Red Envelope Group of the Three Realms

Chapter 2141: Fatal Spy

"You?"

Wang jinmeng obviously didn't believe him. She said in disdain, " your appearance is ordinary, your clothes are ordinary, and you're not old. You're a normal person, but I can't believe that you're at the second fire god-refining stage!

"You're underestimating me?" "Why don't we have a fight?" Feng Zhu smiled.

"Come on! Who's afraid of who!" Wang jinmeng had been cultivating since she was a child. She was very talented, so she was very confident.

"Don't mess around!"

However, Liu xuanxin said in a deep voice, "right now, the most important thing is to find the spirit condensing immortal abode!" Wasting time here will only give others the upper hand!"

"Yes, you're right." Wang jinmeng was obedient. She glanced at Feng Zhu and said angrily, " "You're lucky, kid!"

"Zhu gongzi! I'm sorry!"

no! Liu xuanxin declined. we've already formed our team a long time ago. I don't think most of our team members will agree to let an outsider join us. So, it's not convenient for us to move together!

"Alright, then I'll leave!" Feng Zhu shrugged, put his hands in his pockets, and walked away leisurely.

The forest became more and more lively after that.

More and more forces were getting involved. Tens of thousands of experts were carefully searching for the traces of the spirit condensing immortal mansion like scraping the ground.

"Xuan Xin! We've been looking for a long time, let's sit down and rest for a while!"

Wang jinmeng found a soft patch of grass and took out a wine pot from her storage bracelet. She said, " "This is the fruit wine brewed by my family. Would you like to have a taste?"

I'm not thirsty ... Liu xuanxin shook her head.

"Don't tell me you dislike me for drinking it?" Wang jinmeng pursed her lips. we're all from the pugilistic world. We don't have to be so particular when we're out. We often eat and live together! You'll get used to it after you've come out to gain more experience!"

"You're mistaken!" you're my friend, " Liu xuanxin quickly explained. why would I look down on you? "

"Then have a taste!" Wang jinmeng smiled. this wine isn't strong. It's sweet and can refresh one's mind. I'm kind enough to recommend it!

then ... Alright ... Liu xuanxin took the wine pot with one hand and removed her mask with the other. She took a sip of the wine and put her mask back on.

"How is it? It's good, right?" Wang jinmeng's eyes blinked slightly, and her eyes turned slyly.

"Hmm, it does taste good!" Liu xuanxin passed the wine pot to him and said, "You should have some too."

"I won't drink it!" Wang jinmeng smiled and raised her voice. "Young master Jin! Brother qiushan! You guys can come out now!"

"What?" Liu xuanxin's heart skipped a beat. She had a bad feeling about this.

"Woof! Buzzzzzz! Yi ..."

In the next moment, dozens of figures rushed out from the surrounding trees.

They were led by two young men in gorgeous clothes, followed by dozens of people who were their followers!

They surrounded Liu xuanxin with smiles on their faces.

"Jinmeng! What's going on?" Liu xuanxin's tone was anxious. She had a bad feeling about this.

"Don't worry, I'll introduce you!"

"You know Fang qiushan. He's the captain of our exploration team!" Wang jinmeng said calmly. At the same time, he is also my fiancé!"

"What? He's your fiancé?" Liu xuanxin's heart sank.

Fang qiushan was the one who had led his men to try and remove Liu xuanxin's mask. In the end, he had been so frightened by Liu xuanxin's two-star earth-god instrument that he had cowered like a dog!

Fang qiushan was the team leader, after all. He would naturally bear a grudge after being embarrassed!

Who would've thought that Wang jinmeng was Fang qiushan's fiancée? she had never revealed her identity. She had been staying by Liu xuanxin's side and befriending her all along. She had been waiting for this moment to exact her revenge!

Sinister! He was simply too sinister!

Liu xuanxin would never have thought that the friend she had trusted the most along the way would turn out to be the most deadly spy!

"This is the young master of golden spear sect's second-level Galaxy branch! Jin zihang, young master Jin!"

Wang jinmeng continued, "young master Jin, you're handsome and suave!" He's the best at being tender to women, and beauties in his hands will be pampered as if they're sitting on the clouds, floating like Immortals!"

Liu xuanxin was not stupid. She shouted, " "Wang jinmeng! Has your conscience been eaten by a dog?! I've been treating you as a good friend all this time, but you're pushing me into the fire pit!"

"What are you saying! What's wrong with young master Jin?" Wang jinmeng laughed evilly. I'll gift you to young master Jin. I'll guarantee you a life of luxury and food. You'll have no worries for the rest of your life. You might even be grateful to me in the future!

"Bah! From now on, I'll cut off all ties with you. Just take it that I was blind before!"

Liu xuanxin was not a good girl who would allow anyone to bully her. She was furious, but she also had a strong aura. I'll give you ten seconds to get out of my sight. Otherwise, don't blame me for starting a massacre!

Back on Earth, Liu xuanxin was a decisive hero!

If Liu xuanxin was forced into a corner, she would not show any mercy when she killed someone!

"Yo! This little girl was quite fierce! I like it!"

"Conquering her is like conquering a wild horse. Just thinking about it gives me a sense of achievement!" Jin zihang said with a smile.

"Young master Jin, don't worry! She's definitely your woman today!" Fang qiushan said with a fawning expression, " "Also, can young master Jin agree to jinmeng and my request?"

"Hehe, it's just a small matter!"

"As long as this little girl is really pretty, you and Wang jinmeng can become official disciples of our golden spear sect and stay in the second level of the starry sea from now on!" Jin zihang said with a proud smile.

"Many thanks, young master Jin! thank you ... Fang qiushan and Wang jinmeng were instantly overjoyed. It was as if they had reached the peak of their lives, and their moods were so good that they felt like they were on cloud nine.

For people like them who came from ordinary families, they would probably be trapped in apocalypse Starfield for the rest of their lives.

Now, with Jin zihang's words, it was equivalent to having a backer. From now on, they could enjoy better resources, a higher status, and a brighter future in the second level of the sea of stars!

"From your tone, you don't plan on disappearing?"

Liu xuanxin's tone turned cold, and a strong killing intent emanated from her. "If that's the case, then you can all go die!"

"What?"

However, at that moment, Liu xuanxin's heart suddenly tightened, and her head felt heavy. She could not use her spiritual energy to communicate with the storage bracelet!

This way, she would not be able to take out her two-star earth-god instrument for self-defense!

that fruit wine ... Was poisoned!? Liu xuanxin was a smart girl. She immediately understood the problem.

"Hehe, since you know, then lie down obediently!" "Young master Jin will definitely dote on you!" Wang jинmeng laughed cheekily.

"Little beauty! Big brother is coming!" Jin zihang's face was full of smiles as he walked over quickly, "Let big brother see your true face!"

"No! don't come any closer ... Don't ... Liu xuanxin was panicking. Apart from her spiritual nature, she could not use her ethereal force!

At that moment, Liu xuanxin was like a fish on an anvil, waiting to be slaughtered!

"Swish!"

Just as Liu xuanxin was feeling the most hopeless, a sharp howl suddenly came from afar!

what's that!?

Everyone's eyes were focused on him!

A black and ugly flying sword came from the sky with the power of a three-star earth-god!

The tip of the sword was pointed at Jin zihang's throat!

A terrifying killing intent swept across the entire area!

Everyone was extremely shocked!

Gold and gold rained down!

[Red Envelope Group of the Three Realms](#)

Chapter 2142: Decisive

"Oh my God ..."

Jin zihang was only in the four fires God-refining realm, so his speed was far from being able to keep up. He could only watch as the sword blade slashed towards him!

"Woof! Pfft ..."

The sword shadow suddenly arrived without any mercy!

With a slash to the throat, Jin zihang's head flew up. Blood gushed out of his bare neck like a fountain.

"Who ... Who did this? He dared to kill the young master of the Golden spear sect! He was simply too Savage! Don't you know how powerful the Golden spear sect is?"

Seeing this scene, dozens of people in the surroundings screamed in shock.

Of course, screaming was screaming, but none of these guys dared to make a move. They didn't even dare to collect Jin zihang's body.

"Who ... Who saved me ..."

Liu xuanxin's head was spinning, but she was very clear-headed, and she knew that the person who had attacked her was her Savior!

Everyone's eyes were looking around, trying to find the person who had drawn the sword!

so many people bullying a little girl. Doesn't your conscience hurt? "

At this moment, an ordinary-looking young man slowly walked over with a frivolous smile on his face.

Feng Zhu!? Liu xuanxin called out his name immediately.

Wang jinmeng furrowed her brows and asked, " "Zhu gongzi! This is none of your business, why are you interfering?"

Feng Zhu smiled cynically and said, " "Heh, I don't have any other hobbies, I just like to meddle in other people's business!"

Wang jinmeng was speechless for a while before she said seriously, " "Did you know that the person you killed was the young master of the Golden spear sect's branch? You've already caused a great disaster!"

"Ha, it's just killing an animal, what's the big deal?"

"If the Golden spear sect was reasonable, they wouldn't have come to me!" Zhu Feng said coldly. If the Golden spear sect is unreasonable, I'll kill as many as they send!"

"Hiss ..."

In an instant, gasps of shock could be heard in the crowd.

Dozens of golden spear sect disciples swallowed their saliva and retreated in fear due to the overbearing aura emitted by Feng Zhu.

Wang jinmeng and Fang qiushan's expressions changed drastically. Never in their wildest dreams would they have thought that Zhu Feng would be so overbearing that he did not even care about the Golden spear sect.

Zhu Feng looked at Wang jinmeng coldly and said indifferently, " "Didn't you despise my low cultivation? Come, I'll give you a chance to kill me!"

"Hiss ..."

Wang jinmeng sucked in a breath of cold air and knelt on the ground with a thud. She begged, " young master Zhu, please spare me ... Please spare me ... You have a three-star earth-god instrument for self-protection. Even if you lend me ten thousand lives, I wouldn't dare to lay a hand on you ...

don't worry, " Feng Zhu said indifferently. I won't use an earth-god instrument. I'll fight you one-on-one with my cultivation!

"Are you telling the truth?" Wang jinmeng's brows furrowed slightly, and she secretly had the intention to kill.

If it was a battle of magical treasures, Wang jinmeng didn't even have an earth-god instrument, so she would definitely lose.

However, if they were to compete in terms of cultivation, Wang jinmeng was very confident that she could win against Zhu Feng.

"Every word I said is true. I can even give you a one move handicap!"

Feng Zhu said indifferently, "of course, you don't have to believe me. Just die in peace under my sword! I can't let go of such a shameless and sinister snake like you!"

"Good! I hope you won't break your promise! Let's fight with our own strength!" Wang jinmeng's eyes narrowed, and her legs suddenly stomped on the ground.

A second ago, she was still kneeling on the ground, begging for mercy. The next second, she was charging out like a cheetah.

"Whoosh ..."

Wang jinmeng had the second fire spirit-refining stage!

His two million combat power burst out without any reservation. His true energy condensed into a pair of daggers and stabbed toward Feng Zhu's throat and heart!

Without a doubt, Wang jinmeng didn't want to die! The only way to survive was to kill Feng Zhu!

The pair of daggers were fast! Accurate! Ruthless! He was going to take his life!

"Clang! Clang!"

In the next moment, the true energy daggers with the boost of 2000000 combat power stabbed Feng Zhu's body!

However, Feng Zhu's clothes were not even damaged!

The double short swords were directly blocked by Feng Zhu's protective Zhen Yuan. No matter how hard wang jinmeng tried, she couldn't pierce through it!

"See, I've already given you one move! Next, it's my turn to make a move!"

Feng Zhu shrugged his shoulders. His right arm was like a dragon emerging from the sea. His fingers turned into claws and directly clutched Wang jinmeng's throat.

"BOOM!"

Wang jinmeng's protective true energy instantly collapsed, and it couldn't even cause any resistance.

From this, it could be seen that Zhu Feng's strength was completely above Wang jinmeng's! It could be completely described as crushing!

you ... Your strength is ... Four fire spirit-refining!!!

Wang jinmeng took a deep breath. Her pupils contracted uncontrollably, and her face was filled with despair.

Before this, Wang jinmeng was full of confidence in her cultivation and disdained Feng Zhu!

At this moment, Wang jinmeng could never have imagined that she would die at Zhu Feng's hands!

"Crack!"

Zhu Feng's eyes narrowed, and he decisively crushed Wang jinmeng's throat and cervical spine. He would not let the Tiger return to the mountain just because the other party was a woman!

For a sinister and vicious woman like Wang jinmeng, if she didn't get rid of her roots, she would be digging a hole for herself!

"Bang!"

Zhu Feng threw Wang jinmeng's body away as if he was throwing away trash. His cold gaze slowly turned to Fang qiushan.

"Young master Zhu, please spare me ... Young master Zhu, please spare me ..."

Fang qiushan's strength was the same as Wang jinmeng's. When he saw Wang jinmeng's tragic death, Fang qiushan's mental state collapsed instantly.

Fang qiushan would not dare to fight Zhu Feng even if he had ten thousand guts. His only choice was to kneel down and kowtow to beg for mercy.

"Swish!"

Zhu Feng did not say another word. He did not even want to bother with Fang qiushan. With a thought, he directed his flying sword to slash at Fang qiushan.

Chi ... Pfft ...

Fang qiushan was beheaded as well!

The head rolled to the ground, its eyes wide open like a bull's, dying with grievances!

"Oh my God ... It's so scary ... Young master Jin and young master Fang are both dead ... Let's run ..."

The remaining dozens of people were all followers. Their cultivation levels were lower and they were less courageous. They were like a group of frightened chicks, fleeing in all directions.

Feng Zhu was too lazy to chase after her. He walked to Liu xuanxin's side and grabbed her hand.

what are you doing ... Liu xuanxin was so nervous that she wanted to retract her hand.

"Don't be nervous, I'll take your pulse and then detoxify you!" Feng Zhu said indifferently.

"You ... You know how to take pulses?" Liu xuanxin's eyes were filled with shock. "Why do I feel like you're like someone?"

"Does he look like your sweetheart?" Feng Zhu laughed.

"Zhu gongzi, please mind your manners!" Liu xuanxin calmed herself down. She did not want to joke around with him.

"I'm sorry. I didn't expect you to care so much about the person you like!" "I promise I won't make such a joke again!" Feng Zhu said seriously.

thank you ... Liu xuanxin did not deny anything. Her tone softened.

.....

"This kid is not bad ... Give him a candidate spot ..."

In a mysterious building in the earth-god Realm, a group of white-haired old men were watching the scene on the big screen.

The young man on the screen was Feng Zhu!

Red Envelope Group of the Three Realms

Chapter 2143: Secretly Monitoring

Earth-god Realm, Tianji city!

In a huge and bright Hall, hundreds of white-haired old men in brocade robes gathered!

The eyes of these elders were all focused on the screen on the front wall of the hall.

There were probably more than a hundred of these screens of all sizes!

The images on the screen covered almost all the forest areas around the spirit condensing immortal abode!

Moreover, the position of the image kept changing. From this, it could be seen that the recording device should have been brought by the disciples of Tianji city, and they were secretly monitoring the overall situation!

Through the images on the screen, the elders observed every young man in the forest and chose the most suitable candidates to enter the heaven's legacy city in the future!

"That kid is called Feng Zhu, right?"

A bald old man with long eyebrows said, "Twenty-one or twenty-two years old, in the four-fire god-refining stage. In terms of talent, even in the earthly calamity Star Ocean, he is one of the best! They could give him a candidate spot!

"Yes, I can only be a candidate ..."

Beside him, a white-haired old man without eyebrows said, "It's a pity that he wasn't born in the earth-god Realm. Otherwise, his cultivation would be much higher than now!

It's pending. Let's see if there are any more outstanding talents in the future! After all, our Tianji city is the top force in the earth-god Realm," the long-browed elder said. Only the top talents are qualified to be my disciples!

.....

Earth-god Realm, ten thousand Buddhas Pagoda!

There was also a large hall. Several hundred old monks were watching the situation of the forest around the spirit condensing immortal abode through a large screen.

"This Feng Zhu is really good!"

A skinny old monk holding an Amber prayer bead said, " "At such a young age, you actually know how to feel the pulse of traditional Chinese medicine. Record the candidate!"

ahem ... a chubby old monk beside him said in a deep voice, " "Young people nowadays are eager for quick success and only pursue strength, not learning other skills! This Feng Zhu's cultivation is not weak, and he also knows Chinese medicine. It's rare!"

"Junior Brother, if there's a hidden meaning in your words, you might as well say it directly!" The skinny old monk was very wise.

"Yes!"

The fat monk said, "although this Zhu Feng is rare, I'm afraid he's not fated to be a Buddhist!" Look at him, he's holding the lady's hand and not letting go ... Amitabha! It's a sin, a sin ..."

cough cough ... the skinny old monk was stunned and said awkwardly, " "I've already said that I'll only record candidates for him! We still need to observe more to see if he can be selected ... Amitabha ..."

.....

Earth-god Realm, gods 'Palace.

In a European-style Castle, a group of all kinds of people were also paying attention to the forest around the spirit condensing immortal abode through a large screen.

Among these people, there were Westerners with blonde hair and blue eyes, Tenshou people in warrior clothes, heaven's wings people who looked like elves, blood clan with pale skin, and even Giants who were five meters tall!

"This guy named Feng Zhu is a talent! Record the candidate!"

A white-haired but muscular old man squinted his eyes and said, " "I'm willing to bet! Both Taoism and Buddhism would record Zhu Feng as a candidate! I wonder who will be the final winner!"

"Do you even need to think about it?"

One of the Tenshou Warriors said, " "We have always been suppressed by the eastern sects! if Feng Zhu lives to the end but doesn't join us, then we must destroy him! We can't let him join the eastern sect!"

.....

The nine nether platform of the earth immortal world!

In a slightly gloomy Palace, the core members of the monster race and the human-beast race were all observing the situation around the spirit condensing immortal mansion.

"This Feng Zhu is not bad! I like it!"

A man with red hair, who was as mighty as a Lion, said in a deep voice, " "Our shadow guards have been secretly monitoring all the explorers along the way. Only this Zhu Feng fell from the sky and completely avoided the eyes and ears of the shadow guards! This kind of anti-tracking ability is very rare even in our beast clan. He is a talent worth cultivating!"

"Record a candidate!"

A man with wings on his back and eagle-like eyes said in a deep voice, this Zhu Feng is good, but I think the other three families have their eyes on him. He might not join us in the end!

"The record is a must!"

At this moment, an extremely pleasant female voice came from the door.

In an instant, gasps of shock could be heard from the crowd. All the leaders of the monster race and beast race looked at him in awe!

"Greetings, sacred Lord Netherseal!"

As the woman entered the palace, all the big shots present cupped their hands and bowed to her!

"Rise,"

The woman slowly walked over, her aura terrifyingly powerful, like a Supreme Empress who controlled all life!

The two words 'rise' came out of her mouth very casually. It was like an imperial edict, Supreme and unquestionable!

Such a powerful pressure and such a sharp domineering aura could only be possessed by those old monsters who had lived for countless years!

However! Who dared to think about it! She was actually a young girl!

She looked like she was 18 or 19 years old, her face was exquisite and her skin was as white as Jade!

His dark eyes were as lively as spring water and as crystal clear as diamonds. It was as if he could make everything in the world lose its color with just one look!

She was tall and slender, with graceful curves. She wasn't particularly voluptuous, but at her age, she still had a lot of room for growth!

In the near future, she would definitely become a peerless beauty with a myriad of charms!

Of course, although this woman's beauty was extremely stunning, no one present dared to look at her for long!

Sacred Lord Netherseal!

This title was no joke!

Once the seal of Hades was out, even the earth-god Realm would have rivers of blood and mountains of corpses!

greetings, Holy master ... As per your instructions, Zhu Feng has been recorded as a must-choose disciple! The red-haired man had been as mighty as a Lion a second ago, but now he was as gentle as a kitten.

"Yes." yes! the woman nodded and ordered, " send more people to keep an eye on him. I want to know everything about Feng Zhu!

"Yes, sir!" " yes! the red-haired man hurriedly retreated and began to make arrangements.

The woman stopped talking and stared at the screen where Feng Zhu was with her bright eyes.

.....

"Here, eat this. Your poison will be cured in a few minutes."

Feng Zhu took out some herbs and passed them to Liu xuanxin.

"Alright ..."

Liu xuanxin nodded and chose to believe Feng Zhu.

Of course, there was nothing to doubt.

After all, Liu xuanxin could not fight back anymore. Feng Zhu could do whatever he wanted. There was no need for him to play any tricks.

"Yes, I feel much better!"

Liu xuanxin exclaimed, " "The dizziness in my head has disappeared, and I'm very clear-headed! Furthermore, my spirit and true Yuan are also recovering ... Your medical skills are truly brilliant!"

"Of course!"

Feng Zhu laughed. don't say that I'm pretentious. In terms of medical skills, if I claim to be second in the heaven realm, no one can claim to be first!

"I don't agree with that!" "My friend's medical skills are definitely better than yours!" Liu xuanxin said in a deep voice.

[Red Envelope Group of the Three Realms](#)

Chapter 2144: Expressing His Feelings

"Your friend?"

Feng Zhu laughed. I just helped you detoxify. I didn't even say thank you. And you're already making fun of me!

"Thank you for helping me!" "But, in my heart, my friend's medical skills are the best!" Liu xuanxin said stubbornly.

"Don't tell me it's that person you like?" Feng Zhu asked, "what's his name?" If there's a chance, I'll spar with him!"

his name is ... Liu xuanxin was stunned. "I can't say his name! If this gets out, we'll all be in danger!"

"Yo, you're quite mysterious!" "It seems like you two are quite close, right?" Feng Zhu raised his eyebrows.

"Zhu gongzi, you are my Savior, I will not hide it from you!"

Liu xuanxin made her intentions clear. "I've only had one person in my heart from the beginning to the end, so my feelings for her are naturally very good! So, Zhu gongzi better not have any improper thoughts about me, we can only be ordinary friends!"

"I don't have any improper thoughts about you!" Feng Zhu said innocently.

"Then why don't you let go of my hand?" Liu xuanxin's tone was cold. She was not happy.

"Isn't ... Isn't this pulse reading? I have to make sure that the remaining poison in your body has been cleared!"

"It seems that you really care about your sweetheart!" Feng Zhu said with an embarrassed look. He's not even at the scene, yet you're still trying to avoid suspicion. Other men can't even touch a finger of yours?"

"Of course not!" I'm fine! Liu xuanxin urged. my spirit and ethereal force have recovered. You can let go now!

"Alright, I'll let go! Let's just be ordinary friends. Don't be so cold to me, okay?" Feng Zhu let go of Liu xuanxin's hand and took a step away from her.

Liu xuanxin's guard was lowered, and her tone softened. "You're my benefactor, so I'll naturally be more polite to you."

"Your sweetheart is so lucky! It's really enviable to have such a close female friend like you who is devoted to him!"

Feng Zhu raised his eyebrows and said, "if I'm not wrong, you should be very beautiful!" She's wearing a mask to avoid being entangled by other men, to hide her beautiful face, and to keep her chastity!"

I ... I'm not as noble as you make me out to be ... Liu xuanxin said shyly, " "Wearing a mask will save me a lot of trouble!"

"Stop explaining! You're not good at lying!" "I really envy your sweetheart!" Feng Zhu smiled and sighed.

Liu xuanxin urged, " let's go quickly. You killed Jin zihang. The Golden spear sect won't let this matter rest. They'll come for you sooner or later!

"Good! Let's go!" Feng Zhu nodded.

.....

After that, the two of them headed deeper into the forest.

At the same time, a large number of treasure hunters were conducting a carpet search of the forest.

As time passed, the search area gradually shrank and finally locked onto the canyon full of spiritual Qi.

Tens of thousands of treasure hunters gathered in the canyon and began their final careful search.

"Heavens! I've found a seven-star spiritual herb, the heaven herb! He was too lucky! I can go back and Exchange it for a large sum of spirit stones, and hire the best Chinese medicine doctor to treat my mother!"

In a corner of the valley, a young man cheered excitedly. He held a spiritual herb in his hands and his face was full of a bright smile.

From his clothes, it could be seen that he was just an ordinary treasure hunter without any family background!

To him, a seven-star spiritual herb was a huge fortune that he could not earn in a few years or even a dozen years!

"Hand it over!"

However, at this moment, a cold and arrogant voice came from nearby.

"What?"

The young man was stunned and looked over with a puzzled expression.

a group of heaven dominating faction disciples in their uniform surrounded him.

One of them, a fat man with a big head and big ears, bared his teeth and shouted angrily, " "Our young master beiming wants you to bring the heaven's herb!"

"Dar ... Darknorth? You're the young master of apocalypse Starfield's heaven dominating faction, beiming aotian?" The young man gasped and looked nervously at the arrogant man beside the fatty.

"Ha, since you know who I am, then what are you still standing there for?" "Give me the heaven's herb and you can get lost," beiming aotian said indifferently.

"I found this heaven's herb ... Why should I give it to you?" The young man's brows were tightly furrowed, and he felt very wronged.

"Why?" "The law of the jungle applies everywhere!" Beiming aotian's face turned cold. Because I'm stronger than you, so you can't refuse! Otherwise, I can't guarantee that I won't beat you to death!"

"This ..."

The young man took in a breath of cold air, and a deep sense of fear appeared on his face. He said in a sad voice, " young master beiming, please show mercy ... My mother is seriously ill and bedridden. I'm still hoping to use this heaven's herb to exchange for spirit stones to cure my mother ...

"Pa!"

Beiming aotian raised his hand and slapped the young man across the face. The young man fell to the ground and said in disdain,"You can't blame me for not being able to cure your mother! You can only blame yourself for being incompetent! This was the world of the strong! The weak could only surrender! Being weak is your fault!"

ugh ... the young man fell to the ground in pain. His face was swollen and blood was flowing from the corner of his mouth. He looked aggrieved, but he did not dare to talk back.

"Hand it over! This is my last order to you!" Beiming aotian's eyes were cold, and he suddenly released a sharp killing intent.

I ... the young man's heart was in great pain.

He had thought that he could treat his mother's illness as a filial son, but at this moment, in order to save his life, he had to hand over the precious heaven herb and give up the opportunity to treat his mother.

"You're going too far!" Feng Zhu happened to see this scene from a distance and was about to walk over.

"Zhu gongzi! Don't go there!"

Liu xuanxin quickly said, "beiming aotian is the son of the leader of heaven dominating faction, beiming Wuji!" Not only that, he was the number one expert on the minor heavenly fate ranking! You better not provoke him, or you'll be in deep trouble!"

"Didn't I tell you before? I don't have any other hobbies, I just like to meddle in other people's business!" Feng Zhu raised his eyebrows and showed no fear.

"Don't! I really can't meddle in this!"

"no! Liu xuanxin said nervously, "the heaven dominating sect is very powerful. It's even stronger than the Golden spear sect. Don't joke around with your life!"

"If your sweetheart was here, would he care about this?" Feng Zhu asked with a faint smile.

"Him?" Liu xuanxin's expression changed. "with his temper, he will definitely teach those heaven dominating sect people a lesson!"

it seems that I'm the same kind of person as your sweetheart! "he's not here," Feng Zhu said with a smile, "I'll teach heaven dominating faction a lesson for him!"

this ... Liu xuanxin was stunned. She seemed to see Chen Xiaobei's figure in Zhu Feng.

When Liu xuanxin came back to her senses, Feng Zhu had already walked over.

[Red Envelope Group of the Three Realms](#)

Chapter 2145: Breaking The Door By Force

"Young lord darknorth! You must be young master beiming?"

Feng Zhu quickly ran over and said with a big smile, "I've found the entrance to the spirit condensing immortal mansion. Please come with me to take a look!"

"What?"

Everyone, including beiming aotian, was shocked.

"Who are you? How did you find the entrance to the immortal estate?" Beiming aotian said in a deep voice.

my name is Feng Zhu. I have no family background.

I just found something unusual on a wall in the valley, " said Zhu Feng. if I'm not wrong, the spirit condensing immortal mansion is hidden behind it!

"Really?"

Beiming aotian squinted his eyes and questioned, " why don't you tell anyone else about this? why do you have to tell me? "

"To be honest! I'm a die-hard fan of young master beiming!"

Feng Zhu's acting skills were superb, and he said with admiration, " "I Have a Dream, and that is to join the heaven dominating faction and become the follower of the number one expert on the minor heavenly fate ranking, young master beiming aotian! My admiration for you is like the surging river water, endless!"

"Oh? You actually admire me so much? You have good eyes!" Beiming aotian grinned, raised his chin, and laughed proudly.

"Of course!" "Young master beiming, take your men and follow me!" Said Zhu Feng. Let's enter the immortal estate first, and we'll be able to find the treasure first!"

"Good! Let's go! I don't think you would dare to lie to me!" Beiming aotian said expectantly.

"Even if I had ten guts, I wouldn't dare to lie to you!" Feng Zhu smiled indifferently, his black eyes flashing with a cunning light.

"Very good!" " you're right! beiming aotian said excitedly, " if we really find the entrance to the immortal estate, I'll definitely make your dream come true! Not only will I let you join heaven dominating faction, but I'll also let you follow me! I'm sure you'll have a good time in apocalypse Starfield!"

"Many thanks, young master! Let's go!" Feng Zhu led the way.

"Young master! I haven't even taken the heaven's herb!" " stop! the fat heaven dominating sect disciple from before quickly warned.

"Yeah! I almost forgot about this!" Beiming aotian glared at the young man and shouted,"Do you want the heaven's herb or your life?"

"Young master! At a time like this, you're still thinking about a stupid spiritual herb?" "There are plenty of earth-god elixirs in the spirit condensation immortal abode!" Zhu Feng said provocatively. First come, first served! If we're late, they'll all be snatched up by others! Don't lose the watermelon after picking up the Sesame!"

"Forget it! Let's go! If we can find the entrance to the immortal estate as soon as possible, father will definitely be very happy!" Beiming aotian was also afraid of losing the big picture because of the small, and he was eager to make a contribution. He waved his hand and led his people to follow Feng Zhu.

this ... the young man was dumbfounded. He felt like he was dreaming. "The heaven's herb is saved, I can treat my mother now ... This is great ..."

"You should thank that young master Zhu for all of this!" At this moment, Liu xuanxin walked over and said, " "Don't just stand there, hurry up and go back!"

"Right! That young master Zhu is my great benefactor!" thank you! the young man's face was filled with gratitude. I will never forget his kindness!

Before she could finish her sentence, Liu xuanxin had already walked away. She followed Feng Zhu and the rest secretly.

.....

At a corner of the canyon.

"Young master! The entrance to the spirit condensing immortal mansion should be behind this mountain wall!" Feng Zhu pointed at a plain wall and said.

"What right do you have to say that? Do you have any evidence?" Everyone's eyes looked over, but they didn't find anything.

Beiming aotian squinted his eyes and observed for a while, then frowned and said, " "Feng Zhu! There's nothing special about this stone wall. You're not playing with me, are you?"

"Who dares to play with my son?"

at this moment, beiming Wuji brought over 30 heaven dominating faction core elders and walked over.

In addition, many people from other forces had also gathered.

After all, the canyon was only a small area. With thousands of people searching together, even the slightest movement would immediately attract everyone's attention.

"Father!"

Beiming aotian quickly went over and explained, " that guy named Zhu Feng told me that the entrance to immortal mansion is behind this stone wall, but I can't see anything unusual. I suspect he's playing with me!

"Oh?"

Beiming Wuji's eyes narrowed and he said, "I, beiming Wuji, only have one son! Whoever dares to play with you is playing with me!"

As soon as he said that, the thousands of people around were all secretly shocked and pointed at Feng Zhu behind his back.

"That kid is so stupid! He even dared to provoke the beiming family, he was simply courting death! You're courting death!"

"Beiming Wuji only has one son, and he's been pampering him since he was young! That Feng Zhu kid has finally touched the bottom of a Tiger!"

"You're the one who brought this upon yourself! He's asking for it, so who can he blame?"

.....

In the crowd, Liu xuanxin was worried. "This Zhu gongzi is too reckless! I told him not to meddle in this! Now that beiming Wuji is here, I can't save him even if I wanted to ..."

"Sect leader! Young master! Don't misunderstand! How would I dare to trick you?"

Just when everyone thought that Feng Zhu was going to die, he said indifferently, " "Look carefully! The soil at the bottom of this stone wall seems to have loosened!"

"Furthermore, there are a few footprints in front of the stone wall! The tip of the feet is pointing outwards, which means that someone has come out from behind the stone wall!"

As soon as he said that, thousands of eyes looked over.

"That's right! The soil loosened! Many of the grass had also been crushed! This stone wall has definitely moved before!"

"The footprints aren't very clear, but I can still tell that the tips of the feet are indeed pointing outward!"

"I can't be wrong! This must be the entrance to the immortal estate!"

The surrounding tens of thousands of people were all stirred up. Their eyes were filled with anticipation, curiosity, and greed! Although their eyes were different, their purpose was the same-they all couldn't wait to enter the immortal mansion!

"That's strange ..."

In the crowd, Liu xuanxin was shocked. "Young master Zhu has always been with me, how would you know that there is a secret behind this stone wall? Could it be that ... He had been here long ago?"

"Quiet! Everyone, quiet down!"

Beiming Wuji said loudly, "the entrance to the immortal mansion was found by my son aotian!" Heaven dominating faction should be the first to enter the immortal mansion. No one has any objections, right?"

Everyone's expression changed when they heard this.

Entering the manor first meant finding the treasure first, and entering later might not get any benefits!

Without a doubt, everyone wanted to be the first to enter, but at this moment, no one dared to oppose beiming Wuji!

After all, heaven dominating faction was extremely powerful. The outer area of the earth-god Realm, the earthly calamity Star Ocean, and the Apocalypse star field were all within their sphere of influence!

although there were 10000 people, not a single one of them dared to offend heaven dominating faction!

"Since no one has any objections! Then I'll personally break it down!" Beiming aotian walked towards the stone wall with a smug look on his face.

"Young master! Be careful! There might be some danger in this stone wall!" Feng Zhu quickly reminded him.

"Heh, with my father here, there's nothing to be afraid of!" Beiming aotian was very confident. He waved his hand and slammed it against the stone wall.

Red Envelope Group of the Three Realms

Chapter 2146: Tricked To Death

"Bang!"

Beiming aotian was the number one young expert on the minor heavenly fate ranking. His cultivation had already reached the five flames spirit refining realm.

He struck out with his palm, and his combat power of 3.5 million was unleashed. He could even smash a small mountain into pieces, let alone a stone door!

However!

Under everyone's expectant gaze, an extremely terrifying scene suddenly erupted!

"BOOM!"

There was a loud explosion, but the stone wall showed no signs of cracking. Instead, a five-colored spiritual light shot toward beiming aotian!

The spiritual light contained the five elements of metal, wood, water, fire, and earth!

Every element of vital essence contained the power of a one-star earth-god, and in terms of speed and strength, they were absolutely superior to beiming aotian!

"Bang! Bang! Bang! Bang! Bang! Bang! Bang! Bang!"

Five explosions were heard as beiming aotian's head, throat, chest, sea of Qi, and dantian were all blown up!

He was the young master of apocalypse Starfield's heaven dominating faction! The young man who was ranked first on the minor heavenly fate ranking! In an instant, he was blasted into a pile of rotten meat and died without an intact corpse!

"What ... What is going on ..."

The tens of thousands of people present were all dumbfounded by the scene before them.

"Son! My son!"

Beiming Wuji suddenly roared. His eyes were so wide that they looked like they were going to pop out. Veins were popping out on his forehead and his entire body was trembling.

One must know that beiming Wuji only had one son!

After more than 20 years of hard work, love, and nurturing, beiming aotian had finally become the number one genius in apocalypse Starfield!

Just a second ago, beiming Wuji was still very excited and looking forward to entering the immortal estate to search for treasures.

But in the blink of an eye, beiming aotian had turned from a living person to a pile of rotten meat!

The great beiming Wuji had actually fallen to the tragic end of a white-haired man sending off a black-haired man.

To beiming Wuji, this was a huge blow that almost drove him into a state of madness.

"Feng Zhu!! 'm sorry. I'm going to kill you!"

Beiming Wuji's anger was like a volcano that was about to erupt, and Feng Zhu naturally became the target of his anger!

"Where are they? Where's that kid?"

everyone from heaven dominating faction became nervous and looked around with wide eyes, but they could no longer find any trace of Feng Zhu.

everyone, listen up!!!

Beiming Wuji roared, "bring that Zhu Feng back!!!" I will reward the person who captures Feng Zhu alive with a three-star earth-god instrument!"

"Oh my God ... Beiming Wuji is too generous ..."

"Nonsense! His son was dead! If we let our enemy get away, beiming Wuji will be so angry that he'll die!"

"Hurry! Everyone split up and look! That brat was still at the scene just now, and he sneaked away when beiming aotian forced the door open. He can't have run far!"

.....

As the saying goes, there must be brave men with great rewards!

Under the condition that beiming Wuji offered a reward of a three-star earth-god instrument, everyone at the scene temporarily put aside the spirit condensing immortal mansion and began to search for traces of Zhu Feng!

In addition, the four forces in the earth-god Realm were also looking for Zhu Feng!

Tianji city.

"Where is Feng Zhu? Wasn't he on the screen just now?" The bald, long-browed old man furrowed his brows, but he didn't seem to be confused.

Beside him, the white-haired old man said in a deep voice, "Just now, everyone's attention was focused on the stone wall, including the disciples who were secretly watching us! That Feng Zhu took this opportunity to slip away!"

"This kid! He's too cunning!" "Send some people to look for him!" The bald old man with long eyebrows said. We must find him!"

"It's just a candidate, there's no need to mobilize so many people!" The elder said.

"No! We must find this Feng Zhu!"

"I suspect that he's already entered the spirit condensing immortal mansion to lure beiming aotian here on purpose, and then he was killed by the restrictive spell on the stone door of the immortal mansion!" The long-browed old man said.

this ... the eyebrow-less elder nodded and said, "Understood, I'll make the arrangements now!"

.....

Ten thousand Buddhas Pagoda.

The skinny old monk was shocked and quickly ordered, "Quickly send someone to find Feng Zhu! I can't let him escape! He must have entered the spirit condensation immortal abode!"

The fat monk nodded and immediately went to make the arrangements.

.....

The temple of the gods.

The eyes of the white-haired and muscular elder flickered with lightning as he said viciously, "send someone to find Feng Zhu. If he doesn't submit, kill him!"

"In my opinion, there's no need to subdue him! Just kill him and end all troubles!" The Tenshou warrior's killing intent was released, and he said greedily, "He entered the spirit condensing immortal mansion and came out alive, so he must have gained a lot. Kill him and the treasures will belong to us!"

"Listen to me! We'll first rope him in!"

The electric-eyed elder said seriously, "this kid was able to fool beiming aotian and beiming Wuji and even escape unscathed!" He was definitely a talent for great things! If we can subdue him, it will be of great benefit to us!"

I understand ... the Tenshou warrior nodded, but the greed in his eyes did not diminish.

.....

Nine nether platform.

"A bunch of trash!"

The red-haired man flew into a rage out of humiliation and cursed, " "I've already sent five shadow guards to keep an eye on them, but Feng Zhu slipped away! Isn't this a slap to my face!"

"You can't blame the shadow guards! That kid is too cunning!"

The beautiful sacred Lord Netherseal squinted her eyes and said in a deep voice, " "No one expected him to slip away with his acting skills! The timing he chose was so that no one's attention was on him! This retreat was perfect!"

"What should we do now?" "Should we send more people to look for him?" the red-haired man asked.

"No need!"

The corners of the woman's lips lifted slightly, and her smile was enough to stun the world. "I'll catch him myself! This kid has a bright future. I will personally train him and make him my most outstanding servant!"

"This ..."

As soon as he said that, a series of gasps sounded in the crowd.

The big shots of the monster clan and the Beast clan all looked extremely surprised. "Holy master's status is incomparably noble, why would you personally go down to the lower realm? Any one of us can capture that brat alive and offer him to the sacred master!"

"You guys just stay here!"

The woman smiled and walked out of the palace. "In 18 years, this is the first prey that has caught my interest! I'm going to catch this servant myself. That'll be interesting!"

After the woman left, everyone in the palace was dumbfounded.

that Feng Zhu is so lucky to be chosen by the Saint Lord! The red-haired man said in a deep voice.

yeah ... the eagle-eyed man nodded heavily, his face full of envy.

.....

Outside the spirit condensing immortal abode.

In the hole of a towering tree.

Feng Zhu held Liu xuanxin's hand and hid inside.

"Who the hell are you!"

Liu xuanxin shook Feng Zhu's hand off and said, " "Don't think I'm stupid! You must have been to the spirit condensing immortal mansion!"

"Did your sweetheart tell you that he had entered immortal mansion before?" Feng Zhu grinned and asked.

[Red Envelope Group of the Three Realms](#)

Chapter 2147: Original Face

"How did you know? You ... Don't tell me you're ..."

Liu xuanxin was not stupid. She had already guessed Feng Zhu's identity from Feng Zhu's words and actions, as well as the messages she had exchanged with Chen Xiaobei.

"Right! It's me!"

Feng Zhu grinned and took off a human skin mask from his face, revealing his true appearance.

"Chen Xiaobei! You bastard! You dare to lie to me!"

Liu xuanxin screamed and stomped her feet in anger.

In order to make 'Feng Zhu' give up on her presumptuous thoughts, Liu xuanxin had told him that she had someone in her heart!

But 'Zhu Feng' was Chen Xiaobei!

If that was the case, Liu xuanxin confessing her feelings to Chen Xiaobei would be the same as confessing her love to him.

Liu xuanxin was embarrassed and angry at the same time. Even through the mask, she could imagine that her face was red.

"I'm not lying to you!"

"My name is Zhufeng, and my alias is Zhu Feng. It's perfectly reasonable, okay?" You're the one who didn't think of it!"

you're despicable ... Liu xuanxin was extremely embarrassed."I ... What I said before, it's not true!"

"Which words are not true?" Oh? " Chen Xiaobei laughed. is it about the things that your sweetheart said? "

"No... No... Why are you so bad? if you say one more word, I'll jump down from this book ... Liu xuanxin was so embarrassed that her white earlobes were already red.

"Stop pretending! I already know your feelings!"

Chen Xiaobei grabbed Liu xuanxin's hand and said, " last time, when you left bei Xuan faction, Qingcheng reminded me that you don't wear a mask in front of others, but you refuse to show your true face in front of me!

"Previously, I only treated you as a good friend and didn't think too deeply about it! Out of respect for you, I didn't want to peek at your true appearance!"

"But today, I know your heart! I've said it before, I will never let you slip away from my life! Since this layer of window paper has already been poked through, shouldn't you also take off your mask?"

Chen Xiaobei's tone was very serious. His dark eyes were staring at Liu xuanxin's clear and beautiful eyes under the mask.

"You're shameless! Pretending to be someone else to lie to me! I won't accept you! I won't let you see my face!" Liu xuanxin was really angry. She felt like her feelings had been deceived.

"I didn't mean to lie to you!"

I'm not sure! Chen Xiaobei said, " you know that my enemies are around here. I can't show them my real face! "Moreover, I feel that someone is secretly monitoring us. Therefore, I have to change my appearance, clothes, and voice ..."

this ... Liu xuanxin was stunned. She knew that Chen Xiaobei was not lying.

"In addition, I have another reason for hiding my identity!"

I knew that the enemy was coming after I got your information. I made some plans in advance. Only by using 'Zhu Feng' s identity can I kill the enemy!

beiming aotian has already been killed by you ... Liu xuanxin hesitated."Do you have any other plans?"

"Of course!"

I'll show you! Chen Xiaobei laughed. you'll follow me later. There'll be a better show! The people of heaven dominating sect won't have a good ending!"

it seems like you really didn't lie to me on purpose ... Liu xuanxin's tone softened, and her anger had subsided.

"We've been together for so long, when have you ever seen me lie to my family and friends?"

I'm just trying to trick the enemy! Chen Xiaobei said. knowing your feelings was an unexpected gain!

I'm stupid too ... Liu xuanxin slapped her forehead in frustration."Your name is a clue, you muted your phone, and your medical skills are also a clue! The main point is your courage! Normal people don't even dare to offend heaven dominating sect!"

Chen Xiaobei grinned. that's right! I didn't want to lie to you! You're the one who didn't discover all these clues!

"Alright! I know you didn't lie to me on purpose, you don't have to keep repeating it!" Liu xuanxin said.

"Since you trust me, can you take off your mask now?"

"I have a strong feeling that your real face is hiding something!" Chen Xiaobei said, his face full of expectation. It's very likely a face I've seen before!"

Liu xuanxin was taken aback. She could not help but feel her heart tighten."Don't ... Don't talk nonsense! I've never met you before!"

"You're stuttering!" "You're not good at lying!" Chen Xiaobei said. This proves that we have indeed met! Where have you seen it before?"

"You ... You can just guess! I won't admit it anyway!" Liu xuanxin's heart was pounding.

Thinking back to the first night she met Chen Xiaobei, Liu xuanxin's face turned red and her heart beat wildly. She did not even dare to look at Chen Xiaobei in the eye, afraid that he would notice something.

That night was crazy!

"Just tell me, what will it take for you to take off your mask?" Chen Xiaobei urged.

The moment Liu xuanxin took off her mask, it meant that she had accepted Chen Xiaobei completely. This was exactly what Chen Xiaobei was looking forward to.

"I won't do anything!" Liu xuanxin said.

"You can't be that cruel, can you?"

I have a feeling that I'm going to fight a lot of strong enemies today. Heaven dominating faction's beiming Wuji is nothing! Chen Xiaobei said. If I die in battle, I won't have the chance to see your face again!"

"Don't talk nonsense!"

"We're not going to that lousy immortal abode!" Liu xuanxin said in a serious tone. Activate the returning bracelet and return to bei Xuan faction now! This way, you'll be completely safe!"

"You really care about me!"

Chen Xiaobei grinned and shook his head. "I can't run! Because my two friends are in the spirit condensing immortal mansion! If I don't go, they'll fall into the enemy's hands!"

"What's the situation? Why would your friend be in the immortal mansion?" Liu xuanxin asked in surprise.

it's a long story. Let me see your face first, then I'll tell you slowly! Chen Xiaobei said.

"Do you care so much about my appearance?"

what if I took off my mask and revealed an old and ugly face? " Liu xuanxin asked. would you still hold on to me? "

"I promise you!" "I don't care what you look like!" I'll catch you and never let you go!"

Hearing this, Liu xuanxin could not help but let out a soft moan, and her body started to tremble.

Chen Xiaobei's promise had touched the softest part of Liu xuanxin's heart, giving her the sense of security that women needed the most.

She could rely on this man, so what was there to hesitate about?

okay, I promise you ... Liu xuanxin finally opened her heart and slowly reached for her mask.

"Wait a moment!"

Suddenly, Chen Xiaobei stopped Liu xuanxin and said in a low voice, " "There's movement on the tree trunk! Someone's coming!"

Red Envelope Group of the Three Realms

Chapter 2148: Tacit Cooperation

"What's the situation?"

"Have we been discovered by the enemy?" Liu xuanxin asked nervously.

"Don't be afraid. With me here, everything will be fine!"

Chen Xiaobei quickly took out his Nightstalker outfit and put it on like Iron Man.

After putting on the mask, Chen Xiaobei activated his secret-veined concealment ability and disappeared from the tree hole.

"Woof! Whoosh!"

At this moment, two figures suddenly appeared at the entrance of the cave.

They were two Tenshou Warriors, dressed in black Daoist robes and holding spiritual ninjato in their hands.

The main point was that they all wore badges in the shape of a sun on their chests.

There was a small hole in the center of the badge, where the camera was located!

It was obvious that these two people were disciples of the pantheon.

Of course, Chen Xiaobei and Liu xuanxin did not know what was going on.

"Who are you?" Liu xuanxin asked.

The two Tenshou Warriors carefully observed the situation inside the tree hole, but they did not find the person they were looking for.

"Where is Feng Zhu?" One of the taller Warriors said coldly.

"You guys haven't answered my question! Who are you people!" Liu xuanxin was very smart. She knew that Chen Xiaobei was secretly protecting her, so she did not panic. She tried to get more information from the enemy so that Chen Xiaobei could get more information.

Of course, the enemy was not to be trifled with. The other shorter warrior said coldly, " you're not qualified to ask. We know that you've worked with Feng Zhu. Tell us where he is, and we'll let you go!

"Who is Feng Zhu? I don't know what you're talking about." Of course, Liu xuanxin would not betray Chen Xiaobei.

"Little girl! You'd better cooperate!" The tall warrior said in a deep voice, "we've been secretly monitoring Feng Zhu for a long time!" Don't think that you can fool me by acting dumb!"

"Good! I admit that I know Feng Zhu and I know where he is!"

Liu xuanxin was very smart. She thought of another plan. "But you don't even reveal your identity, so How do I know if you're Friend or Foe? If you are a friend, I can contact Feng Zhu and ask him to come over! If I were an enemy, I would rather die than betray Feng Zhu!"

"Heh, this little girl is quite infatuated!"

The short warrior squinted his eyes and smiled. I'll tell you the truth. We're disciples of the gods 'Palace in the earth-god Realm. The reason we're looking for Feng Zhu is that our great king of gods has taken a fancy to him and wants to recruit him under his command!

"Earth-god Realm? The temple of the gods?" Liu xuanxin was shocked. She did not expect the other party to have such a powerful background.

"How is it? Are you tempted?"

The tall warrior also laughed and said, "not to mention in the lower realm, even in the earth immortal world, joining our pantheon is also the dream of countless young people!" Therefore, we are definitely Feng Zhu's friends!"

Liu xuanxin knew Chen Xiaobei very well. She said, " as far as I know, Feng Zhu already has his own sect. With his temper, he will definitely not join other forces!

"You don't want face?"

The short warrior narrowed his eyes and said ruthlessly, " "Our temple of the gods wants to subdue Feng Zhu, which is his Supreme glory! If he dares to refuse, then we will kill him without mercy!"

"Then I won't tell you where he is!" Liu xuanxin said in a serious tone.

"Little girl! You better think carefully! If you go against us, you'll be begging for death!"

The taller warrior threatened coldly, " we have all kinds of torture. We can torture you until there's not a single part of your body that's left unscathed! If you're not afraid, we can even throw you into the slave's nest and let those dirty and lowly slaves love you!"

"Shameless! Disgusting!" Liu xuanxin was furious. She wanted to kill the two Tenshou Warriors.

"Woof! Whoosh!"

In the next moment, two sharp blades pierced through the air without any warning!

It was aimed at the back of the two Tenshou Warriors!

Without a doubt, Chen Xiaobei was even more enraged than Liu xuanxin when he heard what the two of them had said. His killing intent exploded!

"Woof! Whoosh!"

The black blade and the Blood Sword pierced through the backs of the two Tenshou Warriors, through their hearts, and out of their chests.

"Uh ... Uh ..."

The two Tenshou Warriors wailed in pain, their faces full of disbelief. "Who ... Who dares to kill us ... We're disciples of the pantheon Palace ..."

"Woof! Whoosh!"

The black blade and the Blood Sword pierced through the bodies of the two Tenshou Warriors, crushing their hearts and killing them instantly!

"Crack! Crack!"

Liu xuanxin was not afraid at all. She walked over and crushed the miniature cameras on the two Tenshou Warriors' chests. Then, she said, "You can come out now."

Chen Xiaobei took off his grimacing mask and revealed his true form.

"Our cooperation is so tacit! It was simply flawless! It was a match made in heaven! A match made in heaven!" Chen Xiaobei grinned and winked at Liu xuanxin.

"Don't be talkative! Let's go!"

"I suspect that they've already reached the earth level and have primordial spirit domains. That's why they could find us!" Liu xuanxin said. Once the two of them died, the temple of the gods would immediately know! There will definitely be more enemies coming for us!"

"Smart!" wow! Chen Xiaobei complimented. I didn't expect you to be able to figure out so many things in such a situation. You are indeed my woman!

"Do you want to die? Who's your woman!" Liu xuanxin said angrily.

"You've agreed to take off your mask, which means you've accepted me!" Said Chen Xiaobei, smiling.

I ... Liu xuanxin shyly replied.

If he took off the mask, the truth of that night's madness would be revealed! How wonderful would Chen Xiaobei's expression be?

Liu xuanxin was looking forward to it, but at the same time, she was nervous.

After all, that night's madness was driven by medicine and not true love!

Liu xuanxin was afraid that she was not Chen Xiaobei's type. What should she do then?

"Don't let your thoughts run wild! I want to see your real face, but not now!"

alright! Chen Xiaobei took out the returning bracelet and said, "the rest of the operation will be very dangerous. Go back to the Xuan faction first and wait for me to come back!"

"No! I want to follow you!"

Liu xuanxin said without hesitation, "if there's any danger, we'll face it together!" If you can go back alive, I can definitely do the same! If you can't go back alive, then I won't go back either!"

Chen Xiaobei's heart was filled with warmth!

This life, this life!

This was an oath of life and death, a woman's greatest hope for a man!

"Good! You follow me!"

Chen Xiaobei immediately took out a set of black women's clothing from his infinite space ring and said, " quickly change into this. The enemy might already be on their way. We have to hurry!

"Why are you wearing female clothes?"

tell me the truth, " Liu xuanxin said sourly. where have you been this time? "

Red Envelope Group of the Three Realms

Chapter 2149: Overflowing Wealth

"Ah? No, you've misunderstood ..."

Chen Xiaobei was speechless. I got this woman's dress from the demon treasure house, the limitless nine floor tower. It's a two-star earth-god instrument. No one should wear it. Don't worry!

two ... Two-star earth-god instrument?!

Liu xuanxin's eyes were filled with shock. "You've already given me a two-star earth-god instrument! This is too valuable, you should keep it for yourself!"

Most of the people that Liu xuanxin had come into contact with during her trip were young men with no family background. A two-star earth-god instrument was enough to scare off the entire team!

One could only imagine how precious a two-star earth-god instrument was to ordinary people!

Furthermore, Liu xuanxin was an Earthling. On earth, the most that the rich could give was a car or a house!

However, compared to a two-star earth-god instrument, a car and a house were nothing. They were not even worth mentioning!

As such, Liu xuanxin felt that the gift was too expensive and was too embarrassed to accept it!

"No, no, no! This was not valuable at all! Just wear it like normal clothes!"

Chen Xiaobei said, " "When I have the chance in the future, I will give you a higher grade treasured clothing!"

this ... Liu xuanxin's heart was hurt a hundred thousand times more.

The things that he thought were extremely valuable were just ordinary clothes in Chen Xiaobei's mouth!

This kid was really too rich!

"Quickly change into it!"

I'll fill it up with spiritual Qi after you're done changing. That way, you'll be able to protect yourself. I'll be more at ease if you follow me! Chen Xiaobei urged.

full ... Full of spiritual energy!?

a two-star earth-god instrument! Liu Xuan was shocked. it requires ten million low-grade spiritual energy to activate! To fill it up, it would require 100 million low-grade spiritual energy! Save this much spiritual energy for something else, don't waste it like this!"

"It's just a hundred million, not much, not much!"

Chen Xiaobei shrugged and put on a harmless smile. I have nearly 30 trillion low-grade spiritual stones now. It's just a small amount to top it up with 100 million!

three ... Thirty trillion??? " Liu xuanxin started to sweat. She would never have thought that Chen Xiaobei had already accumulated such a huge amount of wealth!

Along the way, Liu xuanxin had only brought about 10 million low-grade spiritual stones. She had only taken out her two-star earth-god instrument to scare the people around her. She was reluctant to use it.

But to Chen Xiaobei, 100 million was just a drop in the ocean!

This kid was simply inhumanly rich!

"I'll keep the clothes. Turn around and don't peek!" Liu xuanxin finally took the set of beautiful women's clothing.

"Alright, I promise I won't peek!"

Chen Xiaobei turned around and looked at the tree hole. "There will be plenty of opportunities to see it in the future. There's no need to rush it!"

Soon, Liu xuanxin changed into the black dress and said softly, " "You can turn around now!"

"Oh." Chen Xiaobei nodded and turned around. He was stunned.

This set of women's clothing was very exquisite. One look and one could tell that it was made by a master refiner!

The special material was very light and tight-fitting, instantly accentuating Liu xuanxin's perfect figure. It was as hot as it could get!

"Is it good?" Liu xuanxin asked nervously.

"Do you even need to ask? It's so good!" Chen Xiaobei was extremely excited.

In his heart, he was planning to get more high-class women's clothes for all the women in bei Xuan faction to wear. It would be so pleasing to the eye!

"Whoosh ..."

At the same time, Chen Xiaobei took out 200 million low-grade spiritual stones, almost filling up the entire tree hole.

"Didn't you say you'd top up 100 million first? What are you doing with so many spirit stones?" Liu xuanxin asked.

"100 million for this female outfit! The other 100 million will be for your original earth-god instrument!" Chen Xiaobei said calmly.

Liu xuanxin's worldview was instantly refreshed. This was the first time she had learned that spiritual stones could be used in such a way!

He was simply rich!

Soon, the two earth-god instruments were filled with spiritual Qi!

"Alright, let's go! Otherwise, the enemy would have found their way here!" Liu xuanxin said anxiously.

"Don't rush!" Chen Xiaobei summoned the wondrous spell spirit Heart Flame and took out two human-skinned masks.

Under the special ability of the wondrous spell Spirit's Heart Flame, Feng Zhu's mask became another face, and the remaining mask became an ordinary-looking woman's mask.

"I'll put on a new mask and completely change my identity!" Chen Xiaobei said.

"Then turn around again! Don't look at my face!" Liu xuanxin said as she took the woman's mask.

"You've already agreed to take off your mask, can't you let me see it?" Chen Xiaobei asked.

"No!"

Liu xuanxin shook her head and said, "you still have to save your friend!" I'm afraid that after you see my face, it will affect your state of mind! We don't have time to waste, do we?"

"Alright! I'll listen to you!"

Chen Xiaobei nodded and turned around. "You're definitely someone I've met before! When this is over, I'll definitely take a good look at your face!"

Soon, Liu xuanxin put on the mask, and she looked like a completely different person. "Let's go!"

"Wait a moment!"

Chen Xiaobei also put on his mask, walked over to the two corpses of the disciples of the temple of the gods, and took their storage bracelets!

[ding! You have eliminated a first-generation villain. You have been rewarded with 10000 merit points!]

[eliminated ...]

[your current merit points are 1340700000 (charm: 134070000, luck: 134070000) !

Killing these two people, as well as young master Jin, Fang qiushan, and Wang jinmeng, had earned Chen Xiaobei 70000 merit points!

"Let's go!" Chen Xiaobei kept the two storage bracelets and left the tree hole with Liu xuanxin.

.....

The temple of the gods!

The Tenshou warrior's face twisted as he roared, " "This Feng Zhu is too cunning! He actually launched a sneak attack from behind! He killed two of our elite disciples!"

"It's just two people dying, it doesn't matter!"

The lightning-eyed old man frowned and said in a deep voice, "The main point is, how did Feng Zhu sneak attack? How could those two disciples not have noticed at all?"

As soon as he said that, everyone around him was stunned and puzzled.

the camera is facing forward. We don't know what's going on behind the two disciples either ... an elder of the heavenly wings race said.

"No need to guess! I'll go there personally! Catch him and interrogate him slowly!" The Tenshou warrior said coldly.

"Mm, go!" "We must capture him alive!" The electric-eyed elder nodded.

.....

Outside the spirit condensing immortal abode.

Tens of thousands of people were scratching the ground, desperately trying to find 'Feng Zhu'.

However, even if they were lent a hundred million brains, they would never have thought of this. Chen Xiaobei and Liu xuanxin had already sneaked into the crowd, pretending to be looking for 'Zhu Feng'.

In this way, even if they dug three feet underground, they would not be able to find Feng Zhu.

"I'm not looking!"

Beiming Wuji's patience finally ran out, "Feng Zhu must have escaped from the forest. I can only avenge my son later! Let's break the gate of the immortal abode first!"

[Red Envelope Group of the Three Realms](#)

Chapter 2150: Greatest Variable

Following beiming Wuji's order, everyone from heaven dominating sect gathered.

The surrounding tens of thousands of people were all hiding far away. On one hand, they were afraid of the restrictions on the stone door. On the other hand, they didn't dare to offend darknorth Wuji.

After all, beiming Wuji was still angry that he didn't catch Feng Zhu and he had no place to vent his anger!

At this moment, whoever dared to offend beiming Wuji would be walking right into the muzzle of a gun!

"Sect master ... How should we break the door?" " who is it? " a heaven dominating faction core elder asked.

"Nonsense!"

Beiming Wuji said in disdain, "fairy ning Ling is only an earth immortal, not a heaven immortal!" It's just a stone door, how could it be more powerful than a six-star earth-god?"

"Swish!"

As soon as he finished his words, beiming Wuji took out a dark blue battle blade from his storage bracelet!

The blade was sharp and cold! The Dragon on the back of the blade was majestic!

As soon as the saber was drawn, its spirituality and might gushed forth like a flood and a ferocious beast, instantly enveloping the entire area!

Everyone, including Chen Xiaobei and Liu xuanxin, was shocked!

Chen Xiaobei's state of mind was strong, so it did not affect him much.

However, the others around him all felt a terrifying killing intent realm. It was as if they were in a sea of fire and could be crushed into pieces and melted into blood at any time!

Everyone trembled violently and broke out in a cold sweat. Their pupils contracted uncontrollably, and some of the more timid ones were so scared that they peed their pants!

And at this moment, the blade had not even slashed out!

Just the saber Qi alone was enough to shock everyone present!

It could be seen that this dark blue saber was beiming Wuji's strongest trump card! The sect treasure of apocalypse Starfield's heaven dominating sect! It was a six-star earth-god instrument, the raging waves sky-splitting saber!

"Oh my God! Everyone, back off! That was the raging waves heaven splitting saber! At such a close distance, we'll be in trouble if he unsheathed his saber!"

"That ... That's the legendary six-star earth-god instrument, the raging waves heaven-splitting saber? What a terrifying pressure! Quickly retreat! Hurry up ..."

"The power of a six-star earth-god is about to erupt! I can't even imagine how terrifying that would be!"

The surrounding people started to scream like a group of frightened chicks, and they desperately tried to escape, not daring to get close to beiming Wuji!

"Whoosh ..."

Beiming Wuji waved his hand and took out 1000 top grade spirit stones!

After being crushed by vital essence, it would release the spiritual Qi equivalent to 100 billion lower spiritual stones!

This scene shocked the surrounding people even more!

100 billion lower spiritual stones! The vast majority of people would not be able to earn that much even after a few lifetimes!

At this moment, beiming Wuji's mind moved and this huge amount of spiritual energy was instantly burned out, all for the sake of one strike!

break!!!

Beiming Wuji roared and swung his blade.

"Swish!"

In the next moment, a terrifying dark blue wave suddenly slashed out from the Furious wave sky-splitting saber. It carried a terrifying power that could split the sky and earth, and suddenly blasted toward the stone wall in front of it!

"Boom boom boom ..."

The terrifying power of a six-star earth-god crushed the entire stone door into pieces in the blink of an eye!

Not only that, the entire Canyon started to shake violently as if a terrifying earthquake had occurred!

The earth was torn apart, and the mountains collapsed!

Fortunately, this Canyon was wide enough. Otherwise, everyone would have been buried alive!

Oh my God ... This is too scary ... If this blade were to come at us, at least 8000 of us would die ...

The surrounding people screamed in horror. They were so scared that they were ready to retreat.

"Xiaobei, do you have the confidence to save your friend?" Liu xuanxin lowered her voice and said worriedly, "Beiming Wuji's battle blade is too powerful, you're not his match at all ..."

"I admit that his treasured saber is very powerful! It's more powerful than all my trump cards!"

Chen Xiaobei shrugged and said, "However, I can't fight them head-on, but I can outwit them! I've already prepared a good show for him in immortal mansion! When the heaven dominating faction people enter, the show will start!"

alright, I believe you ... Liu xuanxin pursed her lips. She was a little nervous because the enemy was too strong, but she was also full of anticipation because Chen Xiaobei was stronger.

They were looking forward to a good show! They were looking forward to the enemy's defeat!

"Let's go in!"

At this moment, beiming Wuji waved his hand and led everyone from heaven dominating sect into the palace.

Behind the stone door was the beautiful paradise on earth.

The beautiful scenery and the refreshing atmosphere made everyone from heaven dominating faction calm down. Even beiming Wuji's anger was greatly reduced as he kept his raging wave sky splitting blade.

Chen Xiaobei had been following them at a distance that was neither too far nor too close.

After seeing that beiming Wuji had put away his saber, Chen Xiaobei grabbed Liu xuanxin's hand and sped up their pace. They then started to move forward from a hidden direction.

After all, this was the first time everyone had come here. On the one hand, they were afraid of danger, and on the other hand, they wanted to find the treasure, so they didn't move quickly.

However, Chen Xiaobei had already been here before. He moved forward at full speed and quickly left the rest of the group behind. He was the first to enter the strange Rocky Mountain!

As for the people who were secretly monitored by the four forces of the earth-god Realm, most of them were sent to find 'Zhu Feng'.

The small group of people who were left behind could not keep their eyes on Chen Xiaobei and Liu xuanxin. If they were not careful, Chen Xiaobei and Liu xuanxin would slip away!

.....

Before entering the mountain, Chen Xiaobei took out the yellow jade talisman, the blue jade skeleton, and the Golden Lion Jade seal.

Then, he took out 1.11 billion lower spiritual stones and filled the three precious jade pieces with spiritual Qi!

Then, Chen Xiaobei released Xiao 'er from the ring of all beasts and had him hide on Liu xuanxin's body.

On one hand, it was to protect Liu xuanxin. On the other hand, it was to let the waiter use his gluttonous skills to bite through extremely hard things when needed.

After everything was settled, Chen Xiaobei pulled Liu xuanxin along and ran into the strange Rocky Mountain.

"Xiaobei, are you really confident?" I'm really nervous! Liu xuanxin said worriedly. I have a feeling that something bad is going to happen!

"Don't worry!"

Chen Xiaobei grinned and said confidently, " " this is only the first of the three obstacles. I will slowly toy with the people of heaven dominating sect!

alright, I believe you ... Liu xuanxin nodded. "But no matter what, you should still be careful! I really don't feel right ..."

"I know! You're my goddess of luck, so I'll never go wrong listening to you!" Chen Xiaobei's eyes narrowed as he thought of another person.

Tian Peng!

After all, Qin Wuxin had been cursed during the battle on beast God mountain and was still unconscious. Chen Xiaobei could not use the knowing mind Gu to get any information!

In this unknown situation, Tian Peng was definitely the biggest variable in today's battle!

Of course, that was a story for later.

What Chen Xiaobei needed to do now was to use the three obstacles to kill all the core members of heaven dominating faction!

"They're here!"

Chen Xiaobei's lips curled into a devilish smile.
