#### Chapter 2001: Gambling Demoness (2)

"Don't worry, I'm not going to start a war with you!"

we demons worship martial strength, " Lin Dong witch said. there are special restrictions in the limitless nine-floor Pagoda. Only those who have reached the one fire god-refining realm can open the space on the first floor!

that's strange! The limitless nine-floor Pagoda is a demon! Chen Xiaobei said. Isn't it up to you to decide whether the space will open or not?"

no! Lin Dong witch shook her head and said, " that's a restriction added by the Saint Demon King later on! The purpose was to urge the inheritor of the nine-floor Pagoda to cultivate hard! In the Saint Demon King's words, trash doesn't have the right to enjoy the wealth and resources of our race!"

what? " Chen Xiaobei frowned. so, even if you don't stop me, I still have to reach one fire god-refining level to open the first floor of the tower? "

"That's right!"

"Although you are outstanding in all aspects, if you can't even reach the level of one fire god-refining, you are still trash in my eyes!" Lin Dong witch said in a deep voice. It's a waste to hand wealth and resources to trash!"

Chen Xiaobei shrugged and said, " "Sister, don't be so mean! Even trash can be turned around. It's too early to kill them now!"

"Counterattack?" I'll wait for you to counterattack, " the witch of winter said indifferently. then come and talk to me again!

Chen Xiaobei frowned,'you're such a fickle woman! You just praised me, and now you're looking down on me!"

"I've said it before, our demon race reveres force and worships the strong!"

trash will always be looked down upon, " the witch of the winter said indifferently. when you become strong enough, I'll take you seriously even without you saying it!

Chen Xiaobei raised his eyebrows and said, " "If I become stronger, will you fall in love with me?"

"Fried chicken? I think you're more like trash!"

"You little brat, it's fine if your cultivation is low!" Lin Dong witch said in disdain. And a dead lecher! You pretentious prick!"

"Interesting!"

Chen Xiaobei laughed,'the demonic saintess is really different! When it comes to scolding people, you're really good at it!"

"You're too shameless! You can still laugh after being scolded by me like this?"

"Oh!" The witch of winter said disdainfully. I almost forgot that you are a human! Shameless human!"

Chen Xiaobei shrugged and said, "I can still laugh because I have the ability to prove that everything you said is wrong! I'm laughing at you!"

"Did I say something wrong?"

Lin Dong witch's expression changed slightly, and she asked, "What did I say wrong? Aren't you a lecher? Aren't you just acting cool? Aren't you a good-for-nothing?"

"First of all, you may be very pretty, but my wife is no worse than you! My female confidants are all peerless beauties! To me, beauty is just fleeting clouds!"

this ... the winter Witch was taken aback. She had to admit that Chen Xiaobei's self-control was pretty good.

In front of the winter Witch, an ordinary man's bones would go soft and his tongue would be tied. It was impossible for him to remain calm and composed.

This showed that Chen Xiaobei was really a man who could walk through flowers without being touched by a single leaf!

He had seen all the top beauties, and their beauty was as fleeting as the clouds!

Lecherous? It didn't exist!

second, I've always been an honest person. I've never been pretentious! Chen Xiaobei continued. To my friends, every word I say is the truth!"

Hearing this, the witch of winter immediately retorted, "Hmph! You're clearly a good-for-nothing, yet you say you want to become super powerful? If this isn't posturing, what is it?"

"Do you dare to make a bet with me?" Chen Xiaobei smiled.

"What are we betting on?" The witch of winter frowned and asked.

in ten minutes, I will be able to reach the one fire spirit-refining stage! Chen Xiaobei said.

"What? Ten minutes?"

Lin Dong witch's expression darkened, and she said disdainfully, "Do you think I'm an idiot? We're communicating spiritually, and I can sense that you only have one million combat power! Five hundred thousand in ten minutes? You don't even need a draft to show off!"

"I'm asking you, do you dare to bet with me!" Chen Xiaobei said.

"I dare! What's there to be afraid of!"

"There's no suspense in this kind of bet!" The witch of winter said disdainfully. If you can win, you'll have to wait until the sun rises from the North!"

Chen Xiaobei grinned and said, "Let's bet on three things. The loser will do three things for the winner unconditionally! No matter what it is, it must be carried out and can not be refused!"

The witch of winter squinted her eyes and asked suspiciously, "You humans have always been shameless. What if you go back on your word?"

"Heh, if I were a shameless person, I wouldn't waste my breath on you! I will find a way to erase your demonic soul!"

"If you lose your life, you'll become a dead soul of the limitless demon race!" This way, I can absorb you into the infinite soul ring and make you my slave, doing whatever I want!"

this ... Lin Dong witch's beautiful eyes narrowed, revealing a trace of panic.

Obviously, Chen Xiaobei's idea could easily get rid of the witch of winter and take the limitless nine-floor Pagoda for himself.

However, his conscience made him give up on the easy way. Instead, he turned to the difficult negotiation with the witch.

A person with a conscience would not do anything shameless!

"Alright ... I believe you won't go back on your word!" yes! the witch of the winter nodded and said, "the bet is in effect!"

"Wait a moment!"

"I was afraid that you would go back on your word!" Chen Xiaobei grinned. You're a girl, if you go back on your word, I can't do anything to you!"

"Ha! What a joke!"

The witch of winter raised her head and said arrogantly, "I'm the most just and selfless Holy maiden of the limitless demon race! My integrity is related to the glory of my race! Even if I die, I won't renege on my debt! Moreover, do you even have a chance of winning?"

dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? dream? "

"Dream?"

500000 combat power in ten minutes? " the witch of winter said disdainfully. This is called a dream? This is the Daydream of a lunatic!"

"You little mouth! She was as cute as a cherry! But the words you say are as sharp as a knife!"

I don't know! Chen Xiaobei raised his eyebrows. when I win, the first thing I want you to do is to be gentle when you talk to me!

"Wake up! Stop dreaming!"

if it's really as easy as you say to improve cultivation, " Lin Dong witch said disdainfully. at your age, you should be at least a great overarching golden immortal!

"As long as I have enough resources, I can become a great overarching golden celestial in ten minutes!"  
Chen Xiaobei shrugged and said.

"You ... You are definitely the most pretentious person I have ever seen in my life! There's no other!"

"I've thought about it too!" The witch of winter said unhappily. When you lose, I'll have you carve the words "pretentious d \* ck" on your forehead!"

"Lose? It doesn't exist!" Chen Xiaobei grinned and took out two cultivation cheats from his infinite space ring!

#### **Chapter 2002: I'm Convinced (3)**

"You can start the timer."

Chen Xiaobei placed the tower back on the platform.

"Ha, you're saying it as if it's true!" The demonic soul of the witch of winter emerged from the small tower. Her eyes were filled with disdain. She did not believe Chen Xiaobei at all.

Chen Xiaobei smiled and said nothing. He was holding a long wooden box in his left hand and a big black bowl in his right hand. He looked very confident.

That's right, the long wooden box was the sunlight cache, and the big black bowl was the heaven and earth smelt!

With these two Super Cheats in hand, anything was possible!

"Chi ..."

Chen Xiaobei activated the sunlight cache, and a red light shone out, shrouding Chen Xiaobei and the heaven and earth smelt.

This way, Chen Xiaobei could speed up his cultivation. More importantly, the heaven and earth furnace could speed up the large amount of resources in the furnace!

"Whoosh ..."

Then, Chen Xiaobei took out 216 high-grade spiritual stones, which was equivalent to 21.6 billion low-grade spiritual stones.

With Chen Xiaobei's current cultivation speed, he could use up 100 million low-grade spiritual stones in an hour.

21.6 billion low-grade items would take 216 hours, which was exactly nine days.

Under the acceleration of the sunlight cache, it was exactly nine minutes.

.....

Such a short period of time passed in the blink of an eye.

[ding Yingying's cultivation base is at the late-stage of God-refinement realm. Lifespan: [2600 years, physique: 1364800, combat power: 1000000!

Originally, 216 hours could only increase 21600 points of cultivation attribute.

However, with the help of the heavenly cultivation Halo, the effect of Chen Xiaobei's cultivation could be increased by 200%!

Because of this, Chen Xiaobei had increased his physical strength by 64800 points!

This result was equivalent to three times the effect without the support of the heavenly Dao cultivation Halo!

"This is unbelievable ..."

The witch of winter had been observing the situation carefully, and she could not help but exclaim, ""It's only been nine minutes, but I can feel that your physical strength has greatly increased! From the exuberance of his essence, Qi, and spirit, it has increased by at least 60000!"

"Your judgment is very accurate." Chen Xiaobei shrugged and kept the sunlight cache.

this is too exaggerated ... The speed of improvement is simply too fast ...

Lin Dong witch was extremely shocked, 'in just nine minutes, his physical strength has increased by 60000! At this rate, in a few years, you can even withstand the attack of a heaven immortal with your body!"

"Now you know how powerful I am?" Chen Xiaobei raised his eyebrows and asked.

"Bah! I've given you some face, and you still want to run a business?"

it's been nine minutes, " the witch of winter said disdainfully. where's your 500000 combat power? " The facts have proven that you're a poser! He's just a little trash!"

Chen Xiaobei smiled and picked up the heaven and earth smelt. the nine minutes just now was just a prelude. 500000 combat power, one minute is enough!

"I really can't stand you!"

The witch of winter rubbed her eyebrows and said in disdain, " "At a time like this, not only are you not repenting, but you're also acting more and more outrageous! Even if you want to act cool, you should at least use your brain!"

"Heh, you know nothing about external hacks!" Chen Xiaobei's lips curled into an evil smile.

"Hiss ..."

Chen Xiaobei took a deep breath.

Thousands of seven-colored spiritual lights poured out of the heaven and earth smelt and entered Chen Xiaobei's mouth and nose. They then followed his blood vessels and gathered in his dantian.

In Chen Xiaobei's dantian, there was already a primordial Spirit Fire seed.

As the spiritual aura of heaven and earth continuously entered his sea of Qi dantian, the essence Soul Fire seed began to grow in size. It gradually began to tremble like a flame.

At the same time, Chen Xiaobei's combat power and physical strength began to rise rapidly.

There were two great benefits to using the spiritual aura of heaven and earth to increase one's cultivation.

First, it could be improved instantly without wasting any time!

The second was that his physical and combat strength attributes could be increased at the same time!

Of course, with these two great benefits, one would naturally have to pay a corresponding price!

The price was that the amount of Heaven Earth spiritual aura consumed to improve his cultivation was much more than the amount consumed to upgrade his magic treasure!

It required a huge amount of spiritual aura to increase 500000 combat power and 500000 physical strength at the same time!

Under normal circumstances, Chen Xiaobei would not have that much spiritual aura.

But this time was different!

Chen Xiaobei had made a lot of money from his trip to devil earth.

The dark red flag of the poison priest! The two Ninja knives of ishiqi kungfeng and ishiqi Chisa! Jiang Shaodian's Green armor, a Green Shield, and the Green Dragon Mountain-breaking saber! It was Ishizaki Yuuta's Crimson Moon-slaying sword!

In addition, there were also the storage bracelets of these people, which included all kinds of spirit weapons, spirit items, spirit herbs, and spirit pills. They were all of high grade!

Finally, there was Jiang Zhaoyan's storage bracelet! After taking the 30000 high-grade spirit stones and the thousand-machine crossbow, there were also a large number of high-grade spirit items and even some low-grade earth-god items!

All of these resources added together could even be compared to a medium-sized treasure vault!

In the last nine minutes, all the resources had been refined, and the amount of heaven and earth spiritual aura that was produced was huge, enough for Chen Xiaobei to use!

As long as the heaven and earth spiritual aura was sufficient, it would naturally be easy to improve!

[ding Yingluo's cultivation base: spirit-refining with one fire, lifespan: [2600 years, physique: 1864800, combat power: 1500000!

"Satisfying!"

In less than a minute, Chen Xiaobei jumped up in excitement. The primordial Spirit Fire seed in his dantian lit up and turned into a clear primordial Spirit Fire.

This meant that Chen Xiaobei had successfully reached the one fire god-refining level.

"Whoosh!"

Chen Xiaobei released his ethereal force and swept up the tower.

this ... This ... How is this possible?!

The witch of winter was dumbfounded. She could not believe her eyes. The true essence fluctuations are so strong, it's the real one fire spirit-refining stage ... It hasn't even been a minute ... Am I dreaming ...

"Of course this isn't a dream!" you've already lost our bet! Chen Xiaobei grinned. you've already lost!

this ... the witch of the winter tribe was so shocked that she did not know what to say.

Just a minute ago, the winter Witch was still looking down on Chen Xiaobei, thinking that he was a poser, a piece of trash!

But at this moment, the facts before her proved that the witch of winter was wrong! He was completely wrong!

The witch of the winter tribe bit her lips and lowered her proud head. Her cheeks were burning, and she felt even more ashamed!

"Are you convinced?" Chen Xiaobei asked with a cheeky smile.

"I ... I'm convinced! I'm sincerely convinced!" The witch of winter raised her head and said seriously, "I'll promise you three things, and I won't go back on my word!"

"As expected of the most just and selfless Holy maiden! How particular!"

the first thing is that from now on, you have to speak to me in a gentle tone. Call me brother Xiaobei!

ah????? " The witch of winter was stunned, and her face was filled with bewilderment.

#### **Chapter 2003: Nine Layer Space (4)**

"Young master Chen ... Can you change the way you address me ... I ... I really can't say it ..."

The brows of the witch of winter furrowed, and her pretty little face was full of grievance.

One had to know that the Lin Dong witch was the Supreme saintess of the limitless demon race! Normally, all of her clansmen revered her, and even the Saint Demon King had to show her some respect!

Reserved, serious, and proud-these were the traits of the witch of the winter! It was embarrassing enough for her to call him 'Xiaobei', and now she had to call him 'brother Xiaobei'!

At the thought of this, the witch of the winter tribe had goosebumps all over her body.

"What's wrong? Are you trying to be shameless?"

Chen Xiaobei raised his brows and laughed evilly, "Who was the one who said that integrity is related to the glory of the entire clan? You'd rather die than renege on your debt?"

I ... I said it ... the witch of winter said, " "I won't go back on my word. I just hope you can change the way you address me ..."

"No!"

you've just called me a pretentious d \* ck and a little piece of trash. That's really damaging to my tender heart! Chen Xiaobei laughed. Only by calling me Xiaobei Gege gently can my broken heart be soothed!"

I ... the witch of winter almost vomited blood in anger. "I've never seen such a rascal like you!"

"There are so many things you haven't seen!" Oh? " Chen Xiaobei raised his eyebrows and smiled. quickly fulfill your promise! Don't be unwilling to admit defeat!"

I ... I ... Xiaobei Gege ... the witch of winter finally let go. Her voice was as soft as a mosquito.

Her originally fair little face instantly turned red, and with her long white hair, she actually looked even more beautiful.

"Good girl!"

Chen Xiaobei grinned and said, " "Call me that from now on, understand?"

mm ... the winter Witch lowered her head, too embarrassed to look at Chen Xiaobei.

'Xiaobei Gege' had completely ruined the reputation of the witch of winter.

The point was, he had to always use this form of address in the future!

The witch of the winter tribe was filled with regret. She should not have looked down on Chen Xiaobei!

A single misstep could cause a thousand regrets. She would never be able to escape from Chen Xiaobei's evil clutches!

"I can't think of the remaining two things for now."

let's not waste any more time. Tell me how to open the first floor of the limitless nine-floor Pagoda, " Chen Xiaobei said.

"It's simple!"

The witch of winter composed herself and said, " your cultivation has reached the requirement of the first level. As long as I don't stop you, you can freely take out the resources in the first level, just like how you use a spatial treasure!

"Like a spatial treasure?" Chen Xiaobei immediately sensed the resources in the first floor, just like how he would check his infinite space ring.

"Heavens! This ... This is too terrifying ..."

Chen Xiaobei gasped. His pupils contracted and he said in shock, " there are a total of 108 one-star earth-god instruments!

"Of course!"

of course! Lin Dong witch said proudly. when our limitless demon Kingdom was at its peak, we were able to fight against the four continents of the Azure Dragon, White Tiger, Vermillion Bird, and black Tortoise by ourselves. Our strong foundation is the capital for our strength!

"This is simply awesome!"

Chen Xiaobei was so excited, " if I can refine all 108 earth-god instruments, not only will I be able to make up for the spiritual aura I've spent today, but I'll also earn at least 30% of it!

"Refine? Why do you want to refine it?"

these 108 earth-god instruments may only be one-star earth-god instruments, but they are all ancient magic instruments with powerful abilities. Most importantly, they have a lot of room for growth. They are very worthy of being cultivated!

"An ancient magic tool?"

Chen Xiaobei shook his head. don't say that I'm not being humble. I have more treasures that are worth nurturing. I really don't have the resources to raise so many one-star earth-god instruments!

"If you can't train them on your own, you can give them to your disciples!" you've accepted our Holy Son as your disciple, " Lin Dong witch said. can't you leave him some equipment? "

"Disciple?"

Chen Xiaobei was surprised. "I almost forgot about it if you didn't mention it! I once promised my disciples that anyone who reached the spirit-forging stage would be able to get an earth-god instrument!"

"These one hundred and eight ancient magic devices are special and rare enough. Their special abilities are powerful and worth cultivating! It's the most suitable reward for my disciples!"

After that, Chen Xiaobei transferred all the earth-god instruments into his infinite space ring, not refining a single one.

When he returned to bei Xuan faction, he would reward his disciples with it. That would be a great honor!

"The limitless nine level Pagoda has a total of nine levels! The higher you go, the richer and higher grade the resources are!"

The witch of winter said calmly, " "The first level is just the beginning! You don't have to be so excited!"

Chen Xiaobei was surprised and happy. He asked expectantly, " "From now on, will I be able to open up a layer of space every time I advance a small realm?"

no, it's only after advancing two small realms that I can open up a new layer of space!

fire! the witch of winter explained in detail, " one fire, three fire, five fire, seven fire, the first four levels can be opened! After breaking through to the one-star earth-god level with nine flames, the fifth level can be opened!"

"When you reach the earth celestial realm, three stars, five stars, seven stars, you can open the sixth, seventh, and eighth levels! The ninth level requires the help of the heavenly Tribulation when a peak earth level deity is going through the Tribulation to break it open!"

what? " Chen Xiaobei exclaimed, " with the help of the power of the heavenly Tribulation?! That's too far away ... I'll take a look at what's left on the first floor first!"

the first floor is mainly used to store earth-god instruments.

the rest of the items, other than the map you want, are almost all one-star earth-god level healing medicine. It's very effective for the body and soul of those below the earth-god level! Lin Dong witch said.

"Then I won't be polite!" Chen Xiaobei then transferred all the medicine into his infinite space ring.

In the end, Chen Xiaobei was left with a map made of white animal skin.

The White animal skin was covered in a layer of gray mist, and the paths on it were crisscrossed like an ant's nest.

"According to Qin Wuxin, the blood pool of the blood patriarch is on an uninhabited planet! If we want to reach that small planet, we have to pass through the black fog!"

Chen Xiaobei said excitedly, " "This map must be real! Next, I can rush over to stop Qin Wuxin and snatch the blood of the blood ancestor! There are still three days left, enough time for me to set up a plot to reverse the situation!"

"Only three days left?"

I've heard of that small planet. It'll take at least ten days to get there from here! Lin Dong witch said, frowning.

"For others, it would indeed take more than ten days!" Chen Xiaobei smiled and took out the returning bracelet. "For me, half a day is enough!"

how ... How is this possible?! The witch of winter couldn't believe it.

"Chi ..."

Chen Xiaobei opened the portal.

"This ..."

Lin Dong witch was instantly dumbfounded.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2004: The Protective Magical Formation (1)**

"This is amazing! This ... Is this space travel? In the blink of an eye, everything around us has changed!"

The witch of the winter tribe was very surprised. It was obvious that she had never seen a space-traveling magical treasure like the returning bracelet.

"Well, it can be considered a transmigration." that's right! Chen Xiaobei nodded. the portal connects two different dimensions. With the returning bracelet, we can travel back and forth freely!

The witch of winter looked around curiously and asked, " "What is this place?"

"This is bei Xuan faction! My sect!" Chen Xiaobei replied.

The returning bracelet's point of origin had been set in bei Xuan faction. Through the portal, Chen Xiaobei had arrived at his room in bei Xuan faction from the underground devil nation.

As long as Chen Xiaobei opened the portal at the starting point, he would be able to return to the underground devil Kingdom.

Three days was enough for Chen Xiaobei to go back and forth.

As long as he could complete the plan before the last batch of children was sent, Chen Xiaobei would be able to turn the tables on the enemy's plot.

Of course, Chen Xiaobei was running out of time.

That was why Chen Xiaobei did not inform anyone in the faction and immediately rushed to the portal.

From the Qin family's main city to the Black Tortoise Royal City, then from the Black Tortoise Royal City to the blood Emperor star field's main planet, and finally to the westernmost planet of the star field!

Then, Chen Xiaobei activated another Azure Dragon spacecraft and continued to fly towards the West.

The previous few teleportations had not taken much time.

The interstellar flight would take half a day.

After all, the air pressure in space was close to zero. Without a spacesuit, humans would not be able to breathe at all. Their blood pressure would also be abnormal, and their internal organs would be affected. It was impossible for them to survive.

Therefore, Chen Xiaobei could not use the somersault cloud. Otherwise, he would be much faster than the Azure Dragon spacecraft!

Of course, Chen Xiaobei did not waste his time during the half-day flight.

To reverse the enemy's scheme, he still needed some secret arrangements!

During the flight, Chen Xiaobei had already contacted the relevant people and made the necessary arrangements!

It wasn't an exaggeration to say that everything was ready, except for the crucial element!

This east wind was the blood ancestor's blood!

"We're here! The legendary Black mist is right in front of us!"

Chen Xiaobei slowed down and took out the map of the fog.

The limitless nine-floor Pagoda was placed to the side.

The demon Soul of the witch of winter floated out, and her beautiful eyes carefully observed the front. She said in surprise, "That should be a universe black hole, right?"

There was a huge cloud of black fog in front of the aircraft.

The fog was spinning like a void Whirlpool in the universe!

From the perspective of an ordinary person, it was a universe black hole that could devour everything!

"No! That's not a black hole!"

no! Chen Xiaobei shook his head and said, "it's just a fog! As long as we follow the map in my hand, we can safely pass through the fog and arrive at an asteroid hidden behind the fog!"

"But I have a feeling that there's a great danger hidden in this fog!" Lin Dong witch said with a frown. It's definitely not as simple as it looks!"

"Your feeling is right!"

yes! Chen Xiaobei nodded and said, "I heard that there is a very powerful demonic beast hidden in the mist! If they deviated from the route on the map, they would suffer a fatal attack!"

"What ... What kind of magical beast is that?" The witch of winter was a little worried.

I don't know what it is ... Because I heard it from someone else.

"I heard that those demonic beasts are extremely fast!" Chen Xiaobei said. His strength was also extremely strong! The main point was that there were a lot of them! If they attack, even a giant space carrier will be reduced to nothing!"

this ... the witch of winter frowned and said, "Is this map reliable? What if there's an accident? wouldn't you die Here?"

are you concerned about me? " Chen Xiaobei raised his eyebrows and smiled.

"Bah! Who's concerned about you!" Lin Dong witch's face turned cold, and she said angrily, "I'm just worried that if you die, no one will be able to stop that shameless plot!"

"Have you forgotten our bet?" "Gentle!" Chen Xiaobei smiled.

"I ..."

Lin Dong witch was stunned for a moment, then she said gently, "Xiaobei ... Brother ... Let's not go there! That would be too risky ..."

"Don't worry!"

Chen Xiaobei pointed at a spot on the map and said, "This map should be real! Look at where I'm pointing, there's a floating boulder! If you look at the fog, it's a perfect match! This is the entrance!"

"This might just be a coincidence ..."

the asteroid is always moving, " the witch of winter said, frowning. the mist and floating rocks around it are also moving at all times. It can't be so accurate!

"If I'm not wrong, the mist and the floating rock are actually a giant protective array!"

"And the map that I have is most likely based on the formation!" The formation is always in operation. No matter how the small planet moves, the floating rock in the center of the formation will not change its position!"

"This is just your guess!" there's no evidence at the moment, " Lin Dong witch said worriedly. what if you're wrong? wouldn't you be sending yourself to your death for nothing? "

"Do you remember when this map was stored in the Wuji nine-floor Pagoda?"

"I remember!"

that's right! the witch of Lin Dong nodded. tens of millions of years ago, His Majesty the Holy King used 10000 'Black Tide Ravens' to exchange for an earth-god instrument from a four-star earth-god and brought back this map!

"This is the evidence!"

it's the blood ancestor! Chen Xiaobei said, " the planet behind the fog is the legacy site of a four-star earth-god level blood ancestor! This blood ancestor's life might be coming to an end, so he left behind his life's work in the ruins to pass on to the fated ones in the future!"

in order to protect the heritage Site, this blood ancestor made a deal with your race's Holy King in exchange for 10000 'Black Tide demonic crows'. He used them to set up an array to protect the heritage Site!

the Holy King of your race must have secretly recorded the route during the trade and drawn this map so that he could secretly enter the ruins to obtain the inheritance in the future!

"Who would have thought? Your Saint King didn't even have the time to act before he was annihilated and died! The map is stored in the nine-floor tower, and no one will know the secret within!"

Chen Xiaobei was able to deduce the whole story from the little clues he had.

Lin Dong witch was stunned and shocked, " "Your brain is really too smart! The timing of the incident is exactly the same as your speculation, so there shouldn't be any mistakes!"

"Don't praise me, I'll be proud!"

Chen Xiaobei grinned and accelerated the aircraft. "Let's go in now!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2005: Secret Meeting (2)**

"You should slow down! We're about to enter the foggy area!"

Even though Chen Xiaobei's speculation was highly credible, the witch was still worried.

"I know, I'll be careful."

Chen Xiaobei focused his mind and followed the map as he walked steadily through the fog.

Ding Ling Ling Ling

Chen Xiaobei's phone rang. It was mu chenfeng.

Chen picked up the call and asked with a frown, " "Why are you calling at this time? You are not with Tian Peng? Aren't you afraid of being exposed?"

In the battle of devil earth, Tian Peng had been ambushed by Jiang Zhaoyan's thousand-mechanism crossbow and had been poisoned.

After the battle, Tian Peng returned to the blood pool to meet up with Qin Wuxin. He would then find a chance to deal with Chen Xiaobei.

By right, mu chenfeng and the clay Bodhisattva should be by Tian Peng's side taking care of him.

Mu chenfeng's call was beyond Chen Xiaobei's expectations.

"Master! Things have changed!"

Mu chenfeng's anxious voice came from the other end of the phone, " "The clay Bodhisattva divined that you have come to the blood pool of the blood patriarch! The canopy great country has already started to plan to deal with you!"

"Deal with me?"

Chen Xiaobei was surprised. "The blood ancestor's blood pool only has a few of you. What does he have to deal with me?"

"I'm not sure about the canopy great country's specific plan!" "I only know that Tian Peng is snatching red packets with his phone. He won't let me and the clay Bodhisattva be around!" Mu chenfeng said.

snatching red packets?!

"Tianpeng knows that he's not strong enough to kill me!" Chen Xiaobei said. So, he must have gone to ask Shen gongpao for help to fight with me by snatching red packets!"

"Master, what are you saying? "I don't understand ..." Mu chenfeng was very confused.

"You don't need to understand! Continue to keep an eye on the situation over there! I'll think of a way!" let's go! Chen Xiaobei ordered and hung up.

After that, Chen Xiaobei stopped the aircraft.

"Why did you stop? The route is correct, and it's very safe to follow the map!" The witch of winter said. my enemies are ready. They're waiting for me to fall into their trap!

I need to think of a way to go in! Chen Xiaobei said. otherwise, I'll be in big trouble!

"This ..."

"Do you know what the enemy has prepared?" the witch of winter asked. If you don't know, how are you going to deal with it?"

"I'm not sure about the enemy's plan, but I can ask my friend!" Chen Xiaobei picked up his phone.

"Ask your friend?"

what? " Lin Dong witch was surprised. your friends aren't here. How are they going to help you? " Do you think they're gods?"

"That's right! They are Immortals!" Chen Xiaobei shrugged and entered the Brotherhood group.

[Chen Xiaobei: @ celestial Hound, celestial roar!] Are you there? Urgent matter! Quickly return!

Celestial Hound,"God Chen, what's the matter?"

Chen Xiaobei: "My Spy told me that canopy is snatching red envelopes!

Chen Xiaobei thought, I suspect that Shen gongpao gave canopy great country some kind of secret weapon to use Against Me! Is it convenient for you to help me investigate? I can only think of a way to deal with it if I know myself and my enemy!

Celestial Hound, what a coincidence! Shen Gongbao, Erlang immortal master, Jade Emperor, Pagoda-bearing Heavenly King, the four of them are having a secret meeting!

Chen Xiaobei: You can't participate?

Xiao Tianquan replied,"of course not ... I'm standing at the door!"

Chen Xiaobei: " so you're saying that you can't find out what kind of secret weapon Shen gongpao gave Tian Peng? "

Celestial Hound,"no need to check!" At the moment, Shen gongpao could not give out red packets at all! This was because the secret meeting was very mysterious! The Three Realms immortal network was cut off in the meeting room, so the canopy great country couldn't contact Shen Gongbao at all!

Chen Xiaobei: Even the Three Realms immortal network was cut off? I have a bad feeling that these four guys are definitely up to something!

Celestial Hound,"I guess it's related to the list of Yin ghosts!" The King of Hell's work was about to end! Now, all the major forces had gathered together to discuss how to use the least merit to exchange for the most useful earth level deity!

Chen Xiaobei-is there a need to discuss this? As long as he had enough merit points, he could naturally exchange for as many earth Immortals as he could! This was all a boost!

The celestial Hound thought, it's not that simple! It was impossible to exchange for an unlimited number of earth level deities! Otherwise, a heavenly path Saint would have unlimited merit. A heavenly path Saint could directly exchange for the empty realm!

Xiao Tianquan thought,"in this way, the balance between the various forces will be broken in an instant!" Even the Dao ancestor himself wouldn't allow such a situation to happen, let alone the heavenly path's Saints who would fight to the death!

Chen Xiaobei-no wonder! If the number of exchanges was limited, then naturally, the most useful Yin ghosts must be selected from the limited quota to exchange for the earth level deity!

Xiao Tianquan: " at the moment, the number of spots hasn't been confirmed yet. It might be officially announced during the red envelope snatching session during the winter solstice! So, if you want to exchange for it, you have to think about it as soon as possible!

Chen Xiaobei: There were still a few days before the winter solstice! Let's put this matter aside first!

Chen Xiaobei: " I need to know what red envelope the canopy great country got. Otherwise, I won't be able to advance any further!

Xiao Tianquan,"that red packet, it's not hard to find!" Tian Peng was working for Shen Gongbao. If he couldn't get in touch with Shen Gongbao, he would contact the person he trusted the most!

Chen Xiaobei thought,'the people that Shen gongpao trusts the most ... Must be the chanism people!'

The celestial Hound,"that's right!" The clan of enlightenment was the base camp of Shen Gongbao! However, Tian Peng didn't dare to contact those who were older than Shen Gongbao!

[ which means that heavenly Lord Yuanshi, dipamkara Daoist, South Pole immortal Weng, Yun Zhongzi, and the twelve golden Immortals can all be excluded! ]

Xiao Tianquan thought,"after the elimination, among the remaining people, Lei Zhenzi and tu xingsun are the most likely!"

Chen Xiaobei thought,'so, I just need to check on the two of them!'

The Great Sage, Heaven's Equal-I'll investigate this! I'll give you an answer in half an hour!

Chen Xiaobei: I thought you weren't here! I didn't expect that you would be able to help me so much the moment you opened your mouth!

The Great Sage, Heaven's Equal: " there's no need to say much between brothers. It's enough as long as you can stand up at the critical moment!

Chen Xiaobei: You're my brother! (Touched)

The Great Sage, Heaven's Equal-I'm leaving! (Cool)

Chen Xiaobei, you're leaving? You haven't said how you're going to investigate? (Worried)

Celestial Hound: " don't worry, God Chen. The great sage has always been Swift and decisive. I believe he'll find out the truth soon!

Chen Xiaobei: " that's easy for you to say! But it's not easy to do!

Celestial Hound,"it's not easy for us, but it's easy for the great sage!"

Chen Xiaobei: What would Monkey King do?

Xiao Tianquan thought,"just catch Lei Zhenzi and earth traveler sun and beat them up!" (Evil smile)

Chen Xiaobei: " this ... This works too? "

## Red Envelope Group of the Three Realms

### **Chapter 2006: Countermeasure (1)**

After a while, Monkey King sent back a message.

The Great Sage, Heaven's Equal, "I've got the answer!" Just as you've expected, tu xingsun gave Tian Peng a fifth Earth Spirit sealing talisman!

Chen Xiaobei, 'Earth Spirit-sealing talisman? What was that thing?

The Great Sage, Heaven's Equal said, "it's a low-grade immortal talisman that can instantly activate a three-star earth-god level sealing secret technique!"

Chen Xiaobei, a three-star earth-god level sealing technique? It seemed that second senior brother knew that it was useless to fight with force and wanted to win with intelligence!

The Great Sage, Heaven's Equal thought, "tsk, that pig's intelligence is a joke!" No matter how many traps they have, the spy you planted in advance will still directly break the situation! He had already lost half of the battle before it even started!

Chen Xiaobei: Spies were indeed important! But it was also thanks to the help of Monkey King and heavenly roar! Otherwise, I don't even know what second senior brother has planned!

The Great Sage, Heaven's Equal, asked, "how do you plan to deal with that pig-head now?"

Chen Xiaobei thought, 'second senior brother wants to seal me, and I have the Shura divine mirror with me!

Chen Xiaobei thought, 'I just need to use some Heaven Earth spiritual aura to upgrade the Shura divine mirror to three-star earth-god level!' He would be able to break second senior brother's plan perfectly!

The Great Sage, Heaven's Equal thought, this is not worth it! The Asura heavenly mirror that Minghe gave you is only a spiritual weapon. It will waste a lot of spiritual aura to upgrade it to a three-star earth-god instrument!

Chen Xiaobei: " this is the only way. My time is limited. I have to do this even if it's a waste! Otherwise, many innocent children would lose their lives!

Celestial Hound, God Chen! You can try the ten thousand Beast Battle formation!

Chen Xiaobei, "what's the use of the ten thousand Beast Battle formation?" (Puzzled)

Celestial Hound, "do you remember I mentioned it to you last time?" The ten thousand Beast Battle formation Manual that the Bull Demon King gave you can be combined with other magical formations to unleash a special ability!

Chen Xiaobei: However, what did this have to do with breaking the seal?

The celestial Hound replied, "of course it's related!" I can give you the [ Army shattering Heavenly Sword battle formation ], after it is combined with the [ ten thousand Beast Battle formation remnant ]! Then, he would use a three-star earth-god instrument to suppress the core! He would be able to break all the seals of those at the same level!

Chen Xiaobei thought, 'amazing, my heavenly roar! (Surprise) hurry up and give me the array diagram, I'll try to merge it! If he succeeded, he would be able to save a huge amount of Heaven Earth spiritual aura!

The Great Sage, Heaven's Equal: " didn't Shen Gongbao forbid private red packets? " Heavenly roar, are you not afraid of punishment?

Celestial Hound,"of course not!" I'll only send a picture of the formation and not a red packet, so it's not against the rules!

The Great Sage, Heaven's Equal, thought,"there's such a thing?"

The celestial Hound replied,"of course!" Last time, I used a picture to teach you how to draw a spirit testing talisman!

Chen Xiaobei: Heavenly roar was very smart! (32 likes)

Xiao Tianquan: " God Chen, I've sent you the picture. Take a look at it. If you have anything you don't understand, you can ask us again!

Chen Xiaobei: No problem!

The Great Sage, Heaven's Equal: Xiaobei! You have to hurry! I'm holding earth traveler sun now, but I can't hold him for long!

The Great Sage, Heaven's Equal thought,"I might have to release tu xingsun within two to four hours!" At that time, he will report to the pig head, and your plan will fail!

Chen Xiaobei-don't worry, Monkey King! My scholar heart is not to be trifled with! Two hours was enough!

He exited the group chat.

Chen Xiaobei took out the ten thousand Beast Battle formation Manual and opened the picture of the Army-breaking Heavenly Sword battle formation.

"What are you looking at?" "Is it the formation map of a battle formation?" the witch asked curiously.

"Yes, I am."

that's right! Chen Xiaobei nodded. as long as I can combine the two battle formations, I will have a way to defeat the enemy!

"What? Merging two battle formations?" that's impossible ... the witch of winter said in surprise. I've never heard of such a thing!

this is my first time hearing about it as well! Chen Xiaobei said. this is my first time trying it! But no matter what, he could only succeed! This is related to the lives of 8100 children. We can't afford to lose it!"

this ... the witch of winter was stunned."Isn't this too difficult? It's something that has never been heard of before. Who can guarantee success on the first try?"

"I must succeed!" Chen Xiaobei focused his mind and started to study the essence of the two battle formations.

The level of these two battle formations was not low. If an ordinary person wanted to completely understand them, they would need at least three to five years!

However, Chen Xiaobei had the scholar heart, so this process was shortened to half an hour!

"It can be fused!"

Suddenly, Chen Xiaobei's eyes lit up. "Lin Dong! You just said that the Holy Demon King had given 10000 'Blacktide demonic crows' to the blood ancestor, right?"

the deal is real ... the witch of winter nodded, but she still hesitated. "However, I can't be sure who he traded with!"

there are a large number of demonic beasts in the surrounding black fog! "If those demonic beasts are the 'black demonic crows', How do I tame them?" Chen Xiaobei asked.

"Didn't you want to merge the battle formation?" Lin Dong witch asked in surprise. Why are you suddenly so concerned about demonic beasts?"

I need the 'ten thousand beasts' to set up the formation. I don't have the time to go and capture the demonic beasts! The magical beasts in the surrounding black mist are my only choice!"

"I do have a way to tame the 'Blacktide Raven', but I can't tell you!" The witch said in a deep voice.

"Why?" Chen Xiaobei asked.

that's because the method of subduing them is a secret technique of our limitless demon race, " Lin Dong demon lady said. we won't teach it to outsiders!

"Aren't we friends?" Chen Xiaobei asked, frowning.

"Tsk, I'm not your friend!"

The witch of winter raised her chin arrogantly and said, " "After we complete our bet, I'll leave you! Don't think that you can possess me forever!"

I'm not your husband! Chen Xiaobei laughed. how can I have you forever? "

"What?"

Lin Dong witch's expression darkened, and she said angrily, " "You bad guy! How dare you take advantage of me! Don't expect me to teach you how to subdue the 'Blacktide devilish Crow'! Don't even think about it in this lifetime!"

according to our bet, the second thing I want you to do is to teach me how to tame the 'black demonic Crow'. You won't go back on your word, right? " Chen Xiaobei grinned.

I ... You ... the witch of the winter was so angry that her face turned red. "You Rascal! You're a bully!"

Chen Xiaobei laughed and said, "The most beautiful, most just, and selfless Holy maiden in the history of the limitless demon race! Are you going to go back on your word and embarrass your clansmen?"

I ... the witch of winter was instantly defeated. "Don't say anymore ... I'll teach, I'll teach you, okay ..."

Chen Xiaobei raised his brows and laughed evilly, "Don't forget the first thing I want you to do!"

you ... the witch of winter wanted to cry but had no tears. "Xiaobei Gege, I'm willing to teach you the secret art of subduing ..."

#### **Chapter 2007: The Witch's Contempt (2)**

the Black Tide demon Crow is an ancient mutant that our limitless demon clan brought from the demon world!

if there are really 10000 Black Tide demonic crows in the surrounding fog that the Saint Demon King had traded with, you only need to chant a spell and use the power of the infinite soul ring to control them! Lin Dong witch said.

"Good! Quickly teach me! Time waits for no one!" Chen Xiaobei asked impatiently.

"Don't worry! I have to remind you of one more thing!"

the Black Tide Raven is an ancient species, "Lin Dong witch said seriously. it has amazing speed and extremely destructive power! Once they've identified their prey, they'll rush up like a tide and attack relentlessly!"

what?! Chen Xiaobei frowned. you've taught me the secret skill and they're still going to attack me? "

"In theory, no!"

"But in fact, it has been tens of millions of years!" Lin Dong witch said. The Black Tide Raven reproduced from generation to generation and passed down the legacy! I can't guarantee that they'll still obey my clan's Secret technique!"

"I couldn't tell that you were so concerned about me!"

you ... Chen Xiaobei raised his eyebrows. if you didn't remind me, you could have let me die in the hands of the demonic Black Tide Ravens. Then, you could have regained your freedom, right? "

"Don't think too highly of yourself. Who wants to care about you?"

"I'm just afraid that you'll bring about your own death and drag our Holy Son down with you!" Lin Dong witch said with a frown.

"Is that so?" Chen Xiaobei took out the verdant Emperor's divine gourd and released Xuanyuan taohai.

"Who is he?" The witch of winter asked in surprise.

"So he's your race's Saint child!"

he has received the Wuji Saint Demon King's bloodline inheritance. Once he kills, his bloodline will activate and he will turn into a demon! Chen Xiaobei said.

yes ... I felt it ... the witch of winter was slightly startled, and then she said seriously, "The aura of the Saint Demon King! This young man is really the Holy Son of my race ..."

"Master ..."

Xuanyuan taohai, who was hiding beside Chen Xiaobei, asked in a low voice, "Who's this young lady? She's so pretty ... But why is her body a spirit body? Is she dead?"

"This is the saintess of the limitless demon race, Lin Dong!" Chen Xiaobei introduced. You and I can be considered to have a bit of a relationship! In addition, she's not dead, she's just releasing her demonic soul!"

Oh ... Xuanyuan taohai nodded. He wanted to look at the witch of Lin Dong, but he was too embarrassed to do so. He only dared to lower his head and steal a glance from time to time.

Xuanyuan tuohai had never seen such a beautiful lady in his life.

Chen ... Bro Xiaobei ... the witch of winter furrowed her brows. "Why did you ask the Saint to come out?"

"Weren't you worried that the Saint would be buried with me?" I'll let him out. That way, you can be at ease, right?" Chen Xiaobei said.

"This ..."

Lin Dong witch was stunned and frowned, "Aren't you afraid that I'll take the Saint and run away? At that time, you won't even know how you died!"

"I'm not afraid."

of course not! Chen Xiaobei shrugged. I believe that the most beautiful, fair, and selfless Holy Virgin of the limitless Demon tribe will not go back on her word!

"Don't flatter me! I'm a demon!"

Lin Dong witch's beautiful eyes turned cold, and she said coldly, "If you can't subdue the Blacktide devilish Crow, I will abandon you without hesitation! I'll let you be torn into pieces by the devil crows and devoured until not even dregs are left!"

Chen Xiaobei frowned and said, "You're still looking down on me! You've already said it more than three times that I'm going to die Here!"

"Since we've already said this much, I'll just be direct!"

I can call you Xiaobei Gege, " Lin Dong witch said coldly. that's because I lost the bet. I admit defeat! But I'm not convinced by you! You're only at the level of one fire god-refining, but in my eyes, you still haven't left the level of trash!"

Chen Xiaobei grinned and said, "Little girl! You have successfully aroused my desire to conquer!"

"You ... What do you mean?" Lin Dong witch's expression froze, and a hint of nervousness appeared on her pretty face.

"I'm going to conquer you!"

"I'll show you what it means to be strong!" Chen Xiaobei said. I want you to worship me from the bottom of your heart! Admire me! He even loves me!"

The witch of winter frowned and said disdainfully, "Quickly wake up! It's time to take the medicine to treat lunatics!"

"Let's not talk nonsense!"

"Takumi, you stay in the aircraft!" Chen Xiaobei said. Lin Dong, you'll be buried with me!"

After that, Chen Xiaobei picked up the limitless nine-floor Pagoda.

"Put it down! Quickly put down the nine-layered Pagoda! I don't want to go with you!"

what?! the witch screamed, "the Black Tide Raven's ability can tear earth-god instruments apart! If you die, the nine-floor Pagoda will be torn to pieces! Then, my demonic soul will die! Put it down! Quickly put down the nine-layered Pagoda ..."

From the winter witch's horrified expression and her strong attitude of protest, it was not difficult to see that the Blacktide Raven was an extremely terrifying demon beast.

More importantly, in the eyes of the winter Witch, Chen Xiaobei was still very weak. He was not strong enough to fight against the Black Tide Ravens! If he took the risk, he would definitely die!

Unfortunately, the demonic soul of the witch of winter was severely injured. Her strength was almost zero. Other than screaming, there was no other way to escape from Chen Xiaobei's control.

"Stop shouting! No one can change my mind once I've decided on something!"

Chen Xiaobei raised his eyebrows and laughed, "If there's really an accident, we can be companions on the road to the netherworld, right?"

"Chen Zhufeng! You're crazy!"

"If you want to take the risk, then go yourself!" The witch of winter was both shocked and angry. Why must you bring me along? It's not enough for you to die, and now you want to drag someone down with you?"

"Don't talk nonsense! Hurry up and teach me the secret technique!" Chen Xiaobei said.

no! the witch of winter refused decisively and said, "if you want to learn the secret technique, you have to promise not to take me to risk it! Otherwise, I'm not going to teach you!"

"Are you threatening me?" Chen Xiaobei smiled.

"Right! I'm threatening you!"

"If you don't put down the nine-layered Pagoda, I won't teach you!" Lin Dong witch said angrily. I won't let you take me to my death!"

"Silly girl! Your threat is too weak!"

Chen Xiaobei chuckled and walked to the door of the aircraft. "I'll open the door in ten seconds! If you teach me, we might have a chance to live! If you don't teach me, we'll die together!"

"Chen Zhufeng! You ... You ... You're threatening me!" Lin Dong witch's face was red with anger, and she was on the verge of going crazy.

"Ten! Nine! eight ... Chen Xiaobei started the countdown.

This was the real f \* cking threat!

I'll teach you! Lin Dong witch cried. Xiaobei, I'll teach you now!

"Let's start!" Chen Xiaobei stopped smiling and started to study.

Secret Arts and incantations weren't difficult to learn. They only required a few sentences.

After learning it, Chen Xiaobei opened the door of the aircraft and said with a smirk, " "Little sister Lin Dong! Big brother will take you to show off and fly!"

Why is my life so bitter ... the witch of winter wanted to cry but had no tears.

#### **Chapter 2008: King Of The Blacktide (3)**

In the black mist, the atmosphere of the asteroid had already left the universe.

That was why Chen Xiaobei could use the somersault cloud to fly.

"Heavens! You actually have a two-star earth-god level flying Dharma Treasure! It's simply unbelievable!"

The witch of winter exclaimed, " "Flying magic weapons are extremely rare! Even in the earth-god Realm, it's not something ordinary people can have!"

"Have you started to worship me?" Chen Xiaobei raised his eyebrows and teased the witch as he studied the map.

"Admire your head!" The witch of winter said nervously, 'What time is it? You're still joking! If the secret technique is ineffective against the Black Tide devilish crows, we will all die!"

"We won't die!" I'm fine! Chen Xiaobei shrugged. I'll do it my own way!

"You?"

The winter Witch didn't believe him at all, 'the Black Tide Raven is an ancient mutated demon beast! Their wild nature was hard to tame! Aside from us limitless demons, no one else can tame them!"

"Why don't we make another bet?" Chen Xiaobei raised his brows and laughed evilly, " "The bet is the same as before. The loser will do three things for the other party unconditionally!"

this ... the witch of winter was stunned, and she said warily, " "You really have a way?"

"Of course it's true!" Chen Xiaobei nodded with a confident smile.

"What do you have in mind?" The witch of winter asked in disbelief.

"It's simple!" hehe! Chen Xiaobei grinned and said, " just catch the Blacktide devilish crows and beat them up!

you ... the witch of winter was speechless. She was so angry that she almost died. "You want to catch the Black Tide devilish crows with your cultivation? It was pure daydreaming! You're courting death, but you have to drag me down with you! You're simply too hateful!"

"After talking for so long, how strong is the Black Tide demon Crow?" Chen Xiaobei asked.

"The cultivation of an adult black Tide demon Crow is the same as you, at the one fire god-refining realm! Coupled with the innate abilities of magical beasts, they can defeat humans of the same level!"

there are at least 10000 Black Tide Ravens here, " the witch of winter said disdainfully. you don't even have a chance of winning!

"I have an earth-god instrument! There aren't any Black Tide Ravens, right?" Chen Xiaobei raised his eyebrows and asked.

"You want to subdue them? Not to kill them! What's the use of an earth-god instrument!" The witch of winter said in a deep voice.

"Shh!"

Suddenly, Chen Xiaobei raised a finger in front of his mouth and said, " "They're here!"

"What's here?"

The witch of winter was slightly startled, and her expression suddenly became nervous. it's them ... It's really them ... The 'Black Tide' that represents slaughter is coming ... If the secret technique is ineffective ... We will die without a doubt ...

"Chi ..."

Chen Xiaobei summoned the infinite soul ring from his palm and said, " "I'll try the secret technique of your limitless demon race first! If I can't, I'll have to rely on myself!"

"Have you memorized the incantations of the secret technique? Do you understand the main points of the spell?" The witch of winter frowned and said worriedly, " "You've only learned it once. If you make a mistake ... We're really done for ..."

It was obvious that the witch's demonic soul was too weak to use her secret skill. He could only rely on Chen Xiaobei to cast it.

However, the winter Witch was worried that Chen Xiaobei would not be able to master the secret skill.

"Agalo ... Kaylach ..."

Before she could finish her sentence, Chen Xiaobei had already started to chant an ancient demonic spell.

"Your pronunciation is accurate! His tone was steady! His aura is thick!"

Lin Dong witch's beautiful eyes widened as she said in disbelief, " "Is this really Chen Zhufeng's first time chanting these spells? His comprehension is too strong ..."

Although there weren't many incantations, they were all pronouncing ancient demonic sounds that were difficult to learn. It was impossible for an ordinary person to recite them with such eloquence and emotion on their first try.

"Chi ..."

To the witch's surprise, Chen Xiaobei was channeling his ethereal force into the infinite soul ring in a specific way.

This process was supposed to be the difficult part of the secret technique! Because if the incantation and Zhen Yuan didn't work together, the special ability of the secret technique couldn't be used!

However! This was the most difficult part, but Chen Xiaobei had mastered it flawlessly!

In a short while, the spell was officially completed!

The infinite soul ring turned golden, and its light flickered like a beast waiting to pounce. Chen Xiaobei could summon it and charge at the Black Tide!

"This is perfect!"

Seeing this, even the witch of winter could not help but exclaim, " "Chen Zhufeng's spell casting is perfect! Even if the Saint Demon King came personally, he wouldn't be able to do so much! Chen Zhufeng's comprehension is unbelievable ..."

I'm not! Chen Xiaobei raised his eyebrows and laughed, " say that you admire me! Don't be shy!"

"Stop it! you thick-skinned fellow ... before the witch of winter could finish her sentence, she suddenly exclaimed, " "Hurry up! Quickly use your special abilities! The Blacktide has appeared!"

"I've noticed it long ago!" I'm fine! Chen Xiaobei smiled. get them to fly closer!

that's too dangerous ... the witch of winter bit her lip, extremely nervous.

Whoosh ... Whoosh ...

A wave-like sound came from the front.

Looking in the direction of the sound, they saw a wave of ink-black water rushing towards them at an extremely fast speed.

As they got closer and closer, they could gradually see that the black wave was formed by thousands of crows as large as Falcons!

This was no ordinary Crow!

They had blue eyes! It had claws as sharp as Black Gold! And its feathers were as sharp as blades!

The strangest thing was that they were emitting black demonic Qi! It was like a burning black Flame that wavered in space!

The black flames of thousands of devil crows gathered together and advanced at an extremely fast speed. At first glance, it looked like a monstrous wave!

Once enveloped by this wave, even a huge space carrier would be completely crushed, leaving nothing behind!

This was how the Blacktide got its name!

"I finally saw it clearly! As expected, it's an extraordinary magical beast!" Chen Xiaobei raised the infinite soul ring high.

"Woah! Buzzzzzz! Buzzzzzz! Yi ..."

In the next moment, countless golden lights shot out from the infinite soul ring like thousands of arrows.

The target of these golden lights was the Black Tide that was coming at them!

The golden light had the special ability of a secret spell and could communicate with the Black Tide Raven's spirit.

From the bottom of their hearts, they would feel a sense of intimacy with the limitless demon race, thus restraining their demonic nature and accepting their subjugation.

"Whoosh ..."

As expected! After being hit by the golden light, the speed of the Black Tide clearly slowed down, and the strong killing intent was also greatly reduced!

"I've succeeded!" The witch of winter cheered excitedly.

Chen Xiaobei shook his head. He did not succeed! Their King is here!"

"Hiss!"

At this moment, behind the black Tide, there was a sudden burst of an ear-piercing whistle.

The witch of winter's expression changed drastically.

[Red Envelope Group of the Three Realms](#)

**Chapter 2009: Three-Star Earth-God Realm Cultivator (4)**

Whoosh ... Whoosh ...

With that roar, the Black Tide, which had just slowed down, accelerated again. At the same time, it burst out with a stronger killing intent than before!

"What ... What is going on?"

Lin Dong witch's expression changed drastically, and she said in disbelief, " these thousands of devil crows have clearly been appeased by the secret technique. Why did their devil nature suddenly erupt? "

"Their King is here!"

Chen Xiaobei activated his golden gaze fiery eyes, which could see through the black Tide in front of him. "Behind this Black Tide is the king of the demonic crows, leading thousands of more powerful demonic crows! The former can only fight and not retreat!"

but ... They've been soothed by the spell ... the witch of winter was still confused.

Chen Xiaobei put away the infinite soul ring and said, " Tens of millions of years have passed, and the relationship between your limitless demon clan and the Black Tide demon Crow has become very thin! A secret technique can't compare to the pressure of the devil Crow King!"

Lin Dong witch's pupils contracted uncontrollably, and she said nervously, " "You mean ... These Black Tide demon crows have already submitted to their King ... And are no longer submitting to our limitless demon race?"

"This is obvious!" "I've already perfectly used your clan's Secret skill!" Chen Xiaobei said. It's useless!"

The witch of winter gasped. "Run! Quickly run! The secret technique is ineffective, are you still going to stand here and wait for death?"

"Your clan's Secret technique is ineffective, but I still have my own way!" Chen Xiaobei's dark eyes glowed with a domineering light.

"Don't force yourself! You'll die ..."

"The Black Tide demon crows in front of us are all in the one fire god-refining realm!" Lin Dong witch said nervously. The next wave would definitely be even stronger! Furthermore, there was still a terrifying King tier! You have no chance of winning this battle!"

"Shut up! We'll just watch!" Chen Xiaobei's aura had completely changed.

Lin Dong witch's heart trembled as she felt a terrifying pressure surging into her heart like a tsunami!

It was as if he wanted to crush his state of mind and carve a terrifying shadow that could never be erased in the deepest part of his soul!

He would have to live in this shadow for the rest of his life, never to be free!

"What a terrifying pressure ..."

Lin Dong demoness's heart jumped. In her memory, even when limitless Saint Demon King was enraged, he didn't have such a terrifying pressure.

The witch of the winter kept her mouth shut and stared at Chen Xiaobei with her Starry Eyes.

The demon race revered martial strength! He worshipped the strong!

Chen Xiaobei's domineering aura had touched the heart of the witch of winter!

At least in terms of pressure, the witch of winter was convinced!

"Swish!"

At the same time, Chen Xiaobei was already on the somersault cloud, charging straight at the Black Tide.

we're dead ... the witch of Winter's Heart clenched. Her face was pale, and she was in despair.

Obviously, the winter Witch was only impressed by Chen Xiaobei's aura, but she did not think much of his strength!

Chen Xiaobei charging straight into the dark tide of thousands of demonic crows was undoubtedly a suicidal move!

The black demonic Crow, which could even tear a one-star earth-god instrument apart, would tear Chen Xiaobei and the Wuji nine-floor Pagoda apart without mercy!

In her eyes, she and Chen Xiaobei were on the verge of death!

"Whoosh ..."

Chen Xiaobei threw out the blood God's deity-killing painting when he saw the Black Tide approaching.

The blood-colored sea of fire descended, completely covering the first wave of thousands of Black Tide demonic crows.

Although these Black Tide demon crows were all at the level of God-refining, the blood God's deity-killing painting had already reached the level of a two-star earth-god!

In the blood-colored sea of fire, no matter how many Black Tide demon crows there were, they would be completely imprisoned. They wouldn't even be able to move a single finger!

"Swish!"

Without hesitation, Chen Xiaobei controlled the somersault cloud and pierced through the sea of blood-red fire.

In an instant, Chen Xiaobei had left the thousands of demonic crows in the dust.

Chen Xiaobei did not even bother to look at her.

"This ..."

Seeing this, the witch of winter was dumbfounded. She could not believe her eyes. "You actually have a two-star earth-god instrument! Moreover, it was an earth-god instrument that could seal a large area! This ... Is this where you're so confident?"

"Rare and strange!" Chen Xiaobei shrugged and said, "The performance has only just begun!"

The winter Witch took a deep breath, and the way she looked at Chen Xiaobei changed completely.

A few seconds ago, the winter Witch was certain that she would die as Chen Xiaobei led her to the Black Tide of death!

A few seconds later, the first wave of the Black Tide was completely under Chen Xiaobei's control without even hurting a single hair on his head!

Such a result had deeply shocked the Lin Dong witch.

However, Chen Xiaobei did not seem to care about the result and continued to make bold claims! The performance had just begun. Next, there were even more powerful and shocking techniques!

At the thought of this, the Lin Dong witch suddenly felt ashamed, and her face began to heat up.

Of course, the witch of winter was also looking forward to seeing Chen Xiaobei's real performance!

The performance of the strong was the most pleasing enjoyment to the demon race!

"Hiss!"

At the same time, the ear-piercing howl of the king resounded again, revealing a violent aura.

It was obvious that The Raven King was furious!

It wanted to face the enemy personally and completely exterminate the invader!

It wanted to use its strongest combat power to defend its honor and pride as a King!

it's coming ... What a strong demonic Qi ... Lin Dong witch's beautiful eyes looked straight ahead, and she became nervous again.

A huge black Flame flew out of the second Black Tide!

He was like a shooting star, extremely fast! It was extremely powerful!

Wherever it passed, the thick black fog was torn apart! The floating boulder was smashed into pieces!

It was as if time and space had been penetrated, and nothing could stop that terrifying black meteor!

[ ding Yingying's cultivation level: three-star earth-god level, lifespan: 8 million years, physique: 30 million, combat power: 30 million! (The strength of three tigers)

The netherspirit battlescouter detected the black meteor's cultivation base and combat strength.

"The Raven King has already reached the three-star earth-god Realm! Thirty million combat power! That's incredible!"

Chen Xiaobei was shocked, but he was not afraid. "To capture the bandits, first capture the king! As long as we can deal with this King, we can make all the Black Tide devilish crows submit to us!"

you ... You can really deal with a three-star earth-god demonic beast? " Lin Dong witch couldn't believe it. She was extremely suspicious, but also extremely expectant.

"Heh, I have at least a hundred ways to deal with it!" Chen Xiaobei smiled confidently.

"Hiss!"

The demonic Crow King seemed to have heard Chen Xiaobei's words. It felt like it had been provoked. It let out a third screech, bursting with a strong killing intent that sent chills down one's spine!

### Chapter 2010: I'll Take You For A Walk (1)

Chen ... Brother Xiaobei ...

Lin Dong witch was very nervous and said in a trembling voice, "Do you really have the confidence to deal with the devil Crow King? It had already reached the three-star earth-god level. With its talent and superpower, it was enough to crush humans of the same level! If you're not confident, then run ..."

"It seems that you still have no confidence in me!"

I've already told you that there are at least a hundred ways to deal with that Big Crow! You don't have to worry at all! Chen Xiaobei said.

"It would be a wonder if I'm not worried ..."

The witch of winter bit her lips and said, "You're too boastful. Even a three-year-old child wouldn't believe you!"

"Clang"

Chen Xiaobei took out his spiritual King Sword and said, "Are you still worried?"

"This ... This is the flame burst Spirit King Sword! The Natal demonic sword of the Spirit Flame King is in your hands!"

The witch of winter was shocked, and she said impatiently, "Hurry up! Hurry up and attack! Directly kill the devil Crow King! After that, we can use the secret technique to subdue the other devil crows!"

"I'm not making a move!"

Chen Xiaobei shrugged and said, "I only drew my sword to make you feel at ease! I don't want to kill the devil Crow King. I want to subdue it and make it willingly become my spirit beast!"

you ... What nonsense are you talking about?!

The witch of winter was dumbfounded and exclaimed, "The Blacktide Raven is an ancient mutated demon beast. Its demonic nature and wild nature are extremely strong! Even my clan's Secret technique is ineffective, how can a human like you possibly subdue the devil Crow King?"

"Still the same words!" "Shut up!" Chen Xiaobei said. We'll just watch!"

I ... Lin Dong witch's heart skipped a beat. She could feel Chen Xiaobei's overbearing aura once again. She could not help but shut her mouth and stare at Chen Xiaobei.

Demons were like this. If you were polite to them, they would think that you were easy to bully and would not put you in their eyes!

If you were domineering and unyielding to him, and could display a matching strength, he would instead worship you from the bottom of his heart! I respect you!

The witch of the winter had always looked down on Chen Xiaobei and had no confidence in him!

The only way for Chen Xiaobei to gain respect and trust was to show off his extraordinary strength!

Apart from cultivation, a strong foundation was also a part of one's strength!

"Chi ..."

The Raven King was already in front of him.

Its blade-like wings created a terrifying Hurricane. The black demonic Qi that it emitted turned into a tornado that wreaked havoc in the space.

The power of a three-star earth-god was fully displayed by the king of demonic crows!

A cold and merciless killing intent was released from his body, as if it would crush Chen Xiaobei to death in the next moment!

"Whoosh!"

Chen Xiaobei was not afraid at all. With a thought, he made the spiritual sword of spiritual King blazarite emit the power of a five-star earth-god.

"Hiss ..."

The demonic Crow King took a deep breath and flapped its wings forward.

The thunderous momentum just a moment ago forced it to use all its strength to barely stop.

"Hiss ... Hiss ..."

After braking, the devil Crow King still let out a series of strange cries of fear.

Of course, the witch of winter could not understand the meaning of those cries.

Only Chen Xiaobei could understand that the strange cry was a cry of surprise, "What the f \* ck! How did that human get his hands on a five-star earth-god instrument? It was too terrifying! I can't win! Escape! All devil crows, run!"

"You want to escape? It won't be that easy!"

Chen Xiaobei raised his eyebrows and said in the beast language, "If you dare to step back, I'll immediately draw my sword and kill you!"

you ... You ... You can actually speak the language of beasts!? The devil Crow King was dumbfounded and stood rooted to the ground. He didn't dare to fight or escape, and he was extremely embarrassed.

Lin Dong witch was even more confused. She did not know what Chen Xiaobei was talking about. Could it be bird language?

"Who ... Who are you? we have no grudges, just let me go ... the devil Crow King said in a low voice with a serious look.

"No grudges?"

"You make it sound so easy!" Chen Xiaobei laughed. If I didn't take out my spiritual bursting flames King Sword, I'm afraid I would have been stuffed in your teeth!"

I ... the demonic Crow King was at a loss for words, and uneasily said, " "What's your purpose? I ... I can compensate you!"

"My goal is to subdue you!"

"As long as you open your mouth and eat this biscuit, I can spare your life!"

"Biscuits? What's that?"

"I don't want to be subdued by you!" The demonic Crow King said warily. She didn't want to eat any biscuits! I'm willing to pay a price in exchange for my freedom!"

"You're so naive!"

Chen Xiaobei said domineeringly, " "From the moment you tried to kill me, your life no longer belongs to you! Either surrender or die! You're not qualified to negotiate with me!"

this ... the demonic Crow King's expression froze, and his blue eyes revealed a strong sense of conflict.

"A sword or a biscuit? You only have three seconds to consider!" Chen Xiaobei's eyes were cold and his attitude was overbearing.

"I ... I ... I can't afford to offend you! But I can afford to hide!" The demonic Crow King was extremely unwilling. It suddenly flapped its wings and flew back rapidly.

He was surrounded by black fog and a large number of floating boulders!

To the demonic Crow King, as long as it could get out of Chen Xiaobei's sight, it would be safe!

"It wants to escape! Hurry up! Quickly kill it! Otherwise, you won't have the chance!" The witch of Lin Dong saw that the situation was not good and quickly exclaimed.

I told you to watch the performance. It's only starting now! Chen Xiaobei waved his hand.

"Woof!"

A pink ball of light was thrown into the air!

"Whoosh ..."

In the next moment, a dazzling scene burst out in the dark space.

The small pink ball of light was like a giant firework, releasing a sky full of sparks. It was gorgeous and resplendent, and even the starry sky was dyed pink.

what ... What is this ... the witch of winter was shocked and murmured, " "It's so beautiful ..."

"Whoosh ..."

Then, countless pink Magpies rushed out of the pink sparks.

This wasn't a real Magpie, but a Phantom of a Magpie formed by the spiritual light!

The spiritual light Magpies were uncountable, and they came one after another, directly pulling out a wide and solid pink Magpie bridge in the darkness!

That's right!

This was the Magpie bridge's spiritual light, the earth-god instrument that Chen Xiaobei had snatched from the cowherd's Red envelope during the Chinese Valentine's Day!

The real bridge of Magpies could connect two planets, allowing the Cowherd and the Weaver Girl to meet!

The earth-god instrument, the Magpie bridge spirit light, also had the special ability of 'connection'!

"Chi ..."

In an instant, the bridge of Magpies 'spiritual light had crossed hundreds of meters, one end connecting Chen Xiaobei and the other end connecting the demonic Crow King!

what ... What the hell is this ... the demonic Crow King was extremely nervous. It flapped its wings and charged around in the darkness, trying to break the connection between the spiritual lights of the Magpie bridge.

However, no matter how hard it tried, it couldn't break away from the connection!

"Winter? Come back to your senses, don't just stand there!" Chen Xiaobei smiled and said, "Big brother will take you to walk the dog! Oh no! It's walking the bird!"
