Red Envelope Group of the Three Realms

Chapter 2511: Too Naive

"What? It's not difficult?"

As soon as he said that, the 12 Wizards around him couldn't help but shout.

"Young master Chen! You're underestimating the level of our witch race bloodline! 90 million people of the nine Li tribes only had nine Grand shamans! Their bloodline was one in a million! You actually said it's not difficult? You're too arrogant!"

"Isn't it? The level of our sorcerer tribe's bloodline directly determines a person's achievements in life! Although we Magi are only one rank below Grand shaman, we will never be able to surpass Grand shaman in our lifetime! You actually said it's not difficult? This is a slap to our faces!"

"Young master Chen! One can't be too high-profile, it's easy to be slapped in the face if you're full of words! If you say it's not difficult now, wouldn't you be slapping your own face if the poor person's bloodline is found later?"

It was obvious that no one was optimistic about Chen Xiaobei's bloodline.

After all, Chen Xiaobei was a human. His bloodline was not pure, and an impure bloodline would not be of a high level.

Even sky poison Supreme witch was silent. He too did not think that Chen Xiaobei's bloodline level was that high.

However, Chen Xiaobei did not intend to take back what he had just said. Instead, he added, "

"To be honest, I've been keeping a low profile enough!"

if I didn't treat you guys as my friends, I would have told you that the range of the Witch King's spiritual aura is not difficult to reach! Chen Xiaobei laughed.

what???"

As soon as he said that, the entire place exploded.

"Young master Chen! Don't you use your brain before you brag? Even though you're our friend, we won't believe you even if you beat us to death!"

"We're not the only ones who don't believe it. Even a three-year-old child wouldn't believe it! This is simply bragging without a draft!"

"In the past 30 million years, no one has ever been able to reach the range of the Magus King's spiritual light! Even the purest and most talented geniuses of the Sorcerer tribe could not do it! Besides, you're just a human-witch hybrid! Their bloodline is not pure!"

It was obvious that the twelve Magi were a little angry.

The range of the Grand shaman's spiritual light was a height that these Magi would never be able to reach in their lifetime.

The range of a Magus King's spiritual light was something that even Grand shaman could not match.

However, Chen Xiaobei did not even care about the range of the Witch King's spiritual light. To put it bluntly, this was a slap to the face of the entire Jiuli division!

It wasn't just the twelve Magi, even the most composed sky poison great shaman was frowning slightly, and was faintly unhappy.

At a distance.

Baili tiantu also frowned and said, " "Master is causing trouble! You're not giving Jiuli any face!"

"I did exaggerate a little ..."

Lockheed nodded. young master, you're making it sound so big. If the test results show that you're a commoner, those Wizards will definitely sneer at you! he said.

Zhao Yun was relatively calm. She asked in a deep voice, " Liu er, you know Xiao bei best. Do you think he's bragging? "

"Bragging?"

Six-eared macaque laughed,"you guys are too naive!" Little North's bloodline was at least at the level of a witch God! A mere Magus King compared to little north is like a grain of rice compared to the sun and moon. There's a difference of 108000 levels!"

"This ..."

As soon as he said that, Zhao Yun, Baili tiantu, and Lockheed were instantly dumbfounded. They could not believe their ears.

"You don't believe me?" Six-eared macaque laughed,"let's wait and see!" The truth will prove everything!"

At the same time.

Chen Xiaobei was already in front of the ancient tower. He placed his hand on the ancient tower, waiting for the change to happen.

"Chi ..."

Soon, with a mysterious spiritual fluctuation, the Black Tower lit up with spiritual light like stars.

However, they were just speckles of light. Furthermore, they were flickering and not very strong.

Seeing this scene, the twelve Wizards burst out in mockery.

"We'll see! As expected, he was of commoner blood! Even if he worked hard for his entire life, he would never become a wizard apprentice! You actually dare to say that the range of a Magus King's spiritual light isn't difficult to reach? you're simply slapping your own face!"

"Hahaha, this is too ironic! He didn't care about the range of the shaman King's aura, but in the end, he was only of commoner blood. How laughable! What a joke!"

"Alright! Everyone, go back to your own homes, wash up, and go to bed! It's impossible for a person with a commoner's bloodline to become a Magus King!"

The twelve warlocks were already very angry just now. Now, they were deliberately venting their anger. Their voices were especially loud, and it was clear that they wanted to slap Chen Xiaobei in the face.

"Young master Chen ..."

Sky poison great shaman, on the other hand, maintained his demeanor and said politely, "The level of your bloodline is too low, the plan to invite the other Grand Magi can only be nullified! Not to mention that some people won't give this old man face, even the few Grand Magi who are on good terms with this old man would definitely not come!"

Chen Xiaobei was not moved at all. In fact, he even felt like laughing.

At a distance.

Baili tiantu immediately cried and said, " "It's over ... Master was indeed bragging! If that's the case, all our plans will be ruined ..."

"Sigh, there's no helping it ..."

Lockheed sighed, "young master's bloodline level is too low. Even the most ordinary wizard apprentices won't be convinced, let alone the nine Grand Wizards." It's impossible for young master to become the nine Li Magus King. It's impossible in this lifetime!"

"Six-eared!" Sister Yun frowned and said, "didn't you say that Xiao bei wasn't bragging? Why is this the result?"

"This ..."

Six-eared macaque was taken aback. logically speaking, Xiao bei's bloodline should be at the level of a witch God. I don't know why the light from the tower is so dim ... Could it be that Xiao bei's bloodline is not pure? "

whoosh ... Whoosh ... Whoosh ...

Before six-eared macaque could finish his sentence, the nine Li ancient tower suddenly released waves of spiritual energy.

The waves behind pushed forward, and each wave was stronger than the previous! Each wave was higher than the last!

It was as if it was accumulating energy. When the spiritual fluctuations became stronger like the waves, it reached its peak and the terrifying explosion could no longer be suppressed!

"BOOM!"

There was a loud explosion, and the sound wave was accompanied by a strong wind that pressed in all directions.

Nearby, sky poison great shaman and the twelve Magi's eardrums buzzed from the deafening sound, and they found it difficult to stand still from the impact of the strong wind!

They were all five-star earth-god level experts!

One could only imagine how terrifying the loud sound and strong wind were!

In the distance, Baili tiantu was knocked to the ground by the strong wind. He rolled and crawled, looking extremely embarrassed!

six-eared macaque and Lockheed were hiding behind Zhao Yun. By relying on the armor on Zhao Yun's body, they were barely able to withstand the impact of the wind.

However, in the next moment, a super phenomenon that was countless times more terrifying than this loud sound and strong wind erupted!

The ancient Pagoda was as bright as the sun! Spiritual light illuminated 300 million li!

[Red Envelope Group of the Three Realms](#)

Chapter 2512: Shocking The Heavens With A Single Cry

An extremely intense spiritual light burst out from the Jiuli ancient tower.

The blinding light was even more blinding than the scorching sun.

After the banquet, it was night time. However, it was forcibly illuminated by this spiritual light as if it was daytime. No, this spiritual light was even more brilliant than daytime! It was even more sacred!

With the Jiuli ancient tower as the center, every corner within a radius of 300 million li was illuminated by this brilliant and Holy spiritual light!

In the vast mountains and seas, countless birds and beasts were awakened by the spiritual light. They were shocked, fearful, and restless!

Within the nine tribes, from the Grand shaman to the commoners, everyone rushed out of their tents and knelt down piously in worship towards the nine Li ancient Pagoda!

Without a doubt!

This earth-shaking phenomenon was of great significance to every member of the nine Li tribes and even the Sorcerer tribe in the Three Realms!

This meant that a Supreme Magus-level bloodline that had been extinct since the ancient times had appeared in the Wu tribe!

With this level of bloodline, one would have the chance to reach the level of a wizard God!

The ancient sorcerer tribe had been extremely powerful, but they had fallen because of the immeasurable cultivation tribulation. For billions of years, they had not produced a single Supreme sorcerer!

Today, if a sorcerer God was born, he would be able to command the Sorcerer tribe in the Three Realms to rise again and even complete the great revival!

Because of this, every sorcerer tribe citizen looked at the spiritual light of the nine Li ancient tower as if they had seen infinite hope! And a bright future!

"Plop ... Plop ... Plop ..."

At the same time, the sky poison dark shaman and the twelve Magi present all knelt down one after another, worshipping the young man who had caused the nine Li ancient tower to shine for three hundred million miles.

"Why are you all kneeling? This isn't a big deal!"

Chen Xiaobei pulled his hand back, looking nonchalant.

In the eyes of others, this scene was simply shocking to the extreme. It even symbolized the future hope of the entire sorcerer tribe!

But to Chen Xiaobei, it was not even worth a mention.

"Young master is truly a godly man! A trillion years have passed, and our sorcerer tribe has finally produced a top genius who has the potential to become a God! There is hope for the revival of the Sorcerer tribe. This is a matter that is more important than the heavens!"

Grand shaman sky poison and the twelve shamans were still kneeling on the ground, looking at Chen Xiaobei as if he was a God.

stand up and talk. We're all friends. I'm embarrassed that you're kneeling like this!

Chen Xiaobei smiled. His mind was as calm as still water. No matter what happened, he would not be shaken.

"No... We don't dare to get up ..."

The faces of sky poison great shaman and the twelve Magi turned red, and they said guiltily, " it was all our fault for looking down on you and insulting you. Please punish us, young master!

Chen Xiaobei shook his head. you're overthinking it. I'm not that petty! I'm not a petty person! Besides, ignorance was not a crime! You know nothing about my bloodline, so it's normal for you to make an error in judgment!"

With a smile on his face, Chen Xiaobei walked over and helped sky poison Supreme shaman up. Then, he helped the other shamans up one by one.

"I'm ashamed ... I'm ashamed ..."

Sky poison great shaman and the twelve Magi all lowered their heads, their faces red and their cheeks burning.

Just a moment ago, sky poison Supreme witch and the twelve Wizards were very angry because Chen Xiaobei did not care about the Witch King's divine aura. The twelve Wizards even mocked Chen Xiaobei.

Chen Xiaobei had proven that the Witch King's divine aura was weak! But Chen Xiaobei was not angry at all. He helped everyone up happily.

They were a bunch of old men who had lived for thousands of years, but their tolerance was not as good as a young boy's. This made them feel ashamed, but at the same time, they admired Chen Xiaobei.

At a distance.

Baili tiantu and Lockheed were dumbfounded. They whispered, " "We were too naive ... We couldn't figure out master's plan at all ..."

"It's not just you! Even I can't figure it out!"

" I almost thought Xiaobei was a commoner, " six-eared macaque said. I didn't expect him to be so quiet. He's going to shock the world with a single cry!

" that's right! sister Yun frowned and said, " it seems like little North's Witch Blood is not impure! Instead, it was extremely pure! I really can't figure out how he did it. "

Six-eared macaque shook his head. He didn't know.

Obviously, everyone only saw Chen Xiaobei's glory and glory at this moment. They could not imagine that Chen Xiaobei's family and his own body were almost wiped out before he obtained the witch Dragon bloodline!

Back then, Chen Xiaobei had fallen into the blood tribe's trap, and his blood had been completely sucked dry!

If it was not for the witch dragon blood that the prime of Tongtian had sent to him at the critical moment, Chen Xiaobei would not exist in this world!

Because Chen Xiaobei's human blood had been sucked dry by the blood Tribe, all that was flowing in his body was witch dragon blood, which was the purest witch God-level blood!

It was also because of this that the Jiuli ancient tower was shining 300 million miles!

"Young master! There's nothing to nitpick about your bloodline, I'll immediately contact the other eight Grand shamans and have them come to see you tomorrow morning!"

Grand shaman sky poison hurriedly took out his phone.

"Is there a need to inform me?" Chen Xiaobei laughed. I'm sure they'll all be here before dawn!"

"Yeah!"

Realization dawned on sky poison Grand Wizard, 'I'm really excited! The spiritual light just now had already enveloped the nine tribes! Everyone in the Jiuli division knew about this! After such a big thing has happened, how can the eight honourable shamans still sleep?"

"Let's just wait here!"

it's only eight days until New Year's Eve. I want to become the Magus King of Nine Li as soon as possible! Chen Xiaobei said.

"I believe that you will definitely succeed!"

Sky poison great shaman composed himself and said with great yearning, "Furthermore, you will not only be the nine Li Magus King! He was also the Magus king of the world! The Magus Kings of the Three Realms!"

"The Three Realms?" Chen Xiaobei raised his head and looked at the sky.

Above the earth-god Realm, there was a more powerful, vast, and unfathomable heavenly realm.

To become the highest King, one had to climb up the heavenly stairs step by step.

Chen Xiaobei knew that he still had a long way to go. There were still countless dangers and challenges waiting for him in the future!

Only by being down-to-earth, laying a solid foundation, and making himself stronger step by step could he reach higher and further places!

The first and most important step was to enter the ruins of the nine Li four manifestations and build Chen Xiaobei's own Imperial City. He would then be able to gather the witch tribe for his own use, and at the same time, he would be able to increase his followers!

Of course, in order to achieve all of this, he first had to become a Nine Li Magus King!

Chen Xiaobei looked into the distance, waiting for the witch to gather.

[Red Envelope Group of the Three Realms](#)

Chapter 2513: Do I Have Money

It was just as Chen Xiaobei had expected.

The sky had not yet brightened, but the eight Grand shamans had already arrived one after another. Other than them, there were also hundreds of shamans from the eight great tribes.

This formation was equivalent to the entire Jiuli tribe, all the core and high-level members of the Jiuli tribe gathered.

The Sorcerer tribe was free to do as they pleased and did not pay much attention to their surroundings. They were either standing or sitting and formed a circle in front of the nine Li ancient tower.

Chen Xiaobei was surrounded in the middle. Hundreds of pairs of eyes were staring at him. They looked up, down, left, and right. Chen Xiaobei was so embarrassed.

This was the treatment that only a national treasure, a giant would receive.

But in fact, from the moment the ancient tower shone for 300 million miles, Chen Xiaobei had become the treasure of the entire Jiuli division, and even the entire witch tribe.

Ever since the decline of the Sorcerer tribe, billions of years had passed, and there was only one sorcerer God-level possessor.

Even though Chen Xiaobei was not a Supreme witch yet, as long as he focused on his cultivation, he would be able to reach the level of a Supreme witch in the future. He would be able to lead the witch race back to its former glory, and even achieve a Renaissance that surpassed history.

Because of this, other than a few people, the higher-ups of Jiuli division all valued Chen Xiaobei. They even wanted to build a temple to house Chen Xiaobei.

"Childe Chen, let me introduce you!"

Sky poison noticed Chen Xiaobei's awkwardness, so he quickly walked over and introduced Chen Xiaobei to the other eight Grand shamans.

"Alright!"

Chen Xiaobei quickly nodded and followed sky poison Supreme witch to the side of the crowd.

"This is the yaoshu tribe's Grand shaman!"

Grand shaman sky poison pointed to a dark-skinned, skinny old man and said, "The yaoshu tribe is the best at witchcraft! The blessing spell can increase the strength of the soldiers, and the curse spell can kill the enemy invisibly!"

in the past, the Jiuli division experienced many life-and-death battles. They were able to defeat the enemies and secure the victory because of the protection of the yaoshu tribe!

"Greetings, honourable witch yaoshu!" Chen Xiaobei greeted the man politely out of a sense of public morality.

"Yes." However, shaman Lord yaoshu just gave a nonchalant reply. He did not seem to like Chen Xiaobei.

Chen Xiaobei had already noticed that there were a few people around him who did not like him. Some of them even seemed to be hostile.

Clearly, this Grand shaman Yao Shu was one of those few people.

Upon seeing this, sky poison Supreme witch pulled Chen Xiaobei away and whispered, "Young master Chen, please don't take offense! Grand shaman yaoshu has a bad temper and doesn't give face to anyone. This old man apologizes to you on his behalf!"

"It's okay, I don't mind." Chen Xiaobei smiled and turned to look at shaman Lord Yao Shu.

When he turned around, Chen Xiaobei's eyes met with shaman Lord Yao Shu's sharp and cold gaze. He could not help but shiver.

However, Chen Xiaobei looked away as if nothing had happened.

Seeing the scene before him, shaman Lord yaoshu's eyes couldn't help but reveal a deep sense of shock.

It was obvious that the moment their eyes met, Grand shaman Yao Shu released an extremely strong pressure!

If it was an ordinary person, they would have been scared stiff and their limbs would have turned cold.

Chen Xiaobei, however, was as calm as ever.

Grand shaman yaoshu couldn't believe it. How could a little kid resist his pressure?

One had to know that Grand shaman yaoshu was most skilled in sorcery. If he wanted to bless or curse others, he had to first have a stable state of mind.

It could be said that shaman Lord Yao Shu's state of mind was the strongest among the nine great shaman Lords!

If even the pressure of shaman Lord yaoshu could not suppress Chen Xiaobei, the other eight Grand shamans could not even think about it!

"This kid is not simple ..."

Grand shaman yaoshu squinted, a complicated expression on his dark and skinny face.

Behind him, the 14 shamans of the yaoshu tribe also showed extremely shocked expressions.

One had to know that Grand shaman Yao Shu's temper was very, very bad. He would never praise others!

And now, the old man had actually praised Chen Xiaobei for being 'not simple'! Although it was only three words, it was more important than a thousand words!

"Childe Chen, this is the Grand shaman of the divine craftsmen's tribe!"

Sky poison Supreme witch brought Chen Xiaobei to the other side and introduced, "The divine craftsmen's tribe is best at forging artifacts! The wizard artifacts they made were better than all earth-god artifacts of the same level! Back then, the Jiuli division wore the armor and weapons they made and swept through half of the Nanzhan state!"

"Forging?" Chen Xiaobei's eyes lit up as he looked at the divine craftsman, the Honourable witch. He said politely, "Greetings, divine craftsman and honourable witch!"

"Good day, young master!"

This divine craftsman and Grand shaman was also an old man, but his body was extremely strong, especially his two arms, which were ridiculously thick!

His attitude towards Chen Xiaobei was much better, unlike the cold attitude of shaman Lord yaoshu.

Of course, he was not trying to please Chen Xiaobei. He was just being polite.

"This one over here is the Grand shaman of the beast Tamer tribe!"

Sky poison Supreme witch led Chen Xiaobei to another place and introduced.

the beast taming tribe is the best at taming spirit beasts. The war steeds and flying steeds they cultivate are not only fierce and good at fighting, but they are also very smart and loyal to their Masters!

"Back then, the nine Li cavalry was invincible. Half of the credit went to the mounts raised by the beast Tamer tribe!" Said sky poison great shaman.

"Greetings, beast taming honourable witch!" Chen Xiaobei greeted her with a smile.

"Good day, young master!"

yes, " the Grand shaman replied coldly. He did not like Chen Xiaobei either.

However, since Grand shaman Yao Shu did not get any advantage from Chen Xiaobei, the beast Tamer Grand shaman did not dare to act arrogantly and answered Chen Xiaobei's question.

Chen Xiaobei did not mind and walked to the other side.

"This is the Grand shaman of the dingshang tribe!"

"The dingshang tribe is best at commercial trade," Grand shaman sky poison explained,"and the wealth they earn can feed the entire Nine Li tribe! During the war, the dingshang tribe paid for all the expenses of the Jiuli division Army and the people in the yunwu city!"

"It's the God of Fortune!" "Good day, Grand shaman dingshang!" Chen Xiaobei grinned.

"Hahaha! How did young master know my nickname? No matter where I go, people will call me the God of Fortune!"

Grand shaman dingshang was a fat man dressed in luxurious clothes. He didn't look like a member of the Sorcerer clan, but rather a wealthy man.

you're rich! Chen Xiaobei laughed. Grand shaman dingshang has a rich face and an outstanding temperament. I can tell that you're rich! Oh no! You're super rich!"

"Hahaha! Young master really knows how to talk! I like it! I like it!" Grand shaman dingshang had been smiling happily the whole time. After Chen Xiaobei's praise, he could not stop smiling.

Chen Xiaobei grinned evilly and said, " "God of Fortune, do you think I have money?"

[Red Envelope Group of the Three Realms](#)

Chapter 2514: Any Objections?

"You?"

Grand shaman ding Shang squinted his eyes at Chen Xiaobei and said, " "You should have some savings. To ordinary people, you are very rich! But to me, your wealth is just a drop in the ocean! How was it? I didn't say anything wrong, right?"

hmm ... Chen Xiaobei was not moved at all. He even wanted to laugh."Yes, you're not wrong!"

"Hahaha! I knew it! I've always had a good eye, and I've never misjudged anyone!" Grand shaman dingshang had a smug look on his face and was extremely happy.

Then, Chen Xiaobei followed the sky poison Supreme witch to the other side.

"This is the Grand shaman of the heavy mystery tribe!"

"The heavy mystery tribe is the best at sieging cities and setting up formations," Grand shaman sky poison explained."Back in the day, the Azure Dragon divine armor Army that shook jambu all the way came from the heavy mystery tribe!"

"Greetings, Grand Magus Xuan Zhong!"

Chen Xiaobei greeted her politely and observed her carefully.

Grand shaman Xuan Zhong was a strong middle-aged man! With a tall and straight figure, he was like a dragon and a Tiger. One look and one could tell that he was a top-tier fierce general on the battlefield!

The 13 Magi behind him were also strong and vigorous, looking dignified and solemn!

It wasn't hard to see that the four tribes that were introduced earlier were all in the back and were in charge of logistics!

As for the heavy mysterious tribe, they specialized in charging and breaking through enemy lines on the battlefield!

In the entire heavy mystery tribe, from the Grand shaman to the common people, everyone was skilled in war. If they picked up a weapon, they could become a soldier!

"Good day, young master!"

Grand shaman Xuan Zhong responded. His attitude was not warm, but he did not have any hostility either!

Chen Xiaobei could tell that he was worried about something important and was not in the mood to talk to Chen Xiaobei.

He went to the other side.

"This is the Grand shaman of the howling wind tribe!"

"The Xiaofeng tribe is best at cooperating with flying mounts," Grand shaman continued,"and they have super aerial combat abilities. Moreover, their agile starlords are the fastest in the Nanzhan state! The Vermillion Bird Royal Army was from the howling wind tribe!"

"Greetings, Grand shaman howling wind!" Chen Xiaobei greeted.

"Good day, young master!"

Grand shaman Xiaofeng was probably the youngest Grand shaman. He looked like he was in his thirties. He had a frivolous and evil smile on his face, as if he was provoking Chen Xiaobei.

Without a doubt, to be able to become a Grand shaman in his thirties, this person must have extremely high talent and must have obtained a huge opportunity!

As the saying goes, one is proud of one's talent!

A super genius like Grand shaman Xiaofeng was naturally very proud!

From his expression, it was clear that he was not convinced by Chen Xiaobei at all. He wanted to challenge Chen Xiaobei immediately to prove that he was stronger than Chen Xiaobei, who had the witch God's bloodline!

Sensing that something was amiss, sky poison Grand shaman immediately pulled Chen Xiaobei away.

"This is the Grand shaman of the Berserker tribe!"

"The Berserker tribe is best at close-range combat!" Grand shaman sky poison continued with his introduction. Their unique primordial spirit attacks allowed them to become more courageous as they fought in bloody battles, and they were invincible among their peers! Back then, The White Tiger Berserker Army was a warrior of this tribe!"

"Greetings, Grand shaman Berserker!" Chen Xiaobei continued to greet her.

"Alright!"

The Berserker Grand shaman was a huge man who was almost three meters tall. His body was as strong as a small mountain. People who didn't know him might think that he was from the Titan race.

However, it was obvious that he was not a Titan! To be able to have such a heaven-defying physique, it was all thanks to his bloodline and talent!

Of course, the heavens were still relatively fair. After giving him some benefits, he would also give him some shortcomings.

Chen Xiaobei could feel that this Grand shaman was brawny but simple-minded.

Of course, being simple-minded didn't mean that he was stupid. It meant that he didn't have any schemes and didn't know how to scheme!

This kind of person was very straightforward and forthright, very suitable to be friends!

However, this kind of person was also very easy to be set up by the enemy. Therefore, simple-minded should be his weakness.

There was nothing else to talk about, so Chen Xiaobei went to The Last Witch.

"This is the Honourable witch of the stupa tribe!"

"The stupa tribe is best at defense," Grand shaman sky poison explained. "Iron Futu's body is extremely strong. He's impervious to swords, Spears, water, fire, and so on. His body alone can withstand an earth-god instrument of the same level! Back then, the Black Tortoise stupa Army used its defensive power to resist strong enemies many times and won many important opportunities for other friendly forces. It has made great contributions!"

"Greetings, Grand shaman Budur!"

Chen Xiaobei studied his opponent closely.

"Good day, young master!"

This honourable wizard Budur was also a tall and strong man, but between his brows, there was a sense of steadiness that was as firm as a rock!

It was not difficult to see that this person's state of mind was stable and calm. He was a good general who was brave and resourceful! He was definitely the most suitable person to take on the task of defense!

As expected, the Budur sorcerer clan members only greeted him and did not say much. Their expressions did not change at all!

Even Chen Xiaobei could not tell if this person liked him or hated him.

"Alright! The eight Grand shamans have all been introduced!"

"With our sky poison tribe, it'll be the complete Nine Li tribe!" Grand shaman sky poison said. Our sky poison tribe is skilled in Voodoo and witchcraft. Young master Chen, you know this, so I won't waste any more time!"

thank you for your introduction! Chen Xiaobei smiled and nodded. I'm now clear about the situation in Jiuli!

Sky poison Grand shaman retreated to the side and said, " now that everyone knows each other, young master Chen can tell us your plan and let everyone know!

"Alright!"

Chen Xiaobei chuckled and looked at the nine honourable shamans one by one. "I want to be your King! Does anyone have any objections?"

As soon as he said that, the crowd exploded!

"What did you just say? You want to be our King?"

The beast Tamer Grand shaman did not like Chen Xiaobei at all, and he shouted at him mercilessly, "Kid, I'm afraid you're still sleeping? You want to be the king of Jiuli before you even have hair? Why don't you say you want to be an Immortal King or God Emperor?"

"Hmph! You don't know the immensity of the heavens and earth!" Grand shaman yaoshu snorted coldly, his skinny face full of disdain.

"Hehe! Young master Chen! You're too big-hearted!"

Grand shaman Xiaofeng immediately stood up and said indifferently, "According to the rules, you have to gain the unanimous approval of the nine Grand shamans before you can claim the title of King! However, I, Li Xiaoyun, am the first one to disagree!"

"Wind howl sorcerer tribe, don't be anxious!"

I know what I'm doing! Chen Xiaobei smiled. other than Grand shaman sky poison, the other eight Grand shamans will not submit to me!

"At least you still have some self-awareness!" you've just arrived in Jiuli. You don't have the ability or the experience. What right do you have to step on our heads and claim to be King? " said the familiar Grand shaman coldly.

"That's right!"

"Even if you have the bloodline of a Supreme Magus, it'll take you 108000 years to become a true Supreme Magus. Now, you should focus on your cultivation and not daydream!" Grand shaman yaoshu said coldly.

"Of course I'll hurry up with my cultivation."

Chen Xiaobei smiled and said calmly, " "But first, I want to convince everyone here! I'm king!"

[Red Envelope Group of the Three Realms](#)

Chapter 2515: Curse Spell Challenge

"Kid, are you really stupid or are you just pretending?"

"You're not a witch God yet!" Grand shaman yaoshu said in a bad mood. Why should we be convinced by you? To put it bluntly, you may not live to become a sorcerer God! Don't think that you can do whatever you want just because your bloodline is high!"

"You're right!"

"You're just a two-star earth immortal," Grand shaman tamed beast said coldly,"any wizard disciple from the nine tribes can kill you! Not to mention us Grand Magi who are unconvinced, the clansmen below will definitely not be convinced by you!"

"Right! I'm not a sorcerer God yet, and my cultivation is far lower than yours!"

"But I have a way to beat all of you in your field of expertise!" Chen Xiaobei said. I think that's enough to convince all of you, as well as all of our clansmen, right?"

Obviously, Chen Xiaobei had said everything he wanted to!

If the few Grand shamans were not as good as Chen Xiaobei, then they had no choice but to accept it!

"Young master Chen!"

Grand shaman Xiaofeng raised his brows and sneered,"What we Grand Magi are best at is something that almost no one in the entire Nanzhan state can compare to! You want to defeat all of us by yourself? Aren't you afraid that you'll break your tongue when you talk big?"

I'm not lying! Chen Xiaobei smiled. it's easy to verify if I'm lying or not. As long as you all accept my challenge, we'll know the result! Of course, if you don't dare to, then it's another matter!"

"You don't dare? There's no such word in my dictionary!" The Furious eyes of the Berserker Grand shaman widened, he suddenly roared, and was about to attack.

"Little brat! You're really too arrogant!" The Budur divine wizard was also very unhappy and glared at Chen Xiaobei with hostility.

Even the divine craftsman and Grand shaman who looked like a good old man also said coldly, "Young man! You're too arrogant! In terms of artifact refining, this old man has never lost to anyone!"

Grand shaman dingshang patted his belly and said with a faint smile, "Young master Chen! I thought you were a smart person! I didn't expect you to be so childish. What do you have to challenge us?"

All of a sudden, the eight Grand shamans were showing their dissatisfaction towards Chen Xiaobei.

Of course, Chen Xiaobei had already expected this.

It did not matter if these Grand shamans were being cold to him or if they were smiling at him. From the bottom of their hearts, they would never submit to Chen Xiaobei!

since you didn't refuse, I'll take it as you've accepted my challenge!

Chen Xiaobei did not argue but said seriously, "The status of all the Grand Wizards is high, and there are more than a hundred Wizards present as witnesses. I believe that the final result will be recognized by everyone, and no one will renege on their debt!"

"Nonsense!"

The Berserker Grand shaman was a straightforward person, he said in a carefree manner, "We, the Sorcerer tribe, have faith! I'm willing to accept my loss and will never renege on my debt! Otherwise, the spirits of the witches will be shamed by us, and the people of the tribe will no longer respect us!"

"Good! Then it's a deal!" Chen Xiaobei grinned. He had been waiting for the battle witch to say this.

With this, Chen Xiaobei's bet with the Honourable witch was set in stone!

If anyone went back on their word, it would be blasphemy against the spirit of the witch and they would lose the hearts of the people!

"Hmph!"

Grand shaman yaoshu snorted coldly and said disdainfully, "It's just a farce, so why make it so formal? This old man doesn't believe that you can win against any Grand shaman!"

The Grand shamans' faces were filled with contempt, disdain, and mockery. None of them believed that Chen Xiaobei could win!

"Shaman Lord yaoshu, you're the one who looks down on me the most!"

Chen Xiaobei looked at the skinny old man and said, "My challenge will start with you!"

"What? You dare to challenge me?"

Grand shaman yaoshu was stunned and couldn't believe his ears. "I'm afraid there's something wrong with your brain! This old man is most skilled in witchcraft! No one here can compare to me! Just you? You're not even fit to carry my shoes!"

Because of this, the Grand wizards and sorcerers around laughed.

"This kid is too funny! He actually dared to challenge shaman Lord yaoshu! This was simply courting death! You're courting death!"

"Isn't it? Grand shaman yaoshu's sorcery can kill all opponents of the same level. Under eight-star earth-god, Grand shaman yaoshu is an invincible existence!"

"I'm afraid that kid is dead! Grand shaman yaoshu's temper is extremely bad. Once he gets angry, he probably won't care about that kid's bloodline at all and can kill that kid with a flip of his hand!"

"If he's killed, then so be it! Although that brat has the bloodline of the witch God, he's too pretentious and will be struck by lightning sooner or later. He definitely won't live to become a witch God!"

.....

Hearing the crowd's discussion, Zhao Yun and the others, who were standing far away, could not help but frown.

"Master is causing trouble again!"

Baili tiantu furrowed his brows. that old man from the yaoshu tribe looks like a tough nut to crack. Master is challenging him first. I'm afraid he won't be able to start well!

Zhao Yun and Lockheed were calmer. After the incident at the Jiuli ancient tower, they did not suspect Chen Xiaobei anymore. But they were still worried.

"Liu er, do you think Xiao bei can win?" Zhao Yun asked.

"Xiao bei won't be able to win by himself! I've never heard of him knowing witchcraft!"

what? " six-eared macaque raised an eyebrow. but if Xiaobei asks for help, he'll definitely win!

"Ask for help? A 100% chance of winning? Is that true?" When Zhao Yun and the others heard this, their eyes widened in disbelief.

In the middle of the crowd.

Grand shaman yaoshu had already walked out and said coldly, " "Little brat! Don't say I'm bullying you! How you want to compete, the rules are up to you!"

"Alright!"

that's right! Chen Xiaobei nodded. if I'm not mistaken, shaman Lord yaoshu is good at blessing and curses! How about we compete in the art of curses?"

"As you wish!" Shaman Lord yaoshu did not care. It did not matter what the competition was about. Chen Xiaobei would lose for sure.

"Then let's use the most direct way to compete!"

I'll cast a curse spell on you. If you can break it, I'll admit defeat! Chen Xiaobei grinned. If you can't break it and suffer my curse, that means I'm more skilled and have defeated you!"

"Good! Let's do this!"

"If I can't even break a little Thief's Curse like you, then I've been a Grand shaman for nothing!"

"Oh, wait a minute! I'll send you a text!"

Chen Xiaobei took out his phone and quickly sent a message. Then, he raised the phone and pointed the camera at shaman Lord yaoshu.

"You little brat! What tricks are you playing!" "I don't have the patience to wait for you!" Grand shaman yaoshu said impatiently.

"Oh, since you're in such a hurry, I'll curse you while I text you!" Chen Xiaobei was still holding his phone, the camera pointed at shaman Lord yaoshu.

As soon as he said that, the crowd exploded!

[Red Envelope Group of the Three Realms](#)

Chapter 2516: Convinced

"What? He was playing with his phone while cursing Grand shaman Yao Shu? Oh heavens! I've never seen such an arrogant person!"

"This kid is too arrogant! He actually dared to look down on shaman Lord yaoshu! He's simply courting death!"

shaman Lord Yao Shu has a bad temper. That kid is really dead this time!

Everyone exclaimed in shock.

The entire Jiuli tribe knew that shaman Lord Yao Shu had a bad temper.

Those who dared to provoke shaman Lord yaoshu like Chen Xiaobei were all dead!

"You little brat! You dare to look down on this old man!"

"You'd better convince me, otherwise, I'll definitely kill you!" Grand shaman Yao Shu shouted angrily.

"Are you ready?" Chen Xiaobei asked.

"What nonsense! Immediately use your curse!" Shaman Lord yaoshu's eyes were wide with anger. He wanted to break Chen Xiaobei's curse immediately and blow Chen Xiaobei's face up.

However, shaman Lord Yao Shu would never have thought that Chen Xiaobei was not asking him, but someone else. Are you ready?

In fact, after Chen Xiaobei sent the message, he opened the livestream app.

The camera was pointed at Grand shaman Yao Shu all the time, so that someone far away in bei Xuan faction could see him!

That's right!

This person was old Wang!

Lao Wang was the descent of a shaoba xingjun, and the crow's mouth technique was a skill that Lao Wang had brought with him after he had descended. Strictly speaking, it was a curse technique that was at least at the divine immortal level!

With old Wang's help, it would be difficult for Chen Xiaobei to lose!

Obviously, old Wang was a very idle person. Other than live streaming, he had nothing else to do. The moment he received the message, he was ready to cooperate with Chen Xiaobei and curse shaman Lord Yao Shu!

Chen Xiaobei was full of confidence after receiving old Wang's reply.

"Big crow's mouth!"

Chen Xiaobei raised his phone and said with a smirk, "I'll curse you, you fart and shit comes out!"

"What?"

As soon as he said that, everyone present was dumbfounded, and their eyes almost fell out.

"Farting? Shit? Is this kid crazy? Grand shaman yaoshu is an old Grand shaman of virtue and prestige, how could he fart in public?"

"Isn't it? At the level of Grand shaman yaoshu, you've already abstained from food and don't eat or drink the farts and sh * t you brought over?"

"No need to look! This kid is a complete liar! He can't do anything except talk!"

"Why don't you need to look? We're still waiting to see Grand shaman Yao Shu take care of this kid!"

They were all very angry and wished that shaman Lord Yao Shu would rush over and beat Chen Xiaobei up, or even kill him.

However ...

Ten seconds passed, and the hot-tempered shaman Lord yaoshu did not say a word. Not only did he not attack, he did not even curse at Chen Xiaobei.

What was even stranger was that Grand shaman Yao Shu's skinny face gradually turned red and a layer of cold sweat appeared on his forehead as if he was going through some kind of cruel torture.

"Don't hold it in!"

Chen Xiaobei grinned evilly and said, "The longer you hold it in, the louder your fart will be!"

"Pfft ... Pfft! 呜.....啾.....呲噜噜噜....."

As soon as he finished speaking, a series of loud and strange sounds came from behind shaman Lord yaoshu, accompanied by a foul smell that quickly spread.

That's right! This was a long and loud fart!

The surrounding people felt their scalps go numb and nauseated just by listening to it.

Of course, at this moment, what everyone felt the most was shock! Incomparable shock!

"I'm not dreaming, right? Grand shaman yaoshu actually farted in public? This doesn't match his status!"

"Do you think that Grand shaman Yao Shu wants to fart? He's under that kid's curse!"

"Heavens! Even someone as strong as Grand shaman yaoshu couldn't break that kid's curse. Does this mean that the kid's curse is even more advanced than Grand shaman yaoshu's?"

"Although I don't want to admit it, it seems to be the case! Grand shaman yaoshu tried his best to hold it in for more than ten seconds, but he still couldn't break the curse ..."

"If that's the case ... Doesn't that mean that Grand shaman yaoshu has already conjured that thing?"

All of a sudden, everyone's eyes were focused on the crotch of shaman Lord Yao Shu.

"No, I didn't! There's no such thing!"

Grand shaman Yao Shu's face turned red as he shouted, "This old man hasn't eaten for many years, so where did I get sh * t? You're not allowed to talk nonsense!"

There was no doubt that not only had shaman Lord Yao Shu lost to Chen Xiaobei, he had also lost all his face and wanted to find a hole to hide in.

Of course, all of this was on Grand shaman Yao Shu himself.

Chen Xiaobei had been polite to him at first, but he did not take Chen Xiaobei seriously.

Now that Chen Xiaobei wanted to challenge all the Honourable shamans, he needed to kill the chicken to warn the monkeys. The first one to do so, honourable shaman Yao Shu, was the one who was the most beaten up.

"Shaman Lord yaoshu, are you convinced?" Chen Xiaobei asked.

I ... I can't accept this ... Grand shaman Yao Shu's face was red, and he gritted his teeth in anger.

"You're not convinced?"

I'm just testing the waters! If you're not convinced, I don't mind letting you fart until you bleed! Chen Xiaobei grinned.

what???

Grand shaman yaoshu sucked in a cold breath and immediately changed his words, "I'm convinced! I'm convinced! I'm convinced! You've got me!"

Bleeding from farting!

This was not a joke. Not only was it painful and smelly, but if his pants were stained red with blood, people who didn't know would think that he was on his period!

The great shaman Lord yaoshu couldn't accept such an outcome no matter what.

Other than admitting defeat, Grand shaman Yao Shu had no other choice.

"Heavens! Shaman Lord yaoshu was actually convinced! That kid ... Oh no... Young master Chen is too amazing!"

Grand shaman Yao Shu is famous for his bad temper. Young master Chen can even tame Grand shaman Yao Shu. He's simply crazy and cool!

"This result is really a slap in the face! All of us believed that young master Chen would win, but he really won!"

For a moment, the Grand Magi and sorcerers around all felt their faces burning hot, as if they had been slapped by an invisible hand, burning hot.

Obviously, Chen Xiaobei's choice of shaman Lord Yao Shu as a warning to others was very effective.

From this moment on, no one dared to disrespect Chen Xiaobei or look down on him like they did before.

After that, Grand shaman Yao Shu returned to the crowd dejectedly.

Chen Xiaobei's eyes swept across the rest of the group, and finally landed on a fat man. "Grand shaman ding Shang, I'll challenge you next!"

"Ah?"

Grand shaman dingshang's expression froze for a moment before he laughed, "Young master Chen! Are you sure you want to challenge me? I'm best at making money. If you want me to submit to you, you'll have to have more money than me!"

"Hehe."

of all the Honourable witch here, you're the least challenging! Chen Xiaobei said with a smile.

[Red Envelope Group of the Three Realms](#)

Chapter 2517: A Little Change

"What? I'm the least challenging?"

Grand shaman dingshang's chubby face turned black and he said unhappily, "Everyone in the Jiuli tribe knows that I'm the God of Fortune! You'll be scared to death if I tell you about my wealth! You actually think that I'm the least challenging!"

Everyone looked at Chen Xiaobei with a strange expression.

Although the crowd did not mock Chen Xiaobei like they did before, they still did not believe that Chen Xiaobei could win against the divine witch of ding Shang in terms of wealth.

"Tell me, how much money do you have?" Chen Xiaobei smiled.

my wealth is close to 70 million upper spiritual stones! Grand Magus ding Shang raised his chin with a proud expression.

In an instant, gasps of shock could be heard from the crowd.

"Heavens! Did Grand shaman dingshang find a new business opportunity? I remember that a few years ago, his wealth was only 50 million!"

"Grand shaman ding Shang is truly a natural-born merchant! You've earned 20 million upper spiritual stones in just a few years. That's amazing!"

"There's no way to compete in this game, right? Grand shaman ding Shang's wealth is already close to the wealth of the major powers outside the mountain. How can young master Chen, a mere person, compare?"

.....

It was obvious that the forces outside the mountain, such as the CAO family and the beiming family, had 100 million upper spiritual stones in their Treasuries.

The CAO family and the beiming family both had major cities with populations in the tens of billions!

There were only ten million people in the dingshang tribe, but Grand Magus dingshang had seventy million upper-grade energy stones.

The number of people meant the scale of power!

The scale of the dingshang tribe was far smaller than the CAO family and the beiming family, but their wealth was not much different!

From this point of view, Grand shaman ding Shang was indeed an outstanding merchant. Among the nine great tribes in the vast mountains and seas, he was definitely the richest God of Fortune!

Unfortunately, in front of Chen Xiaobei, 70 million was just a joke!

"Young master will definitely win this round!"

Lockheed said excitedly, " earlier, you gave Mr. Zhao, Mr. Liu er, and me ten million upper spiritual stones each. That's almost half of Grand shaman dingshang's wealth!

"Do I even need to say that?"

"In terms of wealth, my master is definitely as rich as a country!" Baili tiantu laughed proudly. Compared to my master, Grand shaman dingshang pales in comparison, he's too weak!"

Hearing Lockheed and Baili tiantu's conversation, the Grand wizards and sorcerers were instantly displeased.

"Isn't this bragging too big? Casually giving away 30 million? Even a fool wouldn't believe that!"

"They're talking about low-grade spirit stones, right? How could he give away 30 million upper spiritual stones? Even the most powerful Overlord of the Nanzhan state wouldn't be able to do something like this!"

"Yup! Thirty million upper spiritual stones is equivalent to three quadrillion lower spiritual stones. No matter how rich a person is, they can't possibly give such a big gift!"

Obviously, no one knew about Chen Xiaobei's wealth.

Normally, they would not believe that Chen Xiaobei would give away 30 million upper spiritual stones so easily.

"We're not bragging!" Baili tiantu was about to protest.

However, Zhao Yun shook her head and said, "there's no need to argue!" The truth would slap their faces! Little White's generosity was unprecedented! How can ordinary people understand it?"

Six-eared macaque and Lockheed nodded in agreement.

Even now, when they recalled the time when Chen Xiaobei gave them the spiritual stones, they were still touched.

"Young master Chen!"

"You can't possibly think that you'll be able to fool me by simply putting on a show with a few people, right?" Grand shaman ding Shang squinted his eyes and said.

"Lie to you?" come here! Chen Xiaobei smiled. I'll let you take a look at my infinite space ring!

"Interspatial ring?"

Grand shaman dingshang's expression darkened slightly, and he immediately mocked, "Hahaha! I knew you were just bragging! Huge amounts of wealth were all hidden in the treasure vault! Who would carry it around with them?"

"Hehe, who said that I'm carrying a huge amount of wealth with me?" I'm fine! Chen Xiaobei smiled. I just brought some change.

"Change?"

Upon hearing this, Grand shaman ding Shang was instantly enraged, "You only brought some change and you dare to challenge me? They simply don't put me in their eyes!"

"Don't be so excited! It's not too late for you to get angry after you take a look!"

Chen Xiaobei took off the infinite space ring and grinned. "Although I don't have much change, it's definitely more than enough to win against you!"

"What? Beat me with change? More than enough? I'd like to see how much change you have!" you! Grand shaman ding Shang was so angry that he rushed over and snatched Chen Xiaobei's infinite space ring.

In the next moment, Grand shaman ding Shang froze on the spot as if he had been struck by lightning.

Seeing this, the crowd exclaimed in shock once more.

"What's going on? Why was Grand shaman dingshang frozen in place? Furthermore, his pupils contracted and his body trembled. Cold sweat broke out on his forehead! He couldn't have seen a ghost, right?"

could it be that there's something extremely terrifying in young master Chen's interspatial ring? "

"It can't be ... What kind of storms hasn't Grand shaman ding Shang seen, how could he be so scared?"

For a moment, everyone was puzzled.

He could never have imagined that the so-called God of Fortune, Grand shaman ding Shang, would be frightened by something.

"Grand shaman dingshang! Are you convinced?"

At the same time, Chen Xiaobei reached out his hand and took back his infinite space ring from the dumbfounded divine witch of dingshang.

"I ... I'm convinced ... I'm convinced ..."

you ... Grand shaman dingshang swallowed his saliva and wiped the cold sweat off his forehead. He looked at Chen Xiaobei in shock. Clearly, he had been convinced!

"Grand shaman dingshang! What the hell are you doing? You're giving in so easily?"

"How much change does that kid actually have?" Grand shaman grumbled in dissatisfaction. Could it really be more than all your wealth?"

As soon as he said that, everyone perked up their ears, waiting for Grand shaman ding Shang's answer.

"No! "You're wrong ..." Grand shaman dingshang swallowed his saliva and said awkwardly, " "Isn't young master Chen's change more than my wealth ..."

"Then why the hell did you yield!"

"Follow the rules!" Grand shaman Xiaofeng angrily shouted. He must have more wealth than you! Otherwise, it's not considered his win!"

"I haven't finished ..."

Grand shaman dingshang's face was teary as he wailed, " Chen Xiaobei's change is not more than my wealth ... It's more than all the wealth of the nine tribes combined ...

what???"

Everyone was shocked by his words.

No one would have thought that Chen Xiaobei's change would be more than the wealth of the entire Jiuli tribe!

Grand shaman dingshang had no choice but to accept this!

"How ... How much money does he have?" The crowd asked in shock.

[Red Envelope Group of the Three Realms](#)

Chapter 2518: Lone Wolf

In an instant, everyone's eyes were focused on Grand shaman ding Shang.

Everyone wanted to know how much wealth that was. To actually be able to scare the nine Li's God of Wealth, Grand shaman ding Shang, to such an extent! It was actually more valuable than the entire Jiuli tribe!

If they didn't get an answer, they would be tortured to death by curiosity!

"Young master Chen ..."

Grand shaman dingshang looked at Chen Xiaobei. Seeing that Chen Xiaobei did not object, he swallowed and said, " Childe Chen's wealth is ... Seven ... Seven hundred and twenty-two million ... Superior ... Superior-grade spirit stones!

"What? Seven hundred million?"

As soon as he said that, the crowd exploded.

All the Grand shamans and Wizards were shocked to the extreme. Their eyes were wide open like a bull's, and their mouths were so wide that a fist could be stuffed in. They simply couldn't believe their ears.

One had to know that the major forces outside the mountain with a population of tens of billions only had about 100 million upper spiritual stones!

But Chen Xiaobei alone had more than 720 million superior-grade spiritual stones! This was no longer a wealth that could rival a country! It was wealth that could rival seven countries!

However, what was even more unimaginable was that any force would hide most of their wealth in their treasure vault and would never carry it with them for fear of losing it or being robbed! Chen Xiaobei, on the other hand, was walking around with seven hundred million Yuan, claiming that it was just spare change!

There would be no harm without comparison!

Compared to Chen Xiaobei, the Grand shaman's face turned red. They felt like they were poor!

Moreover, he was an ignorant pauper!

He knew nothing about Chen Xiaobei's wealth, but he was mocking Chen Xiaobei. It was like he was stretching his neck out to give his face to Chen Xiaobei!

"Since Grand shaman ding Shang is convinced, I've won the second round of the challenge!"

Chen Xiaobei smiled and looked at the crowd. "Looking at everyone's expressions, I don't think anyone will object, right?"

Everyone was speechless. In the face of such a result, how could they have any reason to object?

then, I'll continue with the third challenge!

Chen Xiaobei looked at the Grand shaman and said, " you've always been unhappy with me. I'll give you a chance to beat me!

"Hmph! Little brat! Don't be so smug!"

Beast Tamer Grand shaman walked out and said with a disdainful expression, "Don't think that you're so great just because you won the first two matches! I'm best at beast taming! I don't believe that you can even do this!"

don't say that I'm bullying you! Chen Xiaobei laughed. you decide how we'll compete!

"What? You dare to look down on me?" The beast Tamer Grand shaman was furious, "I'll definitely win this round! I'll completely ruin your beautiful dream!"

"Tell me, how do you want to play, don't be so long-winded." Chen Xiaobei shrugged with a frivolous smile.

our beast taming tribe is the best at taming spirit beasts. The war cavalry and flying cavalry we cultivate are not only fierce and good at fighting, but they are also very smart and loyal to their Masters!

"However, time is limited, and we can't possibly start taming spirit beasts from scratch!" Be more direct! We'll compete in taming spirit beasts!"

"Tamed?" taming? " Chen Xiaobei raised his eyebrows. how do you tame it? "

"Men! Go and capture a lone wolf that has no master!"

The beast Tamer Grand shaman instructed, then said, "The essence of the beast taming technique is to communicate with the spirit beasts and make them obedient! We'll use the beast taming technique at the same time, and the ownerless spirit beast will naturally listen to whoever's skill is higher!"

"Alright, we'll do as you said!" Chen Xiaobei smiled.

After a while, two wizards from the tribe of familiars worked together to capture a Black Wolf with blood-red eyes and a violent temperament!

This Black Wolf's strength was far weaker than the two great Magi, but it did not yield and admit defeat from the beginning to the end!

Its eyes were filled with murderous intent, and the blood light was sharp and cold. Even if there was a slight chance, it would rise up and fight back! Even if he had to fight to the death, he would never yield!

"This is the lone Bloody Wolf that only exists in the vast mountains and seas!"

"This kind of lone Blood Wolf is extremely proud and aloof. You can die in battle but you won't yield!" Out of the nine tribes, I'm the only one who can successfully tame the lone Blood Wolf!"

As soon as he said that, the Grand Magi and Magi around him all nodded.

"You're right! This kind of lone wolf is extremely proud and aloof. Even when facing a strong enemy, it will never yield even if it knows that it will die!"

"Yup! The ultimate goal of the Wizards of the beast Tamer tribe is to tame the lone Blood Wolf! However, other than Lord Grand shaman, no one else can do it!"

"It looks like there's no more suspense in this match! Although young master Chen's curse Arts and wealth are both very shocking, the art of beast taming is extremely special, it requires the

communication between man and beast. In this aspect, no one can compare to the Grand shaman of beast taming!"

"Is there a need to say this? The familiar Grand shaman had grown up in a Wolf's Den since he was young! Even if Childe Chen knows a little beast taming technique, he can't be compared to the beast taming honourable witch!"

.....

Obviously, everyone knew that the blood Wolf was extremely arrogant and wild!

If it was any other spiritual beast, Chen Xiaobei might have had a chance. But now, his target was a demonic blood lone wolf. There was no way Chen Xiaobei could tame it. He was doomed to fail! There was no suspense!

"Little brat! I advise you to admit defeat! Otherwise, you will bear the consequences!"

The beast Tamer Grand shaman squinted his eyes, a meaningful smile appearing on his face. Clearly, there was more to his words.

I can't admit defeat. I can't admit defeat in this lifetime!

Chen Xiaobei shrugged and said without fear, " I'm ready. We can start at any time!

"Good! Then let's begin!" The beast Tamer Grand shaman nodded, a cold smile flashing through his eyes.

"Wuwuwuwu!"

At the same time, the two wizards released the control on the lone wolf!

Just as it regained its freedom, this ferocious beast suddenly let out a roar filled with killing intent, as if it was declaring war on the crowd!

Everyone was right. This kind of lone wolf was really arrogant to the extreme. He would rather die in battle than submit!

Even though it was already surrounded by so many Grand wizards and sorcerers, the blood Wolf did not have the slightest fear. Instead, its battle intent was boiling, and it was extremely powerful!

"Wuwuwu!"

Of course, although the blood Wolf was arrogant, it was not stupid.

Its blood-red eyes scanned the entire area and immediately locked onto Chen Xiaobei.

The demonic Blood Wolf was already a three-star earth-god, and it could tell that Chen Xiaobei's cultivation was the weakest among them!

In such a situation, the lone wolf was already prepared to die!

But even if it were to die, it would drag someone down with it!

"Roar!"

With a murderous roar, the blood Wolf pounced on Chen Xiaobei.

Red Envelope Group of the Three Realms

Chapter 2519: Sit Down And Shake Hands

"Little brat! Are you still not going to admit defeat?"

Grand shaman Beast Tamer sneered, "as long as you admit defeat, I'll save you!" Otherwise, you will be torn to pieces by this vicious Wolf!"

Obviously, when the beast Tamer honourable witch said 'bear the consequences', this was what she meant!

If Chen Xiaobei surrendered, the divine witch would be willing to tame the lone Blood Wolf. But if Chen Xiaobei did not surrender, the divine witch would not attack and allow the lone Blood Wolf to attack Chen Xiaobei.

After all, Chen Xiaobei's actual cultivation was only at the early stage of the divine ocean realm. He would definitely die if he were to face a golden core lone wolf.

Seeing this scene, the surrounding people began to shout.

"Beast taming honourable witch! You're playing too big! Young master Chen has the bloodline of a Supreme Magus. How can we let him die like this?"

"Don't be nervous! That kid isn't stupid. Between life and death and winning or losing, he naturally knows what to choose!"

"You're right! That brat has no other choice but to admit defeat, unless he wants to die without an intact corpse!"

.....

Without a doubt, a normal person would have thought that Chen Xiaobei would have to admit defeat.

However ...

Chen Xiaobei remained where he was, unafraid and showing no intention of admitting defeat.

"You little brat! Are you tired of living?"

Beast Tamer Grand shaman's brows furrowed as he angrily shouted, "The blood Wolf is already in front of you! If you don't admit defeat, even I can't save you!"

In that instant, the lone Blood Wolf was right in front of Chen Xiaobei!

Everyone's pupils constricted and their hearts raced. They could not understand why Chen Xiaobei would rather die than admit defeat!

Could it be that the witch god level bloodline that appeared once every trillion years was going to be cut off?

In fact, most of the people in the room felt sorry for Chen Xiaobei and did not want him to die just like that.

However, things had already come to this, and even the beast Tamer Grand shaman who was the closest could no longer save him in time.

However, at that moment, Chen Xiaobei suddenly opened his mouth and made a series of incomprehensible sounds.

What happened next left everyone dumbfounded and even shattered their worldview!

"Wuuu?"

huh? " no one expected the lone wolf to suddenly let out a confused sound. It stopped its attack and stood quietly in front of Chen Xiaobei.

this ... How is this possible???

Upon seeing this, everyone's eyes nearly popped out.

Just a second ago, everyone thought that Chen Xiaobei was dead for sure.

At this second, the blood Wolf stopped attacking. Even its fighting and killing intent had dissipated.

could ... Could it be that the kid is communicating with the lone wolf? "

Beast Tamer Grand shaman's expression froze, shaking his head repeatedly, "Impossible ... This is impossible! The lone Blood Wolf was the most difficult wild beast to tame! Even I can't communicate with the lone wolf so easily!"

Everyone's eyes were on Chen Xiaobei and the lone wolf.

Chen Xiaobei started to make some incomprehensible noises again, but strangely enough, the lone Blood Wolf seemed to be able to understand him. It nodded its head from time to time and even whimpered in response.

"What ... What is going on?"

Not only the beast Tamer Grand Wizard, but all the Grand Wizards and Magi present were all dumbfounded, unable to believe their eyes.

"Mr. Six ears! What was going on now? What is young master doing?" Lockheed asked.

Baili tiantu and Zhao Yun also perked up their ears.

"Isn't it obvious?"

" hehe! six-eared macaque grinned. Xiaobei is chatting with the female Wolf. He's using both logic and emotion. If everything goes well, Xiaobei will tame the female Wolf soon!

"What? Small talk? Moved by emotion? To reason with you?"

Zhao Yun, Baili tiantu, and Lockheed were instantly dumbfounded. "That's the blood Wolf! It was not old Wang next door! How was this a casual conversation? Don't lie to us, we've read very few books!"

"Why Would I Lie to You?" I'm a demonic beast, " six-eared macaque said. don't you guys want to chat with me? "

this ... Zhao Yun and the other two were stunned. They did not know what to say.

All the Grand shaman and sorcerers around Chen Xiaobei could not believe what they were hearing. They looked at Chen Xiaobei in disbelief. They could not imagine how a human could talk to a beast. This didn't make sense!

"It's too strange ..."

The familiar Grand shaman observed for a long time, and his three views were completely refreshed."Could it be that the kid is really chatting with the lone wolf? If that's the case, then his beast taming technique is simply at the peak. I can't compare to him at all ..."

"Alright! I'm done!"

Suddenly, Chen Xiaobei grinned, turned to the crowd and said, " I've already tamed this demonic blood lone wolf!

Because of this, everyone was shocked.

"Really? The hardest to tame lone Blood Wolf was tamed by young master Chen with just a few words? That's too mind-blowing!"

"If that's the case, then young master Chen's beast taming technique is at least on the same level as the beast taming honourable witch! No one can compare to the nine great tribes!"

"Too awesome! Young master Chen is so young, but not only is his curse art heaven-defying, his beast taming technique is also so powerful. On top of that, he has a wealth of 700 million. This is the true winner in life!"

"The point is, Childe Chen is still very young! If he was allowed to grow for another few hundred years, his future would be limitless! There's hope for the revival of our sorcerer tribe!"

All of a sudden, the Grand shaman and the other shamans exclaimed in shock. Some of them even started to admire Chen Xiaobei.

"Wait a moment!"

However, at this moment, the Grand shaman beast questioned, " I don't believe that you've tamed the lone wolf, unless you make it listen to your orders!

"Heh, how difficult is that?"

sit down! Chen Xiaobei said with a smile. Little Wolf, sit down!

"Wuuu!"

The blood Wolf responded and sat on the ground.

"Little Wolf, shake hands!"

Chen Xiaobei extended his hand and said.

"Wuuu!"

Without hesitation, the lone wolf raised one of its front paws and shook Chen Xiaobei's hand.

"Good girl!"

After shaking hands, Chen Xiaobei patted the lone Blood wolf's head as if it was not a beast but a pet dog. It was so obedient!

"This ... This, this, this ..."

Looking at the scene before him, the Grand shaman's three views were completely destroyed, and he even began to doubt his life. this is probably a fake evil blood lone wolf ...

"You were the ones who caught the little wolves! Is there a need to say whether it's true or false?" Chen Xiaobei laughed.

"Alright! You're awesome!"

"But!" Said Grand shaman. I'm still not convinced! I can also tame the lone Blood Wolf! The two of us, at most, can be considered a draw!"

"Heh, I don't think so?"

hehe! Chen Xiaobei grinned. according to what you said, unless you can get little lang to listen to your orders, you'll lose!

Chapter 2520: Highest Realm

"Hmph! What was so difficult about it? It's not like I haven't tamed the lone Blood Wolf before!"

Grand shaman beast snorted coldly and walked towards the lone Blood Wolf.

"Wuwuwu ..."

The lone wolf turned its head and used its blood-red eyes to lock onto the Grand shaman. At the same time, its cold-blooded killing intent and boiling battle intent once again burst out from its body.

It was obvious that the lone wolf regarded the Grand shaman as an enemy, and a great enemy that would not rest until one of them was dead.

"Relax ... Relax ..." He said.

The familiar Grand shaman raised his hands and lowered his voice, trying to calm the lone Blood Wolf down.

"Roar!"

However, not only did the lone Blood Wolf not listen to him, it even let out a roar filled with hostility. As long as the familiar Grand Wizard got any closer, it would even pounce forward and risk its life!

strange ... Can't it sense the Wolf's aura on me? "

The beast Tamer Grand shaman's brows slightly furrowed, his face filled with doubt.

At the same time, the Grand Magi and sorcerers around all frowned slightly, extremely surprised.

"That's strange! The beast Tamer honourable witch had grown up in a Wolf's Den. When the wolves in the forest saw the beast Tamer honourable witch, they would feel a sense of familiarity! Although it's the lone Blood Wolf, it shouldn't be so hostile to the Grand shaman!"

"Yup! I remember the last time when the familiar Grand Wizard tamed the other lone Blood Wolf, it was very easy. Basically, after a simple exchange, he could get close to it! This time, it seems different ..."

"What's the hurry? The beast taming honourable witch hadn't even used his secret beast taming technique! As long as he uses it, he will definitely be able to tame the lone Blood Wolf!"

.....

"Whoosh ..."

In the midst of everyone's discussion, a special true essence fluctuation gushed out of the body of the Grand shaman beast.

At the same time, the Grand shaman beast was also mumbling something, which sounded like an ancient wizard incantation.

As the incantation was recited, the true essence on the body of the beast Tamer honourable witch gradually transformed into the image of a majestic and sacred giant beast!

This giant beast looked like the king of all beasts, but also like a god of the beast race. Its might was enough to make most of the beasts yield!

Seeing this scene, the crowd burst out in exclamations.

"Quickly look! The beast taming honourable witch used her ultimate move! This was his most powerful technique, the divine beast soul subduing curse! He uses the beast God Dharma to suppress the spirit beast's state of mind, and then tames the spirit beast to obey Him!"

"Amazing! I've only heard that the beast God's soul subduing curse is the Grand shaman's most powerful beast taming technique, but I've finally seen it with my own eyes today! As expected, it's extraordinary and majestic!"

the beast Tamer Grand shaman used his ultimate move right from the start. It seems like he doesn't want to lose!

"Is there a need to say this? As long as the familiar Grand shaman can also tame the lone Blood Wolf, it'll be equivalent to a draw with young master Chen, and at least I'll be able to save face!"

"Yup! The beast Tamer honourable witch has always been targeting young master Chen, mocking, mocking, and looking down on him. If we lose this match, the beast Tamer honourable witch's face will be blown apart!"

even if it's for the sake of face, the Grand shaman will definitely use all his strength and definitely won't lose!

"I also don't think that the beast Tamer honourable witch will lose! However, if both sides draw, wouldn't there be an additional match?"

"Let's do an tiebreaker match! The beast Tamer honourable witch has the beast God Soul subduing curse, would he be afraid of young master Chen?"

.....

The crowd discussed animatedly, all of them looking highly upon the beast Tamer venerable witch.

After all, the beast Tamer honourable witch didn't hold back at all, using her ultimate move right from the start!

Those who knew about the beast Tamer Grand Wizard all knew that the beast Tamer Grand wizard's ultimate move could be said to be effective a hundred times. As long as the demonic beast's cultivation was lower than the beast Tamer Grand Wizard, it could be tamed directly!

This Blood Fiend lone wolf was several realms lower than the Grand shaman Imperial beast, wouldn't it be easy to tame it?

It was precisely because of this that everyone didn't think that the beast Tamer honourable witch would lose. They even thought that if there was an additional match, then the final winner would definitely be the beast Tamer honourable witch.

"Roar!"

However, following the murderous roar of the blood Wolf, everyone was slapped hard on the face.

This roar meant that the ultimate move of the beast Tamer Grand Wizard was completely ineffective against the lone Blood Wolf!

Not only was the lone Blood Wolf not tamed, it even wanted to kill the Grand shaman!

how ... How is this possible?!

Beast Tamer Grand shaman's expression froze, after trying for a long time, he finally had no choice but to give up."My ... My beast God Soul subduing curse has no effect on this Blood Fiend lone wolf ... Why is this happening? Why ..."

"Beast taming Grand shaman, I accept my loss!"

Chen Xiaobei raised his eyebrows and asked, "Do you accept this match or not?"

"I ... I ..."

The familiar Grand shaman's entire face was contorted, as if he had eaten a lump of hot poop, a depression that penetrated through his heart and liver, and also as if he had been madly slapped by an invisible slap. His face was red and hot, and he wished he could find a hole to hide in!

Before this, the beast Tamer Grand shaman had always been against Chen Xiaobei, mocking him and not taking him seriously.

But at this moment, the Grand shaman had already used all his strength and was still defeated by Chen Xiaobei.

This slap in the face was simply too painful!

"Can you tell me what is going on?"

The beast Tamer Grand shaman gritted his teeth and said with extreme unwillingness, "I want to know how I lost! Otherwise, I won't accept it even if you beat me to death!"

"It's simple!"

Chen Xiaobei rubbed the lone Blood wolf's head and said, "First of all, the little Wolf is a girl! Secondly, with my medical skills, I can see that it's lacking in qi and blood. It should have just given birth to a young wolf!"

In addition, I'm also proficient in the language of beasts. I told it that I have no intention of taming it. I just want to ask it to help me with something. As long as it agrees, I will keep it alive!

The demonic blood lone wolf is a proud and aloof person. It would rather die than submit to me. However, when it heard that I'm not trying to tame it, but to ask for its help, its hostility was greatly reduced and it stopped attacking me!

"At the same time, it thought that there was no one to take care of its newborn babies, so it agreed to my request! If he cooperates with me to win this match, I'll guarantee his safe escape!"

Everyone was shocked by his words.

No one would have thought that Chen Xiaobei would be able to pull off such a beautiful maneuver. It was simply unbelievable!

"You know about veterinarians? You even understand the language of beasts?" The beast Tamer looked at Chen Xiaobei as if he was looking at a monster. He could not believe that Chen Xiaobei knew so much!

"I've just started learning animal medicine and only know a little! I'm quite proficient in the language of beasts, so there's no difficulty in communicating!"

I don't think that a real Imperial monster is just intimidating a spiritual beast with its aura! Chen Xiaobei said. Only by understanding their feelings and treating them as friends could one treat them sincerely! This is the highest level of a Beast Tamer!"

"Hiss ..."

When the beast Tamer Grand shaman heard this, he immediately sucked in a breath of cold air, as if he was suddenly enlightened.

No one would have thought that the beast Tamer Grand shaman, who disliked Chen Xiaobei the most, would be kneeling on both knees and kowtowing to Chen Xiaobei.

"Listen to your words! It was better than reading a thousand years of books! I'm convinced! I'm sincerely convinced!"
