Chapter 2401: Black-Hearted Trap

"When I do business, I always talk about integrity! Since I've already made a bid, I won't go back on my word!"

The middle-aged man touched his moustache, squinted his eyes and said, "What's wrong? You can't afford it?"

"Xiaobei! Hurry up and pay! What are you doing?" Tian Peng thought that he had gained an advantage and urged.

"Alright!" yes! Chen Xiaobei nodded. I'll pay now. Give me the thing first!

"Ha, are you afraid that I'll lie to you?" The middle-aged man laughed coldly and handed the wooden box containing the Aqua Spirit grass to Chen.

Chen Xiaobei made sure that there was no problem with the Aqua Spirit grass, and paid the 100000 high-grade spiritual stones in one go.

The middle-aged man was a little surprised when he received the money, but he didn't say much.

Chen Xiaobei and Tian Peng took the Aqua Spirit grass and left the hundred Herb Hall.

.....

"Xiao bei? We've gained a huge advantage! Why don't you look happy at all?" Tian Peng asked in confusion.

"Second senior! You're usually quite smart! Your brain gets hot the moment you take advantage of someone!" there's no such thing as a free lunch in this world! Chen Xiaobei said.

"Of course there is!" "We just saved 300000 upper spiritual stones. Isn't this a free lunch?" Tian Peng said proudly.

"Do you think that guy is an idiot?" Chen Xiaobei retorted.

"I think he's indeed a little silly!" of course! Tian Peng nodded and said, " the average price of a three-star earth-god herb is 400000 upper spiritual stones. He only called for 100000! If we had haggled with him just now, we might have been able to get even cheaper!"

"I think you're the one who's stupid!"

what? " Chen Xiaobei frowned. that guy just now had shifty eyes and a moustache. He looks like a typical profiteer! How could a person who is more cunning than a ghost let himself suffer a big loss?"

Xiaobei, you're being too suspicious ... Tian Peng pouted. "The money has been paid and the goods have been taken. What do you have to worry about?"

"Stop! You two, stop right there!"

At this moment, an angry shout came from nearby.

They saw a man in heavy metal armor and a pair of soldiers with armor and swords charging over.

Chen Xiaobei's face turned cold and said, "That's what I'm worried about!"

this ... Tian Peng's expression froze.

The group of soldiers quickly surrounded Chen Xiaobei and Tian Peng.

They were on the streets, and such a huge commotion instantly attracted hundreds and thousands of onlookers.

The man in heavy armor took a step forward and shouted angrily, "You two little thieves! You want to run away after stealing?"

"Stealing?" Tian Peng immediately retorted, "are you crazy!" When have we ever stolen anything?"

At this moment, the man with the moustache came out from the crowd and pointed at Tian Peng, "Shameless thief! You guys have stolen the treasure of the hundred Herb Hall! I saw it with my own eyes, and you still want to renege on your debt?"

"F * ck! So it was like this! You set us up on purpose!" Tian Peng wasn't stupid but he liked to take advantage of others. The current situation explained everything.

"You bastard!" The heavy-armored man shouted angrily. Shopkeeper Wang was the victim! Who set you up? This General Orders you to hand over the stolen goods immediately! Surrender without resistance!"

"You can't even tell black from white!" Tian Peng's face turned red and he said angrily, "We bought the water spirit grass with spirit stones! You said we stole, this is a set-up!"

"My fellow villagers! Dear traveling merchants! You guys be the judge!"

Shopkeeper Wang put on an innocent face and wailed, "The water spirit grass is the treasure of the hundred Herb Hall. It was passed down to me from my grandfather's generation, how could I possibly sell it? This is impossible!"

As soon as he said that, some of the elders nodded.

"That's right ... The hundred Herb Hall's Aqua Spirit herb is the shop's treasure, everyone in the city knows about it! There's no way shopkeeper Wang would sell it!"

"It seems that those two young men are really thieves! You didn't learn well at such a young age! They should be locked up in prison and let them suffer! Only then do they know how to be good people!"

"General Bao! Hurry up and arrest him! If we don't capture this little thief, the city will definitely not be peaceful!"

"Yes, yes, yes! Hurry up and capture these two thieves!"

Since the older generation could prove that the water spirit grass was the treasure of the hundred Herb Hall, the crowd naturally followed suit and clamored to catch the person!

"General Bao! You're the law enforcement general of our main city! You must seek justice for all the people here!"

Shopkeeper Wang pleaded with an aggrieved expression, " "These two thieves must be repeat offenders! If you arrest them and put them in the Imperial prison, you'll definitely be able to find other stolen goods!"

"The one named Wang! Do you still have any shame?"

Tian Peng's face turned red. The feeling of being wronged made him want to vomit blood, " "You're the one who offered us 100000 upper spiritual stones to sell the Aqua Spirit grass, and now you're trying to harm us! I've never seen such a shameless thing like you!"

"Listen! Everyone, listen!"

Shopkeeper Wang said with an aggrieved expression, " "The treasure of the hundred Herb Hall! Water spirit grass! Not to mention 100000! Even if someone were to offer a million, I would never sell it! Such a lie! Even a three-year-old child wouldn't believe it!"

As soon as he said this, the surrounding crowd chimed in.

"Well said! Which normal person didn't know the value of a three-star earth-god medicine? It's impossible to buy it with 100000 Yuan!"

"What a joke! That b * stard actually said that he only spent 100000 Yuan to buy the water spirit grass! Don't you think before you brag?"

"Thieves need brains these days! He didn't even know how to lie! How could he make a living? 100,000 for the water spirit grass? Why don't you say you bought it for ten thousand?"

Without a doubt, the price of 100000 was too low. No one would believe Tian Peng's words.

Everyone thought that Tian Peng was lying, and they were even more convinced that Chen Xiaobei and Tian Peng were two thieves!

"The eyes of the masses are sharp! The identity of these two thieves has been confirmed!"

"Guards!" General Bao grinned and said. Arrest these two thieves and put them in the Imperial prison. I'll interrogate them later and try to find more stolen goods!"

"Yes, sir!"

All of a sudden, the surrounding law enforcement Warriors were all fired up and charged toward Chen Xiaobei and Tian Peng!

"I finally understand!"

Tian Peng's brows furrowed and his eyes were filled with anger. "That Wang guy saw that we were foreigners and deliberately sold things to us at a low price. Then, he colluded with the law-enforcement generals to arrest us. When we arrived at the Imperial prison, he even wanted to take everything from us! What a vicious trap! What a Black Heart!"

"What nonsense! Arrest him!"

General Bao waved his hand impatiently.

"Yes, sir!"

The dozen or so law enforcement Warriors attacked Chen Xiaobei and Tian Peng with their fists and legs.

Red Envelope Group of the Three Realms

Chapter 2402: Young Master East Lu

"Bang! Bang! Bang! Bang ..."

Dozens of punches and kicks rained down on Chen Xiaobei and Tian Peng.

Immediately after, a series of muffled sounds erupted.

However, Chen Xiaobei and Tian Peng were not injured at all. The dozen or so law enforcement soldiers were all sent flying!

Like cannonballs, the brawny men were sent flying dozens of meters away, creating huge pits on the Rocky ground!

"Owuuu! It hurts ... Pfft ... It's broken! My bones are broken ..."

Waves of wailing sounds burst out as fist marks appeared on the bodies of the dozen people! His skin and flesh cracked, and his bones were shattered!

As a result, they spat out blood and lay on the ground, unable to even get up.

"You ... You dare to resist!" General Bao was shocked. He didn't expect these two young men to have such powerful combat strength.

you and that Wang guy are working together to set us up! If we don't get out of here in three seconds, we won't be resisting anymore! We might even kill you!

"Counter-kill? You're so bold!"

"This is East Lu city!" General Bao roared. There were laws! You've already broken the law, and you still want to kill? This is simply a declaration of war on the entire battlefield!"

As soon as he said that, the surrounding crowd also started to shout angrily.

"This little thief is too arrogant! Not only did he resist arrest, but he also wanted to kill someone! They simply don't put the 100000 soldiers of our East Lyu city in their eyes!"

"Arrogant little thief! I advise you to obediently surrender! Not only does our East Lu city have an Army of 100000! And there were many experts! If you dare to resist, you're just courting death!"

"Everyone, calm down! This little thief was just playing with his mouth! When the Army arrives, he'll probably wet his pants in fear!"

"Well said! Just two little thieves, in front of our East Lu city's 100000 strong Army, are equivalent to two little ants! It's insignificant!"

Most of the people in the crowd were the citizens of East Lu city. Some of them were cursing, some of them were mocking. They were all very unhappy with Chen Xiaobei's arrogant words.

"Heh, an Army of 100000?"

Chen Xiaobei said calmly, " "This Wang fellow is doing evil. East Lu city has 100000 troops. If we help him, we will also be doing evil! I'll kill him with a single sword strike, and I won't show any mercy!"

As soon as he said that, the scene exploded.

"What the f * ck! This kid was really too pretentious! Killing 100,000 people with a single sword? Do you think you're a god?"

"He's too pretentious! He wants to kill our Dong Lu Army alone! I've never seen such a shameless pretentious d * ck!"

"General Bao! Why are you still standing there? Hurry up and take down these two thieves! Let them know the power of our East Lu city!"

"General Bao! Hurry up and attack! You must defend our Quan Cheng sect's face! I can't let these two thieves look down on me!"

The surrounding crowd was furious and strongly urged general Bao to capture the man.

This was related to the reputation of a city. A mere thief had threatened to slaughter all the soldiers in the city! If they didn't take down this little thief, the people of East Lu city would be laughed at wherever they went.

However, they would never have guessed that Chen Xiaobei was the same Chen Zhufeng who had single-handedly massacred the earth-god Realm's million-strong Army!

A mere East Lu city was just a small city in the nine layers of the starry sea. The combat power of a 100000-strong Army was not even comparable to the 10000-strong Army from the earth-god Realm.

When Chen Xiaobei said that he was going to kill them all, he was not just acting cool. He could do it easily!

"Chi ..."

At this moment, a black shadow suddenly appeared in the sky.

Everyone looked up.

They saw a young man in a gorgeous robe, standing on a silver-feathered Eagle, flying straight down from the sky and stopping above everyone's heads.

greetings to the young city Lord ... Greetings to the young city Lord ...

In an instant, general Bao, shopkeeper Wang, and all the onlookers present bowed and greeted the man with great respect.

The young man stood on the Eagle's back and squinted at the ground. He said coldly, " "What's going on? Why are all the law enforcement team members lying on the ground?"

"Reporting to the young master!"

"It's those two thieves!" General Bao replied respectfully. They stole something first, and I brought people to arrest them. They then attacked and injured a team of law enforcement soldiers that I brought with me!"

"Then why are you still spouting nonsense here?"

"He's already riding on your head and shitting on it!" The young man shouted angrily. You're still not making a move? Do you not want to be the law-enforcing general anymore?"

"This subordinate knows his mistake! This subordinate will take action now!"

General Bao composed himself, gritted his teeth, and raised his fighting spirit.

After all, this East Lu city was only a small city. Even the strength of the core higher-ups was not very high.

The strength of a mere law-enforcing general couldn't be that strong.

Because of this, general Bao was more or less worried.

However, at this moment, the young city Master of East Lu had arrived. Even if general Bao did not want to make a move, he had no choice.

Luckily, both Chen Xiaobei and Tian Peng looked very young. They were probably not very strong. This made general Bao feel a little more at ease.

thousand-hammer heavy cannon!!!

General Bao roared in anger. He circulated his vital essence, clenched his fists, and threw them out rapidly!

Because the speed of his fist was too fast, thousands of fist shadows appeared around him. They were like thousands of warhammers, exploding with a terrifying destructive power like cannonballs.

Seeing this scene, the surrounding people burst out in exclamations.

"They're attacking! General Bao had made his move! His strength had reached the nine flames God-refining realm! With the support of the thousand hammer battle technique, his battle strength is extremely shocking!"

"General Bao used his full strength right from the start! That pretentious thief is dead for sure!"

"Is there a need to say this? That little thief is only twenty-one or twenty-two years old. He won't even be able to take a punch from general Bao!"

.....

"Little thief! I'll give you one last chance!"

General Bao accumulated strength in his fist as he suddenly roared, "Immediately kneel and kowtow to me. Follow me back to the prison to receive your punishment! Otherwise, I'll take your dog lives right now!"

Upon hearing this, there was another round of gloating ridicule.

"General Bao is right! Let them kneel and kowtow first! This is the price they have to pay for acting tough!"

"Take them back to their cells and beat them up until they wish they were dead! Let's see if they still dare to steal things from my East Lu city!"

"Aren't these two requests a little harsh? I'm afraid they won't agree!"

"Hmph! General Bao had already given his all, so they had no choice but to agree! Unless they want to die!"

"That's true! Compared to your life, losing your dignity and suffering is acceptable!"

The crowd was discussing among themselves. They thought that Chen Xiaobei and Tian Peng would accept general Bao's request. After all, staying alive was more important than anything else.

"Little thief! I'm asking for the last time! Are you going to kneel or not?" General Bao roared.

"Can you stop your nonsense?" Chen Xiaobei said, "If you want to die, come over! I'll send you on your way!"

[Red Envelope Group of the Three Realms](#)

Chapter 2403: Instant Kill

"What the f*ck! This kid is crazy! General Bao had given him a chance to live, but he didn't want it! Instead, you're provoking general Bao!"

"Idiot! This was definitely an idiot! He could have kept his life! Now, even the gods can't save him!"

"This is called seeking death! Seeking death! He asked for it if he lost his little life!"

Everyone was extremely unhappy with Chen Xiaobei and wished that general Bao would kill him.

Young master Dong Lu's expression was even gloomier. He angrily shouted, "General Bao! That little thief is smacking your face! It was a slap to the face of East Lu city! Aren't you going to kill him and keep him for the new year?"

kill!!!

General Bao's arms had already gathered enough power to launch thousands of punches at Chen Xiaobei with immense force.

"What a fast speed! You're indeed general Bao!"

the fist shadows are like an inescapable net. I can't even see that kid clearly!

"It would be a wonder if you could see it clearly! With this move, he'll be blasted into meat paste in minutes!"

The crowd exclaimed in shock. They all believed that Chen Xiaobei was dead for sure.

"Bang!"

However, in the next moment, a loud explosion was heard!

One fist shadow pushed back a thousand fist shadows!

With a single punch, the thousands of fist shadows that were like cannonballs were all destroyed! General Bao didn't even have time to react before he was punched in the face!

"Pfft ..."

General Bao's face was smashed into pieces. Blood spurted out and his eyeballs exploded!

The power of the punch penetrated through general Bao's entire head, causing the back of his head to explode!

His brain matter shot out like a crushed tofu flower, splashing all over the faces of the people behind him!

In an instant, general Bao had become a headless corpse!

At the same time, Chen Xiaobei, who had just killed the man with his fist, had already retreated a few meters away at lightning speed. Not a single drop of blood had landed on his body!

At the sight of this scene, all the onlookers were dumbfounded and shrieked in shock. They couldn't believe their eyes!

this ... This can't be ... That kid killed general Bao in a second!

"He's too strong! That brat's strength and speed had both reached the primordial soul realm! He's so young, he's a super genius!"

"Such a genius can only be cultivated by a super force. He shouldn't be able to steal things, right? Is there a misunderstanding?"

"Yup! Such a genius was the pearl in the palm of all the major forces! There's no need to steal a stalk of water spirit grass!"

Obviously, in this world where the strong preyed on the weak, strength was the absolute iron rule! It was an unquestionable truth!

Chen Xiaobei's display of strength had made many people realize the truth and began to believe that Chen Xiaobei was not a thief!

After all, to reach primordial spirit at Chen Xiaobei's age, he was definitely a super genius!

With his talent, Chen Xiaobei could become the Apple of a powerful faction's eye. What resources could he not enjoy? Why did he come here to be a thief?

"The one surnamed Wang!"

Chen Xiaobei looked at shopkeeper Wang and said, "I'll give you three seconds to tell the truth! Otherwise, you'll end up in an even more miserable state!"

"Hiss ..."

Shopkeeper Wang sucked in a breath of cold air and shouted in horror, "Young city Lord, save me! Every year, I will prepare a generous gift and send it to your residence! You know what I've done! You can't just leave me in the lurch!"

"You're so long-winded! Did I say I don't care about you?" The young city Master of East Lu city tipped his toes and directly jumped down from the back of the silver-feathered Eagle.

"That's great! With you backing me up, I'm not afraid of anything!" Shopkeeper Wang instantly heaved a sigh of relief.

Seeing this, Tian Peng immediately cursed, "no wonder you dare to cheat so blatantly!" There's also the law enforcement team cooperating with you to scam people! So it's this bullshit young city Lord who's backing you up!"

"Hmph! It's too late for you to know now!"

"Our young city Lord is the number one genius in the East!" Shopkeeper Wang laughed smugly. This is the glory of our East Lu city! I'm afraid you'll be scared to death! Our young city governor is ranked fourth on the young warlord list!"

"Idiot!"

Tian Peng rolled his eyes and said in disdain, "If it wasn't for my Junior Brother standing in front of me, I could have crushed you and your trash young city Lord with a finger!"

"What? You dare to say that I, Lu Qingshu, am trash?" The young city Master of East Lu's face turned cold, and his eyes bloomed with a strong killing intent.

Obviously, as the number one genius of the East, Lu Qingshu, who was ranked fourth on the young God of War leaderboard, would be praised by everyone wherever he went.

Trash!

This was the first time Lu Qingshu had heard someone scold him like this!

Furious, Lu Qingshu's killing intent grew. He took a step forward and was about to attack Tian Peng!

"My second senior brother is right! You're a piece of trash!"

However, Chen Xiaobei stepped forward and stopped Lu Qingshu.

"You dare to scold me?" Lu Qingshu glared at Chen Xiaobei, wishing he could eat him alive.

"Did I scold you?" I said you're a piece of trash! Chen Xiaobei said. you're a piece of trash! You're not going to like it!

"Numbed! Do you think you're that great just because you killed general Bao?"

"I'll tell you the truth!" Lu Qingshu shouted angrily. General Bao was just a good-for-nothing! He only became the law-enforcement general because of the great elder's connections!"

"But I'm different!" Lu Qingshu proudly raised his chin. "I'm the fourth-ranked young genius under the age of thirty in the earthly calamity Star Ocean! Not only do I know how to use battle techniques! He had even comprehended a primordial spirit attack! If I want to kill you, it'll be easier than killing a chicken!"

Chen Xiaobei did not feel anything but calmly said, " "Yinian! Heaven-severing!"

"What?"

Lu Qingshu was stunned and said disdainfully, " "What thought? What heaven interception? You're going to die soon, and you're still acting tough ... Ugh ... Pfft!"

Before he could finish speaking, Lu Qingshu suddenly felt a sharp pain from his sea of Qi dantian! He opened his mouth and spat out a large amount of blood!

Immediately after, Lu Qingshu's eyes were blurry and his ears were ringing. His head was heavy as if he was about to faint!

After careful observation, Lu Qingshu was shocked to find that his primordial spirit was a little scattered and extremely weak!

He wanted to counterattack with his true essence, but he found that his true essence seemed to be cut off by an invisible barrier and couldn't be circulated at all!

you ... What did you do to me!? Lu Qingshu clutched his sea of Qi dantian, his face full of extreme shock.

The crowd was even more shocked when they saw this.

"What's going on? He didn't see that kid attack at all! But the young city Lord was seriously injured! This is unbelievable!"

"This can't be an illusion, right? This is too exaggerated!"

"The young city Lord is only injured, he should still be able to fight! Everyone, look carefully. I'm sure you'll be able to see through that kid's methods!"

.....

"Plop!"

Before everyone could finish their words, Lu Qingshu had already knelt on the ground and groaned, " "I admit defeat ... Please don't kill me ... I beg you ..." He begged.

[Red Envelope Group of the Three Realms](#)

Chapter 2404: I'll Fulfill Your Wish

"You want to kill me, but you don't want me to kill you? How can there be such a logic in the world?"

Chen Xiaobei stood there calmly, his eyes cold and emotionless.

"I know I was wrong ... I won't do it again ..." He said.

Lu Qingshu knelt on the ground and wailed bitterly. With blood in his mouth, he looked very sincere.

Of course, his primordial spirit was seriously injured, and he couldn't circulate his true essence at all. His only way out was to sincerely ask for a detour.

"Shopkeeper Wang! Get over here and kneel down!" "Tell me all the dirty things you've done!" Lu Qingshu shouted.

this ... shopkeeper Wang's expression froze and he said awkwardly, " "That's not very good, is it?"

"Do you want to!! cking die!" Lu Qingshu gritted his teeth and cursed, 'if anything happens to me! My father will exterminate your entire family!"

hiss ... shopkeeper Wang sucked in a breath of cold air and quickly ran over to kneel on the ground.

Then, in front of the crowd, he told them how he had set up Chen Xiaobei and Tian Peng.

After learning the truth, the surrounding crowd blushed and felt extremely guilty.

"As expected, those two young men weren't thieves! Everyone has wrongly blamed them!"

"We're so stupid! He had actually been used by shopkeeper Wang! They almost killed two innocent people!"

"Young man! I'm sorry! We've missed you!"

Obviously, most of the people were still just and kind. After knowing the truth, they all realized their mistakes, admitted their mistakes, and sincerely apologized.

Chen Xiaobei could be persuaded by reason but not cowed by force.

If the enemy tried to use force, Chen Xiaobei would send them to hell in minutes!

If the enemy was soft, Chen Xiaobei would usually spare his life!

"Whoosh ..."

Chen Xiaobei then absorbed general Bao's soul and blood into the chaos Blood Sword and said, " "You two can get lost!"

"Many thanks! thank you ... Lu Qingshu and shopkeeper Wang immediately got up and ran back.

"Xiaobei! Don't let those two scumbags go!" Tian Peng was anxious.

"Forget it!" Chen Xiaobei shrugged. after this incident, both of them will have lost all their reputation. They will only be looked down upon and disdained for the rest of their lives. They will never be able to raise their heads again!

"Aren't you afraid they'll bite back?" Tian Peng frowned.

"Afraid?" "Do you dare?" Chen Xiaobei laughed.

"Me?" Tian Peng smiled, "of course I'm not afraid!" You rewarded them with two dog lives! If they don't cherish it, then we can just send them to their deaths!"

To Chen Xiaobei and Tian Peng, everyone in East Lu city was no different from ants!

Even if Lu Qingshu wanted to bite back, Chen Xiaobei and Tian Peng would not be afraid!

clang, clang, clang ... Clang, clang, clang ...

At this moment, the rhythmic sound of heavy armor rubbing against each other came from all directions.

Lu Qingshu and shopkeeper Wang both stopped running.

Lu Qingshu was seriously injured and stood still. Shopkeeper Wang, on the other hand, retreated with a smile on his face. He shouted excitedly, " "You two idiots are going to die! The city Lord had brought the East Lu heavy-Armored Regiment! Hahaha ..."

That's right!

The sounds that came from all directions came from the armor of the heavy armor Warriors!

From the sound alone, it could be inferred that there were tens of thousands of people rapidly approaching!

Chen Xiaobei and Tian Peng were surrounded by a giant net!

Then, a middle-aged man with white hair and wearing a long golden robe walked out!

"Greetings to the city Lord ... Greetings to the city Lord ..."

All of a sudden, the surrounding crowd knelt down on one knee and saluted the person with respect.

That's right! This man was Lu Qingshu's father! The master of East Lu city, Lu Yiming!

Under everyone's gaze, Lu Yiming did not say a word and waved his hand in an imposing manner!

"Hiss!"

In the next moment, the silver-feathered eagle in the sky suddenly let out a sharp cry, circulated its Zhen Yuan, flapped its wings, and swooped down at an extreme speed!

Seeing this, the surrounding people burst out in exclamations.

"The silver-feathered Eagle has made his move! This was a two-star earth-god demonic beast! His cultivation was extremely high! There's also the innate ability of demonic beasts, which allows them to be much faster than their opponents of the same level!"

"It looks like the city Lord doesn't intend to let this matter rest! I'm here to settle the score with those two young men!"

"Is there a need to say this? The silver-feathered War Eagle was afraid of hurting the young city Master, so he did not attack. Now that he is attacking, he is definitely aiming to take his life!"

"Sigh ... Those two young men really can't escape this time! Although they are innocent, this is the consequence of offending the city Lord!"

.....

"Woof! Whoosh!"

In the blink of an eye, the silver-feathered Eagle was already in front of Chen Xiaobei and Tian Peng. Its scimitar-like claws were aimed at their throats.

"This time, let me do it!"

However, in the next moment, Tian Peng, who had not made a move, suddenly stomped on the ground and his body turned into a shadow. He was a hundred times faster than the silver-feathered battle Eagle!

Tian Peng reached out and grabbed the silver-feathered Eagle's throat!

Crack ... Crack ...

With a crisp sound, the two-star earth-god silver-feathered Eagle's neck was broken, and it died instantly!

Before the crowd had time to be shocked, Tian Peng had already left the silver-feathered Eagle behind and appeared in front of shopkeeper Wang like a ghost.

"Oh my ..."

Shopkeeper Wang's entire body trembled as his pupils contracted uncontrollably. Cold sweat poured down like rain, and his crotch smelled wet and smelly. He peed in an instant!

"My Junior Brother gave you a dog's life, but you didn't cherish it! Since you want to die, I'll fulfill your wish!" Tian Peng's eyes narrowed and he slapped.

Without a doubt, Tian Peng had been angered by shopkeeper Wang and was about to release all his pent up anger!

"Pa!!!"

With a loud explosion, shopkeeper Wang's head flew out like a ball. His body was like a fountain, standing on the spot and spurting blood!

At the sight of this scene, all the onlookers were shocked!

Everyone had thought that Chen Xiaobei was already powerful enough, but who would have thought that Tian Peng's strength was far beyond Chen Xiaobei's! It could even kill two-star earth-god demonic beasts in seconds!

To a small place like East Lu city, Tian Peng's strength was Supreme and could not be offended!

"It's your turn!"

Tian Peng's eyes narrowed and he looked at Lu Yiming and Lu Qingshu coldly.

"It's a misunderstanding! It's a misunderstanding!"

Lu Yiming shrieked, swung his arm, and slapped Lu Qingshu across the face. Lu Qingshu fell to the ground and vomited blood.

"What's the meaning of this?" Tian Peng's expression froze.

"My two heroes, please don't misunderstand! I'm not here to settle scores with you two! I'm here to catch this unfilial son!" Lu Yiming swallowed his saliva. The imposing manner he had just now was swept away. He nodded and bowed like an obedient grandson!

"You're pretty quick-witted!"

"You brought tens of thousands of people to capture your son?" Chen Xiaobei sneered. Do you think we're stupid?"

Red Envelope Group of the Three Realms

Chapter 2405: Sinister Scheme

Obviously, Lu Yiming had brought his men here for revenge. However, he was shocked by Tian Peng's strength and immediately changed his mind. He said that he was here to capture his son!

Unfortunately, even the surrounding crowd could not be fooled by such an obvious quibble!

It was impossible to fool Chen Xiaobei!

"Plop ..."

Lu Yiming saw that he could not fool them, so his legs went soft and he knelt down. I know I was wrong ... I swear I will discipline this unfilial son ... I beg you two heroes ... Spare his dog life ...

In an instant, everyone was dumbfounded!

The onlookers and tens of thousands of soldiers were shocked. They even started to doubt their lives!

Never in their dreams would they have thought that the usually dignified and domineering city Lord would actually kneel down and beg for mercy from two young people!

But thinking about it carefully, this was actually not strange at all.

First of all, East Lu city was a small city. The strength of the city Lord was not that high, and the earth-god instrument in his hands would not be too strong.

Secondly, Tian Peng's strength had reached the peak of the four-star earth-god level, which was enough to crush everyone.

Moreover, Chen Xiaobei had also said that if the 100000 soldiers in the city were helping the wicked, he would not mind killing them all! At first, everyone thought that Chen Xiaobei was just acting cool. But now, no one dared to doubt the truth of his words.

Lu Yiming didn't have the confidence to fight at all. He was even more afraid that he would really offend a super fiend and lose all his assets in one battle.

Because of this, Lu Yiming couldn't even muster up a bit of fighting spirit. Naturally, he could only beg for mercy.

"All parents in the world have the same heart!"

Chen Xiaobei raised his eyebrows and said, "If you're willing to kneel down for your son, I'll make an exception and give him another chance!"

"Many thanks, young master! Many thanks, young master!" Lu Yiming finally heaved a sigh of relief, as if he had been granted Amnesty.

However, Chen Xiaobei did not finish his sentence. "Don't be happy yet! I'm not a good person! Your son can be spared from death, but he can't escape punishment!"

this ... Lu Yiming's expression froze, and he became nervous again.

"Compensate me!"

no! Chen Xiaobei shrugged and said, "pay me 500000 upper spiritual stones as compensation for your son's life! It's also a lesson for you guys so that you won't do any more black-hearted things in the future!"

five ... Five hundred thousand!? Lu Yiming was instantly dumbfounded. He was even sweating.

The small city of Donglu did not have a strong foundation. Even if they emptied their treasure vault, it would be difficult to gather 500000 upper spiritual stones.

"You can't take it out?"

With a flick of his finger, Chen Xiaobei took shopkeeper Wang's storage bracelet into his hand, and at the same time, he absorbed shopkeeper Wang's blood essence and soul into the chaos Blood Sword.

hiss ... Lu Yiming sucked in a breath of cold air and said in horror, "young master, please wait a moment. I'll go back and get the spirit stones now ..."

Ten minutes later, Lu Yiming ran back quickly with a storage bracelet in his hands.

young master ... I ... I've already emptied the Treasury and borrowed a lot of money from others. However, I only managed to gather 450000 upper spiritual stones ...

Lu Yiming pulled a long face. It looked like he had really tried his best.

"In that case, I'll use the silver-feathered Eagle's corpse to pay off my debt!"

With a wave of his hand, Chen Xiaobei took the silver-feathered Eagle that Tian Peng had killed and put it into his infinite space ring.

"No problem! No problem!"

Lu Yiming nodded his head and handed over the storage bracelet with 450000 upper spiritual stones.

"Alright, take your son back to recuperate! Remember today's lesson! If you dare to do evil again, only death awaits you!"

Chen Xiaobei took the spiritual stones and left Donglu city with Tian Peng through the portal.

.....

East Lu City master's mansion.

Lu Yiming personally helped Lu Qingshu back to his bedroom to recuperate.

However, as soon as he entered, he saw a skinny young man sitting in the bedroom with his legs crossed.

what are you!? Lu Yiming immediately became alert.

"I'm Li Qi." The young man was calm and composed, as if he was at home.

"Li Qi? I've never heard of it!"

"This is my city Lord's mansion!" Lu Yiming said angrily. You actually dare to barge in! Do you know the consequences?"

"Pa!"

Li Qi didn't say a word and directly smacked a pill on the table.

"What do you mean by that?" Lu Yiming was a little dumbfounded.

to tell you the truth, the person who injured your son was Chen Zhufeng from bei Xuan faction! Li Qi said indifferently.

"Bei ... Bei Xuan faction? Chen ... Chen Zhufeng?"

Lu Yiming and Lu Qingshu gasped at the same time. They were dumbfounded and shocked.

Lu Yiming took a deep breath and exclaimed, "No wonder he's so strong at such a young age! So, he's the legendary Chen Zhufeng!"

Lu Qingshu swallowed his saliva and was filled with fear. "I'm so lucky to be able to save my life from his hands ..."

"Look at you guys!"

"The earth-god Realm's sect selection will be in three days!" Li Qi said with disdain. Don't you guys want to participate?"

"Participate?" my primordial spirit is seriously injured, " Lu Qingshu said with a long face. I can't even use a bit of vital essence. How can I participate? "

Li Qi pointed at the pills on the table and said, " "Eat it, and your primordial spirit will immediately recover!"

how ... How is this possible?! Lu Qingshu couldn't believe it.

Lu Yiming was even more vigilant, "why are you helping us?" What is your motive?"

"My goal is to kill Chen Zhufeng!" Li Qi said indifferently. That's why I'm helping you!"

this ... Lu Yiming and Lu Qingshu looked at each other, both of them shocked.

"An opportunity that can't be missed, it won't come again!" Li Qi stretched out his hand, wanting to take back the pill.

"Hold on!"

Lu Qingshu gritted his teeth and said in a deep voice, "I've been preparing for this sect selection for a long time. I can't give up so easily! I'm willing to eat this pill! But, what do you want me to do for you?"

"It's simple!"

"If you do this during the sect selection ..." Li Qi smiled sinisterly.

.....

Central main planet, central main city.

Chen Xiaobei and Tian Peng went back to the Meru space after they found a place with no one around.

"Xiaobei! Did your trip go smoothly?" Liu xuanxin asked impatiently.

"Do you still need to say that? When has Xiao bei ever not been successful?" "The last two ingredients for the Jade face pill have been gathered. We can start immediately!" Tian Peng replied.

"Xiaobei must have spent quite a lot of spiritual stones to get these two herbs, right?" Liu xuanxin's heart ached.

"Hahaha! Sister-in-law! You don't understand Xiao bei at all!"

"you're right! Tian Peng grinned. not only did Xiaobei not spend a single spiritual stone on these two herbs, but he also earned 500000 upper spiritual stones and the corpse of a two-star earth-god level demonic beast!

how ... How is this possible?! Liu xuanxin was in disbelief.

"No need to be so surprised!" Chen Xiaobei smirked and said, "This is just a normal operation!"

"Tell me, how did you earn your money?" Liu xuanxin asked curiously. And what's the use of the magical beast's corpse?"

[Red Envelope Group of the Three Realms](#)

Chapter 2406: Suppressing The Heavenly Tribulation

Chen Xiaobei told Liu xuanxin about the scam on planet East Lu.

"In other words, you got back all the 100000 upper spiritual stones you paid the scammer, and you even got an extra 50000 from his storage bracelet! In the end, the governor of East Lu city compensated you with another four hundred and fifty thousand!"

"You really didn't spend a single cent, and you even earned five hundred thousand?" Liu xuanxin asked in surprise. And a magical beast's corpse!"

"Yes, that's how it is!" Chen Xiaobei shrugged.

"Oh right, Xiaobei!" "You still haven't told me what you're going to use the body for?" Tian Peng asked curiously.

the fur, bones, and tendons of a two-star earth-god demonic beast are all good materials for smithing. But, Xiaobei, aren't they a little too low for you? " Liu xuanxin asked.

Based on Liu xuanxin's understanding of Chen Xiaobei, a two-star earth-god grade material would not even catch his eye.

However, Chen Xiaobei had asked for the silver-feathered Eagle's body before he left.

This meant that Chen Xiaobei had other uses for it.

"Earlier, I was seriously injured in the spirit condensing immortal mansion, and my body and soul were almost completely destroyed!"

"Later on, Sifu gave me a copy of the sky-killing tyrant body technique. It contains the secret technique of the witch tribe's beast blood! After I learned it, my injuries recovered completely, and my body rose from a state of near-death to the peak of the God-Ascension realm!"

how ... How is this possible?! Liu xuanxin and Tian Peng were dumbfounded. They could not believe their ears.

"This sounds a little absurd, but it's absolutely true!" I'm a one-star earth-god now! Chen Xiaobei said. if I use the silver-feathered Eagle's blood to strengthen my body, I'll be able to reach the level of a two-star earth-god!

"It can't be!" a one-star earth-god with the body and soul of a two-star earth-god? this is ridiculous! Liu xuanxin exclaimed.

Tian Peng was even more shocked, severing the heavens with a thought and a two-star physical body. You can do whatever you want in the sect selection of the earth immortal world!

"Yup!"

Chen Xiaobei grinned. my combat power has reached 13.6 million, but my physical body is still at 10 million. After this body refinement, my physical body will be able to fight back. Not only will I be able to support my current combat power, but I can also use the primordial Witch King combat enhancement training manual. I might even be able to fight above my level!

skip a level!?! Liu xuanxin swallowed her saliva in shock.

It was extremely difficult to break through each level of the earth level deity realm! However, as long as he successfully broke through, he would be able to greatly widen the gap between him and the lower levels!

It was almost impossible to fight above one's level at the earth immortal level!

Tian Peng also swallowed his saliva and said, " Xiaobei ... According to what you said, if we catch another three to nine-star earth-god demonic beast, will you be able to reach the peak of the earth-god level? "

"Yes, in theory!"

that's right! Chen Xiaobei nodded. the strength of this 'sky-killing tyrant body technique' lies in the fact that there's no bottleneck to the strengthening of one's health. As long as you can find the corresponding beast blood, your health will soar like a rocket!

"What the f * ck! This is too good!" Tian Peng said excitedly, "if I help you catch an immortal beast, will you be able to reach the sky immortal level?"

"Theoretically, yes!"

"But the higher the level, the more time it will take!" Chen Xiaobei said. For example, I might need a few years to train my body this time! The next time would take decades! If I want to reach the heaven immortal body, I might need hundreds of thousands of years to train my body!"

a few hundred thousand years?! Tian Peng swallowed and said, "even if we use the sunlight cache, it will still take a long time ..."

"And there's one more important point!"

I don't think my lifespan can last for hundreds of thousands of years! I'm afraid I'll die of old age after just the first step! Chen Xiaobei said.

"Yeah!"

Tian Peng suddenly realized, "within the sunlight cache's special ability, one year of cultivation is equivalent to one year of age!" After hundreds of thousands of years, your corpse has already turned into a fossil!"

"That's right! Because I often use the sunlight cache, my actual age is actually much older than it looks!"

thank God! Chen Xiaobei said, "once a cultivator reaches God-Ascension cultivation, their appearance will age very slowly. Moreover, the higher the cultivation, the less likely it is for them to age! Usually, they'll only have white hair when they're hundreds or thousands of years old!"

"That's why I always look like I'm twenty-one or twenty-two! If I can transcend the Tribulation and become an immortal, I can even maintain my youth forever! I'll keep my youthful appearance for the rest of my life!"

"The point is, after becoming a deity, my lifespan will increase! Even a few hundred thousand years wouldn't be a problem! At that time, I'll have the capital to use the "sky-killing tyrant body technique" to improve my divine immortal physique!"

"Then work hard on your cultivation!" "I believe that with your abilities, it's only a matter of time before you become an immortal!" Liu xuanxin said excitedly.

Tian Peng also nodded, "sister-in-law is right!" It's impossible to become a fatty in one mouthful, so you should cultivate steadily first! When you have enough life, you can upgrade the sunlight cache! Perhaps I'll have a heaven immortal body before the heavenly Tribulation, and I'll be able to suppress the heavenly Tribulation and reach the heavens in one step!"

"Suppressing the heavenly Tribulation? Ascending to the heavens in one step!"

Chen Xiaobei swallowed and said expectantly, " "Thank you for your kind words, second senior brother! I also hope to use this awesome method to ascend to heaven!"

"Then hurry up and go cultivate!"

"Heaven's secrets, fate, and fortune, when these things are added together, any miracle can happen!" Tian Peng said with certainty.

"Good! I'll go cultivate first! I'll see you tomorrow!"

Chen Xiaobei focused and entered the verdant Emperor divine gourd.

.....

Chen Xiaobei took out the heaven and earth smelt and the green jade cauldron instead of his body refining.

Opening the green jade cauldron, Chen Xiaobei received 18 high-grade heavenly dog biscuit!

After that, Chen Xiaobei placed the Tianshan Snow Jade Fruit, mantuo congealing frost flower, water spirit grass, and dozens of other low-grade herbs into the green jade cauldron.

After injecting the witch Dragon heavenly flame, he immediately began to refine the Jade face pill!

On the other hand, Chen Xiaobei opened the heaven and earth furnace, took out all nine everlasting blood longevity pills, and ate them all!

[ding Yingying's cultivation base: middle-stage primordial soul realm. Lifespan: 22700 years, physique: 9.1 million, combat power: 13.6 million, primordial spirit attack-sacred level!

nine everlasting blood longevity pills will increase my lifespan by 4500 years and decrease my physical strength by 900000 years!

Chen Xiaobei smiled and said, " the 'killing heavens tyrant body technique' can replenish all the lost health. It's the most cost-effective to eat the everlasting blood longevity pill now!

Once everything was settled, the body refinement began!

[Red Envelope Group of the Three Realms](#)

Chapter 2407: Tower Pushing Selection

Chen Xiaobei dug a hole in the sunlight cache's area.

He placed the silver-feathered Eagle's blood and two-star earth-god grade beast core into the pit.

Then, Chen Xiaobei took off his clothes and soaked himself in the beast blood.

Chen Xiaobei had already passed the tyrant body trial the last time he trained his body. He had been on the verge of death. After that, he could use the sky-killing tyrant body technique without any problems.

He silently activated his cultivation method and the silver-feathered Eagle's blood was drawn into Chen Xiaobei's body.

Starting from the cells, he eliminated the weak and kept the strong, so that Chen Xiaobei's physical body could be improved from the tiniest part.

His cells, tissues, muscles, tendons, bones, skin, and even his hair were all strengthened from the inside out.

This time, it was an earth-god level physical enhancement, and the time it took was far longer than the last time.

30 hours had passed in the outside world, which was 1800 minutes!

Within the range of the sunlight cache's special ability, Chen Xiaobei's body cultivation had lasted for 1800 days, which was equivalent to five years!

This was a very long time for Chen Xiaobei!

However, to an ordinary person, it was simply a daydream to upgrade their physical body from one-star earth-god to two-star earth-god in five years. It was absolutely impossible!

[ding Yingying's cultivation base: middle-stage primordial soul realm. Lifespan: Year 22695, physique: 2000000, combat power: 13.6 million, primordial spirit attack-sacred level!

"My lifespan has been reduced by five years! I'm afraid this is the longest I've ever cultivated under the sunlight cache!"

Chen Xiaobei raised his eyebrows and said, " however, my physical strength has soared to 20 million. This is also the biggest improvement I've ever experienced in all my cultivation!

Without a doubt, even a super genius would need at least a dozen years of hard work to raise his physical strength by a major realm without a great opportunity!

Although Chen Xiaobei was very talented, the reason why he was able to achieve such a breakthrough in his health in five years was all thanks to the Super high level of his sky-killing tyrant body technique!

According to Taiyin true deity, the heavens-killing tyrant body technique was at the ancestral wizard level, which was equivalent to the God level!

The Sorcerer tribe placed great importance on the body and specialized in body cultivation. The " sky-killing tyrant body technique " was a top-tier body cultivation secret technique of the Sorcerer tribe!

Because of this, Chen Xiaobei's cultivation speed was greatly increased!

If it was a different method, Chen Xiaobei would not be able to achieve this in ten years, or even decades!

By the same logic, the Scripture of heaven and earth had many hidden mysteries, but its cultivation speed was also faster than any other cultivation technique in the human world!

It was because of his speed that Chen Xiaobei was able to achieve a higher cultivation level than his peers!

"With the support of a two-star earth-god level body, no young man under the age of 30 in the entire earth-god Realm in the starry sea is my match!"

Chen Xiaobei raised his eyebrows and said confidently, " "I can do whatever I want in the sect selection tomorrow."

.....

Chen Xiaobei left the verdant Emperor divine gourd.

Tian Peng and Liu xuanxin had been waiting for him.

"Xiaobei! How was it? Did it go smoothly?" Liu xuanxin asked in concern.

"Of course!"

Chen Xiaobei grinned and said, 'body refining is done! The Jade face pill was also successfully refined! However, the number is a little small, only three!"

"Three is enough!" Tian Peng said, "I'll save one for my sister-in-law!" As for the remaining two, the rarer something is, the more valuable it is. They will definitely be able to sell for a sky-high price!"

Chen Xiaobei asked, " "While I was cultivating, did you receive any new information?"

"There are! I was just about to tell you!"

"I left the Xu mi space for a while and Deng Jie Yu called to ask about your selection!" Tian Peng said.

"What did you say?" Chen Xiaobei asked.

Tian Peng raised his eyebrows and smiled evilly, "I didn't tell her!" On the contrary, I managed to get a lot of information from her!"

"Tell me!" Chen Xiaobei asked.

first of all, I'll use a very interesting method for tomorrow's selection!

"Just like the Kings of Glory, team up and push each other's towers!" Tian Peng grinned.

"What?" Chen Xiaobei was surprised. "A live-action version of King of Glory? How could there be such a selection method?"

Tian Peng said, "this is a good method!" It can directly test the participant's combat ability, adaptability, team ability, tactical ability ... Basically, it can be said to be an all-rounded test!"

"If what you said is true, then it does make sense!" that's right! Chen Xiaobei nodded. after a tower pushing match, you can basically see through a person from the inside out!

"Yup!"

Tian Peng nodded and said, "secondly, no Dharma Treasures are allowed in the tower pushing competition!" You can't use the power of spirit beasts! But poison could be used! Battle formation! An array! It's also allowed!"

"In other words, you can't rely on external forces, but you can use your own skills!" Chen Xiaobei said.

"Right!"

you're the best, " Tian Peng smiled. with the help of the cleansing Bodhi, there's no doubt about the results of tomorrow's selection!

Chen Xiaobei nodded, full of confidence.

Liu xuanxin, on the other hand, reminded him,"Xiaobei!" Don't underestimate your enemy! Don't forget that when we were in the spirit condensation immortal abode, we were already being watched by many major powers! There might be turbulent undercurrents in tomorrow's selection!"

"Understood!" yes! Chen Xiaobei nodded and said, " I will definitely remember the lucky goddess's reminder!

"Don't be so talkative!" Liu xuanxin retorted. I'm serious! And that Shen Gongbao! He had been silent for a long time, so he must be brewing a scheme! No matter when and where, you have to be on guard against him!"

Liu xuanxin was an Earthling, so she had some understanding of ancient myths and legends.

Whenever Chen Xiaobei was free, he would tell Liu xuanxin about the heavenly realm.

Gradually, Liu xuanxin had a new understanding of Chen Xiaobei's enemies, friends, and the forces in heaven.

"You're right about this!"

yes! Chen Xiaobei nodded and said, " actually, chanism is my biggest enemy! As long as the old primordial thief is still determined to kill me, Shen Gongbao will never stop scheming Against Me!"

"In short, it's best to be careful!" "No matter how smooth the situation is, we can't let our guard down!" Liu xuanxin said seriously.

"Understood!" Chen Xiaobei nodded and kept Liu xuanxin's words in mind.

"In addition, there's another piece of news!"

Tian Peng said,"Xuanyuan guanghong called and said that the headquarters of Dongsheng Chamber of Commerce has already gathered 550 million. He asked when you want to trade." I told him to wait until after the sect selection to make the deal!"

"No problem, your answer is very reasonable!" the sect selection is about to begin! I'll collect the money after I pass this stage! Chen Xiaobei said.

[Red Envelope Group of the Three Realms](#)

Chapter 2408: Mysterious Visitor

The next morning.

Chen Xiaobei and Tian Peng put on their most commonly used human skin masks and left the Sumeru space, heading straight to the portal area of the central main city.

At this moment, the area around the teleportation portal was already packed with people.

The number of young people participating in the selection could be said to be as many as the hair on an ox. It was simply uncountable.

"Second senior brother ... Why are there so many people here for the selection? How long would that take?" wait! Chen Xiaobei frowned. I'll have to wait for days and nights in line!

"I won't!"

"Deng Jie Yu told me that the people selected by the sect will be divided into three, six, and nine grades!" Tian Peng said. They would participate in the selection based on their cultivation! The weak would participate in the low-level selection and join the low-level sects! The strong will participate in the top selection and join the top sects!"

"My cultivation base should be considered top-notch, right?" Chen Xiaobei asked.

"Of course!"

yes! Tian Peng nodded. this is only the earthly calamity Star Ocean. Among the young people who have not joined the sect, your strength can definitely be ranked first!

"Then I don't have to line up, right?" Chen Xiaobei asked.

"Come with me! I've already heard about it from Deng junyu!" Tian Peng grinned and led Chen Xiaobei to the teleportation portal that was furthest away from them.

As the place closest to the earth-god Realm in the nine layers of the sea of stars, the central main city was responsible for the important task of transportation.

There were dozens of teleportation arrays of various sizes in the area.

The teleportation array at the furthest end was the selection venue for the top sects in the earth-god Realm.

Unlike the previous teleportation arrays, which were surrounded by a sea of people, there was only one white-haired elder around this teleportation array.

"Second senior? Did you bring the wrong one?" Chen Xiaobei asked.

"I won't!"

Tian Peng's eyes narrowed, "that white-haired old man's cultivation is higher than mine!" His primordial spirit domain has already seen through our cultivation. Otherwise, we wouldn't have been able to make it!"

"I see!"

what?! Chen Xiaobei was surprised. those who do not meet the cultivation requirements are not even qualified to get close to the portal! No wonder there's no one around!"

"Do you still need to say that?" Tian Peng said in a deep voice, "it is extremely rare for a young man to reach the immortal soul Stage before entering a sect!" There aren't even ten of them among the trillion young people!"

"Yup ..."

that's right! Chen Xiaobei nodded and said, " the path of cultivation is as difficult as ascending to heaven! I also relied on the Three Realms red envelope group to quickly achieve what I have today! If it were an ordinary person, without extraordinary talent and unlimited resources, they could only dream of breaking through to the primordial soul realm at a young age!"

"Xiaobei! Don't talk nonsense!" it's a good thing that the other party has already retracted his primordial spirit domain, " Tian Peng said nervously. otherwise, he would have heard the secret of the Three Realms red envelope group!

"How do you know that he released his essence soul domain and then retracted it? Why can't I sense it at all?" Chen Xiaobei was confused.

"If I'm not wrong, he should be a five-star earth-god!" I'm a peak four-star and I can vaguely sense his primordial spirit domain. However, your cultivation is still low and your primordial spirit isn't strong. Naturally, you can't sense it! Tian Peng said.

"I understand." Chen Xiaobei nodded.

.....

Then, Chen Xiaobei and Tian Peng quickened their pace.

While they were still some distance away, the white-haired elder who had been as motionless as a stone statue suddenly stepped forward to meet them.

"Young masters, are you both here to participate in the Tianji city's disciple selection?" The old man's face was originally tense, but at this moment, he was smiling and very polite.

The old man's eyes darted between Chen Xiaobei and Tian Peng, as if he had just found two pieces of beautiful jade.

Especially when he looked at the canopy, his eyes were shining.

Apparently, Tian Peng didn't look 30 years old, but his cultivation had reached the peak of the four-star earth-god level! Even in the earth-god Realm, he would be a top genius.

To a sect, talents were extremely important!

Top-notch talents were even more rare!

For a young man like Tian Peng who had such high cultivation at such a young age, no matter which sect he went to, he would be treated as a Pearl and would be nurtured at all costs!

If he could take Tian Peng under his wing, Tianji city would have one more super expert in the future.

Because of this, the old man naturally liked Tian Peng a lot.

"I have a sect." "It's my brother," Tian Peng explained.

"Oh ... I see ..."

The old man was a little disappointed, but when he looked at Chen Xiaobei, he still liked him. "It's also very good for this Little Lord to participate in the selection! I can see that his cultivation has even surpassed the top of the young God of War ranking list in the earthly calamity Galaxy!"

"Of course!" Tian Peng grinned and said, "my brother is amazing!" I definitely won't let you down!"

"Alright!" The old man nodded and asked Tian Peng, "Which sect did you join? Are you interested in job-hopping? The name of my heaven's legacy city should not be any less than your current sect!"

no! Tian Peng raised his eyebrows and shook his head. I won't consider jumping ship. Although my current sect can't compare to Tianji city, it will definitely surpass Tianji city in the future!

Hearing this, the old man's expression was a little surprised, but he smiled and said, "Young man, you are very loyal to the sect. This is very good, but this old man can only say that you are too naive! It's impossible for a normal sect to surpass Tianji city!"

"I appreciate old senior's good intentions!" Tian Peng smiled, "I am very confident in the sect I am joining, I am willing to wait for it to grow"

Obviously, Tian Peng didn't finish his sentence because he joined bei Xuan faction!

From a small sect on earth, bei Xuan faction had become the number one sect in apocalypse Starfield.

In comparison, bei Xuan faction was definitely one of the top sects in the nine Star seas.

With such a terrifying growth rate, it was definitely possible for bei Xuan faction to surpass Tianji city in the future!

Tian Peng was full of confidence!

Furthermore, bei Xuan faction was Chen Xiaobei's faction. Tian Peng would never betray them! Job-hopping was impossible, not in this lifetime!

"Alright, in that case, please follow me, young master!" The old man waved his hand and led Chen Xiaobei into the portal.

"Can I go with you?" Tian Peng asked.

"I can't," "However, you can watch the live broadcast of the selection through old Wang's live broadcast Software!" The old man said.

"No way? Old Wang's live streaming business has expanded to the earth-god World?" Tian Peng was shocked.

Chen Xiaobei was also very surprised. "Qingcheng's abilities are too strong! I have to manage the Azure Dragon Capital city and also manage other businesses such as livestreaming, gaming, and cosmetics. I'm sure I've already earned a lot of spiritual stones!"

"This way, I don't have to worry about bei Xuan faction's expenses at all. All the disciples can get rich resources! This has really helped me solve a huge problem!"

Chen Xiaobei was so happy that he could not help but smile.

"Young master, what are you laughing at?"

"The formation is about to be activated. A fierce battle is already in front of you!" The old man said with a frown.

"Nothing, I just thought of a very powerful woman!" Chen Xiaobei shrugged, his smile filled with happiness.

Just as he finished speaking, a woman walked over.

"Heavens! why is it her ... the old man trembled and his face turned pale.

"It's you?" Chen Xiaobei was taken aback.

[Red Envelope Group of the Three Realms](#)

Chapter 2409: Enemies Meet

"What the f * ck! It's so beautiful!"

Tian Peng's expression froze and his eyes went blank. It was as if he had been hit by a petrifying spell and he was completely frozen on the spot.

It was a young girl of 18 or 19 years old, and she was extremely beautiful!

His looks were off the charts, and his skin was as white as Jade!

His jet-black eyes were as lively as spring water and as sparkling as diamonds. It was as if he could make everything in the world lose its color with just one look!

She was tall and slender, with graceful curves. She wasn't particularly voluptuous, but at her age, she still had a lot of room for growth!

In the near future, she would definitely become a peerless beauty with a myriad of charms!

greetings, Holy master ... the old man swallowed his saliva. His legs went soft and he was about to kneel.

The woman gently waved her hand and said indifferently, " don't waste time. Activate the array!

"This ... I'm afraid this isn't appropriate?" The old man broke out in a cold sweat, and his eyes were filled with fear.

"Say that again." The woman's tone was indifferent, and her eyes were like two sharp swords that pierced the old man.

The old man gasped and quickly explained, " "This lowly one has no intention of offending you! However, this transmitting formation leads to the no man's land in the eastern part of the nine layers of the starry sea. What are you going there for?"

"Not even the old man of heavenly secrets has the right to ask me what I want to do!" The woman said impatiently.

yes, yes, yes ... the old man swallowed his saliva and didn't dare to say another word of nonsense.

"Can I ask what you're going to do?" Chen Xiaobei looked at the woman and asked.

"Little Lord!" The old man quickly tugged at Chen Xiaobei's sleeve and said, "This is the demon race's Holy Lord dark seal! Don't you know the immensity of heaven and earth! Be careful or you'll lose your life!"

Seeing this, even Tian Peng was worried and reminded, "Xiaobei! Don't meddle in other people's business! We can't afford to offend this person!"

Obviously, even a fool could tell that this woman had a very high status. If Chen Xiaobei were to make her unhappy, the consequences would be unimaginable!

Unexpectedly, the woman turned around and looked at Chen Xiaobei. I'm going to take a look at the Tianji city's selection. If there are any good seedlings, I'll bring them back to the nine nether platform!

"This ..."

Tian Peng and the old man were dumbfounded when they saw this.

How could Chen Xiaobei ask a question that even the old man of heavenly secrets was not qualified to ask? He could even get a woman's personal answer!

This was simply too unbelievable!

Chen Xiaobei nodded and asked, "Do you know who I am?"

"Of course." The woman said with a faint smile.

hiss ... hearing this, the old man sucked in a breath of cold air, his heart almost jumping out of his throat.

He did not expect Chen Xiaobei to be able to talk to the demonic clan's tough Holy Lord, and this Holy Lord of Netherseal even knew Chen Xiaobei!

The old man's brain was about to short-circuit. He was trying to figure out who Chen Xiaobei was!

"Xiaobei! Who is she?" Tian Peng was curious.

"Can I tell you?" Chen Xiaobei looked at the woman.

The woman nodded, not minding at all.

"She's called immortal dugu zang. I met her once in the spirit condensation immortal abode!" Chen Xiaobei said.

As soon as he said that, the old man's three views were instantly blown up, and he even began to doubt his life. "This ... This Little Lord actually dares to call the sacred Lord of netherworld seal by his name ... Oh my God! I'm not hearing things, am I?"

"Spirit condensing immortal mansion? Why don't I see her?" Tian Peng was confused.

"Chi ..."

The portal had been fully activated. Chen Xiaobei, Dugu Zang Xian, and the old man all disappeared from the portal.

"Hey! Wait a minute! Why is it that immortal Dugu Zang can go but I can't?" Tian Peng shouted but it was too late.

.....

Spatial transformation.

When the spiritual light flashed again, Chen Xiaobei and the others had arrived at the special venue for the assessment.

This was a small planet in the eastern no man's land of the nine layers of the starry sea.

The environment wasn't too bad. There was a huge primeval forest, rivers, and lakes. Unfortunately, the spiritual Qi was quite thin, almost to the point of being non-existent.

"Whoosh!"

Dugu Zang didn't say anything. His body turned into a shadow and disappeared from his original spot.

"This ..."

Chen Xiaobei frowned and sighed. "The sect selection this time is indeed not simple! What's this woman, Dugu Zang, planning to do by interfering?"

Young Master ... the old man saw this and asked, "What is your relationship with the Holy Lord of the Dark Seal? She was so kind to you just now, how come she disappeared without saying anything?"

"I've only met her once, so it's normal for her to not greet me!" Alright! Chen Xiaobei said, "Bring me to the selection. Let's settle this first!"

"Alright!" The old man raised his hand and pointed to a plain in the distance. That's the venue for the selection!

Chen Xiaobei narrowed his eyes and looked over.

He saw eight tall towers shining with spiritual light standing on the plain.

Four of the towers were shining with Blue Spirit light, while the other four were shining with Red Spirit light.

The towers on both sides were one big and three small.

Based on Chen Xiaobei's experience with King of Glory, three small towers were equivalent to the outer tower in the game, and one big tower was equivalent to the crystal in the game.

Destroying the crystal was equivalent to winning the battle!

"The defensive towers in the game all have powerful attack power!"

what's so special about these eight spiritual light towers? " Chen Xiaobei asked.

The old man felt that Chen Xiaobei's identity was not ordinary, so he reminded him, " these eight spiritual light defensive towers all have a built-in defensive array. When the tower is attacked, it will launch a true essence counterattack!

"The Power of Six small pagodas is equivalent to the early primordial soul realm! The power of the two main towers is equivalent to that of a primordial soul realm advanced stage cultivator. We will need the cooperation of our teammates to break through them!"

Chen Xiaobei could not help but smile. It was indeed similar to King of Glory.

.....

After that, Chen Xiaobei and the old man quickened their pace and walked towards the eight spiritual light defense towers.

The plain was about the size of three football fields. There was a middle road and two side roads in the area.

The six small pagodas corresponded to each other and were set up on the three routes.

The two halves covered by the pagoda's aura were the territories of the red and blue factions.

young master, please follow me. There's a lot-drawing ceremony over there! there are five people on each side, " the old man said. your teammates will be decided by drawing lots!

"Interesting!" Chen Xiaobei smiled and followed her.

However, the smile on Chen Xiaobei's face disappeared as soon as he reached the drawing area.

There were nine young men at the scene, and more than half of them had a history with Chen Xiaobei!

When enemies met, their eyes would turn red!

The moment Chen Xiaobei appeared, the atmosphere in the room turned heavy!

Swords drawn and bows drawn, ready to fire at a touch!

Chapter 2410: Turbulent Undercurrent

"Why is this kid here?"

A Westerner with blonde hair and purple eyes glared at Chen Xiaobei. this brat is actually at the primordial soul realm too. This is really too surprising!

This man was none other than the young master of the jungle Castle, Geno!

On the side, a short young man in a warrior's suit said viciously, " "Yunxi! I was worried that I wouldn't have the chance to take revenge, but this kid actually delivered himself to my door!"

This person was the young master of the three-leaf Ninja Palace, inuyagu Kojiro!

"I also want to take revenge!" that bastard caused us to lose a huge amount of upper spiritual stones! Zhao pingkang gritted his teeth and said, " the most hateful thing is that he took my woman!

"Zhao pingkang! I'll say it for the last time! I no longer have any relationship with you!"

Wu qiman stood in front of Chen Xiaobei and said, " "If you want to take revenge on this young master, you'll have to ask me first!"

"This ..."

Seeing this, Geno and inuya Kojiro were both stunned and instantly lost their wits.

The two of them were ranked tenth and eighth on the young God of War leaderboard, while Wu qiman was ranked fourth. Her strength could easily crush them.

Zhao pingkang's face turned green. He was already on the verge of marrying Wu qiman, but now, Wu qiman was defending Chen Xiaobei. It was a slap to his face.

Unfortunately, Zhao pingkang was ranked fifth, so he was still no match for Wu qiman. Naturally, he didn't dare to make a move.

"I won't allow you to take revenge!"

Lu Qingshu, who was ranked fourth, stood up for Chen Xiaobei.

Seeing this, inuyago Kojiro, Geno, and Zhao pingkang were even more exasperated. They retreated to the distance dejectedly.

Chen Xiaobei looked at Lu Qingshu and asked, " "The injuries to your primordial spirit have already recovered?"

"Yup!"

Lu Qingshu smiled and said,"I have a special pill at home that recuperates the primordial spirit. After I ate it, my injuries recovered!" Of course, this is all thanks to the young master's mercy. Otherwise, I would have been dead!"

Chen Xiaobei nodded and said, " Don't do evil! Otherwise, you will really die!"

"Yes, yes, yes!"

yes! Lu Qingshu nodded heavily and said, " after being taught a lesson by young master, I've come to a complete realization and changed my ways! I won't dare to do evil in the future!"

"Young master! Can you say something to me?" Wu qiman looked at Chen with her puppy-dog eyes.

"What do you want to say?" Chen Xiaobei frowned.

I wanted to ask for your phone number ... Wu qiman blushed and said shyly.

Seeing this scene, Lu Qingshu, who was nearby, Zhao pingkang, and the others, who were far away, were all dumbfounded.

Especially Zhao pingkang, he even felt that the green light above his head was shining, and he was so depressed that he wanted to vomit blood!

Wu qiman was ranked third on the young God of War leaderboard, and the Wu family was very powerful.

In the past, when Zhao pingkang pursued Wu qiman, people said that he was trying to climb up the social ladder.

But now, Wu qiman was chasing after Chen Xiaobei.

Not only did he turn Zhao pingkang green, but he also slapped Zhao pingkang's face! It was simply too cruel!

However, what happened in the next second almost made everyone's eyes pop out.

"I said it last time! I won't!" Chen Xiaobei rejected the offer.

Although Wu qiman was pretty, Chen Xiaobei did not have a good impression of her.

Seeing this scene, everyone was even more dumbfounded!

It was no exaggeration to say that in the entire nine layers of the starry sea, Wu qiman was definitely a goddess in the eyes of the younger generation!

So many people cried and shouted to get close to Wu qiman, but they didn't have the chance.

However, Chen Xiaobei had rejected the goddess 'offer.

The surrounding people's three views were completely destroyed.

"Little brat! You're too pretentious! Wu qiman sticking to you is a blessing that you've accumulated over eight lifetimes! You actually dared to reject her? He's really stupid!"

Suddenly, a three-meter tall young man with bronze-like skin glared at Chen Xiaobei.

Chen Xiaobei turned to look at her.

Lu Qingshu quickly reminded him in a low voice, "young master!" Don't compete with this person! He's number two on the young God of War leaderboard, gooddenton!"

Clearly, gooddenton's strength was far higher than Wu qiman and Lu Qingshu's.

If Chen Xiaobei offended gooddenton, Wu qiman and Lu Qingshu would not be able to protect Chen Xiaobei.

However, Chen Xiaobei did not care and said, "If you like this girl, then you can have her! In my opinion, to be stuck to by her, it should be eight lifetimes of bad luck!"

"What!" Gooddenton said angrily, "you dare talk back to me?" Do you believe that I will slap you to death right now!"

"Heh, what's the rush?" Chen Xiaobei laughed. When the selection begins, we'll have plenty of opportunities to compete!"

"Good! I'll let you live for a few more minutes!" Gooddenton licked his lips like a hungry lion, ready to swallow Chen Xiaobei alive.

Geno and inuo Kojiro's faces lit up with excitement. If gooddenton were to make a move, Chen Xiaobei would be dead for sure.

"Wu qiman!"

Zhao pingkang gritted his teeth and said, "Do you have any shame? That brat humiliated you like that, and you're still standing by his side?"

"Why do you care?" Wu qiman looked at Chen Xiaobei like a lovestruck girl and said shyly, "I like how overbearing he is! I'm not like a good-for-nothing like you, who only knows how to lower your voice and please me!"

"You b * tch!" "You're not happy that I'm being nice to you," Zhao pingkang scolded. "That kid humiliated you, and you say he's overbearing? You're being cheap!"

"Zhao pingkang? I'm giving you face, right?" Wu qiman's eyes narrowed, and she said coldly, "If you dare to speak to me in such a tone again, I'll cripple you in minutes!"

I ... Zhao pingkang swallowed his saliva. After all, he was weak and didn't dare to talk back.

"Can you guys be quiet?"

At this moment, a Chinese man in his late twenties said indifferently, " a bunch of trash, chirping non-stop! Are you done? "

As soon as he said that, everyone present was stunned. They closed their mouths tightly and did not even dare to breathe.

Even gooddenton frowned and stopped talking.

"Who is that person?" Chen Xiaobei asked.

Lu Qingshu lowered his voice and said, "He's called Cao Changfeng! Number one on the young God of War Board! In the earthly calamity Star Ocean, he's an invincible existence under the age of 30!"

"No wonder he's so arrogant!" Chen Xiaobei raised his eyebrows and said.

"Shh!" Lu Qingshu looked nervous and said in a low voice, " please don't say anything. If you disturb Cao Changfeng, the consequences will be unimaginable!"

Chen Xiaobei laughed. my mouth is mine! I don't need to care about other people's opinions about my words!

Everyone was shocked.

Who would have thought that Chen Xiaobei did not even care about Cao Changfeng?

Cao Changfeng also turned to look at Chen Xiaobei.
