Chapter 1991: A Great Tribulation Is Bound To Come (4)

little menglu, why are you calling? "

Chen Xiaobei grinned as the image of the angel-faced girl from the heavenly wings clan appeared in his mind.

"Young master Chen, bad news!"

On the other end of the phone, menglu's voice was very nervous, and she said very softly, " "Everyone outside is saying that you killed the fourth core elder! Right now, the ishiqi family has already gathered together, and they're going to use all their power to find you and take revenge!"

"Fourth elder? Are you talking about Ishizaki Tianhong?"

Chen Xiaobei was taken aback, but he said nonchalantly, " "I did kill him. Whoever wants revenge, just come."

"Heavens! This is actually real!"

Menglu couldn't help but scream, "Childe Chen ... You ... How did you kill fourth elder?" This is too much!"

"Amazumi Ishizaki sent yuuda and 81 enduring fires to kill me!" "In the end, tenhon Ishizaki personally brought Qing Xuan tenche to kill me!" If I don't kill him, do you expect him to kill me?"

this ... menglu was stunned and said in disbelief, " "But why did fourth elder want to kill you?"

"I can't explain this in a few words."

Chen Xiaobei shrugged and said, " "If you believe me, then you don't have to ask anymore! If you don't believe me, there's no use in me explaining!"

"I do!"

Menglu said firmly, " I saw it with my own eyes. Young master Chen saved people a few times! Young master Chen would never kill the innocent!"

Chen Xiaobei smiled and said gently, " "Thank you for your trust! Take care of yourself, don't worry about me!"

"How can I not be worried?"

Monroe said nervously, " the Shiqi family is one of the most powerful families in the Azure Dragon continent. They have sent all their experts. They are definitely a force to be reckoned with! Moreover, I've also heard that the great elder will also bring people to assist in the battle! At that time, you'll be dead!"

"Great elder?" "Jiang Zhaoyan also wants to get involved?" Chen Xiaobei asked.

"Isn't that so?"

"Jiang Heqing died because of your livestream," menglu said, "the great elder has long wanted to take revenge!" now that you've killed the fourth elder, you are the enemy of the entire heaven dominating faction! The great elder's revenge is perfectly justified. He will definitely not show mercy!"

that's a little troublesome ... Chen Xiaobei frowned.

"What do you mean by a little troublesome?"

Monroe said nervously, " first elder is a super expert who has refined the God of nine flames. Moreover, first elder also has a five-star earth-god instrument! This is a fatal danger!"

"Silly girl!"

"Isn't the Qing Xuan Tian che that Ishizaki tenhong has a five-star earth-god instrument?" He was still killed by me!"

"This ..."

Menglu swallowed her saliva and was shocked. Childe Chen ... Who are you ... I feel like you're not ordinary ... As if you're from a different world!

"You're right!" Chen Xiaobei smiled. I'm a Superman from another world! So, you don't have to worry about me. I have a way to take care of everything!"

"You lied to me! There's no such thing as Superman in this world."

Monroe said worriedly, " but I really can't help you with this ... You'll have to rely on yourself for everything that comes after! Young master Chen! You must be careful!"

"I know, I'll be fine." Chen Xiaobei smiled, feeling warm inside.

Ding!

Just as he hung up, Chen Xiaobei received another message.

Mu chenfeng, "master!" The clay Bodhisattva has just predicted that you will face a Great Tribulation today! The canopy great country is preparing to make your Great Tribulation into a death tribulation!

Chen Xiaobei:

Mu chenfeng replied, "please give me your orders, master!"

"I'll send you my current location later. Think of a way to let the Ishizaki family know!"

Mu chenfeng thought, "this ... Why is this?" Master is in trouble today, so he should be hiding. How could he expose his position?

Chen Xiaobei: " you don't have to worry about that. Just do as I say!

Mu chenfeng replied, "Yes, sir ..."

After that, Chen Xiaobei brought Xuanyuan tuohai to a deserted area in the devil earth.

Chen Xiaobei sent the location to mu chenfeng and waited for the enemy to arrive.

Of course, this battle was very dangerous. Chen Xiaobei had already put Xuanyuan tuohai into the verdant Emperor's divine gourd.

Xuanyuan tuohai knew that he would not be of much help if he stayed outside. Instead, he would only cause Chen Xiaobei more trouble. So, he did not insist and followed Chen Xiaobei's orders.

.....

Time passed bit by bit, and what was supposed to come had finally come.

With Chen Xiaobei as the center, there were hundreds of large space carriers coming from all directions. There were at least 100000 people!

This time, in order to take revenge on Chen Xiaobei, not only did the Shiqi family send out all their powerful fighters, but all the forces under them had also sent people to help!

The main point was that the Azure Dragon Imperial city's Jiang family had also gotten involved. With Jiang Zhaoyan's wave of his arm and a call, who on the Azure Dragon continent would dare to not give face? Who would dare not come to help?

In an instant, hundreds of space carriers gathered and completely surrounded the area.

"Whoosh! Whoosh! Whoosh ..."

The space carrier landed at a suitable altitude. Then, people started to land like a storm.

A hundred thousand people surrounded Chen Xiaobei from all directions.

Jiang Zhaoyan and the Shiqi family's first elder, Shiqi heigui, walked in front, slowly approaching Chen Xiaobei.

"Little brat! Let's see where else you can run to!"

Jiang Zhaoyan's eyes were cold and he shouted with a murderous aura, " you killed Jiang Shaodian and Jiang Heqing. You must repay these two blood debts with blood!

"Nonsense!"

"If Jiang Shaodian and Jiang Heqing didn't want to kill me, I wouldn't have to do anything to them," Chen Xiaobei said.

Ishiqi kuizui was burning with rage, as he gritted his teeth and roared, " "Little bastard! You caused the death of the leader of the ishiqi family, ishigashi! This was an irreconcilable hatred! I'm going to tear you to pieces today!"

"PAH!"

that old bastard! Chen Xiaobei sneered. he's bullying the young! He's so shameless! You brought a five-star earth-god instrument to kill me, but you're not as good as him and you're going to die. Now you're blaming me?"

"You ..."

"That's right!" Ishizaki kuigui roared. And our Shiqi family's most precious treasure, the Azure heaven incarnate! You must hand it over immediately!"

"I'm sorry, Qing Xuan Tian che is not in my hands." Chen Xiaobei shrugged and said, " "Even if you kill me, you won't be able to get it."

"Little bastard! What right do you have to be so arrogant!"

Ishiqi kuizui's eyes were about to spit fire. "I will definitely kill you! However, if you don't hand over Qing Xuan Tian che, I will make you wish you were dead before you die!"

"I'll tell you the truth!"

The corner of Chen Xiaobei's lips curled up into a devilish smile. "Qing Xuan Tian che is in my second Shixiong's hands! If you dare to touch a single hair on my head, my second senior brother will kill all of you!"

[Red Envelope Group of the Three Realms](#)

Chapter 1992: Second Senior Brother, Save Me (1)

"What a joke!"

"We have 100000 powerhouses here today!" Ishiqi kuigui said disdainfully. Not to mention your second senior brother! Even if your backer comes, you'll die without a doubt!"

"Hehe, you guys aren't qualified to see my backer!"

I'm fine! Chen Xiaobei said, " my second Shixiong can handle these 100000 rotten eggs by himself!

As soon as he said that, the surrounding 100000 people exploded.

"You little brat! You're too arrogant! We are the top powerhouses of the major forces, and some of our leaders are among us! You dare to look down on us! Simply looking for death!"

"Little brat! Acting tough will get you struck by lightning! Where is your second senior brother? Call him out! We'll kill him in minutes!"

"Call your second senior out! Why is he like a turtle hiding in its shell? You can't even see a shadow?"

.....

"Everyone, stop quarreling!"

Jiang Zhaoyan shouted, his killing intent as sharp as a knife, " "No matter who this kid's second senior brother is, we must kill this kid today! I won't give him a chance to live!"

"Swish!"

As soon as he finished speaking, Jiang Zhaoyan took out a green saber. His true essence surged, and the spiritual fluctuation reached the strength of a five-star earth-god instrument!

Upon seeing this, the people around them immediately exclaimed, "Heavens! What a powerful spiritual fluctuation! This is the most precious treasure of the Jiang family of Green Dragon, the Green Dragon Star Moon saber, a five-star earth-god instrument!"

Chen Xiaobei furrowed his brows and was on full alert.

Jiang Zhaoyan was already a nine-fire god-refining elite, and with the Green Dragon Star Moon saber, he was more than enough to fight Chen Xiaobei!

Moreover, other than Jiang Zhaoyan, there were many other powerful people around, all of them staring at Chen Xiaobei!

If they were to fight face to face, Chen Xiaobei's chances of winning would be very low!

"Swish!"

Sure enough, before he finished his sentence, Ishizaki kuizui also took out a steel fork. His ethereal force was at the level of a four-star earth-god instrument!

"Woof! Buzzzzzz! Yi ..."

Then, the 100000 powerhouses around him also drew their weapons one after another.

Among them, there were hundreds of low-tier earth-god instruments!

The rest were all high-rank spirit weapons!

All in all, these magical items posed no threat to Chen Xiaobei.

However, if they were to combine their powers, they would undoubtedly pose a fatal threat to Chen Xiaobei!

"Great elder Jiang is right! It doesn't matter if this kid has a second senior brother or not. Today is the day he dies!"

Ishiqi kuizui raised his Pitchfork and roared madly, "Everyone! Form a battle formation! Set up an inescapable net! We can't let this kid get away!"

"Whoosh! Whoosh! Whoosh ... Whoosh! Whoosh! Whoosh ..."

As soon as he finished speaking, the 100000 powerhouses began to move.

With dozens, hundreds, or even thousands of people as units, these experts quickly formed hundreds of battle formations.

Terrifying energy fluctuations circulated back and forth between these battle formations.

100,000 experts! A hundred battle formations!

In this situation, Chen Xiaobei's chances of winning had plummeted even further!

If they were to fight face to face, Chen Xiaobei would not even have a ten percent chance of winning!

"Little brat! Now that things have come to this, are you still not going to kneel down and accept your death?"

Jiang Zhaoyan's mouth was wide open, his expression as ferocious as a demon's. He wanted to eat Chen Xiaobei's flesh and drink his blood.

Chen Xiaobei shrugged and said, "My second senior brother will come to save me soon! When the time comes, all of you should kneel down and accept your death!"

"Numbing! You still dare to act tough even when you're about to die!"

Ishiqi kuizui gritted his teeth and roared: "If Qing Xuan Tian che is really in your second senior's hands! Our Shiqi family will do whatever it takes to fight with your second senior! He can't save you, he can't even save himself!"

"Ishiqi Kuros! There's no need to talk nonsense with this kid!"

shut up! Jiang Zhaoyan shouted impatiently, "take him down directly and cripple his cultivation. Then, torture him slowly. He will definitely tell you where Qing Xuan Tian che is!"

"Great elder Jiang is right!"

Ishiqi kuizui's eyes narrowed, and he suddenly waved the steel fork in his hand.

The steel fork had been filled with spiritual energy in advance. At this moment, he burned one billion low-grade spiritual energy to activate the power of a four-star earth-god.

The red spiritual light expanded and transformed into a huge steel fork Dharma image, which seemed to be able to pierce a hole in the sky.

"Stop! Chen Xiaobei's life! It's mine!"

At this moment, an angry roar came from the sky.

Everyone looked over and saw a figure jump down from an aircraft hundreds of meters in the air.

"Woof!"

As the man fell, he swung the green saber in his hand.

A green saber radiance fell down like a green waterfall and hit the Dharma power of the red Steel fork.

"BOOM!"

The steel fork Dharma power collapsed instantly. It was clear that there was a huge gap in strength.

"Uh ..."

Ishiqi kuizui was hit by the huge impact and was sent flying more than ten meters away, knocking down many experts behind him.

"Qing ... Qing Xuan Tian che is in that person's hands!"

In the next moment, 100000 pairs of eyes fell on the newcomer!

That's right!

It was Tian Peng, the one who held the five-star earth-god instrument Qing Xuan Tian Che!

"Second senior! You've come to save me! That's great! I knew you would come!"

Chen Xiaobei's face was full of excitement. His Oscar-level acting skills were on full display, and his acting was very real, full of true feelings.

At that moment, most of the people around believed that Tian Peng was Chen Xiaobei's second Shixiong.

"You little brat! What nonsense are you spouting? Who said I'm here to save you!" Tian Peng's eyes widened in anger and he was very unhappy.

"Second senior! Don't be stubborn! Even though I've offended you before, I know that you still care about me!"

you ... Chen Xiaobei grinned. if you didn't help me last time, how could I have killed Ishizaki tenhon? "

"Ishizaki Tianhong? Who is it?" Tian Peng did not understand what Chen Xiaobei was saying.

"Alright! So it's you!"

At this moment, Ishizaki Kuroki jumped up and pointed at Tian Peng. "So, it was you and Chen Zhufeng who killed the leader of the ishiqi family! If I don't take my revenge, I, ishigasaki kuigui, swear that I'm not a human!"

"What nonsense is this?" Tian Peng frowned and said, "I'm here to kill Chen Zhufeng! I have the same goal as you! They're not enemies!"

"You're here to kill Chen Zhufeng? Are you trying to fool a fool? You just saved him!"

"Of course, if you're really not an enemy, then return Qing Xuan Tian che to me!"

"Return it to you?"

Tian Peng's brows furrowed and he was obviously reluctant to leave. "Chen Zhufeng also has a five-star earth-god instrument! I'll return the Qing Xuan heavenly Jade to you. How can I fight Chen Zhufeng?"

"If you don't return Qing Xuan Tian Che!" Ishiqi kuizui roared. Then you're still an enemy! A great enemy that won't rest until one of us is dead!"

no, listen to me ... Tian Peng still wanted to explain.

"BOOM! BOOM! Boom ..."

However, at this moment, the aircraft that Tian Peng was on just now fired a laser beam at ishiqi Shei GUI!

"Uh ... Ah ... Uh ..."

Ishiqi Shei GUI and many of the experts around him were caught off guard and were instantly injured by the laser beams. They screamed in pain.

Seeing this, Jiang Zhaoyan immediately roared, " "There's nothing more to say! Everyone, listen to my command! Kill Chen Xiaobei and his second Shixiong on the spot! Do not let them go!"

kill!!!

In an instant, 100000 people roared, their power shaking the world!

[Red Envelope Group of the Three Realms](#)

Chapter 1993: Where's The Sleeping Straw Man (2)

"Wait a minute! Let me explain!"

Tian Peng's expression became very ugly. He felt that he had been tricked again.

One had to know that the power of the joint attack of the 100000 people was not to be underestimated!

Once the war started, even the canopy great country did not have the confidence to win! Moreover, once the war started, the canopy great country wouldn't be able to defend themselves!

"BOOM! BOOM! Boom ..."

However, before Tian Peng could explain, the aircraft in the sky once again fired laser attacks at the people on the ground!

It was an Azure Dragon-grade flying device, and its attack was extremely powerful. Many people were injured on the spot.

"F * ck ... Mu chenfeng, that idiot. What the hell is he doing ..."

Tian Peng's face turned green as he fiercely looked up at the sky. He wanted to fly up and beat up mu chenfeng, who was flying the aircraft!

Obviously, the first attack of the aircraft had angered everyone!

The second attack completely cut off Tian Peng's chance to explain himself!

"Everyone, hear my order! Don't be fooled by Chen Zhufeng's second senior brother! He was here to help Chen Zhufeng! Everyone, attack with all your might! No mercy! Kill!"

die! Jiang Zhaoyan roared and slashed at the aircraft in the air with his Green Dragon Star Moon saber.

"F * ck! What's wrong with mu chenfeng?"

Tian Peng's face turned green. He couldn't understand why his loyal dog mu chenfeng would ruin his plans at such a crucial time.

The loyal dogs that had eaten the heavenly dog biscuit were all 100% loyal!

However, Tian Peng did not expect that mu chenfeng had become Chen Xiaobei's loyal dog after eating his high-grade heavenly dog biscuit!

Mu chenfeng stayed by Tian Peng's side to be a spy and help Chen Xiaobei in the dark!

Of course, Tian Peng didn't know about this!

Moreover, Tian Peng did not have time to think too much.

After all, mu chenfeng and the clay Bodhisattva were on the flying device.

To Tian Peng, these two people were loyal dogs of great value. He couldn't let them die like this!

Since this battle could not be avoided, Tian Peng could only fight!

"Swish!"

Tian Peng also slashed out Qing Xuan Tian che. The blade Qi rose three hundred meters and blocked Jiang Zhaoyan's attack.

The aircraft in the sky escaped and quickly turned around to escape, not daring to stay in the sky above the battlefield.

"BOOM! BOOM! Boom ..."

At the same time, the hundreds of arrays around him were all activated.

Terrifying true essence shot up into the sky like a splendid fireworks party.

Each of these magnificent 'fireworks' were deadly. They were aimed at Chen Xiaobei and Tian Peng!

Of course, most of the powerful attacks were aimed at the canopy.

After all, in everyone's eyes, the canopy great country was much more dangerous than Chen Xiaobei because he had the Qing Xuan Tian che.

"Second senior! Was this the legendary 'fate makes fools of people'? You've come to kill me, but in the end, you have to fight alongside me!"

Chen Xiaobei grinned and looked at Tian Peng.

"Bah! I will not fight alongside you!"

Tian Peng clenched the Qing Xuan Tian che and charged at Chen Xiaobei, " "I'll kill you first, and then these idiots around me will naturally stop!

"Second senior! You better think carefully! Are you really not going to fight alongside me?" what? " Chen Xiaobei frowned. without my help, you can't win against these people!

"Swish!"

Tian Peng slashed out with killing intent, " "Kid, have you been scared silly? I told you, as long as I kill you, the people around me will naturally stop ... Stop ... Where is he?"

Before he finished his words, Tian Peng's face was filled with shock.

Chen Xiaobei waved the earth escape divine gourd and sank into the ground, disappearing without a trace.

"Where are they? F ... F * ck ... Chen Xiaobei! You scammer!"

Tian Peng's face darkened. His eyes were as wide as a bull's, and his mouth was so wide that a fist could fit in.

In an instant, Chen Xiaobei disappeared from the battlefield. Tian Peng was identified as Chen Xiaobei's second Shixiong by the enemy.

The main point was that Tian Peng did not want to return Qing Xuan Tian che, but they could not take out Chen Xiaobei's head.

Without a doubt, Tian Peng was destined to take on all the attacks of his enemies.

"BOOM! BOOM! Boom ..."

In the blink of an eye, a vast amount of true essence had already landed on Tian Peng's head.

Hundreds of streaks of vital essence criss-crossed like a net and covered Tian Peng without leaving any blind spots.

It was imperative to face the attack head-on!

"F * ck! Don't think that I will admit defeat!"

Tian Peng gritted his teeth and clenched the Qing Xuan Tian che with both hands. He suddenly activated the power of a five-star earth-god.

"Woof!"

A ray of green light rose up against the sky and suddenly cut through the sky Net formed by a large amount of vital essence in the sky with a destructive force!

After all, Qing Xuan Tian che was a five-star earth-god instrument. Its power was not to be taken lightly!

Of course! That true energy Sky Net was not the enemy's full attack! The stronger attacks were all hidden behind the heavenly net!

"Woof! Buzzzzzz! Yi ..."

In the next moment, Jiang Zhaoyan, ishiqi heigui, and a small number of the strongest core members of the two forces all waved their earth-god instruments and attacked second senior brother!

This small group of core members did not have a large number, only a dozen or so!

However, each of them had extremely high cultivation and more importantly, they all had earth-god instruments in their hands!

"Hiss!"

Jiang Zhaoyan was at the forefront, and the Green Dragon Star Moon saber in his hand suddenly struck.

The Green Dragon Dharma power condensed instantly. One claw grabbed the stars, and the other grabbed the moon! He was like a Celestial Dragon from another world, erupting with an unimaginably huge combat power!

"BOOM!"

The power of Qing Xuan Tian Che's blade Qi had been greatly reduced after it had cut through the sky Net.

It was also a five-star earth-god instrument, but the power of the green Dragon Dharma was at its peak. It crushed qingxuan and tianche's saber Qi in an instant.

At that moment, the power of the green Dragon was greatly reduced.

However, the dozen experts behind Jiang Zhaoyan were no longer in their way. They raised their earth-god instruments and attacked the canopy.

"You dog thief! Go to hell! My Shiqi family's Qing Xuan Tian che will be taken back by my own hands!"

Holding a four-star earth-god grade Pitchfork in his hand, shisaki kuizui took the lead and charged at Tian Peng!

The steel fork burst into a Crimson Dharma image, its power covering the sky and earth, terrifying beyond compare.

"Hmph! Trash like you don't have the right to kill me!"

Tian Peng's eyes narrowed and he waved the Qing Xuan Tian che towards ishiqi hei GUI.

However, this time, Tian Peng only waved his sword and did not activate the power of the five-star earth-god instrument.

"What?" "Why didn't you activate your earth-god Power?" Ishizaki kuigui asked in surprise.

"Because ..."

Tian Peng's eyes were filled with killing intent as he laughed. "I am an earth immortal!"

[Red Envelope Group of the Three Realms](#)

Chapter 1994: Advantages Of An Earth Level Deity (3)

"What? You're an earth immortal?"

Ishiqi kuizui's expression froze for a moment before he burst out laughing. "Are you a f * cking retard? You look like you're not even 30 years old. If you're an earth immortal, I'd be a great principal golden immortal!"

"Idiot!"

Tian Peng snorted in disdain. His dantian started to operate and burst out the genuine vitality of a peak four-star earth-god!

"Oh my God ..."

Ishizaki kuigui instantly screamed in shock, unable to believe his eyes. you ... You're really a four-star earth-god ... And a peak four-star ... My God ... Am I dreaming? "

Even though the steel fork in ishiqi Shei GUI's hand was also a four-star earth-god instrument, he was instantly plunged into despair.

One had to know that a billion low-grade spiritual artifacts had to be burned to activate the maximum power of a four-star earth-god instrument!

Even with the maximum amount of spiritual energy, it could only launch ten attacks at most!

However, a four-star earth-god was different. His vital essence came from his dantian and could be freely withdrawn without any external help!

As long as his sea of Qi dantian was not exhausted, he would be able to launch a four-star earth-god level attack!

At the earth level deity realm, the dantian was already quite vast and could hold a lot of vital essence. Even if he used hundreds or thousands of moves in a row, it would not be exhausted!

This was the difference between an earth-god instrument and an earth-god!

Simply put, Tian Peng only needed ten moves to exhaust a four-star earth-god instrument full of spiritual energy and win without a fight!

From this, it could be seen that in the competition of the same level, earth-god instruments were easily crushed by earth-god instruments!

It was because of this that countless experts desperately pursued their own cultivation, only then would they pursue the level of their Dharma Treasures!

As long as one's cultivation was high enough, they could suppress all Dharma Treasures!

The current situation also confirmed this point. The moment he found out about Tian Peng's cultivation level, ishiqi Shei GUI fell into despair!

Moreover, Tian Peng was a peak four-star and his ethereal force could definitely suppress ishiqi Shei's steel fork!

Before the attack had even moved, the outcome had already been decided!

"Ninefangs! Shatter the mountain!"

Tian Peng roared and his own vital essence formed a huge nine-toothed rake in front of Qing Xuan Tian Che!

Rakes were originally a tool used by farmers in the human world.

However, Tian Peng's nine-toothed rake was an extraordinary divine weapon!

The full name of this rake was upper treasure Qin golden rake!

It was personally forged by the Grand Supreme elderly Lord using the divine ice iron, and then the Five Emperors and the nine Heavens Thunder God puhua heavenly venerate were invited to forge it with the strength of six ding and six Jia!

In terms of grade, the nine-toothed rake was even better than Monkey King's golden-hooped rod!

Of course, Shen Gongbao wouldn't let Tian Peng bring the nine-toothed rake down to earth.

What had appeared now was only the Dharma form of the rake and not the actual body. Otherwise, the entire devil earth continent would have been split into pieces!

Furthermore, the Dharma was more than enough to deal with ishiqi kuizui!

"BOOM!"

With a loud explosion, the nine-toothed rake Dharma idol destroyed the steel fork's attack without any suspense.

"Whoosh!"

Tian Peng stepped on the ground and his body turned into a Phantom. In an instant, he crossed the battlefield and appeared in front of ishiqi Shei GUI.

don't ... Don't kill me ... Please ... I won't do it again ... Please don't kill me ... shisaki kuigui screamed hysterically, almost peeing in his pants.

"You want to kill me, but you're telling me not to kill you? How can there be such a logic in the world?"

Tian Peng's eyes were filled with anger and killing intent. Without hesitation, he waved the Qing Xuan Tian che and chopped down on ishiqi hei GUI's head.

"Swish ..."

Qing Xuan Tian Che's sharp blade and the power of the canopy split hei GUI's body in half.

Oh my God ... It's ... It's so scary ... Chen Zhufeng's second senior brother is really an earth level deity ... And he's a peak four-star earth level deity ...

what kind of power is Chen Zhufeng's backing? he has such a young earth level deity as his senior brother ...

only the top forces in the earth-god Realm can have such a super genius as a disciple ... Their backing must be extremely terrifying ...

we've offended Chen Zhufeng and his second senior brother ... We're dead meat ...

All of a sudden, the surrounding 100000 people all cried out in fear, and despair spread rapidly among the crowd.

"Who else wants to kill me? Just come out!"

Tian Peng held the Qing Xuan Tian che in one hand and picked up the four star steel fork in the other. He swept his gaze across the entire scene, not putting anyone in his eyes.

At this moment, everyone's hearts were deeply shocked. Out of the vast 100000 people, not a single one dared to voice out their challenge.

They were like a hundred thousand cowardly tortoises who didn't even dare to breathe.

"Everyone, calm down! Listen to me!"

However, at this moment, Jiang Zhaoyan stood up and shouted, "Chen Zhufeng and his second senior brother have an extraordinary backer! If we let them go, it's the same as letting a Tiger return to the mountain. Sooner or later, we'll be retaliated against!"

As soon as he said that, the surrounding hundred thousand people's faces changed dramatically, and their pupils shrank.

In their eyes, Tian Peng was only Chen Xiaobei's second Shixiong and he was already a peak four-star earth-god.

What about Chen Xiaobei's eldest Shixiong? Where was Chen Xiaobei's uncle-master and shizun? Just how terrifying were these people of higher seniority?

When they thought of this, the hearts of the 100000 people were filled with fear. They were afraid of revenge from the bottom of their hearts.

"If we don't want revenge! There's only one way!"

Jiang Zhaoyan held his Green Dragon Star Moon saber tightly and shouted, "Kill Chen Zhufeng and his second senior brother! Only by killing them will we not be retaliated against! If we let the Tiger return to the mountain, we will only die!"

As soon as he said that, the surrounding 100000 people all came to a sudden realization. Their fearful eyes gradually became determined and revealed a strong will to fight.

"Great elder Jiang is right! We have no way out! I can only fight to the end!"

"Everyone, don't panic! We have so many people! And the Green Dragon Star Moon saber of Grand Elder Jiang! I'm completely capable of fighting him!"

"Right! Let's work together and kill Chen Zhufeng's second senior brother! As long as this guy is dead, Chen Zhufeng won't be able to do anything!"

"Fight! We are not afraid of him! Fight him to the end!"

Everyone's morale was raised, and their fighting spirit gradually boiled. Cries for battle rose and fell.

"What a bunch of idiots who aren't afraid of death!"

Tian Peng's eyes focused and locked onto Jiang Zhaoyan. He charged out. "To capture the bandits, first capture the king! I'll kill you first, old thing, and see how the minions around here can still run!"

"Woof! Whoosh!"

Tian Peng's hands shot out and the five star earth level deity power of Qing Xuan Tian che burst out. The four star steel fork turned into a nine-toothed rake!

The two Dharma laksanas attacked at the same time and suddenly smashed down on Jiang Zhaoyan's head.

[Red Envelope Group of the Three Realms](#)

Chapter 1995: Turn Of Events (4)

"You want to kill me? It won't be that easy!"

Jiang Zhaoyan's eyes narrowed, and he suddenly activated the power of the green Dragon Star Moon saber.

"Roar!"

Accompanied by a shocking dragon roar, the Green Dragon Dharma form condensed again. With a claw on the star and a claw on the moon, it suddenly rushed up with the power to overturn the sky and the sea!

"Boom boom boom ..."

In the next moment, the Green Dragon Dharma form and qingxuan tianche's 300-meter blade Qi clashed head-on.

These two attacks came from five-star earth-god instruments, and they were about the same level, both of them were early five-star.

Therefore, in a head-on confrontation, the Green Dragon Dharma power and the green profound saber Qi were almost equal and were in a stalemate.

"Our trump cards are equally big! But I'm better than you, I have a little Wang!"

Tian Peng let go and used his faith to control Qing Xuan Tian che to fight with the Green Dragon in the air!

The next moment, Tian Peng held his four-star steel fork tightly and went around the area of confrontation to attack Jiang Zhaoyan!

Obviously, as long as the Green Dragon Star Moon saber was entangled, Jiang Zhaoyan would not be Tian Peng's opponent. He would be killed in one move.

After all, Jiang Zhaoyan was only at the nine-fire god-refining stage and was thousands of miles away from being an earth level deity.

However, in such a situation, Jiang Zhaoyan was not afraid at all. He sneered, " "You have a small Wang? I have nine!"

what???"

Tian Peng was dazed. He felt the terrifying energy coming from all directions.

"Woof! Buzzzzzz! Yi ..."

Tian Peng looked over and saw that the 100000 people had formed nine large-scale battle formations and released nine beams of terrifying vital essence that were comparable to four-star earth-god instruments!

They were like nine evil dragons that rolled out of the sea, stirring the world, tearing space, and crushing all obstacles in the world. The power was terrifying and simply shocking.

"F * ck! I've underestimated the ants around me ..."

Tian Peng's face turned cold and he frowned. He had to give up on attacking and retreat.

"BOOM! BOOM! Boom ..."

Tian Peng gathered true Qi in one hand and waved the steel fork in the other. He blocked the attacks of the nine Dragons.

Fortunately, Tian Peng was a peak four-star earth-god, otherwise, he would have been killed or disabled by such attacks!

"Swish!"

However, before Tian Peng could catch his breath, Jiang Zhaoyan launched a new attack.

"Woof! Buzzzzzz! Yi ..."

The main point was that the nine arrays around him had also launched nine four-star earth-god level attacks at the same time.

f * ck ... If this continues, the true essence in my sea of Qi dantian will be consumed too quickly. I have to use my true essence nine times in one wave of attacks ... Sooner or later, they will take it out of my sea of Qi dantian. At that time, I will be dead ...

Tian Peng's heart trembled as he felt a strong threat.

However, although Tian Peng knew that the battle was not going well, he had no way to change it and could only fight!

Qingxuan tianche blocked the Green Dragon Star Moon saber. They were evenly matched, it was hard to tell who was stronger!

Tian Peng had to use his nine streaks of true essence to defend against the nine battle formations.

Although they could hold on for now, once the dantian dried up, the canopy great country would lose for sure!

"BOOM! BOOM! Boom ..."

It was obvious that Jiang Zhaoyan and the hundred thousand people around him knew the direction of the battle. Without a word, they started to attack the canopy great country!

Tian Peng knew very well that the Zhen Yuan in his dantian was decreasing. More importantly, the spiritual Qi that was injected into Qing Xuan Tian che was also running out.

At that time, Tian Peng wouldn't even have the chance to inject spiritual Qi again. Defeat would be inevitable!

"Uh ..."

Tian Peng was focused on defense and was worried about the situation.

Never in his dreams would he have thought that a hidden arrow would be shot from the blind spot of his vision, directly piercing into the flesh of his right shoulder.

"Swish!"

The hidden arrow had a hook, and when Tian Peng pulled it out, his skin split open and blood flowed out.

"Despicable!"

Tian Peng looked at Jiang Zhaoyan with a ferocious expression.

Don't forget, Jiang Zhaoyan was the highest-ranking leader of the Azure Dragon Imperial City. How could he only have One earth-god instrument?

"Heh, this is a battlefield! It's not like this is a sports meet! As the saying goes, all's fair in war! The reason you fell for it is not because I am despicable, but because you are stupid!"

Jiang Zhaoyan's face was filled with a sinister smile, and he was holding a thousand-mechanism crossbow that was glowing with spiritual light!

The spiritual fluctuation on the crossbow was as high as a four-star earth-god level!

The hidden arrow had been shot by the thousand-contraption crossbow. It carried the power of a four-star earth-god and pierced through the skin of Tian Peng's right shoulder.

Fortunately, Tian Peng was a peak four-star earth-god, otherwise, his right arm would have been disabled.

"Do you think you can defeat me by shooting an arrow in the dark? How childish ..."

Tian Peng was extremely disdainful but before he finished speaking, he fell into extreme fear, "Eh? Why is my right arm numb ... All the veins in my body are numb ... I can't use my true essence ..."

"Hehe, of course I'm clear that I can't beat you with a single hidden arrow! So, I added some seasoning to the arrow!"

Jiang Zhaoyan smiled sinisterly. It's the death Wind ant's poison. The poisoned person will first feel numb all over. Then, they will feel as if they are being bitten by hundreds of millions of poisonous ants. Finally, their skin and flesh will break and their internal organs will be crushed. Their entire body will turn into a pool of blood!

you ... Tian Peng's face turned ugly and he knelt on the ground powerlessly. His face was filled with anger and unwillingness.

At this moment, the 100000 people around stopped attacking. They all grinned and looked at Tian Peng gloatingly.

They didn't need to waste their energy to attack. They just needed to wait for the canopy to turn into blood.

give me the earth-god instrument first. Don't let it be dirtied by your blood!

Jiang Zhaoyan smiled evilly and walked over, wanting to take away Qing Xuan Tian che and the four star steel fork.

"You despicable bitch ... I, Tian Peng, will not let you go even if I become a ghost ..."

Tian Peng's expression was twisted and he was extremely unwilling.

However, he had completely lost the ability to resist as he was poisoned. He could only watch as the enemy approached.

hehe, I've said it before. It's not that I'm despicable, but that you're stupid!

Jiang Zhaoyan smiled and looked down at Tian Peng. of course, if you call Chen Zhufeng out now, I can leave your corpse intact. Otherwise, you'll be reduced to a puddle of blood and die a horrible death!

Chen ... Chen ... Tian Peng's expression changed and his ferocious expression suddenly relaxed. The grievances and unwillingness in his heart were swept away and he revealed a smile.

"What are you laughing at? Could it be that he was scared silly?"

I don't care if you tell us or not, " Jiang Zhaoyan grinned. we'll find Chen Zhufeng and cut him into pieces. He won't have a good life ... Ugh ...

Before he could finish his words, a long sword as red as fire suddenly pierced Jiang Zhaoyan's body from behind, directly penetrating his sea of Qi dantian and then stabbing out from his body.

[Red Envelope Group of the Three Realms](#)

Chapter 1996: You're Not Qualified (1)

"Who ... Who is it ..."

Jiang Zhaoyan looked as if he had seen a ghost. He turned around but didn't see anyone.

100,000 pairs of eyes were watching, but they didn't see anyone.

Did he really see a ghost?

"Didn't you want to find me? Now I'm here on my own! Are you satisfied?"

At this moment, an indifferent voice suddenly came from the void, giving everyone a big fright.

An ink-colored ghost mask appeared out of thin air.

Chen Xiaobei's face was revealed when the mask was taken off. His expression was calm, but his dark eyes were filled with murderous intent.

At this moment, the explosive flame Spirit King Sword pierced through Jiang Zhaoyan's dantian from behind, which was equivalent to directly crippling the old man's cultivation.

Chen Xiaobei only needed to think about it and Jiang Zhaoyan would be dead.

That's right!

Chen Xiaobei did not abandon canopy and run away by himself. Instead, he had been hiding around the area, wearing the Nightstalker outfit, ready to help!

Chen ... Chen Zhufeng ... You're so despicable ... You're ten thousand times more cunning than a Fox ...

Jiang Zhaoyan's body trembled as he spat out a mouthful of blood. His tone was filled with endless hatred. He wished he could fight Chen Xiaobei to the death.

Unfortunately, his cultivation had been destroyed and he had no spirituality. Even though Jiang Zhaoyan had two earth-god instruments, he couldn't use them.

Jiang Zhaoyan could do nothing but wait for his death.

"Heh, you just said it yourself, all's fair in war!"

you failed not because I'm cunning, but because you're too stupid! Chen Xiaobei said.

you ... I ... Jiang Zhaoyan was instantly speechless.

Ten seconds ago, Jiang Zhaoyan had used the same words to humiliate Tian Peng.

Jiang Zhaoyan's face turned green at Chen Xiaobei's return of the favor.

Seeing this scene, Tian Peng didn't say anything but he felt extremely satisfied and relieved.

"Don't kill me ... Please don't kill me ..." He begged.

Jiang Zhaoyan's body trembled and his face turned ugly. He said in a sad voice, "I'm the highest leader of the Azure Dragon Capital city ... Kill me ... You'll be hunted down endlessly ..."

"So, are you threatening me?" Chen Xiaobei raised his eyebrows in disdain.

"Right! I'm just threatening you ..."

Jiang Zhaoyan gritted his teeth and said, "if you think the Azure Dragon Imperial City is not powerful enough, there's still Grand Elder Nangong Kurong and the Lord of the earth-god Realm!" If you dare to touch me ... The people from the earth-god Realm will come and you will die ..."

Before Chen Xiaobei could say anything, Tian Peng said, "Young master Chen! Don't kill him! Otherwise, we'll be in big trouble!"

"Oh?" second Shixiong? " Chen Xiaobei raised his eyebrows and smiled. are you concerned about me? "

"Bah! Who ... Who's concerned about you ..."

Tian Peng's face turned green. now, everyone thinks that I'm your second senior. If you get into trouble, I'll definitely be in trouble!

Hearing this, Jiang Zhaoyan smugly laughed. "Chen Zhufeng! Did you see that? Your second senior brother is a wise man! Listen to him and don't kill me. It's good for both of us!"

"The Lord you just mentioned, is it the demon Lord of the demonic sect?" Chen Xiaobei asked.

"Ah?" "I can't tell you!" Jiang Zhaoyan was stunned.

It was obvious that Jiang Zhaoyan, like Ishizaki Tianhong, knew the important secrets of the demonic sect.

However, they had all been cursed by the demon. As long as they mentioned the secret, their hearts would burst and they would die.

Chen Xiaobei understood what she meant and said, " "Since you can't tell me, you have no value!"

"Yup! I have no value to you! So, just let me go!" Jiang Zhaoyan quickly said.

"Who said I'm going to let you go?"

Chen Xiaobei said, " "I hate being threatened! Anyone who threatens me will either submit or die! There is no third option!"

hiss ... Jiang Zhaoyan gasped and said in surprise, " "You're not afraid of Nangong kuirong? Aren't you afraid of the exalt?"

"If I'm afraid, why don't I run away from the devil earth?" Chen Xiaobei asked. Why are you risking your lives to break your scheme?"

this ... Jiang Zhaoyan was stunned, and cold sweat poured down like rain.

He did not expect Chen Xiaobei to be so overbearing! He was so supercilious!

Jiang Zhaoyan knew very well that Chen Xiaobei was not joking. So, he immediately admitted defeat and said, " I don't want to die ... I surrender ... I'm willing to be your servant ... And be at your beck and call ...

"Do you think I'm a garbage collection point?"

you! Chen Xiaobei sneered. you're just a useless piece of trash! You don't have the right to be my servant!

"Woof!"

Chen Xiaobei then exploded the flame Spirit King Sword and split Jiang Zhaoyan's upper body in half.

In an instant, blood spurted out, and internal organs were thrown into chaos!

He was the highest-ranking leader of the Azure Dragon Imperial City! heaven dominating faction core great elder! A Supreme expert ranked within the top ten of the great heavenly fate ranking!

Just like that, he had ended up with a miserable death without an intact corpse!

The 100,000 onlookers were all deeply shocked by the scene!

All of them were dumbstruck, their pupils contracting uncontrollably, their hearts beating wildly, their bodies turning cold, and fear seeped into their bones!

As the saying goes, to capture the bandits, first capture the king!

With Jiang Zhaoyan's death, the 100000 people around them completely lost their backbone. Not only did they become a pile of loose sand, but their fighting spirit also collapsed in an instant.

Without waiting for Chen Xiaobei to say anything, the 100000 people turned around and ran for their lives.

In an instant, all 100000 people had run away.

Chen Xiaobei ... You're too overbearing ...

Tian Peng was also shocked. He frowned, " "From this moment on, you will attract countless troubles! I'm also destined to be implicated by you ..."

"Second senior brother's heart is as strong as iron, but there are times when you're afraid?" Chen Xiaobei smiled and picked up the storage bracelet, Green Dragon star and moon saber, and the thousand-machine crossbow from Jiang Zhaoyan's body.

I ... What am I afraid of?!

Tian Peng gritted his teeth, "from the moment I decided to descend, I have already put life and death aside!" If I can't even handle such a small problem, what right do I have to fight for a chance of survival in the immeasurable catastrophe?"

"Since second senior brother is not afraid, what's the difference whether I kill Jiang Zhaoyan or not?" Chen Xiaobei shrugged and said.

At the same time, Chen Xiaobei took out a few small bottles from Jiang Zhaoyan's storage bracelet. He opened them and sniffed at them. He found the antidote to the zombie wind ant poison and threw it to Tian Peng.

Tian Peng took some antidote and his complexion gradually recovered, " "I'm not afraid, and neither are you! But don't forget, you're still leading a large group of people from bei Xuan faction! Aren't they afraid?"

"Oh? Second senior brother, are you concerned about my family and friends?" Chen Xiaobei grinned.

[Red Envelope Group of the Three Realms](#)

Chapter 1997: Split Personality (2)

"Don't think too much! I don't care about your people!"

The poison in Tian Peng's body was gradually removed and his physical strength and Zhen Yuan started to recover. Quietly, he clenched the Qing Xuan Tian che in his hand.

"Second senior, after this battle, can we have a good chat?"

Chen Xiaobei raised his eyebrows and smiled.

"What do you want to talk about?" Tian Peng asked coldly.

"Do you remember the last time?" I'm guessing that the reason for your sudden change in temperament is because you have some difficulties? Or did Shen Gongbao cast some kind of spell on you?"

"You're wrong!"

Tian Peng said coldly, "I want to kill you because you stole the Chang 'e fairy!" The hatred of his wife being stolen was absolutely irreconcilable! I don't need Shen gongpao to do anything to me. It's my own heart that wants to kill you!"

"Do you still remember?"

what? " Chen Xiaobei narrowed his eyes and asked, " last time, I told you that your first wife was Gao cuilan, and then you started to have a headache? "

you ... You can't mention her ... Tian Peng's expression turned ferocious. He covered his head with one hand and looked like he was in pain.

"Gao cuilan! Gao cuilan! "Gao cuilan ..." Chen Xiaobei shouted as he observed the changes in the canopy.

you ... Uh ... Tian Peng grimaced in pain as if he was under a spell. He roared, " "I told you not to replace her! Don't ..."

you ... Chen Xiaobei furrowed his brows. it seems like the reason why your personality has changed so much is not because of Chang 'e fairy, but because of Gao cuilan!

"!! ck! I told you not to mention her!" die! Tian Peng was so angry that he swung the qingxuan heavenly incarnate at Chen Xiaobei's head.

"Clang"

Chen Xiaobei blocked the attack with his Green Dragon Star Moon saber.

Both of them were five-star earth-god instruments, and their strength was on par. Chen Xiaobei and Tian Peng were both pushed back a dozen steps, but they were not injured.

"Alright! I won't mention it anymore!"

"You can go!" Chen Xiaobei said. Protect yourself! I will find a way to investigate your problem!"

Tian Peng covered his head and slowly retreated, " "I'm not in a good state today ... Next time, I'll bring Qin Wuxin to you! At that time, only death will await you!"

"Wait a moment!"

Chen Xiaobei sighed and threw the Green Dragon Star Moon saber and the four star steel fork in front of Tian Peng.

"What do you mean by this!" Tian Peng's expression was ferocious and his headache didn't seem to be relieved.

"Right now, all my enemies know that you are my second senior brother!"

"I don't want you to die in their hands!" Chen Xiaobei said. The two earth-god instruments are for you to protect yourself!"

you ... You ... Tian Peng clutched his head and his eyes were filled with conflict. He suddenly said in a gentle voice, " "Xiaobei! You wait too!"

"What?" Chen Xiaobei felt as if Tian Peng had become a different person.

"Whoosh!"

Tian Peng took out a token from his storage bracelet and threw it to Chen Xiaobei, "Xiaobei! This is the token of Hiroshi Isaki, it should be useful to you!"

"Ishizaki Tianhong's?" Chen Xiaobei was taken aback.

After killing tenhon Ishizaki, Chen Xiaobei had given the wristbands of Qing Xuan tianche and tenhon Ishizaki to Tian Peng.

Tian Peng had thrown the token to Chen Xiaobei, so there must be some important secret hidden in it.

"You idiot! Go back!"

Suddenly, Tian Peng said that cold and fierce voice again. The conflict in his eyes disappeared and was replaced by a strong killing intent.

Tian Peng glared at Chen Xiaobei, picked up his Green Dragon Star Moon saber and four-star steel fork, and quickly left the scene.

"Second senior? The canopy?"

Chen Xiaobei furrowed his brows and thought, "Could it be that there are two" spirits "in the same body?"

Looking at Tian Peng's back, Chen Xiaobei was sure that things were not as simple as they seemed.

Of course, Chen Xiaobei did not have any more clues. He could only wait until he had time to ask in the group.

"The key now is to destroy the demonic sect's plot! Let's find a place to take stock of our gains first!"

Chen Xiaobei quickly took out the somersault cloud and flew into the sky.

.....

Chen Xiaobei only stopped when he reached an empty wasteland to take a look at his gains from the battle.

[ding! You have eliminated a ninth generation villain. You have been rewarded with 90000 merit points!]

[your current merit points are 70170000. You need another 19830000 merit points to proceed to the next level.(Charm: 7017000, luck: 7017000) !

Jiang Zhaoyan has indeed done all kinds of evil things. He has already become a villain for nine generations!

what a pity! I'm still far from 90 million merit points! I need to speed up! Chen Xiaobei said.

Then, Chen Xiaobei picked up the thousand-machine crossbow and said, "This little thing is a four-star earth-god instrument. At a critical moment, it might be able to turn the tables! It can be considered a new trump card of mine!"

Chen Xiaobei put away the crossbow and started to check Jiang Zhaoyan's storage bracelet.

30000 upper spiritual stones!

Chen Xiaobei's eyes lit up. after joining my Treasury, my wealth has become 100000 upper spiritual stones, 20000 medium spiritual stones, and 110 million lower spiritual stones!

"As long as I find the devil nation's Treasury later, I'll definitely be able to obtain even more wealth! At that time, I'll be really rich!"

Chen Xiaobei was overjoyed when he thought of this!

Spiritual stones and spiritual Qi were one of the most important resources at any time. The more he had, the easier it would be for him to return.

"Jiang Zhaoyan also has a token!"

Chen Xiaobei continued to check his storage bracelet and found a special token.

Just now, Tian Peng had a brief split in his mind and had given Chen Xiaobei another token.

Chen Xiaobei took out the two tokens and compared them, "These two tokens are exactly the same! The word 'soul' was engraved on the front! Could it be the token of the demonic sect's Sky Soul Hall?"

Chen Xiaobei quickly took out the verdant Emperor divine gourd and released Xuanyuan tuohai and the poison priest.

"Take a look at these two tokens, do you find anything?" Chen Xiaobei asked.

I can feel demonic Qi ... Xuanyuan taohai frowned. it's very familiar. It's like the material for the Holy Demon king's statue!

"I know!"

"This is the demonic sect's 'sky demon Apostle token'. It's the proof of identity of the demon Lord's Secret Apostle!" The poison priest said.

"Secret Apostle?"

what? " Chen Xiaobei furrowed his brows. basically, you're a spy that the demonic sect planted in other forces, right? "

"Right!"

"Secret apostles are the highest level spies in the demonic sect!" The poison priest said. They were usually the core figures of other forces! These people only listen to the demon's orders!"

that is to say, as long as you have the sky demon Apostle token, you can move freely in the territory of the demonic sect. Other than the demon Lord, no one can question you!

Chen Xiaobei grinned evilly and said, "Then what are we waiting for? We'll head over now!"

[Red Envelope Group of the Three Realms](#)

Chapter 1998: The Retrieval Of The Magical Formation (3)

In the far west of the devil nation, there was an area covered by the devil spirit heart-burning poison. This was the territory of the devil cult.

And in the center of this territory was the demonic sect's headquarters, the sky Soul Hall.

Under the poison priest's guidance, Chen Xiaobei arrived at the edge of the area without any trouble.

Xuanyuan tuohai couldn't help much, so he was kept in the verdant Emperor's divine gourd.

Chen Xiaobei, on the other hand, was wearing the Nightstalker outfit and the ghost mask. He entered the demonic sect's territory with the poison priest.

Chen Xiaobei did not go invisible. With the sky demon Apostle token in his hand, he went on his way.

The secret apostle's identity was special. Even to the members of the demonic sect, it had to be kept a secret. Only the demon commander and the Apostle knew each other's identity.

That was why Chen Xiaobei was able to go in without any trouble, with the mask on and the token in hand.

master, the demon sect's excavation area is in front! The poison priest said in a low voice as he pointed forward.

There was a huge construction pit in front of them. It was as large as a large city and was over 10000 meters deep.

There were at least 100000 slaves among them, and they were constantly excavating.

according to the Spirit Flame King, there's a terrifying sky demon spell hidden below!

there are 8100 children who are going to be captured later. Their flesh will be cut off and their blood will be drained. There will be 8100 formation eyes for priests!

this ... This can't be true ... the poison priest was dumbfounded. He couldn't believe his ears.

you're only a middle-level member in the demonic sect. There are many things you don't know. Chen Xiaobei shrugged and said, "You go into the verdant Emperor's divine gourd too. I'll think of a way to destroy the array first!" He said.

how ... How is this possible?! "Even if there's a formation underground, how are you going to destroy it?" the poison priest asked in disbelief. This is completely beyond our control!"

"You don't need to worry about that, go in!" Chen Xiaobei took out the verdant Emperor's divine gourd and put the poison priest inside.

Then, Chen Xiaobei took out the earth escape Holy gourd and ran underground.

"Chi ..."

After descending for about 30000 meters, Chen Xiaobei released his infinite soul ring and asked, "All of you, come out and see where the sky demon spell formation is!"

"Whoosh! Whoosh! Whoosh! Whoosh!"

Four small demonic shadows came out of the infinite soul ring and carefully sensed the situation around them.

the sky demon spell formation is a huge spell formation with a wide range. In fact, we are now in a corner of the spell formation! The wildthunder King said in a low voice.

"Do you know the location of the formation core? I'm going to destroy this formation!"

that's right! Chen Xiaobei said. if that's the case, even if the demonic sect managed to capture 8100 children, without the formation, there's no point in killing them!

"This formation is our limitless demon race's clan-guarding killing formation!" Fantasy Gold Emperor replied. We four Shakyamuni just happen to be in charge of a quarter of the formation map, so we know all the positions of the formation eyes in the four directions!"

"Eh? You even know about the formation?"

that's right! Chen Xiaobei's eyes lit up. so, if I can take out all 8100 runes, you guys will have a way to set up the formation again? "

"Yes, I am!"

yes! fiendwater King confirmed, " as long as we have the formation core runes, we can combine them with the formation map and set up this formation somewhere else!

"That's great!"

"I was just worried that the enemy would take revenge on my bei Xuan faction!" With this formation, bei Xuan faction will be safe!"

"Then let's hurry up and start!" there are 8100 runes in the array eye, " said the spirit Flame King. it will take a long time to take them all out!

After that, Chen Xiaobei, led by the four Shakyamuni, began to travel in all directions.

The Four Guardian Kings were familiar with the layout of the formation. They led Chen Xiaobei to dig out high-level ancient demon runes from the formation.

These runes were extremely profound, and they were all made of heavenly materials and earthly treasures, including a large number of high-rank earth-god items!

That was the reason why the formation could unleash a power that was infinitely close to that of a heaven-immortal artifact!

With this formation, unless the enemy brought a real heaven-immortal instrument, bei Xuan faction would be invincible. No one would be able to threaten Chen Xiaobei's family and friends!

This way, Chen Xiaobei could leave the Qin family's main city and find an ownerless spiritual vein to build his own sect, or even his own Royal City!

Chen Xiaobei was very excited at the thought.

Of course, there was one more important thing that Chen Xiaobei had to figure out.

if the array is completed, does it require the flesh and blood of 8100 children to activate the array? "

Chen Xiaobei asked, frowning.

He had to be clear about this. Chen Xiaobei would never do something so atrocious and evil.

it's a formation! the spirit Flame King said. originally, this formation only needed a drop of His Majesty's blood to activate! However, His Majesty the Holy King died, and his body was reduced to ashes. Therefore, we can only use the flesh and blood of young boys and girls to replace it!"

what? " Chen Xiaobei raised his eyebrows and asked, " tuo hai has the blood of the Saint Demon King. Can I use his blood? "

we don't know ... fiendwater King said, " "I can only wait for the formation to be completed and try to find out!"

"Alright, I'm not in a hurry to use this formation anyway!" Chen Xiaobei nodded. if it really doesn't work, I can still go to the Three Realms red envelope group and ask around. I'll see if I can modify this formation. I'm sure there'll be a way.

"Then what should we do now?" Fantasy Gold Emperor asked.

"Earth escape immortal puppet still has ten minutes of energy left!" "We need to get the Wuji nine-floor Pagoda now!" Chen Xiaobei said.

Before he could finish his sentence, Chen Xiaobei had already returned to the surface with his earth escape divine gourd.

Chen Xiaobei furrowed his brows as soon as he reached the ground.

He saw a group of demonic people from the demonic sect carrying a dozen unconscious children and walking toward a gloomy and strange temple.

"You guys, come here!" Chen Xiaobei used the wondrous sound perception and spoke in a hoarse voice.

"Yes, sir!"

The group of demonic people immediately ran over and stood in front of Chen Xiaobei respectfully.

"How many boys and girls have you captured?" Chen Xiaobei said.

"Eight boys and seven girls!" A middle-aged demon follower answered obediently.

"How many people are we short of?" Chen Xiaobei asked again.

we're still short of 103 people, " the middle-aged demon disciple immediately replied. according to the plan, they will be sent over within three days.

within three days?! Chen Xiaobei's heart skipped a beat, but his tone did not change. "Well done! Go do your work!"

"Yes, sir!" The group of devil disciples immediately retreated.

Chen Xiaobei picked up his pace and left. "The demonic sect's plot should be breaking out in three days! I want to save all the children and set up a trap in advance to reverse this conspiracy!"

[Red Envelope Group of the Three Realms](#)

Chapter 1999: The Witch Of The Winter (4)

Chen Xiaobei rode on the somersault cloud, and under the guidance of the Four Guardian Kings, he went to another deserted area.

According to the Four Guardian Kings, the limitless nine-floor Pagoda was the Treasury of the limitless demon nation.

During the great battle back then, the boundless nine-floor Pagoda was not found by the human race and was still buried deep underground.

As long as he obtained the limitless nine-floor Pagoda, it would be equivalent to having all the wealth and resources of the ancient devil nation during its peak.

With this wealth and resources, they could even compete with the four royal cities of the Azure Dragon, White Tiger, Vermillion Bird, and black Tortoise.

When he reached his destination, Chen Xiaobei immediately took out his earth escape Holy gourd and went deep underground.

There was not much energy left in the earth escape divine gourd, and Chen Xiaobei rushed to the 80000-meter depth.

Fortunately, the earth escape immortal Gu's Mountain-penetrating speed was even faster than the somersault cloud, so it didn't waste too much time.

80,000 meters below the ground, there was a huge and majestic underground Palace!

In the underground palace, there were demonic embossed and stone statues of various sizes. They looked like the terracotta soldiers of the demonic tribe. It was an eye-opener for Chen Xiaobei.

"The males of the demon race all have horns on their heads, claws like those of ferocious beasts, wings of flesh on their backs, and long tails below their waists ..."

Chen Xiaobei looked around and his eyes lit up. "However, the female demons are very different! All of them had pretty faces and extremely good figures! No wonder people like to describe women with devilish figures!"

"Of course! We demon men worship strength and fighting. Therefore, our muscles are like rocks, and our claws are like beasts!"

as for us, the women of the demon race, " the spirit Flame King said with great interest. we are good at charm. Our faces are delicate, and our bodies are hot. Any one of them can make the human race drool!

it's a pity that there are only embossed and statues here. I can't really appreciate the beauty of the demon! Chen Xiaobei said with a smile.

"This isn't difficult!"

"The weapon spirit of the limitless nine-floor Pagoda is the witch of winter!" The spirit of the spirit Flame King said. As long as young master controls the limitless nine floor Pagoda, you can see her appearance!"

"Artifact Spirit? The witch of the winter?" Chen Xiaobei was confused.

Holy maiden! the spirit Flame King said with a look of yearning, " the witch of Lin Dong is the first generation Saint of our limitless demon race! She's also the most beautiful woman in our limitless demon race!"

"Beauty is not the main point!" what do you mean? " Chen Xiaobei asked. what do you mean by weapon spirit? "

"Artifact Spirit! As the name suggests, it is the soul of a magic tool!"

at first, " the spirit Flame King said, " the limitless nine-floor Pagoda was a weapon demon without an owner!

"Monster tool? What is this?" Chen Xiaobei asked again.

"All things in the world have spirituality and can give birth to 'demon spirits', and magic artifacts are no exception!"

it's a spiritual artifact, " Spirit Flame King said. as the 'demon spirit' grows, it will gradually develop 'spiritual intelligence', which is a low-level intelligence!

"When a 'demon spirit' grows to its peak state, by chance, heaven and earth will naturally send down a minor Heavenly Tribulation! As long as the Tribulation is successful, the 'demon spirit' of the magical treasure can complete its advancement and completely transform into a 'Demon Soul'! "

of course! the spirit Flame King said seriously, " as long as there is a 'soul' in the world, it is equivalent to having a 'life'! He would be able to think on his own, just like humans! Free time! He could even cultivate cultivation techniques! You can use magic treasures!"

"I understand!"

Chen Xiaobei nodded and said, " this is a demon! I've seen tree demons and poisonous demons before! And the tool demon you're talking about is a tool demon!"

"Right! When the boundless nine-layered Pagoda appeared, it was already a great demon!"

yes! the spirit Flame King said, " in order to subdue it, the Lin Dong witch used a secret technique of the demon race to merge her soul with the demon Soul of the limitless nine-floor Pagoda. Finally, a new Demon Soul of the limitless nine-floor Pagoda was produced!

the secret technique preserved the consciousness of the witch of winter, allowing her to control the limitless nine-floor Pagoda as a weapon spirit!

that's right! spiritual Flame King said solemnly. that's why the limitless nine-floor Pagoda has become the ultimate treasure of our limitless demon clan! The entire clan's wealth and resources will be placed in the tower, and the witch of winter will manage them!"

Chen Xiaobei was taken aback and said, " in that case, even if the Saint Demon King wants to use the resources in the Treasury, he'll have to ask the Lin Dong witch first? "

"There's no need for that."

no! the spirit Flame King shook his head and said, " in most cases, the Lin Dong demoness would not ask the Saint Demon King to use his resources! Only under special circumstances would she discuss with the Saint Demon King before using the resources!"

"At the end of the day, the leadership of the limitless nine floor Pagoda is still in the hands of the witch of winter!" If she doesn't give us the resources, even the Saint Demon King won't be able to take them out!"

"Yes, you can say that!"

yes! the spirit Flame King said. the witch of winter used her soul to conquer the limitless nine-floor Pagoda. In the eyes of our people, she is the most just and selfless Saint! If she feels that it's unreasonable, or that it will harm the interests of the clan, she has the right to not give up the resources. Even the Saint Demon King has to give in!"

what?! Chen Xiaobei frowned. so, I have to listen to her when I want to use the resources? "

well ... It's like this ... spiritual Flame King said embarrassedly.

this is so embarrassing ... Chen Xiaobei's head hurt."My wife doesn't even care about my money, and you're letting an outsider manage me?"

you can try, " the spirit Flame King said. if you can win the heart of the witch of winter, things will be easier ...

"What? You want me to capture the heart of a Demon Soul? Are you kidding me?" Chen Xiaobei was sweating.

it's not impossible, " Spirit Flame King said. after all, demons have the same intelligence as humans. They have emotions and desires!

"Seven emotions and six desires, your sister!"

you want me to fall in love with a magical item? " Chen Xiaobei said.

"For the wealth and resources in the limitless nine floor Pagoda, young master has to try no matter what!"

what's more, " the spirit Flame King said seriously. you still want to save all the human children! If you can't handle the witch of winter, how are you going to continue with your plan?"

"This ..."

Chen Xiaobei gritted his teeth and said, " "You're right! No matter what! I must save all the children! I'm going all out!"

Chen Xiaobei made up his mind and rushed to the deepest part of the underground palace.

He saw a black platform with a palm-sized Black Pagoda on it.

"This is the limitless nine floor Pagoda?"

Chen Xiaobei walked over, picked up the tower, and started spiritual communication. "Come on! The witch of winter! I'm going to make you kneel under my pants ... F * ck ... So ... So beautiful ..."

Chen Xiaobei was stunned.

A beautiful figure appeared in his mind, and Chen Xiaobei was instantly mesmerized.

Chapter 2000: Out Of Conscience (1)

It was a woman who was extremely beautiful.

The contours of her face were exquisite, and she had a classical charm to her.

Her eyes were beautiful, her eyelashes were long, and her eyes were shining like stars.

Her lips were thin and glistening like rubies. At first glance, they were almost transparent and extremely attractive.

Her long hair was actually white, and her hair fluttered in the wind, like a Snow Lotus in full bloom, so beautiful that it was suffocating.

Her figure was extremely hot, like a perfect goddess that had walked out of a comic. It was almost impossible to see her in reality.

For a woman like her, not to mention men, even women would be mesmerized by her stunning appearance.

"Who are you? How dare you break into the Wuji underground Palace! Put down the nine-layered Pagoda immediately! Otherwise! Die!"

The white-haired woman's brows furrowed slightly, and her eyes revealed anger.

"It's so good-looking ... It's so good-looking even when you're angry ..."

Chen Xiaobei was stunned. The white-haired woman's voice and smile were in his mind. It was so real, as if he could touch her.

"Shameless lecher! I told you to put down the limitless nine-layered Pagoda! Otherwise, I'll kill you!"

The white-haired woman was furious, and her eyes widened.

"How did I become a pervert when I complimented you for your good looks?" Chen Xiaobei composed himself and said, "Do I have to be cold to you before you'll be happy?"

"Eh?"

The white-haired woman's expression changed slightly as she muttered, "This kid's self-control is not bad! If it was someone else, they wouldn't be able to calm down so quickly!"

"Thanks for the compliment!" I'm trying to communicate with you spiritually. You're in my mind right now. I can hear you even if you're whispering! Chen Xiaobei grinned.

"You ..."

The white-haired woman was stunned again. She said angrily, "Put down the limitless nine-layered Pagoda! You are not qualified to communicate with my spirit!"

Chen Xiaobei maintained his smile and said, "The witch of winter! The most beautiful woman in the history of the limitless demon race! The most just and selfless Holy maiden! I thought you'd be a cold and emotionless Queen, but I didn't expect you to be so willful!"

who ... Who are you ... the witch of winter was shocked and asked in disbelief, "Who are you? If you're not of my race, you can't possibly know my identity!"

"I'm afraid you won't believe what I'm saying. I'll let someone else tell you!" Chen Xiaobei activated the infinite soul ring.

The next moment, the four demon kings 'Dharma forms appeared in Chen Xiaobei's mind at the same time, standing opposite of the witch of winter.

"The four discipline Kings of the limitless demon race pay their respects to the limitless Saint!"

The four Demon King Dharma laksana knelt down on one knee and saluted reverently and modestly.

it's you!?

Lin Dong witch was shocked,'how did the four of you appear in this kid's spirit realm? What did he do to you?"

"The devil Kingdom will last for ten thousand generations, and the Saint Soul will live forever! The dead souls of the demon race are all slaves!"

The Four Guardian Kings said in unison,"this young master is the new owner of the infinite soul ring!" He was also the master of the limitless Saint! The four of us are already willing to submit and be slaves forever!"

"What? This ... How is this possible?"

The witch of winter was shocked, and she could not believe her ears."This lecher is in control of the infinite soul ring? And he even found the limitless Saint? Is what you guys said true?"

"It's absolutely true!" The Four Guardian Kings nodded heavily and said with certainty.

this ... This ... the witch of winter was stunned and speechless for a long time.

Chen Xiaobei was the first to speak, "Don't worry, I have no ill intentions! The Four Guardian Kings are loyal to me, and I will ensure that their souls live forever! Since the limitless Saint is my disciple, I will protect him and train him well!"

"Hmph! You said it better than you sang it!"

Lin Dong witch said coldly, "you've been talking all this time, but you're just trying to get the wealth and resources in the limitless nine floor Pagoda!" Don't think you're so great!"

"I didn't say I was great!"

Chen Xiaobei shrugged and admitted, "Originally, my goal in coming to devil earth was to find the treasures in the core of the demonic remains! I didn't want to do anything else. I just accidentally stumbled upon the human race's scheme and followed the vine to find the melon, which led me to this point!"

"A scheme?" Lin Dong witch's face turned cold, and she said seriously, "Despicable human, what are you up to now?"

Chen Xiaobei did not answer.

the ruler of the human race is going to kill 8000 human children to activate the infinite sky demon formation! the spirit Flame King explained. After that, directly kill the 800 million human slaves in the devil Kingdom!"

"What?" "Are the human rulers crazy?" Lin Dong witch asked in surprise. What's the point of doing this?"

"The meaning is ... To frame! You're framed!"

The death of 8000 children and 800 million slaves will be on the head of the limitless demon clan! At that time, the rulers of the human race will be able to 'exterminate demons and defend the Dao' and gain a huge number of believers!"

"Despicable! He's simply too despicable and shameless!"

"The limitless demon race has been exterminated!" Lin Dong witch said angrily. He absolutely couldn't bear such a tainted reputation! I can't let this happen! I definitely can't!"

"Don't worry, Holy maiden!"

the souls of our Four Guardian Kings have been absorbed into Childe Chen's infinite soul ring, " the spirit Flame King said. there's no demon left to kill the rulers of the human race!

The witch of winter frowned and said, 'the rulers of the human race have always been despicable! It's very likely that they're using other evil spirits as demons to deceive the human race!"

"Don't worry, Holy maiden!"

yes! the spirit Flame King continued, " the infinite sky demon formation has been completely dismantled by Childe Chen! In fact, more than half of the human race's scheme has already been destroyed!"

"This ..."

The witch of winter looked at Chen Xiaobei and asked, "You're also a human! Why do you want to help our demon race? Why did you destroy the plans of the humans!"

"Because of conscience!"

" I don't deny that the human rulers are despicable, " Chen Xiaobei said. but you have to admit that most humans are kind and innocent!

"Especially this time, the innocent children and the slaves who stand aloof from worldly affairs, who did they offend? I won't agree to let them die a tragic death!"

The winter Witch fell silent again. She looked at Chen Xiaobei with a complicated expression on her face.

"I can give up on wealth and resources!"

of course! Chen Xiaobei said, " but I must get a map of the blood pool of the blood patriarch! If you don't agree, I'll take it by force!"

"You're not afraid that I'll kill you?" The witch of winter frowned slightly and said coldly.

"I'm not afraid!"

"You're a demon!" Chen Xiaobei said. If I'm not wrong, your demonic soul has been severely injured, and your strength is almost equal to zero! Otherwise, with your strength, you would have left this place long ago!"

"Smart!"

Lin Dong witch's brows relaxed, and she said indifferently, " "You're strong-willed! He had courage! You have guts! He had a conscience! And intelligence! I can give you the resources of the first level of the limitless nine level Pagoda! The map you want is also inside! However, the prerequisite is that you must have sufficient strength!"

"Power?" Chen Xiaobei frowned in confusion.
