Chapter 1971: Master Of The Bloodsword (1)

"Master is really domineering!"

Xuanyuan taohai composed himself and said seriously, " I used to be the 33rd young master of the Xuanyuan family in Videha, the earth-god Realm!

"The Xuanyuan family from the earth-god Realm!" Chen Xiaobei said. They should be the descendants of Emperor Huang Xuanyuan, and should be a very prominent family, right?"

"Right!"

Xuanyuan taohai nodded his head and said, "the Xuanyuan family is indeed one of the most powerful families in Videha!" I should be the young master of the Xuanyuan family that everyone envies! He should have had a lofty status! They had unlimited resources! We will have a bright future!"

however, I never had any of these!

"When I was just born, 'old man divine armament' came to the Xuanyuan family!" He predicted that I'm the son of the evil demon, and that I'll bring endless slaughter and disaster to the Videha!"

because of what I said, my family banished me to a slum in apocalypse Starfield and let me live and die on my own! I was lucky to be raised by an old beggar. After that, the old beggar died and I became the lowest slave!"

"Old man Divine Secrets?"

Chen Xiaobei was surprised. "Who is he? You can change the Xuanyuan family's decision with just a few words?"

old man Divine Secrets is like a clay Bodhisattva in apocalypse Starfield. He's an expert in divination who can pry into the secrets of heaven!

"Of course," Xuanyuan tuohai replied, "the old man of heavenly secrets is much more powerful than a clay Bodhisattva!" That was because the old man of heavenly secrets was a peak earth immortal! It's said that he can reach the gate of heaven realm and listen to the divine immortal's decree outside the gate!"

"Listen to a celestial immortal's decree?" Chen Xiaobei's expression changed as he thought of someone.

Xu Fu!

In the past, it was under the Jade Emperor's order that Xu Fu replaced the spirit pill used by Ying Zheng for his immortal Ascension with a deadly poison pill!

Of course, this was just Chen Xiaobei's imagination!

Was that old man Divine Secrets Xu Fu? Or was it related to Xu Fu? There was no evidence to prove these problems, so they could only put them aside for the time being.

"Legend has it that the old man of heavenly secrets has always planned for everything! As long as he divines something, he has never made a mistake!"

"That's why the old man of heavenly secrets has a huge number of followers in the earth-god Realm!" Xuanyuan tuohai said in a deep voice. The words he says are like the truth, and countless people will believe in them!"

back then, if my family didn't exile me, I'm afraid countless forces in Videha would have joined forces to suppress the Xuanyuan family!

Chen Xiaobei was taken aback and said, "The more believers there are, the greater the influence! Just a casual word from him can change the structure of the world!"

that's right ... Xuanyuan taohai nodded. "Men fight for fate, Buddha fight for incense! In the end, it was all about fighting for believers! This situation was especially obvious in the earth-god Realm! The more powerful a person is, the more they care about the number of believers!"

Chen Xiaobei nodded and asked, "by the way, you were still a baby when you were exiled. How did you know so much?"

"When I was exiled, I had an ancient jade in my pocket! As long as I use my spirit to communicate, the ancient jade will transmit the relevant information."

Xuanyuan tuohai pulled out a piece of ancient green jade from his collar.

The Jade looked ordinary, and its surface was full of cracks. He hung it on Xuanyuan tuohai's neck with a red line.

Chen Xiaobei looked at it carefully and asked, "Is there any other information in this Jade?"

"There are!"

"There's also a prophecy in the ancient jade," Xuanyuan tuohai said in a deep voice. "A blood-colored demonic sword will appear in the extreme west demonic land! The master of the demonic sword will take me back to the earth-god Realm and help me break the shackles of fate! Quell the evil demon's tribulation!"

"The master of the blood devil sword? You mean me?" Chen Xiaobei was taken aback.

"Yeah! It's you!"

"This is the devil earth continent in the far west of the star field!" Xuanyuan taohai nodded. And the blood-colored long sword you just showed was as fierce as a blood demon! This has fulfilled the contents of the prophecy!"

Chen Xiaobei thought for a moment and said, "In other words, I have to take you back to the earth-god Realm? You want me to help you change your fate? I'll be the one to quell the evil demon tribulation?"

"Yes ..."

Xuanyuan taohai nodded and said in a low voice, " "Master, are you afraid? Don't worry! I can wait! We'll return to the earth-god Realm when we're strong enough! Please don't be afraid! I beg you, please don't throw me away ..."

"Don't be nervous! I'm not afraid!"

Chen Xiaobei shrugged and said, " "I'll go to the earth-god Realm sooner or later! Besides, my real target is the celestial immortal world! If I can't even settle the matters in the earth immortal world, what right do I have to go to the heaven immortal world?"

"Master! As expected of the wielder of the blood demonic sword, you're simply too, too awesome!"

Xuanyuan taohai immediately praised, " "I thought that you would be afraid after hearing about my background and would abandon me! I didn't expect that your vision has long surpassed that of an earth immortal! I was too shallow ..."

"Don't be in such a hurry to flatter me!"

I'm not that strong yet! Chen Xiaobei waved his hand. I still have a long way to go before I reach the earth-god Realm!

"I understand! Understood! I can wait!" Xuanyuan taohai said excitedly, "as long as I can follow master, I'll be able to see infinite hope!" I can wait as long as I want!"

alright! Chen Xiaobei nodded. since you're mentally prepared, you'll have to follow me from now on! I can take you in as my disciple and teach you cultivation techniques! With your talent, your strength should increase very quickly!"

"Really?"

"I've been dreaming of improving my cultivation, but I'm of low status and can't access any cultivation techniques!" Xuanyuan tuohai said in surprise.

"Kowtow and change your words." Chen Xiaobei said.

"En!"

Without hesitation, Xuanyuan tuohai knelt on the ground and kowtowed to Chen Xiaobei, " "Disciple Xuanyuan tuohai greets master!"

"Get up!"

"Our faction is called bei Xuan faction!" I'm the faction leader, my surname is Chen, my name is Xiaobei, and my name is Zhufeng! From today onwards, I'm your master! And you will be my fifth personal disciple!"

"This disciple will remember!" Xuanyuan tuohai was extremely excited.

"This is for you!"

Chen Xiaobei took out a book from his infinite space ring and said, " "This is the primordial Jade divine technique, a cultivation technique from the heaven realm!"

although it's slightly inferior to my Scripture of heaven and earth, it's definitely better than all the other cultivation techniques in the human world. Practice well and you'll definitely achieve great things!

"Thank you, master!"

Xuanyuan tuohai received the technique with both hands and kowtowed three times.

"I've found the target! They are over there! Hurry ... Hurry up and inform the third Prince!"

At this moment, shouts came from all directions.

A few seconds later, hundreds of people gathered around Chen Xiaobei and Xuanyuan tuohai.

[Red Envelope Group of the Three Realms](#)

Chapter 1972: The Demon's Eye (2)

"Master! This is bad! These people are the Vermillion Bird Imperial Guards!"

Xuanyuan taohai immediately tensed up and stammered, "The Vermillion Bird Imperial Guards are extremely powerful, and they are in charge of managing the southern regions of the devil nation! Anyone who breaks the rules will be killed by the Vermillion Bird Imperial Guards!"

Chen Xiaobei shrugged and said, "relax, they're just a bunch of rotten eggs. They're not even worth mentioning!"

"Master! I can't be careless!"

you may have a one-star earth-god instrument, but the head of the Vermillion Bird Imperial Guards also has one-star earth-god instruments. With their earth-god level battle formation, they can completely suppress you! Xuanyuan tuohai said nervously.

Chen Xiaobei smiled and asked, "heh, who told you that I only have one one one-star earth-god instrument?"

this ... Xuanyuan tuohai was stunned and asked in disbelief, "How many one-star earth-god instruments do you have?"

I don't have any one-star ones anymore. I have two-star, three-star, and five-star ones. Is that okay?" Chen Xiaobei smiled, his heart calm.

how ... How is this possible?! Xuanyuan taohai's eyes widened in shock, unable to believe his ears.

"You little brat!"

At this moment, Wang Xingren strode over with a sneaky smile. "You've committed a crime and you still dare to stop and rest. Let's see where you can run to today!"

"Why should I run?" Chen Xiaobei asked with a smile.

"Numbing! Are you blind?"

"There are more than a hundred soldiers of the Vermillion Bird Imperial Guard around here, and the commander is here!" Wang Xingren said angrily. If you don't run, you'll be dead!"

Chen Xiaobei's face turned cold and he asked again, "Then, do you want me to run? Or do you not want me to run?"

I ... I hope you die!!!

Wang Xingren's expression darkened slightly, and he shouted angrily, "You've made me lose all my face in front of 50000 slaves! Only by seeing you die can I dispel the hatred in my heart!"

"In that case, I won't run!"

Chen Xiaobei's eyes were cold and murderous. "As for whether you can kill me or not, it'll depend on your own abilities!"

"Little brat! You're too arrogant!"

A middle-aged man in red armor raised his saber and roared, "I am the 3rd battle area Commander of the Vermillion Bird royal guards! The saber I'm holding is a one-star earth-god instrument!"

"The Warriors I brought here are all celestial phenomenon ascendants! They could form a one-star earth-god level battle formation! It's easier to kill you than to kill a chicken!"

As soon as he said this, Wang Xingren suddenly laughed hideously. "You little brat! Did you hear that? With the commander here, you'll definitely die!"

sh * t ... Sh * t ... I shouldn't have stopped to rest ... Xuanyuan tuohai's face was filled with anxiety and his breath was short. His body trembled slightly and his heart had already turned cold.

"Swish!"

Suddenly, Chen Xiaobei raised his arm and threw a blood-red scroll into the air!

"The person who wants to kill me! I'll definitely put you to death!"

Chen Xiaobei opened the scroll in the air.

The scroll was several meters long when it was unfurled. The front of the scroll was carefully engraved with the image of an Army charging at full force.

Although it was just a painting, it revealed the majestic aura of iron and blood.

It made the people watching the painting feel as if they were in the painting, and their hearts were shocked.

"Whoosh ..."

In the next moment, blood-colored flames were ignited, and the thousands of soldiers and horses turned into evil ghosts and skeletons!

They were like an Army of Ghosts from hell, fierce, gloomy, and full of killing intent!

It was as if he wanted to turn the entire human world into a bloody hell!

"Not good! That ... That ... That's a two-star earth-god instrument!"

The commander of the Vermillion Bird Imperial Guards screamed in horror as his pupils contracted and his body trembled.

"What? Two ... Two-star earth-god instrument ... How ... How is this possible?!"

Wang Xingren's face was instantly filled with shock. The sinister smile he had just a second ago instantly stiffened, and in its place was an extreme fear that struck straight into his soul.

run ... Run ... That kid has a two-star earth-god instrument ... We're no match for him even if we die ...

The hundred Vermilion Bird guards around him were also trembling in fear.

Gasps of shock could be heard from the crowd.

At the earth immortal realm, even if it was just a small realm like one-star and two-star, there was a huge gap.

The moment Chen Xiaobei took out his two-star earth-god instrument, everyone's hearts were already in their throats.

Everyone around them felt fear from the bottom of their hearts. They couldn't even muster up the slightest bit of battle intent!

There was only one word in everyone's mind-run!

However!

The blood-colored flames had already descended, imprisoning every enemy in the surroundings.

The blood God's deity-killing painting had already reached the level of a two-star earth-god instrument. Even if the commander of the Vermillion Bird royal guards had a one-star earth-god instrument, he would not be able to break free from the restriction.

As for the others, they couldn't even move a finger, let alone escape.

"Oh my God ... Master ... You ..."

Xuanyuan tuohai was stunned and swallowed his saliva. "You're too, too, too, too powerful! A two-star earth-god instrument had blown everyone up! I'm so handsome!"

Chen Xiaobei shrugged and said, " "Stop flattering me! Do you dare to kill?"

this ... Xuanyuan tuohai was stunned.

"What's wrong? Don't you dare?"

you ... Chen Xiaobei frowned. weren't you pretty bold when you talked back to the leader of the Wang family's soldiers? "

it's not that I don't dare to ... Xuanyuan taohai said in a low voice, " "I grew up in the slums, and I was too timid to live to this day! But ..."

"But what?" Chen Xiaobei asked.

Xuanyuan tuohai pursed his lips and said anxiously, " however, once I see blood, I'll become a terrifying person ...

"It's fine. No matter what you become, I will take good care of you!" don't touch those people! Chen Xiaobei said. you can take your own weapon!

"Yes, sir!" Xuanyuan taohai composed himself, and his gaze gradually became determined.

It wasn't hard to see that Xuanyuan tuohai had been living a hard life since he was young. He must have been bullied a lot, and when he couldn't bear it anymore, he would inevitably hurt people and even kill people!

At this moment, Xuanyuan taohai walked over and snatched the one-star earth-god grade saber from the commander of the Vermillion Bird Imperial Guard.

spare me ... I was wrong ... I won't do it again ... Please ... Spare me ...

no! the commander screamed, his face filled with despair. His body was confined by the blood-colored flames, and he could do nothing but beg for mercy.

"Those who want to kill my master must die!"

Xuanyuan tuohai's eyes narrowed. He held his saber with both hands and slashed at the commander's neck.

"Woof! Pfft ..."

With a raise of the hand and a fall of the blade, the head was removed!

Hot blood spurted out of the commander's headless body like a fountain.

kill!!!

In an instant, Xuanyuan tuohai's eyes turned blood-red!

It was like a Demon's Eye, emitting endless evil!

[Red Envelope Group of the Three Realms](#)

Chapter 1973: Bloodline Of The Yimo (3)

uh ... Kill!!!

Xuanyuan tuohai unleashed a terrifying battle, his blood-red eyes locking onto Wang Xingren.

don't ... Don't kill me ... I don't want to die ... No... Don't ...

Wang Xingren let out a hysterical scream, and his crotch was instantly drenched.

"Swish!"

Xuanyuan tuohai took a step forward, and the saber in his hand cut off Wang Xingren's head in an instant.

"Swish!"

Blood spurted out, splattering all over Xuanyuan tuohai's face and body.

Immediately after, Xuanyuan tuohai's body underwent a new change!

His skin gradually turned Scarlet, as if it had been painted red. It was extremely demonic.

His muscles bulged up like steel and rock, sharp and angular, containing explosive power.

Sharp claws grew out of his fingertips, and two demonic horns grew out of his forehead.

Yimo ... That's the Yimo totem of the ancient devil Kingdom ... My God ... How can a human become a Yimo ...

"The Yimo totem is the highest form of faith for the demons ... The descent of the Yimo ... Could it be that the demons are about to rise from the ashes ..."

help ... Help ... The Yimo are here ... The calamity for the humans is not far away ...

The hundred or so Vermillion Bird Imperial Guards in the surroundings all screamed in fear.

"Woof! Buzzzzzz! Yi ..."

Xuanyuan tuohai had already turned into a ruthless demon. He wielded his saber and charged in all directions.

In an instant, the domain enveloped in blood-colored flames was filled with human heads and broken corpses. It had directly turned into a hell ruled by evil demons.

Meanwhile, Chen Xiaobei had been observing the changes in Xuanyuan tuohai.

that old man Shen Ji from the earth-god Realm is indeed quite capable. He could actually predict that Xuanyuan tuohai has the blood of the evil demon in his body!

Chen Xiaobei looked at it carefully and was shocked. "Xuanyuan tuohai's speed and strength have increased a lot ..."

[ding Yingying's cultivation State: Solid body state. Lifespan: [1999 years] physique: 1000000 combat power: 1000!

"No way! After activating his demon bloodline, Xuanyuan tuohai's physical strength had reached one million! If his cultivation becomes stronger, wouldn't his physical body be heaven-defying?"

Chen Xiaobei's eyes were wide open. this bloodline is truly terrifying. If I could also possess this bloodline, that would be too awesome!

kill!!!

Xuanyuan tuohai gripped his saber with both hands and charged at Chen Xiaobei.

The Vermillion Bird Imperial Guards were all dead, and Chen Xiaobei was the last target they could attack.

"You want to kill me too?"

this is ... Chen Xiaobei frowned and said, " it seems that this bloodline not only defies the natural order, but also has a huge drawback! Once the bloodline is activated, it will lose its mind and won't be able to distinguish between friend and foe. It will only stop after killing everyone!"

"Woof!"

Xuanyuan tuohai was already right in front of Chen Xiaobei, as if he did not know who Chen Xiaobei was. He swung his blade at Chen Xiaobei's head.

The power of the attack was immense. Even though Xuanyuan tuohai's cultivation was very low, the strength of his body and the sharpness of his one-star earth-god grade saber were more than enough to kill the defenseless Chen Xiaobei!

Of course, that was if Chen Xiaobei was not prepared for it!

Chen Xiaobei was very focused and had already noticed Xuanyuan tuohai's attack, so he was not in any danger.

"Swish!"

Chen Xiaobei's left hand formed a claw and he swung it up.

Originally, Chen Xiaobei only had one million combat power.

However, when the primordial Witch King combat enhancement training manual was fully activated, coupled with his 1.3 million physical strength, his actual combat power was directly raised to 1.3 million!

Chen Xiaobei's left hand grabbed Xuanyuan tuohai's wrist.

The overwhelming power caused Xuanyuan tuohai's saber to stop in its tracks, unable to continue slashing.

"Bang!"

At the same time, Chen Xiaobei's right hand formed a blade with his fingers and unleashed 1.3 million combat power.

The hand blade drew an arc and struck the back of Xuanyuan tuohai's neck with lightning speed.

"Uh ..."

Chen Xiaobei's combat power was far stronger than Xuanyuan tuohai's physical body. With a single blow, he knocked Xuanyuan tuohai unconscious.

After losing consciousness, Xuanyuan tuohai's exploded muscles began to contract gradually, and his skin gradually returned to its original color.

When Xuanyuan tuohai woke up, he would turn back to that ordinary-looking young man.

"Son of the evil demon ... Such a strong killing intent ..."

Chen Xiaobei kept the one-star earth-god grade saber and looked at the unconscious Xuanyuan tuohai.

it seems that old man Divine Secrets's prediction was right ... If Xuanyuan tuohai is allowed to grow, I'm afraid it will really bring about an incalculable catastrophe ...

Chen Xiaobei furrowed his brows, and his dark eyes were filled with anxiety. "Since I've already accepted Xuanyuan taohai as my disciple, what can I do to help him change his fate?"

Chen Xiaobei had no idea what to do. He could not think of any practical solution with just two prophecies.

"If it really doesn't work ... I can only pry into heaven's secrets ..."

Chen Xiaobei raised his hand and was ready to use the eight trigrams evolving divine pattern.

However, after a moment of hesitation, Chen Xiaobei gave up. "No! Second brother has Shen Gongbao as his backer, but he doesn't dare to pry into the secrets of heaven himself. Instead, he uses the hands of the clay Bodhisattva to calculate!"

I'd better not touch this kind of taboo. If Shen Gongbao secretly causes trouble and brings me an unexpected heavenly punishment, it'll be no joke!

"If I can't divine it myself, then the best way is to catch the clay Bodhisattva and let him see the secrets of heaven!" Chen Xiaobei said.

"With the clay Bodhisattva's cultivation, he should be able to calculate Xuanyuan tuohai's fate! This way, I will know how to help my disciple!"

"As for the heavenly punishment, no matter how strong it is, it'll be the death of my fellow Daoist! I have nothing to do with killing the clay Bodhisattva! Hehehe ..."

Chen grinned evilly but quickly frowned.

however, there is still the biggest problem!

"The clay Buddha is working for second senior brother!" Chen Xiaobei said. It was very likely that he had already become second senior brother's loyal dog! Even if I catch the clay Buddha, I can't control him. It'll be boring then!"

"Mm! I have to ask the celestial Hound first!"

Chen Xiaobei took out his phone and looked for Xiao Tianquan's private message.

Chen Xiaobei-Xiaotian! Sky howling! Call for howling sky! I have something urgent to ask you!

Celestial Hound,"God Chen, what's the matter?"

Chen Xiaobei: " I want to ask you something. If a person had eaten Tian Peng's dog food and I gave him another piece of dog food, would I be able to control him? "

The celestial Hound,"no!" After the first piece of dog food recognized an owner, eating a second piece of dog food would be ineffective!

Chen Xiaobei: That would be troublesome ...(Disappointed)

Little Tianpeng: "God Chen, don't worry. There's another way to take the loyal dog!"

Chen Xiaobei: (All ears)

Red Envelope Group of the Three Realms

Chapter 1974: Spirit Testing Talisman (4)

The celestial Hound said, "the method is very simple!" If the canopy great country used normal dog food to control a loyal dog, you only needed to use high grade heavenly dog food to reverse the control!

Chen Xiaobei:

The celestial Hound thought, "yes, it's that simple!" I've already given you the high-grade heavenly dog food formula. Don't tell me you haven't refined it yet?

Chen Xiaobei thought, 'I've met a pillow when I'm sleepy! I've already refined the high-grade heavenly dog biscuit, but I've never had the chance to use it! (Hehe)

The celestial Hound thought, this is simple! As long as you catch the loyal dog of the canopy great country, a piece of high-level heavenly dog food can solve all the problems!

Chen Xiaobei: " by the way, is there any way to determine if a person has ever eaten dog food? " What if a clay Buddha has never eaten dog food before? then wouldn't I be wasting a high-quality dog food for nothing?

The celestial Hound replied, "of course I have a way!" You only need a simple spirit testing talisman to test whether the other party has eaten dog food!

Chen Xiaobei, a spiritual talisman? Shen Gongbao strictly prohibits giving me red packets! You can't send it to me!

The celestial Hound, "don't worry!" This was a very simple spirit talisman! I'll send you a picture, and you can draw the talisman yourself!

Chen Xiaobei: Send it to me!

[the celestial Hound has sent you a picture.]

Soon, a notification came from the phone. The celestial Hound had sent the picture of a spirit talisman.

The picture was very clear, and all the runes on it could be clearly seen.

Xiao Tianquan: " this type of talisman pattern for testing the heart talisman isn't of a high level. Moreover, the combination of the talisman patterns is very simple. You should be able to get it done quickly!

Chen Xiaobei: " no problem! Spiritual talismans of this level are a piece of cake to me!

Celestial Hound, "you just need to draw the talisman and inject a little spiritual energy into it!" Bring it to the person you want to test!

Xiao Tianquan thought, "if the talisman is hot, it means that the person has eaten dog food and is loyal to the current owner!" If the talisman didn't react, it meant that the person had never eaten dog food.

Chen Xiaobei: I'll start making talismans now! Let's chat!

Celestial Hound, wait! I just happen to have something to tell you! (Grinning)

Chen Xiaobei, "what good thing?"

Xiao Tianquan: " it'll be the winter solstice in a few days. There'll be a red envelope snatching session in the group. Remember to come and participate!

Chen Xiaobei: It's been a long time since I've received red packets! I've been looking forward to it!
(Hands itching)

Xiao Tianquan, "don't just focus on snatching red packets!" Did you use all the red packets that you snatched?

Chen Xiaobei: I've made the best use of every red packet, it's like I'm cheating! Otherwise, my journey wouldn't have been so smooth!

The celestial Hound asked, "have you used the demon Ox King's ten thousand Beast Battle formation?"

Chen Xiaobei thought, "I haven't used this yet (shaking my head) but, isn't this a fragment of the book? Old bull was definitely sending trash red packets to make up for the numbers!

The celestial Hound, "no, no, no!" This was not trash! When the ten thousand Beast Battle formation was used together with the ten thousand Beast Ring, it could allow the spirit beasts to form a battle formation and unleash unimaginable power!

Chen Xiaobei thought, "let the spiritual beasts form a battle formation? This is the first time I've heard of this!

Celestial Hound, "yes, different from humans, spirit beasts can't practice cultivation techniques and can't form battle formations!" However, the ten thousand Beast Battle formation that the Bull Demon King had created could allow spirit beasts to form battle formations!

Chen Xiaobei: " then why did you say it was a fragment? " What was missing?

The celestial Hound, no! The ten thousand Beast Battle formation remnant scroll was actually an improved and upgraded version of the ten thousand Beast Battle formation!

Chen Xiaobei: " it's obviously incomplete. Why did you say it's an improved and upgraded version? "
(Confused face)

[celestial Hound: because you can freely fill in the missing parts and let the spirit beasts form different battle formations!]

Celestial Hound, "simply put, the earliest ten thousand Beast Battle formation was just a battle formation!"

Xiao Tianquan: " the improved and upgraded [ten thousand Beast Battle formation remnant scroll]. On one hand, it retains the essence of allowing spirit beasts to form battle formations!

The celestial Hound,"on the other hand, you can directly integrate the human battle formation that you have mastered!" It allowed the spirit beasts to form different types of battle formations, including attack, defense, and confinement!

Chen Xiaobei: This was amazing! Casually merging into a battle formation, it could change thousands of times, but it was the same! This 'remnant scroll' was simply the most perfect battle formation!

The celestial Hound,"that's right!" Don't be fooled by the Bull Demon King's carefree and silly attitude. He's the best at dealing with spirit beasts!

Chen Xiaobei: When I have the time, I will definitely study the [ten thousand Beast Battle formation remnant scroll] properly. Sooner or later, it will become another of my trump cards!

The celestial Hound replied,"en, it's good that you understand!"

Chen Xiaobei: " is there anything else you want to remind me of? "

Celestial Hound, nothing else! Remember to grab red packets during the winter solstice! (Hehe)

Chen Xiaobei: I'm the most active in snatching red packets! (Hehehe)

.....

After leaving the group chat, Chen Xiaobei took out some yellow paper and cinnabar, and started to draw the talismans with Ma Liang's divine brush.

The special ability of the heart testing talisman was very simple, so it was not difficult to draw it.

Moreover, Chen Xiaobei had the scholar heart, which made it even easier to operate.

In just a few minutes, Chen Xiaobei had successfully completed a spiritual talisman.

"Done!"

Chen Xiaobei then took out a few hundred low-grade spiritual stones and injected spiritual Qi into the talisman.

At this point, the talisman-making process was completed.

"Eh? Was there a mistake somewhere? Why is the newly-made spirit testing talisman already starting to heat up?"

what? " Chen Xiaobei was surprised. the celestial Hound said that if the talisman is hot, it means that there are people nearby who have eaten dog food! But, other than Xuanyuan tuohai, the rest are all dead ... Could it be ..."

"Woof!"

Just as Chen Xiaobei was feeling puzzled, a golden-red flame suddenly burst out from the distance.

The blazing fire soared into the sky, and the Scarlet-golden light was dazzling!

At the same time, there was a strong three-star earth-god vital essence added to it, turning the Golden flame into a giant divine bird Vermilion Bird.

"The Vermilion Bird?"

Chen Xiaobei thought to himself, "That person should be mu chenfeng! The heart testing talisman heated up! Could it be that ... Mu chenfeng has already become second brother's loyal dog?"

"Li fire burning the heavens!"

In the distance, mu chenfeng suddenly roared. The three-star earth-god level golden folding fan in his hand was activated to the extreme.

"Swish!"

Above the heavens, the Vermilion Bird spread its wings!

The Golden flames spread for hundreds of meters, as if the entire sky was on fire!

"Hiss!"

The next moment, the Vermilion Bird Dharma form flapped its wings and swooped down toward Chen Xiaobei!

"Strange? Second senior brother knows my trump card. Why did he only send mu chenfeng? Isn't this just courting death?"

Chen Xiaobei thought that it was strange.

Of course, the three-star earth-god level Vermilion Bird was already right in front of him. Chen Xiaobei could not just stand there and do nothing.

"Devil! Dragon!"

[Red Envelope Group of the Three Realms](#)

Chapter 1975: Seeing Through The Conspiracy (1)

"BOOM!"

As soon as the black blade was drawn, demonic Qi soared to the sky!

The 300-meter-long demonic Dragon emerged from the dark demonic Qi and attacked the Vermilion Bird with the force of a mountain!

"BOOM! BOOM! Boom ..."

In the next moment, the Black Dragon and the Vermilion Bird clashed in mid-air.

The Vermilion bird's body glowed with a golden light. It was dazzling and resplendent.

Every time it flapped its wings and swung its sharp claws, it would bring forth a sky full of golden flames.

The clouds in the sky were torn apart, and the earth and stones on the ground were swept up. It was as if the world was trembling.

The Black Dragon's body was covered in dark demonic Qi. It was ferocious and domineering, as if an ancient demon had descended.

With every attack, demonic Qi would cover the sky and bring endless darkness, as if the end of the world was coming.

The Dragon's edge and the Golden folding fan were both three-star earth-god instruments.

Although the Dragon's edge was a late-stage three-star ...

However, Chen Xiaobei had deliberately suppressed 30% of his power so that the Black Dragon and the Vermilion Bird looked evenly matched.

The reason why he did not use all his strength was because Chen Xiaobei felt that something was off.

first of all, if the spirit testing talisman is hot, it means that Mu Chen has eaten the heavenly court dog food!

'In the human world, the only people who have heavenly dog biscuit are second senior brother and me. In other words, mu chenfeng has already become second brother's loyal dog!'

last night, second senior brother saw the spiritual bursting flames King Sword. He only sent mu chenfeng here. What's the difference between that and suicide? "

"Could it be that second brother is plotting something again? Are you trying to use mu chenfeng to scheme against me?"

Chen Xiaobei's brows were furrowed as he quickly thought of all the suspicious points.

Obviously, Chen Xiaobei was very smart. He had already sensed the conspiracy.

Mu chenfeng was here under Tian Peng's orders. He was here to pretend to be Chen Xiaobei's loyal dog.

This was because, before he obtained the spirit testing talisman, Chen Xiaobei did not know that mu chenfeng was already a loyal dog of the canopy great country.

So, as long as mu chenfeng pretended to be defeated, Chen Xiaobei would make sure that he won over.

However, mu chenfeng had already eaten Tian Peng's dog food. If he ate Chen Xiaobei's dog food, it would no longer have any effect!

This way, mu chenfeng could pretend to be loyal to Chen Xiaobei and hide beside him, ready to give Chen Xiaobei a fatal blow at any time!

Without a doubt, this plot was very powerful! It was also very fatal!

If the plan succeeded, it would be like planting a time bomb next to Chen Xiaobei, which could take his life at any time.

Unfortunately, Man proposes, God disposes!

Tian Peng would never have thought that Chen Xiaobei would ask Xiao Tianquan about it.

The heart testing talisman was heating up, and Chen Xiaobei was on full alert.

On the other side.

Mu chenfeng had come to challenge Chen Xiaobei, but Chen Xiaobei was not trying his best and did not say anything.

"Chen Zhufeng! I really didn't expect this! You actually dare to come to devil earth!"

Mu chenfeng roared excitedly, "last time at the Qin family, you made me lose all my face!" This time, I, mu chenfeng, will definitely kill you and make you pay the price with your life for your arrogance!"

"You want to kill me?"

hehe! Even the clay Buddha was struck by lightning, and you still dare to come to me? how brave of you! Chen Xiaobei chuckled.

"Don't you f * cking act cool here!"

the clay Bodhisattva has pried too much into the secrets of heaven in his life, " mu chenfeng said disdainfully. he happened to encounter the divine retribution that day, so he vomited blood and fainted!

"That was just a coincidence. Being struck by lightning had nothing to do with you! I only realized later that I really shouldn't have been afraid of you! You've made me lose all my face!"

"Oh, is that really just a coincidence?"

you know nothing about my power! Chen Xiaobei smiled. you know nothing about it!

"Is that so?"

"Then let me see your true power!" Mu chenfeng provoked arrogantly. I can't wait!"

"No problem!"

Chen Xiaobei raised his eyebrows and thought, " "I can't wait to see what you're up to!"

boom boom boom ... Boom boom boom ...

As soon as Chen Xiaobei finished his sentence, Black Lightning appeared on the dark Demon dragon's claws.

Three heavenly tribulations! Nirvana Black Lightning!

This was the special ability of the Dragon's edge!

The twisted bolts of ink lightning were like sentient lightning pythons.

With every attack from the Black Dragon, the black Lightning Python would charge into the Vermilion bird's body to weaken its power.

At the same time, 30% of the power of the Dragon's edge, which he had restrained, burst out.

The Vermilion Bird phenomenon was instantly suppressed by the demonic Dragon phenomenon and began to retreat.

"So strong ..."

Mu chenfeng cried out in surprise, your black blade has such a heaven-defying ability ... I'm no match for it ... I admit defeat ... I admit defeat ...

"You're admitting defeat so easily?" Chen Xiaobei's brows twitched, and he was getting more and more interested.

"Please don't kill me ... I really admit defeat ..." He begged.

Mu Chen knelt on the ground with a thud. He put down his golden folding fan and begged, " please don't kill me ... As long as you spare my life ... I'm willing to be your slave and do whatever you want ...

Chen Xiaobei was amused. "Your acting skills are terrible! I didn't even say I was going to kill you!"

"What?" Mu chenfeng's expression froze for a moment as he began to sweat.

One must know that mu chenfeng's purpose for this trip was to deliberately admit defeat.

If Chen Xiaobei was suspicious and canopy great company's plan was ruined, they would be in deep trouble.

Thinking of this, mu chenfeng became extremely nervous. Cold sweat poured down like rain.

However, even if Mu Chen had a hundred million brains, he would never have thought that Chen Xiaobei had seen through everything.

However, Chen Xiaobei did not expose him. Instead, he smiled and said, " "It's not a bad suggestion to be a slave! You're really willing to do it?"

"I'm willing! I'm willing!"

"If you don't trust me, you can use some means to control me!" Mu chenfeng nodded his head desperately. I can accept it!"

"Your acting skills are truly terrible!" Chen Xiaobei smiled but did not say anything. He had seen through the canopy great country's scheme.

Mu chenfeng wanted to be a spy by Chen Xiaobei's side.

However, even if Mu Chen had a billion brains, he would never have thought that Chen Xiaobei had already refined a high-grade heavenly dog biscuit!

"Open your mouth!"

Chen Xiaobei took out a piece of high-grade heavenly dog biscuit and put on a harmless smile.

"Ah ..."

Mu chenfeng obediently listened, his mouth wide open.

"Master ... Are you my new master ..."

As soon as the high-grade heavenly dog biscuit entered his mouth, the effects of the ordinary heavenly dog biscuit that mu chenfeng had eaten before were immediately covered.

Mu chenfeng's expression was dull as he mechanically repeated the same question, " "Are you my new master ... Are you my new master ..."

"Right! From now on, you're my loyal dog!"

Chen Xiaobei grinned and said, " "Second senior, you've worked so hard to scheme! You wanted to send a spy to my side, but did you ever think that this spy would be sent back by me to be a Counter Spy?"

Red Envelope Group of the Three Realms

Chapter 1976: Reverse Undercover (2)

"Master ..."

Mu chenfeng's face was full of sincerity. He had become a 100% loyal dog to Chen Xiaobei.

Chen Xiaobei did not hold back and said, " "Give me your earth-god instruments and your storage bracelet."

"Yes, sir!"

Mu chenfeng quickly handed the Golden fan and storage bracelet to Chen Xiaobei.

"Where are the spirit stones? You don't have an earth-god instrument?"

Chen Xiaobei frowned. There were only some personal items in mu chenfeng's storage bracelet. There were no spiritual stones or earth-god instruments.

This clearly did not match mu chenfeng's status as the third Prince of the Vermillion Bird Royal City.

Mu chenfeng explained, "because the canopy great country already knew that you would ask for my resources!" Thus, the spiritual stones and other valuable items were all taken away by Tian Peng!"

"Second senior brother is really smart! You won't let me take any advantage of you!" Chen Xiaobei grinned and threw the storage bracelet back to mu chenfeng.

The Scarlet Gold fan and the battle blade of the commander of the Vermillion Bird Imperial Guard were thrown into the heaven and earth smelt!

These two items were both treasures of the Vermillion Bird Royal City. Using them would attract too much attention and could easily cause trouble.

He might as well cultivate it into the spiritual aura of heaven and earth to improve his other trump cards.

"Master, do you have any other orders?" Mu chenfeng asked in a respectful manner.

"Where's Qin Wuxin?" Chen Xiaobei asked. I don't think he's been with Tianpeng recently! I haven't even talked to anyone for a long time!"

It was obvious that Chen Xiaobei had planted the intimate Gu in Qin Wuxin's body so that he could eavesdrop on his voice.

However, he had not heard any sound during this period of time. This meant that Qin Wuxin must have taken some special action.

the canopy great country taught Qin Wuxin a 'blood transformation technique', " mu chenfeng said. Qin Wuxin has already gone to the blood ancestor's blood pool alone and has started to refine the blood of the blood ancestor in seclusion!

"What? Qin Wuxin has already started his operation!"

wait a minute! Chen Xiaobei was suddenly nervous. I haven't found the map yet. Does that mean I won't be able to stop Qin Wuxin in time? "

If Chen Xiaobei could not get there before the blood ancestor's blood was fully digested, Qin Wuxin's power would increase dramatically, and he would lose control of the soul of Zi Yuan.

Chen Xiaobei's entire plan would fail!

"Master, don't be nervous. You still have a chance!"

"Previously, I heard from Tian Peng that with the speed of the 'blood transformation technique', it would take at least half a month to refine all of the blood ancestor's blood. Master should still have five days!" Mu chenfeng said.

"Five more days?"

Chen Xiaobei let out a sigh of relief and said, " I'll try to find the devil Kingdom's Treasury today. I should be able to stop Qin Wuxin in the remaining time!

"Master! Although there's still enough time, you must not be careless!"

"Before I left, the clay Bodhisattva predicted that you would encounter a great calamity in the next two days. If you don't handle it well, your life might be threatened!" Mu chenfeng said.

Great Tribulation!? Chen Xiaobei was shocked and worried.

After all, the clay Bodhisattva had some skills and was very accurate in predicting calamities and tribulations.

It was a calamity that could threaten his life!

Chen Xiaobei was worried about this!

"Did the clay Bodhisattva say how to resolve the Tribulation?" Chen Xiaobei asked, frowning.

"He didn't say ..."

no! mu chenfeng shook his head and said, " the clay Bodhisattva only calculates the things that are harmful to you. He doesn't calculate anything that is beneficial to you!

"Mm ..."

Chen Xiaobei fell into silence. After a while, he sighed."Forget it! He didn't have a clue anyway, so there was no point in thinking too much! No matter what kind of tribulation it was, he would just deal with it

when the soldiers came, and when the water came, he would cover it with earth! As long as there's a chance of survival, I'm not afraid!"

"Master is so bold!" "Master, what should I do next?" mu chenfung asked again. How can I help you?"

"You, return to Tian Peng's side immediately!"

yes! Chen Xiaobei said, " if you have any important information, let me know immediately! Also, be ready to receive my orders and help me!"

"Yes, sir!"

Mu chenfung nodded and hesitated,"But, after I go back, Tian Peng will definitely suspect me ... What should I do ..."

"It's simple." "Come here, I'll teach you how to say it ..." Chen Xiaobei said.

.....

Devil earth continent.

The highest base in the Vermillion Bird Royal City.

"Master ... Master, I'm back ..."

Mu chenfung stumbled into the palace. He was covered in dust and his clothes had burn marks. He looked extremely miserable.

Tian Peng and the clay Bodhisattva were discussing something. When they saw mu chenfung, their faces changed.

"Why did you come back? My plan didn't ask you to come back!" Tian Peng shouted.

"Master, please calm down ... I was forced to do this ..."

I went to find Chen Xiaobei according to your plan. The moment we met, Chen Xiaobei took out a five-star earth-god instrument and tried to kill me. He had no intention of taking me in as his loyal dog ... mu chenfung said with a sad face.

how ... How is this possible?! you ... Tian Peng said in disbelief, " with Chen Xiaobei's personality, he should be able to get you to join him ...

Chen Xiaobei said that I'm not of much use to him, so there's no need to waste a piece of dog food to subdue me. If it's a clay Bodhisattva, Chen Xiaobei will use a piece of dog food to subdue him. mu chenfung frowned.

Hearing this, Tian Peng's face turned green, " "This Chen Xiaobei! He was really getting more and more arrogant! You don't even care about the third Prince of the Vermillion Bird Royal City!"

"Master ..."

yes! the clay Bodhisattva said, " if there's a need, I'm willing to get close to Chen Xiaobei and stay by his side as a spy!

Mu chenfeng almost laughed out loud when he heard that. He was praising Chen Xiaobei's wit in his heart.

Everything that mu chenfeng had said was taught by Chen Xiaobei.

And the essence of these words was actually a scheme to invite the Emperor into the pot!

If the clay Bodhisattva really fell for Chen Xiaobei's trick and went to him, Chen Xiaobei would turn him into a high-grade heavenly dog biscuit and take the clay Bodhisattva.

Tian Peng's two loyal dogs had become Chen Xiaobei's loyal dogs.

It couldn't be more awesome!

However, Tian Peng shook his head and said, " Chen Xiaobei has good taste! The clay Bodhisattva's effect could be said to be very great! I can't leave the clay Bodhisattva for the time being, so I can't let him be a spy!"

"What should we do with you next?" Chen Xiaobei is going to face a disaster today and tomorrow, " mu chenfeng said. shouldn't we seize the opportunity? "

"Do you even need to ask?"

Chen Xiaobei! Tian Peng narrowed his eyes and said, " I was just discussing this with the clay Bodhisattva. Tomorrow will be Chen Xiaobei's death Day!

"Can I participate in this plan?" Mu chenfeng asked.

"I can! You have something very important to do!" Tian Peng said seriously.

Mu chenfeng nodded heavily and said,"please give me your orders, master!" I promise to complete the task!"

[Red Envelope Group of the Three Realms](#)

Chapter 1977: Eight Hundred Million Slaves (3)

In the underground devil Kingdom.

Chen Xiaobei used some spiritual medicine to wake Xuanyuan tuohai up.

Xuanyuan taohai's face was filled with bitterness as he looked at the dismembered corpses all over the ground. "Master, do you understand my situation now?"

"Yes, I already know what to do."

that's right! Chen Xiaobei nodded. as long as I can suppress you with my strength, I'm not afraid of you doing anything extreme.

Xuanyuan tuohai heaved a sigh of relief. I'm relieved to hear that. I'm just afraid that you'll leave me behind. After all, I'm a monster ...

don't worry! Chen Xiaobei smiled. you have to have faith in me. I can handle a small situation like this!

Xuanyuan taohai nodded and sincerely said, "Master is indeed the person who can change my fate! Meeting shizun is the greatest fortune of my life!"

"Less flattery, more serious business!"

Chen Xiaobei shrugged. I'll need to go as fast as I can. You might have to wait in another space.

"Why can't you take me with you?" Xuanyuan taohai furrowed his brows and asked, "is master afraid that I'll hold you back?"

I'm not going to be a burden. I'm just worried that you'll be in danger ... there will be unknown dangers today and tomorrow. It will be difficult to ensure your safety!

"Master! I'm not afraid of danger! I can take care of myself! I won't be a burden to you!"

Xuanyuan tuohai said firmly, " furthermore, I've already lived in the devil nation for more than three years. There are many things I can tell you to help you avoid going astray!

alright! Chen Xiaobei nodded. alright, I'll bring you along for now! I'll let you enter the verdant Emperor's divine gourd when you're in danger!"

"Thank you, master!" Xuanyuan tuohai's face was full of excitement.

Xuanyuan tuohai was genuinely happy that he could help Chen Xiaobei.

.....

As he was in a hurry, Chen Xiaobei put away the wind-seeking deer and used the somersault cloud.

The somersault cloud was already a two-star earth-god instrument, and its flying speed was more than ten times faster than the Azure Dragon-grade aircraft.

As they flew, Xuanyuan tuohai introduced the situation.

"The underground devil Kingdom is mainly divided into six regions! They are controlled by heaven dominating faction, Azure Dragon, White Tiger, Vermillion Bird, and black Tortoise, as well as the demonic sect!"

Xuanyuan tuohai said, "after thousands of years of digging, I've gained some experience." The six places that are most likely to be excavated to the devil Kingdom's Treasury are in those six regions, and they will be personally excavated by the six major powers!"

"As for the surrounding areas, there are tens of thousands of small forces excavating! The stronger the faction, the closer they can get to the core. Occasionally, they can even dig out some small treasures!"

third-or fourth-rate forces like the Wang family can only excavate at the outermost perimeter. Occasionally, they can dig up some spirit stones and other things. It's a good harvest!

It was obvious that Xuanyuan tuohai had lived in the underground devil Kingdom for a long time. He knew the rules and the rumors very well.

Chen Xiaobei pondered for a moment and said, "According to what you've said, the devil nation's Treasury is most likely to be in the area that the six great factions have personally excavated! Then, out of these six regions, which one is more likely?"

Although Chen Xiaobei had the earth escape Holy gourd, the devil nation was as big as ten planets.

Before starting the treasure hunt, he had to at least determine the approximate area.

Otherwise, earth escape immortal Gu could only be used for three hours, which was far from enough to search the entire devil nation.

"Of course, heaven covering sect and demonic sect's territory. The possibility is the highest!

the heaven dominating faction is the strongest faction in apocalypse Starfield," Xuanyuan tuohai said. even the four imperial cities are beneath them!

"For so many years, heaven dominating faction has been working hard to excavate the same area and never planned to change locations! it can be imagined that the higher-ups of heaven dominating sect are very confident!

"Okay, then let's go to heaven dominating faction's territory and take a look! "What about the demonic sect's territory?" Chen Xiaobei asked. What's the situation?"

"The demonic sect is in the same situation as the heaven dominating sect!" Xuanyuan tuohai said. They also defended a region to the death, never moving their base, and never expanding outwards! They probably know that there's something underground in that area, so they're keeping an eye on it!"

alright! Chen Xiaobei nodded. if heaven dominating faction is not here, we'll go to the demonic sect's territory!

"No way!"

no! Xuanyuan taohai quickly shook his head and said, "the demonic sect's territory is where the demonic sect's headquarters, the 'Sky Soul Hall', is located. The surroundings are filled with demonic spirit heart-burning poison! The righteous Alliance had tried to attack the demonic sect's headquarters several times, but they were all rejected by this poison!"

"Don't worry, I can cure that poison." Chen Xiaobei shrugged.

how ... How is this possible?!

Xuanyuan tuohai couldn't believe it, but he had other concerns. "Even if you can detoxify the poison, I heard that there are many experts in the demonic sect's territory, and they are all evil and vicious people! No outsider has ever come out alive!"

"I know someone from the demonic sect. It won't be too late to ask him about the situation when the time comes." Chen Xiaobei smiled confidently.

This man was the demonic poison priest that Chen Xiaobei had taken in as his loyal dog!

The poison priest had been hidden in the verdant Emperor's divine gourd ever since the battle of shenfeng!

If he really wanted to enter the demon sect's territory, the poison priest would definitely be the best guide!

"Master! Quickly look! The heaven shrouding flag!"

Suddenly, Xuanyuan tuohai became alert and pointed to the front, " " heaven dominating faction's excavation area is up ahead!

"Alright," he said.

Chen Xiaobei nodded and controlled the somersault cloud to slow down.

He saw that there was a huge pit in the ground ahead.

It was almost as large as a city, and it was over ten thousand meters deep.

Looking down from the sky, hundreds of thousands of slaves were like ants, bustling around in this huge pit.

Although heaven dominating faction was the strongest force in apocalypse Starfield, it was still a force to be reckoned with.

However, the condition of these slaves was similar to that of the Wang family's slaves. They were all in tattered clothes, skinny as a stick, had skin diseases, and were very listless.

the main point was that these slaves were treated as the lowest of tools. If they did anything wrong, they would be scolded and beaten by heaven covering sect disciples.

Even being beaten to death was a common occurrence.

It was no exaggeration to say that slaves starved, died of illness, or were beaten to death almost every day.

Of course, no one cared about the life and death of the slaves. If a batch died, at worst, a new batch would be added. This was not a difficult thing.

"Master! this pit was the core excavation area that heaven dominating faction had never given up on! Even if the Treasury isn't here, there must be some other secret hidden below!"

Xuanyuan tuohai sighed softly, "however, I truly hope that the devil nation's Treasury is below!" As long as the Treasury is excavated, the eight hundred million slaves in the entire devil nation will be free!"

eight hundred million?!

Chen Xiaobei said, " "I'll definitely find the treasure vault and do my best to free them!"

[Red Envelope Group of the Three Realms](#)

Chapter 1978: Burrowing Through The Mountain (1)

In the underground devil Kingdom.

" master, although we have found heaven dominating faction's excavation area, how do we find the secret buried underground? "

Xuanyuan tuohai asked in confusion, " "You must know that the area of this area is comparable to a large city! Heaven dominating faction has been digging for tens of millions of years and has dug ten thousand meters deep, but they still haven't touched the ground!"

"Don't worry, I have my ways!"

let's find a place where there's no one around. I'll find out soon enough if what we're looking for is actually underground! Chen Xiaobei said.

yes ... Xuanyuan tuohai nodded in embarrassment. His eyes were filled with shock.

After all, for thousands of years, countless forces and countless slaves had tried their best to dig out the secret, but they had not been able to find it.

But for Chen Xiaobei, it was as easy as breathing.

Even though Xuanyuan tuohai trusted Chen Xiaobei completely.

However, no matter how hard Xuanyuan tuohai racked his brain, he could not think of a way for Chen Xiaobei to solve the problem that had left countless forces helpless.

Soon after.

Chen Xiaobei controlled the somersault cloud and landed in the residential area of heaven dominating faction's slaves.

At this time, the slaves were all working outside, and there was no one in the residential area. It was the safest, and there was no need to worry about being discovered.

"Tuo hai, you guard the side, don't disturb me!"

let's go! Chen Xiaobei ordered, then sat down cross-legged and activated the blood patriarch's power.

Astral projection!

Chen Xiaobei slowly closed his eyes.

Without a sound, Chen Xiaobei's 'soul' rose up hundreds of meters into the air.

It was like a small ball of fire, flickering and not easy to detect.

The effect of this special ability was similar to the primordial spirit domain of an earth immortal.

As long as his special ability was activated, his special 'divine sense' would immediately spread out.

Within a large area, Chen Xiaobei could sense any movement or valuable treasure.

This range was equivalent to an earth immortal's essence soul domain!

However, the range of the blood patriarch's special ability was much wider than that of an earth level deity's essence soul.

The primordial spirit domain of a one-star earth-god was about a hundred meters in radius.

However, before that, Chen Xiaobei could use his blood clan's special ability to easily cover the entire Epang Palace!

This range had even exceeded the primordial spirit domain of a nine-star earth-god!

It could be said to be extremely huge!

Now, Chen Xiaobei could use this ability to sense the situation in the entire heaven dominating faction's excavation area!

Whether it was the situation on the ground or underground, Chen Xiaobei could sense everything clearly.

As long as he could confirm the secret location, Chen Xiaobei could use the earth escape divine gourd to go underground and reveal the secret.

It was because of the blood descendants' special ability and the earth-escape divine gourd that Chen Xiaobei had the absolute confidence that he would be able to find the Treasury.

Of course, there was no free lunch in the world. Although the master's ability was powerful, the corresponding consumption was not small!

Using his special ability once would consume 300 years of Chen Xiaobei's lifespan!

[ding Yingying's cultivation base: early stage of God-Ascension cultivation base. Lifespan: [3500 years, physique: 1300000, combat power: 1000000!

Luckily, Chen Xiaobei still had a lot of life left. It was enough to find the ultimate Treasury.

"I found it!"

Not long after, Chen Xiaobei opened his eyes.

how ... How is this possible?!

Xuanyuan tuohai was dumbfounded and could not believe his ears."Master, you're so fast! Did you really find it?"

"I did find something."

what a pity! Chen Xiaobei frowned. that's not the Treasury!

"Not a treasure vault? What is that thing?"

Xuanyuan tuohai was very curious. heaven dominating faction has been digging in this area. There must be an important secret down there!

"That's right!"

alright! Chen Xiaobei nodded. come with me. The secret might be related to you!

"Go down? How?"

Xuanyuan tuohai was dumbfounded. "We're not pangolin! Even if we do, we won't be able to go underground without at least three to five years!"

"Ah, pangolin?"

of course! Chen Xiaobei grinned. I'm not targeting anyone when it comes to mountain-piercing and burrowing. There's no one below the heavenly realm who can compare to me!

"What? this ... This this this ... Xuanyuan taohai was dumbfounded. Master, you're too arrogant ... Are you more powerful than a nine-star earth-god? "

a nine-star earth-god is nothing but a younger brother in front of a heaven-immortal instrument! Chen Xiaobei grinned and took out the earth escape Holy gourd from his infinite space ring.

"A heaven ... Heaven immortal artifact? I'm not dreaming right?" Xuanyuan tuohai's eyes were as wide as a bull's.

"Of course this isn't a dream!" let's go! Chen Xiaobei grinned. I'll show you off and fly you!

"Ah?" Xuanyuan tuohai was stunned. Before he could react, Chen Xiaobei grabbed his wrist and threw him to the ground.

The ground under his feet was hard and cold, and it would hurt if he hit his head.

However, in the next moment, something miraculous happened.

"Chi ... Chi ..."

Chen Xiaobei waved the earth escape divine gourd, and the ground beneath his feet disappeared!

Chen Xiaobei and Xuanyuan tuohai plunged into the ground. It was as if they had jumped into water, and they only felt a little resistance.

They didn't feel any pain at all. The two of them were perfectly fine, and they directly burrowed into the cold and hard ground, leaving no traces behind.

Beneath the ground.

The earth and rocks were like clouds, Chen Xiaobei and Xuanyuan tuohai passed through them without any delay.

it's so magical ... Is this banner really a heaven-immortal artifact? I feel like it's really flying ...

Xuanyuan tuohai was extremely excited. "It's Flying Underground! If I didn't experience it myself, I wouldn't believe it even if you beat me to death!"

"It's indeed magical!"

it's like flying! It's even faster than the somersault cloud! We'll be able to reach our destination in no time! Chen Xiaobei said excitedly.

Chen Xiaobei could use the earth escape divine gourd for three hours after draining the entire spiritual vein.

The faster earth escape immortal Gu could travel underground, the more times it could be used within three hours.

After a period of time.

Chen Xiaobei and Xuanyuan tuohai suddenly went through the stone wall and landed in an open underground space.

"Master ... What ... What is this place ... It's so strange ..."

Xuanyuan taohai swallowed his saliva and looked around with a glint in his eyes. He could not help but breathe rapidly and feel his limbs turn cold.

It was an extremely eerie space!

The four walls were carved with dense demonic embossed!

Every few steps, there would be a skull that was glowing in green light, which was extremely strange!

"You shouldn't be afraid of this place!"

Chen Xiaobei pointed to the front and said, " "Look, what's that!"

[Red Envelope Group of the Three Realms](#)

Chapter 1979: Infinite Soul Ring (2)

"That's ... A Yimo statue?"

Xuanyuan taohai followed Chen Xiaobei's finger.

In front of this underground space, there was a huge devil statue.

Horns as sharp as blades, muscles as tough as rocks, a face as ferocious as a demon, claws as sharp as a beast, and a tail as long as a whip.

The entire statue was lifelike, and the details were exquisitely carved. It was as if it was real.

The main point was that the material of the statue seemed to be very special.

In this dark underground space, a dark red fluorescent light flashed!

"That should be your statue!"

Chen Xiaobei studied Xuanyuan tuohai closely.

"My statue?"

Xuanyuan tuohai's expression changed drastically, and he suddenly realized, " "That's right! As long as the demonic bloodline in my body is activated, I will gradually become exactly like this statue!"

Chen Xiaobei nodded and said, " "If I'm not mistaken, you should be the king of this underground devil Kingdom!"

"Me? The devil Kingdom's King? How ... How is this possible?!" Xuanyuan tuohai was dumbfounded and could not believe his ears.

Chen Xiaobei pointed around and said, " pay attention to the devil embossed on the walls!

"Relief embossed?" Xuanyuan taohai hurriedly looked around.

He saw that the four walls of this underground space were carved with dense devil embossed!

More importantly, almost all of these devil embossed were kneeling!

Some knelt down and kowtowed, some prostrated themselves, and some prostrated themselves on the ground.

And all the devil embossed were facing the same direction! It was in the direction of the Yimo statue!

"I remember that before you killed the soldiers of the Vermillion Bird Imperial Guard, they mentioned that the Yimo are the spiritual totems of the ancient devil Kingdom! It's the highest belief of the entire demon race!"

Chen Xiaobei looked at Xuanyuan tuohai and said, " If what those soldiers said is true, then you are the king of the devil nation!"

"I ... I ..."

Xuanyuan tuohai's expression was conflicted as he said nervously, " I'm the young master of the Xuanyuan family ... My parents are both humans ... I can't be the king of the demons ... It's impossible ...

"The world is so big, and there are all kinds of strange things!"

"My parents are humans too, but I have the witch dragon's blood!" As long as my bloodline ability is activated, I can also mutate into a Dragon!"

"This ..."

Xuanyuan taohai stood rooted to the ground, extremely nervous. "Could it be that I'm really the son of a demon? Will I really bring endless slaughter and disaster to the human world?"

it's all in the bag! Chen Xiaobei comforted. I can only accept it! However, as long as the massacre and catastrophe doesn't truly descend, you will have the chance to change your fate!"

"Um ... I ... I'll listen to you, master!"

Xuanyuan tuohai was still in shock, but he said seriously, " Master is the person who can help me change my fate! From now on, I'll do whatever shizun says!"

"Since I've accepted you as my disciple, I'll naturally do my best to help you!"

alright! Chen Xiaobei nodded. calm down first. I'll take a closer look and see what kind of secret is hidden in this space!

After that, Chen Xiaobei activated his golden gaze fiery eyes and scanned every corner of the room.

one had to know that heaven covering sect had been digging in this area for the sake of this space.

Therefore, it was impossible for there to only be embossed and stone statues in this space! There must be some other secret.

"I found it!"

Suddenly, Chen Xiaobei's eyes lit up and he strode toward the Demon King statue.

"What did you find?"

Xuanyuan tuohai's eyes were wide open, extremely curious.

Chen Xiaobei walked to a spot five steps away from the stone statue, squatted down, and began to channel his ethereal force to dig the ground.

"Master? With such a large space, why did you only dig that one spot?" Xuanyuan tuohai asked doubtfully.

Obviously, Xuanyuan tuohai did not know that Chen Xiaobei had the Golden gaze fiery eyes. He could not understand how Chen Xiaobei could locate his position so accurately.

"Don't ask so much, just watch."

Chen Xiaobei channeled his ethereal force and dug quickly. Soon, he had dug out a special hidden compartment!

"There's really something? Master! You're really a God!" Xuanyuan tuohai was shocked by Chen Xiaobei.

"Don't be happy too early! There's something more to this secret compartment!" Chen Xiaobei furrowed his brows and began to observe the situation.

He saw dense runes carved on the outside of the secret compartment.

Moreover, these runes were all special symbols of the ancient devil nation. They formed a small sealing array that firmly guarded the item in the secret compartment!

Chen Xiaobei could not understand these devil Kingdom runes, and naturally, he could not break the formation!

More importantly, Chen Xiaobei could tell from the spiritual fluctuations of the formation that it was a one-star earth-god formation!

If Xiao 'er was called to bite through the secret compartment, the array might explode with the power of an earth level deity and kill the Xiao' er directly.

If he used the Dragon's edge to break the array, he might damage the things in the secret compartment.

.....

Chen Xiaobei could not think of a solution at the moment.

The secret was right in front of his eyes, but he couldn't lift the last layer of the veil. He felt very uncomfortable.

"Master ..."

At this moment, Xuanyuan tuohai said, " "I seem to be able to understand the devil nation's language on the secret compartment!"

"Words? Aren't those runes?"

Chen Xiaobei quickly asked, "Tell me, what did you read?"

"It's the devil nation's sacred artifact, the infinite soul ring!" Xuanyuan tuohai replied. Only the blood of a Holy King could activate it! If an outsider wants to get involved, they'd rather die together ..."

"I understand!"

"This secret compartment contains the devil nation's Holy item, the infinite soul ring!" Only the blood of a devil nation's Saint King could activate a soul ring! If an outsider forcibly obtains the soul ring, it will activate some kind of terrifying attack that will cause the soul ring and the outsider to burn together!"

"Yes, yes, yes! This is what I meant!" Xuanyuan taohai nodded repeatedly.

Chen Xiaobei raised his eyebrows and asked, "Are you afraid of pain?"

"It hurts? Why does it hurt?"

Xuanyuan tuohai was stunned for a moment, then he suddenly realized, "Master, you mean ... My blood is the blood of the Saint King of the demon race?"

"That's right!" yes! Chen Xiaobei nodded and said, "your blood can unseal the seal!"

"Understood!" Xuanyuan tuohai immediately extended a palm and gritted his teeth. "Master, please do it. I'm not afraid of pain!"

"Silly boy." Amused, Chen Xiaobei flicked his ethereal force.

It only made a small cut on Xuanyuan tuohai's finger.

"This ... This is enough?" Xuanyuan taohai asked in surprise.

"Enough!" you're the Holy King of the demonic tribe! Your blood is precious! Chen Xiaobei said.

okay ... I'll try ... Xuanyuan taohai walked over and gently touched the secret compartment with his finger.

In the next moment, a sudden change occurred.

Chapter 1980: Secret Technique Of Possession (3)

"Chi ... Chi ..."

Xuanyuan tuohai's fingers had just touched the secret compartment when his blood dripped onto red-hot steel, making a sizzling sound.

"Whoosh ..."

Immediately after, the ancient devil nation characters on the secret compartment began to shine with a dark red spiritual light.

"Chi ..."

With a wave of energy fluctuations, the secret compartment opened on its own.

"Master! Your guess was right! I do have the bloodline of the Demon King! I've successfully opened the secret compartment!"

Xuanyuan tuohai couldn't be more excited and said impatiently, "Master! Quickly come and take a look! What's in the secret compartment?"

He saw a Halo the size of a bowl in the secret compartment.

It was just a Halo, without a physical body.

On the surface of the ring, there was a dark red fluorescent light that slowly flickered. Other than that, there was nothing else special about it.

"This should be the infinite soul ring!"

why don't you drop your blood on it?" Chen Xiaobei said. this might be your personal magical treasure!

"Exclusive magic treasure? This is great! When I was a slave, even in my dreams, I wanted to own a magic treasure that belonged to me!"

Xuanyuan tuohai's eyes brightened. He quickly squeezed his finger and dripped his blood on the infinite soul ring.

"Argh! Wuwu ..."

The moment the infinite soul ring touched Xuanyuan tuohai's blood, it let out an extremely shrill demonic roar.

That voice was sinister and evil, making one's hair stand on end!

"Master ... Master, save me ..." He cried.

In the next moment, Xuanyuan tuohai also let out a cry of fear. His pupils contracted uncontrollably and his body trembled violently.

A dark red demonic Qi emerged from the infinite soul ring!

It was like a demonic palm that grabbed Xuanyuan tuohai tightly. At the same time, more dark red demonic Qi rushed into Xuanyuan tuohai's body.

"Tuo hai? What's wrong with you?"

Chen Xiaobei was shocked and immediately became nervous. "The infinite soul ring belongs to the demon race's Saint King, so it should have recognized you as its master ..."

"It ... It didn't recognize me as its master ... It's trying to devour me ..."

Xuanyuan tuohai trembled violently and wailed, "I feel ... It's drilling into my mind ... It wants to swallow my soul and occupy my body ... Save me ... Master ... Save me ..."

"Devouring souls? Take over the body? This ... Could this be the possession of an evil spirit?" Chen Xiaobei took out the seven treasures fragrance pouch from his collar and threw it at the infinite soul ring.

The seven treasures fragrance pouch contained a spiritual item of Buddhism, the cleansing Bodhi, which was the best counter to evil ghosts!

"Uh! Wu ... Wuwu ..."

Chen Xiaobei held the seven treasures fragrance pouch and slammed it down. The infinite soul ring let out a cry of fear.

"Hiss ... Hiss ..."

Then, the dark red demonic Qi gushed out of Xuanyuan tuohai's body and quickly returned to the infinite soul ring.

"Phew ... Phew ..."

Xuanyuan tuohai panted heavily and said, " so scary ... I feel like my body was almost taken away ... My demon blood is boiling, and I almost turned into a true demon ..."

"It seems like your bloodline is not just the inheritor of the Demon King!" Chen Xiaobei thought. It's very likely to be a seed planted by the Demon King!"

Xuanyuan tuohai was scared out of his wits and shook his head in confusion."Master, I don't understand what you mean ..."

"The Demon King might have used some sort of secret technique to pass his bloodline to you!" It will allow you to possess the body of a demon!"

"When the time is right, the Demon King will take over your body! This way, the Demon King can use your body to come back to the world and set off endless slaughter and disaster!"

master ... when Xuanyuan taohai heard this, he asked in fear, " "You mean, the evil spirit that the Demon King transformed into is inside the infinite soul ring?"

"In theory, yes!"

"But, the things in the infinite soul ring might not necessarily be evil spirits!" It's also possible that the Demon King used a secret technique to create a clone!"

"After all, the probability of you finding the infinite soul ring alone is very low! If the Demon King keeps his soul in the soul ring, he might never meet you in his entire life!"

"Therefore, I suspect that the Demon King used a secret technique to create clones that are scattered in different places! If any of the clones takes over your body, the Demon King can return to the human world!"

Chen Xiaobei's speculation was very reasonable.

The Demon King was so shrewd that he naturally wouldn't hang himself on a single tree!

"I don't want my body to be taken away ... Master, what should I do?" Xuanyuan tuohai asked nervously.

you Can't Touch This infinite soul ring! I'm the only one who can take it! Chen Xiaobei said.

Xuanyuan taohai nodded repeatedly. Master, please take it away ... Quickly take it away ... I don't want the Demon King to take my body away ..."

"Step back!" Chen Xiaobei held the seven treasures fragrance pouch tightly in one hand and reached for the infinite soul ring with the other.

"Chi ..."

The moment Chen Xiaobei touched the soul ring, he could feel a strong spiritual energy.

"Heavens! It's a damaged peak earth-god instrument!" Chen Xiaobei's face changed. He could not believe that this was the result.

how ... How is this possible?! Xuanyuan tuohai also couldn't believe it, his eyes almost popping out.

a peak earth-god instrument is the most powerful one below a heaven-God instrument!

"Even in the earth-god Realm, a peak earth-god instrument is a top-notch Dharma Treasure!" Xuanyuan tuohai exclaimed.

"Yup! A peak earth-god instrument is definitely powerful enough!"

it's a pity that the infinite soul ring is already damaged. If I want to use its full power, I'll have to repair it first! Chen Xiaobei sighed.

"Repair? This is going to be difficult!"

Xuanyuan taohai frowned and said, "a peak earth-god instrument is made of a peak nine-star earth-god item!" Even in the earth-god Realm, items of this level were extremely rare treasures! It's impossible to get it under the earth-god Realm!"

that's impossible! Chen Xiaobei nodded. it's impossible to completely repair the infinite soul ring! However, I might have a way to temporarily restore it to the power of a one-star earth-god instrument!"

"Restore it to a one-star earth-god instrument? This ... This can't be possible, right?" Xuanyuan tuohai was stunned and couldn't believe it. "Could it be that shizun also knows how to forge artifacts? Do you have any suitable materials in your hands?"

I don't know! Chen Xiaobei shook his head. I'm not very good at crafting weapons. I don't have any suitable materials with me!

"Ah?" "Then how are you going to repair the infinite soul ring?" Xuanyuan tuohai was dumbfounded.

what a coincidence! Chen Xiaobei grinned. I have a secret technique that can be put to good use!

"What secret skill?" Xuanyuan tuohai was stunned and extremely curious.
