Chapter 2221: The Pill Competition

alright, I'm in a good mood today. I'll sit next to the big loser and see what good stuff your Association of pill Kings can bring out!

Beiming Jinghong's face was filled with disdain, and his tone was extremely arrogant!

In the face of beiming Jinghong's repeated provocations, Huangfu Lingyun only sat quietly in his spot, not retorting at all.

In this huge venue, almost everyone felt that Huangfu Lingyun was a coward! They all believed that Huangfu Lingyun had completely fallen and would never be able to make a comeback!

Chen Xiaobei was the only one who did not think so!

One must know that Huangfu Lingyun was once the number one genius in the Putuo region of the Nanzhan state in the earth-god Realm!

At that time, Huangfu Lingyun would definitely be the most dazzling God's favored son. He would enjoy countless honors and even be loved by everyone!

However, three years ago, for some unknown reason, Huangfu Lingyun's cultivation base plummeted and he fell off the divine altar! He had even been humiliated as the number one trash in the earth-god Realm!

The huge contrast before and after was like the difference between cloud and mud!

Yun Zai Tian! Mud on the ground!

If such a complete fall had happened to an ordinary person, that person would have given up on himself and completely fallen!

However, Huangfu Lingyun was different. He did not give up on himself and firmly believed that he could return to his peak!

It was because of his firm belief that Huangfu Lingyun was able to remain calm and ignore the provocation!

Chen Xiaobei was once again impressed by Huangfu Lingyun's state of mind and determination.

In fact, Chen Xiaobei even had a good impression of Huangfu Lingyun.

After all, Chen Xiaobei himself was an example of a good-for-nothing's counterattack. He could understand Huangfu Lingyun's situation and mood the best!

Weakness was an original sin!

However, if the weak could persevere and fight, as long as they didn't die, they would eventually counterattack!

Such a weakling would not be afraid of humiliation!

Because, in the near future, he would definitely be able to wash away his previous humiliation!

At that time, glory would return! The humiliation he received would turn into an invisible slap on the face of those who mocked and provoked him!

Chen Xiaobei knew better than anyone else the pleasure of a successful comeback!

Chen Xiaobei could not help but feel sorry for her, "If there's a need, I might be able to help Huangfu Lingyun! Helping others counterattack, just thinking about it is quite satisfying!"

"Hurry up and start!" At the same time, beiming Jinghong sat down and impatiently urged.

Tian Peng and the other three were sitting in the second row, watching Chen Xiaobei.

"Whoosh ..."

Very soon, the stage in front of the venue was officially unveiled!

The patriarchs of the nine great clans of the nine cauldron Royal City appeared on the stage one by one!

They were dressed in festive clothes and holding ritual tools. They were surrounded by a group of young attendants and carried out a series of blessing rituals.

These blessing rituals were evolved from the ancient alchemy etiquette. In the eyes of alchemists, this was a very sacred ceremony!

Because of this, even the arrogant beiming Jinghong didn't dare to disrupt the process of the conference.

Otherwise, he would definitely incur the wrath of the crowd and offend most of the alchemists!

.....

After the ceremony, the clan head of the number one clan, elder Yan, gave a short speech on behalf of the nine great clans.

Following that, they entered the main topic of the alchemy King conference!

"According to the usual practice! The triennial pill King conference will use the value of the pills to evaluate and choose the new pill King for the next three years!"

"According to the rules, the nine super clans will be the first to auction the pills!" After that, it will be auctioned by alchemists outside of the nine super clans!"

as the auction goes on, the big screen next to the stage will display the ranking of the nine Cauldrons pill King ranking in real time!

"And everyone here is the judge of the rankings!"

"Your bids will determine the pill with the highest value," elder Yan said seriously. The person who concocted this pill will be at the top of the nine Cauldrons pill King ranking, and will be the new pill King of our Nine Cauldrons capital city!"

Clearly, the rules of the alchemy King conference were very simple. It was like an alchemy contest, survival of the fittest. Only the best could become the final winner!

.....

After that, the clan heads of the nine super clans began to display the pills that they had prepared for the competition for three years!

These nine family heads were all top alchemists in the nine layers of the starry sea. They were very skilled in alchemy, much better than Chen Xiaobei's cheap disciple, Master Yi ru!

These nine people had prepared for a full three years before refining the medicinal pills for the competition. They were naturally the best of the best!

Every single pill that appeared on stage caused a huge commotion!

Those wealthy guests with big backgrounds all began to bid crazily. For the high-quality medicinal pills that they had their eyes on, they even fought until their faces were red, wishing they could fight on the spot!

From this, it could be seen that alchemy was definitely one of the rarest professions, and good medicinal pills were even rarer, hard to find even with ten thousand gold!

Of course, in Chen Xiaobei's eyes, these so-called high-quality pills were all rubbish!

As long as Chen Xiaobei wanted to, he could do it with his eyes closed!

However, the final result was far beyond Chen Xiaobei's expectations!

These rubbish pills were all sold at unbelievably high prices in this crazy auction!

The final price of the pills from the top seven families was 100000 upper spiritual stones on average!

The Yan clan was the eighth to go up.

A pill that could extend one's life by 300 years and reduce one million points of one's physical strength was sold for 200000 high-grade spirit stones!

This allowed the Yan clan to rush up to the top of the nine Cauldrons pill King ranking, leading the second place by almost 50000 high-grade spirit stones!

"The Yan family is indeed the number one family in the nine cauldron Royal City. Their strength is not for show! A pill that can extend one's life by 300 years is very precious, even in the earth-god Realm!"

"Isn't it? The final price of two hundred thousand upper spiritual stones is equivalent to the entire fortune of a mid-tier force!"

"Although this pill is extremely valuable, the Yan clan must have invested a lot in order to refine it!"

"That's right ... Alchemists are rare. Other than the difficulty in learning, the most difficult problem is still the cost! Ordinary people can't afford the high cost of alchemy, and even if they have talent, they can't become alchemists!"

"The greater the investment, the greater the return! The Yan clan is willing to invest, and they have a top-notch Alchemist to back them up. It's hard not to earn!"

The crowd was in a heated discussion. They were filled with admiration and envy for the Yan clan's pill.

Chen Xiaobei sat in the crowd, not knowing whether to laugh or cry.

"Extending one's life by three hundred years and reducing one million physical bodies! This kind of trash can be sold for two hundred thousand upper-grade spirit stones?"

Chen Xiaobei thought to himself, 'if I can make the everlasting blood life pill and nourish it with the spiritual aura of heaven and earth, I can extend my life by 500 years and only reduce my physical strength by 100000! Wouldn't it be ten times the price?"

"Everyone! Please calm down!"

At this moment, master si stepped onto the stage and said confidently, " the Yan family's pills are indeed not bad, but our si family's pills will take first place on the nine Cauldrons pill King ranking without a doubt!

[Red Envelope Group of the Three Realms](#)

Chapter 2222: Sudden Increase In Price

A stone that caused a thousand ripples!

As soon as the patriarch of the SI family, si Haowen, went on stage, he caused a stir in the audience!

"That's strange. Isn't the SI family the second largest family in the nine cauldron Royal City? How can you be the last to appear?"

"Si Haowen, that old man, is too arrogant! It looks like he came prepared!"

"What kind of pills did the SI family develop in the past three years? He actually has the confidence to point his sword at the first place of the nine Cauldrons pill King ranking!"

"It looks like he's not simple! Otherwise, they wouldn't be so confident!"

.....

Chen Xiaobei's curiosity was piqued. Even beiming Jinghong and Tian Peng were staring at si Haowen.

"I won't keep you in suspense here!"

Si Haowen took out a Jade box proudly and held it in his hands. He said in a high-key manner, " "This is our si family's latest invention, the 'heaven Ascension boundary-breaking pill'! As its name suggests, the pill can help one break through to the next realm after consumption. It's the meaning of reaching the heavens in a single step!"

Everyone was shocked by his words.

"Heavens! How could there be such a miraculous pill in this world!"

"The path of cultivation is like climbing the ladder to heaven, every step is difficult! It's even more difficult to break through realms. If there's really a pill that can help people break through realms, it's definitely a godly pill!"

if what Si Haowen said is true, then with just this pill, he has a 10000% chance of obtaining first place on the nine Cauldrons pill King ranking and becoming the new city Lord of the nine Cauldrons Royal City!

"Isn't it? Huangfu Lingyun is sitting below the stage. If he can really break through his realm, Huangfu Lingyun will buy it without any hesitation even if it costs a sky-high price!"

All the guests were amazed. In the end, almost all of their eyes fell on Huangfu Lingyun.

Anyone with a discerning eye could tell that this so-called 'heaven-ascending realm-breaking pill' was completely tailor-made for Huangfu Lingyun!

Huangfu Lingyun became excited as well. His originally calm eyes were filled with anticipation as he said in a low voice, "Elder Meng, please help me take a look!"

"Alright!"

The white-haired old man beside Chen Xiaobei stood up and asked, "Master si! Can you let me take a look at your 'heaven-ascending realm-breaking pill'?"

"Aiya! Isn't that old Meng?"

Si Haowen instantly exclaimed and nodded his head repeatedly, "No problem, no problem! Old Meng was a famous alchemy senior! If I can comment on the 'heaven-ascending realm-breaking pill', that would be my greatest honor!"

As soon as he said that, everyone's eyes focused on old Meng, and exclamations rose one after another!

"Old Meng! Was that the famous old Meng? He's the Huangfu family's top-tier dedicated Alchemist!"

"That's right! That was old Meng! He had once successfully refined an earth-god level pill! He's at the top of the pyramid of alchemy!"

"Heavens! He could actually refine earth-god level pills! In front of this old man Meng, the nine clan heads can only be crushed!"

"No wonder si Haowen is so respectful! If we can get old Meng's approval, then the price of the heaven-ascending realm-breaking pill will definitely skyrocket!"

.....

Amidst the crowd's exclamations, si Haowen ran over and handed the small Jade box to old man Meng with both hands.

Old Meng opened the jade box and carefully examined the green pill inside. He then observed it for a long time.

Chen Xiaobei sat on the side and took the opportunity to observe the situation. He took a few deep breaths of the Medicine's fragrance and frowned.

A few minutes later, old Meng closed the jade box and returned it to si Haowen.

"Elder Meng, do you see anything?" Huangfu Lingyun asked expectantly.

Old Meng nodded and said, " based on the pill's spiritual nature and the different spiritual herbs 'scents that I can identify, I can basically deduce that this is indeed a pill that is beneficial to cultivation! Maybe it can really help people break through their realms!"

"Good! This is great!" Upon hearing this, Huangfu Lingyun's face was instantly filled with joy as if he had grabbed onto a life-saving straw. He was extremely excited.

Si Haowen's face was also filled with surprise. He said smugly, " "With old Meng's approval, my 'heaven-ascending realm-breaking pill' will definitely be famous! I, si Haowen, have become the new pill King of the nine Cauldrons. I deserve all the more!"

Si Yunrao's face was naturally filled with pride when she heard that. She sat beside Huangfu Lingyun and could finally straighten her back!

Yan Qingyu's expression turned ugly, and her heart sank to the bottom!

The Yan clan might really lose its power!

master si, name your price! Huangfu Lingyun smiled indifferently with a determined expression.

Si Haowen wanted to curry favor with Huangfu Lingyun even in his dreams. Hence, he took the opportunity to do him a favor and said, " "Young master Ling Yun is a friend of our si family. I don't want to earn money, I only want to get first place on the nine Cauldrons pill King ranking! I'll bid two hundred and fifty thousand upper spiritual stones!"

At this moment, the Yan family was still at the top of the list, and the pill was worth 200000 upper spiritual stones.

As long as Huangfu Lingyun agreed to si Haowen's offer, the SI family would be able to overtake him instantly and take first place!

Actually, anyone with a discerning eye could tell that si Haowen, this sly old fox, was still pretending to be innocent after getting an advantage!

The price of 250000 was definitely a huge profit!

Si Haowen, this sly old fox, actually kept saying that it wasn't to earn money! In the end, not only did he make Huangfu Lingyun pay, but he also owed the SI family a favor! He was simply too cunning!

Huangfu Lingyun was a smart person. He could naturally see through si Haowen's scheme. However, as long as he could break through to the next realm, it would be worth it for Huangfu Lingyun!

Moreover, Huangfu Lingyun was still able to afford the price of two hundred and fifty thousand!

"No problem! I'll pay you immediately according to the price that master si set! Also, from now on, the SI family will be my good friends!" Huangfu Lingyun said straightforwardly.

Upon hearing this, si Haowen, this sly old fox, was so happy that he almost flew up.

"Wait a moment!"

However, at this moment, beiming Jinghong suddenly interrupted, "Isn't this an auction? You won't let others increase the price?"

"Increase ... Increase the price?" Si Haowen was stunned for a moment before he said in surprise, "Right! This was an auction! Any guests who wish to increase the price can do so!"

"I bid 300000 upper spiritual stones!" Beiming Jinghong grinned.

The moment she said that, si Haowen instantly grinned from ear to ear. "Good, good, good! That's great!"

At the same time, the smile on Huangfu Lingyun's face disappeared completely. He had originally wanted to befriend si Haowen.

However, at this moment, si Haowen's eyes were open to money, and he didn't care about the word 'friend' at all!

Huangfu Lingyun was extremely displeased and aggrieved. However, he had no choice. After all, this was an auction!

"Young master Ling Yun, do you want to increase the price?"

Si Haowen smiled smugly and said, "If you don't, I'll have to sell my 'heaven-ascending realm-breaking pill' to young master Jinghong!"

Huangfu Lingyun's brows furrowed slightly. He didn't even need to think to know that beiming Jinghong was here to cause trouble!

No matter how much he raised the bid, beiming Jinghong would still raise it even higher!

It was like a bottomless pit that could not be filled!

Just as Huangfu Lingyun was hesitating, Chen Xiaobei raised his hand and said with a smile, "I bid 400000 upper spiritual stones!"

[Red Envelope Group of the Three Realms](#)

Chapter 2223: Selling To A Fool

"Four hundred thousand upper spiritual stones? Who was that kid? He actually raised the price by 100000 in one go! Are you crazy?"

Chen Xiaobei's bid was like a bomb, causing the crowd to go wild.

To an ordinary person, 100000 upper spiritual stones was an astronomical figure that they could not earn even after a few lifetimes.

However, Chen Xiaobei had raised the price by 100000 upper spiritual stones. He was a god-like rich man!

Seeing this, beiming Jinghong laughed in his heart. "This kid is plain-looking and dressed in ordinary clothes. It's impossible for him to have so many spirit stones! He's definitely here to cause trouble, just like me! You want to screw over that useless Huangfu Lingyun!"

Tian Peng and the rest looked at Chen Xiaobei. They thought that Chen Xiaobei had a grudge against Huangfu Lingyun and was trying to trick him!

Si Haowen didn't care if it was true or not. When he heard someone increase the bid, he was so happy that he exploded. "Good! This young master had bid 400000 upper spiritual stones! Are there any higher bids?"

It was obvious that si Haowen's words were meant for Huangfu Lingyun.

Among all the people present, only Huangfu Lingyun had to buy the ascending heaven realm-breaking pill!

I bid 430000 upper spiritual stones! Huangfu Lingyun gritted his teeth and raised the bid by 30000.

It was obvious that the price had greatly exceeded Huangfu Lingyun's expectations!

Even if he used his toes to think, Huangfu Lingyun knew that he had been tricked!

However, in the past three years, Huangfu Lingyun had tried countless methods and put in a hundred times more effort than ordinary people, but he could not break through to the next realm!

Huangfu Lingyun was really eager to break through to the next realm! In order to achieve his goal, he was even willing to give up everything!

Because of this, even though Huangfu Lingyun knew that he was being scammed, he still braced himself to increase the price!

"I bid 600000 upper spiritual stones!"

However, in the next second, Chen Xiaobei raised the bid by 170000 upper spiritual stones!

Everyone was shocked by his words!

Even the stupidest person could tell that Chen Xiaobei was trying to trick Huangfu Lingyun!

"You little brat! Are you f * cking looking for death?"

The Silver Wolf was enraged. It glared at Chen Xiaobei as if it was going to swallow him alive.

Chen Xiaobei was not afraid at all and asked, "This is an auction, it's only right for me to raise the price!"

"If you have spirit stones, of course you can raise the price!"

"But you're clearly a pauper!" The Silver Wolf said angrily. Let alone 600000 upper spiritual stones, I don't even believe that you can take out 600000 medium spiritual stones!"

It was obvious that the Silver Wolf was right.

After the last cultivation session, Chen Xiaobei could not even take out six low-grade spiritual stones, let alone 600000 medium-grade spiritual stones!

But no one wanted to expose Chen Xiaobei.

"Silver Wolf!" Beiming Jinghong laughed. Who are you trying to scare? Whether this young master has spirit stones or not is none of your business!"

Si Haowen immediately agreed, " that's right! If this young master won the auction but couldn't take out the spirit stones, he would be severely punished! However, the auction is still going on, and no one can stop others from bidding!"

"Numbed!"

The Silver Wolf was furious and cursed, "this kid increased the price by 170000 upper spiritual stones!" Was this a bid? Even a fool knows that he's causing trouble!"

"Since that's the case, your young master Ling Yun can give up on the bid and see if this young master can take out 600000 superior-grade spirit stones!" Si Haowen said calmly. If he did, young master Ling Yun would probably regret it so much!"

"I'll give up! Even if you beat me to death, I still don't believe that this kid has 600000 upper spiritual stones!" The Silver Wolf said angrily.

However, Huangfu Lingyun was reluctant to give up this opportunity. He rebuked him in a serious tone, "Silver Wolf! You're getting more and more unruly! When did it become your turn to make decisions for me!"

"Seventh young master! They're tricking you!" The Silver Wolf was full of grievances and extremely depressed.

"Shut up!"

Huangfu Lingyun was so eager to break through his realm that he even lost his mind. He said directly, " I bid 700000 upper spiritual stones!

As soon as he said that, the crowd boiled again.

"Huangfu Lingyun actually raised the price by 100000! This is going to be a good show!"

according to his stance, Huangfu Lingyun's eyes are already bloodshot. No matter how many times he's tricked, he'll still bite the bullet!

"Next, let's see how that brat who came out of nowhere will disrupt the situation! The battle between the dragon and the tiger is about to begin!"

.....

By now, everyone was certain that Huangfu Lingyun's eyes were bloodshot. No matter how much Chen Xiaobei increased the price, Huangfu Lingyun would fight to the end until he got the heaven-ascending cultivation-breaking pill!

Seeing this, Beiming Jinghong was gloating. He could not wait to see Huangfu Lingyun being tricked by Chen Xiaobei!

Si Haowen's face was filled with anticipation. He could not wait for Chen Xiaobei to give him a sky-high price so that he could earn a fortune!

At the same time, Hua Hanyue, who was sitting in the back row, frowned. She couldn't figure it out.

"The Beiming family is the Jiang family's ally! Why would young master Chen help Beiming Jinghong to set up Huangfu Lingyun?"

The more Hua Hanyue thought about it, the more suspicious she became. She even started to suspect Chen Xiaobei. "Could it be that young master Chen is trying to please the Beiming family and use this opportunity to resolve the enmity between the Jiang family and the Beiming family?"

In the front row.

Yan Qingyu frowned and glared at Chen Xiaobei, " "You little brat! I'd advise you not to continue disrupting things! Taking advantage of others' difficulties was the behavior of a despicable villain! Don't you feel ashamed?"

"I just wanted to buy something. How is that despicable?"

but, don't worry. I can't afford to pay more spiritual stones. I'm officially giving up on bidding! Chen Xiaobei said with a smile.

Hearing this, Yan Qingyu's expression softened a little.

Huangfu Lingyun finally heaved a sigh of relief.

"The auction continues!"

However, Si Haowen wasn't satisfied. He deliberately emphasized his tone and asked, " young master Huangfu Lingyun has bid 700000 upper spiritual stones. Are there any higher bids? "

"Of course!"

Chen Xiaobei then pointed at Beiming Jinghong and said, " young master Beiming is still here. How can he not raise the bid? "

In an instant, everyone's eyes were focused on Beiming Jinghong.

I ... Beiming Jinghong hesitated. After all, 700000 upper spiritual stones was already an outrageous price.

Chen Xiaobei immediately started to stir things up. Huangfu Lingyun's eyes were already red from the killing. You just have to increase the price! No matter how high the bid was, he would still take over for you! What are you afraid of! There are so many people watching, you can't be scared!"

"Oh? There's no such word in my dictionary!" Beiming Jinghong had always been arrogant, and he couldn't take this provocation.

Furthermore, beiming Jinghong also believed that no matter how much he increased the bid, Huangfu Lingyun would still accept it. There was nothing to be afraid of!

I'll pay one million upper spiritual stones! Beiming Jinghong said without any hesitation.

Huangfu Lingyun's expression turned extremely ugly as soon as he heard that. His mood instantly sank to the bottom.

Yan Qingyu's anger, which had just subsided, rose again. She glared at Chen Xiaobei and scolded, "You little brat! You don't have spirit stones, but you're instigating others to mess things up! I've never seen someone as shameless as you in my life!"

In the back row, Hua hanyue's brows were tightly furrowed. She was secretly worried. "Did I misjudge you? Chen Zhufeng is actually a two-faced, despicable man?"

The silver Leopard shouted directly, "You little brat! I will kill you!"

Obviously, Chen Xiaobei's actions were even more despicable than beiming Jinghong's!

However, what happened next left everyone dumbfounded and dumbfounded!

Chen Xiaobei stood up, put his hands on Huangfu Lingyun's shoulders, and said with a smirk, "I hereby announce that young master Huangfu will no longer bid! The SI family's dogshit limit-break pill is officially sold to that idiot, beiming Jinghong!"

[Red Envelope Group of the Three Realms](#)

Chapter 2224: Soaring Status

"What do you mean? How could that kid make a decision for Huangfu Lingyun? Even the Silver Wolf was scolded by Huangfu Lingyun when it said that it would not increase the price! Isn't that kid courting death by doing this?"

"What's even stranger is that that brat just joined forces with beiming Jinghong to trick someone! Why did he suddenly call beiming Jinghong a fool? Wouldn't that offend beiming Jinghong as well?!"

"Also! That brat said that the SI family's proudest pill was a Bullsh * t limit-breaking pill! This was simply a slap to the SI family's face in public! You've offended the entire si family!"

.....

All of a sudden, the crowd was in an uproar!

The crowd gasped in shock. No matter how crazy they were, they could not understand how Chen Xiaobei could offend all three of the major forces in such a short time!

"Is this kid crazy?"

Yan Qingyu's brows furrowed, and she was puzzled. "Offending Huangfu Lingyun, beiming Jinghong, and the SI family at the same time! This was simply courting death! You're courting death!"

"Chen Zhufeng! Whose side are you on?"

Hua hanyue was confused. Her pretty face was full of doubt. "One moment you're helping beiming Jinghong, the next you're scolding him! I'm so confused by you ..."

"Senior canopy, that kid is Chen Zhufeng, right?" Qin Wuxin asked in a low voice.

"Yes, it's him!"

Tian Peng nodded and said, "the way this kid does things is always confusing!" Perhaps Jinghong has already fallen into his trap!"

"Should we stop them?" Qin Wuxin asked in a deep voice.

"There's no need for that!"

no! beiming Wuji interrupted. Mr. Tianpeng has a seven-star earth-god instrument. Chen Zhufeng can't escape. No matter what he is planning, he will not be able to escape from Mr. Tianpeng!

"Well said!"

Hearing this, Tian Peng revealed a proud smile and said confidently, " "We don't need to worry about Chen Zhufeng's schemes. We just need to watch the show! No matter how he schemes against Jinghong, I will make him spit it out in the end!"

"Yes, with Mr. Canopy here, there's nothing to worry about!" Qin Wuxin nodded and looked like he was going to watch a good show.

Beiming Wuji also heaved a sigh of relief and looked to the front row.

you damn brat!!!

The Silver Wolf's eyes were filled with ferocity as it suddenly roared, " "Take your dirty hands off young master Ling Yun's shoulders! Otherwise, I'll crush you to death right now!"

Even the highly respected old Meng stood up and said sternly, " "Young man! This old man originally thought you had no ill intentions and even interceded for you! However, your current actions have truly disappointed this old man!"

It was obvious that Chen Xiaobei's action of holding Huangfu Lingyun down with both hands and announcing that he would not raise the bid on behalf of Huangfu Lingyun was very rude!

In the Silver Wolf's eyes, this was an offense to Huangfu Lingyun! This was unforgivable!

Even old Meng was furious. He regretted asking the Silver Wolf to teach Chen Xiaobei a lesson!

"Old Meng! The Silver Wolf! You two sit down!"

But! At this moment! Huangfu Lingyun replied in a low voice, " this young master has no ill intentions. I'm willing to listen to his suggestion. I won't increase the price any further. I'll give that medicinal pill to beiming Jinghong!

"What!"

As soon as he said that, old Meng and the Silver Wolf were dumbfounded. "Young master Ling Yun! What's wrong? Why did he have to listen to this kid? Don't you want to break through to the next realm?"

"I don't know why ..."

"When this young master placed his hands on my shoulders, I felt extremely comfortable!" Huangfu Lingyun replied. There's a sense of familiarity ..."

"What? A sense of intimacy?"

Old Meng and the Silver Wolf were completely dumbfounded. They could not figure out what was going on even after racking their brains.

"Young master, can you tell me why?" Huangfu Lingyun looked at Chen Xiaobei and asked.

because I can control the five elements vital essence! Chen Xiaobei said.

"Five elements true Qi? What ... What's going on?" For a moment, not only Huangfu Lingyun, but everyone at the scene perked up their ears and listened carefully.

Chen Xiaobei looked at Huangfu Lingyun and continued, "I've been carefully observing your situation since the beginning of the conference! Your body is thin, but you are not sick! I'm just thinking what's stopping you from breaking through?"

"I couldn't figure it out either! It was only when you berated the Silver Wolf that I realized that you were as calm as still water at first, but then you became as restless as fire!"

I'm not sure! Chen Xiaobei said, "based on this, I can guess that there are two conflicting forces in your body! Not only did it affect your body, but it also affected your personality!"

"Heavens! Young master! You're simply a God!" Huangfu Lingyun exclaimed instantly.

Even old Meng and the Silver Wolf stared at Chen Xiaobei with their eyes wide open, as if they had seen a ghost. "This is unbelievable! There's actually someone who can see through the problem with young master Ling Yun!"

"Looking at your expressions, my guess should be correct!" Chen Xiaobei smiled.

"That's right! It's completely correct!"

Huangfu Lingyun said with excitement, the reason why my cultivation base plummeted and I couldn't break through was because three years ago, an uncontrollable fire true origin appeared in my body!

it's a counter to the water ethereal force that I've been cultivating. No matter how hard I cultivate, I can't break through!

"My body is being affected, and I'm getting weaker by the day. I'm becoming as thin as a stick! When I'm excited, my personality will become irritable, even irascible, as if there's a fire burning me!"

Everyone was shocked by his words.

Almost everyone knew that the No. 1 genius of the Putuo domain of the Nanzhan state had fallen inexplicably and become the No. 1 loser!

However, almost no one knew the exact reason behind this!

Who would have thought that Chen Xiaobei would see through it and reveal the secret to the public!

"Who is that kid? That's too powerful! I heard that in the past three years, Huangfu Lingyun had almost looked for all the top Chinese medical doctors in the entire earth-god Realm, but none of them could find the cause of the illness!"

"It's not just the great Chinese medicine doctors! He had even looked for many top-tier alchemists! Similarly, no one can see the cause of the illness!"

"In this case, isn't that kid's medical skills above that of the earth-god Realm? Has he reached the level of a celestial immortal?"

"Heavens! This is unbelievable!"

The crowd gasped and looked at Chen Xiaobei with respect.

"Young master!"

Old Meng and the Silver Wolf stood in front of Chen Xiaobei and bowed. "I beg you! Please help young master Ling Yun!"

Everyone was shocked by his words.

One had to know that elder Meng was the Huangfu family's top-tier revered pill master! The Silver Wolf was a powerful four-star earth-god!

Even in the earth-god Realm, they were big shots who could call the wind and summon the rain!

Now, the two of them had put down their status and were begging Chen Xiaobei!

Chen Xiaobei's status in their hearts had soared!

[Red Envelope Group of the Three Realms](#)

Chapter 2225: Justice For The Heavens

Suddenly, everyone's eyes were on Chen Xiaobei!

"How do you want me to help you?" Chen Xiaobei asked.

"Young noble, you can control the five elements true origin and suppress the fire true origin, allowing young master Ling Yun to calm down! You can also control your water true origin to resonate with young master Ling Yun and make him feel close to you!"

"Most importantly, you have superb medical skills and can accurately analyze young master Ling Yun's condition!" Elder Meng said excitedly. Combined with the five elements true origin, it will definitely help young master Ling Yun achieve his dream of breaking through to the next realm!"

As soon as he said that, everyone at the scene came to a realization.

When Chen Xiaobei pressed his hands on Huangfu Lingyun's shoulders, he was secretly controlling the five elements ethereal force to calm him down.

No wonder Huangfu Lingyun would listen to Chen Xiaobei's suggestion and give up on bidding.

Chen Zhufeng is too powerful ...

Hua hanyue's beautiful eyes were wide open, and her face was full of disbelief. "The Dao of alchemy has reached the peak! His medical skills were comparable to that of a celestial being! And he could even control the five elements true essence! He ... He's an omnipotent demon ..."

"This kid is not simple!"

Yan Qingyu's Red lips were half-open, and she was extremely surprised. "If this kind of medical skill is used to refine pills, I'm sure I can create many exquisite pill recipes! If we can rope him in, our Yan clan's alchemy skills will definitely rise to another level!"

"Old Meng is right!"

that's right! Chen Xiaobei nodded. my medical skills combined with the five elements ethereal force have many uses! However, I don't want to help Huangfu Lingyun in such a way!"

"Plop!"

Before he could finish his sentence, the Silver Wolf knelt down in front of Chen Xiaobei and said, "Young master! Please help young master Ling Yun suppress his fire true origin and help him break through! I'm willing to die to atone for my previous offense!"

"You're a loyal servant. I'm not angry with you, and I don't need you to die to atone for your sins!"

I don't want to use my five elements ethereal force to help Huangfu Lingyun because suppressing the fire ethereal force is only temporary. It's not a permanent solution! Chen Xiaobei said. After I leave, the fire ethereal force will still bite back at Huangfu Lingyun, causing his cultivation level to drop once again!"

this ... the Silver Wolf was stunned and asked anxiously, "Then what exactly can we do to treat both the cause and effect?"

"It's simple!"

"Huangfu Lingyun's fire ethereal force is like a wild demon beast!" As long as I can subdue it and control it, I can completely solve the problem!"

"Subdue true essence? Control true essence? This ... How is this possible?" The Silver Wolf was dumbfounded and could not understand.

it's like reaching the peak of a certain realm. Our combat power and physical strength can only stay at the peak and can't be improved! Chen Xiaobei explained. I have to break through to a higher realm in order to obtain greater power!"

I ... I still don't understand ... the Silver Wolf shook its head, embarrassed.

In fact, it was not just the Silver Wolf, everyone else was also confused. They did not understand what Chen Xiaobei meant.

"To put it simply, the increase in physical strength and battle prowess brought about by a breakthrough in cultivation is actually the stimulation of our own potential! From there, he can 'subdue' more power and 'control' more power!"

I don't think so! Chen Xiaobei said. according to my analysis, the fire ethereal force that appeared in Huangfu Lingyun's body three years ago was not an external force. It was his own potential!

"Right! Young master, your deduction is completely correct!"

yes! Huangfu Lingyun nodded and said, " three years ago, I wasn't affected by any external force. The fire ethereal force appeared out of thin air!

After thinking for a while, Huangfu Lingyun asked doubtfully, "But I don't understand why you say it's my potential?"

three years ago, when this fire ethereal force appeared, did you reach the peak of a certain realm? or were you on the verge of breaking through? " Chen Xiaobei asked.

"Right! That's right!"

Huangfu Lingyun said with certainty, "at that time, I had already reached the peak of the primordial soul realm and was about to break through to the God-refining realm!" In other words, from one-star earth-god to two-star earth-god!"

just as I was about to break through, the fire ethereal force appeared out of nowhere and clashed with my water ethereal force. It caused my ethereal force to go into chaos, my dantian to be injured, and my cultivation to drop back to true Nirvana stage!

"After I recovered, I tried my best to cultivate to the peak of true Nirvana cultivation. However, I couldn't break through celestial cultivation no matter what!" Huangfu Lingyun said.

"This is right!"

Chen Xiaobei smiled and said, " "As I said earlier, when a person reaches a certain peak state, their potential will be stimulated! Those who could control their potential would be able to rise to a higher level! On the other hand, if you can't control it, you'll be like you, suppressed by your potential and unable to improve!"

Upon hearing that, Huangfu Lingyun asked, " "According to you, if I can successfully break through the realm, will I be able to control the fire true essence and become a genius with twin true essences?"

"That's right!"

that's right! Chen Xiaobei nodded. twin true origin is a very rare talent! The heavens have bestowed you with extraordinary potential, but at the same time, they will also give you a difficult test! It's a pity that you didn't pass the test three years ago, which is why you've become like this!"

Huangfu Lingyun frowned and said dejectedly, " "Three years ago, I couldn't even pass the test when I was at my peak. I'm afraid I won't be able to pass it today ..."

"The heavens have already given you a chance, but you didn't manage to grasp it! Originally, you wouldn't have had the chance to turn things around in this life!"

"You're lucky that you met me, and I have a good impression of you!" So, I'll make the decision on behalf of the heavens and give you another chance!"

On behalf of the heavens?

Everyone was shocked by his words!

"This kid's tone is too arrogant!"

Yan Qingyu furrowed her brows and exclaimed inwardly, " "Just how much confidence does one need to be able to say such frivolous and uninhibited bold words!"

"Heavens! Chen Zhufeng was too domineering! It was as if he could really make decisions for the heavens! Hua hanyue's eyelashes trembled as she stared at Chen Xiaobei. Her heart was beating faster.

Hua hanyue had a fiery temper and a strong personality. She looked down on men who were submissive. On the contrary, she had a good impression of overbearing men!

"You little brat! If you want to act tough, you should use your brain first!"

At this moment, si Haowen, who had been silent all this while, couldn't hold it in any longer. "Young master Huangfu Lingyun's opportunity is in my hands! Only the SI family's heaven-ascending breakthrough pill can help him break through! You little brat! Go to the side and cool off!"

Chen Xiaobei did not get angry. Instead, he laughed evilly and said, " "Huangfu Lingyun has listened to me and given up on the auction! Your dogshit limit-break pill can be paid for by a certain idiot!"

[Red Envelope Group of the Three Realms](#)

Chapter 2226: Fatal Flaw

"Let the big fool pay?"

Beiming Jinghong was so entranced that he forgot to get angry. He slammed the table and stood up in anger, " "Damn it! You still dare to scold me? Simply looking for death!"

"Young master Jinghong, please calm down!"

Chen Xiaobei and Huangfu Lingyun did not say anything. Instead, si Haowen said, " "In this vast world, only the heaven-ascending realm-breaking pill can help Huangfu Lingyun break through his realm! Even though he's giving up now, he'll still have to buy it later!"

"What do you mean by that?" Beiming Jinghong asked.

Si Haowen thought that he had predicted everything and laughed, " you can buy the ascending heaven realm pill first. When that brat is at his wits 'end, you can sell it back to Huangfu Lingyun at a higher price. You'll definitely make a fortune!

this ... beiming Jinghong's expression faltered slightly, and he was clearly a little tempted. "I don't have that many spirit stones on me ..."

After all, Chen Xiaobei had just dug a big hole for beiming Jinghong, and he was so excited that he called out a price of 1000000 upper spiritual stones.

Beiming Jinghong had only wanted to mess things up, and had never thought that he would have to pay for it.

The main point was that even if beiming Jinghong was the seventh young master of the beiming family, he didn't have the ability to take out such a large sum of money!

"This is easy! Make a call and get someone to send you spirit stones from the family! In any case, there's a teleportation formation, so it's very convenient!" Si Haowen said with a greedy look.

this ... beiming Jinghong was a little hesitant. Even if he could mobilize such a large sum of spiritual stones, he would have to bear a huge responsibility. If he made a mistake, he would become the sinner of the entire beiming family!

"Young master Jinghong! This is the pill King conference!"

Si Haowen frowned and said, " you've already made a bid. Going back on your word is breaking the rules! Although I don't dare to punish you, what will the world say about you? If you really renege on your debt, don't tell me you don't want the face of the beiming family?"

this ... beiming Jinghong's expression froze. He was so regretful that he had fallen into Chen Xiaobei's trap. He could not even get out of it!

Upon seeing this, Qin Wuxin frowned and asked, " Mr. Tianpeng, you didn't tell young master Jinghong that the kid is Chen Zhufeng. Now that young master Jinghong is in a difficult situation, what should we do? "

At the start of the auction, Tian Peng did not point out who Chen Xiaobei was because he was afraid of alerting the enemy.

Tian Peng thought that Chen Xiaobei was going to trick Huangfu Lingyun, so he did not say anything.

He did not expect Chen Xiaobei to do this in secret!

On the surface, it was Huangfu Lingyun's doing, but in reality, his real motive was beiming Jinghong!

Tian Peng really didn't expect this, which was why he could only watch as beiming Jinghong fell into the trap!

Of course, Tian Peng was full of confidence and thought that he had control of the situation. He naturally wouldn't care about the gains and losses.

"Ha, what's there to be embarrassed about?"

Tian Peng immediately said loudly, "young master Jinghong, don't go back on your word!" Although you've been scammed, I promise you that I'll make the person who scammed us pay for it with interest!"

One must know that Tian Peng was a peak four-star earth-god and he had a seven-star earth-god nine-toothed rake!

Even in the earth-god Realm, Tian Peng could be considered a top figure!

Now that Tian Peng had said he would support him, Beiming Jinghong naturally had more confidence!

Beiming Jinghong immediately agreed and said, "alright!" With Mr. Tianpeng's words, I have nothing to worry about! Let's do this!"

Beiming Jinghong had always believed that Huangfu Lingyun would definitely buy the heaven-ascending realm-breaking pill. He had paid a million upper-grade spirit stones first, and sooner or later, he would be able to get it back with interest!

At this moment, with Tian Peng's support, Beiming Jinghong had no more worries! He immediately took out his phone and contacted the higher-ups in the family!

.....

After all, the Beiming family was a wealthy family in the earth-god Realm, and their Foundation was extremely strong! In just a dozen minutes, he had used a teleportation array and a storage bracelet to deliver the huge amount of spiritual stones to the auction site!

Beiming Jinghong paid the spirit stones at the first possible moment, and successfully obtained the heaven Ascension boundary-breaking pill.

"Big loser! Did you see that? Your life-saving straw is already in my hands!"

Beiming Jinghong shook the jade box in his hand and said provocatively, "If you want to break through to the next realm, then give me two million upper spirit stones!"

"I don't need that stupid pill!"

Huangfu Lingyun looked at Chen Xiaobei and said, "With this young master here, I can definitely break through!"

Hearing this, Beiming Jinghong laughed in disdain. "Huangfu Lingyun! I think you're the big fool! That little rascal said that he would seek justice for the heavens, and you really believed him? Even a three-year-old child wouldn't believe this kind of Bullsh * t!"

"Don't doubt the person you use, and don't use the person you doubt!"

Huangfu Lingyun's eyes turned serious as he said, "I, Huangfu Lingyun, will bet the rest of my life on this young master! If he can't help me, then I'll never cultivate again in this life!"

Beiming Jinghong's heart skipped a beat as he cursed, "F * ck! You piece of trash! Not only was he a fool! And a lunatic! You're willing to give up your future just because of a few words from that little bastard?"

Huangfu Lingyun's attitude was firm. He said without hesitation, "My future is in the hands of this young master! I have absolute trust in Him! As for you, you can leave now. I don't want to waste my breath on you!"

you ... Are you for real???"

Beiming Jinghong instantly panicked, "do you think it's too expensive?" We can still discuss the price of the heaven Ascension boundary-breaking pill!"

"I said I don't want to, so I don't want to!" Huangfu Lingyun said indifferently.

"This ..."

Beiming Jinghong's face turned green, and he said awkwardly, "How about I sell it to you at the original price? One million upper spiritual stones, cash on delivery!"

Huangfu Lingyun laughed. Hmph! I don't want it even if you give it to me for free, let alone a million upper spiritual stones!

oh no... beiming Jinghong's little heart instantly turned cold. He hurriedly looked at si Haowen and said awkwardly, "Can I return the goods?"

"Of course not! This was an auction! How can you return a deal?" Si Haowen was an old fox who was extremely greedy for money. He would even abandon his friends for money. Naturally, he wouldn't agree to beiming Jinghong's request!

f * ck ... beiming Jinghong felt like he had been tricked again! His little heart was completely cold!

If they couldn't get the one million upper spiritual stones back, beiming Jinghong's legs would probably be broken by the higher-ups when he returned to the family!

But at this moment, many of the guests below the stage stepped forward one after another, all of them wanting to resolve beiming Jinghong's urgent situation!

"Young master Jinghong! Although you can't return the goods, you can auction them off! The realm-breaking dan is unparalleled in the world. We are very willing to buy it!"

"Yup! Our family has only one son for nine generations, and only one son can inherit the family business! It's a pity that his talent is mediocre and he hasn't been able to break through his realm. This pill is what we need the most!"

"I'm going to participate in a martial arts competition in the earth immortal world next month! If I can buy the heaven Ascension boundary-breaking pill, I'll be able to amaze the world with a single feat!"

.....

It was obvious that the people below the stage were all wealthy and had great backgrounds!

They didn't lack spirit stones, but they were in dire need of strength! They were all very willing to bid for the heaven Ascension boundary-breaking pill!

Seeing this, beiming Jinghong finally heaved a sigh of relief. "Fortunately, someone took over! Even if I sell it at a loss, I'll still get back most of the spirit stones ..."

However! Just as beiming Jinghong started to plan, Chen Xiaobei stepped out and shattered his dream!

"Dear guests!"

Chen Xiaobei laughed and said, " "This pill has a fatal flaw! Whoever buys it will regret it!"

Red Envelope Group of the Three Realms

Chapter 2227: Huge Gamble

A stone that caused a thousand ripples!

Chen Xiaobei's words caused a stir in the crowd!

"That young master's medical skills are superb! He said that the heaven Ascension boundary-breaking pill had a fatal flaw! It shouldn't be a lie!"

"Well said! That young master was able to accurately determine Huangfu Lingyun's condition. It can be seen that his vision is extremely accurate!"

"It seems that we can't rush to bid! Let's hear what that young master has to say!"

"Yes, yes, yes! It's good to be cautious! In case you regret buying it!"

All of a sudden, everyone's enthusiasm for the heaven Ascension boundary-breaking pill cooled down, and they all chose to wait and see! If he didn't make things clear, he wouldn't blindly bid!

"Numbed!"

Beiming Jinghong was enraged. He glared at Chen Xiaobei and shouted, " "Little bastard! Why do you keep going Against Me! First, you scammed me of a million spirit stones, and now you're ruining my auction! What are you up to?"

"Now that things have come to this, I have nothing to hide!"

Chen Xiaobei took off his mask and revealed his true face. "Now you know why I tricked you?"

you ... Y-y-you ... beiming Jinghong's eyes almost fell out of their sockets. you're Chen Zhufeng?!

All eyes were on Chen Xiaobei, but no one knew who he was since they were in the astral Sea.

"Who is Chen Zhufeng? Does he have a grudge against beiming Jinghong?"

"It can't be wrong! There must be a deep grudge between them for tricking beiming Jinghong like this!"

"Chen Zhufeng! I'll remember this name! To be able to toy with beiming Jinghong like a monkey, he's quite the character!"

.....

In the midst of the crowd's discussion, Hua hanyue's fair and delicate face suddenly blushed.

"I was wrong about Chen Zhufeng!"

Hua hanyue pursed her lips, feeling extremely excited. "Chen Zhufeng is not a two-faced person! He was a man who made a clear distinction between love and hate! They will definitely not side with our enemies!"

A few minutes ago, Hua hanyue was still suspecting that Chen Xiaobei had tricked Huangfu Lingyun just to please Beiming Jinghong and use the Beiming and Jiang family's Alliance to ease his hatred for the Jiang family!

At this moment, Hua hanyue finally confirmed that Chen Xiaobei had never intended to negotiate with the Jiang family. Instead, from the very beginning, he had been planning to torture Beiming Jinghong to death!

Hua hanyue hated the Jiang family, and her impression of Chen Xiaobei increased dramatically!

"Everyone, don't believe this little rascal!"

Beiming Jinghong roared, "he and I have a great enmity that will never end!" He said that the heaven Ascension boundary-breaking pill was flawed, so he was obviously trying to harm me! We're all smart people, it's impossible that we didn't see it!"

"Well said!"

Si Haowen also shouted, "this brat is deliberately throwing dirty water at us! Not only did he ruin young master Jinghong's auction, but he also damaged the Si family's reputation! I, Si Haowen, swear on my honor that there's absolutely no problem with the ascending heaven realm-breaking pill!"

Chen Xiaobei smiled and asked, "are you two so sure that the limit-break pill has no flaws?"

"Nonsense!"

Of course! Si Haowen said with absolute certainty, "after the heaven Ascension boundary-breaking pill was concocted, I immediately took out one of them and tested it on the ape! Within ten minutes, the ape's cultivation had successfully broken through from true Nirvana stage to celestial cultivation! It's clear that not only is there no flaw in the heaven Ascension boundary-breaking pill, but its effects are also extremely good!"

"Everyone heard that, right?"

Beiming Jinghong immediately shouted, "master Si has already done the experiment!" The heaven Ascension boundary-breaking pill was definitely effective! Everyone, don't be misled by that little bastard and miss out on this extremely rare spiritual pill!"

As soon as this was said, the guests at the scene were in an uproar again.

Breaking through realms was as difficult as ascending to the heavens. No one wanted to give up this great opportunity!

"Everyone, don't worry! Whether it's a mule or a horse, let's take it out for a walk first!"

Of course not! Chen Xiaobei grinned. Beiming Jinghong and old man Si are both sure that the pill has no flaws, so I'll make a bet with them. I'll bet that the pill has flaws! Of course, my bet is a Little Big, and I'm afraid they won't accept it!"

"You're destined to die in my hands today," Beiming Jinghong said with a disdainful smile. "What else do I not dare to do?" You can bet however you want!"

Si Haowen was even more confident as he said, " I'm very confident in the heaven Ascension boundary-breaking pill. No matter how big your bet is, I, si Haowen, will play with you to the end!

"Good! You're really straightforward!"

of course! Chen Xiaobei smiled. if there's a flaw in the pill, you two will have to give me 1000000 superior-grade spiritual stones each!

Everyone was shocked by his words!

The stakes were so high that it was frightening! No wonder Chen Xiaobei said that beiming Jinghong and Si Haowen would not accept it!

As expected, si Haowen's expression froze and he fell into silence.

Beiming Jinghong subconsciously looked at Tian Peng, wanting to ask for his opinion.

Mr. Canopy, I'm afraid this is Chen Zhufeng's trap again! Qin Wuxin said worriedly. tell young master Jinghong to reject it!

"It doesn't matter!"

just as young master Jinghong said, Chen Zhufeng will die today. I'd like to see what he's going to do! Tian Peng said.

After saying that, Tian Peng gave beiming Jinghong a look of certainty.

Beiming Jinghong immediately regained his confidence and said, " Good! I accept this bet! However, if you lose, what will you give me back?"

"Take my life!" Chen Xiaobei said with a smile.

"You're right! Today, you will die without a doubt. You can only pay me back with your life!" Beiming Jinghong's eyes were sharp and filled with killing intent.

"Old man si! What do you say? Don't you dare to bet?"

Chen Xiaobei turned to si Haowen and said, " You don't even have confidence in yourself, yet you want others to have confidence in your little broken pill? Pill King Nine Cauldrons, you're just a joke!"

I ... si Haowen was greedy for money, but he cared more about his reputation. Even in his dreams, he wanted to become the number one on the nine Cauldrons pill King ranking!

At this moment, he was only one step away from realizing his dream. Si Haowen gritted his teeth and finally decided to accept this huge bet!

"I accept! But I don't want to take your life!"

Si Haowen narrowed his eyes and said, 'you want to bet 1000000 superior-grade spirit stones with me? You have to take out a chip of equal value!"

"Is a five-star earth-god instrument enough?" Chen Xiaobei smiled and took out the spiritual bursting flames King Sword. After showing it to the audience, he put it away.

it's ... It's enough ... si Haowen swallowed his saliva, and his eyes were filled with greed.

A million superior-grade spirit stones was a huge sum, but a five-star earth-god instrument was even more precious! And it was even more practical!

"Good! Since you've all accepted it, this bet is officially established!"

what?! Chen Xiaobei raised his eyebrows. old man si, give me another stupid limit-break pill! We'll test its effects on the spot!

"Hmph! Just wait for your death!" Si Haowen snorted and ordered, "Men! Bring over an experimental ape!"

"Wait!"

wait! Chen Xiaobei interrupted. this pill is for humans. Get a living person to test it!

[Red Envelope Group of the Three Realms](#)

Chapter 2228: I'll Take Your Aging Pill

"Test on a living person?"

Si Haowen's expression froze for a moment before he said, "Pill experiments have always been done with apes! I can't satisfy your sudden request!"

what? " Chen Xiaobei asked. it's hard to find an eight-eyed Toad, but can't we find a two-legged person? "

"It's not that we can't find it! It's just that no one is willing to do the test!" pill testing? " si Haowen frowned and said, " it's an extremely dangerous thing to do!

One had to know that every new type of medicinal pill had a lot of uncertain risks when it was first refined!

Poison! Side effects! All of these could cause death!

It was precisely because of this that no one dared to test the new variety of medicinal pills after they were refined. They could only use apes to test the new medicinal pills!

"Are you stupid?"

you've already tested it on the ape. The limit-break pill is not poisonous and has no side effects. Why wouldn't anyone be willing to test it? "

"This ..."

Si Haowen was stunned and said awkwardly, "Yeah! I've tested the heaven Ascension boundary-breaking pill, and it's harmless. That's why I dare to auction it! Was there anyone at the scene willing to come up and test the medicine? This is a rare opportunity!"

"I'm willing ... I'm willing ... I, I, I ..."

All of a sudden, all the people at the scene who had reached the peak of a certain realm became restless.

Going on stage to test the medicine was equivalent to obtaining a chance to break through the realm.

A successful breakthrough would be a huge gain! Even if he failed, he would not lose anything.

"Si Fengqi! You come up!"

Si Haowen pointed out a teenager who was about 15 or 16 years old in the crowd!

Seeing this, everyone at the scene couldn't help but start to complain.

"Si Haowen, that old fox! He was simply too stingy! He actually chose the SI family's own grandson!"

this old fox is famous for being greedy. He must be keeping his own fertile water within his own field!

"Calm down, everyone! Childe Zhufeng said that the heaven-ascending breakthrough pill has a fatal flaw! That old fox, si Haowen, might be too smart for his own good and end up harming his own grandson!"

"Right! The final result isn't out yet, let's just watch quietly! Let's see who has the last laugh!"

.....

Thus, everyone's eyes were focused on the young man named si Fengqi.

this kid is called si Fengqi. He's a young junior of the SI family!

Si Haowen announced. his current cultivation level is at the peak of true Nirvana cultivation. I'll give him a heaven-ascending limit-breaking pill. Within ten minutes, his cultivation will be able to break through to celestial cultivation!

Of course, no one present was stupid. They wouldn't believe whatever si Haowen said!

In an instant, dozens of earth level deities 'primordial spirits enveloped si Fengqi!

The consciousness of the essence soul realm transcended the eyes, ears, mouth, nose, and body. It could sense things on a deeper level!

A stronger essence soul realm earth immortal could forcibly pry into the cultivation base of a weaker cultivator!

Si Fengqi was only at the true Nirvana stage. In front of so many earth level deities, he was like a naked baby who couldn't hide any secrets!

this kid is indeed at the peak of true Nirvana stage!

Chen Xiaobei did not have a primordial spirit yet, but his netherspirit battlescouter had seen through everything!

"Fengqi! Don't be nervous! Take the pill and wait for your breakthrough!"

No one at the scene raised any objections, so si Haowen took out a 'ascending to the heavens crack' pill and handed it to si Fengqi.

"Yes!"

Si Fengqi's face was filled with surprise. He quickly took the pill and consumed it, waiting expectantly for the breakthrough.

The difficulty of breaking through was harder than ascending to the heavens!

To any cultivator, a 100% breakthrough within 10 minutes was definitely a super opportunity that they dreamed of!

Many people didn't even dare to dream of it!

Not only si Fengqi, but everyone at the scene had their eyes wide open, looking forward to the final result without blinking! They were looking forward to witnessing a miracle!

However!

Time slowly passed, and ten minutes seemed to be up in the blink of an eye!

"What's going on? What happened to the breakthrough?"

Si Fengqi's body didn't change at all. He was so anxious that his forehead was covered in sweat.

"That's strange ..."

Si Haowen's face was filled with anxiety and he said guiltily, " during the test, as soon as the pill was consumed, Yuan hou's zhenqi began to fluctuate intensely, and he managed to achieve a breakthrough within ten minutes ... Why is there no change this time? "

Seeing this, beiming Jinghong's face turned green. "Numbing! Old man si! How are you going to explain this? Your stupid limit-breaking pill is useless! How dare you sell it to me for a million upper spiritual stones?"

I ... I don't know why it turned out like this either ... It went very smoothly when I tested it with the ape ... Let's wait a little longer ... si Haowen swallowed his saliva frantically. Cold sweat was pouring down his body like rain, and he couldn't stop sweating!

"Uh ..."

Before he could finish speaking, si Fengqi's expression suddenly changed. He fell to the ground, his dead fish eyes rolling up. Not long after, he started to foam at the mouth!

In an instant, the entire arena exploded!

"Heavens! Si Fengqi had fallen! Childe Chen was telling the truth! The heaven Ascension boundary-breaking pill really has a fatal flaw!"

"Not only did si Fengqi not break through, but he's also foaming at the mouth! You absolutely can't buy the SI family's heaven-ascending realm-breaking pill!"

"You have the nerve to call this thing a heaven-ascending realm-breaking pill? It should be called the life pill!"

"Well said! Other people's medicinal pills needed money! The SI family's pills are fatal!"

thank God Childe Zhufeng reminded us. Otherwise, we would all be idiots who spend money to buy suffering!

Facts speak louder than words!

The scene in front of them allowed everyone to clearly see the problem with the heaven Ascension boundary-breaking pill!

There was no need for Chen Xiaobei to say anything. The result was right in front of him!

Even beiming Jinghong began to curse, " "Si Haowen! You old bastard! How dare you sell a deadly poison pill for a million upper spiritual stones! Give me a refund! Otherwise, I'll never let you off!"

I ... si Haowen's expression was as if his father had just died. He had always been greedy for money, and he was about to spit out the spirit stones that he had just received before he could even warm them up. He was extremely depressed!

"Pfft ..."

Seeing this, Hua hanyue couldn't help but smile like a flower. Childe Chen is so bad. At first, he called beiming Jinghong a big fool, and I didn't understand why. But now, it seems that beiming Jinghong is really a big fool!

A million superior-grade spirit stones for an aging pill!

Only a fool would do something so stupid!

"Master si!"

Yan Qingyu stood up directly and said in a domineering manner, " "You're using a severely flawed poison pill to participate in the pill King conference. You're simply smashing our nine cauldron Royal city's signboard! You don't even have the right to enter the nine Cauldrons pill King ranking!"

The other seven families agreed with him.

Someone manipulated the backstage and directly deleted the SI family's results from the rankings on the big screen!

what the f * ck ... si Haowen's face turned ashen. He even had the thought of dying.

Compared to his greed for money, he was more concerned about his reputation.

However, not only was he going to spit out a million high-grade spirit stones, but he was also going to lose the number one spot on the nine Cauldrons pill King ranking that he had just been a few minutes ago!

Si Haowen felt as if he had just eaten a whole pit of poop. He was so depressed that he could feel the depths of his soul!

However, something even more depressing was waiting for him!

Oh? " Chen Xiaobei raised his eyebrows. the test is over. It's time to settle our bet, right? "

Red Envelope Group of the Three Realms

Chapter 2229: A Quarter

a bet!?

As soon as he said that, si Haowen and beiming Jinghong's hearts trembled, and they instantly became nervous.

Before the test, both of them had accepted the huge bet that Chen Xiaobei had set!

At this moment, the flaws of the heaven Ascension boundary-breaking pill were already laid out in front of him. The result of the bet naturally didn't need to be said!

Si Haowen and beiming Jinghong had both lost!

According to the bet, each of them had to lose one million upper spiritual stones to Chen Xiaobei!

To si Haowen and beiming Jinghong, paying such a huge sum of spirit stones was even more difficult than taking their lives!

"I'm not convinced!"

Si Haowen bit the bullet and said,'that pill just now might have been an accident! Perhaps si Fengqi's physique wasn't good! I request to find someone else to test it!"

"Ha, you're really a dead pig that's not afraid of boiling water! But it doesn't matter, I can make you give up completely!"

Chen Xiaobei raised his eyebrows and said, " "After you first refined your pill, you did an experiment on the ape! However, you were greedy and stingy. After the first experiment, you couldn't bear to do more! So, you don't even know that your pills are completely ineffective on humans!"

Si Haowen was furious,'what right do you have to say that! You don't even know my pill recipe, you're just making it up!"

when old Meng was observing the pill, I could smell the medicinal fragrance. I can't deduce the complete recipe, but I can smell the scent of a few spiritual herbs! Chen Xiaobei said.

"So what?"

Si Haowen said domineeringly,"many Chinese medical doctors can recognize medicine by its fragrance!" However, the ratio of each medicine was different, and the refining process was different. The final effect would be very different! Even if you can smell it, you can't possibly know the flaws of the heaven-ascending realm-breaking pill!"

"You're right! It was indeed impossible to determine the flaws just by the medicinal aura alone! But coincidentally, I am well-versed in the recipe of the skybreaking cultivation pill!"

of course! Chen Xiaobei smiled. put the spiritual herbs that I've sniffed into the pill formula and I'll know that the pills that are made this way will not work on humans. In fact, they will have some side effects! For example, foaming at the mouth and fainting on the spot!"

how ... How is this possible?!

Si Haowen widened his eyes in disbelief. "What skybreaking cultivation pill? I've never even heard of it! You must be making it up!"

"Making things up?"

"I'm here to auction the skybreaking cultivation pill!" Chen Xiaobei laughed. Now that things have come to this, I'll take advantage of this moment to show everyone!"

Chen Xiaobei then took out the green jade cauldron!

"Whoosh ..."

The moment the cauldron was opened, a medicinal fragrance instantly filled the air. In the huge venue, every corner could smell a refreshing fragrance!

"It smells so good! This medicinal fragrance seems to seep into my limbs and bones, making me feel comfortable all over!"

that green jade cauldron is not ordinary either. It has a strong spiritual nature and is definitely the best alchemy furnace I have ever seen!

"Could Childe Chen be an Alchemist? How old was he? Isn't this too unbelievable?"

"Hurry up and take a few more puffs ... This medicinal fragrance is too good ..."

.....

The layman watched the show, while the expert watched the tricks!

Yan Qingyu suddenly stood up, her bright and beautiful eyes were filled with intense shock. Her red lips trembled as she said in disbelief, " "This isn't the aroma of medicine ... It's pill Qi! Qi followed when the pill was produced! This ... This is a perfect pill!"

"Another ... Another batch of perfect pills!" Hua hanyue was completely stunned. "This righteous Daoist is really lucky to have young master Chen as his master! It's making me want to learn from a master ..."

Even the famous old Meng was dumbfounded. He swallowed his saliva and said, " "The Qi from the pill follows the pill ... This ... This is the effect that every pill master dreams of! It was also the most extreme state of each kind of medicinal pill! Oh my God ... Am I dreaming?"

At the same time, si Haowen and the other eight family heads, as well as all the alchemists present, all stood up!

Their eyes were fixed on the green jade cauldron like a group of people dying of thirst seeing an oasis and a water source. Their eyes were filled with desire and yearning!

He couldn't wait to see the true appearance of the medicinal pill in the cauldron!

"Everyone, please take a look!"

Chen Xiaobei took out a pill and said, "This is the skybreaking cultivation pill that I personally refined!"

as the name suggests, a cultivator at the peak of the sky origin stage only needs to consume one pill to immediately break through to the spirit forging stage!

cultivators below sky origin stage, as long as they reach the peak of each stage, can also use the sky origin stage-breaking pill to break through unconditionally!

Everyone was shocked by his words!

"Is ... Is this true? Will he be like old man si, saying nice things, but the actual effect is killing people!"

"I don't think so! Childe Chen's judgment tonight was correct! It's obvious that his ability is extraordinary. It's not strange that he can refine magical pills!"

"Not necessarily! Childe Chen was indeed a capable man, but the pill that could help him achieve a breakthrough was too mysterious! I won't believe it unless I see it with my own eyes!"

"That's right! Whether it's a mule or a horse, let's take it out for a walk! We can only believe it when we see the results!"

The crowd was in a heated discussion. After all, si Haowen's end of life pill was right in front of them. Many of them did not really believe in Chen Xiaobei's skybreaking cultivation pill.

Of course, this wasn't strange. Any buyer would be very careful when buying such a priceless pill.

"I know what you're worried about!"

Chen Xiaobei did not care about their suspicions. He smiled and said, "Huangfu Lingyun, it's your turn to go up!"

"Me?"

Huangfu Lingyun was stunned for a moment before he came to a sudden realization. "I understand! You're going to use the skybreaking cultivation pill to help me break through!"

"That's right!"

Chen Xiaobei nodded and said, "Come over! You'll be able to break through to a new realm and be Reborn!"

"Alright!" Huangfu Lingyun had absolute trust in Chen Xiaobei, so he immediately ran over.

"Eat!" Chen Xiaobei broke off a quarter of the ethereal force cracker and handed it to Huangfu Lingyun.

"Why is it only a quarter?" Huangfu Lingyun was stunned and astonished.

"A quarter of the true Kang heaven-breaking constellation is enough!" Chen Xiaobei said confidently. Breaking through the heavenly Yuan with heavenly phenomenon only required half of it! To break through the heaven origin stage and refine the spirit, you only need to eat one whole pill!"

this ... Huangfu Lingyun's face was filled with confusion as he said in a daze, " this is the first time I've heard that you only take a quarter of a pill ...

In fact, everyone present was dumbfounded. They had never seen or heard of such a statement!

"Mr. Canopy, is what Chen Zhufeng said true?" what? " Qin Wuxin asked in disbelief, " is that elixir really so magical? "

Red Envelope Group of the Three Realms

Chapter 2230: Not Selling, Just Giving

"It's true!"

of course! Tian Peng nodded. Chen Zhufeng got lucky a long time ago and was able to make the skybreaking cultivation pill himself! Otherwise, his cultivation wouldn't have improved so quickly!"

"Then how are we going to stop him?"

Qin Wuxin frowned and said, 'that elixir is effective, so it'll definitely attract a lot of people to fight for it! The thought of Chen Zhufeng making a lot of money makes me very unhappy!"

"Stop him? You're so silly!"

he will die by my hands today, " Tian Peng laughed. no matter how many spiritual stones he earns, they will all be mine in the end. Why should I stop him? "

"This ..."

Qin Wuxin was stunned for a moment before he said ruthlessly, " "That's true! If that's the case, I hope Chen Zhufeng can earn more! If he has the life to earn it, he won't have the life to use it. Let him die with his eyes wide open!"

Whoosh ... Whoosh ...

In just a few sentences, Huangfu Lingyun's body had already undergone a huge change!

A quarter of the skybreaking cultivation pill emitted a mysterious and sufficient medicinal power that directly helped Huangfu Lingyun to break through his realm!

On Huangfu Lingyun's body, true Kang of the fire and water attributes appeared!

Then, it even drew upon the powers of water and fire, causing the entire space to be divided into the two heavens of water and fire!

"I've broken through! Young master Ling Yun has broken through!"

The Silver Wolf cried out excitedly, "only celestial phenomenon cultivators can trigger the great momentum of the heavens and earth!" This means that young master Ling Yun has already broken through the true Nirvana stage and entered the celestial cultivation stage!"

"It's not easy ..."

Old Meng was also very excited and sighed repeatedly. "It's been three years! Young master Ling Yun has tried countless ways and put in countless efforts ... Finally, the heavens do not let down those who work hard, allowing him to wait for this opportunity to be Reborn!"

"It's under control! I can control the fire ethereal force now!"

Huangfu Lingyun himself was so surprised that he even shouted, "As Childe Chen said, this fire ethereal force is the potential of talent! Breaking through the realm is a test from the heavens!"

"With Childe Chen's help, I have successfully completed the test and gained control of this potential! From now on, I will have twin true origins, water and fire in my body!"

Huangfu Lingyun's lost confidence was completely recovered at this moment. "I'll definitely return to the peak of the past, and I'll break through that peak and step onto a higher level! My name will reverberate throughout the Putuo territory! It resounded throughout the earth-god Realm!"

Everyone was shocked by his words.

"Huangfu Lingyun has broken through! The number one genius of the Putuo domain of the Nanzhan state has returned!"

"It's not as simple as just coming back! Now that he could control the Twin true essence, his talent was even more terrifying than before! He is destined to become stronger!"

Huangfu Lingyun has risen again. In the next hundred years, he will definitely take over the position of the family head and lead the Huangfu family to greater glory!

The crowd was amazed and looked at Huangfu Lingyun in a completely different light!

Originally, everyone had only treated Huangfu Lingyun as a big piece of trash. They had looked down on him, despised him, and disdained him!

At this moment, everyone treated Huangfu Lingyun as a formidable man who was about to rise up. They were in awe, envious, and did not dare to neglect him!

"Everyone, don't just be amazed!"

Everyone was amazed and envious. However, Huangfu Lingyun restrained his aura and said in an extremely respectful tone, "Today, I, Huangfu Lingyun, will be Reborn! Young master Chen Zhufeng is my second parent! In the future, I'll share every glory I've obtained with him!"

At the same time, the crowd was even more shocked!

"You're right! Huangfu Lingyun's opportunity was given to him by Childe Zhufeng! The skybreaking cultivation pill is a true cheat!"

"Yup! All of Huangfu Lingyun's future achievements will be attributed to the skybreaking cultivation pill!"

Huangfu Lingyun treats Childe Zhufeng as his second parent. He's not wrong at all!

"Childe Zhufeng is a God! I'm convinced! I'm sincerely convinced!"

.....

"Oh right! Didn't Childe Chen say that he was going to auction the skybreaking cultivation pill? I want to buy it!"

"I want to buy it too! Even if this heaven-defying cheat can't be used now, it might be useful in the future!"

"Yup! If he didn't buy it now, he might not have the chance to buy it in the future! Childe Chen, name your price! We'll definitely bid with all our might!"

The crowd was in an uproar again. Almost everyone wanted to buy a skybreaking cultivation pill.

Some people bought it for their own use, some wanted to buy it for their descendants to inherit the family business, and some wanted to keep it for future use!

After all, Chen Xiaobei was the only person in the mortal world who could make skybreaking cultivation pills.

If they missed today, they wouldn't be able to buy the skybreaking cultivation pill even if they had enough spirit stones!

Under everyone's expectant gaze, Chen Xiaobei said, " "This cauldron of mine has ten pills! It's too troublesome to auction them one by one!"

"So, I've decided to sell them at the price of one million upper spiritual stones each! Bosses with ability can come on stage and hand over the money and goods on the spot!"

As soon as he said that, a series of gasps spread among the crowd.

A million upper spiritual stones!

For most people, this was an astronomical figure that they could not even touch!

Even though Si Haowen's end your life pill was also at this price!

However, with Chen Xiaobei's interference and Beiming Jinghong's brainless bidding, the final price was finally pushed to one million!

In fact, if this elixir were to be auctioned normally, the price would be around 300000 upper spiritual stones at most!

Chen Xiaobei's bid of one million was more than three times the price that everyone was expecting. It was ridiculously high!

"Young master Chen, you're too reckless. I'm afraid no one will buy it ..." Hua Hanyue was even a little worried.

However, before he could finish his sentence, four people ran up to the stage and bought four skybreaking cultivation pills!

One had to know that the people who came to attend today's alchemy King conference were all rich and powerful Giants. There were even rich people from the earth-god Realm!

A million superior-grade spiritual stones was a huge sum, but they knew that they could earn more spiritual stones after spending them. If they ran out of skybreaking cultivation pills, they might never be able to buy them again in their lifetime!

Furthermore, Hua hanyue did not need skybreaking cultivation pills, which was why she thought they were expensive!

But to those who really needed it, it was hard to buy a good heart with a thousand gold! I'm already very happy to be able to buy it!

A few minutes later, another five people ran up to the stage to trade.

The five of them were not rich, but they were popular. They scraped together a million upper spiritual stones.

In just a few minutes, Chen Xiaobei had sold nine out of the ten pills!

Only three-fourth of the skybreaking cultivation pills that Huangfu Lingyun had not used were left!

"Young master Chen!"

At this moment, the old patriarch of the Yan family personally ran up to the stage and said, " I want to buy the remaining three quarters of the pills for 750000 upper spiritual stones. Is that okay? "

"You want to buy it for research?"

Chen Xiaobei raised his eyebrows and shook his head."I'm not selling these three quarters of the pills, I'm giving them to you as a gift!"

Send?

As soon as he said that, the crowd exploded!
