#### Chapter 2371: Opportunity Descends

"Immortal pills aren't omnipotent!"

" for example, if I cut off one of my hands, the elixir can stop the bleeding and heal the wound quickly. But, it won't allow me to regrow a new arm!

"When Tian Peng gave you the elixir, your body was already severely damaged by the poison! The immortal pill has healed your current injuries, but the poison has already caused the body's vitality to be overdrawn. This is not something that the immortal pill can recover from!"

"Because of this, the celestial pill only saved your life, but it didn't make you recover!"

what we need to do now is to think of a way to achieve what the elixir can't! Chen Xiaobei said.

"I understand what you mean ... But is there really such a way?" "Even if you can come up with a solution, it'll be as difficult as ascending to the heavens," Liu xuanxin sighed.

"Don't worry! I'm not fighting alone!"

Chen Xiaobei took out his phone and said, " I still have my Sifu and my good friends. They are all true immortals and gods in heaven. They will definitely have a way! Even if it's as difficult as ascending to the heavens, for you, I will trample the heavens under my feet!"

Chen Xiaobei quickly opened the Three Realms red envelope group.

This group is connected to the Three Realms network. Even in the Meru space, there is network signal and we can use it normally!

Chen Xiaobei first sent a private message to the prime of Tongtian.

However, sect master Tongtian seemed to be busy and didn't reply in time.

Chen Xiaobei was not going to wait there like a fool. He immediately went to the Brotherhood group and asked his good friends for advice.

Chen Xiaobei: I've encountered a problem! Please come out and help me think of a way!

King of Hell: " Xiaobei, my brother. If you have any trouble, just tell me!

Chen Xiaobei, you should know! My woman, Liu xuanxin, is about to die. I'm going to help her change her fate!

King of Hell: " uh ... I do know that. But I've told you that it's 10000 times harder to rewrite the destiny in the book of life and death than to ascend to the heavens. It's going against the heavens in the true sense!

What if I tell you that she's my super marriage affinity! Moreover, I've already become one with her! Was this matter difficult?

King of Hell, what? You've already become one with her? (Shocked)

King of Hell: If this is true, both of your fates will skyrocket! Just like the great sage who took the pill furnace all those years ago, it's very likely that you'll be able to change your fate!

Chen Xiaobei-of course it's true! I've already saved her from the enemy! Now, he had to find a way to cure her and completely change her fate in the book of life and death!

King Yama, "let me see ... On the book of life and death, she still has 40 days to live!" Would it be too late? (Worried)

Chen Xiaobei-I don't care if I make it in time! I must do it to the end! (Extremely determined)

King of Hell: Tell me, what kind of trouble is she in? Let me see if I can help you!

The Great Sage, Heaven's Equal-I'll help too!

Celestial Hound, "there's still me!"

Chen Xiaobei: Xuan Xin's current situation was like this ...

After that, Chen Xiaobei explained Liu xuanxin's condition in detail, including his own diagnosis of her pulse.

However, when everyone heard this, they expressed that there was nothing they could do.

The Great Sage, Heaven's Equal thought, Xiaobei ... I'm good at other things, but I really don't know anything about medicine! None of the monster Kings I know know medicine ...(Sorry)

Chen Xiaobei: Brother monkey, don't blame yourself! Everyone had their own specialty, and this was very normal!

Celestial Hound, God Chen ... I'm afraid I can't help you with this! Although I know a few fairy doctors! But they were all from the clan of enlightenment and would never help you!

Xiao Tianquan: " the point is, if I go to them for you, the higher-ups of the clan of enlightenment will know about our relationship. By then, we'll be in big trouble!

Chen Xiaobei, "don't take the risk!" The chanism's higher-ups hate me to the bone. If they know about our relationship, you will be in danger! Moreover, even if the immortal doctor of the clan of enlightenment is willing to help me, I don't trust her!

[ King of Hell: Xiaobei ... I can't help you this time! ] Originally, there were many divine doctors and Yin ghosts in the land. However, after the winter solstice festival, they had all reincarnated into earth Immortals in the human world! Right now, in the land, there was not a single person with medical skills!

Chen Xiaobei:

"This is bad ..."

Chen Xiaobei's brows furrowed in anxiety.

He had thought that his good friends would be able to come up with a solution, but now, they obviously couldn't help.

However, there was no reply from sect master Tongtian.

The prime of Tongtian had always been elusive. If he had gone to the ancient Barrens, it would be normal for him to not contact Chen Xiaobei for a few months.

Chen Xiaobei was panicking. If he could not come up with a solution, Liu xuanxin's heart would fail and she would lose her life.

"Xiao bei? You look very nervous ..."

Liu xuanxin was smart enough to notice something. She said, " "You really don't have to worry about me. I know my body the best ... To be able to spend my last moments with you, I have no regrets even if I die ..."

"Don't talk nonsense! I will not let you die!" Chen Xiaobei's eyes narrowed as he started to think of who else could help him.

However, after thinking about it, the only people he could trust and help were sect leader Tongtian and the small group of the Brotherhood.

The others were either untrustworthy or of no help!

Was there really no way to save Liu xuanxin?

Could it be that the legendary super marriage affinity was fake? Why didn't he want to give Liu xuanxin a chance?

Chen Xiaobei's brows were furrowed, unable to calm down!

"Xiaobei ... I know you're doing this for my own good! But I don't want you to suffer so much ..."

my body is already in this state, " Liu xuanxin said softly. it's impossible to cure it ... Just give up and spend the last days with me ...

"No! I will never give up!" Chen Xiaobei's eyes glowed with an unquestionable determination. Even if the sky collapsed and the earth sank, even if the sea dried up and the rocks crumbled, he would not waver in his determination!

[ goddess nüwa has sent you a private message! ]

Suddenly, Chen Xiaobei's phone beeped. The notification on the screen made Chen Xiaobei jump up in excitement!

"The opportunity has come! The opportunity is here!"

Chen Xiaobei showed the phone to Liu xuanxin excitedly. "Xuan Xin! Quickly take a look! Mother Nuwa is your great fortune!"

N ... Nüwa!? Liu xuanxin was stunned.

As an Earthling, Liu xuanxin had naturally heard many legends about mother Nuwa.

Even though Liu xuanxin knew that Chen Xiaobei was related to some of the gods in the heavenly realm, she would never have thought that Chen Xiaobei would be able to get in touch with a top God like goddess Nuwa!

This was too crazy!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2372: Fire Phoenix's Heart**

Without hesitation, Chen Xiaobei opened the private chat.

[ Nuwa: Xiaobei! ] I can tell that you're in trouble. Do you need my help?

Chen Xiaobei: I am indeed in trouble! But I'm very curious. Mother Nuwa is very busy, so why did she suddenly divine my situation?

[ Nuwa: it's because the names of tens of thousands of evil people suddenly disappeared from the merit record. I did some calculations and found out that you were the one who eliminated those tens of thousands of evil people! ] Furthermore, you've saved more than 300 innocent people!

[ Nuwa: 130 of these people were seriously injured. You spent 2.2 billion merit points to save their lives! ]

Chen Xiaobei: " how do you know so much? " Could it be ...

[ Nuwa: yes! ] After the winter solstice festival, Dao ancestor had deprived chanism of its right to manage the merit record! And give me the merit record to manage! Since I'm a manager, I naturally have to understand some of the special changes in detail!

Chen Xiaobei, this is great! Something as important as the 'merit record' should be handed over to mother Nuwa! Only then could it be truly fair and just!

[ Nuwa: you don't have to flatter me. Let's get back to the main topic! ] After I investigated that matter, I calculated your situation and found out that you were in trouble!

[ Nuwa: the heavenly Dao punishes evil and promotes good! ] If you eradicate the evil, it's punishing evil. If you save the people, it's doing good!

[ Nuwa: although you've devoured the souls of evil people and cut off karma, you can't obtain merit points from the Three Realms! ] However, you've paid a huge price!

[ Nuwa: so, I've decided to help you solve your problem in my own name. It's also a reward for your good deed! ]

Chen Xiaobei: This was really great! My master is not here. If mother Nuwa is willing to help, my difficulties will be solved! (Extremely excited)

Nuwa said, "speak!" What kind of difficulty did you encounter?

Chen Xiaobei: My super marriage partner was poisoned because of me! Although the poison had been suppressed, her heart, muscles, bones ... All of them were showing serious failure!

Chen Xiaobei thought, 'especially her heart, it's going to break at any moment!' I didn't even dare to treat her, for fear that her heart wouldn't be able to take the stimulation!

Nuwa said, "I understand!" In such a situation, the most direct way was to give her a heart!

Chen Xiaobei: " this won't work ... I know medicine myself. Even if I give her a new heart, the other parts of her body will still be the same! If the body died of old age, no matter how strong the heart was, it would also die!

[ Nuwa: you're right! ] Changing a normal heart would naturally treat the symptoms but not the root cause. At most, it would extend her life by a few months. This was meaningless!

Nuwa thought, "but if I give her the heart of the Phoenix in exchange!" She would obtain the bloodline of the divine Phoenix. When the Phoenix blood fused with her body, not only would her aging body recover, but it would also become even stronger than before!

Chen Xiaobei: what? The heart of the Phoenix? (Stunned in bold)

Nuwa replied, "yes!" I happen to have a fire Phoenix's heart in my hands, and I can give it to you to save people!

Chen Xiaobei: This ... This is a divine item, right? (Swallowing his saliva)

Nuwa replied, "yes, this is a seven-star divine item!"

Chen Xiaobei: " this thing is too valuable. I'm afraid I can't afford it ... After all, I only paid 2.2 billion merit points. I can't even get a high-grade divine item in the merit points ledger. I don't even dare to ask for a divine item!

[ Nuwa: that's right. The value of the Phoenix's heart far exceeds the price you've paid! ] But this Lord only has this one suitable heart in his hands. Since I said I would help you, this Lord will definitely do it! So, just accept it and don't think too much about it!

Chen Xiaobei: It was more important to save people! I won't be polite with you! But I, Chen Xiaobei, will remember this favor for the rest of my life! I will definitely repay you in the future!

[ Nuwa: I don't need anything in return! ] If you have a heart, then treat Daji well! She was brought up by this Lord and suffered two lifetimes of pain. This third lifetime, it's time to enjoy it!

[ don't worry, lady Nuwa! ] Although I've offended many beautiful women, I can guarantee that I won't let any of them down! Especially little Daji, she used her life to protect me, I will repay her with my life!

[ if I ever let little Daji down, I'll ask Lady Nuwa to strike me with lightning from the ninth heaven and turn me into a pile of meat! I'll never be able to reincarnate! ]

Nuwa agreed. With your words, this Lord can rest assured! Keep it in your Private Bag!

Ding! Congratulations! You've snatched a red envelope from nüwa. You've received a Phoenix's heart. It has been stored inside your treasure chest!

"What the f \* ck! It was a success! I knew it! Good people will be rewarded! I destroyed the kana dojo and paid 2.2 billion merit points for it, and I've really gotten the best return!"

The moment he received the red packet, Chen Xiaobei jumped up in excitement.

Back at the kana dojo, Chen Xiaobei had paid 2.2 billion merit points to save someone!

And Chen Xiaobei had annihilated tens of thousands of people in a fit of anger! This made it impossible for the evil soul to fall into hell for trial! That was why the heavenly axiom could not reward Chen Xiaobei with merit points!

To most people, Chen Xiaobei had wasted 2.2 billion of his hard-earned merit points. It was a huge loss!

However, the appearance of mother Nuwa instantly made up for this loss!

Moreover, the value of a Phoenix Heart was far beyond the 2.2 billion merit points that Chen Xiaobei had paid!

This was exactly what it meant-good things happen to good people!

It wasn't that he didn't want to take revenge, but the time wasn't right!

"Bro bei! Bro bei! You're so excited, did you think of a way?"

Xiao 'er, Zi Yuan, and Lin Dong witch were all excited to see Chen Xiaobei's reaction.

Liu xuanxin could not suppress her curiosity and anticipation. "Xiaobei! Don't laugh like an idiot! Hurry up and tell us the results! Is there any way?"

Chen Xiaobei was overjoyed, but he did not answer the question. "Xuan Xin, who gave you this name?"

"Ah? My name?"

Liu xuanxin explained, " "I was adopted by my grandfather. My name was written on a handkerchief with blood. I don't know who gave it to me ..."

"This name! It's really a great achievement!"

"Lady Nuwa gave me the heart of the fire Phoenix!" Chen Xiaobei said excitedly. If you replace it with this heart, you will really fulfill the two words 'Xuan Xin'! "

"What? The heart of the fire Phoenix?"

Liu xuanxin, the waiter, Zi Yuan, and the Lin Dong witch were all stunned. They could not believe their ears!

"This is bad!"

Suddenly, Chen Xiaobei patted his shoulder and said, " "The heart of the fire Phoenix is different from the human heart ... I forgot to ask how to change it ..." He said.

[ goddess nüwa has sent you a message! ]

## Red Envelope Group of the Three Realms

### **Chapter 2373: The Central Main Star**

Nuwa, Hua Tuo!

Mother Nuwa's information was very brief, with only two simple words.

However, these two words were enough to solve Chen Xiaobei's problem.

Hua Tuo was a top-tier doctor in ancient times. He had once helped Guan Yu remove the poison from his bones and even wanted to help Cao Cao with a craniotomy. Today, he was equivalent to a top-tier surgeon!

The role of a surgeon was to perform surgery!

Hua Tuo had been performing surgery for humans when he was alive, and he had almost reached the peak of perfection in this aspect!

After Hua Tuo died, he did not choose to reincarnate, but continued to study medicine in the land!

Hua Tuo had already reached the peak of medical skills for human beings. Therefore, he naturally began to study medical skills for demons, beasts, and demons!

The heart of the Phoenix was not a human heart. Chen Xiaobei's medical skills could not help Liu xuanxin change her heart!

However, if he could find Hua Tuo, this problem would no longer be a problem!

Why did lady Nuwa only send him two words instead of teaching Chen Xiaobei the heart changing technique?

Perhaps it was because mother Nuwa had something to do at the last minute and couldn't make it.

It could also be that the heart of the fire Phoenix that goddess Nuwa had given Chen Xiaobei was too precious. If she helped Chen Xiaobei, it might cause the clan of enlightenment to be unhappy!

Goddess nüwa had taken over the merit record from the clan of enlightenment. If she sided with Chen Xiaobei too much, the clan of enlightenment would definitely gossip about it. They might even report it to the ancestral Daoist!

That was why Chen Xiaobei could understand why lady Nuwa only sent him two words!

Besides, Chen Xiaobei was not an insatiable person. Lady Nuwa had already done him a huge favor. Chen Xiaobei decided to find Hua Tuo on his own! We can't always count on mother Nuwa!

"After the winter solstice festival, Hua Tuo must have been reincarnated in the earth immortal world!"

there's still six days before the earth-god Realm sect selection. I'll go to the central main planet now! Chen Xiaobei said. After passing the selection, I can go to the earth immortal world smoothly, find Hua Tuo, and Xuan Xin will be completely recovered!"

"Xiaobei ... Stop talking to yourself ... What's going on?" Liu xuanxin asked curiously.

"The matter has been settled!"

alright! Chen Xiaobei said. later, we'll go to the earth-god Realm and ask Hua Tuo to help you change the heart of the fire Phoenix! I'll take care of the rest! I'll help you detoxify and heal your injuries so that you can regain your former glory and beauty!"

"Hua Tuo?" "Didn't he die a long time ago?" Liu xuanxin was dumbfounded.

Liu xuanxin was an Earthling, so she had some knowledge of history.

"It's a long story. I'll explain it to you later!"

"But, you have to be prepared!" Chen Xiaobei grinned. When we get to the earth-god Realm, not only Hua Tuo, you may also see Wei Xiaobao, granny Rong, Guan Gong, Qin Qiong ..."

"No... Wait! I'm a little confused ..."

huh? " Liu xuanxin was even more confused. the people you're talking about are from different eras ... My mind can't keep up ...

"That's why I told you to be mentally prepared!"

of course! Chen Xiaobei laughed. Ying Zheng, Lu Bu, and Diao Chan are all my companions now! Luohou, Emperor Jiang, and Eastern Emperor Taiyi are also my companions! And little Daji, she was the little fox who saved me with her life on Earth!"

Oh my God ... Liu xuanxin's face was filled with shock. She could not believe her ears.

How did these unrelated people suddenly all come to the earth immortal world? How chaotic would that be?

"You don't need to be too surprised. It won't take long for you to get used to it!"

let's go! Chen Xiaobei smiled. we'll set off now. Six days later, after the sect selection, we'll go to the earth-god Realm!

this ... Liu xuanxin was so shocked that she could not find any words to describe her complicated feelings.

.....

After that, Chen Xiaobei concocted some warm herbal soup and asked Zi Yuan to feed it to Liu xuanxin.

Chen Xiaobei left the Meru space with Xiao 'er, stepped on the somersault cloud, and headed straight to the main star in the center of the nine layers of starry sea.

As for the witch of winter, the item spirit returned to the tower, ready to open the third, fourth, and fifth level for Chen Xiaobei!

Of course, Chen Xiaobei did not have the time to do so, so the opening of the third floor was delayed.

.....

The central main star!

This was a huge planet, located at the core of the nine layers of the starry sea! It was also the only place in the nine layers of the starry sea that was connected to the earth immortal realm!

Due to its excellent location, the central planet was naturally the most prosperous, high-end, and most desirable planet in the entire earthly calamity Star Ocean!

With such a large population, there would naturally be many geniuses and experts!

With a prosperous business, there would naturally be a huge amount of profit, and the flow of spirit stones was astonishing!

Therefore, countless major forces were happy to set up a branch here, either to recruit talents or to earn spirit stones!

Even the forces in the earth-god Realm were no exception!

The central main star was connected to the Putuo domain of the Nanzhan state in the earth-god Realm. In the Putuo domain, almost all the forces, big and small, had branches on the central main star!

Almost every year, these forces would hold a disciple selection to select the most outstanding young people from the central main planet to be recruited into their sects or forces!

Six days later, the sect selection would be held. As it was close to the end of the year and the last of the year, the scale of the selection was huge!

The number of sects and forces that came to recruit disciples was the highest in the entire year! Their strength and Foundation were also the highest among the entire year!

Among them was Tianji city, one of the top forces in the earth-god Realm!

Of course, the Tianji city that came to recruit disciples was only a branch of the Putuo territory!

As for the disciples in the Tianji city headquarters, they were all carefully selected geniuses from the earth immortal world, the elites of the elites!

A young man from the earthly calamity Star Ocean was not qualified to enter the headquarters of the heaven's legacy city! Even if they wanted to join the heaven's legacy city's branch in the Putuo domain, they would have to go through an extremely brutal selection competition!

Out of ten thousand people, only one person would pass!

"In this case, it's really a very difficult task for Lord scorching Heat's master to ask me to join Tianji city ..."

Wearing the human-skinned mask, Chen Xiaobei strolled around the streets for a long time. From the discussions of the pedestrians, he had a rough idea of the current situation.

Because he had promised Lord scorching Heat's master, Chen Xiaobei's destination for this trip was the Putuo territory branch in Tianji city.

However, even Chen Xiaobei was not confident about the one in ten thousand chance of success.

If he could not pass the selection, Chen Xiaobei would not be able to answer to Lord blazing fire's master. His plan to go to the earth-god Realm would be severely hindered.

fortunately, I still have six days!

Chen Xiaobei took out his phone and smiled evilly, " "Let's find an experienced driver to guide me first!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2374: Special Intelligence**

Chen Xiaobei dialed Canopy's number.

As Deng Kunyu was also participating in the selection, Tian Peng would definitely come along. On one hand, he would be able to keep an eye on Deng Kunyu. On the other hand, he would be able to familiarize himself with the environment and pick Chen Xiaobei up.

After a short conversation, Chen Xiaobei and Tian Peng decided on a meeting place.

.....

Lakes of wine and forests of meat.

This was Tian Peng's base on the central planet of the ninth level. It was also the meeting point.

The wine pool was a real wine pool, but the meat forest was the meat of a beauty!

Right! This was another f \* cking brothel!

The moment Chen Xiaobei stepped in, he was immediately surrounded by his mother and all sorts of girls. Before he could even see Tian Peng, he was already covered in makeup.

In the end, it was Tian Peng who came out to welcome them and finally rescued Chen Xiaobei from the 'flesh forest'.

They entered the luxurious vip room that Tian Peng had reserved.

Chen Xiaobei could not help but say, " "You Dumbo! I'll buy you food with spirit stones! But you came to a brothel to book a month? You're a f \* cking talent!"

When he was on earth, Chen Xiaobei would occasionally go to internet cafés to spend the night, and some crazy internet-addicted teenagers would go to internet cafés to spend the whole month!

However, compared to the canopy great country, they were all weak!

This Tian Peng actually came to a brothel to book a month!

The luxurious vip room in front of them was reserved by canopy great tree at a high cost. They could stay in it for a whole month. They could eat, drink, pee, and poop here. Were you scared?

"Xiaobei! Let me explain! I'm not the kind of person you think I am!"

Tian Peng said innocently, "I have my reasons for doing this!" A few days ago, I followed Deng Jie Yu to the central main star of this ninth level!"

"Yeah! Your mission is to monitor Deng Jie Yu!" Chen Xiaobei said.

"I haven't forgotten this mission! Deng Junyu has quios under control and is acting with the people of the sea god Chamber of Commerce. I can't be too close to her! They live in zhaofu tower across the street, so I chose to live here!"

Tian Peng continued,"from this window, you can see the situation at the main entrance of zhaofu tower!" I know everything about Deng Jie Yu! If there's anything wrong, I can immediately follow!"

Chen Xiaobei quickly walked to the window and looked out. Zhaofu building was only one street away, and he could see the situation clearly.

"How is it? Xiaobei, I didn't lie to you, did I?" Tian Peng raised his chin, waiting for Chen Xiaobei's praise.

Chen Xiaobei said, " "Yes, you're not lying to me, but can you explain what's with the red dudou on the window sill? Don't tell me that you've been monitoring Deng Jie Yu while hehehe!"

"Ah? uh ... This ... That ... Tian Peng's face turned red.

Even if one used their toes to think, they would know that Tian Peng was living shamelessly in this luxurious VIP box with the ladies of the brothel! Anything on the window sill ... Forget it, let's not talk about it ...

"Besides monitoring Deng Jie Yu, did you find anything else?"

I know! Chen Xiaobei raised his eyebrows and said, " a brothel is not a good place, but it has its own unique advantages! This is a place where good and bad people mix together and the rich and powerful gather. It's the best place to gather information!"

"Yes, yes, yes! You're right! There's another reason why I chose to stay here, and that's to gather intelligence!" Tian Peng immediately went down.

"Then tell me, what information have you gathered?" Chen Xiaobei asked.

Tian Peng thought for a while and said,"the sect selection this time is huge and very difficult!" Because the heaven's legacy city will also come to select disciples, almost all the geniuses in the earth realm and the starry sea will be gathered here!"

"What kind of information is this?" Chen Xiaobei said. Even a three-year-old child knows about it!"

"I haven't told you the real information yet!"

Tian Peng squinted his eyes and said mysteriously, " "The night before yesterday, an elder of Tianji city came here to play! It's in the room next to mine! After he drank too much, I heard with my own ears that as long as you give him one million upper spiritual stones, you can buy a disciple quota!"

"What the f \* ck! It can't be!"

what? " Chen Xiaobei was surprised. my skybreaking cultivation pill is only worth one million upper-grade spiritual stones! He's just a disciple and he's selling it for so much! In the entire earthly calamity Star Ocean, not many powers can afford it!"

Tian Peng nodded and said, "there are indeed not many forces that can afford it!" However, as long as they had the ability, almost all of them were willing to pay spirit stones to buy such a spot for their heir! According to what they say, this is called buying a path to heaven!"

"The path to heaven?" Chen Xiaobei frowned and said, "this Tianji city is too pretentious! Just a mere division quota and you dare to call it the road to heaven? If he joined their headquarters, wouldn't it be the path to becoming a god? The path to sainthood?"

"He's indeed acting cool!"

Tian Peng's mouth twitched, "but this is not strange!" That was because, to the forces in the earthly calamity Star Ocean, Tianji city was high and mighty, a Supreme existence like a heavenly Palace! As long as you join Tianji city, it's the same as stepping on a boundless path to heaven!"

It was obvious that a person's level of vision determined his intuitive feeling of an object!

Chen Xiaobei's vision was very high. His goal was to become a saint in the heavenly realm! That was why Chen Xiaobei thought that Tianji city was acting cool!

The forces in the earthly calamity Star Ocean, on the other hand, had very low vision and their target was only the earth-god Realm! Therefore, in their eyes, not only was Tianji city not acting cool, but it was also the real deal!

In other words, the forces in the earthly calamity Star Ocean were like frogs in a well! In their eyes, joining Tianji city was the same as stepping on the road to heaven with a boundless future!

But in Chen Xiaobei's eyes, Tianji city was just a stepping stone for him to gain a foothold in the earth-god Realm!

If it was not for the fact that he wanted to get to the earth-god Realm as soon as possible and understand it as soon as possible, Chen Xiaobei would not even bother to join any sect!

"Xiaobei, I know you have high standards!"

Tian Peng said, "I'm telling you this to remind you!" If you intend to join Tianji city, during the sect selection, you must be wary of those who spend money in secret and use the back door! These people can cheat!"

"Understood!" that's right! Chen Xiaobei nodded. you've reminded me well! I won't be careless!"

"I have another piece of information!"

Tian Peng took out an invitation and said, " "This was dropped by a customer in the corridor two days ago! You should be interested in it!"

Chen Xiaobei's eyes lit up when he saw the invitation.

A line of golden words was written on the invitation, saying that the Dongsheng Chamber of Commerce was a special VIP auction!

"Dong Sheng! He was referring to Videha! The Dongsheng Chamber of Commerce was the Chamber of Commerce of the earth-god Realm! The things sold in the VIP area are definitely of good quality!"

I'm interested! Chen Xiaobei said excitedly. I'm so interested!

"Then pack up! Let's set off now!" "The auction is tonight!" Tian Peng said.

### Red Envelope Group of the Three Realms

#### **Chapter 2375: VIP**

Dongsheng Chamber of Commerce!

It was one of the most luxurious and majestic buildings in the main city!

The palace-like building complex showed the extremely strong foundation of the Chamber of Commerce in Videha!

The sea god Chamber of Commerce that Deng Jie Yu wanted to control was considered a top Chamber of Commerce in the earthly calamity star sea, but compared to the Dong Sheng Chamber of Commerce, it could be said to be weak!

"This way, please!"

Chen Xiaobei and Tian Peng went to the Chamber of Commerce. After showing their invitation cards, they were welcomed by a young and beautiful lady.

There was someone else's name on the invitation, and Chen Xiaobei had planned to make up an excuse to get it over with.

However, the people from the Dongsheng Chamber of Commerce did not even bother to ask. They just led Chen Xiaobei and Tian Peng to the VIP seats.

Obviously, this was the boldness of a top Chamber of Commerce!

They would not ask about the privacy of their guests! He wasn't afraid of any outsiders coming in to cause trouble!

You dare to come! My Dongsheng Chamber of Commerce would dare to receive them!

From this boldness, it could be seen that this Chamber of Commerce must have super powerful strength!

"Xiaobei! Quickly look! The one on the left with golden hair and purple eyes!"

Not long after he sat down, Tian Peng made a new discovery.

"What's wrong?" Chen Xiaobei looked over and saw the guy that Tian Peng was talking about.

That fellow had a head of golden curly hair and a pair of demonic purple eyes!

He was dressed in luxurious clothes and exuded the aura of a noble! He was definitely a super-rich second generation!

"He's called Geno!"

Tian Peng said in a low voice, "it's the genius who is ranked tenth on the 'young God of War ranking' in the nine layers of the starry sea!" At the same time, he was the young master of the jungle Castle! They were powerful and wealthy! He will be one of your opponents in the sect selection in six days!"

Chen Xiaobei's eyes lit up. "Second senior! I didn't expect you to know so much!"

"Of course!"

he's a regular at the lakes of wine and forests of meat. I've been observing him for a long time! Tian Peng grinned.

what the ... Chen Xiaobei said, " "A brothel is really a good place!"

"Xiaobei! And look at that greasy-haired Shorty over there!"

Tian Peng pointed to the other side and said, "That guy's name is Inuyago Kojiro! It was the young master of the Tenshou, the three-leaf Ninja Palace! He was ranked eighth on the 'young Wargod ranking' in the nine-layer sea of stars! He goes to the lakes of wine and forests of meat almost every day, spending money like it's dirt every time, so arrogant!"

"A dog?" this surname ... Chen Xiaobei was taken aback. this surname ... Is really fresh and refined ...

"Haha, isn't that so?" Tian Peng laughed evilly, " this is the first time I've heard his name. I almost peed my pants! That son of a b \* tch! Hahaha ..."

"Pfft ... Stop laughing!" "I can't help it if you keep laughing ..." Chen Xiaobei said.

Tian Peng cleared his throat and said, " "Alright, I won't laugh anymore ..."

"Whoosh ..."

Suddenly, there was a commotion at the entrance, which attracted Chen Xiaobei and Tian Peng's attention.

They saw a very handsome young man holding a beautiful woman's hand as they slowly walked into the venue.

The young man was seven feet tall and had a handsome face. He attracted a lot of attention from the women as soon as he entered the venue.

The beautiful woman was not inferior to him. She was very beautiful and had an excellent figure. The main point was that she was born with a noble aura, which almost attracted the eyes of all the men present.

Of course, Chen Xiaobei was an exception.

Although this woman was beautiful, she was not on the same level as Chen Xiaobei's woman.

In Chen Xiaobei's eyes, he would at most give her 80 points. He would not think that she was that amazing.

"What?"

The woman was enjoying the attention that the people around her were giving her, but she suddenly noticed that Chen Xiaobei was not interested at all!

Because this was a VIP area, there were very few people in the venue!

The deeper the woman walked, the clearer she could see! Chen Xiaobei was the only man in the room who was not interested in her!

She had always been confident in her beauty, and coupled with her noble birth, she was the focus of men's attention wherever she went!

However, Chen Xiaobei's indifference made her feel a sense of defeat and dissatisfaction!

"Who is this kid? How come I've never seen him before?"

The woman asked in a low voice.

The handsome young man who was holding her hand slowly looked at Chen Xiaobei. His eyes were as sharp as a Falcon's, as if he was going to see through Chen Xiaobei!

"I don't ..."

The handsome young man said in disdain, " I'm afraid that the young master of the direct line of descent is not free to come, so I've asked him to come and see the world!

The handsome young man said this very loudly, attracting the attention of many people around him.

All of a sudden, the crowd started to point at Chen Xiaobei and mock him.

One had to know that in a clan, only the direct bloodline was the core member!

Although the descendants of the branch families were related by blood to a certain extent, they would never be able to enter the core management of the family's power!

What the young man was trying to say was that Chen Xiaobei was just an insignificant character who was here to see the world. There was no need to stoop to his level!

Hearing this, the beautiful woman's face also revealed a contemptuous sneer, " "So you're a branch family junior, no wonder you're so silly!"

After that, the young man and woman walked to the front row of the VIP seats, hand in hand, and sat down, not bothering to look at Chen Xiaobei.

"Xiaobei! They said you were killing!" Tian Peng said angrily.

"So what?" Chen Xiaobei shrugged, not feeling anything.

"I can help you take revenge!"

Tian Peng raised his eyebrows and laughed evilly. that man's name is Zhao pingkang. He's the young master of the ten thousand swords villa, and he's ranked fifth on the 'young God of War ranking' in the nine layers of the starry sea!

"Don't think that he's so handsome and Noble now! Just yesterday, I peeked at little peach taking a bath in the wine pool and meat forest. I saw him and little peach taking a lovers 'bath with my own eyes. You don't even dare to imagine how lecherous he looked!"

Tian Peng laughed evilly, "what if I tell Wu qiman about what happened yesterday?" That woman can beat Zhao pingkang to death in minutes!"

"No need!" no! Chen Xiaobei shook his head. the frog in the well laughed at the eagle in the sky. I can't be bothered to argue with them!

"But I'm very curious!" "The Wu qiman you're talking about is that woman, right?" Can she beat Zhao pingkang?"

"Of course you can!" "Wu qiman is ranked third on the 'young God of War ranking' in the Nine Seas of stars!" Tian Peng said seriously. Furthermore, the power behind her was extremely powerful! Zhao pingkang dating her is a social climb!"

"Heh, so Zhao pingkang is a pretty boy who lives off a woman!" Chen Xiaobei grinned evilly.

However, in an instant, the smile on Chen Xiaobei's face froze, and he turned to look at the entrance.

A familiar figure walked in.

#### **Chapter 2376: Jun Yunqing**

"Wow! This girl is hot!"

Tian Peng was still bragging about Wu qiman just a second ago, but now his eyes were fixed on the entrance.

This guy was a typical fickle-minded person who liked the new and hated the old!

Of course, Tian Peng couldn't be blamed for this. After all, the woman who had just walked in was better looking and had a better figure than Wu qiman!

Even with Chen Xiaobei's high standards, he could give this woman 90 points!

"Why is it her?"

Chen Xiaobei's mind was filled with complicated emotions.

"Xiao bei? You know that girl?" Tian Peng's eyes lit up and he said, " "Is she your type? If you're not, introduce me to him!"

"Are you sure?"

Chen Xiaobei narrowed his eyes and said in a low voice, " "She's Lord scorching heat, who's known as the crazy city Master! She even killed her own brother! Aren't you afraid that she'll kill your brother if you dare to target her?"

"My younger brother?" The canopy God gasped and clamped his legs together.

"Senior martial sister Jun! Greetings, senior martial sister Jun ... Greetings, senior martial sister Jun ..."

However, at this moment, Geno, Inuo Kojiro, Zhao Pingkang, Wu Qiman, and their followers all stood up and bowed to the man.

"Xiao bei? Did you get the wrong person?"

Senior Sister Jun? " Tian Peng frowned and said, " they all call that girl Senior Sister Jun. She's not the scorching heat Lord you're talking about!

"You don't understand ..."

Lord Chi Ling has been playing the fool for many years now. She claims that she is cultivating in seclusion. Other than Chi Jiangbo and her master, no one has ever seen her. That's why no one in the pugilistic world knows her true identity!

Tian Peng wasn't stupid and immediately understood. you mean, her current identity is a disguise? "

Chen Xiaobei nodded and said, " you're right! Her real identity was Lord scorching heat, and her public identity was this senior martial sister Jun! As for what she and her master are up to, I'm not too sure ..."

"Aiyaya! Isn't this miss Yun Qing? Which fragrant wind has blown you here?" At this moment, a stout middle-aged man ran out from the backstage.

"Yunqing?" "Lord blazing heat, Jun Yunqing!" This is interesting ..."

"The three elders and the three core disciples of the xuantuo region branch of our Tianji city have arrived at the central main city. I have nothing to do, so I came here to take a look. However, I didn't receive an invitation in advance. Does President Feng mind?" Lord Chi Ling said indifferently.

Chen Xiaobei was shocked again."Lord scorching Heat's public identity is actually a core disciple of Putuo city in Tianji city! No wonder those four guys called her senior martial sister Jun. It seems that they all intend to join the Tianji city ..."

"Of course I don't mind!"

President Feng said with a smile,"it's the honor of the Dongsheng Chamber of Commerce's earthly calamity branch that miss Yun Qing can come!" This Feng can't be happier!"

This President Feng was a branch president of the Dong Sheng merchant Association. He was in charge of the business of the earthly calamity Star Ocean. Compared to the core disciples of the Putuo domain branch in Tianji city, he was one level lower. Naturally, he was very respectful and full of smiles!

"But ..."

it's a special event for distinguished guests today. The seats are all arranged according to the invitation cards sent out in advance. There are no extra seats ... Miss Yun Qing, do you mind sharing a seat with one of the guests present? " President Feng said with some difficulty.

"I don't mind," Lord scorching heat shook his head and glanced over the crowd.

"Senior martial sister Jun! If you don't mind, please come and sit with me!"

The young master of Jungle Castle, Geno, quickly stood up, bowing and nodding to Lord scorching heat, hoping to gain his favor.

The sect's selection was just around the corner. If he could form a good relationship with Lord scorching heat in advance, he would definitely gain a lot of benefits during the selection. Even if he were to enter the sect in the future, he would also have one more backer!

One must know that Jun Yunqing's name was very famous in the Putuo territory!

In the Putuo domain branch of Tianji city, she could be ranked third among the many core disciples!

There were even rumors that she was very likely to be sent to the headquarters in Tianji city!

Although this had not been realized yet, just this rumor alone was enough to make her status soar and make the world respect her even more!

Tianji city's headquarters! That was a top sect in the earth-god Realm!

Those who could enter Tianji city were all the elites among the elites in the earth-god Realm, the geniuses among geniuses!

Countless people dreamed of it, but they couldn't ask for it!

Lord blazing heat ignored Geno and continued walking.

Geno's face turned red. He was a little embarrassed, but he was not angry.

After all, there were people who were of higher status than him in the front seats. It was normal for Lord scorching heat to not sit with him!

"Senior Sister Jun!"

As expected, inuyago Kojiro immediately stood up and bowed at a 90-degree angle. He said with great respect, "Please do me the honor and sit with me! If there's anything you like, I can immediately bid for it and give it to you!"

As soon as he heard this, Geno slapped his thigh and secretly regretted that he had forgotten to give gifts! All girls like gifts. If I use this trick, I might be able to attract Lord scorching heat to my side!

However, Lord scorching heat did not even look at inuyang Kojiro, and walked straight over.

"This ..."

Inuyang Kojiro froze on the spot, his face full of embarrassment.

Geno was even more apprehensive. He had thought that giving gifts would attract Lord blazing heat, but in the end, Lord blazing heat simply disdained to accept the gifts.

"Senior Sister Jun!"

Then, Zhao pingkang and Wu qiman both stood up.

Wu qiman smiled pleasantly and pleaded, "Senior martial sister Jun, please come and sit with me! I'm your super little fangirl! I hope you can give me a chance to be friends with you!"

Hearing this, Geno and Inuo Kojiro were both stunned, thinking that Wu Qiman was still the best! She was a woman, so it was not easy to reject her. Moreover, she had even lowered her stance and called herself a little fangirl. As long as Lord Scorching Heat was a little soft-hearted, he would definitely not have the heart to reject her.

Seeing this, Zhao Pingkang couldn't help but show a proud expression and secretly gave Wu Qiman a thumbs up! He was almost certain that Wu Qiman would definitely win a chance to get close to Lord Scorching Heat!

However, in the next moment, Lord Scorching Heat's choice left everyone dumbfounded.

"You two!"

Lord Chi Ling walked up to Chen Xiaobei and Tian Peng and said, "I didn't receive an invitation, so I don't have a seat. Can you add a chair next to the two of you for me to sit?"

"You can sit next to me!" Chen Xiaobei said. But you have to behave yourself! If you disturb me from attending the auction, I'll chase you away!"

As soon as he said that, the crowd exploded!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2377: Face-Slapping On The Spot**

To everyone's shock, Lord Scorching Heat said that he wanted to sit beside Chen Xiaobei.

Geno, Inuyang Kojiro, Zhao Pingkang, and Wu Qiman's hearts were instantly hurt by a hundred million times!

Especially Zhao Pingkang and Wu Qiman, who were mocking Chen Xiaobei for being an idiot just a moment ago. But now, they were completely outdone by Chen Xiaobei! He was so embarrassed that he had cancer!

Although Geno and Inuyang Kojiro did not mock Chen Xiaobei directly, they did not take him seriously at all!

Lord Scorching Heat had ignored them and chose to sit with Chen Xiaobei. This was a slap in the face!

For a moment, Geno, Inuyang Kojiro, Wu Qiman, and Zhao Pingkang were all frozen in place, as if they had been slapped by an invisible hand, and their cheeks were burning hot!

However!

This was not the most shocking thing!

What really shocked the crowd was Chen Xiaobei's attitude towards Lord Scorching Heat!

Geno, Quanyang Kojiro, Wu Qiman, and Zhao Pingkang were all young masters of the top forces in the nine levels of the starry sea. They had high cultivation, high status, and even more powerful backers!

The four of them were very respectful to Lord Scorching Heat, and did not dare to offend him in the slightest!

However, Chen Xiaobei did not give him any face at all. He demanded that he behave himself or he would kick him out!

'F \* ck!' He was simply too domineering!

"Heavens! Who was that kid? You actually dare to speak to Jun Yunqing like this?"

"Holy my ass! In my opinion, that kid is an idiot who has never seen the world! I've never heard of Jun Yunqing's great name!"

"This is called the ignorant being fearless! That little idiot doesn't even know what kind of terrifying existence he has offended!"

"No need to say anymore! That little idiot is dead for sure!"

The crowd was abuzz with discussion, and dozens of eyes were looking at Chen Xiaobei as if he was an idiot.

I bet that Senior Sister Jun will definitely kill that kid! Geno sneered.

"Baka!"

Inuyago Kojiro's face was even more sinister, "That kid is too arrogant! Even if senior martial sister Jun didn't do anything, I'd still want to do it and kill him!"

"Qiman, you're right!" "That kid is really an idiot!" Zhao pingkang gloated.

"Hmph!"

Wu qiman said disdainfully, "I, Wu qiman, have seen too many of these hotheaded young men!" She could see through him with one glance! Now, we just have to wait for a good show! Senior Sister Jun will teach him a lesson in minutes!"

Everyone's eyes were on Chen Xiaobei, waiting for him to be dealt with.

However, no one would have expected this!

To everyone's surprise, Lord scorching heat nodded and said calmly, "I'm only borrowing a seat, so I'll naturally follow the rules and not disturb young master's mood!"

"Well, then sit down!" Chen Xiaobei nodded.

Before Lord Chi Ling had even said anything, guild leader Feng had already brought a chair over and placed it beside Chen Xiaobei.

Chen Xiaobei sat in the middle, Tian Peng sat in the middle, and Lord scorching heat sat on the right.

This meant that Chen Xiaobei was sitting at the head of the table, while Tian Peng and Lord Chi Ling were just sitting on his left and right.

At the sight of this scene, dozens of people in the audience were dumbfounded!

Just a few seconds ago, everyone thought that Chen Xiaobei was an idiot, and they were all waiting to see how Lord scorching heat would deal with him!

After a dozen of them, Lord Chi Ling sat quietly beside Chen Xiaobei. He did not make any noise or anger at all!

This unbelievable result instantly refreshed everyone's outlook on life. Some even began to doubt their lives!

"How could this be? this doesn't make sense ... Geno was dumbfounded." "Did Jun Yunqing not take his medicine because he was sick? How can we let that kid go?"

"This is crazy!" Inuyago Kojiro couldn't help but grumble, " "The famous Jun Yunqing is not a Tiger, but a sick cat? That's so mind-blowing ..."

"Pa! Pa!"

Before he could finish his words, two sharp and unparalleled ethereal force suddenly blasted over, like two big slaps, ruthlessly landing on the faces of inuyang Kojiro and Geno!

"

The two unlucky fellows let out a shrill cry at the same time as they were whipped to the ground. They covered their faces and rolled on the ground in pain!

"Don't you know how to lower your voice when you speak ill of me? Do you think I'm deaf?" Lord scorching heat didn't even bother to look at them. He said coldly, "If there's a next time, I'll cut off your tongues!"

"Hiss ... Hiss ..."

Geno and inuyang Kojiro took a deep breath and shook their heads. "We won't dare ... We won't dare ... We won't dare to do it again ..."

Seeing this, Zhao pingkang and Wu qiman's eyes almost fell out. They immediately shut their mouths. They wanted to say something, but at this moment, they wouldn't dare to say anything even if they had ten thousand guts.

Seeing this, all the guests fell silent. The entire place was so silent that one could hear a pin drop.

Everyone was racking their brains, but they could not figure it out.

Why was Lord Chi Ling so forgiving towards Chen Xiaobei? She was not angry at Chen Xiaobei at all?

Yet, he was extremely strict with Geno and inuo Kojiro? He slapped her just because he didn't like her! He even wanted to cut off his tongue!

This contrast was too great!

"Hey! Guild leader Feng!"

In the silence, Chen Xiaobei shouted impatiently, " "Everyone's here! When does the auction start?"

"Oh! Start! We'll begin immediately!" President Feng seemed to wake up from a dream and hurriedly ran backstage.

After guild leader Feng left, the atmosphere at the scene eased up a little.

Chen Xiaobei looked at Lord scorching heat and laughed evilly, "Little girl! Didn't your master ask you to keep an eye on me in secret? Why did you come to my side? You miss me that much?"

"You little brat!"

Lord Chi Ling glared at Chen Xiaobei and whispered, "If it wasn't for master's mission, I would've killed you long ago!"

"Hehe!" "You're not my match!" Chen Xiaobei smiled. Your master has already warned you! Angering me won't do you any good!"

"PAH!"

"Don't you only have the infinite sword formation?" Lord scorching heat said disdainfully. He threw away the sword formation! What else can you do to defeat me? In my eyes, you're just a little trash!"

"Heh, I have so many things that can win you!" Chen Xiaobei was not moved at all. In fact, he even wanted to laugh.

Witch Dragon heavenly flame! Witch Dragon's nine transformation! Many Dharma Treasures! Poison and cast a curse! Battle formation, magic formation!

It was not an exaggeration to say that Chen Xiaobei had the ability to think of a hundred ways to defeat Lord scorching heat!

"My distinguished guests! Welcome, everyone!"

At this moment, guild leader Feng walked to the front of the stage and said with a smile, "I hereby announce the official start of the VIP auction! Next, I will bring out the first item of the day! According to the usual practice, the first auction item of the VIP area was extremely valuable! Everyone! Don't miss this!"

As soon as he finished speaking, two young and beautiful women came out holding hands with a tray covered with red cloth.

In an instant, everyone's eyes focused on one point!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2378: The Celestial Mountain Snow Jade Fruit**

"Xiaobei, don't argue with her!"

Tian Peng quickly reminded, "according to the rules of the VIP area, the first and last items are the most valuable items in the entire auction!" You must watch carefully!"

"You don't have to be so nervous,"

Chen Xiaobei shrugged and said, "if it's really something good, there will definitely be many people fighting for it. There's still enough time for me to make my move at the end!"

"Little brat! I advise you not to be overconfident!"

"The people who can enter this room are all extremely wealthy!" Lord scorching heat sneered. Especially those four rich kids! The clan's Foundation was extremely solid! You might not be able to win against them!"

"Hehe." Chen Xiaobei was not moved at all. "Little girl! Don't say this too early, or you'll be easily slapped in the face!"

"Face smacking?" Lord scorching heat squinted his eyes and said unhappily, "you?" What are you going to use to slap my face? It's not that I'm looking down on you, but if you want to compete, you can't even compete with me!"

"Since that's the case, why don't we have a fight?"

Chen Xiaobei raised his eyebrows and said provocatively, "The loser has to agree to one condition of the winner! Do you dare to?"

"Why wouldn't I dare!"

Lord Chi Ling glared at Chen Xiaobei and sneered, "If you lose, you have to be respectful to me in the future! I'm standing, so you can't sit! If I tell you to go east, you can't go west! You're not allowed to talk back when I scold you! I'll hit you, you're not allowed to fight back!"

"You're quite ruthless!"

I'm a kind person. If you lose, you'll be my servant. I'll serve you tea and massage your back and legs! Isn't it very simple?"

"What?" Upon hearing this, Lord scorching heat almost jumped up in anger.

In secret, she was the Lord of Purple Rainbow City! On the surface, she was the famous Jun Yunqing!

No matter which identity she had, she had a very high status. Usually, it was others who served her tea and water!

But now, Chen Xiaobei wanted her to be his servant! It was simply unacceptable!

"What's wrong? Don't you dare?"

Chen Xiaobei shrugged and said, "If you don't dare, I won't force you! Besides, there's nothing embarrassing about admitting defeat to me!"

"I admit defeat to you? That's impossible!" Blazing heat Lord's beautiful eyes were almost spurting fire. "I accept your conditions! When you lose, I'll beat you into a pig's head first!"

"Hehe." you know nothing about my wealth! Chen Xiaobei laughed. you know nothing about it!

Seeing this, Tian Peng's face was filled with envy. He secretly gave a thumbs up. "Xiaobei! You're still the bad one! With just a few words, he had managed to trick a beautiful little maidservant! I'm so envious!"

The others might not know Chen Xiaobei's wealth, but the canopy great country knew it all!

"Swish!"

While Chen Xiaobei and Chi lingjun were betting, guild leader Feng had already taken off the red cloth on the tray.

"Whoosh ..."

In an instant, the crowd was stirred.

There was no need for guild leader Feng's introduction. Many of the distinguished guests below the stage had already recognized the first item.

"Heavens! It was a ripened celestial mountain snow Jade Fruit! It was as high as a five-star earth-god! Even in the earth celestial world, it's extremely rare!"

"This spirit fruit has an extremely good nourishing effect on women's skin! Even if you don't eat it, your skin will be as white as snow and as soft as a baby!"

if you eat an entire celestial mountain snow Jade Fruit, even an old woman's skin will become radiant, smooth, and elastic. It won't be a problem for her to become ten years younger!

"I'll go! Isn't this too magical? I've only seen similar legends in books, but I didn't expect it to be true!"

"It's really worthy of being the VIP area of the Dongsheng Chamber of Commerce. It really won't disappoint! He actually brought out such a valuable spirit fruit to auction! Even if we don't buy it, we'll still be able to broaden our horizons!"

Everyone at the scene exclaimed in shock!

For the earthly calamity Star Ocean, it was impossible to see a spiritual fruit of this level on normal days!

As the saying goes, the rarer something is, the more precious it is! The rarer something was, the more it could arouse everyone's interest! Especially to arouse the interest of women!

There were quite a few noble ladies who had accompanied their men to the auction. As soon as they saw the celestial mountain snow Jade Fruit, their eyes lit up. They couldn't wait to buy that spiritual fruit immediately. This was equivalent to buying back ten years of their youth!

"I believe that there are many distinguished guests who are determined to obtain the celestial mountain snow Jade Fruit. I will not keep you in suspense!"

President Feng saw that many people were eager to try, so he immediately offered a price, "The celestial mountain snow Jade Fruit! The starting price is one million upper spiritual stones, and each bid must be at least one hundred thousand upper spiritual stones!"

"Hiss ..."

As soon as he said that, a series of gasps erupted in the crowd.

He still remembered that during the auction held by pill King Nine Cauldrons, there were many powers from the nine layers of the starry sea, but only four of them were able to take out a million upper-grade spirit stones in one go!

It was the same now. The moment guild leader Feng placed his bid, most of the guests lost all hope of winning the auction!

The noble ladies whose eyes were shining also revealed looks of despair.

They knew very well that their man's entire net worth was probably less than a million upper spiritual stones!

Furthermore, in this world where the strong preyed on the weak, most people would only use these spiritual stones to increase their strength and not to make their skin younger and more tender!

Of course, although most people could not afford to pay this spiritual stone, it was still acceptable for some of the top forces who had a strong foundation and knew how to make money!

"Qiman, do you like this celestial mountain snow Jade Fruit?"

Zhao pingkang put on a fawning expression and asked, " "If you like it, I'll buy it and propose to you!"

Hearing this, Wu qiman's face flushed red. "I really like it! But, are you really willing to spend so many spirit stones for me?"

"Of course!"

Zhao pingkang patted his chest and said, "I'm true to you!" Although this is a huge sum of spirit stones, as long as you like it, I'll buy it for you even if I have to go bankrupt!"

As Tian Peng had said, Wu qiman's cultivation was higher, so was her status. That was why Zhao pingkang tried so hard to please her!

As long as he could marry Wu qiman, Zhao pingkang's investment today would definitely be earned back with interest!

That was why Zhao pingkang was willing to use a million upper spiritual stones, which was equivalent to one-third of his family's wealth!

Wu qiman, as the young lady of a rich and powerful family, had always liked sweet words and was vain. She wanted to let the whole world know that Zhao pingkang was willing to give her such an expensive gift!

Therefore, if Zhao pingkang wanted to give it to her, Wu qiman wanted it too!

It could be said that the two of them hit it off immediately. They had even begun to consider proposing and getting married!

However! Before they could bid, Zhao pingkang and Wu qiman were dumbfounded, and their faces were about to explode!

Chen Xiaobei slowly raised his hand and said, " "I bid 1.5 million!"

[Red Envelope Group of the Three Realms](#)

**Chapter 2379: You've Already Lost**

"This ... This, this, this ..."

Zhao pingkang and Wu qiman froze on the spot, their faces turning red and green. They were extremely embarrassed.

Just a moment ago, Zhao pingkang had planned to use a third of the Zhao family's wealth to buy the Tianshan Snow Jade Fruit and propose to Wu qiman! Wu qiman was also ready to let the whole world see her happiest moment!

However, Chen Xiaobei's bid had exceeded the limit of what Zhao pingkang could afford!

After all, the Zhao family was a huge power. They needed spiritual stones to run their system and their daily expenses! He couldn't possibly throw in all his fortune just to pick up a girl, right?

Hence, Zhao pingkang was scared and Wu qiman was embarrassed! They looked at each other, and the more they looked, the more embarrassed they became!

Zhao pingkang's face was burning, and he wanted to find a hole to hide in!

As the saying goes, showing off your love will kill you quickly!

Zhao pingkang and Wu qiman had died of embarrassment cancer before they could show off their love!

At the same time, the other distinguished guests at the scene all exclaimed in surprise.

"Heavens! Is that kid crazy? The starting price was one million, and he immediately called out a bid of 1.5 million! This price increase is simply too crazy!"

1.5 million upper spiritual stones is 150 trillion lower spiritual stones. Do you believe that kid can take that out? "

"I don't think he can afford it! But he shouldn't dare to bid recklessly! This is the Dongsheng Chamber of Commerce's auction house. Those who bid recklessly without being able to produce spirit stones will have one of their arms broken and be blacklisted forever!"

The crowd gasped in shock. They could not believe that Chen Xiaobei had that many spiritual stones, but they also could not believe that Chen Xiaobei had the guts to bid so recklessly.

After all, the rules of the Dongsheng Chamber of Commerce were there, and no one dared to break them!

"You little brat! Don't blame me for not warning you!"

Zhao pingkang cursed, " a few years ago, there was a guy like you. He bid randomly. In the end, he couldn't take out any spiritual stones! President Feng wanted to cripple one of his hands, but he still resisted. In the end, he was directly hacked to death by the guards of the Chamber of Commerce!"

Chen Xiaobei looked at Zhao pingkang and said, " "Poverty has limited your imagination! At your level, you'll never be able to imagine how many spirit stones I have!"

"What? Poor?"

Zhao pingkang's face turned red with anger. He roared, " I'm the young master of the Zhao family. How can you say that I'm poor? "

"No, you've misunderstood!"

Chen Xiaobei shrugged and said, "I'm not targeting you in terms of wealth! I'm referring to everyone here! They were all younger brothers! None of you can imagine my wealth!"

"What!"

Chen Xiaobei's words caused a stir among the guests.

"F \* ck! This kid was simply too pretentious! This was the VIP area! All of us here are rich people! He actually dared to look down on us!"

"Fuck! He was acting all high and mighty! They had never seen such a Savage person! Was there any Big Shot who could step on him! Help us vent our anger!"

"Right! This kind of arrogant poser, we should kill his prestige! However, there doesn't seem to be any big shots present ..."

"Who said there isn't! Don't forget about Jun Yunqing! She's a genius in refining artifacts and has earned a lot of spiritual stones in the earth-god Realm!"

For a moment, almost everyone shifted their attention to Lord scorching heat.

In everyone's eyes, Lord scorching heat was the only one who could take out a huge sum of 1.5 million upper spiritual stones in one go.

I bid 1.6 million upper spiritual stones!

As expected, Lord scorching heat didn't disappoint. He immediately increased the price by 100000.

"I can't tell! You actually know how to forge? Did your master teach you this?" Chen Xiaobei asked curiously.

"It's none of your business!" Lord Chi Ling rolled his eyes at Chen Xiaobei and said, "You'd better think about our bet! If you lose, I'll definitely beat you up until you look like a pig!"

"Hehe."

I'll pay three million! Chen Xiaobei laughed.

what???

Everyone was shocked by his words!

"Crazy! This kid is definitely a lunatic!"

Geno frowned and said, "Jun Yunqing just raised the bid by 100000, and this kid raised it to 3000000 in an instant!" He was definitely deliberately causing trouble! Even if you beat me to death, I still don't believe that he has that many spirit stones!"

"You're absolutely right!" Said kuanyang Kojiro disdainfully. That little brat is just causing trouble! As long as Jun Yunqing gave up bidding! If that little brat can't take out the spirit stones, he'll have to lose an arm. If he dares to resist, he'll die!"

"Senior martial sister Jun! Give up on the bid!"

he's not a Big Shot! Wu qiman shouted. there's no way he can take out three million upper spiritual stones!

"Yeah!"

Zhao pingkang immediately agreed, "as long as Senior Sister Jun gives up, that kid will be crippled!" This item would also be re-auctioned! At that time, the auction will start at one million, and no one will compete with Senior Sister Jun!"

All of a sudden, almost everyone was trying to persuade Chi lingjun to give up.

However, Lord scorching heat did not listen to their advice at all!

This was because Lord scorching heat knew that if he gave up, he would lose to Chen Xiaobei! She was going to become Chen Xiaobei's servant, serving him tea and massaging his back and legs!

At the thought of this, Lord scorching heat felt aggrieved and uncomfortable all over! With her proud nature, she simply could not accept such a result!

However, Lord scorching heat was unable to raise the bid any further because Chen Xiaobei's new bid had already exceeded what she could afford!

"Little brat! Do you have that much money?"

Lord Chi Ling glared at Chen Xiaobei and said, " you heard what everyone said. If I give up, you'll die a horrible death!

Chen Xiaobei smiled and said, " "Then give it up and try!"

"Don't even think about it!" "I'll never admit defeat!" Lord scorching heat said angrily.

"If you don't want to admit defeat, then increase the price!"

"This time, as long as you raise the price, I will admit defeat!" Chen Xiaobei said with a smirk. However, if one of your arms is broken, don't blame me!"

you ... Lord scorching heat was instantly infuriated.

"Don't hold on! I've already considered your wealth as dead!"

there are about 3000000 upper spiritual stones in Purple Rainbow City. You can only use 1.5 million at most. Otherwise, the capital chain will break and all the departments will be paralyzed! Including the money you've earned all these years, it's impossible for you to exceed three million!"

this ... Lord scorching Heat's brows were furrowed and his lips were quivering. Although he did not admit it, his expression had already proven that Chen Xiaobei was right!

"It doesn't matter if you don't admit it. You've already lost anyway!" Chen Xiaobei turned to the other side and said, " "Guild leader Feng! According to the rules, you should announce it!"

"You ... You really have that many spirit stones?"

Guild leader Feng was in disbelief. However, according to the rules, if Lord Chi Ling did not raise the bid, he should make the final announcement, 3000000, going once ... Going twice ... Going thrice ... Sold!!!

### Red Envelope Group of the Three Realms

#### **Chapter 2380: An Idiot's Judgment**

With guild leader Feng's announcement, the first auction was finally over.

The result was Chen Xiaobei's victory, but the crowd was laughing at his misfortune.

"Hahaha! That kid is dead for sure!"

Geno was so excited that his eyebrows were dancing, and his pair of demonic purple eyes were full of mockery. "You dare to act tough without money! Now that Senior Sister Jun isn't playing with him anymore, I'd like to see how he dies! Hahaha!"

"This is called being struck by lightning!"

Inuyago Kojiro stood up and yelled at Chen, " "Little idiot! Tell me loudly! Do you want to cripple your left or right hand? I advise you to leave the hand of 'ah' behind! Because in the future, no woman will like you, trash. You can only whine for the rest of your life! Hahaha ..."

"Qiman! You've seen it! It's not that I don't have enough money, it's that kid who's causing trouble!"

Zhao pingkang regained his confidence and said, " "That brat is dead for sure now. If senior martial sister Jun doesn't fight, I will definitely buy the celestial mountain snow Jade Fruit for you! But if senior martial sister Jun wants it, I can only give it to her. After all, we still have to join the Putuo City branch in Tianji city!"

Wu qiman nodded. I know what you mean. It's all that kid's fault. He didn't have the money to cause trouble! As long as he disappears, everything will be easy to handle!"

All of a sudden, almost everyone was certain that Chen Xiaobei did not have the money to pay!

Even Lord scorching heat frowned and said, "Are you really rich? Or was he just acting cool? The wealth of the kana dojo is only around two million. Even if you took it all, you wouldn't be able to pay three million!"

Chen Xiaobei laughed and said, " "What's wrong? You're already worried about master?"

"Go to hell! You bastard!"

Lord scorching heat was so angry that he clenched his teeth and cursed in a low voice, "I was worried that if you were crippled, it would affect my master's plan! But now, I can't wait for you to die! After I return, I'll immediately have master replace you!"

Chen Xiaobei was too lazy to argue. He beckoned with his finger and said, " "Guild leader Feng, what are you doing there? Come and collect the money!"

"Collect money?" Guild leader Feng was taken aback.

Just like everyone else, guild leader Feng did not believe that Chen Xiaobei would be able to fork out three million superior-grade spiritual stones.

However, since Chen Xiaobei had spoken, even if guild leader Feng did not believe him, he had to follow the rules.

Unless Chen Xiaobei really could not afford the spiritual stones, guild leader Feng could not offend Chen Xiaobei. After all, Chen Xiaobei was one of the distinguished guests.

According to the rules of the Dongsheng Chamber of Commerce, President Feng would have one of his hands broken and be blacklisted for offending a distinguished guest without reason!

So, guild leader Feng quickly ran to Chen Xiaobei and took out a storage bracelet. He said politely, "please transfer the spiritual stones into your bracelet and hand it over to me. Then, the deal will be considered complete!

"Guild leader Feng! Are you an idiot?"

how could that kid have three million? " Geno shouted. how could he have three million? " Why are you still being so polite with him? Let the guards in, cripple him, and throw him out! Don't waste everyone's time!"

Inuyago Kojiro even cursed, " "I don't believe that a loser like him can take out 30000 upper spiritual stones! And three million? If he can take it out, I'll live stream myself eating shit!"

As he spoke, Chen Xiaobei had already finished the operation and returned the bracelet to guild leader Feng.

"Qiman! The show is finally about to start!"

Zhao pingkang held Wu qiman's hand and sneered, " "According to the rules, guild leader Feng only needs to check the storage bracelet. The price is three million spirit stones, not one less! That little b \* stard caused trouble and ruined our romance. He deserves to be destroyed!"

The corners of Wu qiman's lips curled up as she said disdainfully, " "A loser is a loser! Don't even think about standing on the same stage as us for the rest of your life!"

"Men!"

At this moment, guild leader Feng waved his hand.

Everyone's eyes turned over. "Hahaha! The guards of the Chamber of Commerce were about to enter the arena! The guards of Dongsheng merchant Association were extremely powerful! He could even terrorize a region in the earth-god Realm! Even if that brat grew wings, he wouldn't be able to escape!"

Even Lord scorching heat said in an unpleasant tone, "You little brat! You're acting tough and courting death! Even if one of your arms is crippled, I will still beat you into a pig head!"

However, at this moment, guild leader Feng frowned and urged loudly, " "Are you two stupid? Hurry up and come over! I didn't call the guards! It's you two! Immediately bring the heavenly Mountain snow Jade Fruit over and offer it to this young master!"

"As ... As you wish!"

On the auction stage, the two young and beautiful girls thought that guild leader Feng was going to call for the guards, so they stood still.

Who knew that guild leader Feng would call them out!

The two of them trembled and hurriedly ran over with the tray!

If they were to neglect the honored guest, the two maidservants would have to pay with their lives!

"Young master!" these two girls are new here. They don't know the rules. Please don't lower yourself to their level! President Feng said apologetically.

The two girls held the tray hand in hand, their heads lowered and their bodies trembling.

Their lives were in Chen Xiaobei's hands! Chen Xiaobei did not even need to say a word. Even if he showed a single expression of displeasure, they would be severely punished, or even executed!

This was the rule of the Dongsheng Chamber of Commerce!

President Feng was the head of the Dong Sheng merchant Association's earthly calamity branch in the starry sea. His status was not low! But if he had offended Chen Xiaobei just now, according to the rules, he would also have one of his arms crippled and be blacklisted forever!

The two maids were of low status. They had stood there without moving because they thought that Chen Xiaobei had no money!

To a true honored guest, this was an offense!

If they really followed the rules, even if they didn't die, they would be half-dead!

"It doesn't matter!"

they're still young. It's normal that they've never seen the world before. I won't stoop to their level! Chen Xiaobei said.

"Did the two of you hear that?" guild leader Feng immediately shouted. Hurry up and thank this young master!"

"Many thanks, young master! Many thanks, young master!"

The two girls kneeled on the ground with the trays in their hands and thanked Chen Xiaobei profusely.

With a wave of his hand, Chen Xiaobei kept the celestial mountain snow Jade Fruit into his infinite space ring and said, " get up, all of you. In the future, learn from guild leader Feng. Don't trust the judgment of some idiot so easily!

As soon as he said that, everyone at the scene felt an invisible slap on their faces!

Obviously, the 'idiot' that Chen Xiaobei was referring to was not anyone but everyone in the room!

It was because they did not believe that Chen Xiaobei was rich that they misled the two maids!

Chen Xiaobei did not even blink as he paid the three million superior-grade spiritual stones in full. He slapped the faces of those who mocked him so hard that they exploded!

Geno was speechless!

Kojiro was ready to eat shit!

Zhao pingkang and Wu qiman had just mocked Chen Xiaobei for being a b \* stard, and now they were slapped in the face by the b \* stard!

Oh no, this was no longer a slap to their faces. It was stomping their faces on the ground and ruthlessly rubbing them!

As for Lord scorching heat ... Chen Xiaobei raised his eyebrows and looked at her with a smile.
