Chapter 2081: The Starry Cave

As time went by, more and more people started to accept the truth and started to worship Chen Xiaobei, becoming his followers!

The suanni Dragon God bloodline was the Supreme bloodline of the orcs! Even if this young master isn't the reincarnated Soul Child of the great beast deity, he must be the new God sent by the heavens to lead our beast clan!

Yingluo was right! Compared to this young master, Jiang zipeng had the 'Chicky bloodline', while Shen yuanbin had the 'earthworm bloodline'. They couldn't be compared at all!

Yingluo was right! Of all the candidates, this young master was the most qualified to become the new king! From today onwards! I'm willing to believe in a new god! I will fully support this young master!

The bloodline of this young master bi an was even stronger! His future achievements would definitely be greater! There's no mistake in us following him!

Qianqian, if this young master becomes the new king, our beast clan will definitely start an unprecedented prosperity! I'm willing to follow you till death!

Yingluo, I'm also willing!

Yingluo, me too!

"Damn it! What an unexpected gain!"

Chen Xiaobei was pleased to hear the comments from the audience."Live streaming is indeed a good thing! The number of my believers has started to rise again, and I'm getting closer and closer to ten Level 3 rewards!"

Evidently, in the past three days, most of the items within the heaven and earth smelt had already been refined into heaven and earth spiritual aura.

Once Chen Xiaobei had three billion new followers, he would be able to choose the level 3 reward ten times!

By then, Chen Xiaobei would be able to maximize the benefits of the spiritual aura of heaven and earth, allowing his cultivation to soar!

Of course, the number of believers had to reach three billion before the beast God fight meet!

Otherwise, with Chen Xiaobei's one fire divine-refining cultivation, he would be in grave danger during the beast God fight meet!

"This kid has a bloodline that surpasses the beast God! And there was the support of more and more citizens! Moreover, he has the support of the great elder ..."

Wan Jianfeng furrowed his brows and said dejectedly, " we don't even need to choose anymore. He'll definitely be the new king!

"Not necessarily!"

Shen yuanbin's eyes narrowed and he said,"the selection is divided into three stages!" He had only won in the first stage! If he can't pass the last two stages, then no matter how strong his bloodline is, it's useless!"

After being ridiculed by the audience for having the 'earthworm bloodline', the silver Dragon young master Shen Yuan bin was already filled with anger.

He could not wait to start the next two stages and eliminate Chen Xiaobei so that he could vent his anger!

"Well said!"

Zhu Qiang Qiang immediately agreed,"with his trash cultivation, there's no way he can pass the next two stages!" He won't be the one laughing in the end!"

Jiang zipeng sneered,"heh, as far as I know, the beast God competition will be held on the life and death Ring!" You can't use any Dharma Treasures, and you can only fight with your own strength! Anyone on the scene could have crushed that little trash!"

Ridiculed by the audience as Chicky's bloodline, Jiang zipeng, a descendant of the great purple ROC, was even more furious.

Jiang zipeng swore that if he met Chen Xiaobei in the beast God competition, he would make sure that Chen Xiaobei's body would not be left intact!

The result of 'Chicky slays the true dragon' was a slap to the faces of the audience!

The four of them were the backbone of all the contestants. Their discussion naturally made all the contestants think of Chen Xiaobei!

Whoever could defeat Chen Xiaobei during the beast God contest would be famous throughout The White Tiger continent! He would make a name for himself and bring glory to his ancestors!

the first stage of the selection is over!

At this moment, the first elder announced in a clear voice, " all those who have passed the test and are willing to stay can rest for an hour. After that, you will head to The Starry Cave for the second stage of the selection!

As soon as he finished speaking, the participants gathered in twos and threes, looking for a place to rest while discussing what the second stage of the selection would be like.

In order to avoid suspicion, the great elder only congratulated Chen Xiaobei and then retreated to the side with the elders.

Chen Xiaobei and Idina were completely isolated.

Of course, there were benefits to two people. Many things that could not be known by a third person could be said now!

"Zhufeng! You're simply too, too, too awesome! I never thought that your bloodline would be so heaven-defying! I won't dare to underestimate you anymore! From today onwards, I'm your cute little fan!"

There were stars in Edina's eyes. She looked at Chen Xiaobei as if he was her super idol.

"Um ... Cute little fan ..."

Chen Xiaobei was speechless. "Gu Liang, you're not young anymore. Be serious, okay?"

"I'm serious!" Idina composed herself and asked with a smile, " do you want to know what the next stage of the selection is? "

"Of course I do!" Chen Xiaobei's eyes lit up and he asked curiously, " "What kind of place is The Starry Cave?"

the starry sky Grotto-heaven is a special blessed Grotto-heaven in the beast God mountain!

Idina explained, "in the heavenly abode, you can see the vast starry sky!" In addition, there's an ancient magical formation in the cave. After spiritual communication, the stars in the sky will transform into spiritual shadows of thousands of beasts. It's extremely mysterious!"

what?! Chen Xiaobei was stunned. you won't let us rest so late at night just to ask us to watch the stars? " What's the point of that?"

"Of course!"

"Legend has it that the beast deity visualized the ten thousand beast stars in The Starry Cave and created the ten thousand beast Star Battle technique!" It's the quick jade talisman that you found in the treasure house of The White Tiger branch!"

Chen Xiaobei was stunned.

During the three days of travel, Chen Xiaobei would secretly study the astral battle technique of ten thousand beasts whenever he took a break!

After three days, he had completely assimilated the contents of the Jade talisman into his own knowledge.

However, there was a part that was missing, and Chen Xiaobei did not manage to master it.

Chen Xiaobei had always hoped that his luck would bring him some sort of opportunity to solve his problems.

Chen Xiaobei did not expect to see a ray of hope!

"This is such a coincidence!"

Chen Xiaobei's eyes lit up. If I can gain some insight from the visualization, I might be able to complete the astral battle technique of ten thousand beasts. That would increase my ability to compete with my peers! he thought. The beast God contest will be my stage!"

"What are you mumbling to yourself about?" Edina frowned and asked in confusion, "I don't even understand what you're saying!"

"Shh!"

Suddenly, Chen Xiaobei made a shushing gesture.

Then, Chen Xiaobei closed his eyes, as if he was listening to something.

"What's wrong with you?" Edina was completely confused. She could not understand what Chen Xiaobei was trying to do.

Only Chen Xiaobei knew that the mother Gu in his body had just sent him a very important message!

The information came from Qin Wuxin! It was a direct threat to Chen Xiaobei's safety!

[Red Envelope Group of the Three Realms](#)

Chapter 2082: It's Your Bro Bei

The knowing mind Gu could only eavesdrop on the words of the person who planted it.

What Qin Wuxin was trying to say was that through the live stream and the mud Bodhisattva's calculations, he could conclude that young master Feng was Chen Xiaobei!

Tian Peng and Qin Wuxin planned to split up!

Qin Wuxin had sneaked into the beast God mountain to set up an ambush! Tian Peng tried to contact the higher-ups of heaven covering sect!

Then, Tian Peng led the heaven dominating faction's troops and worked with Qin Wuxin to make sure that Chen Xiaobei could not escape!

"Edina, I have to leave for a while!" Said Chen Xiaobei, frowning.

This crisis had to be resolved in advance. Otherwise, once the enemy's plot took shape, Chen Xiaobei would have to face the encirclement of the higher-ups of heaven dominating faction!

Chen Xiaobei was not afraid of a fight, but the most important thing now was to become The White Tiger King and obtain the sword of the killing sunflower water!

If they started a war, Chen Xiaobei's entire plan would be completely ruined! The consequences would be unimaginable!

Because of this, Chen Xiaobei had to strike first and destroy the enemy's plot from the source!

"There's only an hour before we enter the star Cave. Where are you going? Don't tell me you want to miss the second stage of the selection?"

Edina's brows were tightly furrowed, and her face was filled with worry.

"Don't worry! I'll definitely be back in time!" Chen Xiaobei lowered his voice and said, " Don't let anyone know about my actions!"

but ... before she could finish, Chen Xiaobei had already left!

is this guy crazy ... He was talking and laughing one second and then he's leaving ... Edina's brows were tightly furrowed. Her little head was full of question marks.

.....

Chen Xiaobei took out the returning bracelet and returned to bei Xuan faction.

When Jin Fei received the call, he was already waiting there.

As soon as Chen Xiaobei arrived, Jin Fei activated the returning bracelet and went to White Tiger city with Chen Xiaobei!

Chen Xiaobei had asked Jin Fei to return to The White Tiger Royal City when he was collecting his debt. That was why Jin Fei's returning bracelet was connected to bei Xuan faction and The White Tiger Royal City.

Chen Xiaobei's returning bracelet was the link between bei Xuan faction and beast God mountain!

As long as Chen Xiaobei completed his mission, he could use the returning bracelet twice to return to beast God mountain. One hour was enough time for him to take action!

.....

White Tiger Capital city.

Near the public teleportation point.

bro bei ... Jing Fei lowered his voice and asked, " How do you know that Qin Wuxin will pass by here? "

"Because of the intimate Gu!"

it's a good thing that I planted the intimate Gu on Qin Wuxin. That's why I was able to predict the enemy's actions and take action! Chen Xiaobei said.

"Amazing! Bro bei!"

Jin Fei praised,"know yourself and know your enemy, and you will never be defeated!" You've seen through the enemy's plot, I can wait for your performance!"

"He's here!" let's go! Chen Xiaobei said. let's watch the show!

Spiritual light flashed on a large teleportation array at the public teleportation point, and more than a dozen people appeared on it!

These people had all been teleported here from other places!

Among them was a harmless-looking young man, who was none other than Qin Wuxin!

Chen Xiaobei put on a new mask and walked over. "Little Qin! Long time no see!"

"Who are you?" Qin Wuxin was dumbfounded. He did not know who Chen Xiaobei was.

While Qin Wuxin was still confused, Chen Xiaobei had already walked up to him and said with a devilish smile, " "It's me! Society, your bro bei!"

"It's you!"

Qin Wuxin took a deep breath. He became nervous as if he had been struck by lightning.

"Follow brother! I'll take you out for a drink!"

Chen Xiaobei grinned and reached out his hand to Qin Wuxin.

"Don't touch me! Uh ..."

Before Qin Wuxin could finish his sentence, he felt weak all over and could not even stand steadily.

Immediately after, he felt a wave of dizziness and fell into a coma.

"Let's go!"

Chen Xiaobei put his hand around Qin Wuxin's back and carried him away from the crowded place.

When there was no one else around, Jin Fei activated the returning bracelet and brought Qin Wuxin back to bei Xuan faction with Chen Xiaobei!

"Heavens! Bro bei! You're simply a God!"

Back at bei Xuan faction, Jin Fei was extremely excited, " "How did you do it? Why did Qin Wuxin fall unconscious the moment he saw you?"

"Of course it's because of me!"

Suddenly, a purple fairy flew out from under Chen Xiaobei's cloak.

She was the four-star earth-god level poisonous demon, Zi Yuan!

Because Jin Fei was Chen Xiaobei's loyal dog, he could trust him one hundred percent. That was why Zi Yuan dared to show off.

"You?"

"Stop bragging!" Jin Fei said in disbelief. How capable can a Little Vixen like you be? I don't believe you."

"Hmph! You dare to look down on this great aunt!" Zi Yuan's small mouth pouted, and with both hands on his small waist, he said one word angrily, " "Itchy!"

"What?"

Jin Fei was stunned for a moment, then his expression changed. He scratched his body with his hands and kept screaming, " "Ah ... Itchy! It's so ticklish ... Oh oh ... It's too ticklish ... Little great aunt ... Little great aunt, please spare my life ..."

"Little Zi! Don't mess around!"

"Your poison can only be used on your enemies!" Chen Xiaobei said. You're not allowed to use it on your own people!"

"Who asked him to look down on me!" Zi Yuan pouted and spat out another word, " "Release!"

"Phew ... Oh my God! It's not itchy anymore ..."

Jin Fei heaved a long sigh of relief and said, " "Little great aunt! You're really too awesome! I believe you now. Qin Wuxin was really defeated by you!"

"Hehe! I've always been very powerful!" Zi Yuan smiled, it was extremely sweet.

This girl had the heart of a little girl. She got angry easily and was very easy to coax. A word of flattery would make her happy!

"What is going on?" Jin Fei asked, embarrassed.

"This is a poison curse!" Zi Yuan laughed and said, " I've been thinking about it recently. I've been combining poison with true essence. I've already developed several spells! It's very interesting!"

After all, Zi Yuan was a four-star earth-god Level demon. He had a very good perception!

Ever since Chen Xiaobei was hit by the talisman, Zi Yuan had been researching on spells and she had actually managed to figure out something!

"So it's a curse!"

Oh! Jin Fei suddenly realized. I've heard from bro bei that Qin Wuxin has the blood patriarch's ability. His body is immune to all poisons! However, curses are different from poison. No wonder it could defeat Qin Wuxin so easily!"

"Alright, let's get back to the main topic!"

"Time is of the essence! I need to get back to beast God mountain!" Jin Fei was to stay in the sect! Little Zi, come with me. On the way, prepare a kind of poison curse that can confuse and delude one's mind. I need to use it at any time!"

Chen Xiaobei then took out Qin Wuxin's storage bracelet!

Qin Wuxin's mobile phone and the five-star earth-god instrument, Qing Xuan Tian che, were both in the bracelet!

As for Qin Wuxin, he was kept in the verdant Emperor's divine gourd.

Those who were unconscious would be sucked into the verdant Emperor's divine gourd even if they didn't want to.

.....

After that, Chen Xiaobei used his returning bracelet and returned to beast God mountain!

The time was just right. After the rest of the participants, they left for the star Grotto-heaven under the leadership of the elder Council!

"You're finally back!" Edina frowned and said in a low voice, " "You don't know how worried I was about you!"

Chen Xiaobei smiled and said confidently, " "Don't worry! Everything is under control!"

[Red Envelope Group of the Three Realms](#)

Chapter 2083: Observing The Sky And Comprehending

"This place is The Starry Cave!"

Very quickly, the remaining thirty over participants arrived at the star Grotto-heaven under the lead of the six elders.

Just like the spirit testing hall, there were many surveillance cameras and a few large screens installed in the hall so that they could conduct live broadcasts at any time!

"Next, all participants, please enter The Starry Cave!"

"It's said that the beast deity visualized the myriad beast stars in the starry sky Grotto-heaven and created the celestial immortal-grade" myriad beast stellar battle technique "!" The great elder said in a deep voice.

"This stage of the selection will last for three days! The candidate would be visualizing the ten thousand beast star in the heavenly abode! Let's see if we can get the opportunity to comprehend the long-lost battle tactics of our clan from the billions of stars!"

Everyone was shocked.

"Isn't this kind of opportunity too slim?"

Zhu Qiang's mouth twitched and he said in a bad mood, " "How are we going to comprehend the ten thousand beast stellar battle technique with just the few of us?"

"Can't you just stop talking?"

Wan Jianfeng said in a low voice, "even if we can't figure it out, we still have to do it!" This is the decision of the elders Guild!"

"Great elder! I have a question!"

three days ago, a kid called Chen Zhufeng found the Jade talisman of the Star Beast Battle technique in the Treasury of heaven dominating faction's white Tiger branch! Jiang zipeng said loudly. If we want to get back the celestial Arts that we've lost for so many years, we should go to Chen Zhufeng!"

"Well said!"

that's right! Shen yuanbin agreed, " instead of wasting time in the ten thousand beasts Grotto-heaven and visualizing the stars, why don't we capture Chen Zhufeng! he was the enemy of heaven dominating sect! If we catch him, we can get our celestial art back! You can kill two birds with one stone!"

It was obvious that Jiang zipeng and Shen yuanbin were both disciples of heaven dominating faction.

Other than wanting to become The White Tiger King, they also wanted to capture Chen Xiaobei and make a great contribution to heaven dominating faction.

"Shallow!"

First elder's eyes focused, and he said solemnly, "The great beast God is the highest belief of our beast clan! He's also the ancestor of our beast clan, the Honorable King!"

"The selection of revered King this time follows the same process as when the great beast God proclaimed himself King! Spirit testing! Heaven observation! A martial arts competition!"

"This is to follow the footsteps of the beast deity and choose a new king for the human-beast hybrids! Only in this way can it be justified and be recognized by the people!"

Everyone was speechless.

The orcs' belief was above everything else. Rules and rituals were very important! Breaking any one of them would not gain recognition!

Observing the sky was a part of the rules and ceremony, so he had to do it!

as for Chen Zhufeng, it's useless even if we find him!

"That's because the contents of the Jade talisman are incomplete," the great elder said. "Even if we take it back, we won't be able to cultivate the ten thousand beast stellar battle technique! Otherwise, Ximen dingjun would have already started cultivating!"

Everyone was at a loss for words again.

No one raised any more objections, and they all entered The Starry Cave.

Chen Xiaobei changed into young master Feng's mask and entered the cave with Idina. They sat down in a corner of the cave.

"What a spectacular sight!"

Sitting cross-legged and looking up at the sky, Chen Xiaobei could not help but praise.

This was an extremely huge heavenly paradise!

The spirit Qi in the cave was rich and it exuded the unique aura of the beastmen. It was wild and unruly, making one's blood boil!

There was no roof above the grotto-heaven, and one could see the vast starry sky with a single glance!

It was already late at night, and there was no light in the surroundings. The billions of stars in the sky were exceptionally bright!

They were densely packed and brilliant, like a flowing Galaxy, beautiful and magnificent!

try to use your spirituality to communicate with the formation in the cave. That's what I call truly spectacular! Edina said with a look of yearning.

"Alright, I'll try!"

Chen Xiaobei calmed himself down and tried to communicate with the spiritual energy.

Soon, a mysterious spiritual fluctuation was emitted from the ground, as if a warm current was flowing into his body.

Chen Xiaobei felt as if he was one with nature!

His body was sitting on the ground, and his soul had already floated into the Milky Way. This feeling was like the soul leaving the body in Xianxia stories, which was extremely mysterious.

"Whoosh! Whoosh! Whoosh ..."

Immediately after, something even more mysterious happened!

The billions of stars in the sky were connected by silver lines!

It was just like the twelve constellations on earth!

Different lines connected different stars to form different beasts!

There were Dragons, Tigers, Eagles, monkeys, rabbits, chickens, ducks, cattle, and sheep ...

It could be said that as long as it was a beast, its corresponding star chart could be found in the sky!

.....

Of course, for ordinary people, although these celestial diagrams were mysterious and magnificent, it was absolutely as difficult as ascending to the heaven to comprehend a celestial level battle technique from them!

The current situation was exactly the same.

The hundreds of millions of viewers had almost fallen asleep from watching!

The ordinary participants were all clueless and had blank expressions!

Geniuses like Jiang zipeng and Shen yuanbin were also at a loss!

In fact, even the seven great elders of the elder Council were unable to gain any enlightenment from the visualization!

One could imagine that this was an almost impossible task!

However!

For Chen Xiaobei, this was like a drowsy night meeting a pillow, dry wood meeting a raging fire. There was no difficulty at all!

"Phew ... Phew ..."

Chen Xiaobei took a few deep breaths and started to channel his ethereal force according to the astral battle technique of ten thousand beasts that he had learned a long time ago.

Whoosh ... Whoosh ...

At the same time, the spiritual Qi in the grotto-heaven rose and fell like a tide, rising and falling with Chen Xiaobei's ethereal force!

"What's going on? There's a strange movement in the formation in the cave!" Yi changkong's eyes widened in shock.

"It's young master Feng!"

The first elder's eyes lit up, and he said excitedly, "Young master Feng has complete control over the formation in the cave! For hundreds of millions of years, other than the great beast deity, young master Feng is the only one who can control this formation!"

As soon as he said that, everyone was stunned.

heavens ... This ... How is this possible?! Wan Jianfeng was dumbfounded. Cold sweat poured down his face like rain.

Zhu Jian Qiang's mouth opened and closed. He was so shocked that he couldn't even speak.

how on earth did that brat do it ... zipeng Jiang swallowed his saliva as his face changed dramatically.

Shen yuanbin's mouth twitched in embarrassment. He had wanted to eliminate Chen Xiaobei but now, Chen Xiaobei's performance was like an invisible slap to his face.

At the same time, the drowsy audience once again became excited as if they were on steroids.

The Suan NI's bloodline had surpassed the beast God! Control the star array! Young master Feng is definitely a new god sent to us by the heavens! I'm convinced! He was convinced!

Young master Feng had accomplished something that no one had been able to do for hundreds of millions of years! He is 10000% our new god!

From now on, I'll be devoted to the new God!

Just as everyone was gasping in shock, Chen Xiaobei suddenly said something shocking.

"Elder Bai, help me clear the area! Within three hours, I'll be able to comprehend the complete ten thousand beast Star Battle technique!"

As soon as he said that, the crowd exploded!

[Red Envelope Group of the Three Realms](#)

Chapter 2084: Triggering The Star Power

Clear the area?

This kid was too arrogant and Savage!

All of a sudden, all of the participants were extremely displeased!

One must know that the 30 over people in the star Grotto-heaven were all top geniuses among the billions of young beastmen in apocalypse Starfield! There was even Shen yuanbin who had come from the earth immortal world!

As far as the beastmen were concerned, they were at the top of the pyramid among the young people under the age of 30!

They all had their own glory! He also had his own pride!

Chen Xiaobei had ordered the 30 geniuses to leave The Starry Cave with just a few words!

He was simply too arrogant!

Furthermore, in the eyes of these thirty people, Chen Xiaobei's bloodline was simply heaven-defying.

In terms of cultivation, none of them were willing to submit to Chen Xiaobei!

Seeing Chen Xiaobei's arrogance, the 30-odd people were even more furious. They wanted to tie Chen Xiaobei up and beat him up!

Of course, the audience watching the live broadcast had a completely different attitude.

What the f * ck! Young master Feng is so domineering! This was the demeanor of a King! Our beast clan needs such a domineering King!

Yingluo-I've realized that I'm already starting to worship young master Feng!

The new king of Suan ni is mighty! The new king was domineering!

That one sentence had made Chen Xiaobei's fans even more. Without a doubt, Chen Xiaobei's followers had once again started to increase.

"What do you all think? Clear the area?" The great elder called all the members of the elder Council to his side and asked.

"Clear! Young master Feng only needed three hours! For the sake of our race's Supreme 'ten thousand beast astral battle technique', these three hours are worth waiting for!"

"I agree! Young master Feng had already taken control of the star formation in an unprecedented manner! I believe he won't lie!"

"I agree! Clear the area immediately!"

The members of the elder Council almost agreed unanimously!

Although Yi changkong was a little unhappy, he had no reason to refuse. He could only agree!

"Alright!"

The great elder made the final decision,"the elders Council has unanimously decided!" The Starry Cave was temporarily cleared! Other than young master Feng, everyone else has to leave. We'll make new arrangements in three hours!"

As soon as he said that, although the thirty over young men were extremely unhappy, they could only obey the order and leave The Starry Cave.

"That detestable brat! Just you wait! At the beast God contest, any one of us will be able to crush you to death! This is the price you have to pay for your arrogance!"

The thirty or so people were filled with resentment. They wanted to crush Chen Xiaobei during the beast God fight meet.

In The Starry Cave.

great elder! Chen Xiaobei said, " the seven of you, please leave as well! Also, please turn off the livestream for now!

"Young master Feng!"

"Don't you think you're asking for too much?" Yi changkong frowned. In order to ensure fairness, the seven of us can not leave!"

"You really want to stay?"

"I'll activate the power of the stars later!" Chen Xiaobei smiled. If you can take it, then stay! If you're crushed into meat paste, don't say I'm trying to harm you!"

this ... Xi changkong's expression froze. He did not dare to continue the conversation.

"Young master Feng, what's going on?" the great elder asked in surprise. What is the power of the stars?"

It was obvious that the ten thousand beast astral battle technique had been lost for a long time. Even the elders Guild did not know what was the secret behind it.

"If you want to know, first elder, turn off the livestream for now!" This is related to the top secret of the beastmen, and it must not be spread out!"

"Alright, I'll turn off the live broadcast first!" The great elder nodded.

Third elder took out a remote control and turned off the live broadcast.

it's like this. The star formation in the cave can communicate with the billions of stars spiritually. It's like borrowing the power of heaven and earth to borrow the power of the stars!

of these powers, the lowest is one-star earth-god level, and the highest is nine-star earth-god level! They can assist me in comprehending the ten thousand beast stellar battle technique, but I can't control them!"

"In other words, when I begin to comprehend, the entire space will become a terrifying turbulent force field! Those who enter the field will face the impact of the power of billions of stars!"

I dare say that no one but a divine immortal can withstand the power of the stars that is rampaging inside this force field! Chen Xiaobei said.

there's ... There's such a thing ... Let's leave for the time being ... Xi changkong swallowed his saliva. He was completely terrified.

"Elders!"

The great elder composed himself and said solemnly, " "Don't tell anyone what young master Feng said just now! As long as we make good use of this spell formation, it will definitely become the strongest trump card of our human-beast hybrid clan!"

"Yes, sir!"

The elders agreed in unison. They all knew the significance of a peak earth-god level array.

"Alright, let's leave for now! Don't disturb young master Feng!" The great elder instructed and led the way out of The Starry Cave!

Chen Xiaobei was the only one left in the grotto-heaven, and his livestream was shut down.

Whoosh ... Whoosh ...

Without hesitation, Chen Xiaobei started to use the mantra that he had learned!

As his ethereal force circulated in his body, the vast amount of spiritual Qi in the grotto-heaven surged into Chen Xiaobei's body like a tide.

Almost every second, the spiritual Qi that was equivalent to millions of low-grade spiritual stones was being consumed rapidly.

Fortunately, there was a large spiritual vein under the starry sky Grotto-heaven that could support such a consumption rate.

If the elders were still present, they would feel the pain of the rapid consumption of spiritual energy.

"Whoosh! Whoosh! Whoosh ..."

His spiritual Qi was being consumed continuously. The cultivation method of the astral Beast Battle technique had circulated in Chen Xiaobei's body for 33 days!

"It appeared! A star Mark!"

Suddenly, Chen Xiaobei's eyes lit up. On the surface, there was no change!

But in Chen Xiaobei's dantian, there was something very special!

It was a tiny speck of Starlight. Just like when he had cultivated the witch Dragon heavenly flame, it had appeared in the center of the primordial Spirit Fire seed!

Chen Xiaobei's ethereal force, Qi, and blood were like three Rivers of energy, cleansing the tiny Starlight!

"Whoosh! Whoosh ..."

At the same time, the spiritual Qi in the surroundings started to move restlessly, flowing into Chen Xiaobei's body like a river!

"It's time!"

Chen Xiaobei raised his head to the sky and growled, " "Billions of stars, lend me your origin power! The king of all beasts, the subjects of all life!"

"Hu ... Boom ... Boom ..."

As soon as he finished speaking, the night sky above the grotto-heaven suddenly surged with wind and clouds, and there was even the sound of violent Thunder that shook the world!

In that instant, beams of colorful star energy were attracted by the formation and fell on Chen Xiaobei like a meteor shower!

Red Envelope Group of the Three Realms

Chapter 2085: Strength Skyrockets

"Heavens! What ... What is going on?"

A few hundred meters away from the grotto-heaven, the seven elders guild members and the thirty-odd participants were all stunned by the strange phenomenon. They could not believe their eyes.

Fortunately, the live broadcast had been temporarily turned off. Otherwise, this terrifying power of the stars would be enough to shake the world!

"That must be the power of the stars that young master Feng was talking about!"

"It's simply spectacular!" The great elder said with great excitement. It was like a gorgeous meteor shower! To witness this miracle in his lifetime! This old man has no more regrets!"

"It's too scary!"

Yi changkong gasped and said, "the power of the stars all have extremely strong energy fluctuations. The weakest one is a one-star earth-god!" The strongest one was probably at the peak of the earth level deity! As expected, I can't stay in the cave ..."

it's too terrifying ... Jiang zipeng's expression was uncertain, " that kid is in the star Grotto-heaven alone. Can he really withstand such terrifying power? "

"It's best if you can't withstand it!" Shen yuanbin cursed viciously, " "I want to see that kid being crushed into meat paste by the power of the stars! He'll die without an intact corpse!"

Within the heavenly abode.

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

The power of the stars was like a snake of various sizes, shuttling back and forth in the heavenly abode, forming a huge force field!

Under the heaven realm, even a peak earth level deity would be killed by the power of the stars!

If an ordinary person were to barge in, they would probably be smashed into meat paste within a few seconds!

At this moment, the star field could be said to be a forbidden zone for the living!

Only Chen Xiaobei was sitting in the middle, unscathed!

Not only that, but the chaotic power of the stars would also pass through Chen Xiaobei's dantian, helping him strengthen the newly-born star Mark!

Before this, when Chen Xiaobei cultivated the witch Dragon Flame, he had used up a huge amount of heaven and earth spiritual energy to upgrade it to a three-star earth-god level!

At this moment, it was a different approach with the same result. The star power kept strengthening the star Mark, gradually upgrading the small mark to the divine immortal level!

The only difference was that Chen Xiaobei could now release the witch Dragon Flame as he wished. He could even release a three-star earth-god level flame!

However, although the star Mark had reached the celestial immortal level, it could not display the power of a celestial immortal!

This was because the ten thousand beast astral battle technique was an additional bonus built on the foundation of one's cultivation base. One had to have a Foundation first before the bonus could be added!

For example, Chen Xiaobei was currently at one fire god-refining level, so the astral Beast Battle tactics would boost Chen Xiaobei's combat power on top of that, allowing him to crush his opponents of the same level!

This effect was very similar to the primordial Witch King combat enhancement training manual, but there were still some differences!

The astral battle technique of ten thousand beasts could enhance the power of earth-god instruments!

For example, Chen Xiaobei's spiritual bursting flames sword, with the help of the battle tactics, could crush earth-god instruments of the same level!

The primordial Witch King combat enhancement training manual could not increase the power of a Dharma Treasure.

"Finally done!"

Chen Xiaobei let out a long breath, and his tensed body finally relaxed. "From now on, I've completely comprehended the ten thousand beast Star Battle technique! There's basically no one who can match me in apocalypse Starfield!"

He took out his phone and looked at the time. Only an hour had passed!

There were only two hours left!

It was not that Chen Xiaobei had made a mistake in his estimation, but that he had purposely left this period of time for himself to improve his strength!

Before the stream ended, many people had seen Chen Xiaobei controlling the formation!

Some of these people had already become Chen Xiaobei's followers!

In addition, the number of believers had been increasing ever since the spirit testing began! The opportunity that Chen Xiaobei had been waiting for had finally arrived!

[the number of believers has increased by 3 billion!] The total number of believers was six billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

[the number of believers has reached the standard. You may choose-heavenly Dao reward!] (You can choose 30 rewards for Level 1, 15 for Level 2, and 10 for Level 3!)

"Hahaha! I've been waiting for this day for a long time!"

Chen Xiaobei made his choice, " my choice is to increase the effect of my cultivation. I'll choose this reward ten times!

[the heavenly Dao reward has been selected!]

Ding! Congratulations! [you've obtained the blessing of a level-three heavenly Dao cultivation Halo!] The cultivation base enhancement effect had increased by 300%!

"I succeeded! It's finally time for my cultivation to soar!"

Chen Xiaobei's face lit up with excitement. He took out the heaven and earth smelt and began to study it. "If I don't have a level three cultivation Halo! This wave of Heaven Earth spiritual aura can only increase my combat power and physical strength by 300000!"

"Three hundred percent of three hundred thousand is nine hundred thousand! An increase of 300% will increase my combat power and physical strength by 1.2 million! It was equivalent to four times! It's simply awesome!"

with my current 1.5 million combat power, I'll be able to rush to the three fire god-refining stage. That's 2.7 million combat power!

"I still have a one-million-year-old Ambergris in my hand! It could only increase his combat power by 100000! I can increase it by 400000 now!"

that's great! Chen Xiaobei was excited. by then, my combat power will reach 3.1 million, and I'll be able to break through to the four-fire god-refining level! In the beast God contest, he could do whatever he wanted! Hehehe ..."

"Hiss ..."

Chen Xiaobei immediately activated the heaven and earth furnace and took a deep breath. The thousands of seven-colored rays were all sucked into his mouth and nose.

And these were the spiritual aura of heaven and earth obtained after refining a huge amount of materials!

Chen Xiaobei had been saving up for a long time, waiting for this explosive increase!

"Thump! Bang!"

Everything was just as Chen Xiaobei had predicted. Two small flames lit up in his dantian.

At the God-refinement realm, the first minor realm had Nine Heavens!

If other people wanted to advance a minor realm, they would probably need more than ten years, more than a hundred years, or even a lifetime of stagnation!

However, Chen Xiaobei had jumped two small states in just a few seconds!

He had directly broken through from the one fire god-refining stage to the three fires God-refining stage!

If this news were to spread, all the cultivators in the world would be extremely envious and jealous. It was simply infuriating!

[ding Yingying's cultivation base: three fires spirit-refining, lifespan: 3600 years, physique: 3064800, combat power: 2700000!]

"Physical strength and combat power will increase by 1.2 million! It felt so good! Furthermore, his lifespan had been increased by a full 1000 years! It's simply awesome!"

Chen Xiaobei then took out a million-year Ambergris and said, "Next, I'm going to be even more satisfied!"

"Bang!"

Using true essence to break the stone wall of a million-year-old Ambergris.

Gulp ... Gulp ...

Chen Xiaobei gulped down the million-year spiritual liquid as if he was drinking fine wine.

"Four fire spirit refining! Break!"

Red Envelope Group of the Three Realms

Chapter 2086: Breaking Through Three Realms In A Row

"Bang!"

A heartbeat-like sound was heard as the fourth essence Soul Fire seed ignited.

[ding Yingying's cultivation base: four fire god-refining, lifespan: 4500 years, physique: 3064800, combat power: 3100000!]

The feedback from the netherspirit battlescouter immediately showed that his combat strength had increased!

"400000 combat power! In addition to 900 years of lifespan! It's so good!"

Chen Xiaobei's lips curled into a smile, and he was extremely excited. "Other people would have to kill themselves if they wanted to advance a small realm! I'll break through three small realms in ten minutes! Who else is there! Return! There was! Who's that?"

Without a doubt, Chen Xiaobei was in a very good mood.

Ever since his conversation with the prime of Tongtian, Chen Xiaobei knew that his Sifu had bet everything on him!

The revival of the Jie sect! The calamity of the cataclysm! The ultimate pursuit of becoming a saint!

All of this made Chen Xiaobei even more anxious. He was determined to become stronger, and to keep getting stronger!

And today, Chen Xiaobei was going to take out all the resources that he had accumulated over a long time.

He broke through three small realms in one go! It couldn't be any better!

"It would be great if there were endless resources! Breaking through dozens of small realms in a row, that's what I call crazy, cool, and explosive!"

Time was of the essence, so Chen Xiaobei had no choice but to gather his thoughts and start planning. "The one-million-year Ambergris only improves battle prowess, not the body! In this case, my physical strength is a little insufficient!"

"If I use the primordial Witch King combat enhancement training manual, my combat power can be increased to 930000! With our current combat power, that's 4.03 million!"

"My current physical strength is only 3060000. If I want to unleash my full combat power, I'll need to increase my physical strength by around 970000!"

"I wonder how much my physique will improve after eating Ying Zheng's Black coffin?"

Chen Xiaobei quickly took out Ying Zheng's Black coffin and the small black box that Xiao 'er had not finished the last time.

"Let's help Ying Zheng release the dark Dragon cavalry from their purgatory first, and fulfill his wish!"

Chen Xiaobei released the 10000 spirits of the Black Dragon Calvary and took out the last talisman, the heart returning talisman from Tang Sanzang.

"Whoosh ..."

Chen Xiaobei activated the talisman, and it began to emit a Holy Buddhist light.

As if the sun was shining on the earth, the light of Buddha shone down and instantly enveloped the 10000 spirits of the ferocious Ghost Army.

"Woof! Buzzzzzz! Yi ..."

At the same time, the 10000 ghostly spirits that were illuminated by the Buddhist light started to emit black smoke!

As the black smoke dissipated, the evil thoughts and killing intent on their bodies were gradually converted.

Their ferocious ghostly faces completely disappeared, turning back to their human faces before they died.

This meant that the 10000 spirits of the ferocious Ghost Army had been completely converted into 10000 ordinary spirits.

Chen Xiaobei then explained Ying Zheng's situation to them.

These 10,000 unparalleled and loyal military spirits were instantly overjoyed, as if the knot in their hearts had been untied and their shackles had been removed. They felt at ease and entered the earth realm to be reincarnated!

As for the blood God's deity-killing painting, Chen Xiaobei would find a way to strengthen it and make it more useful!

"Waiter! Wake up ..."

Chen Xiaobei then called Xiao 'er out.

"It smells so good! It smells so good ..."

As soon as the waiter came out, he smelled the scent of Ying Zheng's Black coffin, and his eyes immediately widened. He was still sleeping a second ago, but the next second, he was full of energy!

A true-blue glutton!

"Chi ... Chi ..."

As Xiao 'er's cultivation broke through to sky origin stage, his first pair of wings had already spread out, allowing him to fly freely.

As a twelve-winged Golden Cicada, the sign of Xiao 'er's maturity was to grow six pairs of wings, which was twelve wings!

At that time, Xiao 'er's strength would be comparable to that of a perfected golden immortal!

However, the first pair of wings was still very weak. It would take a long time for the second pair to grow!

"Little glutton!"

if you want to eat something, you have to answer me first. How long will I sleep if I eat the entire black coffin? " Chen Xiaobei asked.

this black coffin is made from seven-star earth-god grade black Luo meteorite iron. There's a lot of it ...

" I don't think so! Xiao 'er thought for a moment and said, " if bro bei eats all of them in one go, I'm afraid he'll have to sleep for about 100 days!

a hundred days?!

Chen Xiaobei thought for a moment and said, " I can't sleep for so long. If I use the sunlight cache, I'll need to consume 100 years of my lifespan every day. My lifespan isn't enough!

"Bro bei! I can use my lifespan to help you open the sunlight cache!"

"I'm the head of the ten most ferocious insects in the untainted land, and I can live as long as the heaven and earth!" The waiter said bravely. To me, my lifespan is almost endless!"

"No!"

no! Chen Xiaobei shook his head and said, " you're still a kid! The loss of lifespan will bring you a bad variable in the unseen world. After you become an adult, you might not develop well!"

"Then what do we do?" "You can't really sleep for a hundred days, can you?" the waiter asked.

"I have an idea!"

hehe ... Chen Xiaobei grinned. if you want to use someone else's life to open the sunlight cache, I have a perfect candidate!

"Who is it?" The waiter was puzzled.

Chen Xiaobei did not answer. Instead, he took out the verdant Emperor's divine gourd and released a person!

That's right! It was Qin Wuxin!

[ding Yingying's cultivation level: three-star earth-god level, lifespan: 9899999 years, physique: 3000,000, combat power: 30000000!]

Qin Wuxin was a member of the blood clan and had a long life.

Now that Qin Wuxin was in Chen Xiaobei's hands, he could not escape the fate of being a lab rat!

"Little Zi!"

Oh?"Chen Xiaobei raised his eyebrows and asked," have you prepared the curse I asked you to prepare?"

Zi Yuan flew out and said,'messing with one's mind, bewitching one's heart! This curse is a bit difficult, so I can only try!"

Chen Xiaobei took out the sunlight cache. He had disturbed Qin Wuxin's mind and bewitched his heart! Make him obey you and activate the magic treasure in my hand!"

"Wuli ... Jili ..."

Zi Yuan silently circulated his true Yuan, his mouth full of strange incantations that no one could understand.

"Uh ..."

Suddenly, Qin Wuxin, who was unconscious, let out a muffled groan and opened his eyes.

However, his eyes were listless and empty. He was dumbstruck.

"Give him the magic treasure!" Zi Yuan quickly said.

"Alright!" Chen Xiaobei nodded and handed the sunlight cache to Qin Wuxin.

Zi Yuan continued to chant, and Qin Wuxin really did unconsciously communicate with his spirit and activated the sunlight cache!

"I've succeeded!"

Chen Xiaobei's eyes lit up and he quickly shouted, " "Waiter! 'Lend me your superpower!' Just eat it!"

"No problem!" Xiao 'er was already prepared and immediately lent out his ability.

"Ka! Ka! Ka ..."

Without a word, Chen Xiaobei gnawed at the black coffin!

The black Rakshasa meteorite metal made crunching sounds as it was chewed. It couldn't be more delicious! The huge black coffin was devoured by Chen Xiaobei in no time!

There was only one black box left. Chen Xiaobei left it for Xiao 'er!

[Red Envelope Group of the Three Realms](#)

Chapter 2087: Direct Fight Meet

"Whoosh ..."

The sunlight cache's special ability was activated. Within the spiritual light domain, one minute was equivalent to a whole day outside!

However, the price was that one minute would cost him 100 years of his lifespan!

100 minutes would consume 10000 years of his lifespan!

To Chen Xiaobei, even if he had 10000 years of life, he would not waste it like this!

Of course, Chen Xiaobei would not feel the pinch if he was consuming someone else's life!

To Chen Xiaobei, it was a great thing to consume the lifespan of his enemies!

Little Zi Yuan used a curse to control Qin Wuxin's mind and made him consume his lifespan to activate the sunlight cache.

This way, Chen Xiaobei only needed to sleep for 100 minutes to digest the black coffin and turn it into his own health!

Back then, the best thing that Chen Xiaobei had ever eaten was probably the black Tiger sky quake hammer that Shen gongpao had accidentally given him in the red envelope.

It was a five-star earth-god instrument owned by Shen Gongbao during his early cultivation stage!

When he reached the middle and late stages of cultivation, Shen Gongbao no longer used it. He just kept it as a memento.

Chen Xiaobei did not have enough spiritual stones to activate the black Tiger sky quake hammer, so he decided to eat it.

After eating the black Tiger sky quake hammer, Chen Xiaobei's physical strength had increased by 30000 points!

According to his calculations, a seven-star earth-god grade dark Luo metal could increase Chen Xiaobei's physical strength by 150000 points!

In addition, there was the addition of the level-three heavenly Dao cultivation Halo! That would increase Chen Xiaobei's physical strength by 600000 points!

Although it was still a long way from his target of 970000 physical strength, to Chen Xiaobei, an increase of 600000 was still a huge increase in his strength!

.....

Time passed very quickly, especially when he was sleeping. A hundred minutes passed by in the blink of an eye.

[ding Yingying's cultivation base: four fire god-refining, lifespan: 4500 years, physique: 3700000, combat power: 3100000!]

"Yes, the result is better than I expected! In total, his physical strength had increased by more than 630000 points! This way, with the primordial Witch King combat enhancement training manual, my combat power will reach 3.7 million!"

Chen Xiaobei grinned evilly. "The strongest Shen yuanbin is only at the five fire spirit-refining level. With 3.5 million combat power, I can easily beat him! The beast God contest was going to start! Wakaka ..."

Chen Xiaobei's plan to increase his cultivation level had been successfully completed!

He put away the heaven and earth smelt, the sunlight cache, and Qin Wuxin back into the verdant Emperor's divine gourd. Zi Yuan hid well, and the waiter returned to the ten thousand beasts ring.

After Chen Xiaobei made sure that he did not leave anything suspicious behind, he stopped the formation and walked out of The Starry Cave.

"Young master Feng is out! It's young master Feng!"

Idina had been looking at the entrance of the cave. When she saw Chen Xiaobei, she ran over to him excitedly.

The seven elders and the thirty-odd participants all gathered around Chen Xiaobei.

"Young master Feng! What was the result?"

"How much have you comprehended from the lost ten thousand beast STAR technique of our clan?" the great elder asked eagerly.

As soon as he said that, everyone perked up their ears, paying great attention to this answer.

"It's completely done!"

it's not that hard to learn this astral Beast Battle technique. I've already mastered it! Chen Xiaobei said.

"That's great! This is great!"

The first elder and the other members of the Council of Elders were all excited. "Our clan's Strongest Battle technique has not been lost! Lord beast deity's blood, sweat, and tears have found a successor!"

how ... How is this possible?!

Around them, most of the people could not believe it. "It hasn't been three hours! How could that kid have completely comprehended the ten thousand beast Star Battle technique? Even if his comprehension is heaven-defying, it's impossible for him to be so fast!"

"In my opinion, this kid is just bragging!"

no one knows the 'astral battle technique of ten thousand beasts' anyway! Zhu Qiang-Qiang said in a bad mood. this kid is definitely pretending to know it! He's just raising his own status!

"That makes sense!" "Just by talking, anyone can say that they know the ten thousand beast stellar battle technique. There's no way to verify it anyway!" Shen yuanbin said, unconvinced.

"Well said! You're right!"

Jiang zipeng immediately led the rest of the participants to cheer, " there's no proof. We'll only know if it's a mule or a horse after we take it out for a walk!

"Hehe, you don't have to provoke me. Isn't the beast God fight meet happening soon? If you want to see the ten thousand beast stellar battle technique, you'll have plenty of chances in the arena!"

Chen Xiaobei was not moved at all. He even wanted to laugh. "Of course, you have to have the strength to do so! If you can't even take one of my moves, then you're not qualified to appreciate the heavenly immortal-level battle tactics created by the great beast deity!"

"Numbing! You brat, you're simply a poser!" you're just a piece of trash in the spirit-refining stage! Zhu Jianqiang cursed. how dare you say such arrogant words!

Jiang zipeng sneered, " "You little piece of trash who can refine the spirit with one fire! If you can take one of my moves, it's your win!"

"Hmph! Kill him? Why do you need one move?" "I can kill him 300 times with one finger!" Shen yuanbin said with disdain.

At the same time, the thirty or so participants began to curse.

In their eyes, Chen Xiaobei was only at one fire god-refining level, the lowest cultivation level among them!

A mere little trash actually dared to speak such arrogant words. This made everyone feel that they had been greatly provoked.

"This stinky fellow! acting cool again ... Edina's face was filled with anxiety and worry." "This has aroused public anger, how should we end this?"

From what she could see, even though Chen Xiaobei had a lot of trump cards, he was not allowed to use any magical equipment in the life and death Ring. He would have to fight with his own strength! With Chen Xiaobei's strength, he would not be able to defeat anyone!

Even the great elder frowned and said, " "Young master Feng! This old man has to remind you! The beast God contest will be held on the life and death platform!"

"It doesn't matter!"

Under everyone's questioning gaze, Chen Xiaobei smiled and said, " "If you can't wait to fight with me, why don't you start the beast God contest directly?"

"You little brat! You must have taken the wrong medicine!"

Zhu Qiang Qiang rubbed his hands and said, "I give up on entering The Starry Cave!" I request the elders to start the beast God fight meet directly!"

I also give up entering The Starry Cave, " Jiang zipeng said ruthlessly. this little trash is courting death. I have no reason not to fulfill his wish!

Shen yuanbin said indifferently, "I also apply to start the fight meet immediately!" After choosing a new king, there will be plenty of time to slowly comprehend in The Starry Cave!"

"In that case ..."

The great elder and the other elders exchanged a look and announced, " everyone, listen up! Let's go to the life and death Ring and start the beast God contest!

[Red Envelope Group of the Three Realms](#)

Chapter 2088: Come Up Together

The life and death Ring was not far away from the star Grotto-heaven.

Naturally, there were cameras and big screens installed there.

The live broadcast resumed, and the news of the beast God contest being brought forward quickly spread. More and more orc civilians joined the live broadcast.

Although it was already late at night, this fight meet would finally decide the new white Tiger honorable King!

Therefore, the people gave up on sleeping and stayed up all night to watch the live broadcast!

Even in many places outside of The White Tiger continent, many forces were also paying attention to this beast God martial competition!

It was destined to be a sleepless night!

Jin Fei brought back the news from bei Xuan faction. Everyone was staring at the big screen in the training field.

The asteroid was not fully powered yet. Each city only had one or two large screens. But all 800 million people had left their warm beds and gathered in the city square, just to see Chen Xiaobei!

The Black Tortoise continent, the Vermillion Bird continent, and the Azure Dragon continent were all watching this live broadcast!

This was going to be an important livestream that would affect the future of apocalypse Starfield!

A new order and balance might be established in the square continent after this live broadcast!

of course, heaven dominating faction was also the most concerned about this live broadcast!

because of Tian Peng's arrival, all the higher-ups of heaven covering sect, including the sect leader, were nervous.

"Darknorth sect master!"

Tian Peng stood in the center of the hall and said emotionally, "I'm sure that young master Feng is Chen Zhufeng! Today is our best chance to get rid of him! If he becomes the revered King of The White Tiger, it will be even more difficult for us to kill him!"

heaven dominating faction's 30 core elders and 100 core disciples were all standing on both sides of the hall!

Only one person could sit on the domineering Wyvern throne!

This man was the master of the heaven dominating faction in apocalypse Starfield, the strongest expert in apocalypse Starfield, number one on the great heavenly fate ranking, beiming Wuji!

"Mr. Tianpeng, I respect you as a four-star earth level deity, but I can't believe you without any evidence!"

Beiming Wuji was wearing a purple gold crown, a black ink robe and a Black Gold Chain armor. He didn't look like a sect leader, but more like a Grand Marshal.

"It's fine if you don't believe me!"

"As long as you go to the scene and catch the person, you will know if I'm telling the truth!" Tian Peng said in a deep voice.

"Mr. Canopy, you must be joking. That place is The White Tiger continent's beast God mountain!"

Beiming Wuji furrowed his brows, "the beast clan regards the beast God mountain as their sacred ground. If we force our way in, we will definitely anger the entire beast clan!" This race, whose faith is above all else, will risk their lives to defend the Holy Land!"

"That's their faith! It's not ours!"

"Sect leader!" Tian Peng said. Don't forget! Chen Zhufeng had already destroyed two of the Black Tortoise and white Tiger's branches! If heaven dominating faction doesn't fight back now, you can just wait to die in Chen Zhufeng's hands!"

As soon as he said that, the crowd was stirred.

"PAH!"

what?! the second core elder cursed. Chen Zhufeng is just a cockroach in our eyes! He only knew how to hide in a dirty corner and do some sneaky things! He can dream on if he wants to destroy my heaven dominating sect!"

"Is there a hole in your brain? "The higher-ups of the four royal cities, the Grand Elder of heaven dominating faction, colluded with the demonic sect and planned for a hundred years, but Chen Zhufeng crushed them all!"

what? " Tian Peng said angrily, " you said Chen Zhufeng only knows how to dodge? " In your eyes, this earth-shaking feat is called stealing chickens and dogs?"

this ... the second core elder's expression froze, and he was instantly speechless.

"Darknorth sect leader! Don't hesitate anymore! As long as we can capture Chen Zhufeng, so what if we offend The White Tiger continent?"

Chen Zhufeng is a thorn in our side! Tian Peng said seriously. he might give us a fatal blow at any time! As for the beast clan, at most they will just protest. They will definitely not come to the Azure Dragon continent!"

en ... beiming Wuji kept silent for a while and finally nodded, " "Tell me your plan."

"My plan is simple!"

no! Tian Peng said confidently, " beiming clan leader only needs to send people to hold the people from the beast God Council. I have my ways to take down Chen Zhufeng!

Chen Zhufeng has a lot of trump cards. Where do you get your confidence from? " Beiming Wuji asked.

Tian Peng smiled and said,"to be honest, I've already sent people into beast God mountain!" This man had a five-star earth-god instrument! At the most crucial moment, he will launch a sneak attack and defeat Chen Zhufeng in one fell swoop!"

alright! beiming Wuji thought for a while and said, " in that case, I'll send seven core elders with three five star earth-god instruments and four four four star earth-god instruments to follow Mister Tian Peng to the beast God mountain!

"Will seven people be enough?" Tian Peng frowned.

"That's enough!"

Beiming Wuji said confidently,"in apocalypse Starfield, a 5-star earth-god instrument is the strongest treasure!" In the beast deity Elder Council, only the first elder, Bai nianfeng, had a five-star earth-god instrument! Furthermore, the second elder, nie changkong, is one of my men!"

Tian Peng's eyes lit up, " "It's indeed enough! The force that darknorth sect master had sent out was enough to crush the six great elders of divine beast mountain! You can even help me deal with Chen Zhufeng!"

Beiming Wuji said,"I've already shown my sincerity, I hope the result won't disappoint me!."

"Don't worry, sect master beiming!" Chen Zhufeng! Tian Peng's eyes narrowed and he said, "Chen Zhufeng will not be able to escape!"

en ... beiming Wuji nodded his head.

Then, seven core elders walked out and followed Tian Peng.

.....

Beast God mountain, life and death Ring!

[ding! Tianpeng has sent you a message!]

Chen Xiaobei took out Qin Wuxin's phone and smiled devilishly.

Tian Peng: "I'm done here. I'll head to The White Tiger continent through the teleportation formation now. Get ready. We'll act at any time!"

Chen Xiaobei used Qin Wuxin's phone and quickly replied, "No problem!"

"second senior brother really dares to bring people from heaven dominating sect! Since that's the case, I'll tell them to come standing and go back lying down!"

Chen Xiaobei grinned. The curve of his lips was very evil!

"You little brat! It's your turn to go on stage! Why are you still laughing like an idiot?" Zhu Qiang Qiang cursed.

"You're not afraid, are you?" Wan Jianfeng sneered.

Jiang zipeng and Shen yuanbin said with disdain, "We're in the middle of a live broadcast! If you don't dare to go on stage, you'll be letting down your supporters."

"Who said I'm not going on stage?"

Chen Xiaobei walked up to the survival Arena and scanned the crowd with his dark eyes. those who don't like me, come at me together. I'll take them all, and I promise I won't beat you to death!

As soon as he said that, the crowd exploded!

Red Envelope Group of the Three Realms

Chapter 2089: One Against Three

"Young master Feng? Are you crazy!"

Edina panicked, and her face turned pale. "You can't even beat one person, and you still dare to call everyone to attack together? Isn't this just looking for death?"

"Young master Feng, don't joke around!" The great elder's brows furrowed. The beast God contest is a very serious event!"

"I'm not joking."

Chen Xiaobei shrugged and said, " since they don't like me and want to beat me down, why don't we save time and let them come at me together? "

"Pretentious d * ck! How much do you want to die? He actually forced himself to court death!" Zhu Qiang Qiang shouted angrily.

what right do you have to make us attack you together? " Wan Jianfeng said disdainfully.

Jiang zipeng, Shen yuanbin, and all the other participants looked at Chen Xiaobei with disdain, as if he was a lunatic.

After all, Chen Xiaobei's request did not make any sense. Even the viewers in the live stream did not believe him and started complaining.

I've just opened the live broadcast room, and this kid is young master Feng? That's too Savage! A 21 or 22 year old kid dares to look down on the top young master of our beast clan!

Qianqian, I remember that during the spirit testing, he was only at the one-fire spirit-refining realm. Although his bloodline is powerful, without the foundation of cultivation, no matter how strong his bloodline is, it's useless!

Qianqian dared to be so arrogant at a mere one fire god-refinement, she was simply a Mantis trying to stop a car, overestimating her own strength!

"Numbed! Are we still going to fight?"

On the life and death Ring, a bronze-skinned young man who was as strong as a bull shouted impatiently, ""You're just a little piece of trash who can refine the spirit with one fire. I can kill you all with one slap! You actually still have the face to speak such arrogant words, you really don't know shame!"

[ding Yingluo's cultivation base: second fire spirit-refinement, lifespan: Year 2883, physique: 2000000, combat power: 2000000!]

Chen Xiaobei looked at the bull-faced young man. He was the opponent that Chen Xiaobei was going to fight.

His tone was rather arrogant, but in Chen Xiaobei's eyes, he was just a joke!

"Since no one believes me, I'll give everyone an appetizer first."

Chen Xiaobei shrugged and said, " first elder, please announce the start of the battle. I'll start with a one-on-one fight!

"Are you confident? don't force yourself ... the first elder was still worried about Chen Xiaobei's safety.

"Third elder! Activate the array and seal the life and death Ring!" Yi changkong gave the order without waiting for the first elder to speak.

One had to know that once the life and death Ring was sealed, the seal could only be removed if one party was killed or the loser begged for forgiveness from the winner.

It was obvious that Xi changkong wanted Chen Xiaobei to die in the arena of life and death.

"There's no need to activate the formation."

that's right! Chen Xiaobei chuckled. because this stupid big guy has already lost!

"Already lost? How is this possible?" Everyone was dumbfounded. They did not understand what Chen Xiaobei meant.

"Swish!"

The next moment, Chen Xiaobei took a step forward and his body turned into a shadow that could not be seen with the naked eye. He was in front of the bull-faced young man.

"Bang!"

Chen Xiaobei lifted his leg and kicked the bull-faced young man's stomach.

"Ow Uh ah"

With a miserable cry, the bull-faced young man was kicked a few meters away and fell heavily out of the life and death Ring.

"Pfft ..."

After spurring out a mouthful of blood, the bull-faced young man clutched his stomach and his body bent like a shrimp. He twitched a few times on the ground and passed out.

In the blink of an eye, the outcome was decided!

this ... This, this, this ... the third elder's hand froze on the spot. He didn't have the time to activate the array.

what the f * ck ... Xi changkong's face turned green. Just a second ago, he was still thinking of trapping Chen Xiaobei in the arena of life and death, but the next second, Chen Xiaobei had already won!

no way ... the first elder and Edina were dumbfounded. This was the third time they had seen Chen Xiaobei. They could not believe what they had just seen, but they were all stunned by Chen Xiaobei.

"What happened? Am I seeing an illusion?" Zhu Jianqiang was dumbfounded. He couldn't believe his eyes.

"Where's the one fire that refined the spirit?" "That kid's speed was so fast that I couldn't even see him clearly!" Wan Jianfeng swallowed his saliva.

this doesn't make sense ... zipeng Jiang's face turned very ugly."Is there a problem with the spirit testing Jade pillar? This kid's cultivation is definitely not just one fire refining spirit!"

"This kid! He's hidden so well!" Shen yuanbin's eyes narrowed, and he said ruthlessly,"Interesting! I like strong opponents! This kind of battle was interesting!

* ***** This young master Feng is so awesome! He had killed his opponent in an instant!

Long live the new king of Xuanji! Long live the new king! Where were the people who were ridiculing him just now? Why aren't you talking? His face must have been slapped swollen? Hahaha ...

The new king of Suan ni is mighty! The new king was domineering! I knew that following the new king was the right choice!

I'll still say the same thing. Those who want to fight me, come on stage. I promise I won't beat you to death!

Chen Xiaobei's lips curled into a harmless smile.

In the eyes of others, this smile was simply overbearing! He had a strong aura of 'no matter how strong the wind and waves are, I'll stay calm and steady'!

Only a powerhouse who could truly control the overall situation would have such an aura!

The ordinary participants were all shocked and scared. They didn't dare to accept the challenge. They all retreated and didn't even dare to let out a fart.

As a result, there were only four people left at the edge of the life and death Ring.

"Let's attack together!" this kid is hiding too much, " Zhu Jianqiang said in a low voice. let's work together to kill him first!

"That makes sense!"

Jiang zipeng nodded and said, " this kid has a heaven-defying bloodline. He also has the support of the Grand Elder and the approval of more and more people! If we don't get rid of him, the new king will be his!"

"Count me in!" Wan Jianfeng's eyes narrowed and he rubbed his hands.

"I'm not going." Shen yuanbin said arrogantly, "what did that little trash do?" You're not worthy of me taking action!"

"Alright, we'll go first!" Zhu Qiang Qiang said, "three against one, I don't believe we can't handle that kid."

After they finished speaking, Zhu Qiang Qiang, Wan Jianfeng, and Jiang zipeng stepped onto the life and death arena.

"Great elder! Can we start the war?" what's wrong? " Chen Xiaobei asked without any fear.

"Yes ... You can!" The great elder hesitated for a moment. He was still a little worried at first.

However, when he thought about Chen Xiaobei's amazing performance, he decided to agree to Chen Xiaobei's decision!

What the f * ck! One against three! This had never happened in the history of the beast God contest!

He was the young master of the city of beastmen on the Azure Dragon continent, Wan Jianfeng! He was the young master of the number one sect on The White Tiger continent, Zhu Jianqiang! He was Jiang

zipeng, a noble of the Azure Dragon Capital city! Three young experts were fighting against young master Feng together! It was simply too explosive!

If young master Feng wins, I'll immediately become his hardcore fan!

"You little brat! Accept your death!"

die! Wan Jianfeng roared and charged at Chen Xiaobei.

"Die?"

"I'm going to slap you to death!" Chen Xiaobei said.

Chapter 2090: Shocking Everyone

"You little brat! You're simply lawless! I'd like to see how deep your water is!"

Wan Jianfeng waved his hands and his red robe fluttered. He roared with an imposing manner, "soaring flames tower!!!

"Boom boom boom ..."

With a furious roar, Scarlet flames surged up, and the terrifying true essence fluctuation seemed to crush everything around it!

In an instant, Wan Jianfeng's feet seemed to be stepping on fire. Behind him, a 100-meter-tall building appeared!

Stepping on fire and rising into the air! Coupled with Wan Jianfeng's usual elegance and demeanor, he was like an immortal descending to the world, gorgeous and without a lack of poetry!

Whoosh! Whoosh! Young master Wan is so handsome! This soaring flames cloud tower move was simply too cool!

I'm a disciple of the thousand beast city! Our young master is the best!

Yingluo could only rely on that young master Feng now! Would he be able to withstand young master Wan's 2.5 million combat power?

young master Feng ... Can you do it ...? the great elder and Edina's hearts clenched as they stared at the stage.

In their eyes, Wan Jianfeng was a three-fire god-refining cultivator with 2.5 million combat power!

The ten thousand sealing swords did not hold back at all. It pushed the power of the soaring flames to its peak and was aimed at Chen Xiaobei!

"BOOM! BOOM! Boom ..."

Wan Jianfeng took a few steps forward and jumped up. He kicked out with both his legs, bringing with them blazing flames and the building's Dharma form. It was as if the sky was covered by the flames, completely shrouding Chen Xiaobei.

"F * ck your uncle!"

Hmph! Chen Xiaobei snorted. He took a step forward and unleashed 3.1 million combat power, which was several times faster than the seal of ten thousand swords.

Other than the seven elders, there were only a few people who could see Chen Xiaobei's movements!

"Ka!"

Chen Xiaobei's left hand turned into a claw, like an eagle's claw, and grabbed Wan Jianfeng's ankle.

"Swish!"

Grabbing Wan Jianfeng's ankle, Chen Xiaobei threw him into the air like a meteor hammer.

"Pa!!!"

Chen Xiaobei clenched his right fist and swung it at Wan Jianfeng's face.

The impact of 3.1 million combat power caused a thunderous explosion.

Everyone at the venue, including the audience, subconsciously touched their cheeks. That slap was painful just by looking at it!

"Argh ..."

Wan Jianfeng screamed like a pig being slaughtered. Like a spinning top, he spun rapidly and was sent flying fifty meters away.

"Pfft ..."

Falling to the ground, Wan Jianfeng's neck tilted, and his teeth and blood spurted out! Half of his face swelled up like a pig's face, and there was a bright red palm print on it!

"It hurts ... Ow! It hurts so much ..."

Wan Jianfeng covered his face and screamed again and again. His whole body was paralyzed on the ground and twitched. His head was dizzy, as if his skull was about to explode. He couldn't even get up.

Without a doubt, Wan Jianfeng had already been defeated and could no longer fight!

Not to mention elegance and grace, all of Wan Jianfeng's image, all of his face, and even his reputation was destroyed by this slap!

One had to know that this was a live broadcast!

Whoosh! Whoosh! Hahaha ... Wan Jianfeng is too funny, right? His handsomeness didn't last for more than three seconds, and it was settled with a slap from young master Feng!

Where are the disciples of the city of beastmen? Wasn't he very active just now? How come he's not even here?

The new king of Kongtong was mighty-domineering, and handsome! 2.5 million combat power, in front of our new king, that's only 2.5 million! Hahaha ...

Young master Feng was simply too awesome! I'm already a fan of young master Feng! From now on, I swear to follow you to death!

"Young master Feng ... Just how strong is he ..."

Edina blinked her big eyes, completely dumbfounded. I actually couldn't see his movements clearly just now ...

"Could it be that the spirit testing Jade pillar is really broken?" Zhu Jianqiang and Jiang zipeng's faces turned ashen. In the blink of an eye, only the two of them were left on the stage.

"Young master Feng! As expected, he's not simple!" The great elder's eyes were filled with admiration as he nodded repeatedly. our White Tiger continent has a successor!

The great elder had seen through Chen Xiaobei's strength and was very satisfied with him.

However, the battle was not over yet. The great elder did not reveal Chen Xiaobei's strength to avoid alerting the enemy and making them wary!

Of course, the great elder was not the only one who could tell Chen Xiaobei's strength.

Yi changkong was obviously on Jiang zipeng's side. He shouted, " "Purple ROC! Use your bloodline ability immediately! That brat's combat power had reached 3.1 million! We can't underestimate our enemy!"

"What? 3.1 million combat power?"

Everyone was shocked by his words!

All the participants and even the audience could not believe that Chen Xiaobei had such a high cultivation!

Of all the participants, Chen Xiaobei was the youngest!

However, his combat power of 3.1 million had already surpassed Jiang zipeng, and was only behind Shen yuanbin!

Moreover, Shen yuanbin was from the earth-god Realm, not from apocalypse Starfield.

This meant that the youngest Chen Xiaobei had become the strongest among all the young orcs under the age of 30 in apocalypse Starfield!

Wufu is too awesome! Young master Feng was still young, but his cultivation was already the number one among the young beastmen! It was simply insanely cool!

A genius! This was a true genius! At the age of twenty-one or twenty-two, he already had such achievements! Before the age of thirty, young master Feng would definitely be able to step onto the great heavenly fate rankings!

The heavens were watching over him! The beast God's blessing! Our beast clan finally has a super genius that appears once in a million years!

Young master Feng will definitely be our new king! The human-beast hybrid clan would definitely rise to power under young master Feng's leadership!

Long live young master Feng! Long live! Long live long live!

Without a doubt, Chen Xiaobei's cultivation had given everyone a huge shock.

It was not that Chen Xiaobei's cultivation was very high, but it was a miracle to have such a cultivation at Chen Xiaobei's age!

One must know that Jiang zipeng, Zhu Jianqiang, Wan Jianfeng, these top second-generation filthy rich young masters who were born with a golden spoon in their mouths had already had countless elixirs to nurse their bodies and cultivate their root bones when they were still in their mothers' wombs!

After they were born, they enjoyed countless top-notch cultivation resources! There were also a large number of top-notch experts guiding him! The path of cultivation could be said to be smooth sailing!

But now, they were all 28 or 29 years old, and their cultivation was even lower than Chen Xiaobei, who was 21 or 22 years old!

One could only imagine how rare it was for Chen Xiaobei to have his current cultivation! What a miracle!

"Brother Zhu! This kid was simply a monster! If we don't get rid of him today, he will definitely become a great threat to us in the future!"

what? " Jiang zipeng's eyes narrowed. let's use our bloodline power together and fight together. We'll definitely take him down!

"Alright!" Zhu Qiang-Qiang gritted his teeth, and the fat on his body trembled.

"A bloodline ability?"

Chen Xiaobei raised his eyebrows and said, " "What's the use of all these fancy things? Isn't it just a slap to the face?"
