Chapter 2011: Subdue All Of Them (2)

Whoosh ... Whoosh ...

The demonic Crow King was running for its life in front, but no matter how fast or far it flew, it couldn't break the connection of the Magpie bridge.

Chen Xiaobei controlled the somersault cloud and followed behind them at a steady pace, as if he was walking a dog on a leash.

this ... This works too ... the witch of winter was stunned.

Half a minute ago, the winter demoness was still questioning Chen Xiaobei, worried that he would not be able to defeat the demonic Crow King.

But now, the demonic Crow King was in Chen Xiaobei's hands. Even if it used all its strength, it could not escape from Chen Xiaobei's grasp.

The huge contrast between reality and imagination caused a million times critical damage to the heart of the witch of winter.

Her pretty face was red and hot.

The witch of the winter tribe felt that she was like a childish little girl who didn't know the immensity of heaven and earth!

He had not even figured out how strong Chen Xiaobei's Foundation was and he was already looking down on Chen Xiaobei!

Now that he thought about it, it was really childish and laughable!

"Xiaobei Gege ... Who are you?" The way the witch of winter looked at Chen Xiaobei slowly changed, and now, there was a hint of respect in her eyes.

"Eh?"

Chen Xiaobei raised his eyebrows and asked, " "Why did you suddenly become so gentle and obedient? You won't be conquered by me just like this, right? It's not challenging at all!"

what ... What conquer ... the witch of winter pursed her lips and said, " "I'm asking you a serious question! Don't change the topic!"

Chen Xiaobei smirked and said, " "I don't want to answer you! I want you to be filled with curiosity about me! You can't see through me no matter what! I'll make you anxious!"

I ... the winter Witch was instantly speechless. Her curiosity was piqued, but she could not get an answer.

That feeling was truly unbearable!

Chen Xiaobei raised his eyebrows and chuckled to himself. It would not take long for him to train the witch of the winter to be obedient.

"Whoosh ..."

At that moment, the demonic Crow King stopped running and flew back.

"Eh? Why aren't you running anymore?" Chen Xiaobei raised his eyebrows and asked.

"I want to escape! But do you think I can escape?" The demonic Crow King wanted to cry but had no tears. "Give me your biscuits! I'll eat it!"

"You've thought it through?" Chen Xiaobei took out a piece of high-grade heavenly dog biscuit.

The Raven King said helplessly, "fight, I can't beat you!" Escape, I Can't Escape from You! You've already won anyway, I don't have a choice ..."

"It seems that you're not stupid!"

don't worry! Chen Xiaobei smiled. you'll be mine after you eat my biscuits! I won't mistreat you!"

"What about my clansmen? How do you plan to deal with them?" The devil Crow King asked in a deep voice.

"I will treat everyone equally!"

"All the Black Tide demonic crows will become my spiritual beasts!" I promise to give them a cultivation environment countless times better than here!"

"Good! I hope you can keep your promise!" The demonic Crow King flew towards Chen Xiaobei with its mouth wide open.

Chen Xiaobei threw the high-grade heavenly dog biscuit into the demonic Crow king's mouth.

"Master ..."

Very quickly, the demonic Crow King had completed its master recognition and became Chen Xiaobei's new loyal dog.

"Heavens! Xiaobei Gege! What did you feed the devil Crow King? Why would it be so respectful to you? This is unbelievable ..."

The witch of winter could not understand the language of the beasts, and she was stunned by the scene before her. She could not believe her eyes.

"There's something even more incredible!" Chen Xiaobei raised his eyebrows and gave the demonic Crow King a look.

"Hiss! Hiss ..."

The demonic Crow King immediately let out a sharp cry, as if it was giving an order.

Whoosh ... Whoosh ... Whoosh ...

In just a dozen seconds, tens of thousands of Black Tide Ravens flew over from all directions.

The black flames continued to rise, like a Black Tide that was about to engulf the entire space.

what ... What is this ... the witch of winter had always been afraid of the Black Tide, which represented slaughter.

The scene in front of her had a strong impact on the heart of the Lin Dong witch.

"I want to subdue the Blacktide!" Chen Xiaobei smiled and raised his left hand.

how ... How is this possible?! Lin Dong demoness was even more shocked. Her beautiful eyes, which were like stars, were wide open, full of infinite shock.

Even the secret arts of the limitless demon race were unable to subdue the Black Tide. How could a normal human youth like Chen Xiaobei do it?

Lin Dong witch couldn't believe it.

"Chi ..."

Without explaining, Chen Xiaobei activated the ten thousand Beast Ring on his left hand.

"Whoosh! Whoosh! Whoosh ..."

In the next moment, tens of thousands of black demon crows shot towards Chen Xiaobei like arrows.

"Xiaobei Gege! Be careful!" The witch of winter cried out.

However, the Black Tide Ravens didn't launch any attacks. When they rushed into the range of the spirit light of the ten thousand Beast Ring, they would disappear without a trace!

"What ... What is going on?" Lin Dong witch was dumbfounded and shocked. the Blacktide Ravens are all in Xiaobei's ring ...

A moment later, the terrifying Black Tide that represented slaughter had completely entered the ring. Chen Xiaobei was not hurt at all.

The last black demonic Crow even held the blood God's deity-killing painting and presented it to Chen Xiaobei before entering the ring.

"Done!"

I've already subdued the demonic Crow King and the black Massacre tide! Chen Xiaobei grinned. I've already subdued them! Everything will be smooth sailing from now on!"

how ... How is this possible?! The witch of winter was completely dumbfounded.

No matter how hard he thought about it, he could not figure out how these ancient demonic beasts could be tamed by Chen Xiaobei. This didn't make sense!

"Little witch of winter! Do you admire me now?" Chen Xiaobei raised his eyebrows and smiled.

I ... the witch of winter was still in shock. She was so shocked that she could not speak.

Ding Ling Ling Ling

Chen Xiaobei's phone rang. It was from Xuanyuan tuohai.

As soon as the call connected, Xuanyuan taohai's terrified cry for help could be heard. "Master! Help! I ... I'm surrounded ..."

"What's the matter? Speak slowly! Don't be anxious!" Chen Xiaobei put away all his treasures.

He even kept his somersault cloud and jumped onto the back of the devil Crow King.

After all, The Raven King was a three-star earth-god, so it was much faster than the somersault cloud.

Even though Chen Xiaobei said that he was not in a hurry, he was actually very worried about his disciple.

"Chi ..."

The demonic Crow King understood tacitly and increased its speed to the extreme, suddenly rushing towards the place where it came from.

On the phone, Xuanyuan taohai said sorrowfully, " I've been waiting for you in the aircraft, master. Suddenly, dozens of aircraft surrounded me ... The other party shouted that they wanted to take your life ..."

"Ah? Only a few dozen?"

"Which idiot?" Chen Xiaobei sighed. You dare to kill me with such a small army? You're simply courting death!"

[Red Envelope Group of the Three Realms](#)

Chapter 2012: This Isn't A Battle (3)

At the entrance of the black fog region.

Dozens of flying devices with purple skull patterns surrounded the flying device that Xuanyuan tuohai was on.

The leading purple skeleton aircraft was using a megaphone to roar.

"Chen Zhufeng! You cowardly turtle! Don't think that you'll be fine if you don't say anything! Young master Jiu Xiao said he wanted to capture you alive! However, if you refuse to surrender! We don't mind launching an attack and letting you die without a burial ground!"

The roar was very powerful. It was either to capture Chen Xiaobei alive or to kill him.

"Who ... Who are you ... Why did you capture my master ..."

Xuanyuan tuohai also found a megaphone and followed Chen Xiaobei's instructions to stall for time.

"You guys can't escape anyway, so I'm not afraid to tell you the truth!"

"I'm the president of violet ghost bounty Guild!" The enemy leader declared arrogantly. Qi shisha! We've already received a bounty mission to capture Chen Zhufeng alive! I discovered his tracks today and followed him all the way here!"

"Bounty Guild? A bounty mission?" "Who issued the bounty mission?" Xuanyuan tuohai asked in surprise. Does he have any grudges with my master?"

"According to the rules, we bounty hunters can't reveal our employer's identity!"

of course not! Qi shisha said. however, the employer's identity is extremely prominent. As long as I say his name, Chen Zhufeng will be scared to death! Make Chen Zhufeng surrender!"

who ... Who's so powerful ... Xuanyuan tuohai couldn't believe it. "You ... You tell me! I don't believe that my shizun would be afraid!"

"Hmph! You listen well!"

Qi shisha snorted and said arrogantly, "The person who issued the bounty mission is the eldest grandson of the Helian family in the Azure Dragon continent! heaven dominating faction's core disciple! The young man who was ranked seventh on the minor heavenly fate ranking! Helian jiuxiao!"

"Who is it? Helian jiuxiao?"

Xuanyuan tuohai was puzzled, "I've never heard master say that he knew Helian jiuxiao!" Is there any misunderstanding?"

"There's no misunderstanding!" "The truth is, young master jiuxiao doesn't know Chen Zhufeng either!" Qi shisha said.

"Then why did he want to capture my master alive?" Xuanyuan taohai's brows furrowed tightly. He wanted to say 'crazy', but he didn't say it out loud.

it's all because Chen Zhufeng and Helian tulong are too close! Qi shisha said coldly.

"Ah?"

"Helian tulong and Helian jiuxiao should be brothers, right?" Xuanyuan taohai asked in surprise. Why are you making things difficult for my master?"

"Because the Helian family is preparing to choose their next successor! Young master Jiu Xiao's biggest competitor is Helian tulong!"

Qi shisha said, "Chen Zhufeng is doing a livestream. It's too popular! Therefore, young master Jiu Xiao had to capture Chen Zhufeng alive! If Chen Zhufeng was willing to surrender, young master Jiu Xiao would definitely put him in an important position! If Chen Zhufeng doesn't know what's good for him, he'll be dead!"

this ... Xuanyuan taohai frowned and said, "so, my master has already been involved in the battle for the heir of a wealthy family because of a live broadcast?"

"It's good that you understand!"

"The Helian family is one of the most powerful families in the Azure Dragon continent!" Qi shisha laughed hideously. Young master Jiu Xiao was the eldest grandson! In terms of cultivation! In terms of status! In terms of experience! He had completely suppressed Helian tulong! As long as Chen Zhufeng isn't stupid, he should know who he should work for!"

"I think you're mistaken! I won't work for anyone!"

At this moment, a calm voice came from afar!

His voice was enhanced by his vital essence, and it penetrated every aircraft and entered everyone's ears clearly!

"Master! My master is back!" Xuanyuan taohai was instantly excited.

"It's Chen Zhufeng!" Qi shisha also exclaimed. Why was there only sound! Where was he? Why can't I see him?"

Chen Xiaobei was standing on the demonic Crow King's back, flying towards the scene at top speed.

The speed of a three-star earth-god was so fast that Qi shisha could not see it clearly with his naked eye. Even the radar of the aircraft could not lock onto it.

It was only when the demonic Crow King stopped that everyone noticed Chen Xiaobei.

"Over there! It's over there ..."

Qi shisha was shocked, 'what is that thing Chen Zhufeng is stepping on? It was as if he had appeared out of thin air! Did I just see a ghost?"

"A coward like you dares to come and catch me?" get out of my sight! Chen Xiaobei said. you won't die if you don't do it!

"You! Don't be so arrogant!"

Qi shisha composed himself and shouted angrily, " "When I was dominating the Green Dragon continent, you were still playing with mud somewhere!"

Chen Xiaobei's eyes were cold. "So, you're insistent on seeking death?"

"Numbing!"

"I have young master Jiu Xiao as my backer!" Qi shisha said angrily. Think about it carefully, was I the one who sought death? Or are you courting death?"

As soon as he said that, the witch of winter said softly, " "Xiaobei Gege! When I was underground, I heard Yin ghosts mention the Helian family more than once! This force was extremely powerful! It's better if you don't offend them!"

"Heh, I'm not targeting the Helian family!" Chen Xiaobei shrugged and said, " in my eyes, all the forces below the earth-god Realm are trash!

this ... the witch of winter was stunned and speechless.

Qi shisha roared, "little bastard!" You're too f * cking pretentious! If word of this gets out, you won't be able to survive even if you have 80000 lives!"

"I'm just speaking the truth. You can try!" Chen Xiaobei's tone was calm, but it exuded a domineering air of control!

He was supercilious! He had no fear!

"Numbed!"

Qi shisha was furious and said with killing intent, " "Young master Jiu Xiao wanted to capture you alive! Since you don't want the face I've given you, then you can just die!"

"Woof! Buzzzzzz! Yi ..."

The dozens of aircrafts around him turned around and charged toward Chen Xiaobei.

"Xiaobei Gege! You don't have to start a war with them!"

Seeing this, the witch of winter quickly advised, " "Just give in a little and sit down and talk to Helian jiuxiao. It's better than making a big enemy of him! It's too dangerous to have an enemy of this level!"

"Talk? Helian jiuxiao is not worthy to talk to me!" Chen Xiaobei said.

"Aren't you working for Helian tulong?" the witch of winter frowned. Why is Helian jiuxiao not worthy?"

Helian tulong? "

Chen Xiaobei laughed, " he's just my dog! He works for me, but I still think he's too weak!"

how ... How is this possible?! Lin Dong witch was instantly dumbfounded, and her worldview was refreshed. She asked, " "So you really want to fight?"

"This isn't a battle!"

Chen Xiaobei raised his left hand and flicked his fingers. "It's crushing!"

[Red Envelope Group of the Three Realms](#)

Chapter 2013: Combination Battle Formation (4)

Whoosh ... Whoosh ...

In an instant, tens of thousands of demonic crows flew out of the myriad Beast Ring.

It was as if ten thousand arrows had been shot at the same time. It suddenly pounced toward the purple skeleton flying device that was charging toward them.

Black Qi rose from the 10000 devil crows and formed a huge wave that instantly enveloped the dozens of aircraft!

"What ... What is that ..."

Qi shisha had never seen such a terrifying scene before. He immediately exclaimed, " "Fire! Everyone open fire! We can't let the Black Tide get close to us!"

"Whoosh! Whoosh! Whoosh ..."

As soon as Qi shisha finished his words, dozens of aircraft shot out terrifying laser beams at an extreme speed like a storm.

Seeing this, the witch of winter was relieved and said indifferently, "It's really a crushing defeat! In the face of the speed of the Blacktide Ravens, the attacks of these aircraft are completely meaningless!"

"Woof! Buzzzzzz! Yi ..."

Sure enough, the Black Tide Raven's speed was extremely fast. It directly turned into a black shadow and easily dodged those attack lasers. Not even a single hair was injured.

heavens ... What incredible speed ...

Qi shisha cried out again, his voice trembling, " all our attacks have missed ... It's impossible to stop the Blacktide from approaching ... And we can't escape with our speed ... It's over ... We're finished ...

Whoosh ... Whoosh ...

Qi Shi Sha's judgment was completely correct. After just one wave of attacks, the Black Tide demon crows were already pressing down!

The huge black Tide had completely 'swallowed' dozens of aircraft!

Over 10,000 Blacktide Ravens surrounded the aircraft like a tide and began to use their sharp claws to launch close-range attacks!

One must know that the adult black Tide Ravens were only at the one fire god-refining realm, but their attacks could tear apart a one-star earth-god instrument!

Of course, this was related to their special abilities!

"Hiss ... Hiss ... Hiss ..."

Wisps of black Qi were emitted from the Black Tide demon crow's sharp claws!

This kind of black Qi was very special. Each strand was as thin as a strand of hair, but as hard as dark steel!

Thousands of wisps of black gas followed the sharp claws and brushed past the aircraft's armor, leaving only a tiny damage each time!

However, there were more than 10000 devilish crows, and each of them attacked hundreds or thousands of times!

The damage caused would naturally be deeper and deeper! It was getting more and more serious!

It was like an ant devouring an elephant. It used insignificant but massive injuries to completely disintegrate and tear a huge enemy apart!

"Collapse! Crash! Bang ..."

It didn't take long for the dozens of aircrafts to be destroyed one after another!

First, they were dismembered, and then they were torn into pieces!

The bounty hunters who were piloting the aircraft naturally couldn't escape their fate. Their bodies were torn apart by the Black Tide Ravens and swallowed as food!

"Oh my God ... Spare me ... Spare me ..."

Even the president of the bounty Guild, Qi shisha, was no different. His entire body was torn to pieces and devoured, not leaving even a trace.

Whoosh ... Whoosh ...

As the Black Tide Ravens all returned, the entire space regained its calm.

It was as if the enemy had never appeared. Chen Xiaobei was not affected at all.

.....

He returned to the aircraft.

Xuanyuan tuohai and the Lin Dong witch were both in a state of shock.

Chen Xiaobei did not have time to care about them. He went straight into the resting room and began his final preparations!

Compared to the dozens of aircraft, the real enemy was waiting for Chen Xiaobei on the asteroid behind the black fog!

The canopy that snatched the red envelope! Qin Wuxin, who was digesting the blood pool!

These two guys were a thousand times more dangerous than the dozens of aircraft earlier! Ten thousand times!

Of course!

As long as Chen Xiaobei was prepared, all the danger could be resolved!

After all, Chen Xiaobei already knew the enemy's trump card, but the enemy did not!

"Ten thousand beasts ring! The ten thousand Beast Battle formation Manual! [Army-breaking Heavenly Sword battle formation]! 10,000 Black Tide demon crows!"

Chen Xiaobei focused his attention and said, "I'm already prepared! As long as these four cards are combined, they can form a trump card that can completely defeat second senior brother!"

The first was the ten thousand beasts ring!

Chen Xiaobei calmed himself down and started to communicate with the spiritual beasts. He could now control the position of each spiritual beast in the ring!

This way, Chen Xiaobei could combine the ten thousand Beast Battle formation Manual and set up an incomplete formation in the space of the ring!

After that, he could combine it with the 'Heavenly Sword Army shattering battle formation' and complete the incomplete formation!

In this way, he could form a new battle formation that could be used by spirit beasts!

One must know that battle formations were originally customized for humans, and spirit beasts could not use them at all!

But as long as it was like this, using the [ten thousand Beast Battle formation remnant] to modify human battle formations, it could be used by spirit beasts!

Just like now, spirit beasts could not use the 'Army-breaking Heavenly Sword battle formation'!

However, after the battle formation was modified, the spirit beasts could form a formation and unleash the special ability of the Army-breaking Heavenly Sword battle formation!

This way, Chen Xiaobei only needed to wear the ring and he would have an Army of ten thousand men!

As long as the corresponding battle formation was obtained, the spirit beasts could form a formation and display the special ability that originally only humans could use!

More importantly, the battle formation they formed was located within the space of the ten thousand Beast Ring, completely isolated from the outside world!

Unless the enemy defeated Chen Xiaobei and took the ring of all beasts, they would not be able to break the formation!

It was not an exaggeration to say that the myriad Beast Ring and the [myriad Beast Battle formation remnant scroll] were two extremely convenient cheats!

It would definitely be of greater use in the future!

"Alright! The formation has been completed!"

"Second senior brother borrowed a three-star earth-god level earth-element spirit-sealing talisman! And in my ten thousand Beast Battle formation, there happens to be a three-star earth-god level King of the demonic crows!"

this way, I won't even need to use half a spiritual stone! I can just use the spiritual beast's power to break second senior brother's trump card! It's so cool!"

"I'll make a bold statement that I'll capture second senior brother seven times! Once for the Qin family, twice for the devil earth, and one for today. That's the fourth time!"

"I believe that as long as I persist, I will definitely be able to move second senior! It awakened his heart! Let him return to the old second brother!"

When everything was ready, Chen Xiaobei left the resting room and flew the aircraft at full speed to the asteroid.

.....

In the middle of the small planet.

Outside the blood patriarch's ruins.

Tian Peng was holding his phone and chatting with Shen Gongbao.

Shen Gongbao: " I was in a meeting just now. I just saw your private message. What do you need? "

Tian Peng,"no need, I've already gotten a trump card from tu xingsun!" He would definitely kill Chen Xiaobei today!

Shen Gongbao asked,"what did earth traveler sun give you?"

Tian Peng replied,"don't worry, it's just a fifth Earth Spirit sealing talisman!" Earth traveler sun knows that you don't trust me, so you won't give me a trump card that's too strong!

[as long as you can kill Chen Xiaobei, I will give you anything you want!]

Tian Peng, Hmph! 'When I cut Chen Xiaobei's head off and get the Dragon's edge and the chaos Blood Sword, you'll have to give me the stars in the sky!'

Red Envelope Group of the Three Realms

Chapter 2014: Walking Into A Trap

Shen Gongbao,"it seems that you are very confident this time!" (Curious)

Tian Peng replied,"of course!" I've already known Chen Xiaobei's movements! However, he had no idea that I had already prepared a trump card to deal with him! (Confident)

Shen Gongbao,"we have a good chance of winning!" (Excited) I'm looking forward to your good news!

Tian Peng,"there will definitely be good news!" You'd better think about how you can satisfy my request!

Shen Gongbao said,"as long as you can get the Tribulation of the demonic Dragon and the chaos Blood Sword, any request is not a problem!" After all, these two divine artifact embryos were things that heavenly Lord Yuanshi had his eyes on!

[Tian Peng: if you say so, then I have nothing to worry about!]

Shen Gongbao,"of course!" Heavenly Lord Yuanshi, the representative of the heavenly Dao, ruled the Three Realms and was the head of the Three Pure Ones! Even if you have a huge appetite, he can still make you satisfied!

Shen Gongbao replied,"of course!" The prerequisite was that you had to kill Chen Xiaobei and get the Dragon's edge and the chaos Blood Sword!

Tian Peng,"don't worry!" This time, I will definitely not fail! There was absolutely no reason to miss!

Shen Gongbao,"then I'll wait for the good news!" (Laugh)

.....

On the other side.

Chen Xiaobei had successfully reached the asteroid where the blood pool was located.

To avoid any unnecessary trouble, Chen Xiaobei kept Xuanyuan tuohai in the verdant Emperor divine gourd and the limitless nine floor Pagoda.

Going to the blood pool alone, Chen Xiaobei only needed to take care of himself. The risk was greatly reduced. It could even be said that everything was under control.

the environment of this asteroid is really good!

As Chen Xiaobei advanced, he observed his surroundings. because of the existence of the Blacktide Ravens, no one has set foot here for tens of millions of years!

it's a pure natural environment with beautiful mountains and clear waters. The climate is pleasant, and most importantly, it's aloof from worldly affairs. It's simply a paradise!

it's a pity that the spirit Qi here is so thin. There doesn't seem to be a spirit vein here. Otherwise, I'd really move bei Xuan faction here!

Chen Xiaobei had always wanted to have his own territory, to move out of the Qin family's main city in bei Xuan faction and be completely independent.

It was not that the Qin family's main city was bad, but Chen Xiaobei did not want bei Xuan faction to hide under the wings of some powerful faction.

All Chen Xiaobei wanted was for bei Xuan faction to stand at the top of apocalypse Starfield.

Only by being independent could one have autonomy! Only by being independent could one become stronger!

Because of that, Chen Xiaobei had been looking for a suitable place to house the entire bei Xuan faction.

Originally, this small planet that no one had set foot on was like a paradise, and Chen Xiaobei liked it very much.

Unfortunately, there was a fatal flaw here, and that was the lack of spirit veins!

Without a spirit vein, the spirit Qi would be extremely thin!

To cultivators, without sufficient spiritual energy, no matter how beautiful the scenery was, it would be meaningless.

Therefore, Chen Xiaobei had to give up on the idea of moving bei Xuan faction over. Instead, he sped up and rushed to the center of the asteroid!

The blood pool of the blood patriarch was in the middle of the asteroid.

From afar, Chen Xiaobei could see a Lonely Mountain.

In sharp contrast to the surrounding beautiful scenery, this mountain peak was bare, without even a blade of grass!

The peak of the mountain shone with a blood-red light. From a distance, it looked like a torch that was holding up the sky. It was very eye-catching and special.

"The blood pool is at the peak! There's only one last step left, and my entire plan will succeed!"

Chen Xiaobei summoned the somersault cloud and rushed to the top of the mountain.

.....

The peak!

There was a Heavenly Lake that was about to dry up in the middle!

The pool of blood that was originally full had already been digested to the point where only a little bit was left!

That's right!

This was Qin Wuxin's masterpiece!

Qin Wuxin had been cultivating in seclusion by the blood pool recently.

With the secret technique of the canopy sect, Qin Wuxin's speed of digesting the blood ancestor's blood was greatly increased. He was only a little bit away from success!

Once he had digested all the blood of the blood ancestor, Qin Wuxin would be able to obtain all the inheritance of the blood ancestor.

By then, Qin Wuxin would not only become a four-star earth-god, but he would also obtain the nine blood ancestor's abilities that only the blood ancestor could control!

In this way, Qin Wuxin would be a huge threat to Chen Xiaobei! He would become a life and death enemy that was no less dangerous than Tian Peng!

At the same time, Tian Peng, the clay Buddha, and mu chenfeng were standing guard beside Qin Wuxin.

He wanted to protect Qin Wuxin so that he could successfully complete the last step and complete the transformation in essence.

"Clay Bodhisattva, do you have confidence in your plan? Why isn't Chen Zhufeng here yet?"

Tian Peng squinted his eyes and looked around, hoping that Chen Xiaobei would show up as soon as possible.

"Master, you should be confident in my divination ... Cough cough ..."

As the clay Bodhisattva spoke, he coughed and panted. He said weakly, "I've been peeking at the secrets of the heavens recently, and I've been punished by the heavens once again. My body is not as good as before ... This is enough to prove that what I've divined is the real secrets of the heavens ..."

Obviously, what the clay Bodhisattva said was true.

Last time, Tian Peng used an immortal pill to not only save the clay Bodhisattva's life but also made the clay Bodhisattva's weak body very healthy.

However, because the clay Bodhisattva had been constantly trying to predict Chen Xiaobei's future, he was once again punished by the heavens.

As a result, the clay Bodhisattva's healthy body became weak again!

The wrath of heaven!

Although it sounded a little mysterious, it was actually real!

Chen Xiaobei knew how to calculate! Tian Peng also knew how to calculate! However, it was precisely because of their fear of the divine retribution that they had never deduced it themselves!

master ... Are you sure you can kill Chen Zhufeng this time? " Mu chenfeng pretended to be concerned as he probed.

Tian Peng said carefully, "nonsense!" This time, if Chen Xiaobei dares to come, I have a ten thousand percent chance of killing him!"

Mu chenfeng's expression did not change, but he was deeply worried for Chen Xiaobei. She even wanted to find a chance to tell Chen Xiaobei not to come.

"Second senior! We meet again!"

But Chen Xiaobei had already reached the peak of the mountain on the somersault cloud.

"Chen Xiaobei! You really came!"

Tian Peng squinted his eyes and grinned, "I've prepared a big gift for you today!" I'm sure you'll like it!"

"I'm not used to second senior being so nice to me!" Chen Xiaobei raised his eyebrows and asked, "Where's the big gift?"

"Right here!"

Tian Peng waved his hand and released a talisman. seal!!!

With a roar, the talisman exploded with a yellow light that criss-crossed like an inescapable net.

This was a three-star earth-god level talisman, and the speed of its power explosion was even faster than the somersault cloud!

The spiritual light net instantly wrapped around Chen Xiaobei and even the somersault cloud!

"Hahaha! Success! I've finally succeeded!"

Tian Peng was instantly excited, " "Chen Xiaobei! Today! It'll be the day of your death!"

[Red Envelope Group of the Three Realms](#)

Chapter 2015: Breaking Through

"Chi ... Chi ..."

Bursts of earth attributed energy fluctuations rolled through the air! It would weave a net with three-star earth-god strength!

Both Chen Xiaobei and the somersault cloud were trapped by the net and could not move at all!

This was why Tian Peng was so excited. "Chen Xiaobei! You didn't expect this, did you? The clay Bodhisattva predicted your arrival in advance! I've prepared this fifth Earth Spirit sealing immortal talisman for you in advance! You have no chance of escaping!"

Hearing this, the clay Bodhisattva grinned and raised his chin proudly, as if he was showing off his contribution.

Mu chenfeng's face was expressionless, but he was extremely worried, thinking about how to save Chen Xiaobei.

After all, the canopy great country was determined to kill Chen Xiaobei. If Chen Xiaobei could not escape, he would be dead!

As a loyal dog, Mu Chen wanted to save Chen Xiaobei from the bottom of his heart.

"Who said I was going to escape?"

However, Chen Xiaobei did not seem to care at all. Not only was he not afraid, he did not even plan to escape.

Mu chenfeng's face was filled with confusion.

The clay Bodhisattva grinned hideously, "you brat, you're on the verge of death, yet you still don't forget to act tough!" It's not that you don't want to escape! It's just that there's no way to escape!"

"Who said I don't have a way?" Chen Xiaobei asked calmly.

"It would be a wonder if you have a way!"

Tian Peng laughed proudly, "I've already calculated everything!" The grade of your Asura heavenly mirror is too low, you can't break the seal of the fifth Earth Spirit-sealing immortal talisman!"

"Although you still have a high-level earth-god instrument! However, the bright point of the fifth Earth Spirit-sealing immortal talisman's special ability was that it could seal spirits! As long as it's sealed, your earth-god instrument can't be activated with spiritual Qi!"

just one word. You can't break the seal at all. How can you escape from my palm? "

Tian Peng was very excited and laughed, " "I advise you not to be so stubborn. Quickly say your last words, or you will die with your eyes wide open!

"Second senior!"

Chen Xiaobei was not afraid at all. He smiled and said, " "You might not believe me, but I happen to have a way to break this seal!"

"Acting tough!"

Tian Peng rolled his eyes in disdain, " "You have a way to break the seal? Unless the sun rises from the North ... This ... How is this possible!"

Before he finished, Tian Peng was stunned.

"Heavenly Sword!"

Chen Xiaobei chuckled, and a sword-shaped spiritual light appeared on the ten thousand Beast Ring.

In an instant, the spiritual light shot up three hundred meters. It was bright and dazzled, emitting a powerful pressure that could cut through everything!

It was as if everything in the world was bound! Everything was confined! All seals! All of them could be broken with a single sword!

"No! This was impossible! This was impossible! Chen Xiaobei! I'm going to kill you ..."

Tian Peng's face darkened. He took out Qing Xuan Tian che and the Green Dragon Star Moon saber, ready to launch a fatal attack on Chen Xiaobei.

Other people might not be able to see The Secret of the Sword-shaped spiritual light but Tian Peng knew it very well!

As long as this sword was cut down, Tian Peng's entire plan would fail!

"Army destroyer!"

Chen Xiaobei's lips curled into a smile. All he needed to do was to shout and everything would be under his control!

"Woof!"

Only to hear the sound of a sword whistling suddenly!

The heavenly Sword of spiritual light slashed down in an instant, directly breaking the seal of the fifth Earth Spirit-sealing celestial talisman with a destructive force!

"No!"

Tian Peng screamed hysterically, he was annoyed and unwilling, " my plan was flawless. I've prepared everything ... How could it ... How could it fail ...

Once Chen Xiaobei was unsealed, he could use all his earth-god instruments and trump cards.

This way, the canopy great tree would not be able to kill Chen Xiaobei with one hundred percent certainty.

It was the same as announcing that the entire plan had failed.

"Senior Tian Peng! Calm down! Don't panic!"

At this moment, Qin Wuxin, who was behind them, suddenly opened his eyes and said in a deep voice, " give me another ten minutes and I'll be able to digest the blood ancestor's blood. By then, we'll be able to kill Chen Xiaobei!

"Alright!"

Hearing this, Tian Peng became excited again, " "At that time, you and I will both be four-star earth-god! In addition, there were two five-star earth-god instruments! I don't believe I can't kill Chen Xiaobei!"

there's no doubt that Chen Xiaobei will die today!

don't worry! Qin Wuxin said viciously, " after I've digested the last bit of the blood ancestor's blood, not only will I become a four-star earth-god, but I will also have nine special abilities! Even if Chen Xiaobei had wings, he would not be able to escape death!

"Here you go! After digesting it, he would directly join the battle! I'll hold Chen Xiaobei off for now!" Tian Peng grinned and threw Qing Xuan Tian che in front of Qin Wuxin.

Tian Peng was still holding the Green Dragon Star Moon saber in his hand as he approached Chen Xiaobei.

Chen Xiaobei stood where he was and said, " "Second senior brother, I advise you to give up. You can't kill me!"

that's right. I can't kill you in a one-on-one fight!

Tian Peng held his saber and grinned,"but I can think of a way to destroy your master-protecting puppet first and then waste your spiritual energy!" When Qin Wuxin joins the battle, your death will be upon you!"

"Heh, what's the use of Qin Wuxin?"

Chen Xiaobei smiled and said, " "Second senior brother, are you placing your hopes on Qin Wuxin? Don't you think it's too hasty?

"Chen Xiaobei! Don't be so arrogant!"

Qin Wuxin roared in anger,'I'm going to become a four-star earth-god soon! And I'll have the nine abilities of the master! I'll let you know what it means to be better off dead! You're destined to be struck by lightning for acting tough now!"

"Save your strength! You don't stand a chance!" Chen Xiaobei did not seem to care about Qin Wuxin at all.

"Chen Xiaobei! You're too pretentious!"

Tian Peng couldn't take it anymore and said coldly, " "Qin Wuxin is extremely talented! His luck was extremely good! Deep scheming! Extraordinary wisdom! I think he's the most outstanding person in his age group! He was the most worthy of nurturing! What right do you have to look down on him!

I'm about the same age as Qin Wuxin. Am I not more outstanding than him? " Chen Xiaobei retorted.

Upon hearing this, Qin Wuxin said disdainfully, " you? Heh, you're going to be a dead man soon, and you still want to compete with me? Where does your confidence come from?"

"Using" floating softness "is what confidence is!" Chen Xiaobei shook his head, put his hands in his pockets, and puffed out his chest.

"Numbing! Will you die if you don't act tough! Take my move!" Tian Peng was already getting impatient. He raised his Green Dragon Star Moon saber and charged at Chen Xiaobei.

Chen Xiaobei was still nonchalant. He had his hands in his pockets and did not even bother to take out his earth-god instrument.

"Chen Xiaobei! Do you not want to live anymore?" Tian Peng's expression froze and he stopped.

"I won't die," "Second senior brother, do you still want to let Qin Wuxin live?" Chen Xiaobei asked.

you ... What do you mean ... Tian Peng turned his head and his expression changed.

[Red Envelope Group of the Three Realms](#)

Chapter 2016: Strong Reversal

"Senior ... Senior canopy great country ... Help ..."

At this moment, Qin Wuxin let out a mournful wail. His voice was trembling, and he seemed to be extremely terrified.

At the side, the clay Bodhisattva took in a deep breath of cold air. His face was full of fear as he retreated. "Mu ... Mu chenfeng ... Don't do anything stupid ..."

He saw mu chenfeng holding the Qing Xuan heavenly incarnate and placing the sharp blade against Qin Wuxin's throat.

At this moment, Qin Wuxin was at the final stage of digesting the blood ancestor's blood. He could not move or fight back.

In this way, as long as mu chenfeng wanted to, he could cut off Qin Wuxin's head with a single slash of the blade!

"Mu chenfeng! Are you crazy?!"

Tian Peng turned around and was stunned. His face changed and he roared, " "Mu chenfeng! I order you! Immediately put Qing Xuan Tian che down!"

"Ha, what right do you have to order me around?" Mu chenfeng glanced at Tian Peng indifferently, his eyes filled with ridicule.

"You ... What's wrong with you!"

Tian Peng frowned and was puzzled. "Mu chenfeng! You are my loyal dog! 100% loyalty! Why are you treating me like this?"

hehe, I've finally seen what it means to be crushed by intelligence today! Mu chenfeng smiled indifferently and did not answer the question.

"What IQ crush? What are you talking about?" Tian Peng's face was ashen and he didn't understand.

"Your intelligence is being crushed by my master!" Mu chenfeng laughed. Your so-called perfect plan is just like a child's play in front of my master. It's so weak!"

"What? Your master? Aren't I your master?" Tian Peng's face was filled with shock.

"You? Go to the side!" Mu Chenfeng shook his head and said with a face full of admiration, "My master is bro bei!"

"Bro bei?" Tian Peng's expression froze and his face turned green, " you mean Chen Xiaobei???" "

"Right! My master is bro bei!"

if you want Qin Wuxin to live, you'd better listen to my master. Otherwise, I can cut off his head with a single move! mu chenfeng said calmly.

Tian Peng was dumbfounded. He looked at Chen Xiaobei and felt as if his worldview had been refreshed. He even started to question his life.

Tian Peng could not understand how his loyal dog became Chen Xiaobei's loyal dog.

Chen Xiaobei saw through Tian Peng's thoughts and said, " "Second senior brother sent mu chenfeng to spy on me! However, I've already refined a high-grade heavenly dog biscuit and only gave one to Mu Chen! After that, he returned to your side and became a spy!"

reverse ... Reverse spy???" Tian Peng was dumbfounded and his face turned green.

A few minutes ago, Tian Peng man thought that his plan was flawless and that he had a 10000% chance of killing Chen Xiaobei! He could use the Tribulation of the demonic Dragon and the chaos Blood Sword to negotiate with the heavenly Lord of the origin! He could achieve meteoric success! He could have a boundless future!

At this moment, Tian Peng would never have thought that all of this was just an illusion. It looked beautiful but in the end, there was nothing!

Chen Xiaobei had already seen through his plan and everything was in his hands! Chen Xiaobei could do whatever he wanted!

That's right! This was the crushing of intelligence!

It was a crushing defeat without any suspense!

"Save me ... Senior canopy great master, save me ..."

Qin Wuxin wailed, 'senior canopy! You must save me ... I can help you turn everyone in the Qin family's main city into your believers ... Let them believe in you for generations ... You must save me ..."

"Shut up!"

Tian Peng was so embarrassed that he turned to Chen Xiaobei and asked, " what do you want before you let Qin Wuxin go?!"

It was obvious that Tian Peng thought highly of Qin Wuxin!

First of all, Qin Wuxin was talented and lucky. He had obtained the blood ancestor's opportunity and had a bright future!

Secondly, as long as Qin Wuxin became the head of the Qin family, he would be able to bring a large number of disciples to the canopy great country!

More importantly, Qin Wuxin hated Chen Xiaobei! Moreover, the blood ancestor's ability to be immune to all poisons made the heavenly dog biscuit ineffective against Qin Wuxin!

This way, Qin Wuxin would never become Chen Xiaobei's man! They would always be Chen Xiaobei's mortal enemy!

Because of the above reasons, the canopy great country had made up its mind to protect Qin Wuxin at all costs!

"I have two requests!"

"First, the remaining blood of the blood patriarch in the blood pool belongs to me!" Chen Xiaobei said.

this ... Tian Peng fell into deep thought.

"Can you change your request?"

Qin Wuxin wailed unwillingly, 'if I can't digest all of the blood ancestor's blood, I won't be able to reach the four-star earth-god level! Furthermore, I will not be able to use at least two of the nine abilities!"

"Do you have the right to bargain with me?"

"Qin Wuxin, you need to get this straight!" Chen Xiaobei said. You are my enemy! An enemy that would not rest until one of them died! If it wasn't for second senior brother, do you think you would still be alive?"

hiss ... Qin Wuxin sucked in a breath of cold air. Like a duck that had been grabbed by the neck, he quacked and went completely silent.

"Good! The rest of the blood is all yours!" Tian Peng had no choice but to compromise.

Tian Peng took out a storage bracelet and collected the remaining blood in the pool. He then threw the bracelet to Chen Xiaobei.

Chen Xiaobei took the bracelet and confirmed it. "My second request is to give me an immortal pill! It's the kind of elixir that can help Qin Wuxin recover completely after I pierced his heart!"

"I don't have any more of this!" Tian Peng shook his head.

if you don't have it, you can ask Shen gongpao for it. Second Shixiong was able to get it last time. I'm sure he can get it this time too! Chen Xiaobei said.

"Do you think immortal pills are like candy?"

"The last two times I asked Shen Gongbao for immortal pills, I almost tore my face apart!" Tian Peng said angrily. This time, he won't give it to me so easily!"

"Alright, then I won't make things difficult for second senior! If you don't have any immortal pills, then forget it!" Chen Xiaobei shrugged and smiled. "Mu chenfeng! Kill Qin Wuxin!"

"Yes, sir!" Mu chenfeng's eyes were filled with killing intent.

"Stop!"

Tian Peng was shocked and quickly stopped him, " "Chen Xiaobei! You're ruthless! Just wait! I'll tell Shen Gongbao!"

"No problem!" "I'm very patient with second senior brother!" Chen Xiaobei grinned.

Tian Peng stopped talking and took out his phone. He entered the Three Realms red envelope group and started to chat with Shen Gongbao.

[canopy: @ Shen Gongbao, you there?]

Shen Gongbao,"here, here, here!" Of course it was! I've been waiting for your good news! Was Chen Xiaobei dead? Did he get the Dragon's edge and the chaos Blood Sword? (Can't wait)

Tian Peng,"No... My plan ... Failed ..."

Shen Gongbao,"what?"

Red Envelope Group of the Three Realms

Chapter 2017: Sealing Kindness

[my plan failed ... I didn't kill Chen Xiaobei ...]

Shen Gongbao,"f * ck!" Didn't you say that there was a 10000% chance of success? Didn't you say that Chen Xiaobei was going to die?

Tian Peng,"I ... I didn't expect this ..."

Shen Gongbao, you idiot! Idiot! Stupid! You made me happy for nothing!

[canopy, I promise I will kill Chen Xiaobei next time!] This was really an accident!

Shen Gongbao replied,"bah!" Come to think of it, this is your fourth failure! As the saying goes,'nothing more than three times'! I've already lost my patience with you!

Tian Peng,"then what do you want?" Send someone else to replace me?

Shen Gongbao,"do you think I don't dare to?"

"Of course you dare!" Tian Peng replied. However, you might not have the ability to do so! Last time, in order to let me retain the strength of a peak four-star earth-god, you have paid a great price!

"This time, you won't be able to send someone as strong as me!" If they only sent one or two weaklings down, what was the point?

Shen Gongbao, canopy! You're too full of yourself! Do you think I can't do it without you?

[Tian Peng: I don't know about the future but right now, you can only work with me!] No one can help you kill Chen Xiaobei without me!

Shen Gongbao laughed,"hehe, you really think too highly of yourself!" The winter solstice was coming! I can summon three earth level deities from the list of ghosts! By then, I will have plenty of ways to kill Chen Xiaobei!

Tian Peng,"what!?" You can summon three earth level deities?

Shen Gongbao, "that's right!" We've discussed in the meeting today that those with enough merit can each summon three earth level deities from the list of ghosts! At that time, you'll have no value to me!

[canopy great beast: three each?] You can summon! Chen Xiaobei could do it too! By then, your people will still be no match for Chen Xiaobei!

Shen Gongbao said, "heh, I'm afraid you've lost too much. You've lost so much that you're confused!" There were only two people in the tribe of severity-Prime Tongtian and Chen Xiaobei! It could only summon six earth level deities at most!

Shen Gongbao said, "there are more than 100 people in the clan of enlightenment who have a huge amount of merit!" We can summon nearly a thousand earth level deities! You tell me! What does Chen Xiaobei have to fight me?

Tian Peng, "this ..."

Shen Gongbao, "besides, Chen Xiaobei only has 70 million merit points so far. That's not even enough to get him an earth God!" What right does he have to fight with me!

[Tian Peng, it seems like you're really ready to abandon me!]

Shen Gongbao: " the winter solstice is in a few days. If you can kill Chen Xiaobei, then you're lucky! If you can not kill Chen Xiaobei, you will be replaced by a new person!

"You're threatening me!" Tian Peng said.

Shen Gongbao replied, "heh, whatever you say!" Anyway, you'll completely lose your value when the winter solstice arrives. I can ignore you completely!

Tian Peng, Are you sure?

Shen Gongbao replied, "Oh, of course I'm sure!" To me, things that have no value are all trash!

Tian Peng: Since you've said such harsh words! Then don't blame me for choosing a life and death struggle!

Shen Gongbao asked, "what do you mean?" What do you want to do?

"First of all, you asked me to retain my strength as a four-star earth-god and sent me down to the mortal world. This is against the laws of the Three Realms!"

"Second, you want me to kill Chen Xiaobei!" This was equivalent to touching the reverse scale of sect leader Tongtian!

[Tian Peng: third, you've privately given out a lot of red packets, breaking the rules set by the heavenly Lord Yuanshi!]

Shen Gongbao, "you ... What do you mean?!" (Nervous)

"Very simple!" Tian Peng replied. I'll go to sect leader Tongtian and tell him all your crimes. I'm willing to be a witness against you!

Shen Gongbao, are you crazy? This way, you and I will both fall into a land of eternal damnation!
(Extremely nervous)

Tian Peng, "hehe, I've already said that I'm going to fight you to the death. Do you not understand?"

Shen Gongbao, "crazy!" You must be crazy!

Tian Peng, "ha, I haven't even said anything crazier!" I'm afraid you'll be scared to death if I tell you!

Shen Gongbao, "don't ... Don't lie to me!" I've only committed the three crimes you mentioned! What could be crazier?

Tian Peng, "looks like you won't shed tears until you see your coffin!" I'm going to make it clear today! Last time, Chen Xiaobei triggered my kindness! I know everything you've done!

Shen Gongbao, "what ... What good intention ... I ... I don't understand what you're talking about!"

[canopy: all things have yin and yang!] There were good and evil in the world! Fairy Chang 'E's matter has indeed made me very unhappy! But it's not enough to make me go crazy and swear to kill Chen Xiaobei!

[Shen Gongbao, it's you who used the 'evil technique of the foreign tribe' to seal my good thoughts and stimulate all my evil thoughts!] That's how I am now! I only have evil thoughts!

[canopy: because there are only evil thoughts!] So, I became ruthless and unscrupulous! Even if Chen Xiaobei was good to me, I still wanted to kill him!

[as long as I tell sect leader Tongtian everything!] I can also pin all my crimes on you, Shen Gongbao! I'm innocent, I'm under your control, that's why I did evil!

[canopy: of course, the most important thing is that you, Shen Gongbao, have used the 'evil technique of the foreign tribe'!] This was a taboo in the heavenly realm! It was also a taboo for daofathers!

[Tian Peng: once this matter is exposed, you, Shen Gongbao, will die!] Even the heavenly Lord Yuanshi and the clan of enlightenment were involved! If Dao ancestor is angry, the clan of enlightenment will be The Biggest Loser in this infinite calamity!

Shen Gongbao, "don't ... Don't say it anymore ... I beg you, don't say it anymore ..." [trembling with fear] this matter must not be exposed! As long as you keep it a secret, I'll agree to any of your conditions!

Tian Peng, "you're lucky!" The current me is still in the hands of the evil spirit! I have great ambitions and desires! That's why I don't want kindness to be unsealed! Kindness will only limit my achievements!

Shen Gongbao, "good, good, good!" As long as you don't understand Feng shannian! As long as you keep it a secret! I will do my best to help you realize your ambition! To satisfy your desires!

Tian Peng, "okay, give me a healing elixir first!" If I want anything in the future, I'll come to you again!

Shen Gongbao replied, "no problem!" I'll give you the immortal pill now!

Soon, Shen Gongbao sent a healing elixir to Tian Peng.

Without hesitation, Tian Peng took out the elixir and threw it to Chen Xiaobei. "Chen Xiaobei! This is the immortal pill you wanted! Release him!"

Mu chenfeng, the clay Bodhisattva, and Qin Wuxin were all stunned by the scene before them.

Just now, Tian Peng didn't have an immortal pill, but after chatting on his phone, he took out an immortal pill!

In the eyes of those who didn't know the inside story, this scene was simply like seeing a ghost. It was extremely unbelievable!

The clay Bodhisattva had eaten dog food before, so he didn't think too deeply about it.

Qin Wuxin narrowed his eyes and stared at Tian Peng's phone.

Tian Peng was looking at Chen Xiaobei and did not notice Qin Wuxin's expression.

Chen Xiaobei saw Qin Wuxin's greedy expression and said, " "Mu chenfeng, Pierce his heart!"

[Red Envelope Group of the Three Realms](#)

Chapter 2018: A Lesson And A Reminder

"Yes, sir!"

Mu chenfeng was not a kind person. He was very direct and vicious when he attacked!

Hurry up! Accurate! Ruthless!

Qing Xuan Tian che pierced through Qin Wuxin's body from his back to where his heart was!

"Uh ... Pfft ..."

Qin Yitian spat out a mouthful of blood and fell to the ground. Her pupils contracted and her face was filled with hatred and unwillingness!

This was the third time that Qin Wuxin's heart had been pierced since he became Chen Xiaobei's enemy!

In addition to the intense pain on his body, Qin Wuxin felt even more humiliated!

Even a fool would not fall into the same pit three times!

However, Chen Xiaobei had already pierced through Qin Wuxin's heart three times in a row!

To Qin Wuxin, this was an absolute humiliation!

It was enough to make him die with his eyes wide open!

Chen Xiaobei!!!

At the same time, Tian Peng was furious and he roared, " "I always thought that you were a man of your word! I didn't expect you to be a villain who goes back on your word!"

"I didn't go back on my word!" Chen Xiaobei shrugged and said.

"Shameless!"

"You took the blood ancestor's blood!" Tian Peng cursed. He had taken the immortal pill! You should let Qin Wuxin go! However, you pierced through his heart! If this isn't going back on your word, what is it?"

"Second senior! You're too excited!"

if I didn't want to let Qin Wuxin go, I would have asked mu chenfeng to cut his head off, not Pierce his heart! Chen Xiaobei said. As long as Qin Wuxin is still breathing, second senior brother will be able to save him, right?"

this ... Tian Peng's expression changed but he agreed with Chen Xiaobei.

Just as Chen Xiaobei had said, if he wanted to kill Qin Wuxin, he could just cut his head off. There was no need to stab his heart!

"Why did you hurt Qin Wuxin? Just to waste one of my Immortal pills? You're so boring!" Tian Peng shouted.

Chen Xiaobei shook his head and said, " this heart-piercing strike was to teach Qin Wuxin a lesson!

"Why?" Tian Peng shouted.

"It's because you, second senior brother, have put in a lot of effort and paid a great price to save Qin Wuxin's life! However, Qin Wuxin was not grateful and even coveted your phone!"

that's right! Chen Xiaobei said, " that slash was to teach Qin Wuxin a lesson! It was also a reminder to second senior brother to be careful! Don't let the ingrate you've raised gnaw at your heart!"

this ... Tian Peng was stunned and looked at Qin Wuxin fiercely.

Only those who had joined the Three Realms red envelope group would know that a phone with the function of the red envelope group was as important as one's life!

Chen Xiaobei's reminder was for the good of canopy great country!

However, Chen Xiaobei still left Qin Wuxin alive. This meant that he was leaving the final decision to canopy great country!

Whether Qin Wuxin lived or died was all up to the canopy great tree!

"Senior canopy great country ... Save me ..."

While vomiting blood, Qin Wuxin wailed, " don't listen to Chen Xiaobei ... I, Qin Wuxin, swear to God ... If I betray senior canopy great country ... I will be struck by lightning ... I will die a horrible death ... Save me ...

is Chen Xiaobei trying to sow discord? " Tian Peng did not see Qin Wuxin's greedy expression and his heart wavered.

senior Tianpeng ... Chen Xiaobei is more cunning than a Fox ... Do you really believe him? "

senior Tianpeng! Look at mu chenfeng! Do you really want to fall into Chen Xiaobei's trap again? " Qin Wuxin cried.

"A trap? What trap?" Tian Peng frowned.

this is obviously Chen Xiaobei's doing! Qin Wuxin said. if I die, senior canopy will lose an arm! Chen Xiaobei will be the biggest beneficiary! After this, I'm afraid senior will find it difficult to kill him ..."

hmm ... Tian Peng was silent for a moment before he finally nodded and chose to believe Qin Wuxin."What you said makes sense! Don't worry! I will make sure you don't die!"

Then, Tian Peng picked up his phone again and asked Shen Gongbao for a life-saving elixir.

thank you ... Thank you, senior ... Qin Wuxin heaved a sigh of relief, as if he had been granted Amnesty.

second senior brother, I've already done my best. If you're really bitten by a Wolf in the future, don't blame me for not warning you! Chen Xiaobei turned around and walked away. "Mu chenfeng! Let's go!"

After that, Chen Xiaobei and mu chenfeng left the scene.

Tian Peng was busy saving Qin Wuxin, so he would not stop him.

.....

The matter here had finally come to an end.

There were more important things for Chen Xiaobei to deal with in devil earth.

Because of this, Chen Xiaobei did not stop for even a second. He let mu chenfeng drive the aircraft back at full speed.

There was still half a day to go before they reached the blood Emperor Starfield.

Chen Xiaobei was not going to sit around and do nothing. He quickly returned to the resting room and started to make preparations for devil earth.

The first thing he had to settle was naturally the soul of Zi Yuan!

"This is the blood contract Jade token that Taiyin true deity gave me! It was a bowl of the blood ancestor's blood! This is the treasure chest that sealed Zi Yuan's soul!"

Chen Xiaobei took out all the things he needed and put them away.

Chen Xiaobei picked up the blood pact Jade token and started to communicate with it to learn how to use it.

With the scholar heart, learning was a piece of cake for Chen Xiaobei.

It did not take long for Chen Xiaobei to be able to use the blood contract Jade token freely.

"Hiss ... Hiss ..."

With a thought, the blood patriarch's blood beside him fluttered like a strand of hair and entered the blood pact Jade token.

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei held the Jade token between two fingers and drew a talisman in the air at an extremely fast speed!

Soon, a blood-red talisman floated above the treasure chest, exuding waves of four-star earth-god pressure!

"It's done! This is the soul-blood contract!"

"This primordial spirit blood contract has reached the level of a four-star earth-god!" Chen Xiaobei said excitedly. As long as Zi Yuan's soul signs a blood contract with its spirituality, it will become my 'spirit demon'. It will be as loyal to me as a spirit beast!"

Chen Xiaobei quickly reached out his hand and placed it on the treasure chest. He then began to communicate with it using his spiritual energy.

"Chi ..."

Suddenly, the treasure chest trembled, and a young girl's voice came out. "Who are you? You've disturbed my good dreams! Are you here to bully me because I'm sealed?"

"You ... You're the poison demon Zi Yuan?" Chen Xiaobei asked.

"That's right! This great aunt is Zi Yuan!" Although Zi Yuan's voice was tender, it exuded a very strong aura. It was obvious that he had a bad temper.

"Since you're a demon, you already have the wisdom and thinking of a human!" How about I make a deal with you?"

"No problem!"

Zi Yuan replied without hesitation, "you can do whatever you want!" However, the condition is that you must break the seal and let me out! Otherwise, anything you say will be nonsense!"

"What a coincidence!"

of course! Chen Xiaobei smiled. breaking seals is my specialty!

[Red Envelope Group of the Three Realms](#)

Chapter 2019: Signing A Blood Contract

"You? He can break the seal?"

Zi Yuan was slightly startled and said disdainfully, "from your voice, you should be a young man!" Even if you do, you won't be able to break the seal of this treasure chest!"

"Why can't I?"

you? " Chen Xiaobei asked. from your voice, you sound younger than me. Are you really that weak? "

Zi Yuan's voice was tender like a little girl's, but his temper was not small, " "It's just that this great aunt's voice is tender! He was already over a million years old! He was a four-star earth-god! Don't look down on me like that!"

you're a million-year-old demonic spirit! Why are you still pretending to be young? aren't you ashamed?" Chen Xiaobei said.

"You ... You dare to laugh at me!"

"If it wasn't for this broken seal, I could turn you into a pool of blood in an instant!" Zi Yuan said angrily.

"Alright, I won't argue with you!"

I really do have a way to break the seal, " Chen Xiaobei said calmly. but you have to sign a primordial spirit blood contract with me first! This is the deal I want to make. It's a win-win situation for you and me! You'd better seriously consider it!"

"Consider, my ass!"

"I'm a four-star earth-god!" Zi Yuan said disdainfully. Even if I agree to this deal, can you take out the primordial spirit blood contract of a four-star earth-god?"

"Why can't I?" Chen Xiaobei laughed.

"Are you really stupid or are you just pretending? A primordial soul blood contract can only be written with the blood of an earth level deity with a primordial soul!"

"If you want to sign a blood contract with me, you must first have a certain amount of four-star earth-god blood!" Zi Yuan said with disdain. Even if you had ten thousand more lives, you wouldn't be able to withstand a slap from a four-star earth-god!"

Chen Xiaobei was not moved at all. He even laughed and said, " "Hehe, little demon! Don't be too full of yourself, you'll be slapped in the face!"

"Face smacking? Just you?" Zi Yuan was disdainful and did not take Chen Xiaobei seriously.

"You should be able to release your primordial spirit, right?"

Chen Xiaobei smiled. think about it. The primordial spirit contract is right above the chest. You can sign it anytime!

how ... How is this possible?!

Zi Yuan was stunned. He had just opened his primordial spirit domain when he was instantly stunned."It's really a four-star earth-god level primordial spirit blood contract ... You ... Who are you? I can't believe I can get the blood of a four-star earth-god!"

"It doesn't matter who I am!" what's important is that you've already been slapped in the face! Chen Xiaobei said with a smile.

I ... Zi Yuan felt ashamed and admitted in a low voice, " "I have indeed underestimated you ..."

"Then the deal I mentioned, are you going to do it or not?" Chen Xiaobei asked.

"I ... I haven't thought about it ..."

Zi Yuan hesitated, "although I long for freedom and to break free from the seal!" However, if I sign a primordial soul blood contract, I'll be controlled by you and lose my freedom ... To me, there's not much difference ..."

"Don't worry!"

"I promise you that I will treat you like a friend!" Chen Xiaobei said. Other than occasionally asking you for help, I won't limit your freedom or suppress your nature. You can live however you want!"

"You're bragging!"

Zi Yuan did not believe him. He said coldly, " you may say it now, but once the blood contract is signed, you will treat me like a slave. You will never treat me well again, let alone give me freedom!

"You're thinking too much!" Chen Xiaobei released three spiritual beasts from his ring.

"Bro bei! Why did you call me out? Do you want to fight again?" A big black wolf was full of energy and battle intent. It was Sky Wolf.

bro bei ... You're disturbing my sweet dreams again ... If there's nothing good to eat, I'll get angry ... one of the Golden insects was Xiao 'er.

"Chen Xiaobei! This King's cultivation is extremely high! He was about to break through! What are you up to!" There was also a little white cat who was licking its paws angrily, trying to scratch Chen Xiaobei.

Chen Xiaobei ignored them and put them back into his ring. "Zi Yuan, did you sense it? The three of them are spirit beasts that have acknowledged me as their master through a spiritual connection!"

I can sense it ... Zi Yuan said in surprise, " the first two actually called you bro bei ... It seems like you're really good to them ...

"Oh? You even understand the language of beasts?" Chen Xiaobei asked in surprise.

"I've already existed for over a million years and have seen countless demonic beasts, so I know a little about the language of beasts," Zi Yuan said.

"Since you understand the language of beasts, you should know that I'm not lying to you!"

" even if you sign a blood contract with me and acknowledge me as your master, I will still treat you like a friend. You can do whatever you want!

Zi Yuan thought for a moment and said, "why can that little white cat at the end call himself the king?" Very arrogant!"

"That's its nature!"

"Don't judge it by its appearance. It looks like a little white cat. It's actually a heavenly frost jade lion!" Even in the heaven realm, it was still a Super Beast King! It's arrogant by nature, so it calls itself the king. In fact, it has no ill intentions at all, and it's very loyal to me!"

"Then can I be called great-aunt?" Zi Yuan asked weakly.

"Of course you can!"

"I told you, I won't suppress your nature!" Chen Xiaobei grinned. You can call yourself whatever you like! Of course, I won't call you "great aunt." I'll only call you little Zi!"

mm, alright then ... Zi Yuan finally agreed, "I'm willing to sign a primordial soul blood contract. I hope you can keep your promise! Let me be free!"

"To my friends, I never go back on my word, I will never lie!" Chen Xiaobei said.

"Chi ..."

In the next moment, the blood contract suddenly shone brightly.

At the center of the contract, a small demonic soul mark appeared.

This meant that Zi Yuan had already signed a primordial soul blood contract!

"Alright, I'm done!"

Chen Xiaobei used the blood contract Jade token to cast a spell.

The blood contract that was floating in the air turned into a ray of blood light and shot into Chen Xiaobei's forehead.

This meant that Chen Xiaobei had also signed a blood contract!

From now on, Chen Xiaobei was Zi Yuan's master!

Chen Xiaobei could communicate with Zi Yuan! At the same time, he could also control Zi Yuan's life and death!

If necessary, Chen Xiaobei could use the power of the blood contract to kill Zi Yuan's primordial spirit and destroy her cultivation!

From this, it could be seen that the primordial spirit blood contract was a very domineering existence!

As long as Chen Xiaobei wanted to, he could use the blood contract to threaten Zi Yuan and make him his slave! He was being abused at will!

But Chen Xiaobei would not do that!

Chen Xiaobei would keep his promise and treat Zi Yuan like a friend!

"Little Zi, get ready. I'll help you break the seal now!" He said. Chen Xiaobei said.

you ... Can you really do it ... Zi Yuan couldn't believe it. the seal on this treasure chest is a five-star earth-god level seal!

Chen Xiaobei's lips curled into a confident smile. "It's just a five-star, a piece of cake!"

Chapter 2020: Zi Yuan's Memories

"You're too arrogant!"

"A five-star earth-god level seal. You need at least a peak five-star earth-god instrument to break it!" Zi Yuan said in disbelief. Furthermore, your control must be extremely precise. If you use too much force, you might even kill me!"

"Don't worry, I won't use brute force to break the formation!" Chen Xiaobei shrugged and took out his spiritual bursting flames sword.

"How can you not use brute force?"

"The secret of the seal is only known to the person who placed it!" Zi Yuan questioned. If it was anyone else, they would have no choice but to use brute force to break the formation!"

"Just watch and see. If I say it's possible, then it's definitely possible!" Chen Xiaobei smiled and took out 100 high-grade spiritual stones.

A hundred high-grade pills were equivalent to ten billion low-grade pills!

After the explosion, 10 billion low-grade spiritual Qi gushed into the spiritual King Sword like a river.

"This ... This is a five-star earth-god instrument! And you still say that you didn't use brute force to break the seal!"

don't do anything stupid! Zi Yuan said nervously. if you don't control your power well, you'll kill me as well!

"Don't worry!"

I've put in so much effort to write the primordial spirit blood contract and take you in as my spirit demon. Why would I joke around with your life? " I'm not an idiot!"

"This ..."

you ... Zi Yuan was slightly stunned. what you said makes sense ... You've worked so hard to subdue me, so you probably won't trick me so easily ...

"I really doubt if you're a million-year-old demon."

you're not much different from a normal little girl! You're not calm at all! And you're so stupid!

"You're the stupid one! I'm so smart!" Zi Yuan protested, unconvinced.

"Get ready! I'm going to show my real skills!" Chen Xiaobei grinned. He held the spiritual bursting flames King Sword in his left hand and released his spiritual energy to split the Army into two.

A part of its spirit connected with the sword and activated the five-star earth-god Power.

However, this powerful force did not burst out. Instead, it was fed back into the ten thousand beasts ring with another part of its spirituality!

Previously, the celestial Hound had said that as long as the " ten thousand Beast Battle formation remnant scroll " and " Heavenly Sword Army breaking battle formation " were combined, a three-star earth-god instrument could be used to suppress the core of the formation and directly break the fifth Earth Spirit sealing talisman.

At that time, there was already a three-star earth-god level Raven King in the myriad Beast Ring, so there was no need to use a three-star earth-god instrument.

Chen Xiaobei was using the five-star earth-god spiritual bursting flames sword to suppress the core of the formation.

In this way, the battle formation that was formed would have the power to break the seal of a five-star earth-god level.

"Heavenly Sword!"

go! Chen Xiaobei shouted, and a long sword's spiritual shadow emerged from the ten thousand Beast Ring. It stood proudly in the air, shining brightly, like a divine sword that had descended from the heavens.

"Army destroyer!"

break! Chen Xiaobei shouted again, and the heavenly Sword spirit slashed down, cutting through the treasure chest.

After that, the sword shadow disappeared completely, but the treasure chest remained in its original spot, completely unscathed, as if nothing had happened.

Oh my God!!!

In the next second, Zi Yuan's surprised voice was heard, "The seal is broken! It was really broken! More importantly, he didn't rely on brute force at all. This kind of mysterious power is simply too inconceivable!"

"Whoosh!"

As soon as he finished speaking, a purple spirit shadow rushed out of the treasure chest.

She was like a happy little spirit, dancing around Chen Xiaobei, extremely excited.

"You've been locked up for too long. You must be very happy to regain your freedom, right?" Chen Xiaobei asked with a smile.

"That's for sure! Although I'm a million years old, I've spent more than half of my time locked up in the seal. It's so boring!" Zi Yuan flew for a while before stopping in front of Chen Xiaobei.

"Chi ..."

A purple spiritual light flashed, and Chen Xiaobei was shocked.

In the spiritual light, a pocket-sized girl the size of an ordinary person's palm appeared.

The young girl had a delicate face. Although she was small, her figure was perfect. One look and one could tell that she was a little beauty.

The purple spiritual mist gathered to form a beautiful chiffon dress, which matched her smooth and delicate skin. It was not just an ordinary eye-pleasing sight!

More importantly, there were two pairs of translucent wings on her back. When she flapped them, seven-colored light would flow around her.

"You ... You really are a Little Vixen!" Chen Xiaobei's eyes lit up. He could not help but think of the fairies in the fairy tales on earth.

"How is it? I look good, don't I?"

"This look of mine was designed by sister Xiaoling!" Zi Yuan said proudly. I like it so much!"

"Xiaoling? Who is she?" Chen Xiaobei asked.

"She ..."

Zi Yuan's expression was slightly startled. As she recalled the past, the smile on her face gradually disappeared. "Sister Xiaoling was the first friend I made when I first became a demon!"

"When you just became a demon? That must have been at least a few hundred thousand years ago, right?" "Your sister ..." Chen Xiaobei frowned.

she's already dead ... Zi Yuan said in disappointment.

"I'm sorry, I didn't mean to bring up your sad story." Chen Xiaobei said in a low voice.

"I'm fine." Zi Yuan shook his head and said, "sister Xiaoling is the best memory of my life!" Even if you didn't mention it, I would still miss her!"

"Can you share it with me?" Chen Xiaobei asked.

"Yes."

yes! Zi Yuan nodded and said, " at that time, my demonic soul had just formed. I had just begun to develop human consciousness and wisdom!

"Because I'm a venomous demon, everyone is afraid of me and keeps a distance from me! However, by chance, I met sister Xiaoling. She was only seven years old at that time and didn't know that I was a fatal poison!"

"She treated me like a little fairy and befriended me. She taught me the human language and taught me the human world! It was also her who used a paintbrush to draw my current appearance!"

"The time I spent with her was the best time of my life! From now on, as long as I recall it, my heart will be filled with warmth!"

Zi Yuan pursed his lips, his eyes exuding a warm and happy smile.

"What happened after that?" Chen Xiaobei asked. Why did Xiaoling die? And why were you sealed?"

"It's because of the five poison sacred sect!"

Zi Yuan's face turned cold and he said angrily, " "It was their followers who killed sister Xiaoling! I took revenge for sister Xiaoling, but I was sealed by their sect master!"

"So it's like this!" Chen Xiaobei's brows furrowed as he recalled the Legend of the Five Venoms order.

"Although I have been sealed for hundreds of thousands of years! But it was all worth it! I used my poison scheme to kill everyone from the five poison sacred sect!"

The corners of Zi Yuan's mouth rose and he smiled gently, " I've avenged myself. I've actually been very peaceful all these years when I was sealed!

Chen Xiaobei praised, " "You have the ability! He valued friendship! He had courage! It's my honor to know you!"

"Stop flattering me!" "Just tell me, what do you need my help with?" Zi Yuan's eyebrows raised.
