Chapter 2131: Three Difficult Obstacles

"Xiaobei Gege! You're too godly! Not only do you know that there are three treasures, you even know their locations!"

Zi Yuan and the Lin Dong witch were both extremely surprised.

The ancient Snake King was even more stunned, his face filled with disbelief.

"My 300 years of life was not wasted!"

Chen Xiaobei raised his eyebrows and said confidently, "Come with me. Let's take these three treasures first. Then, we'll find a way to enter the core of the spirit condensing immortal mansion!"

"Do you mean that we're still in the periphery of the immortal mansion?" The witch of winter asked in surprise.

Chen Xiaobei nodded and said, "There are more good things in the core, but I'm not sure if I can get in."

"Who cares!" "Let's take all the treasures we can get first. We'll talk about the rest later!" Zi Yuan said casually.

"Zi Yuan is right!" alright! Chen Xiaobei nodded. the main force will arrive within a day. We have to hurry!

After that, Chen Xiaobei picked up his pace and took the lead.

.....

After a while, the dangerous scene in the surroundings suddenly stopped, and turned into a strange Rocky Mountain.

"The first treasure is in the center of this mountain!" Chen Xiaobei said.

"Then what are we waiting for? Let's go in quickly!" Zi Yuan urged impatiently.

"Don't rush!"

there's a magical formation in this mountain. I can't be sure what kind of special ability it has! Chen Xiaobei said.

"There's an array?" "It seems like I'll have to go through some difficulties before I can enter the core of the spirit condensing immortal abode!" Lin Dong demoness said with a frown.

"You're right!"

yes! Chen Xiaobei nodded and said, "there are three stages in total before we can get to the real gate of Holy realm dwellers 'mansion! And after passing each level, you'll be able to obtain a treasure!"

let's give it a try. Standing outside like this isn't a solution! The witch of winter said.

"Alright," he said.

Chen Xiaobei nodded and handed the tower to Zi Yuan. "Little purple, you are in charge of protecting Lin Dong! Ancient Snake King, you follow me, we'll walk in front!"

Everyone nodded and walked into the mountain.

This mountainous region was filled with strange rocks and covered a vast area. If one was not careful, they could get lost.

I've been keeping my primordial spirit domain open the entire time, so I can't sense any danger. As long as the direction is right, we can pass through this Mountain region smoothly! Zi Yuan said.

"Whoosh!"

As soon as Zi Yuan finished speaking, a holy white light suddenly descended from the void and directly enveloped Zi Yuan and the Lin Dong witch!"

what's going on?! Chen Xiaobei was shocked.

"Swish!"

In the next moment, a white light suddenly flashed, just like the spiritual light of the teleportation array, directly making Zi Yuan and the witch of Lin Dong disappear from the spot.

"What ... What is going on?" Chen Xiaobei stood there, dumbfounded, and nervous.

"Master, don't worry!"

"I've seen a similar formation before!" The ancient Snake King said. This should be fairy ning Ling's welcoming array!"

"A welcoming array? What do you mean by that?" Chen Xiaobei asked.

The ancient Snake King explained. that's because the cultivation of the two young ladies, Zi Yuan and Lin Dong, is very high. The three obstacles in the outer area can't stop them at all. Therefore, the welcoming array activated by itself and sent them directly into the immortal abode to prevent them from causing any destruction in the outer area ...

"I see ..."

Chen Xiaobei frowned. this is quite a humane setting. We can't stop those who are too powerful anyway. We might as well just go in directly. Otherwise, the three barriers will be destroyed!

it's a pity that our cultivation is too low, " the ancient Snake King said helplessly. we can't catch fairy ning Ling's attention. We have to pass each level!

Chen Xiaobei was not moved at all. He even wanted to laugh. even little Zi can't stop these three obstacles. They can't stop me!

"Why is that?" The ancient Snake King asked in surprise.

Little Zi is a four-star earth-god, and I have three five-star earth-god instruments! Chen Xiaobei raised his brows, looking very confident.

However, just as Chen Xiaobei was about to take out a demonic sword to defend himself, he suddenly shouted, " "Something's wrong! Why can't I communicate with my space ring?"

"Could it be the special ability of the formation?" The ancient Snake King guessed, " the first obstacle might be to seal the intruder's storage treasure. The intruder can only advance with his own strength. He can't use the power of the earth-god instrument!

"What the f * ck! There's such a function?" if I can't use the earth-god instrument, I can only use 3.79 million combat power ... Chen Xiaobei said. the difference is too big ...

In fact, Chen Xiaobei had long realized the importance of his own cultivation. He could not rely on his magical equipment for everything.

The current situation was exactly like this.

With the infinite space ring sealed, Chen Xiaobei could not use any powerful magical treasures. His combat power was also far weaker than that of a one-star earth-god!

This would cause a lot of trouble and might even cause the entire plan to fail.

"Master!" let's get out of the formation, " the ancient Snake King suggested. we can take out our earth-god instruments and come back!

"Silly! What you can think of, can't fairy Ningling think of it?" look behind you! Chen Xiaobei said. if I'm not mistaken, we have no way out!

"Heavens! Master, you're really good at calculating!" The ancient Snake King looked back and immediately screamed.

He saw that the road behind him had been blocked by a green light curtain!

Unless he could split open this light screen, he would not be able to return!

However, this green light curtain was powered by the underground spiritual vein, so its defensive power was definitely very high! It would probably require Zi Yuan's strength to forcefully split it open!

"Let's go! We can only move forward!"

Chen Xiaobei continued to walk forward. fortunately, I still have a few trump cards. I should be able to pass the first level ...

The ancient Snake King looked at Chen Xiaobei with eyes full of admiration. He felt that nothing in this world could stump Chen Xiaobei.

boom boom boom ... Boom boom boom ...

As he walked, the strange rocks around him began to shake, as if an earthquake was about to happen.

"Master ... What's going on?" The ancient Snake King asked nervously.

we are approaching the center of the formation. The treasure I want is there! the formation's special ability has been activated! It's going to protect the treasure at the center! Chen Xiaobei said.

"Will ... Will it be dangerous?" The ancient Snake King said nervously.

"You're such a coward!"

you're the king of the forest! Chen Xiaobei said. you're the king of the forest! Yet, you're as cowardly as a little Loach here!"

I'm not as bold as my master, " the ancient Snake King said embarrassedly. this is the territory of a high-rank earth immortal after all. I don't dare to not be afraid ...

"If you're afraid, then step back!" "The war is about to begin!" Chen Xiaobei said.

"B-war?" The ancient Snake King was completely nervous.

Chapter 2132: Stone Statue

boom boom boom ... Boom boom boom ...

Following the earthquake-like commotion, the strange rocks in the surroundings all started to move.

The originally ordinary stone pillars actually cracked one after another.

Like Transformers, their heads and limbs extended out, turning into dozens of huge, majestic stone statues!

"What ... What is going on?"

The ancient Snake King was dumbfounded. He said nervously, " master, let's retreat ... I feel that these stone statues are very powerful. They're not something we can deal with ...

you're a one-star earth-god Level demon! We didn't even fight and you're already giving up? I'm looking down on you! Chen Xiaobei said.

master, take a look for yourself ... the ancient Snake King said embarrassedly, ""Each of these stone statues is thirty meters tall, so their strength must be astonishing! More importantly, they were created by fairy Ningling, so they definitely have extraordinary combat power!"

"What are you afraid of? This is only the first stage of the spirit condensing immortal mansion's outer region!" no matter how strong fairy ning Ling is, she's only an earth level deity. She won't be that strong in the first stage! Chen Xiaobei said.

[ding Yingying] cultivation: XXXX, lifespan: Xxxx, physical strength: 3500000, combat power: 3500000!

With a sweep of his netherspirit battlescouter, he immediately saw through the cultivation of the stone statues.

The stone statue had no life, so its cultivation and lifespan were non-existent. However, with the continuous supply of spiritual energy from the underground spiritual vein, its physical body and combat strength had reached the level of five flames refining the spirit.

Dozens of stone statues were equivalent to dozens of five-fire spirit-refining powerhouses!

To an ordinary person, this was definitely a super powerful defensive force!

But to Chen Xiaobei, these dozens of stone statues were not even enough to fill the gaps between his teeth!

"Master ..."

The ancient Snake King did not have the netherspirit battlescouter, so he said nervously, " let's retreat. If we leave this area, the stone statue might turn back into a strange stone again!

"Coward!"

Chen Xiaobei did not hesitate and took a step forward. "I've seen clearly! These stone statues are just paper tigers!"

"Swish!"

Chen Xiaobei took a step forward and his combat power exploded. He turned into a shadow and charged at the stone statues.

"Master! "Be careful ..." The ancient Snake King was extremely nervous.

However, in the next second, the ancient Snake King was stunned.

"BOOM!"

Chen Xiaobei's punch was only 3.1 million combat power.

However, after his last cultivation session, Chen Xiaobei's physical strength had greatly improved.

As Chen Xiaobei secretly activated the primordial Witch King combat enhancement training manual, his combat power rose to the maximum limit that his body could withstand!

3.79 million combat power!

This power was enough to suppress all the stone statues!

"Bang!"

Chen Xiaobei's fist landed on the head of the first stone statue with a speed that the stone statues could not compare to.

In an instant, the stone statue's hard head seemed to have been smashed by a hammer. It suddenly broke into pieces, and gravel scattered all over the ground.

"Bang!"

Chen Xiaobei's left foot touched the ground, and his right leg bent. Then, he kned the statue's chest!

The huge statue could not withstand Chen Xiaobei's power and its body crumbled into pieces!

"Heavens! Master! You're so strong!" The ancient Snake King shrieked excitedly, shaking its head from afar like a die-hard fan of Chen Xiaobei.

"It's not because I'm strong!"

it's because these stone statues are too weak! They're only at the five-fire god-refining level! I don't even need to use my trump card to destroy them!

"Bang! Bang!"

As he spoke, Chen Xiaobei kicked with his left leg and destroyed the second statue. Then, he used the momentum to jump in the opposite direction and kicked with his right leg. The third statue could not resist and was destroyed by his kick!

"What? Those stone statues are only at the level of the five flames God-refining?" The ancient Snake King's expression froze for a moment, and he instantly felt that he was simply too ridiculous.

Because he was afraid of fairy Ling ning's strength, he was instinctively afraid of these stone statues.

Only now did he know that these stone statues were actually so weak. The ancient Snake King felt that he was extremely cowardly, and he was extremely stupid!

"Master! I'll help you clear the area!"

The ancient Snake King had lost face, but he wanted to redeem himself, so he volunteered to join the battlefield.

"Swish!"

With a thought, the giant white bone snake Dharma power was formed instantly!

The power of a one-star earth-god exploded like a huge white lightning bolt.

"Boom boom boom ..."

The ancient Snake King swept his tail, and an overwhelming force suddenly swept over. Like a bulldozer, more than half of the stone statues were instantly pushed down!

For a one-star earth-god to crush a five-fire god-refining cultivator was like an adult trampling on a group of ants. It was as easy as breathing!

The stone statues that were struck by the tail instantly exploded into pieces, unable to fight back at all!

"Boom boom boom ..."

The ancient Snake King used another move to clear the area, wiping out all the stone statues!

I didn't expect these stone statues to be so weak. Fairy Ling ning's challenge was just so-so! The ancient Snake King shook his head proudly. At least he had regained some of his face.

Suddenly, Chen Xiaobei exclaimed, " "Be careful! The real battle has just begun!"

"What?" The ancient Snake King was dumbfounded.

"Whoosh! Whoosh! Whoosh ..."

In the next moment, countless broken stones on the ground flew up and gathered together, gradually forming a new stone statue!

This stone statue was over a hundred meters tall, and it was shockingly majestic! The pressure and aura were even stronger than those stone statues combined!

how ... How is this possible?! The ancient Snake King's expression froze, and he was extremely shocked.

[ding Yingying] cultivation: XXXX, lifespan: Xxxx, physical strength: 10000000, combat power: 10000000!

With a sweep of his netherspirit battlescourer, he immediately saw through the strength of the 100-meter-tall statue.

"Ancient Snake King! Quickly Dodge!" no! Chen Xiaobei shouted anxiously.

"No! I won't dodge this time! I don't want master to look down on me!" The ancient Snake King's eyes narrowed. Not only did he not Dodge, he directly leaped up and took the initiative to attack the hundred-meter giant statue.

"Swish!"

At the same time, the fist of the hundred-meter-tall statue, which was as big as a small mountain, suddenly came down and smashed directly at the ancient Snake King.

judging from his speed and strength, he's only a one-star earth-god! I'm not afraid of him! The ancient Snake King's eyes narrowed, but there was no fear in his heart!

In the ancient Snake King's opinion, even if he couldn't win in the same realm, he wouldn't be defeated!

"Boom boom boom ..."

However, in the next moment, the fist of the 100-meter giant actually burst into blazing flames! Within the flames, there was also gold attribute true essence rolling!

Fire and metal were both yang attribute! It had a direct restraining effect on the ancient Snake King's spirit body!

"Not good!"

The ancient Snake King was shocked. However, the fist was already right in front of him, and it was too late to Dodge.

If he was hit by this punch, even if the ancient Snake King's soul didn't scatter, his Yin soul spirit body would be severely injured!

"Ling jiuxiao!"

At this critical moment, Chen Xiaobei used his teleportation ability to force his way into the battlefield!

Chapter 2133: I Have A Sword

"Master! Don't come any closer!"

The ancient Snake King shrieked nervously. I'm going to lose for sure ... This Colossus already has ten million combat power. If you rush over, you'll be courting death ...

In the ancient Snake King's eyes, Chen Xiaobei's infinite space ring had already been sealed. Even if he had a powerful trump card, he could not use it!

Without the help of a powerful trump card, Chen Xiaobei's 3.79 million combat power would not be able to fight the hundred-meter Colossus!

"Swish!"

Chen Xiaobei did not waste any time.

With a sharp whistle, Chen Xiaobei flicked his finger, and a cold blood-red light shot out from his fingertip.

At first, the blood-red light was as thin as a hair, but after leaving Chen Xiaobei's finger, it suddenly expanded and turned into a blood-red long sword.

The body of the sword was like a Supreme-grade blood jade, and there were two red and black dragons coiling around it. It was as if two dragons were fighting for the sword, and it had a majestic aura and a vast might!

As soon as this sword appeared, the world changed colors! The entire space was covered by the blood light! It made one's heart jump!

"My God ... What a terrifying sword force ..."

The ancient Snake King exclaimed in shock, and his Blue Ghost eyes were filled with shock.

On the inside, he was so shocked that his state of mind was shaken and he was on the verge of collapse!

One had to know that the ancient Snake King was a snake, but at this moment, the blood-red long sword was exuding a terrifying pressure like that of a real Dragon!

The ancient Snake King even felt as if there were two giant Dragons that came from the ancient times, and they were crushing down on him with unparalleled ferocity, as if they could turn him into ashes at any moment!

Fortunately, the blood-red blade wasn't pointed at the ancient Snake King. Otherwise, this devil would definitely be scared to the point of peeing its pants!

"Clang!!!"

In the next moment, the blood-red longsword and the giant's fist clashed head-on. The terrifying impact was unimaginably strong!

Just the energy fluctuations from the collision were enough to shake the surrounding mountains and fill the sky with dust!

"Boom ..."

In the next moment, the hundred-meter Colossus 'mountain-like fist was sent flying back!

The huge fist was broken into pieces, and pieces of gravel fell down. If the Colossus had flesh and blood, his hand would be completely useless!

"Chi ..."

However, the blood-red longsword did not gain any advantage either. In the face of the power of the same level, the sword's momentum collapsed instantly, and the sword was sent flying hundreds of meters away!

Fortunately, the ancient Snake King was not injured.

"Oh my God! Master! If you didn't save me, I would have been seriously injured, if not dead ..."

The ancient Snake King hurriedly retreated and said in a shocked tone, " next, let's work together and fight two against one. We should be able to win!

back off! Chen Xiaobei said, " that giant stone statue has five elements ethereal force! You can't hurt it! On the battlefield, you will only cause me more trouble!"

I understand ... the ancient Snake King's expression froze for a moment before he said, " I'll help you retrieve your sword!"

"No need!" Chen Xiaobei shook his head. With just a thought, bloody, which had been sent flying a few hundred meters away, flew back and hovered in front of Chen Xiaobei.

The ancient Snake King exclaimed in shock, " my God! This spiritual sword was too mysterious, right? It's hidden in the master's body and can control the sword with its mind. It's like a part of the master's body!"

Without a doubt, this magical blood-red sword was the chaos Blood Sword that had not been used for a long time.

This was because the chaos Blood Sword was a chaos sword embryo. It had always been hidden in Chen Xiaobei's body and not in the infinite space ring.

That was why Chen Xiaobei was able to use his sword to save the ancient Snake King at the critical moment.

"Boom boom boom ..."

In the ten seconds that Chen Xiaobei and the ancient Snake King were conversing, the broken stones and strange rocks around them flew up again, repairing the fist of the hundred-meter Colossus.

"No way! This giant statue can actually repair its body!"

The ancient Snake King was surprised. this way, as long as the underground spirit vein doesn't dry up and continues to provide it with spirit Qi, its body will be able to recover continuously. We will never be able to defeat it! If the spiritual energy in master's Blood Sword is exhausted, we'll lose for sure ..."

It was obvious that the ancient Snake King's analysis was completely correct.

First of all, the spirit Qi contained in the chaos Blood Sword was the remaining spirit Qi from the last time he used it. He could only make three more strikes.

Secondly, the infinite space ring was sealed, and Chen Xiaobei could not take out his spiritual stones. The statue was recovering, and soon, the chaos Blood sword's spiritual Qi would be depleted.

In the end, the chaos Blood Sword couldn't activate the power of a one-star earth-god, and the ancient Snake King couldn't beat the giant statue with five elements vital essence.

Chen Xiaobei and the ancient Snake King would definitely lose!

"Don't rush!"

However, even in this situation where defeat was certain, Chen Xiaobei was not afraid at all.

"The statue needs time to repair its body!" Chen Xiaobei said. As long as he destroyed its body with one strike and seized the treasure it was protecting, the formation would lose its effect! We'll be able to pass this stage smoothly!"

it's easy to say but hard to do ... After all, your blood-red sword and this giant stone statue are both one-star earth-god level!

The ancient Snake King said worriedly, " just like in the previous exchange. You could only shatter its fist at most, but the blood-red sword was also knocked away ... You don't have the advantage in strength. It's impossible to destroy it with a single strike!

"BOOM! BOOM!"

At the same time, the giant stone statue attacked again. A pair of giant fists smashed down at the same time.

With the help of his fire and metal true essence, his fists were like two meteorites. They came down with extreme speed and power, ready to crush Chen Xiaobei and the ancient Snake King.

"Not good!"

The ancient Snake King was shocked, " master! Let's retreat first! I don't dare to take this loud fist, you can't win by yourself ..."

"Heh, you can leave."

Chen Xiaobei said, " "I don't only have one trump card!"

"What? You still have a trump card?"

The ancient Snake King looked at Chen Xiaobei with a mixture of surprise, admiration, and anticipation.

"Hiss!"

In the next moment, a dragon-like roar reverberated through the entire space.

Boundless blood-red light enveloped the world!

His killing intent was monstrous! The baleful Qi was brutal! The blood Qi was cold! It was as if the nine nether blood prison had descended, causing the entire world to tremble.

"Woof!"

The chaos Blood Sword activated all its power and slashed forward.

The incomparably sharp blood-colored sword Qi was extremely terrifying. It was like a blood demon from another world, tearing apart the space and tearing apart all obstacles!

"Roar! Roar! Roar ..."

The blood-red vital essence burst out and merged with the sword Qi, transforming into nine ferocious blood-red giant Dragons. The violent roars were so loud that it hurt people's ears.

what a terrifying Nine Dragons sword aura ... the ancient Snake King was shocked, but he was still worried. although the sword momentum is strong, its power is not much different from before ... I still can't win ...

"Victory and defeat have already been decided!"

Chen Xiaobei took a step forward and followed the sword's momentum. "I have a sword that can slash the heavens! The ground! People! God!"

Chapter 2134: Black Yellow Jade Talisman

"Heavens! The ground! People! God!"

The ancient Snake King took in a breath of cold air. His body trembled and his state of mind wavered. His deep blue Ghost eyes revealed a deep fear.

These four simple words were like four bolts of lightning, shocking the ancient Snake King to the extreme.

Just a second ago, the ancient Snake King was still worried that Chen Xiaobei would not win.

But at that moment, the ancient Snake King could clearly feel a domineering and overbearing aura erupting from Chen Xiaobei's body!

The intense shock even caused the ancient Snake King to hallucinate.

It was as if Chen Xiaobei was an unparalleled tyrant who could turn the world into a river of blood in his rage! Mountains of corpses!

It was as if the nine blood-red Dragons were Chen Xiaobei's mounts, bringing Chen Xiaobei to roam the Three Realms and look down upon the nine Heavens!

If heaven, earth, man, and God didn't submit, he would be killed with a sword without any suspense!

In an instant, the ancient Snake King's worries were all gone. In its place was an unconditional trust and admiration for Chen Xiaobei!

The truth didn't disappoint the ancient Snake King!

"Billions of stars! Lend me your origin power!"

Chen Xiaobei growled and activated his astral Beast Battle technique!

"Whoosh ..."

In an instant, a mysterious change occurred!

In Chen Xiaobei's dantian, the tiny star Mark suddenly transformed into a brilliant miniature universe!

The billions of stars were all gathered in Chen Xiaobei's dantian!

It was as if the vast universe contained the nine Heavens and the Milky Way!

"Whoosh! Whoosh! Whoosh ..."

At the same time, Chen Xiaobei's ethereal force turned into fine threads of ethereal force that were thinner than a hair!

The billions of stars in the small universe were connected by these true essence gossamers in a regular pattern! He was able to draw the outlines of different beast-type constellations!

"The star of ten thousand beasts! A sovereign descending to the world!"

Chen Xiaobei roared again, and the entire small universe's spiritual light Dharma appeared behind him!

The scene was spectacular and gorgeous, making people feel fascinated!

"Shua shua shua ..."

In the next moment, the beast-type celestial bodies suddenly rushed out from the small universe Dharma power!

In an instant, the giant dragon rolled, the war Tiger flew, the Eagle soared, and the brute elephant charged ...

Over 10,000 ferocious beasts charged forward. Their vast might was like an Army of 10000 horses and horses, causing the earth to shake and the space to tremble!

"Slash! Earth!"

Chen Xiaobei focused his gaze and the two blood-red Dragons slammed into the legs of the giant stone statue!

"Bang! Bang!"

Originally, the chaos Blood Sword had the same power as the giant stone statue, which was one-star earth-god level!

However, at this moment, the two blood-red Dragons had been strengthened by the power of the stars of ten thousand beasts! His strength was directly raised by a level!

With two loud explosions, the legs of the giant stone statue were directly shattered!

"Boom boom boom ..."

The stone statue's Mountain-like body suddenly collapsed. Its knees sank into the ground, as if it was kneeling in front of Chen Xiaobei!

"Slash! Heavens!"

Chen Xiaobei's mind flickered, and two more explosions were heard.

"Bang! Bang!"

The other two blood-red giant Dragons directly blew up the giant stone statue's fists as if they were breaking dead branches!

"Slash! People!"

die! Chen Xiaobei roared, and two more Blood Dragons shot out.

"Boom boom boom ..."

The two blood-red Dragons exploded the giant stone statue's dantian!

Of course, the stone statue didn't have a sea of Qi dantian. It was just that it was directly broken in half by the huge force!

The lower half of his body shattered into countless pieces.

His upper body lost its support and fell to the ground as if he was kowtowing to Chen Xiaobei.

"Slash! God!"

Chen Xiaobei spat out the last two words, and then he took a step forward and charged at the man.

"BOOM! BOOM! BOOM!"

Finally, the three blood-red giant Dragons attacked!

The first blood Dragon exploded the chest of the giant stone statue!

It was the head of the second blood Dragon Red packet stone statue!

The third Blood Dragon charged forward and broke through the broken formation, opening up a path for Chen Xiaobei!

"Swish!"

Chen Xiaobei moved like the wind, and with the fastest speed he could, he went through the battlefield and into the forbidden area guarded by the giant stone statue!

There was a stone altar there!

The altar was engraved with ancient runes that formed a special array!

At the center of the altar, there was an exquisite jade talisman that was shining with a yellow spiritual light!

"Good treasure! It's mine!"

Chen Xiaobei grinned and released a stream of ethereal force, which then wrapped around the Jade talisman!

That's right!

This jade talisman was one of the three Treasures that Chen Xiaobei had locked onto with his blood descendant ability!

At the same time, it was also the key to suppressing the first obstacle!

As soon as the Jade talisman was put away, the Restless gravel around them settled down and would no longer form a stone statue!

"Success! Master! You've succeeded! Oh my God! You're too great!"

From afar, the ancient Snake King was cheering excitedly. He had never thought that Chen Xiaobei would win in such a domineering way.

From the moment Chen Xiaobei drew his sword to the moment he took the Jade talismans, the entire series of actions seemed to have been rehearsed. It was done in one go, like flowing water!

Just by looking at it, the ancient Snake King felt that it was pleasing to the eye, and his blood was boiling.

boom boom boom ... Boom boom boom ...

At this moment, the surrounding gravel rolled and flew back, forming another stone statue warrior that was more than ten meters tall.

"No way! Is there no end to this battle?" The ancient Snake King was in a bad mood and wanted to rush over and crush the stone statue.

"Stop!"

Chen Xiaobei stopped the ancient Snake King and said, " I'm testing the Jade talisman's special ability. Don't cause me any trouble!

"Ah?" The ancient Snake King was taken aback and said in surprise, " "Master, did you create this stone statue?"

"Nonsense!"

"This jade talisman belonged to fairy Ningling!" Chen Xiaobei said. However, fairy Ling ning was dead, and the Jade talisman had no owner! In my hands, it naturally became my magic treasure!"

congratulations to master for obtaining a treasure!

The ancient Snake King heaved a sigh of relief and asked curiously, " "What level is this jade talisman? What special ability do you have?"

"No level ..."

Chen Xiaobei shook his head and sighed. fairy spirit condensation is indeed an ancient mighty figure. She can actually integrate a one-star earth-god level array into this Black Yellow spirit Jade of earth nature!

a magical formation?!

The ancient Snake King was puzzled,"isn't the formation on the altar?" How did it end up in the Jade talisman?"

there's a small-scale Chi-amassing formation on the altar. It's only there to provide the black Yellow jade talisman with spiritual Qi! "The real 'stone formation' is in this yellow jade talisman!"

what? " the ancient Snake King was stunned. in other words, master can use the formation's special ability to form stone statue Warriors by holding this jade talisman? "

"Right!"

yes! Chen Xiaobei nodded. I just injected my ethereal force into the black and yellow jade talisman to create the Stone Warrior statue. It has the same combat power as me, 3.1 million! If I inject a million low-grade spiritual energy, I can form a one-star earth-god statue that is a hundred meters tall!"

what? " the ancient Snake King asked curiously, " do the stone statues you condensed also have five elements vital essence? "

"Five elements?"

"My stone statue has the chaotic ethereal force!" Chen Xiaobei laughed. A single thought could create ten thousand techniques!

[Red Envelope Group of the Three Realms](#)

Chapter 2135: Important Information

"A thought can create ten thousand techniques ... How domineering!"

The ancient Snake King was shocked. If someone else had said that, he would not have believed it. But when Chen Xiaobei said it, he believed it 100%.

Chen Xiaobei had released his five elements ethereal force when he first entered the Holy realm dwellers 'mansion. The ancient Snake King had seen it with his own eyes.

"Master! Let's go! Let's go see what the next level looks like!" The ancient Snake King said impatiently.

Ding!

Chen Xiaobei received a message from Liu xuanxin.

"Xiaobei, where are you?" Liu xuanxin asked. In three hours, our group will arrive at the forest where the spirit condensing immortal abode is located.

Chen Xiaobei: " I'm already in the spirit congealing immortal abode. I'm waiting for you. We'll go together.

Liu xuanxin thought, "liar!" No one knows the exact location of the spirit condensing immortal mansion. How can you go in first?

Chen Xiaobei: " it's fine if you don't believe me. I'll give you a big surprise when you come!

Liu xuanxin, "I'm not going to joke with you anymore!" I'm telling you very seriously, if you're not here, then don't come! If you're already here, then quickly retreat!

Chen Xiaobei:

[Liu xuanxin: I've been following my team for the past few days. I've learned a lot!] The news of the spirit condensing immortal mansion's appearance had already been made public. This time, there were at least eight thousand people, if not ten thousand, who had come to search for the treasure. It was an extremely dangerous place with all kinds of people mixed in!

Chen Xiaobei: " idiot! Who am I? " I'm Emperor chasing wind, the one who dominated apocalypse Starfield! Do you think I'm afraid of those small fish and shrimp?

Liu xuanxin, "I know you're very powerful now, but I haven't gotten to the point yet!"

Chen Xiaobei:

Liu xuanxin: " I just received news that the head of heaven dominating faction, beiming Wuji, has brought a team to the spirit condensation immortal abode! I have a feeling that they are coming for you!

Chen Xiaobei: " yes! This is important information! However, I'm not afraid of him! Because I've already gained the upper hand!

Liu xuanxin, "stop trying to be brave!" Beiming Wuji wasn't an idiot. If he dared to look for you, he would definitely be well prepared and would definitely bring you a huge crisis!

Chen Xiaobei: " calm down! Calm down! I know what I'm doing! I'll be prepared! Moreover, with the goddess of luck around, I don't believe I can't beat him!

[Liu xuanxin: you're still so talkative at a time like this!] If I am the goddess of luck, I will definitely help you defeat beiming Wuji. But you have to know that I am just an ordinary person. I can't bring you luck!

Chen Xiaobei! You can! The information you've given me is of great help! Somehow, it has increased my fate! You have to believe in yourself! You must also believe me! When we were together, I was invincible!

Liu xuanxin thought, 'you ... I can't win in an argument against you ...'

Chen Xiaobei: " alright! You can continue on your journey. Let me know when you get there. I'll come and pick you up!

Liu xuanxin replied, "yes, I know."

The short exchange of information allowed Chen Xiaobei to grasp an extremely important piece of information!

Just like what Liu xuanxin had said, darknorth fearless wasn't stupid. He wouldn't fight a battle he wasn't confident in! Since beiming Wuji dared to come to the spirit condensation immortal abode to stop Chen Xiaobei, he must have made ample preparations!

If he was not mistaken, the clay Bodhisattva had already calculated Chen Xiaobei's location. Other than beiming Wuji, second senior brother would have a plan to help him as well!

If not for Liu xuanxin, Chen Xiaobei might have been kept in the dark and only responded to the crisis in a fluster. That was very dangerous!

But it was different now. With Liu xuanxin's hint, Chen Xiaobei could make preparations!

In terms of schemes, Chen Xiaobei was not targeting anyone, but everyone who came today was trash!

"Master, can we continue?" what's going on? " the ancient Snake King asked when Chen Xiaobei put away his phone.

"No rush! I still have one more thing to do!" Chen Xiaobei's lips curled into a devilish smile.

"Clang"

In the next moment, the chaos Blood Sword suddenly exerted force and stabbed into a huge rock.

The sword body and the hilt were completely hidden in the stone.

"Let's go!" Chen Xiaobei shrugged and left the stone there. He had no intention of taking it with him.

"Master? What are you doing?"

there are still two more obstacles ahead, " the ancient Snake King said in surprise. don't you plan to advance with that blood-red sword? "

"You're so silly!"

the first stage is already a one-star earth-god level. The second stage will definitely be even harder. The chaos Blood Sword won't be of much use. There's no point in bringing it along!

"This ..."

The ancient Snake King was taken aback, and he said awkwardly, 'even if you can't use that blood-red sword, you can't just leave it here! You don't want such a heaven-defying magic weapon?"

"You're really stupid!"

"The chaos Blood Sword is one of my most important treasures. How can I not want it?" Chen Xiaobei said. I left it here because of my scheme and setup! Don't worry, you'll naturally understand my intentions!"

yes, Your Majesty ... the ancient Snake King nodded. He felt that Chen Xiaobei was really mysterious. He could not figure out Chen Xiaobei's intentions no matter how hard he tried.

After that, The Man and the Snake continued to move.

After Chen Xiaobei had collected the yellow jade talisman, the first obstacle was lifted.

The journey was unimpeded, and they left the strange stone Mountain.

The next thing that entered his eyes was a huge and boundless Lake.

The Blue Lake water was boundless!

The riverbank extended infinitely to both sides, and it was impossible to estimate how wide the lake was!

The other side was nowhere to be seen, and it was impossible to estimate the length of the lake!

"Master ... What is the meaning of this trial?"

The ancient Snake King observed carefully while thinking and speculating, "The storage magic treasure is sealed, do I have to let you swim to the other side?"

"Wrong!"

there's also a formation hidden in the middle of the lake! Chen Xiaobei said. once you swim to the middle of the lake, you'll lose your sense of direction and never be able to swim out!

"How do you know that?" the ancient Snake King asked in disbelief.

that's because the second treasure I've locked onto is at the bottom of this Lake. The only way to break the formation is to take the treasure! This is the same logic as the stone statue formation!"

"Then what are we waiting for? We'll go into the water now!" The ancient Snake King said eagerly.

Chen Xiaobei nodded and said, " same old rules. You hide behind me and don't participate in the battle!

"Why is that?" The ancient Snake King asked in surprise.

I've already said that the difficulty of this round has been greatly increased! I'm afraid that the power guarding the treasure under the water is at least a two-star earth-god level! Chen Xiaobei said.

this ... the ancient Snake King sucked in a breath of cold air and said nervously, "If it's really a two-star earth-god level power, master, Won't You Be in danger?"

"You're worrying for nothing!" I've already told you that I have more than one trump card! Chen Xiaobei said.

Chapter 2136: The Blue Jade Skeleton

"Master ... Are you sure you'll be fine if you keep diving? The pressure underwater is getting bigger and bigger. You must be feeling very uncomfortable, right? Do you want to float to the surface to take a breath?"

Under the lake, the ancient Snake King's spirit did not need to breathe. Instead, he was worried about Chen Xiaobei.

"Which eye of yours saw that I was in pain?"

Chen Xiaobei said, "Rather than worrying about me, you should be more vigilant! The closer he got to the bottom of the lake, the closer he was to danger! I'm not asking for your help, I'm just asking you not to add to the trouble!"

how ... How is this possible?!

The ancient Snake King was instantly dumbfounded. "Master! How can you talk underwater? Also, your breathing is completely normal. In other words, you can still breathe underwater? My God ... Are you even human?"

"Rare and strange!"

I have a water repellent bead in my stomach. It's the same when I'm on land and underwater. Everything is normal! Chen Xiaobei said.

this ... the ancient Snake King was extremely shocked. His three views were instantly refreshed.

Even though Chen Xiaobei had said that he had other trump cards, the ancient Snake King did not expect Chen Xiaobei's trump card to be this powerful!

"Stop!"

let's go! Chen Xiaobei ordered as he looked down.

"What's wrong? Have we reached the bottom of the lake?" The ancient Snake King also became vigilant, not daring to be the slightest bit careless.

"Boom boom boom ..."

At this moment! A terrifying water ethereal force suddenly rushed up from the bottom of the lake!

Judging from the true energy fluctuations, this sudden attack had reached 20 million combat power!

That was the power of a two-star earth-god!

"Ling jiuxiao!"

Without hesitation, Chen Xiaobei activated witch Dragon nine transformation and teleported a few meters away.

After all, a two-star earth-God's speed was way faster than Chen Xiaobei's. Other than the penetrate the nine Heavens, no one else would be able to Dodge it!

"Woof!"

The ancient Snake King didn't know how to teleport. With the speed of a one-star earth-god, he could only be crushed!

With a shrill cry, the water ethereal force tore the ancient Snake King's body apart with a destructive force!

His speed and strength were completely suppressed, and the ancient Snake King didn't even have the slightest strength to resist.

Fortunately, the ancient Snake King's body was a spiritual body. Although it was torn apart, the water true Yuan did not contain any pure yang attribute, so it did not hurt the ancient Snake King. The scattered spiritual body quickly gathered back together and returned to its original form!

my God ... What a terrifying attack power ... the ancient Snake King shrieked, still in shock, "Master! Do you really have the confidence to fight?"

"Don't talk nonsense! Quickly retreat!" go! Chen Xiaobei shouted. He was on high alert.

Yes, sir ... the ancient Snake King knew that he could not help Chen Xiaobei even if he stayed. He quickly retreated to the distance so that he would not cause Chen Xiaobei any more trouble.

"Woof!"

The next moment, a huge figure emerged from the bottom of the lake and charged at Chen Xiaobei.

"Oh my ... That's the ancient lake demon ..."

In the distance, the ancient Snake King screamed as if he had seen something extremely terrifying.

After all, the ancient Snake King was the Overlord of the forest outside! If even the ancient Snake King was so afraid, one could only imagine how terrifying that figure was!

"Ling jiuxiao! Ling ..."

Chen Xiaobei did not dare to underestimate his opponent. He used penetrate the nine Heavens and moved up a few dozen meters to the ancient Snake King's side.

Because Chen Xiaobei and the ancient Snake King had left the restricted area, the ancient lake demon did not pursue them. Instead, it stayed where it was.

Chen Xiaobei could finally take a closer look at the monster.

It was a hundred meters tall and extremely powerful!

Its lower body was like that of a Python, and it had a huge tail that was dozens of meters long!

His upper body was like a human's, with muscular arms and a chest as thick as a mountain!

Its head was like that of a lizard, with sharp scales. Its long and narrow fangs were like sabers, shining with a cold light and full of killing intent!

"This is the ancient lake demon?"

Chen Xiaobei's eyes narrowed. This was the first time he had seen such a monster.

"That's right! The ancient lake demons were extremely brutal! His special ability was even more terrifying! Against humans of the same level, he could crush them and win! The main point is that Lake demons like to eat people the most!"

The ancient Snake King shrieked, "once you are defeated, you will be completely devoured by it! Your head will have its skin and flesh peeled off, its brain emptied, and it will be made into a skeleton! In the end, I'll wear it on its necklace and become its toy!"

"Eh? There really is a necklace!" Chen Xiaobei's eyes locked onto the chest of the ancient lake demon!
It was a huge necklace with at least a thousand human skulls on it!

"Master! Let's retreat! If it catches up to us, we won't have a chance anymore!"

The ancient Snake King was so nervous that his entire body was trembling, "Master, even if you have a two-star earth-god level trump card, you are still not its opponent! We have no chance of winning this battle!"

"Don't be nervous!"

"That's not a real ancient lake demon!" Chen Xiaobei said without fear. It was just a Dharma that was condensed from the lake water! Otherwise, it wouldn't have stopped in a daze!"

"What?"

The ancient Snake King's face was filled with surprise. He carefully observed it for a moment and said, "I was too nervous and didn't see it clearly ... It was just a giant water man ..."

just like the giant stone statue, this giant Lake demon was also the work of fairy spirit condensation!

"Look at that Kasaya necklace again!" Chen Xiaobei said. There was a small blue jade Pixiu among them! That's the treasure that's used to suppress the lake!"

"I see it! I saw it!"

that's right! the ancient Snake King was pleasantly surprised. in other words, as long as we take down that blue jade skeleton, this giant Lake demon will completely lose the support of its special ability, and it will turn back into lake water!

"That's right!"

Chen Xiaobei nodded and said confidently, "with the experience from the previous battle, I can make my move directly this time!"

"But ... What are you going to do?"

The ancient Snake King said worriedly, "although that wasn't the real ancient lake demon, the power of a two-star earth-god is real! Master, how are you going to take the blue jade skeleton from it?"

"Just wait and see! I have my ways!" Chen Xiaobei calmed himself down and dived down again.

"Whoosh! Whoosh ..."

When Chen Xiaobei reached his previous position, the giant lake monster was activated again!

This huge creature was the guard that fairy ning Ling used to guard the second obstacle! If someone stepped into the Forbidden Zone, it would fight at all costs!

"Swish!"

Like a dark blue Thunderbolt, the lake demon Dharma power suddenly rushed up at a speed that was difficult to be seen by the naked eye! A pair of sickle-like sharp claws came at Chen Xiaobei!

The power of a two-star earth-god was enough to tear Chen Xiaobei's body into pieces!

master ... the ancient Snake King was so nervous that he couldn't take it.

Chen Xiaobei was not afraid at all. "This level isn't difficult at all!"

Red Envelope Group of the Three Realms

Chapter 2137: One Move Is Enough

no difficulty???"

The ancient Snake King was sweating.

That was a genuine two-star earth-God's strength!

If he had a bit of pure yang attribute, he would be able to turn the ancient Snake King into ashes in one move!

However, Chen Xiaobei did not seem to care about the lake demon at all.

If the lake demon had intelligence and thought, it would have started cursing at Chen Xiaobei!

However, Chen Xiaobei used his actions to prove that this level was not difficult at all!

"Witch Dragon! A strange fire!"

Chen Xiaobei was not afraid of the lake demon's fatal attack. He stood there calmly, not dodging or even defending.

However, Chen Xiaobei's dark eyes suddenly turned purple-gold!

In the next moment, two purple-gold fireballs appeared in Chen Xiaobei's eyes!

Whoosh ... Whoosh ...

It was common knowledge that water could suppress fire. However, the two purple-gold fireballs did not die out. Instead, they burned more and more vigorously. They suddenly expanded in the water and turned into raging flames!

At the same time, the terrifying pressure of the scorching sun burst out!

It was as if the vast ocean would be completely evaporated by these two sun-like purple-gold flames, leaving nothing behind!

"Gululu ... Gululu ..."

In an instant, the surrounding lake water began to boil, and a terrifying heat wave swept through the entire space!

However, not only did the purple-gold flames not weaken, they even transformed into the shape of a fire Dragon!

"BOOM! BOOM!"

Two Dragon-shaped flames burst out from Chen Xiaobei's eyes!

Like a volcano erupting, they turned into two ferocious purple-gold fire dragons and charged at the lake demon Dharma form!

In the blink of an eye, the terrifying two-star earth-god energy construct of the lake demon was torn to pieces by the two fire dragons, leaving no trace behind!

this ... This is pure power!

Seeing this scene, the ancient Snake King trembled and cried out, "Strength is the iron rule that rules over everything! Power is an eternal truth!"

in the face of absolute power, any attribute restraint or moves can all be ignored!

"Although it's common sense for water to subdue fire! However, when the water of a two-star earth-god meets the fire of a three-star earth-god, it has no power to resist at all!"

"Killing people with a saber and a sword, killing people with a palm and a finger, these are all weak! My master can kill a two-star earth-god with just a look!"

"Master! You're definitely not human! You're a god!"

The ancient Snake King shouted from the deepest part of his soul.

The ancient Snake King's heart had completely fallen into Chen Xiaobei's hands!

At this moment, the ancient Snake King had become Chen Xiaobei's follower. He respected Chen Xiaobei as if he was a God!

"Whoosh!"

Chen Xiaobei was not affected at all. He released his ethereal force and took the blue jade skeleton into his hand.

"Let's go! We should go to the next level!" After establishing a spiritual connection with the blue jade skeleton, Chen Xiaobei swam to the other side of the lake.

"Master! wait for me ... the ancient Snake King quickly chased after him and asked curiously, " what special ability does this blue jade skeleton have? "

"Are you stupid?"

this blue jade skeleton is the same as the black Yellow jade talisman! Chen Xiaobei said. spirit gatherer fairy has merged it into the formation! The lake demon Dharma power was formed by the Dharma array in the blue jade skeleton!"

The ancient Snake King nodded and said, "in other words, the yellow jade talisman is a one-star earth-god grade?" The blue jade skeleton was a two-star earth-god? Then, the difficulty of the next level should be three-star earth-god level!"

"It would be great if it was a three-star!" three stars? " Chen Xiaobei frowned. if that's the case, I'll have to use my last trump card!

"Heavens! You actually still have a trump card!" The ancient Snake King was extremely shocked.

The three-star earth-god level witch Dragon Flame had already shocked the ancient Snake King, and he did not expect Chen Xiaobei to have another card up his sleeve!

At that moment, the ancient Snake King felt that Chen Xiaobei was like a bottomless black hole that could never be seen through.

.....

After a while, Chen Xiaobei and the ancient Snake King reached the other side of the lake.

Finally, the real gate of the spirit condensing immortal mansion appeared on the 81 white jade steps on the shore.

However, there was a third obstacle in front of the White jade steps!

It was a Golden Lion Dharma power!

Its body was like a small mountain, and its mane was pure gold. Its huge lion head was like a bright sun, emitting a dazzling golden light!

The extremely powerful gold ethereal force was released, filling the entire space with the glints of blades!

The terrifying pressure made people flinch, as if they would be instantly chopped into pieces by the invisible sword Qi if they dared to intrude!

master ... I ... I don't dare to get close to that side ...

The ancient Snake King's body trembled, and his ghost eyes were filled with intense fear. He didn't even dare to step onto the shore of the lake and kept hiding in the water.

There was no doubt that the Golden Lion had the pure yang attribute that the ancient Snake King was most afraid of! If the ancient Snake King were to casually approach, he would definitely be injured or killed!

"I didn't expect you to be of any help, just wait at the back!" Chen Xiaobei said.

"Then what about you?" The ancient Snake King asked in embarrassment.

"Me?"

"One move is enough!" Chen Xiaobei said with a smile.

"What move?"

The ancient Snake King was instantly dumbfounded, and his three views were refreshed once again. "You mean ... You can defeat this Golden Lion in one move?"

"That's right!" alright! Chen Xiaobei nodded as he walked forward fearlessly. He did not have anything to prepare.

this ... the ancient Snake King was already sweating. He knew that Chen Xiaobei was strong, but he did not expect him to be this strong!

One had to know that the aura of the Golden Lion in front of him was even stronger than the giant stone statue and the lake demon combined. Its combat power must be a level higher as well!

Chen Xiaobei said that one move was enough!

What kind of confidence did he need? How overbearing was that? How powerful was he? Only then would he have the courage to say such bold words!

Suddenly, the ancient Snake King's admiration for Chen Xiaobei increased greatly.

"Roar!"

As Chen Xiaobei stepped into the Forbidden Zone, the Golden Lion was activated. It opened its mouth and let out a deafening roar.

[ding Yingying] cultivation: XXXX, lifespan: xxxxxxxx, physical strength: 3000000, combat power: 30000000!

With a sweep of his netherspirit battlescourer, he was sure that the Golden Lion had the power of a three-star earth-god.

In this case, the witch Dragon heavenly flame alone could only fight the Golden Lion to a draw!

However, the Golden Lion Dharma power was supplied with spiritual Qi by the underground spiritual vein, so its combat strength would not be exhausted!

The witch Dragon Flame was linked to Chen Xiaobei's ethereal force. If his dantian was exhausted, Chen Xiaobei would lose!

The situation was not in Chen Xiaobei's favor.

However, Chen Xiaobei was not afraid at all, as if everything was under his control!

"Dragon! Shaman!"

[Red Envelope Group of the Three Realms](#)

Chapter 2138: Leaving Immortal Mansion

"Roar!"

At the same time, the Golden Lion also launched a fierce attack!

A vast amount of spiritual Qi gushed out from the underground spiritual vein and instantly burned up over 100 million!

With the energy boost, the gold ethereal force of a three-star earth-god suddenly soared, rapidly condensing into a set of golden armor, which was worn on the Golden Lion!

The Golden Lion Dharma form, which was already as huge as a mountain, grew even larger after putting on the armor.

It was awe-inspiring and domineering, like an ancient beast King that all living beings had to submit to!

"Woah! "Whoosh!!!"

The huge armored lion's claws were like two golden war chariots, crashing down on Chen Xiaobei's head with mountain-splitting force!

Anyone below the three-star earth-god level would be turned into a pile of minced meat instantly if they were hit by this armored tank-like claw!

"BOOM! BOOM!"

At the same time, Chen Xiaobei had already made his move. His eyes turned into purple-gold fireballs, and two domineering fire dragons shot out!

"Three-star earth-god versus three-star earth-god!"

In the distance, the ancient Snake King judged the power of the Golden Lion and the witch Dragon heavenly flame from the energy fluctuations. He couldn't help but worry.

"With equal power, the Golden Lion Dharma power has an underground energy vein that can provide unlimited spiritual energy! However, the true essence in master's sea of Qi dantian is limited. If this continues, master will definitely lose!"

The ancient Snake King tensed up. Even though he admired Chen Xiaobei, he could not argue with the truth that was right in front of him! Chen Xiaobei was already at a disadvantage, and it was only a matter of time before he lost!

"Dragon! Shaman!"

But! At this moment! Chen Xiaobei growled again, " heaven-defying!!!

Suddenly, a purple-gold spiritual light burst out from Chen Xiaobei's back!

Sharp dragon scales instantly covered his back, and blade-like Dragon fins grew along his spine!

"Woof! Whoosh!"

The next moment, two purple-gold flames were added to the witch Dragon Fire Dragon!

The two giant Dragons 'bodies expanded rapidly, as if they had wings. Their strength and speed suddenly soared, and their power instantly surpassed the Golden Lion!

Whoosh ... Whoosh ...

Strength was the iron rule! Power was the truth!

The two enhanced witch Dragon Fire dragons crushed the Golden Lion Dharma power as if it was a piece of tofu.

"Oh my God ... What ... What happened?"

The ancient Snake King's Ghost Eye almost exploded in shock. His body and mind trembled as he shrieked, " "How can master's power increase by another level in an instant? He's at least a late-stage three-star earth-god, that's terrifying!"

"Whoosh!"

While the ancient Snake King was still in shock, Chen Xiaobei had already dashed across the battlefield and stepped onto the White jade stairs.

Originally, as long as the underground spirit vein was not exhausted, the Golden Lion Dharma power could be regathered infinitely!

However, when Chen Xiaobei stepped onto the White jade stairs, it meant that he had already passed the third obstacle!

Therefore, the Golden Lion Dharma power could no longer be reunited!

"Master! You're too, too amazing!"

The pure yang attribute in the space disappeared along with the Golden Lion Dharma power, and the ancient Snake King rushed over excitedly.

"Master!"

"How did you do it?" the ancient Snake King asked curiously. How many more trump cards do you have? I feel that your Foundation is terrifyingly strong! There's nothing you can't do in this world!"

"Stop flattering me!"

"I can only use the heaven-defying ability once!" Chen Xiaobei said. My strongest trump card is the witch Dragon heavenly flame! If we continue to move forward, the situation will be completely out of my control!"

It was clear that Chen Xiaobei had used the devour Four Seas once during the battle of beast God mountain, and the energy that he had devoured was stored in the witch dragon's bloodline!

Chen Xiaobei had released all the energy that he had devoured in that attack!

There would be even more dangerous obstacles ahead, but Chen Xiaobei's trump card was only the three-star earth-god level witch Dragon Flame!

Chen Xiaobei would not be able to guarantee his victory in the future!

this ... What should we do ... the ancient Snake King gasped, instantly becoming nervous.

let's talk about this after I find the treasure to condense the Golden Lion first!

Chen Xiaobei activated his golden gaze fiery eyes and scanned his surroundings.

When they were still in the forest Canyon, Chen Xiaobei had already used the blood descendants' special ability to confirm that there were three treasures outside the spirit congealing immortal abode!

The third treasure was a three-star earth-god level treasure. Spirit condensation fairy had deliberately hidden it so that it would not be discovered.

However, Chen Xiaobei had the Golden gaze fiery eyes! How could ordinary people compare to him?

"I found it!"

Chen Xiaobei bent down and punched the third step of the White jade stairs.

"Crack!"

The third step of the White jade stairs suddenly shattered, and golden spiritual light slowly spread out from the cracks.

my God ... Pure Yang Metal attribute ...

The ancient Snake King let out a strange cry and instantly dodged far away.

Chen Xiaobei reached out and took out a Lion Jade seal that was carved out of golden warm Jade!

The bottom of the Jade seal was engraved with the words 'spirit condensation' in ancient characters!

From this, it could be seen that this Golden Lion Jade seal must be an important token of the spirit condensation fairy!

Spirit fairy wanted to hide the Jade seal, but unfortunately, she met Chen Xiaobei!

This Jade seal could not be hidden after all! After the spiritual connection was established, it had become Chen Xiaobei's treasure!

Golden Lion Jade seal, blue jade skeleton, and black Yellow jade talisman!

Chen Xiaobei thought for a moment and said, "If I'm not mistaken, there should be two more treasures of the wood and fire attributes in the immortal mansion!"

"This way, I can gather all five elemental magic treasures! I wonder what kind of magical change will happen when all five treasures are gathered?"

In the beginning, the method to open the door on the canyon wall was to use the five elements and operate the array to open the door.

From this, it could be seen that fairy spirit condensation was a master-level figure who had studied the five elements!

Chen Xiaobei's speculation was very likely to be true!

After gathering all five elements magical treasures, there should be a huge opportunity!

Of course, this was a story for later.

The problem that Chen Xiaobei had to consider now was actually outside of Holy realm dwellers 'mansion.

"It's almost time. Why hasn't Xuan Xin contacted me yet?"

Chen Xiaobei took out his phone and called Liu xuanxin. He then sent her a message, but no one picked up.

"Could something have happened to Xuan Xin?"

wait! Chen Xiaobei was suddenly nervous. there are a lot of people here this time. There are a lot of powerful people here! I have to go and find xuanxin!

He had made a deal with Liu xuanxin to contact Chen Xiaobei as soon as he arrived!

However, Chen Xiaobei could not help but worry when he lost contact with Liu xuanxin!

"Master? What's wrong? aren't we going to continue forward ... the ancient Snake King's face was filled with confusion.

"Whoosh ..."

Before the ancient Snake King could finish his sentence, Chen Xiaobei had already kept his infinite soul ring.

As for Chen Xiaobei himself, he ran out of the Holy realm dwellers 'mansion as fast as he could!

[Red Envelope Group of the Three Realms](#)

Chapter 2139: Special Preparation

After clearing all three obstacles, Chen Xiaobei successfully retreated to the stone door at the outermost edge.

Using the five elements ethereal force to open the door, Chen Xiaobei walked out, and the stone door closed automatically.

The people who came to look for treasure had yet to find this Canyon.

"Since there's no one around, I'll do some preparations in advance!"

Chen Xiaobei took out a set of normal clothes from his infinite space ring and put them on. Then, he took out a brand new human-skinned mask and put it on.

He might run into people from heaven dominating faction, second senior brother, and Qin Wuxin.

Therefore, the Nightstalker outfit could not be worn, and his true appearance could not be revealed.

I'll return to the immortal mansion later, and my space ring will be sealed again. So, I have to prepare my strongest trump card first!

Chen Xiaobei then took out the heaven and earth furnace.

"Hiss ..."

Chen Xiaobei opened the furnace and took a deep breath, absorbing a huge amount of Heaven Earth spiritual aura into his body.

The rainbow-colored spiritual aura was like a hundred rivers flowing into the sea, all of them sinking into Chen Xiaobei's dantian and continuously refining the witch Dragon Flame.

That's right!

The strongest trump card that Chen Xiaobei had prepared was the witch Dragon Flame!

First of all, the witch Dragon Flame did not require any spiritual Qi. Even if the infinite space ring was sealed, Chen Xiaobei could still use it!

Secondly, most of Chen Xiaobei's weapons were already well known to his enemies. Once he used them, his identity would be exposed!

Finally, after the level of the witch Dragon heavenly flame had been raised, the speed of refining high-level items could be greatly increased, saving him a long wait!

For this reason, upgrading the witch Dragon heavenly flame was the best choice at the moment. It was also the most cost-effective choice!

At that moment, the heaven and earth smelt had already refined a large amount of Jiang minkun's resources, four four-star earth-god instruments, and five five-star earth-god instruments!

After consuming the heaven Earth spiritual aura of three four-star earth-god instruments, the witch Dragon heavenly flame had successfully upgraded to four-star earth-god grade!

After that, he used up three more five-star earth-god instruments to upgrade the witch Dragon heavenly flame to five-star earth-god level!

within the heaven and earth smelt, there's still a portion of the heaven and earth spiritual aura left.

Chen Xiaobei calculated and said, " I don't have any trump cards that need to be strengthened at the moment. I might as well use this part of the spiritual aura of heaven and earth to nourish the elixir!

Chen Xiaobei then took out the remaining six everlasting blood and longevity pills and placed them into the heaven and earth furnace.

The witch Dragon heavenly flame in the furnace had been extinguished, leaving only thousands of wisps of heaven and earth spiritual aura!

the rainbow-colored spiritual energy wrapped around the pill and seeped into it.

The first time Chen Xiaobei heard about the spiritual aura of heaven and earth was from Monkey King!

The first time big brother monkey came into contact with the spiritual aura of heaven and earth was in the Grand Supreme elderly Lord's alchemy furnace!

Everything in the world had its own spirituality, and the higher the level, the more spirituality it had!

Taishang Laojun used heavenly materials and earthly treasures to refine elixirs with the help of the spiritual aura of heaven and earth. The elixirs he refined were unrivaled in the Three Realms!

In the past, after brother monkey caused a ruckus at the heavenly Peach Banquet, he was captured by the Grand Supreme elderly Lord and put into the elixir furnace!

The Grand Supreme elderly Lord was prepared to refine brother monkey's entire body into the spiritual aura of heaven and earth to nourish the 49 golden pills of fate!

However, brother monkey was born from a god stone and possessed a God-grade bloodline. In the end, he endured 49 days in the alchemy furnace. Not only was he not refined, but he also absorbed all the spiritual aura in the furnace!

In the end, the strength of Monkey King's body increased dramatically, and he even activated the special ability of the fiery golden eyes!

From this, it could be seen that everything, including living beings, could be refined into the spiritual aura of heaven and earth. At the same time, the spiritual aura of heaven and earth could nourish and strengthen all things!

Chen Xiaobei was hoping that the heaven and earth spiritual aura would strengthen the six everlasting blood longevity pills so that he could live longer!

After all, the blood clan's special ability consumed lifespan, and the sunlight cache also consumed lifespan!

Most importantly, the last three forms of the witch Dragon's nine transformation all required the consumption of one's lifespan!

That was why strengthening the six everlasting blood and longevity pills was very important to Chen Xiaobei!

After this, Chen Xiaobei still had to find a way to make the everlasting blood and longevity pill!

"Other than that, I still have the resources in the second level of the limitless nine level Pagoda!"

"36 two-star earth-god instruments!" Chen Xiaobei said. Thirty-six two-star earth-god level smithing materials! Twenty-seven two-star earth-god level pills! If we continue to melt these things down later, we can still obtain a lot of spiritual aura of heaven and earth!"

He had to warm up the pill and could not infuse the witch Dragon heavenly flame into the heaven and earth smelt.

Therefore, the matter of refining it could only be discussed later.

I'll prepare two more trump cards before I can start the operation!

Chen Xiaobei took out three more high-tier prosperous monkey fur and carefully placed them in his inner pocket.

Then, Chen Xiaobei took out a small medicine bottle and filled it with a few normal heavenly dog biscuits and three high-grade heavenly dog biscuits.

"Everything is ready! Next, I have to quickly find Xuan Xin!"

Without hesitation, Chen Xiaobei took out Jiang minkun's flying sword and said, " no, this flying sword is too eye-catching. I need to modify it!

"Whoosh ..."

Chen Xiaobei reached out his hand, and a strong witch Dragon Flame appeared in his palm.

“噓!噓.....”

The witch Dragon heavenly flame touched the flying sword, and the terrifying heat instantly changed the flying sword!

If it was before, it would take at least two to three days to refine this flying sword!

But now, the witch Dragon heavenly flame had reached the level of a five-star earth-god, and the effect of refining it was obvious!

The originally sharp edges and corners were directly melted, becoming bare.

The sword's blade, which was originally shining with a cold light, had also been burned black.

"It's done!"

In just a few seconds, the originally cool and majestic flying sword had been burned into an ugly and old one!

"Although it's no longer attractive, from now on, no one will be able to tell that it's Jiang minkun's flying sword! This will save me a lot of trouble!"

Chen Xiaobei grinned, stepped on the flying sword and flew into the sky.

.....

In the forest.

At this moment, a large number of people had already gathered here and started to search for the exact location of the spirit condensing immortal abode!

Of course, they didn't have blood clan abilities, so it was quite difficult to find them.

To put it bluntly, they were like a group of headless flies, barging around in the forest. Whether they could find it or not depended entirely on luck.

Of course, no one had stepped into this primeval forest all year round, so there were quite a few spiritual herbs and spiritual objects in the forest!

"Heavens! Xuan Xin had found a red-blooded ginseng! This is a seven-star spiritual medicine!"

With a shout, more than a dozen young men and women gathered.

A woman in a snow-white dress was holding a Vermillion ginseng that had just been unearthed. She didn't say anything.

She was wearing a Platinum mask, so no one could see her expression.

That's right!

This woman was none other than Liu xuanxin!

Chapter 2140: Mutual Concern

"Xuan Xin! You're too lucky! I found a seven-star spiritual herb not long after I entered the forest!"

The surrounding young men and women looked at Liu xuanxin with envy, jealousy, and greed.

For these young people with ordinary family backgrounds, a seven-star spiritual herb was definitely an extremely rare treasure.

However, the people around them seemed to be afraid of Liu xuanxin. No matter how much they coveted the red-blooded ginseng, no one dared to think of anything.

It all started with Liu xuanxin joining the expedition team. The team consisted of more than ten people, and they were the group of young men and women in front of him.

Even though Liu xuanxin was wearing a mask, her elegant aura and beautiful voice still attracted many of the male members' thoughts.

The team leader and a few of his best friends even tried to remove Liu xuanxin's mask. However, when Liu xuanxin revealed her two-star earth-god instrument, they almost peed their pants.

From then on, no one in the expedition team dared to provoke Liu xuanxin.

"Let's continue forward!"

Liu xuanxin's tone was cold. It was obvious that she did not have a good relationship with the others.

There was only one exception, and that was the woman who was about the same age as Liu xuanxin, Wang jinmeng!

Along the way, Wang jinmeng and Liu xuanxin were very close. She told Liu xuanxin many interesting stories and took care of her for some small things.

Hence, Liu xuanxin had a good impression of Wang jinmeng and treated her as a good friend.

If it wasn't for Wang jinmeng, Liu xuanxin would have left the team and acted on her own.

"Xuan Xin, what's wrong?"

Wang jinmeng leaned over and asked with concern, " you've been depressed ever since you sent those mysterious messages? "

"It's nothing. I'm just worried about the danger, so I'm getting serious." Liu xuanxin said.

"Something's wrong! You're definitely hiding something from me!" "Why didn't you answer your phone call just now?" Wang jinmeng asked again.

it's nothing ... Liu xuanxin shook her head.

"It seems that you still don't treat me as a friend!" Wang jinmeng pouted. it's fine if you don't want to tell me. I won't force you!

"Jinmeng! You're mistaken!" it was a friend of mine, " Liu xuanxin said. I've made an appointment with him. We'll contact each other once we're in the forest and we'll move together.

"Your boyfriend?" "Then why didn't you answer his call?" Wang jinmeng asked with a smirk. Aren't you afraid that he'll worry?"

No... Not my boyfriend ... Liu xuanxin said."I didn't pick up the phone because I didn't want him to come! Because if he comes, he'll be in great danger!"

"Look at what you're saying!" "You have a two-star earth-god instrument in your hands. What's there to be afraid of?" Wang jинmeng laughed.

Liu xuanxin sighed. you don't understand ... to the enemy of our friend, a two-star earth-god instrument is not worth mentioning!

how ... How is this possible?! Wang jинmeng was stunned.

For young people like them who did not come from outstanding family backgrounds, a two-star earth-god instrument was already a super-strong existence that could not be offended.

However, in Liu xuanxin's words, a two-star earth-god instrument was worthless.

"Don't ask about this anymore. It won't do you any good if you know too much!" Liu xuanxin said. As long as I don't contact my friend, he shouldn't show up. There won't be any danger then!"

"How do you know that if I don't contact your friend, he won't come?"

At that moment, an ordinary-looking young man with a casual air walked over from the front.

"Who are you?" Liu xuanxin and Wang jинmeng were on high alert at the same time.

Liu xuanxin felt that the man was familiar, but she did not recognize his face, voice, or clothes.

"I'm Feng Zhu."

The young man looked at Liu xuanxin and smiled. "I'm guessing your friend will be more worried! I came to you at all costs!"

this ... Liu xuanxin's expression changed. Her emotions were complicated.

Liu xuanxin did not pick up Chen Xiaobei's calls to protect him, but she was not sure if Chen Xiaobei would come out to look for her.

In that case, Chen Xiaobei would be exposed even more easily.

"Alright! You little brat! How dare you eavesdrop on our conversation!" Wang jинmeng glared at Feng Zhu angrily.

Feng Zhu smiled. what you said is not a secret. What does it matter if I heard it? "

"How is it not related? It's your fault for eavesdropping!" Wang jинmeng rolled up her sleeves and was about to hit him.

"Jинmeng, forget it!"

Liu xuanxin said in a deep voice,"this young master Zhu has no ill intentions. On the contrary, he has given me a warning!" I'll call my friend back now, so he won't be worried!"

Liu xuanxin then took out her phone.

Feng Zhu turned his back, took out his mobile phone, pressed a few buttons, and muted it.

"That's weird ... Why didn't he answer my calls?"

Liu xuanxin held her phone and waited for a long time. She suddenly became nervous. "Could something have happened to him? It's my fault! She should have borrowed his phone just now! If he falls into the enemy's hands in order to find me, I will never forgive myself in this life."

Ding!

Suddenly, Liu xuanxin received a message on her phone.

Chen Xiaobei: " it's not convenient for me to answer the phone right now. I can't come out to meet you either. Be careful. I'll contact you later!"

"Phew ... That's good! thank God he's fine ... Liu xuanxin heaved a sigh of relief when she saw the message.

[Liu xuanxin: you'll be fine as long as you're fine. I'm safe too. Don't worry!]

Liu xuanxin could finally move forward in peace after receiving the message that she was safe!

Upon seeing this, Wang jinmeng laughed. I guessed it right. He's really your boyfriend!

"Don't talk nonsense!" Liu xuanxin said, "

Wang jinmeng's eyes turned slyly and she said with a smirk, " "Xuan Xin, stop pretending! Even through the mask, I know that you're blushing and smiling. Don't even mention how happy you are!"

"No... I'm not ... That person is just my normal friend! Jinmeng, I'm going to ignore you if you keep talking nonsense!" Liu xuanxin sounded embarrassed. She was not good at lying.

"Alright, alright, alright! I won't say anymore!" Wang jinmeng smiled and said, "let's go!" I'll try to find the immortal mansion as soon as possible!"

"Zhu gongzi, why are you following us?" After a few steps, Liu xuanxin stopped and asked.

"I'm also looking for an immortal mansion," Feng Zhu said indifferently, "can I join your team? If we move together, we can look out for each other!"

"You?" Wang jinmeng sized Feng Zhu up with some disdain and said, " "Our team's cultivation base is at least at the two fire god-refining stage. Not just anyone can join us!"

Feng Zhu laughed, "how do you know I haven't reached the second fire god-refining stage?."
