Chapter 2111: Life And Death Rescue

"You have a way? This ... How is this possible?"

Qin Yitian and he Qingyun were dumbfounded. They couldn't understand even after racking their brains.

"Senior Sister Qin and I are both heaven dominating faction disciples! I've heard about the secret prison before!"

yes, " he Qingyun said. heaven dominating faction has built many secret prisons in different places, and their locations are all highly confidential! We don't even know which prison the Qin family will be sent to, let alone their location!"

yeah ... Qin Yitian said helplessly, " " my plan is to ask Junior Brother he to go back to heaven dominating faction and help me find out what's going on. Without any clues, it's impossible to find the prison!

"You're so silly!"

this is the most dangerous time for us! Heaven dominating faction is very cautious about everything that has to do with me. If you ask he Qingyun to find out, he's going to die! Chen Xiaobei said.

"It doesn't matter!"

"Senior martial sister Qin is also my Savior. Even if I have to risk my life, I will help senior martial sister Qin to find out more information!" He Qingyun said in a righteous manner.

"Quickly stop!"

from now on, listen to my orders! I promise to save everyone! None of us need to risk our lives! Chen Xiaobei said.

is this true ...? Qin Yitian was stunned. She couldn't believe it.

"Of course! When have I ever lied to you?" Chen Xiaobei raised his eyebrows, looking very confident.

"Good! We'll listen to you!" Qin Yitian was excited. She could not imagine what Chen Xiaobei had done, but she was sure that Chen Xiaobei had never disappointed her!

Since Chen Xiaobei had already made his promise, the best choice was to believe in Chen Xiaobei and listen to his arrangements!

"My method will definitely work, but Yitian, you might have to suffer a little." Chen Xiaobei said.

"Don't even talk about suffering!" Qin Yitian replied without hesitation. As long as I can save the entire Qin clan, I am willing to even take my life!"

"Alright!"

Chen Xiaobei nodded and said, " "Zi Yuan, come out for a moment. It's a poison that seals one's true energy and strength!"

"Oh!" okay! Zi Yuan replied and flew out from under Chen Xiaobei's coat like a cute little fairy!

With a flick of Zi Yuan's finger, a strand of purple spiritual light that was as thin as a hair entered Qin Yitian's body!

"Eh? What was going on? my body ... Qin Yitian felt weak all of a sudden. Her vital essence had been sealed, and she could not even use her physical strength. Fortunately, she was sitting on a chair. Otherwise, she would not even be able to stand!

Chen Xiaobei smiled and asked, " do you still remember the last treasure chest in the ruins of The Five Venoms sacred sect? "

I remember ... Qin Yitian nodded, " "That's a terrifying treasure chest! It's emitting a terrifying pressure even through the box!"

Chen Xiaobei pointed at Zi Yuan and said, " this little girl's name is Zi Yuan. She's the ancient poison demon that was sealed in the last treasure chest!

"You're the little girl! I'm a four-star earth-god!" Zi Yuan pouted his little mouth and protested in dissatisfaction.

"What? Four-star earth-god?" Qin Yitian and he Qingyun were both stunned. They could not believe their eyes.

No matter how he looked at it, Zi Yuan looked like a little girl, and there was no way he could be associated with an earth immortal.

Not to mention, he was a terrifying four-star earth-god!

It was known that the four-star earth-god Realm was the first major dividing line in the earth-god Realm, also known as the 'nascent soul realm'!

An earth level deity could form a dharma body. Even if his body was destroyed by his enemies, as long as his dharma body was not destroyed, he could protect his nascent soul and soul! After that, he would be able to move freely again!

It was just like how Nezha killed the Crown Prince of the Dragon Palace and the Dragon Kings of the Four Seas flooded Chentang pass!

In order to protect the people from the flood, Nezha cut off his flesh and returned it to his mother and father. He committed suicide in Chentang pass!

But in fact, Nezha already had a nascent soul. He secretly escaped from the scene with his soul.

Later on, Nezha's master, immortal Taiyi, used the purple-gold and green-Jade lotus root to rebuild his body and let him be reborn successfully!

After his rebirth, Nezha shone in the last cataclysm and became a shangxian in the heaven realm. He was known as the great God of the three altars of the sea. He was famous in the heaven realm and had countless followers!

Of course, Chen Xiaobei had no one to guide him on cultivation and he had time to learn about it. So, he did not know the differences between each minor realm of the earth-god level.

Qin Yitian and he Qingyun were different. They had been taught by their Masters since they were young, so they were very familiar with the cultivation system. Naturally, they knew that a four-star earth-god was equivalent to the 'nascent soul realm'!

That was why Qin Yitian and he Qingyun were so shocked when they found out about Zi Yuan's cultivation.

"Zi Yuan's current body must be the legendary Dharmakaya!"

her nascent soul and soul are all in her Dharmakaya! he Qingyun exclaimed. if we can create a physical body for her, she can live like a normal person!

"What Dharmakaya and nascent soul?"

"This is not the time to be talking about this!" Chen Xiaobei said. I need to hurry up to complete my plan!"

yes, yes, yes ... he Qingyun composed himself and quickly put away his irrelevant thoughts.

tell me your plan ... Qin Yitian sat on the chair listlessly. She couldn't wait any longer.

"My plan is simple!" "Listen to me ..." Chen Xiaobei said after he calmed down.

.....

"Chi ... Chi ..."

In the sky above the Qin Manor, a huge space carrier gradually accelerated and rushed into the sky in the blink of an eye.

this mothership was used by heaven dominating faction to transport the Qin family members!

There were more than 500 people in the Qin family. From old Qin to the high-level members, from the ordinary members to the women and children, and even the servants, all of them had their sea of Qi and dantian sealed. They were like prisoners, locked up on the space carrier!

As the space carrier took off, the Qin family would be directly sent to the secret prison!

"The mission is finally complete! We brothers have finally lived up to the sect master's trust!"

On the ground, two well-dressed middle-aged men looked up at the mothership disappearing in the air and heaved a sigh of relief.

"Branch leader Shi! Lord mu! The Qin family's people have all been locked up and counted!"

a heaven dominating faction disciple ran over with a name list and said, " "Other than Qin Yitian, everyone on the list has been caught! They've boarded the space carrier and can be transported to the secret prison at any time!"

"Qin Yitian?"

Shi tuqiang's expression froze for a moment before he angrily shouted, "What the hell is this? Qin Yitian was the person Mr. Canopy wanted! She has a close relationship with Chen Zhufeng. How could you let her get away?"

I ... I'm not sure ... the disciple was nervous.

"Idiot! Without Qin Yitian, we would have failed half of the mission!" Shi tuqiang roared.

"Don't be angry, branch leader Shi! Qin Yitian, I've brought you some!"

He Qingyun arrived at the scene with the poisoned Qin Yitian.

Chapter 2112: A Call From Canopy Great Country

"He Qingyun?"

Shi tuqiang's expression froze and he said in surprise, "Why is Qin Yitian in your hands? I've long heard that you're Qin Yitian's Lackey!"

This Shi tuqiang was the Vermillion Bird branch's leader. He was a shrewd and vigilant person, and he would never trust he Qingyun so easily.

However, Chen Xiaobei had already anticipated this. When he was making the plan, he had even thought of the lines for he Qingyun!

"That's right! I'm always with Qin Yitian, but I'm still a disciple of heaven dominating faction! In my eyes, the sect is more important than anything else!"

about ten minutes ago, the fugitive Qin Yitian came to me and asked me to find out more about the secret prison. I knew that she would do something bad to the sect, so I drugged her tea and captured her alive! he Qingyun said calmly.

is she really Qin Yitian? " Beside him, mu Xiaohe squinted his eyes and began to observe carefully.

This person was mu chenfeng's father, the revered King of the Vermillion Bird Royal City. He was also a smart person, and his vigilance was no worse than Shi tu's!

"It's Qin Yitian!"

of course! Shi tuqiang said with certainty. this girl's looks can be said to be of the highest quality. She's also known as the most beautiful woman in Vermillion Bird. I once drooled over her, so I definitely wouldn't mistake her for someone else!

"Well, since you can confirm it, then there's no problem!" judging from her complexion, she's indeed poisoned, " mu Xiaohe said. she can't act like this!

yes! Shi tuqiang nodded. Lord mu, contact them and tell them to return the mothership. Bring Qin Yitian with us!

"Alright!" Mu Xiaohe took out his phone and began to dial.

Shi tuqiang walked over and grinned, "He Qingyun! You little brat! That's really sinister!"

He Qingyun's expression did not change as he replied, "the sect's interests are above all else!" To serve the sect, we can do anything!"

"You call treachery noble, you're really shameless!" Shi tuqiang grinned and laughed, "However! I like it! Give Qin Yitian to me! I'll definitely report this to the sect master later and give you a great merit!"

"This disciple thanks branch leader Shi first!" He Qingyun smiled and handed Qin Yitian over to Shi tuqiang.

"Chi ... Chi ..."

Soon, the space carrier that had not flown far away landed again.

Shi tuqiang personally brought Qin Yitian over and watched as her two trusted disciples carried her in and closed the cabin door!

"Phew! It's finally done!"

Shi tuqiang let out a long breath and said proudly, "the sect leader has been worried that Chen Zhufeng would come and mess things up. It seems that Chen Zhufeng is not here. The mission can be completed successfully!"

"Yup!"

"that's great! mu Xiaohe heaved a sigh of relief. we're in a critical period right now. It's not easy to defend against Chen Zhufeng. It's time for us to be rewarded, sect leader beiming!"

"Disciple congratulates the two of you!" He Qingyun stood not far away, his face expressionless, but his heart was extremely nervous.

According to Chen Xiaobei's plan, he Qingyun had successfully completed his mission.

However, he Qingyun could not figure out how Chen Xiaobei was going to board the mothership. And how would they take action while ensuring the safety of the hostages?

.....

At the same time, inside the space carrier.

Qin Yitian was brought to the cell where the Qin family was held!

"Go in!"

One of the disciples opened the cell door and pushed Qin Yitian in. "Junior Brother, inform leader Shi that the criminal has been locked up. He can take off at any time!"

"Alright!"

Another disciple took out his phone, dialed a number, and directly reported, " "Branch leader Shi! Qin Yitian had already closed the door! Should we take off now? Yes! Understood! Don't worry! Everything is normal inside the space carrier. Not even a fly can fly in!"

After the call, the two disciples left the cell.

"Heavenly! You ... How did you get caught by them? You are the last hope of our family ... You were too careless ..."

Elder Qin and the Qin family gathered around, their faces full of anxiety and grief.

To them, the capture of Qin Yitian was equivalent to the destruction of all hope for the Qin clan. All that was left was despair!

"Everyone, don't be anxious ..."

"Childe Zhufeng is here to save us ..." Qin Yitian said weakly.

"Who is it?" Old Qin asked in surprise.

"Childe Chen! Chen Zhufeng!" "He'll get us all out of here!" Qin Yitian said. Don't worry, everyone!"

"Qin Yitian! Are you scared silly?"

"Chen Zhufeng is Emperor Zhufeng now!" Qin Mingfeng replied. He ruled two continents! Both the Black Tortoise King and The White Tiger King were going to be his underlings! Did he have nothing better to do than to come and save us?"

that's right ... old Qin also sighed, " "It's different now! Little friend Chen has reached the heavens in a single step, how could he still put my Qin family in his eyes?"

"Who said he wouldn't!"

Just then, a tiny insect flew out of Qin Yitian's collar.

Everyone was instantly dumbfounded. Never in their dreams would they have thought that a little bug could actually speak human language.

"This ... This is little friend Chen's voice!" Elder Qin was instantly excited.

how ... How is this possible?! Qin Mingfeng was dumbfounded, as if he had seen a ghost.

"Whoosh ..."

The next moment, Xiao Chong transformed back into Chen Xiaobei's body!

That's right!

This was the special ability of the high-tier prosperous monkey fur!

If Chen Xiaobei attacked them outside the mothership, he would alert the enemy and threaten the safety of the hostages.

So, Chen Xiaobei turned into a bug and followed Qin Yitian into the mothership!

In this way, the enemy would be completely kept in the dark and think that everything was normal. The hostage would naturally be absolutely safe!

"Thank you for your concern, old Qin! I haven't seen you for a long time, and you still recognize my voice!" Chen Xiaobei smiled. He had a good impression of elder Qin.

little friend Chen and I hit it off the first time we met. I've been watching your livestreams since then, so how could I not recognize your voice? "

but, how did you turn into a little bug? " elder Qin asked excitedly. this is unbelievable ...

this is my secret weapon. It's hard to explain in a few words. Let's save them first! Chen Xiaobei said.

"Yes, yes, yes! It's more important to save people!"

Elder Qin nodded, then frowned. the problem is that we have more than five hundred people here, and all of them have their sea of Qi and dantian sealed by the talismans. I'm afraid that little friend Chen can't save everyone by himself!

"Don't worry!"

Chen Xiaobei took out the verdant Emperor's divine gourd, opened the lid and said, " this is a spatial magic treasure. I'm going to take everyone in. Don't resist me subconsciously!

After that, Chen Xiaobei willed it, and the Qin family did not resist. They were all sucked into the verdant Emperor's divine gourd.

Zhufeng ... You're a god ... Qin Yitian's face was filled with shock. She couldn't believe her eyes.

"Little Zi! Help Yitian detoxify! Let's kill our way out together!" Chen Xiaobei ordered.

Ding Ling Ling Ling

Suddenly, Chen Xiaobei's phone rang. It was a call from Tianpeng!

[Red Envelope Group of the Three Realms](#)

Chapter 2113: Trap Within A Trap

second senior brother!?

Chen Xiaobei had a bad feeling about this. "I just saved her and she called me. This is too much of a coincidence! Could it be that ... There's a conspiracy behind this?"

"Zhufeng? What are you doing?"

"We have to get to the control room immediately and take control of the mothership!" Qin Yitian frowned. If we're discovered by the enemy and the alarm is sounded, Shi tuqiang and mu Xiaohe will immediately lead a large number of flying teams to catch up!"

wait a minute ... Chen Xiaobei frowned."I have to answer this call!"

Chen Xiaobei picked up the call.

"Chen Xiaobei! You didn't expect me to contact you at this time, did you?" Tian Peng laughed evilly, and his tone sounded as if his scheme had succeeded.

"Second senior brother, if you have something to say, just say it, no need to beat around the bush!" Chen Xiaobei said.

hehe, alright, you've already fallen into my trap. I'm not afraid to tell you the truth!

now, go to the control room of the mothership and take a look. There's a surprise waiting for you! Tian Peng smiled.

"What if I don't go?" Chen Xiaobei asked.

"Of course you can choose not to go!" "However, I don't think the righteous Emperor Zhufeng would want to see all the people in the Qin family's main city die in a sea of fire, right?" Tian Peng said with a sinister smile.

"What do you mean by that? What do you want to do to the Qin family's main city!" Chen Xiaobei's heart skipped a beat. His premonition was right! A great conspiracy was about to surface!

don't worry. Go to the cockpit and we'll play slowly! Tian Peng laughed.

"Alright!"

Yitian, there's a change in the situation. It might be dangerous. You should go into the verdant Emperor's divine gourd as well! Chen Xiaobei said.

"No! I want to share the danger with you!"

Qin Yitian took out Heavenly Sword and said with determination, " "You've already done me a great favor. I can't let you carry everything by yourself!"

"Alright! Let's go!" Chen Xiaobei did not have time to explain and quickly walked out of the cell.

As they walked, Qin Yitian asked, " "What happened? Is there a problem with this mothership?"

"There's a big problem!"

"Second Shixiong's call is not a coincidence!" Chen Xiaobei said. He asked me to go to the cockpit! This means that my every move is under his surveillance! He knows where I am and what I am doing!"

"How did this happen?" you? " Qin Yitian was surprised. the way you turned into a bug is so amazing. No one would have thought of it!

"Outsiders might not be able to think of it, but second senior brother will definitely be able to!" he knows me too well! Chen Xiaobei frowned. he knows all my trump cards!

Qin Yitian started to worry. if that's the case, from the moment we entered the mothership, we've already fallen into the enemy's trap!

"That's right! Second senior's plan this time is a pair of 'mother and son swords'! "

if I didn't show up today, the Qin family would have been locked up in secret and become the enemy's bargaining chip to deal with me. This is the 'mother sword' on the surface. Everyone will be able to see it clearly!

however, if I come here today, second senior brother will pull out the 'child sword' hidden in the 'mother sword' and deal a fatal blow to me! And this 'child sword' is something that no one can see, not even me!"

Chen Xiaobei's rescue plan was perfect!

Without the canopy, no one would have thought that Chen Xiaobei could sneak into the mothership without anyone knowing!

However, Tian Peng was right beside beiming Wuji.

With Tian Peng's understanding of Chen Xiaobei, he would have thought of a backup plan!

Canopy great general had predicted that Chen Xiaobei would appear on the mothership!

This way, Tian Peng's 'child sword' could show its power!

"Heavenly! Come to my side!"

Chen Xiaobei grabbed Qin Yitian's arm and pulled her over.

"What's wrong?"

Qin Yitian was taken aback. She had always been cold and unfeeling, but now, she was suddenly so close to Chen Xiaobei's body. She was not used to it.

"There's poisonous gas!" Chen Xiaobei looked at her and said, " Come out and eat some snacks!"

"Yeah!" Zi Yuan responded and flew out directly.

"Hiss! Hiss! Hiss ..."

Zi Yuan was like a beautiful little butterfly, dancing in front of him.

The originally colorless and odorless poisonous gas turned into purple smoke and dust, drifting and gathering, and then merging into Zi Yuan's body!

"Corpses! There's a corpse in front!"

what?! Qin Yitian suddenly cried out, " the poison gas has killed all the heaven dominating faction disciples!

"Could this be part of the scheme?"

second Shixiong, you should know that poison is ineffective Against Me! What's the use of poisoning all the heaven dominating sect disciples?"

"It's a space carrier!"

Qin Yitian reacted quickly and said, " "Once the heaven dominating sect disciples died, the mothership became unmanned! If it were to fall straight down, it would land right in the center of our Qin family's main city!"

"Hiss ... I understand what second senior brother means!"

Chen Xiaobei gasped and exclaimed, " the space carrier is huge. The fuel and the energy source of the laser weapons will cause a terrifying explosion. The Qin family's main city will be engulfed in fire and the people will die in the sea of fire!

Hearing this, Qin Yitian's heart trembled, and her pupils shrank. "No! I can't let this happen! We can't let our Qin family cause the death of billions of people!"

"It's not because of your Qin family! It's because of me!"

Chen picked up his pace and said, " "This entire scheme was targeted at me! If the people are implicated, then it's my sin! I must stop all of this!"

.....

In the driver's seat.

the heaven dominating sect disciples were all poisoned to death and were lying on the ground.

Zi Yuan quickly absorbed all the poisonous gas.

Chen Xiaobei and Qin Yitian rushed to the front of the bridge.

"Do you know how to set up a space carrier?" Qin Yitian asked anxiously.

Chen Xiaobei shook his head and looked at the many buttons. I only know how to fly an aircraft ... I've never flown a space carrier ...

I don't know how to either ... Qin Yitian said nervously, " "Looking at the meter, the aircraft is falling at high speed! I'm afraid it won't be long before it lands on the ground!"

"To be precise, you have about two minutes left!"

At this moment, the big screen in front of the bridge lit up and showed Tian Peng and beiming Wuji!

of course! Tian Peng grinned hideously. with the acceleration of the mothership's gravity, the force of its fall is comparable to a giant meteor! I don't need to explain the consequences of falling into the Qin family's main city, right?"

"Tianpeng!" Chen Xiaobei shouted in anger. You're simply insane! If I had known this earlier, I wouldn't have let you go!"

"Letting the Tiger return to the mountain to harm oneself! This was a truth that had never changed since ancient times! What's the use of regretting now?" Tian Peng said arrogantly.

"Tianpeng, don't you forget who you are! Where did you come from?"

"This killing will clear all your merit points!" Chen Xiaobei said angrily. I'll let you become a demon for nine generations! I'll bring you heavenly punishment!"

Red Envelope Group of the Three Realms

Chapter 2114: Last Words

Tian Peng was from the heavenly realm and he knew that Chen Xiaobei was not exaggerating!

Eliminating evil people could earn merit points of the Three Realms!

Correspondingly, killing indiscriminately would result in the Three Realms being cleared of merit points! He had become a villain! A demon! Or even a Demon King!

When a person's merit points reached a certain level, they would be punished by the heavens!

In the worst case, he would be struck by lightning!

Without a doubt, if this space carrier landed in the Qin family's main city, it would cause a huge massacre!

As the mastermind of the conspiracy, Tian Peng had to bear most of the sins. Not only would he lose all his merit, but he would also become a demon!

Chen Xiaobei, you're really considerate of me!

I don't want to bear such a huge sin of murder either, " Tian Peng laughed hideously. so, I left myself a way out!

"What backup plan?" Chen Xiaobei asked.

"Do you see the red button on the bridge?"

Tian Peng laughed. keep pressing on it and the space carrier will continue to rise. After it leaves the atmosphere, the Qin family city will be safe!

"Alright!"

Chen Xiaobei had no time to hesitate. He pressed the red button.

"Zhufeng! It was stable! The mothership's descent has stabilized!"

"It's increased!" Qin Yitian exclaimed in surprise. The space carrier is starting to ascend! Zhufeng! Let's find something to press this button and let it fly into the depths of the universe by itself! We can use the aircraft to leave!"

"No..."

no! Chen Xiaobei shook his head. second Shixiong went through so much trouble to set this trap. How can I escape so easily? "

"Hehe, Chen Xiaobei! You're really smart! We've already made sufficient preparations to deal with you!"

Tian Peng grinned and took out a remote control. if you want to escape, I will immediately activate the self-destruction array on the space carrier!

"Self-destructing array?" Qin Yitian was shocked.

"That's right! It's a five-star earth-god level array!"

that's right! Tian Peng said proudly. the power of the explosion is equivalent to a five-star earth-God's power! With the mothership fuel and the weapon energy, the power of the explosion is enough to destroy the master-protecting puppet and turn Chen Xiaobei into ashes!

this ... Qin Yitian's face turned pale.

It was impossible for Chen Xiaobei to escape or use his five-star earth-god instrument to defend himself!

The remote control was in Tian Peng's hands, so he could kill Chen Xiaobei whenever he wanted!

"Second senior brother's plan is brilliant!"

I'll press the button. After we leave the atmosphere, you can detonate the mothership. That way, you can get rid of me without causing a large scale massacre!

It was obvious that the canopy great country could have activated the self-explosion formation long ago, but that would have hurt many innocent people.

That was why Tian Peng had led Chen Xiaobei to the driver's seat, forcing him to press the button to save his friend!

The moment the mothership left the atmosphere, Tian Peng would kill Chen Xiaobei without hesitation!

"I've already been captured alive by you five times. You should at least let me win once, right?" Tian Peng raised his chin proudly and smiled like a winner.

At the side, beiming Wuji praised, "Mister Tianpeng, you're so smart! I'm going to kill you every step of the way! No matter what, you will die today!"

oh no... What should we do now? " Qin Yitian was completely flustered. we've already fallen into a dead end. There's no chance of turning things around ...

Chen Xiaobei did not answer but asked, " second Shixiong! You can kill me, but can't you let Yitian go?"

Tian Peng was in a good mood and agreed, " "Alright! I have no enmity with her, so there's no need for me to kill her!"

Chen Xiaobei took out the verdant Emperor's divine gourd and said, " "Heavenly! You go in first!"

"No! If we're going to die, we'll die together!" Tears welled up in Qin Yitian's eyes. She was determined.

"Listen to me!"

Chen Xiaobei frowned and said, " "I have no way to escape today, but you must Live! You have to protect your family! You still have to protect the people in the Qin family's territory! You can't die with me!"

"No! You're only involved in this to save my family! I can't let you die because of this! I won't be able to rest easy for the rest of my life!" Qin Yitian refused decisively, tears flowing uncontrollably from her eyes.

"Then you will remember me forever! Live on!" Chen Xiaobei's eyes were filled with determination, dominance, and unquestionable authority!

this ... Qin Yitian's heart felt as if it had been pricked by a needle. The needle was stuck in her flesh, and she couldn't pull it out.

"Ha, what a joke!" Beiming Wuji sneered, "what's the point of acting like we're going to part forever?" It's really so sour that my teeth drop!"

"Heavenly! Remember this person's face!"

Chen Xiaobei pressed the button with one hand and pointed at the big screen with the other. "Live well and take revenge for me in the future!"

"I understand!"

Qin Yitian seemed to have woken up from a dream. The anxiety and pain on her face disappeared.

To everyone's surprise, Qin Yitian pounced on Chen Xiaobei, cupped his face in her hands, and pressed her lips against his!

The kiss of deep love came too suddenly!

Chen Xiaobei himself was dumbfounded. He stood rooted to the ground, unable to come back to his senses.

"I will live well!"

Soon, Qin Yitian let go of Chen Xiaobei. Her beautiful face was filled with a chilling murderous intent. I, Qin Yitian, will only do one thing for the rest of my life, and that is to avenge you!

Hearing this, the smile on Beiming Wuji and Tian Peng's faces froze!

Through the screen, they were shocked by Qin Yitian's killing intent. Their minds were shaken.

"Okay ... You ... You enter the verdant Emperor's divine gourd first!" Chen Xiaobei's heart skipped a beat. He did not expect to be so important to Qin Yitian.

Qin Yitian did not resist and was immediately absorbed into the verdant Emperor's divine gourd.

After that, Chen Xiaobei put away the verdant Emperor's divine gourd. He did not dare to do anything else to avoid triggering the canopy and causing an explosion!

"Chen Xiaobei! Are you really resigned to your fate?"

"I thought you'd be smart enough to get into the verdant Emperor's divine gourd yourself!" Tian Peng laughed.

Chen Xiaobei sighed. second senior brother is not stupid. If I entered the verdant Emperor's divine gourd, you would not have detonated the formation. The verdant Emperor's divine gourd would not have been able to grow legs and escape. If you and beiming Wuji came after me, I would not have been able to escape either!

"Mm! You really know what you're doing!" Tian Peng grinned and said, "any last words?" If not, then prepare to go!"

"Wait! I do have an important last word!"

Chen Xiaobei raised his eyebrows and mumbled, " "Gao cuilan! Gao cuilan! Gao cuilan ..."

Red Envelope Group of the Three Realms

Chapter 2115: Smooth Retreat

"Ugh ... Ah ow ... It hurts so much ..."

The sudden 'golden hoop incantation' gave Tian Peng a splitting headache. His hand trembled and he dropped the remote control.

"Mr. Canopy! What's wrong with you?"

Beiming Wuji was shocked and asked in concern.

don't worry about me ... Hurry ... Hurry up and detonate the array ... Chen Zhufeng won't enter the verdant Emperor's divine gourd ... Only the returning bracelet can help him escape ...

Tian Peng covered his head with both hands and urged, " however, the returning bracelet's spatial gate will only close after a while ... Hurry up and detonate the formation. The force of the explosion can still pass through the spatial gate and kill him ...

"Good! I'll detonate it immediately!" Beiming Wuji waved his finger and the remote control on the ground was caught by his Zhen Yuan.

Without hesitation, beiming Wuji pressed the switch the moment he took the remote control!

"Chi ... Chi ..."

At the same time, a terrifying energy fluctuation burst out from the mothership!

It was obvious that the self-exploding array had been activated.

However, Chen Xiaobei did not take out the returning bracelet as Tian Peng had expected!

"Chen Xiaobei ... Do you really want to die? He didn't use the returning bracelet ..."Tian Peng was shocked and couldn't understand.

ha, you've already said that you'll die even if you use the returning bracelet. Why would I use it? " Chen Xiaobei was not moved at all.

boom boom boom ... Boom boom boom ...

At the same time, a huge explosion could be heard. One could even see the blazing flames tearing apart the metal wall!

The force of the explosion was comparable to that of a five-star earth-god, and it was like a tsunami crashing down on Chen Xiaobei!

"No matter what! Chen Xiaobei, you're still going to die in my hands! hahaha ... seeing this, Tian Peng laughed.

Beiming Wuji praised, "Mr. Canopy, you're really good at predicting!" kill Chen Zhufeng in one fell swoop and get rid of a big problem for heaven dominating faction! I can finally breathe a sigh of relief!"

"Crack! Void! Empty!"

At the last moment, Chen Xiaobei suddenly let out a roar.

Chen Xiaobei had been chanting Gao cuilan's name to buy himself some time to activate the witch Dragon's nine transformation!

The seventh transformation! Space-tearing!

"Whoosh ..."

In an instant, Chen Xiaobei's chest glowed with a purplish-golden light. Dragon scales grew rapidly like a purplish-golden breastplate, sharp and powerful!

"Then what's going on?" Beiming Wuji was dumbfounded.

"This is bad!"

Tian Peng's expression changed and he slapped his head, "I've calculated everything! I forgot about the witch dragon blood that the prime of Tongtian gave Chen Xiaobei!"

Swish ... Swish ...

The next moment, a sharp purple light shot out from Chen Xiaobei's heart!

The sharp light pierced the space in front of Chen Xiaobei, and the air crackled with the sound of electricity!

What was even more unbelievable was that the purple light had torn a crack in the air in front of Chen Xiaobei!

The crack wasn't big, only enough for one person to pass through!

Looking into the crack, there was only endless darkness!

It was like a black hole that could devour everything in the universe! No one knew what was inside! No one knew where they would be swept to after entering the chaotic void!

This was equivalent to the beast God mountain's void turbulence!

Once he entered, he could only leave through another completely unknown spatial Rift!

That was why Chen Xiaobei had to let Qin Yitian enter the verdant Emperor's divine gourd in advance to prevent her from being transported to different places in the chaotic space!

The main point was that the environment after leaving the void turbulence would probably not be safe!

Chen Xiaobei could only bear all the unknown variables on his own!

"Whoosh!"

Without hesitation, Chen Xiaobei took a step forward and charged into the crack.

"Boom boom boom ... Rumble Rumble ..."

In the next moment, a terrifying explosion swept across the entire space. The huge space carrier was blown into pieces in just a few seconds, leaving only debris floating in the universe!

Chen ... Chen Zhufeng ran away? "

Beiming Wuji stared at the screen as if he had seen a ghost. His world view collapsed and he even started to doubt his life.

I'm so angry ... I'm so angry!!! Tian Peng's face was twisted and he looked like he had just cursed a Tibetan Mastiff. He was so depressed that he felt like he was in the deepest part of his soul.

This time, his calculations were already very precise, and the layout was already very perfect! Tian Peng and Beiming Wuji were certain that Chen Xiaobei would die!

And yet, Chen Xiaobei had managed to escape from the Qin family right under their noses!

This face slap! It was simply too cruel!

.....

Within the chaotic flow of the void!

Chen Xiaobei felt the world spinning around him and he almost fainted!

There was nothing around him, only darkness. But Chen Xiaobei was like a speck of dust in the middle of a storm. He could not control where he was being swept by the powerful force!

Time passed by slowly. Chen Xiaobei felt dizzy and did not know how long it had been!

Finally!

In the pitch-black void, a ray of light suddenly appeared!

"A spatial tear!"

Chen Xiaobei's mind was still in a daze when these four words popped out. He was suddenly excited. "I can finally leave this damn chaotic space current!"

As expected! It was a crack in the void! It was also the exit that Chen Xiaobei had been looking forward to!

The turbulence was like a Whirlpool, pulling Chen Xiaobei towards it!

"Hua ... Hu! Huu ..."

The next moment, Chen Xiaobei rushed out of the crack!

Finally, the long-lost sound of the wind could be heard! Fresh air! And white clouds!

"Yun?"

Chen Xiaobei's face froze, and his pupils constricted. "What the f * ck! This spatial Rift is actually hidden in the sky!"

It was obvious that the void crack would not appear in a conspicuous place. Otherwise, it would have been blocked by someone or used for other purposes!

However, this crack was hidden in the sky. The chances of it being discovered were very low, which was why it had been able to exist for so long!

"Phew ..."

As soon as Chen Xiaobei left the crack, he was pulled down by the gravity of the ground. He was falling at an increasing speed.

If it was an ordinary person, they would definitely be smashed to pieces!

But to Chen Xiaobei, this was nothing!

"Swish!"

Chen Xiaobei summoned the somersault cloud!

Chen Xiaobei was sitting on the cloud, but he did not look relaxed at all!

[ding Yingying's cultivation base: four fire god-refining, lifespan: [1500 years, physique: 3700000, combat power: 3100000!

"F * ck! This time, second senior brother has really screwed us over!"

Chen Xiaobei frowned and said, " it wasn't easy to increase my lifespan to 4500 years, but tearing the void once cost me 3000 years!

Of course, Chen Xiaobei was glad that he was able to do that!

consuming 3000 years of lifespan to escape from a dead end is equivalent to exchanging a life!

Chen Xiaobei's brows relaxed and he smiled. furthermore, I've saved everyone in the Qin family and protected the Qin family's main city. After careful calculation, I've actually profited!

"It's a pity that second senior brother didn't want to massacre the Qin family's main city! Therefore, even if I protect the Qin family's main city, I can't increase my merit points! Otherwise, we'll have profited greatly!"

"Whoosh!"

At this moment, a figure suddenly flew over from the sky. His speed was almost the same as the somersault cloud, which was the speed of a two-star earth-god!

"That man is actually ..."

Chen Xiaobei was surprised. sword Kinesis flight!!!

Chapter 2116: Spirit Condensation Immortal Abode

It was a chubby young man! His skin was fair, his hair was in a neat bun, and he was wearing a Daoist robe. He should be a disciple of some sect!

But this was not the main point!

More importantly, the fatty was standing on a two-meter long and palm-wide giant sword!

The giant sword glowed dazzlingly. It was a rare flying magical equipment in apocalypse Starfield!

The fat man stepped on the flying sword and flew in the air at an extreme speed. He was like a sword immortal in Xianxia novels. He was very confident and very handsome!

If he could be a little slimmer, he would definitely be able to charm thousands of girls!

[ding Yingying's cultivation base: spirit-refining of five flames, lifespan: [year 5022, physique: 3500000, combat power: 3500000]

With a sweep of his netherspirit battlescouter, he immediately saw through the Fatty's cultivation base.

that's strange ... This guy's cultivation isn't high, and a flying spirit weapon is extremely rare. How could he possibly have one? "

Chen Xiaobei frowned and said in surprise, " "Could it be ... This is not apocalypse Starfield? Was it the earthly calamity? Or the earth-god Realm!"

Obviously, flying spiritual devices were rare in apocalypse Starfield, but there were many more in higher planes!

For example, there were not many earth-god instruments in apocalypse Starfield, but in the earth-god Realm, they should be the standard for the strong. It would not be strange if everyone had one!

Because of that, Chen Xiaobei was certain that he was no longer in apocalypse Starfield!

"I was right! Your flying Dharma Treasure is really a cloud!"

The fat man was already in front of Chen Xiaobei. He looked at the somersault cloud with curiosity and said, " "The vast majority of flying talismans on the market are flying swords! This is the first time I've seen Feiyun! This is really interesting!"

"Uh ... Brother, you're too kind!" Chen Xiaobei smiled and said politely.

"How about we exchange?"

my flying sword and your Flying Cloud are both two-star earth-god instruments, " the fat man said excitedly. can we exchange them? "

Do you think I'm stupid?

Chen Xiaobei cursed in his heart and turned down the offer, " "This cloud is very important to me. I can't exchange it!"

In fact, Chen Xiaobei also thought that a flying sword was cooler. After all, Xianxia novels were popular on earth. Which young man would not want to try the cool feeling of riding a flying sword?

However, the somersault cloud was refined by Yun Zhongzi, one of the Deputy sect leaders of the clan of enlightenment!

Although Yun Zhongzi had just casually made it and its grade was not high, in the long run, the somersault cloud had a lot of room for growth. It could grow into a heaven-immortal artifact, or even a divine artifact!

Unless Chen Xiaobei was kicked in the head by a donkey, he would never trade the flying sword with the chubby man.

"If you don't want to exchange then forget it!"

The fat man pursed his lips and realized that Chen Xiaobei was not that easy to fool. "You be careful! I can still make the exchange with you calmly. If I meet the Jiang family, they will directly Rob you!"

"The Jiang family? Which Jiang family?" Chen Xiaobei was taken aback.

"No way! You don't even know about the Jiang family?"

"The Jiang family of the Grand cloud Palace is considered a mid-tier force in the Nanzhan state of the earth-god Realm!" The fatty said in surprise. In our innumerable tribulation star sea, they are the superior forces! In the nine layers of the starry sea, there were planets occupied by the Jiang family in each layer! You don't know?"

"This is the apocalypse star sea?" Chen Xiaobei asked.

"Is there a mistake!" Fatty looked at him as if he was looking at an idiot and said in a bad mood, " "You don't even know where you are? Then how did you get here?"

"I ..."

Chen Xiaobei was at a loss for words. Luckily, he had the scholar's heart, so he quickly came up with an excuse, " "I'm in the second level of the starry sea, exploring a hidden treasure! Because I accidentally touched a Space Array, I inexplicably ended up here!"

Obviously, Chen Xiaobei's words were half true. Liu xuanxin had said that an ancient treasure had been found in the second level of the starry sea.

Chen Xiaobei should be able to get away with it using this reason.

"What?"

"You're not talking about the spirit condensing immortal abode, are you?" fatty asked in shock. This hidden treasure had just been discovered not long ago! You actually got here first!"

"Ah? Oh ... Maybe ... Chen Xiaobei was stunned."I also ran in by accident, so I'm not sure if it's the spirit condensing immortal mansion you're talking about ..."

"I'm definitely not wrong!"

Fatty composed himself and said,"lead the way!" I'm just about to rush over and take a share of the treasure!"

lead the way ... Chen Xiaobei started to sweat. He did not even know where he was. Lead the way?!

"What's wrong? You won't take me?"

Fatty's mouth twitched and he said in a bad mood, "The general location of the 'spirit condensing immortal mansion' is already known by many people. You can't possibly keep all the benefits for yourself!"

"Bring me there as soon as possible. We'll take all the benefits before the main force finds the exact location! Don't worry! I'm the most loyal, so I'll definitely give you half of it!"

The fat man patted his chest and promised Chen Xiaobei.

Chen Xiaobei wanted to cry but had no tears. He should not have bragged.

Since things had come to this, he could only ask Liu xuanxin for help.

bro, wait a minute. Let me check the map on my phone ... Chen Xiaobei quickly took out his phone and sent a message to Liu xuanxin.

Liu xuanxin was Chen Xiaobei's goddess of luck!

She replied within seconds and even sent Chen Xiaobei a location!

It was the location of the spirit condensing immortal abode that fatty had mentioned!

Of course, this was only a rough location. No one could determine the exact location and they needed to search further!

But no matter what, Chen Xiaobei could still get away with it.

"Old brother, look! "The location that I recorded was nearby ..." Chen Xiaobei handed his phone to fatty.

what ... Fatty's face was full of disgust."This is the approximate location. Many people know it! What I need is the exact location!"

I don't have the exact location ... Chen Xiaobei shook his head.

"If you didn't remember, then so be it!" "Let's go to the nearby area first," said fatty."You'll definitely be able to quickly find the entrance to the immortal mansion when we get there!"

I ... Chen Xiaobei was speechless. This fatty was too persistent.

"Let's go! Follow me! We'll try to get there before dark!" Fatty called out and flew forward on his sword.

Chen Xiaobei wanted to run away, but he wanted to see Liu xuanxin. So, he controlled the somersault cloud and followed her.

"I'm Zheng Daqian!"

The two of them were flying at the same speed, and as they flew, fatty asked, "What's your name?"

my name is ... Chen Zhufeng ... Chen Xiaobei hesitated for a moment. In the end, he still chose to use this name.

After all, Chen Xiaobei was showing his real face to everyone. Fatty had never seen Chen Xiaobei's face, so he probably did not know Chen Zhufeng's name!

Sure enough, fatty didn't show any signs of abnormality and nodded. "Hmm, the name is not bad!"

From this, it could be seen that no one in the earthly calamity Star Ocean cared about what happened in the apocalypse star field.

In such a hot society, you, bro bei, actually don't know anyone!

Chen Xiaobei heaved a sigh of relief. If everyone knew each other, that would be a big problem!

"Stop! You two! Immediately stop!"

At this moment, an extremely arrogant shout suddenly came from behind.

Chen Xiaobei was a little annoyed by her commanding tone.

"Shit! it's the Jiang family's 16th young master ... Zheng Daqian's expression froze. His heart suddenly trembled, and a look of panic appeared on his face.

"Don't be afraid!"

Chen Xiaobei shrugged and said, "It's best if the Jiang family doesn't mess with me. If they do, I'll make them cry!"

Chapter 2117: Killing And Snatching

Soon, a group of young men and women caught up to them one after another.

All of them were riding on spirit light flying swords, shuttling through the White clouds and strong winds. It was very cool.

Unfortunately, they all looked very arrogant and thought that they were superior to the others. They looked at Chen Xiaobei and Zheng Daqian with disdain.

Especially the sixteenth young master of the Jiang family, Jiang minkun, who was arrogantly looking at Chen Xiaobei and Zheng Daqian as if they were two ants. He did not even look at them!

"Aiya! Isn't this young master minkun? What wind has blown you here?"

Zheng Daqian greeted him with a fawning expression.

"Get lost!"

Jiang Minkun didn't take Zheng Daqian seriously at all, and his eyes were full of curiosity as they fell on the somersault cloud!

At the same time, the men and women at the back also stared at the somersault cloud with curiosity, envy, extreme greed, and all kinds of other gazes!

From their arrogant temperament and gorgeous clothes, it could be basically judged that they were all rich second generation ancestors in this layer of the starry sea!

They were all interested in the somersault cloud, which showed how rare this kind of cloud-like flying Dharma Treasure was!

Jiang Minkun looked at Chen Xiaobei and shouted, " "Little brat! I've taken a fancy to your flying magic treasure!"

"So what?" Chen Xiaobei's expression was cold, and he did not even bother to look at the other party.

"What?"

Hearing this, everyone was stunned.

"Little brat! Are you crazy? How dare you speak to me with such an attitude!"

Jiang Minkun gritted his teeth in anger. He was like an angry Wolf that was about to eat Chen.

The people around him started to mock him, " "Where did this hothead come from? Haven't you heard of the Jiang family's reputation? He actually dared to be so arrogant! It's like turning on the lights in the toilet and looking for shit!"

"You are all from the Jiang family?" Chen Xiaobei looked at the group of young people with disdain.

"I'm the seventh young master of the Qing Kingdom's Yang Palace!"

"I'm a core disciple of the Heaven Dominating Faction headquarters!"

"I'm a core disciple of the Golden Spear Sect!"

.....

That group of young men and women came from different families and sects. It was precisely with the backing behind them that they had the capital to be arrogant.

"Little brat! Be more tactful! You can't afford to offend any of us here!"

"Be a good boy and give your cloud to me!" Jiang Minkun said with a sinister smile. "I'm willing to trade the three-star earth-god grade flying sword under my feet for it!"

The crowd was shocked.

Zheng Daqian quickly advised, "little Chen!" What are you hesitating for? Hurry up and change! Young master Jiang's flying sword is one level higher than your cloud! Besides flying, the flying sword could also attack! You've earned big!"

"I'm not trading!"

Chen Xiaobei's tone was cold but very strong, " I don't like dealing with the Jiang family. If there's nothing else, I'll take my leave!

"Spicy next door! I'm giving you face, but you don't want it!"

Jiang Minkun was still smiling a second ago. He thought that Chen Xiaobei would agree to the exchange. After all, his offer was already very high.

However, Chen Xiaobei's answer was like an invisible slap to Jiang Minkun's face.

Jiang Minkun was instantly enraged, "fatty Zheng!" Is this little brat from your 'Green Lotus Daoist sect'? You actually dare to not give me face!" Do you not want to stay in the second level of the starry sea anymore?"

"Young master Minkun, please calm down! Please calm down!"

"This kid has nothing to do with our Green Lotus Daoist sect!" Zheng Daqian quickly said. My master, 'righteous as a true man', didn't know anything about this either! I just met this kid on the way and had a chat with him!"

"If that's the case, then it'll be easy!"

Jiang Minkun gathered vital essence in his palm. From the fluctuation of vital essence, it was about the five-fire god-refining realm with 3.5 million combat power!

Zheng Daqian couldn't help but swallow his saliva when he saw this.

"Fatty Zheng! Dodge! Don't get blood all over your body!"

Jiang Minkun laughed evilly as he looked at Chen Xiaobei and said, " "This young master wants to trade with you, and you choose to refuse! In that case, I can only kill you and take your treasure!"

"You want to kill me?" Chen Xiaobei's dark eyes were brewing with a cold, murderous intent.

"Oh, how fresh!" "I, Jiang Minkun, will kill a hothead like you who still act tough without any backing!" Jiang Minkun said with a vicious smile.

The people around him laughed gloatingly, " "Young master Minkun is going to kill people and steal their treasures again! That kid is really stupid, he didn't even ask around, young master Minkun kills people like he's killing chickens, he definitely won't joke around with you!"

"Go to hell!"

Of course, Jiang Minkun would not let them down. He directly punched out!

With 3.5 million combat power, his fist was like a heavy Cannonball that was aimed at Chen Xiaobei's head!

"Then die!"

Chen Xiaobei's eyes narrowed. There were no fancy moves or complicated moves. He just threw a straight punch!

One punch against one punch!

This was a battle of pure strength!

The strong won! The weak lost! There was no suspense!

"Bang!"

In the next moment, the two fists met!

The huge forces suddenly collided, creating a terrifying impact!

Just the aftershock of the strong wind was enough to completely shatter the surrounding clouds and gales!

From this, it could be seen how powerful the force at the core of the confrontation was!

"Ka ka ka ..."

Immediately after, the sound of bones breaking burst out, and everyone's scalps couldn't help but go numb!

What happened next was something that no one could have imagined!

Oh ... Oh Ah ... My arm is crippled ... Save me ... Come and save me ...

Jiang munkun screamed hysterically!

The sound of bones breaking came from Jiang munkun's right arm!

From the front end of the fist to his forearm, and then from his forearm to his shoulder, the bones of Jiang munkun's entire right arm were completely crushed by the crushing force!

His entire right arm was destroyed in an instant. Jiang munkun howled miserably from the excruciating pain!

More importantly, Chen Xiaobei had grabbed Jiang munkun's right wrist so that he could not run away. He could only cry for help.

His wrist bones were completely broken. The more Jiang munkun struggled, the more unbearable the pain became. He could do nothing but ask for help.

However, Zheng Daqian and the group of young men and women did not dare to move at all! All of them were dumbfounded on the spot, their pupils shrinking as they swallowed their saliva!

Without a doubt, Chen Xiaobei's punch had not only crippled Jiang munkun but also shocked everyone!

"You disloyal bastards ... I've always brought you to fool around ... And you didn't even save me ..."

Jiang Minkun was so angry that he turned around and said seriously, " "Young master Chen! I'm from the Jiang family of the Grand View of the Cloud Palace! Anyone who offends the Jiang family will never have a good ending! Let me go immediately and I'll forget about this! Leave a line in life, it'll be easier to meet in the future! You should understand this logic!"

Chen Xiaobei said coldly, " "We don't need to meet again! Why should we leave a way out?"

Chapter 2118: Overbearing

"You ... What do you mean ..."

Jiang Minkun gasped. He would never have thought that Chen Xiaobei would not even give the Jiang family any face!

Seeing this, the group of men and women could not help but start whispering.

"Who is that kid? Isn't he too arrogant? You don't even care about the Grand Cloud Palace!"

"That kid is not simple! His strength! Pressure! And that magic treasure! They're not things that ordinary people can have!"

"He can't be someone from the 'minor Cold Moon sect', right? If that's the case, then young master Minkun is dead!"

"I've never heard of such an amazing person in the 'little Cold Moon Palace'. ... He's only 21 or 22 years old, but he can already crush Jiang Minkun! It's enough to shake the entire sea of stars. It's impossible that no one would know about it!"

The crowd started to discuss among themselves. The way they looked at Chen Xiaobei had completely changed. The disdain and contempt in their eyes earlier had turned into fear and panic!

Oh my God ... This kid is hiding too much ... Zheng Daqian trembled with regret. If he had known that Chen Xiaobei was so powerful, he would not have pretended not to know him.

"Young master Chen ... Young master Chen ... You can't really be someone from the minor Cold Moon sect, right?"

Jiang Minkun endured the pain and said, " although your sect has enmity with my Jiang family, that's a matter of the previous generation ... You can't blame it on me ... If you kill me, your minor Cold Moon sect will definitely attract great revenge!

"I'm not a member of the minor Cold Moon sect!"

Chen Xiaobei said, " "I'm Chen Zhufeng! I have a great enmity with your Jiang family! You actually tried to take my life and steal my treasure. I have no reason to let you go!"

"Chen Zhufeng? This name ... Sounds familiar ..."

Jiang Minkun frowned and screamed as if he had just woken up from a dream, " you're the Chen Zhufeng who killed all the core members of the Azure Dragon royal family? "

"What Azure Dragon royal family?" The group of young men and women asked in confusion, " "Young master minkun, what are you talking about? There's no such thing as an Azure Dragon royal family in our earthly calamity Star Ocean."

Obviously, the earthly calamity Star Ocean was a high-level plane. The people here didn't care about the affairs of apocalypse star field, nor did they know anything about it.

apocalypse Starfield ... Azure Dragon Imperial City ... That's where our Jiang family's ancestor rose to power ... It's also a branch of the Jiang family in apocalypse Starfield ...

"Not long ago, a guy named Chen Zhufeng killed all the core members of the Azure Dragon Imperial City and 100000 Dragon Fang Warriors ... Even the Grand cloud Palace's old ancestor was furious about this ..." Jiang minkun said with difficulty.

Everyone was shocked.

The group of young men and women were so shocked that their eyes and mouths were wide open, and their views of the world were shattered!

One person had annihilated 100000 people! This was simply inconceivable!

Zheng Daqian's pupils contracted, and he broke out in a cold sweat! He regretted it so much. If he had known this would happen, he would have stood firmly with Chen Xiaobei!

"Now you understand! Provoking me is you knocking into the gates of hell! No one can save you!"

Chen Xiaobei glared at Jiang minkun, his killing intent enveloping him.

"No! You're Chen Zhufeng ... You can't kill me ..."

no! Jiang minkun shrieked, " Jiang zipeng, the lucky survivor of the Azure Dragon Imperial City, has returned to the cloud Palace of the Grand temple to seek revenge from our ancestors ... Chen Zhufeng! If you want to live, don't kill me ... I can plead for you and ask the ancestor to spare your life ..."

"Ha."

"I don't need you to help me!" Chen Xiaobei laughed. I don't need your Bullsh * t ancestor to spare my life! It's best if he doesn't provoke me! Otherwise, I'll destroy his cloud Palace as well!"

"This ... This, this, this ..."

After hearing his words, everyone felt as if a nuclear bomb had exploded in their hearts and they were greatly shocked!

Even the cloud Palace of the Great Temple would be destroyed!

Such arrogant words! In the earthly calamity Star Ocean, no one dared to say that! Even in the Nanzhan state of the earth-god Realm, no one dared to say it publicly!

In everyone's eyes, Chen Xiaobei was extremely arrogant! It was extremely overbearing! In fact, he even looked down on everything!

This did not match Chen Xiaobei's age at all!

Only those old monsters who had lived for more than ten thousand years in the earth immortal world could have such a strong spirit!

"Chen Zhufeng! Don't be so stubborn!"

"Kill me!" Jiang Minkun frowned and said, "you'll invite endless disasters! Only by sparing me can I minimize the matter! I don't believe you dare to go against the Cloud Palace! Don't be so stubborn ... Uh ..."

As soon as he finished speaking, Jiang Minkun suddenly let out a painful wail!

"Swish!"

Chen Xiaobei grabbed Jiang Minkun's crippled right arm with his left hand and clenched his right hand into a fist, aiming for Jiang Minkun's head!

Chen Xiaobei's combat power was only 3.1 million, not as high as Jiang Minkun's!

However, with his 3.7 million physical strength and the primordial Witch King combat enhancement training manual, Chen Xiaobei's fist could unleash 3.7 million combat power, crushing Jiang Minkun!

"Bang!"

A muffled sound was heard!

A second ago, Jiang Minkun was still criticizing Chen Xiaobei for being stubborn. But now, he finally realized how tough Chen Xiaobei's fists were!

It was like a watermelon being smashed by an iron hammer!

Jiang Minkun's head was blown off by Chen Xiaobei's punch!

Blood and brains splattered backward, splattering all over the group of young men and women!

"Argh! Ah ..."

The few women immediately screamed, their faces pale and their bodies trembling.

"Oh my God ..."

Those young men were also terrified and broke out in cold sweat. A timid guy even peed his pants on the spot.

Jiang Minkun was their leader! His strength and status were both higher than theirs!

But now, Chen Xiaobei had killed Jiang Minkun as if he was killing a chicken!

To these young men, their hearts were hurt ten thousand times, and they began to fear Chen Xiaobei from the bottom of their souls!

Not to mention Zheng Daqian, who was crying and regretting so much that his intestines were green! If he had supported Chen Xiaobei earlier, he would have been able to make Chen Xiaobei a super strong friend!

"Listen up! Jiang Minkun wants to kill me and take my treasure! Now, I'll give him a taste of his own medicine!"

Chen Xiaobei took off Jiang Minkun's storage bracelet and kept the three-star earth-god grade flying sword.

The group of young men and Zheng Daqian didn't even dare to let out a fart. They just stood there in a daze and nodded instinctively.

"I have a clear conscience for killing Jiang Minkun!"

"As for you guys, your crimes don't warrant death!" Get out of my sight in ten seconds! I'll just treat you as farts and let you all go!"

"Thank you, young master Chen ... Thank you, young master Chen ... Don't worry! We swear! We won't tell on you to the Jiang family ... We swear ..."

The group of young men felt as if they had been granted Amnesty. They all touched their hearts and pointed to the sky, swearing very solemnly!

"Ha."

"I'm not afraid of you guys telling on me because I'm not afraid of the Jiang family!" Those who want to tell on me can go! Tell the Jiang family that I, Chen Zhufeng, am here! Even if you're a Dragon, you'd better lie down! Even if you're a Tiger, you'd better lie down! Otherwise, you will bear the consequences!"

Chapter 2119: Heavenly Sword Qi

"Hiss ..."

His words were shocking! Chen Xiaobei's nonchalant words caused the crowd to gasp!

Zheng Daqian and the group of young people's views of the world shattered instantly, and they even began to doubt their lives.

Of course, they didn't have time to think about it. One by one, they turned their flying swords around and fled!

No one dared to take Chen Xiaobei's patience as a joke. All their strength disappeared in ten seconds.

"A bunch of trash!"

Chen Xiaobei took out his phone and looked at it. According to the location that Lady Luck sent me, I should be able to get there in about half a day. She'll need another two days ... I'll find a place to rest before taking action!

Chen Xiaobei quickly flew to a lower altitude.

[ding! You have eliminated the third generation villain. You have been rewarded with 30000 merit points!]

[your current merit points are 1340630000 (charm: 134063000, luck: 134063000) !

During the flight, the merit points from killing Jiang Minkun entered his account.

With the addition of a storage bracelet and a flying sword, he had made a small profit this time.

.....

Chen Xiaobei took a good look at his surroundings while he was flying at a low altitude.

This was probably a medium-sized planet with a small population. Occasionally, he could see a few cities where humans cultivated, but they were quite far away.

Other than the city, the entire planet was covered in dense primitive forests. The plants and water were abundant. It was very suitable for living.

Chen Xiaobei did not enter the city but found a forest far away from the city.

Chen Xiaobei stopped at the top of a tall ancient tree.

As a primitive forest with an undamaged environment, the trees here were all extraordinarily large!

The tree trunk alone was so thick that Chen Xiaobei could sit, lie down, and walk on it as he pleased!

Moreover, the tree was more than a hundred meters tall. Even if there were people on the ground, they would not be able to notice Chen Xiaobei!

"Let's take a look at Jiang Minkun's flying sword!"

Chen Xiaobei sat cross-legged on the tree trunk, holding the flying sword with both hands and started to communicate with it.

a three-star earth-god instrument ... With the ability to fly, its attack power is not as good as a normal three-star earth-god instrument ... It's useless ...

"I have a lot of resources now. I can easily upgrade the Somersault Cloud!" Chen Xiaobei sighed. It seems like this flying sword can only be recycled!"

but then again, the Somersault Cloud's appearance is too special and eye-catching. It's not good to keep causing trouble for me like today!

Chen Xiaobei thought about it and decided, "I'll keep this flying sword for now, it's not a bad idea to use it to hide from people!"

next, let's take a look at Jiang Minkun's storage bracelet!

Chen Xiaobei put away the flying sword and started to check his storage bracelet, "Sure! This kid had a lot of resources! Two three-star earth-god instruments! 30,000 upper spiritual stones! There were a lot of healing pills! He's indeed the young master of the Jiang family!"

After checking, Chen Xiaobei took out the heaven and earth furnace.

There was no doubt that the two three-star earth-god instruments were useless to Chen Xiaobei. He would just melt them down!

Chen Xiaobei only chose two of the most effective pills, and the rest were all melted down!

The 30,000 upper spiritual stones were naturally kept in his small Treasury.

Chen Xiaobei now had 330000 high-grade spiritual stones, 300 million medium-grade spiritual stones, and 900 billion low-grade spiritual stones! His wealth had been upgraded!

"The harvest from the beast God mountain can also be returned to the furnace!"

Chen Xiaobei took out four four-star earth-god instruments, all of which belonged to the heaven dominating faction elder, and put them back into the furnace!

Then, Chen Xiaobei took out another five five-star earth-god instruments. Three of them belonged to the elders of heaven dominating faction, the Green Dragon Star Moon saber belonged to the Jiang family, and the Qing Xuan Tian che was Tenshou's samurai sword!

Although a five-star earth-god instrument was Chen Xiaobei's strongest weapon, he already had three demonic swords. He could not use the rest of them, so he had to melt them all down!

"Whoosh ..."

With a wave of his hand, Chen Xiaobei injected another ball of witch Dragon Flame into the heaven and earth smelt.

He then kept the heaven and earth smelt. The next step was to wait for the smelting to be completed.

"This batch of items are all good stuff! The amount of Heaven Earth spiritual aura produced will be more than last time!"

but the witch Dragon Flame is only a three-star earth-god level flame. Refining so many high-level items will definitely slow down ... Chen Xiaobei said.

"I must upgrade the witch Dragon heavenly flame after I've cultivated this wave of spiritual aura! Otherwise, I won't even be able to refine higher grade items in the future!"

"I still have to consider upgrading my Nightstalker outfit and Nimbus Cloud! Also, No. 8 Luban was broken by second senior brother, so we need to fix it!"

the point is that I have to increase my own cultivation as well. I can't remain stagnant!

'I don't have enough spiritual aura!' Chen Xiaobei thought. Next, I might have to use spirit stones to cultivate!"

"I have plenty of spirit stones. The only thing I'm lacking is time! The sunlight cache will consume my lifespan, but I only have 1500 years left!"

Chen Xiaobei frowned. if I knew this would happen, I wouldn't have killed Jiang minkun just now. I would have used his life to cultivate! That would have been more satisfying!

"Oh right! I almost forgot about Yitian and the others!"

Chen Xiaobei took out the verdant Emperor's divine gourd and said, " I don't know how long I've been drifting in the void turbulence. I have to quickly settle down the Qin family!

Chen Xiaobei opened the verdant Emperor's divine gourd and put himself inside.

"Little friend Chen! Our little friend Chen is here!"

Elder Qin's cultivation level was the highest among them, so he was the first to notice Chen Xiaobei.

how ... How is this possible?!

Qin Mingfeng and the people of the Qin family exclaimed one after another. They turned their eyes at the same time and couldn't help but be dumbfounded.

"I'm sorry! I'm late!"

Chen Xiaobei walked in front of the crowd and said, "I've already resolved the crisis in the Qin family's main city! However, all of you can't return to the Qin family's main city in the short term!"

friend Chen ... Thank you for saving us ... But ... elder Qin looked troubled.

"Elder Qin, if you have something to say, just say it. There's no need for us to hold back!" Chen Xiaobei said.

it's like this ... Those of us who have reached the God-Ascension realm have already abstained from food. It's no problem for us to not eat or drink!

but the women, children, servants, and maids still need to eat and drink. It's not a good idea to stay here! said elder Qin.

"Elder Qin, you're overthinking!" I'll send all of you to bei Xuan faction. You'll live with my family and friends there. You don't have to worry about food and water there. It's very safe!

"Good! This is great!" I thought I would be trapped here until I die, " old Qin said excitedly. I'm relieved to hear you say that!

"Don't worry! I can send you there immediately!" Chen Xiaobei smiled. He had already prepared the returning bracelet.

thank you, young master Chen, for saving my life ... The entire Qin family is deeply grateful and will never forget ...

All of a sudden, the Qin family expressed their sincere gratitude to Chen Xiaobei.

Even Qin Mingfeng was convinced and bowed.

"Everyone, don't be so polite!"

Chen Xiaobei waved his hand and asked, "That's right, where's Yitian? Why don't I see her?"

"Over there!"

Elder Qin pointed to the distance and sighed. as soon as this girl came in, she held Heavenly Sword and began to cultivate in seclusion. She said that she would take revenge for you when she got out, so she had to cultivate with all her might!

"This silly girl ..."

Chen Xiaobei walked over to her and said, "Yitian, wake up. I'm here. You can stop cultivating now!"

"Clang"

Suddenly, Qin Yitian's body exploded with a sharp sword Qi that was aimed at Chen Xiaobei's forehead!

Chapter 2120: Potential Opportunity

what's going on?!

Everyone, including Chen Xiaobei, was shocked by what they saw.

With Qin Yitian and Chen Xiaobei's relationship, there was no way she would do anything to harm Chen Xiaobei!

But this sudden sword Qi was clearly aimed at killing Chen Xiaobei!

"Little friend Chen! Quickly Dodge! That sword energy is at the four-star earth-god level!"

Old Qin shouted anxiously.

"Clang"

However, Chen Xiaobei was too close to him to Dodge!

The sword Qi hit Chen Xiaobei's forehead!

"I'm finished ..."

Elder Qin and the rest of the Qin family wailed in despair. They would never have imagined that their Savior would die under Qin Yitian's sword Qi!

"Everyone, don't panic ... I'm fine!"

However, in the next second, Chen Xiaobei was only sent flying a few dozen meters away. He did not suffer any damage.

how ... How is this possible?!

The crowd was dumbfounded. They couldn't believe their eyes.

If it was anyone else who was in Chen Xiaobei's position, their heads would have been split in half by the four-star earth-god sword Qi!

Only Chen Xiaobei was safe and sound!

That's right! This was all thanks to the master-protecting puppet!

That sword Qi was really deadly. If not for the master-protecting puppet, Chen Xiaobei would have died!

"Qin Yitian! What the hell are you doing! You almost killed our great benefactor!"

Elder Qin was furious. He took a step forward and was about to teach Qin Yitian a lesson.

"Old Qin! Don't go there!"

"Yitian did not release that sword Qi!" Chen Xiaobei quickly stopped him. It was Heavenly sword's self-preservation attack! If you go over, you will be attacked by the sword Qi!"

"What ... What is going on?" Elder Qin was stunned and puzzled.

"Yitian can't control the sword Qi!" Chen Xiaobei said. The moment the sword Qi was released, I vaguely felt a special primordial spirit power that activated Heavenly sword's power!"

"Primordial spirit power?" Heavenly Sword? " elder Qin was taken aback. you're saying that there's a real Earth level deity remotely controlling Heavenly Sword? "

"It's very likely that's the case!" yes! Chen Xiaobei nodded and said, " if I'm not mistaken, Heavenly Sword is a three-star earth-god instrument! However, the sword Qi just now had the power of a four-star earth-god!"

"Yeah!"

Elder Qin was suddenly enlightened,"this is too strange!" How could a three-star earth-god instrument release four-star power? This doesn't make sense ..."

if I remember correctly, Heavenly Sword fell from the sky when Yitian was born. It recognized its master by itself, right? " Chen Xiaobei asked.

"Right!" that's right! elder Qin nodded. it's precisely because Heavenly Sword recognized its master that I personally gave it this name!

I don't have any evidence at the moment, but I'm guessing that Heavenly Sword chose its master by itself. It must have been controlled by someone powerful. Someone chose Heavenly Sword and gave it to her!

Elder Qin frowned and nodded. we can't rule out that possibility. But what kind of master is willing to give a three-star earth-god instrument to a newborn baby girl? "

he's definitely a Big Shot with extraordinary means!

"Besides, Heavenly Sword isn't just a three-star earth-god instrument! Instead, a part of its power had been sealed, and it was at least four-star and above! At least!"

this ... elder Qin gasped, " "If you put it this way, then the four-star earth-god level sword energy just now can be explained!"

"Right! According to my speculations, that expert should have left a primordial spirit mark in Heavenly Sword! Under certain special circumstances, you can unseal Heavenly Sword and protect Heavenly Sword!"

"Just like now, Yitian's mind is in a meditative state, and his consciousness can't be awakened!" So, when Heavenly Sword feels threatened, it will release its sword Qi to protect Heavenly Sword!"

Elder Qin nodded and said,"that's a reasonable guess!" From the looks of it, although we don't know who that expert is, we can be sure that he doesn't have any ill intentions towards Yitian!"

"Yes, I am!" that's right! Chen Xiaobei nodded. not only did that master not have any ill intentions, if I'm not mistaken, Yitian might have obtained some sort of opportunity during this time's isolation!

"Lucky chance? What could it be?" Old Qin asked curiously.

I don't know ... Chen Xiaobei shook his head."We can only wait for Yitian to wake up before we can find out the answer!"

Elder Qin finally heaved a sigh of relief,"sure!" Since you and Yitian are fine, then I have nothing to worry about. I'll just wait for her to wake up!"

alright! Chen Xiaobei said, " everyone, get ready. I'll be sending everyone to bei Xuan faction!

After that, Chen Xiaobei left the verdant Emperor's divine gourd.

He took out the returning bracelet and opened the space gate. Then, he let the Qin family out in groups of three to five. He let them pass through the space gate in an orderly manner and went to bei Xuan faction.

After the Qin family went over, Chen Xiaobei followed.

At that moment, bei Xuan faction had already been moved into white Tiger Capital city by Jin Fei.

Chen Xiaobei handed the Qin family over to Jiang Ziya and settled them down in The White Tiger Imperial City.

After the battle on the beast God mountain, only the most devout beastmen were left in The White Tiger Capital city. The Qin clan was definitely safe here!

After settling everyone down, Chen Xiaobei went to an independent cultivation room built in the palace!

After placing Qin Yitian in the cultivation room, Chen Xiaobei left.

At the same time, Chen Xiaobei warned everyone not to enter the training room before Qin Yitian woke up.

Chen Xiaobei really wanted to keep Qin Yitian by his side.

However, the verdant Emperor's divine gourd could be used to hold enemies or ferocious beasts. It would be inconvenient for Qin Yitian to stay in the verdant Emperor's divine gourd.

Therefore, he had no choice but to place Qin Yitian in The White Tiger Palace. It was safe and Chen Xiaobei did not have to worry about her.

.....

After everything was settled, half a day had passed.

There was still about a day and a half before Liu xuanxin arrived at the spirit condensation immortal abode.

Chen Xiaobei could not rest. He activated the returning bracelet and returned to the second level of the earthly calamity Astral Ocean, to the ancient tree that he had come from!

He changed into the Nightstalker outfit, put on the human skin mask, and then took out Jiang Minkun's flying sword! Chen Xiaobei decided to get to the spirit congealing immortal abode first and wait for Liu Xuanxin!

"I really didn't expect this! I can also ride a flying sword like the sword Immortals in Xianxia novels!"

Chen Xiaobei stepped on the flying sword and flew out as if he was controlling the somersault cloud!

"What the f * ck! That's fast ..."

This flying sword was one level higher than the somersault cloud. It was thirty-three times faster than the somersault cloud, and Chen Xiaobei found it difficult to get used to it.

Of course, it did not take long for Chen Xiaobei to master the controls.

.....

Half a day later, Chen Xiaobei arrived at the location Liu Xuanxin sent him.

"The legendary spirit condensing immortal mansion is within this area!"

Chen Xiaobei narrowed his eyes and laughed evilly. There's still one day and one night before the main force arrives. Can I take all the benefits first? " he asked.
