Chapter 2351: Overwhelming Sadness Noodles

"As everyone knows, Chi Jiangbo is a workaholic. He only does business, which is why he managed Purple Rainbow City so well! Ordinary people can't find a breakthrough in him at all!"

Hua hanyue's intelligence gathering ability was very strong, so she naturally had some information that others did not know. "However, there is no perfect person in this world! Drinking, prostitution, and gambling-blazing River wave just happened to be the first! He's a complete foodie!"

"A glutton?"

that means to say, if we want to deal with this blazing River wave, we only need to deal with his stomach, right? " Chen Xiaobei asked.

"Right! In theory, that's the case!" however, Chi Jiangbo is the Prime Minister of Purple Rainbow City. He has already eaten all the delicacies in the world. I'm afraid it'll be harder to satisfy his stomach than killing him! Hua hanyue said.

"Hehe."

Chen Xiaobei laughed. I'm not trying to be pretentious. I'm not targeting anyone. In terms of cooking and food, everyone below heaven is my little brother! If GE claims to be second, no one would dare to claim to be first!"

this ... Hua hanyue's face was instantly filled with shock. "You ... You also know how to cook? That can't be ..."

"I knew you wouldn't believe me!" "Let's go!" Chen Xiaobei smiled. Let's find a place and I'll show you my skills!"

.....

After that, Chen Xiaobei found a small noodle shop on the street, gave the owner some spiritual stones, and borrowed the kitchen.

Not long after, Chen Xiaobei returned with a bowl of noodles.

However, the appearance of this bowl of noodles was very ordinary. No, it should be said that there was no appearance to speak of at all.

It was just a ball of noodles drizzled with a clear soup that was like plain water.

"Big brother? What the hell is this thing?"

"Don't tell me that you're going to use this bowl of plain noodles to defeat the Burning River wave who has eaten all the delicacies in the world!" Hua hanyue said with a dumbfounded expression.

"That's right! I'm going to use this bowl of noodles to finish off the blazing River wave!"

Chen Xiaobei raised his brows and smiled evilly. however, this is not a bowl of plain noodles. It's the legendary overwhelming sadness noodles!

"What? Overwhelming sadness noodles?"

Hua hanyue almost fell to the ground."How is it sad? Which part of it was ecstatic? Big brother! Don't joke with me ... It wasn't easy for me to use my connections to bribe Chi Jiangbo's butler. If you go and take this bowl of noodles, we'll be chased out!"

"Don't worry!"

"When have I ever let you down?" Chen Xiaobei said confidently. Just wait to see Chi Jiangbo's wonderful expression!"

this ... Hua hanyue was sweating."It's not that I don't trust you, it's just that you're joking too much ..."

"Don't be so conflicted!" let's hurry! Chen Xiaobei said. otherwise, the noodles will get cold!

I think it's already cold ... Hua hanyue wanted to cry but had no tears.

However, Hua hanyue had no choice but to bring Chen Xiaobei to Chi Jiangbo's mansion.

.....

Purple Rainbow Pavilion.

Blazing River wave's daily work was carried out in this place.

Because he was a workaholic, he rarely left the house. In order to take care of his life, he brought the Butler and a few servants.

Hua hanyue was one of the top people on the planet, so she had some connections. When Chen Xiaobei was cooking the noodles, she had already contacted Chi Jiangbo's butler.

At that moment, Hua hanyue made a phone call, and the old Butler with a head full of white hair immediately came out to welcome them.

"You two must be friends of sect Master Hua hanyue, right?"

The old Butler was very polite, but he had no idea that the woman in front of him was Hua hanyue.

"That's right, we're friends of sect leader Hua!" we would like to meet the Chief Assistant, " Hua hanyue said. please introduce us!

The old Butler frowned. I've only promised sect leader Hua that I'll introduce the two of you to my master when he's free. However, my master is currently dealing with a very important matter. I'm afraid he won't be able to meet the two of you!

Chen Xiaobei and Hua hanyue exchanged a look.

Even if he used his toes to think, he knew that blazing River wave was definitely planning the operation to besiege the little hanyue Palace, so he naturally didn't have the time to meet with guests.

"To the Lord Chief Assistant, official matters are naturally more important!"

I've brought a bowl of overwhelming sadness noodles. Please bring it in. Even if the chief Assistant doesn't want to see us, we should at least eat something and rest for a while. Otherwise, we'll be too tired!

"You're a sensible young man!"

The old Butler narrowed his eyes and said with slight disdain, " "However, I appreciate your good intentions! My master has extremely high requirements for food. If it's not a dish cooked by a Top Chef, my master would rather abstain from eating or drinking!"

The old Butler had spoken these words very courteously, but he was also very straightforward.

In other words, Jiang Bobo would rather not eat or drink than eat ordinary food!

Furthermore, the noodles in Chen Xiaobei's hands were not even considered normal food! If it wasn't for Hua hanyue's sake, the old Butler would have described him as trash!

"Don't rush to conclusions!"

I know that the chief Assistant is a foodie. Why would I offer him ordinary food? " Chen Xiaobei smiled.

"You mean, there's another world inside this mask?"

The old Butler squinted his eyes and observed carefully, but in the end, he shook his head and sighed. He was very disappointed."I can't see anything special about it! How could such a thing catch the eyes of my master?"

Chen Xiaobei did not change his expression and said, " it's fine if you don't believe me. Just take it as giving face to sect leader Hua and bring this bowl of noodles in. As for whether the chief Assistant will eat it or not, you don't have to worry about it!

this ... the old Butler thought for a moment, then said, " "Alright, I'll give you some face, sect leader Hua! I'll bring this bowl of noodles in. You two can leave now!"

After that, the old Butler took the bowl of noodles from Chen Xiaobei's hands and walked into the purple Rainbow chamber.

sect leader Chen, let's go ... Hua hanyue said, a little discouraged.

no need! Chen Xiaobei shook his head. they'll be back to welcome us in three minutes!

"What? You must be dreaming!" Hua hanyue did not know where Chen Xiaobei's confidence came from.

Chen Xiaobei just smiled and did not say anything.

Not long after, a scream suddenly burst out from the purple Rainbow Pavilion. It was so loud that it could be heard clearly on the street.

"It's so delicious! How can there be such delicious barbarian noodles in this world!"

Without a doubt, this was the shriek of Chi Jiangbo, the first assistant Minister of Purple Rainbow City.

how ... How is this possible?! Hua hanyue was dumbfounded. She looked at Chen Xiaobei as if she was looking at a bottomless black hole that she could never see through.

"Who is it? Who cooked this bowl of noodles?"

Following that, blazing River wave rushed out with half a bowl of noodles in his hands, his eyes filled with endless anticipation.

"I cooked it!" Chen Xiaobei smiled and remained calm.

[Red Envelope Group of the Three Realms](#)

Chapter 2352: Take His Life

"You cooked this? Oh my God! Heroes really come from the youth! Such delicious barbecued pork noodles! I've never eaten it in my life! No! I've never even heard of it!"

Chi Jiangbo was incomparably excited. His entire face had turned red, and his eyes were as big as a bull's. His entire body was trembling.

"Barbecued pork noodles? Isn't it plain?" Hua hanyue looked over.

In the bowl in blazing River wave's hand, the dough was picked open. It turned out that there was really another world under the cover of the noodles!

There were pieces of honey-flavored barbecued pork with white and soft sugar-coated Lotus eggs, and two green vegetables.

Because the heat control was just right, these three most common ingredients all presented the most perfect state. The color, texture, and fragrance were all impeccable.

In an instant, a bowl of plain plain noodles had turned into a bowl of extremely attractive barbarian noodles.

it looks good ... But it's just a normal bowl of barbecued pork noodles. It's just a street snack. It's not so delicious that it's screaming, right? "

Hua hanyue frowned. She still couldn't understand why the Prime Minister would scream like a woman.

"Why not?"

Chi Jiangbo said excitedly, "let's talk about this barbecued pork first!" The gravy was completely sealed, and when he bit down, it was as if a River had converged! Moreover, all the muscles and tendons had been broken by the Zhen Yuan, and it was extremely soft and tender in the mouth! Plus the sweet Lotus wrapped egg fried with fire true essence, I can't think of any words to describe its taste!"

"What?" Hua hanyue's three views were instantly shattered. using true core strength to break the muscles and tendons???? He even fried an egg with true essence? This f * cking ..."

"Heavens! The earth! Why did you let me eat such a delicious bowl of braised pork noodles?"

Like a precious treasure, the blazing River wave held the bowl with both hands and couldn't help but shed two lines of hot tears, " this bowl of noodles has already taken away my soul ... There are no other delicacies in my world ...

no way ... She's crying???" Hua hanyue's worldview had been refreshed a hundred times. She even began to doubt her life.

"I've said it before, this isn't plain noodles, and it's also not barbarian noodles!" this is ... Chen Xiaobei raised his eyebrows. its name is overwhelming sadness noodles!

"Dejected? Ecstasy? What a good name!"

Chi Jiangbo exclaimed,"all the delicacies in the world will be overshadowed by this bowl of noodles!" Anyone who had eaten this bowl of noodles would be dazed and amazed! Overwhelming sadness! It's indeed worthy of its name!"

this ... This, this, this ... Hua hanyue was completely dumbfounded. If it wasn't for the fact that half of the bowl of noodles had already been eaten, she would have snatched it and tried it herself.

Chi Jiangbo noticed the look in Hua hanyue's eyes. He was afraid that Hua hanyue would snatch his bowl of noodles, so he immediately finished everything in the bowl, not even leaving a drop of soup!

Chen Xiaobei went straight to the point. "Lord first assistant, I'm here today to ask for your help!"

"No problem!" "Young master, you've let me taste the most delicious food ever! No matter what you ask of me, I'll do my best to fulfill it!" Chi Jiangbo patted his chest and promised.

It was obvious that Chen Xiaobei had completely conquered Chi Jiangbo's stomach. If he wanted to have more overwhelming sadness noodles, he would have to suck up to Chen Xiaobei.

Because of this, Chi Jiangbo was very willing to help Chen Xiaobei to improve their relationship so that they could have more noodles to eat in the future.

I want to see the governor! Chen Xiaobei said. I'd like to ask for your recommendation!

this ... blazing River wave's expression froze, and he said with some difficulty, " "The city Lord is in closed-door cultivation and has never seen outsiders. This matter is really difficult to handle ..."

Chen Xiaobei shrugged and said, " "Alright! Since Lord first assistant is in a difficult position, we will take our leave. See you later!"

"Don't! Don't ..."

Chi Jiangbo's body trembled. He grabbed Chen Xiaobei and said nervously, " "Young master, please don't leave! Let me think of a way, okay?"

"No, I'm in a hurry!" Chen Xiaobei said.

this ... blazing River wave composed himself and said, " "How about this, I'll go pay a visit to the city Lord now and try my best to ask her to see you! I'll definitely give you an answer within half an hour!"

"Alright! Lord first assistant is very straightforward!"

"In return, I'm willing to write down the recipe for ecstasy of sadness and give it to the chief Assistant!"
Chen Xiaobei said.

"Aiyaya! This is a good relationship!"

Chi Jiangbo was extremely excited, as if he had been injected with chicken blood. "I, Chi Jiangbo, will definitely befriend this young master! I'll head to the city Lord's mansion immediately!"

After saying that, the blazing River wave didn't even use the carriage. He directly activated his Zhen Yuan and rushed towards the city Lord's mansion.

Looking at blazing River wave's back, Hua hanyue was extremely shocked. She had a thousand words to say in her heart, but in the end, she only said one sentence, "Sect leader Chen! You're a god ..."

.....

Purple Rainbow City Lord's mansion!

The city governor Chi lingjun was in closed-door cultivation all year round. The place where she was cultivating was definitely a forbidden area.

In the entire city, only Chi Jiangbo was allowed to enter the forbidden area without any notice and meet Lord Chi Ling!

If anyone else dared to take even half a step into the forbidden area, only death would await them!

It was rumored that the blood brother of the scorching heat Lord was killed by the scorching heat Lord himself because he had barged into the forbidden area!

It was also because of this incident that there were rumors in the streets that Lord scorching heat had gone mad because of his cultivation deviation!

"Subordinate blazing River wave pays his respects to the city Lord!"

Chi Jiangbo walked to the front of a Pavilion in the center of the forbidden area. He then stopped and respectfully saluted outside the door.

The pavilion was seven stories high and was black in color. It looked gloomy, solemn, and lifeless, as if there were evil ghosts living inside, making people not dare to approach.

"Didn't I tell you? Don't bother me if there's nothing important!"

Very quickly, a sinister voice came from within the pavilion. It was extremely impatient, and at the same time, exuded a powerful pressure!

That's right! This was the voice of the city Lord, Chi lingjun!

"City Lord, please calm down. If you are in a bad mood, I will withdraw!" Blazing River wave didn't dare to speak any more nonsense. He bowed and retreated, wanting to leave immediately.

"Wait a moment!" In the pavilion, Lord scorching heat seemed to have changed his mind. He said, "Bring that kid to me!"

"This ..."

Blazing River wave sucked in a breath of cold air as cold sweat poured down his body like rain, "I haven't even said anything, how did you know that someone wanted to see you?"

"Cut the crap! Just go!" Lord scorching heat said impatiently.

"Yes, sir!" Blazing River wave swallowed his saliva and retreated out of the forbidden area while trembling in fear.

.....

In the pavilion.

Standing in the hall of the sixth floor, Lord Chi Ling asked with an extremely respectful tone, "Master! How did you know that there was a kid who wanted to see me? Also, how should I deal with this?"

On the seventh floor, a voice slowly came, "I've been watching him for a long time! When he comes, you'll take his life!"

"Take his life?" "Yes, your disciple!" Lord scorching heat was stunned and replied coldly.

[Red Envelope Group of the Three Realms](#)

Chapter 2353: Crazy As Expected

"Young lady? What about the young master? Why isn't he here?"

When Chi Jiangbo returned, he only saw Hua hanyue and not Chen Xiaobei.

Hua hanyue's expression changed slightly. She stammered, "Oh ... He ... He's not a patient person, so he said he was going to take a walk around the area!"

"Aiya! He's too impatient!" Chi Jiangbo said anxiously, "the city Lord has already agreed with him. Hurry up and call him back. Hurry!"

"What? The city Lord actually agreed to meet him?" Hua hanyue was shocked. She did not expect things to go so smoothly. She quickly took out her phone.

However, the call could not get through. The phone kept telling Chen that it was not in service.

Chen Xiaobei had gone to another dimension. Other than the Three Realms intranet, the mortal world's network could not reach that place. Naturally, there was no cell phone signal there!

That's right!

Chen Xiaobei was inside the verdant Emperor's divine gourd!

On the planet of the blood fountain, the 30000 little monsters were still taking turns to activate the sunlight box. They were accelerating the time around the blood Kirin's blood essence!

However, after such a long time, the drop of blood essence had not changed at all, except for the continuous absorption of spiritual energy!

As sect leader Tongtian had said, it took 3000 years to take root, 3000 years to sprout, 3000 years to grow into a tree, 3000 years to bloom, 3000 years to bear fruit, and 3000 years to ripen. The whole process took 18000 years!

The amount of time that had passed was simply insignificant!

Chen Xiaobei was already prepared for this, so he did not care if the blood Kirin's blood essence had changed.

Chen Xiaobei walked into the sunlight cache and took out the green jade cauldron and the nine Yin Amethyst he got from the kana dojo's Treasury!

That's right! Chen Xiaobei was going to use this time to repair the damaged puppet!

After all, Chen Xiaobei did not know anything about Lord scorching heat. It did not matter if she was really crazy or just acting crazy. It was necessary for him to be on guard against her!

"Chi ..."

Chen Xiaobei then removed the netherspirit battlescouter from the eyeball and placed it into the green jade cauldron.

"Whoosh ..."

Chen Xiaobei then injected the witch Dragon Flame into the cauldron.

Since the netherspirit battlescouter and the nine Yin purple crystal were only five-star earth-god level items, they were quickly purified by the witch Dragon heavenly flame, which was a six-star earth-god level item, to the point that they could be repaired.

Chen Xiaobei was already prepared for this. He immediately injected his ethereal force into the cauldron, and like his own hands, he began to repair the damaged parts of the netherspirit battlescouter!

This part was the core of the puppet's ability!

In the battle at the spirit condensation immortal abode, the master-protecting puppet had been directly blown apart, and this was the part that had been destroyed in the end!

As long as Chen Xiaobei could fix this part, the puppet's ability would be completely restored!

Because of this, the repair work this time was not difficult.

With the help of the witch Dragon Flame, Chen Xiaobei managed to repair the master-protecting puppet in seven days.

The seven days under the sunlight cache was only seven minutes in the outside world.

"Done!"

Chen Xiaobei heaved a sigh of relief, took out the netherspirit battlescouter and re-inserted it into his own eyeball.

the power of the master-protecting puppet has been repaired. I'll find another time to upgrade my netherspirit battlescouter. I can't lose this trump card!

Chen Xiaobei packed his things and left the verdant Emperor's divine gourd. Then, he went out of the Meru space.

Finally, Chen Xiaobei appeared in a dark alley near the purple Rainbow chamber.

With the Meru space as a cover, no one would be able to notice what Chen Xiaobei was doing.

"Lord Chief Assistant! I didn't expect you to come back so soon!"

Chen Xiaobei walked out of the dark alley and went to the purple Rainbow chamber.

"You are finally back! Hurry up and follow me! The city Lord is waiting to see you! If we let the city Lord wait too long, she will be angry!"

Without hesitation, Chi Jiangbo pulled Chen Xiaobei along.

"What should I do?" Hua hanyue asked in surprise.

"The city Lord only said that he wanted to see this young master. You can rest and wait in the purple Rainbow Pavilion!" Said Chi Jiangbo.

"No!"

Chen Xiaobei shook his head, looked at Hua hanyue and said, "You can go back directly! I can take care of the things here! After you go back, reorganize and you can take over that land!"

Obviously, Chen Xiaobei could not say it out loud, but Hua hanyue understood what he was trying to say.

Hua hanyue could no longer help with this, so Chen Xiaobei asked her to return to the small hanyue Palace and take over part of the kana dojo's territory.

"I understand. Be careful! If there's any new information, we'll contact each other by phone!"

Hua hanyue was not a sentimental person. Since it was useless for her to stay, she might as well leave.

After that, the two parties officially split up.

Hua hanyue returned to the little hanyue Palace.

Chen Xiaobei, on the other hand, went straight to the governor's residence.

.....

Purple Rainbow City Lord's mansion.

The forbidden area.

"This subordinate, blazing River wave, has already brought the person here. Would city Lord like to meet him in person?"

Chi Jiangbo stood at the entrance and asked respectfully.

Chen Xiaobei looked left and right curiously. He did not think much of the forbidden place.

If an ordinary person were to come here for the first time, they would not even dare to breathe.

"Bring him in,"

Soon, Lord scorching Heat's voice was heard.

"Yes, sir!"

Chi Jiangbo calmed himself down and quickly turned to check on Chen Xiaobei's appearance. After making sure that there was nothing wrong with him, he led Chen Xiaobei into the solemn Pavilion.

When he reached the third floor of the pavilion, a figure stood proudly in the middle of the hall.

"Subordinate greets the city Lord!"

Blazing River wave didn't hesitate. He immediately knelt down on one knee and kowtowed.

Chen Xiaobei stood at the side and observed, "No way? This is Lord scorching heat? The contrast between reality and legend is too great ..."

Standing proudly in the middle of the hall was a young woman with a dignified and beautiful appearance!

Her long black hair was combed into an exquisite bun, her beautiful facial features were adorned with just the right amount of light makeup, and her luxurious robe was spotless and as clean as new!

Such a dignified and Noble woman with an outstanding temperament was completely different from the legendary crazy woman!

Chen Xiaobei was dumbfounded.

"What?"

Lord scorching Heat's eyes narrowed and he said coldly, "Why didn't you kneel when you saw me?"

"Ah? Me?"

Chen Xiaobei paused for a moment and then said, "I'm sorry, I won't kneel even if it's heaven, earth, Immortals, or Buddha, except for my parents and master! Besides, my parents and master have never asked me to kneel before! Others can forget about it!"

"Impudent!"

Lord scorching heat was infuriated as he threw out a burst of true essence.

He did not hold back his strength and directly exploded with the power of a four-star earth-god.

"City Lord, please calm your anger ..."

Blazing River wave was so frightened that he screamed. He had never expected such a situation to occur.

Chen Xiaobei smiled. It seems like the rumors were not completely wrong. This woman is crazy!

Red Envelope Group of the Three Realms

Chapter 2354: Who Is This Divine Being?

"Clang ..."

The ethereal force that Lord scorching heat released was like a sharp sword, stabbing straight at Chen Xiaobei's heart!

The power and speed of a four-star earth-god were not ambiguous at all. As long as it was someone below this level, they would die without a doubt!

"I'm finished ..."

Blazing River wave's face turned ashen. He did not even have the ability to save Chen Xiaobei. He could only sigh to himself. The god-like ecstasy of dejection mask was going to disappear from this world!

"Clang!!!"

However, the deadly ethereal force was suddenly blocked by an invisible force, which was very close to Chen Xiaobei!

This invisible force was very stable, and it dissolved all of Lord blazing Heat's ethereal force, ensuring Chen Xiaobei's safety!

That's right! This power was the power of the master-protecting puppet!

Luckily, Chen Xiaobei was smart enough to repair this ability while he was waiting.

Otherwise, if he were to suffer a fatal attack as soon as they met, he would definitely be caught off guard, and the consequences would be unimaginable!

"City Master blaze, what do you mean by this? Do you want to start a war with me?"

Chen Xiaobei stood where he was, uninjured and unafraid of the battle.

how ... How is this possible?!

Seeing this scene, both Chi lingjun and Chi Jiangbo were shocked. They couldn't believe their eyes.

Could it be that Chen Xiaobei was above the four-star earth-god level?

This made Chi lingjun and Chi Jiangbo even more disbelieving.

Of course, apart from the five senses-eyes, ears, mouth, nose, and body-Lord Chi Ling and Chi Jiangbo also had a sixth sense, the spiritual sense!

Without a sound, Lord Chi Ling and Chi Jiangbo released their primordial spirit domains to check on Chen Xiaobei's cultivation!

When they saw Chen Xiaobei's cultivation level, they were even more shocked. Their worldview was refreshed ten thousand times!

"Impossible! I can't do this!"

Blazing River wave swallowed his saliva and said, " he's only at the nine flames God-refining stage. How can he withstand the attack of a four-star earth-god level cultivator? " I must be dreaming! This can't be real!"

"Little brat! What kind of trump card are you hiding?"

Lord Chi Ling's eyes were fixed on Chen Xiaobei, trying to find out his secret. However, no matter how much she observed, she could not find any clues.

of course! Chen Xiaobei laughed. I'm not going to tell you what trump card I'm hiding! Otherwise, wouldn't I be dead for sure?"

"If you don't tell me, you'll still die!" Lord scorching heat was obviously not an ordinary woman. She took a step forward, and her whole body was boiling with fighting spirit. She was ready to fight to the death at any moment!

"Lingjun, stop! You're not his match!"

At this moment, a strange voice came from the upper level of the pavilion.

The owner of the voice had used his vital essence to change his tone, so no one could tell if he was male or female.

"Master! Are you kidding me?"

Lord scorching heat was greatly startled. He said in an unconvinced manner, this kid is only in the nine-fire god-refining stage, while I'm already a four-star earth-god with a peak six-star earth-god instrument in my hand. How can I not be his match? "

On the other side, Chi Jiangbo was also dumbfounded. He could not understand why his Governor was not Chen Xiaobei's match!

Of course, blazing River wave's status wasn't high enough. He didn't dare to interrupt and could only watch silently.

"The reason is simple!"

The strange voice came again, and it said calmly, " "His name is Chen Zhufeng! Lingjun, do you still have the confidence to fight?"

"Is ... Is this true?"

Lord scorching heat was instantly dumbfounded and extremely shocked. He said, is he really the famous Zhenren beixuan, Chen Zhufeng? "

"Oh my God ... He's Chen Zhufeng? The Chen Zhufeng who single-handedly killed millions of soldiers?" Blazing River wave was even more shocked.

There was no doubt that Chen Xiaobei's name had spread after the battle at bei Xuan faction.

Even if the people in the earthly calamity Star Ocean had never seen Chen Zhufeng in person, they must have heard many legends about him!

"Right! It's him!" The strange voice said with certainty.

As soon as he said that, the boiling fighting spirit on Lord scorching heat instantly plummeted.

Even though he did not admit it, his dejection was enough to prove that Lord scorching heat knew very well that he was no match for Chen Xiaobei.

since master knows that he's Chen Zhufeng ... Why do you still want me to ... Lord blazing heat stopped mid-sentence.

Obviously, her master knew who Chen Xiaobei was, but he still wanted her to take his life. This was self-contradictory and incomprehensible.

The strange voice said indifferently, "I asked you to attack because I wanted to see what other trump cards he had!" You can't kill him, and he won't kill you! We'll be able to test his trump card with one move, why not?"

Lord scorching heat was stunned for a moment, but he immediately understood her master's intention.

Chen Xiaobei raised his head and asked, "Who are you? Not only can he see through my identity, but he can also predict my movements. This is too terrifying!"

As he spoke, Chen Xiaobei activated his golden gaze fiery eyes and looked up.

Even though Chen Xiaobei's golden gaze fiery eyes could see through everything, the mysterious man was on the seventh floor of the pavilion. There was a distance between each floor, and there were physical barriers between them. Chen Xiaobei was looking up from the bottom, so he could not see the man's identity.

"You don't need to know who I am for the time being!"

The mysterious man said indifferently, "as for your identity and actions, I've been paying attention. It's not strange that I can see through it!

I don't like it! Chen Xiaobei frowned. I don't like the feeling of my privacy being seen through by a stranger!

The mysterious man smiled faintly. you should be glad. Although I saw through you, I didn't plan to do anything to you. Otherwise, not only would you lose your privacy, you would also lose your freedom!

"Are you threatening my freedom?" Chen Xiaobei was a little upset.

"No, you've misunderstood!" "I don't need you to do anything for me. Why should I threaten you?" the mysterious man said indifferently. It was just an assumption when I said you lost your freedom! I won't do that, and I don't need to do that!"

Chen Xiaobei felt a little better after hearing that. At least the mysterious man was still a friend and not an enemy, so he did not have to worry too much.

"Since you've been paying attention to me, you should know the purpose of my trip!" Chen Xiaobei went straight to the point.

"I know!"

you want Purple Rainbow City to reject the Jiang family's request? " the mysterious man asked. in return, you can give us one-third of the kana dojo's territory!

Chen Xiaobei's eyes widened in shock.

His every move seemed to be under the control of that mysterious person!

Terrifying! It was dangerous! It was unfathomable!

Chen Xiaobei's heart was set off three times. He really wanted to know who the mysterious person was!

However, it was clear that this was not the time yet.

Chen Xiaobei was more concerned about the big picture. "Since you know everything, are you willing to agree to my conditions? Abandon the Jiang family! Form an alliance with me!"

[Red Envelope Group of the Three Realms](#)

Chapter 2355: Special Request

"I can promise you! Not only can I make Lord scorching heat reject the Jiang family, I can even use my name to protect the little hanyue Palace and make the Jiang family completely give up on their plan to capture Hua hanyue!"

The mysterious man's tone was very calm, but it revealed a domineering sense of control over the whole situation. It was as if as long as he appeared, there was nothing that he could not solve!

Moreover, the conditions he offered were quite attractive. With him protecting the small hanyue Palace, Hua hanyue could completely rest easy!

"There's no such thing as a free lunch in this world!"

I'm afraid that's what you're going to do! Chen Xiaobei said. since you've added an extra condition, I'm afraid that I'll have to pay a higher price!

"It's so easy to talk to congming!"

The mysterious man said indifferently, "give one-third of the kana dojo's territory to Lord scorching heat!" In addition, you only need to help me with one thing!"

"What do you want me to do?" Chen Xiaobei was very cautious and did not agree immediately.

"Don't be nervous!"

"Nine days later, all the major sects in the earth-god Realm will hold a disciple selection competition on the central main star of the nine layers of the starry sea. I want you to join the gate of heaven's secrets!"

Tianji city!?

Chen Xiaobei was surprised. as far as I know, Tianji city is one of the top forces in the earth-god Realm. I'm afraid it won't be easy to join them!

The mysterious man said with certainty, "of course it's not simple!" If it was simple, I wouldn't have asked sect leader Chen to do it!"

"What if I can't do it?" Chen Xiaobei retorted.

I have confidence in sect leader Chen. You can definitely do it!

of course, " the mysterious man said indifferently. if you fail, my promise to you will still be valid. I will protect the little hanyue Palace and Hua hanyue for the rest of her life!

"! life without worry? What a big tone!" Chen Xiaobei was shocked. He could not imagine what kind of terrifying person he was talking to.

"Heh, you call this arrogant?"

"A sect in the earthly calamity Star Ocean is nothing to me!" The mysterious man laughed.

"Alright! Since you've already said that, what reason do I have to refuse?"

I promise you! Chen Xiaobei promised. I will go to Tianji city to participate in the sect selection in nine days! As for whether it will succeed, I can't guarantee it!"

"Whether you succeed or not, I will fulfill my promise!" The mysterious man said indifferently.

"Oh right! There's one more thing that needs to be said first!" I don't want to be your master! I don't want to bow to anyone! If I can't join Tianji city because of these two things, then I'm sorry!

The mysterious man smiled faintly and said, "I know that you're a proud person. There are some things that you would rather die than do!" But I believe that with your ability, those two things should not be a problem!"

"You seem to think highly of me!" you ... Chen Xiaobei raised his eyebrows. aren't you afraid that I'm lying to you? "

"I'm not afraid!"

"My eyes and ears know your every move," the mysterious man said confidently, "and I'll send Ling Jun to keep an eye on you in secret! If you can deceive me, I'll admit defeat!"

"What!"

Chen Xiaobei was surprised. "You want to send Chi lingjun to keep an eye on me? She's not going to be the city Lord anymore?"

"Hehe." "Lingjun has stopped managing the affairs of the city for many years. The reason why she acted like a fool was to hide her other identity!" The mysterious man laughed.

"Another identity?" Chen Xiaobei frowned and turned to look at Lord scorching heat.

No wonder this woman didn't look like a lunatic at all. It turned out that her madness was just her mask, and her closed-door cultivation was just an excuse!

All of this was to conceal her other identity!

"Little brat! Don't look at me like that again! Otherwise, I'll dig out your eyes!" Lord scorching heat said in an icy tone.

Chen Xiaobei did not back down, " Don't talk to me in that tone again, or I'll blow up your butt!"

"You're looking for death!" Lord scorching heat was furious. No one had ever dared to speak to her like this in her entire life.

"Ling Jun! Restrain yourself. It won't do you any good if you anger sect leader Chen!"

"Faction leader Chen, you need to get used to lingjun's personality as well. Otherwise, there will be a lot of trouble later!" The mysterious man said after a pause.

"I'm sorry! I can't get used to it!" of course not! Chen Xiaobei shrugged. in front of me, even a tigress can be tamed into a kitten! It's impossible for me to swallow my anger in this lifetime!"

you ... Lord blazing heat was furious. The tigress Chen Xiaobei was talking about was obviously her. Chen Xiaobei even wanted to train her into a little kitten. What a pretentious prick!

"Alright, that's enough!"

However, before Lord scorching heat could flip out, the mysterious man had already spoken, "Blazing River wave, send sect leader Chen out. I have something to say to Ling Jun in private!"

"Yes, sir!"

Chi Jiangbo turned to Chen Xiaobei and said, " "Sect leader Chen, please!"

Now that everything was settled, Chen Xiaobei did not want to stay any longer and left the scene.

.....

They left the city Lord's mansion.

After Chen Xiaobei had finished writing down the recipe of overwhelming sadness noodles, which he had been dreaming of, he used the portal in the main city to go to the second level of the starry sea!

Chen Xiaobei had found an important clue in the kana dojo. It was very likely that he would be able to find Xiao 'er, Zi Yuan, and the witch of winter.

Xiao 'er was the most ferocious insect in the immemorial era. It had a lot of room for growth. More importantly, it was loyal to Chen Xiaobei. He had to find it!

The witch of winter was the weapon spirit of the limitless nine-floor Pagoda. With Chen Xiaobei's current cultivation, he could open the third and fourth floor of the pagoda. There must be a lot of benefits in it!

More importantly, Chen Xiaobei was about to break through to primordial spirit. By then, he would be able to open the fifth floor of the Wuji nine-floor Pagoda and obtain the Wuji sword formation. Then, Chen Xiaobei would be able to fight a seven-star earth-god!

Just thinking about it, Chen Xiaobei had to find the witch of winter as soon as possible!

The last one was Zi Yuan! As a four-star earth-god level poisonous demon, she had not only condensed a Dharmakaya, but also figured out the poison curse!

Zi Yuan's poison curse would play a crucial role in dealing with Qin Wuxin, who was immune to all poisons!

If Chen Xiaobei wanted to save Liu xuanxin, he had to find Zi Yuan first!

Without a doubt, this was what Chen Xiaobei wanted to do the most!

.....

On the second level of the starry sea, Chen Xiaobei followed the map he got from the shrine and arrived at an uninhabited forest.

A mountain was circled in red on the map and marked with four big words: poison immortal ruins!

However, when Chen Xiaobei reached the red circle, he was confused. "The mountain that was marked on the map doesn't exist at all! No wonder even though the kana dojo has the map, they were unable to find the legendary ruins of the poison immortal!"

"What mystery is hidden in this?"

[Red Envelope Group of the Three Realms](#)

Chapter 2356: Yin Qi Ghost Sect

Chen Xiaobei held the map in his hand and looked around.

However, even with his golden gaze fiery eyes, Chen Xiaobei could not find any clues.

It was no wonder that the map had been hidden in the treasure vault of the kana dojo and had never been put to use. It wasn't because the kana dojo didn't want to find the poison immortal ruins, but because they couldn't find it at all!

"This is going to be troublesome ..."

if we can't find the ruins, we won't be able to find Zi Yuan. We won't be able to control Qin Wuxin and we won't be able to save Xuan Xin ... Chen Xiaobei said.

Chen Xiaobei's series of actions could not be missed, or else he would not succeed!

Right now, his first step was already obstructed, it was truly a bad start!

However, this was not a problem for Chen Xiaobei.

After a moment of calm, Chen Xiaobei found an opening, " if ordinary people can't find the ruins, but Zi Yuan and the others can, it means that finding the ruins requires the unique skills of the three of them!

"First of all, Xiao 'er is a super foodie and is very sensitive to the aura of spiritual objects! As long as I find a place with a high concentration of spiritual objects, I can roughly determine the location of the ruins!"

Chen Xiaobei quickly sat down cross-legged and activated the blood descendant special ability that he had not used for a long time!

Astral projection!

Chen Xiaobei slowly closed his eyes. Without a sound, Chen Xiaobei's 'soul' rose up hundreds of meters into the air.

The effect of this special ability was similar to the primordial spirit domain of an earth immortal.

As long as this special ability was activated, the special 'divine sense' would immediately spread out.

Within a large area, Chen Xiaobei could sense any movement or valuable treasure.

This range was equivalent to an earth immortal's essence soul domain!

However, the coverage of the blood clan's special ability was much wider than that of an earth level deity's essence soul!

The primordial spirit domain of a one-star earth-god was about a hundred meters in radius.

However, a long time ago, Chen Xiaobei's blood descendants' special ability allowed him to easily cover the entire Epang Palace!

This range had even exceeded the primordial spirit domain of a nine-star earth-god!

It could be said to be extremely huge!

Chen Xiaobei used his special ability and sensed the presence of a large number of spiritual items not far away.

"If I'm not mistaken, the poison immortal ruins should be over there!" Chen Xiaobei immediately got up and started to move.

Of course, there was no such thing as a free lunch in this world. Although the blood clan's special ability was powerful, the corresponding consumption was not small!

Using the soul out of body ability once would consume 300 years of Chen Xiaobei's lifespan!

[ding Yingluo's cultivation base: God-refined nine flames, lifespan: [13200 years, physique: 5900000, combat power: 5500000!

Luckily, Chen Xiaobei had broken through to the next realm. In addition to the infinite blood and longevity pill he had taken, he had accumulated a lot of lifespan. Spending 300 years was totally acceptable!

Soon after.

Chen Xiaobei walked to the spot.

After observing his surroundings, Chen Xiaobei concluded, "There's nothing like the entrance to the ruins here! When the waiter finds this place, how are the three of them going to find the entrance?"

Chen Xiaobei did not search blindly. Instead, he started to think.

Very quickly, Chen Xiaobei came to a conclusion. "First of all, the waiter found this location! Then, we'll have to communicate with the poison immortal ruins. At this time, it's Zi Yuan's turn to take action!"

"And Zi Yuan's greatest ability is to control and use poison!" Chen Xiaobei quickly took out a ball of green silk from his infinite space ring.

This time, Chen Xiaobei did not touch it with his hand. He wrapped it with ethereal force and sent it to the ground.

One must know that this special ball of silk had already reached the level of a six-star earth-god, and although it looked soft, it was actually tougher and sharper than the dark steel knife silk!

The main point was that the silk was laced with a six-star earth-god level poison. Even the kanna dojo, which specialized in poison, was unable to control it. This showed how terrifying its poison was!

"Whoosh ..."

Chen Xiaobei activated his ethereal force and slowly transferred some of the poison to the ground.

As expected! It was just as Chen Xiaobei had guessed!

As soon as the poison touched the ground, it immediately sensed a resonance with a special spirituality.

Although he could not communicate with it, he was sure that the special spirituality came from underground. It did not reject Chen Xiaobei's arrival at all. In fact, it even welcomed Chen Xiaobei!

"Since you don't reject me, then open the door and let me in!"

Chen Xiaobei frowned and waited for a long time, but there was no movement. "Looks like I'll have to use the witch of winter's ability!"

"Lin Dong is a spiritual being! She can see things that are spiritual!" I have the netherspirit battlescouter, but I can't see anything ... This means that the special spirit is within three meters of me!"

Chen Xiaobei quickly backed away.

"Whoosh ..."

As expected, not long after Chen Xiaobei stepped back, a large amount of Yin Qi started to gather at the spot where he had been standing.

The reason why Chen Xiaobei was unable to gather any Yin Qi was because he had the cleansing Bodhi!

This Buddha treasure had a strong restraining effect on evil and poisonous things, and its effective range was exactly three meters!

So, the moment Chen Xiaobei stepped back, the yin Qi gathered together.

Whoosh ... Whoosh ...

More and more Yin Qi gathered and eventually formed a gloomy and terrifying gate to hell!

"Hahaha! He found it! Everything is exactly as I expected!"

Chen Xiaobei grinned and said excitedly, "The waiter has determined the approximate location, Zi Yuan used poison to open the door, and Lin Dong has determined the location of the main door! If the three of them joined forces, they would be able to enter the ruins! This further proves that they are inside!"

Chen Xiaobei was so excited that he immediately put the cleansing Bodhi into his infinite space ring. Otherwise, it would disappear again once he reached the gate to hell.

Chen Xiaobei walked up to the yin Qi ghost gate and said, " "What the f * ck! The taste of the ancient poison immortal who left behind the ruins is too strong ... Going in and out is like going to hell, so f * cking cautious ..."

"Hiss ..."

Before Chen Xiaobei could finish his sentence, ethereal force emerged from Hellgate and wrapped around Chen Xiaobei's body, pulling him in!

.....

After passing through the gates of hell, Chen Xiaobei had entered another dimension!

"What's going on? Where did this true essence come from? Where are you dragging me to?"

Chen Xiaobei did not have time to observe his surroundings. He instinctively wanted to take out his weapon and cut these ethereal force of unknown origin.

"Bro bei! Don't do anything! It's US!"

The next moment, three excited voices were heard, calming Chen Xiaobei's nerves.

That's right!

Xiao 'er, Zi Yuan, and the witch of winter appeared in front of Chen Xiaobei!

"That's great! I've finally found you!"

Chen Xiaobei was excited and curious at the same time. "Did you guys release that true essence just now?"

[Red Envelope Group of the Three Realms](#)

Chapter 2357: Guidance From The Immortal Burying Sect

"Whoosh! Whoosh! Whoosh ..."

Xiao 'er and Zi Yuan were so excited that they flew around Chen.

The waiter was like a golden rainbow, extremely dazzling!

It could be seen that the waiter's strength had grown a lot in this period of time! The only pair of wings on its back became brighter and sharper!

Zi Yuan, on the other hand, was like a happy little butterfly. Although she was an old demon over a million years old, her consciousness had not been formed for long, and she still had the heart of a little girl.

After not seeing him for a while, Zi Yuan's dharma body seemed to have become more solid, and his essence, Qi, and spirit were more abundant. If there were no accidents, his cultivation had also improved a lot.

As for the winter Witch, she was not too excited. However, she was unusually quiet today. Her bright eyes would sneak a peek at Chen Xiaobei from time to time, and there was a smile on her beautiful face.

It was obvious that the witch of the winter tribe was very happy to be able to reunite with Chen Xiaobei.

As for her cultivation, Lin Dong witch did not improve at all. She was already a seven-star earth-god, but her demonic soul was severely injured. Her strength was almost zero, and she could not cultivate.

Of course, Chen Xiaobei could help her! As long as Chen Xiaobei kept increasing his cultivation and opened the seventh floor of the limitless nine-floor Pagoda, he would have a chance to help the witch of winter recover her demonic soul and return her to her peak.

"Alright! You two, stop messing around! You haven't answered my question yet!"

Chen Xiaobei was really curious, so he asked again, " a special true essence pulled me in just now. Was it you? "

The waiter and Zi Yuan slowly calmed down and said with a smile, " "You guess!"

Chen Xiaobei frowned. that ethereal force just now was not Zi Yuan's poison element or Xiao 'er's metal element. I can't use my ethereal force in the cold winter. I'm guessing that ethereal force doesn't belong to you, but it must be related to you!

"Xiaobei Gege, you're so smart! This poison immortal ruin is actually a dimensional space! As for me, I've already gained control of this Meru space!"

" I sensed that someone had opened the ghost gate, " Zi Yuan said with a smile. when I checked, I realized that it was you, Xiaobei Gege. With a thought, I activated the true energy of the spatial ability and pulled you in!

"Little girl! Amazing!"

Chen Xiaobei's eyes lit up. "This place is actually a Meru space, and it's under your control! You're not simple ..."

As he spoke, Chen Xiaobei calmed himself down and started to observe his surroundings.

The Meru space left by the ancient poison immortal was about a thousand meters in radius, similar to fairy Ling ning's Meru space.

However, spirit fairy's Meru space was her treasure.

And this Meru space was used by the ancient poison immortal to hide and live.

There weren't many treasures here, but there was an exquisite Pavilion with a small bridge and flowing water, fragrant flowers and green grass. The environment could be said to be very comfortable.

"That ancient poison immortal really knows how to enjoy life!"

don't worry! Chen Xiaobei said, " keep this paradise with you. If you have something to do, go out and do it. If you have nothing to do, come in and relax! The Meru space is extremely well-hidden, and no matter where you place it, you won't be afraid of being discovered!"

Obviously, the appearance of the Meru space was so small that it was almost invisible to the naked eye.

Chen Xiaobei could not find the entrance at all.

Luckily, Chen Xiaobei had a strong deduction ability. He used Xiao 'er, Zi Yuan, and Lin Dong witch's special abilities to open the ghost door.

If it was someone else, they would never be able to find this tiny space in a vast forest.

The kana dojo was the best example. Over the years, dozens of generations of descendants of the dojo had tried at least 800 times, if not 1000 times, but they couldn't find the ruins of the poison immortal.

As for the mountains marked on the map, most of them had completely disappeared over the long years due to tectonic movements or earthquakes. This greatly increased the difficulty of finding the poison immortal ruins.

Chen Xiaobei's curiosity was piqued. "This place is so well-hidden, how did you three find it?"

Hearing this, the witch of Lin Dong said calmly, " it was a woman called immortal dugu zang who pointed us in the right direction. We followed her instructions and found our way here!

"Immortal dugu zang?"

what? " Chen Xiaobei was stunned. how did you guys get to know her? " Why would she help you?"

As soon as he said this, the waiter and Zi Yuan both looked very dejected and silent.

After a moment of silence, the witch of winter stepped forward and said, " "That day, in the spirit condensation immortal abode, you risked your life to protect us and let us escape from the final cave! Halfway through our escape, we encountered immortal dugu zang!"

"Immortal dugu zang seemed to know you. She also said that if you don't escape, you will die without a doubt! However, after the explosion in the cave, there were signs that you were still alive!"

this greatly exceeded dugu zang Xian's expectations and greatly aroused her interest in you. She even mobilized all the disciples of jiuyou platform to search for you all over the world!

Chen Xiaobei was taken aback. He had never expected that dugu zang Xian, whom he had only met once, could command all the disciples of the nine nether platform. And her goal was to find him!

Chen Xiaobei then asked, " "What happened after that?"

"After that, there was no news of immortal dugu zang, but he had some matters to attend to, so he left first!"

The witch of winter pursed her lips and said sadly, " "The waiter, Zi Yuan, and I will follow miss Liu and continue to look for you in the second level of the starry sea! However, miss Liu was taken away halfway ... I didn't protect her well, it's all my fault, don't blame the waiter and Zi Yuan!"

No wonder the waiter and Zi Yuan didn't dare to speak.

They were all blaming themselves for Liu xuanxin's death. They did not even dare to face Chen Xiaobei.

"You three don't need to blame yourselves!"

I've talked to Xuan Xin on the phone. She told me not to blame you guys. At that time, even if the three of you fought to the death, you would not be able to change the situation. You might as well run away and save your strength! Chen Xiaobei said calmly.

"So you're saying that miss Liu is fine?" Zi Yuan, the waiter, and the Lin Dong witch were all excited.

"No! Xuan Xin is still in the enemy's hands!" I'm here! Chen Xiaobei said. I'm here to ask for your help. I want you to help me save xuanxin!

"No problem! This is what we should do! We won't even bat an eye even if we have to climb a mountain of daggers or plunge into a sea of fire! We must save miss Liu at all costs!"

All of a sudden, Xiao 'er, Zi Yuan, and the Lin Dong witch were all 120% alert. Their fighting spirit was burning like a raging fire, and they were fully prepared for the final battle!

"Good! If we work together, we'll definitely be able to save Xuan Xin!"

"But we still need time to prepare!" Chen Xiaobei said. I still need to become stronger! Are there any treasures that I can use in these ruins?"

[Red Envelope Group of the Three Realms](#)

Chapter 2358: Sumeru Fusion

"There aren't any good treasures here!"

"Immortal dugu zang later returned to the second level of the starry sea and found us. He only said that he would give us an opportunity and led us here!" The waiter said.

"There used to be some one-star and two-star earth-god instruments here, but I've eaten them all! There were also a lot of poisonous gas and poisonous objects that were eaten by Zi Yuan!"

"Right now, there are only some Fey-rank materials and decorations left in the buildings! If we're too lazy to eat it, then you're even more disdainful!"

Obviously, after staying here for such a long time, with the waiter's gluttonous nature, he would definitely not let go of any good things.

The rest of the spiritual items were not of high level, and these were the spiritual items that Chen Xiaobei had sensed with his blood descendant ability.

there's no treasure ... Chen Xiaobei was a little disappointed.

"Don't be disappointed, Xiaobei Gege!" Zi Yuan said. Did you forget that this poison immortal ruins is a Meru space? This is an extremely rare treasure!"

"That being said, this Meru space is already yours!" Chen Xiaobei said.

"I still can't fully control this Meru space!"

" what's more, I'm already Xiaobei Gege's man. The Xumi dimension that I control is also Xiaobei Gege's! Zi Yuan pouted.

ahem ... Chen Xiaobei coughed awkwardly. "People will misunderstand if you say that!"

"I'm not wrong ... I belong to you!" Zi Yuan pouted his little mouth, his face serious.

"Uh ... Let's not talk about this ..."

alright! Chen Xiaobei calmed himself down and said, "since you're willing to give me this space, I'll help myself!"

I happen to have an extremely precious Sumeru fusion technique in my hands. It can fuse the Sumeru space!

then, you can use my interspace as well! Chen Xiaobei said. in fact, this interspace has other uses as well! We're all happy!

"Xiaobei Gege, you don't have to be so polite with me!" Zi Yuan said with a smile.

"Let's go! Let's get out of here first!" Chen Xiaobei nodded and led the group out of the ruins.

.....

After he came out, Zi Yuan directed a tiny light spot to Chen Xiaobei.

That's right, this was the searching space where the poison immortal ruin was located.

Xiaobei Gege, I'm going to cut off my spiritual connection with this space. You can build your own spiritual connection and control it!

Zi Yuan reminded him, then took the initiative to cut off the spiritual connection, giving up control of this Meru space.

Chen Xiaobei was ready to immediately establish a spiritual connection and become the new owner of this space.

"It's done! Next, I'm going to merge the spirit condensing space and the poison immortal space!"

Chen Xiaobei calmed himself down and led the group back to the spirit condensing space.

Luo puti, Xiang Yu, six-eared macaque, and Gao Xiaolan were still waiting in the spirit condensation space.

This space was completely empty. Other than the four of them, there was nothing else. After staying in there for so long, the four of them naturally felt extremely bored.

When Chen Xiaobei walked in, the atmosphere became lively again.

However, Chen Xiaobei did not have time to spend with them. After leaving Xiao 'er and the other two behind, Chen Xiaobei entered the verdant Emperor's divine gourd.

It was clear that Chen Xiaobei would need the sunlight cache's special ability to merge the two Sumeru realms!

Chen Xiaobei entered the special ability realm and took out the Sumeru fusion technique to study!

This volume of the Sumeru fusion technique was the item in lady Nuwa's Red envelope at the winter solstice festival! It could be said to be extremely precious, even comparable to a God-tier item!

One had to know that merging two spaces would involve the spatial laws that only heavenly path sages could control!

Even though he would not be able to control the laws of space after learning the Sumeru fusion, he could at least get in touch with the Supreme laws and understand some of the rules!

This was something that ordinary Immortals could only dream of, but would never be able to ask for!

This was a huge opportunity for Chen Xiaobei! One day in the future, when Chen Xiaobei finally faced the law of space, he would definitely thank goddess Nuwa for this big red packet!

.....

After that, Chen Xiaobei activated his prodigy mode and started to absorb the Sumeru fusion technique's knowledge as quickly as possible!

The last time Chen Xiaobei learned jiulusun's 'magical treasure fusion', it took him three days and three nights!

This time, Chen Xiaobei spent 30 days to master the Sumeru fusion!

From this, it could be seen just how profound and obscure this secret technique was!

If it was another person learning it, they would probably not even be able to reach the rudiments without hundreds of millions of years!

"Phew ... I've finally learned it!"

Chen Xiaobei stood up slowly, feeling a little strained.

It could only be said that this secret technique from mother Nuwa was really too difficult to learn!

Only 30 minutes had passed in the outside world when he walked out of the sunlight cache's special ability domain.

Chen Xiaobei left the verdant Emperor's divine gourd and brought everyone out of the spirit-condensing space. The next step was to start the fusion.

"Chi ... Chi ..."

Under everyone's watchful eyes, Chen Xiaobei conjured a ball of witch Dragon Flame in his left hand and held the spirit-congealing space in it. He conjured another ball of witch Dragon Flame in his right hand and held the poison immortal space in it.

Then, Chen Xiaobei began to follow the Sumeru fusion technique. In his hands, countless strands of ethereal force were released, changing the state of the two Sumeru spaces in a very precise manner.

After a while, Chen Xiaobei put his hands together and the two balls of Fire merged into one. The two spaces also merged together!

Time passed by slowly. The ball of witch Dragon heavenly flame only gradually died down at noon the next day.

"Phew ..."

Chen Xiaobei let out a long sigh of relief. He could finally relax. "Success! It was the first time he had fused space! The result was perfect!"

The moment he said that, everyone around him became excited.

"Did you succeed?"

"Please show us around your new space!" Luo puti asked curiously. I can't wait!"

"Yeah, yeah! Quickly bring us in to take a look!" The waiter and Zi Yuan couldn't wait any longer as they flew around impatiently.

"Let's go! I'll take you in to have a look!" Chen Xiaobei then brought everyone back to the newly-fused space.

As soon as they entered, Luo Yang, Gao Xiaolan, and the other three exclaimed, "The environment here is too good! It's simply a paradise!"

The waiter, Zi Yuan, and the other two complained, "Isn't this the environment of the poison immortal space? There's nothing special!"

"You want to watch something special?" Chen Xiaobei grinned. Then watch carefully!"

[Red Envelope Group of the Three Realms](#)

Chapter 2359: Spatial Dimension Laws

"I can't see anything special about this place at all!"

"This place is still the same as the poison immortal realm," Zi Yuan said, frowning. Even the area hasn't changed. Xiaobei Gege, I think you didn't merge the space at all. You're lying, right?"

As soon as he said that, the waiter and the Lin Dong witch nodded at the same time. What they saw in front of them was clearly the poison immortal space.

Why did Chen Xiaobei say that this was a new dimension?

"Swish!"

However, at this moment, a powerful vital essence suddenly emerged from the space and directly wrapped around Zi Yuan!

One must know that Zi Yuan was already a four-star earth-god!

However, Zi Yuan did not even have the time to resist. He was instantly taken away by the true essence and disappeared into thin air!

"Hmm? Where was Zi Yuan? What just happened?"

All of a sudden, everyone was shocked!

Zi Yuan was still speaking a second ago, but in the next second, before he could finish his sentence, he had disappeared into thin air. This was too strange!

"I know! That was the special ability of the poison immortal space! It can release true Qi at the space master's will and control outsiders who enter the space!"

the ancient poison immortal who created this space was a seven-star earth-god, " Lin Dong witch said. so, anyone below seven-star earth-god can't resist the power of vital essence in this space!

what?! Luo puti immediately questioned, " even if the vital essence is at the level of a seven-star earth-god, Zi Yuan should still be trapped in the same place, not just disappear into thin air!

this ... the witch of Winter thought for a moment, then shook her head."I'm not sure about that ..."

"Xiaobei! Don't keep us in suspense and quickly reveal the answer!" Luo puti asked curiously.

"No problem!"

Chen Xiaobei grinned and pointed at the edge of the dimension. "Dear audience! It's time to witness a miracle!"

"Whoosh ..."

Chen Xiaobei's mind moved, and the place he was pointing at seemed to open up a curtain, revealing the other half of the dark void.

That's right! This was the spirit condensing space!

At that moment, Zi Yuan was in the spirit condensation space!

Probably because he was afraid, Zi Yuan desperately ran around, trying to escape!

However, there seemed to be an invisible prison around him, trapping Zi Yuan inside!

Although the poison immortal space was right next to him, even if Zi Yuan used all his skills, he still couldn't get out of that empty spirit condensing space!

"Come!"

It was only when Chen Xiaobei pointed his finger that the invisible prison in the condensed spirit space was lifted and Zi Yuan was released.

"Xiaobei Gege! What's going on?"

Zi Yuan flew back to Chen Xiaobei's side and asked.

"As you can see! The poison immortal space and the spirit condensing space have been combined into one by me! The abilities of the two spaces have also been fused!"

I'll use my ethereal force to capture you, and then I'll use the sealing ability of the spirit-condensing space to trap you. It's that simple! Chen Xiaobei explained.

Zi Yuan continued to ask, "but, I was clearly beside you just now. How did I get transferred to the spirit condensing space in an instant?" Also, none of us saw the spirit condensing space at the beginning. How did it suddenly appear?"

this is very difficult to explain. Some simple spatial dimension laws were used in it!

Chen Xiaobei extended a finger, and with a flick of his finger, one of the buildings in the poison fairy dimension was brought into the spirit condensing space.

Chen Xiaobei waved his hand again, and the space disappeared from everyone's sight.

"Heavens! This is too magical!"

Xiaobei! Luo puti exclaimed. I feel like Xiaobei is the master of everything in this space! You can control everything as you please!

"You're exaggerating!"

teleport! Chen Xiaobei explained, " teleportation is only a short distance teleportation. I can't do it if it's further than that! The hidden space is a simple spatial displacement. You can't see the spirit gathering space, but it has always been there and has never moved!"

"My brother! This is already amazing enough!"

Gao Xiaolan was even more shocked. if I didn't see it with my own eyes, I wouldn't have believed it even if you beat me to death. Such a miracle actually exists in this world!

Xiangyu and six-eared macaque were the calmest of them all.

Six-eared macaque said, " this is just a very Basic Law of space. A truly powerful person can create a world in a space and control everything in that world at will. That's awesome!

aren't the laws of space only controlled by heavenly path sages? " Chen Xiaobei asked.

"This is not absolute!"

"Before the last measureless cataclysm, only heavenly path sages were able to control the laws of space!" Six-eared macaque said.

however, after hundreds of millions of years, the use of the law of space has actually leaked out. A small number of high-level Immortals have already mastered the elementary law of space!

furthermore, other than some high-level Immortals, there are also some Dharma Treasures that contain the laws of space. For example, mother Nuwa's Mountain river Map!

this map contains the universe, the sun, the moon, the stars, the mountains, the rivers, the flowers, the trees, the birds, and the beasts ... There is also boundless spiritual energy that is giving birth to billions of living creatures!

"Even if a perfected golden immortal mistakenly enters the space within the map, he will be killed by the owner of the map at will without any power to resist! Even a heavenly path Sage would be trapped in it for a year to a hundred years!"

Six-eared macaque sighed and said, " this is an example of a person who has truly mastered the laws of space to the extreme!

"I can't imagine it ... That's too far away from me ..."

Chen Xiaobei sighed and said, "If I can control the" mountain river Map,"I'm afraid I can do whatever I want in the Three Realms!"

As soon as he said that, Xiangyu immediately said, " you can create your own mountain river Map!

"What?" Chen Xiaobei's face was filled with shock.

"Don't you have the blood God's deity-killing painting? Moreover, you have the ability to merge with space!"

Xiangyu reminded him,"although you can't reach the top in one step, you can upgrade the blood God's deity-killing painting step by step!" In the future, he might even be able to reach the level of the mountain river Map! Suppressing the heavens and sweeping everything in its path!"

"What the f * ck! Brother Yu, you're too awesome!" I've not used the blood God's deity-killing painting ever since I helped Ying Zheng release the souls of the Black Dragon Riders from their purgatory. I almost forgot about it!

"It's not too late to think about it now!"

the 48 clones of Blood God are all clones of ancestor Minghe. As he recovers, the strength of the clones will also improve. They'll be of great help to you!

"This is great!" Chen Xiaobei was excited.

Of course, Chen Xiaobei did not forget his main goal: "Let's put this matter aside first! Next, I will do my best to save Xuan Xin!"

"What do you plan to do?" Hearing this, everyone became nervous!

Chapter 2360: The Fish Has Taken The Bait

there are still seven days before the sect selection in the earth-god Realm. I can't wait passively anymore. I have to take the initiative!

Chen Xiaobei's eyes were filled with determination.

"What do you plan to do? We'll definitely support you with all our might!" The witch of winter said in a deep voice.

The winter Witch, Xiao 'er, and Zi Yuan were the ones who blamed themselves the most for Liu xuanxin's capture. Their desire to save Liu xuanxin was no less than Chen Xiaobei's.

At the same time, Luo puti, Xiangyu, and six-eared macaque also nodded, giving Chen Xiaobei their full support.

"I already have a plan!"

"But I don't need so many people to help me!" Chen Xiaobei said. Subhuti, brother Yu, Liu er, and Xiaolan, I'll activate the returning bracelet and send you back to bei Xuan faction!"

"No! I'm not leaving! I want to work with you!"

Luo puti immediately refused and said seriously, " "You don't have to worry that I'll be jealous. Liu xuanxin and I have been known as the two beauties of Dragon City since we were on earth. Besides, I've heard about her feelings for you. I'm willing to go and save her!"

Chen Xiaobei smiled and said to Luo puti, " "You're the daughter-in-law that my parents approve of the most! Not only does he know the big picture, but he also goes forward and backward with me! This is something I like!"

"Then let me go with you to save them!" Luo puti said seriously.

"No..."

no! Chen Xiaobei shook his head. firstly, this trip is too dangerous. You're not strong enough. It's going to be very dangerous! Secondly, the core of my plan is this Meru space. I have to make sure that there is no one in the space! So, you all have to leave!"

Luo puti was speechless.

Even Xiangyu and six-eared macaque had nothing to say.

He was not strong enough! This was a problem they shared!

If they followed Chen Xiaobei, not only would they not be of any help, they might even be in danger and drag Chen Xiaobei down.

If they fell into the enemy's hands, there was a high chance that they would become hostages and be used to threaten Chen Xiaobei.

Luo puti did not insist any further and said softly, " "I'll listen to you! I'll wait for you at bei Xuan faction!"

"Good! I'm relieved!"

Chen Xiaobei nodded and consoled her, " "Don't be too dejected. Although you're not strong enough now, it doesn't mean you won't be able to help me in the future! After you go back, study the gift I gave you. Maybe one day, you will suddenly become stronger than me! Just like when we first met, there are many things that I need to do with you!"

Luo puti's heart was warmed by his words. Images of her first encounter with Chen Xiaobei and the love they had for each other began to appear in her mind.

Luo puti was an inspector of six doors organization while Chen Xiaobei was just a poor student. Along the way, the two of them had lived and died together who knew how many times before they reached today, step by step.

When he looked back, he was really touched.

Luo puti calmed herself down and said confidently, " "I promise you! When I go back, I will definitely figure out the secret of the first Saint Duke Empress and obtain her inheritance. I will make my strength catch up to yours, and even surpass yours!"

"Good! It's settled then!"

let's not waste any more time! I'll send you guys back first. I'll start the plan immediately! Chen Xiaobei grinned.

"Alright, you must be careful! We'll be waiting for your triumphant return!" Luo puti and the others said in a deep voice.

.....

After that, Chen Xiaobei used the returning bracelet to send Luo puti, Xiangyu, six-eared macaque, and Gao Xiaolan away.

Only Chen Xiaobei, Zi Yuan, Xiao 'er, and the winter Witch were left in the Meru space.

"Bro bei! Tell us your plan! The three of us will help you save sister Liu even if we have to die!"

The waiter couldn't wait any longer.

As the first pair of wings grew out, it could be seen that this little fellow had indeed grown up and was more sensible than before.

"No rush! I'll give Qin Wuxin a call first!"

After that, Chen Xiaobei left the Meru space and dialed Qin Wuxin's number.

Qin Wuxin picked up the call very quickly.

As soon as he opened his mouth, Qin Wuxin cursed angrily, " "Chen Xiaobei! What tricks are you playing! You didn't answer my calls, and you didn't reply to my messages. Are you trying to kill me?"

Chen Xiaobei frowned and said, " "You can't blame me for not having signal!"

"I don't care if you have a signal or not!"

damn it! Qin Wuxin was furious. I asked you to do something, but you f * cking messed it up! I think you're going to collect Liu xuanxin's body, right?"

"Messed up?"

Chen Xiaobei said coldly, " "You asked me to ruin Shen Gongbao's plan, and I have done it. I did not mess it up! I advise you not to touch Xuan Xin, or else you will die a miserable death!"

"Numbed! You're still trying to act tough at this time?" I want to kill Liu xuanxin every second now! I even want to broadcast it live for you! Qin Wuxin bellowed.

"What do you mean?" Chen Xiaobei asked. Make yourself clear!"

"Are you really stupid or are you just pretending?"

you're courting death! Qin Wuxin said angrily, " I asked you to ruin Shen Gongbao's plan, but I didn't ask you to settle everything in one day! You f * cking acted so fast that even if Shen gongbao used his butt to think, he would know that I betrayed him!"

From the moment Chen Xiaobei obtained the information to the moment he took care of the three forces on Purple Rainbow planet, it had only taken him less than a day!

The three major forces of Purple Rainbow planet were still having an internal meeting. They did not take any actual action and Chen Xiaobei had already taken care of all of them!

Even if Shen Gongbao was a fool, he would definitely be able to figure out that there was a mole around him!

Qin Wuxin would be the first to bear the brunt of this traitor's attack!

"So, you and Shen Gongbao have completely turned against each other?" Chen Xiaobei asked.

"Nonsense!"

damn it! Qin Wuxin roared in anger. it's fine if you f * cking settled it in one day, but you just had to destroy the shinna dojo! This was a sect that had inherited the orthodoxies of Shen Gongbao! They were the direct descendants of Shen Gongbao! Shen Gongbao is going to blame me for destroying the shinna dojo! If we don't fall out, are we going to keep it for the new year?"

Chen Xiaobei almost burst out laughing.

Originally, Qin Wuxin had planned to destroy Shen Gongbao's plan so that Shen Gongbao would be pressured to cooperate with him again.

But now, not only did Qin Wuxin's plan fail, but he had also completely fallen out with Shen Gongbao.

This was a typical case of shooting oneself in the foot!

Chen tried to hold back his laughter and said, " "Since you've already torn all decorum with Shen Gongbao, what's your next step?"

"Plan?"

"It's simple!" Qin Wuxin said coldly. Originally, I could have gained a lot of benefits from Shen Gongbao! Now, these benefits are gone, so you'll have to compensate me!"

"What do you want?" The corner of Chen Xiaobei's lips curled up into a devilish smile.

The fish had taken the bait!
