Chapter 2281: The Second Divine Doctor

"Eh? You're the one who's sick!"

The woman was stunned and glared at Chen.

"Miss! It's all a misunderstanding!"

Tian Peng ran over with a smile, "My Junior brother's brain isn't that good, you must not lower yourself to his level! I'm Tian Peng, can I have dinner with you?"

"Your brain is the one that's not working well!" Chen Xiaobei glared at Tian Peng and said seriously, "Beauty, you're really sick!"

"Crazy! Looking for trouble and coming to me? Are you tired of living?"

The Woman in Black raised her hand and grabbed the hilt of her long saber. She said angrily, "Disappear immediately! Otherwise, I'll chop you two bastards to death!"

so rough ... Chen Xiaobei's face was in pain. "Second senior, have you really thought it through?"

"Owuuu! You're even more charming when you're angry!" Tian Peng said in a low voice, "Xiaobei! Quickly help me! Hurry up ..."

"Second senior! You're also sick! And it's incurable!" Chen Xiaobei rubbed his forehead and chased after her.

"You little brat! You still dare to catch up!"

The black-clothed woman was very fierce and she shouted angrily, "it seems like if I don't teach you a lesson today, you won't know how powerful I, Gao Xiaolan, am!"

Gao Xiaolan!? Chen Xiaobei was stunned. "Do you know Cuilan Gao?"

"I know your second uncle!" Gao Xiaolan shouted angrily, "come to the life and death Ring with me if you dare!" If I don't beat you up so badly that even your own mother won't recognize you, I'll write my name backwards!"

"Young lady! Don't be rash! I have no ill intentions!"

I just want you to take a good look at my second Shixiong! Chen Xiaobei said. maybe you can sense something!

Obviously, second brother had a wife named Cuilan Gao before he followed monk Tang to get the sutras!

At this moment, The Woman in Black was actually called Gao Xiaolan!

Chen Xiaobei was surprised. He even wondered if this was fate.

Just like how song Qincheng was Wu Zetian's reincarnation, this Xiaolan Gao could very well be cuilan Gao's reincarnation!

"Look at your sister!"

Gao Xiaolan said with a look of disgust, "your second senior brother is as perverted as a thousand-year-old virgin who hasn't seen a woman in eight lifetimes!" I didn't feel anything, I only had the urge to give him a big slap!"

"Uh ... I admit that he's very perverted! But other than being perverted?" Chen Xiaobei asked.

"Besides being wretched, he's retarded!"

Gao Xiaolan was extremely disgusted and said, "look at him!" I'm holding half a spirit fruit in my left hand and half a chicken leg in my right hand ... I can't take it anymore, I can't watch it anymore, it's hurting my eyes ..."

uh ... It does look a little ... Chen Xiaobei rubbed his forehead. let's not talk about my second senior brother. Let's talk about your illness!

"You little brat! Don't think that I won't hit you just because you're handsome!" Gao Xiaolan glared at him and said, "I'm very healthy! I'm not sick at all!" You can either disappear or come with me to the life and death Ring! It's your choice!"

Chen Xiaobei said seriously, " You have to believe me! I'm a professional Chinese medicine doctor! I can tell with one look whether you're sick or not!"

are you a Chinese medicine doctor? "

Gao Xiaolan said disdainfully, "I'm a Traditional Chinese Medicine doctor!" Baozhi villa's miracle doctor Gao is my grandfather!"

"Baozhi villa? Divine Doctor Gao?" Chen Xiaobei was stunned. "Isn't he Gao Laozhuang?"

"What Gao Laozhuang? It was baozhi villa! You country bumpkin!" Gao Xiaolan was very feisty. She gave Chen Xiaobei a disdainful look and turned to leave.

Chen Xiaobei did not give up. He chased after her and said, " "Young lady! You're from a family of Traditional Chinese Medicine Practitioners, so you should know a lot about the human body's acupuncture points, right?"

It was obvious that this woman had a great encounter with the canopy great country, and Chen Xiaobei wanted to find out what it was.

"Nonsense! If you can't even recognize the acupuncture points, how can you call yourself a Traditional Chinese Medicine doctor?" Gao Xiaolan said impatiently, "brat!" I'm in a hurry! Can you stop bothering me!"

"How about this!" "Press your left hand on your Baihui acupoint and your right hand on your temple. At the same time, inject your ethereal force!"

"Are you crazy? Why do I have to listen to you?" Gao Xiaolan said in disdain.

yes! Chen Xiaobei quickly said, " just do as I say this once, and my second Shixiong and I will disappear from your sight!

"Good! I'll do it!"

Gao Xiaolan immediately followed Chen Xiaobei's instructions and pressed her finger on the acupuncture point. although my medical skills are not as good as grandpa's, I still have the most basic common sense. The action you just mentioned is completely meaningless!

"Inject true Qi at the same time! You'll know if there's any meaning to it!" Said Chen Xiaobei with a smile.

"You're trying to scare me? I, Gao Xiaolan, don't grow up to be scared!" Gao Xiaolan didn't show any weakness and released her vital essence from both hands.

"Ugh ... It hurts!"

As soon as she released her true Qi, Gao Xiaolan screamed in pain and held her head tightly. "My head feels like it's going to split open ... You little brat! What kind of trick are you playing?"

"Xiaobei! What are you doing! Why did you hurt this lady!" Tian Peng ran over.

"You're a guy who values his lover over his friends!" Chen glared at Tian Peng and said, " "I didn't even touch her, how could I hurt her?"

"Then my head ... Why does it hurt so much? hiss ... Gao Xiaolan grimaced in pain and broke out in a cold sweat.

"Don't move! I'll help you!" Chen Xiaobei said.

"You?" "Forget it ... I'll go back home and ask Grandpa for help ..." Gao Xiaolan was suspicious.

"Young lady! Don't say I didn't warn you!"

"You were fighting with someone and your head was injured!" Chen Xiaobei said. A trace of the enemy's primeval essence has been left in your brain! When you injected your own vital essence, it repelled the enemy's vital essence! It made it restless! At this moment, it is running around in your brain! If you don't get rid of it in time, your head might really explode!"

"You ... How did you know that I was fighting with someone?" Gao Xiaolan asked in surprise.

Chen Xiaobei laughed. you have such a bad temper. It's normal for you to get physical just because you don't like it!

Gao Xiaolan was shocked,"then how did you know that there was quintessential essence left in my brain?" I've been eating at home these past few days, and even Grandpa didn't notice it!"

"To be honest, my medical skills are the best in the heavenly realm ... Oh no!" Chen Xiaobei said. It should be second!"

"Second? Do you think I'm stupid? How old are you to be ranked second in the world?"

Gao Xiaolan frowned and said, 'but since you can tell the cause of the illness, you should really have some skills! I'll believe you this once! I'll let you treat me! Speak! What medical equipment do you need? What medicinal herbs? I have both on me!'

"I don't need anything, just a finger is enough!" Chen Xiaobei chuckled and pointed a finger at Gao Xiaolan's forehead.

"Really?"

Gao Xiaolan had a look of disbelief. "If you can really cure me, I'll believe that you're the second best doctor in the world!"

[Red Envelope Group of the Three Realms](#)

Chapter 2282: Foolproof

"Heavens ... It doesn't hurt anymore! It doesn't hurt at all ..."

After a few rounds, Gao Xiaolan exclaimed, " "Godly doctor! You're really the second Divine Doctor in the world! I believe it! Your medical skills are even better than my grandfather's!"

"Is there a need to say that?" Chen Xiaobei smiled. In terms of medical skills, Chen Xiaobei had never lost to anyone in the heavenly realm.

"By the way, you're only ranked second because you're so powerful? Then who is the number one divine Doctor in the world?" Gao Xiaolan asked expectantly.

"Ladies and gentlemen, I'll make the Grand introductions! The number one miracle doctor in the world is my second senior brother!" Chen Xiaobei grinned and pushed the canopy over.

"Me?"

Tian Peng wasn't stupid and immediately reacted, "That's right! I am the number one miracle doctor in the world! My medical skills are ten thousand times better than my Junior brother's!"

"So you're also a Divine Doctor?" Gao Xiaolan tried her best to hide the look of disdain in her eyes and said politely, " "I've been disrespectful ..."

Tian Peng was instantly overjoyed, "Gu Liang!" If you're interested, you can exchange phone numbers with me. We can have a meal together and talk about life and dreams!"

"If you can do me a favor, I'll exchange phone numbers with you!" Gao Xiaolan said after some hesitation.

"No problem! If you need any help, just say it!" Tian Peng patted his chest and agreed.

"Second senior! Don't just randomly agree to it! I still have important things to do!" Chen Xiaobei reminded her.

it's okay! Gao Xiaolan said to Chen Xiaobei, " if you have something to do, just do it! Your second senior's medical skills are better than yours. With him here, he will definitely be able to solve my problem!"

his medical skills ... Chen Xiaobei wanted to say something but stopped. What did canopy know about medical skills?

Tian Peng was obviously blinded by love and patted his chest, " "Little Junior Brother! You go do your work, don't worry about me, just leave the things here to me!"

"You're not sure?" I advise you not to brag in front of the lady. It won't end well for you! Chen Xiaobei said in a low voice.

"Don't worry! I'm not stupid!" "I will use a delaying tactic until you come back to help me!" Tian Peng said in a low voice.

"What the f * ck! You're really smart!" Chen Xiaobei was speechless. there's movement from Qin Wuxin's side. If you don't leave, I won't have the time to care about you!

"Alright! You go! I'll see you later!" Peng le grinned evilly and wanted to kick Chen Xiaobei out of the room.

"You be careful! He had to install the new phone properly! I'll contact you later!" Chen Xiaobei then left in a hurry.

.....

Nine layers of the starry sea.

In an extremely luxurious Manor, Qin Wuxin successfully met Shen Gongbao.

"Exalted immortal Shen! I really didn't expect you to be sent to the mortal world!" Qin Wuxin sat at the head of the table in the living room. He did not consider himself an outsider at all.

"Yup!"

yes! Shen Gongbao nodded and said, " my Sifu sent me to the mortal world to kill Chen Xiaobei! This is my sect's mission. As long as I can complete it, I will be promoted to a higher rank when I return to the heaven realm, and I will be rewarded handsomely!"

Obviously, Shen Gongbao was not telling the truth!

He told Qin Wuxin that he was here to carry out a mission, but he did not tell him that he had been banished to the mortal world!

If he told the truth, Qin Wuxin would probably get up and leave in a minute!

Fortunately, honored Lord of the origin had sent dipamkara Taoist to support Shen Gongbao in secret!

As one of the Vice leaders of the clan of enlightenment, the lamp-burning Daoist was extremely powerful. As long as he could get rid of Chen Xiaobei without attracting any attention, he would be able to satisfy any request of Shen Gongbao!

The spirit-Slayer divine talisman was given to Shen Gongbao by dipamkara Daoist.

It was also because of the support of Daoist dipamkara that Shen Gongbao barely had the bargaining chips to negotiate with Qin Wuxin.

Otherwise, Qin Wuxin wouldn't have given a damn about Shen Gongbao, a crippled immortal!

"Let's get back to the main topic!"

I'm going to set up a trap. You'll use Liu xuanxin to lure Chen Xiaobei here. Then, we'll catch him like a turtle in a jar. He'll never be able to come back! Shen Gongbao said.

"Exalted immortal Shen!" Qin Wuxin smiled indifferently and said. Don't be so optimistic! Just think about the live broadcast this morning! The million-strong Army was annihilated by Chen Xiaobei with a snap of his fingers! Can your plan really get Chen Xiaobei?"

"Hmph!" Shen Gongbao said disdainfully. That brat had wiped out an Army of a million soldiers by relying on an immortal-level magical formation! As long as he leaves bei Xuan faction, he's just a weakling!"

"Are you sure?" Qin Wuxin laughed.

"I'm sure!" Shen Gongbao nodded. As long as Chen Xiaobei leaves bei Xuan faction, you will be able to kill Chen Xiaobei with the nine-toothed rake and the power of a seven-star earth-god, let alone me!"

Qin Wuxin pursed his lips and said, 'come on! Chen Xiaobei was ten thousand times more cunning than a Fox! I've suffered so many losses at his hands that I can't even count! I don't want to face him head-on without absolute confidence!"

"Qin Wuxin! Why do I feel like there's something wrong with you?"

"Don't you hate Chen Xiaobei?" Shen Gongbao frowned. Why do you keep raising his morale and destroying mine?"

"I hate Chen Xiaobei!"

of course not! Qin Wuxin smiled. but it's a fact that Chen Xiaobei is very strong! I hope that your plan is foolproof before taking action, am I right?"

"I haven't told you my plan yet! How do you know it's not foolproof?" Shen Gongbao said with a frown.

"Actually, I'm not interested in your plan at all. I have a foolproof plan myself!" Qin Wuxin shrugged.

"Speak!" Shen Gongbao pricked up his ears.

Qin Wuxin grinned and said, " go and tell your master to improve my cultivation to the peak of the earth immortal realm. Then, improve the power of the nine-toothed rake to the heaven immortal realm! Then, I'll use Liu xuanxin to lure Chen Xiaobei here. Even if he has ten thousand lives, he'll still die!"

Hearing this, Shen Gongbao's face turned black and he said angrily, " "Qin Wuxin! Do you think I'm an idiot?"

"No, I didn't! Immortal Shen is very smart!" Qin Wuxin smiled innocently.

Shen Gongbao's face was full of anger, and he said sternly, " "You keep saying that Chen Xiaobei is good! It's all for the sake of getting benefits from me and making you stronger! Do you think you can lie to me?"

"Exalted immortal Shen!" Qin Wuxin laughed. I swear, I'm not lying to you! If you follow my plan, in all fairness, do you think you can kill Chen Xiaobei?"

this ... Shen Gongbao was stunned and speechless.

In fact, if Qin Wuxin had really reached the peak of a nine-star earth-god, and the power of the nine-toothed rake had been raised to the level of a divine-God, he would definitely be able to kill Chen Xiaobei. Even if Chen Xiaobei was hiding in bei Xuan faction, he would still be dead!

"How is it? Is exalted immortal Shen tempted?"

Qin Wuxin smiled and said, " my plan is absolutely foolproof! Exalted immortal Shen, promise me that we'll kill our way into bei Xuan faction! He killed Chen Xiaobei's parents and toyed with Chen Xiaobei's woman! Just thinking about it makes me feel so good!"

[Red Envelope Group of the Three Realms](#)

Chapter 2283: Invincible Bull Lice

No... I can't agree to this ...

Shen Gongbao shook his head and said,"my master is powerful, but there are rules in the family and in the heavens!" If it's a request that will break the balance of the human world, my master will never agree to it!"

Obviously, after the winter solstice festival, the heavenly Lord Yuanshi had already suffered a great loss. Even if he asked the lamp-burning Daoist to help Tian Peng, he would not dare to do as he pleased.

Besides, sect master Tongtian was watching them!

If the primeval Lord of heaven were to go overboard, sect leader Tongtian would definitely have countermeasures in place. By then, he might not be able to kill Chen Xiaobei!

On the contrary, it was possible to alert the Dao ancestor again, and the other heavenly path sages would reap the benefits without doing anything!

"Why don't you ask your master first? what if he agrees?" Qin Wuxin said, unwilling to give up.

Shen Gongbao shook his head decisively and said,"impossible!" If my master could agree, wouldn't it be fine if he directly helped me increase my strength? Why would I still need to find you?"

Obviously, all of Shen Gongbao's cultivation had been wiped out by Dao ancestor, and he was now a weakling. If he could really improve his cultivation to the peak of nine-star earthly immortal, Shen Gongbao would have fought him himself!

alright ... Qin Wuxin was a little disappointed."Then let's try your plan first ..."

I'll make the plan. Just bring Liu xuanxin here! Shen Gongbao nodded.

"No! Liu xuanxin is my most important trump card! I won't hand it over so easily!"

no! Qin Wuxin refused. to be honest, if I lose Qin Wuxin, I'll lose the thing that can threaten Chen Xiaobei. I'll also lose the bargaining chip to negotiate with you! It's no exaggeration to say that Liu xuanxin is even more important than my life!"

if you don't hand over Liu xuanxin, how am I supposed to lure Chen Xiaobei here? " Shen Gongbao said unhappily.

"Simple!"

I'll give Chen Xiaobei a call, " Qin Wuxin said. even if he knows it's a trap, he'll come!

"Are you sure?" Shen Gongbao said with a frown.

"I'm sure!"

Chen Xiaobei knows that Liu xuanxin is in my hands! Qin Wuxin said. my words are like an imperial edict to Chen Xiaobei!

"Good! Then it's settled!" yes! Shen Gongbao said seriously, " the time will be in three days. I will inform you of the location in advance!

"No problem! I promise that Chen Xiaobei will be there in three days!" Qin Wuxin raised his eyebrows and said playfully, " Exalted immortal Shen! I'm very curious, you've come to the mortal world alone, and you're unfamiliar with the people and the place, so what right do you have to set up a dead end?"

"Who told you I'm not familiar with this place?"

Shen Gongbao laughed,"I have many followers in the human world and I have my own orthodoxy!" Under my orthodoxy, there are more than a hundred sects that regard me as a God! It's not hard for me to set up a trap. As long as you can lure Chen Xiaobei here, everything is fine!"

"Awesome!" Qin Wuxin could not help but swallow his saliva. He felt from the bottom of his heart that Immortals were extraordinary.

There were countless religions in the world, and it could be said that hundreds of schools of thought were competing for it, and Ten Thousand Flowers were blooming!

For example, Taishang Laojun's tribe of humanity, honored Lord of the Origin's tribe of enlightenment, and sect leader Tongtian's tribe of severity were three independent sects on the surface, but in the end, the orthodoxies of the three religions all came from the same source, from the orthodoxy of the great ancestor!

Shen Gongbao also had his own orthodoxy!

Those who believed in Shen Gongbao would follow his spirit, learn his skills, and inherit his history!

Under such a system, the sect that was established would be the sect that would inherit Shen Gongbao's orthodoxy!

In fact, the four continents of the earth-god Realm were four different orthodoxies!

Videha was part of the Daoist orthodoxy! Aparagodaniya was a Buddhist orthodoxy! The northern kuruzhou was the orthodoxy of the demon race!

Only the Nanzhan state was special, with all kinds of orthodoxies and sects.

As a result, in order to spread their own orthodoxies and attract more believers, conflicts and disputes often broke out between different religions!

The sects that inherited Shen Gongbao's orthodoxies were mainly concentrated in the Nanzhan state!

As a small branch of Taoism, Shen Gongbao's orthodoxy was actually very small. However, the earth-god Realm was very large!

When the forest was big, there were all kinds of birds!

Among hundreds of millions of sects, it was not strange for more than 100 of them to believe in Shen Gongbao!

By the same logic, almost all of the famous Immortals in the heaven realm had their own orthodoxies in the human realm. For example, there were sects that believed in God Erlang, sects that believed in the sea Dragon King, and even sects that believed in the fairy Chang 'E!

When they arrived in the earth immortal world, these sects would make their grand entrance!

In the winter solstice festival, the earth immortal chosen by each group member will go to the sect that inherits their orthodoxy! Starting from a one-star earth level deity, he had to cultivate hard and strive to return to the heaven realm as soon as possible so that he could play a role in the immeasurable cultivation tribulation!

.....

Three layers of the starry sea.

Chen Xiaobei was sitting under a big tree, listening attentively. He could guess what Qin Wuxin and Shen Gongbao were thinking.

Because the knowing heart Gu could only hear Qin Wuxin's voice, Chen Xiaobei could not hear Shen Gongbao's words at all. He could only guess!

Qin Wuxin will call me three days later. He wants me to go to Shen Gongbao's place and walk into his trap!

Shen Gongbao knew that I have the ultimate skill, infinite sword formation! He would definitely think of a way to deal with it! Therefore, I must prepare a new trump card in these three days! We'll kill him when he's least expected!"

Chen Xiaobei quickly checked his infinite space ring.

The eleven red packets from the winter solstice festival had not even been opened yet. If Chen Xiaobei wanted a new trump card, the best way was to find one from these red packets!

"First of all, excluding master's blood bodhi seed, goddess nüwa's Sumeru fusion method, and Taishang Laojun's Jade face pill formula, these things are definitely not useful ..."

I don't think so. Chen Xiaobei said, " Lan Caihe's mystical wood, Ksitigarbha Bodhisattva's cold Jade of the netherworld, Golden-winged ROC's golden feathers, Yun Zhongzi's rainbow clouds ... These are all materials. I don't think they can be used in battle!

"There's also Guan Yin Bodhisattva's Jade bottle of dew, this is an amazing treasure! Back then, when Monkey King defeated the Zhen Yuan immortal's ginseng fruit tree, he used the purified bottle of jade dew to restore the ginseng fruit tree! You can't use this raindrop recklessly!"

"Besides, Shen Gongbao knows about your high-tier prosperous monkey fur, so he will definitely take precautions! You can't be my trump card!"

"In this case, only the invincible bull lice of the Bull Demon King are left!"

Chen Xiaobei quickly checked the introduction.

[invincible bull lice: lice from the Bull Demon King's body!] He grew by drinking the blood of the Bull Demon King! He had a huge appetite and was happy without blood! [do you wish to extract?]

"What the f * ck! They're really lice!"

'Bull Demon King is such a Joker! He actually grabbed the lice on his body and gave them red packets, so f * cking disgusting! Let's just set them free!"

"Something's wrong ..."

Chen Xiaobei was about to release the invincible bull lice, but he suddenly hesitated.

"My luck was off the charts at the winter solstice festival! The red envelope I snatched must contain something I need! And it's definitely something good!"

"I'm afraid that this invincible bull lice may have other uses!" Chen Xiaobei said. I need to do more research!"

[Red Envelope Group of the Three Realms](#)

Chapter 2284: Ten Minutes

"Let's extract it first! If it's something good, it'll be a pity to let it go!"

Chen Xiaobei then took out the demonic bull King's invincible bull lice from his treasure chest.

It was a brown worm the size of a sesame seed. It looked like a flea on earth.

Just a moment ago, Chen Xiaobei had thought that Bull Demon King was too stingy to give out treasures as red packets, and that he was just picking out lice from his body to make up for the number.

But now, after a simple spiritual communication, Chen Xiaobei realized that the reason this louse was called the invincible bull louse was because it contained a very strong spiritual and special ability!

in the heaven realm, the cultivation of the Bull Demon King is probably comparable to that of a high-level immortal. This lice grew up drinking the blood of the Bull Demon King, which is equivalent to drinking the blood of an immortal!

this is ... Chen Xiaobei was excited. if it was a normal person, this little louse could probably suck dozens of people dry in one breath! The point is, any body below the heavenly immortal stage can not withstand its teeth!"

"If I can throw this invincible bull lice on Shen Gongbao's body, I'm afraid he will be sucked dry instantly! Even if Shen Gongpao is wearing a nine-star earth-god level armor, it's useless!"

"I knew it! My luck is off the charts, I definitely won't be able to get a trash red packet! As long as I managed to snatch it, it's definitely something good. Furthermore, it's definitely useful to me!"

Chen Xiaobei was ecstatic as he held the sesame-sized cow lice in his hands.

"Master! Don't be too happy yet!"

After the spiritual connection, the invincible bull lice had become Chen Xiaobei's spiritual beast and regarded him as its master.

The invincible bull locket replied seriously, " although I'm very good at sucking blood, I usually hide in the demonic bull King's hair. My defense is extremely weak! Even an ordinary person can easily crush me to death!"

"I understand ..."

that's right! Chen Xiaobei nodded. which means that if I want you to suck someone dry, I'll have to throw you onto that person's body without anyone knowing!

"Yes, I am!" 'As long as I'm not discovered, I can drain an ordinary person dry in five seconds! But if I'm discovered, I'm afraid I'll only be left with a dead end!"

"Understood!"

yes! Chen Xiaobei nodded. I happen to have a magical item that can get close to the enemy without them knowing!

"What is it?" The invincible bull locket asked curiously.

it's the Nightstalker outfit ... "However, this magic weapon was damaged in the spirit condensing immortal mansion. If I want to use it, I have to repair it first!"

Although the invincible bull locket was small, it was not stupid. It said worriedly, " this Nightstalker outfit is very powerful. I'm afraid it'll take a lot of high-grade materials and time to repair it, right? "

"Time is not a problem!"

the enemy's plan is in three days. As long as the materials are in place, I'll be able to repair the Nightstalker outfit in two days! Chen Xiaobei said.

"No way! It can be repaired in two days? This speed is unbelievable!" The invincible bull lice said in disbelief.

"You know the sunlight cache, right?" "As long as I can gather all the materials I need, I can make a new magical item in time!" Chen Xiaobei said.

even if you have the sunlight cache, " the invincible bull lice said worriedly, " where are you going to find the materials in just two days? "

I've already obtained the most important material to repair the Nightstalker outfit during the winter solstice festival yesterday!

I didn't know what to use this material at first, " Chen Xiaobei said with a smile. but when we talked about the Nightstalker outfit, I suddenly realized that this material is perfect!

I still need some supplementary materials. They're not of high grade, but I believe my friend can help me get them easily!

Chen Xiaobei quickly called Hua hanyue and Yan Qingyu's phones and asked them to help him find the materials.

It was needless to say that Hua hanyue had her own sect in the nine Star seas, and her ability to collect information was extremely strong. It was absolutely easy for her to find some low-level materials.

As the young master of the Yan clan, Yan Qingyu had already made a name for herself in the nine tripod Royal City with her extremely high talent in alchemy, even though she was a woman.

One had to know that the greatest advantage of an Alchemist was that they had a wide network!

There were both good and evil paths, people from all walks of life, and anyone who needed pills would seek help from an Alchemist!

With the Yan family's connections, it would be a piece of cake for them to help Chen Xiaobei find some of the supplementary ingredients!

As expected, after the call, the two women agreed to Chen Xiaobei's request. He also promised that he would find all the materials for Chen Xiaobei within a day!

"It's done!"

alright! Chen Xiaobei grinned. next, I just need to get to the ninth level of the starry sea, gather the materials, and repair the Nightstalker outfit. With the invincible bull lice! No matter how many people Shen Gongbao brings, I will accept them all!"

After finalizing the plan, Chen Xiaobei used the portal to rush to the ninth level of the starry sea.

Everything went smoothly at the beginning. In just a few minutes, they arrived at the eighth level of the starry sea.

However, when Chen Xiaobei was about to go to the ninth level of the starry sea, it was destroyed.

"Little brat! Your cultivation base is only at the eight flames God-refining stage. Unless you have a power from the upper plane to guide you, you are not qualified to go to the nine Star seas!"

The one in charge of the teleportation array was the law enforcement team of a main city on a planet in the eighth level of the starry sea.

The team leader was a middle-aged man with a pointed mouth and ape-like cheeks. He looked very wretched, but his cultivation had already reached the primordial soul realm. He was a genuine one-star earth-god!

When he released his essence soul domain, the captain could instantly confirm whether this person was qualified to enter the nine layers of the starry sea!

This was because the primordial spirit domain could spy on the cultivation of people who were of lower realms than themselves!

Therefore, the team leader stood at the entrance of the teleportation portal and allowed everyone who had reached or surpassed the nine flames God-refinement realm to pass through! Otherwise, they would not be qualified to enter the teleportation portal!

"I have a friend in the nine layers of the starry sea. Her name is Hua hanyue! She was the one who took me to the nine Star seas last time!"

"Bro Captain, please make an exception!" It saves me the trouble of asking her to make a special trip, it's too time-consuming!"

"Hua hanyue?"

The captain was stunned for a moment, and a hint of hostility suddenly appeared in his wretched eyes. He said indifferently, "Brat, you can either get lost! Or, let Hua hanyue come down to pick you up personally! Otherwise, don't even think about getting past me!"

Chen Xiaobei was not stupid. He narrowed his eyes and asked, "Brother, do you have a grudge against Hua hanyue?"

"You're right!"

"I'm not only the captain of the law enforcement team in this main city, but I'm also a disciple of the Grand cloud Palace!" The captain sneered. Do you think I'll make an exception for you?"

"Heh, it doesn't matter if you don't make an exception!" Chen Xiaobei shrugged and said, " give me ten minutes. I'll break through to the nine flames God-refining realm and come back to find you!

A dozen minutes?

Everyone was shocked by his words.

[**Red Envelope Group of the Three Realms**](#)

Chapter 2285: Breaking The Rules

"Little bastard! Do you think I'm an idiot? Wait for you to break through to the nine-flame God-refining stage in ten minutes? Do you think that breaking through realms is like eating, drinking, and sh * tting? He was really stupid! Hahaha ..."

The captain laughed in disdain. He would never believe that Chen Xiaobei could break through from the eight-fire god-refining level to the nine-fire god-refining level in just ten minutes.

The crowd started to laugh at Chen Xiaobei as they looked at him as if he was an idiot.

Chen Xiaobei did not even bother explaining and turned to leave.

.....

"Whoosh!"

After finding a place where no one was around, Chen Xiaobei used his mind and a tiny speck of light that was smaller than a grain of sand flew out from the gap in his shirt!

This light spot was so tiny that it was almost impossible to distinguish it with the naked eye!

Even Chen Xiaobei could not see it clearly.

Luckily, there was a spiritual connection between Chen Xiaobei and the tiny light spot. With his consciousness, he could lock onto the light spot!

That's right! This tiny dot of light was the Xumi mustard seed dimensional space left behind by fairy Ling ning!

Now, Chen Xiaobei had established a spiritual connection with the Sumeru mustard seed dimensional space and was its new owner!

"Swish!"

Chen Xiaobei then put himself into the Meru space!

This space was similar to the verdant Emperor's divine gourd in that it could store living people and allow them to move freely in it!

Although this mustard seed dimensional space was only a thousand meters in size, it was hundreds of millions of times smaller than the verdant Emperor's divine gourd that could accommodate stars!

However, the biggest advantage of the Xumi mustard seed dimensional space was that it was not easily discovered!

If he entered the verdant Emperor's divine gourd, the treasure would be exposed to the world! If he was discovered by others, it would definitely bring him a lot of trouble!

However, he didn't have to worry about this problem in the Xumi mustard seed space!

Now that Chen Xiaobei had entered the Meru space, it was almost impossible for others to notice its existence!

To Chen Xiaobei, this was also a form of insurance!

After that, Chen Xiaobei took out the verdant Emperor's divine gourd and put himself inside it!

Without a doubt, the only way for Chen Xiaobei to break through in less than ten minutes was to use the sunlight cache's time-acceleration ability!

Right now, there were nine other elders from heaven dominating faction's thousand tribulation branch, including Shi tuqiang, in the verdant Emperor's divine gourd!

Out of the nine people, three of them only had a little bit of life left!

The remaining six people were definitely more than enough to activate the sunlight cache!

Without hesitation, Chen Xiaobei called out to one of the elders who still had some life left and activated the sunlight cache's special ability.

At the same time, Chen Xiaobei took out a large number of high-grade spiritual stones and activated his rapid cultivation mode!

During the cultivation process, with the three-star earth-god level Raven King guarding the place, Shi tuqiang and the others would not dare to make any moves.

Of course, even if the devil Crow King wasn't here, Shi tuqiang and the others wouldn't act rashly.

one had to know that the heaven dominating faction elders were all supposed to die! Thanks to Chen Xiaobei's kindness, they were able to keep their lives!

To them, this was already a huge favor!

As long as they were obedient and did what Chen Xiaobei asked them to do, Chen Xiaobei would let them go!

Because of this, although they had guessed that activating the sunlight cache would bring them harm, compared to their lives, this kind of harm was completely acceptable!

So, they gave up on resisting and cooperated with Chen Xiaobei!

.....

"Phew ..."

After a while, Chen Xiaobei slowly opened his eyes. His dark eyes were filled with excitement.

"It's done! I've successfully reached the nine flames God-refining stage! Combat strength increased by 141600 points! Your lifespan has been increased by 3000 years!"

[ding Yingluo's cultivation base: God-refined nine flames, lifespan: [13500 years, physique: 5900000, combat power: 5500000!

"The best part was that I only cultivated for less than twelve minutes! Under the effect of the sunlight cache, it's equivalent to less than twelve days!"

that's right! Chen Xiaobei calculated. based on 24 hours a day, my combat power can only increase by 28320 points!

"However, my latest choice is the level four heavenly Dao cultivation Halo! On top of my cultivation results, I can increase it by another 400%! It was equivalent to five times! It's simply awesome!"

Chen Xiaobei was extremely excited.

This heavenly Dao reward was simply a super cheat. With the same amount of time and spiritual energy, the cultivation effect was five times that of others!

Are you afraid?

"Of course, if we count the spiritual Qi consumption, it's quite a lot this time!"

"141600 high-grade spiritual stones!" Chen Xiaobei said. Fortunately, I have a lot of spirit stones now. If it was in the past, I would've been pained by such a large consumption ..."

After deducting the cost, Chen Xiaobei still had more than 10850000 upper spiritual stones in his Treasury.

Even in the earth-god Realm, Chen Xiaobei would definitely be a rich man!

but then again, although this breakthrough was smooth, it was only a small breakthrough ... The real problem is what comes next!

that's right! Chen Xiaobei frowned. going from the God-refining stage to the primordial spirit stage is a huge breakthrough! It's the leap between 'human' and 'immortal'!

in the past, with the skybreaking cultivation pill, it was easy for me to break through to the next realm. But this time, I can only rely on myself to break through!

"Fortunately, master said that I would have a great opportunity! When the opportunity arrives, I will naturally break through!"

that's great! Chen Xiaobei said expectantly, " by then, I'll be able to break through the peak of God-Ascension to 5.5 million combat power and reach 10 million combat power in the primordial spirit realm! Moreover, his lifespan would also increase greatly! Just thinking about it makes me super happy!"

After that, Chen Xiaobei left the verdant Emperor's divine gourd.

Then, he left the Meru space.

With the extra layer of protection of the Meru space, Chen Xiaobei's whereabouts were even more secretive, and no one could detect him.

.....

why are you here again, kid?!

At the teleportation portal, the team leader said with disdain, " I've made myself very clear. You can either ask Hua hanyue to come and pick you up, or get out of my sight!

"I don't need Hua hanyue to come and pick me up!" Chen Xiaobei shrugged and said, " I'm already qualified to ascend to the nine Star seas!"

"Numbing! Are you tired of living, kid?"

"The teleportation qualification is a rule set by many powerful beings in the earth-god Realm!" The captain shouted angrily. You're not qualified to barge in, so you'll be sentenced to death!"

Obviously, the captain did not believe that Chen Xiaobei could break through, so he did not release his primordial spirit realm to check on Chen Xiaobei's cultivation!

Chen Xiaobei smiled and asked, " then, if you break the rules, what should you do? "

[Red Envelope Group of the Three Realms](#)

Chapter 2286: Zhufeng Zhenren

"Little bastard! I'm afraid you're a lunatic!"

"You're the one who broke the rules!" The captain cursed. I'm the captain of the law enforcement team, how could I break the rules?"

what if I've already reached the nine-fire god-refining level? " Chen Xiaobei asked. if you don't let me through the portal, wouldn't that be breaking the rules? "

"F * cking retard!"

The captain cursed, "you just came here ten minutes ago!" I can clearly see that you're in the eight fires God-refining realm! It's only right and proper for me to ban you from passing through!"

"What's going on? It's so noisy!"

At this moment, a middle-aged man in luxurious clothes and with a strong official aura walked over.

"City Lord! You've come just in time!"

The captain's eyes brightened and he quickly went up to him, saying, "That little rascal is not qualified to enter the nine levels of the starry sea, but he wants to force his way into the transmitting formation. I'm just about to arrest him and execute him!"

"What?"

The city Lord's expression froze, and he frowned, "There's actually such an idiot who's not afraid of death in this world? The rules of the earthly calamity in the starry sea were set by the earthly Immortals. Anyone who dared to violate them would be sentenced to death! There's no need to talk nonsense with him, just capture him!"

"Yes, sir!"

The captain's face was full of pride. He channeled his ethereal force and approached Chen Xiaobei. "Little bastard! You've already committed a capital crime! This old man will personally execute you! I'll crush your head! I'll feed your corpse to the dogs!"

"Is that so?" Chen Xiaobei also activated his ethereal force.

"Hmph! You're really an idiot! You're at death's door and you still want to resist?"

The captain sneered, "I've already reached the one-star earth-god Realm!" And your cultivation base is only ... Huh? Your true core strength has reached the nine flames God-refining realm? How ... How is this possible?!"

"Pa!!!"

Before he could finish his sentence, the city Lord directly slapped the captain's face and shouted angrily, "You idiot! This young man's cultivation has already reached the nine flames God-refining stage. What right do you have to stop him from going to the nine layers of the starry sea?"

I ... the team leader was dumbfounded. I clearly saw through his cultivation just now. He's only at the eight-fire god-refining stage ... How did he suddenly become a nine-fire god-refining stage in the blink of an eye ...

"Bullshit!" The city Lord shouted angrily. How difficult was it to break through a realm? No one in the world can break through in the blink of an eye!"

I ... I'm telling the truth ... the captain wanted to cry but had no tears.

"You don't have to explain!"

"The rules of the starry sea are set by the earth Immortals!" The city Lord shouted angrily. Today, you broke the rules in front of everyone. I will never forgive you. Otherwise, if this matter gets out, I will be punished by the higher-ups!"

"Spare me! City Lord, please spare my life ..."

"I'm a disciple of the Grand cloud Palace!" The captain quickly replied. It was the ninth young master of the Jiang family who arranged for me to work here! City Lord, please spare my life for the sake of Buddha!"

"What?"

The city Lord's expression froze, and he asked nervously, "You ... You really work for the ninth young lord?"

"It's true! It's absolutely true!"

The captain heaved a sigh of relief and said, "I have the token of the Grand cloud Palace with me. I can also contact the ninth young master's followers!" It's enough to prove my identity!"

if that's the case, I'll spare you this time for the sake of the ninth young master ... the mayor frowned slightly, obviously afraid of offending the ninth young master of the Jiang family, so he could only admit defeat.

"City Lord, you are afraid of the Jiang family, but aren't you afraid of me?" Chen Xiaobei stepped forward and took off his mask.

"You ... You are ..."

The city Lord was stunned! The captain was stunned! All the onlookers were stunned!

Oh my God ... You ... You're Chen Zhufeng ...

The team leader gasped, his pupils contracting uncontrollably. His body trembled violently, and his crotch became wet. He had peed!

As a disciple of the Grand cloud Palace, the captain had heard of Chen Zhufeng's rumors.

Fight against the heavenly demons and evil ghosts! Insta-killed beiming Jinghong! He would turn Jiang haoxuan into ashes! annihilate Nangong he, Ximen lang, and 50000 heaven dominating faction disciples!

Every single one of these events had shaken the entire earthly calamity Star Ocean!

In the eyes of the captain, who was just an ordinary disciple of the Jiang family, Chen Zhufeng was like a demon. His expression would change at the mere mention of Chen Zhufeng!

Seeing Chen Zhufeng in person, the captain was so scared that he peed like rain.

you're ... You're master Zhufeng from bei Xuan faction?!

The city Lord cried out in shock and couldn't help but swallow his saliva. His legs went soft, and he actually knelt down, "Greetings, master Zhufeng!"

Obviously, the castellan had called Chen Xiaobei 'master Zhufeng'!

This meant that even if the city Lord didn't see the live broadcast at bei Xuan faction this morning, he must have heard the details!

At the same time, the surrounding crowd exclaimed in shock when they saw the city Lord kneeling.

"Quickly look! That young man was the leader of bei Xuan faction, Chen Zhufeng! I saw the live broadcast this morning! It's him!"

"What kind of sect is bei Xuan? I've never heard of this before ..."

"Bei Xuan faction didn't have much of a reputation before! However, from today onwards, more and more people would know about bei Xuan faction! They even cried and begged to join bei Xuan faction!"

"Why is that?"

"I won't mention anything else! Just this morning, the master of bei Xuan faction had rewarded his disciples with hundreds of one-star earth-god instruments! He gave his friends a dozen three-star earth-god instruments! His parents, who had no cultivation at all, gave him a four-star earth-god instrument! The three great guardians had even given each of them a six-star earth-god instrument! With this Foundation, bei Xuan faction is comparable to the forces of the earth-god Realm!"

"Can bei Xuan faction be compared to the sects in the earth-god Realm? In that case, Zhufeng Zhenren would be on the same level as the Jiang family's patriarch! No wonder even the city Lord has to kneel to pay his respects!"

This was the nine Star seas of the earth tribulation, and some of the people here didn't know about bei Xuan faction.

However, after some of the insiders' introductions, almost everyone was shocked. They remembered the name 'Bei Xuan' faction in their hearts and warned themselves never to offend the people of Bei Xuan faction!

"I keep feeling that something is strange! How old is this Chen Zhufeng? How could he be in charge of such a powerful sect?"

"Don't talk nonsense if you don't understand! Although Zhufeng Zhenren was young, he was a tough man! He killed decisively! He's no worse than those old monsters who have lived for thousands of years!"

Just this morning, the heaven-dominating faction, Jiang family, Beiming family, Ximen family, and Nangong family, the five major forces 'million-strong Allied forces, were all killed by Zhufeng's spiritual master!

"No way? One person killing a million people! Moreover, the people he killed were all from the major forces! It's simply crazy and cool!"

"Nonsense! This incident has caused a sensation in the sea of stars. Even the earth-god Realm has begun to pay close attention to this Zhufeng Zhenren!"

The crowd started to discuss among themselves and engraved the name 'Chen Zhufeng' in their hearts. They did not dare to show any disrespect!

"Zhufeng Zhenren ..."

"This is an incident today. How do you plan to deal with it?" the city Lord asked respectfully.

Chen Xiaobei looked at the captain, who was scared out of his wits, and said, "Wasn't he going to stomp on my head and feed my body to the dogs? I'm returning the favor, that's not too much, right?"

No... Not too much... the city Lord swallowed his saliva, and said awkwardly, "However, this guy has the ninth young master of the Jiang family behind him ..."

Hehe! I don't even care about the entire Jiang family. Why would I care about a mere ninth young master Jiang?" Chen Xiaobei laughed.

[Red Envelope Group of the Three Realms](#)

Chapter 2287: Exploding With A Single Kick

"So domineering! As expected of master Zhufeng! Although he's young, his domineering aura is definitely not inferior to that of a formidable person!"

"Yup! He didn't even care about the entire Jiang family! Even in the Nanzhan state, he'd be considered a top figure with such courage!"

"Zhufeng Zhenren is indeed domineering, but it's strange. Why is he only at the nine flames God-refining stage? Although his cultivation isn't low, it doesn't match his status at all!"

"You're right! The nine flames refining God was considered very strong for ordinary people! However, to the Jiang family, it's pitifully weak ... Master Zhufeng, aren't you being a little too pretentious by saying that you don't respect the Jiang family at all ..."

The crowd was in a heated discussion. While they were impressed by Chen Xiaobei's domineering attitude, they were also very surprised.

How could a young man at the nine-fire god-refining stage become the world-renowned Zhufeng Zhenren? And on what basis did he not put the entire Jiang family in his eyes? It was simply unbelievable!

Hearing the discussion around him, the castellan was also curious about Chen Xiaobei's strength. since master Zhufeng wants to kill this idiot, please enter the life and death Ring ... I'll be able to answer to the Jiang family if they ask about it in the future!

"Life and death Ring?" Chen Xiaobei frowned.

One had to know that the rules of the life and death Ring were that no one was allowed to use magical treasures. One could only fight with one's own strength.

Chen Xiaobei's cultivation was a whole realm lower than the captain's. Without using his magical equipment, he would have to rely on the witch Dragon Flame to win.

However, if Chen Xiaobei could not win with his own strength in front of so many people, it would be embarrassing.

Seeing Chen's hesitation, the captain perked up and said, "I want to enter the life and death Ring! If you, Chen Zhufeng, want to kill me! Then go to the life and death Ring and kill me!"

The captain could clearly see that Chen Xiaobei's cultivation level was at the nine-fire god-refining level.

That was why the captain was so confident that he could kill Chen Xiaobei once he was in the life or death Ring.

"What's wrong? You don't even dare to accept a challenge from a nobody like me?"

The captain thought that Chen Xiaobei would not agree to it, so he sneered, "It seems like you, Chen Zhufeng, don't deserve your reputation! You don't even dare to enter the life and death Ring, and you dare to be the Jiang family's enemy? He was really puffing his own face up! You're so stupid!"

"Bang!"

At this moment, a 45-yard foot kicked out! The speed was extremely fast! It was extremely powerful!

With a loud explosion, the captain's head exploded!

"Pfft ..."

Blood and brain matter splattered everywhere. The headless body of the male Captain fell to the ground, causing the scene to erupt with a series of gasps!

"Who is that bald man? He was too ruthless! It's too bloody ... Too violent ..."

"It's not just ruthless! And it was very crazy! In front of the city Lord, he kicked a person's head and exploded it. He doesn't put the city Lord in his eyes at all!"

"I know him! He was the personal bodyguard of the Jiang family's thirteenth young master! Tu tieyan!"

"What? He's the famous iron gut tu? Wasn't the captain from the Jiang family? Why did tu tiedan have to be so ruthless?"

In an instant, the crowd burst into exclamations again.

Everyone's eyes were focused on the man who had crushed the captain's head.

"Your subordinate tu tiedan greets Zhufeng Zhenren!"

Under everyone's watchful eyes, tu tiedan knelt down on one knee and bowed to Chen Xiaobei!

Upon seeing this, the crowd exploded once more.

"What's the situation? How did tu tiedan become Zhufeng Zhenren's subordinate?"

"Isn't tu tiedan very loyal to the Jiang family's thirteenth young master? How did he end up under master Zhufeng?"

"It seems like we've underestimated master Zhufeng! Zhufeng Zhenren could even subdue tu tiechan! He really has extraordinary means!"

Soon, everyone's eyes were on Chen Xiaobei!

Everyone was clear that tu tiedan was not only powerful, but also very loyal!

At this moment, tu tiedan's bow made everyone look at Chen Xiaobei in a new light!

"Old tu, why have you come?"

Chen Xiaobei smiled. He had saved himself the trouble of going up to the life and death Ring, and he had also gained a lot of face. It could be said that tu tiedan had come at the right time!

Tu tiedan stood up and said with a smile, "I helped you find Jiang haoxuan's whereabouts. Later, I heard that Jiang haoxuan was killed by you! I thought you would definitely return to the nine layers of the starry sea, so I waited for you here! I saw a lot of people gathered here just now, so I came over to watch the fun. I didn't expect to meet you!"

Chen Xiaobei nodded and said, "You killed someone, go and apologize to the city Lord. After all, you've broken their rules!"

no, no, no... the city Lord shook his head like a rattle drum. "I don't dare to make Lord tu apologize! Zhufeng Zhenren, you're too kind!"

"This city Lord!"

Unexpectedly, tu tiedan actually said in a serious tone, "We, bei Xuan faction, are very reasonable! I just killed someone and broke your rules! I'm sorry!"

"Lord tu's words are too serious! what a despicable person ... What a despicable person ... the city Lord swallowed his saliva wildly, not daring to accept tu tiedan's apology.

The crowd nodded and gave Chen Xiaobei a thumbs up.

"Zhufeng Zhenren is so awesome! He actually managed to make the famous tu tie's bile duct so obedient!"

"Not only that! Zhufeng Zhenren also had a good character! Although he had the advantage in strength, he didn't bully others. He apologized when he needed to! He was responsible! Reasonable! There are very few such big shots nowadays!"

"I have a whole new level of respect for master Zhufeng! I'll think about it and let my son go to bei Xuan faction to learn from a master! Even if you can't become strong, at least you can learn how to be a good person!"

"We have eight layers of the starry sea here. Are you sure you want to send your child to apocalypse Starfield? He's just trying to lower himself!"

"You know nothing! Bei Xuan faction can't be compared to the forces in the earth-god Realm. Even if we send our children there, they might not accept us!"

"Well said! Bei Xuan faction has just become famous, so it might be easy to join them. But in a few days, I'm afraid it'll be even harder to join bei Xuan faction than the earth-god Realm!"

"From what you've said, I have to hurry home and prepare! Bring the child to bei Xuan faction as soon as possible! I hope I can get a spot!"

In just a short while, the crowd had a whole new understanding of bei Xuan faction and Chen Xiaobei.

This was a good start!

It would not be long before the entire earthly calamity Galaxy acknowledged bei Xuan and Chen Xiaobei! Even the powerful forces in the earth-god Realm would change their attitude and start to pay more attention to bei Xuan faction and Chen Xiaobei!

.....

While everyone was discussing, Chen Xiaobei and tu tiedan had already arrived at the ninth level of the starry sea through the portal.

Hua hanyue and Yan Qingyu were already waiting there!

When they saw Chen Xiaobei, the two beauties quickly came up to him as if they had something urgent to attend to!

[Red Envelope Group of the Three Realms](#)

Chapter 2288: Exotic Beast Statue

"Sect leader Chen! You've finally come!"

Hua hanyue was smiling. Her bright eyes and beautiful eyebrows were full of heroic spirit. A pressure unique to a strong woman spread from the inside out.

There were only a few men in the world who could make her smile, but Chen Xiaobei was one of them! greetings, pill King Nine Cauldrons and Daoist master Zhufeng!

Yan Qingyu's aura was gentle, and she was a fair Lady from a big family.

As the young master of the Yan family, Yan Qingyu was very respectful to Chen Xiaobei. She used the words 'greetings' to address him as a junior.

The crowd was filled with envy and jealousy when they saw how these two beauties treated Chen Xiaobei!

However, the moment they saw the fiendish-looking tu tiedan, the crowd quickly turned away, not daring to look at Chen Xiaobei and the two beauties.

"The two of you don't have to be so polite!"

Chen Xiaobei got to the point and said, "Have you two found what I need?"

miss Yan and I have split the work. We've helped you find half of the things you need. We've already gathered them! Hua hanyue smiled.

"Good! Many thanks!" alright! Chen Xiaobei heaved a sigh of relief. I'll pay both of you how many spiritual stones it cost!

"You're too kind!"

you're the new pill King of our nine cauldron capital city," Yan Qingyu said. the materials you need are only two-star earth-god grade, so they're not particularly valuable. I've only just asked for them, and many Chamber of Commerce presidents have already come to me personally! I'm fighting to be filial to you!"

Obviously, the reason why alchemists had such a wide network was that there would always be a time when they needed to buy medicinal pills from the top powerhouses to the ordinary disciples!

Because of this, many forces would take the initiative to build a good relationship with alchemists! It was an unspoken rule to give gifts during festivals!

Chen Xiaobei, the pill King of the nine Cauldrons, had become the target of all the forces 'fawning!

In order to build a connection with Chen Xiaobei, many people would be willing to give him their own wife and daughter, let alone a few materials!

"Alright! Since it's a gift from others, I won't pay!"

Chen Xiaobei smiled and took a storage bracelet from Yan Qingyu. There were a few materials in it that Chen Xiaobei needed.

Yan Qingyu smiled and said, "if you have any needs in the future, you can tell me!" I'll do my best to do everything within my ability!"

It was obvious that before he left last time, Chen Xiaobei had given three quarters of the skybreaking cultivation pill to Yan Qingyu!

Yan Qingyu had promised Chen Xiaobei that she would give him some clues about the limitless state.

However, Yan Qingyu was not sure if this clue would be useful.

In the end, the Yan family owed Chen Xiaobei a huge favor. Yan Qingyu knew how to return the favor and was willing to do her best to help Chen Xiaobei!

Chen Xiaobei nodded, turned to Hua hanyue and said, " "How many spirit stones did sect leader Hua use? I'll pay you!"

"There's no need for such a small score between the two of us!"

"Last time, I bought 100 perfect iron bone body strengthening pills for 3000 upper spiritual stones each!" Hua hanyue said with a faint smile.

later on, I met a rich man who was in urgent need of elixirs. I sold 50 of them to him at the price of 6000 upper spiritual stones for one!

"One in and one out, all my capital is back, and I also earned the remaining fifty medicinal pills! I didn't spend much on the materials you asked me to find for you, so take it as my return gift!"

Hua hanyue did not hide anything from Chen Xiaobei and told him everything.

"Alright!"

Chen Xiaobei accepted the storage bracelet and said, " I won't stand on ceremony with sect leader Hua. In the future, we'll earn money together!

With the two storage bracelets, he had gathered all the supplementary materials needed to repair the Nightstalker outfit.

It was said to be a repair, but in fact, with the special material he had obtained from the winter solstice festival, it would greatly strengthen and upgrade the Nightstalker outfit!

next, I need a place where no one will disturb me. I might need to go into seclusion for a while! Chen Xiaobei said.

"Let's go to my mansion!" Yan Qingyu said,"just in time. I've already prepared the clues about the limitless state!" You can go and get it together!"

"Alright! Let's go!" Chen Xiaobei nodded.

"I'm not going!"

"You've killed a million people from the five Forces in bei Xuan faction!" Hua hanyue said. I have to go back to the sect to prevent the Jiang family from causing trouble!"

"Alright!" don't worry! Chen Xiaobei said. you have to be careful. If there's any trouble that you can't solve, just give me a call!

"You don't have to worry about me! The Jiang family can't touch me!"

I'm leaving, " Hua hanyue said with a faint smile. I'll let you know as soon as I get any information about the five Forces!

Looking at Hua hanyue's back, Chen Xiaobei had a strange feeling!

This woman must have a backer. Otherwise, she couldn't have withstood the Jiang family's heavy pressure on her own!

.....

Yan Qingyu's mansion.

the cultivation room is a forbidden area in my mansion. Besides myself, no one is allowed to enter and exit at will!

Yan Qingyu led Chen Xiaobei to the training room in the center of the mansion.

This secret chamber was not big, but it was deep underground and very close to the spiritual vein. It could ensure that Yan Qingyu had enough spiritual Qi to cultivate!

On one side of the secret room, there was an ancient sculpture!

It had the appearance of a Tiger, but it had three heads and six tails! It had six fingers on each of its four legs, and rows of sharp bone spikes on its back!

"Is this the limitless?"

Chen Xiaobei had never seen or even heard of such a beast!

Yan Qingyu shook her head and frowned, "I'm not sure if this is ..."

"You're not sure?"

what? " Chen Xiaobei asked, " since you don't know what this statue is? And why did you put it in the secret training room?"

Yan Qingyu explained, "you should know that the nine cauldron capital city was built by the first generation pill King!" In the beginning, there was a huge pill King Palace in the city!"

after that, pill King Nine Cauldrons disappeared, and the palace was completely abandoned. After an earthquake one year ago, it was completely reduced to ruins and buried underground!

"Coincidentally, my current residence was built on top of the ruins of the pill King Palace! When they had excavated the cultivation rooms, they had found many of the pill King Palace's relics! The statue in front of us is one of them!"

Yan Qingyu paused and said, "I'm not sure if this statue is the Wu Jiang you're looking for!" However, I found out from an ancient book that the Dan King Palace dug up! This statue had been personally carved by the first generation pill King Nine Cauldrons! Furthermore, the disappearance of the first generation pill King is most likely to be to find the beast on this statue!"

"Where is your ancient book? Can I take a look?" Chen Xiaobei asked.

Yan Qingyu hesitated for a moment and said, "Yes! But I want you to keep it a secret for me! In this world, other than me, no one else knows about the existence of this ancient book!"

Chen Xiaobei nodded and said, "Good! I promise to keep your secret!"

[Red Envelope Group of the Three Realms](#)

Chapter 2289: The Golden ROC's Killing Feather

"You see!"

Yan Qingyu took out an old book and handed it to Chen Xiaobei.

This ancient book had no name, but it was very thick. The main point was that every page was handwritten. There were many annotations and even simple sketches!

From Chen Xiaobei's point of view, this was more like a scientific journal! It recorded the author's thoughts and thoughts on the alchemy Dao research!

There were all kinds of pill recipes, as well as insights on controlling fire, the intricacies of the pill furnace, and the matching of medicinal herbs!

Obviously, the reason why Yan Qingyu was able to become a famous Alchemist at such a young age and become the first female young master of the Yan family was because of this! It was all because of the help of this ancient book!

To Yan Qingyu, this was a secret that she could never tell anyone! He couldn't even tell his family!

That was why Yan Qingyu insisted on bringing Chen Xiaobei back to the mansion so that she could tell him the clue to the limitless state!

"Miss Yan! Thank you for your trust!"

"I promise that I will not tell anyone about what I saw today!" Chen Xiaobei said. I won't secretly learn and use it myself!"

"You're being too serious!"

"Your alchemy skills are much better than this ancient book!" Yan Qingyu said. You don't need to secretly learn and use it!"

It was obvious that Chen Xiaobei's alchemy skills came from Taishang Laojun!

Although Chen Xiaobei had only learned a part of Taishang Laojun's pill recipe, he had only scratched the surface of it!

However, a starving camel was still bigger than a horse. The fur of the Grand Supreme elderly Lord was beyond the reach of ordinary Immortals, let alone mere mortals in the earthly calamity Star Ocean!

Just as Yan Qingyu had said, the contents of this ancient book were as difficult as one plus one equals two to Chen Xiaobei. There was no need for him to learn and use it secretly!

That was the reason why Yan Qingyu let Chen Xiaobei read the ancient book!

"I found it!"

Chen Xiaobei flipped through the ancient book and found the information about the beast on the last page.

this statue was indeed carved by the first generation pill King. Furthermore, it is closely related to the refinement of a certain mysterious pill!

"The first king of elixirs went out after completing the statue and disappeared right after that. That's why there's no more information in the ancient book ..."

"Yes! Your deduction is exactly the same as mine!" Yan Qingyu nodded.

but ... Chen Xiaobei was confused. I didn't find any clues that could prove that this beast is related to the limitless. Why do you think that it's the clue to the limitless? "

Yan Qingyu stretched out a finger and flipped through a dozen pages. In the end, she said, I flipped through a dozen pages just now, and every page had words like 'longevity', 'eternal life', 'indestructible', 'long live', 'long live'. ..

Chen Xiaobei looked at it carefully again and said, " similar words have really appeared more than ten times!

Yan Qingyu nodded and said, "the first generation pill King had been pursuing the great Dao of immortality all his life!" Especially after he became famous, most of his energy was spent on researching pills that could increase longevity!"

"On the day of the pill King conference, you mentioned 'boundless', and the first thing I thought of was longevity boundless! Therefore, I believe that my ancient book might have the clues you need!"

"This statue is the beast that the first generation pill King was looking for before he disappeared! In other words, this strange beast was the latest product of the first generation pill King's research! It might be of great help to the elixir of immortality!"

that's right! Yan Qingyu said, " that's why I think that this beast might be the clue to the limitless!

"What you said makes sense!"

Chen Xiaobei nodded and quickly asked, " "Then do you know where the first generation pill King went to find this beast?"

"Please look at this page!"

Yan Qingyu flipped to another page of the ancient book and pointed at the words on it, " it mentioned here that the first elixir King was going to 'empty mountain'. However, I couldn't find this place after checking the maps of the earthly calamity and the earth-god Realm!

"Can't find it?"

what? " Chen Xiaobei was stunned. I've heard that there are many places in the earthly calamity Star Ocean that are unpopulated! There were also seven forbidden places in the earth-god Realm where living people were forbidden to enter! Could this 'kongwu mountain' be in one of these places?"

"I think so too!"

Yan Qingyu nodded and said,"the map was drawn by humans!" Places that were not on the map were places that people could not go to! Coupled with the fact that first-generation went missing back then, it could be inferred that that place was extremely dangerous! No man's land and the seven great Forbidden Lands, it's possible!"

"Very good! This is the clue I'm looking for!"

Chen Xiaobei's eyes lit up. this way, we have a general direction. I'll think of a way to investigate further later. I'm sure we'll find something!

Yan Qingyu heaved a sigh of relief. it's good that you're satisfied. I was afraid that my clues would be completely useless to you. That would be embarrassing!

you don't have to be so reserved. I'm actually very easy to get along with. As long as you treat me with sincerity, I'll also treat you as a friend!

"Friend? This is my honor!"

Yan Qingyu smiled and said tactfully, " "Since you're clear on the clues, I'll take my leave first so as not to disturb your closed-door cultivation!"

Chen Xiaobei nodded. After Yan Qingyu left, he immediately got to work.

Chen Xiaobei took out the green jade cauldron and put the materials that Yan Qingyu and Hua hanyue had found into it.

Then, Chen Xiaobei took out the badly damaged Nightstalker outfit and put it into the green jade cauldron.

"Whoosh ..."

Chen Xiaobei then injected the five-star earth-god level witch Dragon Flame into the green jade cauldron and began to refine it.

When the Nightstalker outfit and the other supplementary ingredients began to show signs of fusion, Chen Xiaobei took out another item!

[golden killing feather: a feather that fell off the divine wings of the Golden-winged ROC. One-star divine item!] It contained extremely strong metal killing intent. A single feather could break mountains, rivers, lakes, and seas. It was extremely overbearing! [do you wish to extract?]

Extract!

Chen Xiaobei took out the Golden feather and exclaimed, " "As expected of the Golden-winged ROC that even Monkey King couldn't handle! Just a single feather had such a strong spirituality! If it's made into a weapon, how terrifying would it be?"

The Golden feathery was a one-star divine item, but Chen Xiaobei was still far from being able to craft a divine weapon.

He could only think of a way to fuse the gold feather into the Nightstalker outfit and use a part of its power to give the Nightstalker outfit a new superpower!

Only when he had the ability to make divine weapons would Chen Xiaobei be able to unleash the full power of the gold killing feather!

It was still the same saying, a starving camel was still bigger than a horse!

Even if the gold killing feather could only exert a part of its power, it would still be able to greatly improve the Nightstalker outfit!

"Next, I'll go all out in refining!"

After putting the gold feather into the green jade cauldron, Chen Xiaobei focused on the fire-controlling refining!

[Red Envelope Group of the Three Realms](#)

Chapter 2290: Setting Off Immediately

In the blink of an eye, six hundred days had passed!

Although he was supposed to repair the Nightstalker outfit this time, in fact, he had to fuse the Golden killing feather with it as well!

The most difficult part was to activate a part of the gold feathery's power to give the Nightstalker outfit a new superpower!

From a certain perspective, this was equivalent to completely reforging a new magical treasure!

More importantly, the level of this new magical equipment had been upgraded to three-star earth-god level!

For an ordinary blacksmith, it would take at least a few years or even a dozen years to craft a three-star earth-god instrument!

With the help of the witch Dragon Flame and the green jade cauldron, Chen Xiaobei was able to shorten the time to 600 days. That was already considered fast!

Of course, Chen Xiaobei had spent the 600 days in the sunlight cache.

Only 600 minutes had passed in the real world, which was only 10 hours!

Two more of Shi tuqiang's elders had lost their lives. Now, there were four more who had enough lives for Chen Xiaobei to use!

"Finally done! Let me see the latest Nightstalker outfit!"

Chen Xiaobei slowly opened the lid of the green jade cauldron.

"Whoosh ..."

In an instant, a dazzling golden light burst out from the cauldron and illuminated the entire cultivation room.

At the same time, an unparalleled golden energy was released, as if hundreds of millions of soldiers were clashing, and the entire space was instantly plunged into an endless pressure of killing!

"Amazing! Just the pressure alone was already so tyrannical! The new ability will definitely not disappoint me!"

Chen Xiaobei was excited. He released a stream of ethereal force into the cauldron and took out the new Nightstalker outfit.

It was still a set of black clothes! Ghost mask, top and bottom set, ghost claw gloves, and ghost feet boots! From its appearance, it didn't look much different from before!

However, the moment his palm touched the Nightstalker outfit, Chen Xiaobei felt a strong spiritual energy!

Although the Nightstalker outfit was only a three-star earth-god equipment, the strong spirituality it emitted was even more intense than a six-star earth-god instrument!

That's right! This unusual spirituality came from the Golden killing feather of the Golden-winged ROC!

The Golden feather was a one-star divine item, and Chen Xiaobei had only activated a small portion of its power. As the Nightstalker outfit continued to upgrade, it would eventually reach the level of a divine item!

With such a huge room for growth, it was definitely worth spending the heaven and earth spiritual aura to nurture and upgrade!

"Chi ..."

Chen Xiaobei immediately communicated with his spirituality and conjured a golden feather Dharma form on the Nightstalker outfit!

In that instant, Chen Xiaobei's strong state of mind was shaken, and he even started to hallucinate!

It was as if an Iron Horse was charging at him! Hundreds of millions of weapons caused rivers of blood to flow in the four Seas and eight wastelands!

"What a terrifying pressure! It's a pity that it's only a three-star earth-god level. Otherwise, it would definitely be one of my strongest trump cards!"

'Right now, there's a wave of heaven and earth spiritual aura in the heaven and earth furnace! I can upgrade the witch Dragon Flame to a six-star earth-god level, or the Nightstalker outfit to a five-star earth-god level ..."

"If I upgrade the witch Dragon heavenly flame, the spiritual aura of the heaven and earth will be completely used up! If I upgrade the Nightstalker outfit, I'll have about 30% of the heaven Earth spiritual aura left!"

Chen Xiaobei thought for a while and decided, " I'd better upgrade the witch Dragon heavenly flame. After all, I have the infinite sword formation. I don't need to use any other trump cards in battle!

"The witch Dragon heavenly flame has other uses besides fighting! When the level is higher, refining high level items will be faster!"

if the witch Dragon Flame reaches nine-star earth-god level, I can even try to refine the earth-escape divine gourd! At that time, the spiritual aura of the heaven and earth will definitely explode!"

After making up his mind, Chen Xiaobei took out the heaven and earth smelt.

After absorbing all the spiritual aura of heaven and earth in the furnace, the witch Dragon heavenly flame successfully completed its upgrade!

This was the most heaven-defying part of the spiritual aura of heaven and earth. It could level up instantly without having to wait!

Of course, there would be a price to pay for the gains!

Because of this heaven-defying advantage, the amount of Heaven Earth spiritual aura required to upgrade the witch Dragon Flame to six-star earth-god grade was equivalent to three six-star earth-god instruments!

This time, Chen Xiaobei had refined the raging wave sky-splitting blade, the Blue Moon scimitar, three six-star earth-god treasure chests, many low-level earth-god instruments, and a huge amount of resources for 50000 people!

It was by refining so many resources into the spiritual aura of heaven and earth that the witch Dragon heavenly flame could be upgraded in an instant!

One could imagine that the higher the level, the more energy it would take to use the heaven and earth spiritual aura to level up!

That was why Chen Xiaobei wanted to use the earth escape divine gourd!

If he could refine this divine instrument, Chen Xiaobei would not be lacking in spiritual aura for a long time!

Of course, these were all matters for the future!

What Chen Xiaobei needed to do now was to prepare all his trump cards to face Shen gongpao's conspiracy!

.....

After leaving the training room, Yan Qingyu and tu tiedan immediately went to welcome Chen Xiaobei.

"Why did you come out of seclusion so quickly?" Yan Qingyu asked curiously.

Tu tiedan grinned and said mysteriously, " bro bei's closed-door training has always been quick and efficient. There's no need to be so surprised!

"I have no intention of offending you! Please don't take it to heart, Zhufeng Zhenren!" Yan Qingyu quickly explained, not daring to ask anything more.

In Yan Qingyu's eyes, Chen Xiaobei was an unattainable God. Even tu tiedan was someone she could not afford to offend.

Chen Xiaobei grinned and said, "Qingyu, you don't have to be so restrained! Just call me bro bei like old tu does. We're friends from now on!"

alright ... Yan Qingyu was stunned and said, "I'll listen to bro bei ..."

"I'm going to leave now!"

"Old tu, go to the green Lotus sect and help Yiru manage the sect and the pill business!" Chen Xiaobei said.

"Yes!" Without another word, tu tiedan immediately agreed.

"What about me? What should I do?" Yan Qingyu pursed her lips and asked.

Chen Xiaobei was amused. You're not my subordinate, so why are you asking me what you're doing?"

"Bro bei, you're already a pill King of the nine Cauldrons!" Yan Qingyu quickly said. Logically speaking, you will be the Lord of the capital for the next three years, so we all have to listen to you!"

I see ... Chen Xiaobei thought for a moment and said, "I don't need you to do anything for the time being. If the green Lotus Daoist sect's Yi ru Zhenren needs any medicinal herbs in the future, you can just sell them to him at a cheaper price!"

"Yes, sir!" Yan Qingyu nodded heavily.

Ding Ling Ling Ling

Chen Xiaobei's phone rang.

"I have to go! I'll see you later!"

When Chen Xiaobei saw the name on the screen, he immediately took out his flying sword and flew into the sky.
