Chapter 2151: Turtle In A Jar

"I'm afraid we've entered a fake immortal abode! Along the way, they didn't find a single treasure! This is simply too much of a scam!"

the 30 core elders of heaven dominating faction were all cursing and feeling very unhappy.

"All of you shut up!"

Beiming Wuji replied seriously, "this is only the outer perimeter of the immortal mansion!" If you truly enter the immortal estate, do you still have to worry about not having any treasures?"

sect master ... the oldest core elder said in a low voice, " "We are here to capture Chen Zhufeng according to the location calculated by the clay Bodhisattva! What if he runs away when we're looking for treasure?"

Beiming Wuji's eyes squinted and said, "The clay Bodhisattva said that Chen Zhufeng is going to face a life-and-death crisis in the spirit condensation immortal abode! We don't have to look for him. As long as we wait in immortal mansion, Chen Zhufeng will definitely appear!"

"Understood!"

The core elder nodded, "The clay Bodhisattva's predictions have never been wrong, and this time will definitely be no exception!"

the moment he said this, the other core elders of heaven dominating faction all nodded and began to curse.

"I can't wait to catch Chen Zhufeng! he caused so much trouble for our heaven dominating faction! We must make him wish he was dead!"

"Yup! We've worked so hard to build four branches in the four continents of apocalypse Starfield, and two of them were destroyed! Our Foundation and interests on the Black Tortoise continent and The White Tiger continent have all been ruined!"

"Chen Zhufeng is so hateful! This time, he definitely couldn't let him escape! I'll let him taste all the torture!"

"I'm going to kill everyone related to Chen Zhufeng! I'll annihilate the entire bei Xuan faction!"

.....

"Boom boom boom ..."

Just as the heaven dominating faction elders were cursing Chen Xiaobei, the strange rocks around them started to move.

"What's going on?"

everyone from heaven dominating faction became nervous.

The tens of thousands of people at the back did not dare to get close. They had all turned from explorers to onlookers.

after all, heaven covering sect was too overbearing. Even if they fought to the death, they might not be able to gain anything. They might as well just watch the show.

"Whoosh! Whoosh! Whoosh ..."

In the next second, a huge amount of strange stones flew up and condensed in the air rapidly, gradually forming a majestic giant stone statue that was a hundred meters tall!

The statue's legs were like heavenly pillars, its body was like a mountain, and its arms seemed to have infinite power. When it suddenly stood in the air, it caused a huge impact on everyone's hearts!

"Woof!"

before anyone could react, the giant stone statue had already punched toward the heaven dominating faction people.

Seeing this, the tens of thousands of people behind him all exclaimed.

"What is that thing? He's too big! His body was like a mountain, and his fists were like two meteorites! It's too scary!"

"Just like the restrictive spells on the stone door, this stone statue is also specially set up to guard the immortal abode! It's simply too mysterious!"

"The main point is the power of this stone statue! He felt that he had already reached the one-star earth-god level! It's so fast that I can't even see it clearly!"

this statue is indeed powerful. Unfortunately, the 30-odd people from heaven dominating faction all have earth-god instruments. They can destroy this statue with ease!

.....

The crowd discussed spiritedly, even though they were amazed by the power of the stone statue. But in the end, no one thought that the stone statue was much of a threat.

after all, heaven dominating sect was not to be trifled with!

Even without beiming Wuji's help, the other core elders would be able to use their earth-god instruments to smash this giant statue into pieces!

But! At this moment! heaven dominating faction's elders, who everyone thought would win, suddenly let out terrified screams!

"Mother! Why can't I open my storage bracelet?"

"I can't even open my storage bracelet! He couldn't take out an earth-god instrument! This ... What should we do?"

"Oh my God! The one-star earth-god's fist was about to land on his face! Without an earth-god instrument, we're dead!"

It was obvious that the beautiful environment had numbed everyone's vigilance when they first entered the stone gate! No one had expected that they would have to take action with weapons!

Beiming Wuji was originally holding the raging waves sky splitting saber, but since he didn't encounter any danger, he kept it!

From the moment they entered the mountain, everyone's Storage Treasures would be sealed, and they wouldn't be able to take anything out.

The important point was that everyone had to pass through the three obstacles before they had the chance to leave immortal mansion. They couldn't leave halfway.

with this, heaven dominating sect was like a turtle in a jar! Chen Xiaobei could do anything he wanted!

That's right!

All of this was Chen Xiaobei's plan!

"Boom boom boom ..."

With a loud bang, the giant stone statue's fist, which was as heavy as a meteorite, landed on the ground. The huge force caused the entire space to tremble.

beiming Wuji and most of the heaven dominating sect elders had already dodged.

However, six of them reacted slightly slower and were directly crushed into six big meat pies by the heavy punch!

Blood and flesh gushed out from the crack between the giant fist and the ground, which made the tens of thousands of people behind feel creepy!

"Whoosh!"

everyone from heaven dominating faction was shocked, but the giant stone statue didn't stop its attacks!

the giant stone statue raised its truck-like foot and stomped down on the heaven dominating faction members as if it was stepping on ants!

"Everyone! Hide behind this Lord! Hurry up! "Hurry up ..." Beiming Wuji shouted nervously.

one had to know that these people were all core members of heaven dominating faction!

if heaven dominating faction was a house, then these people were the beams and pillars!

if all of them died, then heaven dominating faction would be completely extolled!

Just think about it, beiming Wuji was the only commander left. Even if he was a superhuman, he wouldn't be able to manage the entire heaven dominating faction alone!

Because of this, beiming Wuji had to protect these people no matter what!

"Boom boom boom ..."

However, the giant stone statue had the power of a one-star earth level deity, but the elders of heaven dominating faction had not reached the earth level deity realm!

Without the help of an earth-god instrument, these elders were as weak as ants!

Another deafening sound shook the entire space! another eight core elders of heaven dominating faction were stomped to death by the stone statue!

They were like eight little tomatoes that had been stepped on until their juices were spurting out!

Blood, brain matter, internal organs, and rotten flesh exploded all over the ground. It was a shocking scene!

Seeing this, the tens of thousands of people behind were all dumbfounded.

a second ago, they thought that heaven dominating sect would win, but a second later, they saw heaven dominating sect suffer a crushing defeat!

The huge contrast caused a terrifying blow on everyone's heart!

At a distance.

Liu xuanxin was also shocked. "Xiaobei! This ... All of this was part of your scheme?"

"That's right! Because of the information you gave me in advance, I've already set up a trap!"

"There are three obstacles surrounding the Holy realm dwellers' mansion!" "I've set a small goal. I'll wipe out all of heaven dominating sect's people in the first three stages!"

Chapter 2152: Divine Might Of The Raging Waves

"You ... You're amazing!"

"You've managed to set up such a powerful trap in such a short time!" Liu xuanxin praised. It's simply too awesome!"

no, no, no. The biggest credit for this battle is your intelligence!

I told you! Chen Xiaobei laughed. you're my lucky goddess! If it wasn't for your information, I'm afraid I'd be surrounded by the heaven dominating faction with earth-god instruments!"

Liu xuanxin smiled. She was happy to be praised by Chen Xiaobei.

"With this giant stone statue, we should be able to kill all the enemies, right?" I don't think there's a need for the next two obstacles! Liu xuanxin said.

Chen Xiaobei shook his head and said, " you're underestimating the enemy! You also think too highly of the black Yellow jade talisman!"

"What do you mean?" Liu xuanxin asked.

Chen Xiaobei weighed the Jade talisman in his hand and said, " there's a one-star earth-god level array in this jade talisman. It consumed one million low-grade spiritual energy to form the stone statue, and

one million spiritual energy will be consumed every 30 seconds. After three to four minutes, the spiritual energy will be exhausted!

so, that giant stone statue was condensed from this jade talisman. It's so mysterious! " it's only been ten seconds," Liu xuanxin said. fourteen core elders of heaven dominating faction have already died. Three to four minutes should be enough, right? "

no! Chen Xiaobei shook his head. let's wait and see! Beiming Wuji is not that easy to deal with!

Liu xuanxin immediately became alert.

"Hide behind me! Don't run around!"

On the battlefield, beiming Wuji hollered and protected the remaining core elders of heaven dominating sect behind him.

"Woof!"

At the same time, the giant stone statue stomped down again!

Seeing this, the tens of thousands of people at the back all cried out in shock.

"Heavens! why were the heaven dominating faction people all gathered in a small group? They're going to be annihilated with one Stomp!"

"Are you stupid? Beiming Wuji was a one-star earth immortal himself! There's no need to be afraid!"

"If that's the case, why didn't beiming Wuji make a move just now?"

"Just now, beiming Wuji's first reaction must be to open the storage bracelet and find out that there's something wrong with it! This disturbed his mind! At the same time, the stone statue's fist had already come, and he couldn't make it in time!"

"Yup! The following scene was too chaotic and the people from heaven dominating sect were all scattered. Beiming Wuji could only protect those who were close to him! In the end, eight more were stomped to death by the giant stone statue!"

now that everyone from heaven dominating faction has gathered, beiming Wuji should be able to focus on the battle!

"Of course! Beiming Wuji was the number one on the great heavenly fate ranking! Not only is he a one-star earth-god, but he has also cultivated the powerful " divine might of raging waves ". He can counterattack the giant stone statue in minutes!"

The moment he said that, beiming Wuji instantly became the center of attention! Everyone's eyes were on him!

Even Chen Xiaobei and Liu xuanxin were staring at beiming Wuji.

Everyone wanted to take a good look at the true strength of the number one Ranker of the great heavenly fate rankings!

"Jingtao! Rise!"

Beiming Wuji let out a roar and water elemental energy gushed out from his dantian.

At the same time, the "raging waves divine might battle technique" suddenly activated, and another force in the sea of Qi dantian supplemented his true essence.

In this way, although they were both one-star earth Immortals, beiming Wuji's combat power would be higher than the giant stone statue!

"Boom boom boom ..."

With a series of explosive sounds, the water elemental energy in beiming Wuji's body started to surge like a tsunami!

As beiming Wuji threw out a punch, the waves started to surge towards his fist!

The waves behind pushed forward! Each wave was stronger than the last!

When it reached the tip of the fist, beiming Wuji's power was greatly enhanced!

"Bang!"

In the next moment, beiming Wuji's fist collided with the giant stone statue's fist. The result was obvious!

Beiming Wuji's strength was overwhelming and he destroyed the stone statue's fist with one punch!

In an instant, crushed stones rolled down, and half of the stone statue's arm was shattered!

From this, it could be seen how much the raging waves divine might battle technique had boosted beiming Wuji's battle power!

"Hmph! He was just a paper tiger! Just you wait! I'll definitely destroy it in three moves!"

Beiming Wuji's confidence exploded after his first attack.

He took a step forward and jumped up high. Once again, he bent his arm and prepared to blow the stone statue's head off!

seeing this, the core elders of heaven dominating sect all heaved a sigh of relief.

"The sect master is mighty! The sect master was domineering! We're finally saved!"

that's right ... As long as the sect leader is here, we don't have to worry!

"Do you still need to say that? The sect master was the number one on the great heavenly fate rankings! It's more than enough to deal with this broken stone statue!"

.....

"BOOM!"

In the next moment, beiming Wuji really lived up to everyone's expectations! His punch created a huge wave, and the stone statue's head exploded with terrifying power!

"Boom boom boom ..."

Beiming Wuji didn't stop. He used his fingers like a blade and slashed towards the stone statue!

Since he had the absolute advantage in terms of strength, beiming Wuji's hand blade was like chopping firewood, splitting the stone statue in half!

victory and defeat were clear, and the heaven dominating faction members all cheered.

"Whoosh! Whoosh! Whoosh ..."

However, at this moment, countless pieces of broken stone flew up again and condensed into a similar stone statue!

"Hmph!"

Beiming Wuji snorted and said in disdain, "So what if it can be reorganized? it's still trash to me!"

As soon as he finished his words, beiming Wuji once again jumped up and attacked the stone statue!

at this moment, everyone from heaven dominating faction felt at ease and watched the battle calmly.

In their eyes, there was no suspense to the outcome!

At a distance.

Liu xuanxin frowned and said, "Xiaobei!" As expected, you were right! Beiming Wuji is indeed much harder to deal with than a small fry!"

Chen Xiaobei shrugged and said, " without a six-star earth-god instrument, darknorth Wuji is just an ant to me. I can kill him with the witch Dragon Flame!

you're afraid of the people who are watching us, " Liu xuanxin said after some thought. that's why you can't do it directly, right? "

"Smart!"

that's right! Chen Xiaobei nodded. it's because someone is watching us that I can only control the situation from the dark! Once I use the witch Dragon heavenly flame, my identity will be completely exposed!"

you can't fight, " Liu xuanxin said. the stone statue will definitely lose. Should we go to the second stage and prepare? "

"No rush!"

"There's still a grand finale for this stage!" Chen Xiaobei said with a devilish smile.

"You still have a plan?" Liu xuanxin was surprised and full of anticipation.

Chapter 2153: Killing Nine More People

boom boom boom ... Boom boom boom ...

On the battlefield, a series of explosions could be heard as Beiming Wuji used his raging waves divine might battle technique to kill everyone.

Although the stone statue would reform again and again, it would be destroyed by Beiming Wuji again and again!

The battle seemed to have lost its suspense long ago. The people who were watching the show from behind had already lost interest.

The core elders of Heaven Covering Sect were even more at ease and weren't worried about any more danger.

But! At this moment!

Chen Xiaobei's finale was on!

"Hiss!"

A sword cry rang out without any warning. Like a Dragon's Roar, it resounded through the entire space.

No one would have thought that a piece of broken rock would burst out with boundless blood light and dye the entire space red!

His killing intent was monstrous! The baleful Qi was brutal! The blood Qi was cold!

The entire space was like the blood prison of the nine Underworlds, making this part of the world gloomy and murderous!

"It's the chaos Blood Sword!"

Liu Xuanxin's eyes lit up. "Xiaobei! Why did the chaos Blood Sword pop out of the rock? Is this part of your plan?"

Chen Xiaobei shrugged and smiled.

"Woof!"

The chaos Blood Sword unleashed all of its power and slashed toward the Heaven Covering Sect members.

The sharp blood-colored sword Qi was extremely terrifying. It was like a blood demon from another world, tearing through time and space!

"What ... What is going on? Sect master ... Sect master, save me ..."

Seeing this, the core elders of Heaven Dominating Faction all screamed and began to tremble in fear.

"This is bad!"

At this moment, Beiming Wuji was fighting with the stone statue and couldn't protect the core elders.

"Roar! Roar! Roar ..."

The chaos Blood Sword did not wait for anyone. Its blood-red ethereal force burst out and merged with the sword Qi, transforming into nine ferocious blood-red Dragons!

The Dragon's furious roar was so loud that everyone's eardrums hurt!

The Dragon's domineering pressure struck everyone's heart, causing them to feel fear from the depths of their souls!

this Nine Dragons sword is too terrifying ... It's only a one-star earth-god instrument, but its pressure is comparable to a five-star earth-god instrument ... It's incredible ...

The expressions of the tens of thousands of people at the back changed drastically. Gasps of shock rose and fell in the crowd!

"BOOM! BOOM! Boom ..."

Just as everyone was dumbfounded and trembling in fear, the nine blood-red giant Dragons had already attacked!

a giant dragon aimed at a heaven dominating faction core elder and killed him!

His strength was absolutely crushing without any suspense!

in the blink of an eye, nine heaven dominating faction elders had their bodies exploded by the blood-red Dragon! Their broken bodies exploded in all directions, and they all died without an intact corpse!

at this point, heaven dominating faction had 30 core elders, and 23 of them had died. Only nine were left!

in other words, one more attack from the chaos Blood Sword would be enough to wipe out all the core elders of heaven dominating sect!

"Swish!"

However, at this moment, beiming Wuji threw down the stone statue without hesitation and rushed over at his fastest speed.

One must know that beiming Wuji's strength was boosted by the battle technique. Not only could he block the chaos Blood Sword, but he could even grab it!

Chen Xiaobei would not take such a risk. He put the chaos Blood Sword away.

Of course, the chaos Blood Sword would not return empty-handed!

The sword rapidly released blood-colored vital essence and swept up all the storage bracelets of the twenty-three dead men!

Then, a sword soared into the sky and completely left the battlefield!

"!! ck! Who was it? Who is scheming against my heaven dominating faction!"

Beiming Wuji couldn't fly and could only watch the chaos Blood Sword fly away. He was so angry that he wanted to vomit blood!

"Sect leader! What do you mean by that? Don't tell me that someone is controlling all of this from behind the scenes?" " what's wrong? " the remaining nine heaven dominating faction elders asked in surprise.

"Do you still need to ask?"

Beiming Wuji roared,"that Blood Sword took away the dead man's storage bracelet. If it's not controlled by someone, then what is it?" Moreover, I can't communicate with the Blood Sword. This proves that the Blood Sword has an owner!"

"Who ... Who is scheming against us?" the last nine heaven dominating faction elders were all dumbfounded, and cold sweat poured down their faces.

"This person is vicious! He was merciless! more importantly, he only killed our heaven dominating sect members! They must have a deep hatred for us!"

Beiming Wuji's eyes narrowed and his expression changed drastically,"It's Chen Zhufeng! Right! It was definitely him! It was definitely him! Only Chen Zhufeng has the guts to be our enemy! Only Chen Zhufeng could be so scheming!"

the last nine heaven dominating faction elders 'faces also changed as if they had heard the name of a demon. Their pupils constricted and their bodies began to shake!

Chen Zhufeng!

these three words had already become a shadow in the hearts of the heaven dominating sect members! It had already reached the point where his expression would change!

.....

Tianji city.

"Who is Chen Zhufeng?" the long-browed elder asked in a deep voice.

yes! the elder replied. a while ago, apocalypse Starfield was in a mess. It was a kid called Chen Zhufeng who caused the chaos!

"Why didn't you report this?" The long-browed old man asked in a serious tone.

apocalypse Starfield? " the elder was startled. it's just a wasteland in the lower realm. It has low resources and weak talents. There's very little information collected there, and they basically don't report it ...

"Send someone to investigate!"

" Chen Zhufeng? " the long-browed elder frowned and said, " this Chen Zhufeng can play heaven dominating faction to death. He must be an extraordinary person! Our Tianji city actually knows nothing about such a person! This is a huge mistake!"

.....

Ten thousand Buddhas Pagoda.

"Hurry up and investigate this Chen Zhufeng!"

The skinny old monk frowned and said, "our goal is to surpass Tianji city and plan everything in the world!" How can we not have detailed information on Chen Zhufeng in our intelligence vault!"

"Yup ..."

of course! the fat monk nodded. this Chen Zhufeng is the same as Zhu Feng. They are both unknown variables. Only by understanding them can we predict the real 'future'!

.....

The temple of the gods.

"Investigate! Investigate this Chen Zhufeng immediately!"

"I want to know everything about Chen Zhufeng!" The old man said. He was as dangerous as Feng Zhu! Either you'll be subdued by us, or you'll be eradicated! There can't be a third possibility!"

.....

Nine nether platform.

should we tell the sacred leader about Chen Zhufeng? "

The red-haired man was stunned on the spot, and his expression was very conflicted. "If we tell the Holy leader, she will definitely blame us for not gathering important information!"

"Are you stupid? Hurry up and tell the Holy master!"

The eagle-eyed man said in a deep voice, "this Chen Zhufeng is the same kind of person as Feng Zhu!" If you tell the Holy master, you'll at most be scolded by her! If you don't tell her, she might kill you!"

"Uh ... I'll contact the Holy Lord immediately ..."

The red-haired man swallowed his saliva and said awkwardly, " do you think the sacred leader will bring back Zhu Feng and Chen Zhufeng this time? "

Chapter 2154: Lake Ambush

This was the second challenge of the spirit condensing immortal abode.

Chen Xiaobei and Liu xuanxin had already swum to the other side of the lake and used their ethereal force to dry their clothes. They were waiting for the remaining heaven dominating faction members to deliver the goods to their doorstep!

" Xuan Xin, you wait here. I'll personally go into the water and have some fun with the heaven dominating faction! Zhao Feng said.

Chen Xiaobei grinned, his face full of confidence.

"But I'm a little worried about you!"

"I don't know why, but the closer I get to the spirit condensing immortal abode, the more uneasy I feel!" Liu xuanxin said with a frown. It was as if something was warning me! I have a feeling that something bad is going to happen!"

"Don't worry! Even if the sky falls, I'll be there to help you!"

alright! Chen Xiaobei said confidently, " all you need to do now is to wait patiently. I'm going to turn Beiming Wuji into the commander of the light pole!

alright ... Liu xuanxin nodded. Seeing how confident Chen Xiaobei was, she did not want to say anything disheartening.

Chen Xiaobei then ordered, " Xiao 'er! You must protect Xuan Xin! If she loses even a single strand of hair, I'll punish you by forbidding you from eating anything for a year!"

The waiter flew back and forth beside Liu xuanxin. He promised her seriously, " "Bro bei, don't worry! For my delicious food! Even if I have to die, I will protect big sister Xuan Xin!"

"You're sensible!" of course! Chen Xiaobei smiled. when I find some good treasures later, I'll definitely give you a share!

When the little foodie heard that, he was instantly so excited that it was as if he had been injected with chicken blood."Bro bei is the best! Bro bei is the most handsome! I love bro bei the most!"

After that, Chen Xiaobei put on the mask and escaped into the lake.

At the same time.

everyone from heaven dominating faction and the tens of thousands of people watching from behind all came to the lake.

"Sect master ... Isn't this Lake a little too big?"

we can't! a core elder said, " our storage bracelets are sealed. We can't even take out our flying devices. It seems like we can only swim over!

"Be careful!"

"You guys wait on the shore, I'll go down and take a look first. If there's nothing else, then you guys can come down!" Beiming Wuji said solemnly.

It was obvious that heaven dominating faction only had nine core elders left and beiming Wuji could not let anything happen to them.

Otherwise, the giant sect that had dominated apocalypse Starfield for billions of years would probably be completely destroyed today!

"Plop ..."

Beiming Wuji first jumped into the water and looked around for a while, but he didn't feel anything unusual.

He was a one-star earth-god in the primordial soul realm. With the primordial soul domain activated, he could sense the situation within a radius of one to two hundred meters.

He used his primordial spirit to confirm that there was no danger underwater.

"All of you, come down!"

Beiming Wuji shouted from the water. After the 9 core elders got closer, he said, "All of you, follow closely by my side! Swim across the lake as fast as you can!"

"Yes, sir!"

The nine core elders were afraid of falling into Chen Xiaobei's trap again.

All of them were on high alert as they used all their strength to follow Beiming Wuji and swim forward.

On the shore, the 10000 people had no choice but to follow him into the water.

At first, there was nothing unusual.

Everyone swam straight ahead. There was no danger or obstruction, and the swim was very smooth.

However, as time passed, everyone gradually discovered that something was amiss.

"What's going on? Why haven't we seen the other side after swimming for so long?"

"Don't even mention the other side! Turn around and look! The riverbank where we came from is also gone!"

"How could this be? Could it be that we've been in the center of the lake all this time?"

"There's something wrong with this Lake! There must be a problem!"

At that moment, everyone was in shock. Even Beiming Wuji and the nine core elders had stopped.

"Sect leader! Did Chen Zhufeng set us up again?" The core elders asked nervously.

"I don't know if it's him ..."

Beiming Wuji said in a deep voice, "if I'm not wrong, there should be a disorientating array hidden in this Lake!" If we don't break the array, we won't be able to swim out of this Lake!

"Then what are we waiting for? Hurry up and break the formation!"

" what if Chen Zhufeng takes advantage of the chaos to attack us? we'll be in big trouble if we stay in the water! the elders were all nervous.

It was obvious that the water was not like the ground, and the strength and speed of ordinary people would be greatly affected.

The nine core elders did not dare to stay in the water. They could not wait to break the array and go ashore!

"If you want to break the formation, you must first find the location of the formation!"

"If I'm not wrong, the array must be at the bottom of the lake!" Beiming Wuji said. I can break the array, but if Chen Zhufeng comes after me, you will all die!"

Hearing this, the nine core elders all gasped. "We'll dive with the sect leader! Even if it's dangerous underwater, it's better than running into Chen Zhufeng!"

"Alright! You guys must follow me closely!"

Beiming Wuji said seriously, Chen Zhufeng is very cunning and unpredictable. You must not leave my primordial spirit domain. Otherwise, you won't even know when he will attack you!

"Yes!"

The nine core elders did not dare to dally and were all on their guard.

After which, beiming Wuji took the lead and the nine core elders followed closely behind. The group of ten then dived into the lake!

As for the tens of thousands of people, most of them were not good at diving, so they just floated on the water and waited for beiming Wuji to break the array.

In addition, a small group of people who were good at diving followed them down to find out what was going on!

Of course, this small group of people were almost all disciples of the four major forces in the earth-god Realm! All of them brought their camera equipment to monitor everything that was happening underwater!

This Lake was extremely large, and its depth was naturally extremely deep!

The deeper he dived, the greater the water pressure became. It caused heavy pressure on his muscles, bones, internal organs, and brain!

This way, everyone's diving speed became slower and slower, and the feeling of suffocation became more and more intense!

"Wuwuwu ..."

Those who did not have a strong enough physique would not be able to withstand it. Halfway down, they chose to give up and quickly resurfaced to take in some fresh air!

The nine core elders were already at their limits. Their faces were all green and they looked like they were in pain.

Beiming Wuji could naturally see it as he pointed upwards helplessly, signaling for everyone to get out of the water to take a breath.

The nine core elders felt as if they had been granted Amnesty. They all used all their strength to swim to the surface of the water!

Beiming Wuji had no choice but to go back and protect them!

"Woah! "Whoosh!!!"

However, at this moment, two terrifying forces of two-star earth-god level suddenly burst out from the water!

One was aimed at beiming Wuji!

The other one was aimed at the nine core elders!

"Oh! Oh ..."

Beiming Wuji was shocked, but unfortunately, he couldn't speak under the water!

In the end, those nine core elders were already sentenced to death before they even sensed the danger!

Chapter 2155: Powerful Enemy

"Woof!"

a deep blue lightning bolt seemed to tear the lake apart as it shot toward the nine heaven dominating faction core elders at a speed that was hard to see with the naked eye!

"Wu! Oh ..."

by the time they heard the sound, it was already too late for the nine heaven dominating faction core elders to Dodge. Moreover, they were in the water and had no way of dodging!

the two-star earth-god level energy struck the nine heaven dominating faction core elders in fear. Their pupils involuntarily contracted, and their bodies began to tremble!

At this moment, in this place, such a terrifying power could kill these nine people as easily as killing chickens!

"Woof! Buzzzzzz! Yi ..."

The dark blue lightning was actually a huge demonic claw!

Its claws were like Sickles, sharp and cold!

under the immense force, the claws ripped apart the nine heaven dominating faction core elders 'bodies like they were cutting grass.

The dismembered body floated in the lake, and blood dyed the surrounding lake water red!

in the blink of an eye, the nine core elders of heaven dominating faction all died without a complete corpse!

The number one sect in apocalypse Starfield, heaven dominating sect! All the core elders were exterminated!

"Boom boom boom ..."

At the same time, the other huge demonic claw had already landed on beiming Wuji's body!

Beiming Wuji felt as if he was hit by a Cannonball as he fell down rapidly. The little bit of oxygen he had in his chest was all spat out!

However, beiming Wuji wasn't dismembered and wasn't even injured!

Don't forget, beiming Wuji was the sect leader of heaven dominating sect! in the heaven dominating faction headquarters, he could be considered an elder!

Besides, the beiming family was a big family in the earth-god Realm! It was impossible that beiming Wuji didn't have any life-saving methods!

"Chi ..."

The armor on beiming Wuji's body glowed with a dark blue spiritual light, like a huge shield that directly bounced off the monster's claws!

That's right! The armor had reached the level of a two-star earth-god instrument!

The armor had no attack power, but it was extremely strong in defense. It was enough to protect beiming Wuji!

"Uh ... Uh ..."

Beiming Wuji wasn't injured, but he was out of oxygen and needed to resurface to catch his breath.

However!

However, that huge monster wouldn't give up so easily and continued to charge towards beiming Wuji.

It was a hundred meters tall, with a lower body like a Python, an upper body like a human, a head like a lizard, and fangs like sabers!

That's right! It was the ancient lake demon that Chen Xiaobei had conjured with the blue jade skeleton!

"Woof! Whoosh!"

The lake demon waved its claws wildly, and without any resistance from the water, it instantly caught up with the breathless beiming Wuji!

boom boom boom ... Boom boom boom ...

The claws of the lake demon might not be able to hurt beiming Wuji, but as long as it could buy some time, it would be able to suffocate him to death!

"Hmm...Hmm... Hmm .. Hmm .. Hmmm ..."

Beiming Wuji's face had already turned green and the veins on his neck were bulging. It was obvious that he was holding his breath to the extreme and if he didn't take a breath, he might even fall into a coma!

Of course, the more beiming Wuji wanted to take a breath, the more the lake demon Dharma would not let him escape!

The blue jade skeleton was already filled with spiritual weapons and could hold beiming Wuji off for three minutes. It was more than enough to make him faint!

As long as beiming Wuji lost his consciousness, he would be dead!

"Beiming Wuji! Is that all you can do?"

From afar, Chen Xiaobei was using the Nightstalker outfit's ability to hide in the water. With the water repellent bead's ability, he could see everything clearly.

I was going to say that I would kill you in the third stage! Chen Xiaobei said. it seems like I overestimated you!

"Clang!!!"

But! At this moment!

Suddenly, a terrifying five-star earth-god level sword energy slashed down from above!

The golden sword Qi was dazzling and resplendent!

The entire space was lit up as if it was daytime!

The terrifying power split the lake water and descended on the head of the lake demon Dharma form!

Before the sword completely slashed down, the aftershock of the sword Qi alone had directly crushed the lake demon Dharma power! One could only imagine how powerful the sword was!

In the next moment, a golden long sword appeared beside beiming Wuji and used his Zhen Yuan to lift him out of the lake!

"Xuan Xin's premonition was right! A huge variable has finally come!"

Chen Xiaobei's eyes narrowed, but he did not chase after them. that sword Qi just now felt very familiar. It was demonic, and it happened to be a five-star earth-god instrument!

The infinite soul ring appeared in Chen Xiaobei's palm.

Then, the Dharma laksanas of the four demon kings also appeared.

"Do you guys feel a familiar aura?" Chen Xiaobei asked.

"I feel it! It's the dark gold fantasy King Sword!"

Fantasy Gold Emperor of the four demon kings was the first to cry out, "I'm definitely not wrong! This is the aura of the dark gold fantasy King Sword!"

"It looks like the Jiang family is here!"

"The Jiang family of the Azure Dragon Imperial City are all useless!" Chen Xiaobei said. It must be the Jiang family of the Grand cloud Palace to be able to come here with the dark gold fantasy King Sword!"

The four demon kings were confused, not understanding what he meant.

Without explaining, Chen Xiaobei put them back into the infinite soul ring and put the infinite soul ring back into his body.

second senior brother isn't with beiming Wuji. That means he must be with the Jiang family!

second senior brother is a peak four-star earth-god! He will be taken away by the welcoming formation the moment he enters! I have to get into immortal mansion as soon as possible. Otherwise, Zi Yuan and Lin Dong might be in danger!"

Chen Xiaobei quickly turned around and swam towards the shore.

[your current merit points are 1341300000 (charm: 1341300000, luck: 1341300000i¼%!

In this battle, Chen Xiaobei had killed more than 30 heaven dominating faction core elders, earning him 600000 merit points. It was not a small sum!

On the shore.

Liu xuanxin looked up and saw Chen Xiaobei. She shouted in surprise, "Xiaobei! You're finally back! You're not hurt, are you? Did your operation go smoothly?"

"It's alright! Beiming Wuji has already become the commander of the light pole!" Chen Xiaobei stepped onto the shore, held Liu xuanxin's hand, and ran up the White jade stairs.

"What are we running for?" "Isn't there a third obstacle waiting for us to deal with darknorth fearless?" Liu xuanxin asked.

"The thing you were worried about has happened!"

"A group of very powerful enemies have suddenly arrived!" Chen Xiaobei said. My plan has been completely disrupted. Now, we must enter immortal mansion immediately and Find My Friends. Otherwise, they will be in danger!"

Chapter 2156: Position Swap

After stepping onto the 81 white jade steps, the entrance to the spirit condensing immortal abode finally appeared before his eyes.

It was carved from white jade and was extremely exquisite. There was a large plaque on the door with the words 'spirit condensation' written on it. It was painted in iron and silver and looked very imposing.

as expected of an ancient Earth level deity. This Jade door is full of spiritual objects. If it was before, I would have torn down the entire door and taken it away!

Chen Xiaobei sighed and pulled Liu xuanxin through the Jade door.

In the past, spiritual items were extremely rare and precious to Chen Xiaobei.

But now, anything below earth-god level was not worth Chen Xiaobei's attention. There was no need for him to stay.

After passing through the Jade door, the scene in front of him underwent an earth-shaking change once again!

This was a huge cave, and inside the cave, there was a quiet and elegant house!

The area of the house was very large. In the front yard, there were all kinds of pavilions and buildings. In the backyard, there was a huge garden with exquisite artificial mountains and flowers. There was even a lotus pond with blue waves!

"Xiaobei, do you think fairy ning Ling is still alive? Why does this house look like someone is living here?"

Liu xuanxin was a little nervous as she followed Chen Xiaobei closely.

"Fairy ning Ling is definitely not here! Otherwise, the treasure she had would not have become ownerless!"

this place is isolated from the world, " Chen Xiaobei speculated. it's free from dust. Naturally, everything is as new as before. With the nourishment of spiritual Qi, the flowers and plants are growing very well. It looks like someone is taking care of them ...

hmm, you're right ... Liu xuanxin frowned. but we've already circled the manor, and we haven't seen your friend ...

"Yes, this is indeed very strange!"

yes! Chen Xiaobei nodded and said, " my friend was taken away by the welcoming formation! Since they were welcoming guests, they would naturally welcome them to the place where the host lived! If they're not here, it means that this is not the real spirit condensing immortal mansion!"

Liu xuanxin was stunned. "According to what you're saying, isn't this the fourth obstacle after the three?"

I don't think so ... Chen Xiaobei shook his head. I've used my Blood Tribe special ability to look around. There's no fourth treasure here, not even an ordinary treasure!

"Then what should we do? We have nowhere to go in this cave!" "Why don't we leave?" Liu xuanxin asked.

"It's too late!"

no! Chen Xiaobei shook his head and said, " the enemies coming later are the Jiang family's elites from the earth-god Realm! They had used a five-star earth-god instrument in the first encounter! I'm guessing that they're also carrying a six-star earth-god instrument!"

a six-star!? what?! Liu xuanxin was shocked. if that's the case, then we'll just be courting death if we leave!

yeah ... Chen Xiaobei nodded. second senior brother knows all of my trump cards. He must have made sufficient preparations. He might even have more than one six-star earth-god instrument!

this ... Liu xuanxin panicked. the enemy is so powerful. No matter how we advance or retreat, we're all dead!

"Bro bei! Bro bei!"

At this moment, the waiter suddenly flew towards the Lotus pond and said excitedly, "I can smell the subtle scent of 'delicious food'! It's coming from this pool of water!"

"Amazing! My waiter! I didn't doze on you for nothing!"

Chen Xiaobei immediately rushed over and activated his netherspirit battlescouter. He found the Lotus pond.

there's a space gate down there that's connected to another space!

that's right! Chen Xiaobei said excitedly, "the smell that Xiao'er picked up is very subtle! It's because the food is not in this space! It's also because of this that my blood clan special ability didn't discover the 'delicacy' in advance!"

Out of respect for Liu xuanxin, Chen Xiaobei turned off his golden gaze fiery eyes again. He did not want to accidentally see Liu xuanxin's face!

"Then what are we waiting for? Let's go down quickly!"

no! Liu xuanxin said impatiently. we have no way out. We can only keep moving forward. Otherwise, the enemy will catch up to us!

"No! We're not going down!"

"The enemy is in the dark while we are in the light!" Chen Xiaobei said. They will catch up with us in one go. If we encounter any difficulties ahead, we will be trapped in a dead end with people blocking our way and chasing us from behind!"

"What ... What should we do?" Liu xuanxin was so anxious that she had no other choice but to look at Chen Xiaobei.

"Simple!"

all we need to do is to switch positions with the enemy. Let them go to the front and we'll follow behind them. We'll find a chance to ambush them!

how ... How is this possible?!

huh? "Liu xuanxin was stunned. if we want to get behind the enemy, we'll definitely run into them. That's impossible!

"Hurry! Everyone, hurry up! Let's split up and search this house! Don't miss any corner! We must find Chen Zhufeng!"

At this moment, a commotion could be heard coming from the front yard of the house. The enemies had already crossed the lake and arrived at the scene.

"Also! Everyone, remember this! Mr. Tianpeng said that Chen Zhufeng could hide his body like a chameleon in the day! All earth level deities, activate your primordial spirit domain and search carefully!"

"Finally! If Chen Zhufeng was not here, it meant that he had already left through the exit! Even if you can't find him, you must find the exit as soon as possible!"

Chen Xiaobei's guess was right. The canopy great country had indeed colluded with the Jiang family and revealed Chen Xiaobei's trump card to them.

This way, he could not use the Nightstalker outfit!

Liu xuanxin became even more nervous, 'that was fast! The enemy's speed is far beyond my imagination! Xiaobei! It'll be too late if we don't leave now!"

"Don't rush!"

Chen Xiaobei turned to the waiter and ordered, " "Waiter, later on, you'll be in charge of luring the enemy into the Lotus pond. Can you do that?"

"No problem! You can count on me!" The waiter was very confident and flew directly to the Lotus pond.

"Xiaobei! I can already hear the enemy's footsteps! Are you sure we don't need to leave?"

Liu xuanxin lowered her voice and stared at the entrance of the back garden. She was ready to fight to the death with the enemy!

"Don't be nervous!"

Chen Xiaobei was not afraid at all. He said calmly, " I'll give you a treasure. Later on, we'll both hold our breaths. This way, we'll be able to avoid the search of the essence soul domain!

"What's the point of just avoiding the primordial spirit domain?" Liu xuanxin asked in surprise. Unless the enemy is blind, they won't be able to see us two living people!"

Chen Xiaobei took out something from his pocket and said, " "Do as I say! I'm sure you'll be fine!"

Chapter 2157: The Thirteenth Young Master

"What ... What the hell is this thing ..."

Liu xuanxin's back turned black, and he said in a bad mood, " "Chen Xiaobei! Do you have a fever? Why are you taking out two strands of hair at this life and death moment?"

There were two golden hairs in Chen Xiaobei's hands!

Liu xuanxin thought that Chen Xiaobei was joking. She was a little angry. 'Can't you know what's important at a time like this?'

"Idiot! This is no ordinary fur!"

this is one of my biggest secrets! Chen Xiaobei said. I've never let anyone else see it!

this ... Liu xuanxin was confused. She had already checked Chen Xiaobei's body and there was no such golden fur on it.

Liu xuanxin's face turned red and her heart started beating faster. She was surprised that she had become so dirty.

Luckily, he had a human skin mask on so that Chen Xiaobei would not laugh at him.

"This is called prosperous monkey fur!"

"You've watched Journey to the West when you were young, right?" Chen Xiaobei grinned. It's the hair on Monkey King's body. When you add a certain amount of magic power to it, you can create 72 changes with just a breath!"

"Xiaobei!" Luo puti's face darkened and she said nervously, "Are you really sick? Why are you starting to talk nonsense!"

"I knew you wouldn't believe me!" alright! Chen Xiaobei smiled. take one and communicate with it using your spiritual energy. Then, do what I'm doing!

Chen Xiaobei then placed a high-tier prosperous monkey fur in Liu xuanxin's hand.

"Watch my 72 transformations! Huu ..."

Chen Xiaobei grinned and blew on one of his high-tier prosperous monkey fur.

In the blink of an eye, Chen Xiaobei had turned into a flying insect the size of an ant, flying around in front of Liu xuanxin.

"This ... This, this, this ..."

Liu xuanxin's jaw dropped. She started to doubt her life.

"Idiot! Don't just stand there, quickly transform! It'll be troublesome if the enemy comes!" Chen Xiaobei's voice came out of the little bug's mouth.

alright ... You ... Let me try ... Liu xuanxin was still in shock. She even thought that she was dreaming.

"Hurry up! It's very simple!" Chen Xiaobei urged.

look ... Look at my 72 transformations ... Phew ... Liu xuanxin mumbled a spell and blew on it.

The next moment, Liu xuanxin turned into a little bug as well. She was stunned by her own actions.

"Heavens! The prosperous monkey fur actually existed! So, Journey to the West wasn't made up? My God ... This is crazy!"

Liu xuanxin stood rooted to the ground. Her brain was about to short-circuit.

He could never imagine that the scenes in Journey to the West that he watched in his childhood would actually appear in reality today!

"Don't be in a daze!"

let's go! Chen Xiaobei urged. let's quickly fly to a hidden place and hide! The enemy is coming! Remember, hold your breath!"

Oh ... Liu xuanxin quickly followed Chen Xiaobei.

Chen Xiaobei and Liu xuanxin were only as big as ants. As long as they held their breath, the enemy would not notice them even if they were enveloped by the enemy's primordial spirit territory.

However, if he used the Nightstalker outfit to hide himself, the enemy's primordial spirit realm would be able to sense his human form and find him immediately.

"Hurry! Everyone, come over! Search the backyard carefully as well!"

Very quickly, the enemies rushed into the back garden and began to search carefully.

At the same time, Chen Xiaobei and Liu xuanxin were hiding in the dark, observing the enemy's situation.

The number of enemies was more than a hundred!

They were all wearing the same green clothes, which showed that they were all disciples of the Jiang family's cloud Palace!

As for the tens of thousands of spectators, they had all chosen to leave after passing the three rounds.

Ordinary people didn't have the guts to get involved in the affairs of the Jiang family of the cloud Palace!

For example, in order to save beiming Wuji in time, hundreds of innocent people were killed by the sword and their corpses were left on the lake!

Who would still dare to follow and watch the show?

Not only the ordinary people, but even the disciples of the four forces did not follow.

It wasn't that the four forces were afraid of the Jiang family, but the disciples who were in charge of monitoring them in secret were all afraid of death!

He couldn't find 'Feng Zhu' anyway, and the tens of thousands of people had already retreated.

The disciple selection plan of the four forces had come to an end. Naturally, there was no need for the disciples of the four forces to continue to monitor them in secret.

Thus, only the Jiang family and beiming Wuji were left on the scene!

There were four people in the Jiang family who were the most special.

A bald brawny man in armor kept shouting, ordering the one hundred disciples of the cloud Palace to search for clues.

There was also a hunchbacked old man in an old black robe. He squinted his eyes and looked left and right, like a venomous snake hiding in the cracks of the stone, secretly observing its prey.

Finally, there was a young man and woman in extremely gorgeous clothes.

The man had a haughty look on his face as he stood in the center of the back garden. He was like a high and mighty Emperor, looking down on all life.

The woman was standing beside the man with a smitten look on her face, her face full of a fawning smile.

The strange thing was that one of the four great demon swords of the limitless demon nation, the dark golden fantasy King Sword, was actually in the hands of this woman!

In other words, the person who saved beiming Wuji with that sword strike was this woman!

Of course, the sin of killing hundreds of vengeful souls with that sword would also be recorded on this woman's head!

"Thirteenth young master!"

The big bald man ran over, bent over, and said awkwardly, " we've passed. We didn't find Chen Zhufeng, nor the exit!

"This is impossible!"

The young man with the emperor's aura said solemnly, " "Mr. Canopy was taken away by the welcoming array! He wasn't here, and his phone couldn't be reached! This means that we haven't reached the real spirit condensing immortal mansion yet!"

"Yes ... Thirteenth young master, you have a point!" The big bald man nodded heavily, not daring to explain.

"Go and find more! If you can't find the exit in 10 minutes, all of you will die as an apology!"

The young man was extremely domineering and unquestionable. "I, Jiang haoxuan, am here to kill Chen Zhufeng under the orders of the ancestor! Chen Zhufeng is already ahead of us. We have to catch up with him as soon as possible! We can't let him escape!"

"Yes! This subordinate will immediately get people to continue searching!" The big bald man swallowed his saliva, turned around, and ran.

Jiang haoxuan's eyes narrowed and he said proudly, " "I, Jiang haoxuan, have never failed a clan mission. This time will be no exception!"

"Big brother haoxuan! You're so handsome!" The woman stood at the side with stars in her eyes. She was so infatuated with him.

At a distance.

"What are you trying to show off for?" Chen Xiaobei laughed. I am not in front of you! Behind you! Just wait to be 'directly attacked'! Hehehe ..."

Chapter 2158: Enemy's Trump Card

"Uncle darknorth, are you really certain that you saw a blood-colored longsword that was capable of producing the nine Dragons?"

Jiang haoxuan was arrogant but he was very polite to beiming Wuji.

"Don't worry, thirteenth young master!" Beiming Wuji patted his chest and promised, "I can use my life to guarantee that I definitely saw that blood-red sword!"

"That's good!"

"Mister canopy said that the blood-red sword is Chen Zhufeng's sword!" Jiang haoxuan said. This proved that Chen Zhufeng must be in immortal mansion! We'll chase after him, and Mr. Canopy will block him! Even if Chen Zhufeng had wings, he wouldn't be able to escape!"

Hearing this, beiming Wuji nodded his head and said fiercely, with the thirteenth young master here, that Chen Zhufeng will definitely die! There's no way he can survive!

The woman beside him immediately became excited and said with a smile, "That brat dared to offend the Jiang family and our beiming family. Letting him die is too easy. We will make him wish he was dead!"

"Mu Qing! Mind your words!"

Beiming Wuji replied seriously, "you are the 13th young master's fiancée!" After you marry into the Jiang family, you must always remember that our two families have already formed an alliance and are one family! Don't keep saying 'our beiming family', it will make the Jiang family's elders unhappy!"

yes ... Mu Qing will remember it ... the young lady nodded her head and restrained herself.

That's right, this woman was one of the younger generation members of the beiming family, beiming muqing!

Just now, she killed hundreds of innocent people in order to save beiming Wuji.

From this, it could be seen that the Jiang family had given her the dark gold fantasy King Sword as a betrothal gift, which was why she could control this five-star earth-god instrument!

"Thirteenth young master! "I ... I still haven't found anything ..." At this time, the big bald man ran over and said embarrassedly.

"A bunch of trash! If Chen Zhufeng can find the exit, why can't you?"

"I, Jiang haoxuan, have never failed a clan mission!" Jiang haoxuan was furious and said viciously. Are you trying to embarrass me in front of our ancestor? My brothers are all waiting to see me make a fool of myself!"

"I admit my crimes with iron guts! Please punish me, thirteenth young master!" The big bald man quickly knelt on one knee and lowered his head to admit his mistake.

His name was tu tiedan. He was extremely powerful and loyal. He was Jiang haoxuan's first general and his most trusted personal guard!

we know our crimes ... Please spare our lives, thirteenth young master ...

At the same time, the 100 disciples of the cloud Palace knelt down on one knee and admitted their mistakes in trembling voices.

From this, it could be seen that Jiang haoxuan had always been strict. He killed whenever he said so and did not care about his disciples 'lives at all!

Jiang haoxuan didn't answer. He turned to the other side and asked, " "Old Gu, have you discovered anything about your innate yin-yang eyes?"

No... the hunchbacked old man in the black robe sighed, looking very helpless.

This person's name was Gu Daosheng, and he was a psychic master. Not only did he have the innate Yin Yang eyes, but he also had a strong ability to control Yin ghosts!

Because being a psychic was a rare profession, Jiang haoxuan was very dependent on Gu Daosheng.

Even Gu Daosheng did not notice that Jiang haoxuan's mood had suddenly become irritable. if I can't find the exit and let Chen Zhufeng escape, I will become the biggest joke in the family! He might even be kicked out of the candidate list of the family's successor by the ancestor! My brothers will definitely mock me like crazy!"

"Plop!"

At this moment, a medium-sized stone suddenly fell into the Lotus pond.

It was obvious that the waiter couldn't stand by the Lotus pond anymore. He could only bite the rocks on the shore and help this group of idiots who couldn't find the exit.

"There's movement!"

Tu tiedan immediately jumped up and personally rushed to the side of the Lotus pond.

"Woof!"

Seeing that there was no abnormality in the water, tu tiedan suddenly waved the Coiling Dragon battle spear in his hand and directly stabbed it into the pool.

The Coiling Dragon battle spear was naturally a high-grade earth-god instrument.

However, tu tiedan didn't activate the power of the Coiling Dragon battle spear. Instead, he used his own vital essence to enhance the power!

"Boom boom boom ..."

Who dared to think about it! This guy was actually a three-star earth-god!

The terrifying fire ethereal force was like a scorching sun, blasting into the Lotus pond, splashing the water everywhere, and even evaporating more than half of it in an instant!

"The thirteenth young master!"

Tu tiedan cheered excitedly, "found it!" There was a small spatial gate at the bottom of the pool! Quickly come over and take a look!"

"That's great! Let's go!"

Jiang haoxuan waved his hand and led his men to surround them.

The hundred disciples of the cloud Palace felt as if they had been granted Amnesty. Fortunately, they had found the exit. Otherwise, Jiang haoxuan would have killed them all to atone for their crimes!

"Go! Let's go down!"

Jiang haoxuan was the first to jump into the lake and enter the space gate.

"Everyone, hold your weapons! Be careful of Chen Zhufeng's sneak attack!" Beiming Wuji had enough of what Chen Xiaobei had done to him, so he kept his guard up.

"Seventh uncle, don't be so nervous!"

"Me, old Gu, and tie dan tu each have a five-star earth-god instrument!" Beiming muqing smiled. Brother haoxuan and Mr. Tianpeng both have a six-star earth-god instrument!"

"In addition, these one hundred Grand cloud Palace disciples can form a sealing battle formation! Even if Chen Zhufeng has three heads and six arms, he's going to die today!"

Everyone around him nodded in agreement.

"I'm warning you! Don't ever underestimate Chen Zhufeng!"

Beiming Wuji said with a serious face, "It's because I underestimated him that I ended up in this state today! This time, even if I make it back alive, the headquarters won't let me be the sect master of the branch ..."

"Alright, everyone, listen to the sect master of the darknorth sect!"

Gu Daosheng narrowed his eyes and said solemnly, "this is the spirit condensing immortal abode after all!" Other than Chen Zhufeng, we still have to be careful of other dangers. It's better to be safe than sorry!"

"Yes, sir!" Everyone agreed in unison.

It was obvious that Gu Daosheng had an extremely high prestige among the crowd, and the weight of his words was second only to Jiang haoxuan.

"Let's go! Don't let the thirteenth young master wait!" Tu tieyu waved his hand and led everyone into the space gate.

Soon, there was not a single person left.

Chen Xiaobei and Liu xuanxin flew out, and the magical power of the high-tier prosperous monkey fur disappeared.

"Xiaobei! You're amazing! I really have to give it to you!"

Liu xuanxin praised, "you managed to switch positions with the enemy with just a little trick!" If we didn't need to save your friend, we could have just turned around and left!"

"If it's possible, I really want you to go first!"

you heard it! Chen Xiaobei said, " the enemy's trump card completely overpowered mine! This battle will be extremely dangerous, and it may be a great calamity for me!"

"You can't!"

"I've already said that I want to go with you!" Liu xuanxin refused. If you live, I live! Even if you're in danger, I won't try to escape!"

Chen Xiaobei's heart was filled with warmth. He nodded and said, " "It seems like I can't persuade you! Let's go! Let's work together and survive this disaster!"

Chapter 2159: The Lotus Fairy

Chen Xiaobei had Xiao 'er go through the portal to make sure that the Jiang family had already left.

After that, Chen Xiaobei and Liu xuanxin followed him through the portal.

Chen Xiaobei was right. This new dimension was not the real spirit congealing immortal abode, but the dimension where the fourth obstacle was located.

The surrounding vegetation was lush and green.

From the perspective of a normal person, this space was a huge forest.

But Chen Xiaobei's concern was completely different. it seems like the core of this space is a wood-elemental earth-god item!

"What earth-god item?" Liu xuanxin asked.

the yellow jade talisman represents the earth element, the blue jade skeleton represents the water element, and the Golden Lion Jade seal represents the gold element.

of course! Chen Xiaobei said. spirit fairy is a master in researching the five elements. Of course, she would have the wood and fire elements!

"According to what you're saying, there will be a fifth obstacle after this one?" Liu xuanxin asked.

"Not necessarily ..."

no! Chen Xiaobei shook his head. the first three obstacles are connected but this one is set up in an independent space! It's completely isolated from the outside world!

"What does this mean?" Liu xuanxin was confused.

"Among the five elements, green wood gives birth to fire!" what?! Chen Xiaobei said, " who knows? this forest might turn into a sea of fire!

wood gives birth to fire!?

Liu xuanxin's heart skipped a beat. "You mean to say that the fourth and fifth trials are linked together? Once he passed the green wood trial, he would activate the raging fire trial! Furthermore, once the wood is ignited, the fire will be even more terrifying!"

"Smart!"

Chen Xiaobei nodded. that's just my guess. Let's move forward slowly. The enemy will help us verify it!

"Yeah!"

"The enemy is in front of us!" Liu xuanxin exclaimed. Even if the sky collapsed, they would be there to hold it up! Xiaobei, you're so smart!"

After that, Chen Xiaobei and Liu xuanxin slowly walked forward.

Xiao 'er flew back and forth in the middle, helping to confirm the distance between Chen Xiaobei and Liu xuanxin and the enemy, preventing them from entering the enemy's primordial spirit realm.

.....

In front of them, the enemy was advancing very quickly.

"Thirteenth young master! Let's slow down!"

Beiming Wuji had suffered enough, he was extremely alert, don't be reckless! Don't fall into Chen Zhufeng's trap again!

Jiang haoxuan was a very proud person. He did not even take Chen Xiaobei seriously."Uncle beiming, you're a hero in your own right. Have your courage and spirit been crushed by Chen Zhufeng?"

it's not that I don't have the guts. It's that Chen Zhufeng is too cunning!

Beiming Wuji's face was filled with pain,"He's an old fox! No! He was more cunning than an old fox! Maybe he's hiding in the dark right now, waiting to see us make a fool of ourselves!"

"Uncle darknorth, you're being way too careful!"

"Chen Zhufeng was trying to attack you in the lake, but he was scared away by Mu Qing's sword!" Jiang haoxuan said. What did this mean? It means that Chen Zhufeng's trump cards are all in his storage treasure and he can't take them out!"

"The only thing Chen Zhufeng can do now is run! Only by escaping from the immortal mansion could he survive! Even if he has a hundred guts, he wouldn't dare to stay and scheme against us!"

Jiang haoxuan's expression was proud and his smile was profound. It was as if he had seen through and controlled everything. He was exuding a mysterious confidence!

"Brother haoxuan is too handsome! You're so handsome!" Beiming muqing continued to display her infatuated nature. As long as Jiang haoxuan said something, it was definitely right. There was no need to doubt it.

As for Gu Daosheng and tu tiedan, they naturally supported Jiang haoxuan unconditionally.

Beiming Wuji could only keep his mouth shut and move forward.

"Look! There's another lotus pond ahead!" Tu tiedan pointed to the front and shouted, " "Is there another space gate at the bottom of the pool?"

"Take some people to take a look!" Jiang haoxuan stopped in his tracks. He was like an Emperor giving orders, but he did nothing.

"You guys! Follow me!" With a wave of his hand, tu tieyan led ten disciples and charged directly towards the Lotus pond.

"Whoosh ..."

When everyone stepped within a hundred meters of the Lotus pond, a mysterious change occurred in the lake.

The dense green wood true essence emitted from the thousands of lotuses, directly condensing into an extremely beautiful lotus fairy Dharma form above the lake!

"Eh? This girl is so pretty! It's a pity that she's a spirit body. Otherwise, I would have dragged her to bed!"

Tu tiedan licked his lips, and his face was full of smiles. One look and you could tell that he was a lecherous man.

The ten disciples of the cloud Palace were also laughing.

"This can't be fairy Ningling's Dharma, right? She was indeed very beautiful! Look at that little face, it's really, really charming!"

it's a pity that fairy ning Ling is already dead. Otherwise, she would definitely be taken in as brother iron gut's concubine!

hehe, brother tie dan slept with fairy Ling ning. Just thinking about it makes me happy!

Obviously, in the eyes of these ten disciples of the cloud Palace, tu tiedan was very strong. They had nothing to worry about following tu tiedan, and they could make any joke they wanted.

"Woof! Buzzzzzz! Yi ..."

But! At this moment, 11 beams of green wood true essence shot out from behind the Lotus fairy Dharma form.

This true essence was like a tree vine that spun hundreds of times and was as sharp and powerful as a whip!

Judging from his speed and strength, he had already reached the level of a three-star earth-god, which was not an ordinary kind of tyrannical power!

"Not good!"

Tu tie was shocked. He quickly activated his three-star earth-god level vital essence and waved the Coiling Dragon Spear in his hand at the same time, displaying a powerful and heavy Army obliteration!

"Woof!"

The battle spear was enhanced with the burning fire true essence and drew a sharp red arc!

Their strength was equal, and their attributes countered each other. The green vine true essence that was struck by the Scarlet Fire arc immediately dissipated, and no one was injured!

However, five of the green vine true essence managed to avoid the arc of fire with a swift movement!

"Bang! Bang! Bang! Bang ..."

Five green vine true essence lashed on the five disciples of cloud Palace like long whips!

What followed closely was a silent and dull explosion!

Five perfectly fine living people had their bodies split open, blood and internal organs bursting out. They died on the spot!

"F * ck! Killing my little brother in front of me, this is like slapping my face!"

Tu tiedan was furious. He took a step forward, and the fire true origin all over his body soared. It was as if he had directly transformed into an unparalleled fire god, which was very impressive.

"Heavenly Fire! Fen changkong!"

Tu tiedan roared in anger. The fire ethereal force burning all over his body was completely added to the Coiling Dragon battle spear! With the power to split a mountain, it suddenly struck towards the Lotus fairy's Dharma form!

"Xiaobei! There's a fight in front!"

"Big Baldy's fire ethereal force should be able to solve the green wood trial easily!" Liu xuanxin said nervously.

"I don't think so!"

Chen Xiaobei shook his head and smiled. "This is the fourth obstacle! A three-star earth-god couldn't handle it! Hehe!"

Chapter 2160: Sudden Change

"BOOM!"

With a loud explosion, tu tiedan's Coiling Dragon battle spear, like a meteor, drew a dazzling Crimson arc and heavily smashed the head of the Lotus fairy's Dharma idol!

"Big brother iron gut will definitely win! At the same level of battle-power, true essence can completely suppress that hair, so there's no reason for him to lose!"

brother tie dan is indeed the number one general under the thirteenth young master. He's so fierce!

this fairy spirit condensation's immortal abode is nothing more than this. In front of brother iron gut, all the difficulties are nothing!

All of a sudden, all the disciples of the cloud Palace in the Grand View were flattering tu tiedu, believing that he would definitely win.

Jiang haoxuan and the other leaders all had calm expressions. They didn't think that there was any suspense in the battle. They only had to wait for tu tiedan to settle everything before they could continue.

"Woof!"

But! At this moment! On top of the Lotus fairy's head, a lotus flower made of water attribute true essence bloomed!

They were both three-star earth-god level, but the element restraint suddenly became water restraint fire!

"What ... What is going on?"

Tu tie was shocked, and his expression changed drastically.

However, the move had already been used, and the distance was extremely close. Tu tiedan was already unable to change the situation, so he could only brace himself and attack!

"BOOM! Boom boom boom ..."

There was a terrifying explosion of energy, as violent as Mars hitting earth.

Tu tiedan's true Yuan was restrained. Although he wasn't defeated, the Coiling Dragon battle spear had been directly bounced away, leaving tu tiedan wide open!

"Woof! Buzzzzzz! Yi ..."

In the next moment, the Lotus fairy directly rushed towards tu tiechan, and lotus flowers actually appeared with each step!

After the water lotus, there was a Lotus Dharma of gold, wood, earth, and fire-four elements of vital essence!

"Shit! This Dharma form can actually control the five elements true essence!"

Tu tiedan's heart suddenly trembled, and his pupils shrank involuntarily. Infinite fear came from the depths of his soul, and his body and mind trembled.

"Swish!"

The Lotus of wood fused with the Lotus of fire, and the fire instantly grew. Wood begets fire!

The Lotus of fire then merged with the Lotus of earth, and its power continued to rise. Fire begets earth!

The earth Lotus flower merged with the gold lotus flower, and its power increased again. Earth begets gold!

Finally, the gold lotus flower merged with the water lotus flower, and gold begets water!

In the blink of an eye, the water lotus flower, which was originally only at the three-star earth-god level, was directly pushed to the power of a peak three-star!

That's right! This was the magical effect of the five elements reinforcing each other!

"BOOM!"

The strengthened water lotus flower moved at an even faster speed, making it impossible for tu tiedan to escape. It directly smashed into tu tiedan's chest!

With the power of a peak three-star, coupled with the water ethereal force suppressing the fire ethereal force, tu tieyan's protective ethereal force was directly shattered!

"Pfft ..."

The water lotus flower still had some energy left, and it struck tu tiedan's body again, causing him to spit out blood and be seriously injured in an instant!

"Bang ..."

Tu tiedan's robust body was sent flying dozens of meters away, creating a huge pit on the ground.

If it wasn't for the two-star earth-god level armor he was wearing, this blow might have directly taken tu tiedan's life!

"Blargh! Pfft ..."

Tu tiedan was paralyzed on the ground, vomiting blood repeatedly. After struggling for a long time, he finally took out a healing pill from his inner pocket and ate it. He barely stopped the internal bleeding, but his injuries did not seem to improve much.

After all, tu tiedan already had a three-star earth-god level body. He would need at least a four-star earth-god level pill to have an immediate effect on his injuries.

However, a four-star earth-god level pill was extremely precious. Even tu tiedan did not have one.

If he wanted to completely recover from today's injuries, he would probably need a few months, or even a dozen months!

At the thought of this, tu tiedan was extremely vexed and wanted to give himself two tight slaps!

Originally, with the Coiling Dragon battle spear in hand, tie dan tu could directly exert the power of a five-star earth-god. But because he had underestimated his enemy, not only was he instantly defeated, he was also seriously injured!

He had suffered a double loss! He was simply stupid!

"Swish!"

Tu tiedan had just caught his breath when the water lotus flower attacked again, wanting to completely crush tu tiedan!

"Help ... Help ..." He cried.

Although tu tie Dan's name was tie dan, at this moment of life and death, he was still so frightened that he screamed!

He was seriously injured. If no one came to save him, he would really be finished!

"Xiaobei! You're really awesome! As expected, you guessed right! The bald man lost!" Liu xuanxin said excitedly.

Chen Xiaobei shrugged and said, " I passed the first three levels one by one, so I naturally know these Dharma forms. They are all proficient in the five elements of true essence, so it's not surprising that I guessed it right!

"That big bald guy is dead!" Liu xuanxin smiled and said, "this way, Xiaobei's plan will succeed!" He would switch positions with the enemy and let them block the knife in front! It's safe and easy for us to follow behind!"

"Don't be happy too early!" that's right! Chen Xiaobei said, " the Jiang family has many experts here. It won't be difficult to save that guy!

"Phew ..."

As expected, with a gust of cold wind, the hunchbacked old man, Gu Daosheng, raised a dark blue hundred ghost banner and charged out!

The blue hundred ghost banner was a five-star earth-god instrument!

As Gu Daosheng charged forward, his power was directly activated without any reservation!

"Wuuu! Aowuu ..."

In the next moment, hundreds of terrifying malevolent spirits rushed out of the blue hundred ghost banner.

They were like an Army of zombies, bursting with a terrifying murderous aura, as if no living creature would survive wherever they stepped on.

Moreover, their speed was extremely fast. They had acted later than the water lotus flower, but they had arrived at the scene a step earlier, protecting tu tiedan.

"Woof! Buzzzzzz! Yi ..."

The water lotus arrived one step behind, but due to the huge difference in strength, it was torn to pieces by the hundreds of zombies in the blink of an eye.

"Wuwuwu ... Wuwu ..."

The 100 zombies and evil spirits didn't seem to have any intention of stopping her. They continued to rush forward and surrounded the Lotus fairy Dharma idol like zombies eating people. They began to gnaw at her madly!

In just a few seconds, the Lotus fairy's Dharma form had turned into ashes and no longer existed!

thank ... Thank you, old Gu ... tu tiedan's life was saved. It could be considered a great fortune in the midst of misfortune.

"You may leave!" Gu Daosheng held the Blue Flag of a hundred ghosts in his hand and walked to the Lotus pond alone.

Gulp ... Gulp ...

At the same time, the water in the pool began to boil and gradually turned red.

"This ..."

Gu Daosheng frowned slightly and squinted his eyes to observe carefully. His expression suddenly changed and he screamed in surprise, " thirteenth young master, save me!

Only to see! The clear Lake water had actually turned into boiling lava!

The lotuses on the water surface all burst into flames, shining with golden light and turning into a pool of flaming golden lotuses!

Each of the blazing golden lotuses exuded a strong pure yang aura. This was the greatest nemesis of evil spirits!

"Woof! Buzzzzzz! Yi ..."

In an instant, thousands of flaming golden lotuses bloomed like fireworks. They suddenly exploded and completely enveloped Gu Daosheng and the hundred zombies and evil ghosts.
