Chapter 2121: Going To Ask A Ghost

In front of him was a boundless Sea of Trees, and it was the kind of primitive forest that was rarely trodden by people!

At first glance, it was a green ocean!

To find the legendary spirit condensing immortal abode from it was simply like looking for a needle in a haystack!

Of course, Chen Xiaobei wanted to take the treasure for himself, but it was easier said than done.

"I don't know where to start looking in such a large forest!"

Chen Xiaobei walked through the dense and damp forest. The air was filled with a primitive and wild aura. He could see traces of wild beasts everywhere, but he could not see a single person.

From this, it could be seen that this was the habitat of beasts, and humans would almost never set foot here.

In other words, even if the treasure-hunting team arrived, it would still take some time before they could find the entrance to the spirit condensing immortal abode!

"From now on, there's still one day and one night before the main force arrives! Adding on the time they spent searching, a conservative estimate would be three days!"

Chen Xiaobei calmed himself down and said, "If I can find the spirit condensing immortal mansion quickly, three days should be enough for me to get all the benefits!"

"Now that there are no outsiders, can I come out for some fresh air?" At this time, Zi Yuan directly came out, flapping his little wings and dancing in the forest.

Chen Xiaobei raised his eyebrows and asked, "Little Zi, how do you think we can quickly find an unknown place in this forest?"

"Nonsense!" Zi Yuan pouted and said impatiently, "If no one knows, then go ask the ghost. Why ask me?"

"What the f*ck! I almost forgot about it if you didn't mention it! I can ask the ghost!"

Chen Xiaobei's eyes lit up and he immediately took out a ghost summoning talisman from his infinite space ring.

"What are you doing?"

Zi Yuan was dumbfounded. He still did not know the effect of the ghost summoning talisman.

"Ask the ghost!"

Chen Xiaobei held the talisman between his fingers and shouted, "The heavens and earth are boundless! Borrowing the power of the universe!"

"What? Are you crazy?" Zi Yuan's small face revealed an expression of concern for a mentally disabled child.

Chen Xiaobei did not answer but continued to shout, "In the name of the nine netherworld ghost Department! Summon! All heroic spirits, listen to my command!"

As soon as he finished speaking, the ghost summoning talisman ignited.

"Woof! Buzzzzzz! Yi ..."

In the next moment, ghostly shadows emerged from the ground like bamboo shoots after a rain. There were thousands of them.

However, these ghostly figures were not human-shaped, but various kinds of beasts.

how ... How is this possible?!

Zi Yuan was instantly dumbfounded.

Just a second ago, Zi Yuan thought that Chen Xiaobei was a mentally disabled child. But now, he realized that Chen Xiaobei was not a mentally disabled child. He was the one who had not seen the world!

By the way, Zi Yuan was already a four-star earth immortal who had reached the nascent soul realm. He was a Dharmakaya spirit body, so he could see a large number of beast-type Yin ghosts that suddenly appeared without the help of his Yin Yang eyes!

bro bei ... Are you really going to ask the ghost? "

Zi Yuan swallowed his saliva and said awkwardly, "These are all wild beasts and can't speak human language. How are you going to ask them?"

Just as Zi Yuan had said, the beast-type Dark Souls in front of him were all letting out all kinds of low roars. None of them could speak human language, so there was no way to communicate.

of course! Chen Xiaobei smiled. I can speak the language of beasts!

"Beast language? How is this possible?" Zi Yuan was dumbfounded. He had never thought that Chen Xiaobei would be so versatile!

Chen Xiaobei did not waste any more time and asked in beast language, "Do any of you know the location of the spirit condensing immortal mansion? Take me there immediately!"

As soon as he said that, most of the beast-type Yin souls shook their heads and said, "It's said that the spirit condensation immortal abode is an earth immortal's cave abode that was left behind from ancient times! Because it was too long ago, we weren't even born at that time ..."

"What the f*ck! No way! If you guys don't know, then wouldn't I have wasted a ghost summoning talisman for nothing?" Chen Xiaobei furrowed his brows in displeasure.

The yin ghosts continued, "you can ask the ancient Snake King. He is the oldest Yin ghost here!" I'm afraid it's tens of millions of years old ..."

"Ancient Snake King? Where is it?" "Who knows?" Chen Xiaobei ordered. Bring me there directly!"

"Yes! Please follow us!"

The yin ghosts that were controlled by the talisman would listen to Chen Xiaobei's orders for a certain period of time.

A few of the strong-looking beasts and Yin ghosts led Chen Xiaobei deeper into the forest.

As they walked, the yin ghosts said, " "Young master, you have to be careful later! The ancient Snake King is different from us. Your talisman can't control it, and if it were to get angry, it would be very dangerous!"

"Why is it different from you?" Chen Xiaobei asked.

the ancient Snake King is an ancient evil spirit. After a long period of cultivation, he has become a one-star earth-god level devil!

The yin ghosts said, "the one-star earth-god Realm is also known as the primordial soul realm!" After refining his primordial spirit, the ancient Snake King's soul would have something to rely on! When the soul is hidden in the primordial spirit, it's like it's hidden in the physical body. Your talisman special ability won't be able to affect it!"

"I didn't think that the primordial spirit would have such a benefit! This is probably the main difference between 'Immortals' and 'humans', right?"

if I can't use the ghost summoning talisman, I'll have to defeat the ancient Snake King. Only then will I have a chance to get the spirit congealing immortal abode!

"Yes ..."

the ancient Snake King is the Overlord of this forest, " the ghosts replied. it's very powerful and very arrogant. Unless you can convince it, it will never tell you the truth!

"Hmm, let's go over and take a look first!" it's too late! Chen Xiaobei frowned. I'll have to sacrifice some of my lifespan to tame it!

"Loss of lifespan?" The yin ghosts were dumbfounded. They could not figure out how Chen Xiaobei had managed to subdue a powerful one-star earth-god Level demon!

Chen Xiaobei did not bother explaining to them. He picked up his pace and moved forward at full speed.

.....

As they went deeper and deeper, the atmosphere in the forest gradually became more and more gloomy!

The sun could barely shine in, and the surroundings were filled with the thick stench of corpses!

Every few steps, he could see some scattered white bones. Those who didn't know would think that they were walking towards the netherworld!

"Little Zi, this place is full of corpse poison and miasma, why don't you eat it?" Chen Xiaobei asked.

"Do you think I'm a trash can?" I only eat high-level toxins, " Zi Yuan said unhappily. these low-level toxins are stinky. I won't eat them!

"Gulp!"

At this moment, a huge toad suddenly jumped out of the forest!

Large pustules rolled on the Toad's back, and its eyes were blood red. Its huge mouth was more than two meters wide, and dark green mucus flowed out. It was extremely terrifying!

"Young master! Quickly Dodge!"

The yin ghosts exclaimed,"that's the poisonous blood-eye Toad!" If an ordinary person were to come into contact with a little bit of this poison, he would definitely die!"

"Calm down! Calm down!"

Chen Xiaobei laughed evilly and said, " in terms of poison, my little Zi is not targeting anyone. Anyone below five-star earth-god level is a piece of trash!

[Red Envelope Group of the Three Realms](#)

Chapter 2122: The White Bone Snake Spirit

"Gulp!"

The blood-eyed Toad let out a shrill shriek, stomped on the ground, and leaped toward Chen Xiaobei!

The two-meter-wide mouth with dark green liquid flowing out of it was like a huge VAT, ready to swallow Chen Xiaobei whole!

"Young master!" The yin ghosts were nervous.

Chen Xiaobei was not moved at all. He called out, " "Little Zi!"

"You're so lazy! You want me to fight this little monster?" Zi Yuan pouted angrily and casually waved his hand.

"Hiss ..."

A wisp of purple smoke shot toward the blood Eye Toad.

"Uh ... Yingluo ..."

Who would've thought that the blood-eyed Toad, which was already a poisonous demon beast, would let out a painful wail the moment it touched the purple smoke?

In the next moment, blood flowed out of the pair of huge blood-red eyes. The huge body instantly stiffened. While still flying in the air, it stopped breathing and died.

"Bang!"

Chen Xiaobei kicked the blood-eyed Toad's body away.

"Heavens! That little purple fairy was so strong! He killed the blood-eyed Toad with a wave of his hand! Wouldn't she be even more vicious?" The yin ghosts cried out in alarm as they looked at Zi Yuan with fear.

Zi Yuan tilted his little head and asked, "What are they saying? I don't understand what you're saying!"

"They're praising you!" Said Chen Xiaobei with a smile.

"Really?"

Zi Yuan's face was instantly filled with surprise, and a smile bloomed on her cute little face.

This little girl had the heart of a little kid. She was so happy to be praised!

"Hu ... Hiss ..."

However, at this moment, a terrifying gust of cold wind suddenly swept over.

The baleful yin force contained in it was extremely strong, causing the surrounding temperature to drop rapidly in an instant. It was as if the end of the world had arrived, causing one to be terrified!

ancient Snake King ... The ancient Snake King has come ...

Not to mention the humans, even the group of beast-type Yin ghosts that were leading the way let out cries of extreme fear!

If they were not under the control of the ghost summoning talisman, they would have run away long ago!

From this, it could be seen that the ancient Snake King was an Overlord-like Emperor in this forest!

Whether it was a living ferocious beast or a dead Yin ghost, they were all afraid of it to the bone! He was afraid that it had reached the deepest part of his soul!

"Chi ..."

In the next moment, a huge white shadow sneaked out of the darkness!

It was a giant white bone snake that was dozens of meters long!

There was not a single trace of flesh on its body, only a terrifying white skeleton!

In its sunken eye sockets, two balls of dark blue flames flickered, looking extremely sinister and terrifying!

"Woof! Whoosh!"

The White-boned giant snake pounced at the blood-eye Toad's corpse. Its two fangs, which were as long as an adult's arm, pierced into the blood-eye Toad's body!

Then, the blood essence and Yang Qi in the blood Eye Toad's body were all sucked away by the giant white bone snake!

The blood-eyed Toad, which was originally the size of a small truck, shriveled up and shriveled up all of a sudden. It was like a stinky bag, shriveled and laid on the ground!

"Is this snake stupid?"

Zi Yuan was dumbfounded. the toad was poisoned by me. The snake is sucking the Toad's blood. Isn't this the same as suicide? "

"You're the silly one!"

"Look carefully!" Chen Xiaobei laughed. The giant white bone snake was a spirit body! It was not a physical body! It won't be poisoned!"

"Spirit body?"

Zi Yuan took a closer look and said in surprise, "that's really an evil spirit!" Judging from its size and speed, it's about one-star earth-god level. It's a very powerful evil ghost!"

"You're right this time!"

that's right! Chen Xiaobei frowned. that giant white bone snake is the most ancient and powerful demon in this forest, the ancient Snake King!

"A devil?" "It won't be poisoned. Do you think we can defeat it with our strength?" Zi Yuan was stunned.

"It's a spirit body!" it can't be hurt! Chen Xiaobei said, " only a one-star earth-god level or higher pure yang item can hurt it! Otherwise, we won't be able to hit it no matter how strong we are!"

"Then let's run!"

Zi Yuan looked nervous and said, "we can't hit it, but it can consume our Yang Qi!" If we get entangled by it, our essence, Qi, and spirit will be exhausted bit by bit, and we'll die!"

"Yes, you're right!" Chen Xiaobei nodded.

"Then why aren't you running?" "Don't just stand there!" Zi Yuan hurriedly urged. Hurry up and follow me!"

"Don't rush!"

Chen Xiaobei took out the verdant Emperor's divine gourd and said, " "We don't need to run! Just give me a few minutes to prepare!"

"A few minutes? What do you need to prepare? What can you prepare?" "Don't try to show off!" Zi Yuan said nervously. That snake is coming!"

"Swish!"

With a gust of cold wind, the ancient Snake King flew over at an extremely fast speed.

To the ancient Snake King, anything with flesh and blood and yang energy was food. It could speed up his cultivation and make his spirit body stronger!

"Chen Xiaobei! Are you an idiot? We're going to die!" Zi Yuan screamed.

Although Zi Yuan was a four-star earth-god, her poison element was of the yin element. Her attack could not hurt the ancient Snake King at all!

The point was that Zi Yuan had already cultivated into a demon. He had essence, Qi, spirit, and even life!

Once entangled by the ancient Snake King, one's essence, Qi, and spirit would be consumed at an extremely fast speed. Their blood essence and Yang Qi, which represented life, would be sucked away. In the end, only death would await them!

"Stupid girl! Stop shouting! Give me a few minutes, and all the problems will be solved!"

Chen Xiaobei entered the verdant Emperor's divine gourd.

"Ah! Big idiot! I'm so angry!"

Zi Yuan was so angry that he wanted to run away.

However, she had already signed a blood pact with Chen Xiaobei. It was fine if she threw a childish tantrum, but when it came to critical moments, she still had to be loyal to Chen Xiaobei!

With no more resistance in his heart, Zi Yuan was also absorbed into the verdant Emperor's divine gourd!

"Whoosh ..."

The cold wind howled, and the ancient Snake King arrived with extreme speed, but he couldn't enter the verdant Emperor's divine gourd.

The dark blue Ghost eyes rolled twice, and the ancient Snake King refused to give up, " the Yang Qi of a four-star earth-god can help me break through a small realm. This is a great opportunity. I can't let them go!

With this in mind, the ancient Snake King stood guard beside the verdant Emperor's divine gourd, not going anywhere else.

.....

Inside the verdant Emperor's divine gourd.

"Chen Xiaobei!" Zi Yuan complained. You big idiot! What's the use of hiding in the calabash? You can hide for a moment, but can you hide forever?"

"Just wait and see! At most, 20 minutes! I can definitely deal with the ancient Snake King!"

Chen Xiaobei took out the heaven and earth smelt and the sunlight cache.

"What are you doing? To train?" "That big snake is a spirit body!" Zi Yuan said in a bad mood. No matter how high your cultivation is, you can't beat it!"

Chen Xiaobei smiled and said, "I have the cleansing Bodhi, so it won't be difficult for me to kill the ancient Snake King! But I can't kill it. I want to subdue it!"

"How are you going to tame it?" Zi Yuan asked in surprise.

[Red Envelope Group of the Three Realms](#)

Chapter 2123: In The Bag

"Look at what this is!"

Chen Xiaobei then took out a gray Jade.

On the surface of the gray Jade, there was a cloud of Yin Qi that did not dissipate. It looked like a ghost spirit.

"Didn't we find this in the Treasury of heaven dominating faction's Black Tortoise branch? What are you doing with it?"

"This is also a Yin attribute item, it can't hurt that huge snake at all!" Zi Yuan said with a frown.

"Look at what this is."

Chen Xiaobei grinned and reached out his hand. A red, white, gold, and blue halo appeared on his palm!

The four-colored dim light was like smoke and mist, floating around the ring of light, but did not dissipate for a long time.

"How would I know what this is? You didn't even tell me!" Zi Yuan pouted her little mouth, her face full of curiosity.

"This is the infinite soul ring! It's a sacred relic of the devil nation from tens of millions of years ago!" "Its power is soul-sucking!" Chen Xiaobei said. Soul Control!"

"Soul Catcher? Soul Control?" "You're going to use this infinite soul ring to capture that giant snake's soul and then control her soul!" Zi Yuan's eyes suddenly lit up.

"You're right!" Chen Xiaobei smiled.

Zi Yuan was stunned and said excitedly, "if you had such a trump card, why didn't you use it earlier?" Do we still need to hide? We'll just kill our way out!"

"Idiot!"

"The infinite soul ring was an earth-god instrument at its peak!" Chen Xiaobei explained. Unfortunately, it was destroyed in the battle! I've helped it recover some of its spirit, but it can only exert the power of a one-star earth-god, which is not enough to suppress the ancient Snake King!"

"I understand!"

Zi Yuan was not stupid and immediately understood. so, you need to use this gray Jade to further repair the infinite soul ring and let it exert the power of a two-star earth-god, then you can forcibly take the ancient Snake King's soul!

Chen Xiaobei nodded and smiled. I can repair the infinite soul ring in twenty minutes! Everything is under my control!"

"You're awesome! I'll be waiting!" Zi Yuan's expression froze, and his big, watery eyes revealed a look of admiration.

After that, Chen Xiaobei did not waste any more time.

He immediately opened the sunlight cache.

After that, he placed the infinite soul ring and the yin Qi gray Jade into the heaven and earth smelt.

Then, he used the witch Dragon strange fire to refine the gray Jade and used it to repair the damage to the infinite soul ring.

The process was very complicated. Even with the scholar heart, Chen Xiaobei would need a whole day to complete it.

Thanks to the sunlight cache's speed, Chen Xiaobei spent a whole day fixing it, but only a minute had passed in the outside world.

Even if he could not fix it, Chen Xiaobei could not stop. He continued to consume his lifespan to activate the sunlight cache.

This was because the items that the heaven and earth smelt was going to refine this time around were all of very high grades, especially those few five star earth-god instruments. It would probably take more than ten days before they could be completely refined.

This was mainly due to the low level of the witch Dragon heavenly flame.

If the witch Dragon heavenly flame could reach the level of a five-star earth-god, it would be able to refine everything within two to three days.

That was why Chen Xiaobei wanted to upgrade the witch Dragon Flame.

"Whoosh ..."

At the same time, Chen Xiaobei gave out a large number of high-grade spiritual stones.

Refining the spiritual aura of heaven and earth would take more than ten days, but Chen Xiaobei could cultivate for more than ten days.

For a person who strived to become stronger continuously, a dozen days of cultivation time was simply too precious. He definitely couldn't waste it!

"Bang! Bang! Bang! Bang ..."

In an instant, 100 upper spiritual stones were shattered!

That was equivalent to 10 billion low-grade spiritual Qi, and Chen Xiaobei had absorbed it all into his dantian!

As a person's cultivation realm increased, their combat strength and physical body would also increase, and their lifespan would also increase accordingly!

At the same time, the capacity of his dantian had also increased greatly!

Back then, Chen Xiaobei's dantian could only contain tens of thousands of low-grade spiritual Qi. Any more and his body would explode!

In comparison, the improvement he had now was really huge!

Of course, the huge improvement was accompanied by a huge consumption!

Just like playing a game, it only took 10 experience points to level up from Level 1 to Level 2, and it might take hundreds of experience points to level up from Level 4 to Level 5!

Cultivation was the same!

Before Chen Xiaobei reached God-Ascension cultivation, a high-grade spiritual stone could increase his physical strength or combat power by 100 points in an hour!

But now, Chen Xiaobei was already at the four-fire god-refining level. If he wanted to level up, he would need to consume even more superior-grade spiritual stones!

After an hour of cultivation, Chen Xiaobei realized that the spiritual Qi He had absorbed from the 100 high-grade spiritual stones had been completely used up!

Even if he did not consider the heavenly path reward, the increase he received was still only 100 points of cultivation attribute!

"What the f * ck! The rate of spiritual energy consumption had increased by a hundred times! This is f * cking crazy ..."

Chen Xiaobei was shocked, 'I thought I was already rich, but at this rate, I'm going to run out of money soon! It seems like I have to find a way to earn more spirit stones ..."

"Fortunately, The White Tiger continent and the Black Tortoise continent are already under my command! Livestreaming, gaming, and cosmetics-these three industries were enough to earn enough spiritual stones to feed bei Xuan faction! I just need to earn my own spirit stones!"

"Cultivate! He could always earn more spirit stones! As long as I can keep getting stronger, I'll have an endless supply of spirit stones in this world!"

Chen Xiaobei stopped worrying about the consumption of spiritual stones and focused on his cultivation!

.....

After 13 minutes, Chen Xiaobei quickly stopped the sunlight cache.

In addition to the one minute he had spent repairing the infinite soul ring.

Chen Xiaobei had already activated the sunlight cache for 14 minutes! Chen Xiaobei did not dare to continue for even one more second!

That was because his lifespan had reached its end!

[ding Yingying's cultivation base: four fire god-refining, lifespan: [100 years, physique: 3824800, combat power: 3100000!

"13 days of cultivation is equivalent to 312 hours! 100 upper spiritual stones were consumed every hour, which meant that he had consumed a total of 31200 upper spiritual stones! I still have 298800 spiritual stones left. I won't be short of spiritual stones in the short term!"

'At the same time, my physical strength has increased by 31200 points! With the addition of the level 3 heavenly path cultivation Halo, his physical strength had increased by 124800 points! When combined with the primordial Witch King combat enhancement training manual, my combat power will increase by 120000!"

After a careful count, Chen Xiaobei realized that although he had used up a lot of spiritual stones, it was still within his acceptable range!

Chen Xiaobei was also very satisfied with the increase in his physical strength.

But there was one flaw!

"Lifespan!"

I'm not! Chen Xiaobei said, " do you think it's easy for me to save my life? " I only have 100 years left to live after being tricked by second senior brother ... Many of my trump cards will be limited ..."

"Bro bei! Are you done with your cultivation? Can we go and catch the snake now?" Zi Yuan could not wait to fly around.

"Of course you can!" that's right! Chen Xiaobei grinned. that little snake is already in my pocket!

[Red Envelope Group of the Three Realms](#)

Chapter 2124: The Fairy Cave

He opened up the heaven and earth smelt.

After 14 days of refining, the materials that were put into the furnace last time had all been refined!

A small portion of the heaven and earth spiritual aura was absorbed by the infinite soul ring. Chen Xiaobei kept the remaining portion for the time being. He would use it to upgrade his trump card when he needed it later!

The infinite soul ring had been repaired to a certain extent. In addition to the integration of the spiritual aura of heaven and earth, the spirituality of a two-star earth-god had been restored.

From this moment on, the infinite soul ring had become a two-star earth-god instrument!

Although there was still a huge gap between it and a peak earth-god instrument, it was more than enough to deal with the ancient Snake King!

Chen Xiaobei took out his infinite soul ring and put away the heaven and earth furnace. Then, he left the verdant Emperor's divine gourd with Zi Yuan.

"Phew! Whoosh ..."

In an instant, a gust of cold wind blew in the space, and a demonic pressure enveloped the area!

The ancient Snake King had been lying in ambush nearby, waiting for Chen Xiaobei and Zi Yuan to come out!

"Swish!"

Without a word, the ancient Snake King launched its attack. The White bones spiritual body was like a huge bolt of White Lightning, pouncing at Chen Xiaobei and Zi Yuan with the speed of a one-star earth-god.

"Bro bei! The snake is coming!"

Zi Yuan shrieked nervously. Because the ancient Snake King was a spiritual body, no matter how high Zi Yuan's cultivation was, he couldn't hit the ancient Snake King. He could only take the beating.

"Don't be afraid! It can't hurt us!"

Chen Xiaobei, on the other hand, was calm and composed. He had complete control of the situation.

"You little brat! You're so arrogant! Accept your death!"

The ancient Snake King let out an angry roar, and its two sharp fangs pierced toward Chen Xiaobei's body.

Chen Xiaobei stood there unmoving, as if nothing had happened.

"Hmm? That ... That's the aura of a sacred item of Buddhism! Oh my God ..."

The ancient Snake King screamed and stopped three meters away from Chen Xiaobei.

It was like a mouse seeing a Tiger and instantly cowering.

The seven treasures fragrance pouch on Chen Xiaobei's chest had one of the cleansing Bodhi given by the Buddha!

This was a bodhi seed that was born from an ancient Bodhi tree in the central Saha world!

Although it was not a pure yang spiritual item, it was born from the dense Buddhist light and had a direct restraining effect on evil things!

"I told you, you can't hurt me!"

Chen Xiaobei raised his eyebrows and said in the beast language, " "Since you know that I have a Buddhist treasure, you should know that it's very easy for me to kill you!"

then ... Then why didn't you kill me ... the ancient Snake King was extremely confused.

"Because I want to subdue you! I'll make you my ghostly slave!" Chen Xiaobei shrugged. His tone was calm, but there was an unquestionable dominance in it.

how ... How is this possible?!

The ancient Snake King was stunned for a moment before he laughed in disdain, " "You said you can kill me, I believe you! But if you want to subdue me, that's absolutely impossible! Just based on my spirit body, you can't stop me if I want to run!"

"Is that so?"

Chen Xiaobei's eyes narrowed, and a four-colored infinite soul ring appeared in his palm.

what ... What is that ... the ancient Snake King was stunned. Deep fear actually appeared in his deep blue Ghost eyes.

The ancient Snake King's heart trembled. He felt that the tiny infinite soul ring was like an endless soul vortex that could suck him in at any time, and he would never be able to escape!

Chen Xiaobei did not answer but said, " All the dead souls in the world are slaves!"

"Whoosh ..."

After that, Chen Xiaobei took out 10 million low-grade spiritual stones, crushed them, and absorbed all the spiritual Qi into the infinite soul ring.

that ... That's a two-star earth-god instrument!

The ancient Snake King was instantly dumbfounded. He didn't dare to hesitate any longer and immediately turned around to run.

If it was a one-star earth-god instrument, the ancient Snake King could still deal with it for a while.

But now, his infinite soul ring had already reached two stars, and its power was enough to crush the ancient Snake King.

Other than running away, the ancient Snake King had no other choice!

"Absorb!"

run! without a doubt, Chen Xiaobei would not let the ancient Snake King escape.

"Woof!"

Words of law!

Tens of millions of spiritual energy were instantly burned out, and the special ability of the infinite soul ring was completely activated.

The soul ring floated above Chen Xiaobei's palm, spinning rapidly and expanding, turning into a huge vortex!

In the next moment, a small limitless Saint Demon King Dharma form appeared in the center of the whirlpool.

"Heavens ... What a terrifying baleful Qi ... Let me go! I beg you to let me go ..."

The ancient Snake King wailed in fear. He was already scared to the bones, and he used all his strength to escape!

"Woof!"

At the same time, the limitless Saint Demon King's Dharma power suddenly swung out a demonic claw!

In the beginning, the demon Claw was only the size of a normal person's palm, but then, the demon Claw expanded in the wind, and just one finger was dozens of meters long!

The huge demonic claw caught up with him at an even faster speed and directly grabbed at the ancient Snake King!

That's good, it's like an adult's palm grabbing a small mud Loach!

"Spare me ... Spare me ... I beg you! Please spare my life ..."

The ancient Snake King wailed in horror and struggled with all his might, but he couldn't break free in the slightest.

"Swish!"

In the next instant, the limitless Saint Demon King's demonic claws suddenly exerted force and directly pulled the ancient Snake King into The Limitless Soul ring!

At the same time, the yin aura in the entire space began to dissipate and calm returned.

"Oh my God! Bro bei! You really caught the snake! You're so powerful ..."

Zi Yuan was overjoyed when he saw this. He looked at Chen Xiaobei with an unprecedented look of admiration.

This girl had the heart of a child. She could not defeat the ancient Snake King, but Chen Xiaobei could. Chen Xiaobei's image in her heart had suddenly become much higher!

"Alright, stop flattering me! Serious matters are more important!"

Chen Xiaobei held the infinite soul ring in one hand, and the ancient Snake King's Dharma form appeared.

master ... the ancient Snake King's Dharma idol lowered his head, his attitude extremely humble.

"Hurry up! Tell me where the spirit condensing immortal mansion is!" Chen Xiaobei went straight to the point.

"Yes, sir!"

yes! the ancient Snake King said respectfully, " follow my directions. There are still a few hundred miles to go before you reach the ruins outside the spirit condensing immortal mansion!

"The outer ruins?" let's go! Chen Xiaobei frowned. bring me to the core ruins, I don't have time to waste!

Chen Xiaobei had to make use of every second to clear out all the treasures in the ruins before the main force arrived. It was a race against time!

"Master, you don't know ..."

"This spirit condensation immortal abode is the cave abode of the ancient high-level earth immortal,'spirit condensation fairy'!" The ancient Snake King said. The core was guarded by layers of restrictions! Even a five-star earth-god can't get in, let alone me!"

"No harm! You can bring me there directly!"

no! Chen Xiaobei said, " as long as you give me enough spiritual Qi, I can even break a divine-level restrictive spell!

[Red Envelope Group of the Three Realms](#)

Chapter 2125: Four Great Forces

"You can even break a heavenly immortal level restriction?"

The ancient Snake King could not believe it. He thought that Chen Xiaobei was just bragging.

'Too bad Zi yuan can't understand the language of beasts, or I can testify for Chen Xiaobei!'

Chen Xiaobei had the ten thousand Beast Battle formation Manual and 10000 demonic crows. He could form the Army-breaking Heavenly Sword battle formation that Xiao Tianquan had given him. Then, he could use the earth escape divine gourd to suppress the formation eye and break the one-star heavenly immortal level seal!

Of course, to activate the earth escape immortal Gu's heaven immortal level power, one had to consume the spiritual Qi of an entire large spiritual vein!

This was something that Chen Xiaobei did not have.

Fortunately, the legendary fairy ning Ling was only an ancient Earth level deity, so it was unlikely that she could set up a sky immortal level restriction!

.....

After a while, under the ancient Snake King's lead, Chen Xiaobei and Zi Yuan arrived at a quiet and elegant Valley.

In the valley, the spiritual energy was dense, and there must be a spiritual vein passing through the ground.

The surrounding mountains and rivers were beautiful, and the birds sang and the flowers were fragrant. It was a beautiful scene of a paradise.

"This Valley is the periphery of the spirit condensing immortal mansion!"

The ancient Snake King said, " because it has been too long, some of the buildings here have already collapsed. They are covered in plants. It is very difficult for outsiders to discover them!

"Bring me to the core!" Chen Xiaobei did not want to waste any time.

"I don't know where the core is either ..."

The ancient Snake King shook his head and said, " after I turned into an evil ghost, I stayed in the forest for tens of millions of years. I've come to the ruins of the immortal abode hundreds of times! Inside and

out, up and down, I've checked almost every stone! I just can't find the way to the core of the immortal mansion!"

"This is strange ..."

"If that's the case, then no one should know about the existence of the spirit congealing divine abode! But why have so many people started to rush over recently to search for this immortal mansion?"

"There is only one possibility!"

"Someone is divining the heavenly secrets!" The ancient Snake King said. He had calculated that the time to open the spirit condensing immortal abode had come! Furthermore, they have deduced the approximate location, which is why they are gathering here!"

"You even know about this?" Chen Xiaobei asked.

before I died, I was also an earth level deity's spirit beast, " the ancient Snake King said. I followed my previous master and more or less understood the various ways of the human world!

"How much more do you know?" "Who is it?" Chen Xiaobei asked. He could actually deduce the Fortune of the secret treasure? Isn't this a little too heaven-defying?"

Even Chen Xiaobei's Eight Trigrams evolving divine pattern could not find out where the hidden treasure was. When would be the time to open the hidden treasure?

Whoever had this ability could become a God in minutes!

"As far as I know, there are four major forces in the earth-god Realm that can predict related opportunities!"

"The heaven's legacy city!" The ancient Snake King said. Ten thousand Buddhas Pagoda! The temple of the gods! Nine nether platform! The heaven's legacy city that the elder of heaven's legacy is in charge of is the most powerful!"

the old man of heavenly secrets!?

Chen Xiaobei remembered that the reason Xuanyuan tuohai was abandoned by the Xuanyuan family in the earth-god Realm was because the elder of heavenly secrets had predicted that Xuanyuan tuohai was the son of the devil and would bring endless slaughter to the Videha!

"This old man of heavenly secrets is very powerful!"

The ancient Snake King continued, " he himself is a peak earth immortal! It's said that he can reach the gate of heaven realm and listen to the divine immortal's decree outside the gate!"

what? " Chen Xiaobei was taken aback. could it be that the divine immortal told him about the Fortune of the spirit congealing immortal abode? "

"No! Of course not!"

The ancient Snake King explained, "the heaven's legacy city!" The temple of the gods! Nine nether platform! Ten thousand Buddhas Pagoda! These four forces have tens of millions of disciples and are spread out in every corner of the world. They are responsible for collecting all kinds of information!"

"This information includes maps of the entire world! For example, the valley in front of us might have been discovered by the disciples of the four forces thousands or even tens of thousands of years ago!"

they'll use the calculation methods of their respective forces to calculate the Feng Shui pattern of this Valley, the rise and fall of the destiny, and then record it in detail and summarize it to the headquarters of their forces!

"There are tens of thousands of calculation Masters in the headquarters of the four forces! Based on the information they gathered, they would combine it with the five elements, Eight Trigrams, celestial phenomena, star phenomena, solar terms ... And other factors to finally deduce the potential opportunity!"

The ancient Snake King explained in great detail. After all, he was a super old ghost that had existed for tens of millions of years. His experience and knowledge were much richer than ordinary people.

That was the reason why Chen Xiaobei did not kill the ancient Snake King.

If he had not tamed the ancient Snake King, Chen Xiaobei would not have been able to find out so many secrets.

these four great forces are really awesome!

Chen Xiaobei sighed and said, " "This is like four 'super Central Intelligence agencies'! If I can have such a force, I can also deduce a huge amount of important information and hidden opportunities!"

they are the top forces in the earth-god Realm, " the ancient Snake King said awkwardly. ordinary people can't have them ...

"You think I'm an ordinary person?" Chen Xiaobei raised his eyebrows.

I ... I wouldn't dare ... the ancient Snake King realized that he had misspoken and hurriedly shook his head.

of course not! Chen Xiaobei smiled and asked, " if these four forces really found the Fortune of the spirit congealing immortal abode, why didn't they come and get the treasure themselves? " Instead, he wanted to leak the news? Could it be that the four great powers are all living Lei Feng?"

"What's a living Lei Feng?" The ancient Snake King was dumbfounded.

Chen Xiaobei was speechless."You won't understand even if I tell you! Just answer my previous question!"

"Yes, sir!"

The ancient Snake King said, " the reason why those four major powers didn't come to seize the treasure is probably because they look down on the spirit condensing immortal abode! As a top force in the earth-god Realm, not all opportunities can enter their eyes!"

mm, that's true ... Chen Xiaobei nodded. He could not help but recall what Hades had said, " At different heights, one's vision would be completely different! Not everyone wanted a deity position in the celestial heavens!

By the same logic, the top forces of the four earth-god realms would not care about the opportunities that everyone in the lower planes was fighting for!

The ancient Snake King thought for a moment and said, " of course, it is also possible that the four great forces want to recruit new disciples. They deliberately spread the news so that people will come and snatch them. From the plunderers, they will choose the person they like and take him in as their disciple!

what?! Chen Xiaobei was surprised. there's actually such an amazing operation! They would attract a bunch of people to fight to the death and finally choose the most outstanding person in strength, luck, and Foundation to accept as a disciple! This method is really simple and crude!"

"Is this the first time you've heard of this?" in the earthly calamity Star Ocean and the earth-god Realm, many great forces like to use this simple and brutal method, " the ancient Snake King said. they eliminate the weak and keep the strong. Then, they directly choose the best disciples!

if that's the case ... Chen Xiaobei looked around warily. "Are the people from the four forces watching us in the dark?"

[Red Envelope Group of the Three Realms](#)

Chapter 2126: Lacking Lifespan

"This ... Please don't say! That's possible!"

The ancient Snake King became nervous in an instant. He opened his deep blue Ghost eyes wide and carefully observed the situation around him.

Chen Xiaobei did not dare to let his guard down. He looked around vigilantly. If he was being watched, his plan to take all the treasures in the Holy abode would be ruined.

"What are you two talking about?"

Zi Yuan pouted his little mouth and said with a face full of disgust, " "There's no one else around, why are you two so nervous? You're acting like a thief!"

"How do you know there's no one around?" Chen Xiaobei asked.

"You're so stupid! I'm a four-star earth-god!"

Zi Yuan proudly raised her chin and said, " my essence soul domain can cover a radius of three thousand meters. Of course I know there's no one!

"Yeah! I almost forgot! You have a primordial soul domain!" you ... Chen Xiaobei smacked his forehead. are you sure there's no one around? "

"Why Would I Lie to You? It's not good for me!" Zi Yuan pouted and said unhappily.

"Alright! With your words, I can rest assured!" Chen Xiaobei finally let out a sigh of relief.

The primordial spirit was something unique to earth Immortals. Only earth Immortals could open the primordial spirit domain!

The higher the cultivation level of an earth immortal, the wider the area covered by their essence soul domain!

In this domain, any movement would be sensed by the earth immortal!

This was also the biggest difference between 'Immortals' and 'humans'!

"Little Zi! Can your primordial spirit domain see the hidden space in the valley?" Chen Xiaobei asked again.

I can't ... Zi Yuan shook his head and said, "I can only sense that there's a special array in this Valley. The array's special ability is blocking my primordial spirit, making me unable to probe the situation inside!"

that's right! Chen Xiaobei nodded. even though you can't go any deeper, there are magical formations and spiritual veins here. That's enough to prove that the spirit congealing immortal abode is in this Valley!

I don't think it'll be easy to find ... Zi Yuan frowned."This formation is probably a five-star earth-god instrument, but it's only used for cover and concealment! There must be other restrictions behind, and they'll be of a higher level and more dangerous!"

yes, I know what you're talking about. Let's be careful and take it slow! Chen Xiaobei calmed himself down and walked into the depths of the valley.

Zi Yuan and the ancient Snake King quickly followed.

.....

The ancient Snake King was very familiar with the situation inside the valley!

The ancient Snake King led Chen Xiaobei and Zi Yuan through the valley as if it was their own home.

Chen Xiaobei and Zi Yuan did not find anything after a round of searching.

The ancient Snake King sighed. I've been here a few hundred times. I've never found any clues or encountered any danger. This time is no exception ...

what a shame that I don't have 300 years to live! Otherwise, I could use my blood descendant's special ability to check! Chen Xiaobei said.

"What special ability?" Zi Yuan asked curiously.

that ability is similar to your primordial spirit realm, " Chen Xiaobei explained. but it covers a wider area and has a stronger penetrating power. Most importantly, it's very sensitive to treasures! I can instantly sense where the treasure is hidden!"

"Bah! You don't even need a draft to brag!"

Zi Yuan pouted her little mouth and said angrily, " "How can there be such a heaven-defying ability in this world? Do you think I'm a three-year-old child?"

"Idiot!"

what? " Chen Xiaobei furrowed his brows. this ability is indeed heaven-defying, but the price to pay is huge! It can only be used once after 300 years of lifespan. It's unlike your primordial soul domain, which you can use whenever you want without paying a price!"

hmm, that makes sense ... Zi Yuan nodded, but still couldn't believe it. but no matter what you say, I don't believe you have this ability!

"If I had 300 years of life!" I'll slap your face in any minute!"

"Brag! You can continue bragging! Let's see if you can blow out a flower." Zi Yuan pouted and made a face, not believing him at all.

"You stinky girl! He was really getting more and more impudent! I'm going to teach you a good lesson today!" Chen Xiaobei immediately took out his phone.

"Come, come! Come and educate me! I'm afraid you don't have that ability!" Zi Yuan made a mischievous face. He did not believe that Chen Xiaobei would actually do anything.

Chen Xiaobei did not waste any more time. He opened the reading software and searched for the e-book of War god Zhufeng.

"What the f * ck! The old sect master is a scammer!"

Chen Xiaobei's face darkened, 'it's been such a long time and this book has only four million words! I'm so disappointed!"

The old sect leader's war god Zhufeng could be exchanged for a ginseng fruit with Grand deity Zhenyuan for every three million words he updated.

Chen Xiaobei would not be able to get the ginseng fruit if he did not update the word count!

"Forget it, forget it ..."

Chen Xiaobei sighed. the old leader is also a human. He has his own problems. He can't possibly write like a machine every day. Long live understanding ...

After closing the reading App, Chen Xiaobei went to the Brotherhood and gave them a punch.

In the past, there would always be a lot of chat records to look at, but this time, there were pitifully few chat records.

It wasn't strange to think about it. The winter solstice was coming. At this time, even the heavenly realm was in a critical period!

"Forget it ... Let's not trouble our brothers ..."

Chen Xiaobei did not send a single message and left the Brotherhood.

It was obvious that Shen Gongbao and the clan of enlightenment would keep a close eye on all their competitors at this moment!

Once the opponent made a mistake, the clan of enlightenment would take the opportunity to suppress them and make them lose the chance to compete during the winter solstice!

If Chen Xiaobei went to ask for red packets from his brothers now, he would be causing trouble for them!

Chen Xiaobei would never do something that would harm others and benefit himself!

"I can't get the ginseng fruit ... I can't get the red packet either ..."

I don't think so! Chen Xiaobei frowned. now, my only hope is the elixir that I found at heaven dominating faction's white Tiger branch!

Chen Xiaobei then took out the pill.

"this should be a two-star earth-god level pill. It's in a treasure chest in the deepest part of the Treasury!

Chen Xiaobei picked up the pill and sniffed it. Ximen Junda is right. This should be a pill that can increase one's lifespan. But I don't know if it can increase one's lifespan by 300 years ...

"Don't eat it!" stop! Zi Yuan quickly flew over and stopped Chen Xiaobei.

This little girl was only throwing a childish tantrum. In critical moments, she would be absolutely loyal to Chen Xiaobei.

"Why?" Chen Xiaobei asked.

"This pill is poisonous!" Zi Yuan said.

"Poison?" "What's there to be afraid of?" Chen Xiaobei smiled. The cleansing Bodhi will help me detoxify!"

"It's different!"

Zi Yuan said, "as the old saying goes, all medicine is 30% poison!" The 'poison' referred to the side effects of the drug! He wasn't really poisoned! It's just that some elements in the medicine will slowly cause harm to you!"

Obviously, everyone on earth knew what Zi Yuan was saying!

The more powerful the medicine, the greater the side effects, and the greater the damage to the human body!

"If I don't take this pill, I won't be able to use my Blood tribe's special ability, and I won't be able to find the entrance to the spirit condensing immortal abode ..."

what should I do? " Chen Xiaobei frowned. can someone teach me what to do? "

"Master!"

At this moment, the ancient Snake King suddenly said, "Perhaps you can ask the four great demon kings in the infinite soul ring!"

"Ask them what?" Chen Xiaobei asked.

my soul is in the infinite soul ring, " the ancient Snake King said. I heard them chatting. They seemed to have mentioned the elixir that could increase one's lifespan. It seemed to be in some tower in the infinite ...

"No need to ask! It's the limitless nine-layered Pagoda!"

Chen Xiaobei then took out the Black Tower.

[Red Envelope Group of the Three Realms](#)

Chapter 2127: The Second Floor

"Whoosh ..."

Chen Xiaobei held the Black Tower in one hand. After communicating with it spiritually, an extremely beautiful figure appeared from the tower.

That beautiful figure was slightly larger than Zi Yuan's Dharmakaya, but her appearance and body shape were already that of an adult woman.

The contours of her face were exquisite, and she had a classical charm to her.

Her long white hair fluttered in the wind, like a Snow Lotus in full bloom, so beautiful that it was suffocating.

She had a super hot figure, just like a perfect goddess that had walked out of a comic! It was enough to make any man drunk!

"What a beautiful big sister!"

At this moment, even Zi Yuan, this little girl, was shocked by the white-haired woman's stunning appearance. Her eyes were full of little stars, and she was directly stunned.

Chen Xiaobei, on the other hand, was calm. "Little Lin Dong! Long time no see, did you miss your big brother?"

That's right!

The white-haired woman who had appeared in the limitless nine-floor Pagoda was the saintess of the limitless demon nation, a high-level tool demon, Lin Dong!

"Chen Xiaobei! Your skin is still so thick! Only a ghost would miss you!"

you're courting death! the witch of winter said coldly.

Perhaps it was because they were both demons, but the Lin Dong witch had a good impression of Zi Yuan. "Eh? What a cute little sister!"

Zi Yuan, the little traitor, immediately flew over and said with a fawning face, "Sister is right! Chen Xiaobei was a big idiot! The king of braggers! Thick-skinned! Pretending ..."

"Acting! Force! I'm guilty!"

Lin Dong witch smiled proudly and said the three words in unison with Zi Yuan.

Compared to the two Demonesses, Zi Yuan had signed a primordial spirit blood contract with Chen Xiaobei, so he had to be loyal to him.

However, the witch of the winter tribe was different. She had no master-servant relationship with Chen Xiaobei, so she would not hold back when she attacked Chen Xiaobei.

"Alright! The two of you actually dared to join forces to insult me!"

Chen Xiaobei did not get angry. Instead, he laughed evilly and said, "Little Lin Dong, let's hear you call me good brother!"

"Bah! Chen Xiaobei! You're too thick-skinned!"

Zi Yuan put her hands on her hips and said, "my sister Lin Dong is as pure as ice and as pure as Jade. She's noble, dignified, and reserved. How can she call you a good brother?"

"You don't believe me? Let's make a bet?"

Chen Xiaobei raised his brows and laughed evilly, "if Lin Dong really calls me Xiaobei Gege, you have to call me that in the future. Do you dare to bet?"

"Let's bet then! Who's afraid of who!"

I don't believe it! Zi Yuan said confidently. sister Lin Dong is so cold. I don't believe that she would call you brother Xiaobei!

"Little Lin Dong!" Chen Xiaobei grinned and said, "You're the most beautiful, most just, and selfless Holy maiden of the limitless demon race! You should remember our promise!"

"Chen Xiaobei! Are you stupid? what's the use of flattery ... Zi Yuan retorted with a face full of disdain. However, before he could finish his words, he was dumbfounded.

The witch of the winter pursed her lips and blushed, then called out very gently, "Xiaobei Gege ..."

"Big sister Lin Dong ... What's wrong with you?" Zi Yuan's face was filled with shock.

"Call me that again!" Chen Xiaobei smiled evilly.

Xiaobei Gege ... the witch of winter said softly, like a shy little wife.

"Sister Lin Dong! Did you take the wrong medicine? Didn't she say that she wouldn't give Chen Xiaobei any face? Where's the cold and reserved attitude?" Zi Yuan's three views were instantly shattered, and he even began to doubt his life.

"Stupid little Zi! It's your turn!" Chen Xiaobei's evil smile grew wider as he looked at Zi Yuan.

I ... Zi Yuan wanted to cry but no tears came out. He felt that he had been tricked by the witch of winter! This was a terrible trap!

little purple ... Please don't blame me ... the witch of winter said apologetically, " "I wanted to stop you, but you agreed too quickly ..."

Zi Yuan was rather generous and said forthrightly, "it's alright!" I'm the most loyal! I'm willing to go through this with my sister!"

"Then let's call both of them together!" Chen laughed evilly.

Xiaobei Gege ... the Lin Dong witch and Zi Yuan called out to him in a gentle tone at the same time. Their faces were red.

"Be good! So obedient! 'Hehehe ...' Chen Xiaobei was so happy that his mouth was crooked.

One was a beautiful lady, and the other was a cute little girl. Both of them were calling Xiaobei Gege!

That feeling was really not an ordinary kind of pleasure!

"I've remembered it all!"

Chen Xiaobei raised his eyebrows and said, " "In the future, whoever dares to say that I'm stupid will be punished to shout a thousand times! If you dare to say I'm thick-skinned, you'll be punished to scream ten thousand times! If you dare to say that I'm a pretentious d * ck, you'll be punished for life!"

I know ... the two girls had been completely tamed by Chen Xiaobei. They did not dare to complain anymore.

"Enough jokes, you have to hurry!"

Chen Xiaobei calmed himself down and asked seriously, " "Lin Dong, are there any elixirs that can increase one's lifespan in the limitless nine-floor Pagoda?"

"Yes, I am." Lin Dong witch nodded and said, "starting from the second level, there are some on every level!" The effect of increasing one's lifespan will get better and better as the number of floors increases!"

"Good! Help me open the second level immediately!" Chen Xiaobei said impatiently.

how ... How is this possible?!

what? " Lin Dong witch was surprised. the second level can only be opened by the three fire god-refining realm. The last time we met, you were just a group of God-refining cultivators ...

"Stop talking nonsense!" I'm already a four-fire god-refining now! Chen Xiaobei said. if I want to, I can break through to five-fire god-refining at any time!

this ... the witch of winter was stunned. She could not believe her ears.

sister Lin Dong, brother Xiaobei is telling the truth ...

he has really reached the four fires spirit-refining realm, " Zi Yuan said. furthermore, with enough spiritual aura of heaven and earth, he can break through another small realm in minutes!

"My God ... Chen Xiaobei! what kind of monster are you ... the winter Witch frowned. She felt that her logic could not keep up with the speed at which Chen Xiaobei's cultivation was increasing!

The winter Witch could not think of any other way to describe Chen Xiaobei other than using the word 'demon'.

Lin Dong witch suppressed the shock in her heart and said, " I've already removed the restrictions here. As long as your cultivation meets the requirements, you can open the second level on your own!

"Alright!"

Chen Xiaobei held the tower with one hand and used his mind to see what was inside it, just like how he used a spatial storage device.

there are fewer items on the second floor than on the first floor, but they are all of higher grades!

Chen Xiaobei's eyes lit up and he exclaimed, " "Thirty-six two-star earth-god instruments! Thirty-six two-star earth-god level pills! There were also 36 types of two-star earth-god smithing materials! these resources combined can easily destroy the Treasury of a division of heaven dominating faction!"

"Of course!" The witch of winter said confidently."Don't forget! When our limitless demon nation was at its peak, we could rival the four continents!"

"En!" Chen Xiaobei nodded and asked, " "Where are the pills? Which ones can increase lifespan?"

"The nine blood-red ones are!" it's a secret recipe of our limitless demon race, " Lin Dong demon lady said. it can increase one's lifespan with very little side effects!

Oh! Chen Xiaobei was overjoyed. this is exactly what I need!

[Red Envelope Group of the Three Realms](#)

Chapter 2128: Limitless Blood Lifespan

"Little Zi, come and take a look."

Chen Xiaobei took out the nine blood-red pills and sniffed them. He frowned and said, " "Why do I smell blood, but the smell of medicine is very faint ..." He said.

"I don't know alchemy, but I can be sure that the side effects of this blood-colored elixir are at least ten times less than the elixir you just used!" Zi Yuan observed for a moment and said.

"Didn't I already tell you?" the witch of winter said. This is the secret recipe of our limitless demon race! It's normal that you haven't seen it before!"

"This can't be a sacred infant pill, right?" "If that's the case, I'm not eating it!" Chen Xiaobei said.

"Holy Infant pill? What is a Holy Infant pill?" Lin Dong witch and Zi Yuan had never heard of it.

the Holy Infant pill is a type of pill made by the demonic sect in apocalypse Starfield. To make one pill, you need to turn eighteen living children into human beings!

"The demonic sect that you mentioned is made up of humans! It has nothing to do with our limitless demon race!" "We limitless demon race will never use such a method to refine pills!" Lin Dong demon lady said seriously.

"Yes, I believe you!" Chen Xiaobei nodded.

The demonic sect in apocalypse Starfield indeed had nothing to do with the limitless demon race. It was another demon race from the earth-god Realm who was behind this!

our pill is called the 'limitless blood longevity pill', " Lin Dong witch continued. the bloody smell you're smelling is the blood essence of a magical beast called 'limitless'! This kind of magical beast is very powerful and very rare. You can't even catch one in a few decades or even a hundred years!"

that's right! Chen Xiaobei's eyes lit up. if that's the case, then these nine everlasting blood longevity pills should be very precious and have very good effects!

"Of course!" "Eat a 'everlasting blood and longevity pill', and it can increase your lifespan by 100 years!" Lin Dong witch said. If you sell them in the earth-god Realm, they can be sold for 30000 upper spiritual stones each!"

"30000 upper spiritual stones! That's three trillion low-grade!" this is too precious! Chen Xiaobei exclaimed.

Chen Xiaobei only had 290000 superior-grade spiritual stones left. Even if he took them all out, he could only buy nine infinite blood longevity pills!

"But the effects of this pill aren't too good ..."

I remember that one Holy Infant pill can increase one's lifespan by 300 years. If one takes too many of them, it can even make one younger!

"Right! The effects of the sacred infant pill were indeed better! However, don't forget the side effects of the medicine!"

"The way of the heavens," Lin Dong the witch said, "takes away the excess to make up for the insufficient! When you use pills to replenish your lifespan, your most powerful attribute will be greatly damaged!"

"If your physical strength is the strongest, it will reduce the strength of your physical body! With the strongest combat power, one's combat power would be reduced! Having the strongest brain power would reduce one's intelligence! These are the side effects of the pill!"

Chen Xiaobei started to sweat. I have the scholar heart. Will I become mentally retarded if I eat too many of these pills? "

"Eating the Holy Infant pill! But it won't if you eat our 'everlasting blood longevity pill'!"

"Although the effects of our 'everlasting blood and longevity pill' are average, the side effects are the least among its kind. This is also why it's so expensive!" Lin Dong witch said.

think about it yourself. The Holy Infant pill can replenish 300 years of lifespan and also make one's skin return to youth. According to the principle of 'what's more to be consumed to make up for what's not enough', how many side effects will it bring you? "

"The point is, the Holy Infant pill must refine living young boys and girls! This kind of method is against the heavens and will greatly damage your Yin virtue!"

The witch of winter said in a serious tone, " "Only someone whose head has been kicked by a donkey would eat a Holy Infant pill!"

"I wasn't going to eat the Holy Infant pill in the first place!" let's try it! Chen Xiaobei grinned. let's try three infinite blood longevity Pills first!

"I'll remind you first!" The witch of winter said seriously. The side effects of the everlasting blood longevity pill are small, but there are still side effects. You must be mentally prepared!"

"As long as it doesn't reduce my intelligence ..."

I can recover my combat power and health through cultivation, " Chen Xiaobei said. I don't know how to recover my intelligence ...

Hearing this, the witch of winter whispered, " "Don't think too highly of yourself, you're not that smart!"

"Heh, you know nothing about my intelligence!" Chen Xiaobei grinned and said half-jokingly, ""When I'm smart, even I'm afraid of myself!"

... the Lin Dong witch and Zi Yuan rolled their eyes at the same time. The words "pretentious d * ck" were already on the tip of their tongues, but they did not dare to say it.

"COO! Gu ..."

Chen Xiaobei swallowed the three everlasting blood life pills without another word.

The medicinal effect quickly spread through Chen Xiaobei's body, changing his body.

[ding Yingying's cultivation base: four fire god-refining, lifespan: [400 years, physique: 3794800, combat power: 3100000!

After a while, the netherspirit battlescouter reported the latest changes.

"What the f * ck! His lifespan had really increased by 300 years! However, my physical strength has been reduced by thirty thousand points! The side effects are too great!"

Chen Xiaobei furrowed his brows and looked like he was in pain.

"The side effects are already considered small!"

"The pill you took out earlier, the side effects are at least ten times that of the everlasting blood longevity pill!" Zi Yuan said.

how ... How is this possible?!

Oh? " Chen Xiaobei was surprised. so, you're saying that if I eat the pill from The White Tiger branch, I'll lose 100000 points of my physical strength? "

"Losing 100000 is a conservative estimate! The losses might be even greater!" "If you don't believe me, you can try!" Zi Yuan pouted.

I believe you ... Chen Xiaobei gulped. Zi Yuan was an expert among experts when it came to understanding the side effects of the poison. He had to believe it!

It was no wonder that the leaders of the major forces would not use the longevity-extending medicinal pills immediately after obtaining them. Instead, they would hide them in the treasure vault and only take them out to extend their lives when they were about to die!

Only a few people would be able to accept the reduction of such side effects unless they were forced to.

Luckily, Chen Xiaobei's biggest worry was that his intelligence did not decrease!

This was probably because the scholar heart was a special ability of an immortal pill. Therefore, the side effects of medicine below the heaven realm couldn't harm the scholar heart!

"If it's only damaging my physical body, then I don't need to worry!"

"I can make more infinite blood longevity pills to consume in the future!" Chen Xiaobei said excitedly. At most, I'll just spend more time cultivating!"

"Will you die if you don't act tough!" "Without the unique pill formula of our limitless demon clan, how are you going to refine the 'limitless blood longevity pill'?" Lin Dong witch couldn't bear it anymore.

"A unique pill recipe?"

Chen Xiaobei's lips curled into a devilish smile. "The unique pill recipe you mentioned is already in my head!"

[Red Envelope Group of the Three Realms](#)

Chapter 2129: Winter's Heart

"What? The pill recipe is already in your head?"

Lin Dong witch and Zi Yuan were both stunned, and in the next second, they rolled their eyes."How can you say such big words? Do you think we're idiots?"

"You two little vixens! Don't be too full of yourself, or you'll be slapped in the face!" Chen laughed evilly.

Oh my God ... Zi Yuan rubbed his little head and said angrily, "Sister Lin Dong! I've never seen such a boastful person in my life! I can't take it anymore ..."

"Don't even mention you, I've lived for tens of millions of years and I've never seen such a person!"

The witch of winter looked at Chen Xiaobei with disgust, as if she was looking at a lunatic. "When others brag, they don't even draft a draft! Chen Xiaobei did not even use his brain when he was bragging! I'm also convinced ..."

Chen Xiaobei did not feel anything when he heard that. He said, "10000 years old black jade fungus, 50 grams! Thirty-thousand-year-old white Dragon Lingzhi, three Qian! 80,000-year-old Heavenly King ginseng, two Qian ... And finally, three drops of infinite beast's blood essence!"

Zi Yuan rolled his eyes and said in disdain, "Chen Xiaobei? Are you stupid? Why are you talking to yourself?"

how ... How is this possible?! The witch of winter was dumbfounded, and she froze on the spot as if she had been electrocuted.

"Sister Lin Dong?" "What is Chen Zhufeng talking about?" Zi Yuan asked, puzzled. Why are you so surprised?"

he ... He told me the formula for the everlasting blood longevity pill ... Lin Dong demoness swallowed her saliva and said in shock, "The point is, he said it word for word! Even the age and quantity of each medicinal herb, he was completely correct!"

no way ... Zi Yuan was dumbfounded. His mouth turned into an 'O' shape and his eyes widened. He could not believe his ears.

"How is it?" Chen Xiaobei raised his brows and laughed evilly, "You two little demons, how does it feel to be slapped in the face?"

this ... the Lin Dong witch and Zi Yuan were instantly speechless, and their faces were burning.

A few seconds ago, they were still mocking Chen Xiaobei, thinking that he was crazy.

A few seconds later, they were slapped in the face by the truth!

It turned out that Chen Xiaobei was not acting cool! He wasn't bragging! When she turned around and saw the two of them mocking her, she found it simply ridiculous! Too childish!

They even felt that their intelligence was being crushed by Chen Xiaobei. They could not fight back at all!

This face-smacking was simply too ruthless!

"Chen ... Bro Xiaobei, how did you know the recipe for the everlasting blood longevity pill? This is the secret recipe of our limitless demon race!" The witch of winter asked impatiently.

Zi Yuan's eyes also widened, his face full of disbelief, "is Xiaobei Gege a God?"

"This is my little secret!" I'm not telling you! Chen Xiaobei grinned. I'm not telling you two little fairies!

this ... Lin Dong witch and Zi Yuan were stunned. Their curiosity was piqued, but they couldn't satisfy their curiosity. They felt terrible!

The witch of winter had no choice but to lower herself and gently say, "Xiaobei Gege, please tell me. This matter is very important to me ...

"Xiaobei Gege! Please tell us!" Zi Yuan was a curious child, and he felt terrible when he didn't get an answer.

"Beg me! Beg me and I'll tell you!" Chen Xiaobei's lips curled into a smile.

One was a beautiful lady, and the other was a cute loli. Their lips were pursed and their faces were red. It was an eye-catching scene!

At first, Lin Dong demoness and Zi Yuan wanted to refuse, but they could not hold back their curiosity and could only plead softly, " Xiaobei Gege, please, I beg you, please tell us your little secret ...

"Hehe! Since you're so sincere, I'll be merciful and tell you!"

Chen Xiaobei was so happy that he explained, " I've eaten a God of food mysterious pill, and my tongue obtained a God-level special ability! I can distinguish all the ingredients from the smell of the food that enters my mouth. At the same time, I can distinguish the amount of each ingredient from the concentration of the smell!"

"Oh my God! I can't believe there's such a magical ability in this world!" Lin Dong witch and Zi Yuan were instantly shocked beyond words.

"How is it? Don't you admire me?" Chen Xiaobei found it fun to tease these two little demons.

"Bro bei! Your ability is amazing!"

Lin Dong witch said expectantly, " The last three levels of the limitless nine-floor Pagoda contain the three most heaven-defying pills of our limitless demon race! This was because the pill formula had already been lost, and there were only three left! With your special ability, these three pill recipes can reappear in the world!"

"How heaven-defying is that?" Chen Xiaobei asked.

"I'll keep it a secret for now. That way, you'll have more motivation! "Anyway, you just need to focus on your cultivation!" The witch of winter said seriously. Quickly increase your cultivation level. Only then can you open the higher levels of the limitless nine floor Pagoda!"

"You don't have to tell me, I also pay a lot of attention to the improvement of my cultivation!"

it won't be long before I break through to the five-fire god-refining stage! Chen Xiaobei smiled. then, I can open the third floor again! As for the higher dimension, it's not far away. As long as I want to, I can definitely open it!"

"Mm! Go, Xiaobei Gege! I believe you can do it!" The witch of winter encouraged Chen Xiaobei.

"That's not right!"

you're just a little girl! Chen Xiaobei narrowed his eyes and said, " you're always trying to hurt me! You're actually encouraging me today? A weasel paying a New Year's visit to a chicken! You definitely don't have any good intentions!"

I ... the witch of winter was stunned. It was obvious that she had something on her mind.

"Be honest! Otherwise, I won't help you fulfill your wish!" Chen Xiaobei raised his eyebrows and threatened.

"Alright, I'll tell you ..."

The witch of winter hesitated for a moment and said in a low voice, " the limitless nine-floor Pagoda is a seven-star earth-god instrument, and I'm a seven-star earth-god instrument demon. My Demon Soul was severely injured during the battle, and my strength is almost zero ...

Chen Xiaobei was smart enough to figure it out, " "I understand! The heaven-defying pill in the last three levels of the limitless nine-level Pagoda can help you repair your Demon Soul and recover your strength!"

"Yes ..."

of course! Lin Dong witch nodded and said, " the seventh level 'infinite soul amassing pill'. As long as you give me one, my Demon Soul will gradually recover! After that, I'll be able to form my avatar and move around freely like little sister Zi Yuan!"

"I can help you!" but after I succeed, you have to stay by my side and help me! Chen Xiaobei said.

Chen Xiaobei was not stupid. Helping the witch of the winter recover her strength was equivalent to having a seven-star earth-god helper!

Moreover, the eighth and ninth levels of the limitless nine-level Pagoda had not yet been opened!

That was why Chen Xiaobei had to keep the witch of the winter!

little Lin Dong, don't hesitate anymore. Quickly agree to your big brother! hehe! Chen Xiaobei grinned. I'm still in a hurry to find the spirit congealing immortal abode!

Chapter 2130: Entering The Immortal Mansion

"Good! I promise you!"

The witch of Winter thought for a while and said seriously, " "As long as you can help me, I'm willing to stay by your side and help you!"

"Good! Then it's a deal!" Chen Xiaobei was so excited that he quickly reached an agreement.

If it was someone else's promise, Chen Xiaobei would have doubted it! But Chen Xiaobei did not doubt the promise of the witch of winter!

First of all, Lin Dong witch was a person of faith. She would never break her promise. Otherwise, she would not have obediently called Xiaobei 'brother'.

Secondly, the limitless demon race had been wiped out. The winter Witch had nowhere to go. The four demon kings and the Demon Prince Xuanyuan taohai were all with Chen Xiaobei. The winter Witch had no other choice.

More importantly, Chen Xiaobei had given the witch of winter the hope of opening the last three levels of the limitless nine-floor Pagoda! This was something that no one else could do!

Because of this, the witch of the winter was also willing to stay, so her promise was absolutely credible!

"Alright! Next, it's my turn to perform!"

Chen Xiaobei calmed himself down and said confidently, "I'll be able to determine the location of the spirit condensing immortal mansion immediately!"

Lin Dong witch and Zi Yuan were still in shock, so they didn't complain anymore.

On the other hand, the ancient Snake King looked at Chen Xiaobei in disbelief. He could not figure out how Chen Xiaobei was going to find the spirit condensing immortal abode!

"Whoosh!"

Chen Xiaobei slowly closed his eyes and activated the 'soul projection' ability that came with the blood clan's Prince-grade stellar core.

The next moment, Chen Xiaobei's 'soul' had already risen tens of meters into the air. It was like a small ball of fire, flickering and not easily detected.

Then, he activated his special ability and spread out his divine sense. In a very large area, Chen Xiaobei could sense even the slightest movement.

This special ability was similar to the primordial soul realm domain of a primordial soul realm powerhouse. However, the area it covered was much wider!

Back then, Chen Xiaobei had used this technique to scan the entire Epang Palace. The area covered by his divine sense was so large that one could imagine it!

Of course, the more heaven-defying a special ability was, the greater the price to pay!

Using this ability once would cost Chen Xiaobei 300 years of his life!

Chen Xiaobei had just taken three infinite blood longevity pills, which had increased his lifespan by 300 years, but it was reduced in an instant. More importantly, Chen Xiaobei had also consumed 30000 points of physical strength!

This price was really, really great.

Fortunately, there was always a reward for every effort! Chen Xiaobei had an important discovery!

"I found it! The entrance to the spirit condensing immortal mansion is behind that mountain wall!"

Chen Xiaobei suddenly opened his eyes. His divine sense had already found the spirit congealing immortal abode hidden behind the formation.

"Where?" Everyone's eyes looked over, but they found nothing.

Xiaobei Gege ... Zi Yuan's big, watery eyes stared at him for a long time before he frowned and said, "There's nothing special about that stone wall. How do you know that the spirit condensing immortal mansion is behind it?"

"Come with me and you'll know! My 300 years of life wasn't wasted in vain!" Chen Xiaobei raised his eyebrows and walked over.

Zi Yuan and the other two quickly followed.

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei released five streams of ethereal force, which were the five elements of gold, wood, water, fire, and earth!

my God ... Are we seeing things ... Zi Yuan, the ancient Snake King, and Lin Dong witch were all dumbfounded.

One had to know that an ordinary person could only cultivate true essence of one attribute in their entire life!

Only a small number of people possessed dual attribute Zhen Yuan, and they were all super geniuses who were one in a trillion!

But Chen Xiaobei had five different types of ethereal force!

Zi Yuan and the other two instantly had their world view shattered. They simply couldn't believe their eyes!

What they did not know was that Chen Xiaobei had cultivated the Scripture of heaven and earth, which was given to him by the prime of Tongtian. He had the chaotic ethereal force!

Chaos begets all things! Ten thousand Arts with a single thought!

The five types of ethereal force were only a small part of Chen Xiaobei's total!

In fact, as long as Chen Xiaobei wanted to, he could use any type of ethereal force!

Of course, this was Chen Xiaobei's biggest secret. He would never explain it to anyone!

"Whoosh! Whoosh! Whoosh ..."

In the next moment, the quintessential essence of the five elements-metal, wood, water, fire, and earth-did not shatter the stone wall. Instead, they were absorbed by the stone wall!

What was even more amazing was that the five elements "true Qi" actually began to circulate on the stone wall in accordance with the law of co-existence!

Buzz ... Rumble ...

After three full circulations of the five elements vital essence, a crack appeared on the stone wall. The two halves of the stone wall opened like a stone door!

In an instant, the spiritual Qi was ten times denser than outside!

At the same time, a picturesque paradise entered everyone's eyes!

The bamboo was like jade, and the water was like crystal! The small bridge was exquisite, and the pavilion was elegant! It was as if he was not involved in the mortal world and was not stained by the dust of the secular world!

The scenery was so beautiful that it was intoxicating!

"Xiaobei Gege! You're too godly!"

"Not only did you find the door, but you also know how to open it!" Zi Yuan exclaimed excitedly. People who don't know better would think that you and fairy Ling ning are old lovers!"

"Don't talk nonsense, girl!"

what?! Chen Xiaobei frowned. fairy ning Ling was a high-tier earth level deity tens of millions of years ago. If she didn't ascend, she would have passed away!

Oh ... Zi Yuan stuck out her tongue. She knew that she should not be disrespectful to the dead.

"Xiaobei Gege, how did you know how to open the door?" The witch of winter asked curiously.

"This is my little secret!" Chen Xiaobei smiled and walked through the stone door.

Lin Dong demoness, Zi Yuan, and ancient Snake King were all stunned on the spot. They were extremely curious. Unfortunately, if Chen Xiaobei did not explain, the three of them would not understand!

The reason was simple. Chen Xiaobei first used his blood descendant's special ability to locate the spirit congealing immortal abode, then used his golden gaze fiery eyes to look through the stone wall. Naturally, he found the door-opening formation hidden in the stone wall!

If the door was not opened in this way, the magic circle would activate self-protection mode and attack the intruders!

"Rumble ..."

After everyone entered, the stone door automatically closed.

it's so beautiful here ... Zi Yuan was like a little butterfly, flying around happily.

"The spiritual Qi here is too dense!" the spiritual vein underground must be controlled by an array! Lin Dong witch exclaimed. most of the spiritual Qi is gathered here!

yeah ... Chen Xiaobei took a deep breath. if only I could cultivate here. I could save a lot of spirit stones!

"Master, aren't you in a hurry?" "Why don't we split up and look for the treasure?" the ancient Snake King said. If there's any discovery, we'll inform each other!"

"No need!"

this isn't the real Holy abode. There are only three treasures here. I've already memorized their exact location! Chen Xiaobei said.
