Chapter 2301: Super Scammer

"It's like this ..."

"The force surrounding the mountain is called 'extreme King sect'," the old man explained slowly, "and it's the most powerful force on' dingjun planet 'in the nine layers of the starry sea! Moreover, the extreme Emperor sect has a Foundation in the earth-god Realm and is extremely powerful!"

not long ago, the young master of the extreme Emperor sect came down from the earth-god Realm and went to the no man's land in the third level of the starry sea to search for treasures. In the end, he was seriously injured and came here to seek treatment from Divine Doctor Gao!

miracle doctor Gao used conservative treatment and managed to stabilize the young master's condition. He suggested that the young master return to the earth-god Realm and find a more powerful Chinese medicine doctor to continue the treatment!

but miss Gao da brought back a young man from somewhere who is known as the number one divine Doctor in the world! When the young master of the extreme Emperor sect heard about it, he asked the young man to treat him!"

at first, the young man refused to be treated, but under miss Gao's coaxing and pestering, he still prescribed a medicine for the young master of the extreme Emperor sect to take!

"The result!" As soon as the young master of the extreme Emperor sect took the medicine, he began to vomit and have diarrhea. He even started to vomit blood! His injuries, which were barely stabilized, have worsened, and the young master of the extreme Emperor sect is on the verge of death again!"

the point is that even miracle doctor Gao can't do anything about the deterioration of his injuries! The young master of the utmost Imperial sect is getting weaker and weaker. I heard that his heart has stopped beating a few times. If he didn't use a spirit pill to keep himself alive, he would've died long ago!"

after receiving the news, the sect leader of the extreme Emperor sect personally led his men over to kill. He was prepared to massacre the entire baozhi villa and bury them with the young master of the extreme Emperor sect!

The old man looked like a regular patient. He often went in and out of baozhi villa, so he knew everything that happened in the villa.

Chen Xiaobei felt a headache coming on. "What the f * ck! Second senior brother, this scammer! She had told him not to act cool! He actually dared to concoct medicine for others? He's going to kill everyone in Gao Laozhuang's team!"

"What second senior? Young man, what are you talking about?" The old man asked with a dumbfounded expression.

it's nothing ... Chen Xiaobei shook his head."Old man, you can go first! I have to go up the mountain!"

"On the mountain? Do you not want to live anymore?"

"Young man!" The old man quickly said. You'll treat this old man's illness! I must give you a piece of advice!" The sect head of the extreme Emperor sect loved his son as much as his life. Today, baozhi villa was destined to be a bloodbath! If you go up the mountain now, you will only be killed and buried with him!"

"Don't worry, I know what I'm doing!" Chen Xiaobei calmed himself down and quickly walked to the foot of the mountain.

don't go ... the old man tried to persuade him but Chen Xiaobei had already gone to the extreme Imperial sect. The old man did not dare to go over.

"You little brat! Didn't you see that the extreme Emperor sect had sealed off their mountain? Get lost!" A few of the extreme Emperor sect's disciples, who were wearing armor and had long sabers at their waists, shouted angrily.

Chen Xiaobei did not get angry. Instead, he said gently, " "My second senior brother has caused a big trouble, and I'm here to help him remedy it!"

"Who is your second senior?" A few of the extreme Emperor sect's disciples asked.

Chen Xiaobei was a little embarrassed. "My second senior brother is the one who prescribed medicine for your young master ..."

what???"

The disciples of the extreme King sect were enraged. They drew their swords and pointed them at Chen Xiaobei."Numbing! You're that quack doctor's junior Brother! You actually dare to get close to us! Don't you know how to spell the word "death"?"

uh ... I admit, my second senior brother is indeed a quack ...

"But, I'm really good at medicine!" Chen Xiaobei said. As long as your young lord is still breathing, I can make him fully recover!"

"You? Go to the side and die!"

A few of the extreme Emperor sect's disciples cursed,"Our young master was originally able to walk around, but in the end, your second senior brother's medicine sent our young master back to the gates of hell! You actually dare to mention medical skills! You're simply shameless!"

"I really do know medicine! if you don't believe me, you can ask the old man ... Chen Xiaobei turned around and pointed to the distance.

However, the old man had already slipped away!

Of course, this wasn't strange. The 'extreme Emperor sect' was notorious, and ordinary people didn't dare to provoke them!

"What old man?"

The disciples of the extreme King sect were furious. They placed their swords on Chen Xiaobei's neck and said, "There's a path to heaven, but you refuse to take it. There's no Door to Hell, but you barged in! Come with us, we'll send you to the execution ground, and you'll be on your way with the people from baozhi villa!"

Chen Xiaobei did not resist and let the knife rest on his neck. "Good, good, good! Take me up the mountain first!"

They soon arrived at baozhi villa.

At this moment, more than a dozen members of the GAO family, as well as dozens of servants and maidservants, were all tied up in the open space at the entrance of the manor.

Tian Peng and Gao Xiaolan were naturally among them.

It was obvious that their true essence had been sealed and they were unable to resist.

Moreover, there was a middle-aged man with a long saber in front of the crowd.

The blade was a five-star earth-god level weapon and its power was enough to crush Tian Peng.

That's right! The middle-aged man with the long blade was the sect leader of the extreme Emperor sect, Huang Batian!

"Cough cough ... Blargh ..."

Beside Huang Batian, there was a bed. On it, there was a young man who was spitting blood. His face was pale and his breathing was weak, as if he would die at any moment.

"You damn quacks! It's all your fault that my son is in this state!"

Huang Batian's eyes were ferocious and his anger was burning. His killing intent shrouded the entire space, "The longer my son lives, the longer you will live! If my son dies, all of you will immediately be buried with him!"

As soon as he said that, the Gaos naturally wailed and fell into despair.

Gao Xiaolan's tears fell like rain, and she sobbed. Grandpa ... Father, mother ... Uncle ... I'm the one who harmed you all ... Wuwuwu ... It's all my fault ...

Tian Peng's face was full of heartache as he comforted, "Xiaolan! Don't cry! My Little Junior Brother will definitely come and save us!"

"You evil spirit! You actually still have the face to talk to me!"

Gao Xiaolan glared at Tian Peng angrily and scolded, "You don't know medicine at all, but you still want to pretend to be a Divine Doctor and kill my entire family. I won't let you off even if I become a ghost!

I don't want to ... Tian Peng said embarrassedly, "The medicine I prescribed was all tonics. Who knew that Huang Xiaoqiang would vomit blood after taking it ..."

"You can go to hell! It's all your fault! It's all your fault ... Sob ... Gao Xiaolan was already in tears, so how could she listen to an explanation?"

"Don't worry! My Little Junior Brother will really come to save us!" Tian Peng said seriously.

"You're lying to a ghost!"

Gao Xiaolan said angrily, " your phone was smashed. Your Little Junior Brother isn't a God. How could he know that we're in trouble? "

"Young lady! Don't panic! I'm really coming!"

Chen Xiaobei walked towards the crowd with four sabers on his neck.

Chapter 2302: Stepping Forward Bravely

"Xiaobei! You're finally here! Yay! I knew you would come to save us!"

Tian Peng's face lit up with joy. He was so excited to see Chen Xiaobei. It was as if he had found his Savior!

Gao Xiaolan rolled her eyes at Tian Peng and said, " "Why are you so excited? Your Junior Brother has four blades on his neck! What can I use to save you?"

Tian Peng grinned and said confidently,"You don't have to worry about that! As long as my Junior Brother takes action, there's nothing that can't be done!"

Gao Xiaolan snorted in disgust,"Hmph!" This senior brother of yours is really cowardly! I have to rely on Little Junior Brother for everything!"

"I'm not a coward! It's called enjoyment!" Tian Peng said triumphantly,"it's my good fortune to have such a powerful Junior Brother!" As long as Little Junior Brother is here, I only care about enjoying a peaceful and comfortable life!"

"You're simply a dead pig that's not afraid of boiling water!" Gao Xiaolan was extremely disdainful. you don't know anything. You're only relying on Little Junior Brother to keep up appearances. How dare you say that so confidently?!

Hearing this, Tian Peng was not angry. Instead, he smiled, " "Xiaolan! So you love me so much! Oh! I'm so happy!"

"I love you, my ass!" Gao Xiaolan rolled her eyes.

"Beating is a sign of affection and scolding is sign of love!" you're scolding me so fiercely, " Tian Peng laughed evilly. that means you love me so deeply!

where's my saber!!!

Gao Xiaolan gritted her teeth in anger and cursed, " "I'm going to chop this stinky and shameless bastard to death!"

"Shut up!"

At this moment, Huang Batian suddenly roared, " "It's so noisy that my son can't rest well! I'm going to kill you all right now!"

"Oh ..."

Gao Xiaolan and Tian Peng were both shocked. They immediately shut their mouths and didn't dare to speak.

they've quieted down, " Chen Xiaobei said. let me treat the patient!

"Eh? Who Do You Think You Are? Do you have the right to speak here?" Huang Tianba glared at Chen Xiaobei coldly.

"It doesn't matter who I am!" what's important is that I'm the only one who can save your son's life! Chen Xiaobei said.

"You?"

Huang Tianba's expression froze for a moment before he suddenly cursed, even old man Gao, who has been a Divine Doctor for half his life, is helpless. You're just a little brat who hasn't even grown hair yet. How can you save my son? "

miss Gao knows my medical skills best. She can testify! Chen Xiaobei said.

"Yes, yes, yes!" yes! Gao Xiaolan nodded. this young master Chen has personally treated my illness before. His medical skills are above my grandfather's. He can definitely save your son!

"Bah! Do you think I'm stupid? Would he still believe your nonsense?"

"You're the one who said that the quack called Tian Peng is ten thousand times better than your grandfather!" Huang Tianba cursed. In the end, he ruined my son with a single dose of medicine!"

I ... I was also tricked by Tianpeng ... Gao Xiaolan was almost in tears."But I can swear that young master Chen's medical skills are really high! Your son is going to die anyway, so why don't you just try it as a last resort!"

Hearing this, Huang Tianba was enraged, "Motherf * cker! You dare to call my son a dead horse! I'll exterminate your entire family! Men! Chop! Chop all the people of the Gaos into meat paste!"

"Don't hurt Xiaolan!"

At this moment, Tian Peng suddenly stepped forward and stood in front of Gao Xiaolan.

Gao Xiaolan's expression froze and her heart trembled. Although Tian Peng was detestable, he was still a man to stand up and protect her at this critical moment!

"Huang Tianba! I want to make a bet with you!"

"Don't tell me you don't have the guts to bet with me in front of all your disciples!" Tian Peng shouted.

"What?"

Huang Tianba's face stiffened. "You're about to die, what else can you bet on?"

"I thought you didn't believe in my Little Junior brother's medical skills? We'll bet on his medical skills!"

Tian Peng said seriously, "you can poison me and ask my Junior Brother to cure it!" If I'm poisoned to death, I deserve it! However, if my Junior Brother saves me, you must let Xiaolan go!"

"Good! I accept your bet! You've caused my son to become like this, it's too easy to kill you!"

"I just happen to have a five-star earth-god level poison," Huang Tianba said coldly. "Just a little bit of it and your skin will rot completely! The bones would turn into pus and blood! Their eyeballs would explode! His brain would spray out of his eye sockets! This is the end you deserve!"

hiss ... as soon as he said this, a series of gasps sounded in the crowd!

Just hearing such a terrifying death caused everyone's hair to stand on end and cold sweat to form.

But Tian Peng was not afraid and stood out, "Good! Take out your poison! The bet had officially begun! As long as my Junior Brother can cure me of the poison, you must let Xiaolan go!"

"Hmph! You're dreaming!"

Huang Tianba took out a bottle and grinned, "There's a five-star earth-god level poison in this. Even a hundred of manager Gao can't cure it! That little bastard wants to save you? wait for your next life!"

"Cut the crap! Hand over your poison!" Tian Peng didn't show any fear. He puffed out his chest and looked extremely brave.

this idiot ... Gao Xiaolan was deeply touched by Tian Peng's actions. Her eyes turned red and tears fell.

Although Tian Peng's pretentiousness was really hateful! But at this crucial moment, Tian Peng risked his life to save Gao Xiaolan!

A life for a life, a human heart for a human heart!

At this moment, Gao Xiaolan was really touched!

"Di da!"

Huang Tianba opened the bottle and poured a drop of blood-colored poison into Tian Peng's mouth.

"Ugh ... Ouch ... It hurts! It hurts so much ..."

Tian Peng fell to the ground as if he had been struck by lightning and started twitching in pain.

In the blink of an eye, Tian Peng's face turned black and his lips turned purple. His eyes turned blood red and his eyeballs popped out as if they were going to explode at any moment!

It was obvious that the poison was extremely terrifying! If it were an ordinary person, their body would immediately rot and explode if they were slightly contaminated!

Fortunately, the canopy had already reached the peak of the four-star earth-god level, and its body was close to that of a five-star earth-god, so it would not decay immediately!

However, only the blink of an eye had passed!

If he wasn't saved in time, even someone as strong as Tian Peng could only last for ten seconds!

After all, Tian Peng was only close to the level of a five-star earth-god, but the poison was a genuine five-star!

"Huang Tianba! Tell your men to release young master Chen!"

no! Gao Xiaolan shrieked. the knife is still at Childe Chen's throat! How do you expect him to save her!

"Ha, this little rascal can save people, unless a sow can climb a tree!" Huang Tianba did not plan to let go of Chen Xiaobei.

"Whoosh! Whoosh! Whoosh ..."

But Chen Xiaobei had already made his move. He waved his palms and shot out nine beams of ethereal force!

Instantly, Divine Doctor Gao screamed, "Qi transforming into needles! Nine Dragons exploring the cave! A miracle doctor! This is a true Divine Doctor!"

Chapter 2303: Half A Matchmaker

"What? Qi into needles?" Huang Tianba's face was instantly filled with shock.

"What? Nine Dragons exploring the cave?" Gao Xiaolan and the surrounding people were all dumbfounded.

"Godly doctor! What a godly doctor!" Only miracle doctor Gao was not dumbfounded. He was screaming in excitement, as if he was Chen Xiaobei's die-hard fan. His eyes were filled with passion and his expression was filled with admiration. He wanted to rush over and worship Chen Xiaobei!

"Whoosh! Whoosh! Whoosh ..."

The next moment, the nine streams of ethereal force that Chen Xiaobei released turned into the thickness of silver needles!

This was what doctor Gao had meant by turning Qi into needles!

At the same time, his true essence carried energy waves and a powerful Qi force rushed towards Tian Peng's nine acupuncture points like Nine Dragons soaring in the sky!

That's right! This was the nine Dragons exploring the cave!

"Woof! Buzzzzzz! Yi ..."

In the blink of an eye, the nine Qi needles pierced into the nine acupuncture points of Tian Peng.

The saber was still pressed against Chen Xiaobei's neck, but that did not stop him from curing the canopy great herb!

Chen Xiaobei's nine fingers flicked like lightning!

Each finger controlled a Qi needle in the air!

The needles pierced deeply, spun, and flicked lightly ... The needles were constantly changing, and it was dazzling to the eyes just by looking at them!

"Heavens! This young master's acupuncture skills were simply divine! This old man has lived long enough to see it with my own eyes, so even if I die, I can rest in peace!"

Miracle doctor Gao was so excited that his body was shaking. He was on a cloud of adrenaline and worship for Chen Xiaobei.

"What a fast technique!"

Huang Tianba was dumbfounded. He cried out, "Those Qi needles are even more flexible than an ordinary person's fingers! It's too magical!"

The insiders look at the tricks, the outsiders look at the fun!

The crowd was just like Huang Tianba. Although they did not understand the mystery of Chen Xiaobei's needle technique, they were still shocked by the dazzling array of Qi needles!

"Pfft ..."

Suddenly, Tian Peng spat out a mouthful of dirty blood, and a few wisps of black gas came out of his head. He fell to the ground weakly, as if all his strength had been sucked out.

However, Tian Peng stopped twitching and screaming! His dark complexion gradually improved, and his blood-red eyes also slowly returned to their original color!

"The poison is gone! The poison in the canopy great country has been completely neutralized by young master Chen!"

Gao Xiaolan cheered excitedly and jumped to Tian Peng's side. After checking repeatedly, she confirmed that Tian Peng had been completely cured.

"Xiaolan! You do love me ..." The first thing Tian Peng did after escaping death was to flirt with girls.

"Nonsense ... Nonsense! I don't love you!" Gao Xiaolan's face reddened, and she said angrily, "If you continue to talk nonsense, I'll cut you to death with a knife!"

ugh ... Tian Peng's expression froze and he suddenly let out a painful wail.

"Canopy! What's wrong with you? Are you alright? Don't scare me!"

Gao Xiaolan broke down instantly and was extremely nervous. "Young master Chen! Look at the canopy! Is there still poison in his body?"

Chen Xiaobei did not know whether to laugh or cry. My second senior brother is acting! You're so silly! He'll take my heart away!"

"Ah?" Gao Xiaolan was taken aback. Her ruddy cheeks were suddenly kissed.

That's right! Tian Peng was acting. He suddenly stood up when Gao Xiaolan wasn't paying attention and took advantage of her!

"Bastard! Scoundrel! Bastard! how dare you kiss me in public ... Gao Xiaolan's face turned red as if she had been electrocuted.

hehe ... Tian Peng laughed proudly, " "Seeing how worried you are about me, I know that you will be mine sooner or later! If it's a good time to get married now, I'd choose now!"

"Where's my knife?" Flustered and exasperated, Gao Xiaolan roared with a red face, " I'm going to chop this bastard to death!!!

"Silence! All of you shut up!"

At this moment, Huang Tianba suddenly bellowed. His powerful pressure caused everyone to tremble.

"Clang! Clang! Clang ..."

The surrounding extreme Emperor sect disciples drew their weapons one after another, ready to attack at Huang Tianba's command!

"Shit ..."

Gao Xiaolan immediately became nervous, 'I almost forgot that we're still prisoners! Huang Tianba's one word and we'll die without an intact corpse!"

Tian Peng frowned, "I've already won!" He must let you go!"

what do you know ... Gao Xiaolan's voice trembled. "Huang Tianba is a notorious tyrant! He was rude, unreasonable, and killed without blinking! Even if he loses, he will still renege on his debt!"

this ... Tian Peng also became nervous, " "So ... We're still going to die?"

All of a sudden, the Gaos fell into panic and despair again.

"Sect leader! Should I kill this kid first?"

The four extreme King sect disciples who were controlling Chen Xiaobei gripped their swords tightly, ready to kill Chen Xiaobei at any moment.

"Kanni your head! Four idiots! Release the godly doctor immediately!"

With a roar, Huang Tianba rushed to Chen Xiaobei and kneeled down. "Godly doctor! I beg you to save my son! I only have one son! Please have mercy and save him!"

"This ... This, this, this ..."

Seeing this, the Gaos were dumbfounded, and the people from the utmost Imperial sect were even more so. A few of the disciples 'hands trembled, and their knives fell to the ground.

"You may rise!"

Chen Xiaobei looked at Huang Tianba and said, " "This was my second senior's fault! You can only blame yourself for being unreasonable and causing so much trouble!"

Huang Tianba didn't dare to waste his breath. He nodded his head furiously, "Yes, yes, yes! I offended the godly doctor just now. It's all my fault for not recognizing Mount Tai! I admit my mistake! I apologize! Please, please save my son ..."

Chen Xiaobei nodded. As long as your son isn't dead, I can heal him!"

"Many thanks, Divine Doctor! Thank you, Divine Doctor!" Huang Tianba nodded and bowed, treating Chen Xiaobei with more respect than his own grandfather.

"You don't have to thank me!" I don't know! Chen Xiaobei shrugged and smiled. maybe my second Shixiong will thank you later!

"Ah?" Huang Tianba was dumbfounded. He stammered, I almost killed your second senior brother. Why is he still thanking me? "

of course! Chen Xiaobei laughed. even though you're unreasonable and caused all that just now! But after what you've done, second senior brother is now one step closer to his sweetheart! If he can bring back a beauty, you can at least be considered half a matchmaker!"

matchmaker!? Huang Tianba turned his head and saw Tian Peng and Gao Xiaolan flirting with each other. It seemed like something good was going to happen!

After that, Chen Xiaobei helped Huang Tianba's son. Although he did not recover immediately, his life was no longer in danger. After a period of rest, he would be fully recovered!

Huang Tianba thanked Chen Xiaobei profusely and insisted on giving him a big gift!

Chapter 2304: Blood Bodhi

"Young master Chen! This is a blood Bodhi, a specialty of our extreme Emperor sect!"

Huang Tianba took out a red fruit the size of a red date. It was as red as blood and as warm as Jade. It was full of spirituality and was at least a one-star earth-god.

you ... What did you say this is???" Chen Xiaobei was dumbfounded.

In the winter solstice festival, there was a blood bodhi seed in the red envelope given by sect master Tongtian!

"This is a blood Bodhi!" "This spirit herb is very famous in the earthly calamity Star Ocean. Don't you recognize it, young master Chen?" Huang Tianba said.

that's impossible ... Chen Xiaobei frowned in surprise.

Before this, the red packets sent by sect leader Tongtian were all the best of the best, and they were at least God-level!

Chen Xiaobei would never believe that the thing in Huang Tianba's hand was of the same level as the one in the prime of Tongtian's Red envelope!

"Childe Chen, this is a genuine blood Bodhi!"

Gao Xiaolan came over to take a look and confirmed, "This kind of elixir is priceless in the earthly calamity star sea. It's even difficult to buy it in the earth-god Realm! Huang Tianba is willing to take it out, at least he still has some conscience!"

alright! Chen Xiaobei calmed himself down and said, "can you explain to me in detail what this blood Bodhi is? What effect does it have?"

"I'll say it!"

"Legend has it that there is a mutated blood Kirin in the world," Huang Tianba said. "Wherever its blood drops, a tree of God will grow! The fruit that the tree of God bears is the blood Bodhi!"

"Blood Kirin? Divine Tree of blood life? Conclude the divine fruit?" Chen Xiaobei was stunned and could not say anything.

"Yes, I am!"

"The blood Bodhi has the miraculous effect of 'healing serious injuries and increasing strength without injuries!'" Huang Tianba continued. Its healing effect was comparable to an immortal pill. As long as he was not dead, he could be cured! On the other hand, if an uninjured person consumes the blood Bodhi, their cultivation will increase greatly!"

"Wait a moment!"

Chen Xiaobei was surprised. "Since the blood Bodhi has the effect of healing serious injuries, why don't you give it to your son? Instead, you're giving it to me?"

"Uh ... Young master Chen, you misunderstand!"

"I'll introduce you to the blood Bodhi from the ancient myths and legends!" Huang Tianba said. Its level is 108000 times higher than the one in my hand! They are not on the same level at all!"

"Ancient legends?"

Chen Xiaobei was taken aback again, then he suddenly realized, "I understand! Your blood Bodhi is 108000 times weaker than my master's!"

It was obvious that the seed in sect leader Tongtian's Red envelope was a drop of the ancient blood Kirin's blood!

This drop of blood had yet to form a Divine Tree, but it still retained its most powerful divine effects. It was at least a divine item!

The divine Tree in the extreme Emperor sect's territory had grown since ancient times. Over the years, the effect of the Kirin blood had become weaker and weaker, and so had the blood Bodhi's medicinal effects!

Because of this, Huang Tianba's blood Bodhi could not save his son. He could only ask Chen Xiaobei to save him!

"I don't need your blood Bodhi!"

Chen Xiaobei looked at Huang Tianba and said, "If you really want to thank me, then let me go to your extreme Emperor sect and take a look at the divine Tree that bears fruit!"

There was no doubt that Chen Xiaobei had the real divine-tier blood bodhi seed. Of course, Huang Tianba's earth-god tier blood Bodhi would not catch his eye!

However, Chen Xiaobei was very interested to see what kind of environment could allow the Qilin's blood to grow into a blood Bodhi Divine Tree!

It was only a matter of time before Chen Xiaobei could plant the divine Tree and produce the divine blood Bodhi!

"There's no way anyone else can see the tree of God! But if young master Chen wants to take a look, there's no problem!"

Huang Tianba replied without hesitation, young master Chen saved my son's life. As long as it's convenient for you, we can leave at any time!

"No hurry!"

no! Chen Xiaobei shook his head. let's wait here for a day. A friend of mine is coming, and your son needs to rest! We'll set off again tomorrow at this time!"

"Alright, alright!" Huang Tianba nodded.

After that, Huang Tianba brought his men and left baozhi villa to the planet's main city to stay.

Chen Xiaobei and Tian Peng stayed in the guest room of the villa.

.....

Just as Chen Xiaobei had said, after Huang Tianba's incident, Tian Peng and Gao Xiaolan's relationship had improved by leaps and bounds!

Although Gao Xiaolan didn't accept the canopy great tree, the two of them were constantly making eyes at each other. Even a fool could see that there was only a thin layer of paper between them.

As for Chen Xiaobei, he was pestered by doctor Gao because of his extraordinary medical skills! The old man did not care about his age or status. He was crying and begging for Chen Xiaobei to be his master!

Chen Xiaobei did not take this old man as a disciple because he might become Tian Peng's father-in-law. He only taught him two acupuncture techniques.

The old man was overjoyed that he had learned the real skill, and finally stopped pestering Chen Xiaobei.

Just like that, a day passed by quickly.

.....

Early the next morning, Chen Xiaobei received a call from Xiangyu and went to the main city to welcome him.

"Chi ..."

With a flash of spiritual light, three figures appeared on the teleportation array.

Chen Xiaobei knew two of the men very well. They were Xiangyu and six-eared macaque.

As for the last woman, other than being familiar to Chen Xiaobei, he also felt a sense of warmth. The moment he saw her, Chen Xiaobei felt a lot more at ease.

That's right! This woman was Luo puti!

Back on Earth, she had gone through life and death with Chen Xiaobei many times! Not only did she fall in love with Chen Xiaobei! Moreover, after all the life and death trials, they had a tacit understanding with Chen Xiaobei as if they were one person!

Luo puti used to be an iceberg! It kept people at arm's length!

However, ever since she accepted Chen Xiaobei's proposal, the ice in her heart had completely melted!

To Chen Xiaobei, Luo Fei had turned from an Ice Mountain into a small sun!

He could not explain why, but he felt warm and comfortable when he saw Luo puti!

As for Luo puti's stunning beauty, Chen Xiaobei did not think much of it.

He felt that Luo puti, who was dressed in a tight-fitting outfit, looked very much like the powerful and domineering female inspector back on Earth!

It was still the same feeling and taste!

She was the best in Chen Xiaobei's eyes!

"Subhuti!"

Chen Xiaobei walked over and held Luo puti's hand under the envious gazes of the crowd.

"Xiaobei!"

The corners of Luo puti's lips curved up slightly. Her smile was enough to stun everyone. Almost all the men present were driven crazy. Even the women could not help but admire her beauty.

"You can recognize me?" Chen Xiaobei asked with a smile on his face.

"Idiot!" "The face can change, but the feeling will never change!" Luo puti replied.

"Well said! Come with me, let's go back and see the big gift I've prepared for you!" Chen Xiaobei held Luo puti's hand and stepped onto the flying sword.

Just like the colorful butterflies, flying together!

[Red Envelope Group of the Three Realms](#)

Chapter 2305: Peak Legacy

Baozhi villa.

Chen Xiaobei immediately brought Luo puti back to his room and ordered Tian Peng and Gao Xiaolan to stand guard outside and not let anyone disturb them.

"Swish!"

After he entered the room, Chen Xiaobei took out the White jade he found in the black wind Mountain cave from his infinite space ring.

Luo puti narrowed her eyes and asked curiously, "This is the big gift you prepared for me?"

"Yes, I am!"

alright! Chen Xiaobei nodded and said, "come here and try to communicate with the spiritual energy!"

"Alright!"

Luo puti had absolute trust in Chen Xiaobei. She did not hesitate to start spiritual communication with the White jade.

"Chi ..."

With a strong spiritual fluctuation, the previous three pictures appeared one by one.

Oh my God ... These three paintings look exactly the same as the top-secret catalog that we have in Saint Duke's Imperial city's Treasury!

the Empress in the painting is the ancestor of our Luo family! She's the first awakened of Saint Duke! Luo puti exclaimed. It's said that she was a peak earth level deity from the ancient times and had already ascended to the heaven realm to become a heaven deity!"

"I was right!"

"Now, try to use your bloodline ability and see if you can lure out the opportunity that I can't see!"

"Good! I'll try!" Luo puti nodded and immediately activated the Saint Duke heavenly Meridian in her body, activating the bloodline ability unique to the Luo family.

"Chi ... Chi ..."

Luo puti's body emitted a golden spiritual energy.

After the mysterious force was injected into the White jade, the smooth surface of the Jade actually rippled like water.

"As expected!"

"Saint Duke heavenly vein is like a key!" No one else can open the secret hidden in the Jade stone. Only the heir of Saint Duke's Luo family can!"

"Chi ..."

As soon as he finished speaking, an incomplete map appeared on the surface of the Jade stone!

The map depicted a majestic mountain range, and the core of it seemed to be an Imperial City!

However, more than half of the details on the map were covered by shadows, making it impossible to determine the exact location of the mountains and the Imperial City!

"Phew ..."

After a while, Luo puti heaved a sigh of relief and moved her hand away from the White jade. The map disappeared.

Obviously, Luo puti had already used the power of Saint Duke's heavenly bloodline to the maximum, but she still could not restore the full picture of the map. She had to give up for now.

"You look very tired!"

"Let's not study this anymore!" Chen Xiaobei said. They would just treat it as if they never had this opportunity! You don't have to work so hard, I'm here to support you!"

"Look at what you're saying. I'm not a child, how can I be so delicate?" Luo puti was slightly surprised, but she felt sweet in her heart.

Every woman was a child! The reason why they had to be strong was because their men were not strong enough!

Chen Xiaobei doted on Luo puti like a child because he had a strong foundation and powerful strength!

Even if Luo puti did not do anything, even if she did not know how to do anything, Chen Xiaobei would still be able to protect her for the rest of her life!

Luo puti was proud to have such a powerful man! Luo puti's heart was as sweet as honey to be loved by this man.

"Actually, it's not like I didn't gain anything at all!"

yes! Luo puti calmed herself down and said, " other than this map, some other information has entered my mind!

"What information?" Chen Xiaobei asked curiously.

"In this world, there's a similar black jade!"

Luo puti did not hide anything and said, " "As long as the black and white meet and yin and yang merge, the other half of the map will appear! According to the map, we can find the ruins of the first Saint Duke Empress, where her life inheritance is!"

a lifetime's worth of inheritance!?

Chen Xiaobei was surprised. "The first Saint Duke Empress was a peak earth level deity, so she must have a strong foundation! I'm afraid her lifetime's inheritance can be considered the top in the entire earth-god Realm!"

"That's right! This is definitely a huge legacy!"

Luo puti nodded and said seriously, " "If we can find it, we can inherit the heritage of a top force in the earth-god Realm! You'll be able to stand at the top of the earth-god pyramid!"

Chen Xiaobei shrugged and smiled wryly. "This sounds very tempting! It's a pity that the world is so big, and finding that piece of black jade is thousands of times more difficult than finding a needle in a haystack!"

"That's not for sure!"

Luo puti smiled. before I came out, I asked my father for all the confidential books about Saint Duke's heavenly veins. I'll study them later. I should be able to find some clues!

alright! Chen Xiaobei nodded. there's no hurry anyway. You can take your time! If we can find clues, we'll go treasure hunting! Even if I can't find it, I can still make a name for myself in the earth-god Realm. It won't be a big problem!"

"Alright, I'll listen to you!" Luo puti smiled gently and obediently.

.....

After that, Chen Xiaobei called Huang Tianba over to go to the extreme Imperial sect with him to see the blood Bodhi tree.

Naturally, Luo puti was going with them.

Since the canopy great country wanted to take revenge on Qin Wuxin, they would naturally follow him.

Gao Xiaolan used the excuse of going out to train as an excuse to stay by Tian Peng's side. To put it bluntly, she was afraid that Tian Peng would flirt with other women outside.

In the end, Xiangyu and six-eared macaque did not return to bei Xuan faction. They followed the group.

"Xiaobei, why didn't you tell us to go back?" Xiangyu asked curiously.

this time, I asked you and Liu er to come here not only to protect Bodhi, but also to help you and Liu er to find some opportunities to increase your strength! Chen Xiaobei said.

an opportunity to increase my strength?! Xiangyu's eyes lit up and he said excitedly, " what good thing happened again?!"

Six-eared macaque smiled and said, " "Which unlucky bastard wants me to transform again?"

"You've all heard of the killer god, Bai Qi, right?" I have a map in my hand, I can find him! The location he's in is definitely not simple. There must be some sort of opportunity there!"

"Bai Qi?"

Xiangyu frowned and said,"I'm too familiar with this person!" In the past, it was Bai Qi who had helped great Qin lay down the foundation for it to dominate the world! Fortunately, he came early. Otherwise, I'm afraid I wouldn't have anything to do in the future!"

"Bai Qi? I've also heard of it!"

Six-eared macaque raised an eyebrow. when I was in hell, I heard that 400000 vengeful souls swarmed into the netherworld within a few minutes. All of them died at the hands of one person! This person was Bai Qi! It's not bad to be able to transform and look like him!"

"Uh ... I didn't say that I want you to become Bai Qi!" "If everything goes as planned, Baiqi will be our ally!" Chen Xiaobei said.

"An ally?"

"So, after we see the blood Bodhi Divine Tree, we're going to look for Bai Qi?" Xiangyu asked excitedly.

Chapter 2306: Imperial Power Planet

"More or less ... Let's take a look at the blood Bodhi Divine Tree first. If there's nothing else, we'll set off to find Bai Qi!"

Chen Xiaobei nodded, but there was still one thing on his mind.

Obviously, the person who Chen Xiaobei could not let go of was Liu xuanxin.

Everything Chen Xiaobei did was going smoothly, except for Liu xuanxin's case. He had not found a way out of this.

First of all, Liu xuanxin was in Qin Wuxin's hands. Qin Wuxin treated Liu xuanxin as his trump card and hid her well. He would not let Chen Xiaobei find her easily.

Secondly, Liu xuanxin had been poisoned. Even though the elixir had saved her life, the poison had damaged her face and made her look as old as a ghost. Chen Xiaobei did not have any way to solve this problem.

Save Liu xuanxin! Heal Liu xuanxin!

As long as these two things were not done well, Chen Xiaobei's heart would be weighed down by a huge rock!

Of course, Chen Xiaobei's mental state was strong. Although he was concerned about Liu xuanxin, he would not let her get to him, and he would not stop moving forward!

Chen Xiaobei knew this better than ever!

Only by constantly making himself stronger would he have the ability to accomplish what he couldn't do at the moment!

Only by constantly becoming stronger could he protect the people around him and prevent a tragedy like Liu xuanxin's from happening again!

Only by constantly making himself stronger would he have the ability to reverse the situation, turn the tragedy around, and end it in a happy ending!

That was why Chen Xiaobei had to rush to the extreme King sect!

There was a drop of blood essence from an ancient God-level blood Kirin in the Prime's Red envelope!

As long as Chen Xiaobei could plant this drop of blood into the divine Tree and produce a divine-tier blood Bodhi, his cultivation would definitely improve by leaps and bounds!

.....

The Imperial power planet!

It was at the edge of the 'West District' of the nine layers of the sea of stars!

Further west was the no man's land in the West of the nine Star seas!

The environment of the no man's land was extremely harsh, and there were few people! Legend had it that there were demonic beasts and Devils roaming about! Of course, there were also many undiscovered ancient ruins and even ancient immortal treasures!

Ordinary people did not dare to set foot in the no man's land. Only brave warriors with courage and strength dared to explore the no man's land in search of ancient opportunities that were hidden from the world!

Huang Tianba's extreme Imperial sect was on the yellow Springs planet!

Because it was close to the no man's land in the West, this planet had a large number of explorers from all directions all year round!

These explorers would more or less have some gains in the no man's land. Some of the things that they didn't need would definitely be sold in exchange for spirit stones that they could use.

Because of this, the business system of the Imperial planet could be said to be extremely developed!

A large number of merchants from different planets had set up Chambers of Commerce here to buy goods from adventurers and then travel to their respective planets to earn the price difference!

At the same time, the merchants would transport the items that the adventurers needed from their respective planets and sell them back to the adventurers!

In this way, most of the profits went into the pockets of the merchants!

A smart businessman could easily make a lot of money on the yellow Springs planet!

It was precisely because of this that almost all the merchants with brains and strength in the 'Western District' of the nine layers of the sea of stars would set up Chambers of Commerce on the Imperial planet!

Over the years, the business system of the Imperial planet had gradually developed into the most developed business system in the entire 'Western District'!

For example, there were some special things that you might not be able to buy on the largest and most prosperous planet in the 'West District', but on the Imperial planet, you could definitely buy them!

this is a completely commercial planet. The air is filled with the smell of spirit stones!

Walking on the streets of the imperial capital, Chen Xiaobei was attracted by the rich commercial atmosphere around him. His desire for spiritual stones was also aroused. He wished he could open a Chamber of Commerce here and make a lot of money.

this is a planet full of experts!

Xiang Yu squinted his eyes and carefully observed everyone around him. He could not find a single weak person.

Needless to say, the adventurers all had strong auras and were full of vigor! Even some of the merchants had extremely high strength, and their every move revealed the demeanor of a powerhouse.

this is a planet with all kinds of good and bad people!

Six-eared macaque's eyes were rolling around, constantly scanning the people coming and going.

Daoist priests, monks, ninjas, and people from all sorts of sects could see it!

Orcs, heaven's wings, blood gods, and people of different races could also see it!

"Oh! This is a planet full of sexual happiness!"

Tian Peng laughed and looked at the two sides of the street, " "Li Chun Yuan! Happy Red Court! Happywoods! Ow Spare me! Great aunt, please spare my life! It hurts so much ..."

Before Tian Peng could finish his words, he let out a miserable scream!

Her ear was pinched by Gao Xiaolan's fingernails and twisted 360 degrees!

That sour feeling was simply too addictive!

Desire for food and sex was also part of it! Eating, drinking, womanizing, and gambling were human nature! It was also an indispensable part of the business system!

Just like what Tian Peng said, the happiness of sex on an Imperial planet was much better than that of a normal planet!

"You damn ghost! You just said you were devoted to me! He turned his head and stared at those prostitutes, unable to take his eyes off them!" Gao Xiaolan was very angry. This proved that she cared about Tianpeng very much.

"Ow ... You let go first! My ears are going to be twisted off by you! Tian Peng was in tears.

"I won't let go! I want you to remember this!" Gao Xiaolan pinched Tian Peng's ear the whole way, not letting go.

Chen Xiaobei laughed, " "These two jokers are really a match made in heaven!"

yes ... Luo puti smiled. "Xiao Lan's temper is bad because she cares about Tian Peng! Tian Peng's cultivation level was extremely high, but he gave way to Xiao LAN! They're really suitable for each other!"

"What?" Suddenly, Chen Xiaobei's eyes turned to the happy red brothel not far away.

"What's wrong? Do you want to have your ears twisted?" Luo puti frowned and said coldly, " "Do you think I'm too gentle to you? I want to taste the Ice Queen's punishment!"

"Ah? No... Of course not!"

there's something in the Three Realms illustrations! Chen Xiaobei said softly. there might be an earth level deity reincarnated from a Yin ghost nearby! However, I have to look at him for more than ten seconds before the illustrated Handbook of the Three Realms can confirm his identity! Therefore, I don't know if he's a friend or foe, nor am I sure of his exact location!"

"What's the" three realms illustrations "? What reincarnation of Yin ghosts?" Luo puti was stunned.

"Uh ... I can't explain this in a few words!" "Let's get out of the city!" Chen Xiaobei said in a low voice. I'll make sure you're safe first, then I'll come back to check!"

After that, Chen Xiaobei called out to Huang Tianba, and together with the rest, they flew away on their flying swords, away from the main city.

[Red Envelope Group of the Three Realms](#)

Chapter 2307: Seventh Master Of The Giant Soldier Sect

After leaving the Imperial City, the group flew on their swords for a few hours, crossing almost half the planet, and finally arrived at their destination.

The extreme Imperial sect!

Chen Xiaobei could not wait to see the blood Bodhi Divine Tree the moment he entered the sect's territory.

Huang Tianba immediately agreed and led the group to the forbidden grounds of the extreme Imperial sect.

It was a basin surrounded by mountains, and in the middle, there was a huge ancient tree!

From the ground to the top of the tree, it reached an astonishing 1800 meters!

The trunk was so thick that hundreds of people could not wrap their arms around it!

Even a random leaf that fell off could reach the size of an adult!

They stood under the tree like a group of ants!

"This is the blood Bodhi mind-refreshing tree!"

"It's said that this Divine Tree needs a special opportunity to grow, and it also needs an opportunity to bloom and bear fruit!" Huang Tianba said. The first fruit would be the highest level! The effect was the best! After that, as the magical effect of the Qilin blood weakens, the fruits it bears will become less and less, weaker and weaker!"

what? " Chen Xiaobei asked, " then do you know what kind of opportunity is needed to grow the tree of God? " What kind of opportunity can make the tree of God blossom and bear fruit?"

"I don't know ..." Huang Tianba shook his head."The age of this Divine Tree is even older than the Imperial planet! In other words, this tree of God had already existed before the chaos continent shattered into a star!"

Chen Xiaobei squatted down and picked up some soil from the ground. He examined it carefully.
"There's nothing special about this soil ..."

Luo puti observed the surroundings and said, "The temperature and humidity are also normal!
Moreover, the spiritual Qi here is very thin, almost to the point of being non-existent!"

Tian Peng's lips twitched. it seems like the blood Bodhi Divine Tree doesn't have any special requirements for its growing environment. It can be planted anywhere!

"Wrong!"

"Bodhi got to the point!" Chen Xiaobei said. The spiritual Qi here was extremely thin! However, it's not that they were born without spiritual Qi, but that all of their spiritual Qi had been absorbed by the divine Tree!"

"Yes, yes, yes! Young master Chen is right!"

"When our sect was established here, the ancestral master of the extreme Emperor sect scouted the underground and discovered that there used to be a large spirit vein under this tree, but it has dried up all year round!" Huang Tianba immediately added.

"According to the Grandmaster's repeated observation records, we found that the large spiritual vein underground is actually recovering spiritual energy all the time! However, the recovered spiritual Qi will be immediately absorbed by the divine Tree!"

it's not just this large spirit vein. Within a radius of ten thousand miles, there are some small spirit veins that will also be absorbed by the divine Tree!

later on, the founding master set up a control formation on one of the small spirit veins to prevent the divine Tree from absorbing spirit Qi. We relied on that spirit vein to establish our extreme Emperor sect!

as for the dried-up large spirit vein under our feet, the founding master has never planned to control it because he was afraid that the tree of God would die if it couldn't absorb enough spirit Qi!

therefore, the founder allowed this large spiritual vein to slowly recover its spiritual energy and use it as nourishment to keep the divine Tree from dying!

Everyone was shocked.

"A mere tree can actually absorb the spiritual Qi in a radius of ten thousand miles, and it can absorb the spiritual Qi of an entire large spiritual vein for a long time! This is truly terrifying!" Xiang Yu exclaimed.

"This is normal!"

what? " six-eared macaque frowned. the divine blood Bodhi tree has reached god tier. Even if there's a super-large spirit vein within ten thousand miles, it'll still be able to absorb it all!

Gao Xiaolan's expression froze as she asked,"so, the spirit veins are the necessary conditions for the growth of the blood Bodhi Divine Tree?" As long as you find a large spirit vein without an owner, you can grow a Divine Tree?"

"There is indeed such a possibility!"

Huang Tianba nodded and changed the topic, however, the blood Bodhi fruit does not have any seeds. No one can guarantee how to plant it!

"The soil, temperature, and humidity are all normal!" The only special thing about it was the large spirit vein underground! By the same logic, I only need to find a large spirit vein to be able to verify the planting conditions!"

"Childe Chen, you're thinking too much, aren't you?" "I just said that there are no seeds for the blood Bodhi. Even if you find a large spirit vein, you won't be able to verify it ..." Huang Tianba said in surprise.

"You don't need to worry about that!" Chen Xiaobei shrugged, too lazy to explain.

Xiangyu and six-eared macaque looked at each other and smiled. As members of the red envelope group, they had already guessed that Chen Xiaobei had the seed!

Of course, this was Chen Xiaobei's Secret. It was enough for his own people to know. There was no need to explain it to outsiders.

Huang Tianba didn't ask any more questions. He said respectfully, young master Chen, if there's nothing else, I'll get someone to prepare the guest rooms and banquet right now to welcome all the distinguished guests!

"Not good ... Sect leader! It's not good ..."

Before Huang Tianba could finish, a young disciple rushed in.

This disciple's clothes were very gorgeous and exquisite. Furthermore, he was qualified to enter the forbidden area of the extreme Imperial sect!

From this, it could be seen that his status in the extreme Emperor sect was very high. He was at least a core disciple!

As the Masters of this area, the core disciples of the sect had always been overbearing and arrogant.

However, at this moment, this core disciple's face was convulsing and he was covered in cold sweat. It was obvious that he had been greatly frightened.

Even if he used his toes to think, he knew that the extreme Imperial sect had gotten themselves into a huge trouble that they couldn't afford to provoke!

"Why are you so scared? "Could it be ..." Huang Tianba swallowed and said nervously, "I don't know." "It can't be that the people from 'giant soldier Mountain' are here ..."

"Yup ..."

it's the seventh young master of giant soldier Mountain, goodus! the core disciple was still in a state of shock. our new junior Brother tried to stop him at the mountain Gate, but his head was crushed by his palm!

"This ..." Huang Tianba gulped. "Why is this fiend here? What am I supposed to do ..."

Chen Xiaobei, Tian Peng, and Gao Xiaolan were all dumbfounded by what they saw.

Just yesterday, Huang Tianba was still acting arrogantly and arrogantly. He had surrounded the mountain with his men and was going to exterminate the entire Gao family!

Who would have thought that at this moment, Huang Tianba would be as cowardly as a grandson? let alone going out to fight, if there was a hole in the ground, Huang Tianba would hide in it without hesitation!

Obviously, this was called 'everything has its weakness'!

The seventh young master of 'giant soldier Mountain' was a man who could subdue Huang Tianba!

"Sect leader Huang, do you need my help?" Chen Xiaobei asked.

"You'll help me?"

"Stop joking!" Huang Tianba shook his head. You're just a Chinese medicine doctor! We can't deal with those monsters at all!"

"Sect master ..."

"Godeus is here for Childe Chen ..." The core disciple said awkwardly.

Everyone was shocked.

[Red Envelope Group of the Three Realms](#)

Chapter 2308: True Goal

"Xiao bei? How did you get yourself involved with that godeus?"

Tian Peng was dumbfounded, "could it be the new enemy you made when we weren't together a few days ago?" But even if he's a new enemy, he can't possibly know we're here!"

Chen Xiaobei shook his head. it's not a new enemy. I've never even heard of giant soldier Mountain. I've never even heard of this godeus!

"No way! Young master Chen! You don't even know about the famous giant soldier Mountain?" Huang Tianba's face was full of surprise.

In fact, not only Chen Xiaobei, but even Luo puti, Xiangyu, six-eared macaque, and canopy great tree had never heard of giant soldier Mountain.

"No way! Haven't you heard of it?"

what? " Gao Xiaolan said in surprise, " the members of giant soldier Mountain are all descendants of the Titan race with extraordinary talents. Once their bloodline ability is activated, they'll be invincible among their peers! There are billions of forces in the earthly calamity Star Ocean, and giant soldier Mountain can be ranked in the top ten!"

"Titan?" Chen Xiaobei was shocked. "Are you talking about the Titan in Western mythology?"

"Yup!"

Gao Xiaolan nodded heavily and said, "the ancestors of the members of giant soldier Mountain are the Titans of Western mythology!" Hence, once they activated their bloodline abilities, their strength would skyrocket! One Titan soldier can fight ten humans of the same level!"

"What? One against ten?" what?! Xiangyu was shocked. this combat power is too strong!

"Well said ..."

"In the Western part of the earthly calamity Star Ocean, no one would dare to offend giant soldier Mountain!" Huang Tianba said nervously. Their mountain chieftain is at the same level as me, a three-star earth-god, but if we really fight, I can't even withstand one move!"

"I thought your extreme Emperor sect had a base in the earth-god Realm?" six-eared macaque frowned. Can't they suppress a sect in the earthly calamity Star Ocean?"

"I do have an even more powerful headquarters in the earth-god Realm!" Huang Tianba said, sweating. However, giant soldier Mountain has an even greater backer than me! Can't afford to offend! I can't afford to offend you!"

"Sect leader Huang, you don't have to be nervous!"

"No matter what, the enemy is after me!" Chen Xiaobei said. I'll solve anything by myself, and I won't drag you down!"

"Really? This is great!" Huang Tianba's face was filled with surprise.

Obviously, Huang Tianba was not a loyal friend. Facing the threat of giant soldier Mountain, he wanted to cut off all ties with Chen Xiaobei.

Chen Xiaobei could see through Huang Tianba's true nature. "I'm serious! I'll leave the sect right now! You can tell the people of giant soldier Mountain that you don't know me at all!"

Chen Xiaobei did not want to be associated with people who did not value loyalty.

Since Huang Tianba wanted to clear his name, Chen Xiaobei would not stay.

"That's great!"

Huang Tianba was overjoyed when he heard this. He immediately asked the guest to leave, "You know the way in, so I won't see you out ..."

Chen Xiaobei shrugged and left with Luo puti and the rest, not bothering to talk to Huang Tianba anymore.

Huang Tianba finally let out a sigh of relief when Chen Xiaobei and the rest were far away. "That's great! It's a good thing Childe Chen didn't pester me ... Otherwise, if Goode were to go all out, my extreme King sect would be in trouble!"

"Isn't that so?"

The core disciple beside him also let out a long breath and said awkwardly, "That Chen guy is just a Chinese medicine doctor. One slap from goodus could kill him a hundred times! It's best if he's gone, don't drag us down!"

It was obvious that in the eyes of Huang Tianba and the extreme Emperor sect disciples, Chen Xiaobei was no match for Goode!

Furthermore, godeus had the support of giant soldier Mountain, one of the top ten forces in the earthly calamity!

Going against goodas was a dead end!

"Go! Let's go out and take a look!"

Goode will definitely kill someone, "Huang Tianba said. I just hope he doesn't destroy the buildings of my extreme King sect!

.....

The outskirts of the extreme Imperial sect.

The extreme Emperor sect's disciples, who were supposed to be local tyrants, were all cowering in a corner like a group of frightened chicks. They didn't even dare to breathe.

In the vast square of the extreme Emperor sect, there was a group of outsiders who were clamoring arrogantly.

"Numbed! Huang Tianba is a coward. His disciple is dead, but he's still hiding. He's really a coward!"

It was obvious that the outsiders were the Titan soldiers from giant soldier Mountain, the ones that terrified the Western District of the earthly calamity star!

They didn't even care about Huang Tianba, the head of the sect!

As their name suggested, although these Titan soldiers were all in human form, they were all more than three meters tall and even stronger than Bulls!

The junior Brother of the extreme Emperor sect who had been slapped to death had fallen at the feet of these Titan soldiers. The size of his corpse was not even comparable to one of the Titan soldiers' legs!

"Huang Tianba!"

Finally, the leader of the Titan soldiers lost his patience and roared, "I, godeus, will only say this one last time! I'll give you ten seconds to hand over the person you brought back! Otherwise, don't blame me for razing your broken sect to the ground!"

Godeus didn't look very old, but his pure Titan race bloodline allowed him to have a stronger body than the giant soldiers around him!

His roar was like a low-pitched cannon, extremely penetrating, and almost the entire extreme Imperial sect trembled!

The disciples of the extreme Emperor sect, who had long been scared out of their wits, were even more frightened by this roar and peed their pants!

"Don't shout! Who are you? Why are you looking for me?"

Suddenly, Chen Xiaobei strolled out of the courtyard.

Luo puti, Xiangyu, and the others followed behind him, all of them calm and fearless.

"Seventh young master! The targets reported by our spies in the main city are these few!"

The seven Titan soldiers surrounded Chen Xiaobei and the others.

"Let me see!"

Goode squinted his eyes and looked at Chen Xiaobei and the others. He laughed, "Hahaha! There really was a top-grade beauty! That's great! That's great!"

Obviously, Goodes' eyes finally stopped on Luo puti.

The reason why godeus had brought his men to the extreme Imperial sect was not because he had a grudge against Chen Xiaobei. It was because someone in the main city had noticed Luo puti and reported it to godeus!

"Big idiot! I advise you not to stare at my woman like that! Otherwise, you will bear the consequences!"

Chen Xiaobei stepped in front of Luo puti to protect her.

As soon as he said that, the seven giant soldiers around him all laughed in disdain. "Little brat! Are you an idiot? How dare you say such things to our seventh young master?"

The disciples of the extreme Emperor sect who were hiding in the corners also exclaimed in shock. They looked at Chen Xiaobei as if he was an idiot. "Is that kid an idiot? He really doesn't know the immensity of the heavens and earth!"

"Kid, do you see the corpse on the ground?"

Godeus pointed at the corpse by his feet and said, "If you don't want to become like him, then get lost!"

Chen Xiaobei did not change his expression and asked, "You want me to slap your left face? Or the right side of his face?"

[Red Envelope Group of the Three Realms](#)

Chapter 2309: Crippling With A Single Finger

The left side of his face? Or the right side of his face?

Chen Xiaobei's words were like a bomb that exploded everyone's emotions!

"Numbing next door! Little bastard! Do you know who you're talking to?"

Godeus was instantly enraged, like a mad Gorilla. His roar alone was enough to numb the eardrums of others. no one has ever dared to talk to me like this in the entire Western District of the earthly calamity! I want you dead! He'll die without an intact corpse!"

All the members of the extreme Emperor sect felt as if the roar was like a bolt of lightning on a clear day, causing their hearts to palpitate and their souls to leave.

"That kid is really tired of living! How dare he say that to Goode! It's like an ant challenging a Lion. It's so stupid that there's no cure!"

in the entire West District, no one would dare to offend Goode. That kid is definitely the first!

"Unprecedented number one fool is more like it! Godeus was truly enraged. That kid was definitely going to be tortured to death! He'll be lucky if he doesn't get crushed into a pile of rotten meat, let alone an intact corpse!"

There was no doubt that everyone in the sect lived in the shadow of giant soldier Mountain.

In the eyes of the people from the extreme Emperor sect, giant soldier Mountain was a high and mighty existence that could not be offended. Compared to them, Chen Xiaobei was like an ant. There was no doubt that he would win!

Huang Tianba hid far away, not even daring to show his face. He clasped his hands together and muttered in a trembling voice, "Young master Chen! Have a safe journey! After you die! I will burn joss paper for you! Have a good trip ... Have a good trip ..."

But even in such a situation, Chen Xiaobei remained calm and fearless.

"How could it be like this? Aren't you afraid at all?"

Godeus's roar shocked everyone but Chen Xiaobei. This made him very unhappy.

If it was in the past, even if his opponent did not kneel down and beg for mercy when he was slightly angered, he would immediately admit defeat.

However, Chen Xiaobei did not even bat an eye. He was treating godeus like air.

This made godeus feel a deep sense of defeat.

Furthermore, there were so many people around, and there was even a peerless beauty looking at him. This made Goode feel even more embarrassed.

"Little bastard! You dare to ignore me!"

Godeus flew into a rage out of humiliation, and his killing intent exploded. "I will definitely torture you! I'll make you regret ever being born!"

"Seventh young master, please calm down!"

The few Titan soldiers around him all laughed sinisterly and said disdainfully, " "This kind of trash isn't even worthy of you personally taking action? Leave it to us to handle!"

"Good! Any one of you go and cripple his cultivation first, then bring him over to slowly torture him!"

Godeus laughed sinisterly, " "I want him to suffer the most painful torture, I want him to beg for death! In the end, I'm going to play with his woman in front of him! After cuckolding him, he would let him die! Hahaha ..."

Chen Xiaobei's expression did not change, but his eyes were filled with murderous intent.

"My brothers! Don't try to take the credit from me!"

A bearded Titan giant soldier walked out confidently and said, " let me, ditita, help the seventh young master take down this damned trash!

"Brother didididida, you're such a bully!"

The giant soldiers around him all laughed."Apart from the seventh young master, you have the strongest cultivation among us! Don't accidentally kill that little trash! The seventh young master will be angry!"

"Don't worry! I can only use 30% of my strength at most! I promise I won't beat that little trash to death!" Dididida took a step forward. Its three-meter tall body was like an armored vehicle, and it was charging towards Chen Xiaobei.

Dididida's cultivation was very high, and his body was even more powerful. Every step he took left a crack in the ground, as if the entire space was shaking with his steps.

Even a fool could see that didididida's every move contained a terrifying power that surpassed ordinary people. Ordinary people would not even be able to take half a move from him.

However, in the face of this terrifying attack, Chen Xiaobei only took a step forward, as calm as if he was taking a stroll. "If you don't kill me, I promise I won't kill you!"

At the same time, Luo puti, Xiang Yu and the rest were also calm and composed. They even felt a little sympathetic for the silly dididida who had rushed out.

Others might not know Chen Xiaobei's strength, but Luo puti, Xiangyu, and the others knew it very well!

At this moment, Luo puti, Xiangyu, and the others were watching the battle as if they were watching a show! She already knew the ending of this scene, but she was looking forward to Chen Xiaobei's wonderful performance!

Titan's wrath!!!

When tidida was about five meters away from Chen Xiaobei, he jumped into the air, raised his fists high, and smashed down like a meteorite!

"I'm angry with you!"

Chen Xiaobei's body, which had been strolling leisurely, suddenly sped up, turned into a shadow, and flashed toward dididida!

"Swish!"

Chen Xiaobei's extreme shadow brushed past didididida.

"What's going on? didn't they fight? Why is there no movement at all?" The surrounding Titan soldiers were all dumbfounded.

"What is going on?" Even godeus was confused, unable to see what had happened.

The disciples of the extreme Emperor sect were even more dumbfounded. "Did the two of them miss? They didn't even touch each other? It's too strange to just brush past like this, right?"

Luo puti and Xiangyu also did not see the battle clearly. "What's wrong with Xiao bei? You shouldn't be soft-hearted to this kind of enemy!"

"No! Xiao bei didn't show any mercy!" At this moment, Tian Peng said, "That giant soldier has been defeated!"

"Bang!"

As soon as he finished his sentence, dididida's huge body fell to the ground.

"Pfft! Yi ..."

What was even more inconceivable was that a clean, penetrating wound had appeared in dididida's dantian, and blood was gushing out like a fountain!

"Sword finger!"

From afar, Huang Tianba was dumbfounded. "Childe Chen is so young, but he has already reached the nine-fire god-refining realm, which is one small realm above didididida! He only used a finger to cripple didididida!"

Apparently, only Tian Peng and Huang Tianba were earth-god level cultivators, and they were the only ones who could see Chen Xiaobei's movements!

"What? That little trash had crippled the giant soldier Captain, didididida, with a single finger? This ... How could this be true?!"

All of a sudden, everyone was shocked!

Chapter 2310: Titan Bloodline

"That's impossible ... I'm also in the nine flames God-refining realm. How could I not see his movements clearly ... He crippled dididida in the blink of an eye! And the wound looks like it's cut by a sharp blade. How can you do it with your fingers ..."

Even though godeus was also at the nine-fire god-refining level, Chen Xiaobei's attack was too sudden. He had crippled didididida in an instant and did not even have a drop of blood on him!

He did not even see how Chen Xiaobei had done it!

The cultivation of the six Titan soldiers around him was not even as high as dididida's. At this moment, other than being shocked, their minds had already gone blank. They could not imagine the situation at that moment!

Xiaobei is so strong ... Luo puti's long eyelashes trembled. Although she knew that Chen Xiaobei was strong, she did not expect him to be this strong!

Xiangyu and six-eared macaque were also amazed, "Xiaobei's cultivation is improving too fast! Even if you don't rely on your magical equipment or Trump cards, you can still make a name for yourself in the earthly calamity star sea!"

At the same time, Huang Tianba and the other extreme Emperor sect disciples all cried out in shock.

"Too amazing! Who exactly was this young master Chen! He looked like he was only twenty-one or twenty-two years old, but he had already reached the nine flames God-refining realm! Such talent is one of the best in the earth-god Realm!"

"Isn't it? Among the young masters of the giant soldier Mountain, goodus was considered to have good aptitudes. He had only broken through to the nine flames God-refining realm at the age of 32! He's far worse than young master Chen!"

"No wonder Childe Chen is so strong, it's because you have super strength! If your fist is hard, your back will be hard too. You don't have to give in even if you're up against Goode!"

"I'm guessing that this Childe Chen, in addition to his own strength, must have the support of a force that is not inferior to giant soldier Mountain! It looks like godeus has kicked an iron plate!"

All of a sudden, the direction of the utmost Imperial sect had a 180-degree reversal.

Just a moment ago, the crowd had thought that Chen Xiaobei was an idiot who had challenged Goode.

At that moment, everyone had already begun to address Chen Xiaobei as Childe Chen. They were also trying their best to guess who Chen Xiaobei was and what kind of terrifying force he had behind him.

No one dared to underestimate Chen Xiaobei anymore! Their eyes were filled with awe!

Even Huang Tianba started to regret it, "I was too stupid!" Young master Chen's medical skills are extraordinary! His strength was extraordinary! His background was extraordinary! I've actually drawn a clear line with him, and I can't be his friend anymore! What a huge loss ..."

Obviously, Huang Tianba did not want to help Chen Xiaobei when he was attacked by a strong enemy. Instead, he wanted to draw a clear line between them.

Chen Xiaobei would not have any more dealings with such disloyal people.

Huang Tianba had lost an ally that could rival giant soldier Mountain.

Huang Tianba's intestines turned green with regret at the thought.

"Damn it, you dare to underestimate me!"

Suddenly, godeus roared and waved his hand. "All of you, attack together! Chop that little bastard to death!"

"We? Seventh young master, please spare me! Our strength is not even comparable to the captain of tidida! All of them added together could not even defeat a single finger of that kid! Please spare our lives, don't make us go to our deaths ..."

The expressions of the remaining six Titan soldiers around them changed drastically in an instant. They knelt on the ground and began to wail and beg for mercy.

"A bunch of trash! You've completely disgraced our giant soldier Mountain!" Godeus was furious.

He had wanted to ask the six of them to test Chen Xiaobei's strength.

However, these six cowards did not even have the courage to fight back. They even admitted that all six of them combined could not even compare to one of Chen Xiaobei's fingers. It was like slapping their own faces.

Goode was here to pick up girls, and his face was the most important! In the end, he had been embarrassed in front of Luo puti time and time again. How depressing!

"Numbing next door! I'm the seventh young master of the giant soldier Mountain! The face that I've lost, I'll take it back with my own hands! Little bastard! Accept your death!"

Godeus had a noble status. In the Western Region of the earthly calamity star, he was treated like a boss wherever he went. He had never been so humiliated before! Furthermore, he had lost face in front of a peerless beauty.

Goode had a bad temper and was extremely self-righteous, so he could not accept the current situation!

The extreme anger had almost gotten to Goode's head. He was like a mad bull, charging at Chen Xiaobei with all his might.

"Chi ... Chi ..."

As it charged forward, white smoke rose from its body like a steam train!

What was even stranger was that Goode's height had increased to five meters! The muscles on his body rolled and swelled, becoming even more majestic!

In the blink of an eye, godeus's entire body seemed to have grown a size bigger!

White smoke rose, and the aura was violent!

His muscles were sharp and angular, like rock and steel!

Although it was not as huge as the Titan in Western mythology, it was still a real giant to ordinary people!

"It appeared! This was the power of the Titan race's bloodline! Godeus's body expanded by half! His arm alone is thicker than an adult's body,"

"The main point isn't the figure! The core of the Titan bloodline is to greatly increase one's combat strength and physical strength!"

"That's right! Godeus is at the nine flames God-refining level, with 5.5 million combat power and 5.5 million physical strength. Once he uses his Titan bloodline, he can increase his combat power and physical strength by six million!"

"This is equivalent to directly raising a small realm and reaching the 'ten flames spiritual refinement' that ordinary people can't achieve! Below the earth immortal realm, Goode is invincible!"

The surrounding extreme King sect disciples all cried out in shock, shocked by Goode's special ability.

Huang Tianba's brows furrowed, "now, let's see if Childe Chen has an earth-god instrument!" If there was, they could still fight! If you don't, you'll be dead!"

"Below the earth immortal realm! Our seventh young master is invincible!"

A few of the giant soldiers raised their arms and shouted, provoking Chen Xiaobei, " "Little trash! If you have the guts, don't use your Dharma Treasures and compete with our seventh young master in real martial arts! If you don't have the guts, then you don't deserve to fight with seventh young master for his woman!"

In the eyes of the crowd, Chen Xiaobei's power was only at the level of the nine-fire god-refining! Without the earth-god instrument, Chen Xiaobei would not be able to fight against godeus!

However, Luo puti, Xiangyu, and the others were not moved at all. In fact, they even wanted to laugh.

a mere goodus is not worthy of little North's treasure! Xiang Yu laughed.

"Little north has at least a hundred ways to kill Goode!" Six-eared macaque laughed.
