Red Envelope Group of the Three Realms

Chapter 2161: This Group Of Idiots

The power of these blazing flame golden lotuses was also at the peak of the three-star earth-god Realm.

However, the pure yang attribute was the nemesis of evil spirits. It was enough to defeat the hundred zombies and evil spirits.

"Woof! Buzzzzzz! Yi ..."

As expected, before the blazing flame Golden Lotus could even land, the pure yang aura alone was enough to burn the hundred zombies and evil ghosts to the point where smoke was coming out of their bodies. They were severely injured and were shrieking.

"Don't ... Don't ..."

Gu Daosheng also started to scream.

One had to know that Gu Daosheng had spent a lot of time and effort to cultivate these one hundred zombies and evil spirits!

Gu Daosheng's heart clenched at the sight of these evil spirits being injured, just like how he was injured.

However, Gu Daosheng didn't dare to take back these zombies and evil ghosts!

After all, Gu Daosheng was only a two-star earth-god Himself. Once he recalled these evil ghosts, any flaming Golden Lotus could take Gu Daosheng's life!

Of course, even if Gu Daosheng didn't take back these evil ghosts, he would still have died.

When the thousands of flaming golden lotuses fell, the evil spirits who lost them were destined to be destroyed.

This way, the hundred ghost banner in Gu Daosheng's hands would become an empty shell without any power. Gu Daosheng's death could only be slowed down slightly, but it would not change anything!

thirteenth young master ... Help ...

In such a situation, Gu Daosheng had no other choice but to ask for help!

"Why do you need my big brother haoxuan to take action in such a small situation?"

Right at this moment, beiming muqing brandished the dark golden fantasy King Sword in her hand, instantly activating the power of a five star earth-god.

The terrifying gold ethereal force slashed out a terrifying golden sword Qi in the air.

A dark shadow flickered within the sword Qi, as if a Demon King was hidden within it. While it was dazzling, it also exuded a kind of sinister and terrifying murderous aura.

"Woof!"

With a sharp whistling sound, the golden sword Qi leaped hundreds of meters, directly sweeping from where Beiming Muqing was standing to the Lotus pond in the distance!

The dark golden fantasy King Sword had reached the level of a five-star earth-god, and its power could definitely suppress the thousands of fiery golden lotuses!

The golden light turned into a long rainbow as the sword slashed down. The thousands of flaming golden lotuses were annihilated in its path without any ability to resist!

"We're saved!"

Gu Daocheng heaved a sigh of relief as he watched the blazing flame Golden Lotus vanish. The fatal danger was finally over.

However, in the next second, Gu Daosheng was so frightened that his face turned pale and he ran away. Those ... Those strange lotus flowers have gathered again!

Metal and fire true essence poured out of the lotus pond!

Once again, they formed thousands of flaming golden lotuses!

"Mu Qing, attack again!"

At this moment, Jiang haoxuan's eyes narrowed and he said seriously, " there's a magical formation hidden at the bottom of the pool. If we destroy it, we can end the battle!

"No problem!"

Beiming muqing was Jiang haoxuan's die-hard fan, so she took a step forward.

This woman looked to be only 25 or 26 years old, but she already had the speed of a one-star earth-god!

If she came to apocalypse Starfield, all the young geniuses on the minor heavenly fate ranking would have to kneel on the ground and shout "six six six six"! None of them could be compared to her!

From this, it could be seen how strong the foundation of the beiming family in the earth-god Realm was!

At the same time, it could be seen that the earth-god Realm was full of powerhouses! Geniuses were everywhere! It was the battlefield of the paragons! It was also the stage for the true dragon to ascend to the heavens!

Only there could one touch the strongest power in the mortal world! The highest position! The greatest power!

"Fantasy King! Thousand chance transformation!"

Beiming muqing suddenly let out a low growl. The sword in her hand instantly unleashed the power of a five star earth-god, and the power was even stronger than before!

"Wuwuwuwu!"

In the next moment, a huge Dharma laksana of a Demon King was formed!

It had horns on its head and wings on its back! It had four arms and claws, and its feet were like that of an Eagle! His entire body was covered in golden battle armor, making him look like a Yimo war god. His might was unparalleled, and he was overbearing!

That's right! This was one of the four great demon kings of the limitless demon nation, the magical image of Fantasy Gold King!

"Boom boom boom ..."

Illusion gold King took a step forward, and the entire space trembled.

With his special ability, he transformed his four demonic arms into four huge swords. Then, like lightning, they suddenly poured into the Lotus pond!

With a violent explosion, it was as if a nuclear bomb had exploded in the pool. The pool water was blasted into the sky, and the land on the shore was blasted into pieces!

At the same time, the magical formation hidden at the bottom of the pool was also completely destroyed!

"Pheew ..."

The illusion gold King's Dharma power had used up all of its spiritual energy and gradually dissipated.

All of the reconstructed blazing flame golden lotuses in the air were also destroyed, never to be reconstructed again.

"Big brother haoxuan! I've already cracked the array! How was it? I'm amazing, right?"

Beiming muqing smiled like a lovestruck girl. The battle had been very easy for her. In comparison, she was more concerned about Jiang haoxuan's evaluation.

"You've done well!"

Jiang haoxuan responded indifferently, appearing very arrogant and cold.

Beiming muqing, on the other hand, was infatuated with love. Hearing this evaluation, she was so happy that her mouth was crooked from smiling.

It was clear that beiming muqing was deeply in love with Jiang haoxuan.

"Let's continue forward!"

Jiang haoxuan's expression was cold as he walked forward quickly. He was very anxious. This damn place has wasted a lot of my time. I have to speed up and catch up with Chen Zhufeng!

"Let's go ..."

Beiming Wuji and beiming muqing followed closely behind.

The one hundred Grand monastery cloud Palace disciples followed suit.

Tu tiedan and Gu Daosheng followed at the back of the group with dejected expressions.

"How are your injuries?" Gu Daosheng asked.

his internal organs are injured, and his sea of Qi and dantian are also injured ... tu tiedan sighed deeply and was extremely depressed."Before I fully recover, my combat power will be greatly reduced ..."

"You're okay. You're just injured. You can still rely on the Coiling Dragon battle spear ..."

Gu Daosheng's face darkened and he was in a bad mood. I'm really unlucky. More than half of the zombies and evil spirits are injured. If we fight again, I can only exert the strength of a three-star earth-god and I'm afraid I'll be a burden to the thirteenth young master!

Al ... tu tiedan sighed, " who would have thought that such a powerful formation was hidden in this damn place? we've suffered a great loss ...

"That's not right! Chen Zhufeng was in front of us, so he should've crashed into the formation first!"

Gu Daosheng's eyes narrowed, and he became vigilant."Why is there no trace of a battle at the edge of the Lotus pond? How did Chen Zhufeng get through the Forbidden Zone?"

that's hard to say. Chen Zhufeng is very strange. He might have other ways to get through the array! tu tiedan shook his head.

"What kind of method will it be?" Gu Daosheng's brows furrowed. He thought for a moment and asked, " do you think Chen Zhufeng is behind us? "

"How is this possible?"

we're not blind! tu tiedan shook his head. if Chen Zhufeng had run in front of us and ran behind us, wouldn't we have seen him already? "

you're right ... Gu Daosheng nodded."Maybe I'm thinking too much,"

Behind them.

Chen Xiaobei's lips curled into a devilish smile. "This group of idiots broke the formation but didn't go into the water! The two treasures of fairy Ningling are mine! Hehe!"

[Red Envelope Group of the Three Realms](#)

Chapter 2162: Being Attacked From Both Sides

"Xiaobei! You're so bad!"

Liu xuanxin followed behind Chen Xiaobei and said with a smile, "Exchange positions with the enemy, let the enemy suffer the injuries, let the enemy suffer the losses, and let the enemy solve the difficulties! In the end, you'll get all the benefits!"

"What do you mean by bad? I'm obviously crushing you with my intelligence, okay?" Chen Xiaobei grinned. He was in a good mood.

"Yes, yes, yes! You're the smartest!" Liu xuanxin's lips curled into a smile. When she was complimenting Chen Xiaobei, she was very happy and proud.

Outside of Holy realm dwellers 'mansion, Chen Xiaobei and Liu xuanxin expressed their feelings for each other and broke the barrier between them. Naturally, their relationship improved by leaps and bounds.

Even though Liu xuanxin had not taken off her mask, she had already accepted Chen Xiaobei in her heart.

As a woman, Liu xuanxin was naturally happy and proud that her man was so smart.

When Chen Xiaobei heard this, he was even more happy and his steps became lighter.

wait by the shore for a while. I'll go down and take a look. I'll be back soon!

Chen Xiaobei then jumped into the pool alone.

Just like the previous three obstacles, this was the fourth and fifth obstacle that fairy ning Ling had set!

They were the wood and fire attribute arrays!

Chen Xiaobei had personally passed the first three levels, so he knew that every formation had a treasure to suppress the core of the formation!

However, the enemy had not even seen the shadow of the treasure along the way. Naturally, they would not have thought that there were two treasures hidden here!

Just like what Liu xuanxin had said, the enemy should be the one to suffer the most, and the enemy should be the one to overcome the most difficult part! In the end, all the benefits were taken by Chen Xiaobei!

"Pfft ..."

Not long after, Chen Xiaobei swam out of the water with a piece of Jade in each of his hands.

"I found it! Let's continue forward!"

Chen Xiaobei jumped onto the shore and grinned. hurry up and keep up with the enemy's footsteps. Let's see if there's any chance to pick up the scraps!

After that, they used the same old method. Xiao 'er flew between the enemy and Chen Xiaobei to ensure that they were at a safe distance.

Chen Xiaobei and Liu xuanxin followed behind them, relaxed and happy.

"Xiaobei, what were those two treasures? Is it powerful?" Liu xuanxin asked curiously.

"Look, a piece of Green Lotus and a piece of red flame Jade!" Chen Xiaobei showed Liu xuanxin the two pieces of jade.

One of them was a lotus flower carved out of top-grade Jade.

The other piece was a flame-shaped jade pendant made of top-grade red jade.

"This Green Lotus Jade contains a formation of a mid to late three-star earth-god! Fairy Green Lotus's Dharma form was condensed from this formation!"

"As for this Crimson flame Jade, it's a little special!" Chen Xiaobei said.

"How special?" Liu xuanxin asked.

it's not like that! Chen Xiaobei explained, " spirit fairy must have planned to set up a four-star earth-god level formation in the Crimson flame jade pendant. Unfortunately, she made a mistake and the formation is flawed! Therefore, if you can't form a Dharma, your power will only be at the peak of the three-star earth-god level!"

"That's a pity ..."

Liu xuanxin sighed and said,"fairy Ling ning is a five elements true energy Grandmaster. She has achieved a lot in her life!" Unexpectedly, the last piece of the five Element precious Jade was actually not perfect! I'm afraid that when she passed away, she also felt very regretful!"

"Don't worry! I will make up for her regrets!"

I'll do it! Chen Xiaobei raised his brows. I'll modify this flawed Crimson flame Jade to its perfect state!

"Do you have a way?" Liu xuanxin asked in surprise.

I can't do anything for now ... Chen Xiaobei shrugged."This is the first time I've seen someone fuse a formation into a Jade!"

"You're talking big!" you don't know anything! Liu xuanxin said. how are you going to make up for fairy Ningling's regrets? "

"I don't understand, but I can learn!"

"My Sifu knows everything!" Chen Xiaobei grinned. My brothers, there's nothing you don't know! I'll just ask them later!"

"Your master and brothers?"

Liu xuanxin's expression changed. "I've never known who your master is. To be able to train such a monster like you, he must be very powerful, right?"

"Of course!"

I can't tell you who my Sifu is for now! Chen Xiaobei said excitedly. but I can tell you that he is unbelievably powerful! When he was at his peak, he could fight four powerhouses of the same realm!"

it doesn't sound that powerful ... Liu xuanxin frowned. Xiaobei, you can take on a few hundred opponents of the same cultivation level, right? "

"These are two completely different things!"

"At my Sifu's level, he can take on four people at once! That's so cool!" Mighty, domineering, and invincible! You won't understand even if I tell you now, but you'll understand in the future!"

Oh ... Liu xuanxin nodded. She believed that Chen Xiaobei's Sifu was very strong, but she could not imagine how strong he was.

Chen Xiaobei did not explain because, based on Liu xuanxin's current knowledge, she would not be able to understand what a heavenly Saint was!

Sect leader Tongtian and the God-killing sword formation could not be broken even by the four heavenly path sages!

That was the most terrifying combat power below Dao ancestor!

Even if Chen Xiaobei did not explain now, Liu xuanxin would still hear countless legends about the prime of Tongtian when they were in the divine realm!

.....

another space gate has appeared in front of us!

Jiang haoxuan squinted his eyes. fairy Ling ning is proficient in the five elements of true essence. We've already passed through the five arrays of metal, wood, water, fire, and earth. If nothing goes wrong, we'll reach the real immortal abode after passing through this door!

"Then what are we waiting for? Let's go quickly!" Beiming muqing said excitedly.

"Stop! We can't go there rashly!"

Jiang haoxuan glanced at beiming muqing with disdain and said coldly, " Mr. Tianpeng was taken away by the welcoming array and hasn't called me yet. This means that there might be some danger in immortal mansion!

"Thirteenth young master, you have a point!"

that's right! beiming Wuji agreed, " Mister Tianpeng is a four-star earth-god and he has a six-star earth-god instrument borrowed from the Jiang family. If even he is trapped, it means that the immortal mansion is extremely dangerous!

"Then what should we do?" Chen Zhufeng is already there, " beiming muqing said. are we not going to chase after him? "

"Simple!"

Jiang haoxuan smiled coldly and pointed at the disciples of the cloud Palace. "You guys, go and take a look! What's the situation? call me!"

"As ... As you wish ..."

The faces of the disciples who were pointed at instantly turned ashen.

From the bottom of their hearts, they didn't want to go, but with Jiang haoxuan's personality, they would definitely die if they didn't listen.

The few disciples had no choice but to pass through the space gate.

Behind them.

Xiao 'er flew back to Chen Xiaobei's side and said, "Bro bei! The enemy has stopped in front of a spatial gate!"

"It doesn't matter. We'll wait for a while too." Chen Xiaobei shrugged his shoulders, looking very calm.

But! At this moment!

A commotion suddenly came from the forest behind them!

"What's the matter? There are still pursuers?"

Chen Xiaobei immediately activated his golden gaze fiery eyes and saw a large group of Tenshou Warriors surrounding them.

That's right!

These were the people that the pantheon Palace had sent to capture 'Zhu Feng'!

[Red Envelope Group of the Three Realms](#)

Chapter 2163: Life And Death Gamble

"How could it be like this? Didn't the people behind retreat? Why are there still pursuers?"

Liu xuanxin asked worriedly.

"This is indeed troublesome ..."

Chen Xiaobei was also frowning, his eyes filled with anxiety. We killed two Tenshou Warriors outside immortal mansion. They claimed to be disciples of the pantheon. This group of pursuers must have been sent by the pantheon!

"Isn't the temple of the gods in the earth-god Realm? They're too fast!" Liu xuanxin was in disbelief.

"This isn't strange ..."

they'll be able to reach the second level of the starry sea in an instant by using the portal. With the help of an earth-god grade flying treasure, they'll be able to get there quickly!

Liu xuanxin became even more nervous and thought, 'we're in big trouble! The Jiang family's people are standing still in front of us, and the enemies behind them are catching up. We're now surrounded by enemies from both sides, and we're in a dilemma. What should we do?'

"To be honest, I can't think of any good ideas now ..."

"There's only one high-tier prosperous monkey fur left!" Chen Xiaobei said. And the strongest trump card in my hand is only the five elements Jade that I just obtained. Facing the powerhouses of the top forces in the earth-god Realm, I will definitely lose!"

it seems like we can only take a gamble ... Liu xuanxin said nervously. "We've all changed our appearances now. I hope we can fool them!"

let's hope so ... Chen Xiaobei sighed. He was not confident.

The enemies were very close to them. If everything went as planned, Chen Xiaobei and Liu xuanxin's primordial spirit territory would have been locked on.

It was too late to escape, and he couldn't win.

Just as Liu xuanxin had said, under such circumstances, they could only rely on their new looks. If they could fool her, they would survive. If they could not, they would die!

This was a gamble! A gamble with his life!

Chen Xiaobei sighed and said, "It's all my fault that I'm too weak, causing you to have to gamble your life ... If I can survive today's tribulation, I'll definitely become stronger at all costs! I won't let you fall into a dangerous situation again!"

"How can you be blamed for this?"

you're improving at a godly speed, " Liu xuanxin said. in my eyes, you're the strongest Man. There's nothing you can't do!

"Don't praise me ... I can't do it this time ... Life and death depend on luck ..." He said.

"I'm so lucky! Chen Xiaobei sighed. I'm willing to use up all my luck if I can get through this and keep you safe ...

"Idiot! Get your spirits up! Stop sighing!" Liu xuanxin calmed herself down and said encouragingly, "You have to believe in yourself, and you have to believe in me! The nickname you gave me, is it a lie?"

"Nickname? That's right!"

Chen Xiaobei's eyes lit up. "You're my goddess of luck. With you around, my luck will definitely explode! We'll definitely be safe and sound!"

"You're right!"

Liu xuanxin smiled. She was actually very nervous and worried, but in order to encourage Chen Xiaobei, she tried her best to appear calm and composed.

"Who are you two? Did you see a guy named Feng Zhu?"

The Tenshou Warriors quickly surrounded them.

The leader was a middle-aged warrior in red armor with a purple and green dual blade at his waist.

Spiritual light flickered on the armor, as if there were flames burning!

The cold glint on the two blades was sharp, as if there was life flowing through them!

The point was that the middle-aged man did not use his true essence or spiritual Qi. The strange phenomenon on the armor and dual blades was completely the strange phenomenon of his own high-grade materials!

From this, it could be seen that the armor and the Twin blades were both high-grade earth-god instruments!

If it was activated, the flames could burn the sky and the killing intent could freeze space!

Anyone who could own such an earth-god instrument must be a first-class expert in the earth-god Realm.

Chen Xiaobei used his netherspirit battlescouter and was shocked.

[ding Yingying's cultivation base: ???] [lifespan: ???] [physical body: ???] [combat power: ???]

The netherspirit battlescouter couldn't see through this man's strength!

Last time, hell King had helped to strengthen the netherspirit battlescouter, but it hadn't been strengthened by much because of the short time.

The master-protecting puppet could only resist the power of those below the five-star earth-god level.

Correspondingly, the detection ability could only detect five-star earth-god level.

This meant that the leader of the Tenshou Warriors was at least a six-star earth-god!

Furthermore, Chen Xiaobei could tell that this person's cultivation level was even higher than that of a seven-star earth-god!

This was because the welcoming array of the spirit condensation immortal abode had forcibly taken away the seven-star earth-god Lin Dong witch. From this, it could be seen that the welcoming array was about the level of a seven-star earth-god!

The welcoming array could not take away the leader of the Warriors by force!

This meant that this person had probably reached the eight-star earth-god Realm!

Even in the earth-god Realm, an expert of this realm could be ranked among the top. He was terrifyingly powerful!

"Our loftiness Lord is asking you a question! Didn't you hear me?" A young Tenshou warrior shouted angrily.

y-yes, I did ... Chen Xiaobei nodded and started to show off his acting skills."We're just ordinary treasure hunters, and we're here to try our luck in the spirit condensation immortal abode!"

"Nonsense!"

The young Tenshou warrior shouted, " the explorers have already run away. You two must have ulterior motives!

Chen Xiaobei's acting was superb. He said weakly, " "To tell you the truth, we wanted to run too, but when we saw the people of cloud Palace enter the immortal mansion, we followed them from a distance to see if we could pick up some scraps ..."

"So you just want to take advantage of me!"

The young Tenshou warrior laughed in disdain. the people of the Jiang family aren't kind people. If they find you, they'll definitely kill you!

yeah ... Chen Xiaobei said, " "We were also afraid of being discovered, so we followed from a distance ..."

"No more nonsense!" Feng Zhu? " the young Tenshou warrior asked, " have you seen a man named Feng Zhu? "

"Feng Zhu?"

I've heard of his name but I've never seen him in person. Otherwise, I would have captured him and sent him to beiming Wuji! Chen Xiaobei said.

"Hmph! Just you?"

The young Tenshou warrior said in disdain, " "Feng Zhu is a talent favored by King of pantheon. Who are you to arrest him? You're overestimating yourself!"

yes, yes, yes ... I was overestimating myself ... Chen Xiaobei's face was full of acting, but he was laughing on the inside.

The young Tenshou warrior turned to the side and said respectfully, " Your Excellency, these two weaklings have been following the Jiang family. If they want to see Feng Zhu, the Jiang family should be the first to see him!

"Yes, let's go!" The middle-aged warrior named loftiness Musashi nodded his head and stepped forward.

Chen Xiaobei and Liu xuanxin heaved a sigh of relief. After this, things would be much easier!

"Hiss ..."

But! At this moment!

Liu xuanxin gasped, and her expression changed drastically.

[Red Envelope Group of the Three Realms](#)

Chapter 2164: Super Powerful Enemy

"Shit ..."

Liu xuanxin's pupils contracted uncontrollably, and her body trembled violently as if she had just received a huge shock. Her legs went weak, and she could not even stand properly.

"What's wrong with you?" Chen Xiaobei quickly went to help Liu xuanxin up.

Liu xuanxin was shocked. the enemy's pressure ... It's too terrifying ... I can't withstand it at all ...

Chen Xiaobei suddenly understood!

So, the reason why the loftiest commander said that he was leaving was so that Chen Xiaobei and Liu xuanxin would let down their guard. Then, he would suddenly release his aura and expose Liu xuanxin!

This loftiness martial artist was simply too sinister!

"Capture the two of them!"

The loftiness Lord stopped in his tracks and said indifferently, " "They're all wearing human skin masks! Tear them down and let me see their true faces!"

this person is so smart ... Chen Xiaobei was shocked. He did not expect the enemy to be so scheming!
how did he know that we were wearing masks?!

Liu Xuan was shocked. He could not imagine how the loftiest Musashi could see through Chen Xiaobei's flawless mask!

Chen Xiaobei's mask was even better than the best disguise! Not only was his appearance perfect, but his expression and skin color were also extremely natural. There was no flaw to be found at all!

If one were to look at Chen Xiaobei with their naked eyes, the loftiest Musashi would definitely be the first person to see through his mask!

As for how the ascendance military commander had seen through it, Liu xuanxin could not figure it out no matter how hard she racked her brains.

"The problem lies in the sweat!"

this guy is too smart! First, he pretended to leave so that we would let our guard down. Then, he released his aura to expose you! Chen Xiaobei said.

"When a person is extremely frightened, they will usually break out in cold sweat! However, your sweat was blocked by the mask, so he concluded that we were wearing masks!"

Liu xuanxin was stunned by his words.

Never in his dreams would he have thought that the loftiest commander would have schemed so much in just a few short seconds.

No wonder even the extremely intelligent Chen Xiaobei could not help but praise his intelligence!

since you've admitted it, don't resist and show your true colors!

The ascendance military chief's expression was calm, and his tone was also extremely calm. However, his body exuded a domineering aura that seemed to control the entire situation.

Liu xuanxin's state of mind had long been shaken. Her heart was beating wildly, and her body was trembling. Cold sweat was pouring down her body like rain. She did not have the courage to reject Tian Chong Musashi!

Chen Xiaobei's state of mind was different from ordinary people, so he was not affected much. I know where Feng Zhu is. If you let her go, I'll tell you where Feng Zhu is!

"Ha, what right do you have to bargain with me?" "Even if I kill this woman, you'll still have to obediently tell me everything you know!" The loftiest Tibet martial artist said disdainfully.

Chen Xiaobei said, " "If you dare to hurt a single hair on her head, I will definitely exterminate your entire family!"

"Ha, hahaha ..."

Upon hearing this, the loftiness commander laughed in disdain. "Do you know how laughable it was for an ant to say that he wanted to annihilate the entire family of a God of heaven?"

The Tenshou Warriors around them laughed and looked at Chen Xiaobei as if he was an idiot.

In their eyes, the difference between Chen Xiaobei and the loftiest Musashi was like the difference between an ant and a God!

How dare Chen Xiaobei say that he wanted to exterminate the entire Tian Chong Musashi family? this was the biggest joke in the world! He was simply too stupid!

"Xiaobei! With these words of yours ... I have no more regrets in this life ..."

Just as everyone was feeling disdainful, Liu xuanxin was touched.

"It's all my fault for being too stupid back then. If I had known your feelings earlier, I wouldn't have to wear a mask all day to hide from you ..."

I can't believe it! Liu xuanxin cried in despair. I can't believe that the day you see my face will be the day we die ...

"Don't talk nonsense!"

you're my lucky goddess! With you around, we'll definitely be able to get out of this safely! Chen Xiaobei said. You were just encouraging me, weren't you?"

I was just pretending to be calm ... Liu xuanxin's face was filled with despair. She was on the verge of a mental breakdown, and all the optimism she had left disappeared.

"You two! Don't put on a sad show here!"

The young warrior from before said disdainfully, "Are you going to take off your masks or do you want us to tear them off?"

Xiaobei, you can finally see my face ... Liu xuanxin was in complete despair. Her eyes were red, and hot tears flowed down her face.

In Liu xuanxin's mind, she had imagined countless scenes of her meeting with Chen Xiaobei.

But he never dreamed that it would be like this!

They could meet in one second, but they could die in the next. There was no time to talk about all the things in the past.

To Liu xuanxin and Chen Xiaobei, this was a huge regret.

"I'm not looking!"

"Trust me!" Chen Xiaobei said. We won't die! I'll have plenty of opportunities to slowly look at you in the future!"

"This kid is really stupid to the point of being incurable!"

The young warrior said disdainfully, "What time is it? You still think you won't die? I'm telling you clearly! Even if the gods descended to the mortal world today, they wouldn't be able to save you! Brothers! Let's go!"

Xiaobei ... If it's possible, you should run away on your own ... Liu xuanxin's tears fell like rain.

Chen Xiaobei was filled with regret.

Along the way, Liu xuanxin had warned him more than once that something bad was going to happen!

Unfortunately, Chen Xiaobei was only wary of the Jiang family and the canopy great country. He did not expect that he would be targeted by the top forces of the earth-god Realm!

In the face of an enemy so powerful that it was impossible to defeat, failure and death had long been determined!

Chen Xiaobei still had one high-tier prosperous monkey fur left. He might have a chance of escaping!

"There's no such thing as escape in my life!"

Chen Xiaobei took out the five elements Jade and said, "Even if I die, I will die in battle!"

With a single thought, the five pieces of jade began to glow and float in front of Chen Xiaobei.

"Heh, this kid actually still wants to resist? He really doesn't know his place!" The young warrior drew his Katana and swung it at Chen Xiaobei.

The surrounding Warriors laughed and waited for Chen Xiaobei to be killed.

However, the ascendance military commander praised him in his heart. "How many storms has this kid experienced? He had actually honed such an extraordinary state of mind! Not only can you withstand my pressure, but you can also face death as if it's nothing! At such a young age, it's simply unbelievable!"

"Chi ..."

At the same time, a bone-chilling cold wind suddenly swept through the air, causing even Tian Chong Musashi to shiver.

Everyone looked in the direction of the wind, and their eyes were filled with fear.

The next moment, a white shadow flew in front of Chen Xiaobei and stared at the group of Warriors coldly.

"Get lost!" He only said one word.

[Red Envelope Group of the Three Realms](#)

Chapter 2165: Netherworld Black Sparrow

"What ... What is this ..."

Both Chen Xiaobei and Liu xuanxin were confused. They had never seen such a strange creature before!

From its appearance, it was a bird the size of an adult.

However, from the details, its eyes were sharper than an Eagle's, and its wings and tail were more gorgeous than a Phoenix's!

More importantly, the White Yin Qi that it emitted was like that of an evil ghost. It was extremely evil and creepy!

What Chen Xiaobei and Liu xuanxin could not understand was why the white bird was standing in front of them and telling the Warriors to get lost!

In other words, this white bird was protecting Chen Xiaobei and Liu xuanxin, even going as far as to fight the Warriors!

One had to know that the loftiness martial ancestor was at least an eight-star earth-god!

This white bird of prey had actually taken on the chongtian Musashi head-on. Just how powerful was it?

Why would such a powerful bird of prey want to protect Chen Xiaobei and Liu xuanxin?

If a battle were to break out, would this space be able to withstand the power of the two Supreme experts?

What if this white bird of prey lost?

Chen Xiaobei and Liu xuanxin's minds were filled with countless questions.

However, in the next second, Chen Xiaobei and Liu xuanxin were shocked again. Their worldview was refreshed, and they even began to doubt their lives!

"Lord ... Lord netherworld Black Sparrow ..."

Just a moment ago, the loftily domineering Asmodai was now like a cowardly grandson. He greeted submissively, "What wind has blown you here? Did Sir Holy master come with you?"

"If you shouldn't ask, then don't! I told you to get lost, so get lost!"

The netherworld Black Sparrow's voice was old, but it exuded an extremely heavy aura. Every word was like a mountain, pressing down on the group of Warriors until they could not breathe.

"This ..."

The ascendance warrior was taken aback. I'm here under the orders of the king of gods to capture a small fry. Could Lord Black Sparrow make an exception ...

"Whoosh ..."

The netherworld Black Sparrow did not answer, nor did she make any movement.

There were only specks of white Yin Qi that flew towards the group of Warriors like snowflakes.

"Get lost ... I'll get lost now!"

The loftiest Tibet martial was so frightened that his expression changed drastically. His pupils contracted like needles, and cold sweat broke out uncontrollably. He immediately took to his heels, not daring to say another word!

"Ah ... Argh! Uh ..."

The next moment, the group of Tenshou Warriors screamed in pain.

Their speed was not as fast as the loftiest martial artist's, and when the White Yin Qi touched their bodies, they were actually set ablaze with white ghost fire!

Their bodies cracked one after another, and their internal organs turned into blood and flowed out. Even their bones melted with it, leaving nothing behind!

With his netherspirit battlescouter, Chen Xiaobei was even more shocked to see that the spirits of the Warriors were burned into ashes in an instant!

what a terrifying ability ... Even if the chongtian Musashi was touched by it, he would be severely injured, if not killed!

Chen Xiaobei was dumbfounded.

what a terrifying killing intent ... It's even more terrifying than the might of the revered heaven martial artist ... If it were to be exerted on me, I'd be dead ...

Liu xuanxin was also dumbfounded. Her heart was beating so fast that it felt like it was going to jump out of her mouth! His clothes were already soaked in cold sweat!

Just as Liu xuanxin had said, the netherworld Black Sparrow's killing intent was directed at the group of Warriors!

If it was directed at Liu xuanxin, her mental state would collapse in an instant. Her mind and brain would be severely damaged. Even if she was not scared to death, she would become demented!

"Many thanks for senior's life-saving grace!" Chen Xiaobei quickly cupped his hands and thanked the netherworld bird.

thank you, senior ... Liu xuanxin did not dare to be impolite and quickly thanked him.

"You don't have to thank me!"

The netherworld bird turned around and looked at Chen Xiaobei. "If you want to thank someone, you should thank yourself!"

"Thank myself?" Chen Xiaobei was surprised. "This junior is slow-witted and doesn't understand senior's meaning!"

"Before you entered immortal mansion, your performance successfully aroused the interest of my Holy master. She asked me to come and save you!"

"If it wasn't for your good performance, I wouldn't have cared about you at all. So, you only need to thank yourself, no need to thank me!" The netherworld Black Sparrow said.

this ... Chen Xiaobei and Liu xuanxin were both stunned.

He would never have thought that the one who broke this deadlock was Chen Xiaobei himself!

Of course, Chen Xiaobei did not dare to be arrogant. He said humbly, " "No matter what, I still have to thank senior! And thank that Holy master!"

"It's fine to thank my Holy master, but it's too early for you to thank him!"

to you, it's impossible for you to defeat the loftiness martial ancestor, " the netherworld Black Sparrow said. this has messed up the Holy Lord's plans, so the Holy Lord has asked him to get lost!

"However, you have to deal with the Jiang family on your own! If you can't even deal with an unranked force like the Jiang family, then you're not qualified to see my Holy master, and your thanks are even more meaningless!"

Chen Xiaobei and Liu xuanxin's world view was refreshed once again.

In their opinion, even if the Jiang family was not a first-class force in the earth-god Realm, it should not be a problem to be considered a second or third-class force.

But it was good! In the netherworld Black Sparrow's words, the Jiang family was nothing!

From this, one could see how vast the earth-god Realm was! How terrifyingly powerful was the earth-god Realm?

Chen Xiaobei felt even weaker than before!

He had to raise his power at all costs!

If he did not have enough power, he would not even be able to move a single step in the earth-god Realm, let alone pass the immeasurable catastrophe!

"Senior! May I ask who the Holy master is?"

I'll admit that I'm very weak now. I don't have the right to see her! Chen Xiaobei said. But I swear, one day, I will be strong enough! I'll definitely thank her personally!"

"You don't need to know the identity of my Holy master!" "When you're qualified, I'll find you and bring you to her!" The netherworld Black Sparrow said.

alright ... If you're not going to tell me, I won't ask ... Chen Xiaobei said."Do you need the storage bracelets of those Warriors, senior?"

"Heh, you're so funny! Why would I be interested in that trash?" The netherworld Black Sparrow smiled.

"Then I won't be polite!" Chen Xiaobei released his ethereal force and took all the storage bracelets into his hands.

In fact, to Chen Xiaobei, these things were basically trash.

But Chen Xiaobei had the heaven and earth smelt that could turn waste into treasure!

In the near future, these pieces of trash would become the spiritual aura of heaven and earth, contributing to Chen Xiaobei's cultivation!

I've completed my mission. Next, it'll depend on your performance! The netherworld Black Sparrow said indifferently and flew away.

"That Holy master should be watching me in the dark!"

Chen Xiaobei said, " I'll definitely deal with the Jiang family and let her know that she didn't misjudge!

Red Envelope Group of the Three Realms

Chapter 2166: Unexpected Gain

thirteenth young master, I think I heard some movement behind us ...

Gu Daosheng squinted his eyes and looked very alert. As a great spiritual master, he had a very subtle premonition.

"Don't worry about what's behind us. Our people have been there for so long! He's not back, and there's no phone call either. He must be in danger!"

Chen Zhufeng! Jiang haoxuan furrowed his brows and said, " I have a feeling that they fell into Chen Zhufeng's trap! If we continue to waste time, Chen Zhufeng will definitely escape!"

"Why don't we do it this way? we'll split into two groups!"

"Thirteenth young master, take some men and go after Chen Zhufeng. I'll go to the back and check!" Beiming Wuji said. After all, I'm the sect leader of heaven dominating sect's branch. Both the black and white forces will give me some face and I'll warn them not to come and mess things up!"

"This is also good!"

Jiang haoxuan's eyes narrowed. uncle beiming won't be able to take out his six-star earth-god instrument for the time being anyway. Leave the battle to us. You can just take care of the rear!

"Alright!"

Everyone reached a consensus, and Jiang haoxuan led his men through the space gate.

Beiming Wuji quickly walked to the back.

Behind them.

"Bro bei! Bro bei!"

The waiter flew back first and said, " "Jiang haoxuan left with his men, and beiming Wuji is coming towards us alone!"

"What? Beiming Wuji is here?"

Liu xuanxin was shocked. What should we do now? Beiming Wuji has a six-star earth-god weapon, raging wave heaven splitting saber. We can't fight him at all!"

"Idiot!"

Chen Xiaobei laughed. he has already put the raging wave heaven-splitting blade back into his storage bracelet. The bracelet is sealed here. If he comes back, he'll just be sending himself to his death!

"Oh, right!"

Liu xuanxin heaved a sigh of relief. beiming Wuji can't take out his earth-god instrument, but Xiaobei, you have the five elemental spiritual Jade. You can easily defeat him!

"That's right! We just need to wait for him to deliver the food!"

Chen Xiaobei grinned and tore a piece of cloth from the dead body next to him. He then wrapped the storage bracelets of the Tenshou Warriors and tied them to his back.

In Chen Xiaobei's eyes, beiming Wuji coming back alone was like sending himself to his death. He would even give his storage treasure to Chen Xiaobei.

It was a surprise, even more so than the delivery man.

"This is called, if you don't die in a great disaster, you'll be blessed!" Liu xuanxin's lips curled into a smile. She was not worried about this battle at all!

"That's why I said you're my goddess of luck!" Chen Xiaobei's mood was lifted. "With you around, I'm always able to obtain lucky gains!"

"Who are you two!" By then, beiming Wuji had already made his way over to Chen Xiaobei and Liu xuanxin with a serious look on his face. He deliberately released his powerful aura to intimidate Chen Xiaobei and Liu xuanxin.

"Funny!" you don't even know who I am! Chen Xiaobei laughed. you deserve to be played by me!

"You ... What do you mean?" Beiming Wuji's expression changed as he asked in surprise, "Why do you say I've been played by you?"

"Heh, your intelligence is only so-so, beiming Wuji!" Chen Xiaobei chuckled and took off the human-skinned mask.

you ... Y-y-you ... beiming Wuji's entire body froze on the spot as if he had been struck by lightning. His heart was beating wildly, his scalp was numb, and his limbs were cold. He couldn't believe his eyes!

Liu xuanxin was shocked as well. She did not expect Chen Xiaobei to take off his mask.

The netherworld bird and the mysterious Holy leader were watching him. If Chen Xiaobei took off his mask, his true identity would be revealed!

Of course, from what the netherworld bird had said, it was clear that the mysterious Holy leader had already guessed Chen Xiaobei's identity!

Chen Xiaobei wanted to treat her as a friend, so he did not mind revealing his true self to show his sincerity and friendliness.

"Chen Zhufeng? How could you be behind us?" Beiming Wuji felt like his brain was about to short-circuit.

The Jiang family members were all chasing after Chen Xiaobei, but none of them had expected that Chen Xiaobei would be right behind them!

By the looks of it, not only beiming Wuji, but the entire Jiang family was being played by Chen Xiaobei!
It was simply a crushing of intelligence!

Chen Xiaobei said, " no need to talk nonsense. If you want to live, kneel down obediently!

"PAH!"

don't think that I don't know what you're hiding. You only have a one-star earth-god grade sword hidden in your body. Not only am I not afraid of you, I'm going to kill you myself! beiming Wuji said in disdain.

One had to know that an earth-god instrument would consume a huge amount of spiritual Qi to make a move.

Even if each earth-god instrument was filled with spiritual Qi, it could only be used for 10 moves.

However, beiming Wuji was a one-star earth-god Himself. As long as his dantian wasn't exhausted, he would be able to keep on attacking!

Simply put, after ten moves, the spiritual energy of the chaos Blood Sword would be exhausted, but beiming Wuji could still continue to attack! Moreover, the chaos Blood sword's spiritual Qi had been exhausted. It could only make one or two more strikes!

Furthermore, beiming Wuji still had the raging waves divine might battle technique. In terms of strength, he could suppress the chaos Blood Sword and had an absolute advantage!

That was why beiming Wuji was not afraid of Chen Xiaobei at all. He even wanted to take Chen Xiaobei down on his own!

From a normal person's point of view, beiming Wuji would win this battle without a doubt.

Even so, Chen Xiaobei and Liu xuanxin were not moved at all. They even wanted to laugh.

"Jingtao! Rise!"

Beiming Wuji didn't hesitate at all. With a loud roar, a crazy amount of water elemental energy burst out from his dantian.

At the same time, the "raging waves divine might battle technique" suddenly activated, and another force in the sea of Qi dantian supplemented his true essence.

"Boom boom boom ..."

The water ethereal force from beiming Wuji's body was like a tsunami crashing down on Chen Xiaobei and Liu xuanxin!

Beiming Wuji didn't hold back at all in this punch. His one-star earth-god strength was completely unleashed!

At the same time, the power of the "raging waves divine might battle technique" gushed wave after wave into his fist!

The waves behind pushed forward!

Each wave was stronger than the last!

This punch was enough to send the chaos Blood Sword flying. The remaining power of the fist was enough to kill Chen Xiaobei and Liu xuanxin!

Chen Xiaobei took out the Golden Lion Jade seal and said, " although it feels like using a sledgehammer to crack a nut, I've filled it with spiritual energy. I can't waste it, can I? "

"Roar!"

With a beast King's roar, the special ability of the Golden Lion Jade seal was instantly activated, and a Golden Lion Dharma power was condensed!

Its body was like a mountain, its mane was pure gold, and its head was like a bright sun, dazzling and eye-catching!

"What ... What is this ..."

Beiming Wuji's face turned pale and his pupils shrunk.

[Red Envelope Group of the Three Realms](#)

Chapter 2167: Must Enter

"Roar!"

The Golden Lion didn't waste any time and immediately launched a fierce attack at the stunned beiming Wuji!

Before the infinite space ring was sealed, Chen Xiaobei had already filled the Golden Lion Jade seal with one billion low-grade spiritual Qi!

At this moment, 100 million points of spiritual energy had been consumed in an instant!

Then, the terrifying power of a three-star earth-god burst out!

The dazzling gold ethereal force quickly condensed into a set of golden armor, which was put on the Golden Lion!

The Golden Lion Dharma form, which was already as huge as a mountain, grew even larger after wearing the armor.

Impressive! It was domineering!

It was like an ancient beast King had descended into the world, and all the living beings in the world had to submit!

"My God ... Three-star ... Three-star earth-god Dharma idol ..."

Beiming Wuji was so scared that he started to scream. His body trembled and cold sweat poured down like rain!

Intense fear gushed out from the depths of his soul, almost causing beiming Wuji's mental state to collapse!

In the earth immortal realm, one small realm was 33 heavens away! There had almost never been a precedent of a battle above one's level!

At this moment, there was a difference of two small realms between beiming Wuji and the Golden Lion!

There was no suspense at all in such a battle! Victory and defeat had been decided from the very beginning, and it was impossible to change it!

"Woof!"

The Golden Lion suddenly waved its sharp claw!

The armored lion's claw was like a golden armored war chariot, crushing towards beiming Wuji with the power to split the earth!

"No!"

Beiming Wuji screamed like a woman.

In the face of absolute power, beiming Wuji's pride and dignity were instantly crushed.

His mental state collapsed and he lost all will to fight! Beiming Wuji was completely terrified, "Sect leader Chen, please spare me! I admit defeat ... I'll kneel ... I beg you ... Please spare my life ..."

He was the sect leader of the heaven dominating faction, the number one expert on the great heavenly fate ranking! He knelt on the ground and kowtowed to Chen Xiaobei!

Liu xuanxin was stunned by what she saw.

He thought that beiming Wuji would fight to the death, but he was actually such a coward!

In comparison, Chen Xiaobei's domineering attitude of not running away was the real man!

"Good! I can spare your life!"

Chen Xiaobei grinned and took out the small bottle that he had prepared earlier!

Then, he took out a high grade heavenly dog biscuit and threw it to beiming Wuji!

"If you eat this, I won't kill you!" Chen Xiaobei's lips curled into a devilish smile.

It was obvious that beiming Wuji's identity was special. Not only was he from heaven dominating sect, he was also from beiming family!

The beiming family and the Jiang family were allies, so Jiang haoxuan was very polite to beiming Wuji.

If Chen Xiaobei could successfully recruit beiming Wuji, he would definitely become an extremely useful chess piece.

"I ..."

Beiming Wuji froze on the spot and didn't dare to eat the high-grade heavenly dog biscuit.

However, the Golden Lion's war chariot-like claws were right above beiming Wuji's head!

If he refused, the sharp claws would immediately come down and smash beiming Wuji into a pile of meat paste!

"I'll eat ..."

Beiming Wuji hesitated for a while and finally decided to eat the high-grade heavenly dog biscuit.

If he didn't eat it, he would die without a doubt!

If he ate it, he might still have a chance of survival!

"Whoosh ..."

Obviously, beiming Wuji's choice was right!

After beiming Wuji ate the high-grade heavenly dog biscuit, the Golden Lion Dharma disappeared and no longer threatened his life.

Of course, the price was that beiming Wuji would become demented and acknowledge Chen Xiaobei as his master.

"Master ..."

From this moment on, beiming Wuji had become a loyal dog that was 100% loyal to Chen Xiaobei.

"Tell me, what the hell are the Jiang family doing in front?" Chen Xiaobei asked.

there's a space gate in front of us. Jiang haoxuan surmised that we'll reach the real spirit condensing immortal mansion after passing through that gate!

Beiming Wuji said,"but Mister canopy has been welcomed into the immortal abode by the welcoming array and we haven't been able to contact him!" Jiang haoxuan was worried that there was danger in the immortal abode, so he sent people to explore the way! The main force is just waiting at the front, and there are no special conspiracies!"

"Heh, it seems like I overestimated Jiang haoxuan!" "I thought he stopped because he found something!" Chen Xiaobei laughed. He didn't expect that it was only because he was afraid! The people of the Jiang family are nothing more than this!"

"Master, there's something I can't figure out ..."

"Why did the welcoming array only take Mister canopy?" beiming Wuji asked. Why can't the other earth Immortals be taken away?"

"You can't even figure this out? Did a dog eat his brain?"

"There are five obstacles in the spirit congealing immortal abode!" Chen Xiaobei said. The most powerful one has the power of a peak three-star earth-god!"

"In other words, the four-star earth-god is the dividing line! Those who had reached the four-star earth-god Realm could easily pass all the obstacles! It's actually the same whether or not you pass the trial. You'll naturally be picked up by the welcoming array!"

as for those below the four-star earth-god level, if they want to enter the Holy realm dwellers 'mansion, they have to rely on their own abilities to pass through the levels one by one. Therefore, they won't be affected by the welcoming array!

as for those who are above the seven-star earth-god Realm, unless they are willing, the welcoming array can't invite them at all!

Chen Xiaobei analyzed the welcoming array of the spirit congealing immortal abode in detail.

"I understand ..."

Beiming Wuji was enlightened,"those below 4-star must pass the test, so the welcoming array will naturally not accept them!" For four-star and above, there's no need to break through the barrier, and the welcoming array will welcome the guests with courtesy!"

"This is strange!"

Liu xuanxin frowned and said, " "Since you're welcoming me with courtesy, why can't you contact the outside world after entering the immortal mansion? What's the difference between this and being imprisoned?"

"You've hit the point!"

Chen Xiaobei said, " "Jiang haoxuan's speculation is not without reason! There might be great danger in the real immortal mansion!"

"What kind of danger will it be?"

Beiming Wuji became nervous,"Mister Tianpeng is a peak four star earth-god and he has a six star earth-god instrument that the Jiang family lent him!" If even Mr. Tianpeng can't handle it, then the danger is too terrifying!"

I'm guessing that this danger might be related to the death of fairy ning Ling! Chen Xiaobei said.

Liu xuanxin and beiming Wuji were both shocked.

Liu xuanxin exclaimed, " no way ..."Even fairy Ling ning died in this danger! If we go, won't we have no way to survive?"

"No wonder even Mr. Canopy is trapped inside!" "Master, let's not go in ..." Beiming Wuji said in fear.

"No!"

Chen Xiaobei said, " my friend and second senior brother are both inside. Even if it's a Dragon's pool or a Tiger's Den, a mountain of blades or a sea of flames, I have to go in!

[Red Envelope Group of the Three Realms](#)

Chapter 2168: Strange Array

"Master, this is the place ..."

In front of the space gate, beiming Wuji stopped and said, " "Jiang haoxuan and the others have already gone there! If there's any danger, they won't be able to escape!"

Chen Xiaobei nodded and ordered, " "Give me your storage bracelet! Then, you go in first, we'll come in later!"

"Yes, sir!" Without hesitation, beiming Wuji took off the storage bracelet and handed it to Chen Xiaobei.

Obviously, this storage bracelet not only contained the six-star earth-god equipment, the raging wave heaven-splitting saber, but also beiming Wuji's personal resources and even the key to the heaven dominating faction's Treasury!

To Chen Xiaobei, this storage bracelet was the biggest reward of this operation!

However, the bracelet was sealed, so he couldn't take out the things inside.

Chen Xiaobei took it first because he was afraid that if beiming Wuji was in danger and lost the bracelet, it would be a huge loss!

"The enemy will find out that he lost his storage bracelet, right?" Liu xuanxin asked.

"This is very simple." Chen Xiaobei took out a Tenshou storage bracelet from his bag and gave it to beiming Wuji.

Chen Xiaobei put on beiming Wuji's storage bracelet so that he would not lose it.

To Chen Xiaobei, this was definitely a great deal.

Soon after.

Everything was going according to plan. Beiming Wuji first went through the space gate.

a few minutes later, chen xiaobei, liu xuanxin, and xiao 'er followed him through the portal.

In an instant, the scene in front of everyone's eyes was once again turned upside down.

This was a huge, gloomy and terrifying cave!

The surroundings were dark, damp, and filled with a deathly aura that sent chills down one's spine!

At the far end of the cave, there was a ball of blue flame that was swaying and flickering like a ghost!

Those who didn't know better would think that it was the entrance to the Nine Hells!

Xiaobei ... Liu xuanxin wriggled beside Chen Xiaobei and whispered, " "This damn place has nothing to do with immortal mansion! It's more like a ghost mansion ..."

"I was right!"

Holy realm dwellers 'mansion? " Chen Xiaobei said, " everything is normal outside Holy realm dwellers' mansion, but this is what's happening inside! This means that fairy ning Ling was killed by an enemy!"

according to what you said ... Liu xuanxin frowned. "The immortal abode is now in the hands of fairy spirit condensation's enemy?"

Chen Xiaobei shook his head. it must have been controlled by her enemies back then. However, fairy ning Ling was an ancient Earth level deity. As time passed, her enemies might have already passed away!

that's right! Liu xuanxin thought for a moment and said, " in other words, the danger here was left behind by fairy spirit condensation's enemy!

"Smart!"

that's right! Chen Xiaobei nodded. judging from the situation, that person must be a very powerful spiritualist. I'm afraid that there are many powerful evil spirits in this blessed Grotto-heaven!

evil ghost!?

Liu xuanxin's expression changed. "Isn't there a great spiritualist in the Jiang family's team? He should be able to solve this kind of danger, right?"

"I hope he can ..."

what? " Chen Xiaobei frowned. if the old Hunchback can solve this problem that even spirit fairy can't handle, he will be helping us!

that's right ... Liu xuanxin nodded. "It'll be troublesome if we're also in danger ..."

let's go! Chen Xiaobei said. no matter what the danger is, I have to save second senior brother and my two friends! Advance slowly and be careful!"

"Alright!" Liu xuanxin nodded.

Then, the two of them walked towards the center of the cave.

Originally, this cave should have been fairy Ningling's abode, but it had now become a land of death.

In addition to the blue will-o'- the-wisp, the atmosphere was even more eerie and terrifying.

"Strange ..."

Standing in the middle of the cave, Chen Xiaobei frowned. this cave isn't that big. I can see the surroundings clearly with a glance. Why aren't any of the people who just came in here? "

it's indeed strange ... Liu xuanxin said nervously, " "Beiming Wuji was here a few minutes earlier than us, but he's nowhere to be seen. What's going on?"

"Wuuu! Aowuu ..."

At this moment, a shrill howl of an evil spirit suddenly burst out from the ball of blue ghostly fire!

"I won't! There's a formation!"

Chen Xiaobei was shocked. He quickly turned around and tried to pull Liu xuanxin to his side.

But! At this moment!

A pair of bloody claws appeared from the ground beneath Liu xuanxin's feet. They grabbed Liu xuanxin's clothes and dragged her to the ground!

That's right! It was to pull him down into the hard rocky ground!

The ground was originally made of rocks, but after the ghastly claws reached out, it became like a swamp, causing Liu xuanxin to sink into the ground!

"Xuan Xin! Don't be afraid! I'm here to save you!"

Chen Xiaobei's expression changed. He immediately charged at Liu xuanxin.

"Don't come over ... Be careful of your feet ..." He said.

Liu xuanxin was terrified, but she was still worried about Chen Xiaobei's safety.

"Shit ..."

As expected, before Chen Xiaobei could take another step, his legs were grabbed by dozens of ghost hands, and his body began to sink into the ground.

"What kind of magical formation is this ... It's too strange! My body can't use any strength, and my sea of Qi dantian is sealed ..."

Chen Xiaobei was extremely nervous. He desperately tried to break free from the claws, but he could not use his physical strength or ethereal force.

Now that things had developed to this point, all the strange things that had happened before could be explained.

Zi Yuan, the Lin Dong witch, Tian Peng, the Jiang family, and beiming Wuji were all dragged into the ground by this strange array.

Because of this, there was not a single person in the cave!

Those who were trapped by the array had no way to make a phone call to inform the people behind them!

"Chi ..."

While Chen Xiaobei was struggling, Liu xuanxin had been completely dragged into the ground!

The swamp-like ground became hard again!

"Xuan Xin!"

Chen Xiaobei felt like he had been struck by lightning, as if his most precious thing had been taken away! His pupils contracted uncontrollably, and his brain seemed to have short-circuited, unable to think about the problem!

"Bro bei! Hurry up and use the cleansing Bodhi! Otherwise, you'll be taken away too!"

The waiter flew in the air and shouted. Before he could finish his words, he was caught by a ghost claw and pulled into the ground!

waiter!!!

Chen Xiaobei felt like he was about to break down. He was here to save her, but not only did he not manage to save her, he even got Liu xuanxin and Xiao 'er into trouble!

"No! I must stay calm! If I'm trapped as well, I'm finished!"

Chen Xiaobei forced himself to calm down.

He pulled out the seven treasures fragrance pouch from his collar!

Then, he took out the cleansing Bodhi and held it in his hand!

Chen Xiaobei punched the ground and shouted, " "Get lost!"

[Red Envelope Group of the Three Realms](#)

Chapter 2169: Sumeru Mustard Seed

"Bang!"

As Chen Xiaobei's fist landed, the Buddhist aura of the cleansing Bodhi started to spread.

"Chi ... Chi ..."

In an instant, the blood-colored ghostly claws emitted black smoke as if they had been burned.

"Wuuu! Wu ... Wuwu ..."

A shrill and painful howl was heard from the ball of blue Will-O-Wisp. There was more than one sound, as if a large number of evil spirits were howling at the same time.

"Whoosh! Whoosh! Whoosh ..."

Then, the ghost claws that were grabbing onto Chen Xiaobei quickly retracted back into the ground.

Chen Xiaobei quickly pulled out his legs.

"Chi ..."

In the next moment, the ground that was like a swamp turned back into hard rock.

Chen Xiaobei placed the cleansing Bodhi by his feet and the strange incident did not happen again!

"This is an array! And it was an ancient magical formation set up by the person who killed fairy ning Ling! It's very, very sinister and strange!"

Chen Xiaobei activated his golden gaze fiery eyes and looked at the ground."Strange, there's nothing under the ground! I can't even see the layout of the formation!"

His fiery golden eyes could see through the ground. Other than the hard and cold rocks below, he could not find anything else!

Xuan Xin and the others have been captured, and their lives will be in danger at any time. I have to break this array as soon as possible ...

but the problem is that I can't find any clues in this cave. I can't possibly dig three feet deep into the ground! Chen Xiaobei said.

Using his golden gaze fiery eyes again, Chen Xiaobei searched every corner of the cave but could not find any useful clues!

"Forget it! I'd better ask my master ..."

Chen Xiaobei took out his phone.

In this cave, there was a cell phone signal. The people in front couldn't make a call, mainly because they were trapped by the strange array.

Even if there was no signal, Chen Xiaobei was not afraid!

Chen Xiaobei's phone was connected to the Three Realms intranet! Except for some special circumstances, Chen Xiaobei had the celestial network signal anywhere in the Three Realms!

However, his master, sect master Tongtian, did not reply in time.

Chen Xiaobei then went to the Brotherhood group chat and asked again, but there was still no reply!

"The winter solstice is getting closer and closer, which means that the immeasurable catastrophe is also getting closer and closer! I'm sure everyone has a lot of things to do ..."

Chen Xiaobei suddenly thought of someone. "This magic formation is related to evil ghosts, so brother Minghe can definitely help me! He's not in the group, he's a free person, he definitely has time!"

Chen Xiaobei-brother netherworld River! Are you there? Urgent request for help!

Minghe replied,"of course!" I'm recuperating in the blood sea every day, so I don't have to fight with those Immortals. I'm very idle! If there's anything, just say it!

Chen Xiaobei: " are you still injured? "

Minghe said,"since you asked for the elixir from the Zhen Yuan immortal, my injury has been greatly improved!" However, he had not fully recovered yet!

"The stronger the body, the harder it is to be injured. However, once injured, it will be harder to recover!"

Chen Xiaobei: " am I disturbing your rest? "

"My brother!" Minghe said. You're too polite! The last time you helped me get the pill, I already said that from now on, we're brothers! Your business is my business, no need for formalities, just get to the point!

Chen Xiaobei, I've encountered a strange thing! A large number of ghostly claws extended out of the ground! It could drag people into the ground! Moreover, once he was caught by the ghost claws, he could not use his physical strength or true Qi!

Minghe thought,"this should be a magic weapon of space that is used to capture people!" Or a Space Array! It was hidden under the ground!

Chen Xiaobei: " I also suspect that it's a formation. But I've used my golden gaze fiery eyes to look at it. There's nothing unusual under the ground. Other than rocks, there's still rocks! They didn't even have Dharma Treasures or arrays!

"Ghost claws can't come out of thin air, and people can't disappear into thin air!" First of all, there must be an independent space in your place!

Chen Xiaobei: I agree with that! However, how was he going to find this space?

The reason was simple. Just like the verdant Emperor's divine gourd, there must be a special space hidden in this cave that could store both humans and ghosts!

But the question was, where was this space?

Chen Xiaobei used his golden gaze fiery eyes to search for a long time, but he could not find any clues!

Minghe thought, "I suspect that this may be a Xumi mustard seed space!"

Chen Xiaobei, Sumeru mustard? What was that thing?

[Minghe: Xumi hides mustard seeds, and mustard seeds store Xumi!] This was a classic story of Buddhism! It meant that there were countless tiny mustard seeds hidden in the huge Mount Meru! And a tiny mustard seed could also hold a huge Mount Meru!

Chen Xiaobei: " I understand. It basically means: a world in a flower, a tree in a floating life! One leaf for one Buddha, one grain of sand for one pure Land!

Minghe thought, good comprehension! This was the logic! As long as one's cultivation was high enough, one could open up an independent space or even an independent world in any object!

"This means that there's an independent space hidden in a small object in the place I'm at!" This is the Xumi mustard seed dimensional space you mentioned!

"Smart!" Minghe thought. Your conclusion is completely correct! Every stone on your side, even every grain of dust, could hide that independent space!

Chen Xiaobei, is there any way to find that space quickly? I can't possibly check every single speck of dust, right? Even if I have the patience, my friends can't!

Minghe thought, "there's no special way ... The Xumi mustard seed space is usually used to store extremely precious things or to hide in it to avoid danger!"

Minghe said, "because of this, concealment is the biggest feature of Xumi's mustard seed space!" It was almost impossible to find it quickly with the naked eye!

Chen Xiaobei: " this is bad ... If I can't find that Sumeru mustard seed dimensional space soon, my friends will be in danger!

Minghe said, " if you can find the owner of this space, or if he has some special items, maybe they can resonate with the Xumi mustard seed space. I can give you some clues!

Chen Xiaobei, the owner of this space? I understand now! Thank you for your guidance, brother!

"My initial speculation was completely wrong!"

Chen Xiaobei thought for a moment and said, " those ghostly claws were left behind by fairy spirit condensation's enemies, but the owner of this Xumi mustard seed dimensional space must be fairy spirit condensation!

Chen Xiaobei then took out the five elemental gems.

from the very beginning, I've been very curious. How did fairy ning Ling set up the array in these precious Jade? "

Oh! Chen Xiaobei said excitedly, " now, there's finally an answer to this question!

[Red Envelope Group of the Three Realms](#)

Chapter 2170: Immortal Dugu

"It's precisely because the five-element precious Jade has a Xumi mustard seed space! That's why fairy Ling ning was able to set up five magical formations in it!"

that's right! Chen Xiaobei said excitedly. this means that fairy Ling ning is not only a five elements ethereal cultivation master, but also a master of the Xumi spatial pocket!

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei immediately activated the five elements Jade's special ability.

this is the Xumi mustard seed space created by fairy ning Ling. It must be able to give me some guidance!

The five elements of spiritual light shone, and the five pieces of precious Jade floated in the air, connecting into a ring in the order of the five elements.

"Whoosh ..."

The five-colored ring flew out and stopped above the blue Will-O-Wisp!

"The Xumi mustard seed dimensional space is in the ghost fire?"

Chen Xiaobei quickly ran over.

In fact, Chen Xiaobei had long suspected that there was something wrong with the Will-O-Wisp, but after observing it for a long time, he could not find anything unusual.

It was the same at this moment. Although the five-colored ring of light covered the blue ghost fire, it did not indicate where the Xumi mustard seed space was.

Just like what Cult Master Minghe had said, the biggest feature of the Xumi mustard seed space was that it was extremely well-hidden!

It was impossible to see it with the naked eye!

"This Xumi mustard seed space was opened by fairy Ling ning! With fairy spirit condensation dead, this space would become ownerless! I should be able to get some response if I use my spirituality to communicate!"

Chen Xiaobei then reached out his hand to the blue Will-O-Wisp and tried to communicate with it.

"Stop!"

At this moment, an extremely pleasant voice came from behind.

Chen Xiaobei was shocked. He quickly turned around and saw a young girl who was about 18 or 19 years old.

This woman was extremely beautiful. Her beauty was off the charts. Her skin was like jade and snow, and her black eyes were as lively as spring water and as crystal clear as diamonds. It was as if she could make everything in the world lose its color with just one look!

She was tall and slender, with graceful curves. She wasn't particularly voluptuous, but at her age, she still had a lot of room for growth!

In the near future, she would definitely become a peerless beauty with a myriad of charms!

"Who are you?" Chen Xiaobei asked cautiously.

"Immortal dugu zang!" The woman said these words in a calm tone, but she exuded a powerful aura like that of an Empress.

"That's your name?" Chen Xiaobei was taken aback. The name 'immortal dugu' did not seem to be related to this beautiful girl in the slightest.

"Don't blame me for not warning you!"

Immortal dugu zang said indifferently, "if you don't withdraw your hand, you'll be devoured by the devil!" In the worst case, the devil will take over your body and your soul will be destroyed!"

"This ..."

Chen Xiaobei was taken aback. He quickly stopped and asked, "Who are you? When did he arrive? How much do you know about this place?"

"I'm dugu zang Xian. I'm quite a famous person, but everyone likes to call me by another title."

Immortal dugu zang's tone was indifferent, but he answered every question, "I was already here when you were looking at your phone!"

based on the situation here, I can roughly guess that there are many powerful demons locked up in fairy Ling ning's Xumi mustard seed space!

"The abominations have already torn a crack in space and are trying their best to escape! If you reach out, they'll try their best to drill into your body and take over your body!"

Chen Xiaobei was shocked.

according to what you said, those people who were dragged underground by the ghost claw, didn't they already have their bodies taken over by the devil?" Chen Xiaobei tensed up.

"No! Those who are captured will only have their blood essence and Yang Qi sucked away and become the devil's food!"

"What those Devils want is your body!" Dugu zang Xian said. That's because you have something that belongs to the spirit condensation fairy. That's the key to freeing them!"

what you're saying is that the five elements Jade is pointing me to the Sumeru mustard seed dimensional space. At the same time, the demon in the space has also sensed the five elements Jade's approach! They seized my body, so they can use the five elements Jade to open a space?"

"Right!" Immortal dugu zang nodded and said indifferently, " to be honest, your friends can't be saved. Come with me, I can take you out!

"No! I'm not leaving!"

"Do you know how to use the five elements Jade to open the Meru space?" I must save my friend!"

"I don't know. Even if I did, I wouldn't tell you!"

no, " dugu zang replied indifferently, " fairy ning Ling was an ancient high-rank earth immortal and was very powerful, but in the end, she still died at the hands of these Devils! Once the dimension is opened, all the abominations will come out and you and I will die!"

"You can leave! I don't want to implicate you!" Chen Xiaobei said, " "Even if I have to fight to the death, I have to save my friend!"

are you crazy?!

Immortal dugu zang furrowed his brows and said angrily, " "Follow me, and your future will be bright! Staying here is courting death! Seeking death! Not only will you not be able to save your friend, but you will also lose your life!"

"Little girl! We're not related, what does my death have to do with you? If you can get out, then leave quickly! My friends don't have time to wait for you!"

Chen Xiaobei's eyes were cold, and his tone was overbearing, like an Emperor.

Dugu zang Xian's expression froze. He did not expect Chen Xiaobei's mental state to be so strong! He would not waver in the face of life and death!

"Chi ..."

Chen Xiaobei did not waste any more time and reached his hand into the blue ghost fire.

"Crazy! Chen Zhufeng! You're an out-and-out lunatic!"

Immortal dugu zang's expression changed drastically as he immediately retreated, " the storage bracelet is sealed, and even I am no match for those Devils. You can die Here, but I won't go crazy with you!

As soon as he finished speaking, dugu zang retreated out of the space gate at an extremely fast speed and left the cave completely!

"Hiss ... Hiss ... Hiss ..."

Sure enough, what happened next was exactly the same as what dugu zang Xian had said!

Blue ghostly Qi slithered out of Chen Xiaobei's arm like a venomous snake and headed for his head!

Chen Xiaobei could even feel that his brain was being controlled by an external force, and his consciousness and thoughts were getting more and more blurry!

That's right! This was the demon trying to take over Chen Xiaobei's body!

When the demon took control of Chen Xiaobei's brain, it could slowly wipe out Chen Xiaobei's soul!

Once Chen Xiaobei's soul was destroyed, his body would become the demon's body!

this is bad ... My consciousness is getting more and more blurry ... Could it be that what dugu zang Xian said is true? not only will I not be able to save my friend, but I'll also have to pay with my own life ...

Chen Xiaobei's consciousness was being invaded by the devil, and he could fall into the devil's trap at any moment!

Once one's consciousness fell, one was destined to die!

[ding! Sect leader Tongtian has sent you a message!]
