Chapter 2551: Shocking The Entire City

massacre ... Massacre the city!?

When the surrounding rat demon soldiers heard this, they looked as if they had seen a ghost and fled back to the city.

No. 9 Luban walked into the city gate unhurriedly.

Chen Xiaobei used the rune concealment ability to quickly jump onto the roof of a tall building in the middle of the city. He stood on the highest point to observe the situation.

"Quickly look! It was human! Oh my God! A human has actually walked through the gates of our zishu Royal City! This ... This can't be an illusion, right?"

"Human! How could a human pass through the layers of sentries and enter the depths of the wild beast forest? Could it be that all the patrolling soldiers on the outer perimeter had died? Oh my God! Is our end coming?"

"Coward! What was there to panic about? How many waves could a mere human cause? Our 12 royal cities are of the same breath and branch. Even if seawatch city sends out all its forces, it is impossible to pass through the outer defense line!"

"Furthermore, above our 12 royal cities, there is an invincible powerhouse guarding! Even if a peak earth level deity came, he wouldn't be able to leave alive!"

"Tsk! The kid in front of him looked like a hothead who had not even grown his hair. He probably came here by accident! Any demon general would be able to take care of him! Why bring up that invincible expert?"

.....

The appearance of No. 9 Luban attracted thousands of onlookers.

These hamster tribe citizens seemed to have not seen a human for a long time, and they were all very surprised.

However, they did not take No. 9 Luban seriously at all. Instead, they treated him as a clown. Watching him was like watching a comical drama, and they treated it as a way to relieve their boredom.

"Which reckless fool! How dare you come to my zishu capital city and cause trouble! I want you to die without a burial ground!"

At this moment, a tall and strong rat demon with gray mane all over his body rushed over as fast as lightning.

Speed and agility were probably the greatest talents of the rat demon clan.

Judging from the fluctuation of the vital essence, this rat demon's cultivation was probably at the early stage of three-star earth-god Realm. However, the speed that it burst out with was similar to that of a human in the middle and late stage of three-star earth-god Realm.

In other words, in terms of speed, the rat demon clan could easily crush humans of the same level! Even among the demonic beasts, they could be considered a relatively fast race!

"Quickly look! It was the three star demon general! That kid is dead for sure! Let's wait for a good show! Hahaha ..."

The crowd of onlookers let out gloating cheers.

In their eyes, No. 9 Luban was too young to be a match for a three star demon general.

"Swish!"

However, in the next moment, No. 9 Luban took a step forward and burst out the speed of a four-star earth-god, which was a whole realm higher than the gray-furred rat demon! His speed instantly formed an absolute suppression without any suspense!

"Bang!"

Before the grey-furred rat demon could react, No. 9 Luban had already rushed over and kicked out its iconic 'groin kick'!

"Argh! Oh oh oh oh ..."

The next moment, the grey-furred rat demon let out a wail like an old hen, and its strong body was kicked into the air.

Blood spurted out of the rat's crotch like a fountain. The scene was even more spectacular than a woman's period.

"Hiss ..."

The crowd was stunned at first, then gasps of shock erupted in the crowd.

This kick directly kicked the grey-furred rat demon into the eunuch team.

Just looking at it made one's back and crotch feel cold.

"Oh ... Ohoo ... Oh ..."

The grey-furred rat demon covered his crotch with both hands and rolled around on the ground. He couldn't even get up, let alone fight!

"Heavens! A three star demon general had actually been killed in an instant! That human kid is so powerful!"

"That human brat is too cruel! He actually used such a sinister move!"

"This has nothing to do with the moves! That kid won because he has the power of a four-star earth-god, and he can kill a three-star demon general without using that move!"

"What? That kid is a four-star earth-god? In that case, he had already shown mercy? Otherwise, the three star demon general would have died a long time ago!"

The surrounding crowd exclaimed again.

Just a second ago, they thought No. 9 Luban was a clown and were waiting for him to be killed!

At this moment, they finally realized that No. 9 Luban had the strength of a four-star earth-god! Not only did the kick blow up the grey-furred rat demon, but it was also like an invisible slap to everyone's face, making their faces swell!

"Everyone, listen up!"

No. 9 Luban took a step forward and used his ethereal force to spread Chen Xiaobei's voice. Almost half of zishu city could hear him clearly.

"I don't have any deep enmity with Zi Shu Royal City! However, your Rat King took my friend away!"

No. 9 Luban said, "If your Rat King releases my friend, I'll take my people and leave right now! But if your Rat King doesn't let me go, then don't blame me for massacring the entire city!"

The entire city was shocked!

"Who is this kid? You actually have such a big tone!"

"We've been fighting against seawatch city for tens of millions of years, and there has never been a human who dared to declare that he would slaughter my zishu Royal City! This kid is definitely the first one!"

"This human brat is either an idiot who doesn't know the immensity of the heavens and earth! Otherwise, he must be really capable!"

"I feel that he's definitely not an ordinary person! If it was an ordinary person, it would be impossible for them to pass through the layers of defense and enter Zi Shu Royal City safely!"

"That makes sense! Even a peak earth level deity of the human race could not enter Zi Shu Royal City without being noticed! This kid must be hiding an extremely powerful ability! You can't underestimate him!"

"Your Majesty Rat King! Hurry up and make your move! Otherwise, we'll be in deep trouble ..."

"Your Majesty ... Please make your move ..."

Obviously, No. 9 Luban's power had shocked the entire zishu city.

There was no lack of smart people among the people. After they calmed down and analyzed the situation, they all felt that Chen Xiaobei was not as simple as he seemed.

Thus, the tense and fearful atmosphere began to spread rapidly among the crowd, and soon spread to every corner of the entire Zi Shu Royal City.

"Everyone, don't panic!"

Right at this moment, a majestic voice, similarly using true essence, spread throughout the entire city. "That kid is only a four-star earth-god! I will personally take his head and give it to my father as a concubines gift! Hahaha ..."

As soon as he said that, all the people in the city became excited, " "That's great! It was the first Prince! The first Prince is going to personally take action!"

On the tall building.

Chen Xiaobei was also excited,'finally, someone important has come! Let's use him as an example!"

At the same time, No. 9 Luban had already prepared the invincible bull lice!

[Red Envelope Group of the Three Realms](#)

Chapter 2552: Easily Captured

The first Prince of zishu Royal City!

This guy was wearing a gorgeous brocade robe. Probably because his cultivation level was higher, his appearance and body were closer to that of a human.

Unfortunately, this guy was fat and had a greasy temperament. His facial features were also very wretched. At first glance, he looked like a living infatuated uncle.

"That's great! The first Prince had arrived! His Highness was a peak four-star earth-god! When his talent and power burst out, his speed could be close to that of a five-star earth-god!"

that human boy is only a four-star earth-god, he can't escape from the first Prince!

"First Prince! Quickly kill this brat! He said he's going to slaughter our Zi Shu Royal City. We can't let him Live!"

At the same time, the crowd at the scene seemed to have seen a life-saving straw as they started to cheer excitedly.

After all, No. 9 Luban was a very powerful and dangerous existence to ordinary people.

In the eyes of the crowd, the first Prince's strength was more powerful than No. 9 Luban's, and he could definitely resolve this crisis.

"Shadow flash! Heart-breaking fist!"

The rat demon prince let out an angry roar and dashed toward No. 9 Luban like a ghost, leaving an illusory shadow in the air.

"BOOM!"

The extreme acceleration made the rat demon Prince's fist move like a meteor. It was so powerful that it could smash mountains and the earth!

"Chi ..."

No. 9 Luban suddenly opened its mouth wide in the face of the terrifying fist.

"Why are you opening your mouth so wide? Did you get scared silly by me?"

Prince rat demon sneered and looked at No. 9 Luban with disdain and contempt, as if it was an idiot!

"Chi ..."

Suddenly, a strong energy wave and a blinding light burst out from No. 9 Luban's mouth!

"BOOM!"

With a loud explosion, a terrifying laser beam shot out of No. 9 Luban's mouth and headed toward the fist of the rat-faced demon prince!

shooting laser beams from its mouth???? What ... What kind of skill is this?"

The rat demon prince was instantly dumbfounded. He had never seen a human shoot out a laser from his mouth! No! He had never even heard of it before!

BOOM!!!

The next moment, a dazzling laser beam suddenly burst out! He clashed head-on with the rat demon Prince's fist in space!

The rat demon Prince's cultivation had reached the peak of a four-star earth-god! He was supposed to crush No. 9 Luban!

However, No. 9 Luban itself was equivalent to a four-star earth-god instrument. Coupled with the unique high temperature and penetrating power of the countless sands ancient race's laser weapons, its true destructive power was actually higher than that of an ordinary four-star earth-god instrument!

Therefore, No. 9 Luban's laser beam was easily destroyed by Prince rat demon's fist. However, it also offset a large part of the power on the fist!

"Small tricks! It was just a false appearance! This Prince will take you down with one move!"

After breaking the laser beam with one punch, the rat demon prince did not hesitate. He took advantage of the opportunity and punched No. 9 Luban!

"Bang!"

With a muffled sound, the rat demon Prince's fist landed on No. 9 Luban's chest!

Although part of the power on the fist was offset by the laser, it was still able to reach the level of a late-stage four-star earth-god! Logically speaking, he should be able to defeat No. 9 Luban!

But! The next moment, a strong counterforce was pushed out of No. 9 Luban's chest! Attack the rat demon prince!

With No. 9 Luban's defense and the counterforce, it not only blocked the first Prince's punch, but also forced the Prince to step back and almost fall to the ground!

"What ... What is going on?"

The rat demon prince was dumbfounded and said in shock, " "Where did this rebound force come from? It's actually so powerful, and furthermore, it's the exact same fifth earth true Qi as mine? This is too strange ..."

Seeing this, the surrounding crowd naturally exclaimed in shock.

"Heavens! This can't be an illusion, right? That human brat was actually able to take the first Prince's fist head-on? I can't believe my eyes!"

"That human brat is too strange! He was actually able to use the first Prince's fifth earth true Qi? This is a type of true essence unique to our rat clan!"

fortunately, the backlash wasn't strong. It only forced the first Prince back, but it wasn't enough to hurt him!

"Well said! As long as the first Prince uses his earth-god instrument, he can still crush that kid. The first Prince will still win this battle!"

"The first Prince will win! This was for sure! Otherwise, His Majesty the Rat King would not have sent the first Prince here!"

The crowd was shocked. They couldn't imagine how No. 9 Luban managed to trigger such a powerful force!

However, despite their shock, the thousands of onlookers still believed that the rat demon prince would win!

After all, No. 9 Luban's cultivation was low. Even if it had some special abilities, it would not be able to hurt Prince rat demon! In this way, the rat demon prince was undefeatable, and he would win without a doubt!

However, even if the crowd had 100 million brains, they would never have thought that No. 9 Luban was wearing the Super high-tech anti-shock alloy armor of the countless sands ancient race! And this was actually just a cover to attract attention!

The counterforce was not enough to hurt Prince rat demon at all, but the shock just now made Prince rat demon stagger and lose his balance! He focused all his attention on this strange power!

No one would have thought that No. 9 Luban had already won the battle without anyone knowing!

That's right!

Taking advantage of the chaos, the invincible bull lice had secretly escaped to the Prince of the rat demon!

This move was to build a path in the light and cross it in the dark!

On the surface, No. 9 Luban was showing off its strength, but the key to victory was to be invincible against the bull lice!

"You little brat! Just one punch, count yourself lucky! Next, I'll use my earth-god instrument to make you die without a burial ground!"

Prince rat demon did not notice the abnormality in his body. He wanted to take out his earth-god instrument and fight No. 9 Luban again.

"Uh! Ah ..."

However, before he could finish his words, he felt a terrible pain in his arm.

At the same time, the rat demon prince could clearly feel that all his blood essence was flowing toward the direction of severe pain and was being drained rapidly as if it was going to be completely drained!

"What is this ... What is this thing?"

The rat demon prince pulled up his sleeve and immediately saw the invincible bull beetle nailed to his arm.

His pupils contracted uncontrollably, and he fell into extreme panic. He subconsciously raised his hand to slap the invincible bull lice to death.

"Stop!"

No. 9 Luban revealed a wicked smile and said, " if you kill this invincible bull lice, I'll immediately release hundreds of millions of other deviants and slaughter your Zi Shu Royal City!

As soon as he said that, everyone was shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 2553: Everything Under Control

"How ... How many? Hundreds of millions of them?"

The rat demon prince gasped. His pupils contracted into needle-like shapes, and cold sweat broke out on his forehead. His limbs turned cold, and his heart clenched. He was even shivering.

Seeing this scene, the surrounding crowd exclaimed, " "First Prince! What is wrong with you? What's with the bug in your hand? Why are you so afraid?"

"I also want to know what kind of insect it is."

The rat demon prince was shocked and scared. He wailed uneasily, " "This little bug is crazily sucking away my blood essence! At this rate, I'll be a dried corpse in half an hour!"

As soon as he said that, the surrounding crowd was suddenly enlightened!

"This little bug is too terrifying! Even his Highness the first Prince, who was a peak four-star earth-god, would be sucked dry! Then wouldn't those of us with even lower cultivations only have a path of death?"

"No wonder that human brat dared to say he would slaughter the entire city! If he really has billions of these bugs, he can definitely kill all of us!"

"What do we do? What should I do now? I don't want to die yet ..."

there are still many elderly and children in the city ... If the city is really massacred, it will definitely be a terrifying disaster!

"Help! Who can save us ..."

In an instant, wails and howls could be heard everywhere! The entire Zi Shu Royal City was plunged into extreme panic!

After all, when No. 9 Luban said that he was going to massacre everyone in the city, it was just an empty threat. No one knew how powerful No. 9 Luban was!

But now, the rat demon prince had demonstrated the power of the invincible bull lice to everyone in Zi Shu Royal City!

Seeing is believing!

From this moment on, no one in the city dared to doubt No. 9 Luban's ability to massacre the entire city!

Men, women, old and young, everyone was in danger! He was afraid that he would be nailed by an invincible bull beetle and become like the rat demon prince, having his blood essence sucked dry and turning into a dried corpse!

As fear spread throughout the city, Chen Xiaobei's plan was half-complete.

"Little thief! Don't harm the people of my Palace!"

An angry roar was heard, and then a Golden Shadow galloped out from the palace.

In just a few seconds, the extreme shadow crossed half of the royal city and appeared in front of No. 9 Luban!

He wore a golden robe and a brilliant crown! Needless to say, the person who was charging over was King zishu himself!

Compared to the rat demon prince, King zishu's appearance and body were more similar to a human.

However, Supreme King zishu was still as wretched as ever, and he was extremely fat! If it wasn't for his sharp and slender nose, and his large and protruding front teeth, others would have thought that he was a pig demon!

"What the f * ck! Someone like her actually wanted to marry Diao Chan as his eighteenth concubine? It's like a Toad wanting to eat the flesh of the fairy of the ninth heaven!"

Chen Xiaobei looked at Supreme King zishu from the top of the building and could not help but curse.

"Little thief!"

King zishu glared at No. 9 Luban and roared, " "You dare to hurt the people of my Palace! I'll definitely tear you to pieces! Swallow and skin it alive!"

"Heh, do you think you still have the right to say such things?"

No. 9 Luban smiled and said, "Your eldest son's life is in my hands. The lives of your entire city's citizens are also in my hands! What right do you have to threaten me? I should be the one threatening you!"

this ... King zishu was stunned and speechless.

"I won't say this for the second time. All of you, listen up!"

No. 9 Luban's eyes narrowed and said, "bring Diao Chan to me safe and sound within three minutes. Otherwise, I will release billions of invincible bull lice with a wave of my hand and turn your Zi Shu Royal City into a land of dried corpses!"

you ... How dare you threaten me ... Supreme King zishu's brows furrowed and his entire face contorted. He had never been threatened by a human before! Moreover, he was a human youth!

If he agreed to Chen Xiaobei's request, it would be a huge humiliation to the Rat King.

However, if he did not agree to Chen Xiaobei's request, Lord zishu was worried that Chen Xiaobei would use force and release billions of invincible beetles to massacre the entire city!

"Father, save me ... Save me ..."

While King zishu was still hesitating, the rat demon prince was already wailing, "Father! Don't hesitate anymore! Otherwise, I'll be sucked dry and become a dried corpse in a few minutes ..."

Seeing this scene, the surrounding crowd started to wail.

"Your Majesty! Please save us ... As long as you let that woman go, the first Prince and I will be safe ..."

"Your Majesty, are you going to abandon all the people in the city just for a human girl?"

"Your Majesty! Don't forget! You're under the order of Emperor Qilin to govern Zi Shu Royal City and protect the people! If you disregard the safety of the entire city for a human girl, Emperor Qilin will never forgive you!"

With the imminent disaster, everyone in the city, from the commoners to the core leaders, cried out for help. Some even used Emperor Qilin to threaten King Zi Shu.

In the end, everyone was afraid of death!

Moreover, it was worthless to die for a human woman! To the demon race, this was a great humiliation.

"Good! If you want me to release her, I can! Show this King your billions of evil bugs!"

King zishu wasn't stupid. He used his vital essence and spread his voice to the entire area, "Everyone, don't panic! Don't be fooled by this little thief with just a few words! If he really has billions of evil insects, this King will immediately release him! If he doesn't, this King will definitely tear him into pieces! Swallow and skin it alive!"

As soon as he said that, all the people present calmed down a little.

"Your Majesty is right! That human thief might really be lying to us!"

"That's right! This kind of evil insect was extremely powerful. If there really were hundreds of millions of them, that human boy would be able to sweep through the state of Jambu! However, we've never even heard of such a person!"

"Your Majesty is smart! If that kid really has billions of evil insects, it won't be too late for us to let him go! But if that kid is lying, we will make sure he dies without a burial ground!"

Obviously, they were not stupid and were not that easy to fool!

However, Chen Xiaobei had already anticipated this situation and had already prepared a way to deal with it!

"Since you all want to see! I'll let you all broaden your horizons!"

No. 9 Luban's eyes narrowed. It raised its arms in an imposing manner without any fear.

Whoosh ... Whoosh ...

In the next moment, countless insect shadows appeared in the air!

They were like thick dark clouds that covered the sky! It was also like rolling waves, magnificent and magnificent!

The entire city was shocked by this scene!

[Red Envelope Group of the Three Realms](#)

Chapter 2554: Comprehensive Search

That's right! Everything was under Chen Xiaobei's control!

Since everyone in Zi Shu Royal City wanted to see the billions of invincible bull lice, Chen Xiaobei would not reject them!

The 10,000 low-grade prosperous monkey fur that he had prepared earlier were all activated!

A single strand of monkey hair had turned into ten thousand invincible bull lice! 10,000 strands of monkey hair meant a total of 100 million!

Chen Xiaobei only wanted the appearance of the invincible bull lice, not its ability. To put it bluntly, it was just a smokescreen.

Because of this, each of the low-level prosperous monkey fur could last for three minutes before it lost its effect.

These three minutes would be enough to save Diao Chan!

Whoosh ... Whoosh ...

In an instant, hundreds of millions of insect shadows covered the sky and almost covered half of the Zishu Royal City.

In the eyes of the people in the city, they were like hundreds of millions of death gods! Chen Xiaobei only needed to give the order and Zi Shu Royal City would be turned into hell on earth!

spare us ... Young master, please spare us ... We've already seen how powerful you are ... We won't dare to offend you in the slightest ... We'll definitely ask His Majesty to release your friends ...

All of a sudden, the people in the entire Zi Shu Royal City began to cry out for mercy.

After all, the 'truth' was already in front of them. If they didn't admit defeat, a 'disaster' would immediately befall them!

"Young master ... Quickly put away your army of evil insects! I ... I'll bring your friend out immediately ..."

At this moment, even King zishu was completely terrified.

Although Lord zishu was very strong, he would not dare to fight Chen Xiaobei face to face!

That was because King Zi Shu couldn't kill all the invincible bull lice in an instant! The commoners would definitely be attacked by a portion of the invincible bull lice, and the number of casualties would be incalculable!

At that time, Emperor Kirin above King Zi Shu would definitely pursue this matter and might even strip King Zi Shu of his throne!

Although Diao Chan was beautiful, it was not enough for King zishu to give up his throne for her!

"Swish!"

King zishu did not waste any time and immediately rushed to the palace, bringing Diao Chan out.

"Eh? Xiaobei Gege! What are you doing here?"

Diao Chan's face was filled with surprise. Judging from her spirit and complexion, she did not seem to have been mistreated. However, her true energy was sealed by a talisman and her hands and feet were chained.

"Little Marten cicada, don't be afraid! I'm here to take you away!"

No. 9 Luban smiled and turned to King zishu, " "Fatty! Hurry up and release Diao Chan!"

"Yes, yes, yes! I'll release her immediately!"

King zishu did not dare to waste any more time. He immediately unlocked the chains and removed the seal from the talisman, releasing Diao Chan completely.

"Xiaobei Gege! You're so powerful! I was caught here, and you actually found me! Furthermore, you can even make this damn fat pig listen to you obediently! I really, really admire you!"

Diao Chan smiled and ran to No. 9 Luban's side with Lotus steps.

there's no time to waste. We'll leave immediately!

No. 9 Luban pulled Diao Chan along and retrieved the true invincible bull lice from the rat demon Prince's hand. Then, they retreated to the city gate.

"Young master! You should collect the billions of insects in the air before you leave!"

I've already let your friend go, " said King zishu. you can't go back on your word!

"Nonsense! I'm now collecting these billions of invincible bull lice! What if you pounce on me to kill me?"

I'm going to kill you all! No. 9 Luban said coldly. all of you, stand here obediently. I'll get rid of these billions of cow lice after I leave the city safely!

No. 9 Luban said as it led Diao Chan out of the city.

At the same time, Chen Xiaobei's real body also left the city under the cover of the secret rune.

"Father ... I feel that something is wrong ..."

The rat demon prince pressed on the wound on his hand and said in a deep voice, " "That brat, why did he choose the one in my hand instead of the billions of insects?"

"This ..."

King zishu was taken aback and his brows furrowed. After thinking for a moment, he smacked his head and said, " "This is bad! We've been tricked by that kid!"

"We were tricked? What ... What is going on?" The rat demon prince asked in surprise.

"The evil bug in your hand is real! Those evil bugs in the sky are all fake!" King zishu roared in anger and jumped up. He waved his arms wildly and released countless true essence.

"Woof! Buzzzzzz! Yi ..."

Under the impact of King zishu's vital essence, the insects in the air dispersed and disappeared without a trace.

"Fake! It was indeed fake! All of them were fake! How detestable! That little thief actually used a mere smokescreen to trick away this King's precious great beauty! You're pissing this King off ... You're pissing this King off ..."

King zishu's entire face was contorted, as if he had just eaten a lump of hot poop, and he felt depressed.

"Father! Now is not the time to be angry!"

yes! the rat demon prince said solemnly, " inform the patrolling soldiers outside immediately! Strictly defend! Don't let that kid escape the wild beast forest!"

King zishu's eyes narrowed and he said coldly, " "This King will not only send out my clan's patrol Warriors! He also had to inform the 12 royal cities to search for that thief! Don't let them escape!"

Hearing this, the rat demon prince revealed a sinister smile. "If the twelve imperial cities join forces to search for him, even a peak earth immortal can forget about escaping from the wild beast forest! It's even more impossible for that brat to escape!"

"There's no time to waste! I'll contact the other 11 respectable Kings immediately!" King zishu's eyes narrowed as he took out his phone and contacted his allies.

.....

At the same time.

Chen Xiaobei had already revealed his true form, and together with Diao Chan, he found Baili tiantu and Ying Zheng!

"Heavens! Master! You actually succeeded! This impossible task has been completed by you!"

Baili tiantu's jaw dropped. He was shocked, and he was in awe of Chen Xiaobei.

"Xiaobei! Well done!"

Ying Zheng's smile was indifferent, but he also praised, " "I was originally a little worried that you would encounter unknown difficulties! He didn't expect everything to go so smoothly! Nothing can stop you!"

"Well said! Xiaobei Gege is the most powerful! He's even more powerful than my bu bu!" Diao Chan was very excited. Her pretty face was full of smiles, and her eyes were full of admiration for Chen Xiaobei.

However, when she mentioned the word 'Bubu', both Chen Xiaobei and Ying Zheng's faces changed, and their smiles disappeared.

"Diao Chan! It's not the time to be happy yet!"

Chen Xiaobei said, " "In order to save you, Lu Bu charged into the forest alone! We don't even know where he is right now!"

"Ah?" Diao Chan's expression stiffened and she immediately became anxious, " "Hurry up and give him a call!"

"I've already tried! There was no reply ... Ying Zheng said dejectedly.

what ... What should we do ... Diao Chan's eyes turned red and she was on the verge of tears.

[Red Envelope Group of the Three Realms](#)

Chapter 2555: Unable To Break Out

"Little Diao Chan! Don't worry! I'll immediately exchange for the God's Eye talisman, and I should be able to find Lu Bu!"

Of course, Chen Xiaobei could not just ignore Lu Bu. He immediately opened the merit record and exchanged for two God's eye talismans!

[ding! 20000 merit points have been deducted from your system. Three realms merit points!]

[ding! You have 3828300000 merit points.(Charm: 382830000, luck: 382830000) !

thank you, Xiaobei Gege ... You have to help me find Bubu ... Otherwise, I don't want to live anymore ...

It was obvious that Diao Chan and Lu Bu had a very deep relationship and were willing to give up their lives for each other. If one died, the other would definitely not live on!

"Don't worry! I will do my best!"

Without hesitation, Chen Xiaobei activated a God's eye talisman.

Chen Xiaobei opened his heavenly eye and started to search for Lu Bu.

Luckily, Chen Xiaobei found Lu Bu's whereabouts not long after he started his search.

"I see it! I saw Lu Bu!"

Chen Xiaobei quickly said, "Lu Bu is still alive! Although I'm injured, I won't die for the time being!"

"Where's Bubu? Hurry up! Let's go find him!" Diao Chan said impatiently.

"Don't be rash! Lu Bu's current situation was extremely bad! We won't be able to see him easily!"

Chen Xiaobei furrowed his brows, not daring to relax. "At this moment, Lu Bu has already been captured by the monster soldiers and is being held in the core of a large military camp! I'm afraid it'll be very difficult to save him!"

"Xiaobei! You can use the same old trick!"

just like what you did just now, " Ying Zheng reminded. trick the people in that military camp into letting Lu Bu go. Otherwise, we'll slaughter them all!

"I can't ..."

no! Chen Xiaobei shook his head and said, " the fat rat King is leading a large group of people to the camp where Lu Bu is being held! If I'm not wrong, the fat rat King has already seen through my scheme!"

"The point is, the fat rat King must have contacted many parties to receive the news of Lu Bu's capture! He rushed over to take Lu Bu as a hostage to threaten us!"

As soon as he said that, everyone's faces turned serious.

The ratty King had already seen through Chen Xiaobei's trick of saving Diao Chan, so he could not use the same trick again.

However, other than the previous trick, they could not think of any other way to save Lu Bu safely!

One must know that this was the wild beast forest! It was a forbidden zone for the human race!

In this place, the only way to solve the problem was to use force!

Unfortunately, Chen Xiaobei's strength was not enough to deal with King zishu. If he went to the military camp, he would not be able to fight against a million people in a battle formation!

Without absolute power, Chen Xiaobei had no room for negotiation!

The possibility of saving Lu Bu was almost zero!

"Shit ..."

The effect of the God's Eye talisman had not worn off. Chen Xiaobei scanned the camp and made an even more desperate discovery. other than King zishu, there are 11 other demon troops heading towards the military camp!

"What ... What should we do?" When Diao Chan heard this, her pretty face was filled with despair.

The possibility of saving Lu Bu was already close to zero!

At this moment, the enemy's combat power had greatly increased, almost to zero, or even completely zero!

Both Ying Zheng and Baili tiantu shook their heads dejectedly, unable to come up with any solution.

Diao Chan's mind was in a mess and she could not come up with any brilliant plan. She became more and more depressed and was on the verge of collapse.

"How about this ..."

Chen Xiaobei frowned and said helplessly, "I'll activate the returning bracelet and send the three of you back to bei Xuan faction! After that, I'll save Lu Bu myself! If he could succeed, that would naturally be the best! If we can't succeed, at least the three of you will be safe!"

"How can we do that!"

"I'm master's loyal dog!" Baili tiantu immediately refused. How can I let master take the risk while I escape? This was absolutely not allowed! I swear to live and die with master! I'll definitely not leave first!"

"Xiaobei! We're brothers! I can't possibly leave you behind and leave first!"

Ying Zheng was very loyal to his friends, as he said in a deep voice, "Besides, I still need to rely on you to take revenge! If anything happens to you, I'm afraid I'll never be able to take my revenge! If that's the case, there's no point in me living. I'd rather die with you, my good brother!"

"Xiaobei Gege! I'm not leaving either!"

Diao Chan was even more determined and said, "If I can't save Bubu, I'll die for my love and I won't live alone!"

The three of them were very determined and absolutely did not want to leave early.

Chen Xiaobei frowned and sighed. "If that's the case, let's work together ... But this time, we don't have any way to break out of this situation! The possibility of failure and even death was extremely high! This is definitely not a joke!"

It was obvious that Chen Xiaobei valued family and friendship very much. For the sake of his family and friends, he had already put his life at stake more than once! This time, he would not back down!

However, Chen Xiaobei still wanted to advise everyone not to rush in recklessly when they knew that they were in a dangerous situation!

"We're not afraid of death! Let's set off now!"

Diao Chan, Ying Zheng, and Baili tiantu, however, were all very determined and did not waver at all.

"Alright! Let's set off now!"

Chen Xiaobei calmed himself down and led the group towards the military camp.

He couldn't use the somersault cloud because once he flew into the sky, he would immediately expose his target!

Therefore, they could only travel through the forest!

There were many soldiers on patrol along the way, but Chen Xiaobei had already memorized their positions and patrol routes when he activated his clairvoyant.

In his mind, wenqu shengxin had planned the most logical route for Chen Xiaobei to avoid the enemy's sentries and patrols, and get close to the military camp.

.....

"We're here! Lu Bu is currently locked up in the core of this camp!"

Chen Xiaobei took out the second God's eye talisman while he was hiding in a dense forest at the far end of the military camp.

After activating his special ability, Chen Xiaobei focused on the situation in the camp.

"We're still too slow ..."

"The fat rat King and the other 11 groups have already gathered in the camp!" Chen Xiaobei whispered. There are as many experts as there are clouds in the sky. I'm afraid that any one of them has a higher cultivation than me!"

"In addition, there are three hundred thousand soldiers stationed in the camp! once they form a battle formation, their power will definitely crush my pinnacle infinite sword formation! It's impossible for us to force our way in!"

"The point is that Lu Bu is locked in the core area, and the fat rat King is guarding next to him. This fellow must be on high alert at all times, and his primordial spirit domain is released. Even if I use the Nightstalker outfit, he will still be able to sense it! I can't even get close!"

After using his heavenly eye, Chen Xiaobei could not help but sigh. "This time, I really can't break out of this situation ..."

[Red Envelope Group of the Three Realms](#)

Chapter 2556: Fake Envoy

"Since there's no other way, we'll just force our way in!"

Diao Chan furrowed her brows and said impatiently, "I'll go in first and mess up the enemy's formation. Xiaobei Gege, you stay behind and look for an opportunity! If I can use my life to create an opportunity, then it's definitely worth it!"

"Don't be silly! If you die, Lu Bu will not live alone!"

don't be rash! Chen Xiaobei said. don't be rash! The fat rat King's target is you and me. As long as we don't appear, he won't hurt the hostages! On the contrary, if we rush in and get caught by the fat rat King, he will immediately kill me and Lu Bu, and then force you to be his concubine!"

this ... Diao Chan's expression froze and she was speechless.

Chen Xiaobei's analysis was correct! Not only would forcing their way in not solve the problem, but it might also accelerate the final failure!

"But we can't just wait here like idiots!"

Ying Zheng said worriedly, " Xiaobei, you just said that Lu Bu has been injured. Besides, Lu Bu must be very worried about Diao Chan right now. It can be said that he is suffering both physically and mentally. I'm afraid that if this drags on for too long, Lu Bu will completely break down!

that's what I'm worried about ... Chen Xiaobei said."Right now, we can't force our way in, nor can we just wait like idiots. We're in a dilemma and have no choice! That's why I said that there's no way to break through this!"

At this moment, Baili tiantu said weakly, " "Maybe ... I ... I have an idea ..."

"Hurry up and tell me!" Chen Xiaobei asked without hesitation.

in the wild beast forest, the twelve beast King cities will all serve the Qilin Emperor again!

"Master, your acting skills are extraordinary. If you can pretend to be the emissary of Emperor Qilin, you might be able to find a chance!" Baili tiantu said.

"Now that you've mentioned it, I remember!"

Emperor Qilin? " Chen Xiaobei said, " when I was at Zi Shu Royal City, I heard the people of the demon race mention Emperor Qilin's name! Moreover, the fat rat King was extremely afraid at the mention of this person! Agree to release Diao Chan immediately!"

"Yes! Emperor Qilin was a demon Emperor of Luzhou in Northern Kuru! He was extremely powerful! They were extremely powerful! Their foundations are also extremely solid!"

"The twelve beast King cities in mad beast forest are all supported by Emperor Qilin!" Baili tiantu replied. The 12 Beast Kings obeyed Emperor Qilin with great respect! As long as you pretend to be the messenger of Emperor Qilin, you might be able to find a way to break out of this situation!"

"That's true, but it's easier said than done,"

"Although Xiaobei has a mask and can change his appearance, we don't know what the emissary of Emperor Qilin looks like!" Ying Zheng said with a frown. He didn't even know the way the messenger spoke and did things! Once you reveal a flaw, you'll only die a more miserable death!"

Baili tiantu nodded and said awkwardly, " "Right ... I know that this method is very difficult to achieve, but it's a method that we have no other choice."

"Right! Baili's words make sense!"

"We're in a dilemma. There's nothing we can do!" Chen Xiaobei said. Baili hongzhuang's suggestion was worth a try. Perhaps there would be a chance! But if you don't try, then you won't even have a chance!"

"Mm ... Right now, we can only try everything we can!" Ying Zheng nodded helplessly.

If there were any other way, Ying Zheng would never let Chen Xiaobei take such a risk.

If he pretended to be Emperor Kirin's Messenger without knowing anything, no matter how good Chen Xiaobei's acting was, he would definitely be exposed!

Once the enemy found his weakness, Chen Xiaobei would be surrounded by enemies on all sides and would die!

But there was no other way. Chen Xiaobei had to risk his life to try!

.....

After that, everyone had a careful discussion.

Because this method could be said to be a desperate bet, once it failed, there would be no room for maneuver!

Therefore, everyone decided to go together! They could either successfully save Lu Bu and live together, or they could completely fail and die together!

After making his decision, Chen Xiaobei entered the verdant Emperor's divine gourd and used the sunlight cache to make four demonic masks!

The emissaries of Emperor Kylin must be from the demon race! Furthermore, they must be high-level demons!

So, Chen Xiaobei made a total of four dragon masks! Ying Zheng, Diao Chan, and Baili tiantu will each wear one!

After putting on the masks, Chen Xiaobei took out some black cloaks and had everyone put them on, covering their hands and feet!

"Alright! From the looks of it, we already have no flaws!"

Chen Xiaobei then said, 'let's go now! After that, all of you just follow behind me quietly. Don't say or do anything! Leave everything to me!'

"I know!"

Ying Zheng, Diao Chan, and Baili tiantu all nodded in agreement.

They had long regarded Chen Xiaobei as their backbone and would listen to everything he said without question!

.....

report!!!

In the military camp, a soldier quickly ran into the main tent of the middle Army and knelt on one knee. He anxiously said, "Reporting to King zishu! Reporting to the princes! The messenger of Emperor Qilin is here. Please go out and welcome him!"

"What? The envoy of His Majesty Qilin is here?"

King zishu squinted his eyes and questioned, " why didn't I hear about such a big thing before? "

The other 11 princes were also in disbelief.

"Are you sure you're not mistaken?"

"If His Majesty Kirin's Messenger were to come, he should've gone to the other royal cities. Why did he have to come to the rat clan's military camp?" the first Prince of the Chen Long Royal City frowned.

"That's right!"

The first Prince of Yin Hu Royal City said impatiently, "The envoy of His Majesty Qilin is so honorable! Why would they come to a terrible place like the military camp to pick up scraps?"

The soldier swallowed his saliva and said awkwardly, "The messenger said that he was here to deliver a secret order under the secret order of Emperor Qilin! After you're done, we'll leave without stopping!"

As soon as he said that, everyone in the tent exchanged glances.

The eldest Prince of the Ennea Monkey Capital city, who seemed to be the smartest, stood up and said, "Everyone! No matter what! Let's go out and take a look first! If it's really the great Emperor's Messenger, it would be a great crime of disrespect if we don't accept him!"

"Nephew is right! We can't bear the crime of neglecting the emperor's Messenger! Let's go out and take a look!" King zishu stood up as well and led the way out of the main tent.

The eleven Demon Princes also followed him.

In front of the camp gate.

Chen Xiaobei and the other three were dressed in black robes, standing proudly. His aura was very powerful, and the soldiers in the camp did not dare to offend him!

Chen Xiaobei's body was exuding an overbearing aura, as if he was an Overlord. Just by standing there, he could intimidate everyone!

"These ... These four people are the emissaries of the great emperor? How come I've never seen him before?"

Soon, King zishu brought eleven Demon Princes to the front, but they were all suspicious and couldn't believe it.

"How audacious!"

Chen Xiaobei used the wonderful sound perception to make his voice low and overbearing, "You've seen this envoy! Why aren't you kneeling down and paying your respects?"

Red Envelope Group of the Three Realms

Chapter 2557: Sudden Arrival

"Kneel? Bow?"

King zishu and the other 11 Demon Princes were stunned and hesitant.

"Your Excellency!"

The first Prince of the Weiyang Royal City said in a low voice, "According to the rules, the messenger of His Majesty Qilin needs to show a token first before we can kneel down to welcome him!"

"I'm here under the secret order of Emperor Kirin!" I'm afraid of being killed by the enemy and exposing my identity, so I didn't bring a token with me!"

"Lord High Ambassador, please forgive me for being blunt!"

Wu Ma Royal city's first Prince frowned and said, "This subordinate's essence soul domain has detected that your cultivation is extremely low! It was far from the level of the envoy of His Majesty Qilin! How do you explain this?"

"Nonsense!"

"My cultivation is low, but my bloodline is super high!" Chen Xiaobei said angrily. The room for growth was huge! What's so strange about Her Majesty taking a fancy to you?"

As soon as he said this, the first Prince of Xugou capital city laughed coldly. "Hehe! One without a token! Second, he had no cultivation! How dare you impersonate His Majesty's special envoy! You guys are too bold!"

"Impudent!" Chen Xiaobei immediately shouted, "You're a mere junior! You dare to frame me! This is a crime of great disrespect!"

"Come on! Although your acting skills are not bad! He also had a strong aura! But you can't hide from my dog nose!"

The first Prince of Xugou capital city sneered, "The four of you don't have any demonic aura on you. Instead, you have a strong human aura! Don't tell me that His Majesty Emperor Qilin will send a human as a secret envoy!"

"What? They are humans?"

King zishu's face turned cold and he roared, "Men, come! Arrest these four liars for this King!"

"Clang! Clang! Clang ..."

All of a sudden, the surrounding soldiers drew their swords and charged over like a tsunami.

"Impudent! Who dares to take half a step forward! This envoy will not spare you!"

die! Chen Xiaobei roared, and his body suddenly burst out with a dazzling purple-gold spiritual light!

"Swish ..."

The next moment, Chen Xiaobei's Black robe was torn into pieces!

To everyone's surprise, Chen Xiaobei's entire body was covered in purple-gold dragon scales! Sharp edges and corners! It was shining! It gave off an extremely majestic and sacred feeling!

At the same time, a strong and pure demonic Qi was released from Chen Xiaobei's body!

This was the aura of the Dragon race! The real deal! It was extremely pure! This could not be faked!

Most importantly, Chen Xiaobei's state of mind was so strong that his domineering and terrifying aura was released together with the true Dragon's aura. It swept across the entire area and shocked everyone!

"My God ... That ... That's the aura of a true dragon! It's too terrifying ... Even the aura of revered King Chen Long wasn't this terrifying ..."

"It's not just revered King Chen Long. Many years ago, I was fortunate enough to meet His Majesty Emperor Qilin! Even his Majesty's demonic aura isn't this strong ..."

"This scammer ... Oh no! This demonic venerable of the dragon clan was definitely not a liar! Such a powerful bloodline! Such a terrifying pressure! He's definitely more than enough to be the great Emperor's emissary!"

"He's not a liar! With such a bloodline and demonic Qi, he could definitely become a demonic King or even a demonic Thearch in the future! How could he be a scammer?"

.....

All of a sudden, gasps of shock could be heard from the crowd!

The surrounding soldiers were all deeply shocked. They stopped in their tracks and threw their weapons on the ground.

No one knew who took the lead, but one person knelt down, and everyone knelt down!

The 300,000 soldiers in the camp knelt on the ground, their heads on the ground, not daring to lift up their heads. They were all very respectful to Chen Xiaobei!

"You guys, why aren't you kneeling?"

Chen Xiaobei glared at Prince zishu and the 11 demonic princes.

how ... How is this possible?!

The first Prince of Xugou capital city was dumbfounded. He couldn't believe his eyes. "He really is a demon! Furthermore, the grade of his bloodline was extremely high! This is unbelievable!"

"What kind of Divine Dragon is this? I've never seen or heard of it before!"

Chen Xiaobei's father, the first Prince of Chen Long Royal City, praised Chen Xiaobei, " "Such a high-grade Dragon bloodline exudes an ancient and sacred pressure! In comparison, my father is just a fire Dragon. The difference in their levels is huge!"

All of the princes were shocked by Chen Xiaobei's words. At the same time, they had already believed Chen Xiaobei's identity.

"That's not right!"

King zishu frowned, " "Even if this guy is a demon! Even if it was his token and cultivation level, it would make sense! However, he had three humans with him! This is too suspicious!"

"Hmph! These three humans are slaves that I have captured! Can't I even do that?"

Chen Xiaobei shouted, " "Forget it! Since you don't believe me, I can't be bothered to explain! This envoy will only ask one question, are you all not willing to kneel down and pay your respects? They don't want to listen to the secret technique of His Majesty Emperor Qilin!"

"This ..."

King zishu and the other 11 Demon Princes were stunned.

"No, no, no! We definitely don't have that intention!"

The 11 monster princes shook their heads and knelt down. They said respectfully, " it was all a misunderstanding just now. Lord Ambassador, please don't lower yourself to our level!

It was clear that they had all believed Chen Xiaobei's identity!

Moreover, Chen Xiaobei had already said so much. If they did not kneel, they would be disrespecting Chen Xiaobei and Emperor Qilin! Even if they had ten lives, they wouldn't be able to bear the consequences of such a crime!

"Bang! Bang! Bang! Bang ..."

The heads of the 11 Demon Princes all fell to the ground.

"This ..."

King zishu's fat body trembled, he had no choice but to kneel down and kowtow, " I didn't mean to offend you just now. Please forgive me, Lord Ambassador!

Chen Xiaobei's eyes lit up with joy.

Diao Chan, Ying Zheng, and Baili tiantu were even more surprised and overjoyed. If it were not for the fact that they still had to put on an act, they would have already cheered.

They did not expect Chen Xiaobei to use the witch Dragon's nine transformation to activate his dragon scales, fooling everyone and stabilizing the situation!

Now that Chen Xiaobei had confirmed his identity as the emperor's Messenger, the rescue plan was half-complete!

"Hiss ..."

However, at this moment, a white shadow came from the sky. It descended from the depths of the clouds and instantly landed above everyone's head.

It was a handsome young man. His black hair was blowing in the wind, and his white clothes were fluttering! He stepped in the air and his body was like a blue cloud! He was as carefree as a celestial being!

"Heavens ..."

As soon as they saw this person, all the demons bowed down and shouted devoutly, " "We pay our respects to Emperor Qilin! His Majesty would last for generations! Undying hegemony!"

"What? This ... This man is Emperor Qilin?" Chen Xiaobei and the other three were stunned!

Red Envelope Group of the Three Realms

Chapter 2558: Turn Of Events

It's finished!

This time, it was completely over!

Chen Xiaobei and the other three were stunned as if they had been struck by lightning.

Just a second ago, the four of them had thought that their plan was already half-complete, and that Chen Xiaobei only needed to use his identity as the emperor's Messenger to find a chance to save Lu Bu.

At this moment, no one had ever dreamed that Emperor Qilin would fall from the sky inexplicably!

With this person here, no matter how good Chen Xiaobei's acting was, it was all for naught! Everything that Chen Xiaobei had done before this was now in vain!

More importantly, Chen Xiaobei's identity would be exposed!

Chen Xiaobei could no longer deal with the soldiers and enemies around him. Furthermore, there was now an Emperor-level demon!

It was not an exaggeration to say that Chen Xiaobei and the other three were dead!

In just a second, it was heaven and hell!

Even Chen Xiaobei, who had a strong mental state, could not calmly accept such a huge contrast. He was filled with anxiety and anxiety.

As for Ying Zheng, Diao Chan, and Baili tiantu, all three of them had already lost their souls. Their limbs were cold, and cold sweat was pouring down like rain. All of them had fallen into the deepest despair!

"I happened to pass by and saw you all kneeling in the air. Why are you all doing this?"

Emperor Qilin stood in the air without using a flying sword or any Dharma Treasure. His white clothes fluttered in the wind. He was not an immortal, but he was more like one!

"Your Majesty!"

"Those four claimed to be Your Majesty's Secret emissaries. We're on our knees to welcome them!" King zishu quickly said.

"Secret envoy? When did I send a secret envoy? How come I don't know about it?"

Emperor Kirin's eyes glowed with a demonic green light as he looked at Chen Xiaobei and the others.

"What? They were not secret envoys! We were all tricked by him!"

At that moment, everyone came to a sudden realization and stood up.

"Dammit! That guy was a liar! We were actually tricked into kneeling down to him! What a great humiliation!"

"It's nothing to kneel! If His Majesty hadn't happened to pass by, we would have continued to be deceived! The consequences will be unimaginable!"

"Detestable! This scammer was simply too sinister! Thanks to his Majesty's arrival, his scheme was directly exposed!"

"Kill him! Kill that damn liar ..."

"Right! Kill him ... I want to eat his flesh! And drink his blood!"

For a moment, everyone was shouting. Their anger was like a Prairie Fire that swept through the entire camp!

From the Prince to the soldiers, everyone wanted to kill Chen Xiaobei to avenge the fact that they were tricked!

"All of you, shut up!"

However, at this moment, Emperor Qilin shouted, making everyone quiet down.

"That's weird ... Is this the bloodline of the purple gold Divine Dragon? Why is it different from what was recorded in the ancient books?"

Emperor Kirin observed Chen Xiaobei's dragon scales and his demonic Qi. "The level of this bloodline is probably even higher than mine ... It's unbelievable that such a thing exists in the human world ..."

As soon as he said that, everyone around him was even more shocked. Even their three views were refreshed 10000 times!

Who dared to think about it! Emperor Kirin had said that his bloodline was not as good as Chen Xiaobei's!

Emperor Kirin had the green Kirin bloodline, which was considered the most powerful demonic bloodline in the human world. But in the end, it was far from Chen Xiaobei's level?

If even Emperor Kirin had to bow down to Chen Xiaobei, then all of the demonic bloodlines were nothing in front of Chen Xiaobei!

"Who are you? Why did you pretend to be my secret envoy?"

Emperor Qilin's eyes narrowed. His tone was solemn but still polite.

"Now that things have come to this, I'll just tell you the truth!"

Chen Xiaobei took off his mask and said, " my friend is locked up in this camp. I'm pretending to be a secret envoy to save my friend!

why is it you?!

Looking at the scene before him, King zishu jumped up in anger and shouted, " "You damn liar! You used a smokescreen to trick my beauty away just now! Now, he was here to scam again! You're even more cunning than a Fox!"

"Nonsense! You didn't arrest my friend! Why Would I Lie to You?" Chen Xiaobei said, " "Besides, it's better for me to save her with a scheme than to snatch her by force! Otherwise, your zishu capital city would have been turned into a river of blood!"

"What a joke!"

King zishu said disdainfully,"you little trash!" This King can kill you ten thousand times with one hand! What if you can turn Zi Shu Royal City into a river of blood? Unless the sun rises from the North!"

"Why don't we try?"

Chen Xiaobei made up his mind and said, " "Let's have a one-on-one! If I win, you'll let my friend go! If I lose, I'll let you dismember my body into ten thousand pieces and skin me alive!"

"You and me? A one-on-one fight?"

King zishu laughed out loud, " "Pfft! Hahaha ... This is the funniest joke I've ever heard in my life!"

As soon as he said that, the surrounding people burst into laughter and mocked him.

"Has this kid been scared silly? How could he say such stupid words? King zishu's strength had already reached the level of a seven-star earth-god! In addition to the demon race's innate abilities, it's enough to crush humans of the same level!"

"He really doesn't know the immensity of the heavens and earth! This kid was only a two-star earth-god, but he wanted to challenge Supreme King zishu, who was five levels higher? I only want to say one thing, f * cking retard!"

"Your Highness! Make your move! I'll use a single finger to crush this little liar like a bug!"

"That's right! Honorable King! He has lied to you time and time again! If you don't kill him, where will your face be?"

"Kill! Kill! Kill ..."

The crowd was already annoyed with Chen Xiaobei, and now they were adding fuel to the fire, hoping that King zishu would kill Chen Xiaobei.

"There's no need for you all to say anything! This King has long wanted to kill him!" King zishu gathered ethereal force in his palm and took a step forward, ready to charge at Chen Xiaobei.

"Xiaobei! What are you thinking?" what?! Ying Zheng panicked. even if you have the 'pinnacle infinite sword formation', you can't defeat this fat rat King!

"Yup!"

Baili tiantu's face was also filled with despair as he cried, "The fat rat King is invincible among those of the same level, and the pinnacle infinite sword formation can only be crushed! We will definitely lose this battle ..."

of course I know! Chen Xiaobei said, "the chances of winning this battle are slim! But if we don't fight, both Lu Bu and I will die! Since I'm going to die anyway, I might as well take a gamble! What if we win ..."

"Bet my ass! You're already dead!"

Before he could finish his sentence, King zishu used his super speed to charge at Chen Xiaobei, and his fist landed a few centimeters in front of Chen Xiaobei!

"I'm finished ..."

Chen Xiaobei was in complete despair. He did not even have the time to use his ultimate infinite sword formation!

Death was right in front of him!

"Stop!"

However, at this moment, Emperor Qilin suddenly released a vital essence and blocked King zishu's killing punch!

[Red Envelope Group of the Three Realms](#)

Chapter 2559: What A Coincidence

"BOOM!"

Emperor Qilin looked very young but his cultivation was much stronger than King zishu!

Emperor Qilin shot out a beam of ethereal force at a speed ten times faster than King zishu's. The ethereal force appeared in front of Chen Xiaobei!

Moreover, the ethereal force was so strong that not only did Chen Xiaobei not get hurt, but King zishu himself was also sent flying backward, landing a dozen meters away! He was in a sorry state!

From this moment of confrontation, it could be seen that Emperor Qilin's strength had long surpassed King Zi Shu's by dozens of streets!

Unfortunately, his netherspirit battlescouter was only a seven-star earth-god, so he couldn't see the real strength of Emperor Qilin!

By rough estimation, he was probably an eight-star or even a nine-star earth-god!

"So strong ..."

Chen Xiaobei could not help but be amazed by such a terrifying elite.

If King Qilin had attacked Chen Xiaobei, he could have easily destroyed the puppet and killed Chen Xiaobei!

"Your Majesty! What are you doing? Why are you stopping me from killing this little liar?"

King zishu wasn't injured and immediately jumped up from the ground, protesting in dissatisfaction.

Chen Xiaobei was dumbfounded. Why would Emperor Qilin help him?

"I seem to have seen this young man somewhere before!" Emperor Kirin squinted his eyes and observed Chen Xiaobei.

I don't think we've met before ... Chen Xiaobei frowned. He tried to recall, but he could not remember meeting this Emperor Kirin.

"Your Majesty!"

King zishu panicked and said urgently, "This little liar is full of tricks! You must not be soft-hearted! If he is allowed to live, he will definitely become a great threat to our wild beast forest in the future!"

"Don't be so long-winded!" "Let me think, where have I seen him before?" Emperor Qilin frowned.

"Your Majesty!"

King zishu hated Chen Xiaobei, so he continued, "Don't you forget! Humans were not allowed to leave the wild beast forest alive! This was an iron-clad rule personally set by the Holy master! Are you going to violate the rules?"

"Nonsense! How could this Emperor dare to disobey Sir Holy master's iron-clad rules?"

Emperor Qilin's eyes suddenly lit up and he said excitedly, "Oh right! I remember now! I remember where I've seen this young man before!"

"Where is it?" Chen Xiaobei was dumbfounded.

Everyone's ears perked up. They were curious as to how a human youth like Chen Xiaobei could have a connection with the Kirin Emperor. This was too unbelievable!

"This young man is a talent that Sir Holy master has taken a fancy to!"

Emperor Qilin said, "the Holy leader once used all the power of nine nether platform to find this young man. He continued to track and collect information about him. Because of this, I've seen his photo once!"

"Holy master? The nine nether platform?"

Chen Xiaobei immediately understood. "You're talking about the Holy master, so you're talking about dugu zang, right?"

"Hiss ..."

In an instant, all 300000 people, including Emperor Qilin, couldn't help but gasp in shock.

"Young man! You ... How dare you directly call Sir Holy master by his name?" Emperor Qilin was shocked. His Adam's apple rolled as he swallowed.

Chen Xiaobei shrugged and said, "Dugu zang Xian and I can be considered as half friends. When I'm with her, I always call her by her name. What's so strange about that?"

"This ..."

As soon as he said that, another wave of gasps came from the three hundred thousand people.

"Young man ... You're exaggerating ..."

Emperor Qilin swallowed his saliva and said, "In the entire earth-god Realm, no one under the top ten forces dares to directly call the Holy master by her name! Even the leaders of the top ten forces have to show some respect to Sir Holy master and never call him by name!"

Chen Xiaobei pouted and said, 'I think immortal dugu zang is easy to get along with! She saved my life and was very polite to me, just like a friend. It's not as exaggerated as you said.'

"Hiss ..."

The 300,000 people gasped again. Even Ying Zheng, Diao Chan, and Baili tiantu were dumbfounded. They could not imagine what the relationship between Chen Xiaobei and dugu zang Xian was.

"Your Majesty! Don't listen to this kid's bragging! He's a complete liar!"

However, at this moment, King zishu shouted, "He first used a smokescreen to deceive me! He's impersonating the great Emperor's envoy again! And now, he's lying that he's a friend of Sir Holy master! These were all lies! We can't believe this!"

The crowd calmed down a little after hearing that.

what King zishu said makes sense ... Even if the Holy leader likes this kid's talent, he doesn't have to treat him as a friend!

"That's right! The Holy master was extremely arrogant! Countless amazing geniuses were like ants in the eyes of the Holy master! Sir Holy master would never be friends with a kid with such low cultivation!"

"Well said! This kid must be talking nonsense! He wants to use Sir Holy master's prestige to intimidate us!"

"Fortunately, Lord zishu is calm enough! Otherwise, we would have been tricked by that kid again!"

It was obvious that dugu zang Xian had a Supreme status in the hearts of these demons, even like their God! It was like their faith!

That was why when Chen Xiaobei called out dugu zang Xian's name, everyone was so shocked and uneasy!

But now that Lord zishu had voiced out his doubts, the crowd calmed down. After careful analysis, most of them did not believe that Chen Xiaobei and dugu zang Xian were friends!

After all, dugu zang was the Supreme divine Lord of the demonic clan in the earth-god Realm, while Chen Xiaobei was only a weakling in the divine sea realm.

According to a normal person's train of thought, Chen Xiaobei and dugu zang Xian were on two completely different levels. How could they possibly be friends?

"Young man! I'll give you a piece of advice!"

Emperor Qilin frowned and said, "although the Holy leader appreciates you, you can't be arrogant!" If you offend Sir Holy master, even if you have ten thousand lives, it won't be enough!"

"What's wrong? You think I'm bragging too?" "Why don't you just call dugu zang Xian and you'll know if it's true or not?" Chen Xiaobei said with a wicked smile. If you don't dare to fight, then I'll do it!"

"You brat, you're so thick-skinned!" "I'll tell you some unfortunate news!" Emperor Qilin frowned. The Holy leader is with me, and she's in the air right now. There's no need to call her, she can come down at any time to expose your lies!"

Oh? " Chen Xiaobei was surprised and happy. immortal dugu zang is here too? " This is such a coincidence!"

Chapter 2560: Going Too Far

"F * ck! You little brat! You really won't shed tears until you see the coffin!"

"You still dare to call the Holy leader by his name?" King Zi Shu sneered. When the Holy master descends, you'll probably turn into a pug in minutes! Kneel on the ground and lick the soles of Sir Holy master's shoes!"

As soon as he said that, everyone around him started to sneer.

"Your Majesty Emperor Kirin! Hurry up and ask Sir Holy master to come down and expose this brat's lies! We can't wait to see this kid get slapped in the face on the spot!"

"When Sir Holy master descends, what kind of wonderful expression will this boy have? I'm really looking forward to it!"

"A second ago, you claimed to be the Holy leader's friend, but the next second, you're cowering like a pug! This face slap is simply too loud!"

All of a sudden, under the lead of King zishu, everyone was filled with anticipation. They could not wait to see the Netherseal Holy Lord appear and make Chen Xiaobei, the 'liar', reveal his true colors!

"Little brat! You better think carefully!"

Emperor Qilin said in a deep voice, "once I invite the Holy master, you'll be dead if you still have this attitude!" When you die, don't blame me for not warning you!"

"Heh, a bunch of jokers!"

Chen Xiaobei chuckled, raised his head and shouted, " "Immortal dugu zang! Are you there? Hurry up and help me slap their faces!"

"Hiss ..."

All 300,000 people, including Emperor Qilin, took a deep breath. Their pupils contracted, their scalps went numb, their limbs turned cold, and they broke out in cold sweat. Their hearts almost jumped out of their throats!

Chen Xiaobei had always called dugu zang Xian by his name! But at this moment, he actually dared to let out a long howl into the sky. His voice was so loud that it was as if he was afraid that dugu zang couldn't hear him!

This long howl instantly shocked everyone at the scene!

There were only two possibilities for Chen Xiaobei to shout dugu zang Xian's name like that. One was that he was courting death! Either Chen Xiaobei really did have a friendship with dugu zang Xian!

"Chen Zhufeng! You're too much!"

At this moment, a very pleasant but majestic voice came from the clouds!

That's right! It was immortal dugu zang's voice!

"Hahaha! Little brat! The Holy master was angry! You're dead! Even the gods can't save you!" Supreme King zishu burst into laughter upon hearing this.

sigh, you brat ... You can't escape death ... Emperor Qilin sighed, " "It's a pity that another genius of my demon race is going to fall!"

All 300,000 people thought that Chen Xiaobei was going to die because dugu zang Xian was angry.

"Ah? Where did I go overboard?"

Chen Xiaobei was taken aback and nervous. After all, he did not have a deep friendship with dugu zang Xian. If this girl turned against him, he would be dead meat!

"Chi ..."

In the next moment, dugu zang Xian, who was standing on the back of the netherworld Black Sparrow, descended!

"Oh my God ... It's so beautiful ..."

It was the first time for most of the people present to see dugu zang in person, and they couldn't help but exclaim in surprise.

Immortal dugu zang was extremely beautiful, like a young girl of eighteen or nineteen years old!

His looks were off the charts, and his skin was as white as Jade!

His jet-black eyes were as lively as spring water and as sparkling as diamonds. It was as if he could make everything in the world lose its color with just one look!

She was tall and slender, with graceful curves. She wasn't particularly voluptuous, but at her age, she still had a lot of room for growth!

In the near future, she would definitely become a peerless beauty with a myriad of charms!

Many people couldn't believe that the notorious sacred Lord of the dark seal actually had such a face that was even more shocking than her fierce reputation!

"This subordinate pays his respects to Sir Holy master!"

Emperor Kirin knelt down on one knee and bowed devoutly. He was extremely humble.

"This subordinate pays his respects to Sir Holy master ... Pays his respects to Sir Holy master ..."

Immediately after, the 300000 demons knelt on the ground and paid their respects to dugu zang!

Dugu zang did not even bother to look at them. He jumped off the netherworld bird and walked to Chen Xiaobei.

At that moment, only Chen Xiaobei and the other three remained standing, not planning to kneel down.

"Master ... Is the Holy Lord of the dark seal angry?" Baili tiantu swallowed his saliva and his heart turned cold.

if we really anger this Big Shot, the few of us will have to go see the King of Hell together today ... Ying Zheng was also extremely nervous, not even daring to take a breath.

"This lady is so pretty!" Diao Chan pursed her lips and muttered, "I hope she won't kill us ... I want to be friends with her ..."

Chen Xiaobei was also panicking. "Immortal dugu zang! Don't scare me, okay? How am I going overboard? I'm panicking when you're not saying anything ..."

Obviously, Chen Xiaobei did not know dugu zang well enough. He was afraid that his actions just now would upset dugu zang. If this chick turned against him, the consequences would be unimaginable.

"Dumbo!"

Immortal dugu zang glared at Chen Xiaobei and said, "I'll treat you as a good friend! Yet, you only treat me as half a friend! You tell me, aren't you going too far?"

As soon as he said that, the crowd exploded!

"What? [the Holy leader actually treated that kid as a good friend?] Oh my God! I'm not hearing things, right?"

"We're finished! That kid ... Oh no! That young master was really the Holy master's friend! We just called him a liar and cursed him to die early ... If he pursues this matter, we'll all die ..."

"Yeah ... We're dead! It was all Lord rat's fault! If he didn't fan the flames, we wouldn't have offended that young master ..."

young master, please spare me ... Young master, please spare me ...

All of a sudden, the faces of the 300000 people changed drastically. The reality in front of them was no longer an invisible slap to them, but an invisible sword!

Once the sacred Lord of the dark seal was enraged, a mere 300000 demons would be annihilated in the blink of an eye!

Everyone kowtowed to Chen Xiaobei and begged for mercy!

"My Dear Mother!"

King zishu wailed and crawled over to Chen like a pug, wanting to hug Chen Xiaobei's leg and beg for mercy. "Young master! Everything that happened just now was a misunderstanding ... I beg you to forgive me and spare my life ..."

"Get lost!" Chen Xiaobei kicked King zishu's chubby face, refusing to let him hug his thigh.

King zishu didn't dare to come any closer, he knelt in the distance and continued to kowtow and beg for mercy.

Chen Xiaobei ignored the fat rat and turned to look at dugu zang Xian. He said with a smile, " "I said that you're half a friend, and this is indeed my fault. I apologize! Are you done?"

"Don't be so cheeky!"

Immortal dugu zang raised his brows and said, " "You must compensate me!"

"Alright!"

Chen Xiaobei grinned and said, " "How about paying with your body?"
