Chapter 2091: Meat Shield And Sharp Blade

Arrogant! Mad hack! Overbearing!

Chen Xiaobei's casual words made the audience go wild!

Of course, it also made his enemies gnash their teeth in hatred!

"Little bastard! You can continue acting cool! You'll be crying in due time!"

Zhu Qiang-Qiang clenched his teeth and his expression was twisted as if he was constipated. The fat on his body trembled, but he couldn't get it out.

"Wu!"

Suddenly, as if he had been pulled out, Zhu Jianqiang groaned and his whole body burst out with earthen yellow spiritual light!

Then, Zhu Jianqiang's skin began to turn yellow, like brass. Two long fangs grew out of his mouth, and his nose turned up like a pig's nose!

Zhu Jianqiang was originally as fat as a ball, and with this transformation, he directly turned into a real pig demon!

It was the blood of the bronze-skinned wild boar! This was Zhu Qiang's gifted bloodline! One-star earth-god level! It was said that it could greatly increase one's defense!

Yingying heard that he had been practicing the battle technique of the wild since he was young, and it could greatly enhance his wild beast talent! In other words, his defensive power could be raised to another level!

Yingluo was right! With his bloodline power, battle technique, and his protective Zhen Yuan, Zhu Qiang's defensive power was able to withstand young master Feng's 3.1 million combat power!

However, Zhu Qiang Qiang only had strong defensive power. He had no offensive power, so he could only be beaten!

Yingluo-are you stupid? Zhu Jian Qiang was a meat shield! The real attacker was purple ROC Prince!

Yingluo, yes! I almost forgot! Young master Feng was currently fighting one against two!

"The great purple ROC! 'Lend me your divine power!' Behead the enemy!"

Compared to Zhu Jianqiang, Jiang zipeng was much more handsome. With a low roar, his whole body glowed with purple light, which changed the color of the space!

A huge pair of wings stretched out from zipeng Jiang's back. The purple feathers were magnificent and Noble, like a divine bird descending to the world. It was like a dream!

"Chi ... Chi ..."

At the same time, Jiang zipeng's boots were broken, and his feet turned into a pair of sharp bird claws!

If an ordinary person were to be scratched by the claws, their body would probably be torn into pieces in an instant!

Tao Wu had appeared! The bloodline of the great purple ROC! He was so f * cking handsome!

Tao Wu had a nine-star earth-god bloodline! It could greatly increase one's combat power! With Jiang zipeng's cultivation base of four fire spirit-refining, it could increase his combat power by at least 500000!

Yingluo was amazing! Zhu Jianqiang was a super meat shield, and Jiang zipeng was a terrifying sharp blade! Young master Feng is in trouble!

Yingluo wasn't just in trouble. I think young master Feng is going to lose! He only had 3.1 million combat power, and he had no chance of winning if he fought against the two of them alone!

This was the consequence of acting tough! That brat had requested to fight against many people, and now was the time to act tough and get struck by lightning!

The third Prince of Xuanji would definitely win! Young master Zhu will definitely win!

As the battle situation changed, the audience's judgment of the outcome of the battle also began to change greatly!

It was not that he was biased towards anyone, but by common sense, Chen Xiaobei had no chance of winning!

"Bang!"

In the life and death arena, the battle had already erupted. Zhu Qiang Qiang took a step forward in anger, and his fat body started to run at an extreme speed, like a big Wild boar that was charging around!

It lowered its head, bared its fangs, and charged at Chen Xiaobei!

"Whoosh ..."

At the same time, Zhu Jianqiang secretly circulated the " wild tactics " that he had practiced for many years. Suddenly, a Wild Force burst out from his dantian!

Just as everyone had said, the effect of this battle technique of the wild was to strengthen the talent of wild beasts!

Spikes suddenly appeared on Zhu Qiang's already bronze skin, as if he had put on a bronze armor! The fangs became thicker and longer, as if they were holding two sabers!

Zhu Jianqiang's 2.5 million physical strength, in addition to his bloodline ability, could almost reach 2.8 million physical strength!

With the addition of the battle technique, his physical strength was almost 3.1 million!

Finally, he had to add a layer of protective Zhen Yuan to his defense!

There was no doubt that Zhu Qiang had absolute confidence in his defensive power since he dared to rush over!

"Woof!"

At the same time, Jiang zipeng flapped his purple wings and soared into the sky like a giant Roc, giving off an overbearing aura!

With Jiang zipeng as the core, a giant purple ROC Dharma form with a wingspan of no less than 200 meters was condensed!

The horrifying genuine vitality fluctuation was far beyond Jiang zipeng's 3000000 combat power, almost reaching 3.3 million!

That's right! This was the benefit that the bloodline of the great purple ROC had brought to Jiang zipeng!

It was because of this that Jiang zipeng had the confidence to fight Chen Xiaobei!

Just as the audience had predicted, Zhu Jianqiang acted as the meat shield and attacked Chen Xiaobei first. Jiang zipeng acted as the sharp blade and launched a fatal attack while Chen Xiaobei was distracted!

"Great elder! Hurry up and help young master Feng! "He's already in a dead end ..." Edina was extremely worried as she looked at the life and death Ring nervously.

"The totem iron rules! Outsiders are not allowed to interfere with the battle on the life and death arena!" the great elder is the first person to defend the iron rule, " Yi changkong said in a strange tone. how can he knowingly break the law? "

this ... Edina was completely flustered.

"Don't worry!"

The head elder was very calm, and said, " As the saying goes, things can't happen three times! Young master Feng had already shocked everyone three times in a row. This was enough to prove that young master Feng was an extraordinary person who couldn't be measured with common sense! He must have a way to deal with this battle!"

it can't be measured with common sense ... Edina's face was filled with shock.

"Hmph! Great elder, you're overestimating that kid!" Yi changkong sneered coldly and said,"in my opinion, this confrontation is enough to take his life!" He didn't even have the chance to beg for mercy!"

Hearing this, the elders around him all nodded silently.

Just like the audience in the livestream, they all thought that Chen Xiaobei was in trouble and had a slim chance of survival!

After all, Chen Xiaobei's combat power was only 3.1 million. There was no way he could win this battle!

"Little bastard! Go to hell!"

At the same time, Zhu Zhuangqiang had already reached Chen Xiaobei. His two fangs, which were like two blades, were aimed at Chen Xiaobei's chest.

"Little brat! You'll definitely die today!"

Jiang Zipeng also swooped down, his eyes locked on Chen Xiaobei like a Falcon, looking for the best time to strike!

"Hehe!"

Chen Xiaobei was not afraid of the enemy. He smiled and said, "You two want to kill me? Go back and train for another ten thousand years!"

"Bang!"

As soon as he finished speaking, Chen Xiaobei's left hand was like a cannonball, landing a hook on Zhu Jianqiang's face!

"

Zhu Zhuangqiang was very confident in his own defense, but under Chen Xiaobei's fist, he was in so much pain that he started to wail!

Who dared to think about it!

Half of Zhu Qiang's face had been smashed open by the heavy fist!

His skin split open and his flesh was torn, and his teeth and bones were all shattered! It was unbearable to look at!

"Swish!"

However, Chen Xiaobei's attack was not over yet. He reached out his right hand and grabbed Zhu Qiang Qiang's other Fang!

"Sit tight! Brother will take you to hunt some birds!" Chen Xiaobei grinned evilly.

[Red Envelope Group of the Three Realms](#)

Chapter 2092: Nine Yin Heaven-Killing

"Spare me ... Young master Feng, spare me ... Spare my life ..."

Zhu Qiang Qiang wailed, his pupils couldn't help but contract, half of his face was in extreme pain, and cold sweat was pouring down like rain!

This punch had shattered Zhu Qiang's worldview! It made Zhu Jianqiang realize that 3.1 million combat power was far from Chen Xiaobei's limit!

The defense that Zhu Qiang-Qiang was so proud of was like a piece of tofu under Chen Xiaobei's fist. He could not even withstand a single blow!

Other than begging for mercy, Zhu Jianqiang could not do anything else.

"Swish!"

However, Chen Xiaobei was not going to let Zhu Jianqiang off so easily. He stomped on the ground, grabbed Zhu Jianqiang's fangs, and jumped high into the air!

"This ... This, this, this ..."

Everything happened in a flash. Jiang zipeng was diving down from the sky.

Jiang zipeng was at a loss as to what to do when faced with Chen Xiaobei's speed. He did not have the time to react!

"Meat shield support sharp blade! I'm very curious, who is stronger?"

Chen Xiaobei grinned evilly and swung his arm. He grabbed Zhu Jianqiang's fangs and used Zhu Jianqiang like a giant hammer, smashing him into Jiang zipeng!

According to the audience's analysis, Zhu Jianqiang was a meat shield with super strong defense! Jiang zipeng was a sharp blade with super strong attack power!

At this moment, Jiang zipeng couldn't Dodge in time, and Zhu Jianqiang couldn't control himself!

A meat shield to support a sharp blade! Mars hitting earth! This terrifying attack was already irreversible!

As for who was stronger? No one really knew!

"Bang!"

A muffled sound was heard! Zhu Qiang Qiang's fat body smashed into zipeng Jiang!

"Pfft ..."

Jiang zipeng spurted out a mouthful of blood and fell to the ground like a broken kite!

It was not only the hard body of the bronze-skinned wild boar that hit zipeng Jiang, but also an extra force!

That was Chen Xiaobei's power!

After using the primordial Witch King combat enhancement training manual, his combat power had reached 3.7 million!

This had already far exceeded the 3.1 million that everyone had thought! It was an overwhelming power that was enough to crush Jiang zipeng and Zhu Qiang Qiang!

"Pfft ..."

At the same time, Zhu Qiang Qiang spat out half a catty of blood. More than half of the bones in his body were broken, and he directly fainted, unable to fight anymore!

Zhu Jian's body was being used as a weapon by Chen Xiaobei!

In this way, the greater the impact the enemy received, the greater the impact Zhu Qiang would receive!

I won again. It's not challenging at all!

Chen Xiaobei threw Zhu Jianqiang off the survival Arena, his dark eyes exuding a domineering aura.

The audience was completely blown away by the scene!

If I'm not wrong, young master Feng's combat power has already reached 3.7 million!

Oh my God! Young master Feng was only twenty-one or twenty-two years old! With such strength, he could easily be ranked in the top five of the minor heavenly fate ranking!

The main point was that the top five were all close to 30 years old! Compared to young master Feng, their talents were simply too weak!

I'm not bragging! Young master Feng was the number one genius in apocalypse Starfield! In terms of talent, no one could compare to young master Feng!

Young master Feng is invincible! Long live the new king!

"Great elder! You're really right!"

"Young master Feng really can't be measured with common sense!" Said Idina with great excitement. He was too strong! I really, really, really admire him!"

"Even this old man can't see through young master Feng's extraordinary abilities! I believe he will bring us more surprises!" "The new king of our beastmen race should be such an extraordinary powerhouse!" The first elder sighed from the bottom of his heart.

As soon as he said this, the surrounding elders were all extremely shocked. They all nodded secretly and agreed with the first elder's statement!

Only Yi changkong was left. His face was red and green, and his cheeks were burning!

Just a moment ago, Xi changkong had laughed and said that Chen Xiaobei would die. Now, reality had slapped him in the face. He had nothing to say!

"It's your turn, right?"

Chen Xiaobei's cold eyes swept across the crowd, and his gaze finally fell on Shen yuanbin.

There was no doubt that Shen yuanbin was the only one who could still fight. Other than him, everyone else was scared out of their wits by Chen Xiaobei. They could not even Dodge, let alone fight!

"No! I haven't lost yet!"

But at this moment, Jiang zipeng got up from the ground with difficulty. He wiped the blood from his mouth and roared, " "Little brat! You're so sinister! He actually hid such powerful strength!"

"Since you know how powerful I am, why don't you just lie down and play dead?" Are you looking for a beating?"

do you think that I don't have a hidden trump card? " "I'm the third Prince of the Azure Dragon Imperial City!" Jiang zipeng roared.

Chen Xiaobei was taken aback. no wonder you knew that Shen yuanbin was stronger, but you still had the confidence to participate in the selection. It turns out that you had a hidden card!

It was obvious that after the spirit testing, the participants already knew each other's strength!

Many people had already given up on the idea of becoming the new king from the bottom of their hearts. They stayed just to show their faces and show off through the live broadcast!

However, Jiang zipeng had always been confident even though he knew that he was weaker than Shen yuanbin.

It was conceivable that Jiang zipeng must have a powerful trump card that could defeat Shen yuanbin.

"Jiang zipeng!"

you're not allowed to use any Dharma Treasures on the life and death Ring, " the first elder said in a deep voice. otherwise, I'll consider you defeated!

"I still understand these rules!"

Jiang zipeng's eyes narrowed, and he said with a vicious smile, " "Even Zhu Qiang Qiang can practice battle tactics, why can't I?"

As soon as he said that, everyone was shocked,'what? You've actually secretly learned battle tactics? There have never been any rumors in the martial world!"

"Heh, this is my secret weapon! Naturally, we won't make it public!"

you're dead! Jiang zipeng said with killing intent, " those who have seen me use the nine Yin heaven-killing battle tactics are all dead!

"Nine Yin heaven-killing battle tactics? Great elder, have you heard of it?" Edina's eyebrows furrowed.

No... the great elder shook his head.

The surrounding people did not know either.

However, there were hundreds of millions of viewers in the livestream room. Naturally, there would be a few experienced and knowledgeable people!

Oh my God! Jiang zipeng had learned the legendary nine Yin heaven-killing battle tactics! In the legends, it was a battle technique from the underworld! It was extremely evil!

The Suan ni battle tactics could only be activated with a blood sacrifice! After activation, nine pure Yin heaven slaying swords would be formed! Each sword strike could greatly enhance Jiang zipeng's lethality!

In this way, Jiang zipeng's combat power would be close to four million! Even if Shen yuanbin used his Silver Dragon bloodline, he could only fight to a draw with Jiang zipeng!

"Jiang zipeng! You've really hidden it well!"

Shen yuanbin's eyes were solemn and he was secretly shocked, " if Jiang zipeng used this sneak attack without knowing, even I would be defeated!

"Tsk, you have the nerve to show off this lousy trump card in front of me?"

While everyone was still in shock, Chen Xiaobei said, " "It's not that I'm trying to act cool, but you don't even have the right to make me use my ten thousand beast stellar battle technique!"

Red Envelope Group of the Three Realms

Chapter 2093: Basic Operation

"Numbed! You still dare to act tough even when you're about to die! It's impossible for you to comprehend the ten thousand beast astral battle technique! Now, it's time for you to die!"

With a roar, Jiang zipeng hit his chest with his palm, and he spat out a mouthful of blood.

"Blood sacrifice of the nine Yin! The sword kills the heavens!"

Jiang zipeng roared again, and the blood he spat out was suspended in the air.

As if being guided by some mysterious force, the blood directly condensed into a small array in front of Jiang zipeng.

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

In the next moment, a semi-circular arc appeared in the small blood array, just like a Peacock spreading its tail!

There were a total of nine blood swords in this semi-circle!

According to the audience, Jiang zipeng's attacks were strengthened by the Blood Sword, which greatly enhanced his lethality!

With the help of the great purple ROC bloodline, Jiang zipeng could unleash almost 4000000 combat power!

"Originally, I wanted to use these nine pure Yin heaven slaying swords to deal with Shen yuanbin!"

Jiang zipeng glared at Chen Xiaobei, his cold killing intent almost tangible. "But now, I'm going to use them to kill you, you little bastard!"

"Come on! As long as you can hurt a single hair on my head, I'll admit defeat!" Chen Xiaobei was not afraid at all. He beckoned Jiang zipeng with his finger.

"Numbing! What right do you have to be so arrogant! Die!"

Jiang zipeng roared and flapped his wings like a ROC, soaring into the sky.

In an instant, purple light filled the sky, dazzling and dazzling!

A giant purple ROC with a wingspan of 200 meters was formed, almost blocking the sky.

What was different was that a blood-red pure Yin heaven-killing sword appeared in Jiang zipeng's hand!

This sword did not have a physical body, and was only a Dharma!

The sword contained the special ability of the nine Yin heaven-killing battle tactics, which directly enhanced Jiang zipeng's strength, allowing him to burst out a terrifying combat strength far beyond his own cultivation!

"Woof!"

Jiang zipeng didn't hesitate at all. With his sword in one hand and his wings in the wind, he activated his special ability with the nine Yin heaven-killing battle tactics and the great purple ROC bloodline!

This sword attack had 4000000 combat power!

No one under the six fires God-refining realm could receive this sword!

Yingluo is here! The legendary pure Yin heaven-killing sword! He was simply too powerful!

Young master Feng won't be able to block this attack, right? He only had 3.7 million combat power. There was a gap of 300000!

Yingluo, no way! Is young master Feng, who has brought us countless surprises, going to die under Jiang zipeng's hidden trump card?

No! I believe that young master Feng will have a way! Young master Feng is the revered King chosen by the heavens, he can not die Here!

Yes! We firmly believe in the new king!

"Young master Feng! You will not let us down!" The first elder and Idina's eyes were wide open as they stared at Chen Xiaobei.

"Four million combat power! There's no way that brat can block it!" Xi changkong gritted his teeth and refused to believe Chen Xiaobei.

Heaven dominating faction's headquarters, in the main hall, beiming Wuji looked at the screen and said, "It seems that Mr. Canopy doesn't need to do anything. That young master Feng is dead!"

"Sect leader is wise! There's no mistake in my judgment!" All the core elders and disciples in the hall nodded in agreement.

At the same time, almost everyone who was watching the live stream believed that Chen Xiaobei would not be able to escape this. He would definitely die under this sword!

Of course, there was an exception to this!

In the training field of bei Xuan faction, everyone was eating sunflower seeds and drinking fruit juice. They were talking and laughing, not worried about Chen Xiaobei at all.

"Grandpa Jiang, do you think master can take this sword?" Xuanyuan tuohai was the only one who was nervous.

Jiang Ziya laughed and said, "don't worry!" Your master's trump card is 108000 times stronger than that silly Chicky bloodline!"

"Master's trump card?" Xuanyuan tuohai was confused. we can't use Dharma Treasures on the life and death arena. What other trump card does master have? "

"Nine-star divine level, witch Dragon bloodline!" Jiang Ziya smiled.

this ... Xuanyuan taohai sucked in a breath of cold air as he stared at the screen."It's moving! Master is moving!"

Beast God mountain, life and death arena.

Chen Xiaobei raised his left hand and said, " "Settle the universe!"

"Whoosh ..."

The next moment, Chen Xiaobei's entire left arm glowed with a purple-gold spiritual light. Sharp dragon scales grew out at a speed visible to the naked eye!

"BOOM!"

Jiang zipeng was extremely fast and had already stabbed down with his sword!

The four million combat power Blood Sword pierced right into Chen Xiaobei's left palm!

Chen Xiaobei's left palm was covered with dragon scales and a sharp claw, turning into a Shining Dragon Claw!

With an explosive sound, the 4000000 combat power had completely collided with the purple-gold dragon Claw!

However, the next scene that appeared shocked everyone!

Chen Xiaobei stood there, unmoving. His left palm was not injured at all, as if what hit his palm was not 4 million combat power, but a breeze.

how ... How is this possible?!

In an instant, everyone was dumbfounded! He had never dreamed that such an outcome would occur!

What's going on with Yingluo? Jiang zipeng's 4000000 combat power was only enough to scratch young master Feng's itch?

Yingluo, my God! Young master Feng was simply an omnipotent God.

Yingying's purple-gold dragon Claw ... Could it be young master Feng's bloodline ability? A heaven-defying bloodline that surpassed the great beast God! His special ability was also heaven-defying!

"Dragon God bloodline! It was indeed the Dragon God's bloodline! Young master Feng didn't let us down!" The great elder and Edina were extremely excited.

this ... Yi changkong's face turned pale. He looked as if he had been cursed.

how ... How did this happen ... beiming Wuji's expression was extremely awkward.

everyone in the core Hall of heaven dominating faction was speechless and extremely embarrassed.

"What the f * ck! Shizun is simply too, too handsome!" Xuanyuan tuohai was so excited that he was dancing and cheering for Chen Xiaobei.

"Sit down, sit down! This was bro bei's basic skill! There's no need to make such a big fuss!" Red Boy curled his lips and continued munching on melon seeds. It was even more relaxing than watching a movie.

"Quickly look! Master still has a backup plan!" Xuanyuan tuohai shrieked in excitement.

calm down, calm down! That's just bro bei's basic skill! "Witch Dragon nine transformation, second transformation!" Nezha laughed.

"Shatter the mountains and rivers!"

At the same time, Chen Xiaobei had already launched his counterattack. Dragon scales appeared on his right arm, turning it into a Dragon Claw. He swung it at Jiang zipeng's head!

Calming the universe focused on defense! Shattered Mountain river master attacked!

As Chen Xiaobei's cultivation increased, the effects of the witch Dragon's nine transformation had also increased!

The claw had an additional 500000 combat power on top of his 3.7 million combat power!

Oh my God ... Jiang zipeng gasped and almost peed.

"Silver flood Dragon Sky Splitter!"

But! At this critical moment, Shen yuanbin, who had been watching the battle, suddenly attacked Chen Xiaobei!

[Red Envelope Group of the Three Realms](#)

Chapter 2094: Ultimate Killing Technique

In a flash!

Chen Xiaobei had used his own power to block Jiang zipeng's pure Yin sky-killing sword! With the other hand, he used the shattering mountains and rivers, ready to kill Jiang zipeng in one move with the power of four million combat power!

But! Just as everyone's attention was focused on the life and death Ring! Shen yuanbin, who was originally standing below the stage, actually jumped up in anger and suddenly launched a sinister sneak attack!

"Whoosh! Whoosh ..."

Silver light dazzled their eyes, and flood dragon scales were revealed! Scales and sharp claws also appeared on Shen yuanbin's arms!

It was obvious that Shen yuanbin's sneak attack was not a spontaneous one, but a premeditated one!

The silver Dragon bloodline was hidden in the dark and had already been activated by Shen yuanbin in advance. He was waiting for the best time to launch the most fatal sneak attack!

Shen yuanbin chose this moment to attack because he knew that Chen Xiaobei's shattering mountains and rivers was enough to destroy Jiang zipeng!

If he did not save Jiang zipeng, Shen yuanbin would not be able to defeat Chen Xiaobei alone!

Therefore, Shen yuanbin had to save Jiang zipeng!

This was the perfect moment to not only save Jiang zipeng, but also to severely injure or even kill Chen Xiaobei!

Seeing this scene, almost everyone's minds exploded!

A sneak attack! Shen yuanbin had launched a sneak attack on young master Feng! This guy was too despicable!

Young master Feng's hands had already made their moves, and there was no way for him to defend his back! Shen yuanbin would definitely be able to kill him in one shot!

* ***** How despicable! Even if he wins, we will not acknowledge him as the new king!

"Hmph Hmph! This time, even if young master Feng doesn't die, he'll be severely injured. If Shen yuanbin and Jiang zipeng join forces, they can kill him in minutes!" Beiming Wuji's eyes narrowed and a vicious smile appeared on his face!

"The sect master is right!"

the core elders and disciples of heaven dominating faction all nodded in agreement, " "Unless that young master Feng has three heads and six arms! Otherwise, this attack would have been impossible to block! It can't be avoided!"

"Great elder!"

Edina shrieked nervously, "no one is allowed to interfere in the battle on the life and death Ring!" Shen Yuan bin had already violated the totem pattern! Great elder, please stop him!"

"On the life and death arena! Outsiders are not allowed to interfere!" shut up! Yi changkong shouted coldly. the first elder is the notary, and he can't interfere!

"But! "Shen yuanbin has already seriously violated the rules ..." Edina was extremely anxious.

"No need to rush!"

At this moment, the great elder shook his head and said, "look at young master Feng's expression!" He was as calm as ever, without any fear! This kind of confidence is enough to prove that young master Feng still has more tricks up his sleeve!"

this ... upon hearing this, both Edina and Yi changkong were stunned.

"++! That b * tch sneaked an attack on shizun!" Xuanyuan tuohai shrieked nervously, " "The void gate behind master is wide open, and I can't defend! This is dangerous!"

"Little tuo hai, calm down!" Xiangyu held his wine bowl and said casually, " that 'earthworm bloodline' scumbag can't even hurt Xiaobei. He might even fall into Xiaobei's trap!

how ... How is this possible?! Xuanyuan tuohai was dumbfounded.

brother Yu knows Xiaobei best! the third transformation! six-eared macaque grinned. witch Dragon nine transformations, third transformation!

The moment he said that, everyone's eyes focused on the big screen!

"Ling jiuxiao!"

Chen Xiaobei's hands could not defend against the attack, but his bloodline power was not limited to calming the cosmos and shattering mountains and rivers!

In an instant, purplish-gold dragon scales appeared on Chen Xiaobei's legs.

"Swish!"

Chen Xiaobei's body disappeared from his original position and reappeared a few meters away.

"This ... This, this, this ..."

In the next moment, Jiang zipeng and Shen yuanbin were both dumbfounded, and their faces turned green!

Chen Xiaobei was facing Jiang zipeng with his back to Shen yuanbin!

Chen Xiaobei's sudden teleportation had caused Shen yuanbin's sneak attack to be aimed at Jiang zipeng!

Teleportation! It was completed in an instant! Shen yuanbin didn't have time to brake! Jiang zipeng didn't even have time to Dodge!

The consequences! One could imagine!

"Woof! Whoosh!"

Shen yuanbin's Silver-scaled dragon claws were like steel forks as they pierced into Jiang zipeng's body, injuring his bones and tendons!

"Ow ... Owuh ..."

Jiang zipeng suddenly screamed as ten bloody holes appeared on his body. Blood gushed out of the holes, and his face turned pale with pain. Cold sweat poured down his body like rain!

you ... Are you okay ... Shen yuanbin asked with a dumbfounded look.

"F * ck your Grandpa! Why don't you try stabbing yourself with your claws! Pfff ... Jiang zipeng was so anxious that he spurted out another mouthful of blood.

Yingluo, hahaha ... These two idiots are really stupid! He went for wool and came home shorn!

Young master Feng was about to explode! Just like the flash in the game, he would directly pull out and let those two silly dogs bite each other! Hahaha ...

Young master Feng is simply too awesome! If I become a streamer, I can compete with my bro bei!

Yingluo was right! If young master Feng were to become a streamer, he would be able to join bro bei in the legendary duo! It was simply six!

this ... How the f * ck is this possible ... in the heaven dominating faction's main hall, beiming Wuji's face was ashen. The elders and disciples broke out in cold sweat. They were all extremely embarrassed.

"Great elder! You've judged correctly again! Young master Feng is so cool!" There were stars in Edina's eyes. She had completely fallen into Chen Xiaobei's heart and had become one of his die-hard fans.

"King Qi! The king's appearance! King's power!" The great elder's face was full of surprise and he exclaimed, "It's a foregone conclusion that young master Feng will be the king! The myriad tribulation for the ascendant stage is just around the corner!"

Yi changkong's face turned red and green, as if he had just cursed a Tibetan Mastiff.

"Master! It's too, too, too awesome!" Xuanyuan tuohai was so excited that he jumped up and down, as if he was on steroids.

"You're excited too early! Xiaobei hasn't even used his most powerful move yet ..." Old Wang gulped, and a look of fear appeared on his face.

are you talking about ... Jiang Ziya's expression froze. the most terrifying, brutal, cold-blooded, and heartless legendary ...

Before he could finish his sentence, all the men present couldn't help but tighten their legs.

"What?" Xuanyuan tuohai was dumbfounded and looked at the big screen.

"Since you dare to ambush me, then don't blame me for playing dirty!"

Chen Xiaobei bent his right leg backward with 120% of his strength!

The fourth Transformation of the witch Dragon nine transformations, quaking eight wastelands! It was instantly activated!

It was combined with the hidden ultimate technique, [absolute kick]!

Hence, it became a super kill,"the only Supreme in all directions, the ultimate invincible absolute kick"!

"Bang!"

Without hesitation, Chen Xiaobei lifted his leg and kicked Shen yuanbin and Jiang zipeng's crotches with lightning speed!

That's right! At this moment, Shen yuanbin and Jiang zipeng were standing face to face, very close to each other!

And so!

The miracle of two birds with one foot had finally reappeared in the pugilistic world!

"Yi cuckoo ... Yi cuckoo ..."

Jiang zipeng and Shen yuanbin were directly kicked into the air.

As the saying goes, the heavens wish to be a bird with wings, but where did the bird go?

Red Envelope Group of the Three Realms

Chapter 2095: New King Established

"Ow...OWU... Owuwuwuwu ..."

Jiang zipeng and Shen yuanbin fell to the ground heavily. Their faces were as pale as paper, and the veins on their foreheads popped out. They screamed like old hens, and rolled on the ground in pain while covering their crotches with their hands.

"Hiss ..."

In an instant, gasps could be heard from all the people who were watching the live broadcast.

The members of the elder Council and all the participants clamped their legs together and swallowed.

Beiming Wuji, the core elders, and disciples of heaven dominating faction felt a chill down their spines and cold sweat started to form.

Although the people from bei Xuan faction were mentally prepared, they still clenched their legs when the kick landed.

Needless to say, the audience watching the live broadcast was completely shocked.

* * * * * This move was simply too explosive! Just looking at it made my scalp go numb ...

Young master Feng! You're too ruthless! With this kick, Shen yuanbin and Jiang zipeng would die without any offspring!

Yingluo, these two b * tches are despicable and shameless! They should be given the most ruthless revenge!

Yingluo pitied my two handsome little brothers! After this kick, she would probably have to call her little sister in the future!

Yingluo should be called a little eunuch! Hahaha ...

Young master Feng is awesome! This kick was too f * cking cool! If you're not acclimatized, then submit to young master Feng!

I only respect two people in my life. One is my bro bei! The other one was young master Feng!

Qianqian really wanted to see bro bei and Master Feng fight! It was absolutely shocking!

"Small earthworms? A little chick? Are you two still going to fight?"

Chen Xiaobei smiled innocently and said, "I advise you to admit defeat now and go treat your wounds! It'll be even worse if it's infected and pus-filled!"

"You ... Y-y-you ..."

Jiang zipeng and Shen yuanbin gritted their teeth in anger. They wanted to pounce on Chen Xiaobei and skin him alive!

Unfortunately, both of them had their hands on their crotches and couldn't even get up, let alone fight!

"There's no need to continue this battle!"

At this moment, the first elder took a step forward and stepped onto the life and death Ring. He faced the camera and announced loudly, "This time's beast God fight meet will be live-streamed! Young master Feng's victory was obvious to all!"

"At the same time, young master Feng's Dragon God bloodline, which surpasses Lord beast God, has also been revealed! In addition, young master Feng can control the ancient stellar formation!"

I don't think there's a need for me to announce anything anymore. Young master Feng has become the new honorable King. He deserves it!

Everyone was shocked by his words!

The world was shocked!

As the head of the elder Council! He was the spiritual leader of all the beastmen in the world! As a super die-hard believer who had completed the bitter cultivation in the void!

The first elder's words at this moment represented the decision of the elders Guild! It represented the decision of the beastmen! It even represented the decision of the beast God!

No one at the scene objected!

No one in the live broadcast room objected!

No beastmen in the world objected!

"Those who win people's hearts will win the World! From this moment on, young master Feng is the new king of our beast clan!"

the Ascension ceremony will be held on another auspicious day. Today, I will represent the elders Guild to hand over the sunflower water killing King Sword, which symbolizes the Honorable King's status, to young master Feng for safekeeping! the first elder announced in a clear voice.

As soon as he finished speaking, the first elder gave the third elder a look.

The third elder understood tacitly and immediately took out a dark blue long sword from his storage bracelet. He held the sword high with both hands and walked toward the life and death arena with solemn steps!

"All the beastmen in the world pay their respects to the new king!"

thank you! the great elder shouted and knelt down on one knee, bowing to Chen Xiaobei.

"My King! Long live! Long live! Long, long, long, long!"

Below the stage, Idina and all the other participants, nie changkong and the remaining elders, all knelt down on one knee and cheered.

At the same time, in apocalypse Starfield, every orc with a devout faith knelt down on one knee in the direction of White Tiger continent's beast God mountain and cheered!

Without a doubt, Chen Xiaobei, the new king, had gained the approval of most people!

Seeing this, Chen Xiaobei felt a sense of accomplishment and was in a good mood!

The only problem was that Chen Xiaobei's followers did not increase by much!

Of course, this was not surprising. The orcs had believed in the beast God for hundreds of millions of years and were the most devoted of them all. Although they acknowledged Chen Xiaobei, they would not easily change their faith for him!

If Chen Xiaobei wanted to replace the beast God and make all the orcs his loyal followers, it would take thousands of years!

It was easy to change mountains and rivers, but it was difficult to change one's nature! This kind of thing couldn't be forced, so he could only let nature take its course!

Luckily, Chen Xiaobei's goal was not to increase his followers but to obtain the third of the four demonic swords, the sword of the Aqua sunflower!

With the four demonic swords, Chen Xiaobei would be able to fight a six-star earth-god head-on!

Even if he left apocalypse Starfield and went to the earth-god Realm, he would still be very competitive!

This was very important to Chen Xiaobei!

"Please receive the sword, Your Majesty!"

The third elder knelt on one knee three meters in front of Chen Xiaobei and raised the sunflower water fiend King Sword with both hands!

The sword was three feet long, and the blade was blue! The cold sword Qi was constantly being swallowed! The fiendish water nether mark started to move! The cold air arrived before the sword blade!

"As expected of a five-star earth-god instrument!"

Chen Xiaobei felt great that he had achieved his goal.

But! At this moment!

In the sky, a terrifying five-star earth-god level power suddenly burst out!

"Boom boom boom ..."

In the pitch-black night sky, a 500-meter-long green Dragon appeared!

Green light shot out in all directions, and the entire space changed color!

"Chen Zhufeng! Die!"

An angry roar came from the night sky, and the Green Dragon suddenly descended from the sky and charged at Chen Xiaobei!

"Roar!"

The Dragon roared and the image of the Green Dragon changed again. One of its claws grabbed the stars and the other the moon. With the power to overturn the sky and the sea, it crushed down on Chen Xiaobei!

"Not good! Young master Feng, Dodge!"

no! the great elder screamed. He kneeled down on one knee and reacted, but he was too late to save Chen Xiaobei!

"What ... What is going on?"

The crowd was even slower to react. By the time they could react, the Green Dragon was already on top of Chen Xiaobei's head!

Young master Feng! Quickly use Ling jiuxiao! There's still time!

At this crucial moment, there was someone in the audience who suggested the best choice for Chen Xiaobei.

"I'm dead ..."

However, the third elder gasped in despair.

Although he was holding the kui water Demon King Sword, there was no spiritual Qi in the sword, so he could not activate its power at all.

If Chen Xiaobei dodged it with his penetrate the nine Heavens, the third elder would be dead!

"Don't panic! This King will protect you!"

Chen Xiaobei did not Dodge. Instead, he faced the sky and roared, "Swallow the four Seas!"

[Red Envelope Group of the Three Realms](#)

Chapter 2096: Rising Wind And Surging Clouds

"Boom boom boom ..."

The Green Dragon Dharma power descended from the sky. Its terrifying power seemed to want to completely crush the entire space!

Just as everyone was panicking and worried about Chen Xiaobei ...

Chen Xiaobei did not even try to Dodge or counter-attack, he just looked up at the terrifying five star earth-god level power!

"Whoosh ..."

In the next moment, a scene that shocked everyone appeared!

Dragon scales appeared on the lower half of Chen Xiaobei's face, making him look like a purple-gold mask!

A Dragon's Tooth appeared in Chen Xiaobei's mouth!

When it bared its fangs, it was like a true dragon opening its mouth, its aura swallowing the mountains, rivers, and seas!

"Hiss ..."

The Green dragon's head, which was as big as a small mountain, was swallowed by Chen Xiaobei!

"This ... This, this, this ..."

Seeing this scene, everyone was so shocked that their brains short-circuited, and they couldn't even find the words to describe it.

It swallowed the vital essence of a five-star earth-god!

No one had ever seen or heard of such a strange thing!

Everyone's heart was hit by an extremely strong impact. Their three views collapsed, and they even wondered if it was an illusion!

"Oh ..."

Chen Xiaobei was not in the mood to care about the others. After swallowing the Dragon head, he quickly shut his mouth.

It was a five-star earth-god Dharma laksana, after all. Chen Xiaobei's current physical body could only absorb one-tenth of its power!

If he swallowed the entire Green Dragon, Chen Xiaobei would also explode and die!

Of course, as long as he could absorb this one-tenth of the power, Chen Xiaobei would not have to worry about the rest!

The master-protecting puppet could withstand a fatal attack from anyone below the level of a five-star earth-god!

If he did not absorb this one-tenth of the power, the master-protecting puppet would be crushed and Chen Xiaobei would be severely injured.

But with this one-tenth less power, the master-protecting puppet could easily defend and protect Chen Xiaobei from harm.

"Boom boom boom ..."

The headless Azure Dragon came crashing down. The tremendous force caused the earth to shake and the sky to change color. The entire life and death arena was completely crushed!

However, after the dust settled, Chen Xiaobei stood proudly on the spot, took the sword of the King of Hell sunflower in one hand, and waved the other. "Third elder, hide further away. A great battle is coming!"

yes ... the third elder was still in shock. He got up and ran away. After running two steps, he remembered. "Thank you for saving my life, honorable King!"

Without a doubt, if Chen Xiaobei had not been there, the third elder would have been crushed to death by the Green Dragon.

"He's too powerful! Our new revered King can actually take the attack of a five-star earth-god head-on!"

The great elder was so excited that his entire body trembled. He shouted excitedly, " under the leadership of our new king, our orc clan will achieve an unprecedented rise!

The livestream's viewers were equally excited. They cheered and cheered, acknowledging Chen Xiaobei as the new king!

"Foolish orcs! You've all been tricked by Chen Zhufeng!"

at this moment, Tian Peng walked over with Seven Heaven covering sect core elders behind him!

"Chen Zhufeng? Who are you calling Chen Zhufeng?"

Everyone present was confused and didn't understand what Tian Peng meant.

Of course, there were already many viewers in the live broadcast room who had reacted.

Chen Zhufeng was bro bei's name! The enemy actually said that Chen Zhufeng was Master Feng? This was too unbelievable, right?

Young master Feng is bro bei? Bro bei is young master Feng? No wonder they were all so cool and arrogant!

The number one idol of mine, bro bei, and the number two idol of mine, Master Feng, are actually the same person! F * ck! I admire my own judgment!

But Yingluo, they clearly looked different! Young master Feng was not as handsome as bro bei!

Young master Feng! Who the hell are you? Don't lie to us, okay!

"I'm wearing a mask because I don't want to attract the people of heaven dominating sect! Since they're already here, there's no need to continue wearing the mask!"

Chen Xiaobei shrugged, took off his mask and said, " "That's right! I'm the leader of bei Xuan faction, Chen Zhufeng!"

As soon as he said that, the crowd exploded! The world exploded!

Bei Xuan faction!

The girls 'eyes were full of stars as they stared at the big screen like a group of love-struck fools!

The men were all fired up, raising their wine bowls and toasting to Chen Xiaobei! He was proud to be a member of bei Xuan faction!

The 800 million people cheered and danced, even happier than during a Festival!

To them, Chen Xiaobei was an irreplaceable superhero!

The moment Chen Xiaobei revealed his true face, they all felt extremely proud! He would have a lot of face!

The Black Tortoise continent!

The core members of the Xia family were all dumbfounded.

The Black Tortoise revered King said in a daze, "G-grandfather!" Your judgment was right ... Our Xia family is really going to rise from the ashes to the heavens!"

"Relay my orders! All the adult men of the Xia family! Everyone, gather!"

Elder Xia stood up and said excitedly, " let's go to The White Tiger continent together! Congratulations, Childe Chen!"

"Grandfather! I can't!"

"Chen Zhufeng is about to start a war with heaven dominating faction!" The Black Tortoise King said nervously. If we reveal ourselves, it's equivalent to falling out with heaven dominating sect!"

"Childe Zhufeng is declaring war in the name of the new honorable King of The White Tiger continent! Don't you know what I mean?" Elder Xia said excitedly, 'The White Tiger continent has rebelled! What are we afraid of? Today, we'll go against heaven dominating sect!"

The Xia family was shocked by his words!

The Azure Dragon continent!

All the core high-level members of the Jiang family were furious!

Chen Zhufeng has finally shown himself!

The current family head, Jiang Zhaolong, slammed the table and stood up, shouting angrily, " "This little bastard killed my big brother Jiang Zhaoyan! He had killed Jiang Shaodian! Jiang Heqing! He even crippled Jiang zipeng! If we don't take revenge, how can the Jiang family have a foothold in apocalypse star area?"

Someone beside him shouted, "and the most important thing!" Chen Zhufeng's second senior brother has stolen our family treasure, the Green Dragon Star Moon saber!"

"Master! Give the order! All Azure Dragon Warriors, head to The White Tiger continent! No matter what, we have to kill Chen Zhufeng and his second senior brother and get back the Green Dragon Star Moon saber!"

"Without the Green Dragon Star Moon saber, the Jiang family has no more five-star earth-god instruments! The river of destiny is declining day by day, and sooner or later, it will decline!"

"This battle concerns the future of the Jiang family! It was absolutely unavoidable! Please give the order, patriarch!"

"Alright!"

Jiang Zhaolong took a deep breath and said angrily, " "Pass on my Azure Dragon Token! Gather the Azure Dragon Imperial city's most elite hundred thousand Dragon Fang Warriors! Let's kill our way to The White Tiger continent!"

The Jiang family was shocked by his words!

Heaven dominating faction headquarters!

"Mr. Canopy is right!"

"Young master Feng is Chen Zhufeng!" Beiming Wuji frowned and said. As long as Mr. Canopy killed him! he would be able to get rid of heaven dominating sect's biggest problem! The headquarters in the earth-god Realm should be able to calm down now!"

if ... a core elder swallowed and asked, " "What if Mr. Canopy fails?"

the only six-star earth-god instrument in apocalypse Starfield is in my hands!

"Come to think of it, it's been seven to eight years since it last tasted human blood!" Beiming Wuji grinned.

As soon as he said that, everyone in the hall sucked in a breath of cold air, their hearts trembling!

[Red Envelope Group of the Three Realms](#)

Chapter 2097: All Retreat

"Second senior! You're here after all!"

Chen Xiaobei stood there proudly with a smile on his face. It was not like meeting an enemy, but more like meeting an old friend.

"Hmph! You can still laugh at a time like this!"

Tian Peng's face was cold and filled with killing intent. today, you will die. If I were you, I would leave my last words as soon as possible!

"Where does second senior brother's confidence come from? What right do you have to fight me?" Chen Xiaobei asked.

"Are you blind? Or are you playing dumb?"

Tian Peng waved his hand and introduced, " "The seven people beside me are the seven core elders of heaven dominating faction! They are also here to kill you!"

" as expected, it is heaven dominating faction!

"I am the new king of the orcs!" Chen Xiaobei said. This was the Holy Land of the beastmen! Have you thought about the consequences of making a move here?"

"Consequences? Hehe, do you even need to think about it?" Tian Peng said in disdain, "the consequence is that you will be completely killed by us!" There's no suspense at all!"

"You want to kill His Majesty? First, they have to step over the corpses of our Council of Elders!"

The first elder took a step forward in anger, and the other five elders followed closely behind. They all took out their weapons, and their battle intent instantly boiled.

Yi changkong hesitated for a moment before following him.

"You must be the great elder of the beast God mountain, Bai nianfeng, right?"

Tian Peng's eyes narrowed and he smiled, "If you're a smart person, then don't meddle in other people's business! This time, heaven dominating faction was determined to kill Chen Zhufeng! If you dare to interfere, there will be no more beast God Council of Elders in the future!"

"There are no smart people here! Only the most devout followers of the great beast God!"

The first elder Bai nianfeng's eyes were like torches, unshakeable. "The mission of the elders Guild is to maintain the order of the holy mountain and defend the totem iron rule! You guys have already stepped on the bottom line of the iron rule! Even if we have to fight to the death, we won't retreat even half a step!"

"Great elder is right! The orc Warriors would rather die than retreat!"

die! Edina shouted angrily. She pulled out a scimitar and stood behind the seven elders.

"Fight to the death and not retreat! No retreat! If you don't ..."

All of a sudden, the thirty or so participants also drew their weapons and stood beside Idina.

Faith was higher than life!

The true orcs would not allow their Holy Land to be blasphemed, even if they had to risk their lives!

The Suan ni beastmen were so domineering! My blood is boiling! Although I'm a foreigner, if I were here, I would definitely help and support the beastmen!

The Suan ni beastmen were indeed hot-blooded! I'm convinced! With their help, bro bei should be able to hold off the enemy!

Yingluo was right! Bro bei will win! The beastmen would definitely win!

Everyone had a saying in their hearts, those with a conscience would support the side of justice.

"Childish!"

"With just a few dozen people, they're not even enough to fill the gaps between our teeth!" Tian Peng laughed in disdain.

"Clang! Clang clang ..."

Tian Peng and the seven elders took out their weapons.

"We have four five-star earth-god instruments here! Four four-star earth-god instruments!"

Tian Peng raised the Green Dragon Star Moon saber and grinned, "You bunch of ants, what do you have to fight us?"

"This ..."

Seeing this, the elders Guild and the thirty over participants all had a drastic change in expression. Their eyes gradually revealed a look of despair.

Among all of them, only Bai nianfeng had a five-star earth-god instrument!

In the face of the enemy's super-luxurious lineup, they had no power to fight back at all!

Tian Peng laughed smugly, "I can give you one more chance!" If you back down now, you can live!"

Xuxu is in trouble! The disparity in combat strength was too great! The human-beast hybrids were no match for them at all!

Heaven dominating faction is really determined to kill bro bei this time! With so many 5-star earth-god instruments, they could easily wipe out bro bei and the beastmen!

Would the bi 'an beast Race Retreat? Would they still risk their lives in this battle that they had no chance of winning?

"Shit! This is really bad!"

Xuanyuan tuohai was as anxious as an ant on a hot pan. "Grandpa Jiang! There are still three more forms of the witch Dragon's nine transformation, right? Can they resist the enemy?"

"There are indeed three more transformations!"

Jiang Ziya nodded and said with a frown, "Crack the void! Stepping on the peak! Open the chaos! These three transformations have already reached God-level, and the price to pay for using them is very high ... Xiaobei might not be able to use them now ..."

"Then what should we do? Will shizun be in danger?" Xuanyuan taohai was anxious.

At the same time, the people from bei Xuan faction became nervous. They were no longer as relaxed as before.

Xiaobei's trump card doesn't seem to be enough to fight against Tian Peng ... six-eared macaque said worriedly.

"Yup ..."

Xiangyu nodded, but he was also anxious. "Tian Peng has managed to convince the heaven covering sect this time! The combined strength of the strong has greatly exceeded our expectations!"

"So, master is dead for sure?" Xuanyuan tuohai trembled in despair.

"Don't panic!"

"Xiaobei won't fight a battle he's not confident in!" Old Wang quickly comforted. Look at his expression! He was so confident! How calm! He must have another way!"

Everyone's eyes were fixed on the big screen. They did not dare to blink as they watched Chen Xiaobei's every move!

"Great elder!"

Chen Xiaobei held the sword in one hand and waved it in the other. "Take them and retreat! Don't participate in the battle!"

"What? How can this be?" Bai nianfeng's face stiffened, and he shook his head decisively. "We can't let His Majesty die alone!"

"Die?" "That doesn't exist!" Chen Xiaobei laughed.

As he spoke, the purplish-gold dragon scales on Chen Xiaobei's body faded away. It seemed like he did not plan to use the witch Dragon's nine transformation again.

"Hehe! Chen Xiaobei! Are you admitting defeat?"

Tian Peng laughed hideously. at least you have some backbone. You didn't drag the people below down with you! Don't worry, since you've let me off so many times, I'll give you a quick death. I promise I won't torture you!"

"You want to kill His Majesty? First, ask my staff!" Bai nianfeng's eyes narrowed, his battle intent bursting.

"Great elder! Take your men and retreat!"

Chen Xiaobei then said in a commanding tone, " "You can't help me in this battle! Back off to the side so that I won't be distracted!"

this ... Bai nianfeng's expression turned complicated.

From a normal perspective, Chen Xiaobei had no chance of winning! However, Bai nianfeng also knew that Chen Xiaobei was an extraordinary person who could not be measured with common sense!

"Everyone! Follow me! Retreat!"

After a brief hesitation, Bai nianfeng decided to trust Chen Xiaobei.

The others hesitated for a moment before following suit.

"Come on! Chen Xiaobei! Obediently stretch out your neck and let me cut off your head!" Tian Peng laughed.

"Second senior brother, it's time to wake up from your sweet dream!"

Chen Xiaobei grinned and said, " "Besides you, those seven ants will die by my hands!"

[Red Envelope Group of the Three Realms](#)

Chapter 2098: I Have To Thank You

"You little brat! I think you've gone completely crazy!"

Tian Peng was unhappy. your master-protecting puppet is broken. You have far fewer trump cards than us. You can't even escape today, let alone fight us!

"Mr. Canopy! There's no need to talk nonsense with him!"

heaven dominating faction's seven elders were all unhappy and cursed, " "That little b * stard called us ants. He's the first one in apocalypse star area who's so arrogant! Today, I will let him know the consequences of insulting the core elder of heaven dominating faction!"

if that's the case, then I'll hand over Chen Zhufeng's life to the seven of you! Tian Peng said coldly.

"This is exactly what we want!" The seven elders of heaven dominating faction grinned and walked towards Chen Xiaobei.

"Chen Xiaobei!" Tian Peng laughed coldly. I originally wanted to give you a quick death! But you still dare to act tough! Now, the seven elders will make you pay the most painful price for your arrogance!"

"Is that so?" Chen Xiaobei was not moved at all.

"Whoosh ..."

Chen Xiaobei waved his hand and took out 100 billion low-grade spiritual stones!

The vast amount of Jingshi directly piled up into a small mountain, instantly shocking everyone!

But in fact, this was only a small part of Chen Xiaobei's entire wealth!

Right now, Chen Xiaobei still had 300000 high-grade spiritual stones, 300 million medium-grade spiritual stones, and one trillion low-grade spiritual stones in his infinite space ring!

It was no exaggeration to say that Chen Xiaobei was a moving spiritual vein!

Whether it was a battle of attrition or a battle of attrition, Chen Xiaobei was not afraid!

"Bang! Bang! Bang! Bang ..."

The vital essence crushed the spirit stones, and hundreds of billions of low-grade spiritual Qi gushed out and filled the sunflower water King fiend sword!

A five-star earth-god instrument would consume 10 billion low-grade spiritual energy to activate its power!

After being filled with 100 billion low-grade spiritual energy, the sunflower water fiend King Sword could Strike Ten times in a row. He did not have to worry about not having enough time to replenish his spiritual energy after the attack!

"Little bastard! You're really rich!"

The seven elders of heaven dominating faction glared at Chen Xiaobei and said greedily, " "Wait for us to kill you! All your wealth will be ours!"

"You want to take my wealth? That will depend on whether your lives are tough enough!" Chen Xiaobei threw out the deadly sunflower King Sword.

The demonic sword was sentient and it floated in the air.

"Period water!"

die! Chen Xiaobei growled. The sword of the Aqua fiend King glowed coldly. The world seemed to be in the middle of winter, and it was completely enveloped by a terrifying chill.

Huala ... Huala ...

In the next moment, hundreds of dark blue spiritual lights gushed out of the sunflower water fiend King Sword like a river!

"Fiend King overturning the sea!"

go! Chen Xiaobei growled again. Ten billion spiritual Qi was used up in an instant, and the five-star earth-god Power of the sunflower water King of Death Sword was activated.

"Whoosh! Huu ..."

The hundreds of dark blue kui water demonic Yin spiritual lights suddenly expanded and twisted like hundreds of water dragons. They merged and gradually formed a giant fiend image!

The giant demon was three hundred meters tall! The muscles all over his body were firm and he looked extremely powerful!

His dark blue skin was like fiendish water flowing! Its huge body seemed to contain hundreds of rivers! He seemed to be able to explode with the vast power of the ocean with just a raise of his hand!

That's right!

This was the Dharma idol of the limitless demon nation's fiendwater King!

Everyone was shocked by this scene!

however, the seven elders of heaven dominating faction showed no fear and laughed in disdain, "Little brat! Are you blind or stupid? We have three five-star earth-god instruments, and you only have one. How dare you fight with us? This is called a Mantis trying to stop a chariot, overestimating your own strength!"

"Seven elders! Do not underestimate the enemy!"

At this moment, Tian Peng quickly reminded, " Chen Zhufeng still has the spiritual bursting flames sword and the Furious Thunder King Sword. Don't let him play the pig to eat the Tiger!

second senior brother knows me best!

of course not! Chen Xiaobei smiled. I was going to pretend to be weak so that they would underestimate me and reveal their weakness! But now, second senior brother has exposed my scheme, so I don't have to hide it anymore!"

"Clang! Clang!"

Chen Xiaobei summoned the spiritual bursting flames sword and the Furious Thunder King Sword!

Whoosh ... Whoosh ...

Then, Chen Xiaobei took out 200 billion low-grade spiritual stones and filled the spiritual Qi into the spiritual bursting flames sword and the Furious Thunder King Sword!

"Bursting flames! Furious Thunder!"

Without hesitation, Chen Xiaobei used ten billion low-grade spiritual Qi to activate the power of the two swords!

"Boom boom boom ..."

Demonic flames rose to the sky, and the spiritual Flame King's Dharma form was formed.

Its entire body was covered in flames, and the horns on its head were like red-hot steel. The wings on its back were condensed from dark red demonic flames, and there were four arms on its shoulders, all wrapped in fire. It was extremely strange!

"Rumble ..."

Then, the Dharma power of the wildthunder King appeared!

His eyes were like lightning balls, his wings were like a lightning net, and his four arms and four legs all had claws comparable to that of a ferocious beast!

All of a sudden, three 300-meter-tall Demon King Dharma images appeared in the air!

It was as if the gates to the demonic realm had been torn apart, and three terrifying demonic gods descended!

"What the f * ck! This little brat really had a hidden killer move! Thank you for reminding me, or else I would have suffered a great loss!"

heaven dominating faction's seven elders all took in a cold breath and felt fear.

"What should we do now?" heaven dominating sect's tenth elder asked.

"It's simple!"

Hmph! heaven dominating faction's second elder grinned hideously. fourth elder, fifth elder, come with me! Take out our three five star earth-god instruments and stall the three Demon King Dharma forms! As for the other four elders, take out your four-star earth-god instruments and crush Chen Zhufeng!"

"Good! Let's do this!" the seven elders of heaven dominating faction immediately came to a consensus and began to act according to the plan!

The second elder, fourth elder, and fifth elder all activated their five-star earth-god instruments. Each of them picked a Demon King Dharma form and charged at it.

The remaining four elders activated their four-star earth-god instruments and surrounded Chen Xiaobei!

"Whoosh! Whoosh! Whoosh! Whoosh!"

In an instant, four four-star earth-god Dharma laksanakan were formed in the air!

In front of these four Dharma forms, Chen Xiaobei was as small as an ant!

the heaven covering sect is so despicable! Seven against one, simply shameless!

Bro bei's three demonic swords couldn't even be retrieved. If he was surrounded by four people, he would definitely die!

Yingying was so angry! I really want to rush over and help bro bei!

"Chen Xiaobei! Obediently accept your death!"

hehe! Tian Peng laughed hideously. I had asked Qin Wuxin to set up an ambush in advance. Now, it seems that Qin Wuxin doesn't even need to do anything!

"Second senior! I want to thank you!"

Not only was Chen Xiaobei not angry, but he also laughed, " if you didn't send Qin Wuxin here in advance, I wouldn't have won this battle!

"You ... What do you mean?" Tian Peng's expression froze and he started to panic.

[Red Envelope Group of the Three Realms](#)

Chapter 2099: Pure Saber Qi

"This kid is just acting tough! Why are you panicking, Mr. Canopy? He's already a dead man now that he's been surrounded by four of our four-star earth-god Dharma laksana!"

The four elders of heaven dominating faction laughed at Chen Xiaobei's words.

To them, as long as the four Dharma laksanakan came down on Chen Xiaobei, he would be annihilated without a trace!

"No! You guys don't understand Chen Zhufeng at all!"

Tian Peng's eyes focused and he became nervous, " "Chen Zhufeng is an anomaly! When everyone thought that he was acting cool, he was able to surprise everyone with his performance!"

"Second senior brother knows me best!"

Chen Xiaobei took out a storage bracelet from his infinite space ring and asked, " "Second senior brother, do you look familiar?"

that ... That's Qin Wuxin's storage bracelet! what?! Tian Peng was shocked. why is Qin Wuxin's storage bracelet in your hands?!

it's just like the old song. No guns, no cannons, the enemy will build for us! thank you, second senior brother! Chen Xiaobei grinned. thank you for sending Qin Wuxin! He gave me 10000 years of life and a trump card!"

"Trump card?"

Tian Peng's expression froze and he roared, "Four elders! Quickly retreat! Chen Zhufeng had a backup plan! Quickly retreat!"

"What other moves can he have? We'll make him die without a burial ground now! Is he going to turn into a ghost and curse us? Hahaha ..."

The four elders of heaven dominating faction laughed. They did not care about Tian Peng's warning and did not take Chen Xiaobei seriously. They thought that they could kill Chen Xiaobei in an instant.

"BOOM! Rumble ..."

in the next moment, the four elders of heaven dominating faction attacked at the same time! The four Dharma laksanas charged toward Chen Xiaobei!

Qianqian made her move! The enemy's blade was coming down on bro bei!

May the heavens bless us! Don't let my bro bei die! I'm willing to give you 10 years of my life in exchange for bro bei's life!

Bro bei! Don't die! Without you, our sky will collapse!

"Your Majesty! Can you still survive this time?" Bai nianfeng was extremely nervous. The variables in this battle had far exceeded what he could handle. He could no longer trust Chen Xiaobei as calmly as before.

Edina and the people around her were so nervous that their bodies trembled, and they almost stopped breathing.

.....

master ... Xuanyuan tuohai clenched his fists, his palms covered in cold sweat. "If you can't beat the enemy, then quickly hide! It's not embarrassing for us to run away when the enemy is bullying us with numbers!"

there's no way Xiaobei could have escaped!

Xiang Yu shook his head and said in a deep voice, "Xiao bei is a true warrior! Real men! Even if I die in battle, I won't run!"

Everyone in bei Xuan faction stood up, nervous but also respectful as they stared at the screen.

Victory or defeat! Life and death! All of this happened in an instant!

.....

"Chen Zhufeng! Can you still live this time?"

Beiming Wuji's face was as cold as ice. He squinted his eyes and said, "With four four-star earth-god instruments, even I would be crushed in an instant if I had no iron in my hands! You little brat, don't even think about leaving behind a bone fragment!"

"The sect master is right!"

The core elders and disciples in the main hall all laughed evilly. It's ridiculous if Chen Zhufeng is still alive under such circumstances!

Beiming Wuji laughed proudly, "Once Chen Zhufeng is dead, I'll throw a feast! Heaven dominating faction celebrated for seven days! Disciples of the elders, let's get drunk!"

Hearing this, all the core elders and disciples in the hall laughed excitedly, "I'm looking forward to it! Heaven dominating faction hasn't had such a grand celebration in many years! At that time, he would definitely drink to his heart's content! Hahaha ..."

However!

Just as everyone was laughing, the battle on the screen suddenly changed!

this ... This, this, this ... How is this possible?!

Including Beiming Wuji, everyone was dumbfounded. Their smiles were completely frozen and their faces were burning hot as if they had been slapped.

"Clang!!!"

On the big screen, Chen Xiaobei took out a Green Ninja Blade from Qin Wuxin's storage bracelet!

Qin Wuxin had come to launch a sneak attack, and he had already injected spiritual energy into his saber!

Chen Xiaobei swung the saber, and a dazzling green light burst out. A terrifying ethereal force gushed out like a volcanic eruption, shooting into the sky like a Green Rainbow!

"You say that a five-star earth-god instrument is strong? Or four four-star earth-god instruments?"

you're courting death! Chen Xiaobei glared at the four heaven dominating faction elders as if they were idiots.

hiss ... That ... That's a five-star earth-god instrument, Qing Xuan heaven-penetrating!

the four heaven dominating faction elders all sucked in a breath of cold air as their pupils involuntarily contracted. Their bodies began to tremble, and cold sweat poured down like rain!

Chen Xiaobei's question was something that even a three-year-old would know!

The earth level deity realm, one minor realm, 33 heavens!

To put it simply, thirty-three four-star earth-god instruments could only block a five-star earth-god instrument when they were in a battle formation without any loss in combat power!

Four four-star earth-god instruments were not even enough for a five-star earth-god instrument to fill the gaps between his teeth!

run ... Quickly run!!!

the fear of death pressed down on them. The four heaven dominating faction elders screamed and gave up on attacking. They turned around and ran!

"When second senior brother told you to run, you should have listened to him! It's too late to run now!"

Chen Xiaobei said, "Those who want my life, you should prepare your own!"

"Whoosh!"

In the next moment, Qing Xuan Tian che burned up ten billion spiritual Qi and the bright green light expanded again!

The power of the five-star earth-god instrument seemed to make the sky tremble.

"Don't run, it's no use!"

Chen Xiaobei chuckled, and in the night sky, like a dragon emerging from the water, a giant blade of Qi gushed out!

There was no Dharma!

There was only the purest saber Qi!

"Woof!"

The saber Qi was 800 meters long, and it was extremely sharp. It swept across the world as if it was going to tear the sky apart and split the earth in two!

"Oh my God ... Have mercy ... Have mercy ..."

the four heaven dominating faction elders began to cry out in pain.

Before the saber Qi arrived, the pressure had already crushed their hearts and made it difficult for them to breathe. Their state of mind and fighting will collapsed.

"Bang! Bang! Bang! Bang! Bang! Bang!"

The eight-hundred-meter-long saber Qi slashed down, and the four four-star earth-god Dharma laksanakan were like paper tigers. They collapsed at the first touch without any resistance!

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

The saber Qi landed on the ground and swept away the Army! no matter how fast the four heaven dominating faction elders ran, they couldn't run out of the range of the blade energy!

As the saber Qi swept past, the four of them were cut in half at the waist and turned into eight pieces of dismembered corpses. Their internal organs and blood flowed all over the ground. They were instantly killed!

"One slash! It's pretty cool!"

Chen Xiaobei looked at the remaining three heaven dominating faction elders and said, "It's your turn! Are you ready?"

Red Envelope Group of the Three Realms

Chapter 2100: Impending War

"Oh my God ... Why is Chen Zhufeng holding onto the ishiqi family's Qing Xuan Tian Che! Help ... Mr. Canopy! Help me ..."

the remaining three heaven dominating faction elders all cried out in shock.

What the f * ck! Bro bei was so cool! There was even a five-star earth-god instrument! Killing four people with one blade, it was really f * cking satisfying!

Yingluo was right! Let heaven dominating sect bully the few with numbers! Who asked heaven dominating sect to blaspheme the holy mountain! This was their end! It really vented his anger! It was really satisfying!

the three heaven dominating faction elders could only fight to a draw with the three demon kings. If bro bei joined the battle, the three of them would be killed one by one!

Come on, bro bei! kill all these arrogant heaven covering sect dogs!

"Maintain the order of the holy mountain and defend the totem iron rule! Your Majesty! He has completed the mission of our elders Guild! You have protected the dignity of our beast clan!"

Bai nianfeng led all the beastmen present to kneel on one knee and shout, "Your Majesty! Long live! Long live! Long, long, long, long!"

"Shizun won again!"

Xuanyuan tuohai was extremely excited and waved his hands. "I really didn't expect this! The dead end in our eyes can't even be considered a 'trap' in front of master! On the contrary, the enemy had been tricked by his master! Hahaha ..."

"Awesome!" great! six-eared macaque complimented. Xiaobei's strategy is miles ahead of the canopy great country's. They're not on the same level at all!

"Xiao bei's acting is even better!" of course not! Jiang Ziya laughed. before that, no one had noticed that Xiaobei had captured Qin Wuxin! Qing Xuan Tian che, which was originally meant to ambush little north, has now become little North's weapon!"

"That's why people say that the longest road in the world is my bro bei's way. Hahaha!" Nezha and Hong Hai 'er laughed joyfully.

"Next, the main event is about to begin!" four? " Xiangyu's eyes narrowed as he said, " once Tian Peng makes a move, it'll be four five-star earth-god instruments against four! The chances of winning are basically 50 - 50!"

As soon as he said that, everyone became nervous again!

The following battle could not be solved by routine!

They had to rely on real combat power and real swords and Spears to determine the final victory!

"The three of you, don't panic! I'm here to help you!"

Tian Peng roared and activated the five-star earth-god level power of the green Dragon Star Moon saber. At the same time, he burst into the battle with the speed and strength of a four-star earth-god.

"Boom boom boom ..."

the battle was originally in a state of balance, but Tian Peng's addition instantly broke the balance. He quickly helped the three heaven covering sect elders destroy the three Demon King Dharma images!

"Whoosh! Whoosh! Whoosh! Whoosh!"

Chen Xiaobei was not in a hurry to attack. He waved his hand and took the four four-star earth-god instruments.

"Woof! Buzzzzzz! Whoosh!"

Then, Chen Xiaobei recalled the three demonic swords.

"Mr. Canopy ... What should we do now? Battle? Or should we retreat?"

the three heaven dominating sect elders gathered around Tian Peng and asked him about his plan.

"Fight!"

"We must kill Chen Zhufeng today!" Tian Peng said without hesitation. Otherwise, it would be even more difficult to get rid of Chen Zhufeng after he grew stronger on The White Tiger continent!"

but Chen Zhufeng also has four five-star earth-god instruments! the three heaven dominating faction elders were worried, " "Even if we go all out, we only have a 50% chance of winning! What if he has something else up his sleeve? then we'll all be dead!"

Tian Peng's eyes focused, "don't worry!" I know Chen Zhufeng! Right now, he did not have the power to surpass the five-star earth-god level! We just need to fight him to a draw!"

"A draw?"

the three heaven dominating faction elders were confused, " "What's the point of a draw? Chen Zhufeng is so rich that we'll run out of spirit stones first if we continue to waste our spirit stones!"

"I'm afraid the three of you were scared by Chen Zhufeng?"

Chen Zhufeng is alone! Tian Peng grinned. he has no one behind him! But we are different! darknorth sect leader has already confirmed Chen Zhufeng's identity. What will he do if we delay him? Do you need me to say more?"

"Mister Tianpeng is wise!"

the three heaven dominating faction elders immediately understood and nodded, " "The sect leader hates Chen Zhufeng to the core! Since we've already fallen out with the orcs, the sect leader will definitely be there to kill Chen Zhufeng with a six-star earth-god instrument!"

"Come on! Let the four of us work together to stall Chen Zhufeng!" Chen Zhufeng! Tian Peng laughed. once beiming clan leader is here, Chen Zhufeng will die even if he has ten thousand lives!

"Good! We'll do as Mr. Canopy says!" " yes! the three heaven dominating faction elders agreed in unison and reignited their battle intent!

It was just as Tian Peng had expected!

Heaven dominating faction's headquarters, beiming Wuji had already personally set off to The White Tiger continent!

Moreover, to Tian Peng's surprise, the Azure Dragon Imperial city's 100000 troops had already left!

As long as Tian Peng and the three elders of heaven dominating faction could hold Chen Xiaobei back, the Jiang family and beiming Wuji would be able to catch up to him!

By then, Chen Xiaobei would be in a dead end!

"Second senior! Have you all discussed it? Can we start now?"

Chen Xiaobei's lips curled up fearlessly. "My long sword is already thirsting for blood!"

"You little brat! Don't you act cool!" Tian Peng said coldly,"you can still laugh now?" But I can guarantee that within half an hour, you'll be crying!"

"Half an hour?"

Chen Xiaobei laughed. I'm not trying to act cool. Three minutes is more than enough to deal with the four of you!

What? Three minutes?

As soon as he said that, the world was shocked!

Oh my God! My bro bei is still so overbearing! He's so handsome!

The Kasaya still had a familiar smell! It was a familiar formula! When it came to acting cool, bro bei was not targeting anyone. Everyone in the room was his little brother! Hahaha ...

Three minutes! That was enough! Oh my God! Bro bei was so domineering! This old man's maiden heart is about to explode!

"This is a true king!" Bai nianfeng and the rest of the young orcs were all shocked. They looked at Chen Xiaobei with respect!

"Mother! Shizun is really too handsome!" Xuanyuan tuohai's blood was boiling, and his face was red with excitement.

Chen Xiaobei's supporters were all cheering for his dominance.

Chen Xiaobei's enemies were all furious, feeling as if they had been greatly provoked!

"You little brat! You're too f * cking arrogant! You want to beat us in three minutes? Do you really think that you can take out a six-star earth-god instrument like the sect master of the darknorth sect?"

Tian Peng shouted, "now, we'll slap your ugly face!" Let the world know that you're just a braggart who only knows how to boast!"

"I've changed my mind!"

Chen Xiaobei smiled and said, " If you can still stand, I'll admit defeat!"
