die a horrible death!

"Chen Xiaobei! You're so sinister! "You ... You used poison ..." Tian Peng's face was ashen and his body trembled. He had completely lost the ability to fight.

Chen Xiaobei shrugged. I don't want to play dirty. But, I've let you off so many times, and yet you still want to kill me. I had no choice but to have a backup plan!

"No... I can't lose to you ..." He said.

Tian Peng couldn't accept the result in front of him and wailed,"The clay Bodhisattva clearly predicted my good fortune today ... I can't lose ... I can't die ... Impossible! That's impossible!"

"Don't be nervous! I've said it before, the clay Bodhisattva still has some skills!"

Chen Xiaobei walked over, took out the cleansing Bodhi and said, "You are indeed very lucky today! But you have to remember that this 'fortune' is not destined by the heavens. It is a gift from me, Chen Xiaobei!"

you ... What do you mean by this?! Tian Peng did not understand what Chen Xiaobei was trying to do.

"I will detoxify you and keep you alive!" Chen Xiaobei said. I'll leave the storage bracelet and the five-star earth-god instrument, the Aurum heliotrope behind for you!"

"What? You ... You must be joking ... Tian Peng was dumbfounded and couldn't believe his ears.

"This isn't a joke!"

Chen Xiaobei squatted down and started to use the cleansing Bodhi to cure Tian Peng's poison. "Once for the Qin family, once for today! I've already captured you alive twice and let you go twice! Is this enough to move you?"

"Impossible ... There will definitely not be a next time!"

Tian Peng gritted his teeth and said, "the next time we meet, I will be fully prepared. I will make sure you die without a burial place!"

"Alright, I'll see you next time!"

Chen Xiaobei stood up and put away the cleansing Bodhi. "Most of the poison in your body has already been removed by me! As for the remaining small amount of poison, you only need to sleep for a night. The soul of a peak four-star earth-God will help you get rid of the poison!"

Chen Xiaobei then summoned the somersault cloud and soared into the sky, leaving the battlefield in an instant.

Chen Xiaobei ... Chen Xiaobei ... Chen Xiaobei!!!

Tian Peng used all his strength and screamed.

His life was saved!

The storage bracelet and the five-star earth-god instrument, the Aeon tianta, were quietly placed to the side!

In this battle, not only did the canopy great country not suffer any losses, but they also gained two huge gains.

However, Chen Xiaobei's words kept echoing in Tian Peng's mind- this 'great fortune' is not destined by God. It is-gift from me-Chen Xiaobei!

This sentence reverberated like thunder and struck Tian Peng's heart!

.....

In the sky.

Chen Xiaobei took out a map and said, " next, I should enter The Omen Ridge. I hope I can find the core Treasury!

[Red Envelope Group of the Three Realms](#)

Chapter 1967: Young Slave (1)

Using the map, Chen Xiaobei went all the way to the West and found the demonic ruin at dawn the next day!

The ruins of the heavenly demon were the ruins of the ancient demon Kingdom!

The devil nation was built underground, and its area was comparable to ten planets!

On the ground, there were only endless desolate mountains.

There were tens of thousands of underground entrances surrounding the mountains.

One could imagine that in these tens of millions of years, the number of humans who had gone deep underground had probably exceeded tens of billions!

Apart from the dead and injured, there were probably hundreds of millions of people in the underground devil Kingdom!

Among these people, there were members of powerful sects, self-organized explorers, and of course, most of them were slaves who had been caught to excavate the core of the ruins!

"Let's go in and take a look first!"

Chen Xiaobei picked the nearest entrance and entered the underground devil Kingdom.

Although it was daytime, the underground world was dark. It was even colder and more humid than the surface.

With the help of the light from his phone, Chen Xiaobei walked down the tunnel. After a few hundred meters, he finally saw the end.

my God ... This ... This is the legendary underground devil Kingdom ...

Chen Xiaobei was used to seeing such a scene, but what he saw at the end of the tunnel was still shocking.

An incomparably huge underground city appeared before his eyes!

It was probably a few thousand meters deep, and the range was so wide that one couldn't see the end!

Among them, there were tall and short dilapidated houses with dim bonfires that flickered endlessly.

By rough estimation, there were at least tens of thousands of people living in this area!

However, this was only the tip of the iceberg of the underground devil Kingdom.

How could Chen Xiaobei not be shocked?

It was early in the morning, and people began to come out of the houses one after another.

These people were dressed in rags and covered in mud. They held shovels in their hands and were obviously slaves who had been caught to excavate the ruins.

Logically speaking, these people had been doing physical labor all year round, so their bodies should be very strong.

However, the reality was the exact opposite.

The underground devil Kingdom did not see sunlight all year round. Living in a cold and humid environment, the slaves more or less had skin diseases and hidden diseases in their eyes.

The main point was that the environment of devil earth was special, and it was very difficult to transport food and water. These slaves could not even eat fresh food or drink clean water.

It was precisely because of this that they were almost all as thin as firewood, and their energy was exhausted.

But as slaves, they had no choice!

No matter how thin and weak they were, no matter how dispirited they were, as long as the morning bell rang, they had to pick up their tools and start digging day after day.

"These people are quite pitiful ..."

Chen Xiaobei was standing on a high spot, so he could see everything clearly. I need to find the core of the relic as soon as possible. That way, I can free them!

"Beeping!"

Suddenly, a deafening bugle horn sounded from the square in front of the residential area.

All the slaves quickened their pace and gathered around.

There were about 50000 people, men, women, old and young, all in all, filling the square.

There was a high platform in front of the square.

On the stage, there was a team of armored warriors holding axes.

It was obvious that these Warriors and slaves all belonged to a certain force.

The responsibility of these Warriors was to manage the slaves.

"Bang!"

In front of the crowd, the leader of the Warriors kicked a teenager who was about 16 or 17 years old to the ground.

The young man looked thin and weak, but his body was unexpectedly strong.

After taking a kick from the leader of the Warriors, the young man only fell down but was not injured. Moreover, he was still holding the two steamed buns in his hands and continued to wolf them down.

"Yuan tuo! You little brat! How dare you steal dried food at night!"

The leader of the Warriors roared at the young man, "In devil earth, food and water are extremely precious. Those who steal dry food will be sentenced to death!"

"Oh ... You said it yourself ... If I work for ten people every day, you'll give me ten people's share of dry food ..."

The young man Yuan tuo was wolfing down his food while protesting, "I've already done the work of ten people for seven days in a row, but you didn't give me any more food ... I'm not going to steal, I'm just taking back what belongs to me!"

"Numbing! You actually dare to talk back!"

The leader of the Warriors was furious. He raised his battle axe and roared, "You're eating the rations for ten people, are you going to let them starve to death?"

"It was you who promised to give me ten people's worth of rations. Even if people starve to death, it's your responsibility!"

Yuan tuo chewed on his steamed bun and said solemnly, "besides, there's dried meat, spirit fruits, and even fine wine in your war preparation storehouse. Just a little bit of it won't starve you to death!"

"Nonsense!"

no! the leader of the Warriors roared, "the food in the war preparation room is for the Warriors! You lowly slaves, what right do you have to eat it!"

"I saw young master Xingren using dried meat as his pet dog yesterday!" Yuan tuo's brows furrowed as he retorted. Are we even worse than dogs?"

The leader of the Warriors snorted in disdain. You lowly slaves are like ants from the underground, maggots in the gutter! Don't say that young master Xingren's dog is nobler than you! You can't even compare to a single strand of dog fur!"

As soon as he said that, more than fifty thousand slaves around him all put on sorrowful faces. Their faces were sad and their hearts were hurt.

However, the vast 50000 people all swallowed their anger. No one dared to refute.

Only the youth, Yuan tuo, firmly protested, "I'm not convinced!" Although I'm a lowly slave, I'm only taking back what I deserve. What's wrong with that?"

"You're a weakling! This is a mistake!"

The leader of the Warriors raised his battle axe high and roared, "Everyone, look clearly! Those who stole dried food would be sentenced to death! Those who talked back to their superiors would be sentenced to death! Those who disobey the discipline will be sentenced to death! Die!"

"Swish!"

As the leader of the Warriors roared, his battle-axe, which was shining with a cold light, directly chopped toward the head of the young Yuan tuo.

It was obvious that the leader of the Warriors wanted to split Yuan tuo in half, using the cruelest method to intimidate the 50000 slaves.

"Clang"

However, right at this moment, a sharp beam of vital essence shot over from a distance and directly bounced off the warrior leader's battle-ax.

who's there!?

The leader of the Warriors was shocked. He gritted his teeth and tried his best to stabilize his battle axe. It was clear that the person who had come had a very high cultivation.

All of a sudden, more than 50000 pairs of eyes were focused on him.

They saw a young Man in Black walking over slowly. He said indifferently, " "I want this slave! State your price!"

"We are not selling our slaves!"

The leader of the Warriors was furious and shouted, " "This is the Vermillion bird's Wang family's territory. You may be powerful, but you are not strong enough to interfere in our Affairs!"

"You're really not selling?"

The young man in Black raised his eyebrows and said indifferently, " "If you don't sell it, I'll snatch it!"

Everyone was shocked.

Chapter 1968: Making A Strong Move (2)

"You little brat! What big words you have!"

"Look at your ethereal force," the warrior leader shouted,"you have at most one million combat power!" Even though I'm not your match, our young master Xingren is a one fire god-refining stage powerhouse, and he can easily kill you!"

"The Wang family of the Vermillion Bird? Wang Xing Ren?" Chen Xiaobei almost burst out laughing.

"What's wrong? You've heard of my family's young master's reputation?"

The leader of the Warriors proudly raised his chin and threatened, " young master Xingren isn't as easy to talk to as I am. If he heard that you wanted to snatch slaves, he would definitely stomp you to death, chop you into pieces, and feed you to the dogs!

"You know what? I hate it when people threaten me!" Chen Xiaobei said, " I'll only give you three seconds. Either you name your price or you fall!

"Numbing! Don't be too arrogant!"

"This is the buried city!" The warrior leader shouted angrily. The rules of the city were set by heaven dominating faction and the four imperial cities. If you dare to break the rules, they will not let you go!"

"Oh? There's such a saying?"

Oh? " Chen Xiaobei raised his eyebrows. the Wang family belongs to the Vermillion Bird continent. Does that mean that this entire area is under the Vermillion Bird Royal city's jurisdiction? "

"You're right!"

"The southern part of the devil nation is under the jurisdiction of the Vermillion Bird Royal City!" The leader of the Warriors said arrogantly. If you dare to touch me, the aristocrats of the Vermillion Bird Royal City will come and crush you!"

Chen Xiaobei was not moved at all. He even wanted to laugh. "I'm not trying to act cool, but the third Prince of the Vermillion Bird Royal City, mu chenfeng, doesn't even dare to touch a single hair on my head! How many waves can the Vermillion Bird nobles here cause?"

"This isn't acting cool? You're simply a super pretentious person!"

The leader of the Warriors rolled his eyes and cursed, "The third Prince of Vermillion Bird, mu chenfeng, is a core disciple of heaven dominating faction! Furthermore, he was a super expert ranked tenth on the minor heavenly fate ranking! The five-fire god-refining realm! Three million and five hundred thousand combat power!"

"You dare to say that the third Prince doesn't dare to touch you? Your face is even thicker than the corner of the city wall! You're too f * cking shameless!"

As soon as he said that, the 50000 people around him all nodded in agreement with the warrior leader.

It had to be known that these slaves were the lowest class of the people on the Vermillion Bird continent, and they had been sold as slaves for various reasons.

Because they lived in the lowest level, their vision was not high, and their cultivation was not high.

As such, in their eyes, the aristocrats of the Vermillion Bird Royal City were all Supreme existences! All of them were like gods in the heavens, omnipotent existences!

They worshipped the Vermillion Bird aristocrat! At the same time, he was afraid of the Vermillion Bird aristocrat from the bottom of his soul!

And now, Chen Xiaobei was saying that the high and mighty third Prince of the Vermillion Bird Royal City would not dare to touch him.

There were 50000 people in the crowd, but none of them believed Chen Xiaobei.

Everyone thought that Chen Xiaobei was just acting cool.

Even the youth Yuan tuo curled his lips and said in disdain, "This young master, you saved my life, and I am very grateful to you! But to be honest, I really don't like people who act cool like you ..."

"Don't worry, you'll like it sooner or later!" Chen Xiaobei shrugged his shoulders, his expression as calm as the wind.

Other people laugh at me for being too pretentious, I laugh at them for not being able to see through me!

Chen Xiaobei had fought mu chenfeng once at the Qin eldest great grandfather's birthday banquet.

At that time, Mu Chen had brought the clay Bodhisattva, which caused a sensation.

In the end, the clay Bodhisattva was the first to be shocked by Chen Xiaobei's Eight Trigrams divine pattern divine pattern divine pattern, and fell off the carriage.

Then, the clay Bodhisattva tried to figure out the power behind Chen Xiaobei and offended the prime of Tongtian. He was punished by the heavens and almost died.

Mu Chenfeng had seen everything. He was so scared by Chen Xiaobei that he almost peed his pants. He did not even dare to let out a fart and ran away with his tail between his legs.

This matter had completely disgraced Mu Chenfeng and the Vermillion Bird Royal City.

The people of the Vermillion Bird Royal City naturally did not mention it.

The other factions that were present that day were afraid of offending the Vermillion Bird Royal City, so they didn't dare to say a word.

Because of this, the Wang family had no idea what had happened that day.

These 50,000 slaves who had never seen the light of day wouldn't even know.

Of course, what they did not know was that Chen Xiaobei would use his actions to let them know.

"Whoosh!"

Chen Xiaobei stomped on the ground and dashed forward like a Phantom.

you ... You're really not afraid of the Vermillion Bird aristocrat?!

The leader of the Warriors was dumbfounded. He did not expect Chen Xiaobei to disregard the rules and attack him.

"Pa!"

Chen Xiaobei already had a million combat power, so he was extremely fast. In an instant, he was already in front of the leader of the Warriors and gave him a tight slap.

"Argh ..."

The leader of the Warriors let out a shrill cry like a pig being slaughtered. His entire body was sent flying seven to eight meters away. His head tilted to the side, and his teeth and blood spurted all over the ground.

"I originally only gave you three seconds. Now that 30 seconds have passed, I've already done my best to be kind to you!"

Chen Xiaobei stood there proudly and said, "This little slave is mine! Those who have objections, just stand out!"

"Hiss ..."

The soldiers around them gasped and backed away, not daring to stand beside Chen Xiaobei.

"Young master ... You ... You're really not afraid of the Vermillion Bird aristocrat?" The youth Yuan Tuo was dumbstruck, unable to believe his eyes.

"I've never been a pretentious person! Everything I've said is the truth!" Chen Xiaobei shrugged. His tone was calm, but it exuded a domineering aura.

Only those who were in control of the overall situation could have such a fearless spirit.

it seems like I've misunderstood young master ... Yuan tuo composed himself and said solemnly, "Young master, please take me away! I, Xuanyuan tuohai, am willing to be young master's slave!"

"What?" Chen Xiaobei asked, "What did you just say? Xuanyuan?"

young master, be careful! Yuan tuo didn't have the time to explain and hurriedly warned.

"Whoosh!"

Suddenly, a powerful green wood true essence shot out from the crowd and was aimed at Chen Xiaobei's heart.

"One fire to refine the spirit! 1.5 million combat power!"

Chen Xiaobei quickly dodged to the side.

"BOOM!"

With a loud explosion, the spot where Chen Xiaobei was standing a moment ago was blasted into a huge pit. The soil and rocks were shattered, and the ground trembled.

"Young master Xingren is here ... Greetings to young master Xingren ... Greetings to young master ..."

The 50,000 slaves knelt down and kowtowed to a young man with great respect.

"Little brat! You're too weak! If you want to fight, you will die!"

A well-dressed young man was walking slowly towards Chen Xiaobei, his eyes full of disdain.

This person was the person in charge of this area, Wang Xingren from the Vermillion bird's Wang family!

Chen Xiaobei was not afraid at all. He smiled and said, "You really want to fight? I'm afraid you'll regret it!"

[Red Envelope Group of the Three Realms](#)

Chapter 1969: Tian Peng's Scheme (3)

"Regret? Hehehe ..."

Wang Xingren sneered disdainfully. this is the Wang family's territory. I, Wang Xingren, have a one fire god-Ascension cultivation base with 1.5 million combat power. Do you think this is a joke? "Regret? It doesn't exist!"

"Is that so?"

"Do you have an earth-god instrument?" Chen Xiaobei asked.

"Earth-god instrument?"

Wang Xingren's expression froze, and he said unhappily, "Of course I didn't! Earth-god instruments are extremely rare. Apart from some top forces, no one can have an earth-god instrument!"

It was obvious that the Wang family was only a third or fourth-rate power on the Vermilion Bird continent.

The head of the Wang family didn't even have the right to attend the Qin eldest great grandfather's birthday banquet.

Looking at the excavation area that belonged to the Wang family, it was near the entrance to the devil nation, which was equivalent to being at the edge of the devil nation.

Even if they dug through this place, they wouldn't be able to reach the core of the relic.

From this, it could be seen that the Wang family was one of the weakest forces in the devil country, and could only excavate at the outermost area.

An earth-god instrument was not something that the Wang family could possess.

"You don't, but I do!"

Chen Xiaobei raised his eyebrows and smiled.

"You? Ha! Hahaha ..."

Wang Xingren laughed disdainfully, "you only have one million combat power, much weaker than me!" You think you can own an earth-god instrument? This is the stupidest joke I've ever heard!"

"It seems that you won't shed tears until you see your coffin!" Chen Xiaobei raised his eyebrows and took out the chaos Blood Sword.

"Whoosh ..."

In an instant, the blood-red light enveloped the surroundings. A ferocious, sinister, violent, overbearing, and terrifying pressure suddenly crushed everyone.

"Oh my God ... This ... This is really an earth-god instrument ..."

Wang Xingren took a deep breath, and his expression became very ugly. He swallowed his saliva as he retreated.

"An earth-god instrument ... The Blood Sword in this young master's hand is an earth-god instrument ... My God! Who is this young master ... He's too powerful ..."

The 50,000 slaves also took in a breath of cold air and were stunned.

These 50,000 people were all slaves of the lowest level. To them, a high-rank spirit tool was already a very powerful existence.

In the eyes of these 50000 people, Chen Xiaobei, who was holding an earth-god instrument, was like a god.

young master ... You ... You actually have an earth-god instrument ... You're the one I've been waiting for ... Please take me away ...

Yuan tuo threw away the half-eaten bun and knelted on one knee, looking up at Chen Xiaobei with utmost sincerity.

"Wang Xingren, didn't you want to fight? Come on!"

Chen Xiaobei held the sword in one hand and beckoned Wang Xingren with his other hand, provoking him.

"I ... I regret it ... I don't dare to fight ..." He said.

Wang Xingren kept swallowing his saliva, his pupils couldn't help but contract, and his whole body was trembling.

Even if he had ten thousand guts, he would not dare to start a war with Chen Xiaobei.

God-refining fire against a one-star earth-god instrument, this was simply courting death! Seeking death!

"I told you, you'll regret it!"

Chen Xiaobei shrugged, put away the chaos Blood Sword and said, "You don't have any objections to me taking this little slave, do you?"

no objections ... No objections ... Absolutely no objections ... Wang Xingren shook his head like a rattle drum. It would be strange if he dared to have any objections.

Chen Xiaobei ignored him and turned to Yuan tuo, "Let's go, Xuanyuan tuohai!"

"As you command! My master!" yes, master! Yuan tuo bowed sincerely and quickly followed Chen Xiaobei.

.....

After Chen Xiaobei left, Wang Xingren quickly took out his phone.

"The Vermillion Bird Imperial Guards?"

"Hello, Sir ... I'm Wang Xingren from entrance area No. 33 ... Someone just made trouble and robbed one of my slaves ..." Wang Xingren said in a low voice.

"A mere slave is worth reporting?" A disdainful voice came from the other end of the phone.

Wang Xingren quickly changed his words. that person used force and injured the leader of my Warriors. This is a public violation of the rules of the Vermillion Bird Royal City. It is a challenge to the dignity of the royal city!

report his location. We'll send someone over to deal with him! The commander of the guards coldly said.

Wang Xingren said ruthlessly, "not deal with!" You must kill him!"

"It's not your turn to teach me what to do!" The commander of the guards said disdainfully.

"No... I don't dare to teach you ... It's just that that kid has openly violated the rules. If he's not severely punished, the Vermillion Bird Royal city's prestige will be swept to the ground! In the future, wouldn't any Tom, Dick, or Harry dare to run wild in our territory?"

Wang Xingren fanned the flames,"and the most important point!" That brat had publicly humiliated the third Prince! If those humiliating words were to spread within the Vermillion Bird Royal City, I'm afraid that even you would be punished!"

"This ..."

The commander hesitated for a moment before saying, " "You follow that kid in secret. You can't lose him! I'll immediately mobilize my men and kill him on the spot!"

"Yes, sir!" Wang Xingren narrowed his eyes and laughed evilly.

.....

Devil earth continent.

The highest base in the Vermillion Bird Royal City.

The third Prince's Palace.

"Master, are your injuries better?"

Mu chenfeng, the third Prince of Vermillion Bird, stood respectfully by the bed with a bowl of medicine in his hands.

"Master only suffered a superficial wound, it won't be a big problem!"

On the other side, the living God clay Bodhisattva also stood respectfully. His tone was humble and he didn't dare to speak loudly.

It was obvious that their master was Tian Peng!

"Damn that Chen Xiaobei! You could've killed me, but you didn't!"

Tian Peng sat up from the bed and said, " "He wants me to be grateful to him! This was absolutely impossible! I must kill him! I will!"

Ding Ling Ling Ling

At that moment, mu chenfeng's phone rang.

After the call was connected, mu chenfeng said a few simple words and hung up.

"Master! The latest news! Chen Zhufeng has entered the underground devil Kingdom!" Mu chenfeng's face tensed up as he spoke in a low voice.

Chen Zhufeng? " Tian Peng's eyes narrowed. Chen Zhufeng has many tricks up his sleeve. Is your information reliable? "

"The information should be correct!"

yes! mu chenfeng said. the people below said that Chen Zhufeng took out a blood-red sword. It's a one-star earth-god instrument!

"It's the chaos Blood Sword! This can't be wrong!" Tian Peng's mouth twitched and his eyes were filled with hatred.

The reason why Tian Peng lost the battle last night was because the chaos Blood Sword had cut his arm.

When mu chenfeng heard this, he said with a murderous aura, " "Since we've confirmed that it's faction leader Chen, I'll immediately order my men to kill him!"

"No!"

Tian Peng shook his head and said coldly, "I don't want you to kill him!" I want you to be his loyal dog!"

"What?"

Mu chenfeng's expression froze and he said with a dumbfounded expression, " "Master! I've been loyal to you, so why do you want me to join the enemy?"

"Chen Xiaobei is as cunning as a Fox! He even had a five-star earth-god instrument in his hand! It's almost impossible to kill him!"

Tian Peng's eyes focused, "we can only succeed if we outwit him!."

"How do we outwit them?" Mu chenfeng and the clay Bodhisattva were both stunned and full of curiosity.

Chapter 1970: The Background Of A Teenager (4)

"Only the first piece of heavenly dog biscuit is effective! A loyal dog would only be loyal to its first master! Even if you eat other people's dog food, it won't change your loyalty."

Tian Peng squinted his eyes and looked at mu chenfeng. He smiled evilly and said, " "I want you to fight Chen Xiaobei. With Chen Xiaobei's habit, he will definitely make you eat dog food!"

Upon hearing this, mu chenfeng suddenly realized and said, " I'm your loyal dog now. The dog food Chen Xiaobei gives me will have no effect on me!

"That's right!"

you'll still be my loyal dog! Tian Peng laughed. but Chen Xiaobei doesn't know that! This way, you can play the role of Chen Xiaobei's loyal dog and stay by his side!"

"Chen Xiaobei may suspect anyone but his loyal dog!" Mu chenfeng laughed. When he's defenseless, I can launch a sneak attack and directly take his little life!"

"Right!"

Tian Peng nodded in satisfaction, " this is my plan. As long as everything goes well, Chen Xiaobei will be dead for sure!

"Master's divine plan! He had extraordinary wisdom! This subordinate is extremely impressed!" Mu chenfeng and the clay Bodhisattva were both excited and praised Tian Peng's plan.

"Alright, mu chenfeng, you can set off now!" go ahead! Tian Peng ordered. clay Bodhisattva, calculate the date of Chen Xiaobei's death. When the time comes, let mu chenfeng take action!

"Yes, sir!"

Mu chenfeng and the clay Bodhisattva accepted the order and started their own tasks.

"Hmph Hmph! Chen Xiaobei! This time, let's see how you're going to fly out of my Five Finger Mountain!"

Tian Peng sat by the bed and was filled with excitement. He couldn't wait to see his plan succeed.

.....

In the heavenly demon remains.

Chen Xiaobei released the Golden and silver horned wind seeking deer that he had obtained earlier.

The two spiritual beasts 'original owners were dead. After Chen Xiaobei established a spiritual connection with the spiritual beast bracelet, he became their new owner.

Chen Xiaobei still had the giant barbaric Tiger and the fire cloud Lion.

However, the two beasts were too eye-catching. To avoid trouble, Chen Xiaobei chose to travel with the wind-seeking deer.

Chen Xiaobei and Yuan tuo were each riding a wind seeking deer, heading towards the center of the demonic remains at full speed.

After traveling for half a day, the two of them arrived at a deserted area.

Chen Xiaobei decided to let the deer rest.

After half a day of interaction, Yuan tuo and Chen Xiaobei had established a good relationship.

Not long after he stopped, Yuan tuo leaned over with a smile, " "Master, can I have some of the desserts you brought?"

I told you, you don't have to call me master. You can just call me bro bei. Chen Xiaobei said.

After that, Chen Xiaobei took out all the desserts from his infinite space ring and gave them to Yuan tuo.

"Thank you, master!"

Yuan tuo was very stubborn. He still called Chen Xiaobei 'master'. At the same time, his eyes glowed with excitement. He took the desserts from Chen Xiaobei and gobbled them up.

"Eat slowly, if it's not enough, there's more!"

let's go! Chen Xiaobei said as he took out a storage bracelet.

This storage bracelet was Ishizaki yuuda's! There was also a lot of high-quality food!

After the battle last night, Chen Xiaobei had obtained the storage bracelet and the Crimson Moon-slaying saber.

At the same time, he received a million merit points for killing Ishizaki Yuuda and the eighty-one ninjas!

In the end, he received the 80000 merit points from killing Tenhon Ishizaki.

[your current merit points are 70080000. You need 19920000 merit points to go to the next level.(Charm: 7008000, luck: 7008000) !

Chen Xiaobei left the storage bracelet and Qing Xuan Tian che to Tian Peng.

Chen Xiaobei did not even have the time to check Ishizaki Yuuda's storage bracelet.

Chen Xiaobei was very excited when he checked it out.

There were 20000 upper spiritual stones in the storage bracelet.

After transferring the spiritual stones into the infinite space ring, Chen Xiaobei had 70000 high-grade spiritual stones, 20000 medium-grade spiritual stones, and 120 million low-grade spiritual stones.

To Chen Xiaobei, this was another huge gain!

Unfortunately, other than the spiritual stones, nothing else caught Chen Xiaobei's attention.

After transferring all the spiritual stones, Chen Xiaobei only left behind food and water.

The rest of the items were thrown into the heaven and earth smelt to be refined.

Chen Xiaobei did not even hesitate to throw the Crimson Moon slaying saber into the heaven and earth furnace.

At this point, the heaven and earth smelt had already refined many things!

The dark red flag of the poison priest! The two Ninja knives of Ishiqi Kungfeng and Ishiqi Chisa! Jiang Shaodian's Green armor, a Green Shield, and the Green Dragon Mountain-breaking saber!

In addition, there were also their storage bracelets, which included all kinds of spiritual weapons, spiritual objects, spiritual medicine, and spiritual pills. After careful calculation, they could also be converted into a lot of spiritual aura of heaven and earth.

At this moment, with the Crimson Moon slaying sword and Ishizaki Yuuda's storage bracelets, the amount of Heaven Earth spiritual aura could be even more.

After ten days, the witch Dragon heavenly flame would be able to refine everything!

By then, Chen Xiaobei could choose to strengthen his trump card or increase his cultivation!

From the amount of heaven and earth spiritual aura, no matter what Chen Xiaobei chose, this increase would be very powerful!

master, I'm done. Don't you want to eat something? " Yuan tuo chuckled. He seemed to be concerned about Chen Xiaobei.

"I'm not eating."

Chen Xiaobei shook his head and said, "The higher your cultivation, the lower your need for food! At the spirit-refining stage, you're almost insatiable and it's fine if you don't eat or drink."

"I really envy you!"

Yuan tuo scratched his head in embarrassment, "my cultivation level is very low, but my body is very strange ... So, I'm always like a Hungry Ghost, as if I won't be full no matter how much I eat ...

[ding Yingying's cultivation State: Solid body state. Lifespan: [99 years], physique: 300000, combat power: 1000!

Chen Xiaobei's netherspirit battlescouter gave him a shock.

This Yuan tuo was a slave of the lowest rank, so it was normal for him to have low battle prowess. However, the strength of his physical body was actually three hundred times that of his battle prowess!

This was very, very strange!

"Master? Why are you looking at me like that?" "Is there something wrong with me?" Yuan tuo's brows furrowed.

Chen Xiaobei did not deny it but exclaimed, "No wonder you can do ten people's work and eat ten servings of food ... Your talent is really amazing ..."

"My talent is actually closely related to my background!" Yuan tuo said.

yes! Chen Xiaobei nodded. you mentioned that you're called Xuanyuan tuohai? "Also, I'm the one you've been waiting for? All of this should be related to your background, right?"

"There's no one else nearby. I'm willing to tell you all my secrets, master!"

I just hope that master won't be afraid after hearing this, "Yuan said in a deep voice. don't leave me behind!

"Afraid?"

Chen Xiaobei raised his eyebrows and said, "There's no such word in my dictionary!"
