Chapter 2101: Final Kill

"F * ck! Are you forcing me to swear?"

Tian Peng was furious and roared, "are you a f * cking King or an act tough King?" Take us down in one minute? Don't you need to use your brain before acting tough?"

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

Chen Xiaobei immediately took out four five-star earth-god swords!

Bursting flames! Furious Thunder! Period water! Qing Xuan!

Four Swords appeared behind Chen Xiaobei, blazing with fire! The lightning was dazzling! The water was cold! Green light filled the sky!

The four types of spiritual lights were like the light of Buddha. Chen Xiaobei was shrouded in them, like a god that had descended from the heavens, exuding an inviolable divine pressure!

"Second senior! The Qin family once! Devil earth twice! Blood pool once! Today will be the fifth time I've captured you alive!"

Chen Xiaobei raised his arms, and 40 billion low-grade spiritual Qi was instantly burned out. The power of the four Swords was activated!

"Whoosh! Whoosh! Whoosh!"

the spiritual Flame King, wild Thunder King, and fiendish water King Dharma powers appeared and charged at Tian Peng and the three heaven dominating faction elders!

"Swish!"

The 800-meter-long qingxuan blade Qi followed closely behind, like a terrifying giant blade that could tear the sky and the earth, and slashed down brazenly!

"Three elders! Attack together with me!"

Tian Peng's eyes focused and he said, " "We have to work together to prevent Chen Zhufeng from taking us down one by one! Remember my words, as long as you can hold on for half an hour, Chen Zhufeng will definitely die!"

"Understood!"

the three heaven covering sect elders nodded their heads and were determined to carry out Tian Peng's plan.

"Roar!"

Tian Peng waved his Green Dragon Star Moon saber and burned all the low-grade spiritual Qi. A giant Green Dragon rushed out!

The Green Dragon Dharma power grabbed the stars with one claw and the moon with the other. It seemed to have the power to turn the sky and the sea upside down, and it was going to crush the entire space!

"Whoosh! Whoosh! Whoosh!"

at the same time, the three heaven dominating faction elders also activated their five star earth-god instruments.

Three violent true core strengths soared into the sky and directly transformed into white lions! Golden Elephant! Peacock! Three giant Dharma idols!

They were like three ancient divine beasts, exuding a terrifying pressure that looked down on all life in the world!

The final battle of Wushuang had begun! Both bro bei and the enemy had four five-star earth-god instruments! Their combat strength was equal, and the chances of victory were 50 - 50! Who would have the last laugh!

Wanwan's answer would be out very soon! Didn't bro bei say anything? Finish off the enemy in one minute!

Yingluo, are you stupid! What bro bei said was just to provoke the enemy. How could there be a result in one minute?

Yingluo was right! This would definitely be a tough battle! Even if bro bei won, he would have to pay a huge price!

"Can Master's words ... Be realized?" Xuanyuan tuohai's eyes flickered and his heart was filled with anticipation.

"Whether it can be realized or not, we'll know in the first confrontation!" "I believe in Xiaobei!" Xiangyu said. He has never let us down!"

"Fight! Fight! I can't wait to see Xiao bei's performance!" Six-eared macaque grinned, and his eyes were full of fighting spirit.

.....

"Sect master!"

" yes! the heaven dominating faction core elder reported, " the space Array is ready. We can teleport over at any time!

"Set off immediately!"

"Mister Tianpeng can buy us half an hour, but I demand that we arrive at the beast God mountain within ten minutes!" Beiming Wuji said seriously.

sect master, there's a new situation!

The core elder continued, "I've just received a report!" Azure Dragon Capital city, 100000 Dragon Fang Warriors had already arrived at The White Tiger continent! Right now, he's using the teleportation formation in The White Tiger Capital city to teleport to the small city at the foot of the beast God mountain!"

"Oh? The Jiang family can't sit still?" Beiming Wuji laughed, "their target should be Chen Zhufeng too!" We'll set off five minutes later!"

"Why is that?" The core elder asked in confusion.

"100000 Dragon Fang Warriors, all the core members of the Jiang family, and Mister canopy are more than enough to kill Chen Zhufeng!" Beiming Wuji smiled. This way, I won't have to make a trip personally!"

"Sect master is wise!" "This subordinate thinks that we can already prepare the banquet!" The core elder said with a smile.

"Don't rush!" let's go! beiming Wuji said, " the war is about to start! Let me see how Chen Zhufeng dies before I celebrate with everyone!

"Yes, sir!" it won't take too long! The Jiang family's Army will arrive in ten minutes! Chen Zhufeng is dead for sure! the core elder grinned.

.....

boom boom boom ... Boom boom boom ...

At the same time, the battle that shocked the entire apocalypse Starfield had begun on the top of beast God mountain!

The huge Dharma laksana clashed in the air!

The spirit Flame King versus the White Lion! The berserk Thunder King against the Golden Elephant! The fiendish water King against the peacock! The 800-meter-long Qing Xuan blade Qi against the 500-meter-long star and moon Dragon!

With a series of explosions, the entire world trembled!

It was as if there were eight five-star earth-level deities fighting in the air! Each collision was as intense as Mars crashing into earth!

The eight earth level deities were evenly matched and it was impossible to determine the winner!

"I'm holding on! Our strength is not inferior to Chen Zhufeng's!"

Tian Peng and the three heaven dominating sect elders were extremely excited, " "With the spirit stones we have, we can definitely hold on for half an hour! Once the sect leader is here, Chen Zhufeng's death will come!"

On the other hand, Chen Xiaobei did not do anything but stand there quietly.

"Stupid Xiaobei!"

Under the coat, a young girl's coy voice came, " "One minute is almost up, do you need me to help you? If you can't handle them, the whole world will think you're a braggart!"

"Stupid little Zi!"

of course not! Chen Xiaobei laughed. the enemies all have ethereal force! Your poison can't hurt them! Moreover, you're only a four-star earth-god, while my second senior brother is a peak four-star! If you get close to it, you'll definitely be in trouble!"

"Then what do we do?" "After 30 seconds, you'll become the laughingstock of the world!" Zi Yuan said.

"Don't worry!"

"I'm the king of the orcs!" Chen Xiaobei grinned. He wasn't the poison King of the demonic sect! I'll use the beastmen's method to win, so don't worry about it!"

"Tsk! I'm kind enough to help you, but if you don't appreciate it, then forget it!"

Zi Yuan said angrily, "there are only 20 seconds left before you become the world's recognized pretentious d * ck!" The king of braggers!"

"Ten seconds is enough!"

Chen Xiaobei looked at her as if he could see through everything. "The final moment is when they are the most relaxed! If I'm not wrong, they're all thinking about how to mock me when the time is up!"

"Don't tell me ... You can really handle them?" Zi Yuan asked in disbelief.

Chen Xiaobei did not answer. Instead, he shouted, " "Billions of stars, lend me your origin power! The king of all beasts, the subjects of all life!"

[Red Envelope Group of the Three Realms](#)

Chapter 2102: Keeping His Word

"Whoosh ..."

With Chen Xiaobei's shout, a mysterious change occurred in an instant!

The tiny mark of the star in Chen Xiaobei's dantian had transformed into a brilliant miniature universe!

The billions of stars were all gathered in Chen Xiaobei's dantian!

It was like the vast universe encompassing the nine Heavens and the Milky Way!

"Whoosh! Whoosh! Whoosh ..."

Then, Chen Xiaobei's ethereal force turned into thin threads of ethereal force that were thinner than a hair!

The billions of stars in Chen Xiaobei's dantian were connected to each other by these ethereal threads!

It was like the celestial phenomena in The Starry Cave. Different gossamer threads connected to different stars and outlined different beasts!

A Dragon! A ferocious Tiger! An Eagle! Wild leopards ... All kinds of beasts appeared in this part of the Galaxy!

That's right!

This was the essence of the ten thousand beast astral battle technique!

All the beasts and stars were in the dantian! Once the battle art was activated, it could produce an additional bonus to the existing strength!

"The star of ten thousand beasts! A sovereign descending to the world!"

Chen Xiaobei roared again, and the image of the entire small universe appeared behind him!

"Shua shua shua ..."

In the next moment! All of a sudden, the small universe Dharma images in the star map rushed out!

Giant Dragons writhing, war Tigers dashing, eagles soaring, elephants charging ...

Over 10,000 ferocious beasts charged forward. Their vast might was like an Army of 10000 horses and horses, causing the earth to shake and the space to tremble!

what ... What's going on?!

Tian Peng and the three elders of heaven dominating faction were all dumbfounded!

At this moment, the battle of eight earth-god instruments was coming to an end! The power of the five-star earth-god was about to be exhausted. He needed to make another move!

Chen Xiaobei's sudden attack was like adding a weight to the scale! He could break the balance of the battle in an instant!

"Bang! Bang! Bang! Bang! Bang! Bang!"

As expected!

The spirit Flame King, the wild Thunder King, the fiendish water King, and the Azure Mystic saber Qi had all been enhanced by the power of the star of ten thousand beasts!

Although the power was not particularly strong, it was enough to determine the outcome of the battle!

With four loud explosions, the Vajra, Bodhisattva, Arhat, and Azure Dragon Dharma forms all shattered and disappeared!

"This ... This, this, this ..."

Tian Peng and the three elders of heaven dominating sect were all pale. Their pupils contracted and their bodies trembled.

"BOOM! BOOM! BOOM!"

in the next moment, the spirit Flame King, wild Thunder King, and fiendish water King slammed down, not giving the three heaven dominating faction elders a chance to fight back. They crushed them into meat paste!

"Clang!"

At the same time, the 800-meter long qingxuan blade Qi slashed towards Tian Peng's head.

"This is bad!"

In that split second, Tian Peng couldn't activate the power of the green Dragon Star Moon saber and could only block it subconsciously!

Fortunately, the power of the Azure Mystic saber Qi had been exhausted and there was not much left.

Tian Peng was a peak four-star earth immortal. With his protective Zhen Yuan and the Green Dragon Star Moon saber, he was not in any danger.

But! A starving camel was still bigger than a horse!

The blade Qi was a five-star earth-god after all. Even if it couldn't kill Tian Peng, it was enough to suppress him!

"Bang!"

Tian Peng's knees felt weak, and he was forced to kneel on one knee, unable to get up.

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

At the same time, the four five-star earth-god instruments, namely the explosive spiritual King Sword, the Furious Thunder King Sword, the Aqua fiend King Sword, and the qingxuan tianche, had already rushed over and surrounded Tian Peng!

The three five-star earth-god instruments from the three heaven dominating faction elders were all taken away by Chen Xiaobei!

In an instant, victory and defeat were decided!

The world was shocked!

The timing was just right! It was just one minute! All the enemies were wiped out! Bro bei was a man of his word!

My bro bei is so overbearing! I said one minute, just one minute. I'm not joking with you at all!

Yingying didn't expect this! Bro bei could actually use the long-lost astral Beast Battle technique!

No matter how many plans the enemy had, they still couldn't win against bro bei!

I only have one word for bro bei! Convinced! Convinced!

"The beast God's blessing! Heaven's blessing! Our beast clan has finally obtained a true respectable King!"

Bai nianfeng was so excited that tears streamed down his face. His Majesty has really comprehended the ten thousand beast astral battle technique. This level of comprehension is simply heaven-defying and godly!

Edina, all the elders, and all the young men kneeled down on one knee and looked at Chen Xiaobei with eyes full of respect, as if they were worshiping a God!

One could only imagine that in the hearts of all the orcs, Chen Xiaobei's image would become even greater, and he would be more respected and respected by the people!

Perhaps, Chen Xiaobei could change the faith of the orcs faster than expected!

.....

"Master won again!" Xuanyuan tuohai was extremely excited, 'master is an undefeatable legend! It's the invincible God of War!"

"This battle was won beautifully! We didn't expect this at all!" Xiangyu and six-eared macaque were also very excited.

The entire bei Xuan faction was in a jubilant mood again. It was even more lively than a Festival.

.....

"Let's go! We'll head to The White Tiger continent immediately! Don't waste a single second! I want Chen Zhufeng to die without a burial place!"

Beiming Wuji's face was livid. A few seconds ago, he was still thinking about how Chen Xiaobei would die, but now he was starting to throw a feast and celebrate!

After 10 seconds, the result of the battle gave beiming Wuji a huge slap in the face!

Not only was Chen Xiaobei uninjured, but he had also killed the seven core elders of heaven dominating faction and taken away three five-star earth-god instruments and four four-star earth-god instruments.

In this battle, Chen Xiaobei had gained a lot while heaven dominating faction had lost a lot.

Beiming Wuji was so angry that his eyes were about to burst. He wanted to kill Chen Xiaobei and eat his flesh and drink his blood.

.....

"Second senior! How was it? Are you convinced?"

Chen Xiaobei kept the enemy's earth-god instrument and walked slowly to Tian Peng.

The three demonic swords and Qing Xuan Tian che had already surrounded Tian Peng, rendering him unable to resist.

"If you want to kill, then kill! What nonsense are you spouting!"

Tian Peng's face was green and his attitude was unyielding.

"You know I won't kill you! Is there any meaning to that?"

"This is the fifth time I've captured you alive!" Chen Xiaobei laughed. You can't escape my Five Finger Mountain! Listen to my advice, stay by my side before the winter solstice!"

"Your Majesty!"

Bai nianfeng said in a deep voice, "this person has violated the totem pattern's iron rule and should be punished!" We can't let him get away with it just because he's related to His Majesty!"

"First elder, you don't know!"

this second Shixiong of mine is a kind and honest person. The reason why he did all these evil things is because the villain sealed his kindness! The one who should be punished is the evil person behind him!"

"Evil person?"

Bai nianfeng's eyes narrowed and he nodded. "Your Majesty has a point! The one who should be punished is the mastermind, heaven dominating faction!"

Clearly, Bai nianfeng had mistakenly thought that it was the heaven shrouding sect that had sealed the Canopy's kindness. But in reality, it was Shen Gongbao.

"Chen Xiaobei! Don't you try to act compassionate!"

Tian Peng said coldly, "I will not stay by your side!" I don't need to unseal kindness! I'm really enjoying my current state! I like the feeling of ambition swelling and my blood boiling! This was a real man! Do you understand?"

"Stay by my side!"

Chen Xiaobei raised his eyebrows and said, "I'll help you save cuilan Gao during the winter solstice!"

[Red Envelope Group of the Three Realms](#)

Chapter 2103: Army Bearing Down

"Uh ..."

Tian Peng's face stiffened and he immediately showed an extremely painful expression.

interesting. Why does your head hurt every time I mention cuilan Gao? "

Oh? " Chen Xiaobei asked curiously, " could Gao cuilan's name be the 'golden circlet' spell 'that's above your head? "

"Shut up! Shut up! Don't ever mention that name again!"

Tian Peng was in so much pain that he couldn't even hold the Green Dragon Star Moon saber. He clutched his head with both hands and looked like he was in pain.

"Alright, I won't mention it anymore!"

Chen Xiaobei shrugged. I respect your choice. Anyway, there's still some time before the winter solstice. I'll set you free. I'll come back to catch you then!

"Bah! Do you think you're a god?"

Tian Peng said viciously, "I will not let you catch me again!" Next time, no matter what, I'll make sure you die!"

"Alright, then you can go!"

Chen Xiaobei shrugged and said, "I'll give you half an hour to leave The White Tiger continent! I'll order all the teleportation arrays on The White Tiger continent to be shut down later! At that time, you won't be able to leave!"

"Return Qin Wuxin to me!" Tian Peng said angrily.

"No problem!" Chen Xiaobei shrugged, took out the verdant Emperor's divine gourd, and released the unconscious Qin Wuxin.

Obviously, Chen Xiaobei wanted the canopy great country to take Qin Wuxin away!

After all, Qin Wuxin had the intimate Gu on him! It was an important source of information for Chen Xiaobei!

This time, if it was not because of the knowing mind Gu that allowed Chen Xiaobei to know about Tian Peng and Qin Wuxin's plan in advance, this battle would have brought Chen Xiaobei a lot of trouble, or even put his life in danger!

That was why Chen Xiaobei threw Qin Wuxin out without hesitation. He was afraid that canopy would not want him!

"What happened to him?" Tian Peng frowned and asked, "isn't he immune to poison?" Why did he faint?"

"He's been cursed," you can ask Shen gongpao for help. This should be a small problem. Chen Xiaobei said.

"Return Qing Xuan Tian che to me as well!" Tian Peng continued.

"That won't do!"

no! Chen Xiaobei shook his head. I left Qing Xuan Tian che with you because I was worried that you would be hunted down by the enemy! Now, it seems that not only are you not being hunted down, but you've also mixed in with my enemies! Unless there's something wrong with my brain, I wouldn't leave you a weapon!"

"Good! You're ruthless!" Tian Peng knew that he was not in a position to bargain. He helped Qin Wuxin up with one hand and picked up the Green Dragon Star Moon saber with the other. Then, he turned to leave!

"Wait a moment!"

"Leave the Green Dragon Star Moon saber behind as well!" Chen Xiaobei said. After all, it's the most important treasure of the Jiang family. You'll be safer if you leave it to me!"

"Don't you go too far!" Tian Peng roared.

"Second senior! Don't you know what's good for you!" "I'm bullying you?" Chen Xiaobei said. Or protect you? Don't you know that in your heart?"

"I don't need your protection! This saber was yours! I'll return it to you now!"

Tian Peng threw the Green Dragon Star Moon saber on the ground and grabbed Qin Wuxin. He turned around and walked away. "The next time we meet, I'll make sure you die without an intact corpse! I'll take everything back from your corpse!"

"See you next time!"

Chen Xiaobei shrugged and kept his Green Dragon Star Moon saber.

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[eliminated the fifth generation villain ...]

[eliminated ...]

[your current merit points are 1040600000 (charm: 104060000, luck: 104060000)¼%!

Other than the nine earth-god instruments, Chen Xiaobei had also received the merit points for killing the seven Heaven dominating faction elders.

The winter solstice was approaching, and the merit points were very important to Chen Xiaobei.

Chen Xiaobei had been worried that the heavenly Lord Yuanshi and Shen Gongbao would still cause trouble during the winter solstice, and the merit points he had might not be enough!

Of course, the prime of Tongtian had also told Chen Xiaobei not to be late for the winter solstice!

The prime of Tongtian must have his own plan, which was to ensure that Chen Xiaobei would choose the most important Demon God, Luohou! East Emperor Taiyi! Di Jiang, the ancestor of Sorcery!

Chen Xiaobei could not participate in this level of scheming. He could only wait for the winter solstice to come before the truth would come to light!

"Everyone, disperse! The audience should stop staying in the live broadcast room! Everyone, have a good rest. If there's anything else, we'll talk about it tomorrow morning!"

Chen Xiaobei waved his hand and gave the order.

Obviously, the others could not understand the conversation between Chen Xiaobei and Tian Peng. There was nothing they could do to help!

Chen Xiaobei also wanted to rest.

After all, after today's battle, there would only be more and more difficulties and challenges in the future! The things that Chen Xiaobei needed to worry about were still waiting for him!

"Eh? What ... What is that?"

However, at this moment, Bai nianfeng suddenly exclaimed and looked at the sky in panic.

As soon as he said that, everyone's eyes turned to him.

In the distant sky, tens of thousands of combat space jets were flying over!

The audience watching the live broadcast were the first to see the key point!

That's a Green Dragon-grade flying device! There was an emblem of a Dragon's Tooth on it! It was the Azure Dragon Imperial city's Dragon Fang Warriors 'exclusive combat space jet!

The Azure Dragon Capital city? Why did the Jiang family come here? 10,000 aircrafts meant that 100000 Dragon Fang Warriors were all here!

Oh my God! Had the Jiang family gone crazy? The Dragon Fang Warriors were the strongest fighting force in the Azure Dragon Capital city. For daily missions, mobilizing one or two thousand people was already a lot. Today, a hundred thousand people actually came out in full force. This was too crazy!

"The Azure Dragon Capital city's people are here ..."

In the distance, Tian Peng was stunned and his thoughts were complicated. Looks like Chen Xiaobei's request for me to leave the Green Dragon Star Moon saber behind has really helped me escape this time!

Of course, Tian Peng's mind was still occupied by the evil thoughts. He would not thank Chen Xiaobei, nor would he help him.

Holding Qin Wuxin, Tian Peng quickened his pace and left the beast God mountain.

"Your Majesty! What should we do now ..."

Bai nianfeng's face was filled with anxiety. He lowered his voice and said, "100000 Dragon Fang Warriors are the Azure Dragon Imperial city's strongest fighting force! All the core members of the Jiang family would probably be there as well! If they were to form a battle formation, the beast God mountain would be razed to the ground!"

"Don't worry, they're coming for me!"

I'll go! Chen Xiaobei said, "you and your men move aside. I'll take care of them!"

"Once they form a battle formation, I'm afraid they can unleash the power of a six-star earth-god!" Bai nianfeng said worriedly. Your Majesty, you can't stop it!"

"Wu...Wu... Weng ..."

As he spoke, the 10000 Azure Dragon combat space jets had already gathered.

It was as if a huge dark cloud had completely covered the starry sky above the mountain.

"Don't worry, I have a way!"

Chen Xiaobei's expression did not change. His tone was calm, but he exuded a domineering aura that said he was in control of the situation.

"Yes, sir!"

Bai nianfeng was very familiar with Chen Xiaobei's domineering attitude. As long as Chen Xiaobei said so, it would not be a problem!

Red Envelope Group of the Three Realms

Chapter 2104: Absolute Dominance

"Chen Zhufeng! Your death is here!"

An extremely fierce roar suddenly came from the leading aircraft. The cold killing intent spread out like a substance, causing the sky to darken involuntarily!

"Who are you?"

Chen Xiaobei looked up at the sky.

"I am the current respectable King of the Azure Dragon Imperial City! He was the current master of the Jiang family of Green Dragon! Jiang Zhaolong!"

The voice from the aircraft was very fierce and overbearing. It was naturally the head of the Jiang family!

"The Grudge between me and your Jiang family is personal!"

"You brought 100000 troops to attack beast God mountain!" I'm afraid this is not appropriate!"

"Not suitable?"

"You killed my elder brother, Jiang Zhaoyan!" Jiang Zhaolong roared. "Is this appropriate?" You're hiding from the most important treasure of the Jiang family, the Green Dragon Star Moon saber. You killed the Jiang family's genius, Jiang Shaodian! Jiang Heqing! Cripple Jiang zipeng! Is this appropriate?"

"Ha, don't you feel embarrassed saying such things?"

"Jiang Zhaoyan is colluding with the demonic sect!" Chen Xiaobei said. Should not be killed? The Green Dragon Star Moon saber is my trophy for killing my enemies. Shouldn't I take it? Jiang Shaodian! Jiang Heqing! Jiang zipeng! All of you want to kill me! If I don't deal with them, do you think I'll let them take my life?"

this ... Jiang Zhaolong was instantly speechless.

Well done, bro bei! These shameless people of the Jiang family! He was clearly in the wrong, yet he still had the nerve to come to the beast God mountain for revenge! He was simply shameless!

Come on, bro bei! Hack them to death! The public's eyes were clear. The Jiang family was in the wrong. They were all on bro bei's side!

Bro bei! Don't let them off easily! To maintain the order of the holy mountain and defend the totem iron rule!

"You sharp-tongued little bastard!"

Jiang Zhaolong flew into a rage and roared, " "You actually put all the blame on the Jiang family! I can't let you live today! Otherwise, the Jiang family's reputation will be ruined by you!"

truly, a shameless person is invincible! what?! Chen Xiaobei sneered. your Jiang family's reputation is already worse than the shit in the latrine! Why would it be me?"

you ... You ... Jiang Zhaolong was at a loss for words, and his face was burning.

"Patriarch, don't waste your breath on him!"

At this moment, the higher-ups of the Jiang family couldn't wait any longer. They all asked, "Just give the order! Our soldiers are all ready! He would directly raze this dog shit beast God mountain to the ground! Don't tell me that the beastmen can bite us?"

They probably forgot to turn off the loudspeaker, so the words of the Jiang family's higher-ups were directly transmitted from the aircraft.

And it was directly transmitted to the live broadcast room.

A single stone caused a thousand ripples. The audience in the live streaming room was instantly enraged.

The Jiang family of Xuanji is too shameless! He was in the wrong, yet he still dared to say such words! Blasphemy against the Holy Land! He had violated the iron rule! Trampling on the dignity of our orc race! It was simply unforgivable!

The Jiang family of Xuanji had always been like this! Just because he's an aristocrat of the Azure Dragon Imperial City, he doesn't put the other forces in his eyes at all!

Yingluo was right! It wasn't the first time that the Jiang family had been unreasonable and bullied others! Many small forces hated the Jiang family to the core!

Bro bei! Your Majesty! You must seek justice for our human-beast hybrid clan! He absolutely couldn't allow the Jiang family to do as they pleased!

If the Suan ni Holy Land is destroyed, the dignity and face of our beast clan will be gone! Your Majesty, please stop the Jiang family!

His Majesty-Xuanji King! All the dignity of our beast clan! Glory! Faith! It's all on you! Please! They had to protect the Holy Land!

"Hahaha ... Stupid beastmen! At a time like this, you're still counting on Chen Zhufeng? This is ridiculous!"

Jiang Zhaolong laughed arrogantly and said, "the 100000 Dragon Fang Warriors, the most powerful force in the Azure Dragon Imperial City, and all the core members of the Jiang family are all gathered here!" How can Chen Zhufeng stop us?"

The high-level members of the Jiang family also sneered, "As long as our family head gives the order, Chen Zhufeng will be turned into ashes and this damn beast God mountain will be completely destroyed! You idiotic beastmen can't do anything to us! Hahaha ..."

Xuanji Jiang family dog, don't be smug! I will bring all the men in my family! Pick up your weapons and rush to beast God mountain! They swore to protect the Holy Land with their lives!

Our family doesn't discriminate between men, women, old, and young! Those who could fight would all rush to the beast God mountain!

My fellow bi-an orc race! The enemy is already riding on our heads! Pick up your weapons! Head to beast God mountain! Even if we have to risk our lives, we must let the Jiang family know that the orc race can not be humiliated!

The bi 'an orc race! He couldn't be humiliated! A battle to the death! A battle to the death! A battle to the death!

There was no doubt that the beastmen were a race whose belief was above all else. For the sake of their belief, they would definitely not be stingy with their lives!

The majority of the human-beast hybrids would pick up their weapons and rush to the beast God mountain!

Even if they knew that they were going to die, they would not hesitate at all!

"Everyone, calm down! Listen to me!"

Chen Xiaobei turned to the camera and said, " "Now, as the new honorable King of the beast clan, I promise you that the Jiang family will be defeated! They will pay the price for what they have done today!"

His Majesty, Xuanji, has spoken! His Majesty the Honorable King has a way!

Everyone, calm down and listen to what His Majesty the Honorable King has to say! He definitely won't let us down!

Yes, yes, yes! Let's first listen to His Majesty's decree!

The viewers in the live stream calmed down and did not rush to pick up their weapons. Instead, they waited for Chen Xiaobei's performance!

"Everyone, listen up!"

Chen Xiaobei used his ethereal force to transmit his voice to every enemy, " "The Jiang family! Despicable and shameless, colluding with the extermination of a sect! Unreasonable and bullying! Blasphemy against the Holy Land was a violation of the iron rule! I hereby declare that all participants of the Jiang family will be killed without mercy!"

"You little brat! You're f * cking crazy!" Jiang Zhaolong roared, "I only need to say one word and you'll die 800 times!" What do you have to kill without mercy?"

Chen Xiaobei ignored Jiang Zhaolong and continued, " "A hundred thousand Dragonfang Warriors! If you still have a bit of justice and conscience in your hearts! If you can still distinguish right from wrong! Then, he flew the aircraft and left! I can pardon your crimes!"

"But!"

"If there's no justice and conscience! If you can't tell right from wrong! In that case, everyone who participated in the battle would be punished with the Jiang family! Kill without mercy!"

"You little brat, you must be crazy! He's crazy!"

Jiang Zhaolong roared hysterically, "The Dragon Fang Warriors are the strongest in the Azure Dragon Capital! They were also the most loyal fighting force! It was absolutely impossible for them to escape in the face of battle! It's impossible!"

"I'll give you ten seconds to consider!"

Chen Xiaobei said, "In ten seconds, I will start a massacre!"

Red Envelope Group of the Three Realms

Chapter 2105: Only One Word

"Ten seconds? Numbed! Kid, do you not understand the current situation?"

Jiang Zhaolong roared in exasperation, "Right now, it's the Azure Dragon Imperial city's Army that's bearing down on us! If anyone is going to start a massacre, it's US who are going to start a massacre! You little brat, you still dare to speak so arrogantly when you're about to die? I'm afraid he's been scared silly!"

"Three! Two! One!"

Chen Xiaobei said, "100000 enemy soldiers have invaded our Holy Land! You're insulting my faith! You're bullying my people! Guilty! You must be killed!"

His Majesty Xuanji is right! The enemy had gone too far! Our beast clan will never back down! Even if they had to fight to the last man, they had to kill all of them!

Although Xuanji said that, did His Majesty really have a way?

He's right ... His Majesty is all alone, how can he fight against 100000 enemies?

"Dragonfang Warriors! Listen to my orders!"

Jiang Zhaolong roared hysterically, "Immediately form the [Azure Dragon nine sealing formation]! Come with me, we'll flatten beast God mountain!"

"Whoosh! Whoosh! Whoosh ..."

As soon as he finished speaking, true essence burst out from the aircraft.

Each aircraft released ten beams of vital essence!

10,000 flying devices and 100000 Dragon Fang soldiers!

A vast amount of true Qi was connecting in the air in a regular pattern, forming a huge array!

Among them were dozens of core high-level members of the Jiang family!

This " Azure Dragon nine locks formation " could at least unleash the combat power of a six-star earth-god!

The earth level deity realm, one minor realm, 33 heavens!

Although Chen Xiaobei had eight five-star earth-god instruments and four four-star earth-god instruments, even if they were all combined, they would not be enough to fight the enemy!

And this was exactly what the audience in the live streaming room was worried about!

How could Chen Xiaobei single-handedly take on 100000 men?

This was simply a fantasy story. According to normal logic, it was simply unbelievable and incomprehensible!

"Chen Zhufeng! Accept your death!"

Jiang Zhaolong roared again. At the same time, the Azure Dragon nine locks formation was completed!

Over 10,000 aircraft were connected by vital essence and formed a big dragon, eight small dragons, and nine huge Dragons!

The eight small dragons were based on the 'eight gates golden lock array'. With the addition of the ninth large dragon, the array was further strengthened, forming the current nine-lock array!

"Roar! Roar! Roar ..."

With Jiang Zhaolong's command, the nine Dragons were like nine ethereal rainbows that streaked across the night sky and came crashing down on Chen Xiaobei!

No! To be precise, it was crushing down on beast God mountain!

If Chen Xiaobei was unable to defend himself, the entire beast God mountain would be destroyed, with Chen Xiaobei as the center!

The fight had begun! Can His Majesty block the enemy's fierce attack?

"Your Majesty!"

Bai nianfeng trembled as he replied, "the orc tribe's hundreds of millions of years of faith and dignity are all tied to you!" If you lose, the Holy Land will be destroyed! The beastmen will suffer a great humiliation, and even if they die, they won't have the face to face the great beast deity!"

"Master! You must win!" Xuanyuan tuohai clenched his fists, his eyes bright. "The Azure Dragon Imperial City has gone too far! We can't let them do whatever they want!"

"Childe Chen! You must hold on!" Elder Xia's expression was grave as he sighed, "if you lose, justice will lose!" The darkness would continue to shroud the world! Everything you've done before will be completely meaningless!"

.....

"Sect master!"

heaven dominating faction's core elder said, " Jiang Zhaolong, that old thing, really put in a lot of money! It looked like Chen Zhufeng was dead for sure! Should we retreat to the sect?"

"Retreat? We're already at the foot of beast God mountain! How can we retreat?"

Beiming Wuji said viciously, "Chen Zhufeng is dead, and I'm going to take back the earth-god instrument that belongs to heaven dominating sect! I'm going to kill everyone related to Chen Zhufeng! Only this way can you calm my anger!"

"Sect leader is wise! Should we start climbing the mountain now?" The core elder asked.

"Don't worry! Let's see how Chen Zhufeng dies before we leave!"

Beiming Wuji held his phone and stared at the live broadcast, I don't want to miss the exciting scene of Chen Zhufeng being killed!

In the video, Chen Xiaobei was standing proudly in the same spot, facing the nine terrifying Dragons that had the power of a six-star earth-god!

To everyone's surprise, not only did Chen Xiaobei not reveal any more of his trump cards, he even kept all of his earth-god instruments!

"Hahaha ... Chen Zhufeng! Have you finally accepted your fate? Obediently accept your death! Only death awaits you if you become the enemy of the Jiang family!"

Jiang Zhaolong thought that Chen Xiaobei had given up and laughed.

"Was I too kind in the past, did they think I wouldn't kill?"

Chen Xiaobei stood where he was, his dark eyes like a pair of black holes, empty and emotionless!

In an instant, billions of stars in the night sky suddenly flickered!

Chen Xiaobei said, "Kill!"

"BOOM! BOOM! BOOM! Boom ..."

As soon as he finished speaking, a roar that was even more frenzied than Thunder suddenly burst out in the quiet night sky!

In an instant, streams of multi-colored astral energy were attracted by the stellar abode not far away!

And the stellar formation in the hollow was now under Chen Xiaobei's control!

As a result, countless star power shuttled through the space at an extremely fast speed and intertwined to form a huge force field!

It was as if there was a heavy downpour that suddenly enveloped the 10000 Azure Dragon flying devices in the sky!

The weakest among these stars was at the level of a one-star earth-god, while the strongest was at the level of a peak earth-god! The main point was that the number was astonishing!

It covered the sky and covered the earth. Unless a celestial immortal descended, no one could survive in this force field!

It could even be said that this was a forbidden zone for the living!

"Bang! Bang! Bang! Bang! Bang ..."

In the blink of an eye, hundreds of Azure Dragon spacecraft had been blown up by the power of the stars!

The power of the Azure Dragon nine lock absolute formation couldn't withstand the crushing force of the star Force field at all!

In the night sky, it was as if an incomparably Grand fireworks show had unfolded!

The sky was filled with flames and the stars were bright. It directly lit up the world as if it was daytime!

And in this dazzling 'fireworks show', hundreds and thousands of people died in the explosions every minute and second!

In the face of such a terrifying force field, human lives were as fragile as ants!

On this day, Chen Xiaobei ascended to the throne!

On this day, Chen Xiaobei went on a killing spree!

100,000 people were completely annihilated in just half a minute with the terrifying explosion, not even a corpse was left!

In the end, everything returned to peace.

Chen Xiaobei stood where he was, looked at the camera and said, " "Those who want to kill me, just come! This King will accept all of them!"

As soon as he said that, the world fell silent!

.....

At the foot of the mountain.

Beiming Wuji turned around and ran!

The leader of the heaven dominating faction, the number one on the great heavenly fate ranking, didn't even dare to take half a step into the beast God mountain!

[Red Envelope Group of the Three Realms](#)

Chapter 2106: The King Of The World

While beiming Wuji was running away, he met Tian Peng and Qin Wuxin.

if they wanted to work together, they would use the teleportation array at the city at the foot of the mountain to return to White Tiger city and then back to heaven dominating sect.

in addition, Yi changkong took advantage of the chaos of the war to secretly take Jiang zipeng and Shen yuanbin, who had become eunuchs, away from beast God mountain and to heaven covering sect.

At this point, the war had completely come to an end!

Chen Xiaobei had used the power of the stars to establish his might!

There were no more enemies in the beast God mountain! No foreign enemy would dare to invade the world!

His Majesty-Xuanji-won! His Majesty won again! He was invincible! Ever-victorious! A hero! Only I respect the king!

His Majesty, Xuanji, was simply godly! In an instant, 100000 strong enemies were annihilated! Only a heaven immortal could have such divine might!

Zhenzhen allowed the Jiang family to desecrate our Holy Land, insult our faith, and threaten our lives. This is the end they deserve!

His Majesty, Xuanji, won this battle, and he vented his anger! Satisfying! Give face to our clan leader!

Qianqian thanks the heavens for bestowing upon us such an outstanding respectable King!

Long live Your Majesty, Xuanji! Long live! Long live long live!

All the beastmen in the world, long live the mountains!

On the top of the beast God mountain, the elder Council and the thirty most outstanding young beastmen were also cheering!

Bei Xuan faction, bei Xuan planet, and all the people in the faction and the eight hundred million people on the planet were celebrating like it was the most lively Festival!

In the Azure Dragon Imperial City, the remaining members of the Jiang family wailed and cried, vowing to take revenge on Chen Xiaobei!

At the same time, in the Azure Dragon Imperial City, the people and small forces who were bullied by the Jiang family were using firecrackers and drums to celebrate the Jiang family's death and Chen Xiaobei's victory!

There was no doubt that Chen Xiaobei had killed many people in this battle, but he had also benefited many more people!

The heavenly Dao punished evil and promoted good!

The Jiang family, which was filled with evil, was no longer popular! As a person who punished evil, Chen Xiaobei could naturally obtain the approval of the heavenly Dao!

[ding! You have eliminated an evil person. You have been rewarded with 1000 merit points!]

[ding! You have eliminated a first-generation villain. You have been rewarded with 10000 merit points!]

[eliminated ...]

[your current merit points are 1340600000 (charm: 134060000, luck: 134060000i%!!)

"What the f * ck! Killing these 100,000 people actually earned me 30000000 merit points!"

Chen Xiaobei was shocked. Never in his dreams would he have thought that killing would bring him such great benefits!

After all, the last time Chen Xiaobei saved a billion people, he only received one billion merit points!

He had killed 100000 people today and had actually obtained 300 million!

Could it be that killing people was better than saving people?

No! Of course not!

"The people I saved were basically ordinary people, ordinary and unremarkable. They hardly contributed to the world! Therefore, the merits bestowed by the heavenly Dao are only for appeasing the disaster, and there's no additional bonus!"

but I've only killed evil people! Chen Xiaobei thought. These 100,000 soldiers of the Jiang family were domineering and tyrannical. More than one billion people had been oppressed and persecuted by them. Therefore, what I get is the merit of eliminating evil people, so naturally, I will get more!"

Sect master Tongtian had once said that those who killed people with selfishness were evil people! The ones who killed for self-protection were ordinary people! Those who kill to protect their own kind are good people!

Without a doubt, these 100000 Dragon Fang soldiers knew that the Jiang family was doing evil, but they still wanted to be their accomplices!

Chen Xiaobei had given them a chance to leave, but they did not!

They, for their own glory, splendor, wealth, had betrayed the Justice and conscience of the heavenly Dao!

They had oppressed and persecuted the orcs, desecrating the Holy Land and faith of the orcs, and had almost caused a large-scale war!

One thought to become a Buddha, one thought to become a devil!

Good and evil could be decided in a single thought!

From the moment the 100000 Dragon Fang soldiers chose to fight, they had already become evil people!

That was why Chen Xiaobei did not show any mercy. He only said one word: kill!

To stop the battle with killing! The heavenly Dao's approval! The people's will!

Naturally, there would be a huge amount of merit added to his body! Naturally, there would be a huge number of believers worshiping Him!

Chen Xiaobei's current followers would become more devout and their faith would be more stable! At the same time, there would also be a large number of passers-by who would gradually respect Chen Xiaobei and become his new followers!

Five five-star earth-god instruments, four four-star earth-god instruments, 300 million merit points, and the enhancement of his believers!

Chen Xiaobei had gained a lot from this battle!

Other than that, Chen Xiaobei had another reward, an even bigger one!

"Childe Chen! Oh no! His Majesty, The White Tiger King! This old man has brought all the adult men of the Black Tortoise royal family to congratulate you!"

Elder Xia led dozens of core members of the Xia family to the top of beast God mountain and walked in front of Chen Xiaobei. They were also in front of the camera!

This was the same as announcing to the world that the Xia family of Black Tortoise Imperial City had officially formed an alliance with Chen Xiaobei!

From then on, they would share honor and disgrace, and go through life and death together!

"Old Xia! Why did you personally come?"

Chen Xiaobei stood there proudly and smiled. a few days ago, you said that you could only support me in secret. Aren't you afraid of getting into trouble by coming to the surface today? "

"Of course I'm not!"

"His Majesty, The White Tiger honorable King, has cleared the clouds in apocalypse Starfield! The darkness would end! The Xia family will not and will not continue to hide in the dark!"

Elder Xia announced solemnly, " from today onwards, the Black Tortoise Xia family is willing to join The White Tiger honorable king's army. We will listen to The White Tiger honorable King's orders! As long as The White Tiger King gives the order, all the soldiers of the Black Tortoise Royal City will fight to the death!"

As soon as these words came out, the whole world was shocked!

The Xuanji Black Tortoise Imperial City and The White Tiger Imperial City were on the same level! However, according to elder Xia's tone, the Xia family was going to bow down to the revered King White Tiger!

The Xia family's sacrifice is too great! Don't you want your royal status?

The bi 'an White Tiger King was really too awesome. He could actually make a King of the same level submit to him!

"Everyone has misunderstood!"

Chen Xiaobei shook his head and said, " I don't want to be The White Tiger King. I'll send someone to take over this position later!

what??? "

Chen Xiaobei's casual words left everyone dumbfounded.

"Your Majesty! You can't make such a joke so casually!" Bai nianfeng said nervously.

Elder Xia also became nervous,"did I say something wrong?" Your Majesty! You can't leave! Without you, we'll just be a pile of loose sand, and we won't be able to do anything!"

At the same time, countless people from The White Tiger continent and the Black Tortoise continent also became nervous.

Just as elder Xia had said, without Chen Xiaobei, all the forces on the two continents would be like dragons without a leader! very quickly, heaven dominating sect would suppress them once more!

Chen Xiaobei was the only one who could fight against heaven dominating faction!

"Everyone, there's no need to be nervous!"

I don't want to be The White Tiger King! That's because I, Chen Zhufeng, want to be the king of the world! Chen Xiaobei said.

[Red Envelope Group of the Three Realms](#)

Chapter 2107: Emperor Zhufeng

The king of the world!

Everyone was shocked by his words!

For the people in apocalypse Starfield, the world referred to the four continents!

But for the entire human world, the world referred to the world below the heaven realm!

Chen Xiaobei wanted to be the king of the world, or in other words, the king of the human world! This tone was not the usual kind of big!

After all, above apocalypse Starfield, there was still the earth-god Realm!

If he wanted to be the king of the human world, it was not enough to just aim for the heavenly Tribulation, he must also suppress the earth immortal world!

For a moment, everyone fell silent! They could not understand Chen Xiaobei's ambition with the logic of a normal person!

Of course, Chen Xiaobei did not need anyone to understand him.

As long as he could produce the results, it would be enough to prove everything. Why waste time explaining?

Because of this, Chen Xiaobei told them his plan!

later, I will move bei Xuan faction to The White Tiger Capital city and let my most trusted people rule The White Tiger continent! The White Tiger King will be assumed by the person I've sent!"

"At the same time, the Black Tortoise continent and The White Tiger continent will still maintain an equal Alliance! The Black Tortoise royal family would not be abolished! However, in order to facilitate the management and unified operations, someone must be the alliance leader!"

Chen Xiaobei said in a domineering manner, " "I don't want to be a hypocrite! this Alliance head wanted to fight with heaven covering sect! They wanted to fight the demonic sect! They even wanted to fight with the earth immortal world! Other than me, no one else can do it!"

Everyone was convinced by his words!

Elder Xia was the first to bow and said, "the entire Xia family will support Childe Chen as the alliance leader!" Childe Chen is the only one who can lead us to break the darkness and return apocalypse Starfield to its former glory!"

Bai nianfeng also expressed his opinion immediately, "Childe Zhufeng's ability!" Courage! Foundation! Comprehension! Talent! Wisdom! All of them were super-class existences! Childe Zhufeng is the only one qualified for the position of Alliance leader!"

Once these two giants expressed their stance, it was equivalent to the Black Tortoise continent and The White Tiger continent expressing their stance at the same time! He firmly supported Chen Xiaobei's decision!

"I have another suggestion ... But I'm not sure if I should say it?" Bai nianfeng said with a frown.

"First elder, please speak!" Chen Xiaobei said.

Bai nianfeng said, "both the Black Tortoise and white Tiger positions must be kept!" In that case, Childe Zhufeng, as the leader of the Alliance, should be given an even higher title!"

"Well said!"

Elder Xia immediately added, "we all have to rely on Childe Chen!" Follow Childe Chen! Only a higher position could match Childe Chen! Childe Chen, I suggest you become the Emperor! A sovereign descending to the world!"

"Good idea!" Bai nianfeng's face was full of agreement.

Without a doubt, everyone from the Black Tortoise continent and The White Tiger continent agreed!

"What the two of you have said is exactly what I'm thinking!"

"I will continue my journey to the Vermillion Bird and green Dragon continents!" We'll uproot all of heaven dominating sect's minions and establish a new order for apocalypse Starfield!"

after this, I'll build the Imperial City of beixuan on top of the four royal cities of the Azure Dragon, White Tiger, Vermillion Bird, and black Tortoise!

and I, Chen Zhufeng, will be the Emperor of the Imperial City of beixuan. My name is Zhufeng!

The world was shocked by his words!

greetings ... Emperor chasing wind!

Bai nianfeng led the members of the Council of Elders and more than 30 of the most outstanding relatives of the orc clan and knelt down on one knee!

Elder Xia led all the adult men of the Xia royal family to kneel on one knee!

Trillions of citizens from The White Tiger continent and the Black Tortoise continent all knelt on one knee!

"Emperor Zhufeng! Long live! Long live! Long, long, long, long!"

Those who win the hearts of the people will win the World! A tsunami of praise! It was rising and falling in the two continents!

On this day, apocalypse Starfield had its first great emperor in billions of years!

On this day, The White Tiger continent and the Black Tortoise continent had formed an alliance, and they were both under the command of Emperor Zhufeng!

On this day, Emperor Zhufeng took over two of the four continents in apocalypse Starfield and split the world with heaven dominating faction!

.....

"My Dear Mother!"

Xuanyuan tuohai trembled with excitement and exclaimed, " "My master doesn't want to be the king of a clan, he wants to be the Emperor of the world! He's so handsome!"

Xiaobei has really made bei Xuan faction proud!

that's right! Xiangyu praised. in the near future, when the Imperial City is built, we, bei Xuan faction, will be the number one faction in the myriad tribulations realm! We'll stand above all the other factions! Just thinking about it makes me feel so good!"

"It's not just a long face."

that's great! Jiang Ziya praised. Xiaobei has broken the record for hundreds of millions of years by himself! He would become the first great emperor in the history of apocalypse Starfield! This unprecedented and unprecedented glory will definitely leave its name in the history!"

"I'm really looking forward to it!"

Six-eared macaque sighed, "I thought it would be extremely difficult to return to heaven!" Now, it seemed that it would not be long before little north could dominate apocalypse Starfield! He could rush to the earth-god Realm in a few days! It's no longer far away to ascend to the heavenly realm!"

As soon as he said that, old Wang, Nezha, and Hong Hai 'er all became excited!

Heaven realm! He had been away for a long time, and he really missed her!

.....

"Chen Zhufeng! You're a damn pretentious criminal!"

Beiming Wuji ran back to heaven dominating faction and looked at the live broadcast. He gritted his teeth in hatred, " "I've suppressed the four continents for so many years, and I've never dared to claim the title of Emperor! You haven't even grown your hair yet, and you dare to act so arrogantly! How detestable! How hateful! This is unforgivable!"

"Darknorth sect master!"

there's no point in getting angry. Calm down and think about how to deal with Chen Zhufeng. That's the most important thing! Tian Peng said.

"Deal with Chen Zhufeng? You must be joking!"

"Didn't you see that?" Beiming Wuji said angrily. The 100,000 Dragon Fang Warriors who had formed the Azure Dragon nine lock formation were easily killed by Chen Zhufeng! Chen Zhufeng had the power of a peak earth level deity! How are we going to deal with him? Are we going to invite a celestial immortal to descend to the mortal world?"

"Don't panic, sect master darknorth! Chen Zhufeng is not that strong!" At this moment, Yi changkong walked in with Jiang zipeng and Shen yuanbin.

"Yi changkong! You coward! You actually dare to come and see this Lord!"

"You're My Spy!" Beiming Wuji shouted. Why didn't he attack Chen Zhufeng at this critical moment? Why?"

"Please calm down, sect master darknorth! I've brought important information! You can make up for your mistakes!" Yi changkong quickly said.

"Good! I'll let you speak!"

"You better convince me, or else I'll punish you for running away!" Beiming Wuji roared.

"Yes!"

Chen Zhufeng! Yi changkong swallowed and said, "Chen Zhufeng killed 100,000 Dragon Fang Warriors with the help of the stellar array left by the ancient beast God! That was not Chen Zhufeng's power! This means that as long as Chen Zhufeng leaves beast God mountain, we will have a chance to take care of him!"

"What? Is that the power of a formation?"

Hearing this, Beiming Wuji and Tian Peng's faces turned green and they shouted in unison, "You idiot! Why didn't you say so earlier!"

[Red Envelope Group of the Three Realms](#)

Chapter 2108: The Canopy Great Country's Layout

"Idiot! You're so stupid that you can't be saved!"

Beiming Wuji roared, "why didn't you tell me such an important piece of information earlier?!" If I had known this earlier, I wouldn't have needed to run!"

"Yup!"

damn it! Tian Peng was furious. the power of the formation is limited. If the sect master of the Beiming clan goes up the mountain, he can kill Chen Zhufeng! It's because we didn't grasp this information that we lost our most important opportunity!"

"I ... I didn't expect this to happen ..."

Yi changkong swallowed his saliva and said nervously, " "I was so focused on saving Jiang zipeng and Shen yuanbin that I forgot to report to the sect master of beiming ..."

the heavens aren't on my side ... They're on Chen Zhufeng's ... Tian Peng sighed."To encounter such an extremely stupid spy! I can only say that Chen Zhufeng's luck is too good!"

Chen Xiaobei had told the elder Council the secret of the stellar formation while the livestream was off.

Yi changkong had obtained the information a long time ago, but he had not reported it.

Beiming Wuji thought that Chen Xiaobei had the power of a peak earth-god, so he ran away and lost his chance to kill Chen Xiaobei!

On the contrary, if beiming Wuji were to charge up the mountain, the spiritual Qi in The Starry Cave wouldn't be enough to activate the power of the stellar array again!

This way, Chen Xiaobei and everyone on the mountain would be killed by beiming Wuji's six-star earth-god instrument!

It was not an exaggeration to say that Chen Xiaobei was extremely lucky to have beiming Wuji scared away!

Otherwise, the consequences would be too horrible to imagine!

"Men!"

"Drag nie changkong, Jiang zipeng, and Shen yuanbin down and behead them!" Beiming Wuji shouted.

He originally had a chance to win, but he was scared away!

Beiming Wuji felt as though he had just eaten a ton of hot sh * t. He was so depressed that he could not even feel his soul!

sect master, please spare me... Spare me ...

Yi changkong immediately knelt down and wailed. The two eunuchs, Jiang zipeng and Shen yuanbin, were still covering their crotches and begging for mercy with shrill voices.

"Sect leader! Let's go back now! "There's still time ..." Xi changkong wailed.

ten minutes ago, Chen Zhufeng ordered to cut off all the teleportation formations connecting the Black Tortoise continent and The White Tiger continent to the outside world!

Beiming Wuji roared,"even if we use the fastest Azure Dragon grade flying device, it will still take us a year!" Only then would he be able to travel through the vast universe and return to The White Tiger continent! How do you expect me to kill my way back?"

this ... Yi changkong's expression froze. He was instantly speechless.

"Drag him away! Chop it!" Beiming Wuji was extremely cold, he didn't even care about human lives!

As soon as he finished speaking, a few core elders immediately stepped forward and held nie changkong in place!

"Sect master, please spare my life ... My Jiang family still has people in the earth-god Realm ..."

Jiang zipeng shrieked, " the patriarch of the Jiang family will definitely avenge his family! Sect master, please spare my life and let me go to the earth-god Realm to get help!"

"What?" Beiming Wuji's expression slightly changed,"That's a good idea. You can live!"

Obviously, Chen Xiaobei's current power and influence was already giving beiming Wuji a headache. If he could borrow the power of the earth-god Realm, his chances of winning against Chen Xiaobei would be much higher!

darknorth sect head, please spare my life ... My master is a core elder of the heaven shrouding sect's immortal world headquarters ...

Shen yuanbin also screamed,"master and my senior brothers all love me very much!" As long as I go back, I can definitely ask them to take revenge for me! Let's kill Chen Zhufeng!"

"I'm really confused from anger! I almost forgot that you're from the headquarters!" Beiming Wuji slapped his head and said, " we're all on the same side. It was just a misunderstanding. I hope you don't take it to heart!

"You're too kind, sect master beiming!" "You and my master are of the same generation, I would never dare to hold a grudge against you!" Shen yuanbin said respectfully.

"Good! This Lord will have someone treat your injuries!" Beiming Wuji said calmly,"when you return to the headquarters, remember to send my regards to sect head Nangong!."

definitely ... Shen yuanbin nodded repeatedly.

After saying that, Shen yuanbin and Jiang zipeng were carried back to the guest room by two core elders.

As for Yi changkong, who had no value, he was mercilessly hacked to death! He would become the sacrifice for beiming Wuji's anger!

"Mr. Canopy! What's your next step?" Beiming Wuji asked.

"I'm going to the earth-god Realm with Jiang zipeng and Shen yuanbin!" " these two kids aren't smart enough, " Tian Peng said. don't let Chen Zhufeng trick you again!

"Alright!" Beiming Wuji nodded and said,"with Mister canopy watching over me, I can be more at ease!."

Tian Peng thought for a while and said, " before we bring back the reinforcements, beiming clan master must guard the place. Don't let Chen Zhufeng attack the Vermillion Bird continent and the Azure Dragon continent! As his power continues to grow, the threat he poses to us will only grow!"

"Don't worry, Mr. Tianpeng!"

Beiming Wuji said in a deep voice,"the Green Dragon continent is the home ground of my heaven dominating faction!" As long as Chen Zhufeng dares to come, the sky shrouding formation at the peak earth God Realm will destroy him!"

"I'm not worried about the Azure Dragon continent!"

"I'm worried about the Vermillion Bird continent!" Tian Peng said. Chen Zhufeng had already taken control of the third Prince of Vermillion Bird, mu chenfeng! If we work together from the inside, we can easily take over the Vermillion Bird continent!"

"What? There's such a thing?" Beiming Wuji was shocked and said, "I'll order the MU family to kill mu chenfeng!"

"Don't!"

Tian Peng shook his head and said, "killing mu chenfeng won't affect the overall situation!" Chen Zhufeng could also control the other Mu family members! In my opinion, the sect master of the beiming clan could have secretly plotted to turn mu chenfeng into our chess piece!"

"I understand!" Beiming Wuji was smart and immediately understood, "We can use mu chenfeng to lure Chen Zhufeng out!"

"Right!"

"Other than mu chenfeng, you can also use another chess piece if necessary!" Tian Peng continued.

"Mister Tianpeng, please enlighten me!" Beiming Wuji's expression froze for a second and he was very respectful towards Tian Peng.

"The Vermillion Bird Qin family!" Tian Peng's tone was calm.

Beiming Wuji understood tacitly!

.....

The Vermillion Bird continent!

Before the portal closed, Chen Xiaobei used one last teleportation to reach the Vermilion Bird continent.

As for the beast God mountain, with Bai nianfeng and elder Xia in charge, everything would be stable.

Chen Xiaobei would ask Jin Fei to move bei Xuan faction to White Tiger Royal City!

The person who would take over the position of The White Tiger King was naturally the reincarnation of Wu Zetian, song Qincheng!

At the same time, he also had the help of Jiang Ziya, the Prime Minister!

Chen Xiaobei did not need to worry about the rear. Song Qincheng and Jiang Ziya would definitely manage everything well!

What Chen Xiaobei needed to think about was how to take down the Vermillion Bird and green Dragon continents!

After this battle, the enemy would definitely be on guard. Their subsequent actions would be filled with danger!

Ding Ling Ling Ling

Chen Xiaobei's phone rang just as he entered the Vermillion Bird Royal City.

It was Liu xuanxin!

Red Envelope Group of the Three Realms

Chapter 2109: The Earthly Calamity Star Sea

"Luck goddess! I just got off the live stream and you're calling me. Have you been following me?"

Chen Xiaobei was wearing a brand new human skin mask and had changed into a plain-looking outfit. No one would recognize him when he walked on the street.

"Yeah! I've been watching the live broadcast!"

Liu xuanxin's excited voice could be heard from the other end of the phone. "This live broadcast is really thrilling! There were a few times when I was worried that you wouldn't be able to hold on! I didn't expect you to be safe and sound in the end!"

"How is it? I'm very powerful, right?"

I'll go to the Green Dragon continent to look for you! Chen Xiaobei grinned. just you wait!

"I might have to leave the Azure Dragon continent for a while!" Liu xuanxin said.

"Why? Are you tired of playing?"

the Green Dragon continent is so vast! You can leave the Imperial City and go to other places to have fun. There's no need to leave the Green Dragon continent, is there? " Chen Xiaobei asked.

it's like this, " Liu xuanxin explained. recently, I heard that some young people are going to the 'earthly calamity Galaxy' for training. I want to join their team!

"'Earthly calamity in the sea of stars'? What is that place?" Chen Xiaobei asked.

"It's a Galaxy between the earth-god Realm and apocalypse Starfield! It is extremely vast, so it is also called the 'sea of stars'! "

"As for the 'earthly calamity', it's similar to the heavenly Tribulation that one has to go through to become an immortal!" Liu xuanxin said. If ordinary people want to go to the earth-god Realm, they have to go through the 'earth tribulation'! "

"Of course, the 'earthly calamity' is just a metaphor. It will not really come down like the heavenly calamity! It only means that passing through the 'earthly calamity in space' will be as difficult as surviving a perilous tribulation!"

"Why is it so difficult?" Chen Xiaobei asked.

that's because only those in the earth level can travel freely in the 'earthly calamity sea of stars'!

of course! Liu xuanxin explained, " anyone below the earth level deity stage can only travel through the 'earthly calamity in the starry sea' if they have the token of the earth level deity's power!

that's strange! Chen Xiaobei was confused. what is the cultivation requirement to travel in the sea of stars? " Who made this request? Who can stop others from freely moving around?"

it's like this. The 'earthly calamity Star Ocean' is divided into nine levels, and each level corresponds to a fire of the primordial spirit! Liu xuanxin continued,"in other words, those in the one fire spirit-cultivating stage can only move freely in the first level of the starry sea!" If you use two fires to refine your spirit, you can go to the second level of the star sea!"

"This request was set by a Big Shot in the earth immortal world in ancient times! Because the earth-god Realm is rich in resources and spiritual energy, the Giants of the earth-god Realm naturally don't want people from the lower realm to enter the Earth-god Realm and divide the resources at will!"

therefore, the transmitting formation in every level of the starry sea has been specially set up. Unless one's cultivation reaches the required level or has a token from the earth-god Realm, they can't be transmitted!

Oh? " Chen Xiaobei asked again, " then, can we not use the portal? can we just use the spacecraft to travel through the Galaxy? "

theoretically, yes, but in reality, it's almost impossible!

it's because the 'earthly calamity Galaxy' is extremely vast, " Liu xuanxin said. the distance between each level of the Galaxy is very far. Even your somersault cloud will need dozens of months to ascend one level, let alone an aircraft!

"Understood!" that's right! Chen Xiaobei nodded. in other words, the only way for normal people to go to the earth-god Realm is to keep cultivating and break through to the earth-god level. Only then can they use the ninth level of the starry sea to teleport there!

"Yup!" it's a very, very difficult process, " Liu xuanxin said. that's why it's called an 'earthly calamity'!

so, with your current cultivation, you can only play around in the first level of the starry sea, right? " Chen Xiaobei asked.

"You're underestimating me!" I've been cultivating ever since I broke through to the God-tier in the middle Qin emperor's tomb. I've already broken through to the two-fire god-tier a few days ago! Liu xuanxin said.

"You little girl! His talent was too strong! He's already broken through to the two fire spirit-refinement realm without a sound!" what?! Chen Xiaobei was surprised. if you run into any more fortuitous encounters, your cultivation will continue to soar!

"I'm going on an experiential learning this time to try my luck!" "I'm going to an ancient treasure vault in the second level of the starry sea with the young men," Liu xuanxin said. We've agreed to split the gains evenly, so there should be quite a lot of resources!"

the second level ... Chen Xiaobei thought for a moment and said, " you can go, but be sure to be safe. If there are any problems, remember not to show off and inform me immediately!

alright, you were so domineering during the live broadcast just now. Why are you being so wishy-washy now? " Liu xuanxin pouted, but her tone could not help but reveal a hint of happiness.

Chen Xiaobei laughed, " Do you also think I'm domineering? You have good eyes!"

"Don't be so smug!" get some rest, " Liu xuanxin said. you've had a long day. We'll talk again tomorrow!

"Alright!" alright! Chen Xiaobei nodded. I have something to do, so I'll talk to you later!

After he hung up, Chen Xiaobei's eyes fell on a small restaurant.

Chen Xiaobei and mu chenfeng had agreed to meet at this restaurant.

However, Chen Xiaobei did not go in immediately.

Chen Xiaobei knew very well that his enemy was not someone to be trifled with. After today's battle, his enemy would definitely use all their strength to plot against him!

Chen Xiaobei had to be extra careful with every step he took from now on!

Standing at the far end of the restaurant, Chen Xiaobei activated his golden gaze fiery eyes and was shocked by what he saw!

There were more than a dozen Men in Black hiding in the dark alleys on both sides of the restaurant!

The private room on the second floor that mu chenfeng was in, Upstairs, Downstairs, and even on the eaves, there were Men in Black with unknown identities hiding!

" heaven dominating faction probably doesn't know about my relationship with mu chenfeng!

Chen Xiaobei was not stupid. He turned around and walked away."It must be the information provided by second senior brother! this was why heaven dominating sect acted immediately!"

"In addition, judging from mu chenfeng's character in the past, the entire Mu family should not be good people! They must have been secretly colluding with heaven dominating sect!"

"If that's the case, I won't be able to meet mu chenfeng so easily! Otherwise, we will definitely fall into the enemy's trap!"

"In addition, second senior brother also knows about my relationship with the Qin family! In other words, I can't go to the Qin family either!"

'The Vermilion Bird continent is so big, who else can I trust? Eh? That person is ..."

Suddenly, Chen Xiaobei's eyes fell on a graceful figure who was in a hurry.

Chen Xiaobei did not know who that person was!

Chen Xiaobei activated his golden gaze fiery eyes and noticed that the person was wearing a human skin mask as well!

And Chen Xiaobei was very familiar with the face under the mask!

It was Qin Yitian!

Chapter 2110: Secret Prison

"Sister! What are you doing here?"

Chen Xiaobei put on his best acting skills and walked over to Qin Yitian, holding her arm.

In the eyes of outsiders, they were a pair of siblings with an extremely good relationship.

"What?"

Qin Yitian was taken aback. A bone-chilling killing intent burst out of her clear, black eyes.

If it was an ordinary person, they would have peed their pants or been shocked by Qin Yitian's glare.

Chen Xiaobei was not afraid at all. He smiled and said, "Sister! What are you doing? Don't tell me you don't even recognize your little brother?"

"Eh? You ..."

Qin Yitian was stunned again. In her memory, there was only one young man who could remain calm in the face of her terrifying killing intent!

Moreover, this young man's voice was very familiar!

"Little brother! How could I not know my good little brother!"

The murderous look in Qin Yitian's eyes disappeared and was replaced by a surprised and happy expression.

Let's talk somewhere else! Chen Xiaobei grinned.

"Alright!" Qin Yitian was all smiles as well. She let Chen Xiaobei hold her arm and they walked towards the west of the city.

.....

In the Western part of the city, in front of a wealthy family's mansion.

"He residence? What was this place? Is it safe?" Chen Xiaobei asked cautiously.

"Do you still remember my Junior Brother who was on the verge of death?" Qin Yitian asked.

"This is his house?" Chen Xiaobei was taken aback.

Back then, Chen Xiaobei and Qin Yitian became friends because of their medical skills. Qin Yitian helped Chen Xiaobei win an important item at the auction, and Chen Xiaobei helped Qin Yitian save a Junior Brother!

This man was very loyal. He immediately knelt down to thank Chen Xiaobei, treating Chen Xiaobei as his Savior and his second parent!

"Yes, this is Junior Brother he Qingyun's home!" Qin Yitian nodded and knocked on the door.

The door opened and Qin Yitian said something to the old Butler. The old Butler ran back in a hurry.

Soon, he Qingyun personally came out to greet them. Without saying a word, he led Qin Yitian and Chen Xiaobei into the study deep inside the house.

"Qing Yun greets Senior Sister Qin!"

There were no outsiders in the study room. He Qingyun immediately bowed to Qin Yitian.

"Junior Brother he, no need to be so polite!"

Qin Yitian waved her hand and took off her mask.

It was obvious that Qin Yitian and he Qingyun had agreed on a secret code to meet up. Therefore, he knew Qin Yitian's identity even through the mask.

However, he Qingyun could not guess Chen Xiaobei's identity.

"Senior Sister, who is this young master?" He Qingyun looked at Chen Xiaobei warily.

"It's me!" Chen Xiaobei took off his mask without any hesitation.

One had to know that in such a special time, there were eyes and ears of the heaven dominating faction and the Vermillion Bird Royal City everywhere. He Qingyun still dared to bring Qin Yitian home. This was enough to prove that he valued friendship more than his own life!

Such a person was worthy of trust!

"Benefactor!"

He Qingyun immediately recognized Chen Xiaobei. He knelt on the ground and was about to kowtow to him.

"Get up!"

Chen Xiaobei helped he Qingyun up and said, " I saved you back then with the effort of lifting a finger. There's no need for such a big bow in the future!

"Yes!"

He Qingyun nodded heavily and asked with an excited expression, "Benefactor, weren't you on The White Tiger continent? How did you arrive at the Vermillion Bird continent in the blink of an eye?"

"That's not important!"

"Yitian's situation is the most urgent thing right now!" Chen Xiaobei said.

"You've already guessed it?" Qin Yitian's expression froze.

Chen Xiaobei nodded. you're the heir of the Qin family. With your status and position, you still have to wear a human skin mask around. This is enough to prove that something has happened to the Qin family. And it's very serious!

Qin Yitian and he Qingyun both nodded in agreement. Chen Xiaobei was right.

"Half an hour ago! The Vermillion Bird Royal City and the heaven dominating faction have surrounded our Qin family!"

Qin Yitian's eyes were filled with anxiety. She gritted her teeth and said, " they don't care about reason. They don't care whether they're men or women, old or young. As long as they're from the Qin family, they'll take them all!

"It was Grandpa who told me about a secret passage and let me escape during the chaos. Otherwise, I would have become the enemy's prisoner!"

"What?" what?! Chen Xiaobei was shocked. why didn't you tell me about this earlier?!

I thought you would stay on The White Tiger continent to stabilize the situation ...

Qin Yitian pursed her lips and said in a low voice, " after all, you're Emperor Zhufeng who has ruled two continents ... Our Qin family can't be compared to your overall situation. So, I didn't want to disturb you!

"Idiot! Am I the kind of person who doesn't care about friendship?"

Chen Xiaobei frowned and said, " even if I become a celestial immortal one day, I'll definitely come back to help my friend when he's in trouble, let alone Emperor Zhufeng!

Obviously, Chen Xiaobei was the most loyal person! Family and friends should always come first!

Chen Xiaobei and Qin Yitian had gone through thick and thin together in the ruins of the five poison sacred cult.

When they were at the Qin family, Chen Xiaobei and elder Qin appreciated each other. Elder Qin did not stop burning the Qin family's spiritual vein to protect Chen Xiaobei from the canopy! Chen Xiaobei would never forget this!

When he heard that the Qin family was in trouble, Chen Xiaobei was as anxious and angry as if something had happened to his own family! Her worry was no less than Qin Yitian's!

thank you ... Qin Yitian's eyes were red."Zhufeng ... Thank you! Thank you for still helping me at this time ..."

In fact, Qin Yitian did not expect Chen Xiaobei to show up.

This was because Chen Xiaobei had already achieved great victories in The White Tiger continent and the Black Tortoise continent!

At this time, Chen Xiaobei should be stabilizing his Foundation and reaping the fruits of victory. There was no need to meddle in the Qin family's Affairs.

After all, compared to those two continents, the Qin family was insignificant! Even if the entire Qin family was destroyed, it would not affect Chen Xiaobei's overall situation!

In Qin Yitian's eyes, Chen Xiaobei did not need to get involved in this mess!

However!

Chen Xiaobei was here! Moreover, he had expressed his firm attitude of helping the Qin family!

The softest part of Qin Yitian's heart had been touched by Chen Xiaobei!

His heartfelt gratitude and emotions made this murderous woman reveal her warm and gentle side!

"You don't have to be so polite with me!"

Chen Xiaobei composed himself and said, " "Let's go back now and save everyone in the Qin family!"

"I'm afraid we won't make it ..."

" no! Qin Yitian shook her head. when I escaped, I overheard the heaven dominating faction disciples talking. They said that they're going to lock up the Qin family in a secret prison outside of the mainland. They'll use us as hostages to lure you to your death!

"Outside of the continent? A secret prison?" I think it's on an asteroid! Chen Xiaobei said.

I guess so ... Qin Yitian said helplessly, " "But no one knows the exact location ..."

" heaven dominating sect really put in a lot of effort to guard Against Me! Chen Xiaobei raised his eyebrows and said, " unfortunately, no matter how much they plan, I still have a way to determine their location and save everyone!
