#### Chapter 2061: The Third Devil Sword

"You?"

Edina was stunned and shook her head. stop joking. Only the beastmen can become the new white Tiger King. The elders will never choose you!

wait! Chen Xiaobei said, " you just said that anyone under 30 years old and with the blood of a beast can participate in the selection. Did you forget? "

I didn't forget ... Edina frowned and said in disbelief, " "Could it be that you also have the Blood of the Beast race?"

"Yes, I am!" yes! Chen Xiaobei nodded and said, " I have a very powerful beast bloodline!

Edina nodded and said, "if that's the case, then you're qualified to participate!" If you can be chosen, the Council of Elders will approve of you, and all the human-beast hybrids in the world will approve of you!"

"I'm not trying to act cool, but if I were to choose, I'd definitely get chosen!" I'm not interested! Chen Xiaobei shrugged. but, I'm not interested in the position of White Tiger King at all!

"You're not acting cool?" A row of black lines appeared behind Edina's head."It's all up in the sky, alright!"

"Alright, I'm not going to joke with you anymore!" Chen Xiaobei calmed himself down and said seriously, " " I came here for two things. First, I want to get even with heaven covering sect. Second, I want to find a demonic sword called the killing sunflower water King Sword!

"The first thing, I can't help you!" "But I know where the sunflower water fiend King Sword is!" She said.

"You know! That's great!"

I thought it would be difficult to find the sword! Chen Xiaobei was excited. I didn't expect it to be so easy!

you may be disappointed ... Edina said."The sunflower water killing King Sword is The White Tiger Capital city's national treasure! It was the symbol of a respectable King! Only the person who has ascended the throne can take the sunflower water fiend King Sword from the first elder!"

Chen Xiaobei frowned. "Since that's the case, I can only snatch the throne!"

"Can you stop acting cool?" "It's not that easy to fight for the throne of our orc race!" Edina said in disdain.

"It shouldn't be difficult for me!" Chen Xiaobei shrugged.

"Stop dreaming!" "Let's not talk about others first," said Edina, "I'm already at the two-fire god-refining stage! Can you win against me?"

"It's not difficult," Chen Xiaobei smiled but did not explain.

The heaven and earth furnace was already filled with a large amount of resources. The heaven and earth spiritual aura that it produced could greatly increase Chen Xiaobei's strength.

As long as the spiritual aura of heaven and earth was in place, it would be as easy as turning one's hand to break through the two fires of spiritual refinement.

"Alright! Then I'll tell you!"

yes! Idina said solemnly, " this time, the young orcs who came to participate are all first-class geniuses in apocalypse Starfield! Many of them are experts on the minor heavenly fate ranking!"

"I'm not afraid." Chen Xiaobei smiled confidently.

"You're too pretentious!"

Irina was a little angry. I heard that there will be young geniuses from the earth-god Realm who will also come to participate in the election. They are powerful and have extraordinary bloodlines. They are the most popular candidates!

Chen Xiaobei laughed, " heh, in terms of bloodline, I'm not targeting anyone. Everyone below the heaven realm is my younger brother!

"I can't ... I realized that I can't communicate with you!" Edina held her head and said angrily, " "You're a poser! I really want to tie you up and beat you up!"

"What's the point of beating me up?" hehe! Chen Xiaobei grinned. let's see how I beat up heaven dominating faction!

"What ... What are you doing?" Edina's eyes widened, and her heart trembled.

Chen Xiaobei shrugged and smiled. " heaven dominating faction stole a large amount of spirit stones from me. I am taking one of their treasure vaults. That is not too much, right? "

"You must be joking!"

" you just destroyed black Tortoise's branch, " Edina said nervously. the entire heaven dominating faction is on high alert right now. Once you show yourself, you'll be surrounded by countless experts!

"I'm not going to explain, in case you say I'm pretentious." I'll do it! Chen Xiaobei shrugged and said, " I'll start the livestream in an hour! When the time comes, you'll know whether I'm just acting cool or just awesome!"

this ... Idina was stunned. Before she could say anything, Chen Xiaobei had already left her house.

.....

Heaven dominating faction's white Tiger Division was located to the East of the Imperial City and was about the same size as the Black Tortoise division.

Most of the 100000 disciples were beastmen.

Just as Edina had said, the entire White Tiger branch was on high alert.

The disciples in charge of patrolling even circulated their protective true Yuan at all times.

His ethereal force had materialized and covered his entire body to prevent Chen Xiaobei from poisoning him without him knowing.

The people of heaven dominating faction were already traumatized by Chen Xiaobei's poison and could only use this stupid method to protect themselves!

It should be known that the true essence in the sea of Qi dantian was limited and would be burned out in a short time. A new group of disciples had to continue patrolling, and the people who were replaced would be exhausted and would not be able to recover their energy even if they slept for a day and a night.

The most ironic thing was that they could not stop Chen Xiaobei even though they were patrolling with all their might.

Wearing the Nightstalker outfit, Chen Xiaobei sneaked into the White Tiger branch as if no one was there!

After searching for a while, Chen Xiaobei was able to pinpoint Ximen Junda's location!

It was a luxurious bedroom, even more luxurious than the emperor's bedroom!

"Junda GE que, you can just disperse your protective Zhen Yuan! She's already washed up and lying on the bed, aren't you moved?"

On the wide bed, there was an enchanting woman with a cat on her head and a cat tail below her waist. She was almost naked and was constantly flirting with him.

"You torturous little demon! I've already said that I don't need your service today!"

The leader of The White Tiger branch, Ximen Junda, was sitting on the sofa beside the bed. His whole body was covered with protective Zhen Yuan.

"Come on, Jun da Ge Ge ~"

The cat girl threw a flirtatious look and said in a coy voice, "Are you really afraid of that Chen Zhufeng? He's not an immortal, and he was still on the Black Tortoise continent this morning. How could he come and go as he wishes?"

Ximen Junda shook his head and said, "caution is the parent of safety!" I don't want to end up like Nangong wenshuo and be poisoned to death for no reason!"

"You're being too careful!" "What's more, do you have an endless amount of vital essence?" When you've used up all your ethereal force and Chen Zhufeng suddenly appears, you'll be dead!"

"Hmph! I'm already prepared!" Ximen Juanda took out a small wooden box and placed it on the small coffee table in front of him.

"What's that?" The cat girl asked curiously.

"Return origin pill!" Ximen Junda said, "taking one essence restoring pill can fill up the true essence in the sea of Qi dantian!" This whole box of return origin pills is enough to last me for a few days!"

a few days?!

The catgirl didn't know whether to laugh or cry, " I think you're really scared by Chen Zhufeng! Forget it, I'll go back to my room to sleep, so I won't disturb you!"

"Go, go! With you here, my primeval force is almost unable to suppress it!" Ximen Junda laughed.

The fishy guy put on his sleeping robe and left the bedroom.

Chen Xiaobei sneaked into the bedroom the moment the door opened.

### Red Envelope Group of the Three Realms

#### **Chapter 2062: Third Treasure Chest**

"Phew ..."

On the sofa, Ximen Junda was a little tired. He stretched lazily, got up, walked to the side of the bed, and lay down.

"Here's my chance!"

Chen Xiaobei had been hiding for a long time, waiting for this opportunity.

Chen Xiaobei walked slowly to the coffee table and made sure that Ximen Junda was resting with his eyes closed.

Chen Xiaobei opened the small box on the coffee table, and with a wave of his hand, all the energy recovery pills in the box were stored into his infinite space ring.

After that, Chen Xiaobei took out a similar amount of low-level heavenly dog biscuit and placed them back into the small box.

Because of its different appearance, Chen Xiaobei took out a prosperous monkey fur and blew on it. The box of dog food instantly became exactly the same as the energy recovery pill.

"Hehe! Everything was in place! We're only lacking the eastern wind!"

Chen Xiaobei chuckled to himself, closed the box, and quietly stepped aside.

"Hmm ... My true Qi is being consumed so quickly ..."

After a while, Ximen Junda got out of bed again. He walked to the coffee table and picked up the small box.

"This is a special period! Caution is the parent of safety!"

Ximen Junda took out a pill from the box and put it into his mouth. He said proudly, " "With these Qi regeneration pills, no matter how powerful Chen Zhufeng's poison is, he won't be able to hurt me! I really have great foresight! Hehe ... Eh? Hmm ..."

Before he could finish his words, Ximen Junda's protective true origin completely disappeared!

Then, Ximen Junda's eyes became dull and lifeless. His expression was completely stiff as he shouted mechanically, " "Master ... Master ..."

"Good dog! I am your master!" Chen Xiaobei took off his grimacing mask and revealed his true form, smiling evilly.

"Ximen Junda greets the master!"

Very quickly, the master recognition was completed and Ximen Junda regained his consciousness. But now, he had become Chen Xiaobei's loyal dog.

yes, wait at the side. I'm going to start the livestream. Chen Xiaobei waved his hand and took out his phone.

He turned on his phone.

He entered the live streaming software and sent a group message.

Anyone who had followed Chen Xiaobei could receive the message and come to support him.

Bro bei is live streaming! I'll grab the sofa! Wakaka ...

Bro bei! What are you planning to broadcast to us today? I'm looking forward to it!

Bro bei's livestream must be the best!

"My brothers! Good evening! I'm your friend! I'm your friend!"

Chen Xiaobei grinned and said, " "My current location is The White Tiger continent! Guys, make a guess. Let's see if you can guess the content of today's live broadcast!"

Bro bei! Are you trying to fool us? You were still on the Black Tortoise continent during the day, and now you're going to The White Tiger continent? This didn't make sense!

Bro bei wasn't lying! I heard that on The White Tiger continent, all the Chambers of Commerce that worked with bei Xuan faction have been seized! Bro bei was definitely going to get even with heaven dominating faction!

Yingluo-this is impossible! Judging from bro bei's expression, he had not made a move yet! wouldn't the live broadcast make heaven covering sect more prepared?

Yingluo, yes! Bro bei was not stupid. He would not let the enemy know his plan in advance!

My bro bei is so smart! He would never make such a stupid mistake!

" you're half right. I am indeed livestreaming heaven dominating faction!

"But, you're half right!" Chen Xiaobei grinned. I will tell everyone now, I will clear out the Treasury of heaven dominating faction's white Tiger branch! if there were people from heaven dominating faction watching the live broadcast, then they had better be prepared! I'm going to take action!"

What the f \* ck! Bro bei! You're too arrogant! this was a complete provocation to heaven dominating sect! This was a blatant challenge!

Yingying peed without holding onto the wall! I only respect my bro bei! If heaven dominating sect closes down their Chamber of Commerce in the day, my bro bei will come back for revenge at night!

Bro bei is-real man! A slap in the face doesn't come overnight! Heaven covering sect dared to block the Chamber of Commerce, causing us to be unable to top up and buy gifts! Bro bei could smash their faces in minutes!

Seeing bro bei destroy Black Tortoise's branch in the day, he had already slapped heaven dominating faction in the face! [ now you want to continue? so cruel, so heartless. I'll mourn for heaven dominating faction for three minutes! ]

"My brothers! No more nonsense! Everyone, sit tight! It's time to start!"

Chen Xiaobei raised his brows and smiled evilly. Next, let me lead everyone to start the exciting treasure-clearing operation!

The operation to clear the treasure vault! Bro bei! He knew how to play! 666

I beg for the shadow in the heart of heaven dominating sect's higher-ups! Hahaha ...

Xuanji bro bei, you're so bad! But I love it! 'Hurry, hurry ... Ah ... Don't stop ...'

Chen Xiaobei gave Ximen Junda look, and Ximen Junda immediately took the hint and led the way.

Ximen Junda was very clear about the location of the treasure vault. The key to the door was also in his hands.

His journey was unimpeded all the way until the treasure vault was opened. He did not encounter any obstacles and everything was extremely smooth.

Bro bei! You're cheating! How could he open the Treasury so easily?

Bro bei! Who was the person who opened the door? His back looked a little familiar!

What's going on with Yingluo? Bro bei! Who helped you open the door? Let him turn around for us to see!

The person who opened the door is the mystery guest of today's livestream. Everyone, don't ask about his identity yet. The answer will be revealed later!

Chen Xiaobei strode into the vault and grinned. The operation to clear the treasure vault has officially begun!

The resources in this Treasury were similar to the Treasury of the Black Tortoise branch.

They had just broadcasted the emptying of the treasure house during the day. Now that they were broadcasting it again, the audience's enthusiasm had obviously dropped. There was not much fresh feeling.

Therefore, Chen Xiaobei increased the speed of clearing the area.

Medicinal herbs, pills, earth-god items, earth-god instruments ... All of these were things that the Black Tortoise's branch had. Chen Xiaobei took a quick look at them and then kept them.

"Next up is the main event!"

Chen Xiaobei pointed the camera forward and said excitedly, "What Do You See? That's right! It was a mountain range made of spirit stones! There are spirit stones from both heaven dominating faction and Bei Xuan faction! Isn't the continuous mountain range a magnificent sight?"

What the f \* ck! How many spirit stones were there? My eyes are playing tricks on me!

There were at least 100 million middle-grade spirit stones in the Kasaya! There were more than a trillion low-grade spiritual stones! It really formed a mountain range!

Yingluo was so f \* cking cool! I really want to see the expressions of the heaven dominating sect's higher ups when they found out that the Treasury was cleared!

If I was a higher-up in heaven dominating faction, I would definitely vomit blood!

Bro bei had beaten the face of heaven dominating faction to a pulp! His illustrious reputation had completely collapsed! Even vomiting blood out of anger was considered light! heaven dominating faction's ancestor's coffin couldn't even be pressed down!

"Whoosh ..."

With a wave of his hand, Chen Xiaobei collected all the spiritual stones and continued to walk forward, "There are three more treasure chests! Let's open it together and see what's inside!"

The first treasure chest was a two-star earth-god medicine, but Chen Xiaobei and the audience did not care much about it.

The second treasure chest contained a pill. Ximen Junda whispered that it could increase one's lifespan. Chen Xiaobei noted it down and accepted it. The audience was not very excited either!

But!

The moment the third treasure chest was opened!

Chen Xiaobei and many of the audience members were shocked!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2063: Immortal Level Technique**

There was a palm-sized jade talisman in the chest!

The Jade talisman was green-blue in color and glistened with spiritual energy. On the front of the talisman were engraved the ancient characters "star of ten thousand beasts"!

"What is this?"

Chen Xiaobei did not know what to say.

Fortunately, there were more than one billion people in the audience, and naturally, a small number of people knew the truth.

Oh my God! Could this be the legendary strongest 'battle technique' of the human-beast hybrid clan?

Yingluo was right! The ten thousand beast Star Battle technique was the legendary battle technique created by the beast God!

Qianqian had heard that the ten thousand beast STAR technique was a divine immortal level technique! Why would it be in the Treasury of The White Tiger branch?

Wufu must have been pocketed by the chapter leader, Ximen Junda! otherwise, such a rare battle art would have been in the Treasury of heaven dominating faction!

No! A celestial level 'battle technique'! Even in the headquarters of heaven dominating faction, it would be a top treasure!

Xuanji, Ximen Junda's guts are too fat! He actually kept "star of ten thousand beasts" for himself and didn't hand it over! This is great, my bro bei has it easy! Wakaka ...

A treasure like the Kasaya, bro bei must have it! I bet that the higher-ups of heaven dominating faction would want to beat Ximen Junda up 10000 times!

"Brothers, take it easy! What exactly is this 'battle technique'?"

Chen Xiaobei picked up the Jade talisman and started to communicate with it.

Bro bei doesn't know about it?" Battle tactics were cultivation techniques that were created for battle!

Under normal circumstances, the cultivation techniques that we come into contact with the most are cultivation-type techniques, which are used to improve cultivation!

When people could not improve their cultivation, they would start to pursue external power! For example, magical treasures, Dharmakaya, secret skills, battle tactics ...

To put it simply, in a battle between two people of the same cultivation, the one with the better magical treasure would naturally have a higher chance of winning! If one's cultivation and magical treasure were the same, then the person who could use the 'battle technique' would have a higher chance of winning!

"I understand!"

Chen Xiaobei nodded.

From the audience's comments and the spiritual communication with the Jade talisman, Chen Xiaobei was certain that the astral beast combat technique was a combat skill that could be learned through learning.

For example, the Scripture of heaven and earth and the divine Jade pure origin technique were cultivation techniques. After cultivating them, one's cultivation would increase!

As for the star of ten thousand beasts, it was a battle technique similar to the absolute kick and great shift of bones and muscles!

In other words, battle tactics would not increase one's cultivation, but they could increase one's combat strength, giving one a higher chance of winning in a battle of the same level!

"This is what I need the most right now!"

Chen Xiaobei's eyes lit up, and he was secretly pleased.

In apocalypse Starfield, a five-star earth-god instrument was the most powerful weapon.

This way, when Chen Xiaobei fought against a strong enemy, it would be a 5-star fight and he would have a 50 - 50 chance of winning.

But if Chen Xiaobei could learn the astral beast combat technique, his combat power would be enhanced, and he would be able to suppress his opponent, increasing his chances of winning!

Chen Xiaobei was now facing heaven dominating faction head-on, and the enemy was getting stronger and stronger. The star of ten thousand beasts was an important gain for Chen Xiaobei!

"I accept!"

Without hesitation, Chen Xiaobei kept the Jade talisman.

Bro bei! The treasure vault has been emptied by you again! Is it time to turn off the live broadcast?

Bro bei, please broadcast a little longer! We can't bear to part with you!

But there's nothing else for Wanwan to broadcast!

"My brothers! Don't panic! The show is just beginning!"

Chen Xiaobei smiled and said, "Have you all forgotten? When the stream started, I declared war on heaven dominating faction!"

Yingluo-yes! We almost forgot! Bro bei had given them an advance warning! at this moment, heaven dominating sect's people were definitely lying in ambush outside the Treasury!

Did this mean that bro bei was going to start a war as soon as he left? Oh my God! It had to be four times thicker!

Bro bei isn't even panicking, so why should we? Bro bei led the way. It was safe and cool!

"Sit tight! Let's start!"

Chen Xiaobei grinned and walked out of the vault.

.....

As expected! At this moment, the Treasury was surrounded by hundreds of thousands of White Tiger branch disciples.

The two chapter leaders and ten core elders stood at the front of the crowd.

All of them had their ethereal force protecting them from Chen Xiaobei's poison.

Furthermore, the sky shrouding formation had been set up in advance. Once Chen Xiaobei came out, it would immediately trap him.

"Brother Wang, could Chen Zhufeng have already run away? Why didn't you come out after such a long time?" Xiao dingguang, one of the branch leaders, asked with a frown.

The other branch leader, Wang Yijian, shook his head and said, "He shouldn't be able to escape. The Treasury is underground, so he can only dig a hole! Moreover, he said it on the live broadcast that he declared war on us. Why would he run away without fighting?"

"Okay, then we'll wait a little longer!" Xiao dingguang squinted his eyes and said, " anyway, we've already made preparations. We're not afraid of him poisoning us. We've also set up an inescapable net. Once he comes out, he'll walk right into the trap!

"You're right!"

of course! Wang Yijian grinned. we're well prepared this time. Chen Zhufeng won't be able to leave this place! I'm afraid he won't dare to come!"

in my dictionary, there is no such thing as 'I wouldn't dare'!

Chen Xiaobei stepped out of the secret underground tunnel and appeared in front of everyone.

Chen ... Chen Zhufeng!!!

In an instant, everyone's pupils, including Wang Yijian and Xiao dingguang, contracted, their hearts beat faster, their breaths were short, and their palms were sweating.

Even though they had already made sufficient preparations and thought that they would definitely win.

However, the moment Chen Xiaobei appeared, they could not help but feel fear in their hearts.

After all, everything that Chen Xiaobei had done before was shocking.

especially the people from heaven dominating faction, their expressions had even changed when they talked about Chen Zhufeng! The fear was completely out of instinct.

"Don't panic! Everyone, don't panic!"

Wang Yijian composed himself and said seriously, " "Chen Zhufeng is very strong! But now, he has wormed his way into our trap! Once the "heaven shrouding formation" is activated, he will be killed in an instant!"

"Yes, yes, yes! Everyone, no need to slap!"

that Chen Zhufeng is so arrogant! He doesn't know how high the sky is! Today, we will make him pay for his arrogance! Xiao dingguang quickly chimed in.

All of a sudden, the morale of the entire battlefield was greatly boosted. The fear in the hearts of more than 100000 people was swept away, and their fighting spirit was ignited.

"Can I say something?" Chen Xiaobei's expression did not change.

"No problem!"

"You're going to die soon anyway, so I'll give you a chance to say your last words!" Wang Yijian grinned hideously.

I heard from a friend that ... Chen Xiaobei scanned the room and said, "The beastmen will be defeated if they know kindness! What do you all think?"

As soon as he said that, the hundreds of thousands of young men of the beast clan were all stunned.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2064: Breaking The Array**

I don't dare to say that I'm indebted to all of you, but most of you owe me a favor!

Chen Xiaobei stood there with a confident smile on his face, looking as if he had everything under control.

As soon as he said that, the hundreds of thousands of people at the scene were speechless.

After all, Chen Xiaobei had saved one billion people from the demonic nation. Not to mention the 800 million slaves, the remaining 200 million were all members of the major forces in apocalypse Starfield!

Out of these 200 million people, about a quarter of them came from The White Tiger continent!

Those who had the ability to dig for treasures on the devil earth continent were at least upper-middle tier factions on The White Tiger continent.

these young people who had the right to join The White Tiger Division were all the descendants of The White Tiger continent's upper-class factions!

This meant that the people that Chen Xiaobei had saved from The White Tiger continent were the relatives of the hundreds of thousands of young disciples!

"That's right! We all owe sect leader Chen a favor!"

A disciple who was as strong as a lion blushed and said with shame, "Faction leader Chen saved 13 male members of our family. My father, elder brother, uncle, and uncle were all among them! I still want to kill Chen Zhufeng ... I deserve to die!"

Clang! Clang!

The burly disciple threw away the battleaxe in his hand and knelt down on one knee. He said solemnly, "Beastmen! He knew to repay kindness! I'm willing to return my life to sect leader Chen!"

"Well said!"

On the other side, a rabbit woman also threw away the long sword in her hand and knelt on one knee, "Sect leader Chen, save nineteen of my family members! Returning kindness with ingratitude was going against the totem pattern! The great beast deity will curse my soul! I will never be at peace! Sect leader Chen! My life is here, if you want it, then take it! I'll just repay you then!"

"Repaying kindness with enmity! Repaying kindness with enmity! This is a slap to our faces!"

Another young man of the ape clan said with shame, "Sect leader Chen, save our family! If we return kindness with ingratitude! How could he still have the face to live in this world! How can you still have the face to go back and see your family!"

Clang! Clang! Clang! Clang!

All of a sudden, tens of thousands of young orcs threw down their weapons and kneeled before Chen Xiaobei.

Without a doubt, the belief of the orcs was above everything else!

Even the aristocrats of The White Tiger Capital city would have their noble status abolished and all their property confiscated after violating the totem iron rule!

One could only imagine how sacred the totem metal laws were in the hearts of the orcs!

Not to mention, there was still the beast God who stood proudly on the top of the ten thousand beast totem!

Almost all of the beastmen on The White Tiger continent were loyal followers of the beast God!

As the spokesperson of the beast God, the Council of Elders could cripple the aristocrats with a single word! This was equivalent to crippling The White Tiger Capital city's royal authority!

similarly, if heaven dominating faction dared to offend the beast God, the elder Council could make the entire White Tiger continent fight against heaven dominating faction!

Chen Xiaobei was using this unique point of the orcs to make hundreds of thousands of disciples give up the battle in the name of the beast God!

As long as their faith was sincere enough, they would definitely put down their weapons! Even if someone had a knife to their necks, they would not make an enemy out of Chen Xiaobei!

"Get up! All of you, get up!"

Wang Yijian's face was livid. He stomped his feet and cursed, "You're disciples of heaven dominating faction! How could he kneel to the enemy! Quickly get up! You bunch of idiots!"

"F \* ck! You guys are rebelling!"

"According to the sect rules, those who retreat in the face of battle will be whipped a hundred times!" Xiao dingguang also roared. If you kneel to the enemy, your crime will be doubled, and you will be whipped three hundred times! Whoever still dares to kneel, three hundred whips will be enough to take your life!

Clang! Clang! Clang! Clang!

Wang Yijian and Xiao dingguang flew into a rage and threatened to die. However, no one stood up. Instead, more people threw away their weapons and knelt on one knee.

Die-hard believers were believers who could defend their faith with their lives!

Wang Yijian and Xiao dingguang's threats were like farts in front of people who were willing to risk their lives. Besides being disgusting, they were useless.

"Chi ..."

Soon, almost all of the 100000 young men knelt down. The mighty heaven shrouding formation was destroyed without any attack, just like it had been at the Black Tortoise branch!

What the f \* ck! Bro bei was so cool! One sentence and he broke the [ heaven shrouding great formation ]! His mouth was invincible!

Xuanji bro bei is really too brilliant! Attacking the heart was a hundred and eight thousand times easier than attacking the formation!

But then again! The beastmen had a backbone!

Yingluo-yes! In apocalypse Starfield, the only ones who dared to fight against heaven dominating faction were the orc tribe!

The young men of the great Qin Dynasty! Good job! I'm also a Beastman! I'm proud of you!

Yingluo, I'm also an orc! My son is at the scene! It is the honor of our family to die to repay our kindness!

The bi 'an orc race! He knew to repay kindness! The great beast deity is with you!

"A bunch of idiots! I think you won't shed tears until you see the coffin!"

"Tenth elder, hear my order!" Wang Yijian roared. Everyone who kneels on the ground will be punished according to the crime of a traitor and killed without mercy!"

Obviously, Wang Yijian wanted to kill a few people to make an example of the others. He wanted to kill a small number of people to make the majority yield in fear!

"Clang! Clang! Clang ..."

The ten core elders all took out their weapons and were about to attack when something happened!

"Beastmen! You must repay a debt of gratitude!"

Ximen Junda ran away and kneeled beside Chen Xiaobei. "Tenth elder! You are all the same as me, the people of the beast clan! Are you really going to give up your faith for heaven dominating sect?"

branch leader Ximen!?

In an instant, Wang Yijian, Xiao dingguang, the tenth elder, more than a hundred thousand disciples, and more than a billion viewers were all dumbfounded.

"Everyone, put down your weapons! Sect leader Chen is our benefactor!"

Ximen Junda took out his branch leader's token and raised it high. "As a Beastman! I'd rather not be this lousy branch leader than repay kindness with ingratitude!"

"BOOM!"

As soon as he finished speaking, Ximen Junda activated his vital essence and directly crushed the token.

In an instant, the entire place was deathly silent!

Everyone was stunned. They never dreamed that Ximen Junda would do such a thing.

After a moment of silence, wild cheers erupted in the silence.

"Branch leader Ximen! Well done! heaven dominating sect forced us to repay kindness with enmity! They even want to kill us! We don't want to be disciples anymore!"

The burly disciple also took out his own token and crushed it!

"Right! heaven dominating sect disciples, we don't want to be anymore! Our beast clan! He should be this crazy!"

"That's right! Wang Yijian said we are traitors! We will betray heaven dominating sect!"

"F \* ck your heaven shrouding sect! We won't serve you anymore!"

All of a sudden, almost all the young orcs took out their tokens and crushed them.

"Sect leader Chen! We were wrong! Your life is here, if you want it, you can take it!"

Even the ten core elders knelt down on one knee and personally crushed the token.

The one billion viewers in the livestream exploded at the sight of this!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2065: A Small Test**

\* \*\*\*\*\* Bro bei was going to blow up the sky! First clear the Treasury, then instigate the disciples to defect! This was equivalent to uprooting The White Tiger branch!

Within one day, Xuanji destroyed two of heaven dominating faction's branches! It was simply insanely cool!

I feel like I'm dreaming! in the eyes of normal people, heaven dominating sect was an unshakeable giant! but in bro bei's hands, heaven dominating faction was like a paper tiger!

Tao Wu is too awesome! In the beginning, no one was optimistic about bro bei's chances! but now, bro bei had used the truth to prove that he was not just bragging. He could really do it!

I'm bro bei's die-hard fan! He was waiting for bei Xuan faction to become the first in the myriad tribulations!

I'll never regret being a fan of bro bei! The Golden scales transforming into a Dragon wasn't a dream!

Bro bei is first! Number one in North Mystic!

"This ... This, this, this ..."

Wang Yijian and Xiao dingguang were like two pieces of wood, frozen in place. Their faces were green, and their lower abdomens were numb and swollen. They almost peed.

"You two, don't just stand there!"

"I'll give you a chance to say your last words!" Hold on tight!"

sect ... Sect leader Chen, please spare me ... Please spare me ...

Wang Yijian and Xiao dingguang knew that they were no match for Chen Xiaobei, so they both surrendered and begged for mercy, " " we are also willing to break the token and leave heaven dominating sect ... Please, sect leader Chen, let us live ...

"Other people can live, but you two can't!"

Chen Xiaobei rejected her immediately, his dark eyes empty and emotionless. first of all, you two are not from the orc clan. I don't believe that you two would be so honest!

"Secondly, you two gave the order to kill all the ordinary disciples! It's clear that the two of you are ruthless and heartless! I have no reason to spare you!"

The hundreds of thousands of people around him nodded in agreement.

They just did not want to return Chen Xiaobei's kindness with ingratitude, but Wang Yijian and Xiao dingguang wanted to kill them all!

At this moment, Wang Yijian and Xiao dingguang were in a dangerous situation. Of course, everyone would only think that they deserved to die!

"Chen Zhufeng! Don't force us!"

Wang Yijian and Xiao dingguang both took out their earth-god instruments and said with gritted teeth, "Even a rabbit would kick an Eagle when it's anxious! If you force us, we'll risk our lives for you!"

"Heh, a rabbit can kick an Eagle, but what can an ant do?" Chen Xiaobei smiled disdainfully, not taking the two of them seriously at all.

"You ... You dare to call us ants!"

Wang Yijian and Xiao dingguang were so angry that they wanted to vomit blood. They clenched their earth-god instruments and roared, " "Since you're not willing to let us live, we'll fight you to the death!"

Whoosh ... Whoosh ...

Before he finished speaking, the earth-god instruments in Wang Yijian and Xiao dingguang's hands were activated at the same time.

Both of them were three-star earth-god instruments and were extremely powerful. As soon as they were activated, the entire space was filled with chaotic fluctuations of true essence.

Strong winds blew in all directions, rolling up thick clouds and blocking the bright moon in the sky. The entire space dimmed as if it was about to be swallowed by darkness!

"Boom boom boom ..."

Wang Yijian's earth-god instrument conjured a black wind monster with three heads like wolves and a body like a tiger. It came down from the sky and charged at Chen Xiaobei!

"Whoosh! Whoosh! Whoosh ..."

Xiao dingguang's earth-god instrument conjured a Dharma image of a red flaming tower. The tower was a hundred meters tall, and red flames burst out of it. Like a meteor, it covered the sky and the earth as it flew toward Chen Xiaobei!

"Sect leader Chen! Be careful!"

The hundreds of thousands of people at the scene couldn't help but exclaim.

The one billion viewers in the livestream were also shocked and worried for Chen Xiaobei.

"Calm down! Look at all of you, you've never seen the world!"

Ten billion low-grade spiritual stones poured out of Chen Xiaobei like a waterfall.

"Bang! Bang! Bang! Bang ..."

His ethereal force crushed all the spiritual stones, and the ten billion low-grade spiritual Qi exploded like a volcano, filling the space around Chen Xiaobei.

"Furious Thunder!"

Chen Xiaobei waved his hand and a three-foot long sword appeared in his hand. Ten billion spiritual Qi was injected into the sword!

Swish ... Swish ...

In the next moment, a pale yellow lightning appeared on the sword, circling around the sword and twisting!

"Mad King!"

die! Chen Xiaobei roared. Ten billion worth of spiritual Qi was used up, and the power of a five-star earth-god was activated.

"Boom boom boom ..."

The tiny lightning bolts suddenly expanded and condensed into a Thunder Dragon that soared three hundred meters high!

In an instant, the lightning transformed and gradually evolved into the Dharma form of an extremely violent Demon King!

The Demon King's body was covered in Rolling Thunder. His eyes were like lightning balls, his wings were like a lightning net, and his four arms and four legs had claws comparable to that of a fierce beast!

That's right!

This was the Dharma idol of the limitless demon nation's wildthunder King!

The sword in Chen Xiaobei's hand was the five-star earth-god level Raging Thunder King Sword!

"My God ... What ... What the hell is that ..."

Wang Yijian and Xiao dingguang screamed at the same time. Their hearts trembled, their pupils contracted uncontrollably, and cold sweat poured down their faces. Their hands went soft, and they couldn't even hold the earth-god instrument firmly.

Obviously, the Furious Thunder King Sword was like using a butcher's knife to kill a chicken to deal with Wang Yijian and Xiao dingguang!

However, Chen Xiaobei had just obtained the demonic sword. He wanted to feel its power, and at the same time, he wanted to end the battle as soon as possible!

"BOOM! BOOM!"

The Thunder King Dharma power flapped its wings, and two huge balls of Thunder burst out, crushing toward the black wind troll and the red flaming Pagoda!

The wildthunder King was 300m tall, while the other two were only 100m tall!

The two Thunder slices came crashing down like two huge fists, smashing at two babies!

"Beng! Beng!"

With two loud bangs, the black wind troll and the red flaming Pagoda were both shattered!

In the face of absolute power, they didn't even have the slightest resistance!

mercy ... Faction leader Chen ... Please spare me ...

Wang Yijian and Xiao dingguang screamed hysterically at the same time when they saw the scene in front of them.

Their apparitions had already been shattered, but the power of the thunderballs didn't decrease at all! He had no other choice but to beg for mercy!

"BOOM! BOOM!"

However, Chen Xiaobei had already sentenced them to death. Even if they screamed their lungs out, they would not be able to get their lives back!

The Thunderball, with its terrifying power and speed, descended directly on the heads of Wang Yijian and Xiao dingguang!

The violent Thunder directly shattered Wang Yijian and Xiao dingguang's protective Zhen Yuan!

Their bodies exploded the moment they were touched by the lightning like firecrackers!

In the blink of an eye, Wang Yijian and Xiao dingguang, the two vice-leaders of White Tiger branch, were turned into charred bones and rotten flesh on the ground. They were completely dead without an intact corpse!

"It's indeed a violent and domineering killing weapon! Good! Very good!"

Chen Xiaobei was very satisfied with the berserk Thunder King sword's destructive power. He grinned at the screen. "My dear brothers, did my sword strike make you guys handsome?"

In an instant, the audience exploded again.

### Red Envelope Group of the Three Realms

#### **Chapter 2066: Full Harvest**

Bro bei! You're so handsome! He was so handsome! It was true!

Wanwan's sword attack just now was too cool! It's a pity that I can't top-up now. Otherwise, I'd buy 66 'heaven-immortal artifacts' directly!

Bro bei! It was insanely cool!

Qingqing pees without holding onto the wall, she only respects my bro bei!

"Hahaha! Alright! My dear brothers, today's live broadcast has come to an end! Everyone, go to bed early. Tomorrow is another wonderful day!"

Chen Xiaobei bade farewell to the audience and closed the stream.

After all, there wasn't much content left for the live broadcast, so the audience went back to their homes to their heart's content.

"Woof! Whoosh!"

Chen Xiaobei released two more streams of ethereal force and took Wang Yijian and Xiao dingguang's earth-god instruments into his hands.

They were two three-star earth-god instruments, perfect for melting down!

[ new believers: 2.9 billion ] The total number of believers was 5.9 billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

"Damn! It seems that the two livestreams today have some unexpected gains!"

Chen Xiaobei's eyes lit up. this way, I'm only missing the last 100 million believers. Then I can choose ten Level 3 cultivation halos. Once the spiritual aura of heaven and earth is refined, my cultivation will soar!"

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[your current merit points are 1040300000 (charm: 104030000, luck: 104030000) !

Killing Wang Yijian and Xiao dingguang had earned Chen Xiaobei another wave of merit points.

All in all, Chen Xiaobei had earned the most today!

Four three-star earth-god instruments! Two medium-sized Treasuries! 100 million followers, and the number would increase in the future! In the end, the 60000 merit points could be ignored!

One word was awesome!

"Bro bei! If there's nothing else, you can leave too!"

At this moment, Ximen Junda said in a low voice, " "I'm guessing that the higher-ups of heaven dominating faction are already on their way here! They've been gathering in the Black Tortoise continent during the day. As long as they use the teleportation array, they'll be able to quickly arrive!"

"Everyone!"

Chen Xiaobei did not respond to Ximen Junda. Instead, he looked at the crowd and asked, " "The higher-ups of heaven dominating faction are here to catch me! Are you all willing to fight with me?"

"Bro bei! You must be joking!"

what? " Ximen Junda panicked on the spot, " the higher-ups of heaven dominating sect are all in the late stage of the spirit forging stage! And most of them had four or five-star earth-god instruments! If you ask these young disciples to fight, then you're sending them to their deaths!"

"Beastmen! You must repay a debt of gratitude!"

Who knew that the hundreds of thousands of people around him actually shouted in unison, " "As long as sect leader Chen gives the word, we are willing to risk our lives to fight! Those who die in battle will glorify our clan's emblem! The beast God will always be with us!"

this ... Ximen Junda was instantly stunned.

He did not expect Chen Xiaobei to have such a huge influence! With just one sentence, he could make hundreds of thousands of people willingly die!

Of course, Ximen Junda did not know that Chen Xiaobei's ability to rally supporters was not only because he was a benefactor to the orcs, but also because of his charm!

At this moment, Chen Xiaobei could easily win the trust and favor of others. Once he established a friendly relationship, no matter what he said, he could easily move others!

To these orcs, whose faith was above everything else, they were willing to give up their lives with just one word from Chen Xiaobei!

Of course, Chen Xiaobei would never do that!

"Everyone has misunderstood!"

what I mean by 'fight with me' is for everyone to follow me and destroy this White Tiger branch! Chen Xiaobei grinned.

"What? It's ... It's that simple?" Everyone's expression froze, very surprised.

"Right! It's that simple!"

"Everyone's life is precious!" Chen Xiaobei said. I will not let everyone fight an impossible battle! Just like how I won't let innocent people die under the demonic sect's schemes! Let's Move! Tear down this damn place, and then we'll go back to our own homes!"

"As you command! Everyone, get moving! Hurry, hurry, hurry ..."

The 100,000 people immediately took action, and within a few minutes, The White Tiger branch was reduced to ruins.

At this point, The White Tiger continent's situation was exactly the same as the Black Tortoise continent!

100000 disciples broke off from heaven dominating sect!

the next step was for all the middle and upper class factions to break off from heaven dominating sect!

the last step was for White Tiger continent to become heaven dominating sect's forbidden zone. They wouldn't let heaven dominating sect have the chance to rebuild their division!

As long as Chen Xiaobei was elected as the new white Tiger King, he would be able to combine the power of the Black Tortoise and white Tiger!

Chen Xiaobei occupied two of the four continents in apocalypse Starfield, which meant that he had split the world with heaven dominating faction!

.....

After that, Chen Xiaobei left The White Tiger branch.

With the mask on, Chen Xiaobei had completely hidden his identity!

It was not that Chen Xiaobei did not dare to fight, but he was worried that if he did, it would affect the selection of The White Tiger King. That would affect Chen Xiaobei's chances of obtaining the sunflower water King blade!

Because of that, Chen Xiaobei decided not to go head to head with heaven dominating faction for the time being. He put The White Tiger contest as his top priority!

Once he became the new white Tiger King, Chen Xiaobei would be able to obtain the kui water killing King Sword and split the world with heaven dominating faction! Just thinking about it made him feel great!

Soon after.

Chen Xiaobei and Liu xuanxin made a call.

Liu xuanxin said that she was watching Chen Xiaobei's livestream in the inn while having supper.

Chen Xiaobei told her that the weather was getting colder and asked her to eat something warm, but not too much, or she would gain weight.

It was just the most ordinary chit-chat, but a warm and sweet feeling was gradually brewing between the two.

Chen Xiaobei even felt that he and Liu xuanxin were like a couple in a long-distance relationship.

It was obviously nothing important, but he was always willing to talk to the other party for a long time. If the call didn't go through, it was as if something was missing, and his heart would be empty the entire day.

Of course, this was not the time for him to enjoy his life. Chen Xiaobei still had many important things to do.

After hanging up the phone, Chen Xiaobei rushed to Edina's house.

"Oh my God!"

As soon as she entered, Edina couldn't help but exclaim, " "Childe Chen! I'm really impressed with you today! Your livestream is simply too hot! My blood is boiling!"

"What's wrong? Why are you so surprised?" Chen Xiaobei smiled.

"You're so, so, so, so awesome!"

Little stars twinkled in Edina's eyes, 'I thought you were just acting cool when you said you'd empty the treasure vault! I didn't expect you to not only carry out the treasure vault clearing plan, but also complete the house demolition plan and the personnel transfer plan! he wiped out heaven covering sect's white Tiger branch! I'm really, really convinced by you! I'm convinced in bold!"

"It's good that you are convinced."

"Let's talk about the election!" Chen Xiaobei smiled. I can't wait!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2067: Small Town By The Mountain**

"If you really want to participate in the selection, we'll leave for the beast God mountain range tomorrow morning!"

the elder Council hasn't announced the details yet, " said Edina. but we have to reach the beast God temple at the peak of the beast God mountain within three days!

"Is that place very far away? Why are we leaving three days in advance?" Chen Xiaobei asked.

"The beast God mountain range isn't far. It's to the North of The White Tiger continent."

"However, that's the holy mountain of our beastmen race!" Out of respect for the beast God, we can only enter the mountain on foot, so it will take a longer time!"

I understand ... Chen Xiaobei nodded.

The orcs 'faith was above all else. If Chen Xiaobei wanted to participate in the election, he had to follow the rules of the orcs.

"Alright, then it's settled!" "I'll prepare some extra food for you. We'll leave tomorrow morning!" Said Edina, nodding.

"Food?"

Chen Xiaobei was surprised. at the spirit-refining realm, the body is basically fasting. What's the point of bringing food? "

"I almost forgot that you're not a true orc ..." Edina frowned.

"What's the Difference?" Chen Xiaobei asked.

Idina said, "we orcs have the innate abilities of wild beasts. This is a special treatment given to us by the heavens!" However, we have a weakness, and that is we don't know how to abstain from eating ..."

"Every orc is a natural foodie! We have to eat and drink to our fill every day. Otherwise, we will be like ordinary people, hungry, weak, or even starved to death!"

"It seems that the heavens are quite fair!" of course! Chen Xiaobei laughed. I'm giving you a beast's talent, and also a beast's appetite!

"Don't make fun of me!"

it's fine if you don't want the food, " said Idina. just watch me eat. Don't drool!

"Who said I don't want it?"

"Get me some food too!" Chen Xiaobei said with a smile. I'm really curious, what does the food of the human-beast hybrid clan look like?"

"You'll know when the time comes!" Idina smiled smugly. She was very confident in the food of the orc race.

.....

It was a quiet night.

The next morning, Chen Xiaobei put on the human-skinned mask and followed Idina through the portal to a small town closest to the beast God mountain range.

Since this was the last stop before entering the mountain, many young beastmen who came to participate in the selection would rest in the small town before setting off into the mountain.

do you see that guy in the red robe over there? "

As they walked down the street, Idina purposely slowed down her pace and analyzed the situation for Chen Xiaobei. "That's the Azure Dragon continent's thousand beast city's young lord! Ten thousand swords seal! He's at the three-fire god-refining stage, and he's ranked fourteenth on the minor heavenly fate ranking!"

Chen Xiaobei shrugged. there are 36 heavenly stars and 72 earthly fiends. There are 108 people on the minor heavenly fate ranking. He's only ranked 50th. What's the big deal about that? "

"Stinky fellow!" Yi

Dina angrily retorted, "my ranking is behind the ten thousand sealing swords!" If you look down on him, it means you look down on me!"

uh ... That's a little awkward ... Chen Xiaobei laughed and quickly changed the topic. "Don't mind the details. Who's that big fat guy over there? How arrogant!"

In front of him, a fat guy in a gorgeous robe was sitting in a small noodle shop and eating noodles!

There were more than ten big bowls on the small table, and they were all eaten by this fatty alone!

The reason he said the fatty was arrogant was because he was the only one in the shop.

It wasn't that no one visited, but the door was blocked by the Fatty's attendants. The people in the small city didn't dare to get close and took a detour.

He's making such a big scene just to eat noodles. He's a typical arrogant pretentious criminal!

"That's the young master of the number one sect on The White Tiger continent! Zhu Qiang Qiang!"

Idina said with a look of disgust, "this guy is lecherous and has a bad character!" Every time he appears, he does something that deserves a beating!"

"Then why didn't you beat him up?" Chen Xiaobei asked with a smile.

"Because I'm not strong enough ..." He said.

"Zhu Zhuangqiang is also at the three-fire god-refining stage, and he has perfected the "battle technique of the wild," so he's even more powerful than ten thousand swords!" He is ranked forty-fourth on the minor heavenly fate ranking!"

Chen Xiaobei shrugged and said, "yet another minor character. It's not challenging at all.

"You stinky fellow! You're acting tough!"

you're only at the one fire god-refining stage, " Idina said unhappily. if it wasn't for your powerful trump card, you wouldn't even be able to beat me! And he actually despised Wan Jianfeng and Zhu Jianqiang? You're too thick-skinned!"

that's right, I'm a one fire god-refining now. But if I want to, I can become a three fire god-refining in three days, or even higher! Chen Xiaobei said.

"You ... Don't you even need to draft a draft before you act cool?" Edina was so angry that she felt dizzy, and she said angrily, "Three days? Three fires to refine the spirit? If cultivation was that simple, you would have already ascended to the heavens!"

"Aiya ..."

At this moment, a wail came from the direction of the small noodle restaurant.

Looking toward the source of the voice, they saw an old man with white hair and a white beard in tattered clothes being pushed down by a Zhu family attendant at the entrance of the noodle shop.

"Stinky beggar! Can't you see that our master is having breakfast? Even ordinary people can't go in, let alone you!" The leader of the followers shouted angrily.

"Isn't it just a bowl of noodles? You're having breakfast?" Chen Xiaobei frowned.

"I told you," said Idina angrily, "Zhu Zhuangqiang is really asking for a beating!" None of his evil slaves are good either!"

"Let's go and take a look!" Chen Xiaobei walked over.

"Don't go! If you mess with Zhu Jianqiang, you'll be in endless trouble!" Edina tried to stop him, but it was too late.

I ... I haven't eaten anything for many days ... Please do me a favor ... Give me some food ... the old beggar said pitifully.

His thin body and Haggard face proved that he was really famished.

"What the f \* ck! You stinky beggar, you actually dare to make such a request! I'm giving you face, right?" The leader of the followers was full of disdain. He raised his palm and was about to slap.

"Stop!"

At this moment, Zhu Jianqiang walked out of the noodle restaurant with half a bowl of noodles in his hand. The noodles fell to the ground and he said indifferently, "Eat!"

I ... I'll eat ... the old beggar hesitated for a moment and was about to reach out to grab the noodles on the ground.

burp, burp, burp, burp ... Zhu Jianqiang suddenly burped in a super disgusting manner.

The old beggar's expression froze. He was so disgusted that he couldn't do anything for a moment.

"What's wrong? You don't like me? Then stop eating!"

Zhu Jianqiang's face was filled with displeasure. He mumbled something for a while, then spat out a mouthful of thick phlegm on the pile of noodles.

this ... the old beggar's face was full of heartache, and his stomach was growling.

"Old man, follow me!"

Chen Xiaobei walked over and said, "I'll treat you to a bowl of the most delicious noodles in the world!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2068: Heavy Gambling**

"Thank you ... Thank you ..." He said.

The old beggar was famished. When he heard that someone was treating him to noodles, he was overjoyed and grateful.

"Stop!"

At this moment, Zhu Qiang-Qiang shouted arrogantly, "Who allowed you to leave! Stand still obediently! You're not allowed to leave with that kid!"

The old beggar swallowed his saliva and did not dare to move.

Chen Xiaobei glared at Zhu Jianqiang coldly. that's strange. You don't do good, but you don't allow others to do good? "

Zhu Qiang Qiang squinted his eyes, leaving only two slits between his eyes on his chubby face."This young master just can't stand a pretentious criminal like you!"

"Where do you get the pressure from? How come I didn't know about it?" Chen Xiaobei frowned.

"Hmph! We beastmen are all born to eat!"

"Hmph!" Zhu Jianqiang snorted coldly and said, "I've eaten all the delicacies in the world and have seen at least eight hundred top chefs! No one dared to say that they could make the most delicious food in the world! You said you have the best noodles in the world! If this isn't posturing, what is it?"

"Ha, you're too ignorant!"

I'm not picking on anyone. In terms of cooking, all chefs below the heavenly realm are my brothers! Chen Xiaobei said.

Zhu Qiang Qiang heard this and cursed, "f \* ck!" And you still say you're not acting cool! You're f \* cking acting up to the heavens!"

The loud curses and shouts quickly attracted a large crowd of onlookers.

Everyone knew what had happened, but no one believed Chen Xiaobei.

"That kid is really a poser! All of us beastmen are food experts! He's just asking to be snubbed by acting tough in front of us!"

"Isn't it? He didn't even make a draft before bragging! It's just a bowl of noodles, how good can it be?"

"You'll be struck by lightning if you act tough! Offending young master Zhu, that brat would definitely not be able to bear the consequences! Let's just wait for a good show!"

The crowd was abuzz with discussion, most of them mocking and gloating.

Among them, there were also some big shots, such as the Azure Dragon continent's city of beastmen's young lord, Wan Jianfeng! Another example would be the city Lord of this mountain, Ji Anmin! They were also waiting to watch the show!

Of course, Idina was also in the crowd, but she also thought that Chen Xiaobei was just acting cool. She knew that she would only embarrass herself if she went to meet him! Hence, he shrank into the crowd and did not make a sound!

"Since you don't believe me, do you dare to bet with me?"

Chen Xiaobei faced the crowd's mockery and said calmly, "Give me twenty minutes! I'll make three bowls of noodles and invite three people to judge! As long as one of them thinks that he is not the best in the world, I will lose!"

"What the f \* ck! You're too bold!"

Zhu Qiang Qiang felt that he had been seriously provoked, and he couldn't back down no matter what. "This young master will bet with you! You can name your bet! Whoever's a coward!"

"My bet isn't big." Chen Xiaobei shrugged and pointed to the ground. "Whoever loses will have to eat all the noodles on the ground. We can't waste food, right?"

"What the f \* ck! Your taste is really weird!" "Since you want to eat this young master's noodles mixed with thick phlegm, how can this young master not fulfill your wish!" Zhu Qiang laughed nastily. The bet was established! With so many people watching, I'm not afraid you'll deny it!"

"Hehe, you can go and choose the judges now!" you pick two and I'll pick one. Is that okay? " Chen Xiaobei said.

"No problem!"

you'll have to choose three people to judge. As long as one of them doesn't admit to being the best in the world, you'll lose. That's not a problem at all! Zhu Jianqiang said with a smile.

"Alright, then I'll choose this old man!" Chen Xiaobei shrugged and chose the old beggar beside him.

Zhu Jianqiang walked towards the crowd and said, "first, I choose City Lord Ji Anmin!" This was an old glutton! His mouth is even bigger than mine! It's as hard as ascending to the heavens for him to acknowledge that he's the best in the world!"

As soon as he said that, the white-haired city Lord, Ji Anmin, walked out with an awkward expression.

It was really embarrassing for the city Lord to be called an old glutton!

However, he was helpless. Zhu Qiang's status was extraordinary and he could not afford to offend him. Ji Anmin could only awkwardly squeeze out a smile and cooperate obediently.

Zhu Qiang Qiang walked to the other side. He originally wanted to choose the ten thousand sword seal, but his lecherous eyes soon fell on another person.

for the second judge, I choose the princess of the morning and evening Starfield, Idina! "This beauty is the princess!" Zhu Qiang laughed boisterously. Naturally, he had eaten many good things! It's impossible for him to be knocked down by a bowl of noodles!"

"I ... I'm willing to!" She hesitated for a moment, but then she thought that if she were to be a judge, she might be able to vote for Chen Xiaobei.

"Good! Now we're all here!"

"To ensure the fairness of the bet!" Zhu Jianqiang said loudly. Everyone had to swear to the beast God that they would never lie! Every word you say must be worthy of your conscience!"

The moment he said that, it was equivalent to raising the bet to the level of faith!

Their absolute loyalty to the beast deity ensured that no one would be biased and would speak their true feelings!

The old beggar was no exception. If the noodles did not taste good, he would not lie about it just because Chen Xiaobei had helped him!

This was the power of faith!

Sure enough, when it came to the beast God, Idina, Ji Anmin, and the old beggar didn't dare to be negligent. They all faced the highest peak of the beast God mountain range and piously made an oath!

"The two of us also have to swear an oath!" "Those who refuse to admit defeat will not be able to leave this place alive!" Zhu Dachang grinned.

"No problem!" Chen Xiaobei was not moved at all. In fact, he even wanted to laugh.

Soon, the oath was completed, and Chen Xiaobei walked into the kitchen of the noodle shop under the watchful eyes of the crowd.

The noodle restaurant was not big, and the kitchen was semi-open, so everyone could see Chen Xiaobei's every move.

Kneading, kneading, and pulling were the most basic operations.

Although Chen Xiaobei had never operated it before, he had seen it hundreds of times on earth.

With the scholar heart, Chen Xiaobei's learning ability was off the charts. He had already mastered all the skills and turned them into his own!

"You don't say, this kid is quite decent!" Ji Anmin squinted his eyes and praised.

"PAH!" "Isn't it just a bowl of noodles?" Zhu Jianqiang said disdainfully. The ramen on the street could easily grab a handful of them! What's so amazing about it!"

"No! An ordinary ramen can't compare to this young master!"

"Look carefully!" The old beggar said with a serious face. This young master's proportion of water in the dough was extremely exquisite! The strength and technique of kneading were extremely delicate! The speed and angle of the ramen are even more precise!"

As soon as he said that, everyone was stunned.

"What does this mean?" Edina's beautiful eyes widened in confusion.

"The answer is right in front of us!"

The old beggar said excitedly, "this young master's noodles are white and shiny, like fine jade!" It was very elastic, as if it had a mind of its own! Each strand was as thin as a Dragon's beard! Let's not talk about the taste, just the taste alone is enough to be called the best in the world!"

Everyone was shocked.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2069: Stunning The Audience**

It was obvious that the old beggar was not lying.

The half-opened kitchen allowed everyone to clearly see that the ramen, which should have been the most ordinary ramen, were like white jade Dragon whiskers in Chen Xiaobei's hands. They moved and glowed, like gods!

how ... How is this possible?!

Zhu Qiang Qiang panicked on the spot and shouted angrily, " "You stinky beggar! What the hell do you know! Delicious food was about color, fragrance, and taste! It doesn't matter if it's good looking or not."

The old beggar swallowed his saliva and quickly shut his mouth, not daring to say anything more.

"Brother Zhu, don't panic!"

Not far away, Wan Jianfeng elegantly said, " "Just as you said, good food should have both color, smell, and taste! In this small noodle restaurant, there were very few types of seasonings and they were all very low-grade! It's impossible to make a top-notch fragrance and taste!"

"Young master Wan is right!"

Zhu Qiang Qiang let out a sigh of relief and praised, " long time no see! Young master Wan is still so elegant and graceful. You still know how to talk!

"Brother Zhu, you're too polite!"

Wan Jianfeng proudly smiled and said, "I'm just telling the truth!" Without seasoning, it's like a clever housewife can't cook without rice. Even the best Chef can't do anything!"

Idina's heart skipped a beat. If Chen Xiaobei really lost, he would have to eat the thick phlegm noodles on the ground!

Everyone had already made an oath to the beast God, and the one who lost would never go back on his word!

Looking at the extremely disgusting spittle noodles, Idina couldn't help but feel her scalp go numb. She felt nauseated just by looking at it, let alone eating it.

"That might not be the case ..."

At that moment, the old beggar couldn't help but say weakly, " "It's not a skill to make expensive ingredients and seasonings into delicious food! To be able to turn ordinary things into extraordinary flavors! This is what a truly amazing chef is!"

"What the f \* ck! You filthy beggar! Did this young master give you face?!" "I'll beat you to death if you dare to put in a good word for that kid again!" Zhu Qiang-Qiang shouted angrily.

"Waa! It smells so good!"

The old beggar didn't dare to say anything. Instead, the crowd around him started to exclaim.

"It's so fragrant! What kind of delicious food are you making?"

"Heavens! I've just had my fill, and I'm hungry again after smelling this fragrance!"

"What is it that smells so good? I can smell it from far away! I'm almost drooling!"

As the fragrance spread, more and more people began to exclaim and gather around.

"It smells so good! I've never smelled such an alluring aroma before! I can't wait!" Edina's beautiful eyes lit up, and her cheeks became rosy. She pouted, afraid that she would drool.

it ... It smells so good ... Wan Jianfeng's face turned red. He had just said that Chen Xiaobei could not make the best aroma, and now he had been slapped in the face.

"This incense should only exist in the heavens! How many times can it be heard in the human world?" Ji Anmin twirled his beard, his expression intoxicated.

"This ... This is impossible! How could the seasoning of a small and broken noodle restaurant produce such a stunning fragrance?" Zhu Qiang Qiang's face was red and green, and his Adam's apple was constantly rolling. He was obviously swallowing his saliva.

"Of course it's possible!"

"There are countless spices in the world!" The old beggar said. In fact, there was no difference between them! The same seasoning, mixed in different proportions, can produce a huge difference in taste!"

"As long as you understand the essence of the seasoning and have a good grasp of the proportion and amount, you can use ordinary seasoning to create a top-grade fragrance! And this is the difference between an ordinary chef and a Top Chef!"

The old beggar paused and continued, " according to my observation, this young master is not familiar with spices. He tried almost every kind of spice himself before adding them into the noodles according to the specific ratio!

"However, his control over the smell of spices has reached the peak! How much of each seasoning was added? When would he release it? He controlled them with great precision! In this regard, no chef in the world can be compared with him!"

As soon as he said that, everyone was shocked.

However, these words came from an old beggar after all, so most people were skeptical. After the shock, they would not take it too seriously.

But in fact, the old beggar's analysis was completely correct!

Chen Xiaobei's control over the smell of spices was unparalleled in this world!

This was because Chen Xiaobei had received a God of Cookery mystical pill in the Three Realms red envelope group's food competition!

Back then, Chen Xiaobei had taken a heavenly essence sublimation pill. He was able to distinguish the ingredients of the pill from the smell and the exact proportion of each ingredient!

After that, Chen Xiaobei made a copy of the recipe and asked Jiang Ziya to make a large number of skybreaking cultivation pills, which helped the bei Xuan disciples 'cultivation to soar!

It was the same now. Chen Xiaobei had used the special ability of the elixir to test out the special spices found on The White Tiger continent. Then, he used the super-computing function of the scholar heart to create the most perfect fragrance!

After putting it into practice, the ordinary spices in the noodle shop really gave off a heavenly fragrance that shocked the orcs!

"Success!"

Chen brought out three bowls of noodles on a tray.

Its appearance and fragrance were absolutely impeccable!

In the eyes of the surrounding foodies, this was no longer just a bowl of ramen, but a Supreme divine item bestowed by the gods!

Once he missed these three bowls of noodles, he would never have the chance to eat a delicacy of the same grade again!

"Beautiful and fragrant! The only thing missing now is the taste!"

If the taste is not to be picky, this young master is definitely qualified to be the best Chef in the world of cooking! The old beggar swallowed his saliva.

At first, when Chen Xiaobei said that all chefs below heaven realm were his younger brothers, everyone thought that he was just acting cool!

Now, it seemed that this sentence was not a pretentious statement, but a fact that was only one step away from being confirmed!

The smell!

He was only one step away!

The three judges-Idina, Ji Anmin, and the old beggar-could not wait any longer. They picked up their chopsticks and bowls, and began to taste Chen Xiaobei's ramen under the envious and jealous gazes of countless people!

"How is it? How's the taste?"

Zhu Jianqiang had already stretched out his neck, swallowing his saliva as he waited for the three to make their stance clear.

The surrounding crowd was the same, looking on with eager eyes.

After all, the most important thing about good food was the taste! If it didn't taste good, everything that had happened before would be meaningless!

"Oh my God ... This noodle is so, so, so delicious ..."

The old beggar was the first to scream and immediately announced, "This bowl of noodles is definitely the best in the world! I've never eaten such delicious noodles in my life!"

"PAH!"

"You filthy beggar!" Zhu Qiang angrily said. What good food have you eaten? If you faint from hunger, you'll say it's delicious when I give you a lump of poop! There were still two judges! They're the ones with the real taste!"

## Red Envelope Group of the Three Realms

### **Chapter 2070: Must Eat**

wow! The noodles are so delicious! I feel like I'm floating!

Edina moaned, her face full of happiness. "This is the world's number one side in my heart! I want to eat it for a lifetime! I won't eat anything else!"

A few seconds ago, she was still worried that Chen Xiaobei would lose. But now, she had fallen in love with Chen Xiaobei from the bottom of her heart!

Oh no! She had fallen in love with Chen Xiaobei's noodles! The first in the world!

how ... How is this possible?!

Zhu Jianqiang panicked. Only one of the three judges was left: "Ji Anmin! You're the last one! You can't talk nonsense! I can't lose! Do you know that?"

"Young master Zhu, I also want to stand on your side ..."

Ji Anmin held his bowl and gobbled down the food as he mumbled, " "But, you made me swear to the beast God, I can't lie ... This noodles are the best in the world! If I panic, the great beast deity will curse me!"

you ... Y-y-you ... Zhu Qiang's face turned green.

They had originally asked them to swear because they were afraid that Chen Xiaobei would go back on his word. But now, after swearing to the beast God, they could only tell the truth!

Zhu Qiang-Qiang was simply lifting a big stone and smashing his own foot.

young master Zhu lost ... I didn't expect that the one who would suffer in the end would be young master Zhu ...

"Those three bowls of noodles look super cool! Princess Edina and city Lord Ji 'Anmin have always acknowledged this. I believe that no one is unconvinced!"

"In the name of the beast God! That's the first in the world!"

The surrounding people discussed animatedly. The belief in their hearts made them all agree with the result of the bet.

And this result was exactly what Zhu Qiang-Qiang didn't want to see the most.

"Noodles with thick phlegm! Oh ... Young master Zhu! You're digging a hole for yourself! Beast God above, you must eat it all!"

"My own noodles! His own phlegm! It should have a familiar taste! Young master Zhu, are you despising yourself? Hurry up and eat!"

"Young master Zhu! You swore an oath to the beast God! If he didn't admit it, he wouldn't be able to leave alive! Quickly finish it! Hurry up!"

The surrounding crowd began to make a ruckus. They were not ambiguous about their faith!

Even if Chen Xiaobei let Zhu Jianqiang go, the crowd would not let him go!

"Everyone, don't be anxious!"

At this moment, Wan Jianfeng stood up and said elegantly, "That old beggar has never eaten any good food, so he can't be considered a judge! I've eaten a lot of top-class food before, so let me try this!"

"Yes, yes, yes! Young master Wan is right! Only the qualified judges can decide the final result!" Zhu Qiang-Qiang seemed to have grabbed onto a life-saving straw and nodded desperately.

"You guys are cheating!" "The result has been decided!" Said Edina unhappily. How can they change the judges!"

"Heh, if you're truly the number one expert in the world, you should be able to withstand the tests of the world!"

Wan Jianfeng smiled indifferently and said with a profound expression, "Of course, if this young master is afraid that I'll point out the flaws in his face, he can also refuse to change the judges. I don't mind, but I'm afraid that the results are not real enough!

Obviously, this Wan Jianfeng was very smart. He always had the appearance of an elegant and graceful young master, and his words easily stirred the emotions of the crowd.

Now that he had put it that way, it seemed like Chen Xiaobei's unrivaled in the world still had a flaw and did not live up to his name!

"If you want to have a taste, of course, no problem!"

Chen Xiaobei shrugged and smiled, "There's still some ingredients left in the pot, you can take it out and eat it yourself!"

you ... Wan Jianfeng's mouth twitched. He was very upset. He was the young master of the thousand beast city, and Chen Xiaobei had asked him to eat the leftovers from the bottom of the pot. This was too much!

"Good! I'll take it out and eat it myself!" Wan Jianfeng suppressed his anger and maintained his gentlemanly demeanor, but deep down, he hated Chen Xiaobei. He swore that he would find a fault in Chen Xiaobei's face and make him lose the bet!

Wan Jianfeng walked over and took out the noodles from the bottom of the pot. He picked up some with his chopsticks and slowly put it into his mouth.

"Mm!"

The next moment, Wan Jianfeng's eyes suddenly widened, his whole body frozen in place.

"How is it? Young master Wan?"

"Have you already discovered the bad taste of this noodle?" Zhu Jianqiang asked with a face full of anticipation. Quickly say it! I will remember this favor!"

this noodle ... Is really ... Too delicious ... I'm going to kneel and finish it! Wan Jianfeng couldn't care less about his elegant demeanor as he gobbled up the food.

Not satisfied after finishing the soup in the bowl, she drank the rest of the soup in the pot.

this ... This, this, this ... Zhu Qiang's face darkened. His little heart felt cold, and tears began to fall.

He had thought that Wan Jianfeng would be able to help, but he was defeated by Chen Xiaobei's face.

Not only did he not help, but he also added salt to Zhu Qiang Qiang's wound!

"Zhu Jianqiang! You have nothing to say now, right?"

Idina seized the opportunity and immediately took the lead in jeering, "If you have nothing to say, then hurry up and honor the bet!"

"Zhu Jianqiang! Hurry up and eat! You're not allowed to deny it!"

"Eat, eat, eat! You swore an oath to the beast deity!"

"We are all witnesses! If you don't eat it, you'll be blaspheming the beast God. Don't even think about leaving today!"

The surrounding crowd also began to shout. No one would let Zhu Qiang go since this matter concerned the Supreme beast God in their hearts.

"I ... I'll eat it, okay ..."

Zhu Qiang Qiang also knew that he couldn't go back on his word. He could only squat down and pick up the spittle noodles from the ground.

blargh ... Blargh ... Zhu Qiang-Qiang had not eaten yet, but he was already retching repeatedly. He was extremely disgusted.

However, the surrounding crowd did not sympathize with Zhu Jianqiang. The jeers rose and fell, not giving him a chance to deny it.

I'll risk it ... Zhu Qiang-Qiang pinched his nose with one hand and put the noodles into his mouth with the other.

The smell of the thick phlegm, the dust on the ground, and the noodles that had already cooled down, that sourness, whoever ate it would know!

"Oh! blargh ... Zhu Jianqiang was so disgusted that he vomited everything out after chewing a few times.

"Young master! Young master, you can't vomit!"

Seeing this, the leader of the followers who had bullied the old beggar ran over and said with concern, "They'll make you eat back what you vomited!"

As soon as he said that, the surrounding people, who had not expected this, began to shout, "Right! That's right! He had to eat back what he had spat out! We have to eat it all!"

f \* ck ... Zhu Qiang-Qiang's expression froze, and he cursed in his heart. He then slapped the leader of the followers on the face."Numbed! You have an extra mouth!"

pfft ... the leader of the followers was sent flying backward, and his teeth and blood spurted all over the ground.

"Eat, eat, eat ..."

Under the shouts of the crowd, Zhu Jianqiang almost used up half his life before he finally finished the mixed noodles on the ground.

By then, Chen Xiaobei and Idina had already sneaked out of the crowd.

"Young master! Young master, please wait ..."

The old beggar caught up and said with an earnest face, "I want to go with you, young master!"

"With me?"

what? " Chen Xiaobei was taken aback. why? "
