Chapter 2361: Everything Under Control

"What do I want? I want everything!"

"Aren't you fast?" Qin Wuxin roared. I'll give you one day to give me everything you have! Otherwise, I'll send Liu xuanxin's body to you!"

"Don't be so excited! Calm down!"

"With your intelligence, you should know that a thin stream can last forever!" Even if you don't take everything from me, I can still work for you for a long time! If you take everything from me, it's the same as killing the chicken to get the egg. In the future, even if I want to help you, I won't have the ability!"

"I don't need your help." I have the nine-toothed rake in my hand. I can kill you instantly with a flip of my hand! Qin Wuxin said disdainfully.

"Right! If you want to kill me, it's very easy!" "But don't forget that you have already fallen out with Shen gongpao!" Chen Xiaobei said coldly. If I die, have you thought about what Shen Gongbao will do next?"

"He ... What will he do?" Qin Wuxin was stunned and immediately became nervous.

of course! Chen Xiaobei smiled and said, " Shen gongpao is a perfected golden immortal. He has a very high status even in heaven! He would definitely pay you back a hundred times for your disrespect! As soon as I die, he will take revenge on you!"

this ... Qin Wuxin sucked in a breath of cold air. He could not even speak.

Seeing that Qin Wuxin was wavering, Chen Xiaobei quickly followed up, " "I know Shen Gongbao better than you! If you keep me here, I will always be Shen gongpao's target! However, if you kill me or take everything from me, you will have to face Shen Gongbao by yourself!"

Qin Wuxin fell into silence. After a long time, he said in a deep voice, " "Okay ... I won't take your things ..."

Chen Xiaobei almost burst out laughing again.

On the surface, it looked like Qin Wuxin was threatening Chen Xiaobei, but in reality, Chen Xiaobei was the one in control of the whole situation. He had been leading Qin Wuxin by the nose the whole time.

Of course, Qin Wuxin was not someone to be trifled with. He asked coldly, " "Chen Xiaobei! Do you think you're very powerful? You think you can lead me by the nose just by talking?"

"No, I didn't ..."

I've been following your orders. I'm just helping you analyze the situation and the pros and cons. The choice is still in your hands, isn't it? " Chen Xiaobei said.

Obviously, Chen Xiaobei had already seen through Qin Wuxin! After analyzing the situation and the pros and cons, Qin Wuxin would make a decision according to Chen Xiaobei's wishes!

In fact, they might even fall into the trap that Chen Xiaobei had set up!

"Right! The choice is still in my hands!"

"I don't want your things. I want you to continue working for me!" Qin Wuxin grinned hideously. However, I can ask for something that doesn't belong to you!"

"What do you want?" Chen Xiaobei smiled evilly, waiting for Qin Wuxin to answer.

didn't you destroy the shinna dojo? " "I want everything you've gained from this battle!" Qin Wuxin grinned hideously.

Chen Xiaobei's smile widened. Everything was under his control."I may have to disappoint you! I'll give everything I get from this battle to the silver Castle and purple Rainbow City!"

Upon hearing this, Qin Wuxin was instantly enraged. "Chen Xiaobei! Do you think I'm an idiot? You worked so hard to destroy a sect, and the benefits you obtained were given away? I don't believe you'll be so generous!"

"To be honest, I don't want to give it to them either!"

"But if I don't give it to them, how am I supposed to finish them off in one day?" Chen Xiaobei said.

this ... Qin Wuxin was stunned. He was speechless.

It was not surprising that Chen Xiaobei had destroyed the kana dojo in one day.

But the strange thing was that there must be a reason why Chen Xiaobei could take down both the silver Castle and purple Rainbow City at the same time.

Qin Wuxin did not know the real reason. He could only believe that Chen Xiaobei had given them huge benefits to make the two forces refuse to cooperate with the Jiang family.

"I don't care!"

Qin Wuxin believed him, but he still shamelessly said, " "Even if you really gave away the gains from that battle, you still have to give me some extra benefits! Otherwise, I won't let this matter rest!"

Chen Xiaobei was not moved at all. In fact, he even wanted to laugh!

Everything was under Chen Xiaobei's control!

"I knew you wouldn't let me off so easily!"

Chen Xiaobei said, " I found a map of the ancient deity's ruins in the kana dojo. I didn't give it away. If you're interested, you can come and explore the treasure with me. You can have all the benefits you get!

"Ancient immortal's ruin?" you! Qin Wuxin was immediately tempted. tell me the details!

"This matter is hard to explain!"

I'll send you a picture of the map. You have a hostage with you. It's better to let you see it with your own eyes. Otherwise, you'll think that I'm lying to you!

Chen Xiaobei then took out the map of the ruins and sent the pictures to Qin Wuxin.

Soon, Qin Wuxin replied, " "I've seen it, the map should be real! Tell me your location, I'll head over immediately!"

Obviously, the map was real. Qin Wuxin could not see any flaws in it, and he fell into Chen Xiaobei's trap!

I'm near the ruins. You can come over directly! Chen Xiaobei said.

"Alright!" Qin Wuxin hung up the phone and set off immediately.

.....

After a while, Qin Wuxin appeared in Chen Xiaobei's sight on his sword.

"Chen Xiaobei! We meet again!"

Qin Wuxin stood on the flying sword and said in a condescending manner, " "You've been here for so long, have you found the exact location of the ruins?"

"I found it!" Chen Xiaobei nodded, raised his hand and pointed. "Over there!"

"So fast? Is there a trap?" Qin Wuxin was very alert, and he slowly looked over.

"You have a hostage in your hands, I don't dare to play any tricks!" Chen Xiaobei shook his head and said, " The entrance is in a spiritual state, and only the yin-yang eye can find it!"

"Hmph! Of course I can see it!"

Qin Wuxin said proudly, "not long ago, I've awakened another bloodling special ability!" It was the Yin Yang eyes! I've already seen it. In that forest, there's a spirit body ghost gate that's filled with Yin Qi!"

"It's good that you can see it. Go in!" He said. Chen Xiaobei said.

"Enter?" Qin Wuxin narrowed his eyes and grinned hideously, " If there's no danger, I'll go in!"

Chen Xiaobei frowned and said, " Your cultivation level is higher than mine, and you have the nine-toothed rake to protect yourself. Do you need me to Scout the way?"

"I didn't bring the nine-toothed rake!" Qin Wuxin raised his brows, and his face was filled with a sinister look.

"What?"

what? " Chen Xiaobei frowned. aren't you afraid that I'll kill you if you don't bring the nine-toothed rake? "

[Red Envelope Group of the Three Realms](#)

Chapter 2362: Don't Hesitate

"Heh, I was afraid you would kill me, so I didn't bring the nine-toothed rake!"

of course not! Qin Wuxin smiled sinisterly. I placed the nine-toothed rake next to Liu xuanxin. I'm the only one in the world who knows about that place! If you kill me, you won't be able to find Liu xuanxin and the nine-toothed rake! You wouldn't do something so stupid as to lose both your life and your wealth, would you?"

you ... Chen Xiaobei said, " don't worry, I'll protect you!

"Hmph Hmph! I knew it!"

hehe! Qin Wuxin laughed smugly. even if I didn't bring the nine-toothed rake, you wouldn't have dared to touch me. Instead, you would have done your best to protect me!

"Tell me, what do you want me to do?" Chen Xiaobei asked.

go in first, " Qin Wuxin ordered. come out and call me when there's no danger!

alright ... Chen Xiaobei nodded and entered the yin Qi ghost gate.

After a while.

Chen Xiaobei stepped out of the room and said, " "There's no danger inside! We can go in and slowly search for treasures!"

"Good! I'm going in!"

Qin Wuxin grinned hideously and said,"I don't think you would dare to joke around with my life!" If you set me up, you'll be setting Liu xuanxin up as well!"

"I know that!" Chen Xiaobei nodded.

"Go away! Don't block the door!" Qin Wuxin said impatiently,"retreat five meters away!" Don't try to get close to me and curse me like you did last time!"

Chen put on an innocent face and said, " to be honest, I haven't found my venomous demon yet ... Even if I wanted to curse you, I don't have the ability to do so ...

"Hmph! I don't think you would dare!"

Qin Wuxin thought that he had Chen Xiaobei in the palm of his hand. Moreover, he had seen Zi Yuan escape with his own eyes when he was with Tian Peng.

After he finished speaking, Qin Wuxin stepped into the yin Qi ghost gate.

"Idiot! Did he think he was smart? You don't even know that you've been duped into an idiot by me!" Chen Xiaobei could not stop smiling.

.....

Within the Meru space.

"Chen Xiaobei! You bastard! How dare you trick me! What kind of treasure could there be in this damn place! I think you want to collect Liu xuanxin's body ..."

Qin Wuxin stood in the poison immortal space and cursed, but before he could finish his words, he was dumbfounded.

"Woof! Buzzzzzz! Yi "

The waiter, Zi Yuan, and the Lin Dong witch flew out and said in unison, " "Idiot! You've already fallen into bro bei's trap, and you're still acting tough? you're going to die before you even know it!"

it's you!?

what? " Qin Wuxin was shocked. didn't Chen Xiaobei say that he hasn't found you? " He lied to me ... He actually dared to lie to me!"

"Hmph! Do you think you're that great?" "Compared to my Xiaobei Gege's intelligence, you're just a retard!" Zi Yuan said in disdain. The person who is truly in control of the entire situation is not you! It's my Xiaobei Gege!"

"Chen Xiaobei! I'm going to kill you!" Qin Wuxin roared and turned his head, as if he was about to rush out of the poison immortal space.

"Whoosh ..."

However, right at this moment, a powerful vital essence bound Qin Wuxin from head to toe. He could not even move a finger!

"Qin Wuxin, I really admire you! You believe me so easily? You really think I'm afraid of you? Don't dare to touch you? What a joke!"

Chen Xiaobei walked in, his face calm and composed.

"Chen Xiaobei! You're so sinister!"

Qin Wuxin's eyes widened in anger, and his face turned red. However, he could not break free from the restraint of his vital essence even after using all his strength.

"Sinister? My heavens!"

what?! Chen Xiaobei exclaimed, " you're a despicable, shameless, dirty, and sinister man! How dare you call someone sinister?! This is the biggest joke in the world!"

"You've tried to harm me time and time again, but I'm too lazy to say anything! What's more, you plotted against your own brothers! You want to frame Qin Yitian for you! You even betrayed the entire Qin family to let the wolf into the house!"

what I can't accept the most is that my second senior brother has saved your life several times. Not only did you not think of repaying him, you even stabbed him in the back!

"I've made countless enemies in my life. In terms of treachery, you, Qin Wuxin, are definitely one of the most cunning! You actually turned the tables and said I'm sinister?"

I only have five words for you, you shameless b * stard! Chen Xiaobei said.

you ... I ... Qin Wuxin stammered, unable to say anything.

Of course, Chen Xiaobei was telling the truth, and Qin Wuxin had nothing to say!

"Alright! I can't be bothered to say anything to a shameless animal like you. I'm in a hurry to save Xuan Xin!" Chen Xiaobei said impatiently.

"Hmph! You can give up on that idea!"

"No matter what you do to me, I will never tell you where Liu xuanxin is!" Qin Wuxin grinned. That's impossible!"

"I don't need you to tell me! I'll let you personally bring me there!" Chen Xiaobei raised his eyebrows and gave Zi Yuan a look.

Zi Yuan understood what he meant and flew directly toward Qin Wuxin.

"Hmph! It's you again, you little poisonous demon!"

Qin Wuxin furrowed his brows. I've digested quite a bit of the blood ancestor's blood essence during this period of time. My physical body has been greatly strengthened. Your poison curse is ineffective Against Me!

"Is that so?"

Zi Yuan smiled faintly and said, " I've eaten nine-nine, eight-hundred and ten high-level poisonous creatures during this period of time. The poisons and curses that I can control have been upgraded completely! If I can't do anything to you, I'll change my surname to yours!"

"Whoosh ..."

As he spoke, Zi Yuan's body suddenly released a cloud of poisonous mist!

The dark purple poisonous mist expanded instantly and turned into a huge skull in front of Qin Wuxin!

"

The skeleton roared and opened its mouth wide, trying to swallow Qin Wuxin whole.

"No! Don't ..."

Qin Wuxin's pupils contracted uncontrollably, and his entire being was shrouded in fear.

"Chen Xiaobei! You listen to me!"

"I used the blood patriarch's special ability to hypnotize someone next to Shen Gongbao. If you poison me, I will lose consciousness!" Qin Wuxin said nervously. By then, the hypnosis will be lifted, and the person will tell Shen Gongbao Liu xuanxin's location!"

"What?"

Zi Yuan was shocked. He immediately stopped the poisonous mist skeleton and looked at Chen Xiaobei. "Xiaobei Gege! What do we do now?"

Chen Xiaobei frowned and started to plan.

"Chen Xiaobei! You don't need to calculate!"

Qin Wuxin said coldly, " I've already told that person about Liu xuanxin's location before I hypnotized her! You're just afraid that I'll end up in your hands like today! If you don't let me go, I'll never let you save Liu xuanxin even if I die!"

"Bro bei! why don't we let him go ... the waiter said worriedly, " "It's better for sister Liu to be in his hands than in Shen Gongbao's!"

Hearing this, Lin Dong demoness and Zi Yuan both nodded in agreement!

Because, other than that, there was no other choice!

"Zi Yuan!"

Suddenly, Chen Xiaobei opened his mouth and said, " "Curse Qin Wuxin immediately! Don't hesitate!"

[Red Envelope Group of the Three Realms](#)

Chapter 2363: Sudden Change

"Chen Xiaobei! Are you crazy?!"

what? " Qin Wuxin was shocked when he heard this. everything I told you just now is true! Do you really want to fight to the death with me? Do you really want Liu xuanxin to die?"

Chen Xiaobei did not answer but ordered, " Do it immediately!"

"Yes, sir!"

Zi Yuan and Chen Xiaobei had signed a primordial spirit blood contract. Strictly speaking, she was like Chen Xiaobei's spiritual beast. If Chen Xiaobei gave her an order, she would have to follow it!

Even if she thought that she should let Qin Wuxin go, she would follow Chen Xiaobei's orders unconditionally!

"Whoosh ..."

All of a sudden, the huge poisonous skeleton bit down and bit Qin Wuxin's head!

"Hiss ... Hiss ..."

In the next moment, the dark purple poisonous substance quickly drilled into Qin Wuxin's head!

"Uh ..."

ah! Qin Wuxin howled in pain. His eyes rolled back, and he lost consciousness. He stood on the spot like a zombie.

"Control him immediately and bring us to Xuan Xin!" Without hesitation, Chen Xiaobei took everyone and left the Meru space.

"Whoosh!"

Without wasting a second, Chen Xiaobei took out the somersault cloud, activated the speed of a four-star earth-god, and shot into the sky.

At the same time, Qin Wuxin was like a soulless puppet. His consciousness was completely under Zi Yuan's control. He would raise his hand and point Chen Xiaobei in the direction where Liu Xuanxin was.

After the somersault cloud stabilized, Zi Yuan could not help but ask, "Xiaobei, why won't you let Qin Wuxin go? If Shen Gongbao gets to that place before us, sister Liu will fall into his hands ..."

first of all, the person that Qin Wuxin hypnotizes can't be with Shen Gongbao all the time. Even if he can send a message, it will take some time! Chen Xiaobei said.

secondly, Shen Gongbao is in the Jiang family, in the earth-god Realm. It will take him more time than me to get here!

"The last and most important thing! Qin Wuxin was an extremely sinister and cunning man! If we don't make him lose consciousness, he might come up with other dirty tricks at any time, and there will be endless trouble in the future!"

Obviously, Chen Xiaobei had already seen through the situation!

By using the poison curse to control Qin Wuxin first, it would be equivalent to eliminating a huge hidden danger.

After that, he would compete with Shen Gongbao to see who was faster. This way, Chen Xiaobei's chances of winning would be very high.

Qin Wuxin is in our hands. Even if he doesn't lose consciousness, he won't be in any danger, right? " the waiter raised his doubts.

"You don't understand!"

no! Chen Xiaobei shook his head. when I was on the phone with Qin Wuxin, he told me that he had released three Blood God's servants to keep an eye on Xuan Xin 24/7!

in some stories about vampires on earth, there are mentions of servants of the blood God. This is a special spirit body that can act as the eyes, ears, mouth, and nose of vampires!

"Since Qin Wuxin could use the blood God's servant to keep an eye on Xuan Xin, he could also use the same method to get in touch with Shen Gongbao! This way, we'll be in an even more dangerous situation!"

The waiter, Zi Yuan, and the Lin Dong witch all nodded silently in agreement.

According to Chen Xiaobei's analysis, regardless of whether Qin Wuxin lost consciousness or not, the news would still be leaked to Shen Gongbao.

In that case, it was naturally a better choice to completely control Qin Wuxin! If Qin Wuxin was still awake, he would have colluded with Shen Gongbao to frame Chen Xiaobei! There would really be endless trouble!

luckily, bro bei made the decision to release the curse!

"Now, we just need to reach the destination before Shen Gongbao and we can save sister Liu!" Zi Yuan said excitedly.

Hearing this, the waiter and the Lin Dong witch were also excited.

"Don't be happy too early!"

Chen Xiaobei, however, remained calm and said, "Don't underestimate Shen Gongbao! This guy was much more powerful than Qin Wuxin! Furthermore, he had the support of a deity! There might be a huge change!"

"No matter what, we must save sister Liu!" Zi Yuan waved his small fists, his attitude extremely firm.

"Of course!" Chen Xiaobei was not going to be swayed by the potential danger.

.....

After a round of teleportation and a period of rapid flight, he was finally able to fly.

Chen Xiaobei led the group to an old forest at the edge of the third level of the starry sea.

This forest covered a huge area. Because it was close to the no man's land in the three layers of the starry sea, ordinary people never dared to set foot here.

However, there were many powerful demonic beasts that ran amuck in this old forest, claiming to be Kings.

Because Qin Wuxin's finger was pointing downwards, Chen Xiaobei got off the somersault cloud and ran through the forest.

During this time, Chen Xiaobei had used the stealth ability of his Nightstalker outfit to avoid any conflict with the demonic beasts.

.....

Old forest was big, but Chen Xiaobei was fast. It did not take him long to reach his destination.

It was a long, pitch-black Rift Valley.

It was as if the entire mountain had been split open by a giant axe. The Rift Valley split open from the top of the mountain and extended all the way below the ground!

"Xiaobei Gege! This is the place!"

Zi Yuan said, "sister Liu, it's in the deepest part of the Rift Valley!" Let's go down quickly!"

"Good! We'll go down now!"

Chen Xiaobei calmed himself down and walked toward the Rift Valley.

But! After three steps, Chen Xiaobei stopped and quickly retreated.

"Xiaobei Gege! What's wrong with you?" Zi Yuan and the Lin Dong witch asked in surprise.

"Shh!"

Chen Xiaobei quickly made a shushing gesture and backed away. Then, he lowered his voice and said, "I activated my fiery golden eyes and saw someone in the valley!"

"What? How could there be someone in the valley?" The waiter, Zi Yuan, and the Lin Dong witch were all nervous.

Liu xuanxin could not even move a finger. If anyone found out about this, she would not be able to fight back at all!

"My previous worry has come true!"

what? " Chen Xiaobei furrowed his brows. things have really changed beyond my expectations! There were many people in the Rift Valley! from their clothes, the Jiang family, heaven dominating faction, Ximen family, Nangong family, and beiming family had all come! If I'm not mistaken, Shen Gongbao himself must be among them!"

"What ... What should we do?"

miss Liu! the witch of winter was extremely nervous. with so many people, it won't take long for us to search the entire Canyon and find miss Liu! We're completely finished ..."

"Don't worry! We can't lose our composure!"

the enemy is still outside the canyon. This means that they have only just found this place! Chen Xiaobei said. I still have a chance to find Xuan Xin before they do!"

"Then what are we waiting for? Hurry up!" The waiter, Zi Yuan, and the Lin Dong witch said impatiently.

[Red Envelope Group of the Three Realms](#)

Chapter 2364: Life And Death Rescue

"Hurry! All the earth level deities activated their primordial spirit domains and searched carefully. They couldn't miss a single corner! Whoever helps Mr. Shen find the nine-toothed rake first will get a heavenly immortal level pill!"

In the valley, Shen Gongbao's men were shouting loudly.

As the saying goes, money can make the devil turn millstones! Heaven dominating faction, Jiang family, Nangong family, Ximen family, and beiming family were all trying their best to find a special rake for Shen Gongbao.

"Everyone! If they found Qin Wuxin, they would kill him immediately! If you find an old, ugly, and disabled woman, don't touch her, she's poisonous! But don't hurt her, she's important to me!"

On a higher rock, Shen Gongbao stood proudly with his hands behind his back, overlooking the whole situation. He had the aura of a leader.

"Exalted immortal Shen, are you sure the nine-toothed rake is here?"

Beside him stood a strange person. His entire body was covered in a broken black cloak that was covered in dust. In addition, he wore a thick and heavy hat, making it impossible to even see his face clearly.

That's right! This person was Lu Yue!

"I'm sure!"

"After Qin Wuxin fell out with me, I immediately looked for someone from the heaven realm to divine his fate!" Shen Gongbao said. The higher-ups have predicted that Qin Wuxin will die today, and he will face his tribulation here!"

what? " Lu Yue narrowed his eyes and said, " does that mean that traitor Qin Wuxin will die Here? " The nine-toothed rake was also left here?"

"That's right! On my way here, one of my men called me and told me that Qin Wuxin had hidden Liu xuanxin here! It's obvious that this is Qin Wuxin's lair!"

Shen Gongbao was very certain, and he said,'according to fate, Qin Wuxin will face the death tribulation here! The two most important things, the nine-toothed rake and Liu xuanxin, must be here!"

"This is good!"

of course! Lü Yue nodded. with the nine-toothed rake and Liu xuanxin, it will be a piece of cake to take care of Chen Xiaobei!

"Don't underestimate Chen Xiaobei!"

Chen Xiaobei! Shen Gongbao frowned and said, " I'm afraid of alerting the prime of Tongtian, so I didn't ask the people in heaven to divine Chen Xiaobei! This kid could often do unexpected things! Maybe he'll suddenly jump out and mess things up!"

"I don't think so ..."

what?! Lu Yue could not believe it. in order not to alert that traitor, Qin Wuxin, we have to keep today's operation a secret. Chen Xiaobei has no way of knowing!

logically speaking, Chen Xiaobei wouldn't have known about this, and he wouldn't have come here!

"But, if we use common sense, he would not be called Chen Xiaobei!" Shen Gongbao said.

God Shen, I know you've suffered a lot in Chen Xiaobei's hands. But you don't have to worry about the situation today!

Lu Yue said confidently, " I've told all the earth Immortals to keep their primordial spirit domain open at all times! It doesn't matter if Chen Xiaobei uses the Nightstalker outfit to hide himself or the high-tier prosperous monkey fur to turn into a flying insect, he won't be able to escape from the primordial spirit realm's divine sense!"

"As long as Chen Xiaobei dares to come, he will be detected by the primordial spirit realm! At that time, everyone would gang up on him and he would die without a burial ground! We will be able to completely get rid of this great threat!"

Lu Yue was full of information and was certain that he had control of the entire situation.

Shen Gongbao also nodded and said, "I'm very clear about your ability!" As a top zenith heaven golden immortal in the ancient Jie sect, I absolutely believe that nothing will go wrong with you overseeing this operation!"

After that, Shen Gongbao and Lu Yue looked at each other and smiled. They were both relaxed and in a good mood, waiting for the moment to finally pick the fruit of victory!

However, even if Shen Gongbao and Lu Yue had ten thousand brains, they would never have thought of this!

Under the protection of the Nightstalker outfit, Chen Xiaobei walked past Shen Gongbao and Lu Yue!

Although there were many earth level deities in the Rift Valley! Although those earth level deities had all activated their essence soul domains!

However, Chen Xiaobei had Zi Yuan by his side!

As a four-star earth-god, Zi Yuan could interfere with the domains of lower-level earth-gods after activating his primordial spirit domain! They would not be able to sense Chen Xiaobei's presence!

Obviously, the group of people that Shen Gongbao had brought to the scene to look for the item were just small fries of the five Forces!

The highest cultivation base of these people was only a two-star earth-god, and they did not even realize that they had been disturbed by Zi Yuan's primordial spirit domain!

.....

Just like that, Chen Xiaobei successfully passed the first stage. He quickly entered the canyon and climbed down a ravine, heading straight to the deepest part of the canyon!

However, before Chen Xiaobei could reach the deepest part, a series of excited voices could be heard!

"I found it! He found it! Mr. Shen! We've found the woman you're looking for! Quickly come down and take a look!"

A series of shouts came from the depths of the valley. There were at least a dozen people.

"Shit! They found sister Liu! We're still a step too late!" Zi Yuan immediately became nervous.

"Don't panic!"

poison! Chen Xiaobei said, " release the poison immediately! Delay Shen Gongbao! We should be able to save them if we go down!"

"Understood!"

Zi Yuan didn't dare to hesitate and immediately released a thick poisonous mist, sealing off the entire downward passage.

"Swish!"

Chen Xiaobei did not continue to climb slowly. He removed his invisibility and jumped down to the bottom of the valley.

.....

At the bottom of the valley.

Liu xuanxin was lying on a cold rock.

Around them, more than ten members of the five superpowers were pointing at Liu xuanxin and mocking her.

"This old woman is so ugly! His skin was as wrinkled as tree bark! Furthermore, there were large areas of festering ... Ugh! It's so disgusting ..."

"What the f * ck! Look at the corner of her eyes! The tears that flowed out were actually blood-red in color ... Was she a human or ghost? You scared me to death!"

"Mr. Shen's taste is too strong, isn't it? What's the use of finding such an old witch? Don't tell me you want to keep it by your side to ward off evil?"

"Isn't it to ward off evil? This kind of old, ugly, and disgusting thing, even ghosts have to take a detour when they see it!"

It was obvious that Liu xuanxin's current situation was just as they had described.

They were all telling the truth.

However, by saying these words at this time, it had undoubtedly seriously touched a certain someone's reverse scale!

"Swish!"

They saw a black shadow descending from the sky!

Zhang Yang raised his arms and formed his fingers into claws! With the momentum of a Thunderbolt, one from the left and one from the right, they directly blasted towards the top of the two people's heads!

"Who's there?"

Both of them were earth Immortals in the primordial soul realm. They reacted quickly and activated their vital essence to protect themselves!

The vital essence of earth-god level had super strong defense, which was also the biggest guarantee of their lives!

Whoosh ... Whoosh ...

However, the black Shadow's claws were immediately ignited with purple-gold flames! He continued to attack aggressively, completely disregarding the true essence of the two earth Immortals!

Red Envelope Group of the Three Realms

Chapter 2365: Major Crisis

"Beng! Beng!"

In the next moment, the sharp claws burning with purple-gold flames crushed the two earth Immortals' body-protection true energy!

Who dared to think about it! That true essence with extremely strong defensive power was actually completely useless! Without any protection, it completely collapsed!

Immediately after, his ten fingers that were burning with purple-gold flames were like ten extremely hot iron hooks. They instantly pierced through the top of the two people's heads and entered their heads!

"Uh ... Ah! Ah ..."

Two extremely shrill screams broke out. They were hysterical and heart-wrenching, and just listening to them was enough to make one's hair stand on end!

However, what was even more terrifying was that under the extremely high temperature, the brains of the two men instantly boiled and spurted out from the holes on their heads, from their mouths, nostrils, and ears!

"Bang! Bang!"

In the end, the two men's eyeballs exploded, and their blood and brains spurted out. They couldn't be more dead!

"Oh my God ... This ... This is too scary ..."

At the sight of this scene, the remaining dozen or so people were so scared that they peed their pants and trembled all over, almost passing out on the spot!

"Xiaobei ..."

At the same time, Liu xuanxin's gaze fell on the black figure!

Chen Xiaobei was not wearing the human skin mask, so Liu xuanxin could recognize him immediately!

However, Liu xuanxin knew her current situation very well. She quickly averted her gaze and did not dare to look at Chen Xiaobei again!

There was no doubt that Liu xuanxin had lost all her confidence. She did not have the courage to face Chen Xiaobei in her current state!

Chen Xiaobei felt a sharp pain in his heart and said softly, "Xuan Xin, I've made you wait! I'll bring you back today! I promise that no one will ever hurt you again!"

"I don't need you to care about me ..."

Liu xuanxin looked to the other side and said in a pained voice, "I don't want to go anywhere right now ... I just want to die ... Do you understand? If you understand, then leave!"

"Xuan Xin! You listen to me!"

"I swear!" Chen Xiaobei said in all seriousness. I can definitely cure you! I want you to be the same as before ..."

don't lie to me ... My body's condition can't be cured ...

"You must have heard what they said ... I'm already an old, ugly, and disgusting thing!" Liu xuanxin said in despair. Even ghosts have to take a detour when they see me ... Could it be that your taste is even heavier than ghosts?"

these animals are full of shit. Don't take their words to heart! Chen Xiaobei's eyes suddenly turned purple-gold.

"Woof! Whoosh!"

In the next moment, it was as if two six-star earth-god purplish-gold fire dragons had charged out of Chen Xiaobei's eyes and were about to crush the remaining people!

"Ah ... Ugh! 'Ah ... Help! Ah ..."

A series of screams burst out. Under the attack of the two purple-gold fire dragons, the low-level earth immortal realm cultivators present had no power to fight back.

Some of their bodies exploded, while others were directly burned to death by the flames.

In less than three seconds, more than a dozen earth level deities were killed. They didn't even have the chance to escape.

[ding! You have eliminated a first-generation villain. You have received 10000 merit points!]

[eliminate two evil people ...]

[eliminated ...]

- ding! You have 383330000 merit points.(Charm: 383333000, luck: 383333000) !

A notification came from the netherspirit battlescouter. Chen Xiaobei had received 300000 merit points for killing these people!

It was a lot of merit points, but Chen Xiaobei did not care!

"Xuan Xin!"

At that moment, Chen Xiaobei only had eyes for Liu xuanxin!

"I can tell you very responsibly! I will definitely cure you! Whether you believe it or not, you will be my woman forever!"

I've already said it back in the spirit congealing immortal abode. Even if you hide an old and ugly face under your mask, I will not let you go. I will not let you get away from me! You think I'm joking?"

this ... Liu xuanxin's expression froze. She could not help but think back to the scene.

Liu xuanxin's heart ached, and tears of blood flowed out of her eyes.

"Heh, Chen Xiaobei! You're really awesome! You can actually eat this kind of trash? Even I, Shen Gongbao, have to admit that I'm impressed!"

At this moment, Shen Gongbao and Lu Yue led a large group of people and rushed down.

"This is bad!"

Seeing this, Zi Yuan suddenly became nervous, " "They're fast! We've been surrounded!"

Hmph! Lu Yue said disdainfully. you think you can block our way? do you think I, Lu Yue, am made of paper? "

what ... What's going on? " Liu xuanxin started to get nervous.

Liu xuanxin had thought that Chen Xiaobei had settled everything, and that was why he had come to the bottom of the valley!

But Liu xuanxin did not expect Chen Xiaobei to have so many pursuers behind him. They had surrounded Chen Xiaobei and even sealed off the exit!

Liu xuanxin felt guilty. If she had known that this would happen, she would not have said those words and delayed Chen Xiaobei's escape!

"Shen Gongbao!"

Chen Xiaobei said, " "Who gave you the guts to appear in front of me? Aren't you afraid that I'll use the infinite sword formation to kill you?"

Shen Gongbao snorted and said confidently, " "Hmph! I'm not a fool. If I don't have a trump card, why would I show myself so easily?"

"So, you want to fight me?" Chen Xiaobei's eyes were filled with battle intent.

"Come on! Who's afraid of who!" Shen Gongbao looked at Chen Xiaobei with a nonchalant expression. He was not afraid of Chen Xiaobei's infinite sword formation at all!

Seeing this, the waiter became nervous. it seems like Shen gongbao really has a trump card that can fight with bro bei! Bro bei is going to have a hard time, and he might even be in a life-threatening situation!"

Upon hearing this, Zi Yuan and the Lin Dong witch became nervous! Judging from Shen Gongbao's expression, he must have come prepared!

"Something's wrong! You're not Shen Gongbao!"

Suddenly, Chen Xiaobei said, " "If he had a trump card, the real Shen Gongbao would have taken action immediately and killed me as quickly as possible! You shouldn't be standing here and talking nonsense with me!"

hehe, Chen Xiaobei, you know me well! At this moment, Shen Gongbao laughed hideously.

But this laughter came from behind Chen Xiaobei.

"Not good!"

Chen Xiaobei was shocked and quickly turned around.

Suddenly, someone appeared beside Liu xuanxin. It was Shen Gongbao!

The 'Shen gongpao' that Chen Xiaobei was facing earlier had turned into a strand of monkey fur and landed on the ground.

"Chen Xiaobei! You didn't expect this, did you?"

The real Shen Gongbao laughed hideously, " you always use the prosperous monkey fur to fool others. Today, I used the same trick to fool you! Are you surprised? Are you surprised?"

Chen Xiaobei's expression changed. An unprecedented sense of danger loomed over him.

This game! How should he break it?

Chapter 2366: Absolute Deadlock

"Shen Gongbao! Don't touch Xuan Xin!"

Chen Xiaobei tensed up. He had thought that he would be fine with Liu xuanxin behind him.

However, he did not expect Shen Gongbao to use the prosperous monkey fur as a cover and sneak up to Liu xuanxin through some secret means.

Shen Gongbao was a threat to Liu xuanxin's life, and Chen Xiaobei did not dare to act rashly.

The waiter's combat power was insufficient in the cold winter and he couldn't help at all.

Zi Yuan's poison would not be able to pass Lu Yue's test, so it was useless.

For Chen Xiaobei, he was in an unsolvable dead end!

"Hehe, Chen Xiaobei, where do you get your confidence from? Do you still think you have the right to bargain with me at this time?"

Shen Gongbao said with a disdainful expression, " "You can only be obedient! Otherwise, I will torture Liu xuanxin in front of you! Don't doubt my methods of torture! I have countless ways to make her wish for death!"

"Xiaobei! don't worry about me ... Just run ... Run ... Liu xuanxin knew very well that she had become a hostage. She had caused Chen Xiaobei to be in a dead end. This made her feel very guilty and very pained!

"Xuan Xin, don't say anything. I won't run! I won't leave you!"

Chen Xiaobei then turned to Shen gongpao and said, " "Tell me, what do you want me to do?"

"It's true that heroes can't stand the beauty! Chen Xiaobei, you've been a hero for your entire life, but you've never been able to overcome this obstacle!"

"I want you to destroy your own cultivation and hand over everything to me!" Shen Gongbao grinned hideously.

"No! Xiaobei ... You can't listen to him ... If you do as he says, he won't let you off ..."

Liu xuanxin said in a serious tone, "I'm begging you!" Don't worry about me, just run! Live on ... If we're fated, I'm willing to meet you again in the next life ... But in this life, I'm not going to die with you!"

"You shut up! I'm talking to Chen Xiaobei! What are you doing here ... Shen Gongbao was so angry that he lifted his leg and was about to kick Liu xuanxin.

"Stop!"

Chen Xiaobei roared, releasing a terrifying aura!

In an instant, everyone's heart, including Shen Gongbao, was greatly shocked!

They looked at Chen Xiaobei as if they were looking at a demonic god from the depths of hell. Their eyes were filled with fear!

All the immortal soul Stage cultivators felt a pressure on their chests, as if they were about to suffocate! His heart was beating wildly, as if it was about to burst! His limbs turned cold, as if he had fallen into an abyss of extreme coldness!

"Oh my God ... It's so scary ..."

The people of the five Forces all screamed out instinctively. They couldn't control their legs and retreated desperately, only hoping to get away from the shroud of the terrifying pressure!

A few timid guys were so scared that they fell to the ground on their butts. Their legs trembled madly, and their crotches were wet and smelly. They peed on the spot!

"What a terrifying pressure! Chen Xiaobei's mental state had grown to such a level! Even a real celestial immortal can't do more than this!"

Lu Yue's brows furrowed, his eyes filled with shock.

As an ancient deity of the tribe of severity, Lu Yue was not intimidated by Chen Xiaobei!

However, Chen Xiaobei's ability had surprised Lu Yue!

Lu Yue could not even imagine how strong Chen Xiaobei's mental state would be when he became a celestial being!

"You little brat! You're bluffing!"

Shen gongpao was the target of Chen Xiaobei's aura. He was really shocked. The leg that was about to kick Liu xuanxin was so frightened that it retracted.

Shen gongpao felt so embarrassed that he glared at Chen Xiaobei, wanting to get his revenge.

Chen Xiaobei was not afraid at all. He glared at Shen Gongbao and said, "I agree to your request! However, don't you dare do that, or I'll make you regret it!"

Shen Gongbao had already lost in Qi power, so he didn't want to continue the fight. He urged, "Since you've agreed, then quickly do as I say! Destroy your own cultivation and hand over your interspatial ring!"

"Don't ... Xiaobei! No... Liu Xuanxin's tears fell like rain.

The blood-colored tears looked extremely terrifying!

But it also reflected Liu Xuanxin's deep love for Chen Xiaobei!

"Whoosh ..."

Chen Xiaobei's expression did not change. A ball of ethereal force gathered in his palm!

Chen Xiaobei really had no way of breaking out of this situation!

In order to protect Liu Xuanxin in this situation, Chen Xiaobei had to do as Shen Gongbao said!

"Shen Gongbao ..."

Chen Xiaobei raised his hand and said, "I know you very well. Even if I listen to you, you will Never Let Me Go!"

Shen Gongbao shrugged his shoulders and said, "Heh, you're a smart kid. With the enmity between us, I naturally won't let you live!"

"I can die, and I won't resist!"

"But Xuanxin just said that she would not die with me!" Chen Xiaobei said. "Can you just kill me and let her go?"

"Sure!"

Shen Gongbao raised his eyebrows and said, "I have no grudge against this woman. Besides, she is no threat to me now. As long as you do as I say, I can spare her life!"

"Good! I hope you won't break your promise!"

Chen Xiaobei's eyes narrowed as he raised his hand and slammed it into his dantian.

Chen Xiaobei had no choice but to give up his own life in order to save Liu Xuanxin's life!

"Bang!"

Chen Xiaobei's palm landed on his sea of Qi dantian, and his ethereal force flowed into his dantian, shattering it! He would be crippled of his cultivation!

"Pfft ..."

Chen Xiaobei spat out a mouthful of blood. He felt as if all the energy in his body had been sucked out, and he fell to the ground weakly!

Xiaobei!!!

Liu xuanxin felt an indescribable pain in her heart, and her eyes were filled with despair and regret.

Xiaobei ... I said I won't die with you because I want you to live on ...

no! Liu xuanxin cried. if you can abandon me, you won't be threatened. You can do whatever you want ... Why ... Why do you have to do such a stupid thing? "

because ... Chen Xiaobei, who was lying on the ground, turned his head to look at Liu xuanxin. The corners of his mouth were slightly raised, and his breath was weak. But he said with certainty, " "I love you ..."

Xiaobei ... Liu xuanxin shuddered. All sorts of emotions surged into her heart, and she could not stop them."I love you too ..."

ha ... I knew it. I'm still in your heart ... Chen Xiaobei grinned. Shen gongbao, come and get what you want. I, Chen Xiaobei, can rest in peace now ...

Chapter 2367: Turn Of Events

Shen Gongbao didn't take action immediately. Instead, he looked at Lu Yue.

Lu Yue immediately released his primordial spirit realm to check Chen Xiaobei's cultivation. He then nodded and said, " the nine primordial Spirit Fire Seeds in his dantian are all gone ... Chen Xiaobei is really useless!

Hearing this, Shen Gongbao instantly became excited and cheered, " "Chen Xiaobei! You finally lost to me! In the long run, I've suffered countless losses in your hands! Today, he was going to get it back with interest! Hahaha ..."

Chen Xiaobei's cultivation was crippled and his body was severely injured. He could not even stand up!

Shen Gongbao was not afraid of Chen Xiaobei anymore. He cheered and walked to Chen Xiaobei's side.

"Shen Gongbao ..."

However, Liu xuanxin suddenly said, " "If you don't want to let Xiaobei go, then kill me as well ... I can't let Xiaobei die alone ..."

Shen Gongbao shrugged and grinned, " "I don't care. Killing you is as easy as stepping on an ant! But, I've already promised Chen Xiaobei!"

"Wait for me to talk to Xiaobei ..."

Liu xuanxin turned to Chen Xiaobei and said, " "Xiaobei, I wanted you to run away, but you'd rather die. If that's the case, I'll die with you ... You said you wouldn't leave me, so don't lie to me ..."

"Xuan Xin ..."

Chen Xiaobei's brows furrowed. After a moment of hesitation, he reached out his hand and gently held Liu xuanxin's old and rough hand.

But Chen Xiaobei did not say anything. He just held Liu xuanxin's hand quietly.

"Chen Xiaobei! Should he kill this woman or not? If you have something to say, then quickly spit it out!"

Soon, Shen Gongbao lost his patience. "Forget it, I'll make the decision for you! I'll send the two of you to hell together!"

Chen Xiaobei and Liu xuanxin did not even respond to him.

"Xiaobei ..."

With her hand in Chen Xiaobei's, Liu xuanxin felt at peace. Her entire body was warm and peaceful.

It was as if she had finally found her true home. Even though death was right in front of her, Liu xuanxin did not show any fear.

Slowly closing her eyes, Liu xuanxin began to recollect the memories from the beginning. She could not help but ask, "Do you still remember what you called me when we first met?"

"Of course I remember! You're mine, fairy sister!"

A warm smile appeared on Chen Xiaobei's face as he slowly closed his eyes. It was as if he had returned to the best times of his life.

A young man meeting a fairy sister for the first time!

The two of them had established the most intimate relationship overnight, as if they were possessed by demons and gods!

That night was very short, but it was destined to be a long journey in the future!

Looking back at the absurdity of that night, Chen Xiaobei and Liu xuanxin were very satisfied and had no regrets!

Even if he was about to die, he would have no regrets!

"Chen Xiaobei! I'll send you on your way first!"

Shen Gongbao was already getting impatient. He raised his hand, bent his fingers into a claw and grabbed Chen Xiaobei's throat!

During the winter solstice festival, Shen Gongbao was demoted to the mortal world without any cultivation!

But this time, Shen Gongbao actually exerted the speed and strength of the one fire god-refining realm!

It could be seen that Shen Gongbao had not forgotten to practice during this period!

Shen Gongbao's cultivation speed could only be described as heaven-defying, for he had gone from zero to one fire spirit-refining realm!

Of course, Shen Gongbao might have also obtained a sunlight cache. If he practiced under the conditions of time acceleration, he would naturally be able to go against the heavens and become a super god!

"Die!"

Shen Gongbao tried to break Chen Xiaobei's throat, but something strange happened!

"Eh? Wasn't Chen Xiaobei crippled? Why is there still a protective Zhen Yuan?"

Shen Gongbao used all his strength, but his fingers were blocked by an invisible barrier. He could not even touch Chen Xiaobei's skin.

"Protective Zhen Yuan?"

Chen Xiaobei slowly opened his eyes and frowned. "My cultivation has already been destroyed, where would I get the protective Zhen Yuan? I don't even know myself!"

"You're still pretending? You clearly still have true essence!"

Shen Gongbao was furious. He wanted to withdraw his hand and retreat, but he suddenly found that his arm had been tightly entangled by invisible real essence. No matter how hard he struggled, he could not break free!

"Release me! Chen Xiaobei! Quickly let go of me!"

Shen Gongbao suddenly screamed and fell into extreme panic.

After all, Shen Gongbao was only a one fire god-refining cultivator and he was very close to Chen Xiaobei. If Chen Xiaobei suddenly jumped up, Shen Gongbao would be dead for sure!

"Chen Xiaobei! Let go of exalted immortal Shen!"

Lu Yue waved his hand and was about to charge forward with his men.

"Lu Yue! If you don't want Shen Gongbao to die, then get out of here with these little guys!"

Chen Xiaobei sat up slowly, holding Liu Xuanxin's hand with one hand and wiping the blood from the corner of his mouth with the other. He looked like he had just recovered from a serious illness, and was full of energy again!

Moreover, there was indeed a stream of real essence that was tightly entangling Shen Gongbao, making him unable to escape!

Seeing this, Lu Yue was terrified. He quickly waved his hand and ordered everyone to step back. He was afraid that Chen Xiaobei would kill Shen Gongbao!

"Xiao bei? Are you alright?"

Liu Xuanxin opened her eyes as well. "Were you acting just now? In fact, you didn't destroy your own cultivation, but deliberately used the trick of injuring yourself to lure Shen Gongbao to your side?"

Hearing this, Shen Gongbao almost spat out blood. "What the f * ck! Chen Xiaobei! You're too despicable! You're actually using such a trick to trick me ..."

Chen Xiaobei shook his head and said, "I'm not lying to you. I really destroyed my cultivation just now! Lu Yue can be my witness!"

Hearing this, Lu Yue quickly nodded and said, "it's true!" I checked with my primordial spirit realm just now. Chen Xiaobei's nine flames are all gone. He's really crippled ..."

"Then how do you explain the real essence?" Shen Gongbao asked excitedly. I'm still being pestered! This can't be fake, right?"

"This true essence is of course real! However, this is not my original true Yuan!"

it's not like I'm lucky, " Chen Xiao said. in fact, even I didn't expect that my luck goddess would bring me such a great opportunity at this time!

"Lucky chance? What kind of opportunity?" Shen Gongbao was dumbfounded.

"Luck goddess? Are you talking about me?" Even Liu xuanxin was confused. I didn't do anything. How could I have brought you any opportunities? "

opportunities are very mysterious. You don't have to do anything. Sometimes, just a simple thought can lead to opportunities!

Chen Xiaobei looked at Liu xuanxin and smiled. "We've already fused together, and our bodies belong to each other! And just now, you truly accepted me, and our hearts are entrusted to each other! When your body and mind merge, it's equivalent to being husband and wife!"

"Get married? What does this mean?" Liu xuanxin was still confused.

super marriage affinity!!!

Suddenly, Shen Gongbao screamed, "how could I forget about this?!" When both of you are physically and mentally United, you will be able to completely activate the Super marriage fate set by the heavens!"

"Xiaobei!" Liu xuanxin was surprised and happy. "Is this really a super marriage between us?"

"Of course it's true!"

that's right! Chen Xiaobei nodded and said, " once the Super marriage is formed, both our luck will increase! Because of this, I obtained a great opportunity on the spot!"

"Yeah! You still haven't told me what kind of opportunity you've obtained." Liu xuanxin asked curiously.

Chapter 2368: Primordial Soul Realm

I've obtained an opportunity that I urgently need!

Chen Xiaobei raised his brows, the smile on his face became brighter, and his energy became more exuberant.

Everyone, including Shen Gongbao, pricked up their ears.

"Don't keep me in suspense, hurry up and tell me!" Liu xuanxin was very curious.

"This opportunity is to break through a major realm!"

Chen Xiaobei stood up, and a huge amount of ethereal force gushed out of his dantian.

"Whoa ... Whoa ..."

In an instant, the invisible true essence surged and shuttled back and forth at an extremely fast speed. The entire space seemed to be swallowed by a storm and could be completely torn apart at any time!

Lu Yue and the people of the five Forces had high cultivation, but at this moment, they were all forced to retreat by the chaotic genuine Yuan storm. They all shrank into the corner and didn't dare to breathe!

It wasn't that the true essence was so powerful that Lu Yue and the others couldn't resist.

Instead, it was because there was an extremely powerful pressure in the genuine vitality, which seemed to come from the beginning of the ancient chaos and was eternal and indestructible!

Ordinary people couldn't explain the reason, but they were afraid of this kind of pressure!

Only Lu Yue knew that sect master Tongtian's Qi was hidden in the pressure. Although it was very subtle, it was enough to frighten ordinary people!

That's right!

The Scripture of heaven and earth that Chen Xiaobei was cultivating was the exclusive skill of the prime of Tongtian!

The invisible chaotic vital essence was the unique secret skill of sect master Tongtian!

As Chen Xiaobei's cultivation grew higher, the subtle changes in his cultivation technique would bring him closer to the prime of Tongtian!

Not only would their cultivation bases be closer, but their auras and pressure would also be closer!

Lu Yue and the others had already backed away. Shen gongpao, who was standing beside Chen Xiaobei, was so shocked by the pressure that his pupils shrank and his face turned pale!

Chen Xiaobei, on the other hand, was calm and relaxed. He was chatting with Liu xuanxin while he was breaking through!

"Previously, my cultivation was stuck at the peak of the spirit-forging stage. I had spiritual Qi, spirituality, time, and resources, but I just couldn't cultivate or improve! That feeling was terrible!"

"That's why breaking through to the next realm is what I need the most right now!"

it's me! Chen Xiaobei said. just now, when you and I were connected, I felt like I had seen through everything and let go of everything! When the thoughts are clear, the limbs and bones will be clear, and the dantian will enter the state of a major realm breakthrough!"

"But, didn't you destroy your sea of Qi dantian yourself?" Liu xuanxin asked.

my palm strike just now should not have completely destroyed my sea of Qi dantian!

I'm not sure! Chen Xiaobei said, " after that, I'll start to break through to the next major realm. My combat power and physical body will be greatly enhanced! My seriously injured dantian has started to heal itself rapidly as my body is strengthened. It's almost completely recovered now!"

"Heavens! this is too unbelievable ... Liu xuanxin's face was filled with shock. If she had not seen it with her own eyes, she would not have believed that such a miraculous thing could happen in the world.

"Whoosh! Whoosh! Whoosh ..."

At the same time, nine essence Soul Fire Seeds were ignited in the invisible quintessential essence storm!

This was a sign that Chen Xiaobei's dantian had recovered!

"BOOM! BOOM! Boom ..."

Then, all nine balls of primordial Spirit Fire seed shot toward the center of Chen Xiaobei's dantian!

After a violent collision, the nine Fire Seeds combined into one!

The fire of his primordial spirit burned fiercely, but it gradually lost the color of fire and turned into a pure white ball, a special existence similar to a spirit body!

That's right!

The White spiritual body was Chen Xiaobei's primordial spirit!

Nine flames into one! Forming the primordial spirit!

This meant that Chen Xiaobei had officially broken through to the primordial spirit realm!

[ding Yingying's cultivation base: primordial spirit realm. Lifespan: 18200, physique: 1000000, combat power: 10 million!

After breaking through, Chen Xiaobei's lifespan had increased by 5000 years! His physical combat power had both reached the level of ten million! That was the legendary strength of a Tiger!

However, before Chen Xiaobei could celebrate, another strange thing happened!

"BOOM!"

The genuine vitality that was entangling Shen Gongbao suddenly went berserk and sent him flying backward. He crashed heavily into the cliff Mountain 10 meters away.

Shen Gongbao seemed to be seriously injured as he could not get up for a long time!

"Xiaobei! How can you let him go?" Liu xuanxin became nervous.

After all, Shen Gongbao was the most dangerous enemy, and he should be killed on the spot!

However, Chen Xiaobei had suddenly sent Shen gongpao flying. This puzzled Liu xuanxin!

"That Zhen Yuan is not my original Zhen Yuan, and it is not my current Zhen Yuan! I can't control it at all!"

Chen Xiaobei raised his eyebrows and said, " but don't worry, Shen Gongbao will never escape from me today!

Now that Chen Xiaobei had gotten Liu xuanxin back, his injuries had healed, and he had even broken through to a higher cultivation level, it was only a matter of time before he defeated the enemy.

"Hahaha ..."

However, at this moment, Shen Gongbao's laughter came from afar, "Chen Xiaobei! Thank you! You allowed me to obtain the nine-toothed rake!"

Shen Gongbao slowly stood up and kept spitting out blood, but his face was full of a smug smile!

"Shit! Qin Wuxin hid the nine-toothed rake there, and it's such a coincidence that Shen Gongbao got it first!"

Chen Xiaobei's eyes were filled with nervousness. at this moment, Qin Wuxin is unconscious. The nine-toothed rake is ownerless. Once Shen Gongbao attacks, I won't be able to resist!

"Hmph Hmph! Chen Xiaobei! It seems that your super marriage affinity is of no use!"

Shen Gongbao's mouth was full of blood, and he laughed hideously, " "Now that I have the nine-toothed rake, I can kill you easily!"

Oh no... Liu xuanxin became nervous. it's said that if you don't die in a great disaster, you'll be blessed. But why do we have to die again after we just escaped? "

"Idiot, we didn't fall into a dead end!" "Shen gongpao, that idiot! He can't kill us!" Chen Xiaobei laughed.

"He has a seven-star earth-god instrument!" Liu xuanxin exclaimed. Can you block it?"

"Chen Xiaobei!" Shen Gongbao was very upset. The nine-toothed rake is in my hands. I can turn you into ashes with a thought! You actually dare to say that I can't kill you? He's simply lying with his eyes wide open!"

"Come on! If you want to kill me so much, then do it!" Chen Xiaobei shrugged, not showing any fear.

"Numbing! Since you're looking for death! I'll fulfill your wish!" Shen Gongbao was ready to activate the power of the nine-toothed rake.

Suddenly, Chen Xiaobei smiled and said, " "If you want to use the nine-toothed rake, you have to ask for Qin Wuxin's permission!"

Chapter 2369: Unintentional Death

"Qin Wuxin? He ... Where is he?"

Shen Gongbao suddenly became nervous.

It should be known that the owner of the nine-toothed rake was Qin Wuxin. Once Qin Wuxin appeared, he could control the nine-toothed rake through the spiritual connection.

By then, not only would Shen Gongbao not be able to kill Chen Xiaobei, but he would also be in trouble.

"It's far away on the horizon, but it's right in front of your eyes!"

Chen Xiaobei chuckled.

"Hmph! You brat, stop acting tough!"

Shen Gongbao composed himself and said in a bad mood, "Qin Wuxin isn't even here. Are you going to make him appear?"

heh, you're right. I'll summon Qin Wuxin for you now!

Chen Xiaobei threw Qin Wuxin out of the Meru space and shouted, "Little Zi! Dispel the curse!"

"Whoosh ..."

Zi Yuan understood what he meant. With a wave of his hand, he removed the curse on Qin Wuxin's body.

Qin ... Qin Wuxin is really here?!

Shen Gongbao was instantly dumbfounded. He had never expected Qin Wuxin to appear so suddenly.

"Shen Gongbao? Chen Xiaobei? What are you guys doing?"

Qin Wuxin gradually regained his consciousness. He looked left and right, but his mind was still a little muddled and he could not make sense of his thoughts.

"Qin Wuxin! Quickly wake up!"

"Shen Gongbao has already gotten his hands on the nine-toothed rake. He's going to kill you!" Chen Xiaobei said loudly.

"What?"

Qin Wuxin's entire body quivered, and he became nervous. He said angrily, "Hmph! Kill me? The nine-toothed rake is my magic treasure! It's not Shen Gongbao's turn to control it!"

Hearing this, Shen Gongbao trembled and hurriedly said, "Qin Wuxin! Don't be incited by Chen Xiaobei! Let's have a good talk!"

"We can talk nicely!" Qin Wuxin immediately rushed over and said in a domineering manner, "First, return the nine-toothed rake to me! You can say whatever you want!"

There was no doubt that the nine-toothed rake was the most powerful existence on the scene. Whoever could control the nine-toothed rake would be able to control the entire situation and dominate everything here!

Shen Gongbao's eyes were filled with greed. He obviously didn't want to give up the nine-toothed rake that he had just obtained.

"Lu Yue! Stop him!"

Shen Gongbao ordered and immediately took out a spirit-Slayer divine talisman.

The spirit-Slayer divine talisman was of a higher level than the spirit-Slayer immortal talisman. It could sever the spiritual connection between the nine-toothed rake and Qin Wuxin.

"You want to take my magic treasure? I'm going to kill you!"

Qin Wuxin let out a roar and instantly transformed into the form of a blood clan member. His hair was white, his eyes were blood red, and his pupils were Crimson Gold. A pair of huge wings made of flesh grew on his back.

"Everyone, take out your magic treasures! Stop Qin Wuxin!"

retreat! Lu Yue shouted loudly. His voice was loud and imposing, but he was retreating rapidly.

Obviously, Lu Yue knew that Qin Wuxin was already a three-star earth-god, and his combat strength had been enhanced after he transformed into the blood clan form. He was undefeatable.

Thus, Lu Yue quietly retreated.

However, the minions of the five superpowers did not know Qin Wuxin's strength. They took out their weapons and surrounded him.

The result was obvious!

uh ... Ah ... So strong ... The blood clan is so strong ...

A series of screams and exclamations erupted as Qin Wuxin started a massacre in the crowd!

The huge difference in strength could not be made up for by numbers!

Qin Wuxin's claws waved wildly, and almost everyone's body was torn apart. They died without an intact corpse!

In less than half a minute, all the people from the five Forces had died!

To an ordinary person, half a minute was very short.

But to an expert, half a minute was long enough.

As expected, when Qin Wuxin was done with the killing, Chen Xiaobei had already disappeared from the scene with Liu xuanxin.

Not only that, but Shen Gongbao had also severed the spiritual connection between the nine-toothed rake and Qin Wuxin and had become the new master of the nine-toothed rake.

"Shen ... Exalted immortal Shen ..."

Qin Wuxin was completely stunned. He quickly transformed back into his human form and curled up like a dog. I was just joking with you just now. I still want to continue to be loyal to you and work for you!

"Have you ever pledged your loyalty to us? How come I didn't know about it?"

Shen Gongbao narrowed his eyes and said coldly, " "Also, I don't need you to work for me! I just ask you to do something and you ask for a sky-high price in return! I can't take it!"

"No, no, no! Everything that happened in the past was a misunderstanding!"

Qin Wuxin knelt on the ground and said without dignity, " "From now on, I'm a dog under your feet! I'll do whatever you ask me to do, and I'll definitely not dare to ask for any returns!"

Obviously, Qin Wuxin had two trump cards, Liu xuanxin and the nine-toothed rake, in his hands. Naturally, he could make all kinds of requests of Shen Gongbao!

But now, Liu xuanxin had been saved by Chen Xiaobei, and the nine-toothed rake had become Shen Gongbao's magical weapon!

It could be said that Qin Wuxin had nothing. He was utterly defeated! He had no other choice but to give up his dignity and kneel down to beg for mercy!

"Alright, since you're so obedient, then turn around!"

Shen Gongbao raised his eyebrows and waved his hand with a playful look.

"Turn around?"

Qin Wuxin became nervous and said in a trembling voice, " "Exalted immortal Shen, please spare me ... Spare me ..."

"Don't be silly! I only told you to turn around, I didn't say I was going to kill you!"

Shen Gongbao smiled and said, " "What's wrong? You're not even going to agree to my first request? Do you still want to be my dog in the future?"

"In the future? Think, think!"

Qin Wuxin immediately let out a sigh of relief. He quickly crawled and turned around, expressing his loyalty. "From now on, I, Qin Wuxin, will be exalted immortal Shen's dog! I will bite whoever exalted immortal Shen wants me to bite! Absolutely loyal Uh"

"Cha!"

Before Qin Wuxin could finish his words, he felt a heart-wrenching pain from his back!

Shen Gongbao held the nine-toothed rake with both hands and suddenly attacked from behind. The nine teeth of the rake pierced deeply into Qin Wuxin's skin!

"Shen Gongbao ..."

Qin Wuxin was taken aback. However, before he could finish his sentence, the second wave of attacks had arrived!

"BOOM! BOOM! Boom ..."

Nine terrifying true core strengths passed through the nine rakes and entered Qin Wuxin's body!

Blast his sea of Qi dantian! Crush his internal organs! He would break all the bones in his body!

At this moment, Qin Wuxin was only left with his last breath!

However, Shen Gongbao did not intend to stop!

"Cha! Creak! Creak ..."

Shen Gongbao swung the nine-toothed rake again and again, smashing it on Qin Wuxin's body, which was already like a pile of mud.

Shen Gongbao did not stop until Qin Wuxin's skin was torn open and his flesh was mushy, and his blood was splattering everywhere.

"PAH!"

Shen Gongbao spat at Qin Wuxin's corpse and said disdainfully, "Tian Peng believed you and was stabbed by you! How could I, Shen Gongbao, still treat you, an ingrate, as a dog? Do you think I'm stupid?"

Chapter 2370: Not Optimistic

Outside the Rift Valley.

Shen Gongbao and Lu Yue left the scene on their flying swords.

After they had flown far away, Chen Xiaobei came out from a hidden corner.

"Bro bei! You're indeed a divine strategist!"

Xiao'er leaned on Chen's shoulder and said, "Only Shen Gongbao and Lu Yue came out, so Qin Wuxin is most likely dead! The people from the five Forces were all wiped out!"

"This is called a dog-eat-dog fight, a mouthful of fur!"

Chen Xiaobei said, "Qin Wuxin has lost all his trump cards and is no longer of any value. Shen Gongbao will never let him live! Therefore, as long as I threw Qin Wuxin out just now, I would have been able to escape successfully! As for Qin Wuxin himself, he will die without a doubt!"

Zi Yuan frowned and said, "It's a pity that Shen Gongbao escaped!" Now that he has obtained the nine-toothed rake, he will definitely become a major threat to us in the future!"

"Don't worry!"

Of course! Chen Xiaobei chuckled. Give me a little time and the nine-toothed rake will be of no threat to me!

How ... How is this possible?! Xiaobei! Zi Yuan said in disbelief, "You have a way to deal with a seven-star earth-god instrument?"

"Of course!"

I've got a huge opportunity today! Chen Xiaobei said with a confident smile. Breaking through a major realm is like a key. Not only did it open my path to leveling up, but it also opened the space of the fifth floor of the limitless nine floor Pagoda!"

Hearing this, the witch of winter nodded and said, "That's right! On the fifth floor of the limitless nine-floor Pagoda, there was the diagram of the limitless sword array. Together with the four great demonic swords, it could form a perfect limitless sword array with power that could reach the level of a seven-star earth-god! Even if I can't defeat Shen Gongbao, I can still fight him to a draw!"

"This is great!"

The waiter and Zi Yuan were excited, "Bro bei, you're indeed blessed after surviving a great disaster! Not only will my cultivation level increase, but I'll also be able to obtain powerful trump cards. This is simply too awesome!"

"It's cool, but I have more important things to do now!"

Chen Xiaobei then brought everyone back to the Meru space.

.....

Poison immortal space.

The environment was elegant, like a paradise.

At this moment, Liu xuanxin was lying on a soft and comfortable chair in the back garden.

"Xiaobei ... You're back ..."

When Liu xuanxin saw Chen Xiaobei, she quickly asked, "What's the situation outside? Has the crisis been resolved?"

"Everything's done! Qin Wuxin is dead, and Shen Gongbao has retreated. We will no longer be under any threat!"

Chen Xiaobei walked over and squatted beside Liu xuanxin. "Now, I can treat your injuries in peace!"

"Treat me?"

Liu xuanxin was stunned. "Is this true? I've always thought that you said that I could be cured to comfort me ... In my heart, I've actually completely given up hope ..."

"Idiot!" "Don't you know my medical skills?" Chen Xiaobei said gently. Why Would I Lie to You?"

"I know you're very good at medicine ..."

"But I've already become like this. Besides the poison, I've also been cursed!" Liu xuanxin frowned. Even Zi Yuan had said that there was absolutely no cure! If it wasn't for Tian Peng's immortal pill, I would be dead already ..."

Zi Yuan nodded and said, "that's right ... At that time, big sister Liu didn't want to become a hostage, so she wanted to die!" In a moment of desperation, I cast my most powerful poison and curse, and even I myself can't remove it!"

"You don't have a way, but I do!"

I don't know! Chen Xiaobei raised his eyebrows. even if my medical skills are not good enough, I still have my Sifu and my friends. They will definitely have a way! As long as I can come up with an effective method, I'll do it at all costs!"

Xiaobei ... Liu xuanxin was touched by his words. To be able to have such a lover, he would have no regrets in this life!

"Xuan Xin, calm down. I'll take your pulse!" Chen Xiaobei said.

alright, " Liu xuanxin replied. She took a deep breath and tried to calm herself down.

Usually, Chen Xiaobei only needed to look at the patient's complexion to make an accurate diagnosis!

But today, Chen Xiaobei was 120% focused on taking Liu xuanxin's pulse!

Moreover, the process of taking the pulse lasted for a full ten minutes!

"Phew ..."

Finally, Chen Xiaobei let out a long sigh and retracted his hand.

"Bro bei! How was it? What's the situation?"

The waiter, Zi Yuan, and the Lin Dong witch were even more anxious than Liu xuanxin.

no! Chen Xiaobei shook his head and said, " just as I expected, the situation is very bad! There are still remnants of the curse and poison in Xuan Xin's body!"

"Although these curses and toxins have reached a balance with Xuan Xin's body and won't continue to worsen his condition, Xuan Xin's body is still in a state of shock. However, it will severely hinder the effect of her treatment!"

"In other words, if we don't remove these curses and toxins, we won't be able to heal Xuan Xin!" Chen Xiaobei said with a frown.

Liu xuanxin frowned and said, " "Then, do you have a way to cure me?"

Chen Xiaobei shook his head. it shouldn't be too hard to detoxify the poison. After all, it's just a four-star earth-god level curse and poison. My friend should be able to do it easily! But! This is not the most serious problem!"

Everyone was shocked.

Zi Yuan asked nervously,"the poison isn't a problem?" Then what is the problem?"

"Internal injuries!"

"Xuanxin's heart!" Chen Xiaobei said. Bone armor! Tendons! Muscles! Skin! Every single cell in his body had been poisoned, and his vitality had been severely overdrawn! That's why she's aged so much!"

even if I have a way to cure her poison and even help her restore her appearance, I can't restore her youth and vitality to her aging body!

"Especially her heart, it's already so weak that it could collapse at any time! Maybe she won't be able to withstand the slightest stimulation during the process of my treatment!"

As soon as he said that, the waiter, Zi Yuan, and Lin Dong demoness were even more shocked! He even fell into despair!

Liu xuanxin, on the other hand, was very calm. I knew this would be the result ... I could even feel that ... I would die within two months at most ... I've already prepared myself mentally, so there's no need to be sad for me ...

"Xuan Xin! I won't allow you to say such things!"

"Shen gongpao already said it!" Chen Xiaobei said seriously. Our super marriage affinity has been completely activated! Our fate energy has skyrocketed! If I can obtain a great opportunity, you can also obtain it!"

"Lucky chance?"

even the elixir from the canopy great country can't cure me, " Liu xuanxin sighed. what else can be better than the elixir? "
