Chapter 2291: Mysterious Weirdo

It was obvious that the call was from Qin Wuxin.

Chen Xiaobei! I'm here to inform you!

"At midnight tomorrow, Shen Gongbao has set up a trap on a planet called 'Dark Dawn' in the nine layers of the starry sea. You must go there!" Qin Wuxin said straightforwardly.

"What do you want me to do?" Chen Xiaobei asked.

"I want you to win!" Qin Wuxin said without hesitation. I want Shen Gongbao to be completely defeated!"

Chen Xiaobei frowned and said coldly, "What are you up to now?"

"I swear! I sincerely hope you win!"

Qin Wuxin laughed and said, "as long as you win, Shen Gongbao will know that his tricks won't work! He can only rely on me and satisfy all my requests. Only then will he have the chance to kill you!"

Chen Xiaobei's eyes turned cold and said, "Don't say I didn't warn you! Shen Gongbao is not as useless as you think! If you think you've got him, be careful he'll bite you back! You won't even know how you died!"

"Heh, you don't have to worry about that!"

of course! Qin Wuxin laughed confidently. as long as I hide Liu xuanxin well, you, Chen Xiaobei, will not dare to touch me. Shen Gongbao will not dare to touch me either! Why should I be afraid!"

Chen Xiaobei frowned and said, "I'll reach dark Morning Star before midnight tomorrow! Shen Gongbao will definitely be defeated!"

"Happy cooperation!" Qin Wuxin smiled insidiously and hung up the phone.

"Let Qin Wuxin be proud for a while!"

Chen Xiaobei glared at her and said, "After I deal with Shen Gongbao, I will immediately find a way to find Zi Yuan! By then, he would be able to control Qin Wuxin with Zi Yuan's curse! As long as I can save Xuan Xin, I will immediately destroy Qin Wuxin's soul! Completely disappear!"

Chen Xiaobei quickly put away his phone and rushed to dark Morning Star.

.....

Dark Morning Star.

It was located at the outermost area of the nine layers of the starry sea. Because of its special location, it was dark and humid all year round. Poisonous miasma, ball orchids, and snakes, scorpions, and insects covered most of the area.

Because of this, this planet had always been uninhabited, and even ordinary beasts had gone extinct.

"That's strange ..."

Chen Xiaobei changed into the Nightstalker outfit, activated the rune concealment, and walked slowly while observing his surroundings. "This place is full of poisonous miasma, and ordinary people will die if they touch it! Shen Gongbao must have set up this place to use poison!"

"But the problem is, Shen Gongbao should know that I have the cleansing Bodhi, so I'm not afraid of this naturally formed poisonous miasma! Why is Shen Gongbao still setting up a trap here?"

Chen Xiaobei could not figure out Shen Gongbao's plan.

However, as they walked, Chen Xiaobei suddenly made a new discovery!

At a distance.

A group of Tenshou clansmen in warrior clothes had appeared beside a giant black Swamp!

"Guitian! Why haven't the people of the poisonous leopard sect come yet? It's almost midnight!" A one-eyed warrior looked at the time on his phone anxiously.

"Don't be so impatient, Tera!" Kuridatarō furrowed his brows and said. This operation was arranged by exalted immortal Shen! The people of the poisonous leopard sect will definitely come on time!"

"I really don't understand. Exalted immortal Shen is a true immortal who has descended to the mortal world. Why didn't you do it yourself?" You've made so many of us come to this God-forsaken place, are you bored?"

"Baka! Don't talk nonsense!"

"Exalted immortal Shen brought a heaven realm token with him, so he's a genuine heaven immortal!" If we listen to his arrangements, we'll get countless benefits! You can't speak ill of him unless you're tired of living!"

"My family has always believed in exalted immortal Shen!" I'm not badmouthing him, I just can't figure it out!"

"Nonsense! How can we mortals understand the thoughts of an immortal?" Tairo Kameda said unhappily.

"Forget it!"

I don't care if the people from the poisonous leopard sect come or not! With the two elite tounini families here, Chen Xiaobei will be dead for sure if he shows up!

"Naturally!"

Tairo Kameda nodded and said with a smile, "Our two venomous Ninja families can control four-star earth-god level poisons. We have a place even in the earth-god World! It's more than enough to deal with a little brat!"

"You two idiots!"

At this moment, an old voice came from the sky, "God Shen has told us countless times not to underestimate Chen Xiaobei! Did you turn a deaf ear to Shangxian Shen's words?"

They looked toward the source of the voice and saw a gloomy-looking old Daoist flying over on a sword and landing on the edge of the black Swamp.

Beside the old Daoist, there was a strange person. His entire body was wrapped tightly in a broken black cloak that was not covered in dust. In addition, he wore a thick and heavy hat, making it impossible to even see his face clearly.

Behind the two of them, there were hundreds of young Daoists who seemed to be the disciples of the old Daoist!

"Greetings, sect Master Shen! You're indeed punctual!"

Despite being called an idiot, Tera Yantian Ji and Kameda Tairo did not dare to show any temper and respectfully saluted.

The old Daoist snorted coldly and said ruthlessly, "Hmph!" "Didn't someone just say that they wouldn't wait for this Lord?"

"Sect leader Shen! Please don't misunderstand!"

"You're the leader of the poisonous leopard sect, a famous poison master!" Tera Yantian Ji quickly explained. He was also the descendant of immortal Shen! I said I won't wait for you because the opponent is too weak. Asking you to fight is like using a dragon-slaying knife to kill a chicken. There's no need for that!"

Siyantian Ji was called an idiot, but he still had to turn around and flatter this old Daoist!

From this, it could be seen that this old Daoist, who was called sect Master Shen, was far superior to Tera Yantian Ji and Torita Tairo in terms of strength and status.

Old Daoist Shen's brows furrowed and he suddenly roared, "F * ck! I just warned you not to underestimate Chen Xiaobei! Do you even put this Lord in your eyes!"

"Shen boyuan!"

At this moment, the strange man wearing a worn-out cloak and a heavy hat said indifferently, "Disobedient dogs, just kill them! Stop shouting in front of me, you're so annoying!"

As soon as he said that, Tera Yantian Ji, Kameda Tairo, and the ninjas they had brought with them were all shocked.

"Who is that strange person? You actually dare to speak to sect leader Shen in such a tone!"

"Don't tell me he's a fool? If sect leader Shen gets angry, he can take his little life in an instant!"

"Even if sect leader Shen didn't kill him, our elder Tera Yan wouldn't let him off! He dared to call elder Ciyang a dog! You're really tired of living!"

The group of ninjas discussed animatedly. They did not hold back their voices at all and did not take the strange person seriously.

"A bunch of flies, they don't know their place!"

The next moment, the weirdo waved his hand!

The scene that appeared next was unforgettable for everyone!

Even Chen Xiaobei, who was hiding in the distance, was dumbfounded!

Chapter 2292: Three Realms Illustrations

"Uh ... Ah! It hurts ... Ouch ... It hurts ..."

All of a sudden, all the Tenshou ninjas in the uniform of the terayan family, including Tera-Taji, let out miserable wails.

Then, huge pustules appeared on their skin as if they were on fire!

"Bang! Bang! Bang! Bang ..."

Soon, the pustules burst open, and dark red pus flowed out!

With these pustules as the center, the muscles of those guys began to fester rapidly, only stopping when the festering reached the bones!

In just a dozen seconds, all the ninjas from the terayan family, including Tera Tianji, fell to the ground and died a tragic death!

Their corpses were filled with large rotting holes, as if they had been eaten by worms! It even emitted a foul stench!

"Blargh ... Blargh ..."

Just looking at this shocking scene made one's scalp go numb and make one feel nauseated! A series of retching sounds rose and fell in the venue for a long time!

It must be known that everyone present was an expert in playing with poison, but at this moment, they were all trembling with fear! A few of the younger disciples who were weaker even vomited on the spot, looking extremely embarrassed!

"What is going on?" The young ninjas were still in shock.

"Poison! It's poison!"

Shuddering, Tairo kuitian knelt down in front of the strange man and praised, "Senior above! Please accept this lowly one's three kowtows and nine bows! Senior is a true Poison Path Grandmaster! To be able to see senior in action is truly this lowly one's good fortune from three lifetimes!"

As soon as he said that, the ninjas from the Guitian family immediately knelt on the ground and kowtowed to the strange man.

The Kurumada family was also a toujins family, but their strength was about the same as the terayan family!

As an elder of the terayan family, he was a three-star earth-god and had excellent poison skills. He could easily control four-star earth-god level poisons!

However, right before everyone's eyes, Tera Yantian Ji and the group of poison ninjas from the Tera family were all poisoned to death by the strange person with a wave of his hand!

He used poison on a poison Ninja and killed him instantly!

Even if one used their toes to think, they would know that this strange person was definitely a super powerful Poison Path Grandmaster! His poison techniques were 108000 times better than that of Tera Yantian Ji!

"Senior Lu! Please calm your anger!"

Even Shen boyuan, the old man, cowered like a dog. He nodded and bowed, saying, "These two poison Ninja families are both forces from the earth immortal world that believe in exalted immortal Shen! For the sake of exalted immortal Shen's face, I ask senior Lu to be magnanimous!"

"Nonsense!"

The strange man surnamed Lu snorted coldly and disdainfully said, if I don't show mercy, not to mention those flies, there will be no survivors at the scene within three seconds!

"Hiss ..."

Shen boyuan gasped when he heard that. The hundreds of disciples of the poisonous leopard sect shrunk their necks like a group of frightened chicks, not even daring to breathe.

The ninjas from the kuitarō family were so scared that they were trembling.

"Who is this Lu guy? That's too awesome!"

Even Chen Xiaobei was shocked. this guy just waved his hand, and he released a colorless and odorless poison!

"In the crowd, he only killed the people from the Siyan family. Everyone else is safe and sound! It can be seen that this guy's poison control technique has already reached the peak!"

"In addition, that poison is colorless, odorless, shapeless, and formless. Not even I can determine what kind of poison it is! It can be seen that this guy's poison refining technique is even more superb!"

[the red envelope group of the Three Realms has unlocked a new function of the Three Realms illustrations!] [check?]

"What the f * ck! What the hell is the "three realms illustrations"?"

Chen Xiaobei thought for a moment and said, " "Why did this new function have to be activated when I was studying this Lu guy? It seemed that there was an internal connection between them! Check!"

"Whoosh ..."

With a thought, an ancient book appeared in Chen Xiaobei's mind!

On the cover of the ancient book, there were four big words: "illustrations of the Three Realms"!

It had a similar function to the merit record. Chen Xiaobei was not unfamiliar with it. He opened the Three Realms illustrations!

However, this "three realms illustrations" was very special. After opening it, it was not the first page, but automatically jumped to page 101!

[ancient immortal Lu Yue discovered!]

[Luyue illustrated Handbook activated!] [do you want to check Lu Yue's information?]

"What the f*ck! Ancient immortal! That Lu guy is actually an ancient celestial!"

Chen Xiaobei was shocked and quickly calculated in his mind, "I understand! Lu Yue should be a dead ancient immortal in the list of Yin ghosts. He was chosen by the clan of enlightenment at the winter solstice festival and reincarnated into the earth-god Realm! Now, you're helping Shen Gongbao to deal with me!"

"And this illustrated guide of the Three Realms should correspond to all the earth Immortals who were selected and reincarnated in the list of Yin ghosts! As long as I see them, I can check their information through the illustrated Handbook! I owe them their true identities before they reincarnated!"

"It seems like I've chosen Luo Yi, Emperor Jiang, and Taiyi. I should be able to see their information directly!"

Chen Xiaobei turned the book to the first page. There was detailed information about Rahu, and even his general location!

Then, the second page was about Emperor Jiang, and the third page was about Taiyi. At the same time, they could also see their approximate location!

This way, all Chen Xiaobei had to do was to go to the earth-god Realm and follow the instructions in the Three Realms illustrations to find these three important companions!

alright, I have a general understanding of the functions of the 'three realms illustrations'!

Chen Xiaobei flipped to the 101st page. "Let me get to know this ancient deity, Lu Yue!"

[Lü Yue, -disciple of the tribe of severity and-famous mountain Qi Practitioner on Nine Dragons Island!] He was proficient in alchemy, weapon refinement, talisman refinement, poison refinement, and everything! This was especially true for poison Arts. Once they were used, they could cause widespread damage and kill millions of living beings with a wave of the hand! His AoE attacks were the best in the Three Realms!

[cause of ding Qianqian's death: Lu Yue and Jiang Ziya fought and trapped Jiang Ziya for a hundred days with the Great Plague formation!] Yang Ren, the disciple of Lord Dao de, came to break the formation with the five Fire fan! "Great Plague formation" was countered, Lu Yue was no match and died under the fan!

"No way! This Lu Yue is actually a member of our tribe of severity! I still have to call him senior brother!"

Chen Xiaobei's eyes lit up as he started to plan. "I can't kill him, I can only capture him alive! In the future, as long as we kill the one who will choose him in the winter solstice festival, we will be able to break his soul contract and let him regain his freedom, and return to the tribe of severity!"

Obviously, the best way for Chen Xiaobei to help the prime of Tongtian revive the tribe of severity was to gather all the ancient Celestials who had died in the last cataclysm!

"Boom boom boom ..."

However, at this moment, the black Swamp in the distance suddenly changed!

Lu Yue! He made his move!

[Red Envelope Group of the Three Realms](#)

Chapter 2293: Dark Curse Talisman

boom boom boom ... Boom boom boom ...

Lu Yue raised his hands high, and the giant black Swamp in front of him was like a boiling pot, constantly churning and emitting thick smoke!

At the same time, the earth around them began to tremble violently! The entire space seemed to be enveloped by an extremely powerful pressure, turning dark and gloomy!

"Heavens! What was going on? What was in this Black Swamp? Don't tell me it's the devil?"

Saburo and the ninjas from the Kurita S were all dumbfounded as if they had seen a ghost. They screamed hysterically.

"A bunch of idiots! All of you, shut up!"

"Senior Lu is going to take out a magic weapon he left here!" Shen boyuan quickly shouted. Don't make a fuss. If you disturb senior Lu, you'll lose your little lives!"

hiss ... Tairo Kameda and the other ninjas from the Kameda family gasped. They raised their hands and covered their mouths, not daring to even breathe!

At a distance.

Chen Xiaobei saw everything and frowned. after Lu Yue reincarnated, he was only a one-star earth level deity. He caused such a huge commotion not because of his cultivation, but because of the power of the ancient magical treasure!

Without a doubt, it would be a very powerful magic weapon!

"Bang!"

In the next moment, a jet-black spiritual energy suddenly burst out from the center of the black Swamp!

It was like a black pillar that shot up three thousand feet, as if it was going to strike down the bright moon in the night sky!

"Shua shua shua ..."

The black heavenly pillar suddenly exploded, and endless black light bloomed in all directions, covering the sky and the earth!

"Chi ..."

At the center of the darkness, an extremely strong spiritual fluctuation suddenly spread out!

The endless darkness around him trembled!

The vast amount of black spiritual Qi seemed to be sucked in by a huge amount of water and flowed back rapidly into something in the center!

Soon, all the dark spiritual energy in the space was absorbed, and everything returned to its original state!

At the same time, the treasure that had caused this phenomenon and absorbed all the spiritual Qi finally revealed itself!

"Whoosh!"

An extreme shadow instantly rushed in front of Lu Yue!

It was only at this moment that everyone could see clearly that it was a black jade talisman the size of a palm!

Although the Jade talisman was not big, it was constantly emitting a terrifying and evil pressure! He was like a peerless demon that would bring endless darkness to the world!

Upon a closer look, the spirituality around the Jade talisman was rumbling. It was extremely spiritual! It was at least a nine-star earth-god instrument!

"How come it's not a heaven immortal artifact?"

"Lu Yue is an ancient deity from the tribe of severity, and he almost killed Jiang haoxuan in the last infinite cataclysm!" Chen Xiaobei thought. This earth-god instrument is far from worthy of Lu Yue's status!"

"But then again! When Lu Yue was killed, all his powerful treasures naturally fell into the hands of the clan of enlightenment!"

"The black jade talisman in front of us is most likely something that Lu Yue didn't use back then!"

that's right! Chen Xiaobei said, " this level of magical equipment might not be of much use in the heavenly realm but it's extremely powerful in the human realm!

therefore, Lu Yue came here based on his memory and spiritual connection. He was going to use this magical treasure to deal with me!

"Right! It must be like this!"

no wonder Shen Gongbao would set this up! Chen Xiaobei said. If it wasn't for Qin Wuxin's message to me, I'm afraid I wouldn't even know how I died!"

Lu Yue had obtained a nine-star earth-god instrument!

Without the mysterious North formation, Chen Xiaobei was no match for him! If they fought face to face, Chen Xiaobei would lose!

It had to be said that Shen Gongbao's plan was already in the bag!

It was a pity that Shen Gongbao had believed Qin Wuxin, that b * tch!

Qin Wuxin only wanted to benefit himself and didn't want Shen Gongbao's plan to succeed!

Because of this, Qin Wuxin had told Chen Xiaobei the location of the trap so that Chen Xiaobei could see Lu Yue and the nine-star earth-god level black jade talisman!

This way, Chen Xiaobei would not be so foolish as to charge out and fight them head-on. Instead, he could continue to hide in the dark and observe!

After he had a comprehensive plan, Chen Xiaobei decided whether to take action or not. Even if he could not win, he could at least ensure that he would not lose!

"Senior Lu! What kind of treasure is this jade talisman?"

Shen boyuan was full of curiosity. He said respectfully, "Can you introduce them to us so that we can broaden our horizons?"

"This is the 'dark curse profound talisman' that I made in my early years!"

Lu Yue held the black jade talisman and laughed coldly, "This is a curse-type magical treasure. Its combat power is very weak, so I casually threw it here back then! But today, it can deal with Chen Xiaobei!"

"A curse-type magic treasure? Weak combat strength?" what? " Shen boyuan was surprised. how are we going to deal with Chen Xiaobei with something like this? "

"Chen Xiaobei is immune to all poison because he has a cleansing Bodhi!" Lu Yue laughed coldly. As long as I use the 'dark curse profound talisman', I'll be able to use the evil curse to seal the cleansing Bodhi!"

"This way, Chen Xiaobei's body will not be able to resist the poison! By then, we won't even need to do anything. The miasma alone will be enough to kill Chen Xiaobei!"

As soon as he said that, everyone around him revealed a surprised expression.

"That's great!"

I thought that Chen Xiaobei would be a tough opponent. He is just an ant in front of senior Lu! He can be killed with ease! Shen boyuan said.

Speaking of which, this cleansing Bodhi is a branch of the ancient Bodhi tree in the central Saha world. It was born from the dense Buddhist light and is the nemesis of all evil things!

Lu Yue sneered. but it's a pity that it's just a tree. It hasn't been refined, and it doesn't have the support of Buddhist power. Otherwise, my 'dark curse talisman' wouldn't be able to do anything to it!

Shen boyuan heard this and said fearfully, " "Senior Lu is too humble! You're an ancient poison immortal. If you can recover your divine power, even Buddha and Bodhisattva will not be your opponent, let alone a Bodhi tree!"

"Oh, you're right!"

of course! Lu Yue smiled confidently. if I can recover to my peak, I'll fear no one below the heavenly path Sage!

"Amazing! Amazing! Senior Lu's power was unparalleled! He's invincible!" Shen boyuan didn't know what level a heavenly path Sage was at, but he just had to suck up to him.

"Senior lü, your divine might is unparalleled, and you're invincible!"

At the same time, the hundreds of people around him started to cheer and flatter him!

"Invincible? I don't think so!"

Who dared to think about it? Suddenly, Chen Xiaobei walked out!

[Red Envelope Group of the Three Realms](#)

Chapter 2294: Direct Confrontation

"Chen ... Chen Xiaobei? Senior Lu! Chen Xiaobei is here!"

Shen boyuan, Kurita aka Tairo, and the hundreds of people around them all screamed in horror as if they had seen a god of death. They felt fear from the bottom of their hearts!

There was no doubt that Chen Xiaobei's name had spread far and wide after the battle at bei Xuan faction!

Chen Xiaobei's killing of millions of soldiers had cast a huge shadow in the hearts of all his enemies!

Even before the battle started, the enemies were already scared of Chen Xiaobei!

"Shut your stinky mouths! Stop screaming in front of me!"

I just told you that I have 10000% confidence in defeating Chen Xiaobei! What are you afraid of? " Lu Yue said.

this ... That's true ... Shen boyuan composed himself and said, " "Everyone, don't panic! With senior Lu here, Chen Xiaobei will definitely lose!"

After hearing this, the people around them felt a little more at ease! After all, they had all seen Lu Yue's ability. He could really kill Chen Xiaobei!

"Chen Xiaobei! You've come earlier than I expected! Are you in such a hurry to die?" Lu Yue stepped forward with a cold smile.

Chen Xiaobei said calmly, "Senior brother lü! You're a member of my tribe of severity and I don't want to hurt you. Surrender!"

ha, hahaha ... Lu Yue heard this and suddenly laughed, "Are you a Joker? You're still in the mood to tell jokes when you're facing a great disaster?"

"Senior brother, Why are you laughing?" Chen Xiaobei asked.

Lu Yue said disdainfully, "I was indeed a disciple of the tribe of severity in my previous life. But in this life, I have signed a soul contract with the true immortal of the clan of enlightenment. I swear to be loyal to him. I am a member of the clan of enlightenment! You're actually still calling me senior brother? This is the stupidest joke I've ever heard!"

I'm fine! Chen Xiaobei shrugged. as long as you surrender, I'll treat you well! Just wait until I kill that true immortal who signed the soul contract with you! You will regain your freedom!"

"Heh, where do you get your confidence from?"

Lu Yue said contemptuously, 'you can't even get past me today, and you still want to kill a true immortal? There should be a limit to your daydreaming!"

Chen Xiaobei asked, "So, senior brother lü doesn't plan on surrendering?"

"Nonsense! Do you think a soul contract is a joke?"

Lu Yue's eyebrows furrowed and he angrily said, "Once you sign the soul contract, you will be 100% loyal to the Lord! Unless the Lord died or took the initiative to terminate the contract! Otherwise, I would rather die in battle than betray my Lord! We will never surrender to the enemy!"

I see ... Chen Xiaobei frowned. "It seems like master's decision was correct!"

Before the winter solstice festival, the prime of Tongtian had specifically asked Chen Xiaobei to exchange for Emperor luohou, Jiang Taiyi! Instead of exchanging for the disciples of the tribe of severity!

At first, Chen Xiaobei was worried that doing so would cause internal strife between his fellow disciples.

Now, it seemed that sect master Tongtian's arrangement was very correct! Moreover, it could protect the disciples of the tribe of severity well!

One had to know that these newly reincarnated earth Immortals had all signed soul contracts and were 100% loyal to their current Lord! They would rather die in battle than surrender!

If Chen Xiaobei chose a disciple of the tribe of severity, the enemy would also choose a disciple of the tribe of severity. This would lead to a bloody battle between the disciples of the tribe of severity! It would cause true killing between fellow disciples!

But now, Chen Xiaobei did not choose any of the tribe of severity's disciples. The clan of enlightenment had so many people that they must have chosen most of the tribe of severity's disciples!

In this way, the disciples of the tribe of severity wouldn't kill each other!

The chosen disciples of the tribe of severity would only aim at Chen Xiaobei. Chen Xiaobei would not hurt them, but would capture them alive!

Then, he would imprison them. When Chen Xiaobei found their Lord in the future, he would remove their soul contracts and let them regain their freedom, returning to the tribe of severity!

Such an arrangement was obviously the best protection for the disciples of the tribe of severity!

From this, it could be seen that sect leader Tongtian's habit of protecting his disciples was not exaggerated!

However, Chen Xiaobei was the only one who suffered because of this arrangement!

First of all, it was extremely difficult to capture these disciples of the tribe of severity alive!

Most of the ancient Immortals like Lu Yue had some relics in the mortal world. After finding the relics, the strength of these ancient Immortals would skyrocket!

It would not be easy for Chen Xiaobei to defeat them, let alone capture them alive!

Secondly, Chen Xiaobei had to imprison these people. He could not torture them, but he had to make sure that they would not escape.

One had to know that these ancient Immortals were all experts with extraordinary means. It was probably more difficult to imprison them for a long time than to capture them alive!

Finally, Chen Xiaobei had to go to the heavenly immortal world, find the master behind these ancient Immortals, and break the soul contract!

Without a doubt, this was the most difficult step! Transcending the Tribulation and ascending to heaven was already as difficult as ascending to heaven! After ascending, he still had to be enemies with real Immortals. This was not only difficult, but also full of danger!

To Chen Xiaobei, this series of actions was a huge challenge! Chen Xiaobei had to risk his life to continue this!

If it were an ordinary person, they would not have dared to agree to sect master Tongtian's arrangement in the first place!

But Chen Xiaobei was different! With his character that valued relationships and loyalty, he was destined to accept this challenge! Even if he had to gamble his life!

It was not an exaggeration to say that the moment Chen Xiaobei agreed to help the leader of Tongtian, he had to shoulder the future of the tribe of Jie all by himself!

The life and death of the disciples of the tribe of severity! The hope of the Jie sect's revival! From that moment on, all of it was on Chen Xiaobei's shoulders!

Ordinary people couldn't afford it at all!

Fortunately, sect master Tongtian didn't choose the wrong person!

Chen Xiaobei was a loyal man, and he would risk his life to fight back!

Chen Xiaobei's state of mind was so strong that he could not be crushed by any pressure!

The revival of the tribe of severity could only be achieved by Chen Xiaobei!

"You little brat! What are you up to now? As long as I, Lu Yue, am here, you will die today!"

At this moment, Lu Yue suddenly took out a dark spell talisman and shouted, "Endless heavenly evil! Dark night curse! I'll use the mystic talisman! Seal and intimidate the immortals and Buddhas!"

"Swish!"

In the next moment, a Black Electric light suddenly burst out from the dark curse talisman!

Trillions of low-grade spiritual Qi were burned out in an instant!

The nine-star earth-god's special ability was directly activated!

The black Lightning was so fast that Chen Xiaobei could not even see it clearly. There was no way he could Dodge it!

"Whoosh!"

Chen Xiaobei had nowhere to hide and was hit in the chest by the black Lightning!

The lightning did not cause any damage, but it quickly formed a black ball of lightning in Chen Xiaobei's heart!

"Hahaha ..."

hahahaha! Lu Yue laughed. Chen Xiaobei's cleansing Bodhi has been sealed by the evil curse. Even the miasma around him can kill him!

"Is that so?"

Chen Xiaobei took a few deep breaths and shrugged. "The miasma here is very pungent, but it's of no fucking use!"

[Red Envelope Group of the Three Realms](#)

Chapter 2295: Secret Crossing

"What? How ... How is this possible?!"

Seeing this scene, Lu Yue was instantly dumbfounded. Shen boyuan, kuritakorō and the rest were even more dumbfounded and panicking.

"Senior lü ... Your magical equipment isn't out of effect, is it?"

Chen Xiaobei! Shen boyuan swallowed his saliva and said, "Chen Xiaobei took a few puffs of the miasma, but he's fine!

let's escape ... kuridatarō cowered like a dog and said, "Chen Xiaobei is unfathomable! Our plan didn't succeed, so we can't fight him head on. Otherwise, the consequences will be unimaginable!"

"All of you, shut up!"

"My dark curse talisman can't lose its effect!" Lu Yue said angrily. The cursed Thunderball is right in Chen Xiaobei's chest. That's the effect of sealing his special ability. Didn't you see it?"

that's true! But Chen Xiaobei is not affected by the miasma! You saw that, right? " Shen boyuan said nervously.

"Idiot! This is easy to explain!"

Chen Xiaobei is an expert in medicine. Before he came to this planet, he created an antidote for the miasma. What's so strange about that? " Lu Yue said.

but ... kuidatarō said awkwardly, " Chen Xiaobei already has the ability to be immune to all poisons. Why would he need an antidote? " Taking off your pants and farting, what an unnecessary move!"

this ... Lu Yue's expression froze, and he couldn't explain. His face turned black and he said angrily, " Shut your stinky mouth! Otherwise, I'll make sure you can never fart!"

Oh ... Kameda Tairo's expression froze. He quickly covered his mouth with his hands and did not dare to make a sound! Thinking that something wasn't right, he used one hand to cover his butt, making an extremely funny appearance.

"Shen boyuan!"

Chen Xiaobei! Lu Yue frowned and ordered, " I suspect that the miasma is not poisonous enough. Go over there now and use your strongest poison to attack Chen Xiaobei!

"Me?" senior Lu! Shen boyuan gulped. senior Lu, please spare my life! Even if I had a hundred guts, I still wouldn't dare to fight Chen Xiaobei!

"Look at you!"

"Chen Xiaobei is not as strong as you think!" Lu Yue said disdainfully. He had killed millions of people because of the power of the profound North formation! He hasn't even reached the primordial spirit realm. You are a four-star earth-god, what are you afraid of?"

no! Shen boyuan shook his head and said, " Chen Xiaobei's cultivation is not strong, but he has a six-star earth-god's infinite sword formation! I don't have a seven-star earth-god instrument, so I don't dare to fight him ..."

"Pig brain! I told you to use poison! I'm not asking you to fight him directly!"

"Take out your strongest poison!" Lu Yue said angrily. I'll teach you how to kill Chen Xiaobei!"

"Yes ..."

Shen boyuan quickly took out a small bottle and said respectfully, " "This is the strongest poison of my poisonous leopard sect, the body burning and soul destroying powder! A five-star earth-god only needs a little bit to poison all existences under the six-star earth-god level!"

"Let me see!"

Lu Yue held the talisman in one hand and opened the small bottle with the other. He sniffed it and said, "Add dried blood grass, essence flower, golden thorn snake poison ..."

Lu Yue named more than a dozen poisonous creatures in one breath. Although there were a lot of them, they were not of high level.

As a poison master, Shen boyuan naturally carried these poisonous substances with him.

However, Shen boyuan was puzzled. these poisonous substances are only one-star earth-god grade, while my body-Burning Soul-extinguishing powder is a five-star earth-god grade. Not only will mixing them together not help, but it will also destroy the medicinal effect of the body-Burning Soul-extinguishing powder!

"You know nothing! When I was playing with poison, Shen Gongbao was still wearing open-crotch pants!"

do as I say, " Lu Yue said indifferently. this is my secret recipe. It can penetrate the protective Zhen Yuan of anyone below one-star earth-god level!

"Penetrate ... Penetrate the protective Zhen Yuan? How ... How is this possible?!" Shen boyuan was dumbfounded. He could not believe his ears.

As a poison master, Shen boyuan had seen countless strange poisons in his life, but he had never heard of a poison that could penetrate the protective Zhen Yuan.

One had to know that a cultivator's protective Zhen Yuan was like a perfect protective shell that was impervious to fire and water, and could not be broken by any technique! Unless the impact force was greater than the xiuzhe's battle power, it could not break the protective Zhen Yuan!

No matter how toxic a normal poison was, it was impossible to penetrate the protective Zhen Yuan! This was because poison didn't possess any combat power!

But now, Lu Yue's poison could penetrate through one's body-protection genuine vitality!

this means that I don't have to fight Chen Xiaobei at all. I just need to let the poison surround him and penetrate his protective true energy. Then, he'll be dead!

"That's right!" Lu Yue nodded and said,"quickly do it!" Don't waste time!"

"Yes!"

Shen boyuan nodded his head heavily, and his confidence was immediately ignited. with senior Lu's poison, I can definitely incinerate Chen Xiaobei's body and destroy his soul!

As soon as he finished speaking, Shen boyuan began to synthesize a new poison according to Lu Yue's formula!

"Chi ..."

After the synthesis was completed, Shen boyuan threw the small bottle of poison at Chen Xiaobei!

"Whoosh!"

Then, Shen boyuan released another burst of ethereal force, which smashed the small bottle into pieces when it was near Chen Xiaobei!

As the bottle shattered, a dark red poisonous substance exploded and spread in the air. In the blink of an eye, it had enveloped Chen Xiaobei!

"Hahaha ... I've succeeded!"

Shen boyuan laughed out loud and was extremely excited. the body-Burning Soul-extinguishing powder has already covered Chen Xiaobei. As long as it can penetrate his body-protecting true energy and touch his skin, even just a little bit, he will die instantly!

"Wait a moment!"

But at this moment, Lu Yue frowned and said, "Chen Xiaobei didn't even use his ethereal force! What's going on?"

this ... Shen boyuan was stunned and shocked."Without the ethereal force to protect his body, Chen Xiaobei should have been poisoned! Why was he completely fine?! Could it be that he still has the ability to be immune to all poisons?"

can I say something ... Tairo Kameda's face was full of nervousness as he said in a low voice, "Chen Xiaobei hasn't said a single word since the beginning. He didn't even move ...

"Yup! I wouldn't have noticed if you didn't mention it!" "Chen Xiaobei was just standing there while I was concocting the poison!" Shen boyuan said in surprise. This is too strange!"

"Not good! We've been tricked!" Lu Yue suddenly screamed and quickly retreated.

"Tricked? What plan?" Shen boyuan and Kurita a tailang were both dumbfounded, and their faces instantly turned pale.

"Whoosh!"

At this moment, a brown worm flew out of the void. It was only the size of a sesame seed and was not easy to spot! At an extremely fast speed, it directly drilled into Shen boyuan's collar!

"This plan is called" building a path in the light, crossing the path in the dark!"" Chen Xiaobei's voice was heard. He was right beside them.

"Isn't Chen Xiaobei standing far away? Why is the sound coming from our side?" Everyone was shocked and confused.

Chapter 2296: Shameless Sneak Attack

"Whoosh ..."

Before everyone's shocked eyes, Chen Xiaobei's body, which was shrouded in the poisonous gas, started to fade and finally disappeared.

Some of the more observant ones even noticed that Chen Xiaobei had turned into a strand of golden hair and flew away with the wind.

"What's going on? That Chen Xiaobei turned into a hair first?" Shen boyuan was so shocked that his eyes were wide open like a bull's.

"A living person turned into a strand of hair! This is like the substitution technique of our Ninjutsu! But it's even more profound than Ninjutsu!" Saburo Kameda swallowed his saliva and could not believe his eyes.

"That's the prosperous monkey fur!"

At the same time, Lu Yue had already fled hundreds of meters away. He stepped on his flying sword and retreated quickly. "You two idiots, stop staring! Hurry up and escape! I'm not going to keep you company!"

With that, Lu Yue immediately flew away on his sword without any delay.

It was obvious that the Chen Xiaobei that walked out at the beginning was transformed from the high-tier prosperous monkey fur!

In other words, Lu Yue's hidden curse talisman had sealed a fake cleansing Bodhi!

The monkey fur was inanimate and would not be poisoned. Therefore, the miasma in the medium and Shen boyuan's poisonous mist could not hurt 'Chen Xiaobei' at all!

At the same time, because the secret curse talisman's special ability had reached the level of a nine-star earth-god, it required trillions of low-grade spiritual energy to be activated once! It was impossible to activate it a second time in a short period of time!

Without the support of the dark curse talisman, Lu Yue was no match for Chen Xiaobei!

That was why Lu Yue chose to escape without hesitation!

"I understand ..."

Shen boyuan swallowed his saliva and said, " the monkey's fur has turned into 'Chen Xiaobei'! Draw out senior Lu's trump card! And the real Chen Xiaobei was secretly crossing Chen Cang! They've already reached our side when we weren't paying attention!"

"Heh, it seems that you're not so stupid that you can't be saved, old thing!" With a cold laugh, Chen Xiaobei removed the stealth ability of his Nightstalker outfit and revealed himself!

They saw Chen Xiaobei, who was wearing a black outfit, standing in front of them calmly. He was less than three meters away from Shen boyuan and Kameda Tairo!

my God ... When did Chen Xiaobei come to us? is he a human or a ghost? "

In an instant, gasps of shock could be heard in the crowd. Everyone was shocked to the core!

"Chen ... Chen Xiaobei! What ... What are you doing?!" Shen boyuan swallowed his saliva and his voice was trembling.

"What am I doing?"

hehe! Chen Xiaobei laughed. a few seconds ago, you were still saying that you wanted to burn my body and destroy my soul! What do you think I'm doing?"

"Don't ... Don't kill me ... I know I was wrong ..." He begged.

Shen boyuan knelt on the ground and kowtowed to Chen Xiaobei. Zhufeng Zhenren, please spare my life ... I did all this under Shen Gongbao's orders. I have no grudges with you. Please spare my life ...

Seeing this, Tairo Kameda and the hundreds of people around him knelt down and begged for mercy.

Chen Xiaobei shrugged and asked, "I'm not a person who likes to kill, but if I've already been hit by Lu Yue's killing move, will you let me go? Obviously not! You'll only make me die a terrible death!"

As soon as this was said, everyone present was speechless.

I can spare your lives, " Chen Xiaobei continued. but I must give you a punishment that you will never forget! Those who cripple their own cultivation can live!"

"This ..."

All of a sudden, the scene broke out into gasps again, and wailing and begging for mercy were endless.

Zhufeng Zhenren, please spare us ... We're all from the earth-god Realm. If we destroy our cultivation, we'll become the most lowly of trash ... We'll lose everything and live a life worse than death ... Zhufeng Zhenren, please spare us ...

It was obvious that the strong preyed on the weak in this world, and the strong were respected!

If a cultivator lost his cultivation, he would lose all his power, status, wealth, and beauties! He would become a piece of trash that everyone could bully! It could definitely be said to be a fate worse than death!

heh, if you think that I'm a soft-hearted good person, you're gravely mistaken!

I don't think so! Chen Xiaobei said. a few seconds ago, when Shen boyuan launched the poison attack, all of you were so excited. You were so happy that you wanted me to die!

"Now that you've turned around and begged me, you want me to forgive you? I'm sorry! There's no such thing in the world!"

Chen Xiaobei's eyes were cold and emotionless. "All of you, either destroy your own cultivation and live the rest of your lives like ants! Either you die!"

Obviously, Chen Xiaobei did not like to go on a killing spree, nor did he want to kill too many people. However, Chen Xiaobei was definitely not a good person who would let others bully him!

If you respect me, I will respect you ten feet!

If you bully me by one point, even if I don't return ten points, I will definitely return that one point!

This was Chen Xiaobei's principle!

These hundreds of people had already angered Chen Xiaobei. They were either crippled or dead. Chen Xiaobei would not give them a third option!

"I ... I'm willing to destroy my own cultivation ..."

Shen boyuan was the first to admit defeat. A sharp true core strength suddenly gathered in his palm!

The power of this palm had reached the level of a four-star earth-god, which was enough to shatter Shen boyuan's sea of Qi dantian and destroy all his cultivation!

"Swish!"

However! To everyone's surprise, Shen boyuan's palm was not aimed at his own dantian. Instead, his fingers turned into claws and went straight for Chen Xiaobei's throat!

"Old fox! You're as despicable as Shen Gongbao!" Chen Xiaobei's eyes glowed with a cold, murderous intent!

However! The distance was too close, and Shen boyuan's speed was too fast! Chen Xiaobei had no time to Dodge and his throat was in Shen boyuan's palm!

"Hahaha! Little rascal! Who asked you to be arrogant! Who asked you to act cool! In the end, you still fell into my hands!"

Shen boyuan stood up and clutched Chen Xiaobei's throat with his fingers. "As long as I exert a little force with my five fingers, I can directly break your throat! Zhufeng Zhenren! You can say your last words now! Hahaha ..."

Seeing this scene, kuridatarō and the hundreds of people around him all stood up and laughed at his misfortune.

"Hahaha ... And here I was thinking how awesome master Zhufeng is! After half a day, he was actually a retard! We were ambushed so easily!"

"Too stupid! I'm going to post it online and let the world see the scene of this master Daoist Zhufeng's neck being broken!"

"What's the big deal about breaking his neck? I want to start a live broadcast! Cut Chen Xiaobei into a thousand pieces! Dismembered into ten thousand pieces! The number of viewers will definitely exceed 10 billion!"

.....

The killing intent in Chen Xiaobei's eyes grew stronger as he listened to the mockery around him. "I'm giving you a way out out out of good intentions, but you insist on rushing into a dead end! So stupid!"

[Red Envelope Group of the Three Realms](#)

Chapter 2297: God, Of Course

"What? You brat, you're on the verge of death and you still dare to call us stupid?"

All of a sudden, the hundreds of people at the scene were agitated, pointing their fingers at Chen Xiaobei and cursing him.

"Little bastard! Your life is already in sect Master Shen's hands, yet you still dare to speak so arrogantly, you really don't know what's good for you!"

"I think this kid is scared silly! You're starting to talk nonsense!"

"He's not scared silly! He was really stupid! It would have been fine if he had killed sect Master Shen earlier! Now that he was killed by sect Master Shen, he can only blame his own stupidity!"

"That's right! This kid is an idiot! Hahaha ..."

As the saying goes, the upper beam is not straight, the lower beam is crooked! With pillars like Shen boyuan and Kurita a Tairo, the disciples below would naturally not be any better!

Just a moment ago, Chen Xiaobei had intended to spare their lives, but now, they were not grateful at all. Not only did they not want to let Chen Xiaobei live, they even mocked and insulted him more than before.

Cruel and unscrupulous, this was the kind of person he was!

"Chen Xiaobei! Since you don't have any last words, I'll send you on your way now. I'll wring off your head and exalted immortal Shen will definitely reward you handsomely. Just thinking about it makes me feel so good! Hahaha Uh ..."

Shen boyuan was full of excitement and laughed.

However, just as Shen boyuan was laughing the most, and his mood was at its best, his laughter suddenly stopped! What replaced it was a painful wail!

Oh ... Ah ... How could my body ... How could it ... Ah ...

Before Shen boyuan could finish his sentence, his life force was completely cut off and he died on the spot!

What was even more strange was that Shen boyuan's perfectly fine body was rapidly drying up, as if he was a dried corpse that had been weathered for thousands of years!

"My God ... What ... What is going on?"

Upon seeing this, the hundreds of people around them, including Saburo Kameda, could not help but scream!

"What is sect leader Shen doing? Why did he suddenly become a dried corpse?"

"Chen Zhufeng! This must be Chen Zhufeng's doing! It was Chen Zhufeng who used a secret technique to kill sect Master Shen!"

"This is unbelievable! Chen Zhufeng was already on the verge of death, but he still managed to kill sect leader Shen! How did he do it?"

"A bunch of idiots! At this time, you still have the mood to study the battle situation? Hurry up and beg for mercy!"

His words woke him up from his dream!

no! someone begged for mercy, and the hundreds of people around him knelt down again and kowtowed to Chen Xiaobei.

"Sect leader Chen! We were wrong ... We're willing to destroy our cultivation. Please spare our lives ..."

Zhufeng spiritual master, please spare our lives ... Please spare our lives ...

"Zhufeng Zhenren! I don't dare to do it again ..."

In an instant, wails and howls could be heard everywhere! The faces of the hundreds of people were pale, and their expressions were even more miserable than the death of their own father!

Unfortunately, what they had just done had completely infuriated Chen Xiaobei!

Originally, Chen Xiaobei had given them two choices: either cripple them or kill them!

But at this moment, they only had one choice left-to die in embarrassment!

"Whoosh ..."

Chen Xiaobei did not want to say a word to these cruel and unscrupulous people. He waved his hand and threw out ten superior-grade spiritual stones!

His true essence crushed the spirit stone, and the pure spirit Qi poured into the Nightstalker outfit.

"Not good! Chen Zhufeng was going to start a massacre! Everyone, run!"

Seeing that the situation was not good, he immediately summoned his flying sword and rushed into the sky.

"Swish!"

However, in the next moment, Chen Xiaobei was already 300 meters above the ground and caught up with Tairo Kameda!

how ... How is this possible?!

Tairo Kameda was dumbfounded and extremely shocked. Chen Zhufeng doesn't have a flying Dharma Treasure. How can he catch up to me? " This doesn't make any sense ..."

"Whoosh ..."

Suddenly, a golden feather appeared on Chen Xiaobei's Black Nightstalker outfit!

"Woof! Whoosh!"

Tens of thousands of golden feathers appeared!

A pair of huge wings that spanned 300 meters appeared behind Chen Xiaobei!

In an instant, golden light enveloped the world!

It lit up the dark night sky as if it was daytime! It lit up the dusky land!

Chen Xiaobei was at the core of the golden light, like a god who had descended to the mortal world. His entire being exuded a divine and Supreme aura!

"Chen ... Chen Zhufeng! Are you a human or a God?"

Saburo Kameda took a deep breath, his pupils contracted uncontrollably, his body trembled violently, his legs went soft, and he almost fell off the flying sword.

"Of course I'm a God!"

Chen Xiaobei's eyes were cold and empty. He spat out the words emotionlessly.

"The Grim Reaper!"

Oh my God ... Tairo kueda trembled violently. He was so scared that he peed his pants!

"Woof! Whoosh!"

Chen Xiaobei did not waste any time and flapped his golden wings!

The wings spanned 300 meters! It was like a golden rainbow! It suddenly shot out an endless brilliance!

Each of these golden lights was a golden feather!

Each of the Golden feathers contained an extremely strong seventh metal baleful Qi!

As countless golden feathers shot out, the terrifying seventh metal killing intent completely enveloped the entire space!

It was as if a golden Iron Horse had struck! Hundreds of millions of weapons clashed! Everyone present was intimidated by the endless murderous aura!

"Uh! Ah ..."

The golden light pierced Tairo's eyes and he couldn't open them. Of course, he didn't have the time to open them!

In the blink of an eye, countless golden feathers had already brushed past Kameda Tairo's body! It was as if countless blades had brushed past him, instantly dismembering Tairo kamida's corpse into a thousand pieces!

Whoosh ... Whoosh ...

In the next moment, Tairo Guitian's entire body turned into countless pieces and fell from the sky, scattering all over the ground. He died without an intact corpse!

Oh my God ... That's terrifying ... Chen Zhufeng killed elder Guitian in seconds ...

elder Guitian is a three-star earth-god ... He couldn't even take one move from Chen Zhufeng ...

"Run! Let's run ..."

Upon seeing this, the hundreds of people on the scene were like ants on a hot pan. They all summoned their flying swords and fled in all directions.

There were hundreds of people running away, but Chen Xiaobei was alone.

It was obvious that if they chased after a group of people, the other group would escape.

However, Chen Xiaobei had already made up his mind that he would not let these cruel and unscrupulous people go!

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

The next moment, nine pairs of giant wings appeared behind Chen Xiaobei!

Obviously, the Nightstalker outfit was a three-star earth-god level item. Every time it was activated, it would consume 100 million low-grade spiritual energy, which was equivalent to one high-grade spiritual stone!

Chen Xiaobei's ten high-grade spiritual stones had filled the Nightstalker outfit with spiritual Qi!

Chen Xiaobei's mind had formed nine pairs of 18 wings!

Each pair of giant wings spanned three hundred meters!

The nine pairs of eighteen wings spread out behind Chen Xiaobei like a golden sun, bringing light to the world and sweeping away the darkness!

"Die!"

Chen Xiaobei only said one word.

The next moment, all 18 wings flapped! Over a hundred people had died!

[Red Envelope Group of the Three Realms](#)

Chapter 2298: Looking For Partners

Hundreds of millions of golden feathers, hundreds of millions of blades!

A mere hundred people could not escape from this inescapable net-like killing domain!

From the moment they angered Chen Xiaobei, their deaths were already set in stone!

[eliminated hundreds of villains!] [you've received three million merit points!]

[your current merit points are 6033030000 (charm: 603303000, luck: 603303000) !

"Very good! Merit points entered his account! Now that the exchange price of my merit points book has returned to normal, three million can be exchanged for a lot of good things!"

Chen Xiaobei was secretly pleased.

Of course, Chen Xiaobei could not use his merit points for now. After saving Liu xuanxin, he might need to exchange them for life-saving items.

"Woof! Buzzzzzz! Yi ..."

After that, Chen Xiaobei released dozens of ethereal force to collect all the storage bracelets and flying swords from the dead bodies on the ground!

In order to upgrade the witch Dragon Flame, Chen Xiaobei had used up all his spiritual aura. Now that he was in need of resources, he would not let go of the things left behind by the enemy!

The items of the hundred ordinary disciples were all low-grade items. Chen Xiaobei had only taken 10000 high-grade spiritual stones from the storage bracelet. The rest of the items were thrown into the heaven and earth smelt.

The flying swords of these hundreds of people were almost all spiritual artifacts, not even at the earth-god level. Naturally, they could only be recycled.

In the end, Chen Xiaobei was left with three storage bracelets.

The owners of the three storage bracelets were Shen boyuan, Tera Yantian Ji, and torita Taro!

"Let's see what good stuff these two Japanese have!"

Chen Xiaobei then started to check the storage bracelets of Tera-nihida Ji and Kameda Tairo.

He found a total of 50000 high-grade spiritual stones and transferred them to his own Treasury.

The rest of the items included two three-star earth-god instruments, two two-star earth-god flying swords, and a variety of resources. There were a lot of resources, but they were not of high grade.

Without hesitation, Chen Xiaobei threw the earth-god instrument and the rest of the items into the heaven and earth furnace.

"Only Shen boyuan's storage bracelet is left!"

Chen Xiaobei said expectantly, " this guy is the master of a sect and the descendant of Shen Gongbao. There should be a surprise in the storage bracelet, right? "

Chen Xiaobei immediately started to look at it.

There were 50000 upper spiritual stones in the storage bracelet! It could be seen that Shen boyuan's Foundation was much deeper than the two Japanese.

After transferring the spiritual stones into his own Treasury, Chen Xiaobei's wealth had reached 10860000 superior-grade spiritual stones!

Then, Chen Xiaobei found a four-star earth-god instrument, a three-star earth-god grade flying sword, and a large amount of resources.

These things were not worth Chen Xiaobei's attention. The only way out was to melt them down.

In the end, Chen Xiaobei was pleasantly surprised to find something.

"This guy actually has a God's eye talisman!"

Oh! Chen Xiaobei was overjoyed. Shen Gongbao must be worried that I won't show up. He gave Shen boyuan a God's eye talisman so that he can look for me when he needs to!

The God's Eye talisman was a good thing. Chen Xiaobei had used it before, so he knew its uses!

Now, Chen Xiaobei could not ask the clairvoyant for red packets, but this God's eye talisman would bring him great convenience when he needed it!

"Alright! The enemy had been eliminated, and the harvest was in his hands! I can go back to second senior brother now!"

Chen Xiaobei summoned his ancient-looking flying sword and flew into the sky, leaving the planet.

.....

Second level of the starry sea.

Chen Xiaobei did not go to Tian Peng immediately. Instead, he returned to the planet where the spirit congealing immortal abode was located.

This was because Zi Yuan, Xiao 'er, and Lin Dong demoness were all separated from Chen Xiaobei on this planet during the war at the spirit congealing immortal abode.

Xiao 'er was Chen Xiaobei's godly lockpicking tool. There was nothing in the human world that he could not bite through. Of course, Chen Xiaobei had to find Xiao' er as soon as possible.

The witch of winter was the weapon spirit of the limitless nine-floor Pagoda. With Chen Xiaobei's current cultivation, he could open the third and fourth floor of the pagoda. There were a lot of resources in there, but he had to find the witch of winter first.

Zi Yuan was a venomous demon at the nascent soul realm who had successfully condensed a Dharmakaya. He could release poison curses and control Qin Wuxin! Finding Zi Yuan was the key to saving Liu xuanxin!

That was why Chen Xiaobei returned to the planet where the spirit congealing immortal abode was located.

He had to think of a way to find his three friends first, so that it would be more convenient for him to carry out his actions later.

"Last time, I returned to the spirit condensation immortal abode and emptied the earth immortal's spirit veins, but I didn't find any traces of the three of them. This means that they've already left the immortal abode! But, where will they go?"

'Xiao' er is a super foodie! He loves places where spiritual things gather!' Zi Yuan was a poisonous demon, so he definitely Liked Places filled with poison! Winter is a spiritual body that can't move on the ground for a long time. We have to find a place where Yin Qi is concentrated!"

"Is there any place on this planet that can satisfy the needs of all three of them at the same time? A spiritual item! Poison! Yin Qi! This is really a difficult problem for me!"

Chen Xiaobei was unfamiliar with the earthly calamity Star Ocean. He had no idea where such a place existed.

He had no choice but to ask Hua hanyue for help!

Chen Xiaobei immediately gave Hua hanyue a call.

"Sect leader Chen! Is there anything I can help you with?" Hua hanyue had a straightforward personality and went straight to the point as soon as she picked up the phone.

faction leader Hua is very good at collecting information. I'm looking for you to ask if there is any place in the second level of the starry sea that has a large amount of spiritual items, poison, and Yin Qi. Chen Xiaobei said.

"This ..."

Hua hanyue thought for a moment and said, " I can't think of such a place. I can only help you investigate it through my connections at nine nether platform!

alright! Chen Xiaobei nodded. this is an urgent matter. I hope we can get to the bottom of this as soon as possible!

if it's urgent, you can go to black wind Valley to take a look!

that Valley is covered in poison all year round, " Hua hanyue said. no one has ever been able to enter the deepest part of it. Maybe there are both spiritual objects and Yin Qi in there!

"Black wind Valley?"

"Alright!" Chen Xiaobei decided. I'll go take a look first! There's no other clue anyway, so we can only try it as a last resort!"

"Okay, I'll send you the location right away. Be careful!" Hua hanyue said.

After hanging up the phone, Hua hanyue sent the location of black wind Valley not long after.

"Reliable! This location is on the same planet as the spirit condensing immortal abode. Xiao 'er and the other two shouldn't have been able to go to other planets. It's very likely that they're in the black wind Valley!"

Chen Xiaobei took out his flying sword and started to move.

After half a day's flight, Chen Xiaobei had reached the other side of the planet and found the valley called black wind!

[Red Envelope Group of the Three Realms](#)

Chapter 2299: Three Pictures

Just as Hua hanyue had said, the forest outside the black wind Valley was filled with poisonous miasma.

The closer they got to the valley, the higher the concentration and toxicity of the poison.

Not to mention ordinary people, even the average Poison Path person would not dare to enter the valley. Even a poison master like Shen boyuan wouldn't be able to reach the deepest part of the valley.

Of course, Chen Xiaobei could!

With the cleansing Bodhi, Chen Xiaobei was not afraid of the natural poison at all!

Unless there was an evil poison, witch poison, curse poison in the valley that could be triggered by evil Arts ... No natural poison would be able to stop Chen Xiaobei from going to the deepest part of the valley!

Zi Yuan is a poisonous demon, and Lin Dong is a spiritual body. They're not afraid of poison!

As Chen Xiaobei walked into the valley, he thought to himself, "Xiao 'er is the leader of the prehistoric vicious insects! It can devour everything in the six DAOs at the larva stage!"

"No matter how powerful the poison is, the waiter can eat it! No matter how powerful the poisonous insects were, they had to call the waiter their ancestor! I'm not afraid of the poison in the black wind Valley!"

now that we have the poison, as long as there are spiritual items that Xiao 'er likes to eat in the valley, as well as the yin Qi needed for the cold winter, the three of them will definitely be here!

Chen Xiaobei quickened his pace and headed deeper into the valley.

The deeper they went, the stronger the poison in the space became. Normal humans couldn't enter at all, and even poisonous insects and grass couldn't survive in the deeper parts. There were only bare rocks in all directions.

Luckily, Chen Xiaobei had the cleansing Bodhi. Otherwise, even if he had ten thousand lives, he would not be able to survive here.

.....

After some time, Chen Xiaobei finally reached the deepest part of the valley.

There was a stone door here, and it looked like the immortal's cave of some otherworldly expert.

However, the stone gate had been severely weathered. It was likely that no one had been here for thousands of years.

"It seems like I've come to the wrong place ..."

Chen Xiaobei frowned. if Xiao 'er was here, the stone door would have been bitten open by now. Besides, there is no Yin Qi here. That means the three of them are not here!

Chen Xiaobei was a little disappointed that he could not find his friend.

"However, since I'm already here, I'll definitely enter this cave to investigate!"

Chen Xiaobei then placed his hand on the stone door.

"Whoosh ..."

A strong ethereal force was released from Chen Xiaobei's palm and enveloped the entire stone door!

Now, Chen Xiaobei had reached the nine-fire god-refining level, and his combat power was 5.5 million!

"Boom boom boom ..."

Chen Xiaobei used his ethereal force to push open the heavily weathered stone door.

Sure enough, behind the stone door, there was a cave dwelling that had once been lived in.

In the cave abode, one could see the flat floor and walls, elegant and simple tables and chairs, and wooden shelves for placing objects ...

All the signs pointed to the fact that someone had once lived here, and it was long-term.

However, this place had been completely abandoned!

Other than the ordinary furniture, almost all the valuable items had been moved away!

"I thought I'd find a treasure vault, but there's nothing here! This time, I've completely wasted my time!"

Chen Xiaobei furrowed his brows. He could not find Xiao 'er and the other two, and he did not find anything. He had wasted a lot of time and was not happy.

"Eh?"

Just as Chen Xiaobei was about to leave, he noticed a crack on the wall.

The crack was like a cracked eggshell, and through the crack, one could see a Jade-white color.

"Swish!"

Chen Xiaobei flicked his finger and shot out a beam of ethereal force!

"Ka! Ka! Ka ..."

When the true essence hit the crack, it was like an egg shell had been completely shattered.

Palm-sized rocks fell off the wall, revealing a huge piece of white jade!

The quality of this white jade was excellent, and what was even rarer was that it was not pieced together, but a complete piece!

"It has spirituality! This isn't ordinary Jade!"

Chen Xiaobei quickly walked over and placed one hand on the White jade. He immediately started to communicate with it.

"Chi ..."

With a flash of spiritual light, the huge piece of white jade showed ancient pictures like a big screen!

"Eh? I feel like I've seen these pictures before ..."

Chen Xiaobei furrowed his brows and focused his attention on the surroundings.

In the first picture, a woman was crowned as the crown, and countless people were kneeling around her. From this, it could be seen that the woman was the Empress of some country!

In the second picture, the people who were kneeling on the ground suddenly swarmed up and attacked the Empress together! At the critical moment, the Empress's dantian was pierced by a dagger by her trusted aide, and her cultivation was completely crippled!

In the third picture, a mysterious power burst out of the Empress, whose cultivation had been crippled. It crushed the whole scene with supreme power and instantly wiped out all the enemies who swarmed up around her!

"The scenes depicted in these three paintings do look very familiar to me ... But I can't remember where I've seen them before ..."

Chen Xiaobei frowned and searched his memory, hoping to find some clues that could help him decipher the hidden fortune in the White jade.

If it was an ordinary person, they would usually not be able to remember things that happened after such a long time!

Moreover, even if he remembered, he wouldn't have made the corresponding Association!

But Chen Xiaobei was different! With the scholar heart, he was best at drawing inferences and understanding things by analogy!

"I remember now!"

Chen Xiaobei's eyes lit up and said excitedly, " "When I was still on earth! Bodhi and I will head to the ruins of the ancient Jingjue sect to look for her parents!"

"In the ruins, Bodhi and I found a few of Saint Duke's elders who were stationed on earth! At that time, Subhuti's identity was still unknown, and one of the elders suddenly launched an attack!"

"That guy's strength was far above mine, and he almost took my life! In the end, a burst of power suddenly erupted from Subhuti's body and killed the elder on the spot!"

"That magical power! It's the power of Saint Duke's heavenly veins!"

Chen Xiaobei said excitedly, " the content of these three pictures is that the Empress is being attacked by her own people. Although her cultivation has been crippled, the power of her bloodline is still there. She can unleash her power and kill all the traitors!

"If I'm not wrong, the Empress in these three paintings should be the owner of Saint Duke's heavenly veins, the ancestor of the Luo family! If we can bring Subhuti here, she might be able to obtain a great opportunity!"

"This is an opportunity that can't be missed! I have to contact Bodhi!"

The more Chen Xiaobei thought about it, the more excited he became. He took out his phone and dialed Luo puti's number.

Chapter 2300: Big Trouble

"Xiao bei? Why are you calling me?"

As soon as the call was connected, Luo puti's surprised and happy voice came through.

"I miss you!" Hearing Luo puti's voice lifted Chen Xiaobei's mood.

"You're bragging!"

you've been so busy lately, " Luo puti said. you've been unifying apocalypse Starfield, killing millions of enemies, and hitting on other girls. Where do you have the time to think about me? "

"Eh? Why do I suddenly smell a strong jealousy?" Chen laughed evilly.

"Hmph! Don't be so smug, I won't be jealous of you!" "If you're so capable, then don't ever come looking for me again!" Luo puti said.

"What are you saying! How could I not look for you?"

"You're my fiancée!" Chen Xiaobei said. Even now, my parents are still talking about how you're their best daughter-in-law! My future first wife! Your position is absolutely unshakeable!"

"Hmph! You're a sweet talker!" Luo puti's voice was soft and sweet.

"I'm done talking about me, now it's time to talk about you!" Why didn't you take the initiative to contact me after such a long time? Are you still dealing with Saint Duke Starfield?"

"It was originally ..."

Saint Duke is always at war. Even though the enemies have been eliminated, the internal affairs are still unstable. It's very difficult to govern. So, I've been busy helping my father with government affairs. I didn't have time to find you!

"What about now?" you sound so relaxed. There shouldn't be any more problems, right? " Chen Xiaobei asked.

"Yup!" thank God for your help! Luo puti smiled. Saint Duke's current situation has improved by leaps and bounds!

"I'll help?" what? " Chen Xiaobei was surprised. I'm hundreds of millions of miles away. How can I help you? "

there were many powers in Saint Duke who refused to submit to us. They wanted to take advantage of the internal strife to gain private power! Luo puti said.

"A few days ago, the news that you killed a million enemies and dominated apocalypse Starfield came! The entire Saint Duke Starfield was shocked!"

the factions that refused to submit were afraid of being taken care of by you, so they all came to Saint Duke Imperial City in the past few days to pledge their loyalty to my father. They also cooperated with my father to pacify the various turbulent regions!

"As the saying goes, a strong Dragon can not suppress a snake in its own territory! With the cooperation of these local tyrants, the turbulent era of Saint Duke Starfield can finally come to an end!"

Luo puti was very excited. Her words were filled with gratitude for Chen Xiaobei, and at the same time, pride for her man.

this means that you don't have to stay in Saint Duke anymore, right? " Chen Xiaobei asked impatiently.

"Yup ..."

Luo puti replied, "with you as our backer, Saint Duke Starfield will not be in any more trouble!" My father can easily manage the country by himself, so it won't affect me even if I leave Saint Duke!"

"That's great!"

alright! Chen Xiaobei said excitedly, " pack up! I'll get bro Yu and Liu er to pick you up. We'll meet up in the earthly calamity Astral Sea!

"Ah?" Luo puti was surprised and said, " "You want to see me that much?"

"Yeah!" of course! Chen Xiaobei laughed. I really want to see you. I've even prepared a big gift for you!

"What big gift?" Luo puti was so happy that she wanted to fly to Chen Xiaobei's side.

"This gift is related to your Saint Duke heavenly bloodline!"

don't worry! Chen Xiaobei said. before you come, remember to ask your father and bring me all the information you have about Saint Duke's heavenly veins!

"Good! I understand!" Luo puti agreed immediately.

After he hung up, Chen Xiaobei used his ethereal force to dig out the White jade on the wall and put it into his infinite space ring.

Then, he called Xiangyu and asked him and Liu er to pick up Luo puti.

Chen Xiaobei left the dark wind Valley after he was done with his arrangements.

this time, although I didn't find Xiao 'er and the others, I accidentally obtained an opportunity related to Bodhi. The ancestors of the Luo family were at least earth Immortals in ancient times, and could even be celestial Immortals. This opportunity can be said to be of great importance!

"As for Xiao 'er and the rest, I don't have any clues yet!" Fortunately, Hua hanyue's ability to collect information is very strong. There should be news soon!"

.....

Three layers of the starry sea, baozhi villa!

Because the heightslord was the famous miracle doctor Gao, this place was very well-known and there was an endless stream of people who came to seek treatment all year round!

But today, all those who came to seek medical treatment were stopped at the foot of the mountain!

The entire treasure Ganoderma mountain, from the foot of the mountain to the peak, was surrounded by a terrifying Army! The people outside couldn't enter, and the people inside couldn't escape even if they had wings!

"My fellow townsman! What happened here?"

Chen Xiaobei, who was wearing a human-skinned mask, asked a patient who was at the foot of the mountain.

It was a sickly old man. He looked at Chen Xiaobei and said helplessly, " Baozhi villa is in big trouble! I originally wanted to go up the mountain to seek medical treatment, but now, even if I have ten times the courage, I don't dare to go ..."

"Got into trouble?" what's wrong? " Chen Xiaobei frowned. can you tell me more about it? "

"Young man! Don't ask! Hurry up and come with me ..."

The old man said weakly, "The Army surrounding the mountain is a force from the nine layers of the starry sea! I still want to live for two more years ... Cough cough ..."

"Don't worry! I can cure your illness! After you're cured, you can live for another two hundred years without a problem!" Chen Xiaobei then took out some spiritual herbs from his infinite space ring, crushed them and handed them to the old man.

"You can treat illnesses? "I don't believe you ..." The old man looked at Chen Xiaobei and shook his head.

"Even if you don't believe me, you should at least believe the spiritual medicine that I just crushed, right?"

"This ..."

The old man's expression froze for a moment. He looked at the crushed spirit herbs carefully and said, " This old master recognizes it! There are at least two kinds of earth-god grade herbs in here, and they are all very precious and rare!"

"That's right!"

alright! Chen Xiaobei nodded. for the sake of these two earth-god herbs, can you trust me this once? "

"Alright! This old man will believe you this once!" yes! the old man nodded heavily and said, " I'm a sick old man who's about to die anyway. I'm not afraid of you lying to me!

Then, the old man swallowed all the herbs that Chen Xiaobei had prepared.

"Heavens! This medicine is simply divine!"

After a few seconds, the old man exclaimed in disbelief, " "I was originally sick in my lungs, and even breathing was difficult for me! Now, his breathing was smooth, and he could clearly feel that the pain in his lungs was getting better! Young man! Your medical skills are godly!"

Oh? " Chen Xiaobei smiled and asked, " can you tell me what happened at Bao Zhi villa now? "

"Yes! Of course you can!" The old man was extremely excited and nodded his head repeatedly.
