### Red Envelope Group of the Three Realms

#### Chapter 2231: Daggers Drawn

"Give?"

Patriarch Yan's face was filled with shock. He simply couldn't believe his ears and stammered, "Young master Chen ... Who do you want to give these three quarters of the pill to?"

In an instant, everyone present craned their necks, hoping that they would be the lucky one!

Three quarters of the skybreaking cultivation pill was worth 750000 upper spiritual stones! To any power, this was a huge fortune!

Furthermore, after obtaining it, if he were to research the pill formula or sell it to earn the price difference, he could earn even more!

More importantly, Chen Xiaobei said that it was a free gift!

This was a great thing for anyone!

Even the sage-like old Meng was eager to try, hoping to get a gift from Chen Xiaobei!

"My request is very simple. Whoever can give me a clue to limitless, I will give these three quarters to that person!"

Under everyone's expectant gaze, Chen Xiaobei stated his request very calmly.

To Chen Xiaobei, skybreaking cultivation pills were not expensive. In fact, they were low-end goods that were no longer in use.

Chen Xiaobei had already used the skybreaking cultivation pill in exchange for nine million superior-grade spiritual stones. He had become rich overnight! It was a crazy profit!

If he could use the last three-quarters of the skybreaking cultivation pill to exchange for a clue to limitless, that would definitely be the best of the best!

As long as he could get his hands on the infinite blood, Chen Xiaobei could make a large number of infinite blood longevity pills.

By then, Chen Xiaobei would be able to use it for himself and even auction it off. Just the thought of it made him feel so good!

"What is limitless? Does anyone know?"

"Boundless longevity? It's just a word, what clues do you have?"

"Childe Chen, don't play riddles! Speak clearly, or else we won't know what you're looking for!"

Unfortunately, no one at the scene seemed to know what limitless was, and it was impossible for them to provide Chen Xiaobei with any useful clues.

After all, limitless was a demonic creature, and the witch of winter said that it was extremely rare!

It wasn't strange that the people of the human world didn't know him!

it looks like no one here today can take away three quarters of the skybreaking cultivation pill!

Chen Xiaobei was a little disappointed and was about to keep the pill.

"Wait a moment!"

Just then, Yan Qingyu suddenly stood up and said, " I might have some clues, but it's not convenient to say them here. If Childe Chen has nothing else, you can come home with me. I've collected something that might be useful!

"Good! I can go with you to take a look, but not now!"

Chen Xiaobei raised his brows and turned to si Haowen and beiming Jinghong. "I'm leaving. You guys should pay me the bet you owe me, right?"

"Leave? You're not going anywhere!"

Beiming Jinghong's killing intent exploded like a bloodthirsty beast. He glared at Chen Xiaobei and said, "Today, you will die in my hands! Everything you have will be mine!"

"This is the gathering of the elixir Kings!" Chen Xiaobei said with a smile. There were so many distinguished guests as witnesses! Do you not want the face of the beiming family anymore?"

"Oh, how much is face? I really don't want it anymore!"

"You have nine million upper-grade spirit stones in your hands, and a few five-star earth-god instruments!" Beiming Jinghong grinned. If I can snatch these things, so what if I lose some face?"

There was no doubt that Chen Xiaobei had a lot of wealth and a lot of magical equipment!

If they could get all of this, not to mention shamelessly, even if they risked their lives, there would be many people who would want to snatch it!

Upon seeing this, si Haowen hurriedly fanned the flames. "Young master Jinghong is right! Those who achieve great things don't bother about trifles! If you lose face, you can still get it back. If you don't kill your enemy, the consequences will be unimaginable!"

It was obvious that si Haowen, this sly old fox, was also a b \* tch who was willing to bet but not willing to admit defeat.

That was why the old man was trying his best to incite beiming Jinghong to kill Chen Xiaobei. Once Chen Xiaobei was dead, he would not have to pay the one million upper spiritual stones he had lost!

"Sure! You two b \* tches really know how to play! You're willing to bet but not willing to admit defeat, and you still want to take my life?"

Chen Xiaobei said coldly, "I'll make it clear today. If you want my life, I won't let you Live! Moreover, even if you die, you will still have to pay the debt!"

"You little brat! What big words you have!"

Si Haowen immediately cursed and said, " "This is the nine cauldron Royal City, the SI family's home ground! With just one word, I can get someone to throw you into the heavenly prison and chop you to death with a random knife!"

"Whoever dares to touch a single hair on young master Chen, I will make him pay with his life!"

Huangfu Lingyun stepped forward, followed by the Silver Wolf. They stood beside Chen Xiaobei.

si ... si Haowen sucked in a breath of cold air, and his expression turned extremely ugly.

The SI family could be considered a first-class force in the nine layers of the starry sea, but they were nothing compared to the Huangfu family.

If he really infuriated Huangfu Lingyun, it wouldn't be a problem for him to destroy the SI family.

"Ha, what a joke!"

Beiming Jinghong took a step forward and said in disdain, " "Huangfu Lingyun! Although you've broken through, in my eyes, you're still a big piece of trash! If I want to kill Chen Zhufeng, do you think you can stop me?"

"If you can stop them, then stop them! Even if we can't stop them, we must!"

Huangfu Lingyun's gaze was solemn, and his attitude was extremely firm. "If you want to kill Childe Chen, you'll have to step over my dead body first!"

"Swish!"

As soon as it finished speaking, the Silver Wolf took out a brown spear. It activated its spirituality and turned out to be a five-star earth-god instrument.

hiss ... si Haowen sucked in a breath of cold air again and sneakily backed away, not daring to stand in front of her.

"Clang!"

The next moment, beiming Jinghong took out a blue scimitar. It was a six-star earth-god instrument!

"Big loser! Don't say I didn't warn you!"

"My Blue Moon scimitar hasn't drunk blood for a long time!" Beiming Jinghong laughed. If we were to fight, I can't guarantee that you won't die under my blade!"

Upon seeing this, Huangfu Lingyun and the Silver Wolf's expressions froze. Although they did not say anything, their eyes revealed their nervousness.

It was obvious that Huangfu Lingyun's most powerful magical weapon was that brown battle spear. His cultivation had been abandoned for a long time, so he let the Silver Wolf take care of it.

Beiming Jinghong, on the other hand, had accepted the family's mission to kill Chen Xiaobei. The Blue Moon scimitar in his hand had been given to him by the higher-ups of the family at the last minute, and its power was greater than that of the brown battle spear.

Once the battle started, the Silver Wolf would not be able to withstand even one move!

"Hahaha! You guys have no chance now, right?"

Si Haowen, who was standing at a distance, instantly had a smug smile on his face. He was beaming with joy as he said, " "With young master Jinghong around, you're just a few rotten eggs! Young master Jinghong only needs to lift a finger and you'll all die a thousand times over!"

"Even if I die, I will protect young master Chen!" Huangfu Lingyun was very determined and would rather die than retreat.

"Huangfu Lingyun, get out of the way!"

Chen Xiaobei took a step forward and said, " "I'll deal with my own enemies!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2232: Watching The Tigers Fight**

"What? You'll settle it yourself?"

Huangfu Lingyun and the Silver Wolf were instantly stunned.

In their eyes, Chen Xiaobei was just a 21 - 22 year old teenager, and his medical skills and alchemy skills were already at a very high level!

Everyone's time was limited. Even if Chen Xiaobei started learning in his mother's womb, he would not have much time to cultivate!

That was why, in the eyes of others, cultivation was Chen Xiaobei's greatest weakness, even though his medical and alchemy skills were superb!

Not only Huangfu Lingyun and silver Wolf, but many of the people present could not imagine how Chen Xiaobei was going to deal with the enemy!

Hua hanyue's brows were furrowed, and she was extremely worried.

Yan Qingyu and the Yan family's leader looked very worried. They were afraid that if Chen Xiaobei died, they would not have a chance to get the skybreaking cultivation pill.

The guests at the scene were even more abuzz, talking about all kinds of things.

"Childe Zhufeng doesn't know his place. The Blue Moon blade in beiming Jinghong's hand is a six-star earth-god instrument!"

"Well said! A six-star earth-god instrument was the most powerful weapon in the entire earthly calamity Star Ocean. Chen Zhufeng did not have a powerful family background, so he could not take out a weapon of the same level! On what basis should we fight?"

"In my opinion, Chen Zhufeng is just trying to save his face! If we really fight, he'll be killed by beiming Jinghong in an instant!"

.....

There was no doubt that no one in the crowd was optimistic about Chen Xiaobei's chances.

However, the few people who knew Chen Xiaobei well knew that he was not just acting cool. He had a trump card up his sleeve!

"The battle is finally about to start!"

Qin Wuxin's face was full of anticipation, but he was also a little worried. "Mr. Tianpeng, from what I know about Chen Zhufeng, he would never fight a battle he's not confident in! Since he dared to accept the challenge, he should have a powerful trump card!"

"Do you even need to ask?"

Tian Peng nodded and said, "Chen Zhufeng is more cunning than a Fox!" When he stood in front of the enemy, he had already calculated the enemy from head to toe! Today, he didn't plan to escape from the beginning, so he must have come prepared!"

"If that's the case, senior Tianpeng, please attack! To prevent young master Jinghong from suffering another huge loss!" Qin Wuxin said anxiously.

"No rush!"

no! Tian Peng shook his head and said cautiously, "I just said that Chen Zhufeng has no intention of running away. This means that he must have prepared some trump card to deal with me!

what? " Qin Wuxin suddenly realized. you mean, we can't attack Chen Zhufeng before we see his trump card? " What if young master Jinghong is in danger?"

Tian Peng smiled sinisterly, "idiot!" The two of us are true allies, so even if beiming Jinghong dies, what does it have to do with me?"

"This ..."

Qin Wuxin was stunned for a moment before he nodded heavily and said, "Mr. Tianpeng is right! We're the true life-and-death allies! Come to think of it, I already owe you several lives! In this life, I will follow you and repay you!"

"You two! It's not very appropriate for you to say such things in front of me!"

Right at this moment, beiming Wuji who was standing at the side said angrily, "Jinghong is my nephew! Along the way, he had been very respectful to Mister Tianpeng! You're not willing to help him at this critical moment!"

Tian Peng smiled, "we're just travelling together. There's no agreement nor any interest!" I don't need to help him! On the other hand, you, as an uncle, should be the one to help beiming Jinghong!"

"I ..."

Chen Zhufeng! beiming Wuji's face was full of worry as he said, "my furious wave sky-splitting saber was taken away by Chen Zhufeng. I don't have the strength to fight anymore ... How about this! Lend me the Dharma Treasure that the Jiang family lent you! You have a seven-star earth-god instrument, so you don't need a six-Star One!"

"Sure!"

Tian Peng immediately took out a long blade and passed it to Beiming Wuji, "I'm worried that Chen Zhufeng might have a powerful trump card. I'll let you test the waters!"

It was obvious that Tian Peng had the nine-toothed rake and could use the power of a seven-star earth-god.

The six-star earth-god instrument lent by the Jiang family was no longer of much use.

Tian Peng was worried that Chen Xiaobei might be hiding something, so he sent Beiming Wuji to be the cannon fodder.

Only after seeing Chen Xiaobei's trump card could Tian Peng decide whether to fight or retreat!

After all, the Canopy Great Company had already suffered too many losses from Chen Xiaobei. They had to be careful.

"Thank you, Mr. Canopy!"

Beiming Wuji took the long blade and stared at Chen Zhufeng, "When he starts fighting with the startled Swan, I'll find an opportunity to deal him a fatal blow!"

"I hope you can succeed! This will save me a lot of trouble!" Tian Peng smiled evilly as he watched from the side.

Qin Wuxin put on a harmless smile, but he was secretly calculating in his heart. "When two tigers fight, one will definitely be injured! No matter who is injured, Mister Canopy is still the biggest member of the Ying family!"

"Blue Moon! Sky shattering!"

At this moment, Beiming Jinghong had already lost his patience. With a thought, he directly activated the six-star earth-god Power of the Blue Moon scimitar!

"Whoosh ... Boom Boom ..."

In the next moment, a Blue Spirit light shot up into the sky, and the roof of the venue was blown apart!

Countless bricks and debris shattered and fell into the venue. It was as if the entire space was about to be crushed!

Fortunately, the cultivation of the guests in the venue was not weak. Naturally, they would not be injured by these falling objects!

However, they were all dumbfounded by what happened next. They gasped and even tried their best to retreat and escape from the venue!

"Woof! Buzzzzzz! Yi ..."

They saw many blue moonlights falling rapidly!

Like huge heavenly pillars, they crashed down on the venue with great force!

This was the real power of a six-star earth-god!

Without a magical treasure of the same grade to protect himself, he was like an ant. He could only be crushed and killed!

"Young master Ling Yun! Please take young master Chen and leave first! Even if I have to die, I'll stop darknorth Jinghong!"

The Silver Wolf had received the brown spear. His eyes were filled with determination, but there was a hint of despair hidden in them. He was prepared to die. He had decided to use his life to buy time for Chen Xiaobei and Huangfu Lingyun to escape!

"Young master Chen! Let's go ... Hmm?"

Huangfu Lingyun reached out to pull Chen Xiaobei but realized that Chen Xiaobei's body was as steady as a mountain. He could not move him at all!

One should know that Huangfu Lingyun had just broken through to celestial cultivation and his strength had increased greatly!

However, no matter how hard he tried, he could not move Chen Xiaobei even an inch!

"Clang! Clang! Clang! Clang!"

Chen Xiaobei did not explain anything and just drew his sword!

In an instant, the four demonic swords arrived at the scene! It was as if an ancient demon Lord had descended to the mortal world to slaughter all living beings and turn the eternal Pure Land into an endless hell!

The incomparably terrifying pressure instantly intimidated Huangfu Lingyun and the Silver Wolf. It even made everyone's heart tremble and they were instantly terrified!

"Wuji! Holy devil sword formation!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2233: No One Can Save Him**

"Boom boom boom ..."

demonic flame! Chen Xiaobei roared, and the space was filled with demonic flames!

The Dharma power of the Spirit Flame King was formed!

Its entire body was covered in flames, and the horns on its head were like red-hot steel. The wings on its back were condensed from dark red demonic flames, and there were four arms on its shoulders, all wrapped in fire. It was extremely strange!

Then, the Dharma power of the wildthunder King appeared!

His eyes were like lightning balls, his wings were like a lightning net, and his four arms and four legs all had claws comparable to that of a ferocious beast!

Next was the illusion gold King Dharma, quickly forming!

It had horns on its head and wings on its back! It had four arms and claws, and its feet were like that of an Eagle! His entire body was covered in golden battle armor, making him look like a Yimo war god. His might was unparalleled, and he was overbearing!

Finally, the Dharma power of the fiendwater King was formed!

His muscles were knotted, and his might was unparalleled! His dark blue skin was like fiendish water flowing! Its huge body seemed to contain hundreds of rivers! He seemed to be able to explode with the vast power of the ocean with just a raise of his hand!

Oh my God ... What a terrifying Demon King Dharma form ... This ferocious pressure is like the descent of hell ...

At the sight of this scene, gasps of shock could be heard in the crowd!

Almost everyone's heart was greatly shocked. Their pupils contracted uncontrollably, their limbs turned cold, and their bodies trembled violently. Cold sweat poured down like rain!

Most of the guests quickened their pace and tried to escape from the venue.

In the eyes of these people, the venue had already become a battlefield. Even if they did not participate in the battle, just staying there to watch the battle would still be dangerous!

Of course, those who had the ability to protect themselves chose to stay where they were. After all, it would be a pity to miss such a shocking battle!

"Is Chen Zhufeng stupid?"

Qin Wuxin furrowed his brows. although those four demonic swords are powerful, they're all five-star earth-god instruments. Even if it's four against one, they're still no match for beiming Jinghong! he said.

"Just watch!"

Chen Zhufeng? " Tian Peng's eyes narrowed. if you say Chen Zhufeng is stupid, then there are no smart people in this world!

"Young master Chen! What are you doing?" Hua hanyue pursed her lips tightly. Because she was too nervous, her pretty face had turned pale."Four five-star earth-god instruments, and he couldn't even take one hit from beiming Jinghong! Looks like I'll have to take action!"

As the leader of a sect in the nine layers of the starry sea, Hua hanyue had a six-star earth-god instrument!

Although she did not want to become enemies with the beiming family, she would not hesitate to help Chen Xiaobei if his life was in danger!

"Grandpa ... Why don't you help young master Chen? Otherwise, he'll be dead!" Yan Qingyu's expression was grave and extremely anxious.

"No!"

Patriarch Yan shook his head, " "I have a six-star earth-god instrument! But si Haowen had one too! If I make a move, I'll be offending the beiming family! At that time, si Haowen will definitely join forces with beiming Jinghong to get rid of me, and our Yan clan will be finished!"

this ... Yan Qingyu's expression froze, and her eyes revealed a look of despair, " "If that's the case ... Young master Chen will definitely die this time ..."

All of a sudden, everyone who was watching the battle thought that Chen Xiaobei would lose!

However, Huangfu Lingyun and the Silver Wolf, who were on the battlefield, did not say a word. They did not try to persuade Chen Xiaobei to escape, and they were not worried or nervous at all!

As the saying goes, the onlooker sees the game more clearly than the player!

However, only Huangfu Lingyun and the Silver Wolf knew that Chen Xiaobei's four demonic swords were not as simple as five-star earth-god instruments!

At this moment, there was only one word on their faces and in their hearts-shock!

"Whoosh ..."

At the same time, Chen Xiaobei waved his hand and took out 4000 superior-grade spiritual stones!

With a single thought, his true core strength crushed all the spiritual stones, and a massive amount of spiritual weapons poured into the four Dharma laksanas like rivers flowing into the sea!

"Chen Zhufeng! Are you scared silly?"

you can't even take a single strike from me! beiming Jinghong sneered. what's the point of taking out so many spirit stones? "

It only took 40 billion low-grade spiritual stones to activate the power of four five-star earth-god instruments!

However, the 4000 high-grade spiritual stones that Chen Xiaobei took out were equivalent to 400 billion low-grade spiritual stones, which was ten times the minimum requirement! It could activate the power of the four demonic swords ten times in a row!

But in beiming Jinghong's eyes, Chen Xiaobei could not even take one hit. It was a waste to take out so many spiritual stones!

heh, it's not that I'm scared silly. It's just that you, a big fool, didn't see the core of the battle at all!

Chen Xiaobei chuckled, his eyes were filled with concern for the mentally retarded.

"The core of the battle? What core?" Beiming Jinghong did not understand what Chen Xiaobei meant.

"Young master Jinghong! Be careful!"

At this moment, Tian Peng stood up and said with a serious look, " "Chen Zhufeng didn't activate the power of the four demonic swords! Instead, it activated the power of a sword formation!"

sword formation!?

Beiming Jinghong's expression froze, and he immediately became nervous, " "I understand! The 400 billion points of spiritual energy did not flow into the four demonic swords, but into the Dharma images of the four demon kings! In other words, the four Dharma forms have formed a sword formation!"

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

As soon as he finished speaking, the four Demon God Dharma forms began to move rapidly from four directions to the same Center!

The 400 billion spiritual energy was all used up, and the four Demon King Dharma laks ... Actually merged into one, forming an even larger limitless Saint Demon King Dharma laks ... And the four Demon King Dharma laks ... And the limitless Saint Demon King Dharma laks ... And the limitless Saint Demon King!

It had dark golden horns on its head!

A pair of fiery wings on its back!

His eyes flashed with lightning!

He was standing on the fiendwater Dragon!

Each of the four demonic arms had the power of a different attribute!

Each of the four demonic claws was holding a demonic sword Dharma!

This limitless Saint Demon King's Dharma idol was 800 meters tall! Majestic, majestic, and unparalleled!

He was like a Supreme ancient demonic god, exuding a terrifying and domineering aura! He could explode with a power that could destroy the world with just a raise of his hand!

Oh my God ... This Dharma idol is simply too terrifying ...

In an instant, everyone was shocked!

Even those who had the ability to protect themselves felt their hearts palpitate in fear at this moment. It was as if they had fallen into Asura hell and could be devoured by countless demons at any time!

my God ... The energy fluctuations of this sword array are between that of a six-star earth-god instrument and a seven-star earth-god instrument ... It's enough to crush my Blue Moon saber!

Beiming Jinghong was even more frightened, and he couldn't help but scream, help ... Help ... Mr. Tianpeng, help!!!

"Save my life?" no one can save you today! Chen Xiaobei said, smiling.

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

As soon as he finished speaking, the limitless Saint Demon King's energy construct waved the four huge swords in its hands, and directly slashed down at beiming Jinghong's head!

Like fireworks, the four giant swords burst out with endless mysterious changes in an instant!

In the blink of an eye, the four Swords turned into ten thousand swords! Ten thousand swords turned into a hundred million swords!

Devouring The Heavens and earth! He dominated the world!

### Red Envelope Group of the Three Realms

#### **Chapter 2234: Turn Of Events**

In an instant, billions of majestic swords slashed down!

In the air, the dozens of blue moonlight beams that were like heavenly pillars were instantly shattered into countless fragments and eventually turned into ashes!

"Help ... Help ..." He cried.

Beiming Jinghong shrieked hysterically, his soul almost leaving his body.

In the face of the billions of sword projections, beiming Jinghong was like a tiny ant. He had no way of resisting!

Death seemed to be so close to him, and beiming Jinghong's pupils couldn't help but contract. His body trembled, and his hands trembled so much that he couldn't even hold his saber. His legs went soft, and he almost knelt down on the ground!

"Beiming Wuji! What are you waiting for? Hurry up and save her!"

Tian Peng had been paying close attention to the battle. Seeing that beiming Jinghong was about to die, he immediately shouted for beiming Wuji to save him.

"Good! I'll do it now!"

Beiming Wuji held the six-star earth-god grade saber that he borrowed from Wen Tianpeng and activated its power!

"Hurry up! Otherwise, beiming Jinghong will be dead!"

Tian Peng urged, but his eyes were fixed on the battle, all his attention on Chen Xiaobei.

"Swish!"

At this moment, beiming Wuji stabbed at Tian Peng's dantian from behind. He wasn't trying to kill Tian Peng, but he was trying to destroy him!

That's right! Beiming Wuji had launched a sneak attack on Tian Peng!

Just as Tian Peng had said, Chen Xiaobei had no intention of running away tonight. This meant that Chen Xiaobei had a powerful trump card hidden up his sleeve, waiting to deal with Tian Peng!

However, Tian Peng did not expect Chen Xiaobei's trump card to be beiming Wuji!

Tian Peng had always thought that he had everything under control and that Chen Xiaobei would die today!

It was only then that Tian Peng realized that he had fallen into Chen Xiaobei's trap from the very beginning. He was being played by Chen Xiaobei!

"Woof! Buzzzzzz! Yi ..."

At the same time, billions of sword shadows came crashing down, cutting beiming Jinghong into a thousand pieces and obliterating him!

"Woof! Whoosh!"

Chen Xiaobei immediately released his ethereal force and took the Blue Moon scimitar and beiming Jinghong's storage bracelet into his hands!

All of this was within Chen Xiaobei's calculations, just like a movie plot that he had planned long ago!

After Chen Xiaobei's victory, he turned to look at the grandstand.

According to the plan, Chen Xiaobei was supposed to be able to see the scene of Tian Peng being taken down by beiming Wuji.

But! At this moment! An unexpected event suddenly erupted!

"Whoosh! Whoosh!"

Just as beiming Wuji's long blade was about to pierce into Tian Peng's body, two blood-red rays shot out from Qin Wuxin's eyes like arrows and shot into beiming Wuji's eyes!

"Uh ..."

Beiming Wuji's face turned blank and his body turned stiff. The blade that was about to hit him didn't even go in!

"This is bad!"

Chen Xiaobei's heart clenched when he saw this.

Chen Xiaobei had found out about the nine-toothed rake through beiming Wuji a long time ago.

The reason Chen Xiaobei dared to fight Tian Peng head-on was because he had planned to use beiming Wuji as a loyal dog to subdue Tian Peng!

However, Chen Xiaobei did not expect Qin Wuxin to appear out of nowhere!

If he was not mistaken, the two blood-red beams that shot out of Qin Wuxin's eyes should be one of the blood patriarch's special abilities, hypnosis!

Beiming Wuji's expression turned blank and his movements became stiff. He was under hypnosis!

Chen Xiaobei's entire plan was ruined!

As long as the canopy great country still had the ability to fight, Chen Xiaobei's trump card would not be enough to fight against them!

Once the nine-toothed rake appeared, even the limitless Saint Demon Sword was powerless!

"Bang!"

After Tian Peng recovered from his shock, he punched Beiming Wuji in anger!

A peak four-star earth-god was attacking an ordinary one-star earth-god!

The consequences could be imagined!

Beiming Wuji was like a tomato that was smashed by the hammer. His entire body exploded and his blood and flesh splattered everywhere!

The six-star earth-god level long blade also returned to Tian Peng's hand!

"This is really troublesome!"

Chen Xiaobei's heart skipped a beat, and he became very nervous.

Beiming Wuji was Chen Xiaobei's enemy. Even if he was killed, Chen Xiaobei would not feel any heartache!

However, the miscalculation had brought about an uncontrollable crisis, and the situation was completely out of Chen Xiaobei's control!

"Chen Zhufeng! You're an idiot now, right?"

Tian Peng's eyes widened and he said with a smile, "You can be as cunning as a Fox! I'll let you use all your tricks! But in the end, you still didn't know what Qin Wuxin's role was! Keeping Qin Wuxin by my side is definitely the best choice I can make! If you can't cripple me, I'll definitely kill you!"

"I really didn't! However, you may not be able to kill me!"

Chen Xiaobei's eyes were serious. On the surface, he was trying to stall for time, but in his mind, he was trying to figure out a way to break out of this situation!

"Acting tough!"

Tian Peng laughed in disdain, "I'm sure!" Beiming Wuji is your trump card! You have no more trump cards! If I wanted to kill you, it would be easier than killing a chicken!"

"Heh, since it's that simple, then do it!" Chen Xiaobei did not have any more cards up his sleeve, but he could not admit defeat!

Only by maintaining his dominance could he make the enemy have some scruples and not dare to make a move immediately!

Once they admitted defeat, the enemy would immediately pounce on them and kill them!

As expected, Tian Peng's expression changed and he didn't attack immediately!

After all, he had suffered too much from Chen Xiaobei. He knew that he had to be extremely careful when dealing with Chen Xiaobei. If he acted rashly, he might regret it!

"Eh?" Seeing Tian Peng's hesitation, Chen Xiaobei suddenly realized the key to breaking the stalemate!

"Second senior brother, it seems that you didn't ask the clay Bodhisattva to read your fortune today, right?" Chen Xiaobei asked calmly.

The reason why canopy great country did not dare to attack was because they could not be sure if Chen Xiaobei had any other hidden cards!

If the clay Bodhisattva could tell fortune, the canopy great country wouldn't need to be so hesitant!

"Clay Bodhisattva?"

Tian Peng's expression froze and he quickly ordered, "Clay Bodhisattva! Hurry up and tell my fortune!"

From the start of the auction, the clay Bodhisattva had remained silent throughout the entire process. He was like air, without any sense of existence!

If Chen Xiaobei had not mentioned it, Tian Peng would have forgotten about the existence of the clay Bodhisattva.

"Clay Bodhisattva! Why are you in a daze? I asked you a question, didn't you hear me?" Tian Peng urged impatiently.

However, the clay Bodhisattva did not move or make a sound, as if he had been petrified.

"Second senior brother, the clay Bodhisattva is your loyal dog!" Someone used his special ability to hypnotize the clay Bodhisattva and made the entire place silent. I wonder what his intentions are?"

hypnosis?! Tian Peng's expression froze as he carefully observed the clay Bodhisattva.

This was because the clay Bodhisattva had been prying into the secrets of heaven for a long time and suffered from the wrath of heaven. His essence, energy, and spirit had always been very weak. When there was nothing to do, he would basically rest in a daze. His state was very similar to that of being hypnotized! Thus, Tian Peng didn't notice it at all!

However, upon closer inspection, the clay Bodhisattva was not in a daze. Instead, he had no reaction at all!

Tian Peng was instantly enraged, 'Qin Wuxin? What do you mean by that? Give me an explanation!"

"Swish!"

Who dared to think about it!

At this moment, Qin Wuxin had actually stabbed a sharp dagger into Tian Peng's heart!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2235: Tian Peng Shed Tears**

second senior brother!!!

Chen Xiaobei's face changed. He did not expect the situation to turn around like this!

The surrounding people were also shocked. They could not figure out why Qin Wuxin wanted to kill Tian Peng after saving him a few minutes ago.

"Why ... Why did you do this ..."

Tian Peng's face was full of surprise. Even though he was spitting blood as he spoke, he still wanted to know why.

"Ha, do you even need to ask?"

"I don't want to live in your shadow!" Qin Wuxin grinned hideously. I want to do things according to my own will! I want to achieve greater achievements than you!"

As he spoke, Qin Wuxin took Tian Peng's storage bracelet and his phone!

"So ... You've been eyeing what I have ..."

Tian Peng's face was pale and his mouth was filled with blood. His eyes were filled with endless regret.

In fact, Chen Xiaobei had already warned Tian Peng not to let Qin Wuxin gnaw at his heart when they were at the blood pool!

At this moment, his words came true!

Tian Peng had saved Qin Wuxin's life time and time again, but in the end, he was really bitten by the ungrateful Wolf he had raised!

"That's right! I noticed your phone a long time ago! Recently, I heard that you got a seven-star earth-god instrument! This is an opportunity that the heavens have given me! If I don't take it away, wouldn't I be too stupid?"

Qin Wuxin smiled proudly. I hypnotized the clay Bodhisattva on purpose. This loyal dog won't be able to foretell your bad omen when you're in danger! I wanted to see you and Chen Zhufeng fight each other, and I'll just sit back and reap the benefits!"

"But you've been hesitating and didn't dare to fight Chen Zhufeng! I'm running out of patience! I can only get rid of you myself!"

Hearing this, Tian Peng's eyes were filled with despair. He asked, " "Since you wanted to kill me ... Why did you save me when Beiming Wuji made his move ..."

"You're so silly!"

"Beiming Wuji has a six-star earth-god instrument. If you are defeated by him, I will not be able to escape from him either!" Qin Wuxin grinned. It just so happened that his attention was on you, so I hypnotized him while he was unprepared and used you to get rid of him. This wasn't to save you, but to pave the way for myself!"

"What a deep scheme ... What a ruthless scheme ..."

Qin Wuxin ... Tian Peng was in complete despair. I've saved you so many times ... But you're not grateful at all ... Your heart ... Has been eaten by a dog ...

"Whatever you say!"

Qin Wuxin said indifferently, "As the saying goes, you don't have to worry about your debts when you have too many lice! Anyway, I already owe you many lives. It's no big deal to owe you one more!"

"Qin Wuxin! You animal! I will kill you!"

Chen Xiaobei had heard everything. Qin Wuxin's ruthlessness, despicable, and sinister actions had completely infuriated Chen Xiaobei!

"Whoosh ..."

Chen Xiaobei took out 40000 superior-grade spiritual stones, as if he was going to kill Qin Wuxin!

In fact, the infinite Holy Demon Sword formation was not enough to compete with the nine-toothed rake!

However, Tianpeng's life was hanging by a thread, and Chen Xiaobei could only gamble with his acting skills!

"Chen Zhufeng! Don't mess around!"

As expected, Qin Wuxin was stunned by Chen Xiaobei's acting!

Chen Xiaobei's 4000 superior-grade spiritual stones would have crushed a six-star earth-god instrument!

In that case, wouldn't the 40000 superior-grade spirit stones be enough to crush a seven-star earth-god instrument?

At the thought of this, Qin Wuxin became even more nervous and admitted defeat from the bottom of his heart!

After all, it was not easy to get everything from the canopy great country. Qin Wuxin could not bear to die like this!

"Chen Zhufeng! Tian Peng was still alive! If you attack me, I will destroy Tianpeng's heart and bury him with me!"

Qin Wuxin clenched the dagger in his hand tightly. The dagger was still in Tian Peng's heart.

"Alright! I won't kill you!"

Chen Xiaobei did not crush the 40000 high-grade spiritual stones. "If you let go of my second senior, I'll let you go! If he dies, you won't be able to escape today!"

"Good! It's decided!"

Qin Wuxin placed the canopy on a chair at the side. With a thought, he directly activated the blood race's special ability. A pair of wings grew on his back, and with a flap of his wings, he soared into the night sky!

Of course, before he left, Qin Wuxin did not forget to take away the Jiang family's six-star earth-god grade long saber!

"Second senior!"

Chen Xiaobei had been acting all along. After scaring Qin Wuxin away, he quickly put away the spiritual stones and the four demonic swords and rushed to Tian Peng's side!

Chen Xiaobei ... Cough cough ...

Tian Peng coughed out blood and smiled bitterly, " "This is already the seventh time ... The first six times, you either let me go or saved me ... It's a pity that I'm dead this time ... Your plan of seven capture and seven escape still won't come true ..."

Seeing this, everyone felt a sense of desolation from Tian Peng. At the same time, he also learned about Chen Xiaobei's Secret side from Tian Peng's words.

Chen Xiaobei was patient enough to capture and capture an enemy who was determined to kill him!

What kind of breadth of mind and boldness did this require? Only then could he do it! How much loyalty and loyalty was hidden behind this?

Perhaps, only a real man could understand Chen Xiaobei's actions!

"I won't let you die!"

Chen Xiaobei reached out and grabbed the dagger that was stuck in canopy great country's heart.  
"Endure it! I'll pull it out!"

At the sight of this, all the surrounding people were dumbfounded!

According to common sense, Tian Peng could live a little longer if he didn't pull out the dagger. If he did, his heart muscles would be pulled and it would be even more fatal!

"Young master Chen! My Yan clan has life-extending pills! I can let you use it!"

Yan Qingyu quickly ran over and said, " "Let's help Mr. Canopy keep him alive first, then find a way to pull out the dagger and suture his heart ... He ... He should be fine!"

"Thank you for your good intentions!"

Chen Xiaobei said, " "I should be fine if I don't want it! I want second senior brother to be as good as new! A complete recovery!"

how ... How is this possible?! Yan Qingyu's expression froze, her face full of surprise.

Everyone thought that Chen Xiaobei was daydreaming!

It was already very good for a person who was about to die to be able to hang on to his life. How could he be as good as before?

Chen Xiaobei held the dagger in his left hand and took out a pill in his right!

"Chen Xiaobei? Are you crazy?"

Tian Peng was dumbfounded and couldn't believe his eyes, " this is Shen Gongbao's elixir ... Keeping it is equivalent to having one more life ... Are you willing to use it to save me? "

"Why would you not?"

Chen Xiaobei said, " "To me, my family and friends are my life!"

Chen Xiaobei pulled out the dagger with his left hand and stuffed the elixir into Tian Peng's mouth with his right.

Tian Peng was dumbfounded. His eyes turned red and tears fell!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2236: Major Change**

Chen Xiaobei had extorted this elixir from Tian Peng when they were at the blood pond.

If Chen Xiaobei was still with them, they would have an extra life.

But now, Chen Xiaobei did not hesitate to use this elixir to save Tian Peng. He did it for nothing but friendship!

At that moment, everyone in the surroundings was moved! From the bottom of her heart, she was convinced by Chen Xiaobei's righteousness! They all gave Chen Xiaobei a thumbs up!

Even Tian Peng, who only had evil thoughts left, was deeply touched and even shed tears!

Sect leader Tongtian had predicted that the kindness of the canopy great country would be released during the winter solstice!

However, at this moment, there were only four days left before the winter solstice. Tian Peng's evil thoughts had completely disappeared and his good thoughts returned!

"Xiaobei ... I'm sorry ..."

Tian Peng's injuries were recovering rapidly but he felt more and more guilty. His tears were like rain and he couldn't stop.

"We're brothers, there's no need to say this!"

of course not! Chen Xiaobei smiled. everything that happened before was not your true intention! The one who should really say sorry was Shen Gongbao! It wasn't you!"

No... Let me finish ... Before I came ... I did something very wrong to you ... Tian Peng's voice was shaking. He was extremely uneasy.

"Good! You tell me!" Chen Xiaobei could feel the seriousness of the situation.

"It's like this ..."

Tian Peng took in a deep breath and said, " "After coming out of the spirit condensing immortal mansion, Shen Gongbao might have received some news and couldn't wait to get rid of you! He's even willing to agree to any request I make!"

"But I didn't know where to find you during that time! Therefore, Shen Gongbao had his eyes on the people around you! I want to use the hostage to lure you out! And the first thing he thought of was your woman!"

"Three days ago! Shen Gongbao went to the moon Lord's place! I used immortal wine to get drunken moon elder to reveal a great heavenly secret!"

what heavenly secret?! Chen Xiaobei suddenly became nervous!

your super marriage fate ... Tian Peng said guiltily.

super marriage affinity!?

Chen Xiaobei was taken aback. He had not thought about this question for a long time but when Tian Peng mentioned it, Chen Xiaobei immediately recalled it!

Back on Earth, Chen Xiaobei had given his first time to an unfamiliar woman because of Yue Lao's drinking!

Chen Xiaobei did not know who the woman was, and he had never seen her ever since!

In his heart, Chen Xiaobei only called the woman 'goddess'!

After that, Chen Xiaobei went to ask elder Yue!

Elder Yue refused to reveal the woman's identity on the grounds that the secrets of heaven could not be revealed!

But at the same time, Yue Lao told Chen Xiaobei that the goddess sister was Chen Xiaobei's super marriage fate!

Such a marriage was hard to come by one in a billion! Even if elder Yue wanted to matchmake them, he might not succeed!

There was a huge opportunity hidden in this!

According to Yue Lao's words, if Chen Xiaobei and the goddess fell in love with each other, their luck would skyrocket!

Just like Liu Bang and Lu Zhi in history, once they were together, they would at least become the Emperor and Empress of the World!

Yue Lao had even gone to the Jade Emperor to report this!

"Second senior brother ... You mean ... Shen Gongbao helped me find fairy sister?" Chen Xiaobei's brows were locked together, and his heart was filled with all sorts of emotions.

"Yes ... Shen gongpao found her ..."

"Then, I personally captured her and sent her to your enemy, Jiang haoxuan!" Tian Peng said guiltily.

Jiang haoxuan!?

Chen Xiaobei's heart trembled as if he had been struck by lightning. His limbs turned cold and his scalp went numb!

Jiang haoxuan hated Chen Xiaobei to the core. If he caught Chen Xiaobei's woman, he would definitely torture her! Humiliation in every way!

Chen Xiaobei felt as if his heart was being stabbed by a needle. He wanted to go to the Green Dragon continent and tear Jiang haoxuan into pieces!

"Xiaobei ... Don't think too much!" Tian Peng quickly said. Jiang haoxuan wouldn't dare to do anything to that girl!"

"Why wouldn't I?" Chen Xiaobei frowned and said, "Sister fairy is more beautiful than a fairy! How could Jiang haoxuan, that animal, be so indifferent?"

"It's like this ..."

Tian Peng explained bitterly, "that girl was very strong ... She realized that she couldn't escape from me and didn't want to be a hostage to harm you ... So she poisoned herself ..."

strange poison!?

 Chen Xiaobei's heart sank, and the bad feeling grew stronger.

yes ... That poison was very powerful, reaching the level of a four-star earth-god ... She almost lost her life on the spot ...

"Luckily I gave her an elixir and saved her life ... But that elixir can only heal and not detoxify ... The remaining poison destroyed her face and made her age overnight ..." Tian Peng said.

"Disfigured? Aging overnight?" Chen Xiaobei's body trembled, and his eyes were so wide that they were almost bloodshot.

Fairy sister!

Chen Xiaobei had seen her peerless beauty with his own eyes! He had personally experienced her charming youth and vitality!

She, who was in her Prime, had actually been disfigured! He aged overnight!

Such a blow was even crueler than directly killing her! Even more detestable!

Chen Xiaobei's anger and hatred grew. He wanted to kill Jiang haoxuan and even the entire Jiang family!

Of course, Chen Xiaobei hated himself too! He hated himself for not finding fairy sister earlier! He hated himself for not protecting her well! If it wasn't for her enemy, sister fairy wouldn't have such bad luck!

"Xiaobei ... You have to calm down! We still have a chance ..."

yes, " Tian Peng said. the lady is ruined ... But Jiang haoxuan doesn't dare to touch her. He's afraid that she'll be infected by the poison ... As long as we can find a way to save her ... We'll have a chance to cure her!

"Right! You're right!" "As long as the Three Realms red envelope group is there!" I'll have a chance to restore her to her original state!"

yes ... We still have three days to prepare!

Tian Peng nodded. according to Shen Gongbao's plan, I've asked Jiang haoxuan to broadcast the girl's image on the day of the winter solstice to lure you there. If you don't go, Jiang haoxuan will kill the girl!

Obviously, Shen Gongbao had been quiet for a long time. He was not planning to plot against Chen Xiaobei, but he was preparing his ultimate move to kill Chen Xiaobei in one go!

Shen Gongbao made such an arrangement because he didn't want me to participate in the winter solstice festival in the group!

"I don't want to!" Chen Xiaobei said. I will kill my way to the Azure Dragon continent in three days!"

"Young master Chen! Wait a moment!" Just then, Hua Hanyue ran over in a hurry.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2237: Absolutely Not Backing Down**

No one could understand the conversation between Chen Xiaobei and Tian Peng.

But Hua Hanyue was an exception. She knew that Chen Xiaobei and Jiang Haoxuan had a grudge against each other, and she knew about Jiang Haoxuan's current situation!

"Young master Chen! Have you forgotten my warning?"

"Jiang Haoxuan is already on his way to the Azure Dragon continent!" Hua Hanyue said seriously. Moreover, there were also important members of the Heaven-Dominating Faction! They would definitely set up a dead end in the Azure Dragon continent! If you go, you'll be walking right into a trap!

"You don't need to persuade me! I must go!" Chen Xiaobei's attitude was firm.

"Young master Chen! Please calm down!"

"Don't worry," Hua Hanyue said worriedly. Just the nine-star earth-god level 'Heaven Shrouding Formation' of the Heaven Shrouding Sect is enough to make it impossible for you to return! At that time, not only will you not be able to save them, you might even lose your life!"

Chen Xiaobei shook his head and said, "There are some things that you can't back down on even if you know you're going to die. This is a man's bottom line! If I back down, I'm not worthy of being a man!"

This ... Hua Hanyue was taken aback. She could clearly feel a domineering aura emanating from Chen Xiaobei's body.

He was like an unparalleled Emperor who controlled the eight desolates, and his words were like nine tripods, not allowing the slightest doubt!

Even someone as strong as Hua Hanyue was instantly intimidated by Chen Xiaobei's aura. She could not even say a word. Her state of mind had even submitted to Chen Xiaobei!

"Young master Chen!"

At this moment, Huangfu Lingyun stood out and said in a deep voice, "Can you slow down? Within three days, I will try my best to convince my family to help you save them!"

"No need!"

Chen Xiaobei shook his head. you have just recovered your strength. You don't have much say in the family. Even if I wait for you for three days, you might not be able to get much help. I might as well act on my own so that I don't get you involved!

this ... Huangfu Lingyun's expression froze and he was speechless.

Just as Chen Xiaobei had said, Huangfu Lingyun did not have much say in the family. Even if he could get some help, it would not affect the situation at all!

It was no exaggeration to say that anyone below the level of a nine-star earth level deity would be of no use in this battle!

"Alright, I appreciate your kind intentions!"

"This time, no one can stop me!" Chen Xiaobei said. I'll set off immediately once second senior brother recovers from his injuries!"

Hua hanyue and Huangfu Lingyun both fell silent.

Tian Peng was still lying on the chair, waiting for his injuries to recover.

Chen Xiaobei turned to the other side and said coldly, " "Old man si! The spirit stones you lost to me, hand them over now!"

"Yes! alright ... si Haowen took a deep breath and quickly handed over the one million superior-grade spiritual stones that he had gotten from selling the life pill to Chen Xiaobei.

At this moment, even if si Haowen had a hundred million guts, he would not dare to go back on his word!

He took the one million upper spiritual stones, added to the nine million from before, and the spiritual stones in beiming Jinghong's storage bracelet.

Chen Xiaobei's wealth had reached 1020000 high-grade spiritual stones!

Before this, Chen Xiaobei's wealth had only been around 1.1 million superior-grade spiritual stones!

In one night, it had increased by nearly ten times. He had really become rich overnight!

"Although beiming Jinghong is dead, he still owes me a million upper spiritual stones. I'll go to the beiming family to get it back!"

Chen Xiaobei would not forget about the debt with beiming Jinghong!

Of course, the collection date would be delayed by a lot. At least until the matters in the Azure Dragon continent were settled before Chen Xiaobei could go to the beiming family for revenge!

After putting the spiritual stones away, Chen Xiaobei looked at Tian Peng. He had fully recovered from his injuries and could leave at any time!

"Yan Qingyu!"

Before he left, Chen Xiaobei passed three quarters of the skybreaking cultivation pill to Yan Qingyu and said, " I'll give you the pill first. If I can survive, I'll follow you to get the clues about Wu Jiang!

"Alright!"

Yan Qingyu held the pill with both hands and nodded heavily,"I'll wait for your return! When the time comes, we'll hand over the clues with both hands, and we'll even hold a celebratory party for you to celebrate the new pill King!"

Obviously, Yan Qingyu had been deeply impressed by Chen Xiaobei's ability, strength, and courage!

Before this, Yan Qingyu had thought of taking Chen Xiaobei into the Yan family and making good use of him!

But now, Yan Qingyu's attitude had completely changed. She was sincerely expressing her goodwill to Chen Xiaobei, hoping to become Chen Xiaobei's friend. She was even willing to serve Chen Xiaobei!

Seeing this, all the other family heads wanted to send their beautiful girls to Chen Xiaobei!

To these alchemy families, if they could form a relationship with Chen Xiaobei, their future achievements in alchemy would definitely soar!

Of course, Chen Xiaobei did not give them a chance. He took Tian Peng and the clay Bodhisattva and left the scene.

.....

Chen Xiaobei then used the returning bracelet to bring Tian Peng and clay Bodhisattva back to bei Xuan faction.

Without stopping, Chen Xiaobei asked Jing Fei to use the returning bracelet to open a portal to the Green Dragon continent.

This trip was extremely dangerous, and Chen Xiaobei only brought Tian Peng with him.

First of all, Tian Peng was a peak four-star earth level deity. Although he didn't have his Dharma Treasure, he was still powerful enough. He was the most powerful force in bei Xuan faction!

More importantly, Jiang haoxuan might not know that Tian Peng's kindness had been unsealed. At the crucial moment, Tian Peng could be a spy and turn the situation around!

As for the clay Bodhisattva, although he had been awakened from the hypnosis, this matter involved Shen Gongbao, so his prediction might not be accurate!

He might even fall into Shen Gongbao's trap and suffer a strong heavenly punishment, which would directly kill the clay Bodhisattva!

That was why Chen Xiaobei left the clay Bodhisattva in bei Xuan faction!

.....

Azure Dragon continent.

Chen Xiaobei and Tian Peng put on their human skin masks and booked a room in an ordinary hotel.

After confirming that the doors and windows were locked, he activated his golden gaze fiery eyes and confirmed that no one was eavesdropping.

Then, Chen Xiaobei said, " " based on my judgment, Jiang haoxuan and the people from heaven dominating faction's headquarters will definitely be gathered in the branch!

"Yes! Your judgment is correct!"

Tian Peng nodded. He held a spiritual fruit in his left hand and a chicken leg in his right. He said as he ate, " "Their plan is in the heaven dominating faction branch! It'll be easier to hold hostages and we'll also use the heaven shrouding formation!"

After recovering his kindness, Tian Peng's nature was also liberated. He had been feeling hungry all the way.

Chen Xiaobei took out a separate storage bracelet and gave it to Tian Peng. He also bought a huge amount of food so that Tian Peng could take it out whenever he wanted to.

If this continued, Tian Peng would soon become as fat as a ball.

"Since we've confirmed the enemy's position, I want to go and investigate tonight!" Chen Xiaobei was determined!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2238: Failed Attempt**

"Investigate?"

Tian Peng was stunned, "that's right, as the saying goes, know yourself and know your enemy, and you will never lose a hundred battles!" We can first confirm the safety of the hostage! To figure out the enemy's layout! This is very important!"

"There's something more important!"

no! Chen Xiaobei said, " we've already suffered a great loss because of Qin Wuxin. We can't make the same mistake again!

"What do you mean?" Tian Peng was confused.

no! Chen Xiaobei said, " we have to make sure that Qin Wuxin didn't tell Jiang haoxuan! This is the key to whether you can go undercover beside Jiang haoxuan! If Qin Wuxin has contacted Jiang haoxuan, you will be suspected if you go undercover!"

"Yeah!" Tian Peng nodded and said, "you're smart!" But how do we sneak into heaven dominating sect?"

"This is simple!" "I have two high-tier prosperous monkey fur left!" Chen Xiaobei said with a smile.

"That's great!" " good! Tian Peng said excitedly, " with brother monkey's high-tier prosperous monkey fur, we can sneak into heaven covering sect without anyone knowing!

.....

Apocalypse Starfield, heaven dominating faction branch!

The atmosphere in the heaven dominating faction branch was very tense because the deadline to lure Chen Xiaobei out was in three days.

In the huge sect, nearly 300000 disciples stayed up all night, ready to welcome the arrival of their enemy, Chen Zhufeng!

The disciples at the bottom of the hierarchy were all on guard! The higher-ups in power were not at ease at all!

In the sect's main hall, a group of well-dressed guys with overbearing auras were sitting vigilantly!

They had been sitting here for almost twenty hours!

However, no one dared to say that they wanted to go back to their rooms to rest!

This was because they knew Chen Zhufeng too well! It was dangerous! Cunning! He killed decisively!

Even though they were all powerful Masters from the earth-god Realm, they could not help but fear Chen Zhufeng from the bottom of their hearts. They were afraid that Chen Zhufeng would cut their heads off if they let their guard down!

"Young master haoxuan, why don't you give Mr. Canopy a call?"

In the middle of the hall, an old man with white hair and a white beard urged impatiently, "Hurry up and ask Mr. Canopy what's the situation on his side? Did you see Chen Zhufeng? If Chen Zhufeng wasn't in apocalypse Starfield, we wouldn't be standing here like idiots!"

This old man was the core elder of heaven dominating faction, Nangong he, who had rushed over from the earth-god Realm!

"You're right, old crane!"

Beside him, a middle-aged man with white hair said in a deep voice, "we were told that Chen Zhufeng was on the Vermilion Bird continent, but now he's in the earthly calamity Star Ocean. We're all confused. Hurry up and ask him what's going on.

This middle-aged man was also from heaven dominating faction's headquarters. His name was Ximen lang!

At the moment, Ximen lang was only an ordinary elder in the headquarters of heaven dominating faction. However, because he had the backing of the Ximen family, it would not be long before he would be promoted to a core elder!

Ximen Lang's purpose for coming out this time was to follow Nangong he and earn some merits so that his promotion would be more worthy of his name!

"Two seniors, please calm down! I'll contact Mr. Canopy now!"

Although Jiang haoxuan was the thirteenth young master of the Jiang family, he didn't dare to put on airs in front of Nangong he and Ximen lang. He only dared to consider himself a junior.

"There's no need to keep in touch! The canopy great country is finished!"

At this moment, a calm voice came from the door.

Everyone looked in the direction of the voice and saw Qin Wuxin walking into the hall with a harmless smile.

"What?"

"Aren't you Mister Canopy's follower?" Jiang haoxuan said angrily. How dare you say such words!"

Qin Wuxin shook his head and said indifferently, "I'm not Tian Peng's follower! My name is Qin! Wu! Heart! I'm here to replace Tian Peng!"

"Qin Wuxin?"

"Stop joking!" Jiang haoxuan said disdainfully. You want to replace Mr. Canopy? He really doesn't know his place!"

"Swish!"

Without explaining, Qin Wuxin took out the Jiang family's six-star earth-god grade long saber.

"This ... This is what the Jiang family lent to Mr. Tianpeng! How did it end up in your hands?" Jiang haoxuan's expression turned serious.

Tian Peng was seriously injured by Chen Zhufeng, "Qin Wuxin said calmly. if I'm not mistaken, he should be dead now! It was I who used a trick to help the Jiang family get back this earth-god instrument! Otherwise, it would have already fallen into Chen Zhufeng's hands!"

Jiang haoxuan's eyes narrowed and he said, "Very good! Give me back my saber and we'll sit down and talk!"

"Here!"

Qin Wuxin walked over and handed the long saber to Jiang haoxuan. He looked around but did not see any empty chairs.

"Where should I sit?" Qin Wuxin asked with a frown.

"Heh, idiot!"

Jiang haoxuan's face turned as if he was flipping a book. He sneered, "You're just Mr. Canopy's dog! Where are you going to sit?"

Upon hearing this, Qin Wuxin's expression turned ferocious. "I'll help the Jiang family get back a six-star earth-god instrument! You're going to treat me like this?"

"Ha, nice words!"

"I think you stole this saber from Mister canopy!" Jiang haoxuan said disdainfully. They want to use this to stay by my side and plot Against Me!"

"I stole it?"

"Tianpeng's heart was pierced by a dagger!" Qin Wuxin said angrily. All his Storage Treasures are in my hands! Do I need to steal?"

"Brag! Keep bragging!"

"Mr. Tianpeng has a seven-star earth-god instrument!" Jiang haoxuan said in disdain. If that magic treasure was in your hands, would you still need to come and curry favor with me?"

I ... Qin Wuxin was at a loss for words.

In fact, the nine-toothed rake was indeed in Qin Wuxin's hands.

However, Tian Peng was not dead yet.

The spiritual connection between the heaven's canopy and the nine-toothed rake would still be there.

In other words, the nine-toothed rake still only recognized Tian Peng as its master. Even if Qin Wuxin held the nine-toothed rake in his hand, he would not be able to control it.

Otherwise, Qin Wuxin would have gone on a killing spree with the nine-toothed rake. There was no need for him to come back and please Jiang haoxuan.

"How is it? You have nothing to say, right?"

"I'll give you three seconds to get out of my sight!" Jiang haoxuan said disdainfully. Otherwise, I'll personally teach you a lesson on behalf of Mister canopy!"

I ... Qin Wuxin was furious. He had wanted to bring the saber back to please Jiang haoxuan so that he could rely on the Jiang family.

However, Jiang haoxuan did not fall for Qin Wuxin at all.

As a result, Qin Wuxin's wishful thinking was instantly shattered, and he went for wool and came home shorn!

"Good! I'm leaving! But I promise you'll regret this!" Qin Wuxin had no choice but to leave a harsh sentence and leave the hall dejectedly.

At the same time!

In the cracks of the tiles on the highest floor of the hall, two little bugs were whispering to each other!

"Xiaobei! Should we catch up? Catch Qin Wuxin! Take back the nine-toothed rake!" Tian Peng asked.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2239: Only Seeking Peace**

These two bugs were transformed from Chen Xiaobei and Tian Peng's high-tier prosperous monkey fur!

"No! We can't go after Qin Wuxin! Heaven dominating faction is on high alert right now. If we start a war, we will alert them!"

I don't know about the hostages yet! There's a nine-star earth-god level sky shrouding formation! Even if we manage to get the nine-toothed rake back, it will be of no use. On the contrary, we will put the hostages in danger!"

"Hmm ... You're right!" "Qin Wuxin is lucky this time!" Tian Peng said angrily. We'll find an opportunity to deal with him in the future!"

"Don't worry! There will be many more opportunities in the future!"

I've already planted the intimate Gu in Qin Wuxin's body. I can hear every word he says. I'll take care of him sooner or later! Chen Xiaobei said.

"Intimate Gu?" Tian Peng's tone was confused like he had never heard of it.

"It's a type of Voodoo that is used to eavesdrop!" Chen Xiaobei explained. The child Gu is in Qin Wuxin's body, and the mother Gu is in mine. As long as I concentrate, I can hear Qin Wuxin's voice!"

"Wu ... Witchcraft spell?"

Tian Peng said nervously, "the Sorcerer tribe is a great enemy of the heavenly court!" Sorcery was also a forbidden technique that was clearly prohibited by the heavenly laws! You actually learned it? No wonder no matter what I do, I always fall into your trap!"

"I've already learned it!"

it's a pity that I didn't plant the heart-killing Gu worm. Otherwise, I could have killed Qin Wuxin with a single thought! Chen Xiaobei sighed.

"Heavens! The sorcery is so powerful!" "You didn't use any sorcery on me, did you?" Tian Peng was shocked.

"Of course not!"

it's just like the heavenly dog biscuit. I only use it on my enemies! Chen Xiaobei said. I will never use it on my family and friends!"

"Mm! I believe you!"

Tian Peng nodded heavily, "you are the most loyal brother I have ever seen!" He would definitely not harm his friends! Compared to you, Qin Wuxin, that b \* tch, is like a piece of poop!"

"Alright! I know you're still angry!"

I promise! Chen Xiaobei comforted her. once I save sister fairy, I'll bring you to Qin Wuxin!

"Then what are we waiting for? Let's hurry and find that girl!" Tian Peng urged.

Then, the two little bugs quietly flew away from the hall.

Chen Xiaobei activated his golden gaze fiery eyes and Tian Peng used his clairvoyance ability, searching for the goddess.

However, they had searched almost every corner but could not find a single clue.

"No! The magic power of the high-tier prosperous monkey fur is about to lose its effect! We have to leave heaven dominating faction immediately!" Chen Xiaobei said helplessly.

"Let's retreat ..."

Tian Peng was helpless. the enemy must have made full preparations to kill you. The place where the hostage is hidden must be extremely well hidden. It won't be so easy to find!

with no other choice, the two of them could only leave heaven dominating sect.

.....

"This time's investigation wasn't without any gains!"

After Tian Peng returned to his human form, he started to eat and said,"At least, we can confirm that Qin Wuxin has already revealed my identity to Jiang haoxuan! Jiang haoxuan will definitely be suspicious if he can't contact me, so I can't be a spy anymore!"

Chen Xiaobei nodded and continued, " "In addition, we have also confirmed the location of the Treasury! The key is in my hands. If there's a chance, I'll definitely clear out all the resources inside!"

Tian Peng said,"finally, we found the core of the heaven shrouding formation!" It's a pity that there's a large number of enemies guarding the area. Otherwise, as long as we destroy the formation's eye, the great formation would be completely useless!"

"This is all we've found from tonight's investigation!"

"There are still three days left before the deadline!" Perhaps, we still have a chance to set up a new plan!"

Tian Peng frowned, " I think the chance is too slim ... The enemy's defense is almost flawless. We've used up all our high-tier prosperous monkey fur! I can't do anything else after that!"

"Let's wait and see!" Chen Xiaobei guessed, " "I estimate that there will be changes very soon!"

"A variable?" "Things have already come to this, what other changes can there be?" Tian Peng asked.

Qin Wuxin is the biggest variable!

I don't know! Chen Xiaobei said, " Qin Wuxin, that b \* tch, is very cunning. He wanted to get the Jiang family to back him up, but Jiang haoxuan chased him away! With this b \* tch's personality, she'll definitely try her best to get herself an amulet!"

"What does it have to do with us that he's looking for the amulet?" Tian Peng asked.

Oh? " Chen Xiaobei did not answer. is your three realms intranet formation in your storage bracelet? " yes ... Tian Peng nodded.

this means that if Qin Wuxin takes your storage bracelet, he can use his phone to connect to the Three Realms intranet! Chen Xiaobei said. If I'm not wrong, Qin Wuxin will definitely contact Shen Gongbao!"

"Yeah ..."

"Qin Wuxin wanted to find himself a backer. Since the Jiang family is out of the picture, Shen Gongbao is his only choice!" Tian Peng said with sudden realization.

"That's right! This is the biggest variable!"

Chen Xiaobei speculated confidently, "In order to protect himself, Qin Wuxin will definitely try to trick Shen Gongbao! To gain Shen Gongbao's trust! Shen Gongbao isn't stupid either. He'll definitely think of a way to test Qin Wuxin!"

"Shen Gongbao is testing Qin Wuxin. What does that have to do with us?" Tian Peng asked, puzzled.

Chen Xiaobei said, "There are only three days left until the winter solstice, and Shen Gongbao wants to get rid of me even in his dreams! That test must be related to me!"

hmm ... You have a point ... Tian Peng frowned, "but the problem is, based on my understanding of Qin Wuxin, he's just a stray dog that can't be kept. He might not obey Shen Gongbao!"

"It's better if you don't obey!"

Chen Xiaobei said, "No matter what Qin Wuxin does! As long as he made a move, it would definitely affect the overall situation! If he went one step further, he would be able to loosen up this dead end! Let's find a chance to break out of this!"

"Hmm ... I understand!" Tian Peng nodded and said, "the current situation is like an iron plate. It won't give us any chance to break out of it! However, Qin Wuxin's actions will create a hole in this iron board!"

"Right!" yes! Chen Xiaobei said. from now on, I'll eavesdrop on Qin Wuxin. I'll just wait and see what he does!

"I hope that everything will go as you expected! I hope that you can successfully rescue that lady!" Tian Peng put his hands together and prayed.

"That's right!" "What's her name?" Chen Xiaobei's eyes lit up. Second senior brother, do you know?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2240: Unintentional Threat**

"I ... I know! But I can't tell you!"

Tian Peng said, "this super marriage between you two can only be fought for by yourselves!" Only in a situation where there's no external force to match you and that girl are in love with each other can your luck skyrocket!"

"I don't ask for her luck to soar, I only ask for her to be safe and sound!"

what's more, it's been so long. I'm afraid she doesn't even know who I am. How could she possibly be in love with me? " Chen Xiaobei said bitterly.

"The world is unpredictable, and it's hard to say!" Tian Peng didn't dare to say anything else to avoid affecting the heavenly secrets.

"Alright! I won't chat anymore! There's movement from Qin Wuxin!" Chen Xiaobei's face turned cold and he focused on eavesdropping!

.....

near the heaven dominating faction division, in an empty forest.

Qin Wuxin stopped, and with a face full of anger, he cursed, " "Jiang haoxuan! You idiot! It's your great fortune that I want to assist you! You actually chased me away! I promise you, you will regret this!"

Qin Wuxin found a Flat Rock and sat down. He then took out the canopy storage bracelet.

As soon as he checked, Qin Wuxin immediately cursed, " "Tianpeng, you idiot! After all this time, there was nothing useful in the storage bracelet! Other than the nine-toothed rake, he didn't even have a few spirit stones! I thought he had hidden many powerful treasures! This is simply a scam!"

It was obvious that Qin Wuxin was in a very bad mood. In Tian Peng's storage bracelet, only the nine-toothed rake was worth looking at!

However, the spiritual connection between the nine-toothed rake and the canopy great tree was still there. Qin Wuxin could not control it at all!

It was as if a peerless beauty was lying in front of Qin Wuxin, but he could only look at her and not touch her. He was so depressed that he could explode!

"Chen Zhufeng hates me to the core! I need to find a new backer. Otherwise, I'll be dead for sure if I meet Chen Zhufeng!"

With this in mind, Qin Wuxin took out Tian Peng's mobile phone with great excitement.

Before this, Qin Wuxin had seen Tian Peng contact a guy called Shen Gongbao through his mobile phone more than once.

Every time he contacted Shen Gongbao, Tian Peng would get immortal elixirs. He even got the nine-toothed rake and clairvoyance ability from Shen Gongbao!

In fact, Qin Wuxin must have been eyeing Tian Peng's phone back at the blood pond of the blood patriarch!

Qin Wuxin even fantasized every day about how he would make use of Tian Peng's phone so that he could reach the peak of his life!

At this moment, Qin Wuxin finally held the Daydream that he had been fantasizing every day tightly in his hands!

"Today, I must ask Shen Gongbao to help me no matter what! Otherwise, my future will be dark!"

Qin Wuxin was filled with anticipation and nervousness as he turned on Tian Peng's phone.

If he could successfully rely on Shen Gongbao, Qin Wuxin's future would be limitless!

On the other hand, if he did not have Shen Gongbao's support, Qin Wuxin would have to live in Chen Xiaobei's shadow every day, and he would have to worry about Chen Xiaobei coming to kill him!

For Qin Wuxin, tonight was the biggest turning point in his life. One step to heaven, one step to hell!

"I found it! This is the place! Three realms red envelope group!"

Qin Wuxin immediately made a discovery.

After all, there were only a few apps in canopy great country's phone. It was not difficult to find the entrance to the red envelope group.

After entering the group, Qin Wuxin was a little dumbfounded.

He was not an Earthling and had not received the education of Chinese culture since he was young. Therefore, he did not know any of the immortals, demons, and ghosts in the group.

Of course, it didn't matter if they didn't know each other, as long as they knew Shen Gongbao!

"I found it!"

Qin Wuxin immediately found Shen Gongbao's name and opened the private chat window.

Of course, Qin Wuxin was not in a hurry to send a message!

Instead, he first observed the previous chat history and roughly understood Shen Gongbao's temper. At the same time, he also understood the relationship between Shen Gongbao and Tian Peng!

"Shen Gongbao used the canopy to kill Chen Zhufeng! But Shen Gongbao didn't seem to be in the human world, so they had to rely on the canopy to move! In the end, Shen Gongbao was threatened by Tian Peng to give him whatever he wanted!"

Qin Wuxin raised his eyebrows, and a sinister look appeared in his eyes.

After thinking for a while, Qin Wuxin started to send a private message.

Qin Wuxin-exalted immortal Shen! Hello! I'm Qin Wuxin! I have good news and bad news, which one do you want to hear first?

Shen Gongbao thought,"Tian Peng, you idiot!" Why would he give his phone to an outsider! Did water enter his brain?

Qin Wuxin asked,"exalted immortal Shen, as far as I know, you should be a true immortal. Why are you still so easily angered like an ordinary person?"

Shen Gongbao snorted. What I do is none of your business! I advise you to return the phone to Tianpeng immediately, or you will bear the consequences!

Qin Wuxin: " alright. Since exalted immortal Shen doesn't like me, I'll tell you the bad news. Then, I'll exit the private chat and stop bothering you!

Shen Gongbao snorted. You'd better not play any tricks. Otherwise, I have countless ways to kill you!

Qin Wuxin: " the bad news is that Chen Zhufeng ... Oh, that's Chen Xiaobei you guys are talking about. He won't die!

Shen Gongbao,"what did you say?!" Make yourself clear!

Qin Wuxin asked, "huh?" Didn't exalted immortal Shen want to ignore me? Why am I talking again? Wasn't this a slap to his own face?

Shen Gongbao, "f \* ck!" I think you're really tired of living! How dare you mock me!

Qin Wuxin: " just tell me the truth. If you don't support me today, I'll die in Chen Zhufeng's hands sooner or later! It could be said that I'm talking to you with my head in my hand! You didn't give me a way out, so I mocked you. Shouldn't I?"

Shen Gongbao, "kid!" You've got guts! Besides, you know very well that Chen Zhufeng is the thorn in my side! Since Chen Zhufeng wants to kill you, you can be considered half a friend of mine! Explain the situation clearly and I will consider letting you Live!

Qin Wuxin replied, [ I'm not considering! ] You must support me! Otherwise, I have a way to save Liu xuanxin!

Shen Gongbao, "what?!" You even know about Liu xuanxin? Tian Peng, that idiot! He was so stupid that he was beyond saving! How could he trust a mortal!

[ Qin Wuxin: this is the bad news I'm bringing you! ] If you don't give me a way out, I'll ruin your entire plan! If Chen Zhufeng doesn't die in three days, you will suffer a great loss, right?

Shen Gongbao, "you little brat!" You dare to threaten me!

Qin Wuxin, [ that's right! ] This was a threat! I'm barefooted now and not afraid of wearing shoes! It's my greatest honor to be able to drag exalted immortal Shen down with me before I die!

Shen Gongbao, "you have guts!" You really have guts! Tell me your good news too! If you can convince me, I'll satisfy all your requests!

Qin Wuxin, [ the good news is that the canopy is destroyed! ] He was completely crippled!
