Chapter 2571: Fooling Around With Strength

Sea god city.

This was the main city of a Western Orthodoxy.

Noble and Holy heavenly wings could be seen everywhere in the city! The tall and majestic Titan race! Fully armed Paladins! A mage wearing a long robe and a staff!

Of course, the Nanzhan state was a hodgepodge of sorts. There were disputes and Wars between orthodoxies, and there were also interactions and gatherings.

Just like the other main cities, apart from the Western orthodoxies, the ocean God city also had the involvement of the eastern orthodoxies.

Monks and Daoist priests could enter the city and even do business and live in the city.

Moreover, as long as you have enough spirit stones, you can even live like an Emperor in the sea god city.

The beautiful Serpent Society.

Poseidon city's number one wind field gold hole.

This was a man's heaven. As long as one was willing to spend spirit stones, they could play with any kind of woman. Even opening a harem like the Emperor was absolutely not a problem!

"Master canopy ... Come and have a cup of wine made from purple crystal grapes ... What? You want them to feed you with their mouths? You're so bad ..."

"Master canopy ... Have a taste of the spiritual fruits I peeled for you ... What? You're only eating it if it's placed on my chest? You're so bad ..."

"Master canopy great country ... Did I feel good giving you a massage ... Ah! Why are you giving her a massage instead? Don't ... Don't press there ... You Big Bad guy ..."

"Master canopy great country ... Come on ... Hehe, come on ..."

.....

In the gorgeous private room, there were at least seven or eight women playing around!

Chen Xiaobei stood outside the room and frowned. "I really shouldn't have given second senior brother so many spirit stones! You only know how to fool around every day! What will I do if you delay my big plan?"

"Bang!"

Chen Xiaobei lifted his leg and kicked the private rooms away.

The scene in the room was not suitable for children!

Even Chen Xiaobei, who was an experienced drifting driver, was so shocked that his eyes almost popped out!

Most of the women were Western women with blonde hair, blue eyes, and fair skin. Chen Xiaobei did not expect that there would be a Titan woman who was more than three meters tall among them! There were even two girls with skin as black as charcoal!

At this moment, Tian Peng was sitting in the middle of them, enjoying himself with women.

Chen Xiaobei's scalp tingled and his world view crumbled!

"Xiaobei! My good brother! What are you doing here? Hurry up! Come and drink with me!" Tian Peng was surprised and raised his glass.

"Drink my ass!"

Chen Xiaobei was a little angry and said, "I came over here with good intentions, wanting to take you back for the new year! You're good, you didn't spy on Deng Jie Yu, but you're here enjoying yourself! Do you still remember that you have a brother like me?"

Last time, after the sect selection, Deng Jie Yu had joined the ocean divinity sect.

Chen Xiaobei had sent canopy great sage over to monitor this woman's actions.

After all, Deng Jie Yu was the wife of earth traveler sun. She could have continued to be a free and unfettered immortal in the heavenly court! However, she had inexplicably reincarnated and came to the human world!

More importantly, after his conversation with tu xingsun, Chen Xiaobei realized that this had something to do with the fact that tu xingsun's master was afraid of leaving behind his grandson!

Moreover, earth traveler sun had been very anxious at the time, but he didn't dare to disclose any inside information!

It was conceivable that there must be a huge conspiracy behind Deng Jie's reincarnation!

That was why Chen Xiaobei had asked the canopy great country to keep an eye on Deng Jie Yu!

However, Tian Peng had been fooling around all day and did not even bother to monitor Chen Xiaobei. It would be strange if Chen Xiaobei was not angry!

"Xiaobei! You've misunderstood me!"

Tian Peng was stunned. He put down his glass and quickly chased the women out of the room.

"Misunderstanding?"

"You're not even wearing any clothes!" You call this a misunderstanding?"

"Right! I do fool around every day ... But I didn't forget what you asked me to do ..."

Tian Peng saw that all the women had left, so he locked the door and said seriously, "After Deng Jie Yu joined the ocean-God sect, she seemed to have obtained some great opportunity and has been in closed door cultivation. I can't monitor her, so I came here to pass the time ..."

"He's in closed-door cultivation every day? Did you see it with your own eyes? Or did you hear it from someone else?" Chen Xiaobei asked, frowning.

"I saw it with my own eyes!"

"The ocean divinity sect is not a top sect!" Tian Peng said. It's very easy for me to sneak in! If you don't believe me, I can take you to see it now! Deng Jie Yu must still be here!"

"Alright! Even if Deng Jie Yu was in seclusion! But you can't just waste your time like this!"

what? "Chen Xiaobei furrowed his brows. can't you use this time to cultivate? "Can't you do something meaningful? Don't forget! The cultivation tribulation was coming! In a killing tribulation, one had to rely on strength to fight for a chance of survival! And not by fooling around!"

"Xiaobei! You're underestimating me!"

Tian Peng's mouth twitched, "it's a waste of time for normal people to fool around. They just wait for death!" But I can get important information by fooling around! I might even get a great opportunity!"

this ... Chen Xiaobei's face was filled with shock.

"This place is the distribution center for the rich and powerful! In the world of wine and pleasure, we can often obtain a lot of important information that no one knows!"

Tian Peng raised his eyebrows and said proudly, "a few days ago!" I got a young master of an aristocratic family drunk! I heard a huge secret from this guy!"

"What secret?" Chen Xiaobei's eyes lit up.

Tian Peng pouted, "what do you think?" Now you admit that you misunderstood me, right?"

"Uh ..."

Chen Xiaobei was surprised. "Yes! I admit it! I've misunderstood you! Hurry up and tell me, what secret did you discover?"

"Hehe!"

Tian Peng smiled proudly, "after the young master got drunk, he said he knew a God!" His name is mo Lishou!"

"Mo Lishou?" what? "Chen Xiaobei asked, "the Western virūpāk a, mo Lishou? "

"Right!"

Tian Peng nodded and said, "mo Lishou is one of the four great Heavenly Kings of the mo family who guards the gate of the heavenly court!" I had a bit of a friendship with this guy back then! How was it? Do you want to pull him in?"

"There's no chance! Mo Lishou is Shen Gongbao's man!" Chen Xiaobei said.

"How did you know?" Tian Peng was confused.

"I've already locked mo lihai, the Heavenly King of the East, into the spirit condensation space. How do you think I know?" Chen Xiaobei retorted.

"What? You've already captured mo lihai?" "What's going on?" Tian Peng was shocked.

"It's a long story, I'll tell you slowly in the future!"

"Now, we have to capture mo Lishou as soon as possible!" Chen Xiaobei said. Take his fortune!"

"Mo Lishou's opportunity?" "What opportunity did he get?" Tian Peng asked.

Chen Xiaobei's lips curled into a devilish smile. "If I'm not wrong, that's a legacy opportunity that can allow mo Lishou to reach the seven-star earth-god Realm!"

[Red Envelope Group of the Three Realms](#)

Chapter 2572: Purple-Gold Flower Fox Ferret

"Directly reach the seven-star earth-god level? Oh my God! Xiaobei! You're not joking, right?"

Tian Peng's face was filled with shock and he couldn't believe his ears.

"I'm not joking!"

"When I caught mo lihai, I took his fortune!" Chen Xiaobei said. "Right now, this legacy has already been given to Zhao Yun!"

"Zhao Yun? Is he one of our own?" Tian Peng asked.

"Yes, I am!" yes! Chen Xiaobei nodded. Zhao Yun's contract owner is Monkey King! He's naturally our most loyal ally!"

"This is good!"

"Zhao Yun obtained mo lihai's opportunity. Then, who do you plan to give mo Lishou's opportunity?" Tian Peng asked after some thought.

Tian Peng knew that Chen Xiaobei's ultimate goal was to reach the peak of the immortal cultivation. He would not let Chen Xiaobei inherit someone else's legacy. That would only destabilize Chen Xiaobei's Foundation and block his path to immortality!

"Since you're the one who discovered mo Lishou's whereabouts, it's only natural that I give you this opportunity," Chen Xiaobei said.

"No! I don't want to!" Tian Peng didn't even think and rejected.

"Eh? You don't want it?"

Chen Xiaobei was surprised. "Second senior! I'm really going to have a whole new level of respect for you! I didn't expect that under your fooling around appearance, there's actually a great ambition to become a saint!"

"Dao vindication? Are you kidding me?"

Tian Peng pouted, "with great power comes great responsibility!" If I get the chance to become stronger, you'll definitely give me more dangerous and difficult missions! I don't want to! I just want to be like this, with wine to drink and girls to hit on! Opportunities, whoever likes them can take them! Please don't give it to me!"

 pfft ... Chen Xiaobei almost spat out a mouthful of blood.

He had thought that second senior brother did not want the opportunity because of his ambition. However, this fellow refused the opportunity because he was lazy!

However, this was not strange. When they were on the Journey to the West, second brother hid as much as he could. The heavy responsibility of subduing demons and devils fell on the shoulders of brother monkey!

"Forget it ... Everyone has their own aspirations ... I can't do anything to you if you like to fool around ..."

Ying Zheng, Lu Bu, and Diao Chan are all in the Meru realm. We can give this opportunity to them! Chen Xiaobei said.

"Whoever it is! Just don't give it to me!" Tian Peng grinned and heaved a sigh of relief.

"Second senior!"

Chen Xiaobei calmed himself down and said seriously, " although you're lazy by nature, don't forget that Gao Xiaolan is still waiting for you at bei Xuan faction!

Xiaolan!?

Tian Peng's expression froze. He hesitated for a long time before saying, "How's Xiaolan doing? Did she gain weight? Or did he lose weight? I haven't seen her for so long, did she miss me?"

"Don't ask me that!" don't worry! Chen Xiaobei shrugged. I'll bring you back to bei Xuan faction after I'm done with mo Lishou. You can ask Gao Xiaolan yourself!

"Good, good, good! Let's set off now!" Tian Peng's expression was dazed and he said impatiently, " Now that you've mentioned it, I can't wait to see Xiaolan. Let's hurry up and set off!"

.....

He left the beautiful serpent Union.

I heard from the young master of the aristocratic family that I got drunk that mo Lishou has a magical immortal beast with him. If I'm not mistaken, it should be the purple-gold flower Fox ferret! Tian Peng said as he walked.

"An immortal beast?" "Is it a real heavenly immortal?" Chen Xiaobei was shocked.

No... Tian Peng shook his head. "The purple-gold flower Fox ferret died in the last cataclysm. It is now a reincarnated earth immortal!"

that's good ... Chen Xiaobei breathed a sigh of relief. "If it's a real immortal beast, I can't handle it!"

"Do you still need to say that?" "The purple-gold flower Fox ferret likes to eat people!" Tian Peng said. At its strongest, it even swallowed Yang Jian, God Erlang, in one bite!"

"What? Even Yang Jian was swallowed by it?" "Could it be that Yang Jing died a long time ago?" Chen Xiaobei was shocked.

"No, no, no... Yang Jian didn't die ..."

Tian Peng explained, "Yang Jian cultivated a top Xuan technique and his body was sanctified. However, he crushed the purple-gold flower Fox ferret's stomach into two!" However, if it was another celestial being with the same strength as Yang Jian, he would have died in the stomach of the purple-gold flower Fox ferret! This shows how terrifying this immortal beast is!"

"It's indeed terrifying!"

that's right! Chen Xiaobei nodded. back in the day, yang Kuai was able to Fight Monkey King without being at a disadvantage. I'm afraid there aren't many in the heavenly court who are as powerful as him!

"Of course!" Tian Peng said.

"Oh right! Second senior brother!" "What does 'sanctifying the body' mean?" Can Yang Jian's body be compared to that of a heavenly path Sage?"

"No! Of course, this could not be compared! When one's physical body becomes a Saint, it means that the strength of one's body has reached the quasi-Saint level!"

Tian Peng explained, "below the heavenly path sages, there are some people with high cultivation and a solid foundation who have the possibility of becoming a Sage!" These people were known as quasi-sages! But in the end, they're not heavenly path sages. The difference between them is indescribable!"

"Below the heavenly path sages, there are still quasi-sages!" Chen Xiaobei calmed himself down and felt a different feeling in his heart.

The path of immortality was long, and cultivation was far away! If he wanted to reach the end, Chen Xiaobei still had a lot to work on!

"Back to the main topic!"

Tian Peng continued, "I heard that the young master of the aristocratic family, mo Lishou, who I got drunk with, brought the purple-gold flower Fox ferret and went straight to the wild beast forest!" That was a place that the human race did not dare to set foot in! It's clear that mo Lishou is really looking for an opportunity!"

wild beast forest!? Chen Xiaobei was surprised. "You're saying that mo Lishou has gone to the wild beast forest?"

"Yeah! That's the wild beast forest!"

of course! Tian Peng nodded. in the northern Sea, only the wild beast forest is still an unknown territory to the human race. There are no unknown opportunities in other places!

Chen Xiaobei smiled confidently. "This is great! Once mo Lishou runs into the wild beast forest, he won't be able to fly out of my palm!"

"Xiaobei! Don't be happy too early! The magical beast forest was filled with extreme danger! It's said that even a peak earth level deity can't come out alive!"

Tian Peng frowned and said, 'mo Lishou must have received guidance from an expert since he dared to enter the wild beast forest! If we were to chase after him directly, it's highly possible that we won't be able to capture mo Lishou. Instead, we'll be in danger!"

"Right! The wild beast forest was indeed a forbidden area for humans! But to me, it's like my back garden!"

of course! Chen Xiaobei grinned. I only need to make a phone call and I'll capture mo Lishou alive within half a day!

how ... How is this possible?! Tian Peng was dumbfounded and couldn't believe his ears.

[Red Envelope Group of the Three Realms](#)

Chapter 2573: Ancient Demon Array

"Xiaobei! Are you kidding me?"

Tian Peng couldn't believe it, "the Mad beast forest is huge!" Finding mo Lishou was even more difficult than finding a needle in a haystack! Moreover, mo Lishou has the guidance of an expert and is very familiar with the way. I'm afraid we won't even be able to find his shadow within half a day!"

"If the two of us were to look for it personally, we might not even find it in half a year, let alone half a day!"

Chen Xiaobei grinned and said confidently, " but if I ask billions of my underlings to help me find them, the result will be completely different!

"What?"

Tian Peng's face was instantly filled with shock, " "You ... Since when did you have billions of underlings?"

"Yesterday." Chen Xiaobei took out his phone.

this ... This this this ... Tian Peng swallowed his saliva and said, " "Even if you have a few billion underlings, there are still a few billion ferocious demons in the wild beast forest! If you send people in, there will be a super war!"

"Heh, my little brother is the billions of demons!" Chen Xiaobei shrugged and dialed dugu zang Xian's number.

Very quickly, the call went through.

"Xian er! I want to ask you for a favor!"

"There's a human who has infiltrated the Mad beast forest!" I don't know what he looks like, but he has a purple-gold flower Fox ferret with him! Please send someone to help me find him! Then send me his location!"

Immortal dugu zang agreed without hesitation, " "No problem! I'll ask Mo Xiaoyao to go over, and he'll give you a reply as soon as possible!"

Obviously, dugu zang Xian was determined to win Chen Xiaobei over. He would not miss this opportunity to make Chen Xiaobei owe him a favor. He would definitely do his best to help.

"Then I'll wait for mo Xiaoyao's good news!" Chen Xiaobei smiled and hung up.

"Xiaobei! You ... You're too awesome!" Tian Peng was dumbfounded, " "I thought you were just joking! I didn't expect you to really have a way!"

"Of course! When have I ever boasted?" Chen Xiaobei smiled, full of confidence.

.....

About two hours later, mo Xiaoyao called Chen Xiaobei and sent him his exact location.

Without hesitation, Chen Xiaobei rode on the somersault cloud and brought second Shixiong there.

Wild beast forest.

Mo Xiaoyao and a group of Xugou clan warriors had been waiting for a long time outside an extremely hidden Rift Valley.

"Chi ..."

Not long after, Chen Xiaobei and Tian Peng arrived.

"Childe Chen! You're here!" Mo Xiaoyao was very polite to Chen Xiaobei.

Seeing the scene before them, the surrounding Jackal race Warriors were all dumbfounded. They were so shocked that they were stunned!

If they didn't see it with their own eyes, they wouldn't believe it even if they were beaten to death. Emperor Qilin, who ruled 33 imperial cities of the monster race, would be so polite to a young man. It could even be said that he was respectful!

All of a sudden, these Jackal race Warriors looked at Chen Xiaobei as if they were looking at a God.

"Brother mo, you're too polite!"

Chen Xiaobei, on the other hand, had a frivolous smile on his face. "Is the person I asked you to help me find here?"

"Right!"

Mo Xiaoyao nodded and said, " I mobilized the entire Army of the Jackal clan to search for their scent. I did a carpet search and finally found a human with a purple-gold flower Fox ferret. I've been following him all the way here and saw him enter the Rift Valley with my own eyes!

"Is this the Rift Valley in front of us?"

Chen Xiaobei activated his golden gaze fiery eyes and saw that there was a man-made tunnel under the valley!

From this, it could be seen that there must be ancient relics hidden at the end of the passage, and most of them had the inheritance of the ancient Earth Immortals!

To look at it from a deeper level, Shen Gongbao must have sent a large number of reincarnated earthly Immortals to inherit similar inheritances. When these earthly Immortals returned, their cultivation would surely increase greatly and they would become a powerful help to Shen Gongbao!

That was why Chen Xiaobei had to stop such a thing from happening whenever he had the chance!

If possible, Chen Xiaobei wanted to turn the enemy's fortune into his own! Only by making his family and friends stronger could he compete with Shen Gongbao!

"We'll go down now!"

Chen Xiaobei said without hesitation.

Childe Chen, please wait!

Mo Xiaoyao said in a deep voice, "I've personally seen the entrance to the valley. It's already been sealed by an ancient demon clan's array. No one can go down! Furthermore, this formation is extremely ancient, and I don't know how to break it!"

"What? The entrance of the valley is sealed by a formation?" Chen Xiaobei walked to the entrance of the valley.

"Chi ..."

When Chen Xiaobei was still a few meters away from the entrance of the valley, he could feel a yellow ethereal force spreading out like water.

"Swish!"

The next moment, a stream of ethereal force at the peak of seven-star earth-god level was released from the yellow spiritual light and shot toward Chen Xiaobei's head!

"Xiaobei! Be careful!"

Tian Peng immediately exclaimed. The true essence was too strong, even the master-protecting puppet might not be able to completely block it.

However, Chen Xiaobei was not afraid at all. He stood there calmly and continued to observe.

"BOOM!"

At the same time, mo Xiaoyao shot out a burst of true essence with a backhand, directly blowing up the array's attack.

"Chi ..."

The next moment, mo Xiaoyao sent out another burst of ethereal force, which swept Chen Xiaobei up like a cool breeze and brought him back to a safe place.

Tian Peng was even more shocked. He did not expect Chen Xiaobei to make such a powerful friend in such a short time! More importantly, this friend of his was very respectful to Chen Xiaobei!

"What a powerful array!"

no wonder no one has ever discovered this Canyon! Chen Xiaobei exclaimed. With this spell formation, any ordinary demon or wild beast that approaches this place will be killed in an instant. Not even their bones will be left behind, and their souls will be scattered!"

this ancient magical formation is about the level of a peak seven-star earth-god!

"Although I don't know how to break it, I should be able to break it if I attack with all my strength!" Mo Xiaoyao said.

"No!"

no! Chen Xiaobei shook his head and said, " it's hard to control the power of breaking the formation by force. It might hurt mo Lishou!

Mo Lishou was also a disciple of the tribe of severity. Chen Xiaobei could only capture him alive. He could not let mo Lishou die because of him.

"Xiaobei! If we don't break the formation by force, we won't be able to get down!"

mo Lishou! Tian Peng frowned and said, " it'll be too late when mo Lishou inherits the ancient inheritance!

"I know!"

"Brother mo!" Chen Xiaobei said. Do you have any other way? After all, this is a formation of the demon clan. Is there no one in your demon clan who can break it?"

there's one person who can crack it ... mo Xiaoyao's expression was a little awkward as he said awkwardly, " however, that person belongs to the Dragon God Palace, so he will definitely not help us ...

Chen Xiaobei shrugged and said, " "Bring me there directly! I can take care of the people from Dragon God Palace!"

[Red Envelope Group of the Three Realms](#)

Chapter 2574: Minor Nine Spirit Island

"Childe Chen! Please listen to me first ..."

"First of all, Dragon God Palace and nine nether platform are enemies!" Mo Xiaoyao quickly said. If we go rashly, we might not be able to return!"

"Secondly, the person who can break this array must be a genius in magical formations! She was extremely talented in the field of magical formations, but her temper was extremely strange! Even the Dragon God Palace Master can't force her to do what she doesn't want to do!"

"The last and most important point! Seven years ago, she was injured by our people from nine nether platform! This is also one of the important reasons why her personality changed so much!"

that's right, " mo Xiaoyao said in a deep voice. I'm almost certain that she'll never help us!

"Heh, your assertion has no effect on me!"

"First of all, you're from nine nether platform, but I'm not!" Secondly, I have the bloodline of the divine Dragon, so I might even be related to the Dragon God Palace! In the end, she was injured and her personality changed drastically, and I happen to be a top Chinese medicine doctor!"

"What?"

Upon hearing this, mo Xiaoyao's expression froze and he said in surprise, " Childe Zhufeng ... You ... You're really a top Chinese doctor? "

"You don't know about this, do you?"

of course! Tian Peng said, " in terms of medical skills, if we claim to be second in the heaven realm, no one would dare to claim to be first!

this ... mo Xiaoyao swallowed his saliva and said awkwardly, " "Childe Zhufeng, even if you're a top Chinese medicine doctor, the people we're looking for are from the demon race! Humans and demons have different paths, and their treatment methods are also completely different!"

"Of course I know that!"

Chen Xiaobei shrugged and said confidently, " "Not only do I know how to treat humans, but I also know how to treat demonic beasts! Unless that person isn't a beast that turned into a demon, I can cure him easily!"

It was obvious that Chen Xiaobei had learned all the medical skills that Hua Tuo had studied in the underworld after his death!

These medical skills were mainly for the various surgical operations on demonic beasts!

After Chen Xiaobei had mastered it, he was familiar with the body structure of demonic beasts. By comparing it with the treatment methods of humans, he could derive a treatment method that was suitable for demonic beasts!

Because of that, as long as the person was a demonic beast, Chen Xiaobei would have a way to treat her.

Of course, if it was like Zi Yuan, who cultivated from an object to a demon, Chen Xiaobei would not be able to cure it.

that man is a Dragon ... But Childe Chen, can you really cure him? " Mo Xiaoyao swallowed hard, unable to believe his ears.

Before this, mo Xiaoyao had never heard of a great Chinese medicine doctor Who could treat both humans and demons!

This was simply too unbelievable!

"Whether you can or can't, you'll naturally see later!" "Let's go!" Chen Xiaobei said. You're fast, so you'll take me there!"

O-okay ... mo Xiaoyao gathered his thoughts and released two streams of ethereal force. The ethereal force wrapped Chen Xiaobei and Tian Peng up and they flew into the sky.

.....

After a while, they arrived at the North Sea.

Mo Xiaoyao pointed at an Island full of spiritual aura on the sea and said, " the small nine spirits Island is below us!

"Yes, let's go down!" Chen Xiaobei said.

uh ... mo Xiaoyao hesitated for a moment and said awkwardly, " "Childe Zhufeng ... If you're not confident in your medical skills, we shouldn't go down there! In this place, your great hoodwinking technique will definitely not work!"

"In your eyes, am I only good at bluffing?" Chen Xiaobei raised his eyebrows and said, " I'll let you see what real medical skills are!"

this ... mo Xiaoyao's expression was awkward and very conflicted.

Xiaobei, " said Tian Peng, " brother Mo's identity doesn't seem to be suitable for landing on the island. Why don't you give him a mask? "

"How troublesome!" Chen Xiaobei took out a mask and said, " "Brother mo, if you don't want to go down, I won't force you!"

"No! I'll go down with you!"

Mo Xiaoyao put on the mask and said in a deep voice, " "That person's temper is extremely strange. If you anger her, I can still help you escape!"

"It can't be?" "Brother mo, you're so strong, why do you need to run?" Tian Peng was shocked.

"That man is the number one formation genius under the Dragon God Palace! In order to protect her, the master of Dragon God Palace has set up a peak earth-god level array on this Island!"

we have to run away at once if we anger that person, " mo Xiaoyao said helplessly. otherwise, we'll definitely die once the array is activated!

my God ... Tian Peng took in a cold breath and said, " "Xiaobei! Why don't we not go? I still want to go back and see Xiaolan! If I die Here, I won't be able to rest in peace!"

"Coward!" Chen Xiaobei rolled his eyes at Tian Peng and said, " "Even you don't have confidence in my medical skills?"

"No! I have absolute trust in your medical skills! However, it's better to be safe than sorry!"

brother mo, " Tian Peng said nervously, " that person has a strange temper. Even if you cure her, she might not be grateful to you!

heh, true medical skills can not only cure physical illnesses, but also mental illnesses! Chen Xiaobei raised his eyebrows and said confidently, " "If I can't even treat this patient, what right do I have to be called a top Chinese medicine doctor?"

this ... Tian Peng was stunned by Chen Xiaobei's confidence!

This confidence seemed to come from an Overlord! Everything was under control! There was absolutely no room for doubt! There wouldn't be the slightest surprise!

Even mo Xiaoyao's state of mind trembled, and he said in a deep voice, " "Get ready, we're going down ..."

On the small nine spirits Island.

In addition to the beautiful palace in the center of the island, there were green and dense bamboo forests all around. The sun shone down and the breeze blew, creating a beautiful scene.

who's there!?

However, as soon as they landed on the island, the beautiful and quiet atmosphere was immediately broken.

Two women from the snake Clan in green silk dresses blocked their way with long swords in their hands.

"What the f * ck! What a beautiful girl! Such fair skin! What a thin snake waist!" Tian Peng's eyes widened and he almost drooled.

"Go to the side!"

Chen Xiaobei pushed the lecherous Tian Peng away and said politely, " "Hello, two little Sisters! I'm a great doctor of Chinese medicine! I've come here to treat your Island Lord's injuries!"

"A great doctor of Chinese medicine? You? Hehehe ..."

Hearing this, the two Demonesses laughed, " "You think we're stupid? Which of the world's famous Chinese doctors didn't have white hair? Which one of them didn't have hundreds or even thousands of years of medical experience? You? He's more like the grandson of a great Chinese medicine doctor!"

Chen Xiaobei smiled evilly and said, " "If you don't believe me, I can treat your illness first!"

[Red Envelope Group of the Three Realms](#)

Chapter 2575: Godlike

"What? You're going to treat us?"

The two snake demon ladies were slightly startled, but they laughed again."Are you an idiot? We're both very healthy, why would we need you to treat us?"

Upon seeing this, mo Xiaoyao suddenly felt a little nervous. He said in a low voice, " "Childe Chen, stop joking! These two girls were in good health and exuberant. How did they look sick? Your medical skills aren't good enough, let's just leave ..."

"This young master is right! You guys should leave quickly!"

The two female snake demons stopped smiling and said seriously, " our Princess Jiuling has a bad temper. If she gets angry, none of you will be able to leave here alive!

"Xiaobei! Let's just go!" Tian Peng also stopped looking at him and said nervously, " I believe in your medical skills, but I don't believe in Princess Jiuling's character ... If she bites the hand that feeds us, we'll be dead ...

All of a sudden, everyone urged Chen Xiaobei to leave as soon as possible.

However, Chen Xiaobei ignored them and turned to look at a slim snake demon lady!

"If I'm not mistaken, the second joint of this young lady's left middle finger was injured not long ago!"

"This is just a small injury, and it doesn't hurt anymore. However, the position of the joints looked a little distorted! Little sister's hands are so beautiful, how can there be such a flaw?"

"This ..."

As soon as he said this, everyone was shocked, and their eyes immediately fell on the hand of the slender snake demon.

Sure enough, the second joint of her left middle finger protruded to the side, making her Jade-like finger look a little distorted, which greatly affected the beauty.

"Qing 'er! When did you get injured? If Childe Zhufeng didn't tell me, I wouldn't have noticed!"

The voluptuous female snake demon asked in surprise.

The slim Qing 'er pursed her lips and said,"I accidentally injured it when I was cultivating not long ago. Because it's just a small injury, I didn't really care about it, so I didn't tell my sisters."

"Heavens! How can this be a small injury?"

Tian Peng immediately exclaimed, " little sister, your palm is white and soft. Your fingers are thin and straight. It's a perfect piece of art! But now, the joints are twisted, as if a beautiful jade has a crack. This is simply a waste of God's gift!"

this ... Qing 'er pursed her lips and lowered her head to look at her palm. She couldn't help but reveal a look of disappointment in her eyes.

Everyone loved beauty!

Especially women! Who didn't want to be beautiful?

Qing 'er didn't care much at first, but after Tian Peng said that, she suddenly felt that the twisted joints really affected the beauty of her hands!

"How is it? Little Miss! Do you need me to treat you?"

Chen Xiaobei raised his eyebrows and stepped forward with a smile. He patted his chest and promised, "I solemnly promise that it will be effective in three minutes! If it's ineffective, I won't charge a single cent! The real deal! I'm honest with all my friends!"

"Three minutes? You're lying, right?" Qing 'er was a little hesitant.

"What good would it do me to lie to you?"

"You better think this through!" Chen Xiaobei laughed. With my help, I can cure you with my mysterious massage technique! However, if you were to look for other Chinese medicine doctors, you would definitely have to use acupuncture and surgery! If the treatment fails, your little hand will be completely destroyed!"

Qing 'er did not know much about medicine, so she was scared by Chen Xiaobei. "Alright, please treat me! It's just a massage. Even if you can't cure it, you don't have to ruin my hand ..."

"You're right to invite me!" Chen Xiaobei grinned and grabbed Qing 'er's smooth, Jade-like hand.

Chen Xiaobei was holding Qing 'er's hand with one hand and rubbing it with the other. Those who did not know would think that Chen Xiaobei was taking advantage of Qing 'er.

"What the f * ck! There's such an operation?" Seeing this, second brother's face was instantly filled with envy.

She could not wait to be Chen Xiaobei's disciple and learn this magical medical skill that could benefit others and at the same time, she could enjoy it herself!

.....

"Success!"

Three minutes passed by quickly, and Chen Xiaobei finally let go of Qing 'er's hand.

Everyone's eyes immediately gathered on the screen and were instantly stunned by the results.

The second joint of Qing 'er's left middle finger was no longer twisted, and her fingers returned to their perfect shape.

"Heavens! He's really cured!"

Qing 'er's watery eyes widened as she said gratefully, "Childe Chen! You're really amazing! You've healed my injuries so quickly! Moreover, the process was not painful at all. In fact, it was very comfortable! Thank you so much!"

"Heavens! Childe Chen is really an expert in medicine!"

Mo Xiaoyao was also dumbfounded. "Although it's only a small injury, the treatment process not only didn't hurt, but also very comfortable! Childe Chen's massage technique had reached a godly level! This was definitely not a scam! It's true medical skills!"

Mo Xiaoyao was stunned on the spot. He couldn't help but recall dugu zang Xian's words!

She must not get rid of Chen Xiaobei. Instead, she must find a way to become good friends with Chen Xiaobei!

The truth was right in front of their eyes. Being Chen Xiaobei's enemy would only bring about countless disadvantages, and even self-destruction!

But if he could become friends with Chen Xiaobei, he would be able to receive all sorts of help from Chen Xiaobei!

Even a fool would know how to choose!

Childe Chen ...

At this time, another voluptuous snake lady pursed her lips and looked at Chen Xiaobei. She said, "Your medical skills are so good, can you help me treat it?"

"Big sister Lu-er! When did you fall sick? How come I didn't know about it?" Qing 'er asked, her face full of doubt.

The voluptuous Lu 'er was about to say something, but Chen Xiaobei cut her off.

"Little sister Lu-er's illness is on her thigh!"

"If I'm not mistaken, it's contaminated with some kind of poison!" It was usually fine, but once the surrounding temperature was high, it would itch unbearably! As a woman, it's really unsightly to scratch your thigh all the time!"

"Childe Zhufeng is right! This strange itch is related to temperature, and it will act up when the temperature is high!"

Lu-er said with an embarrassed look, "I can still catch it myself behind people's backs!" But in front of people, I'm too embarrassed to grab it! However, he felt extremely uncomfortable if he didn't grab it! I'm being tortured to death!"

Qing 'er immediately looked at Chen Xiaobei and asked, " Childe Zhufeng, can you cure sister Lu 'er's illness? "

"Of course you can!"

Oh? " Chen Xiaobei raised his eyebrows and said, " but miss Lu-er, you have to take off your dress so I can look at it carefully ...

Chapter 2576: Tainted Spirit Princess

"What? Take off your dress?"

Hearing this, Tian Peng was worried, " "If I ask the lady I'm meeting for the first time to take off her dress, she'll treat me like a hooligan and beat me to death ... Xiaobei! Don't make such a joke! I don't want to die Here!"

However, before Tian Peng could finish his words, he was stunned.

Lu-er's face was slightly red, and she said shyly, " this young master's medical skills are extraordinary. A doctor has the heart of a parent, and there is no distinction between male and female patients ... I am willing to take off my dress, but I have to change a place!

"Then, please lead the way, little sister!" Chen Xiaobei smiled confidently.

Then, Lu-er led Chen Xiaobei into the woods!

"What the f * ck! What the fuck!"

Seeing this, Tian Peng's mind collapsed."Heavens! The earth! They both asked the beauty to strip, why should I be treated as a hooligan and beaten up? And yet, little north was able to openly admire the view under her skirt? It's really infuriating to compare ..."

Comparing goods to goods, comparing people would only kill!

Compared to Chen Xiaobei, Tian Peng realized that his flirting skills were so weak! Chen Xiaobei was not only good at picking up girls, but he also had many ways to do it!

Most of the time, Chen Xiaobei did not even have the intention to pick up girls. He just wanted to show off his ability and charm when he was with them, and he would be able to make them fall for him!

Invisible posturing was the most fatal!

Invisible flirting was the highest realm of picking up girls!

Not only did Lu 'er agree to take off her dress, even Qing' er admired Chen Xiaobei so much that her eyes were full of stars as she looked at Chen Xiaobei's back!

Without a doubt, in just a few minutes, Chen Xiaobei had successfully won over two of the snake demon fangirls!

For this, even canopy great country's old driver couldn't help but be convinced!

Childe Zhufeng is so awesome!

Qilin Emperor Mo Xiaoyao was even more shocked. He had thought that coming to nine spirits Island was an extremely dangerous task. He did not expect that Chen Xiaobei would be able to find the way in just a few words!

As long as Chen Xiaobei could cure Lu-er, he would be able to see Princess Jiuling!

If Chen Xiaobei could cure Princess Jiu Ling's illness, he would be able to break the ancient demon's formation!

.....

In the woods.

Lu-er shyly took off her skirt. Her two long legs were white and straight, and her skin was smooth and soft. If Tian Peng was here, he would definitely have a nosebleed.

Little Big sister Lu-er, I've already seen your problem!

Chen Xiaobei did not have any evil thoughts. He simply looked at it and said, " "I'll help you massage to improve your blood circulation first, then I'll apply the medicinal herbs! After applying the medicine, don't take a bath. After one day and one night, the poison will be completely eliminated!"

"Alright ..."

Lu-er nodded her head shyly and said in a low voice, " "Young master, please hurry up. It'll be bad if someone sees you ..."

"Don't worry! It's not like you haven't seen my medical skills!"

Chen Xiaobei smiled and said confidently, " "I'll be done in three minutes!"

"Three minutes? So fast?" Lu-er was shocked. She could not believe that the illness that had troubled her for so long could be cured so easily in Chen Xiaobei's hands.

"Three minutes is considered slow!" "As long as I want to!" Chen Xiaobei laughed. I can do it in a minute!"

"One minute?" Lu-er's small mouth turned into an 'O' shape, and her face was filled with shock. "You're too fast!"

"Isn't it better for this kind of thing to happen as soon as possible?" Chen Xiaobei laughed.

"Then let's start!" Lu-er said shyly.

"En, bear with it. The first time might be a little painful!" Chen Xiaobei reminded.

alright ... Lu-er pursed her lips and nodded her head daintily.

At the same time, Chen Xiaobei calmed himself down and reached out to Lu-er's wound, ready to start the treatment.

"Stop!"

All of a sudden, a figure appeared from one side of the woods. He was at least a seven-star earth-god.

Even with Chen Xiaobei's cultivation, his eyes could not keep up with the figure's speed.

In the blink of an eye, the figure was already behind Chen Xiaobei. At the same time, Lu-er was also pulled away by the figure!

"Who is it?"

By the time Chen Xiaobei came back to his senses, the man was already five meters away from him. He had rolled up his skirt so that Lu-er could wrap it around his legs.

"Princess ... You ... Why are you here?"

Lu-er's face was flushed red, and her eyes were filled with nervousness. She did not even dare to raise her head to look at that person.

"Princess?"

Chen Xiaobei asked, " "You're the princess of the small nine Spirit Island?"

She saw that the person was covered in a Black Veil from head to toe. Even her head and face were covered tightly by the black veil, and her appearance could not be seen at all.

However, from her voice when she shouted 'stop' and the curvaceous figure under the black veil, he could basically judge that she was a top-class beauty with excellent temperament and looks.

As for why she was wearing a Black Veil, Chen Xiaobei had no idea.

"Shameless beast! What do you think my small nine spirits Island is? How dare you come here and bully my maid! You're simply lawless!"

Princess Jiuling's voice was very pleasant, but it was filled with anger and disgust.

"Shameless beast?"

Chen Xiaobei was stunned. Princess Jiuling, do you have some misunderstanding about me? "

"Misunderstanding? I've heard everything you said just now! Don't tell me you still want to quibble?" Princess Jiuling said angrily.

Princess ... You must have misunderstood ... Lu-er weakly said.

"You shut up!" Princess Jiuling said sternly, 'as a girl, you don't know how to love yourself at all! Even if you want to find a man! You can't find someone like this! A man who can finish things in a minute ... Is not a man at all!"

Chen Xiaobei burst out laughing. "Lu-er! Your Princess is too dirty! I really want to give her a car full of dirty powder!"

pfft ... Lu-er was also amused, but she raised her hand to cover her small mouth, not daring to laugh too presumptuously.

I'm dirty!?

Princess Nine spirits was enraged, 'you shameless beast! In broad daylight, in the middle of the forest, you dare to bully my maidservant! You're a 10000-year Lich King! What face do you have to say I'm dirty!"

Chen Xiaobei could not stop laughing. "Princess Jiuling, are all the people from the Dragon God Palace so dirty? Even a car full of dirt and powder won't be enough!"

"You're looking for death!" Princess Jiuling was furious. She raised her hand and gathered her ethereal force to attack Chen Xiaobei.

"Princess! Don't!"

Lu-er hurriedly pulled Princess Jiuling's hand and said, " "The one minute this young master said is to treat my illness ... Not that ..."

"What? Treat an illness?"

Princess Jiuling was stunned and speechless.

"Yup ..."

yes. Lu-er nodded and said awkwardly, " Princess, you must have only heard the last few sentences ... You really misunderstood ...

I ... Princess Jiuling stood rooted to the ground, feeling extremely awkward.

Chen Xiaobei's lips curved into a devilish smile. "The tainted spirit princess! Dirt removal powder, do you know?"

Chapter 2577: I Won't Treat You

the tainted spirit princess??? "

Princess Jiuling was so angry that she wanted to vomit blood.

Unfortunately, she was the one who treated the treatment as hehehe. This was really dirty! There was no reason to explain!

Of course, Princess Jiuling was not someone to be trifled with!

She had an extremely strange temper, and even mo Xiaoyao was somewhat afraid of her!

She was not going to let Chen Xiaobei off so easily for calling her the tainted spirit princess!

"Good! Even if you, kid, are here to treat Lu-er!"

Princess Jiuling said solemnly, " you may begin! I'd like to see how you're going to cure me in one minute! If you can't be cured, this Princess will take your life!"

"I said one minute is the faster treatment!" Chen Xiaobei shrugged. The normal treatment will take about three minutes!"

"Don't give me that!" Princess Jiuling said angrily, " cure Lu-er in one minute. I won't stoop to your level! But even if it's more than a second, this Princess will personally slap you to death, you liar!"

Princess ... when Lu-er heard this, she immediately panicked."Please don't make things difficult for this young master ... He's a good person! And his medical skills were extremely high! He had just healed Qing 'er's injuries! Besides, he's here to treat you ..."

"Treat my illness? With just him?"

Princess Jiuling said disdainfully, " I've already looked for all the top Chinese doctors in the Dragon God Palace. They couldn't do anything about it. How can a mere human kid cure me? "

this ... Lu-er's expression froze slightly, and she said awkwardly, " although he might not be able to cure your injury, there is still a chance if you try. If you don't try, there won't even be a chance!

"Alright!"

Princess Jiuling said coldly, "if this kid can cure you within a minute!" I'll let him try to treat me! If it was longer than a minute, it would prove that he was a damn liar! I'll kill him with a single palm strike!"

this ... Lu-er's face was filled with worry for Chen Xiaobei.

"Don't say this and that!"

Princess Jiuling said seriously, " You're a member of the small nine Spirit Island! If you were to be deceived by an outsider! I will drive you out of the island! From now on, we are strangers!"

"Don't!" Lu-er hurriedly said, "Lu-er has followed Princess since young!" If the princess chased Lu-er out of the island! Lu-er would rather die!"

"At least you still have some loyalty!"

Princess Jiuling said coldly, " You're not allowed to plead for this kid! The time limit is one minute, starting now!"

"Young master! Young master! It had already begun! What are you doing there?" Lu-er was extremely worried. our Princess never goes back on her word. If you exceed one minute, you will really be dead! she said.

"Heh, one minute is just a modest statement!" "If I'm serious, 10 seconds would be enough!" Chen Xiaobei laughed.

"What? Ten seconds?"

The moment these words were said, Princess Jiu Ling and Lu-er were both shocked. They simply could not believe their ears.

"You little brat! And you still say you're not a scammer?"

Princess Jiuling scoffed, " ten seconds? You actually said such brainless and stupid words? Are you insulting our intelligence?"

"Young master ..."

Even Lu-er said embarrassedly, 'although your medical skills are very impressive, I don't dare to believe that you can cure my injuries in ten seconds! You'd better do it now ... Stop acting tough ... The princess will really kill you ..."

"Hehe, I'll make my move in the last ten seconds!"

I'll let you see if I'm just pretending or if I'm really awesome! Chen Xiaobei said with a smile.

"Stupid thing that doesn't know death!" Princess Jiuling said with disdain, " "You only have a dozen seconds left to live! He actually dared to boast shamelessly! Get ready to go to hell!"

nine Dragon needle technique!

go! Chen Xiaobei said calmly.

Words of law!

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei did not have any needles in his hand, so he released nine streams of ethereal force in an instant!

In an instant, the fire quintessential essence condensed into nine fire needles. With a special arrangement, they pierced into Lu-er's injured area!

whoosh ... Whoosh ... Whoosh ...

In the next moment, dark brown poisonous smoke was emitted from the ends of the nine fire needles.

After three to five seconds, there was no more poisonous smoke.

"Phew ..."

Chen Xiaobei willed the nine fire needles to disappear into thin air.

"Done!"

Chen Xiaobei shrugged and said, " miss Lu-er, you can try. The itchiness symptoms have definitely been relieved!

how ... How is this possible?! Lu-er's face was filled with shock, not daring to believe it at all.

"Hmph! This was absolutely impossible! Even a fool wouldn't believe it!" Princess Jiuling waved her hand and actually sent out a green deviant fire true essence, enveloping Lu-er.

Lu-er's expression was slightly startled, and very quickly, her face burned red. Her forehead was covered in sweat as she weakly said, " "Princess, I'm so hot ... Can you stop ... I can't take it anymore ..."

"Eh? This ... This this this ..."

In an instant, Princess Nine spirits froze on the spot as if she had been struck by lightning!

"Lu-er! You, come over here!" Chen Xiaobei saw that Lu-er was feeling very hot, so he walked over and pulled her out of the green ethereal flame area.

Hu ... So hot ... Lu-er wiped the sweat on her forehead and finally let out a sigh of relief.

"Lu-er ... You ... You really don't itch anymore?" Princess Jiuling asked, still in shock after regaining her senses.

"Itchy?"

Lu-er's expression was slightly startled, and she immediately said in surprise and joy, " "Yup! I don't itch anymore! I really don't want to keep it anymore! This ... This is too magical!"

One had to know that in the past, as long as the surrounding temperature was slightly higher, Lu-er's legs would feel unbearably itchy.

But at this moment, the temperature was already high to the point of being unbearable, but Lu-er did not feel itchy at all!

This was enough to prove that Lu-er's illness had already been completely cured.

Within ten seconds! Completely cured!

The truth was right in front of their eyes, and there was no room for doubt!

Looking at the scene before them, Princess Jiuling and Lu-er were so shocked that they were stunned. Their three views were refreshed hundreds of times. They even started to doubt their lives!

One had to know that with Princess Jiuling's status, she had seen all the top Chinese medical doctors in the Dragon God Palace! But none of them could be compared to Chen Xiaobei!

Ten seconds ago, Princess Nine spirits thought that Chen Xiaobei was a liar and wanted to kill him with one slap!

Ten seconds later, Princess Jiuling was shocked by Chen Xiaobei's medical skills! He had to admit it!

"Princess!"

Lu 'er's admiration for Chen Xiaobei was beyond words. She said excitedly, " "You saw it with your own eyes! This young master's medical skills were truly extraordinary! Please let him take a look at your injuries! Maybe it can really be cured!"

"Well, since he's not a liar, I'll let him try!" Princess Jiuling nodded and said.

"Hehe."

Chen Xiaobei raised his eyebrows and said, " "I won't treat you!"

Chapter 2578: The Princess Gives In

"What? You're not going to treat him?"

A stone that caused a thousand ripples!

Chen Xiaobei's 'I won't treat you' had a huge impact on Princess Jiuling and Lu-er's hearts.

One must know that Princess Jiuling was the number one array genius under the Dragon God Palace! In the territory of the Dragon God Palace, she could get whatever she wanted, and even the master of the Dragon God Palace had to give in to her!

It was no exaggeration to say that no one had ever dared to disrespect Princess Jiuling like this before! Chen Xiaobei was definitely the first person to achieve this!

For a moment, Princess Jiu Ling and Lu-er were both deeply shocked. They simply could not believe their ears.

"Young master ..."

Lu-er calmed down for a while before pursing her small lips and asking, " "Didn't you come here to treat my princess? Why aren't you treating him ..."

"The reason is simple!"

I'm here to help you out of good will. But, not only did your Princess not believe me, she even tried to kill me! Tell me, why should I treat her?"

this ... Lu-er's expression froze, and she was instantly at a loss for words.

Princess Jiuling was also stunned on the spot, completely speechless.

After all, from the very beginning, Princess Nine spirits had suspected that Chen Xiaobei was a shameless beast. Then, she questioned Chen Xiaobei's medical skills and wanted to use this opportunity to kill him.

To put it bluntly, Princess Nine spirits had always looked down on Chen Xiaobei. In fact, she was full of hostility towards him!

Under such circumstances, Chen Xiaobei's rejection was perfectly reasonable.

"Just pretend I never came today! I won't see you again!"

Chen Xiaobei pursed his lips and turned to leave.

"Young master!"

Princess Jiuling's body trembled as she shouted, " "Young master, please wait ..."

Chen Xiaobei had cured Lu-er's illness in ten seconds. His extraordinary medical skills had thoroughly impressed Princess Jiuling.

Princess Jiuling's illness had been bothering her for many years. She had tried everything she could to cure it. She had looked for all the top Chinese medical doctors in the Dragon God Palace, but she had not been able to get any effective treatment.

But today, after seeing Chen Xiaobei's medical skills, Princess Nine spirits was shocked! Chen Xiaobei was definitely better than all the top Chinese medicine doctors in the past!

To Princess Nine spirits, Chen Xiaobei might be her only hope!

Because of that, even though Princess Jiuling's status was extremely high, she could only lower herself and ask Chen Xiaobei to stay.

"What else do you have to say?" Chen Xiaobei raised his eyebrows and stopped in his tracks.

Obviously, Chen Xiaobei would not leave, or the ancient monster formation would not be broken.

The reason why he was so domineering was to kill off Princess Jiuling's arrogance.

Chen Xiaobei could only gain the upper hand by suppressing Princess Nine spirits.

His flawless acting made Princess Nine spirits think that Chen Xiaobei was really going to leave, so she had no choice but to ask him to stay.

Chen Xiaobei's plan had succeeded.

"It was all a misunderstanding ..." He said.

As expected, Princess Jiuling's tone softened, and her words became more polite. "It's all because I didn't understand the truth, so I offended young master! I formally apologize. I hope young master can forgive me this once!"

Oh my God ... seeing the scene before her, Lu-er was dumbstruck.

"Young master! Please forgive our Princess!"

Lu-er said in a low voice, "this is the first time I've seen the princess apologize to someone like this!" Even when she was facing the dragon God divine Lord, my family's Princess has never been so submissive ..."

Princess Jiuling had obviously given in to Chen Xiaobei.

Chen Xiaobei only wanted to take the initiative. He did not really want to stop treating Princess Nine spirits.

"Alright! On account of Lu-er's face, I'll forgive you this once!"

Chen Xiaobei looked at Princess Jiuling and laughed. "However, I'm treating people, so the consultation fee is very expensive!"

"Consultation fee?" Princess Jiuling's expression froze.

With Princess Jiuling's status and position, all the top Chinese doctors in the past had treated her for free.

Some Chinese doctors even offered valuable gifts to Princess Jiuling in order to please her, not to mention medical fees.

Not only did Chen Xiaobei want to charge a consultation fee, but he also wanted to charge a very expensive one! He really didn't take Princess Jiuling seriously!

Princess ... Lu-er said in a low voice, "Your sadness is more important! If he can really be cured, it's definitely worth it to pay more!"

that's true ... But I don't think it's that simple ... Princess Jiuling was not stupid. She knew that Chen Xiaobei was not an ordinary person! The three words 'very many' were definitely not what ordinary people thought!

"Young master! You can treat him as you wish!" Lu-er said, "my family's Princess has plenty of spirit stones. It's not a problem no matter how much you want for the consultation!"

"One trillion upper spiritual stones! Did I?" Chen Xiaobei said.

how ... How many??? " Lu-er sucked in a breath of cold air and simply suspected that she was dreaming.

"Young master! Are you still not willing to forgive me?"

Hearing this, Princess Jiuling's tone was extremely dejected. She sighed and said, "How can I possibly take out so many spirit stones?"

Chen Xiaobei smiled and said, "If you can't pay the spirit stones, then you'll have to agree to three of my requests!"

"Three requests?" Princess Jiuling's expression froze for a moment before she asked, "What request?"

"I haven't decided yet!" no! Chen Xiaobei said, "but if I ask you for anything in the future, you must agree to it unconditionally!"

Princess Jiuling thought for a moment and nodded heavily. "Good! As long as you can cure me of my sadness! I'll agree to three of your requests! As long as it's within my ability, I'll definitely agree to it! I won't bargain!"

"Good! You're really straightforward!"

"I'll start now! Chen Xiaobei said with a smile. I'll start treating you now!"

"Now?"

Princess Jiuling was taken aback. She said in disbelief, "You still don't know what's going on with my injury, and you're already starting to treat it?"

"Who says I don't know?" Chen Xiaobei shrugged. Traditional Chinese Medicine focuses on looking, listening, asking, and touching. I can diagnose your injury by looking!

"Just by looking?" Princess Jiuling was extremely surprised. I'm covered from head to toe with a Black Veil. How are you going to look at me? "

Chen Xiaobei shrugged and said, "first of all, when you speak, you sound very confident! Secondly, you were able to circulate your true Yuan smoothly and quickly! These two points alone can prove that you have no internal injuries!"

yes ... Princess Jiuling nodded and said, "My injury is indeed an external injury!"

"Finally, you're covered from head to toe with a Black Veil!"

"What you're hiding is your appearance!" Chen Xiaobei said. Therefore, I can conclude that your sorrow is the disfigurement of your face!"

The moment these words were said, Princess Jiu Ling and Lu-er were both extremely shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 2579: Nuwa's Orthodoxy

"That's right ..."

Princess Jiuling was extremely shocked. Her voice was trembling. My face is indeed disfigured ... But, young master, you don't know the reason for my disfigurement ... How can you be sure that it can be cured? "

"Yeah ..."

Lu-er nodded her head in embarrassment. the reason that caused my princess's face to be completely destroyed is very special. All of the top Chinese medical doctors in the entire Dragon God Palace territory are helpless ... Young master, you didn't even ask for the reason. Are you that confident? "

It was obvious that the great Chinese medicine doctor in the Dragon God Palace's territory must have good medical skills!

Even they were helpless. It was clear that the reason for Princess Jiuling's disfigurement was extraordinary!

"It doesn't matter what the reason is!"

Chen Xiaobei shrugged and said confidently, " as long as you take a pill that I've personally refined, all the problems with your appearance will be solved!

"Medicinal pill? What kind of pill is that?"

Princess Jiu Ling and Lu 'er were stunned. They said in disbelief, " "How could there be such a miraculous pill in the world?"

"There is indeed no such pill under the heaven realm!" "But, my recipe comes from a God!" Chen Xiaobei smiled mysteriously. That's naturally amazing!"

how ... How is this possible?! Princess Jiuling and Lu-er were dumbfounded. They simply could not believe their ears.

"The pill is here!"

Chen Xiaobei took out a round pill and said, " "Whether it's true or not, you'll know after eating it!"

this ... Princess Jiuling asked in disbelief, " "You'll know after eating? If that's the case, will the pill take effect immediately?"

"That's right!"

Chen Xiaobei shrugged and said, " this pill is called 'Jade face'. The effect is immediate. Within a few minutes, you will recover to the peak of your beauty before you were injured!

"Jade face pill? I've never heard of it before ... Lu-er's brows were tightly furrowed, not daring to believe it.

"Young master! I'm not doubting your medical skills ..."

Princess Jiuling was also worried. however, my face was destroyed by a Demon King under the nine nether platform. His poison has severely injured my skin, muscles, veins, and blood vessels. It has caused a serious illness ... Conventional treatment is completely useless ...

"I've said it before, it doesn't matter what the reason is! Even if you were poisoned that year! But now, your body is as healthy as usual. This means that the strange poison has long been removed!"

right now, your only problem is that your skin, muscles, veins, and blood vessels have been damaged by the poison. It has caused a special disease! And my Jade face pill can perfectly solve this problem!"

Princess Jiuling's expression changed as she said excitedly, " "If that's the case, that's great ..."

"Come on!" Chen Xiaobei handed the pill over and said, " "Eat this pill and you'll know if it's real or fake!"

"Good! I'll eat it!" Princess Jiuling made up her mind. Without any hesitation, she took the Jade face pill.

As the black veil was lifted, part of Princess Jiuling's face was revealed.

Just as Princess Jiuling had said, her skin looked like it had been severely burned. It was full of potholes and looked terrifying! His muscles had no strength at all, and his entire face had collapsed, like a patient with facial paralysis!

As for her veins and blood vessels, they were like the roots of a tree, twisting around her face and showing a strange dark purple color. It could be seen that the degree of the disease was extremely serious!

"Princess ..."

Lu-er glanced at Princess Jiuling, and her heart ached for her. Her eyes turned red. in the past, the princess was the most beautiful woman in the Dragon God Palace. Now, she has become like this ... The heavens are blind ...

"Lu-er! There's no need to blame the heavens!"

Princess Jiuling ate the pill and said in a deep voice, " "The minor nine spirits Island is the legacy of mother Nuwa! They were devout believers of mother Nuwa! So what if the heavens had no eyes? We have mother Nuwa's protection! As long as the opportunity is right, everything will turn around!"

"Mm ..."

Lu-er nodded her head, put her hands together, and prayed devoutly, " "Mother Nuwa! Lu-er begs for your blessing! I hope that young master's pill is effective! Even if it only had a little effect, it would be good! Please don't let the princess down again ..."

"Chi ..."

Lu-er's voice had yet to fade when the medicinal power and spiritual power of the Jade face pill were activated.

Princess Jiuling's body was emitting a pure, snow-white spiritual light, which enveloped her.

Princess Jiu Ling was like an ugly Caterpillar, while the white spirit light was like a huge Chrysalis!

When the caterpillar breaks out of its cocoon, it becomes a colorful butterfly that flies around, stunning everyone!

A few minutes later.

The White spiritual light gradually dissipated, and Princess Jiuling's appearance had completely recovered.

Her eyebrows were like rainbows, and her eyes were as bright as stars! Her skin was like snow, and her hair was like a waterfall! His lips were delicate like a flower and his nose was straight like jade!

In addition, she had a pleasant voice, a graceful figure, and a noble temperament!

A moment ago, Princess Jiuling's face was as hideous as a ghost. But now, she had become as beautiful as a painting!

"Heavens ..."

Lu-er instantly cried out in shock. Her eyes were wide open, and her small mouth was wide open. It was as if she had been struck by lightning, and she was frozen on the spot, unable to speak for a long time.

"No wonder she's the number one beauty of the Dragon God Palace! In terms of looks, he's almost as good as dugu zang Xian!"

Even Chen Xiaobei was mesmerized by Princess Jiuling's beauty.

"My ... My appearance has been restored?"

Princess Jiuling looked at Lu-er and Chen Xiaobei in disbelief. Her heart was filled with nervousness and anticipation.

There was no doubt that Princess Jiuling was a girl who loved to look pretty.

In order to restore her face, she had looked for all the top Chinese medical doctors in the Dragon God Palace and tried every possible way.

However, it could not change the result of her face being destroyed.

But at this moment, Chen Xiaobei and Lu-er's expressions gave Princess Jiuling a huge hope!

Princess Jiuling was extremely nervous. She was afraid that all of this was just an illusion and that she would be happy for nothing.

Princess Jiuling was also looking forward to it. She hoped that the Jade face pill was as magical as Chen Xiaobei had said, and that it could turn her years of dream into a reality.

"I've recovered!"

Lu-er excitedly took out a bronze mirror. "Princess! Your appearance has been completely restored! If you don't believe me, just take a look!"

"Heavens ... I ... I've actually recovered ..." He exclaimed.

Looking at her beautiful face in the mirror, Princess Jiuling trembled. Her eyes turned red and two streams of tears fell!

His long-cherished wish had finally come true!

Princess Nine spirits was so happy that she cried. At the same time, she was very grateful to Chen Xiaobei. "Young master! Please accept the worship of the nine spirits! The grace of rebirth! Jiuling will never forget!"

"You're welcome!"

Oh? " Chen Xiaobei shrugged and said, " did you just mention lady Nuwa's orthodoxy? " What's going on?"

Chapter 2580: A Piece Of Cake

"Orthodoxy?"

Princess Jiuling's expression changed slightly as she said, " "Mother Nuwa is a demonic Saint! More than half of the demons in Northern kuruzhou believed in mother Nuwa! Almost all of us from the snake tribe are die-hard believers of mother Nuwa!"

"Yeah!"

"Qing 'er and Lu' er are both snake demons!" Chen Xiaobei said. Mother Nuwa, on the other hand, had the body of a human and the tail of a snake! It must have a great relationship with the snake demon clan!"

"Young master, you seem to be very interested in mother Nuwa?" Princess Jiuling asked.

Chen Xiaobei shrugged. that's right. I'm interested. After all, we're old acquaintances. I want to know more about you.

"An old acquaintance?" Princess Jiuling's expression changed slightly as she said, " "It is my honor that young master is willing to treat me as a friend and understand the orthodoxy of my sect!"

Chen Xiaobei only smiled.

The old acquaintance that Chen Xiaobei was referring to was lady Nuwa, not Princess Nine spirits.

However, Princess Nine spirits would never have thought that Chen Xiaobei and lady Nuwa were friends. That was why she thought that Chen Xiaobei was referring to her.

"Princess! Young master! Let's not just stand here!"

Lu-er said excitedly, " today is a day of great joy. I will immediately inform the sisters on the island and set up a banquet to celebrate for the princess! At the same time, I must thank young master!"

"Good! Hurry up and do it!" Princess Jiuling nodded and said.

Little Big sister Lu-er, hold on!

no! Chen Xiaobei shook his head. I have something urgent to attend to. If it's not too much of a hassle, please come with me now!

"What is it? Can't we do it after the banquet?" Princess Jiuling frowned.

this is my first request to you! Chen Xiaobei said.

Princess Jiuling's expression changed slightly. She immediately nodded and agreed, " "Good! Let's go now!"

this ... Lu-er was stunned on the spot, speechless.

Chen Xiaobei bid one trillion upper spiritual stones for one pill.

Princess Jiuling could not afford to pay the spiritual stones, so she agreed to Chen Xiaobei's three requests.

At first, Princess Jiuling did not believe that the Jade face pill could have such a magical effect. But now, the truth was right in front of her eyes! The effect of the Jade Beauty Pill was exactly as Chen Xiaobei had described!

According to their agreement, Princess Nine spirits had to agree to Chen Xiaobei's three requests unconditionally!

If Princess Jiuling was a shameless villain, she could totally turn back on her words on the spot. After all, the small nine spirits Island was her territory. Once the array on the island was activated, even Emperor Qilin mo Xiaoyao couldn't escape!

But it was obvious that Princess Jiuling was a gentleman who kept her word!

Chen Xiaobei said that this was his first request, and Princess Nine spirits agreed to it without hesitation!

Chen Xiaobei knew that he had not helped the wrong person. Princess Jiuling was a worthy friend!

Furthermore, Princess Jiuling had inherited the teachings of lady Nuwa. In the future, she might even bring Chen Xiaobei some opportunities related to lady Nuwa!

.....

At the entrance of the small nine spirits Island.

"Brother mo! He's been in there for so long and he hasn't come out. Could something have happened to him?" Tian Peng's brows furrowed in worry.

he should be fine ... mo Xiaoyao furrowed his brows and said, " I've been observing the situation over there. If something had happened, it wouldn't have been so calm!

that's good ... Tian Peng heaved a sigh of relief.

"Not good!"

Qing 'er suddenly exclaimed,"this is the time when my princess takes her daily walk!" She might run into Childe Zhufeng and sister Lu-er!"

"So what if we hit them!" "I'll let Xiaobei cure your Princess as well!" Tian Peng grinned.

"Our Princess has a bad temper! And she hates men!" no! Qing 'er said nervously, " if you see a strange man on the island, the princess will kill him without even asking!

this ... Tian Peng swallowed his saliva and said awkwardly, " "Brother mo said that there's no movement over there. Your Princess probably didn't make a move, right ..."

"Not necessarily ..."

Mo Xiaoyao also shook his head and said nervously, " Princess Jiuling's cultivation base is far superior to Childe Chen's. It won't cause much of a stir if she kills him in one move!

"This ..."

Tian Peng took in a cold breath and his pupils couldn't help but contract, "Hurry up! Let's go and save Xiao bei!"

"Alright!" Mo Xiaoyao nodded heavily and was about to rush out.

However, as soon as they took a step forward, Tian Peng and Mo Xiaoyao froze on the spot at the same time, looking straight ahead with a dumbfounded expression!

They saw Chen Xiaobei and a beautiful woman walking side by side. They were talking and laughing as if they were good friends.

Lu-er followed behind the two of them. Her expression was relaxed and happy, and she appeared to be in an extremely good mood.

"What ... What is going on?" Tian Peng looked at the beauty in front of him and his eyes couldn't help but stare. He was almost drooling.

Princess ... Princess Jiuling!? Mo Xiaoyao was dumbfounded. A perfectly fine, handsome man had been so shocked that he looked like a fool. His eyes were as big as a bull's, and his mouth was so wide open that a fist could fit in!

"Princess? You've recovered your looks? I'm not dreaming right?" Qing 'er was both surprised and happy. She quickly ran over and looked up and down, left and right. She even pinched her own little face with her hands. She finally confirmed that this was not a dream!

"Childe Zhufeng has extraordinary medical skills! You've already cured me!"

Princess Jiuling said solemnly, " from today onwards, Childe Zhufeng is my great benefactor! Everyone on the small nine spirits Island sees Childe Chen as I do! Whoever disrespects Childe Zhufeng will be killed!"

"Yes, sir!" Qing 'er nodded heavily.

Seeing this scene, Tian Peng and Mo Xiaoyao were even more shocked. Their worldview was refreshed hundreds of times in an instant!

Chen Xiaobei walked over and asked with a smile, " "Second senior! Brother mo! What's wrong with you two? You're like two blocks of wood, why are you just standing there?"

we ... We ... Tian Peng and Mo Xiaoyao were embarrassed and didn't know what to say.

Just a moment ago, they were worried that Chen Xiaobei would be killed by Princess Nine spirits. But now, Chen Xiaobei had become Princess Nine spirits 'benefactor!

This result was far beyond their expectations. They had underestimated Chen Xiaobei.

Mo Xiaoyao, in particular, valued Chen Xiaobei even more. At the same time, he believed in dugu zang Xian's words that they could not become enemies with Chen Xiaobei. The wisest and safest choice was to become friends with him!

"Alright! If there's nothing else, let's go!" Chen Xiaobei raised his eyebrows and smiled. "I can go home for the new year and grab red packets after I settle with mo Lishou! Hahaha!"

Under Chen Xiaobei's command, everyone set off and headed straight for the forest!

.....

At the ancient demon array.

"How is it? Do you have a way to break the formation?" Chen Xiaobei asked.

Princess Jiuling shrugged her shoulders and smiled. "A piece of cake!"
