Chapter 2491: Killing Three Birds With One Stone

Six-eared macaque's mirror image ability could perfectly replicate a body that was exactly the same as the target!

Not only was this body exactly the same as the target, but the most important thing was that it could retain the target's memory and use the target's unique ability.

Because of this, when the six-eared macaque became Monkey King, it could use all of Monkey King's skills. Almost no one could tell if it was real or fake. It was only in front of the Buddha that they finally saw through the six-eared macaque's true form.

It was clear how powerful the six-eared macaque's mirror image ability was.

"Chi ... Chi ..."

A burst of spiritual fluctuations burst out and gradually dissipated. The six-eared macaque had completely changed its appearance. It looked exactly like Hua Tuo, turning into a young man with a refined appearance.

"Amazing! It was truly flawless! It's flawless!" When Zhao Yun saw this, she could not help but praise.

"Isn't it? Six-eared macaque becoming Hua Tuo means a lot to me!" it's just a million upper spiritual stones! That's too cheap! Chen Xiaobei grinned.

ugh ... Xiaobei, you're so full that you don't know how hungry you are!

"One million superior-grade spirit stones is nothing to you!" Zhao Yun replied in embarrassment. But for ordinary people, it was 10 billion lower spiritual stones! Many people can't earn that many spirit stones even if they work hard for a few lifetimes!"

mm, that's true ... Chen Xiaobei nodded. "Back then, Liu er's several transformations only cost him some low-grade spiritual stones! In comparison, the cost this time is really too huge!"

"No matter what! Everything going smoothly is the best!" "let's not delay this any longer. Let Liu er help treat the patient! Zhao Yun grinned.

"Six ears! You can follow me into the Meru space!" Chen Xiaobei said.

"Uh ... I think I'd better not go in!"

Six-eared macaque shook his head and said, "Xiaobei, xuanxin is your woman, which means she's my sister-in-law ... But the heart surgery requires her to take off her clothes and reveal her chest ... I think I should avoid it ..."

Chen Xiaobei was taken aback and said, "In front of a doctor, life is more important! If you go and avoid suspicion, Xuan Xin will lose his life!"

"Yup!"

"Doctors save people, regardless of gender or age!" Zhao Yun quickly added. Brother Liu er was unruly by nature. Why couldn't he figure this out? Human lives are at stake, what's there to avoid?"

"You two, don't be so anxious!"

Six-eared macaque explained, "if I don't avoid arousing suspicion, how awkward will it be when I see my sister-in-law in the future?" However, if I avoid suspicion, not only will sister-in-law not be in danger, but she will also have three great benefits!"

"What ... What do you mean? Where are the three great benefits?" Chen Xiaobei and Zhao Yun furrowed their brows in confusion.

Six-eared macaque raised his eyebrows and said, "Xiaobei! Don't you have the scholar heart? I can teach you all of Hua Tuo's medical skills so that you can treat Xuan Xin!"

"This way, you two can do things behind closed doors, and I can avoid suspicion. In the future, when I see sister-in-law, it will not be awkward. This is the number one benefit!"

"Secondly, Hua Tuo's medical skills are superb, especially in surgery. In addition to human surgery, Hua Tuo has also studied the surgery of demon beasts over the years in the land! Xiaobei, once you learn it, you'll be able to put it to good use in the future! This is the second great benefit!"

"Finally, because of my special ability, I can't increase my strength through cultivation. I can only transform continuously! Xiaobei, if you can learn Hua Tuo's medical skills, I can become a stronger person and give you different kinds of help! This is the third benefit!"

Six-eared macaque raised his eyebrows and said, "How is it? If you do as I say, you can kill three birds with one stone, right? Happy?"

"That's right!"

Chen Xiaobei was overjoyed. I was too eager to save her and did not think things through. Luckily, you're smart enough, Liu er. I'll do as you say! Let's go and learn medicine first!"

.....

After that, Chen Xiaobei brought six-eared macaque into the verdant Emperor's divine gourd and started to learn medicine in the sunlight cache's special ability area!

Chen Xiaobei's medical skills were already very high. He was not a newbie, so his learning was very smooth!

With the help of the scholar heart, he could draw inferences and draw parallels from one example, which greatly accelerated his learning speed!

In a short ten days! Six-eared macaque then taught Chen Xiaobei everything that Hua Tuo had learned in his life!

With the wondrous effect of the scholar heart, Chen Xiaobei had already mastered all the knowledge he had learned. He could even be described as 'the reincarnated Hua Tuo'!

Ten days had passed since the sunlight cache went down, but only ten minutes had passed in the outside world!

"Alright! Xiaobei, now that you've mastered Hua Tuo's medical skills, you'll have to complete the task of treating Xuan Xin by yourself!" Six-eared macaque stretched.

"Alright! Take brother Zilong around and get to know everyone!" "Leave Xuan Xin to me!" Chen Xiaobei said confidently.

six-eared macaque then brought Zhao Yun away.

Chen Xiaobei brought the real Hua Tuo back to the Meru realm. He then sent Hua Tuo into the spirit condensing space and locked him up with Zhu Tianlin and Li Qi.

Poison immortal space.

Liu xuanxin did not feel lonely with Zi Yuan and the witch of winter by her side.

However, as time passed, Liu xuanxin's condition worsened.

His internal organs, muscles, and bones were all extremely exhausted. He was almost at the end of his life.

"Did sister Liu fall asleep again?" Zi Yuan pursed her lips and asked softly.

"Yup ..."

Xuan Xin's condition is getting worse and worse, " Lin Dong witch said with a sigh. a few days ago, she could still chat with us for a long time, but these days, her energy is getting weaker and weaker. She won't be able to hold on for long, and she will fall asleep soon ...

I'm really afraid that if sister Liu falls asleep, it won't be any better ... Zi Yuan's brows were slightly furrowed, and her little face was full of worry.

"Don't talk nonsense!"

"Xuan Xin is so kind. She will definitely be able to turn misfortune into fortune!" Lin Dong witch said solemnly.

I hope so too ... Zi Yuan was anxious, " "But the truth is, sister Liu really doesn't have much time left ..."

"Don't we still have Xiaobei Gege?" "We have to believe him!" The witch of winter said seriously. He will definitely be able to cure Xuan Xin!"

"Oh, right! And Xiaobei Gege! He was the best! There's nothing that can stump him!" Zi Yuan's eyes brightened, the worry on his face finally reduced a little.

"Al! It really wasn't easy! It's rare for you two girls to praise me, and I feel so good hearing it!" Suddenly, Chen Xiaobei walked out of the dimension.

"Xiaobei Gege!"

Lin Dong witch and Zi Yuan were both excited, " "You're finally back! Did you find the person who saved sister Liu?"

With a frivolous smile on his face, Chen Xiaobei said, " "I'm that person!"

Red Envelope Group of the Three Realms

Chapter 2492: White Hair

"What? You're that person? This ... How is this possible?"

Zi Yuan and Lin Dong witch were both stunned, they could not believe their ears, " "Xiaobei Gege! Human lives are at stake, you can't joke around!"

"Do you guys think that I'd joke around with Xuan Xin's life?" Chen Xiaobei retorted.

Zi Yuan and Lin Dong witch were slightly startled, and asked, " "But you don't know the heart changing technique. How are you going to cure it?"

"I didn't understand it before, but I do now!" hehe! Chen Xiaobei grinned. actually, the heart changing technique isn't that hard. I can learn it right away!

"Is ... Is this true?" Zi Yuan and Lin Dong witch could not believe it.

alright! Chen Xiaobei nodded. the two of you can leave now. I'll let xuanxin stand in front of everyone again soon!

After that, Zi Yuan and the Lin Dong witch were still skeptical but they had no choice but to trust Chen Xiaobei and leave the Meru space.

"Xuan Xin, Xuan Xin ..."

Chen Xiaobei called out to her, but she did not respond. Her energy was so weak that she was in a deep sleep.

it's good that you're asleep. When you wake up, you'll definitely be surprised!

Chen Xiaobei then took out his silver needles and inserted hundreds of them into Liu xuanxin's body.

In his early years, Hua Tuo would use anesthetic soup to reduce the patient's pain when he performed surgery.

Later, Hua Tuo developed a one-way acupuncture technique, which could directly block the patient's sense of pain. No matter how major the operation was, the patient would not feel any pain. More importantly, there were no side effects.

After Chen Xiaobei had inserted more than a hundred needles, Liu xuanxin's entire body lost all sense of pain. She could sleep peacefully throughout the entire operation.

"It's starting!"

Chen Xiaobei took a deep breath and focused his mind. He could not let his guard down.

"Swish!"

After removing Liu xuanxin's shirt, Chen Xiaobei released ethereal force from his fingertips. It was sharper than a scalpel!

By then, Chen Xiaobei had already converted everything Hua Tuo had learned in his life into his own knowledge.

That was why Chen Xiaobei had absolute confidence!

Without any hesitation, he pointed his finger down and directly cut open the skin and flesh!

"Whoosh! Whoosh ..."

Chen Xiaobei quickly used his ethereal force to seal the wound to prevent Liu xuanxin from losing more blood.

Then, he was about to remove Liu xuanxin's heart.

This process involved a large number of blood vessels and tendons, which was impossible for ordinary people.

However, Chen Xiaobei was already as good as Hua Tuo. This process was not difficult for Chen Xiaobei at all.

After removing the heart, Chen Xiaobei carefully sealed all the blood vessels with his ethereal force. He did not have to worry about Liu xuanxin dying from blood loss.

"Next, it's time to change hearts!"

Chen Xiaobei took out the heart of the fire Phoenix from his infinite space ring!

The Phoenix was a divine beast with a huge body. However, goddess nūwa had thought of this long ago and made the heart of the fire Phoenix as big as the human heart.

Of course, it was only the size that was the same. The shape and structure were still very different from the human heart!

If Chen Xiaobei had not learned the demonic beast surgery knowledge that Hua Tuo had studied in the land, he would not have been able to complete the heart transplant.

Fortunately, Chen Xiaobei had not only learned it, but he had also mastered it and mastered it like the back of his hand. He now had 100% of Hua Tuo's power.

After a series of complicated operations, Liu xuanxin's blood vessels and veins finally connected perfectly with the heart of the Phoenix.

Chen Xiaobei did not use a single needle or thread to stitch up the wound. Instead, he used ethereal force to stabilize the wound.

The reason why he did not need to sew up the wound was because Chen Xiaobei could heal it quickly!

"Alright! There's only one last step left before this heart transplant surgery can be officially completed!"

Chen Xiaobei then took out a Wuji blood-clotting pill from his infinite space ring.

Previously, the green jade cauldron had always been placed in the sunlight treasure box's special ability area. Counting carefully, the pill refining this time had already lasted for thousands of days, and the limitless blood coagulation pill had long been refined.

Chen Xiaobei was still using his ethereal force to send the pill into Liu xuanxin's mouth.

In the next moment, a miraculous scene happened!

The latest Wuji blood-clotting pill had been upgraded by Chen Xiaobei. It was now of a higher grade and had a better effect. For Liu xuanxin, who was physically weak, it was like a divine medicine!

All the wounds on Liu xuanxin's body were healing at an extremely fast speed.

Chen Xiaobei quickly retracted the ethereal force that was used to stabilize the wound. This way, he did not have to go through the trouble of stitching and removing the thread. The wound would not even leave a scar after it recovered. It was killing three birds with one stone!

Soon, all the wounds on Liu xuanxin's body were completely healed!

Because of Chen Xiaobei's meticulous treatment, all the wounds had recovered perfectly!

"Heart changing technique! It's been successfully completed!"

After a closer look, Chen Xiaobei finally let out a sigh of relief. He wiped the sweat off his forehead and felt much more relaxed.

There was no doubt that the operation had consumed a lot of Chen Xiaobei's physical strength, mental power, and ethereal force. It was even more exhausting than going through a life-and-death battle.

Of course! As long as Liu xuanxin could recover, everything would be worth it!

"Next, I'll restore Xuan Xin's beautiful face!"

Chen Xiaobei took out another beauty Pill from his infinite space ring and fed it to Liu xuanxin.

This Jade face pill was a pill recipe from the Grand Supreme elderly Lord!

Although Chen Xiaobei had reduced her cultivation from a heavenly God to an earth-god, Liu xuanxin's physical body was almost completely destroyed. The effect of the earth-god pill was enough to make her fully recover!

"Chi ..."

As the pill entered his mouth, its medicinal power and spiritual power were stimulated.

Liu xuanxin's body was emitting a pure white spiritual light that enveloped her.

The white spirit light was like a Chrysalis. Before it formed, it was an ugly Caterpillar, and after it broke out, it was a stunning butterfly!

As expected!

As the White spiritual light faded, Liu xuanxin's face had completely recovered.

Her facial features were exquisite, her skin was as white as snow, and her body was graceful and curvaceous, like a flawless Jade. It was an instant breathtaking sight!

More importantly, she was like an orchid in an empty valley, quiet and elegant, untainted by the dust of the world! But she was also like the fairy of the nine Heavens, pure, noble, and untainted by the mortal world!

In front of her, ordinary mortals would definitely feel ashamed of their own inferiority and would not dare to have the slightest blasphemy!

However, her flawlessly beautiful face could captivate the souls of all mortals and make them think of her day and night!

A glance could ruin a lifetime!

"Eh?"

Her beauty was stunning, but Chen Xiaobei could not bring himself to be happy. "Did I make a mistake? Xuan Xin's appearance has already been restored, but why is her head still full of white hair?"

[Red Envelope Group of the Three Realms](#)

Chapter 2493: Shocking Change In White Tiger

"There shouldn't be any mistake ..."

Chen Xiaobei's brows furrowed as he carefully recalled the entire process of the operation. His operation could be said to be meticulous and impeccable, how could there be a mistake?

However, the truth was right in front of him. Liu xuanxin's hair was all white.

Although her white hair and beautiful face had a different charm.

However, the fact that her hair color had not recovered meant that Liu xuanxin's body had not fully recovered as well!

This was Chen Xiaobei's biggest headache!

"Don't panic! There's definitely no problem with my operation! There must be a reason behind this!"

Chen Xiaobei took a deep breath and reached out to take Liu xuanxin's pulse.

"Phew ..."

After checking her pulse, Chen Xiaobei let out a sigh of relief. "I understand! The Jade face pill that I made can't achieve the perfect effect of Taishang Laojun's pill recipe. It can only make the appearance recover quickly, but it can't make the body recover!"

"That is to say, although Xuan Xin's appearance has recovered, his body is still in a state of extreme aging! He's strong on the outside but weak on the inside, so he's not completely recovered!"

if we don't solve the problem of aging, Xuan Xin will only look good on the surface. In a few months, he will still die of old age!

Chen Xiaobei did not panic. Instead, he smiled and said, "It's a good thing that mother Nuwa helped me think of this! If it was an ordinary heart, Xuan Xin would have died of old age!"

"But now, Xuan Xin has been exchanged for a fire Phoenix's heart! She will obtain the bloodline of the divine Phoenix. Once the Phoenix blood fuses with her body, not only will her aging body recover, but it will also bring her endless opportunities!"

Chen Xiaobei could finally relax after figuring out the key point.

"From the pulse, Xuan Xin's body is gradually recovering. It's only a matter of time before he returns to his peak!"

of course! Chen Xiaobei smiled. as my physical strength increases, not only will xuanxin recover completely, but his lifespan will also increase! This is indeed a blessing after surviving a great disaster!"

Chen Xiaobei did not have to worry anymore after he had figured out the key point. He began to remove the silver needles slowly.

"Mm ..."

As the last needle was removed, Liu xuanxin woke up and slowly opened her eyes.

This pair of bright eyes was like a clear spring, moving and clear. As she looked around, there was a natural ethereal charm, so beautiful that it was intoxicating.

"Xiao bei? You're here?"

Liu xuanxin frowned and shook her head. "No... I should be dreaming ..."

"Why is it a dream?" Chen Xiaobei laughed.

recently, I've been falling into a deep sleep, and I've been dreaming ... I dream of things that happened when I was young, dream of us meeting and falling in love ...

Liu xuanxin pursed her lips and said, " just now, I actually dreamed that you were treating me. Furthermore, you cured me ... If this isn't a dream, what is it? "

"Silly!" Chen Xiaobei grinned and pinched Liu xuanxin's cheek.

"What are you doing? You're hurting me!" Liu xuanxin was stunned as if she had been struck by lightning!

"I ... Will hurt! This ... This isn't a dream!"

Liu xuanxin was dumbfounded. Her hands trembled as she touched her face."The wrinkles are gone! The abscesses were gone! I ... I'm really fine?"

"Whoosh ..."

With a wave of his hand, Chen Xiaobei released a stream of water ethereal force.

In that instant, Liu xuanxin's face was reflected in the water. She was as beautiful as a painting.

"Heavens! I ... I'm really fine now!"

Liu xuanxin's eyes were glazed over, and her body tensed up. Her heart was beating wildly, and her breathing was rapid. She was extremely surprised!

When Liu xuanxin was at her most desperate, she had wanted to die. She had never thought that she would be able to recover her beauty!

Without a doubt, Liu xuanxin was not a vain woman. Looks were not important to her.

It was only when she fell in love with Chen Xiaobei that she changed her mind.

Before this, she wanted to die because she felt that her ugly and old face was not good enough for Chen Xiaobei.

At this moment, she was overjoyed because her beautiful face had returned. She could be Chen Xiaobei's woman again. Even if it was just for one day, she would be satisfied!

A man dies for his bosom friend, a woman looks for the one she loves!

Liu xuanxin had once valued her appearance more than her life, and it was all for the man she loved!

The beauty of the world, only for one person!

"Xiaobei!"

Tears welled up in Liu xuanxin's eyes. She wanted to say something, but nothing came out.

"What?"

Chen Xiaobei's smile was as warm as the sun.

After a brief exchange of glances, Liu xuanxin chose to give up and said nothing.

She pounced on Chen, hugged him tightly, and kissed him.

It's hard to control one's emotions when they're deep, and a moment of spring night is worth a thousand gold ...(3000 words are omitted here)

After a few thousand gold, the important matter was finally settled.

Liu xuanxin snuggled into Chen Xiaobei's arms. She looked tired, but her eyes were filled with satisfaction.

It was as if they had returned to the night they first met.

Of course, that night was purely due to a freak combination of factors. This time, they were in love with each other!

The scene was the same, but the feeling was completely different! The fusion of the body and the soul was the most beautiful enjoyment!

.....

Bei Xuan faction.

all the core members gathered together, their faces solemn and worried.

Xiaobei has been in there for so long. Why hasn't he come out yet? " Six-eared macaque frowned and thought,'did I miss something? If I had known earlier, I would have followed him in!"

"Yup!"

Xiangyu and Zhao Yun were also very uneasy,"heart transplant surgery is extremely complicated, I'm afraid even Hua Tuo himself can't guarantee a 100% success rate!" Xiaobei might have run into a problem!"

"What should we do? If something happens to sister Liu, we will never be at ease!" Zi Yuan and Lin Dong witch's faces were pale, and they were extremely worried!

"Everyone, don't worry!" Jiang Ziya and old Wang said calmly, " Xiaobei and xuanxin are destined to be a super marriage. They'll definitely be able to turn any misfortune into a blessing!

"That may be true, but Xiao bei has been inside for a long time! If there's no problem, it definitely wouldn't have taken so long!" Luo puti said worriedly.

Behind him, LAN Mengcheng, Wenyuan, Murong Xiaoyao, and Lin Xiang all nodded in agreement.

"No way? Our idol bro bei is going to fail?" Nezha, Hong Hai 'er, and Lin Nan were also anxious.

"I'm sorry! We're too late!"

Just as everyone was worried, Chen Xiaobei held Liu xuanxin's hand and walked over.

"Why did you guys come out so late? Was the surgery successful? There's no problem, right?" Everyone asked.

Chen Xiaobei grinned and said, " "The surgery went very smoothly! We only took some time to take a shower and change our clothes, hehehe ..."

.....

At the same time, a terrifying explosion occurred in The White Tiger Capital city hundreds of millions of miles away!

The entire Palace was completely destroyed!

The entire White Tiger continent trembled!

[Red Envelope Group of the Three Realms](#)

Chapter 2494: Might Of The Heavens

Liu xuanxin's surgery was a success and everyone in bei Xuan faction was happy.

However, Chen Xiaobei had to personally go to The White Tiger continent because of an emergency.

Fortunately, Liu xuanxin was fine now. She only needed to rest for a while and wait for her bloodline to merge with the divine Phoenix's bloodline. Then, her physical condition would improve and she would be completely healed!

Because of that, Chen Xiaobei could leave with a peace of mind.

.....

White Tiger continent, White Tiger Capital city.

At this moment, the palace in the center of Yunwu city had been reduced to ruins.

When Chen Xiaobei arrived, the new white Tiger King and the elders of the beast God Elder Council were already waiting for him.

"Great elder! What's going on?" Chen Xiaobei frowned.

As the Supreme ruler of apocalypse Starfield, Chen Xiaobei had to find out the truth.

Your Majesty, " the first elder said in a deep voice, " the explosion was caused by your friend, Qin Yitian ...

Qin Yitian!? Chen Xiaobei fell into deep thought.

Previously, Qin Yitian had activated the mysterious power sealed in Heavenly Sword by chance and entered a special cultivation state!

In this state, Qin Yitian's cultivation speed became extremely fast, and she was protected by Heavenly Sword!

Whenever someone got close to Qin Yitian, Heavenly Sword would release a powerful sword Qi, which almost killed Chen Xiaobei!

That was why Chen Xiaobei had not moved Qin Yitian from her position after he brought her to The White Tiger Palace.

Ever since then, Qin Yitian had been in a special state of cultivation. No one in The White Tiger Palace dared to approach her!

Until today, a terrifying force had erupted from the place where Qin Yitian was cultivating, razing the entire Palace to the ground!

"Great elder ..."

what happened? " Chen Xiaobei asked, " why did Yitian suddenly release this power? "

no! the first elder shook his head. like the others, I didn't dare to step into Qin Yitian's Secret chamber. I don't know what happened ... After it happened, Qin Yitian flew away on her sword. I didn't have the chance to ask her!

"Then how strong do you think this power is?" Chen Xiaobei asked again,

it's a force that can destroy the entire Palace with one strike. I estimate that it's at least a seven-star earth-god, or even higher! the first elder squinted and estimated.

seven-star and above!? Chen Xiaobei was shocked, but he did not find it strange.

Chen Xiaobei had already guessed that Heavenly Sword was backed by an extremely powerful being!

According to Chen Xiaobei's speculation, this mysterious elite had left his primordial spirit mark in Heavenly Sword!

Under special circumstances, the seal on Heavenly Sword could be removed to protect Yitian's safety. At the same time, it could allow Qin Yitian to enter a unique cultivation state!

After Qin Yitian entered that special state of cultivation, her cultivation speed increased by leaps and bounds!

The first time Chen Xiaobei saw Qin Yitian, she was already in the five-fire spirit-refining stage. It had been a long time since he last saw her, so it was possible that she had become stronger!

In other words, the terrifying explosion today was definitely related to the mysterious expert behind Heavenly Sword!

Qin Yitian must have been summoned by the primordial spirit mark to find the mysterious man!

"By the way, how many people were killed or injured in the palace?" Chen Xiaobei asked.

Even though Qin Yitian was Chen Xiaobei's friend, if this incident caused the deaths of innocent people, Chen Xiaobei would not be able to accept it.

"No one died ..."

The great elder swallowed his saliva and said awkwardly, " it's really strange. Such a terrifying force flattened the palace and shook the entire continent, but no one was hurt!

how ... How is this possible?! Chen Xiaobei was in disbelief.

"This old man didn't dare to believe it either!"

The great elder frowned and said,"but, according to the palace maids and guards, that power is very special!" When it touched an object, it would be directly shattered! But when it comes into contact with life, it's like a cool breeze. Not only does it not cause any harm, but it also makes one feel comfortable!"

"This ..."

Chen Xiaobei could not figure it out, and his worldview was completely changed.

"There's such a magical power in this world? Only destroying items without harming lives? The world is so big, there's really nothing that can't be imagined!"

Chen Xiaobei sighed in relief.

Luckily, Qin Yitian did not cause any injuries or Chen Xiaobei would not have the face to face the people from The White Tiger continent.

although there are no casualties, rebuilding The White Tiger Palace still requires a huge amount of manpower, material, and financial resources ...

The great elder looked at Chen Xiaobei and said, " "Your Majesty, what do you think we should do about this?"

"Ha." of course! Chen Xiaobei laughed. a problem that can be solved with money is not a problem at all!

"Swish!"

After that, Chen Xiaobei rode on the somersault cloud and flew into the sky.

Seeing this, the members of the Council of Elders and the royal family on the ground were all dumbfounded.

"What is your Majesty doing? Shouldn't he be giving us some funds to rebuild the palace? why is he flying?"

"Your Majesty, you're not going to run, are you? After all, the wealth required to rebuild the palace is simply an astronomical figure. I'm afraid that even his Majesty can't afford it!"

"Nonsense! What kind of person was his Majesty! Even if he can't afford the spirit stones, he shouldn't have run away!"

sigh ... If your Majesty can't afford this, we can forget about rebuilding our Palace within eight to ten years ...

Everyone thought that Chen Xiaobei's financial resources were limited, and that he could not afford to rebuild the palace.

After all, this was only apocalypse Starfield's white Tiger continent. Most people were using low-grade spiritual stones. No matter how crazy they were, they could not imagine the wealth that Chu Chen Xiaobei had now!

To put it simply, poverty had limited their imagination!

"Whoosh ..."

With a wave of his hand, Chen Xiaobei took out ten million superior-grade spiritual stones!

At the same time, Chen Xiaobei held the Tiangong construction blueprint in his hand and crushed the spiritual stones in the air to activate the drawing's power!

"Hualalala ... Hualalala ..."

The next moment, a scene that the members of the Council of Elders and the royal family would never forget appeared!

The ruins reassembled and turned into all kinds of raw materials! The raw materials were reassembled into pavilions, halls, and halls!

In a short three minutes, The White Tiger Palace was completely rebuilt!

The members of the Council of Elders and the royal family were all dumbfounded, unable to believe their eyes!

"Alright! The palace has been rebuilt, so you guys can go do whatever you want!"

"I'm leaving too!" Chen Xiaobei smiled. I must build my beixuan Royal City before New Year's Eve!"

As soon as he said that, everyone was shocked!

Red Envelope Group of the Three Realms

Chapter 2495: Huge Axe City

Chen Xiaobei had already flown far away on the somersault cloud. The members of the royal family and the elders were all frozen in place, as if they were in a dream.

"Oh my God! Emperor Zhufeng had just given out at least ten million upper spiritual stones! That's a total of one quadrillion lower spiritual stones!"

"One quadrillion! This amount of wealth probably exceeded the total wealth of the entire White Tiger Capital city! It's too terrifying!"

"Didn't you guys notice? His Majesty didn't even blink when he handed out the spirit stones. This meant that His Majesty had more wealth! Furthermore, there are many more of them!"

"My God ... This is unbelievable! If His Majesty had a few hundred million upper spiritual stones, his wealth would exceed the total wealth of our entire continent!"

"Your Majesty! He's truly a God!"

Everyone was shocked by Chen Xiaobei!

However, they could never have imagined that Chen Xiaobei's wealth was far more than they had imagined!

.....

Meanwhile, Chen Xiaobei had already returned to bei Xuan faction.

Nine days later, it would be New Year's Eve!

Chen Xiaobei wanted to join the group to grab red packets and spend the holiday with his family and friends!

Because of that, Chen Xiaobei planned to find the ruins of the four element Royal City and build beixuan Royal City there to celebrate the new year!

So, after returning to bei Xuan faction, Chen Xiaobei brought Zhao Yun and six-eared macaque back to the earth-god Realm!

Zhao Yun was quite familiar with the earth-god Realm. After six-eared macaque transformed, not only did he have Hua Tuo's medical skills, but he also had Hua Tuo's cultivation. He would be of some help in the earth-god Realm.

As for Xiangyu and the others, they were still in God-Ascension cultivation. Not only would they not be of any help in the earth-god Realm, but they would also distract Chen Xiaobei. It was better for them to stay in bei Xuan and cultivate.

.....

Earth-god Realm.

Chen Xiaobei went straight to Baili tiantu.

This guy was a native of the earth immortal world. If they were looking for the four Xiang Royal City, they naturally had to bring him along.

Moreover, before Chen Xiaobei returned to bei Xuan faction, he had released Baili tiantu and Mo Xihe from the Meru space. He had also asked Baili tiantu to take care of mo Xihe, who had not fully recovered, and to make as many preparations as possible.

Now that they met again, Baili tiantu would naturally not come empty-handed.

"Master! I've already prepared all kinds of topographic maps of the vast mountains and seas of the southernmost region, and I've also looked up a lot of relevant information in the sect's Secret scroll vault!"

Baili tiantu said with confidence, " "Master has already determined the exact location of four Xiang Royal City from the crystal. We will definitely succeed this time!

"It's better to be more cautious!" what? " Chen Xiaobei frowned. I saw from the crystal that the four element Royal City is located deep in the mountains. Is there no danger in the mountains? "

this ... Baili tiantu's expression froze for a moment before he hurriedly nodded and said, " "Master's reminder is right! The vast mountains and seas are filled with demonic beasts, and the environment is harsh. It can be said that it's filled with danger, and it's not that easy to enter ..."

"It's not just the demonic beasts and the dangerous environment!"

the route map in the crystal is extremely complicated. I'm worried that we might enter a no man's land and run into unknown danger! Chen Xiaobei said.

"Yes, yes, yes ..."

Baili tiantu nodded. the earth-god Realm is extremely vast, especially at the edge of the four continents and the core of the four oceans. There are many no man's land. No one has ever really explored the earth-god Realm!

"Do you still have confidence now?" Chen Xiaobei retorted.

uh ... Baili tiantu swallowed his saliva and said awkwardly, " I was too proud ... Fortunately, master is calm enough to think of these problems in advance. We can prevent them in advance!

alright, stop flattering me. Let's set off immediately! Chen Xiaobei said.

"Alright!" Baili tiantu nodded and immediately led the way.

"Xiaobei, you seem to have missed out on another danger!" Six-eared macaque reminded.

"Shen Gongbao!"

"How could I have forgotten about him?" Chen Xiaobei said. However, this man is too dangerous. If I meet him, I will have to deal with him by myself. You all have to retreat. Thus, I don't want to mention him in front of you!"

"We're all brothers!" Zhao Yun said solemnly. How can I leave you behind and retreat?"

"Of course we're brothers!" "But that's why you have to listen to me!" Chen Xiaobei said. If you fall into Shen Gongbao's hands, I won't have a good end either!"

Zhao Yun and six-eared macaque both fell silent.

Their cultivation was too low, and they had too few trump cards. Once they fell into Shen Gongpao's hands, they would become hostages to threaten Chen Xiaobei. Not only would they not be able to help Chen Xiaobei, but they would also drag him down.

At this time, retreating was the best choice.

Soon after.

Under Baili tiantu's lead, everyone went to huge axe city, which was the closest to the vast mountains and seas, through the teleportation array!

The size of this main city could not be compared to big cities like green ash City and Putuo city. Moreover, the buildings here were rough and simple, and not as prosperous as green ash City and Putuo city!

However, this huge axe city belonged to the Titan race, and the entire race was made up of valiant Warriors!

They advocated martial strength and had strong troops. All the forces within a radius of 30000 li had to bow their heads and submit!

If there was anyone who was not convinced, they would fight until the other party was convinced, and they could definitely be considered overlords!

.....

After walking down the transmitting formation, Baili tiantu quickly said in a low voice, " master, let's speed up and leave the city from the South Gate. Don't stay in the city to avoid trouble!

"We're just passing by, what trouble can we cause?" Chen Xiaobei asked.

the Titan race is naturally irascible and unreasonable, " Baili tiantu said in a low voice. if you don't provoke them, they might come and heat you up!

"I don't cause trouble, but I'm not afraid of trouble!" Chen Xiaobei shrugged and said, " "Walk slowly! It's my first time entering the Titan race's main city, so I'm going to take a good look around!"

uh ... Baili tiantu stopped talking nonsense, but he was extremely nervous, afraid of getting into trouble.

Obviously, in Baili tiantu's eyes, the Titan race was a terrifying existence.

Chen Xiaobei, Zhao Yun, and six-eared macaque, on the other hand, did not seem to care at all. They strolled along the streets and admired the unique buildings of the Titans.

Everyone was walking to a huge black Palace when a huge black shadow suddenly flew out from the door.

"Bang!"

The black shadow landed heavily on the ground. It was a Titan Warrior.

He had blood in his mouth and bruises all over his body. It was obvious that he had been beaten up badly.

The main point was that his left leg had been chopped off. Although the wound had been bandaged, the fall had caused blood to flow out again.

"Eh? Who was this person? What a high cultivation!"

Chen Xiaobei was very curious.

[ding Qianqian's cultivation base: peak-stage of nascent soul realm. Combat strength ...]

Red Envelope Group of the Three Realms

Chapter 2496: Dog Taking Advantage Of Man's Power

[ding Yingluo's cultivation base: peak of nascent Soul Stage. Lifespan: [year 53981, physique: 10000, combat power: 300000, primordial spirit attack: Four-star earth-god level!]

it's really strange ... This person's cultivation has already caught up to second senior brother, but his physical body and combat power are so low!

Chen Xiaobei furrowed his brows and thought to himself, ""His physique is low, probably because he was seriously injured and his body is in a weak state! His combat strength is low, probably because his primordial spirit is injured!"

"Crack!"

At this moment, a middle-aged Titan man who looked like a butler walked out of the black Hall. He exerted a little force and broke a walking stick.

"Pa! Pa!"

The Butler threw the broken walking stick on the ground and scolded angrily, " "You cripple, you're not even as good as a dog, and you still have the face to come and claim your bounty? Do you think the sixth young master's residence is a charity center? Immediately crawl away! Otherwise, I'll break your other leg!"

"Cheap slave! I am Lockheed, the glorious hero of greataxe city! You dare to insult me!" The Titan Warrior on the ground opened his eyes wide in anger and exploded with anger.

"What? You trash, you dare to scold me!" The Butler was furious. He rushed over and stepped on Lockheed's face.

The Butler was only a one-star earth level deity. If Lockheed was not injured, he could have killed him ten thousand times with one finger.

Unfortunately, Dragons swimming in shallow waters were toyed with by shrimps, and tigers were bullied by dogs when they fell into the sun.

Lockheed was in no state to resist. His face was stepped on by the Butler and he could not break free.

"Trash! I dare you to curse me again!"

The Butler looked down at Lockheed as if he was an ant. His eyes were filled with disdain.

"Cheap slave!"

Lockheed was a tough man and cursed through gritted teeth, "I've fought for giant axe city and killed countless enemies! I've saved the city Lord's life in the vast mountains and seas! I'm a hero of glory that the people support ... Uh ..."

Lockheed was kicked hard before he finished his sentence.

"PAH!"

The Butler spat on Lockheed and said in disdain, "You're a complete waste now! Even a child can beat you up! Hero of glory? Are you even worthy?"

"Cough cough ..."

After being kicked, Lockheed coughed up a lot of blood.

After a while, Lockheed said in a deep voice, "You're right ... I'm no longer a hero ... But all the injuries I've suffered were all to help sixth young master find the dark steel mine!

"The sixth young master said that he would give me 10000 upper spiritual stones regardless of whether I found it or not! Is there anything wrong with me coming here to get the bounty?"

"Not only did you not give me the reward, but you also beat me up and humiliated me! I, Lockheed, will pay you back for this even if I have to risk my life!"

It was obvious that Lockheed was a man of integrity and pride. Even if he was a Tiger in the Sun, he would not bow down to a villain!

"Hmph! I'm not afraid to tell you! It was the sixth young master who asked me to chase you away!"

"If you want to take revenge on the sixth young master, I can kill you now!" The Butler said disdainfully. Bring your head to the city Lord's mansion to receive your reward! You should know that the sixth young master is the city Lord's most beloved son! I'm sure I'll get a lot of rewards!"

"If you want to kill, kill! If I frown, I'm not Lockheed!"

Lockheed's eyes narrowed as he said, "But remember! You can't kill me today, but I'll definitely come back for revenge in the future!"

"Heh, if I wanted to kill you, it would be easier than killing a chicken!" The Butler raised his hand and gathered his true essence. He said disdainfully, " "Die!"

"Pa!!!"

However, at this moment, there was a sudden explosion.

Chen Xiaobei quickly came up to the Butler and slapped him across the face.

Now that Chen Xiaobei was a two-star earth-god, it was a piece of cake for him to send a one-star earth-god flying.

"Pfft ..."

The Butler fell heavily to the ground. His head tilted to the side and he spat out blood and teeth.

After a long while, the Butler glared at Chen and shouted, " "Who are you? Why did you hit me?"

"I'm Chen Zhufeng!"

it's not like that! Chen Xiaobei said, " Lockheed is a loyal soldier. He was heavily injured because he worked for giant axe city! You dog, not only did you not treat him well, but you also took advantage of his power and bullied him again and again! I can't stand the sight of you, so I'm going to slap you!"

Lockheed could not help but look at Chen Xiaobei. He did not expect such a young human to save him when he was at his most miserable, saddest, and even abandoned by his people!

At the same time, Baili tiantu almost peed his pants. "Oh my God ... Master! Please don't cause any trouble! I still want to leave greataxe city alive!"

"Well played!"

Zhao Yun did not even bother to hide her praise for Chen Xiaobei. She even rubbed her hands together and said, " if Xiaobei didn't do anything, I would have definitely taught that dog a lesson!

"Satisfying!" Six-eared macaque laughed and said, "it's great to be with Xiaobei!" I've never felt aggrieved when I'm happy to settle grudges!"

Baili tiantu almost cried when he heard that. Other than Chen Xiaobei, Zhao Yun and six-eared macaque were not easy to deal with either! Don't even think about resolving today's matter peacefully!

"Numbed!"

The Butler caught his breath and roared in anger, " "Why are you, an outsider, meddling in our Affairs?"

the heavenly Dao punishes evil and promotes good. Although I can't punish all evil people, I have to do something about what I see in front of me! Chen Xiaobei's tone was calm, but it exuded an unquestionable dominance.

"Care? What right do you have to interfere?"

"This is greataxe city!" The Butler roared. I'm the sixth young master's confidant! If you hit me, you'll be hitting the sixth young master! If you can leave greataxe city alive, I'll ... I'll f * cking swim in the manure pit!"

Oh, then you'd better find a bigger cesspit. It'll be more fun to swim in that way! Chen Xiaobei grinned, his face full of mockery.

someone come ... Uh ... the Butler was about to shout, but he was kicked unconscious by Baili tiantu.

"Master!"

Baili tiantu said nervously, " "Let's go! There were many experts in greataxe city! There were probably millions of soldiers! Once we form a battle formation, we won't be able to escape!"

Zhao Yun and six-eared macaque's expressions turned serious. After all, the Titan race only respected martial strength and didn't talk reason. If they really fought, the consequences would be unimaginable.

"Young master! Hurry up and leave!"

you're all righteous heroes, " Lockheed advised. it's not worth risking your lives for a useless person like me!

"I don't have any deep enmity with greataxe city. Why would I risk my life?"

what about you? " Chen Xiaobei shrugged. if I can cure you, would you be willing to follow me? "

[Red Envelope Group of the Three Realms](#)

Chapter 2497: Change To A Pair Of Tiger Legs

Clearly, Lockheed was proud and had the strength and ability!

His backbone and pride had determined that he was a loyal man. Once he followed Chen Xiaobei, he would never betray him.

His strength and ability had determined that he was a very useful person. If he followed Chen Xiaobei, he would definitely bring Chen many benefits.

That was why Chen Xiaobei wanted to take this Titan Warrior under his wing before they entered the vast mountains and seas!

I'm already a cripple. I've been abandoned by the entire race ... Young master is a righteous hero. Bringing me along is like bringing a burden. I can't drag young master down ... Lockheed shook his head and refused.

"You didn't hear me clearly!"

I can cure you! Chen Xiaobei said. I can help you return to your peak condition!

how ... How is this possible?!

Lockheed's face was full of surprise and disbelief. my left leg was bitten off by the soul devouring Tiger, and my primordial spirit was also injured by its primordial spirit attack. It's impossible for my severed limb to regrow, and my primordial spirit can't recover ... Young master can't cure me at all!

"I'll tell you the truth!" I can't heal your primordial spirit, " Chen Xiaobei said. but I can heal your broken leg. I can let you stand up again and return to your peak physical condition!

"Is ... Is this true?" Lockheed was stunned and excited.

"Of course it's true!" "As long as you trust me, I won't let you down!" Chen said confidently.

"Good! I believe in young master! Young master, you just saved my life. There's no need for you to lie to a cripple like me!"

Lockheed said in a serious tone, " I swear in the name of the Titan ancestral God that I am willing to follow young master for the rest of my life. If I have any second thoughts, may I be struck by lightning and die a horrible death!

"Good! Very good!"

Chen Xiaobei nodded and immediately took out three to five spiritual medicines. He fed some to Lockheed and used the rest to stop the bleeding.

In just half a minute, Lockheed's face revealed a surprised expression. "Young master! Your medical skills are simply too brilliant! In such a short time, the pain from my wound has been greatly reduced, and the bleeding has stopped! It's simply too magical!"

"This is just a basic operation, there's no need to make a fuss." Chen Xiaobei shrugged.

Lockheed was stunned. such magical medical skills are just your ... Basic ... Operations? " How amazing would such a high-end operation be?"

"You'll see it soon!" Chen Xiaobei smiled.

After that, Chen Xiaobei kept Lockheed, Baili tiantu, six-eared macaque, and Zhao Yun into the Meru dimension.

Summoning the somersault cloud, Chen Xiaobei shot up into the sky and flew towards the vast mountains and seas in the South.

.....

After some time, the Butler woke up and ran back to the manor with a face full of anger.

"What? Someone actually dared to hit my most trusted Butler at the entrance of my Manor? You don't even put me, nayos, in your eyes!"

On the main seat in the main hall, an arrogant Titan youth glared at him and shouted, " "If I don't take revenge, where will my face be? Not only my five brothers, I'm afraid everyone here will treat me as a joke!"

"Well said!"

The Butler pointed at his swollen face and fanned the flames. "Although that little bastard hit my face, as the saying goes, you have to look at the owner before you hit the dog! He was provoking the sixth young master! This is a blatant provocation!"

"Numbing! I, Neos, am father's most beloved son! No one has ever dared to be so disrespectful to me!"

Neos slammed the table and stood up. pass on my order. Search the entire city for that little bastard and his accomplices. Kill them on sight!

no need to search ... the Butler said, " a maidservant in the manor saw him flying south. If I'm not mistaken, he should be heading for the vast mountains and seas!

"He went into the mountain?"

Neos narrowed his eyes. Lockheed couldn't have taken that kid to the dark steel mine, " he thought. could it be? "

"That's right!" The Butler was afraid that the world would not be in chaos. dark steel ore is an important raw material for our great axe city's weapons and armor. The current mine vein is almost exhausted. We can't let the new mine vein fall into the hands of outsiders!

"Well said!"

Neos's eyes narrowed and he stood up. "I'll go gather three thousand berserk rhinoceros Warriors right now, and enter the mountain to kill that little bastard and his companions!"

"It's a great achievement to kill a thief. I wish you success, sixth young master!" The Butler said with a smile. When sixth young master returns, the city Lord will definitely reward you handsomely!"

"You have to come with me!" Neos said.

"Ah?" When the Butler heard this, his face was filled with fear. He swallowed his saliva and said, " "My cultivation is low, I won't be of much use even if I go ..."

"Cut the crap!" if you don't go, " Neos said impatiently, " how am I supposed to know what that little bastard looks like? "

Yes, sir ... the Butler was very afraid, but he had to agree.

.....

The vast mountains and seas.

The mountains were vast and uncountable, spanning billions of li. Legend had it that the area of the mountains was almost the same as the South Sea, so it was called the vast mountain sea!

To find the four element Royal City from 30 million years ago in the mountains was like looking for a needle in a haystack.

However, Chen Xiaobei was not in a hurry. He planned to heal Lockheed first before he accelerated.

In a safe area in the mountain, Chen Xiaobei let everyone out of the Meru space.

Lockheed, listen carefully. My method of treating you is a little special. I need your consent before I can proceed!

Chen Xiaobei said in a serious tone.

I'm already a cripple with a rotten life. I'm not afraid of death. Young master, I'm willing to do whatever you want to treat me! Lockheed said.

"Listen to me first! I forgot!"

"I'm planning to get you two new legs!" Furthermore, it might not be a Titan's leg!"

"What? Change legs?" Lockheed's face was filled with shock. He could not believe his ears.

"Master, you must be joking, right?"

Baili tiantu was also dumbfounded. He said awkwardly, " it's fine if I change my legs, but if I don't change my Titan legs, how am I going to support Lockheed's huge body? "

Lockheed was a Titan and an extremely talented warrior. He was four meters tall and as strong as a small mountain.

If he had two human legs, he might as well have a walking stick!

"The Titan race's legs are of course the best, but the heavenly Dao punishes evil and promotes good. There is a limit to the karma! I can't cut off someone's leg just to save my own people!"

"So, I'm planning to get Lockheed a pair of Tiger legs!" That soul-devouring Tiger bit off Lockheed's left leg. It's time for it to pay for what it did!"

Red Envelope Group of the Three Realms

Chapter 2498: God-Tier Ambush

"What? This ... How is this possible?"

Lockheed and Baili tiantu were even more confused. They could not figure out what Chen Xiaobei was going to do.

Zhao Yun and six-eared macaque, on the other hand, were smiling. They were confident in Chen Xiaobei.

"Young master! You've gone too far with this joke!"

a Tiger is a Tiger, and a man is a man, " Lockheed said resentfully. how can the legs of the two be exchanged? I've never seen or heard of such a thing!"

"This is normal!"

"Orcs are half-human and half-beast, right?" Chen Xiaobei said. I have a secret technique that can combine a human and a beast! As long as you trust me, it's fine!"

"I will definitely believe in young master!"

Lockheed's brows furrowed. but the problem is that the soul-devouring Tiger is extremely powerful. It's already in the mid-nascent Soul Stage. The main point is that its primordial spirit attacks are specialized in hurting one's primordial spirit! It was because I wasn't paying attention that I was ambushed by it and my primordial spirit was heavily injured, resulting in my current state!"

It was obvious that the soul-devouring Tiger was very powerful.

Although it was a sneak attack, to be able to defeat Lockheed, who was at the peak of the nascent Soul Stage, it could be considered a battle of a lower realm!

"You don't have to worry at all!"

" hehe ... sister Yun and six-eared macaque both laughed. a mere soul-devouring Tiger is no different from a little kitten in front of little north!

how ... How is this possible?! Lockheed gasped and could not believe his ears.

After all, Chen Xiaobei and his group were all very young and did not look like they were powerful.

Lockheed could not imagine where they got the confidence to treat the soul-devouring Tiger like a kitten.

"Hurry up and lead the way, my master is very powerful!" This time, even Baili tiantu was full of confidence and not worried at all.

O ... Okay ... Lockheed gulped. He sat on the Flying Ship and led the group to the soul-devouring Tiger.

.....

After a while, they arrived at a quiet forest.

In the forest earlier, there were more or less bird and beast activities, and the chirping of birds and insects never stopped.

However, not even a bird could be found in the forest in front of him. It was so quiet that even a pin drop could be heard.

There was no doubt that there was an absolute Overlord in this forest, so much so that ordinary birds and beasts would definitely not dare to take half a step into this place!

"Young master! This is the place!"

Lockheed lowered his voice and said, " "The last time, I was ambushed while passing through this forest! At this moment, this place is still terrifyingly quiet. Therefore, I can conclude that the soul-devouring Tiger is still in the forest!"

"It's good that you're here!" I'll go and lure it out now! Chen Xiaobei shrugged.

"Young master!"

"You must be careful!" Lockheed quickly said. This soul-devouring Tiger was extremely sinister and specialized in ambushing from behind! Furthermore, it's extremely good at hiding. Even the most experienced Hunter would find it difficult to discover it!"

"Huh, hiding?" it's fine! Chen Xiaobei laughed. I'll admit defeat if it can hide from my golden gaze fiery eyes!

"Fire Eyes? The golden eyes?" Lockheed and Baili tiantu were dumbfounded. They did not understand what Chen Xiaobei meant.

Zhao Yun and six-eared macaque looked at each other and smiled. It was as if the outcome had already been decided. They were not worried at all.

At the same time, Chen Xiaobei had already entered the forest.

Chen Xiaobei activated his golden gaze fiery eyes and scanned the surrounding trees as he walked. He was not worried at all!

"What?"

Soon, Chen Xiaobei spotted a dark shadow behind a dense bush in the distance!

It was a Black Tiger about ten meters long!

His eyes were blue and he was giving off a sinister and fierce pressure!

That's right! This was the soul-devouring Tiger that had injured Lockheed!

The soul-devouring Tiger was crouching on the ground, its blue eyes locked on Chen Xiaobei. The muscles in its limbs were tensed up, as if it was going to pounce on him at any moment!

Just as Lockheed had said, the soul-devouring Tiger was very sinister. It did not like to attack from the front and preferred to attack from the back.

So, the soul-devouring Tiger had been lying on the ground, waiting for Chen Xiaobei to approach it.

Chen Xiaobei did not say anything, but he was laughing inside. "You like sneak attacks? I'll give him a taste of his own medicine!"

Chen Xiaobei walked forward slowly, pretending that he had not noticed the soul-devouring Tiger.

The soul devouring Tiger was indeed an expert in sneak attacks. It was very calm and stood on the spot, not moving at all. It even held its breath!

Unfortunately, even if it had a hundred million brains, it would never have thought that Chen Xiaobei had already seen through its disguise!

"Ling jiuxiao!"

Without any warning! When Chen Xiaobei was only ten meters away from the Tiger, he activated the witch Dragon's nine transformation!

"Swish!"

In a flash, Chen Xiaobei appeared in front of the soul-devouring Tiger!

huh??? "

The soul-devouring Tiger was shocked. It had planned to wait for Chen Xiaobei to get close before making a move, but Chen Xiaobei had suddenly appeared in front of it!

In that split second, the soul devouring Tiger had no time to react!

But Chen Xiaobei had already prepared a way to win!

"Yinian! Heaven-severing!"

Chen Xiaobei's heart did not waver, and his hands did not move. He only said four words!

Words of law!

A black and white spiritual light shot out from Chen Xiaobei's forehead, like a knife and arrow, and went straight for the soul-devouring Tiger's head!

"What?"

The soul devouring Tiger was taken aback. Due to the close distance, even with its high cultivation, it was unable to Dodge in time and was hit by the mysterious spiritual light!

"Uh! Pfft ..."

Before it could figure out what had happened, the soul-devouring Tiger suddenly spat out a mouthful of blood. Its primordial spirit was instantly severely injured!

Immediately after, the soul-devouring Tiger's vital essence collapsed rapidly, as if it had been forcibly cut off. It was no longer under the control of the primordial spirit and could no longer circulate!

At the same time, it was accompanied by a dizzy feeling, as if his brain was about to short-circuit!

"Swish!"

At this moment, the soul-devouring Tiger suddenly felt a chill in its throat, as if an ice-cold blade had brushed past it.

"Pfft ..."

In the next moment, the soul-devouring Tiger's huge head fell to the ground. Blood gushed out like a fountain, dyeing the ground red.

The irony was that the soul-devouring Tiger, who was best at sneak attacks, had no idea how its head had been chopped off!

It was only when the soul-devouring Tiger's nascent soul emerged from the corpse that it saw Chen Xiaobei standing proudly in front of it with the spiritual bursting flames sword in his hand!

Without the protection of the body, the soul-devouring Tiger's nascent soul was extremely weak. It could not see through Chen Xiaobei's strength, so it turned around and ran away without any will to fight!

Chen Xiaobei had no way to deal with a nascent soul, so he let it escape.

fortunately, the soul devouring Tiger's body below its head was completely preserved!

"I'll be able to get Lockheed to stand up in a few minutes!" Become a warrior that combines a Titan and a beast!"

[Red Envelope Group of the Three Realms](#)

Chapter 2499: Enemy Ambush

"It disappeared! Why did the young master suddenly disappear?"

Lockheed was dumbfounded and became nervous. young master was still here just now. How did he disappear in the blink of an eye? "

could ... Could they have been captured by the soul-devouring Tiger? "

Baili tiantu swallowed his saliva and said, " that's impossible ... No matter how fast the soul-devouring Tiger is, there should be an extreme shadow. How could it have captured master out of thin air? "

Hearing this, Zhao Yun and six-eared macaque laughed without saying anything.

"Swish!"

In the next moment, a sword ray directly cut open the dense bushes.

Chen Xiaobei stood where he was while the soul-devouring Tiger was beheaded.

The result of the battle was clear at a glance!

Oh my God ... Young master, he ... He actually killed the soul-devouring Tiger!? Lockheed took a deep breath and could not believe his eyes.

"I ... I'm not dreaming, am I?" Baili tiantu swallowed his saliva and said with a red face, " "I've really underestimated master!"

"What are you doing there? All of you, come over!"

let's go! Chen Xiaobei shouted, and everyone quickly gathered around.

Lockheed, you must be mentally prepared!

Chen Xiaobei pointed at the soul-devouring Tiger's body and said, " in order to ensure that the length of your legs is the same and the balance and coordination of your movements, I have to cut off your right leg and replace it with the legs of the soul-devouring Tiger, along with your left leg!

Lockheed fell into deep thought. He found it hard to accept such an unbelievable thing.

I know! Chen Xiaobei continued, " these two Tiger legs might not look good, but the physical talent of the beast race is far better than that of the human race! If you change to these two Tiger legs, they can greatly increase your speed. Their sharp claws also have the ability to attack, and they are very practical!"

"I've thought it through! Change!"

Lockheed said in a deep voice, "I like the appearance of Tiger legs. They are domineering!" Besides, we Titan race value force. As long as I can become stronger, I'm willing to pay any price! If the Tiger leg can really be used by me, I'll be more than happy to do so!"

"Good! Then come with me!" Chen Xiaobei nodded and entered the verdant Emperor's divine gourd with Lockheed and the soul-devouring Tiger's bodies.

Obviously, Chen Xiaobei had learned all of Hua Tuo's medical skills, especially his surgical skills, which had been greatly improved!

It would not be difficult to give Lockheed a pair of Tiger legs!

However, the surgery would take a lot of time.

Entering the verdant Emperor's divine gourd and using the sunlight cache could save as much time as possible.

.....

Without a doubt, the surgery went very smoothly.

Chen Xiaobei had successfully helped Lockheed change into a pair of Tiger legs.

He took out a newly-made Wuji blood-clotting pill and fed it to Lockheed. The serious injuries on his legs and body recovered at an extremely fast speed.

Chen Xiaobei had made a total of 18 Wuji blood-clotting pills.

Liu xuanxin ate one when she had the heart transplant, and Lockheed ate another.

Chen Xiaobei still had 16 pills left. These were his trump cards. If he had the chance, he would make more.

"Done!"

After the surgery, Chen Xiaobei exited the sunlight cache's special ability area.

He let Lockheed lie in it to recover and adapt.

there aren't many strange little bugs left ...

Chen Xiaobei frowned and looked at the sunlight cache.

For a long time, the sunlight cache had been spinning non-stop. What it was consuming was the life span of the tens of thousands of little strange insects on the bloodspring planet.

At this moment, there weren't many little strange insects with sufficient lifespan left, and the sunlight cache was about to stop operating.

Inside the sunlight box, the blood Kirin's blood essence didn't change.

"It looks like capturing enemies to activate the sunlight cache isn't enough for the blood Kirin's blood essence to take root! Only by upgrading the sunlight cache can we quickly grow the blood Bodhi tree!"

let's go! Chen Xiaobei said, "I'll find a chance to release these little weird bugs. After that, I need to find the other two divine items to upgrade the sunlight cache!"

Back then, these little strange insects had wanted to kill Chen Xiaobei. Even if Chen Xiaobei were to kill them, it would be perfectly justified!

However, there were too many of them, and Chen Xiaobei did not want to kill them.

That was why he made them consume their lives to atone for their sins.

By now, the tens of thousands of little strange insects only had a few decades left to live. Chen Xiaobei was doing them a favor by letting them go.

As for the two divine items to upgrade the sunlight cache, Chen Xiaobei did not have any clues yet. After the new year, he would return to Tianji city and find some clues in the secret scroll vault that Baili tiantu had mentioned.

"It's almost time!"

Chen Xiaobei returned to the sunlight cache and helped Lockheed remove the numbing needles.

A minute or two in the outside world was equivalent to a day or two in the sunlight cache.

With the help of the limitless blood-clotting pill, Lockheed's injuries had completely healed. His physical strength had returned to normal.

"Mm ..."

Lockheed woke up and was stunned when he saw his legs. He rubbed his eyes and looked carefully. They had become a pair of Tiger legs with shiny black fur!

"Try standing up! Let's see if there's any place that's comfortable!" Chen Xiaobei said.

"Alright ... I'll try ..."

Rockhid composed himself and stood up.

The pair of Tiger legs seemed to be his original legs. They were very obedient and very flexible.

Lockheed moved his joints and said in surprise, " there's no discomfort at all. It's just that my feet have sharp claws like knives. I might need to get used to them!

well, when you get used to it, sharp claws will be the weapon to kill your enemies! Chen Xiaobei said.

"Lockheed thanks the young master!"

Lockheed knelt down and kowtowed to Chen Xiaobei. "Young master, you saved my life and treated my injuries. You're like my second parent! I, Lockheed, will be loyal to young master and risk my life to repay your great kindness!"

"Get up!"

Chen Xiaobei helped Lockheed up and said, " "You don't have to be so polite in the future! You're a tough guy, I trust you!"

"Many thanks, young master!" Rockhid stood up. He was very proud of Chen Xiaobei's trust. He had made up his mind to be loyal to Chen Xiaobei.

"Let's go, we should go out!" Chen Xiaobei then brought Lockheed back to the real world.

.....

"BOOM! BOOM! Boom ..."

The moment they came out, Chen Xiaobei and Lockheed heard a loud explosion.

There were at least 1000 Titan Warriors in front of them. They had formed a battle formation and were attacking wildly.

Red Envelope Group of the Three Realms

Chapter 2500: Abandoned

They saw more than 1000 Titan Warriors in heavy armor, holding battle axes, and riding strong rhinoceros!

The Rhinos were also wearing armor made of dark steel. From afar, they looked like large armored vehicles that could crush all obstacles!

At this moment, these 1000 soldiers had formed a battle formation. Gathering everyone's strength, they transformed into a 500-meter-long giant battle axe!

"BOOM! BOOM! Boom ..."

The battle-axe hacked down again and again, and a terrifying five-star earth-god strength burst out!

"The White Dragon barrier!"

with a furious roar, Zhao Yun's body suddenly surged with a majestic white Dragon.

The White Dragon coiled around the giant axe and blocked the attack.

it was clear that this White Dragon was not Zhao Yun's own strength, but the might of the silver-white armor he was wearing!

Fortunately, the armor had also reached the level of a five-star earth-god, so it could still block the enemy's attack.

However, more and more enemies were gathering from all directions and joining the battle formation. The power of the battle formation was increasing bit by bit!

it probably wouldn't be long before Zhao Yun could no longer hold on!

"Xiaobei! You're finally out! Hurry up and help Zhao Yun!"

When six-eared macaque saw Chen Xiaobei, he heaved a sigh of relief.

It was obvious that six-eared macaque and Baili tiantu's cultivation levels were too low. They were unable to fight and could only rely on Zhao Yun to hold the front.

"What's going on? Who was the other party? Why are you attacking us?" Chen Xiaobei asked.

we don't know ... Baili tiantu was confused.

those are the berserk rhinoceros Warriors from greataxe city!

Lockheed said in a deep voice, "if I'm not mistaken, this should be the revenge of the sixth son of greataxe city, Neos!" He's here to catch us!"

this Neos is so petty! I only beat up his slave and he sent so many people to take revenge? " Chen Xiaobei said.

Neos is an arrogant and self-righteous man, " Lockheed said. he can't tolerate disrespect from others. You hit his men. He won't let you off!

"Heh, since that's the case, I'll beat him up as well!" Chen Xiaobei smiled and walked out.

"Young master, don't go over!"

that's right! Lockheed shouted nervously. that battle formation is very powerful! If you're not strong enough, you'll be in danger!"

"Isn't it just a five-star earth-god level? It's a piece of cake!" Chen Xiaobei smiled and did not stop walking.

"Boom boom boom ..."

At this moment, a newly condensed battle-axe slashed down from the sky.

"White Dragon ..."

Zhao Yun was just about to use her strength to block when someone patted her shoulder.

"Brother, leave this to me!"

Chen Xiaobei took a step forward and faced the hatchet.

"Xiaobei! Be careful! The power of that battle formation was extremely terrifying! And it's still getting stronger and stronger. It's already close to the strength of a mid-stage five-star earth-god!"

Zhao Yun knew how powerful that battle formation was and quickly warned him.

"Can the young master do it? The berserk rhinoceros Warriors were one of the most elite squadrons in great axe city! How is young master going to resist it?" Lockheed's brows furrowed in worry.

"What is master doing? Hurry up and use your trump card! If we don't use magic treasures, we can't block the power of that battle formation!" Baili tiantu's heart was also clenched and he was extremely anxious.

Everyone was worried, but the six-eared macaque just smiled. It was as if he could already see the end of the battle.

what mad rhinoceros Warriors? they're just a bunch of chickens and dogs!

Chen Xiaobei's eyes suddenly turned purple-gold.

"Woof! Whoosh!"

The next moment, two six-star earth-god purple-gold fire dragons shot out of Chen Xiaobei's eyes and crashed into the giant battle axe!

"BOOM!"

A loud explosion was heard. It was crisp and clear.

One of the purple-gold fire dragons easily crushed the giant battle-ax, while the other purple-gold fire Dragon charged directly at the 1000-man battle formation!

"Boom boom boom ..."

The purple-gold fire Dragon was extremely fast and powerful. With one blow, it destroyed the battle formation.

However, Chen Xiaobei did not kill them. After breaking the formation, he only controlled the purple-gold fire Dragon to hover above their heads and did not crush them!

"Ah ... Ugh! Ah ... Hot! It's scalding ..."

Then, the crowd burst out in screams one after another. The purple-gold fire Dragon was like the scorching sun, but its temperature was higher than the scorching sun!

The heavy armors of the berserk rhinoceros Warriors were all made of dark steel, which conducted heat extremely quickly.

It was so hot that they felt like they were being roasted on a griddle.

"Wu ... Wuwu! Wuwu ..."

At the same time, the thousand or so berserk rhinoceroses were also unable to endure the heat and became restless.

Clang! Clang! Clang! Clang!

Soon, some people couldn't take it anymore. They took off their heavy armor and threw it on the ground.

Even the battle axes in their hands were so hot that they couldn't hold them at all. They were also thrown away.

At the same time, in order to be as restless as a berserk rhinoceros, they had no choice but to remove the armor on the bull and throw it aside.

Just like that, the thousand or so berserk rhinoceros Warriors, who were still threatening a second ago, were now completely defeated by Chen Xiaobei.

Luckily, Chen Xiaobei did not want to kill too many of them. Otherwise, the purple-gold fire Dragon would have crushed all of them into ashes!

"Oh my God! Why was the young master's eyes able to spew out strange fire? And it was a question of a six-star earth-god! He's so, so, so, so powerful!" Lockheed was dumbfounded.

"Mother of God!"

Baili tiantu sucked in a breath of cold air, and his three views were refreshed a hundred times. "How many secrets does master have? This purple-gold heavenly flame is comparable to a six-star earth-god instrument!"

"Xiaobei is so strong ..."

Sister Yun could not help but sigh. Her heart was filled with envy and yearning. "How good would it be if I could obtain such power ..."

Six-eared macaque picked his ears and said, "Xiaobei! Why did you show mercy? Quickly annihilate them so that we can hurry on our journey!"

"The main character hasn't come yet! What's the hurry?" Chen Xiaobei smiled. He had no intention of killing everyone.

Obviously, the cause of this incident was Neos. If he didn't deal with this guy, trouble would surely come.

So, Chen Xiaobei decided to be patient and wait for Neos to come.

spare us ... Please spare us, young master ... If this continues, we'll all become roasted pigs ...

However, Neos was still nowhere to be seen. The Mad rhinoceros Warriors could no longer stand the heat. They knelt on the ground and begged for Chen Xiaobei's forgiveness.

"Young master! Neos might have already escaped!"

that guy is very cunning, " Lockheed said. he must have seen your power from a distance and fled back to the city to get help!

"Isn't he very pretentious? Why did he run away without even daring to fight? What a killjoy!"

Chen Xiaobei shrugged and looked at the 1000 or so berserk rhinoceros Warriors. "Since Neos doesn't want you anymore, you're mine from now on!"

Everyone was shocked by his words!
