Chapter 2241: Blood God Ability

Shen Gongbao, "what?" The canopy was destroyed? What kind of good news was this?

Qin Wuxin: " Tianpeng has been working for you for so long. Not only has he not succeeded, but he has also been played by Chen Zhufeng again and again! This is a complete waste of your time!

Shen Gongbao, "continue!"

Qin Wuxin: " now that the canopy is destroyed, I'll take its place. I'll kill Chen Zhufeng for you! The facts have proven that I am smarter than Tian Peng! More determined! Of course, he was also more ruthless!

[Qin Wuxin: to put it bluntly, they are also your dogs!] Tian Peng could only be considered a stupid dog! But I, Qin Wuxin, am a Mastiff that can fight with Tigers and wolves!

Shen Gongbao thought, "what a good Mastiff!" You do have guts! He was indeed more courageous than Tian Peng!

[Qin Wuxin: so, you're willing to support me?]

Shen Gongbao, no! I will not support you! Although you have many good points, you have a fatal weakness, and that is your ambition!

Shen Gongbao, "if I'm not wrong, the canopy great country is in trouble because of you!" I'm not stupid enough to put in so much effort to support you only to be bitten by you in the end!

Qin Wuxin replied, "I won't!" I can swear to the heavens! I will never do anything to harm you!

Shen Gongbao, come on! I don't even need to think to know that you must have made the same oath in front of Tian Peng!

Shen Gongbao, "the best way to deal with people like you is to stay away from you!" If I believe your nonsense, I won't even know how I died in the end!

Qin Wuxin: Since this was the case! Then we'll fight to the death! I'm going to save Liu xuanxin now!

Shen Gongbao, "heh, go ahead and save him!" If you can find Liu xuanxin, I'll admit defeat!

[Qin Wuxin: you forced me to do this!] Just wait to regret it!

Shen Gongbao, "regret?" It didn't exist! In order to prevent Chen Xiaobei from saving her, Liu xuanxin's location must be extremely well-hidden!

Shen gongpao, "you're smarter than Tianpeng but you're still far from Chen Xiaobei!" Even Chen Xiaobei could not find her, and you think you can? (Disdainful)

Qin Wuxin stopped replying and put his phone away.

"Shen Gongbao! You dare to look down on me!"

Qin Wuxin's eyes focused, and his black eyes gradually turned red.

I've already digested the blood ancestor's blood. Although Chen Zhufeng took away a part of it and prevented me from receiving the perfect inheritance, I've already awakened three new abilities! Shen Gongbao! You will regret this!"

Qin Wuxin's blood-red eyes suddenly widened as he muttered a series of obscure spells.

Then, two blood-red light beams shot out of his blood-red eyes! It contained a dense amount of ancient blood clan incantations!

"Bang! Bang!"

Suddenly, the two blood-red light pillars exploded. Countless blood-red light spots scattered in the forest like fireflies!

"Blood God servant! Answer my call!"

Qin Wuxin let out a deep and hoarse voice, as if he was summoning something!

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

The next moment, black shadows flew out from the surroundings at high speed!

These black shadows were shaped like crows, but their eyes were blood red. Their bodies were clearly visible, but they were not physical bodies, but spiritual bodies!

"Blood God curse! A servant's spirit channeling! Go! You guys! It's my eyes, ears, mouth and nose! You are my true self!"

After Qin Wuxin finished his last sentence, he became expressionless. His entire body was as stiff as a stone statue. He was stunned on the spot and did not move!

"Woof! Buzzzzzz! Yi ..."

Then, the group of spirit crows that Qin Wuxin called the blood God's servants flew directly towards heaven dominating faction!

.....

Just as Qin Wuxin had said, these Blood God servants were like him. They had the speed of a three-star earth-god, and they arrived at heaven dominating faction in a short while!

What was even more amazing was that whatever these Blood God servants saw or heard, it was as if Qin Wuxin had seen and heard it with his own eyes!

In addition, these Blood God servants were spirit bodies! People without innate Yin Yang eyes would not be able to see them!

Hence! Qin Wuxin controlled dozens of Blood God servants and began to search the entire heaven dominating faction branch!

In fact, Chen Xiaobei and Tian Peng had been very careful with their search!

However, Chen Xiaobei's golden gaze fiery eyes and Tian Peng's clairvoyance had a certain distance limit. There were some hidden places that they could not enter or see!

However, Qin Wuxin's Blood God servants were different. They could go anywhere and see everything that Qin Wuxin saw!

In other words, Qin Wuxin suddenly had dozens of pairs of eyes that were everywhere!

Finally!

After a period of careful searching, Qin Wuxin finally locked onto his target!

"I found it! Chen Zhufeng's super marriage fate! he was actually locked up in the control array of heaven dominating faction's underground spiritual vein! You've really hidden it well!"

Qin Wuxin immediately laughed hideously, "Shen Gongbao!" I'm going to take away Chen Zhufeng's super marriage fate now! This way, I can take Chen Zhufeng's life! At the same time, he would also seize Shen Gongbao's weakness! I'll see if you're willing to cooperate with me!"

As soon as he finished speaking, Qin Wuxin transformed into his blood race form. He flapped his wings and charged toward heaven dominating faction at an extremely fast speed!

.....

heaven covering sect was still heavily guarded. As long as one entered their territory, any movement would attract the guards' attention!

"Woof! Buzzzzzz! Yi ..."

However, just as Qin Wuxin was about to approach heaven dominating faction, dozens of Blood God servants flew back and met up with him in the air!

The blood-eyed crows in their spirit form surrounded Qin Wuxin and added a mysterious power to him.

"Servant magic! Blood shadow!"

die! Qin Wuxin shouted in a low voice. A living person suddenly turned into a blood-red ball of light. Surrounded by dozens of Blood God servants, he flew into heaven dominating faction!

The heavily-guarded heaven dominating faction had a guard every three steps and a Sentry every five steps, yet no one had noticed Qin Wuxin's arrival!

That's right!

This was the third new ability that Qin Wuxin had awakened after the blood God hypnosis and the blood God servants-the blood shadow!

In the state of the bloody shadow, Qin Wuxin's entire body had turned into a spiritual body!

Only those who were born with yin-yang eyes could see Qin Wuxin's arrival!

Moreover, only the restrictive formation could stop Qin Wuxin. He could easily pass through ordinary walls!

"I found it! It's right here!"

Very soon, Qin Wuxin arrived at his destination!

this was the core of heaven dominating faction's underground spirit vein. It was thousands of meters underground, but there was only one tunnel!

The long passage was guarded by thousands of elite disciples and 18 layers of restrictions.

If they had used normal methods, no one would have been able to sneak in without a sound.

Chen Zhufeng's super marriage fate is locked up here. No wonder Chen Zhufeng can't find it!

Qin Wuxin passed through the Hard Rock and appeared directly behind the eighteenth restriction. He smiled and said, "Hello! Liu xuanxin!"

Red Envelope Group of the Three Realms

Chapter 2242: Slaughter

Liu xuanxin!

Chen Xiaobei was eavesdropping on Qin Wuxin's conversation.

When Qin Wuxin mentioned Liu xuanxin's name, Chen Xiaobei felt like he had been struck by lightning!

A loud buzz sounded in his head, and his thoughts almost short-circuited, completely losing the ability to think!

It was as if a knife was being twisted in his heart. It was so painful that he almost couldn't breathe!

Chen Xiaobei's veins were bulging, his eyes were bloodshot, and his body was shaking.

The name 'Liu xuanxin' had a huge impact on Chen Xiaobei's heart!

Even Chen Xiaobei's strong mental state was pushed to the brink of collapse!

"Xiao ... Xiaobei ... You know everything?"

Tian Peng swallowed his saliva and the half-eaten spiritual fruit in his hand fell to the ground. He said in a daze, "I knew I couldn't tell you, but I couldn't hide it from you ... You have to calm down ... Don't take things too hard ..."

Before this, Tian Peng had used his enemy's body to deal with Chen Xiaobei many times, but he had never seen Chen Xiaobei in such a state!

Even when he was in the spirit congealing immortal abode, Chen Xiaobei was much stronger and calmer than he was now!

Of course, Tian Peng was a sentimental person and he could understand Chen Xiaobei's feelings.

Liu xuanxin was like a goddess!

She and Chen Xiaobei had exchanged their most precious first time! She was Chen Xiaobei's super marriage fate! She had always been by Chen Xiaobei's side! She was even willing to commit suicide for Chen Xiaobei! In the end, her face was completely destroyed by the poison! He aged overnight!

However, Chen Xiaobei did not know the truth behind all this!

Chen Xiaobei had always thought that the goddess had disappeared from his life after that night!

Although he still had a little bit of affection for her, Chen Xiaobei did not have much feelings for her.

However, Liu xuanxin was different!

She had been wearing a mask and had gone through life and death with Chen Xiaobei many times. She had even confessed her feelings to Chen Xiaobei at the spirit congealing immortal abode and expressed their love for each other!

Chen Xiaobei could choose not to love goddess sister. After all, it was only a one night stand!

But Chen Xiaobei loved Liu xuanxin from the bottom of his heart!

It was only then that Chen Xiaobei finally heard the truth from Qin Wuxin!

So, the fairy sister was Liu xuanxin! Liu xuanxin was like a goddess!

The person he loved deeply was the Super marriage that could make his fate soar! To Chen Xiaobei, this was a pleasant surprise!

However!

The first time they met was when she was at her most beautiful!

When they met again, her face was completely ruined and she aged overnight!

In order to protect Chen Xiaobei, Liu xuanxin was willing to commit suicide by poisoning herself. Although the elixir saved her life, she was now completely destroyed!

Chen Xiaobei had always wanted to see what Liu xuanxin looked like under her mask.

Who would have thought! A thin mask was actually the distance between heaven and hell!

This news that should have made Chen Xiaobei happy and happy had now dealt him a huge blow!

It was no exaggeration to say that Chen Xiaobei's mind was on the verge of collapse!

Ding Ling Ling Ling

Chen Xiaobei's phone rang.

But Chen Xiaobei was like a stone statue, completely frozen on the spot. He did not move at all.

"Xiaobei! Pick up the phone! Answer the phone!"

Tian Peng took out the phone and said, " "It's Qin Wuxin! It must be related to miss Liu!"

The caller ID showed that it was Canopy's number. It was Qin Wuxin!

"Qin! Wu! The heart!"

Chen Xiaobei's eyes narrowed. His mind, which was on the verge of collapse, seemed to have been injected with a force that gradually calmed down!

Without a doubt, this power came from hatred! Of course, it also came from the heart of protection for the one he loved!

It was as if he had broken through to a new realm. Chen Xiaobei had overcome the barrier of mental breakdown and his mental state had become even stronger!

"Give me the phone!"

Chen Xiaobei took a deep breath and answered the call.

"Chen Zhufeng! I have good news and bad news for you, which one do you want to hear first?" Qin Wuxin's sinister voice came from the other end of the phone.

"Cut the crap! I'm not in the mood to beat around the bush with you!" Chen Xiaobei said.

"Heh, then I'll be direct!"

the good news is that I've helped you find your super marriage affinity. If you're willing, I can let you see her now! Qin Wuxin grinned.

Chen Xiaobei's heart skipped a beat. "Good! Let me see her!"

"A friendly reminder! You must be mentally prepared!" Qin Wuxin immediately sent Chen Xiaobei a video call signal.

Very quickly, the scene appeared on Chen Xiaobei's phone screen.

"Xuan ... Xuan Xin! Is that you?"

Chen Xiaobei felt as if he had been struck by lightning again. If not for his strengthened mental state, he would have collapsed!

He saw a woman lying weakly on the Hard Rock.

As if she had suffered a very serious injury, the woman could not move at all. She could not even cover her face with her hands. She could only twist her neck with great effort to not let herself face the camera!

The skin on her hands and neck had lost its white luster and became dark and mottled, even full of wrinkles!

Her originally black and smooth hair had turned white!

No one would believe that she was Liu xuanxin just by looking at her figure!

"Liu xuanxin! Meet your sweetheart! Why was he still lying down? Is he unable to move? I'll help you!"

Qin Wuxin immediately released a few streams of ethereal force to help Liu xuanxin up so that she could face the camera!

Then, Liu xuanxin's face appeared on Chen Xiaobei's phone!

"Xuan Xin! It's really you!"

Chen Xiaobei's body trembled. He felt as if his heart was being torn apart. He felt as if the sky was falling and the earth was sinking. It was the end of the world!

On the screen of the phone was an extremely old and wrinkled face!

His forehead, cheeks, and chin all had different degrees of festering skin!

The corners of his eyes were filled with blood-colored tears!

Those who didn't know would think that it was an evil spirit! If a child saw this, he would probably be scared to tears on the spot!

However, Chen Xiaobei could tell that this was Liu xuanxin!

Even though it was through the phone and the light was dim, Chen Xiaobei was certain the moment he saw those eyes! I definitely won't be mistaken!

In that instant, an unprecedented sense of despair erupted like a volcano in Chen Xiaobei's heart!

At the same time, it also brought unprecedented hatred!

"Shen Gongbao! Heaven dominating faction! The Jiang family!"

Chen Xiaobei's eyes were bloodshot as he said, " "Today's enmity! I will use your blood to wash it away! If I don't slaughter you all! I, Chen Xiaobei, swear! No! For! People!"

Chapter 2243: Taking Over The Green Dragon Sect

At that moment, Chen Xiaobei was like a ferocious beast from the ancient times, exuding a terrifying and overbearing aura!

Tian Peng took in a cold breath and his expression changed!

Even Qin Wuxin, who was on the other side of the phone, was stunned and could not help but gasp!

At that moment, Chen Xiaobei was more terrifying than ever!

However, Liu xuanxin's eyes were filled with tears. Her wrinkled skin trembled, and her voice was hoarse!

Chen Xiaobei!

Liu xuanxin's voice was hoarse. calm down ... I've already become like this ... I'm not worth you doing anything for me ... Shen Gongbao ... Jiang family ... Heaven dominating sect ... They're all too powerful ... Don't make them your enemies ...

"Xuan Xin ..."

Chen Xiaobei tried to calm himself down and said gently, " "Don't worry! No matter what you become! You're both my women! I will save you! I'll even help you recover!"

"Recovered? It's impossible ... To tell you the truth ... The poison in my body ... I asked Zi Yuan to poison it ... It's a four-star earth-god level poison ... It also contains an incurable curse ..."

"Zi Yuan told me that even she can't cure herself ... So, you don't have to comfort me anymore ... It's your best choice to forget me ..." Liu xuanxin said bitterly.

"Zi Yuan?"

Chen Xiaobei frowned and asked, " why didn't she protect you? why did she poison you? "

idiot ... Your enemy is so powerful ... Can Zi Yuan deal with him? "

Zi yuan can't protect me ... Liu xuanxin said with difficulty. she would only hurt her if she stayed by my side ... So, I asked her to poison me ... That way, I wouldn't be a hostage ... After I die, I would be unrecognizable, and you would no longer want me ...

"Also, I'll get Zi Yuan, Lin Dong, and the waiter to escape!" Liu xuanxin added. They should still be in the earthly calamity ... You can go find them ... But don't blame them ..."

"Alright! I'll listen to you! Don't blame them!"

Chen Xiaobei calmed himself down and said seriously, " "But you have to listen to me! Live on and wait for me! I promise! I'll definitely be able to restore you to your original state!"

that's enough ... I'm not a three-year-old child, stop coaxing me ... It's impossible for me to recover, but I'm already satisfied to be able to see you one last time ...

Liu xuanxin's eyes were filled with relief. "Qin Wuxin! Don't you hate Xiaobei? 'Kill me ... I hope it can calm your hatred. Don't make Xiaobei your enemy again ... Come!' Just kill me ..."

"You fool! Qin Wuxin won't kill you!"

"You're Qin Wuxin's best protection!" Chen Xiaobei said. In your hands, Qin Wuxin can not only threaten me, but also Shen Gongbao! Qin Wuxin will not kill you no matter who you ask him to kill!"

No... Don't ... Let me die ... Let me die ...

no! Liu xuanxin wailed in despair. I became like this because I didn't want to be a hostage. I didn't want you to be threatened. But now, I'm still a hostage. This is worse than death!

"Calm down! Trust me!"

"Do you still remember what I said back at the spirit congealing immortal abode?" Chen Xiaobei asked. No matter what you look like! I will not let you go and will not let you escape!

"No... I don't remember! I don't like you anymore! "You want me to die ... I just want to die ..." Liu xuanxin was on the verge of a mental breakdown.

Her hysterical wailing almost made her throat hoarse! Her blood-red tears were like a river that burst through a dam, almost dyeing half of her face red!

"Xuan Xin! Don't be like this!"

Chen Xiaobei's heart ached. He gritted his teeth and said, "Qin Wuxin! Let her calm down! What conditions do you want? we can slowly discuss them!"

"Good! I've been waiting for you to say that!" Qin Wuxin smiled sinisterly. He released his ethereal force and knocked Liu xuanxin out.

Liu xuanxin's emotions were out of control. She could not listen to anything he said, much less face Chen Xiaobei.

Her body was weak to begin with, and if this continued, she might hurt her vitality!

Making her unconscious was obviously the best way to protect her!

Seeing that Liu xuanxin's breathing had returned to normal and that she was unconscious, Chen Xiaobei breathed a sigh of relief and said, "Speak! What do you want from Xuan Xin?"

"Will you give me whatever I want?" Qin Wuxin had a harmless smile on his face, but in reality, he was hiding a dagger in his smile, which was extremely sinister.

"Yes!" Chen Xiaobei said without hesitation. As long as you let Xuan Xin go, even if you want my life, I will give it to you!"

"Heh, how bold!"

it's a pity, " Qin Wuxin said with a smile. I've suddenly realized that keeping you alive is more useful than killing you!

Chen Xiaobei was smart enough to see through everything. "You want to use me to control Shen Gongbao?"

"Smart!"

Qin Wuxin smiled. you, Chen Zhufeng, are a thorn in Shen Gongbao's side. As long as you're alive, Shen Gongbao will need someone to get rid of you! I, Qin Wuxin, will be Shen Gongbao's only choice!"

"As long as you're alive, Shen gongpao will agree to all my requests! If you die, I'll lose my value to Shen Gongbao. Then I'll have no right to ask him for anything!"

Chen Xiaobei, Qin Wuxin, and Shen Gongbao were like three balanced forces!

Shen gongpao would only cooperate with Qin Wuxin if Chen Xiaobei was alive! Chen Xiaobei's death would break the balance!

Because of this, Qin Wuxin did not want to kill Chen Xiaobei, at least not in the short term!

Of course, Chen Xiaobei would not let his guard down. "Although you don't want my life, you must have your own purpose for calling me!"

"That's Chen Zhufeng! I can't hide anything from you!"

Qin Wuxin smiled and said, "I'll give you three days! Before the winter solstice, I want you to take over the entire Azure Dragon continent!"

"Three days? How could he take over the Azure Dragon continent in such a short time? Do you think I'm a God?" Chen Xiaobei frowned.

"You only have three days!"

yes! Qin Wuxin was certain. because the winter solstice is a very important day for Shen Gongbao! Only by teaching Shen Gongbao an unforgettable lesson before the winter solstice can he firmly remember that he will definitely fail if he doesn't cooperate with me!"

"If that's the case, then Shen gongpao will have no choice but to work with you!" You will be able to obtain all sorts of benefits!"

"That's right!"

"As far as I know, Shen Gongbao is a real immortal!" Qin Wuxin said with a face full of anticipation. What should I ask of him? I'm looking forward to it just thinking about it!"

"Alright! We'll do as you say!"

"As long as you can keep xuanxin alive!" Chen Xiaobei said. Before the winter solstice, the Azure Dragon continent will definitely change!"

[Red Envelope Group of the Three Realms](#)

Chapter 2244: Method To Break Out

After ending the call, Chen Xiaobei suppressed his anger.

This was because anger could not solve any problems. Only by thinking calmly and carefully could one find a chance of survival in a dead end!

"It's a blessing, not a curse! He couldn't avoid disaster! Brother Yama's prediction came true ... Xuan Xin has really met with a great calamity ... But today, he finally found out about his super marriage fate!"

'Xuanxin and I are absolutely in love with each other ... By right, xuanxin and I should have had our fate energy surge! But why is it that things are still developing in a disadvantageous direction?"

Tian Peng thought for a while and said,"with my understanding of women!" I think miss Liu's heart has been filled with despair! She had already given up hope of survival! I feel even more that I'm not worthy of you! I don't dare to hope that I'll be able to marry you in the end!"

what? " Chen Xiaobei was taken aback. are you saying that my marriage with xuanxin has not been officially established? "

"Yes, I am!"

Tian Peng nodded and said,"as the saying goes, good things take more time!" Only by reigniting miss Liu's hope can you two truly be bound together! Of course, this will depend on your hard work after this!"

"I understand!"

Chen Xiaobei was excited. "Brother Yama once said that Xuan Xin only has three months left to live! If you want to help her change her fate, you have to let her fate soar!"

in other words, as long as Xuan Xin and I are able to find our love and get married within three months, we will be able to establish the legendary super marriage. Her fate will be rewritten, and she will be able to escape from her destined death!

"Your analysis is correct!" Tian Peng nodded and said, "that's why you must stay calm!" The difficulty was only temporary! If we survive the storm, we'll definitely be able to see the sun and the rainbow!"

"Second senior! I really couldn't tell that you were so philosophical!" Chen Xiaobei took a deep breath and finally smiled.

Tian Peng's expression changed, " "What are you laughing at? Do you have a new idea?"

yes! Chen Xiaobei nodded. first of all, although Xuan Xin is in Qin Wuxin's hands, he would never kill her! This way, I won't have any worries!"

"Secondly, I originally didn't know that Xuan Xin was my super marriage fate. No matter how hard I thought, I couldn't resolve her death! But today, Qin Wuxin had made a point! Then, I'll have a way to save Xuan Xin!"

"Finally! Qin Wuxin asked me to control the Azure Dragon continent in three days. I thought it was impossible at first, but after I calmed down, I seemed to have thought of a brilliant plan to pull the firewood out of the cauldron!"

Obviously, Chen Xiaobei was very smart after he had calmed down! Extremely wise! He was extremely good at analyzing!

Chen Xiaobei had thoroughly analyzed the pros and cons of the entire matter! He even had a way to break out of this situation!

Because of that, Chen Xiaobei smiled! This was a confident smile! It was a domineering smile!

A person who could control everything! Only then could he smile and watch the storm rise!

Without a doubt, the invincible Chen Xiaobei was back!

Tian Peng also became excited and asked, " "What are you planning to do? What do you mean by pulling firewood from the bottom of the cauldron?"

" do you still remember what we found when we sneaked into heaven dominating faction? " Chen Xiaobei raised his eyebrows.

"I remember!"

Tian Peng nodded, " we found the Treasury of heaven shrouding sect and the core of the heaven shrouding formation!

"That's right! The main point is the core of the "heaven shadowing array"!"

to be honest, the only thing I can't defeat in this battle is the sky shrouding formation! Chen Xiaobei said. I want to finish this formation in three days and make the enemy lose their strongest weapon! Isn't this taking drastic measures?"

"That's true, but the question is, what are you going to do?"

Tian Peng frowned, " you know the situation of heaven dominating sect. If there's any movement, we will alert the enemy! Your imagination can't be realized!"

"Second Shixiong, did you forget?" Chen Xiaobei asked. I still have a heaven immortal artifact in my possession!"

"A heaven-immortal artifact!" "The earth escape immortal puppet that earth traveler sun lost to you?" Tian Peng was stunned.

"That's right!"

yes! Chen Xiaobei nodded. the core of the sky shrouding formation is underground! As long as I use earth escape immortal Gu, I can come and go as I please! I can even completely empty the enemy's treasure vault!"

"That's a good idea! But does your earth escape immortal Gu still have spiritual energy?"

"I remember that you used the earth escape immortal Gu in devil earth, so there shouldn't be any spiritual energy ..." Tian Peng was stunned.

there's no spiritual energy, but we can still look for it! Chen Xiaobei said.

how ... How is this possible?!

Tian Peng was surprised, "to activate the power of a sky immortal, you need to burn the spiritual energy of an entire spiritual vein!" Where are you going to find a large spirit vein at this time? The point is that this large spirit vein can't have an owner!"

"Don't worry! Since I thought of this method, I will definitely be able to find the spirit vein!" "Come with me!" Chen Xiaobei said.

.....

In the blink of an eye, it was already the morning of the next day.

"Not good! It's not good!"

in the main hall of heaven dominating faction, a young disciple ran in and said, " Chen Zhufeng's woman is missing ... She's gone ...

"What?"

Jiang haoxuan, Nangong he, Ximen lang, and the higher-ups of Manda Palace all jumped up in shock.

what the hell is going on!!!

how could a woman who can't even move a finger be gone?! Jiang haoxuan bellowed in rage.

"I don't know ..."

The young disciple pulled a long face and said nervously, " "He was still here last night, but he's gone when I went to check this morning ..."

Ximen lang was also furious and extremely brutal. "Trash! A bunch of trash! You can't even keep an eye on a crippled woman! Men! Drag out all the disciples guarding the spiritual vein and cut them down!"

"Spare me! It was elder Ximen's life! Liu xuanxin is locked up in the core of the sect's spirit vein, thousands of meters underground, and there are 18 restrictive spells ... My brothers and I have been guarding the outside all this time!"

elder Nangong! the young disciple wailed, " this morning, I asked for the heaven shrouding Mystic Order from elder Nangong before I was able to go through the 18 layers of restrictions to check ... Liu xuanxin's disappearance really has nothing to do with us ... Please, elder Ximen, spare our lives ...

Obviously, what the young disciple said was the truth!

The dozens of them were in charge of guarding the spiritual vein's passage and had not slept for several days! They were patrolling seriously every minute and every second! They could not be blamed for Liu xuanxin's sudden disappearance!

However, Ximen lang was unmoved. He said coldly, " "Trash will always be trash! Mistakes should be punished! Otherwise, how will I be able to convince the masses in the future?"

As soon as he said that, the young disciple's face turned pale and he was filled with despair.

"Wait a moment!"

At this moment, the white-haired Nangong he suddenly spoke.

The young disciple thought that there might be a chance of survival.

Who knew that Nangong he would be even more ruthless, " "Behead all these trash! The heads are hung separately at each prominent position in the sect to warn the entire sect that this is a critical period and no one is allowed to make any mistakes!"

As soon as he said that, dozens of innocent disciples died tragically with their heads hung high!

.....

"Second senior! We're here!"

The flying sword landed quickly, and Chen Xiaobei and Tian Peng arrived at a Valley filled with birds and flowers!

[Red Envelope Group of the Three Realms](#)

Chapter 2245: Revisiting An Old Place

"This ... Isn't this the entrance to the spirit condensing immortal mansion?"

Tian Peng's expression froze for a moment before he suddenly understood, " "The large-scale spirit vein you're talking about is the spirit vein in the spirit condensing immortal abode?"

"That's right!"

that's right! Chen Xiaobei nodded. there are five obstacles in the spirit congealing immortal abode. They are the five elements formation! There must be a large spirit vein providing spirit Qi! Fairy ning Ling is dead, and this spirit vein is ownerless. I can use it as I please!"

"Smart!"

Tian Peng said excitedly, " as long as we suck this spiritual vein dry, earth escape immortal Gu's power can be activated for three hours. That's enough time for us to set up a trap!

"Let's go! Let's go in!" Chen Xiaobei walked through the broken stone door and entered the spirit congealing immortal abode.

Chen Xiaobei and Tian Peng were very familiar with the spirit condensing immortal abode.

Moreover, the five elemental jade, which was the core of the five obstacles, was in Chen Xiaobei's hands, so they had a smooth journey.

It did not take long for Chen Xiaobei and Tian Peng to reach the last spot of immortal mansion!

After the last battle, the surroundings were already in a state of chaos.

The space gate leading to the immortal abode had also been severely damaged by the power of the explosion.

Cracks began to appear on the teleportation screen. It flickered like an old television that could go out at any moment.

Chen Xiaobei and Tian Peng could not help but sigh.

"The last time was really too dangerous! Those 9,999 heavenly demons and evil ghosts almost took our lives!" Chen Xiaobei could not help but break out in cold sweat when he thought about it.

"Yup! The combat strength of those evil ghosts is too terrifying!"

yes! Tian Peng nodded and sighed, " luckily you were there, otherwise we would all be dead!

"Oh right! Did those evil ghosts get transported to the endless Dead Sea by the chaotic space flow with you?" Chen Xiaobei asked.

yes ... Tian Peng swallowed his saliva and said awkwardly, " fortunately, those evil ghosts didn't notice me. Otherwise, I'm afraid I wouldn't be alive to talk here!

"Did those evil ghosts come out after that?" Chen Xiaobei asked again.

No... Tian Peng shook his head, " "There seems to be something attracting them in the endless Dead Sea! After they left the chaotic space, they charged into the depths of the endless Dead Sea!"

"It seems like they will be staying in the endless Dead Sea!" Chen Xiaobei said.

"You ... You're not thinking of finding an opportunity to subdue them, are you?"

Tian Peng swallowed his saliva and said nervously, "After that, I heard from Jiang haoxuan that the endless Dead Sea is one of the seven forbidden areas in the earth-god Realm. Even peak earth-god level cultivators have a slim chance of survival! Don't you do anything stupid ..."

"Don't worry, I'm not stupid! Even if you're going, you'll have to be fully prepared!" Said Chen Xiaobei with a smile.

"Yes, I'll definitely be at ease!" Tian Peng nodded. you won't do something stupid! he said.

"Oh right! I'll show you something!" Chen Xiaobei took out a strange-looking skull from his infinite space ring.

It had the shape of a human head, but its fangs were sharp and long! It had bull-like horns on its head! Its lower jaw was covered with sharp and exaggerated blood-colored bone spikes!

The main point was that the skeleton was exuding a fierce and threatening pressure from the inside out. It was as if it was a demonic creature with an awe-inspiring evil aura!

"This skull ... Looks like ..."

Tian Peng's eyes weren't bad and he said with certainty, "the horn of the bull!" Blood bone spur! There was also this demonic and evil aura! There was no mistake! This skull belongs to those heavenly demons and evil ghosts!"

"Right! Your judgment is correct!"

"I've asked the four demon kings of the limitless demon race!" They say that this sky demon is a Berserker from the evil bone demon race!"

"The evil bone demon race? Berserker?" Tian Peng was dazed for a moment.

"You can continue to watch!" Chen Xiaobei used his mind to communicate with the skull!

"Chi ..."

With a wave of spiritual fluctuation, the huge skull actually glowed with a blood-colored spiritual light.

In the spiritual light, rows of demon race words appeared.

"This ... This is a magic tool with a spirit!" Tian Peng was surprised.

"Yes, I am!"

this is ... Chen Xiaobei said, " these strange words are actually runes unique to the evil bone demons! As long as I can understand the meaning of these words, I'll be able to control the evil bone demon formation hidden within the skull!"

"So, you want to ask me the meaning of these words?"

you're asking the wrong person ... Tian Peng blushed. the heavenly court and the demon race are irreconcilable. Furthermore, I don't think the evil bone demon race has even reached the level of a heaven immortal. I've never come into contact with them before, so how would I know their language? "

Chen Xiaobei nodded and said, " it's okay, I'm just asking. If it really doesn't work, I can ask master or the other brothers!

"Don't you ever ask the prime of Tongtian!"

Tian Peng said nervously, "the ancestor of the demon race, Rahu!" This was a super lunatic who wanted to kill a Dao ancestor! It was precisely because of this that the demon race was a taboo that the immortals in the heavenly realm could never come into contact with! Go and ask the prime of Tongtian. If the Dao ancestor finds out, the consequences will be unimaginable!"

it can't be that serious ... "I just want to subdue a group of evil ghosts, not to come into contact with the devil race, and I won't do anything harmful to master and Dao ancestor!"

"You can say that! But don't forget that Rahu's killing of a daofather was real!"

Tian Peng said seriously, " the point is that the cultivation tribulation is coming. Many people are looking for an opportunity to kill the prime of Tongtian! If you ask the prime of Tongtian, you'll give the enemy something to use against you. It doesn't matter if you collude with the demons or not, the enemy will make a big deal out of it!"

"Understood!" that's right! Chen Xiaobei nodded. second senior brother is from the heaven realm after all. You have a lot of experience in fighting!

"Of course!"

Tian Peng said smugly, 'I've been to both the Buddhist sect and the heavenly court! Even if I'm not qualified to participate in the schemes and intrigues between the higher-ups, I've already seen through them!"

"It doesn't matter if we can't ask master!"

Chen Xiaobei shrugged and said, " "The winter solstice is in two days! At that time, the first Earth immortal I want to exchange for will be Demon God luohou! As long as we can find him, wouldn't the words of the evil bone demon race be child's play to us?"

"What? You ... You want to exchange for Rahu?" Tian Peng was shocked and his eyes were wide open.

"This is my master's will!" I was a little worried at first, " Chen Xiaobei said. now it seems that Sifu's decision was wise! Luo Yi's appearance will be a great help to me!"

this is a big joke ... Tian Peng swallowed his saliva, " "Dao ancestor, will you agree to this?"

Chen Xiaobei shrugged. I'll let my Sifu talk to the ancestral Daoist. I'll just do as he says!

this ... Tian Peng was extremely shocked. He didn't dare to imagine that Luo Yi was going to be Reborn!

Chen grinned and urged, " "Alright! Don't be stunned! Let's hurry and find the spirit vein!"

[Red Envelope Group of the Three Realms](#)

Chapter 2246: There Are Still Treasures

Every sect, every sect, and even every family was built on the foundation of spirit veins!

Only a spirit vein could allow all the members of each force to grow steadily and continuously!

Only a spirit vein could support such a huge array and protect the peace of every force!

There was no doubt that there was a spirit vein under the spirit condensing immortal abode, and it was a large spirit vein with abundant spirit Qi!

the problem now is how we are going to find the passage to the core of the spirit vein!

Chen Xiaobei furrowed his brows and carefully observed every corner of his surroundings, hoping to find a clue to the passage.

"If we can't find it outside, the passage might be in that cave!" Tian Peng said.

"Yup ..."

that's right! Chen Xiaobei nodded. that cave was originally where spirit fairy lived and cultivated. It's very likely that it was built on the core of the spiritual vein! However, the spatial gate is damaged, so we can't enter the cave!"

maybe we can try to repair the space gate! Tian Peng said.

"Repair? Would you?" Chen Xiaobei asked in surprise.

I can't ... But I'm sure that this is only a basic space gate!

Tian Peng said, " you can try to communicate with it. Fairy ning Ling is dead. Everything here has no owner. You should be able to communicate with it!

"Good! I'll try and see if I can still communicate with spirituality!" Chen Xiaobei nodded and placed his hand on the door that could be extinguished at any moment.

"Chi ..."

Then, a weak spiritual fluctuation came!

Just as Tian Peng had said, the space gate had become ownerless.

After the spiritual connection was established, Chen Xiaobei would become the new owner of the gate. At the same time, he would be able to learn about the gate's nature!

"There's a change!"

Oh! Chen Xiaobei's eyes lit up. after the spiritual connection, a subtle space formation was transferred into my mind! I can see all the runes and formation eyes! The problem lies in the core of the formation. The seal scripts that suppress the core are broken!"

Tian Peng's eyes narrowed and he said,"then it's simple!" Create a seal and repair the space gate, and we'll be able to re-enter!"

"What a coincidence!" I don't need it! I already have a rune on hand! Chen Xiaobei grinned.

"How do you have this kind of seal script?" Tian Peng asked in shock.

"It's a long story ... A long time ago, I defeated an enemy in the green Hill Starfield and destroyed the portal he used to escape! The seal scripts are all in my hands! Right now, there are a few seal scripts that can be used!"

As he spoke, Chen Xiaobei took out the rune, activated the witch Dragon Flame, and merged the rune into the portal.

The enemy that Chen Xiaobei was talking about was the green Hill Starfield's Regent, Wei zhonglie!

As for the Emperor of Green Hill Starfield, Saint Duke, Neptune, Dragon God, and Royal dome had successfully found him under the joint search of the four starfields!

The green Hill Starfield had returned to its peaceful and stable state.

The Qing Qiu Emperor and Queen were very grateful to Chen Xiaobei. They promoted Chen Xiaobei's achievements in the Starfield, which in turn increased Chen Xiaobei's followers.

However, the increment was less than 100 million, so Chen Xiaobei could not choose a new heavenly path reward!

Of course, as time passed, the number of Chen Xiaobei's followers would only increase!

As the saying goes, sand makes a tower!

Although the number of believers was not much, as long as it continued to increase, Chen Xiaobei would eventually gain something!

.....

Chen Xiaobei did not rest for even half a minute as he fused six runes in one go. It took him a total of 24 hours!

In this way, there was only one day left before the winter solstice! Besides, Chen Xiaobei still needed to return to the Green Dragon continent to make his plans! In fact, he had less than a day left!

Fortunately, there was always a reward for his hard work!

With Chen Xiaobei's hard work, the gate was finally repaired!

"Xiaobei! You're really something!"

Tian Peng couldn't help but give him a thumbs up. if it was me, I would have given up long ago. Only you can overcome these problems!

"This is called" good people get good rewards "! It's not that I don't want revenge, but the time hasn't come yet!"

of course! Chen Xiaobei grinned. I helped a friend in the green Hill Starfield and did not receive anything in return! But it was because I helped them that I was able to obtain these seal scripts and solve the problem in front of me! Otherwise, I can only give up!"

"Yes, you're right!" yes! Tian Peng nodded, " the heavens punish evil and encourage good. It's never wrong to do good!

"Let's go! Let's go through the space gate! The real reward has just begun!" Chen Xiaobei grinned and walked over.

"Chi ... Chi ..."

Chen Xiaobei and Tian Peng were both stunned when they passed through the portal.

The scene in front of them shocked them.

The original mountain wall and stone roof had long been blown to pieces!

The originally flat ground was blasted into a huge bottomless pit!

The entire cave was like the scene of a nuclear explosion, shocking everyone!

However, after a brief moment of shock, they immediately welcomed a huge surprise!

"The large spirit vein is right under this cave!"

Chen Xiaobei calmed himself down and became very excited.

That was because from the bottomless pit, dense and pure spiritual energy was constantly gushing out. It was clear that the source of spiritual energy was right below!

"Let's go! Let's go down!" Tian Peng couldn't wait.

Chen Xiaobei took out the somersault cloud, brought the canopy along with him, and went underground.

At the same time, Chen Xiaobei had already taken out his earth escape Holy gourd and started to absorb spiritual Qi.

At the very bottom, he found the core of the spirit vein!

Originally, this spirit vein was suppressed by an array, and only fairy spirit condensation could control the array to decide whether to release spirit Qi or not.

But now, fairy Ling ning was dead, and the formation was ownerless. The spiritual Qi was out of Chen Xiaobei's control, and he could absorb it as he pleased.

After some time, all the spirit Qi in the spirit vein was absorbed!

The earth escape immortal Gu was finally filled with spiritual energy!

"That's great!"

Chen Xiaobei held the earth escape Holy gourd tightly and said confidently, " "With this great cheat, the Azure Dragon continent is already in my possession!"

"Let's go back then!" Tian Peng was also filled with anticipation.

"No rush!"

what?! Chen Xiaobei said, " don't you remember that there is a treasure hidden in this spirit congealing divine abode?!"

"A treasure?" Tian Peng's expression froze and he said in shock, " "You mean ... Fairy Ling ning's Xumi mustard seed dimensional space?"

"That's right!"

of course! Chen Xiaobei nodded and said, " this Sumeru mustard seed dimensional space is equivalent to the treasure vault of the spirit congealing immortal abode! Didn't tens of thousands of people hunt for treasure for this treasure vault?"

Red Envelope Group of the Three Realms

Chapter 2247: Unexpected Surprise

"Right! You're right! That Xumi mustard seed dimensional space is the treasure vault of the spirit condensation immortal abode!"

Tian Peng nodded and changed the topic, " "But don't get your hopes up! I was caught by the evil ghost and put into the Xumi mustard seed dimensional space. I saw with my own eyes that the things inside were basically destroyed!"

"Yes, I can guess that too!"

I'm not sure! Chen Xiaobei said, " for hundreds of millions of years, those evil spirits must have destroyed everything that has spiritual energy in the Treasury! They can absorb the spiritual energy and maintain the existence of the blue ghost fire. Only then can they capture people!"

yes ... Tian Peng nodded. after all, fairy Ling ning was an ancient Earth level deity. It's been too long!

"But it doesn't matter!" "Even if everything in the vault is destroyed, at least the Xumi mustard seed dimensional space is still there!" If we can collect it, it will be a pretty good harvest!"

"Well said! Let's hurry up and find it!" Tian Peng immediately started to move.

"There's no need to go through so much trouble!"

Chen Xiaobei smiled and took out the five elements Jade from his infinite space ring.

The last time Chen Xiaobei learned the heart-devouring mantra from the prime of Tongtian, he managed to open the Sumeru mustard seed dimensional space after devouring an evil bone demon!

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei willed the five elements Jade to form a glowing ring, and it began to spin.

Using a special method, Chen Xiaobei infused his own spirituality into the five elements Jade, controlling the remaining breath of the Spirit fairy and summoning the Sumeru mustard seed dimensional space!

"Whoosh!"

The next moment, a tiny light spot that was smaller than a grain of sand flew out from a crack in the stone and came right in front of Chen Xiaobei.

This light spot was so small that Tian Peng did not even notice it.

Chen Xiaobei did not see it clearly, but he was able to communicate with the spirit and lock onto the position of the light spot. He was sure that it was the Sumeru mustard seed dimensional space that belonged to the spirit congealing fairy!

After releasing the evil bone ghost, fairy spirit condensation's seal had been removed.

In other words, this Sumeru mustard seed dimensional space had no owner. With the establishment of the spiritual connection, it had recognized Chen Xiaobei as its new owner!

"Let's go! Let's go in and take a look!" Chen Xiaobei activated the Sumeru mustard seed dimensional space.

Just like the verdant Emperor's divine gourd, the Xumi mustard seed dimensional space could also store living people. The condition was that the person being stored had completely lost consciousness, or there was no resistance in his consciousness!

Tian Peng did not resist and followed Chen Xiaobei into the Xumi mustard seed dimension.

"Second senior! As you said, everything here has been destroyed ..."

Chen Xiaobei walked slowly in the medium, feeling a little regretful.

This was a space with a radius of about a thousand meters. Shattered magical treasures, broken spirit stones, and medicinal herbs could be seen everywhere on the ground.

Without a doubt, these things had been destroyed by the evil bone demon.

If these items were in perfect condition, their value would probably be comparable to ten large treasure vaults.

Of course, it was a pity that he was able to take down the Sumeru mustard seed dimensional space. To Chen Xiaobei, it was already a huge gain!

Although the range of the Xumi mustard seed space was much smaller than the verdant Emperor's divine gourd!

However, after obtaining this space, Chen Xiaobei could place his enemies and his family and friends in different spaces.

It was not like before, when the verdant Emperor's divine gourd took in enemies, it could not take in its own people.

Most importantly, the space in the mustard seed was so small that it was almost impossible for ordinary people to discover it! At a critical moment, Chen Xiaobei could hide in this space and avoid any fatal danger!

Other than that, Chen Xiaobei had another bold idea!

He was going to combine the Xumi mustard seed dimensional space, the blood God's deity-killing painting's thousand ghosts formation, and the 9999 evil ghosts of the rotten bone Berserker into a brand-new magical equipment!

Of course, this was just a thought. Chen Xiaobei had no idea how to do it!

But Chen Xiaobei was sure that once this magical item was made, it would be able to defeat all existences below the level of a nine-star earth-god! It was absolutely crazy, cool, and explosive!

"Xiaobei! I've already collected the Meru space, let's go!"

Tian Peng urged worriedly, "you only have less than a day left!" You still have to plan, defeat the enemy, and control the Azure Dragon continent! From now on, you have to race against time!"

"No rush! Let's clean up the trash first, maybe we'll get some unexpected gains!" With a thought, Chen Xiaobei cleared all the destroyed trash out of the Meru space!

He did not expect that there would really be an unexpected surprise under the pile of garbage!

"There are three treasure chests over there!" Tian Peng's eyes lit up and he ran over.

Chen Xiaobei followed her. After a careful observation, he said, " these three treasure chests are all made of six-star earth-god grade metals. Those evil bone ghosts are only five-star earth-god instruments, so they can't open them!

No... Tian Peng said, " when they form a battle formation, they can unleash the power of an eight-star earth-god, which is enough to crush these treasure boxes!

"Second senior! You're so silly!" "The power of an eight-star earth-god can indeed crush the treasure chest!" The problem is that the items in the treasure chest will also be crushed!"

"Uh ... What you said makes sense!"

Tian Peng's expression changed, "those evil spirits still have some intelligence!" Perhaps they knew that the item inside the chest was extremely important, so they didn't destroy it ruthlessly!"

"Come on! Let's see what's inside these three treasure chests!" Chen Xiaobei grinned.

"You have a way to open the chest?" "The twelve wings Golden Cicada isn't with you!" Tian Peng was shocked.

"This time, I don't need the waiter, I can open the treasure chest too!"

Chen Xiaobei activated the five elements Jade again and said confidently, " "This is spirit condensation fairy's treasure chest, so the seal was naturally placed by her! I have the 'key' in my hand, so I can naturally open it!"

"Yes, yes, yes! Quickly open it and let me see what good stuff it is!" Tian Peng's face was filled with anticipation!

"Open!"

Chen Xiaobei activated the five elemental jade and the ring of spiritual light started to spin again.

"Ka! Ka! Ka!"

In the next moment, the locks of the three treasure chests opened automatically!

"Come on! Let me see what's in the first chest!"

Chen Xiaobei opened the first chest and took out a tattered map.

The main point was that this map was very familiar!

Chen Xiaobei then took out another piece of land from his infinite space ring!

When the two maps were pieced together, they actually matched perfectly!

[Red Envelope Group of the Three Realms](#)

Chapter 2248: Shocking Discovery

"Heavens! Xiaobei! Why do you have the other half of the map?"

what? " Tian Peng was shocked. fairy ning Ling is an ancient Earth level deity. These two halves of the map are both ancient items!

yes! Chen Xiaobei nodded and said, " I found this half of the map in beiming Wuji's storage bracelet! The location of an ancient treasure was recorded on it, and it was indeed an ancient item! Beiming Wuji must have gotten it by chance!"

Tian Peng was excited, " the two maps were both broken. Now that we connect them, won't we be able to find the treasure? "

"That's right!"

of course not! Chen Xiaobei grinned. even though the Treasury of the spirit congealing immortal abode was destroyed by the evil bone ghosts, I now have the chance to find an even bigger treasure! It's still a good bargain!

"En!" Tian Peng nodded and said,"it seems like those evil bone ghosts are really smart!" If we forcefully break this chest, the map will be completely destroyed!"

Chen Xiaobei asked, " based on what you're saying, how did the evil bone demon know that there was a map in the room? "

Tian Peng thought for a while and said,"I guess those evil bone ghosts are after these three treasure chests!" Therefore, they killed fairy Ling ning and rushed into the Meru space! I didn't expect that I would be sealed and unable to escape!"

"That makes sense!"

yes! Chen Xiaobei nodded. if we look at the next two treasure chests, we might be able to guess who killed the spirit fairy!

"Then what are we waiting for? Quickly take a look!" Tian Peng couldn't wait.

Then, Chen Xiaobei opened the second chest. There was a piece of black metal inside.

"What is this?"

what? " Tian Peng was stunned and said awkwardly, " it's just a black lump of metal. I can't see anything special about it. It's actually in a chest made from an earth-god item? " Are you kidding me?"

"This isn't a lump of metal!"

this is a seven-star earth-god grade black Rakshasa meteorite metal! Chen Xiaobei said.

"Black Rakshasa metal?" Tian Peng asked in confusion, "What is this?" How do you know it?"

"Ying Zheng's Black coffin was made of this kind of black Rakshasa metal!" Chen Xiaobei explained. Later on, I even found a small iron box made of black Rakshasa metal and there was a piece of weapon Mystic token inside!"

"Ying Zheng's Black coffin? A profound weapon token?" Tian Peng was confused and didn't understand.

'The black coffin was made by Xu Fu to seal Ying Zheng's soul! The mysterious weapon token was an important clue to finding the reincarnation of Daji! There must be some connection between this and this piece of black Luo meteoric iron!"

"Xiaobei! What are you talking about? I'm getting more and more confused ... Tian Peng was dumbfounded and said, " "Xu Fu! Daji! Fairy spirit condensation! They're people from completely different eras, and they can't even be matched up!"

"That's right! The three of them are indeed from different eras!" Chen Xiaobei said, " "But! The dark Rakshasa meteorite is like a clue that connects the three of them together!"

what? " Tian Peng was surprised. so, what do you mean by Xu Fu, Daji, and fairy ning Ling? what other connection do they have? "

"I'm not familiar with fairy ning Ling, so let's put it aside for now!"

"But I know Xu Fu is working for the Jade Emperor!" The Jade Emperor was a servant of the heavenly Lord Yuanshi! Now, he was also a man of the heavenly Lord Yuanshi! You're not unfamiliar with who Daji is, are you?"

"Of course!" Tian Peng said, "little Daji is in the top ten of the" three realms beauty ranking "!" How could I not know?"

pfft ... What the hell is the Three Realms beauty ranking? " Chen Xiaobei was speechless.

"Oh, that was a long time ago!"

" at that time, the Three Realms red envelope group had not been established yet, and Daji had not reincarnated yet. Wei Xiaobao and I made a 'three realms beauty ranking' in private and listed all the beauties we knew!

Chen Xiaobei rubbed his forehead and said, " I can clearly feel that the lecherous second senior brother is back ...

"What's wrong? Am I wrong?" Tian Peng's expression changed slightly. He couldn't help but take out a few spiritual fruits and gnaw on them. As he spoke, he really did feel hungry!

"You're right, little Daji is beautiful, but that's not the point!"

Chen Xiaobei composed himself and said, " "Little Daji is the Fox demon immortal under mother Nuwa! He could be considered a trusted aide of mother Nuwa! The cultivation tribulation was coming, and Xu Fu was also looking for little Daji! What does this mean?"

"It means that the clan of enlightenment wants to find little Daji first and use this opportunity to win over mother Nuwa!" Tian Peng said.

Chen Xiaobei nodded and said, " This was the relationship between Xu Fu and little Daji! Xu Fu must have been ordered by the clan of enlightenment to search for the weapon Mystic token. He wants to find little Daji before I do!"

"Hmm, your speculation makes sense!"

yes! Tian Peng nodded and asked, " but what do Xu Fu and little Daji have to do with fairy ning Ling? "

I don't really understand ... Chen Xiaobei frowned. perhaps the cause of fairy spirit condensation's death can give us an answer!

then let's hurry up and take a look at the items in the third treasure chest! "This might be our last clue!" Tian Peng said impatiently.

"Alright!" Chen Xiaobei slowly opened the last treasure chest.

In the last treasure chest, there was a long sword that glowed with a cold light and emitted a threatening aura!

"What a terrifying baleful Qi ..."

Tian Peng couldn't help but swallow his saliva, " "I'm afraid that no less than 100000 souls have died under this long sword!"

yeah ... Chen Xiaobei nodded. "Only those who have experienced the baptism of a mountain of corpses and a sea of blood would have such a strong baleful Qi!"

your mental state is strong, so you shouldn't be affected. Pick it up and take a look! Tian Peng swallowed his saliva and said.

"Second senior! But you're greedy, lecherous, and cowardly!" Chen Xiaobei did not know whether to laugh or cry.

"I have no choice, this is my nature!"

Tian Peng ate his spiritual fruit and said, " in the past, brother monkey was always the one who took the lead. In the future, it's all up to you!

I ... Chen Xiaobei felt helpless but he did not push the responsibility away. He reached out and picked up the sword.

"How is it? Does it have spirituality?" Tian Peng asked with anticipation.

"Whoosh!"

Before he finished his words, a terrifying whirlwind suddenly burst out from the long sword!

As if fresh blood was being condensed, the whirlwind was dark red and terrifying. Thousands of blood-red skulls appeared!

"Oh my God ... What the hell is this ..."

Tian Peng was so scared that he shivered. He threw down the half-eaten spiritual fruit and ran away.

how ... How is this possible?!

At the same time, Chen Xiaobei held the long sword in his hand and said, "The owner of this sword ... Is actually ..."

Red Envelope Group of the Three Realms

Chapter 2249: The Truth Of History

"Who is the owner of this sword? Xiaobei! You should finish your words! I'm so anxious!"

Tian Peng hid at the side and was anxious. His curiosity had been completely aroused and he couldn't wait to know the answer.

"God of Slaughter! Bai Qi!"

Chen Xiaobei's face was filled with shock. "This is unbelievable! This sword had already reached the level of a six-star earth-god! It even has a spiritual connection with Bai Qi!"

how ... How is this possible?!

Tian Peng's face was filled with shock, "Bai Qi is just a general on earth. How could he have a six-star earth-god instrument? More importantly, this sword still has a spiritual connection, which means that Bai Qi is still alive!"

Bai Qi!

Great Qin's killing God!

He had been in charge of great Qin's military for 30 years and was unrivaled in killing! He had never lost a battle in his life!

According to research, in 30 years, Baiqi had attacked 70 cities and wiped out close to a million enemy soldiers!

It must be known that in the entire Warring States period, the number of deaths in battle was only two million! The number of people who had died because of Bai Qi was more than half!

Hence, the later generations also called Baiqi, a million people killing Lord Wu an!

Of course, the Battle of Changping was the reason for Baiqi's reputation.

In this battle, Baiqi led the Army and killed 50 thousand Zhao soldiers! After the battle, the Zhao Army surrendered, and Baiqi killed 400 thousand of them.

In just one battle, 450000 people had died at the hands of Baiqi!

From then on, the name of the killer god shook the world!

Baiqi had single-handedly intimidated the Zhao and Chu countries, which were the strongest at that time! This would buy great Qin a precious opportunity to develop and completely lay down the foundation for great Qin to unify the world!

"Tell me the truth! I also can't believe that Bai Qi is still alive!"

"According to the historical records, Bai Qi's skills were so great that he was sentenced to death by the narrow-minded King Zhao of Qin. He had already committed suicide!"

"Yeah!"

"Yes!" Tian Peng nodded heavily, "when I was in the heaven court, I heard of Bai Qi's legend. It said that he was long dead!"

that being said, based on the current situation, the history I know and the legends you've heard are all fake!

Chen Xiaobei held the sword with both hands and said, " "Bai Qi is indeed still alive! This was because the sword still contained the imprint of Bai Qi's primordial spirit! The information within is slowly being transmitted into my mind!"

"This ..."

Tian Peng was dumbfounded and couldn't believe his ears, " "Based on what you've said, not only is Bai Qi still alive, he is at least in the primordial soul Stage. At the same time, he possesses a six-star earth-god instrument! If all of this is true, then wouldn't he have long since swept through the earth?"

"I know the answer!"

Suddenly, Chen Xiaobei's eyes lit up. "Bai Qi is actually an ancient Earth level deity from the same era as fairy Ling ning! Moreover, he's an ancient Earth level deity with the blood of the witch race!"

Xiaobei ... Are you kidding me? " Tian Peng was shocked.

"I'm not joking!"

"There's something even more unbelievable!" Chen Xiaobei said. Xu Fu was actually the demon Slayer Starlord! He's a true immortal!"

slaying fiend Starlord??? "

Tian Peng was stunned, "now that you mention it, it does seem a little off!" Fiend-slaying star monarch disappeared from the celestial heavens hundreds of millions of years ago. Legend has it that he went to the ancient Barrens, and no one knows if he's alive or dead. He's never appeared in the celestial heavens again!"

"It's like this ..."

Chen Xiaobei held the long sword in his hand as a stream of information was sent into his mind. back then, Bai Qi was extremely talented. At a young age, he became a four star earth level deity, which is the nascent Soul Stage!

"The heavenly court killed the devil Star Lord and found out about Bai Qi's sorcerer race bloodline by chance! I'm worried that one day, when Baiqi becomes an immortal, he will bring chaos to the heaven realm!"

in addition, slaying fiend Starlord was eager to make a contribution. Therefore, he came down to the mortal world and transformed into Xu Fu. He was prepared to kill Baiqi and then return to the heaven realm to claim his reward!

"When Immortals descend to the mortal world, most of their powers must be sealed! At that time, Bai Qi was a four star earth-god, and Xu Fu suppressed his strength to five star earth-god to crush Bai Qi!"

"Bai Qi's strength is insufficient, and he is being pursued! In the end, Bai Qi had no choice but to abandon his physical body, leaving only his nascent soul to escape from the earth-god Realm!"

Xu Fu did not give up. There are some special places that only nascent soul cultivators can enter. Later, Xu Fu gave up his physical body and used his nascent soul to chase after Bai Qi's nascent soul!

after a long time, Baiqi finally got rid of Xu Fu and hid his nascent soul on earth. He found a new body and lived a normal life!

"Although Bai Qi has been hiding his earth immortal cultivation, his super strength still allowed him to shine brilliantly on earth and win every battle! He quickly became a god of death that made other countries tremble in fear!"

"Bai Qi's reputation was too great, and Xu Fu eventually found out about it! "Xu Fu's nascent soul immediately rushed to earth and found a physical body as well. He was ready to find an opportunity to get rid of Bai Qi!"

"Who would have thought that fate would make a fool of us! Bai Qi was sentenced to death by the narrow-minded King Zhao of Qin! This caused Baiqi to completely lose confidence in the great Qin Empire. He decided to turn the act into reality and killed his own body, allowing his nascent soul to leave earth once again!"

and so, Xu Fu failed to catch Bai Qi on earth. Instead, he witnessed the rise of Ying Zheng, and watched him unify the world and become the Emperor of the ages!

Ying Zheng stopped the war and received a huge amount of merit points from the Three Realms. He became the human Emperor of nine generations and was blessed by the heavenly Dao. The heavenly Dao gave him an immortal pill, which helped him ascend to the gate of heaven and become immortal!

"However, because of his outstanding achievements, Bai Qi was sentenced to death by the king! It was also because of Ying Zheng's great contribution that made the Jade Emperor feel uneasy!"

"And so! The Jade Emperor had secretly ordered Xu Fu to replace Ying Zheng's immortal pills with poison pills! However, Xu Fu was afraid of being punished by the heavens, so he didn't kill Ying Zheng completely. Instead, he used a secret technique to seal Ying Zheng's soul in the black coffin!"

"At the same time, the Jade Emperor was worried that the secret would be leaked, so he forbade Xu Fu from returning to the heaven realm! Of course, in order to appease Xu Fu, the Jade Emperor also gave Xu Fu a lot of benefits in the following years!"

"That's why Xu Fu has always been willing to work for the Jade Emperor! After dealing with Ying Zheng, he continued to hunt down Bai Qi, little Daji, and even did some things that we don't know about!"

Chen Xiaobei took a deep breath. The story had finally come to an end!

"Heavens! I didn't expect that the truth of history would be like this!" Tian Peng couldn't help but exclaim.

that's right ... If not for this sword, I wouldn't even dare to imagine it! Chen Xiaobei said.

"Then, why is this sword in fairy Ningling's hands?" Tian Peng asked immediately.

speaking of fairy spirit condensation, you will definitely be even more shocked!

Chen Xiaobei said, "fairy Ningling was Bai Qi's lover!" When Bai Qi escaped from the earth-god Realm, he personally handed this sword and the black Luo meteorite metal to fairy spirit condensation!"

in that case, the person behind the scenes who killed fairy spirit condensation must be Xu Fu! Tian Peng's eyes focused and he was shocked.

"That's right! Only this sword can help us find Bai Qi!"

Chen Xiaobei nodded and said, "Xu Fu sent the evil ghost to seize the sword! However, the evil bone ghost had been sealed, and Xu Fu was worried that fairy Ningling had hidden a powerful killing move, so he did not dare to set foot in the immortal abode again! That's why the Xumi mustard seed dimensional space has been preserved until today!"

Tian Peng swallowed his saliva and asked nervously, "If that's the case The sword is in your hands, does that mean you can find Bai Qi?"

Chapter 2250: What To Do

"Yes! I can find Bai Qi!"

Chen Xiaobei said, "Bai Qi's Yuanying is in the treasure that was recorded on the treasure map! As long as I bring this 'God slaying sword' and that piece of black Luo metal, I will be able to find Bai Qi!"

"This is amazing!"

Tian Peng swallowed his saliva and said excitedly, "Since Bai Qi is an ancient Earth level deity, the place he is hiding in must be at an ancient level! Maybe it's an ancient immortal ruin, and the things inside are definitely extraordinary!"

"I don't really care about the things inside!"

what's more important is that Xu Fu killed Bai Qi and fairy Ningling! Chen Xiaobei said. As long as I can find Bai Qi, I can make him my ally, and we can go to Xu Fu together to settle the score!"

"Yes, yes, yes!"

yes! Tian Peng nodded. Baiqi had reached the four-star earth-god Realm hundreds of millions of years ago. Now, his strength must have skyrocketed. If we can get him to form an alliance, our bei Xuan faction will be even more powerful!

alright, calm down. Don't think too far ahead. We have more important things to do now! Chen Xiaobei then took out the heaven and earth furnace.

Beiming Jinghong's Blue Moon scimitar was directly returned to the furnace!

The three treasure chests made of six-star earth-god grade metal were all melted!

The heaven and earth furnace already had a large amount of heaven and earth spiritual aura. With the addition of the Furious wave heaven-splitting saber and the items he had thrown in this time, Chen Xiaobei could strengthen the witch Dragon Flame once again!

Once he had refined all the things he had invested in this time, he would be able to upgrade the witch Dragon Flame to a six-star earth-god level!

If he could upgrade the witch Dragon heavenly flame to nine-star earth-god level or heaven-god level, he would be able to refine the earth escape immortal puppet. By then, he would be able to obtain a huge amount of Heaven Earth spiritual aura!

Of course, the earth escape divine gourd still had many uses for Chen Xiaobei. Moreover, the witch Dragon Flame's level was too low for him to refine it!

"Let's go! We will kill our way back to the Azure Dragon continent! Heaven dominating faction! The Jiang family! Be prepared to pay the price!"

Chen Xiaobei packed up all his things and brought the canopy along with him.

.....

The Azure Dragon continent! Heaven dominating faction branch!

Due to Liu xuanxin's mysterious disappearance, the heads of dozens of young disciples were hung in the most prominent places in the sect!

As a result, the tension in the entire sect became even more intense!

In the time that Chen Xiaobei was gone, the hundreds of thousands of heaven dominating faction disciples did not even have time to sleep. He was afraid that he would make a mistake and lose his life!

In the central Great Hall, the group of high-level officials who held power was also immersed in tension every second!

"How did Liu xuanxin disappear?"

Ximen lang had long lost his patience. He said with an irritated face, "If she was taken away by Chen Zhufeng, then there's no point in us sitting here! There's no way Chen Zhufeng would come!"

"Yup ..."

Jiang haoxuan's face was also full of pain. He said awkwardly, " if Chen Zhufeng doesn't come, we'll be sitting here like idiots.

"He will come!"

"I've already arranged for someone to spread the news of Liu xuanxin's death!" Nangong he said. Just this morning, The White Tiger continent, the Black Tortoise continent, and the Vermilion Bird continent had already begun to mobilize their troops. It seemed like they were here to rescue the people! This means that Chen Zhufeng's side doesn't know that Liu xuanxin has disappeared!"

"This ... Is this true?"

Ximen lang was stunned for a moment before he hurriedly said, " "We must immediately close all the teleportation arrays. We must not let their Army come to the Azure Dragon continent! After the Jiang family of Green Dragon was destroyed, the Army has become a pile of loose sand, and they can't resist the attack of the Allied forces at all!"

"Don't worry! I've already calculated this!"

Nangong he had a profound smile on his face, " "All the teleportation arrays in the Azure Dragon continent have been shut down! Only through the Jiang family's Azure Dragon King token could all the formations be reactivated! The enemy's Army can't even get here!"

"That's good ..."

Ximen lang heaved a sigh of relief and asked, " then how do you know that Chen Zhufeng will definitely come? "

"I know this!"

yes! Jiang haoxuan quickly said, " Mr. Canopy said that Chen Zhufeng has a magical treasure called the returning bracelet. It can open a space gate! Maybe Chen Zhufeng has already come to the Azure Dragon continent!"

"Hmph! Does that kid dare to come?"

Ximen lang laughed disdainfully. the three of us have six-star earth-god instruments. Even if he had a hundred lives, it's not enough to kill him!

"Ximen! Don't underestimate Chen Zhufeng!"

Chen Zhufeng? " Nangong he frowned. I heard that beiming Jinghong, who had the Blue Moon scimitar, was killed by Chen Zhufeng!

"Blue Moon scimitar?"

Ximen lang and Jiang haoxuan were both stunned."The six-star earth-god instrument of the beiming family, the Blue Moon scimitar, was defeated by Chen Zhufeng? How ... How is this possible?!"

"This is absolutely true!"

it happened in the ninth level of the starry sea, " Nangong he said in a deep voice. Chen Zhufeng even became the new pill King of the nine Cauldrons! Many forces in the earth-god Realm have started to pay attention to him!"

"This kid is too exaggerated ..."

Jiang haoxuan swallowed his saliva and said in shock, " "When I saw him in the spirit condensing immortal mansion, he was still hiding here and there and didn't dare to confront me face to face! How many days had it been? He could actually kill a six-star earth-god instrument! It's simply unbelievable!"

"Hmph! What's the big deal?"

no! Ximen lang said disdainfully. as long as the Allied forces of the three continents don't come, Chen Zhufeng won't be able to do anything no matter how powerful he is! Don't forget! We still have the "heaven shrouding formation"!"

"Well said!"

Jiang haoxuan sneered disdainfully and said, " as long as the sky shrouding formation is here, Chen Zhufeng is nothing but a piece of trash. He won't be able to survive no matter how many lives he has!

"That's right! this was heaven dominating sect's home ground! How many people in the world would dare to challenge a nine-star earth-god level "heaven shadowing array"?"

Chen Zhufeng! Nangong he narrowed his eyes and sighed. my only worry is that Chen Zhufeng doesn't dare to come! After all, he's not a fool. Why would he come here to die for nothing?"

.....

Three hundred meters underground!

The core of the heaven shadowing array!

"This earth escape immortal puppet is really too useful!"

you're right! Tian Peng was extremely excited. I bet that those idiots from heaven dominating faction don't know that you're right under their noses! He could give them a huge surprise at any time! Oh no! It should be a huge shock!"

"Don't be happy too early!" what do we do with this sky shrouding formation? " Chen Xiaobei asked.

"What else can we do? Just destroy it!"

I'll destroy the core with one punch! Tian Peng circulated his true Yuan and said, " everything will be solved!

"No!"

no! Chen Xiaobei quickly stopped him and said, " this formation is of a very high level! It must have a self-preservation function! If you punch him, you'll be killed instantly by the recoil!"

Tian Peng was stunned, " "What ... What should we do?"
