Chapter 2541: Ancient Witch Formation

"Chen Xiaobei? It's you!"

Mo lihai's eyes finally fell on Chen Xiaobei. "I really didn't expect to run into you in the vast mountains and seas! You're really everywhere!"

"You've seen my photo?"

Oh? " Chen Xiaobei raised his eyebrows. it seems like your master is from chanism, right? "

"Hehe, that's right!"

Mo lihai seemed to be filled with confidence. He nodded and said, " "I'm not afraid to tell you! The master of my contract is indeed under chanism!"

"It seems like you're very confident!"

what? " Chen Xiaobei smiled. do you really think you're a match for me? "

Mo lihai said indifferently, "if we were outside, I definitely wouldn't be your match!" But here, I have the confidence to exhaust you to death! You've made a great contribution to the master of my contract!"

"Exhaust me to death? Are you sure?" Chen Xiaobei laughed.

"You don't believe me?" "Then you'll have to wait and see!" Mo lihai laughed.

"Chi ... Chi ..."

In the next moment, the entire Grotto-heaven, the four walls, the ceiling, the ground, and all the densely packed wizard runes started to shine.

"Whoosh! Whoosh! Whoosh ..."

The countless runes emitted spiritual energy fluctuations. Like thousands of threads, they interweaved into a huge cage!

"Master! This ... This was a magical formation! We're all trapped inside!" Baili tiantu screamed in horror.

"Do I need you to tell me that? I can see it!"

Chen Xiaobei shrugged and said, " "The spiritual fluctuations of this array aren't strong! It shouldn't be too difficult to break the formation!"

"Xiaobei is right!" this formation's spiritual waves are only at three-star earth-god level! the six-eared macaque said disdainfully. You're dreaming if you think you can trap us!"

"I'll break the formation!"

Zhao Yun's eyes narrowed as she threw out a thousand superior-grade spirit stones. After they exploded, spirit Qi immediately filled the spear in her hand!

"Hiss!"

The next moment, a Dragon's Roar shook the sky!

As Zhao Yun thrust her spear forward, the power of a five-star earth-god erupted without any reservations!

The White Dragon Dharma power suddenly condensed, and the entire space was filled with white spiritual light!

As the White Dragon charged forward, it created layers of ripples as if the entire space was about to be crushed by the huge force!

"Break!"

die! Zhao Yun let out a low roar. The White Dragon energy construct crashed toward mo lihai like a meteor!

"Boom boom boom ..."

The White Dragon energy construct crashed into the green barrier, and a terrifying energy impact was triggered!

Just the strong wind brought about by the shock wave was enough to send Baili tiantu's men and horses tumbling.

With his 50 million physical soul, Chen Xiaobei was barely able to hold on. Six-eared macaque was also hiding behind Chen Xiaobei so that he did not fall.

From this, it could be seen that this power was really very terrifying!

Logically speaking, such a terrifying force should be able to break a three-star earth-god level array easily!

However, to everyone's surprise, the green barrier protecting mo lihai didn't collapse! On the contrary, it blasted out an even stronger force, forcing Zhao Yun to retreat more than ten steps before he could barely stand firm.

how did this happen?!

Zhao Yun's brows furrowed and her face was filled with surprise."The spiritual fluctuations of the array have become stronger! The power that he had just unleashed had reached the level of a mid-stage five-star earth-god! Fortunately, I have the treasured armor to protect my body. Otherwise, I would have been either dead or injured!"

"Hahaha ..."

Mo lihai burst out laughing,"do you think I'm stupid?" If he didn't have full confidence! How could I possibly sit here and joke around with you guys? How could I tell you that my master is from chanism?"

"It's just a five-star earth-god level array, right? Look at how smug you are! You don't even know what your last name is anymore, do you?"

Six-eared macaque stepped forward and shouted, " Zhao Yun! Come back! I'll take care of him!"

"Good! I'll leave it to you!" Zhao Yun's earth-god instrument was not strong enough, so she could only retreat for now.

"Mountain river! Break! Shatter!"

The six-eared macaque let out an angry roar, and its eyes were filled with the desire to fight!

The mountain and river fan had been filled with spiritual Qi for a long time. At this moment, with a sudden wave of his arm, trillions of low-grade spiritual Qi were immediately burned out!

Whoosh ... Boom ...

The next moment, the power of the mountain and river fan, which was a six-star earth-god, burst out without any reservation!

A huge amount of earth true essence in the fan condensed into a mountain! The same amount of water ethereal force formed a long river!

Mountains and rivers ran parallel to each other! It carried a vast and enormous power! It brazenly crushed down towards mo lihai!

The terrifying power almost caused the entire tiger emperor mountain to tremble!

The huge mountain and river had yet to truly fall, but the aftermath of the strong wind alone had pressed Baili tiantu to the ground. He couldn't even get up!

If the attack had landed directly on Baili tiantu, he would have been crushed into a pile of meat paste in an instant!

One could only imagine how terrifying the power of the mountains and rivers was!

"Chi ..."

However, at this moment, the countless sorcerer tribesmen's runes in the surroundings all released their intense true core strength, which rapidly supplemented mo lihai's side!

Not only that, but the vital essence this time was even more intense than before, even close to the level of a seven-star earth-god!

"BOOM! BOOM!"

With two loud explosions, the mountains and rivers crashed into the green barrier around mo lihai.

Unfortunately, in the face of an even more powerful force, the mountains and rivers all collapsed.

"Whoosh!"

In the next moment, a force that was almost at the level of a seven-star earth-god was reflected back at the six-eared macaque!

"This is bad!"

Six-eared macaque's face changed. The fan in his hand was only an early-stage six-star earth-god, so it couldn't withstand the powerful vital essence!

"We're finished!"

Upon seeing the scene before her, sister Yun's face turned pale as her heart clenched. "Liu er can't block this attack! He'll either be dead or injured!"

"Hahaha! I already said it! All of you will die today!"

Mo lihai laughed triumphantly, "this formation is a formation of the ancient sorcerer clan!" The few of you are now like toys in my palm! Other than waiting for death! There was no other way out! Six-eared macaque was the first one to die! Hahaha ..."

it's over this time ... six-eared macaque's face was ashen. He was in despair. He had given up on resisting and was waiting for death.

"Ling jiuxiao!"

However, at this critical moment, Chen Xiaobei suddenly appeared in front of six-eared macaque.

"Xiaobei? What are you doing?"

Everyone was shocked by what they saw.

Chen Xiaobei had appeared in front of six-eared macaque, which meant that he was going to block the fatal ethereal force with his own hands!

In that split second, Chen Xiaobei had enough time to flash away, but he did not have the time to use his trump card to defend himself!

hahaha ... mo lihai burst into laughter upon seeing this. "Chen Xiaobei! You're not scared silly, are you? He actually jumped out to commit suicide?"

Chen Xiaobei said, "If you can even hurt a single hair on my head, you win!"

Chapter 2542: Strength Strategy

"Pretentious! This was a power that was close to that of a seven-star earth-god! How can I not hurt you? Hahaha ..."

Mo lihai laughed out loud, "you're just a stubborn brat who won't shed tears until you see the coffin!" If you still have a single strand of hair left after this attack, I'll consider it my loss! Hahaha ..."

"Boom ..."

Before he could finish his sentence, the ethereal force had already landed on Chen Xiaobei!

However, when the ethereal force dissipated, Chen Xiaobei was still standing there unscathed!

"This ... Cough cough cough ..."

Mo lihai, who was still laughing heartily a second ago, almost choked to death by his own saliva. His face was filled with bewilderment, and he simply couldn't believe his eyes!

"Heavens! Xiaobei! You're too awesome! How ... How did you do that?" Zhao Yun was also dumbfounded.

Baili tiantu was scared out of his wits. He stood rooted to the ground and swallowed his saliva, unable to utter a single word!

"I got it!"

The six-eared macaque was still in despair a second ago, but now it said excitedly, "Xiaobei! When did you upgrade your master-protecting puppet? How come I didn't know about it?"

That's right! Chen Xiaobei had already upgraded his master-protecting puppet to a seven-star earth-god, and this time, it managed to block the fatal blow from the formation!

a master-protecting puppet!?

Mo lihai was, after all, the reincarnation of the Heavenly King of the East. He naturally knew the effects of the master-protecting puppet. "Hmph! The master-protecting puppet could only be used once within 24 hours! You're lucky this time, but won't you die next time?"

"Xiaobei! What do we do now?" Zhao Yun began to worry.

"What else can we do? Just wait for death!" hahahaha ... mo lihai laughed again. Chen Xiaobei's strongest card is the pinnacle infinite sword formation. It only has the power of an early seven-star earth-god, so there's no way it can break the ancient witch formation!

"Clang! Clang! Clang! Clang!"

Chen Xiaobei took out his four demonic swords and said, "How would you know if you don't try?"

When mo lihai heard this, not only was he not afraid, but he was also extremely arrogant. "Come on! You can try! I'm sitting right here! If you can hurt a single strand of my hair with your words just now, you win!"

"You're really confident!"

Chen Xiaobei sighed and said, "I give up! I can't break this array either!"

As soon as these words were spoken, mo lihai's expression immediately turned a little disappointed. He hurriedly incited, "Don't! Don't give up! Hurry up and try it! Maybe you'll succeed!"

It was not difficult to see that although the ancient sorcery formation in the grotto-heaven was powerful, it would only retaliate when it was attacked! And the power of the counterattack would be stronger than the attacker's power!

In other words, mo lihai himself was unable to launch an attack!

That was why mo lihai really wanted Chen Xiaobei to make a move! This way, the force of the impact would kill Chen Xiaobei, who did not have a master-protecting puppet!

Obviously, Chen Xiaobei had already seen through this, which was why he had suddenly given up on attacking.

Seeing mo lihai's disappointed expression, Chen Xiaobei was even more certain of this. He would not attack!

After all, the master-protecting puppet had lost its effect, and Chen Xiaobei would not risk his life!

"Xiaobei! Quickly contact the prime of Tongtian for help!" Six-eared macaque reminded.

"Don't waste your time!"

of course! mo lihai laughed. there are several layers of space restrictions within this ancient sorcery formation. Not only is the Three Realms immortal web blocked, but even your returning bracelets can't open the space gate! Either you break the formation, or you'll be trapped here until you die!"

there's really no signal ... Chen Xiaobei took out his phone and looked at it. it's over ... It's really over this time ... We're really going to die Here!

"Xiaobei! What are you doing?"

" you ... sister Yun's brows furrowed. I really can't believe that you would actually say such cowardly words!

I don't want to run away ... Chen Xiaobei turned to look at Zhao Yun and blinked his eyes. unfortunately, we've already become turtles in a jar. Other than waiting for death, tell me, what other way out is there? "

Zhao Yun was not stupid. When she saw Chen Xiaobei blink, she immediately understood that Chen Xiaobei was just acting. He was pretending to be scared so that mo lihai would let his guard down.

sigh ... Zhao Yun let out a long sigh and started acting as well."I shouldn't have said that you're a coward ... Because I don't know how we can survive ... If we can't break the array, we'll be trapped here ... We're dead!"

"That's not right!"

Baili tiantu was a fool. He didn't see that the two big shots were acting. He said seriously, " "Even though we can't break the formation, mo lihai can't kill us either! At most, we'll just be wasting time here, it's not certain that we'll die!"

"Idiot! What do you know?"

The six-eared macaque was smart. It glared at Baili tiantu and said, " "Shen Gongbao is behind mo lihai! That's our greatest enemy!"

"Mo lihai is not a member of the Sorcerer tribe. He must have received instructions from Shen Gongbao to find these ruins! If we continue to waste time here and Mo lihai doesn't return, Shen Gongbao will definitely come looking for us. By then, we won't even know how we died!"

Baili tiantu, Chen Xiaobei, and Zhao Yun all agreed with him.

Chen Xiaobei, especially, felt a strong sense of urgency!

The lone Blood Wolf had said that mo lihai was familiar with the mountain terrain and had come straight for this place.

It was clear that mo lihai's finding of this place was absolutely not a coincidence! There must be an expert guiding him from behind!

If he was right, the clan of enlightenment would have selected many ancestors and Grand sorcerers in the winter solstice festival. They must know a lot about the relics of the ancient Sorcery!

In other words, there were probably a large number of reincarnated earth Immortals under the clan of enlightenment, looking for opportunities to improve their strength!

Mo lihai was just one of them!

Once these reincarnated earth Immortals obtained the ancient inheritance, their strength would definitely soar!

By then, Chen Xiaobei would have to face more than just one or two strong enemies!

It was likely to be an entire Army of earth Immortals of the clan of enlightenment with terrifying cultivation!

Chen Xiaobei felt an unprecedented sense of uneasiness. The enemy was getting stronger and stronger, but he had not improved much. If they started a war, the consequences would be unimaginable!

"Hahaha ... Chen Xiaobei! There's also such a day!"

Mo lihai laughed complacently and said, "exalted immortal Shen was the one who told me about these ruins!" If I don't return within seven days, he'll definitely send people to look for me! If you break the formation now, you'll die! He would die if he continued to waste time! Hahaha ..."

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

Chen Xiaobei kept the four demonic swords and asked, "I've completely given up ... But can you let me die with a clear reason? Whose ruins was this hollow? It's actually that powerful?"

[Red Envelope Group of the Three Realms](#)

Chapter 2543: You Deserve It

"Hmph! You're already dead anyway! I'm not afraid to tell you!"

Mo lihai's face was filled with a smug smile. Thinking that he had trapped Chen Xiaobei, he said without any hesitation, "This cave belongs to a secret great sorcerer of the ancient sorcerer clan! You might not know his name! But you must know his disciple!"

"Who is his disciple?" Chen Xiaobei was taken aback.

Mo lihai smiled indifferently and said, "this hidden great wizard has a total of nine disciples. You don't know eight of them either. The one you know is called Bai Qi!"

"Bai Qi?" Chen Xiaobei's heart was in turmoil.

He had never thought that the inheritance in this Grotto-heaven was actually left behind by Bai Qi's master!

"This Bai Qi can also be considered a genius!"

Mo lihai said, " after the war between the Sorcerer and demon tribes, the Sorcerer tribe declined and was suppressed by the heavenly court. In the past hundreds of millions of years, there has only been one top genius like Bai Qi!"

"In his teens, Bai Qi had already reached the nascent Soul Stage! If he's allowed to grow, he'll ascend to the heavenly realm sooner or later and become a great threat to the heavenly court!"

"This matter even caused the demon Slayer Starlord to personally descend to the mortal world to kill Bai Qi! However, what was even more unbelievable was that after slaying fiend Starlord descended, he chased after Bai Qi for hundreds of millions of years and still hasn't been able to completely kill him!"

It was obvious that mo lihai was now 100% loyal to his contracted master. He had only learned of these secrets from his contracted master before he came here.

"In that case, why didn't bai Qi come here to receive the inheritance?" Chen Xiaobei asked again.

"How would I know why he didn't come?"

Mo lihai thought for a moment and said, " Bai Qi's master had nine disciples. Perhaps he liked one of the other disciples more and designated the inheritance to someone else. If that's the case, Bai Qi naturally wouldn't have much to do!

"Something's wrong!"

no! Chen Xiaobei shook his head and said, " which Sifu doesn't like talented disciples? Furthermore, Bai Qi's talent is at a level that is rarely seen in a trillion years!"

"Xiaobei is right!" Six-eared macaque nodded and said,"I also think that when Bai Qi's master left behind the inheritance, his first choice would definitely be Bai Qi!" Only in this way can this legacy be brought to greater heights!"

"Uh ... Let's just say that what you guys said makes sense."

Mo lihai couldn't refute him. He curled his lips and said, " "Maybe Bai Qi thinks that he is extremely talented. Even if he doesn't want the inheritance here, he can still cultivate to the realm he wants. Therefore, he is too lazy to accept it!"

"Hmm, that's a good reason!"

that's right! Chen Xiaobei nodded. if any immortal cultivator's goal is to reach the peak of the immortal path, they can not rely on external forces to increase their cultivation. They can only rely on themselves to improve step by step! Otherwise, if your Foundation is not stable, you will never be able to reach the peak in your life!"

This was what second senior brother had said to Chen Xiaobei.

The peak of the immortal cultivation path was the peak of Dao verification and becoming a saint!

Only when one's Dao heart was clear and their Foundation was solid would they have the chance to step onto the peak!

Therefore, any immortal cultivator with the ambition to become a saint must rely on their own efforts to steadily improve. They must not rely on external forces to forcibly accumulate and increase their cultivation!

Otherwise, one's Foundation would be like tofu. The higher one's cultivation, the easier it would be for it to collapse!

One had to know that the immortals in the heavenly realm had long lifespans, which was almost equivalent to immortality. With sufficient time, they could accumulate spiritual energy and resources infinitely!

However, many Immortals would stop advancing after reaching a certain realm!

This was because some of their foundations had not been laid well on the path of immortal cultivation. They could not and dared not to improve their cultivation realms!

Once the foundation collapsed, the lightest consequence would be Qi deviation and the soul would be injured, and the worst would be the body exploding and the soul scattering!

In other words, if a person did not have any pursuits and just wanted to be an ordinary immortal, then he could completely ignore his Dao heart and Foundation on the path of immortal cultivation. He could quickly improve his cultivation with the help of medicinal pills, inheritances, and evil Arts.

However, if a person had an extremely high pursuit and wanted to rush to the peak of the immortal Dao, then his immortal cultivation path must pursue the perfect growth of his Dao heart and Foundation, and he could not rely on external forces to forcibly pull up his cultivation!

From this, it could be seen that Baiqi had a super talent that was rarely seen in billions of years. He must have the ambition to reach the peak of the celestial path!

Therefore, it was completely reasonable for Bai Qi to not come here to inherit the legacy!

"Although Bai Qi has his reasons for not coming, his master should still want to leave the inheritance to him!" Chen Xiaobei said.

"Hmph, why do you care so much?"

Mo lihai said disdainfully, "you're going to die soon, yet you still have the mood to study the problem of someone else's inheritance?" I'm really worrying for nothing!"

"Of course I'm going to care!"

hehe! Chen Xiaobei laughed. if I don't figure out the cause and effect, how can I break the magical formation here? "

"Break the formation? Are you talking in your sleep?"

Mo lihai sneered disdainfully, " your strongest trump card is the pinnacle infinite sword formation. Not only can't you hurt me, but you'll also be killed by the backlash! If you don't believe me, you can try! Oh no! I'm begging you to give it a try! Hahaha ..."

"Clang"

Chen Xiaobei took out a long sword that glowed with a cold light and emitted a murderous aura!

"Hiss ..."

As soon as the sword was drawn, Baili tiantu immediately gasped and exclaimed, " "What a terrifying baleful Qi ... Swords are originally dead things. If they don't experience the baptism of a mountain of corpses and a sea of blood, they won't have such sword Qi! I'm afraid that no less than 100000 souls have died under this sword!"

"This ..."

Even mo lihai's heart turned cold as he said awkwardly, " "This baleful Qi is indeed terrifyingly strong! Since when did Chen Xiaobei have this trump card? I'm really envious!"

"Xiaobei, you're not going to use this sword to break the formation, are you?"

Six-eared macaque frowned. this sword is strong, but it's only a six-star earth-god level weapon. It's similar to the fan of mountains and rivers you gave me. There's no way it can break the formation!

"Xiaobei! Don't be rash!" Seeing this, sister Yun quickly advised, " your master-protecting puppet has lost its effectiveness. You'll be in danger if you use a six-star earth-god instrument to attack!

"Master! Please don't!" Baili tiantu also screamed, " "Even I understand such a simple logic. Master, you're so smart, there's no reason you don't understand!"

Chen Xiaobei laughed, " Even an idiot like you can understand this logic! How can I not understand?"

"Ah?"

Baili tiantu's expression froze for a moment before he suddenly understood. "Master! Could it be that the sword in your hand is special? It can be used to break this formation?"

how ... How is this possible?! Mo lihai's expression changed drastically, and he became nervous.

"Could it be That this sword is Bai Qi's?"

"The name of the sword is God of killing!" Chen Xiaobei smiled. You deserve it!"

[Red Envelope Group of the Three Realms](#)

Chapter 2544: Breaking It With A Single Strike

"What? Why is Bai Qi's God slaying sword in your hands?"

Mo lihai's expression changed drastically, as if he had seen a ghost. His pupils contracted uncontrollably, and his entire body began to tremble.

"That's great! Xiaobei! When did you get the God-killing sword? We can break the formation now!" Six-eared macaque and sister Yun were excited. They no longer needed to act like cowards.

"Master ..."

Baili tiantu asked in confusion, " "What's so special about this God-slaying sword? It's just a six-star earth-god instrument, how can it break the array?"

"First of all, this sword belongs to Bai Qi! Back then, he was only in the nascent Soul Stage. It's obvious that this God-slaying sword is the most important treasure to him!"

"Secondly, Bai Qi's Sifu wanted to pass on his legacy to Bai Qi! Although Baiqi doesn't want it, his master will definitely give him another chance!"

"What chance?" Baili tiantu asked in confusion.

"A chance to regret!"

"Bai Qi did not want this inheritance at first, but if he wants it again one day, he will come back here!" If this place is not occupied by others, Bai Qi will be able to successfully inherit the legacy!"

"However, if this place has already been occupied by someone else, Bai Qi will have to break the formation in order to retrieve the inheritance! If we want to break this formation, we will have to use Baiqi's most powerful magic treasure, the God slaying sword!"

Zhao Yun and six-eared macaque nodded in agreement.

Baili tiantu was still confused. "Master, this is just your speculation! Without any evidence, if the God-slaying sword doesn't work, the backlash from the formation will kill you!"

"You're really stupid! Isn't the evidence already written on mo lihai's face?"

I don't know! Chen Xiaobei said disdainfully, " it's just a guess! I don't have any evidence! However, the moment that idiot mo lihai heard me say that this was the God-slaying sword, his expression completely changed! This is a classic case of confessing!"

"Oh! I understand now! Master's speculation was right! The God-slaying sword was the key to breaking the formation! It was precisely because of this that mo lihai revealed an expression as if he had seen a ghost!"

Baili tiantu suddenly understood and then laughed evilly. "My master is so good at acting! If mo lihai had even one ten-thousandth of my master's acting skills, he would probably be able to fool all of us!"

"You ... You guys ..."

Upon hearing this conversation, mo lihai's face turned green. He gritted his teeth and cursed, " "Chen Xiaobei! You old sneaky bastard! You're tricking me!"

"Since ancient times, true love can't be kept, only tricks can win people's hearts!"

"You're the one who's too naive!" Chen Xiaobei laughed. I, Chen Xiaobei, would rather die than surrender! Did you really think that I would give up resisting and wait for my death? If I don't trick you, who else would I trick?"

pfft ... mo lihai was extremely depressed when he heard this. He almost spat out a mouthful of blood.

From the moment Chen Xiaobei kept the four demonic swords, he had already set Mo Lihai up!

Chen Xiaobei had Mo Lihai let his guard down first, and then he would get information about the ruins from Mo Lihai!

Finally, Chen Xiaobei used his intelligence to come up with a way to break the formation. He showed Mo Lihai the God-slaying sword, and from Mo Lihai's expression, he could tell that his speculation was correct!

"Break!"

Chen Xiaobei connected with the Godslayer's spirit.

Although there was still a trace of Bai Qi's primordial spirit mark on the sword, it did not stop Chen Xiaobei from activating a portion of the sword Qi!

"Whoosh!"

Before he could finish his words, a terrifying whirlwind suddenly burst out of the God-killing sword!

As if it was made of blood, the whirlwind was a terrifying red. Thousands of blood-red skeletons appeared!

In an instant, time and space were filled with an extremely cold and murderous aura. It was as if a god of death had descended. With a single sword strike, millions of corpses were buried and blood flowed like a river!

"Don't! Don't break the formation! Don't snatch my fortune ..."

Upon seeing this, Mo Lihai immediately wailed in grief. Clearly, he also knew that he had lost the upper hand with this sword!

"Stop struggling! You're a disciple of the tribe of severity, so I won't kill you! It's better to be caught by me than to sell your life to Chanism!"

Chen Xiaobei did not hesitate and swung his sword!

"Roar! Wuwuwu ..."

In an instant, thousands of blood-colored skeletal Dharma forms suddenly charged at Mo Lihai like an Army of thousands!

"Whoo ... Whoo ..."

The whirlwind swept past, and the green barrier around Mo Lihai instantly became useless. It was directly wiped out and vanished into thin air!

Chen Xiaobei took a step forward, went to Mo Lihai's side, and knocked him out with one palm.

After losing consciousness, Mo Lihai could not resist and was locked up in the spirit condensing space by Chen Xiaobei.

At this point, there were already four people locked up in the spirit condensation space: Zhu Tianlin, Li Qi, Mo Lihai, and Hua Tuo.

Imprisonment was absolutely necessary! Otherwise, they would sell their lives to Chanism!

The clan of enlightenment would not treasure their lives. If necessary, they would even sacrifice them in exchange for benefits!

Chen Xiaobei's imprisonment could effectively protect them.

At the same time, as long as Chen Xiaobei could settle their contract master, they could regain their freedom! In the end, it was all for their own good!

"Done!"

"Bro Zilong!" Chen Xiaobei said. You can inherit this opportunity!"

"Me?"

"How can that be?" Zhao Yun's expression froze. With the protection of such a powerful ancient sorcery formation, this inheritance should be able to greatly increase his cultivation! It's even possible for you to increase your cultivation by a few levels. You should be the one to inherit it!"

"Old Zhao! Don't decline!" Xiaobei's goal is to become a saint, " six-eared macaque said. he doesn't need this!

"What? To become a saint?"

Hearing that, sister Yun's eyes widened in shock. She could not believe her ears. "Becoming a heavenly path Sage is the pinnacle of the immortal path! There was nothing more difficult than this in the Three Realms! I don't even dare to think about it ..."

"Don't say it's you! Even some ancient Immortals didn't dare to think about it! But Xiaobei is different!"

Six-eared macaque pouted and said, " Xiaobei is very talented. He has the support of the prime of Tongtian. He has the responsibility to revive the tribe of Jie! More importantly, little north already had the greatest chance to become a saint! Rahu! Emperor River! Taiyi!"

"Understood!"

that's right. Zhao Yun nodded and said, " ever since Pangu created the heavens, there have been countless living beings and powerful beings, but there have only been seven heavenly Dao Saints! There was no need to say more about the difficulty of Dao vindication! I don't even dare to hope! I only hope that I can help little north Reach the peak of the immortal Dao!"

"That's why I said that you should be the one to inherit this opportunity!" " increase your strength, " six-eared macaque said calmly. that's the only way you can help Xiaobei!

"Alright!"

" that's right! Zhao Yun nodded and said passionately, " let's see how much I can increase my cultivation!

Red Envelope Group of the Three Realms

Chapter 2545: Super Legacy

It was obvious that becoming a saint was the peak of the celestial Dao. It was not that Zhao Yun did not have the ambition, but that ambition needed to be supported by reality and not daydreaming!

In reality, Chen Xiaobei already had a lot of advantages, but he still did not dare to say that he could become a saint with 100% certainty!

The average person, on the other hand, was far inferior to Chen Xiaobei in all aspects. It was impossible for them to become a saint! It was meaningless!

for this reason, Zhao Yun happily accepted the legacy.

Even if one day, his cultivation would come to an end, to be able to see his good brother Chen Xiaobei soar all the way to the top of the celestial path would still be a very satisfying and fulfilling thing!

"Chi ..."

Zhao Yun walked to the small platform at the center of the grotto-heaven and sat down cross-legged on it.

with a thought, Zhao Yun directly communicated with the formation protecting the grotto-heaven and successfully activated the ancient legacy within it.

"It's starting! We can feel a mysterious power flowing into my body."

Zhao Yun was instantly excited. However, after pondering for a while, she frowned and said, "Xiaobei! It's a long process, maybe seven days. I'll miss New Year's Eve and might even attract Shen Gongbao!"

"Don't rush!"

"I'll use the sunlight cache first!" Chen Xiaobei said with a smile. I'll get it done for you in seven minutes!"

Chen Xiaobei then entered the verdant Emperor's divine gourd and took out the sunlight cache and a Titan Warrior.

With the Titan Warrior activating the sunlight cache, seven minutes passed. Under the protection of the sunlight, Zhao Yun had spent seven days.

"Chi ..."

As a violent spiritual fluctuation was transmitted over, the array in the entire Grotto-heaven gradually began to lose its effectiveness!

The green barrier gradually disappeared, and the runes on the surrounding stone walls also dimmed!

"Phew ..."

In the next moment, sister Yun heaved a long sigh of relief. A relaxed and joyous expression appeared on her face. "It's done! I've already accepted master Baiqi's inheritance! However, I still need some time to digest it and convert it into my cultivation base!"

"Heavens! This inheritance is too terrifying!"

what?! Baili tiantu exclaimed, " seven days and we've only received the inheritance! Wouldn't it take 7000 days to digest it? Seventy thousand days?"

"Time is not a problem. With the sunlight cache, it's easy to solve!"

Chen Xiaobei calmed himself down and asked, " The main point is, once the inheritance is fully digested, will I be able to inherit all of master Baiqi's strength? How terrifying would that be?"

"In theory, yes!"

" that's right! Zhao Yun nodded her head and said, " as long as I digest all of the legacy, I will be able to reach the cultivation level of Bai Qi's master!

"What realm is that?" Everyone's eyes were wide open as they asked expectantly.

"Seven-star earth-god level!" Said Zhao Yun.

"What the f * ck! Mr. Zhao! You're so lucky!"

Baili tiantu was extremely envious. "The seven-star earth-god level is a huge hurdle in the earth-god Realm! Countless six-star earth Immortals have been stopped by this barrier and never break through to seven-star in their entire lives!"

"How is this luck?"

"It's all thanks to Xiaobei!" Zhao Yun shook her head. If Xiaobei didn't take out the God-slaying sword, I would've been dead. I wouldn't have had the chance to get this great fortune!"

"Yes, yes, yes! This is all master's credit!"

"However, I still want to congratulate Mr. Zhao!" Baili tiantu said with a smile. In the Nanzhan state, only the leaders of the major forces could reach the seven-star earth-god Realm! You've reached the heavens in a single bound!"

" that's right! Zhao Yun smiled and said, " it was all thanks to Xiao bei that I was able to reach the heavens!

"Xiaobei! You're biased! I also want to improve my cultivation!"

Six-eared macaque was jealous. He acted like a child and said, " "Go and capture a seven-star earth-god for me and let me transform! Otherwise, I won't play with you anymore! Hmph!"

"Uh ... I almost forgot that Liu er is also a monkey!" Chen Xiaobei was annoyed and said, " it's not that I'm biased, but I'm not sure if I can defeat a seven-star earth-god yet. How can I help you catch him? "

"I don't care! I don't care! I want it! I want it!" Six-eared macaque was now pestering Chen Xiaobei.

"Six ears! Don't make things difficult for Xiaobei!"

" hehe. Zhao Yun smiled indifferently and said, " wait for me to digest all the inheritance. Then, you can take on my appearance! This way, your cultivation level will be exactly the same as mine. Is that okay?"

"Good idea!"

Six-eared macaque's eyes lit up. "Let's do this! At that time, my cultivation level will be exactly the same as yours, and my appearance will also be the same as yours. That will be fair!"

"Speaking of looks, I've thought of something!"

Chen Xiaobei said, " we can't go back to the Moli sea. Shen Gongbao will come here sooner or later. If he finds the Jiuli tribe, the consequences will be unimaginable!"

"Then what should we do?" Zhao Yun's brows furrowed.

"I can only rely on six ears!" Chen Xiaobei raised his eyebrows and smiled evilly.

"You want me to become that fool mo lihai? I refuse!" Six-eared macaque pouted, his face full of disdain.

"Alright! You can refuse!"

Chen Xiaobei shrugged and grinned. however, when you're about to transform, don't come to me for spirit stones. I'll reject you!

this ... six-eared macaque had no choice but to agree."Alright, I'll transform into mo lihai first and help you to stabilize Shen Gongbao!"

"That's a good girl!" Chen Xiaobei grinned and brought six-eared macaque into the Meru space.

.....

Mo lihai was still unconscious. Six-eared macaque spent one million upper spiritual stones to transform into mo lihai's appearance and obtain his memories and abilities.

Of course, after the six-eared macaque transformed, the ability that originally belonged to Hua Tuo would be lost.

After that, Chen Xiaobei took mo lihai's storage bracelet and gave it to six-eared macaque. come back with us for the new year. Seven days later, you will return to Shen Gongbao's side. Keep him under control and keep an eye on him. If anything happens, tell me immediately!

"I know what to do!" The six-eared macaque put on mo lihai's storage bracelet, and there were no flaws on its body.

After that, Chen Xiaobei sent mo lihai back to the spirit condensing dimension and brought six-eared macaque back to the real world.

"Brother Zilong!" "Next, you will enter the verdant Emperor's divine gourd and use the sunlight cache's special ability to digest the legacy! On New Year's Eve, I'll come in and invite you to celebrate the new year together!"

"Alright!"

" that's right! Zhao Yun nodded her head and said, " there are still five days until New Year's Eve. I'm really looking forward to it!

"I'm also looking forward to it!" Chen Xiaobei grinned.

Ding Ling Ling Ling

Suddenly, Chen Xiaobei's phone rang. It was Ying Zheng!

Red Envelope Group of the Three Realms

Chapter 2546: Wild Beast Forest

"Eh? I thought there was no signal in this hollow?"

Baili tiantu asked in confusion, " "Master, why is your phone ringing?"

"Are you stupid?"

" the formation in the grotto-heaven is no longer working, " six-eared macaque said. the signal blocking is no longer working!

Chen Xiaobei ignored them and picked up the phone. "Brother Ying Zheng! We haven't been in contact for a long time! How have you been?"

From the other end of the line came Ying Zheng's anxious voice, " "Good brother! There was no time for formalities! Diaochan has been captured, and Lu Bu is in danger as well. Come and save them!"

"Where are you guys? I'll come over immediately!" Chen Xiaobei's face turned serious.

"We're in the wild beast forest!" Ying Zheng said hurriedly. I'll send you the location! Hurry up and come!"

"Alright!"

Chen Xiaobei hung up the phone, took out the sunlight cache, and sent Zhaohe and the Titan Warrior into the verdant Emperor's divine gourd!

He put the sunlight box back and continued to help the blood Kirin's blood essence absorb spirit Qi!

At the same time, Zhao Yun sat in the sunlight cache's special ability area and began to digest the inheritance energy that she had just obtained!

Without stopping, Chen Xiaobei returned to the real world.

Six-eared macaque wanted to calm Shen Gongbao down, so he stayed in the grotto. Chen Xiaobei had given him enough spiritual stones for him to cultivate for a few days.

As for Baili tiantu, Chen Xiaobei needed him to lead the way, so he took him with him and left the grotto-heaven.

.....

"What? Master, you want to go to the wild beast forest?" When Baili tiantu heard this, his pupils contracted uncontrollably, as if he had been greatly frightened.

"That's right! I must go!" Chen Xiaobei rode on the somersault cloud and brought Baili tiantu out of the vast mountains and sea.

"I can't go!"

"The wild beast forest is in the northern part of Jambu state, where a large number of demonic sects and orthodoxies are gathered!" Baili tiantu wailed. Powerful demons and ghosts emerged one after another! Furthermore, they hated the human race to the core! If we run there, we'll be sending sheep into the Tiger's mouth!"

"The territory of the demonic sect?"

Chen Xiaobei was surprised. "Then all the more I want to go! Little Diao Chan and the others must be in danger because they are trying to help me investigate little Daji's whereabouts! If I don't go and save them, am I still human?"

"I really can't go!"

"The major forces in the wild beast forest have been at war with the human army all year round," Baili tiantu said in a sorrowful voice. "They've long since formed a great enmity that will not rest until one of them is dead! It's a forbidden area for humans. Even a peak earth level deity doesn't dare to go there!"

Chen Xiaobei was not afraid at all. "If you're afraid, you can go home by yourself once we're out of the forest. Stop talking nonsense here!"

"No, no, no! I'm 100% loyal to my master. Even if my master wants me to die, I won't refuse!"

Baili tiantu frowned and said anxiously, "I'm just worried about your safety, master! I'm afraid you won't be able to return!"

"Alright! Stop saying these words, don't say them again!"

Chen Xiaobei said, "In my eyes, family and friends are more important than anything else! If I can't even protect them, how can I have the face to stand in this world?"

I understand ... I won't say anymore ... Baili tiantu sighed. "Since master is determined to die, I swear to follow you!"

"Die, your head!" "It's just a demon, isn't it?" Chen Xiaobei said. If they want my life, they'll have to see if they have the ability to do so!"

Baili tiantu swallowed his saliva and said awkwardly, "I hope we can survive ..."

.....

Giant axe city.

Those who had seen Chen Xiaobei were either dead or in the castle.

At that moment, Chen Xiaobei and Baili tiantu were swaggering around giant axe city. No one recognized them.

They were using the teleportation portal in Greataxe city.

Chen Xiaobei and Baili tiantu quickly made their way to the Seawatch city, which was located in the northern part of the Nanzhan state.

Seawatch city was the main city of the orthodoxy and was also the human main city closest to the wild beast forest.

The teleportation array could only reach this point. For the rest of the journey, he would need to use the somersault cloud.

Chen Xiaobei did not stay in the city for long. He stepped on the somersault cloud and rushed into the forest with Baili tiantu.

"What a huge forest ..."

Chen Xiaobei gasped in surprise when he was in the air.

Although they were still very far away, they could already see a vast and dense forest ahead.

It was like a dark green ocean! There was no end in sight!

It was so large that it could even be compared to the vast mountains and seas!

the reason why seawatch city is called 'seawatch' is because it looks at the sea of forests, right? "

Chen Xiaobei looked at the magnificent scene in front of him and could not help but sigh.

"The two words" ocean view "are actually two tests!"

Baili tiantu explained,"the first meaning is to look at The Sea of Trees!" The second meaning is that we hope to reach the North Sea!"

"North Sea?" Chen Xiaobei was surprised. "Where is the North Sea? How come I didn't see it?"

"The North Sea is just behind the wild beast forest!"

"The founder of the Seawatch city hoped to take down the Mad beast forest and occupy all the land from here to the coast of the North Sea!" Baili tiantu explained. It's a pity that the Mad beast forest hasn't been taken down after a long time, and the founder's wish has never been realized. Therefore, we can only hope!"

"Look at The Sea of Trees! I hope for the North Sea!"

"The founder is really ambitious!" Chen Xiaobei thought. If we really let him take down the wild beast forest, I'm afraid he will have to cross the sea and fight his way to Northern kulu's Luzhou!"

"Yup!"

Baili tiantu nodded and said,"men strive for luck, gods strive for incense!" The Taoist sect is determined to expand. If a gap is really torn in Luzhou, the demonic sect orthodoxy there will inevitably be greatly impacted!"

"If I'm not wrong, Luzhou in Northern Kuru must have been supporting mad beast forest!" That's why the wild beast forest has been able to defend until now. Not only has it not lost an inch of land, but it has also made the human race tremble in fear!"

"That's right! Master's judgment is completely correct!"

Baili tiantu nodded and said, " the demonic orthodoxy forces of the northern kuruzhou have deployed a large number of troops in the wild beast forest. They have invested a huge amount of money and energy. They have long turned the wild beast forest into an unbreakable forbidden land! Even a peak earth immortal realm warrior of the human race can't come out alive!"

"Even a peak earth immortal has to die?" Chen Xiaobei was surprised. "Could it be that there's a sky immortal level formation in the forest?"

"It's not an array ..."

Baili tiantu shook his head and said solemnly, " "In the wild beast forest, there's a super monstrous genius guarding it! This Super Freak even has a heaven immortal artifact in his hands!"

a heaven-immortal artifact?! Chen Xiaobei's heart tightened. He felt a great threat.

How should he break out of this situation this time?

[Red Envelope Group of the Three Realms](#)

Chapter 2547: Captured Instantly

With Chen Xiaobei's current strength, not even a seven-star earth-god could defeat him. If the enemy really took out a heaven-immortal instrument, Chen Xiaobei would not even stand a chance!

In any case, if he wanted to break out of this situation, he must first have a certain Foundation of ability!

When the difference in power was too great, any way to break out of the situation would be useless.

Just like this time, the enemy had a heaven-immortal artifact in his hand, and he could completely deal with all changes with no change and stand in an undefeatable place!

"I told you not to come," Baili tiantu said in a low voice. "There's still time if you leave now!"

"Stop talking nonsense!"

"I'm willing to give up my life for my friend!" Chen Xiaobei said. Everything is still unknown, so I can't escape in advance!"

"What do you plan to do?" Baili tiantu asked.

"Let's find Ying Zheng first, and then we'll discuss it with him!" Chen Xiaobei took out his phone and looked at the location that Ying Zheng had sent him.

The somersault Cloud Advanced at full speed, heading straight for that place!

.....

On the outskirts of the wild beast forest.

The place that Ying Zheng had chosen was actually a huge military camp of human race.

Judging from the scale, there were about ten million people stationed in this military camp.

There were tall beacon towers in the military camp, which showed that there should be many other military camps of the same size outside the forest.

If they joined the battle here, the surrounding military camps would immediately send reinforcements as soon as the Beacon smoke rose.

From this, it could be seen that the demon Army in the wild beast forest definitely had a strong combat power. Moreover, the number of soldiers was definitely not small. Otherwise, there was no need for the human camp to set up beacon towers to seek mutual support.

Let's go down, Ying Zheng should be in this military camp! Chen Xiaobei controlled the somersault cloud to land on the ground.

Then, he gave Ying Zheng a call.

"Xiaobei! You've finally come!"

Not long after, a handsome young man quickly ran out.

Chen Xiaobei had never seen this young man before, but he could tell that the young man had a heroic and domineering air about him! He walked with a majestic gait and gave off an awe-inspiring aura without being angry. The majestic aura of an Emperor could not be concealed at all!

That's right!

This young man was Ying Zheng, who had reincarnated as an earth immortal!

After reincarnating, Ying Zheng had also turned into a young man, who looked very different from the dark spirit.

Of course, even though he looked different, his temperament would not change. So, Chen Xiaobei could still recognize that this was Ying Zheng!

"Brother Ying Zheng!"

Chen Xiaobei quickly walked over and asked, "What happened?"

"It's like this!"

"I found Lu Bu and Diao Chan right after I came to the earth-god Realm!" Ying Zheng said hurriedly. They said that they would help you find Daji's whereabouts! I will travel with them!"

"Daji is a demon, so we naturally have to start looking from Luzhou in Northern Kuru! But you also know that Luzhou is the base of the demonic sect, we can't go there!"

so, the three of us came to seawatch city. We couldn't find anything in the city, so we decided to go further north and enter the wild beast forest to investigate!

but this morning, we accidentally entered the territory of demons!

"Diao Chan was captured by a demon general, and he said that she would be offered to the Demon King as his concubine!" Ying Zheng said with a frown. Lu Bu exploded at that moment, and he desperately chased after her! My cultivation is not as high as Lu Bu's, so I can't catch up to him! Fortunately, I met a pair of human Scouts and they managed to bring me out!"

Chen Xiaobei was surprised. "It seems that your merit of being the Emperor of nine lives is still there. Your luck is really off the charts! We even encountered human Scouts in the demon territory!"

yes ... Ying Zheng nodded and said, " my luck is indeed not bad. If I didn't encounter this group of Scouts, I might not have been able to come out alive!

"Do you remember where you lost Lu Bu this morning?" Take me there immediately!"

"I remember! Let's go!" Ying Zheng nodded and immediately stepped forward to lead the way.

.....

Wild beast forest.

The outer area was very quiet and peaceful. There were green grass and trees, a stream, and a cool forest breeze. It was like a paradise that no one had set foot in!

But as they went deeper, the surrounding environment began to become worse!

At the same time, there were also many miserable battlefields left behind after wars!

The crumbled ground, the charred grass and trees, the mountain-like white bones, the smelly rotten meat, the surroundings were filled with the vengeful energy of the massacre!

Fortunately, it was day time. If it was night time, this place would probably be filled with vengeful souls and evil ghosts!

From the small to the big, there were already countless skeletons on this small area. One could imagine that the number of skeletons in the entire wild beast forest must be as many as the hair on an ox, uncountable!

Obviously, this was the endless slaughter brought about by the war!

It was precisely because the war was incomparably cruel that the heavenly Dao would give those who stopped the war a great reward of merit!

.....

After passing through several battlefields that were covered with white bones, they finally arrived at the place where Ying Zheng and Lu Bu had been separated.

"Xiaobei! This is the place!"

this is the place where Lu Bu was chasing me this morning, " said Ying Zheng hurriedly. I'm too slow, so I've lost him completely!

"North?"

that's right! Chen Xiaobei narrowed his eyes and said, " the further north we go, the closer we get to the North Sea, which means we'll be closer to the northern kuruzhou ... It seems like Diao Chan has been taken to one of the powerful demonic forces in the wild beast forest!

"Right! I've also thought of this!"

the demon general who showed up this morning has a cultivation base of three-star earth-god Realm, " said Ying Zheng with certainty. Judging from his tone, the Demon King's level is much higher than his. So, he's definitely not an ordinary person!

"Demon King?"

"A person who can be called a Demon King is at least a seven-star earth-god!" Baili tiantu interrupted. In addition to the innate abilities of the demon race, they could crush humans of the same level! Master, even if you use the pinnacle infinite sword formation, you're still going to lose!"

"I don't even care about the heaven-immortal item, so why would I care about a seven-star Demon King?"

no! Chen Xiaobei said, " the enemy may be strong, but that doesn't change my decision to save my friend!

"I can't believe that there are still such loyal idiots in the human race these days. Hehehehe ..."

Right at this moment, an enigmatic voice came from the dense forest.

"Who are you? Please come out and meet me!" Chen Xiaobei's eyes narrowed, and he was on guard.

"Xiaobei! Don't be fooled by his flowery words!"

But, right at this moment, Ying Zheng shouted, " "This guy is the demon general who captured Diao Chan! A three-star earth-god is as fast as lightning and hard to be seen with the naked eye!"

"Swish!"

Before he finished speaking, an extreme shadow had already flashed over, arriving in front of everyone in practically a blink of an eye!

"Not good! That guy is too fast!"

Chen Xiaobei's heart skipped a beat. Before he could even use the penetrate the nine Heavens, a sharp claw had already grabbed his throat!

The claws were as sharp as knives. No matter how strong Chen Xiaobei's physical body was, if the other party used force to grab him, his skin would be torn and his veins would be broken. Even the gods would not be able to save him!

[Red Envelope Group of the Three Realms](#)

Chapter 2548: Bite Me!

"Xiaobei!"

"Master!"

Ying Zheng and Baili tiantu shrieked at the same time. Just a second ago, they were just shocked, but now, their faces were filled with despair!

After all, Chen Xiaobei was their absolute backbone! It was the only hope they had!

Once Chen Xiaobei was captured, it would mean that the whole thing had failed!

It was absolutely impossible for Ying Zheng and Baili tiantu to break out of the situation and save them!

In fact, the two of them might not even be able to protect themselves!

"Woof! Whoosh!"

In the next moment, two more extreme shadows rushed out, and while Ying Zheng and Baili tiantu were still in shock, two curved blades were already placed on their necks.

"Who are you people?"

Chen Xiaobei's brows were furrowed. His heart was filled with worry, but his face was calm.

Chen Xiaobei knew that he could not afford to panic or show any signs of fear.

Only in this way would the enemy have scruples.

If he showed his panic and fear, the enemy might not even think about it and directly kill him!

"People? We're not human! We are Yao! Hehehe ..."

The demon general laughed in a strange way. Coupled with his shifty eyes, he was simply wretched!

Looking closely, not only this demon general, but even the two demon soldiers beside him were sneaky and extremely wretched.

The main point was that they were not fully in human form. Their ears and cheeks were covered in black fur, their hands and feet were still like beast claws, and they had long hairless tails under their waists.

If they took off their armor and lay on the ground, they would look like three big rats!

"You are rat demons?"

Chen Xiaobei had read a lot of fairy tales since he was young, so he could guess what was going on.

"Not bad! I am the patrol general of Zi Shu Royal City!"

Rat general squinted and asked slyly, "Brat, I just heard you say that you would rather die than save your friend? You're really loyal!"

"Friendship is the foundation of a person! If you're heartless, what's the difference between you and an animal?" Chen Xiaobei said.

"Alright!"

General Shu raised his eyebrows and said, "to tell you the truth, I like people who are loyal and loyal!" As long as you are willing to kneel down and acknowledge this general as your master, this general can spare your life!"

This rat was very cunning. It could tell that Chen Xiaobei was not an ordinary person, so it wanted to make Chen Xiaobei its slave.

"Cut the crap! No matter what, I will never yield to you!"

Chen Xiaobei said, "If you want to kill me, just do it! If you don't want to kill me, then tell me immediately, where is the woman you took this morning? I will definitely reward you handsomely!"

"The girl from this morning? Hehehehe ..."

The rat general laughed pervertedly, "she's a Super beauty!" Of course, she is in the zishu Royal City now. After the banquet, she is going to consummate her marriage with the king of rats! She will become the 18th concubine of my Rat King!"

"Rat King?"

Chen Xiaobei furrowed his brows in displeasure.

Looking at the three guys in front of him, he could tell that the Rat King was not any better. It must be ugly and wretched! She was not even fit to carry Diao Chan's shoes, yet she wanted Diao Chan to be his 18th concubine. She was simply a Toad lusting after a Swan's flesh!

"Where's the man with that woman? Have you caught him as well?" Chen Xiaobei asked.

"A man? This general didn't see it!"

General Shu shrugged. even if there was such a man, he would definitely not be able to catch up to my speed. He would most likely be lost in the forest. He would either die at the hands of my monster race Warriors or in the stomach of a demonic beast! There's no third possibility!"

"This ..."

Chen Xiaobei's heart tightened again.

Lu Bu was so devoted to Diao Chan that he was willing to give up his life for her!

If he really got lost in this wild beast forest, with Lu Bu's personality, he would definitely be in deep trouble!

"Little brat! Don't just stand there! There's a 10000% chance that you won't be able to save that man and woman! Why don't you think about these two friends in front of you!"

General Shu raised his eyebrows and laughed evilly, "If you agree to be my slave, I'll let them go! Otherwise, I will cut them into pieces in front of you! Then, I'll make a pot of boiled meat slices and treat you to a meal!"

As soon as he said that, the two rat demon soldiers beside him held their scimitars even tighter! As long as general Shu gave the order, they would cripple Ying Zheng and Baili tiantu first, then cut them into pieces and slowly torture them!

master ... Save me ... Baili tiantu was terrified and immediately wailed.

Ying Zheng, on the other hand, did not back down, but he furrowed his brows and said, "Xiaobei! Quickly think of a way! I still have a great enmity, I can't die Here!

"Think of a way? Hehehe ..."

"All of your lives are in my hands!" The rat general laughed disdainfully. As long as I give the order, the three of you will be made into boiled meat slices and bone soup! You still want to escape? You're just daydreaming!"

"General! Give the order!"

The two rat demon soldiers grinned greedily and said, " "When you mentioned boiled meat and bone soup, we almost drooled! These three guys have such soft skin and tender flesh, they must be very delicious!"

"Little brat! Did you hear that?"

The rat general glared at Chen Xiaobei and threatened, " "I'll give you 10 seconds to consider! Or be my slave! Or you can join your friends and be my meal! You can choose for yourself!"

"I don't like it when people threaten me!"

Chen Xiaobei said, " "I especially hate it when people threaten me with my family and friends!"

"Hehe!" General rat sneered, "I'm threatening you, so what?" If you're not convinced, then bite me! Idiot!"

"What did you just say? You want me to bite you?" Chen Xiaobei asked.

"That's right!"

"I'm going to strangle you, " general rat said arrogantly. with just a little force, I can Pierce your skin and cut off your windpipe and blood vessels! I'm threatening you! Bite me if you dare! Hehehe ..."

"You really want me to bite you?"

Chen Xiaobei raised his brows and smiled evilly. "I've never heard such a cheap request in my life! However, since you've sincerely begged me, I'll satisfy you!"

"What?"

General Shu thought he had heard wrong and said in surprise, " "You dare to say I'm cheap? You're really tired of living! "Ah!" Uh ..."

Before he could finish his sentence, he felt a terrible pain in his wrist, and he let go of Chen Xiaobei.

"What ... What is this ..."

Turning over his wrist, he saw a brown bug biting through the rat General's skin and devouring its blood essence!

Chen Xiaobei smiled and said, " "Invincible bull lice!"

[Red Envelope Group of the Three Realms](#)

Chapter 2549: Zishu Capital City

"What? Invincible? Cow lice?"

Rat general gasped and swallowed his saliva, " "It ... Where did it come from? Why do you keep sucking my blood?"

"Before I came to the wild beast forest, my loyal dog warned me that this place is full of danger! How could I have come in without any preparation?"

Chen Xiaobei smiled and said, "I've already prepared the invincible bull lice!" Just when you were acting arrogantly, the invincible beetle quietly climbed onto your body! Since they're lice, they must suck blood!"

"Hmph! Wasn't it just a little blood? This general is not afraid!" The rat general gritted his teeth and raised his hand to slap the invincible bull lice to death!

"I advise you not to mess around!"

"I only released one invincible bull lice because I didn't want to kill you!" Chen Xiaobei shouted. But if you kill this one! I can release another 100000 invincible bull lice in an instant! You'll be sucked dry in an instant!"

"What? You still have a hundred thousand of these invincible bull lice?" The rat general was stunned. His pupils contracted uncontrollably, and his body began to tremble.

A single invincible bull lice was already so terrifying. Rat general didn't even dare to imagine what it would be like if 100000 more were added to it!

However, general rat would never have guessed that Chen Xiaobei only had one invincible bull lice. 100000 was nonsense!

you ... What do you want!?

General Shu did not dare to joke around with his life. When he heard that Chen Xiaobei did not want to kill him, he immediately gave in and asked in a low voice.

"It's simple!"

"Let go of my two friends first!" Chen Xiaobei said. Then, take me to the girl you took this morning!"

"Release him immediately!"

The invincible bull lice were still sucking on general rat's wrist. He did not dare to waste any time and immediately gave the order.

"Yes!"

The two rat demon soldiers did not dare to say a word. If Chen Xiaobei really released 100000 invincible bull lice, they would be dead for sure.

Therefore, the two rat demon soldiers immediately let go of Ying Zheng and Baili tiantu.

"Very good!"

alright! Chen Xiaobei smiled. now, if you bring me to the girl you kidnapped this morning, I'll help you remove the invincible bull lice from your hand!

"This ..."

"Young master!" General Shu said with a troubled expression. It's not that I don't want to promise you ... It's just that I've already offered that girl to His Majesty the Rat King! His Majesty likes her a lot! There's no way they'll let him go!"

"Cut the crap!"

the invincible bull lice are still sucking your blood. You should know that. In less than half a day, this one will be enough to turn you into a dried corpse! Chen Xiaobei said.

Rat general swallowed and said, "Young master, I really don't want to die! If His Majesty the Rat King knows that I brought you into Zi Shu Royal City, I will be regarded as a traitor and be torn to pieces!"

you don't have to bring me in! Chen Xiaobei said. just bring me to somewhere near Zi Shu Royal City and tell me where the girl is being kept! I'll carry out the rest of the operation myself. You don't need to show your face!"

"This ..."

The rat general seemed to be in a difficult position, but there was a hint of cunning in his eyes. He sighed and said, "Sigh ... I can't help it, I'll bring you there!"

.....

Then, under the lead of the rat general, the group walked along the small path in the forest, turning and twisting for more than an hour.

Even though they had been delayed, they had managed to avoid the demon sentries along the way and successfully arrived near Zi Shu Royal City.

"Young master! Zi Shu Royal City is just up ahead!"

General Shu pointed to a huge main city in front of them and said, "That girl has been regarded as the Apple of His Majesty's eye, and she's most likely locked up in the palace now! I can only help you this much ... Can you let us go now?"

"You've done well!"

I can't let you go! Chen Xiaobei said. but, I can't let you go just in case you try to trick me!

"Young master! You're not kind!" The rat general panicked, "you said you would spare my life!" How could he go back on his words? This is not what a gentleman should do!"

"If I'm not a gentleman, are you?"

don't worry! I'm just going to put a few needles into your bodies so that you can have a good sleep! Chen Xiaobei laughed. You'll wake up in half a day. I can guarantee with my character that I won't harm your lives!"

No... Don't ... general Shu shook his head like a rattle drum. He could not believe Chen Xiaobei. He was afraid that he would never wake up again after a few needles.

"Do you want to be injected?" Chen Xiaobei said impatiently. Or do you want to be sucked dry by a hundred thousand invincible bull lice? Choose your own!"

this ... general rat was extremely depressed. He even had the urge to cry.

The rat general had originally planned to wait for Chen Xiaobei to let him go, and then he would go to the Rat King to tell on Chen Xiaobei and capture him.

However, the rat general did not expect Chen Xiaobei to be so cautious! It could be said to be watertight, not giving general Shu a chance to tell on him!

"I ... I'm willing to give you acupuncture ..."

The rat general wanted to cry but had no tears. His scheme had failed, and he could only face reality.

"Very good!"

Chen Xiaobei smiled and took out three silver needles.

After learning Hua Tuo's medical skills, Chen Xiaobei had a deeper understanding of the monster's body condition!

He could also make a regular comparison with the human body and draw inferences from it, deducing the characteristics of the demon body and the treatment method!

Acupuncture was one of the methods of treatment!

"Um ... I'm yawning ..."

After three needles, the rat general immediately became drowsy. In just a few seconds, he fell asleep on the grass.

The other two rat demon soldiers were initially very scared, but when they saw that the rat general was just sleeping, they let out a sigh of relief and stopped resisting. They let Chen Xiaobei insert the needles.

Three needles each, and the two rat demon soldiers immediately fell asleep.

"It's done!" Chen Xiaobei let out a sigh of relief.

"Master!"

Baili tiantu was confused. why don't you give these three guys some high-level heavenly dog food? " he asked. On the other hand, it's so troublesome to give them acupuncture!"

"You're an idiot!"

what?! Chen Xiaobei sneered. do you think high-quality heavenly dog food just falls from the sky?! It's such a waste to give it to these three trash!"

"Yeah!"

Ying Zheng nodded. these three little minions are nothing but trash. The real problem is still in Zi Shu Royal City! he said.

"Not bad!"

Diao Chan is locked up in the palace. I'm afraid that the Rat King's strength is above the pinnacle infinite sword formation! Chen Xiaobei said. How should I save her?"

"Master! I have a good idea!" Baili tiantu said excitedly.

"You?"

even I can't do anything about it! What can an idiot like you do? " Chen Xiaobei said.

Red Envelope Group of the Three Realms

Chapter 2550: Continue To Lie

"This is too easy!"

Baili tiantu raised his chin and said proudly, " "Master, all you need to do is release your 100000 invincible bull lice! Using the lives of a hundred thousand people in Zi Shu Royal City in exchange for lady Diao Chan's life! No matter how strong the Rat King is, he can only agree!"

As soon as he heard this, Ying Zheng nodded heavily and said, " "Xiaobei! I think this method is feasible! Zi Shu Royal City was the one who caught us first, we don't need to talk about rules with them!"

"Pfft ..."

Chen Xiaobei did not know whether to laugh or cry."I made up a hundred thousand invincible bull lice! I only have one in my hands! I'm just lying to those three small fries, how did you two fall for it too?"

"What? You only have one invincible bull lice?"

Baili tiantu was dumbfounded. He said awkwardly, " "Master, your acting skills are too good! When you said you were going to release a hundred thousand invincible bull lice, you were so confident! That was called calm! Who would've thought that you were just bragging ..."

Xiaobei ... You're so talented ... Ying Zheng did not know whether to laugh or cry."Even I've been deceived by you!"

"Let's not talk about this anymore, quickly think of a way!" Chen Xiaobei said.

Baili tiantu instantly fell silent. He couldn't even fart, let alone think of a way.

At this critical moment, Ying Zheng was still the most reliable one, as he said in a deep voice, " "Xiaobei! Since your acting skills are so good! I might as well use this method to trick the Rat King!"

"How?" Chen Xiaobei asked.

"I'll just say that you have billions of invincible bull lice," said Ying Zheng with a faint smile. If he doesn't let you go, you'll slaughter his entire city!"

"Mr. Ying Zheng! Do you think the Rat King is an idiot?"

Baili tiantu said in a deep voice, " my master only dares to boast about a hundred thousand invincible bull lice. But you, Mr. Ying Zheng, are so bold. How can you boast about a hundred million? " Not to mention the Rat King, even a real fool wouldn't believe it!"

"Wrong!"

of course not! Chen Xiaobei's eyes lit up. the king Rat won't believe me if I just tell him. But if I let him see the billions of invincible bull lice covering the sky, he'll have no choice but to believe me!

"Ah?" Baili tiantu was dumbfounded. master ... he said. are you confused? " You don't even have 100000 invincible bull lice, so how could you have billions?"

"If I had it, would that still be called lying?"

of course! Chen Xiaobei smiled. if it's a lie, then the hundreds of millions of cow lice that the king Rat saw were all fake!

"Fake?" Baili tiantu was stunned and asked in surprise, " "Even if it's fake, you can't make it in such a short time!"

"Of course it's possible!"

Chen Xiaobei smiled confidently and activated the merit points ledger.

"I want to exchange for low-level prosperous monkey fur!"

Chen Xiaobei immediately picked out the relevant information in his mind.

[Suan ni low-grade prosperous monkey fur: casually refined by Sun Wukong. It can transform into simple objects. The stronger the object, the shorter the duration!]

[tadpole exchange price: 1000 merit points for one tadpole!]

Please select the exchange amount!

"What the f * ck! Only a thousand! This is way too cheap!"

Chen Xiaobei's eyes lit up. "Now, the 'merits record' is under the control of mother Nuwa, and everything is priced at a good price! This time, even the heavens are helping me! Hahaha ..."

"I want to exchange for 10000!"

With the nouveau riche Halo fully activated, Chen Xiaobei was rich and overbearing!

[ding! 1000000 merit points have been deducted!]

[ding! You have 3828320000 merit points.(Charm: 382832000, luck: 382832000) !

Ten thousand low-grade prosperous monkey furs cost ten million merit points!

It was not a small expense, but as long as he could save Diao Chan, it was worth it!

"Master? What are you mumbling to yourself about?" Baili tiantu's face was filled with shock. "What fur are you changing? What's the point of exchanging so many?"

"You won't understand even if I tell you!"

Chen Xiaobei took out No. 9 Luban, filled it with spiritual stones, and transformed into his own appearance.

After that, Chen Xiaobei directed No. 9 Luban towards zishu Royal City.

master ... You're ... Baili tiantu was stunned.

On the other hand, Ying Zheng smiled and said, "Xiaobei has a lot of trump cards. He's very smart! This game will be broken soon!"

"Break the trap? This ... How is this possible?" Baili tiantu swallowed his saliva. He could not figure out how Chen Xiaobei was going to break it.

"You two can wait for me here! I'll be right back!" Chen Xiaobei smiled and left.

Chen Xiaobei had been wearing the Nightstalker outfit all this time. Now that he had put on the mask, he activated the rune concealment ability and followed closely behind No. 9 Luban as they headed towards zishu Royal City.

.....

Zishu Royal City!

Before No. 9 Luban could even get close to the city gate, it was already surrounded by a group of rat demon soldiers.

"This ... This kid is actually a human! How did he manage to get here?"

"Yup! This was too unbelievable! Before him, no human has ever been able to enter so deep into the wild beast forest!"

"Kill him! He must not be allowed to leave this place alive! Otherwise, the location of our Zi Shu Royal City will be exposed!"

"What's there to be excited about? This was the wild beast forest! Even if a peak earth immortal realm human comes in, he won't be able to leave alive!"

The group of rat demon soldiers were discussing among themselves. They were very surprised by No. 9 Luban's appearance!

But in the end, they didn't care about No. 9 Luban at all! After all, this was the wild beast forest, a forbidden zone for humans! No one could leave this place alive!

"Tell your Rat King to release the girl he took away!"

No. 9 Luban spoke in Chen Xiaobei's cold and domineering voice, "If Rat King doesn't agree, I'll definitely destroy zishu Royal City!"

"What? You want to exterminate zishu Royal City? Hahaha ... Where did this fool come from? How can you say such stupid things!"

The surrounding rat demon soldiers did not take No. 9 Luban seriously and laughed mockingly.

"Pa! Pa! Pa ..."

No. 9 Luban swung its arm and slapped the surrounding rat demon soldiers without saying a word.

"Pfft ... Pfft ... Pfft ..."

The rat demon soldiers were all paralyzed on the ground. They were dizzy and their brains were shaken. When they opened their mouths, they spat out blood along with their teeth. They felt as if their heads were about to explode. They were in so much pain that they couldn't even get up.

Obviously, No. 9 Luban already had the strength of a four-star earth-god, so even though it did not use its full strength, it was still enough to make the minions around it cough up blood and fall to the ground.

listen up! Tell the Rat King everything I said!

No. 9 Luban looked down at the group of rat demons and said indifferently, " "If he doesn't release her within ten minutes, I'll massacre the entire city!"
