Red Envelope Group of the Three Realms

Chapter 2591: I'm Unlucky

Chen Xiaobei: Happy Spring Festival! (Chuckling)

The Great Sage, Heaven's Equal, brother Xiaobei! What took you so long? The red packet snatching session was about to begin!

Chen Xiaobei, 'we haven't even started yet. I'm here just in time!

Bull Demon King: " God Chen, you're our red packet killer indeed! He was always on time for the red envelope snatching sessions and was always the King of Luck! (Envy, jealousy, hate)

[thank you for your kind words, brother bull!] I hope I'm still the lucky one today!

Lei Zhenzi snorted. Stop dreaming, kid! For today's Red packet snatching session, I have specially accumulated a large amount of merit points. Right now, my luck is already off the charts, what right do you have to compete with me! (Proud)

Guan Yin Bodhisattva: " Amitabha. The cataclysm is coming. Red packets are getting less and less. Not only Lei Zhenzi, but almost all the members of the group have accumulated merit points. I hope that we can get more red packets with luck! God Chen, this time, you may not be the King of Luck anymore!

[Chen Xiaobei: I might not be able to, but I might be able to!] Just as Guanyin sister said, snatching red packets mainly depended on luck!

Burning lamp Daoist: You won't shed a tear until you see your coffin! Recently, not only did your merit not increase, it has been falling! Your fate and luck will fall with it, and you want to be the King of Luck? It was purely a dream! (Disdainful)

Chen Xiaobei: " I didn't think that you, the Vice-leader of the clan of enlightenment, would know about my merit points! It seems that chanism really cares about me!

The current leader of the clan of enlightenment, Jiang Ziya and Shen Gongbao, who were the representatives of the heavenly Lord Yuanshi, were all demoted to the mortal world because of Chen Xiaobei's scheme.

Today, dipamkara Daoist, who was the Deputy Hierarch of the clan of enlightenment, personally appeared as the representative of the heavenly Lord Yuanshi and presided over daily affairs.

In addition, all of Shen Gongbao's actions in the mortal world were supported by dipamkara Daoist, who also provided him with resources and help.

For Chen Xiaobei, he might have to face this burning lamp Daoist for a long time!

Today's Red envelope snatching session would be the first battle between Chen Xiaobei and dipamkara!

Burning lamp Daoist: Are you afraid? (Disdainful)

'That's impossible!' I, Chen Xiaobei, will never be a coward!

Lei Zhenzi, [you're so stubborn!] I'll see how you Cry Later! (Glare)

Chen Xiaobei: " since you guys don't have high hopes for me, I'll definitely give you guys more red packets later! Anyway, I'm just unlucky and can't get it! (Chuckling)

Lei Zhenzi replied, "of course!" We've already calculated that you'll have bad luck! Today's Red envelope snatching session was not only in large quantity, but also of good quality! You'll definitely die of envy! (Proud)

Burning lamp Daoist, "that's right!" The quantity and quality of the red packets today would exceed any of the previous red packet snatching sessions! Chen Xiaobei would not be able to snatch anything from her, he could only stand there and watch! (Hahaha)

Chen Xiaobei:

After sending the message, Chen Xiaobei quickly put away his phone and ran back to the crowd.

Just as burning lamp Daoist had said, Chen Xiaobei's merit points had decreased a lot recently, and so had his luck.

It could be said that Chen Xiaobei's luck and destiny had been at its lowest point recently.

Snatching red packets was all about luck!

If Chen Xiaobei stupidly relied on himself to Force Red packets, he would fall right into chanism's trap and would never become the King of Luck!

However, if Chen Xiaobei could find someone with super good luck to help him snatch the red packets, the result would be completely different!

That's right!

This man was Ying Zheng!

Because of the Jade Emperor's scheme, Ying Zheng's fate was concealed by a Supreme secret magic, and no one under the Saint realm could divine anything about him!

The clan of enlightenment wouldn't be able to predict that Ying Zheng would come and snatch the red packets, so naturally, they wouldn't be on guard against him. Later on, they would definitely send out a large number of red packets!

In addition, when the merit record was still in the hands of the clan of enlightenment, the Jade Emperor had taken the opportunity to erase Ying Zheng's name! So that Ying Zheng would not be able to use the function of the merit record!

In other words, after so many years, Ying Zheng's nine human emperors 'merit points had not been consumed at all!

His luck and fate energy were both at their peak!

In this way, the more red packets the clan of enlightenment gave out this time, the more Ying Zheng would Rob, and he would definitely be the King of Luck!

"Brother Ying Zheng! Follow me!"

Chen Xiaobei pulled Ying Zheng along and ran to a place with no one else.

"Why did you bring me here?"

Ying Zheng pursed his lips and said, " I'm drinking with Xiang Yu, and we're talking about how he destroyed the great Qin Empire ...

"If you have anything to say, you can talk about it later!"

Chen Xiaobei quickly handed the phone to Ying Zheng and said, " "Next, I have an extremely important task for you!"

"What mission?"

the royal city of beixuan has already been established, " said Ying Zheng nervously. the experts under your command have gathered here. Since this is an extremely important mission, you should hand it over to someone more capable! It's not that I don't want to contribute, but my cultivation is too low, and I'm afraid I'll ruin your big plan!"

"Relax!" Chen Xiaobei said with a smile. Only you can do this! And only you can do it well! Even someone who is ten thousand times stronger than you can't compare to you!"

what's the matter!? Ying Zheng's face was filled with shock.

He couldn't imagine why someone who was 10000 times stronger than him couldn't compare to him.

"Red packet snatching!" Chen Xiaobei pointed at the screen and said, " "Focus! It's about to start!"

"Rob? A red packet?"

Ying Zheng looked at the phone screen with a dumbfounded expression and said in shock, " "This ... This, this, this ... This is the Three Realms red envelope group?"

"Right! This is the Three Realms red envelope group!" that's right! Chen Xiaobei nodded. it's all up to you whether you guys eat meat or dirt this New Year!

Ying Zheng was suddenly enlightened, and he said, " You're trying to use my luck to get a wave of red packets!"

"That's right! I just want you to snatch it!" Said Chen Xiaobei with a smile.

"Xiaobei! You can put your heart at ease now!"

in terms of luck, I'm not targeting anyone, " said Ying Zheng confidently. everyone in the group is my younger brother!

"That's up to you!"

Chen Xiaobei smiled and said, " "Take down the King of Luck! Blow up chanism's face!"

"No problem!"

Ying Zheng was filled with confidence, his thumbs gradually tightening up, ready to tap on the screen like crazy!

.....

Burning lamp Daoist: The heavenly court's spring Festival banquet had ended! According to the usual practice! I declare! The red envelope snatching session had officially begun!

Ding! Congratulations! You have snatched a red envelope from the fire cloud deity. You have received a pair of flame rings. It has been stored inside your treasure chest!

"What the f * ck! First blood in an instant!"

Chen Xiaobei was instantly excited, 'brother Ying Zheng is so cool! Continue! Continue! I'll kill him twenty times today!"

Red Envelope Group of the Three Realms

Chapter 2592: Heaven-Shaking Luck

Ding! Congratulations! You snatched a red envelope from the spirit general of the Thunder division. You have received a Thunder spear. It has been stored inside your treasure chest!

"What the f * ck! Double kill!"

Chen Xiaobei was so excited that he could not believe his eyes. "This is too fast ... Three! The triple kill is here too!"

Ding! Congratulations! You have snatched count of the wind's Red envelope. You have received a windraiser sword. It has been stored inside your treasure chest!

"Brother Ying Zheng! Your luck is really heaven-defying! It's a red packet just by randomly clicking on it!"

Chen Xiaobei's expression was dumbfounded. "Quadruple kill ... Quadruple kill is coming!"

Ding! Congratulations! You've snatched Lord Tiangong's Red envelope. You've received three pieces of Wargod dark steel. It has been stored in your treasure chest!

The four kills had just ended, and in less than two seconds, a new message popped up!

Moreover, after Ying Zheng tapped on the screen three times, three messages popped up one after another!

Ding! Congratulations! You've snatched Daoist master Chi Jing's Red envelope. You've received a set of embroidered clothes of Midsummer's dream. It has been stored inside your treasure chest!

Ding! Congratulations! You have snatched a red envelope from the spirit beast immortal. You have received three demon spirit point stones. They have been stored inside your treasure chest!

Ding! Congratulations! You've snatched a red envelope from Guan Yin Bodhisattva. You've received a string of refreshing prayer beads. It has been stored in your treasure chest!

"Five ... Six ... Seven ... Instant triple kill in one wave! Oh my God! This is what you f * cking call snatching red packets! This triple combo is simply awesome!" Chen Xiaobei felt as if his three views had been forcibly refreshed.

Ding! Congratulations! You've snatched a red envelope from venerable Black Phoenix. You've received the divine Phoenix's mystical flame. It has been stored inside your treasure chest!

Ding! Congratulations! You have snatched South Pole immortal Weng's Red envelope. You have received a longevity jade talisman. It has been stored inside your treasure chest!

Ding! Congratulations! [you snatched red packets from the four immortals of the holy mountain. You have received four sets of four-colored immortal robes. It has been stored inside your treasure chest!]

"Eight ... Nine ... Ten ..."

Chen Xiaobei's eyes almost fell out of their sockets. "Brother Ying Zheng! You're too strong ... Three red packets in a row. I feel like you're snatching them one by one ..."

Ding! Congratulations! You've snatched Yang Jian's Red envelope. You've received a spear with five tigers soul-shattering spear. It has been stored inside your treasure chest!

Ding! Congratulations! You snatched martial extreme star's Red envelope. You have received the heavenly edge Imperial Sword. It has been stored inside your treasure chest!

Ding! Congratulations! You have snatched the weaving girl's Red envelope. You have received a set of Sun Moon sky robe. It has been stored inside your treasure chest!

Ding! Congratulations! You've snatched a red envelope from Guangchengzi. You've received a volume of the frost cold nine provinces. It has been stored in your treasure chest!

"Eleven! Twelve! Thirteen! Fourteen!"

Chen Xiaobei's world view crumbled. He was starting to doubt his life. "Fourth company! Motherf * cker! I feel like I'm not playing the same game as brother Ying Zheng! Two waves in three, followed by four! His luck is simply too good!"

"I'm indeed quite lucky!" Said Ying Zheng as he was snatching the fruits. However, he felt that he had sent a lot of red packets today! Moreover, most of the red packets I got were from chanism!"

"Of course!"

that's right! Chen Xiaobei laughed. those chanism idiots knew that I would be unlucky, so they gave out a lot of red packets! However, they would never have dreamed that I would invite you to snatch the red packet! The more they gave out, the more you snatched! He had already killed fourteen players! It's so cool!"

"It's only 14 kills, it's not over yet!" Ying Zheng smiled and continued snatching red packets.

"Only?" Chen Xiaobei was dumbfounded.

Fourteen kills was already a lot, but Ying Zheng actually said 'only' fourteen kills, as if he was not satisfied with it!

As expected! Before he could finish his sentence, another red packet entered his account!

Ding! Congratulations! You have snatched a red envelope from heavenly Lord Yuanshi. A golden core realm-breaking pill has been stored in your treasure chest!

"What the f * ck! You even managed to get the red envelope from the primordial old thief!"

Chen Xiaobei's eyes lit up, and he said excitedly, "A golden core realm-breaking pill! As long as he reached the peak of the spirit sea realm and took this elixir, he would be able to break through to the Golden elixir realm directly? And before the Golden elixir realm, any major realm could be broken through with this elixir! It was so cool! Hahaha ..."

Ding! Congratulations! You have snatched a red envelope from lady Nuwa. You have received one inch of the Nirvana Black Thunder. It has been stored inside your treasure chest!

"What the hell! Even mother nüwa's Red packet had arrived! The main event is at the back!"

Chen Xiaobei's eyes lit up, and he said excitedly, "Black Lightning of destruction! This was the special ability of the Dragon's edge! Could it be that mother Nuwa has given me the opportunity to advance to the demonic Dragon's edge? That's great! This is exactly what I need the most!"

Ding! Congratulations! You've snatched a red envelope from Dao ancestor and obtained a drop of chaos blood. It has been stored in your treasure chest!

"A super big piece of grass is lying on the ground!"

Chen Xiaobei could not believe his eyes, "A red packet from the Dao ancestor! The blood of chaos! Even if one used their toes to think, they would know that this was definitely a super heaven-defying treasure! It was a huge profit! What a great profit! Wahahahahahahahahahahaha ..."

Finally, after Chen Xiaobei had snatched the red envelope from the Dao ancestor, the red envelope snatching rate slowed down and soon came to a complete stop.

"It's over! Seventeen kills ..."

Ying Zheng heaved a sigh of relief and returned the phone to Chen.

"Seventeen kills! He had already broken the record! It's simply awesome and lightning fast!"

Chen Xiaobei took the phone and said happily, "you go back and drink first. I'm going to tease chanjiao for a while, and then I'll go give everyone red packets!"

"Alright!" Ying Zheng grinned, then returned to the crowd happily.

After Ying Zheng left, Chen Xiaobei immediately returned to the group.

Chen Xiaobei: "@ dipamkara Daoist,@ Leizhenzi, what do you think?" How's today's harvest?
(Chuckling)

Lei Zhenzi-Chen Xiaobei! You're cheating! Your luck should be dropping! How could he be the King of Luck again? (Envy, jealousy, hate)

Chen Xiaobei: To think you could think of that! The Three Realms immortal network and the three Realms red envelope group were both created by the heavenly path's Sage! If you say I'm cheating, that's the same as saying that I've tricked all the heavenly path Saints! This was a slap to the face of a Saint!

Lei Zhenzi, "I ... I didn't mean it that way ..."

[burning lamp Daoist: other than Prime of Tongtian, there were six other heavenly path Saints who sent red packets today. Chen Xiaobei, you actually got three!] You're definitely up to no good! Otherwise, it would be impossible to snatch so many!

Chen Xiaobei: You said I was playing tricks! Where's the evidence?

Burning lamp Daoist, "this ..."

Chen Xiaobei: " if you don't have evidence, then what are you saying? "

Burning lamp Daoist, don't be so smug! I'll make you cry sooner or later! (Gritting teeth)

Chen Xiaobei, you want me to cry? Don't you think your face is hurting enough? (Evil smile)

Burning lamp Daoist, face pain? (Puzzled)

Chen Xiaobei: " just now, you said that I can't be the King of Luck. You said that I can't get any red packets. You said that I can only stand by and watch!

Chen Xiaobei: " but I got 17 red packets! More than half of them belong to chanism! I managed to get three red envelopes from the six heavenly path sages! He was the well-deserved King of Luck! Your face has been smashed by me, don't you know pain?

Burning lamp Daoist, "I ..."

Chen Xiaobei: " and now you're telling me to cry? " Aren't you afraid of being slapped in the face again? At that time, not only will I not cry, but I will also laugh my head off!

[Red Envelope Group of the Three Realms](#)

Chapter 2593: Leveling Up Opportunity

Burning lamp Daoist, "you ... You, you, you ..."

Chen Xiaobei's slap in the face was loud and clear. Not only did he slap dipamkara in the face, but he also slapped the entire clan of enlightenment.

Through the phone screen, Chen Xiaobei could imagine how deafening the dipamkara Daoist and the chanism disciples must be feeling right now.

Chen Xiaobei thought, 'I thought you'd be so powerful as the Vice-leader of chanism! Shen Gongbao still didn't know how to play! It was simply too weak!

Burning lamp Daoist, "pfft ..."

Chen Xiaobei, you don't even know how to quarrel! There was no challenge at all! You're talking nonsense! You can be depressed!

After teasing Daoist dipamkara, Chen Xiaobei felt so refreshed.

[goddess nūwa has sent you a message!]

Chen Xiaobei received a private message on his phone!

"Mother Nuwa? He was just about to look for her! He was asking about the Nirvana Black Thunder, but she got a message first! Just in time!"

Chen Xiaobei grinned and opened the private chat.

[Nuwa: Xiaobei!] Are you free? I have some important things to tell you!

Chen Xiaobei: What instructions did mother Nuwa have? Please speak!

[Nuwa: the Nirvana Black Thunder I sent to the red packet just now was actually sent to you by senior Tongtian!]

Chen Xiaobei: Since it was something he wanted to distribute? Why didn't he post it himself? (Puzzled)

[Nuwa: didn't you notice?] Of the seven heavenly path sages, only six had come today! The only one missing was senior brother Tongtian!

Chen Xiaobei, "why ... Why is that?" (Nervous)

Nuwa: " last time, senior brother Tongtian forcefully pulled the great void crack, which was the core of the human world, out of the Three Realms. This infuriated the Dao ancestor and he punished senior brother Tongtian to be imprisoned indefinitely!

Chen Xiaobei: Master is in confinement? It's all my fault ... Master withdrew the great void Rift to help me plant the green Lotus seed of chaos ...

[Nuwa: you don't have to blame yourself!] Senior brother Tongtian was a very smart person! By doing this, it means that he absolutely trusts you! Even if he was to be punished, he was willing!

"Trust me?"

Nuwa agreed! Senior brother Tongtian believes that you can do what he can't! That's why he's willing to take the risk for you, even if he's locked up indefinitely!

Chen Xiaobei: If even master can't do it, how can I?

[Nuwa: of course it's possible for you!] After all, senior Tongtian has no choice, but you have your own freedom! The point is that everything you're doing now is for your ultimate goal! As long as you don't give up, senior brother Tongtian's sacrifice will be worth it!

Chen Xiaobei-I will not give up unless I die! However, he was still very, very far away from his final goal! I'm afraid that the time master has to wait will be endless ...

Nuwa thought, "senior Tongtian isn't even afraid of himself. What do you have to be afraid of?"

Chen Xiaobei:

[Nuwa: you don't have to be bothered by this!] Heavenly path Saints were immortal, and time was the least valuable thing! Senior brother could wait!

Nuwa thought, "besides, the Dao ancestor might not imprison senior brother Tongtian indefinitely!" As long as the clan of enlightenment grew, Dao ancestor would release senior brother Tongtian to balance the clan of enlightenment!

If that's the case, then I'm a little more at ease ...

Nuwa: The inch of Nirvana Black Thunder was plucked from the black Thunder of the heavenly Tribulation by senior brother Tongtian! You should be able to guess that this is the opportunity for you to upgrade your Dragon's edge!

Chen Xiaobei: I have indeed guessed it! However, he did not know how to upgrade it! After all, the Nirvana Black Lightning was a Heavenly Tribulation, and the black saber demonic Dragon was a divine item! I'm afraid I can't control it ...

[Nuwa: I'm not sure about the specific upgrade method either!] However, senior brother Tongtian would not do something meaningless! So, think about it carefully. Are there any other opportunities related to this?

Chen Xiaobei, 'there are ... Other opportunities! I remember now! I found a beast bone in the beiming family's treasure vault! It contained the aura of the darkness Demon Dragon!

[Nuwa: that's right!] Bring the black blade and the Nirvana Black Thunder to find the source of the beast bone! At the source of the darkness Demon Dragon's aura, one would be able to find the way to upgrade the black blade!

[Chen Xiaobei: thank you for your advice, Your Highness!] I'll go find the beiming family later! Find out the source of the beast bone!

Nuwa replied, "yes, it's good that you have a clue!" Senior brother Tongtian's plan had not failed!

Chen Xiaobei: How did master know that I would definitely be able to get this red envelope? What if someone else snatched it?

[Nuwa: Ying Zheng's fate may have been concealed by the Jade Emperor, but he can't hide it from the seven great sages of the heavenly path!]

[this ... This means that the seven heavenly path Saints all know of Ying Zheng's existence?] And you also knew that Ying Zheng would help me?

[Nuwa: yes!] Senior brother Tongtian had predicted that you would ask Ying Zheng for help! As Ying Zheng's luck was close to its peak, he could naturally help you get what you needed the most!

Chen Xiaobei: The Nirvana Black Lightning is what I need the most! If that's the case, then the primordial thief's golden core realm-breaking pill and the Dao ancestor's chaos blood are also what I need the most?

Nuwa said, " yes, you're in the divine sea realm now. As long as you reach the peak of the deep sea realm, you can use the Golden core realm-breaking pill to break through to the next realm! Increasing your cultivation base should be what you need the most!

Chen Xiaobei: There was something strange about this! If the old primordial thief knew about Ying Zheng's existence, why did he still send out the thing that he needed the most?

[Nuwa: you're so smart. There's no way you didn't think of it!]

Chen Xiaobei: " this ... I understand now! The primordial old thief is trying to cut off My Immortal cultivation path!

[Nuwa: you're really smart!]

Chen Xiaobei thought,'the path of cultivation has to be steady. If I use external forces to break through, there will be flaws in my Foundation!' After one's cultivation reached a certain realm, it would stop completely, and the path of immortal cultivation would be completely interrupted! The primordial thief is deliberately setting me up!

[Nuwa: disaster and blessing!] Since you've already seen through the disaster! Make good use of the Golden core realm-breaking pill, and it will bring you great benefits!

Chen Xiaobei: I'll find the pill recipe later! It was for the right person to use! Of course, he could also use it to make a fortune! (Excited)

[Nuwa: I'm not worried about this!] finally, I want to talk to you about the blood of chaos!

"Blood of chaos?" Chen Xiaobei thought. Is this what I need the most?

Nuwa replied,"yes!" This is your chance to upgrade the chaos Blood Sword!

Chen Xiaobei, chaos Blood Sword? That's not right ... Chaos was a state before the world was created and the universe was divided! It wasn't a real object, so how could there be blood?

[Nuwa: the chaos you're talking about is a state of mind!] And the drop of blood you snatched was the blood of a divine beast! The name of that divine beast was also chaos!

Chen Xiaobei thought!!! Chaos Divine beast? Upgrade the chaos Blood Sword? (Shocked)

[Red Envelope Group of the Three Realms](#)

Chapter 2594: Hidden Scheme

Nuwa said,"there's no definite connection between the chaos of the Three Realms and the chaos of the divine beasts." However, when you first cultivated the chaos sword embryo, you used blood as the 'nourishment'! Thus, the blood of a chaos Godbeast was connected to the chaos sword embryo!

Chen Xiaobei: Back on Earth, when I killed someone with the chaos sword embryo for the first time, I decided to use the enemy's blood to nourish my sword! After that, I upgraded the chaos Blood Sword and even gave birth to the bloodthirsty ability!

[Nuwa: actually, you should have guessed it long ago!] The opportunity to upgrade the chaos Blood Sword must be related to blood! And the blood of chaos is your best choice!

Chen Xiaobei: However, it was still the same problem! With my current abilities, without master, even if I get the chaos blood, I don't know how to upgrade the chaos Blood Sword!

Nuwa replied, "that's easy!" you used the chaos Blood Sword to swallow the chaos blood. Then, a mysterious change occurred and the chaos power was activated!

Chen Xiaobei, "chaos power?" What was that?

[Nuwa: chaos Godbeast, the leader of the four ancient fearsome beasts. Its strongest ability is called 'devouring the origin'!]

Chen Xiaobei: Devouring?

[Nuwa: origin refers to the origin and foundation of everything!] It could also be understood as a Foundation!

Chen Xiaobei, devouring the origin? Was it to directly devour the foundation of things?

[Nuwa: yes!] The chaos godly beast was ranked first among the four ancient beasts because it could swallow the origin of all things! It could directly destroy the foundation of all things!

Chen Xiaobei, this is too awesome!

[Nuwa: of course!] The chaotic divine beast was a Sage-to-be existence. Very few people in the Three Realms and six paths were its opponent!

Chen Xiaobei: If the chaos Blood Sword can trigger the origin devouring ability, it will be of great help to me! (Extremely excited)

[Nuwa: don't be happy too soon!] The creation of special abilities did not mean that the chaos Blood Sword had leveled up!

Chen Xiaobei: The main point was to upgrade! What should I do?

Nuwa thought, "it can be said to be simple, but it can also be said to be difficult!"

Chen Xiaobei-please enlighten me, Your Highness!

[Nuwa: from now on, all you need to do is use the chaos Blood Sword and keep devouring the powerful origin. You'll be able to make the chaos Blood Sword grow continuously!]

Chen Xiaobei: I have as many enemies as the hair on an ox! He would use the enemy's source to upgrade the chaos Blood Sword!

Nuwa: " I'm not done yet. Let's assume that the chaos Blood Sword has reached the three-star earth-god level. You have to devour the origin of 30000 gold core earth-gods to upgrade it!

Chen Xiaobei thought, 30...30000 origin cores for one level up? This was too difficult ...

[Nuwa: not only that, the higher the grade of the chaos Blood Sword, the stronger the enemy you have to kill!] If he wanted to upgrade the chaos Blood Sword to the heaven immortal level, it would need to devour the origin of 30000 peak earth Immortals!

Chen Xiaobei: " H-how is this possible?! In the entire earth-god Realm, there were probably less than 30000 peak earth-god level cultivators!

Nuwa replied,"this is just my assumption!" Not all 30,000 essences came from earth Immortals! You can also find earth-god items, earth-god medicines, earth-god instruments ... In short, chaos godly beasts can devour the origin of all things! As long as the Origin's level was high enough, it could be used to upgrade the chaos Blood Sword!

Chen Xiaobei: " if that's the case, does that mean that the chaos Blood Sword can level up faster if it devours the source? "

Nuwa replied,"yes!" If the chaos Blood Sword could devour three heaven immortal's origins, it could be upgraded to a heaven immortal artifact!

Chen Xiaobei thought,'three celestial immortal's origins is equivalent to 30000 peak earth-god's origins? It was easy to say, but to kill a heaven immortal's devouring origin was as difficult as ascending to heaven ...

"Nuwa: remember what I said!" It could devour anything! He didn't necessarily have to kill a heaven immortal!

Chen Xiaobei: Devouring the essence of a heaven immortal artifact! It could also achieve the same effect! There were ten of the few heaven-immortal artifacts in the earth-immortal realm! If I can take three of them, I can upgrade the chaos Blood Sword to a heaven immortal artifact!

[Nuwa: you're really smart!] It could be seen through with just a little bit!

Chen Xiaobei, I still have the earth escape divine gourd! According to this, I'll be able to achieve my goal after I get two more heaven-immortal artifacts!

Nuwa thought,"although the earth escape immortal puppet is only a support-type magic treasure, it might be useful in the future!" I suggest that you don't give up on it unless you have no other choice!

Chen Xiaobei: I'm just making an assumption! It could be upgraded with the enemy's heaven immortal artifact! Why should I use my own? (Evil smile)

[Nuwa: alright, do you have any other questions?] If not, I'm going to leave!

Chen Xiaobei-wait, my lady! I still have two more questions!

Nuwa said,"go ahead!"

Chen Xiaobei thought,'this chaos blood is from the red envelope from the Dao ancestor! According to what the Empress had said, the Dao ancestor must have known about Ying Zheng's existence, and the blood of chaos that he had given out would definitely be snatched by Ying Zheng!

[Nuwa: of course!] The Dao ancestor knew everything!

[if that's the case, why did the Dao ancestor give out the blood of chaos?] Could it be that he's deliberately giving me a big gift?

[Nuwa: yes!] The Dao ancestor is deliberately giving you a big gift!

"I don't understand ..." Chen Xiaobei thought, "after the winter solstice festival, I got Luohou, Emperor Jiang, and Taiyi. That gave me a huge advantage!" My master told me that even if the Dao ancestor doesn't suppress me, he definitely won't help me!

Nuwa thought, "what Dao ancestors pay attention to is checks and balances!" In the winter solstice festival, you did seize a huge advantage! If Dao ancestor wanted to balance your development, he wouldn't help you. He would even let the clan of enlightenment deal with you!

Nuwa said, "but it's different now. Senior brother Tongtian is imprisoned indefinitely. Your strength has plummeted. If Dao ancestor wants to keep the clan of enlightenment in check, he has to help you!"

Chen Xiaobei: As expected, Dao ancestor didn't give me such a big gift casually! Instead, he was scheming and wanted me to use this gift to deal with the clan of enlightenment!

[Nuwa: since you understand, you have to be more careful in the future!]

Chen Xiaobei, thank you for your reminder, my lady! First, there was the old primordial thief's golden core realm-breaking pill, and then there was the Dao ancestor's chaos blood! On the surface, it was a red packet, but behind the scenes, there were schemes! I'll definitely be careful in the future!

[Nuwa: let's move on to your second question.]

[if even the heavenly Saints know of Ying Zheng's existence, what will they do?] Would Primal Chaos City leader order the Jade Emperor to kill him?

[Nuwa: there's a delicate balance between the two sides regarding Ying Zheng. If the great elder doesn't intend to bring this up, the other sages of the heavenly path won't be able to break through this layer of paper window!]

Chen Xiaobei: "so, that means that as long as the ancestral Daoist does not mention Ying Zheng, his fate will not be revealed. Other than the heavenly Saints, no one else knows of Ying Zheng's existence?"

Nuwa agreed. It was like this!

Chen Xiaobei thought, "but why didn't the Dao ancestor mention it? As long as Ying Zheng was revealed, they would be able to suppress the Jade Emperor, or even cripple him! Wasn't this the best way to balance the clan of enlightenment?"

"Nuwa," she thought, "it seems like you still haven't fully comprehended the daofather's art of checks and balances!"

Chen Xiaobei-please enlighten me, Your Highness!

[Red Envelope Group of the Three Realms](#)

Chapter 2595: Witchcraft Gift Bag

Nuwa thought, "what the daofather wants is a balance between all parties!" All parties kept each other in check! If the Jade Emperor was crippled, the clan of Enlightenment's strength would definitely plummet! The other heavenly path sages' powers would take this opportunity to grow stronger!

Nuwa thought, "at that time, the Dao ancestor will have to turn back and suppress those forces that have become stronger!" Wasn't this just asking for trouble? It was better to maintain the status quo and use the simplest method to maintain the balance!

Chen Xiaobei: "hmm, I think I get it now ... Punish the Jade Emperor and shake the heavenly court. This will break the current balance! Dao ancestor didn't want to do that, so he simply didn't mention Ying Zheng's matter! The heavenly path Saints all had a tacit understanding and would not break through this layer of window paper!

Nuwa said, "yes ... All the sages of the heavenly path are well aware of Dao ancestor's art of checks and balances. Even if the matter of Ying Zheng is brought up and the clan of enlightenment is weakened, Dao ancestor can still use other ways to strengthen the clan of enlightenment!

[Nuwa: so, regardless of whether we bring up the matter of Ying Zheng or not, the final result will always be 'balance'!] The result would be the same anyway. The heavenly path sages would naturally not do something that would not benefit them!

Chen Xiaobei: This was also good! Even though Dao ancestor did not punish Jade Emperor! But, those below the level of heavenly Dao Saint don't know about Ying Zheng's existence, which is very beneficial to me!

[Nuwa: disaster and blessing!] There were good and bad things in everything! If you could understand this, you would naturally benefit endlessly!

[Chen Xiaobei: thank you for your guidance, Your Highness!] I have no more questions!

[Nuwa: I'll take my leave then. If you have any questions in the future, you can come and ask me!] I can't guarantee that I'll be able to answer all of them, but I'll try my best to help you!

Chen Xiaobei-thank you, my lady! This disciple will respectfully send off the Empress!

Goddess nüwa left the private chat while Chen Xiaobei held the phone in his hand, frozen on the spot, reminiscing about the conversation they had just had.

Chen Xiaobei's words contained a lot of important information.

According to this information, Chen Xiaobei's future was now clear!

As long as he could upgrade the chaos Blood Sword and Dragon's edge to divine-grade, Chen Xiaobei would have two super trump cards!

The king Bomb was in hand! He could even walk sideways in the earth-god Realm!

Of course, this was not an easy task!

Whether it was the chaos Blood Sword or the demonic Dragon's tribulation, it wouldn't be easy to raise them to the Dao heaven immortal level. Everything had to be done step by step!

But then again! Right now, Chen Xiaobei had one more important thing to do, and that was to increase his cultivation!

From the looks of it, Zhao Yun, Lu Bu, and Diao Chan had all obtained their own opportunities and would be able to advance to the seven-star earth-god level very soon! The nine Grand shamans were all six to seven Star earth Immortals!

As the Honorable King of North Mystic, Chen Xiaobei's cultivation was only at the divine sea realm. This was not right! If word got out, he would probably be ridiculed by the world!

In the long run, Chen Xiaobei would have to fight a decisive battle with the local forces in the earth-god Realm! In addition, Shen Gongbao had already sent the reincarnated earth Immortals under the clan of enlightenment out to gain opportunities! His overall strength was soaring every day!

If Chen Xiaobei did not increase his cultivation, he would be at a disadvantage in the future battles. He might even be defeated!

After all, the enemy also had a Dharma Treasure. In a situation where the Dharma Treasure could not determine the outcome, the strength of one's own cultivation base would be the deciding factor in the battle!

It was not an exaggeration to say that Chen Xiaobei's cultivation was as important as his chaos Blood sword's Dragon's Edge's level! He absolutely couldn't ignore it!

Most importantly, if Chen Xiaobei wanted to ascend to heaven, he had to reach the peak of earth-god level and pass the test of heaven!

So, if he did not increase his cultivation, no matter how many trump cards Chen Xiaobei had, he would never be able to go to heaven and become a celestial being!

This showed how important it was for Chen Xiaobei to increase his cultivation!

.....

[ding! Celestial Taiyin has sent you a message!]

"Eh? Why did brother Taiyin send me a message? Are you here to wish me a Happy New Year?"

Chen Xiaobei opened the private chat again.

Taiyin true deity, brother Xiaobei! Happy New Year! I've prepared a big gift for you. I'll send it to you now!

Ding! Congratulations! You've snatched a red envelope from Taiyin true deity. You've received a big gift bag of witchcraft. It has been stored in your treasure chest!

Chen Xiaobei, "brother, Happy New Year!" You're too kind, there's a big gift bag in the red packet! There must be a lot of good stuff inside!

Taiyin true deity-I have no choice! I can't give you red packets on normal days, but this time I heard that the prime of Tongtian was locked up. According to the habits of the Dao ancestor, he will definitely help you in secret! If I send you a red packet now, no one will dare to interfere! It's a rare opportunity, so I might as well put more things in the red packet!

Chen Xiaobei, thank you so much, brother! It's just that ... I don't have anything that I can give in return ...

Taiyin true deity-we're all brothers! It's enough that you have this thought, you don't need to give me a gift in return!

"I'm really sorry about that ... No matter what, I should at least return the favor with a gift!"

Taiyin true deity: There was really no need! You've already given me the best present!

Chen Xiaobei: When did I give you a present?

Taiyin true deity: " I've observed the stars at night and calculated that the Sorcerer tribe in the human world is showing signs of recovery! If I think about it further, the one who led the Sorcerer tribe to rise is you!

Chen Xiaobei: I have become the new king of the nine Li Magus race! I've also decided to use the former Jiuli capital city as a Foundation to unify the Nanzhan state before plotting against the entire earth-god Realm!

Taiyin true deity: This is the best gift you've given me!

Chen Xiaobei:

Taiyin true deity-the woman I love the most is a member of the Sorcerer tribe! Because of her, I formed a deep friendship with the witch clan! Back then, I even fought side by side with the Sorcerer tribe! He had long regarded himself as a member of the Sorcerer tribe!

[Taiyin true deity: therefore, it has been my dream for many years to revitalize the Sorcerer tribe!] And you, you gave me hope for my dream! To me, there is no better gift than this!

Chen Xiaobei-don't worry, bro! I also like the people of the Sorcerer tribe! The day I ascend to the earth-god Realm will be the day the Sorcerer tribe rises to power! No matter what the situation is, I will not abandon them!

Taiyin true deity: That's great! I knew it! You will never let me down!

Chen Xiaobei: " but, I still think I should return the favor. After all, it's the new year ...

Taiyin true deity: " don't bother about returning the favor! This red packet is not for you alone! There are many sorcery Arts in it. You can distribute them to the experts of the nine Li Magus race and let them study them. Then, you can pass them on to your disciples and bring ancient sorcery to greater heights!

Chen Xiaobei thought, 'bro, you're thinking the same thing as me! I was just planning to give everyone red packets!

Chapter 2596: New Year's Benefits

Taiyin true deity did not want Chen Xiaobei's return.

Chen Xiaobei exited the private chat and ran towards the crowd.

Chen Xiaobei would not forget about his family and friends since he had gained so much today.

"Come on! Everyone, quiet down! It was the new year! I'm giving everyone red packets!"

Chen Xiaobei returned to the center of the party.

Those who were close to Chen Xiaobei were all gathered here.

"Stop drinking! Put down the wine bowl first! Xiao bei's going to send out red packets!" Xiang Yu was extremely excited.

Nezha and Hong Hai 'er were dancing with joy, "That's great! Bro bei is sending red packets again! It's even better than drinking crooked teeth!"

Zhang Chui 'er smiled and nodded. "Good job! That's my son! No matter how great his achievements are, no matter how high his status is, he will never forget his friends!"

Those who had been following Chen Xiaobei since earth all knew that Chen Xiaobei had sent out a wave of red packets on New Year's Eve last year, and all of them were good stuff.

However, the people who followed Chen Xiaobei later on were a little confused.

The nine Grand shamans were all confused and said awkwardly, "Red packets are red packets given to the younger generation by the elders! We're all older than Her Majesty, so we should be the ones giving it to her!"

"In terms of age, all of you are older than me! However, in terms of status, I am your King!"

Chen Xiaobei shrugged and said, "It's only right for this King to give his subjects some benefits on such a joyous occasion!"

As soon as he said that, the surrounding people of the Sorcerer tribe laughed.

"Your Majesty! We appreciate your good intentions! But we're not kids! New Year's money is dispensable, so don't give it!"

"Yup! Your Majesty, you'd better save it! You've burned one billion upper spiritual stones to rebuild the capital, and you're in need of money. Don't spend money on such a small matter! We won't be calculative!"

"Well said! Your Majesty, you don't have many spirit stones left. If you continue to spend money on us, our conscience will be uneasy! Let's forget about the New Year's money!"

Obviously, the people of the witch tribe did not know Chen Xiaobei well. They thought that Chen Xiaobei was going to give them New Year's money.

Although the people were not rich, they did not want Chen Xiaobei's Red packet.

After all, there were so many people. Even if everyone only received a small red packet, the sum would still be an astronomical figure!

Now that Chen Xiaobei did not have much wealth left, the people could not bear to let Chen Xiaobei spend.

"Everyone has misunderstood! I'm not giving out New Year's money! Instead, we're giving everyone New Year's welfare!"

"One by one!" Chen Xiaobei grinned. Everyone has a share!"

New Year's welfare?

The witch tribesmen were all stunned, and all their eyes were on Chen Xiaobei.

Chen Xiaobei walked up to Chen Zhongfu and Zhang Chui 'er.

He first took out a warm and plump green jade talisman.

The Jade talisman wasn't big, but there were tens of thousands of longevity characters carved on it.

"Father!"

Chen Xiaobei handed the Jade talisman to Chen Zhongfu and said, "This is the longevity jade talisman of South Pole immortal Weng! It was a peak earth-god item! If you bring it with you, it can help you extend your life and bring you peace and health!"

"Good! good, good, good ... Chen Zhongfu wasn't good with words. After receiving the Jade talisman, he was so excited that his body trembled, and his eyes were filled with relief and joy.

The 900 million people of the Sorcerer tribe were all dumbfounded by the scene.

"Oh my God! A peak earth-god item! His Majesty's welfare was actually so valuable! Did I hear wrong?"

"I can't be wrong! The Jade talisman was extremely spiritual! It's obvious that it's not an ordinary item!"

"Such a precious and rare item! His Majesty actually took it out and gave it away so casually! It's simply too awesome!"

.....

"Mother!"

Chen Xiaobei then took out a Jade Rosary that was as spiritual as the rest and handed it to Zhang Chui 'er. "This is Guan Yin Bodhisattva's heart-cleansing prayer bead! It was also a peak earth-god item! If you stay by my side, I can ensure that you are immune to all diseases and that you will live a long and healthy life!"

"Good! Good son!"

Zhang Chui 'er took the Rosary and was so happy that she couldn't close her mouth. "I knew it! My Xiaobei is the most filial child in the world! He's the pride of our family! Mom is proud of you!"

Seeing this, the 900 million sorcerer tribesmen were even more shocked.

"Mother! Another peak earth-god item! His Majesty gave it away without even blinking!"

"Even the top ten forces would treat a treasure of this level as a treasure and keep it strictly! However, to Your Majesty, it's as if it's not worth anything at all!"

"What do you guys know! To present the best things to his parents, this was his Majesty's filial piety! If His Majesty doesn't treat his parents well, how can he treat us, the subjects, well?"

"Well said! Filial piety is the most important! Just based on his Majesty's filial piety, I know that he will definitely be a wise sovereign who loves his people like his children!"

.....

"Old Jiang! Old Wang!"

Chen Xiaobei walked to the other side and took out a black and a white Daoist robe. "This is the yin-yang Daoist robe of the great numinous Treasure Master. They are all seven-star earth-god instruments, each with their own special abilities! Old Jiang kept his white robe. Old Wang, take the black robe!"

"No, no, no! This was too valuable! We two old guys don't need it!" Jiang Ziya and old Wang shook their heads, too embarrassed to accept it.

After all, their cultivations were not high. Jiang Ziya was mainly in charge of bei Xuan faction's Affairs, and old Wang was busy with the live broadcast all day. It was a waste of talent to give them two seven-star earth-god instruments.

"Take it!"

Chen Xiaobei handed over the two robes. "Although you're much older than me, I've always treated you as Good Brothers! I'm the king today, so I naturally can't treat my brother unfairly! You can keep the Daoist robes for now. When I send you to guard the city later, you'll naturally be able to use them!"

"Alright ... We'll take it!"

Jiang Ziya and old Wang nodded without hesitation. "In the future, as long as you give the order, we'll definitely do our best and listen to your orders!"

In an instant, the 900 million people present were once again stunned.

"His Majesty has given away another seven-star earth-god instrument! And there were two of them! Oh my God! It's a super powerful magic weapon!"

"On the path of immortal cultivation, the seven-star earth-god level is a huge watershed! With a seven-star earth-god instrument, he could establish a powerful force! His Majesty had casually given out two pieces! It's so shocking!"

that's right ... It's too shocking ... All of us in the Jiuli tribe only have three seven-star earth-god instruments!

.....

"Brother Yu! Brother Ying Zheng!"

While the people were still in shock, Chen Xiaobei took out a long spear that was as red as blood and a long sword that glowed coldly!

The spirituality of the sword and spear was no less than that of the Yin Yang Daoist robe!

It was another two seven-star earth-god instruments!

Red Envelope Group of the Three Realms

Chapter 2597: Benefits Continue

"Brother Yu! This is Yang Jian's five Tiger soul-cutting spear!"

Chen Xiaobei handed the spear to Xiangyu and said, " this is a seven-star earth-god instrument. It can help you conquer the battlefield and kill!

"Good brother! I won't be polite with you!"

Xiang Yu took the spear and said heroically, " "If there is a war in the future, I will definitely take the lead and kill the enemy for you!"

Chen Xiaobei nodded, then handed the sword to Ying Zheng and said, " "Brother Ying Zheng, this is the heavenly edge Emperor sword of the martial extreme star Lord! It's a seven-star earth-god, a symbol of the Emperor. It's connected to your aura, so it's most suitable for you!"

"Good sword!"

Ying Zheng's eyes narrowed, and he became excited. "With this sword, I can definitely regain the might of the Emperor! I'll help you, little north, sweep across the world!"

The 900 million people of the Sorcerer tribe were all shocked to the extreme.

"This is too exaggerated! Our nine tribes only have three seven-star earth-god instruments in total! But His Majesty has given away four in such a short time!"

"Four seven-star earth-god instruments! I'm afraid that only the leaders of the top ten forces can do such a thing!"

"From small to big! From this incident, it can be seen that His Majesty, the North Mystic Lord, has an incomparably strong foundation! It's even comparable to the top ten forces!"

.....

"Little Nezha! Red Boy! Lin Nan!"

Chen Xiaobei did not stop and walked to the other side.

"It's finally our turn! Bro bei is here to give us some benefits! wahahaha ... the three young men were so excited that they looked at Chen Xiaobei with admiration and anticipation.

"Little Nezha!"

Chen Xiaobei took out a pair of flame rings and said, "This is the fire cloud celestial's Li fire ring! A seven-star earth-god instrument! Although it can't be compared to your universe ring, it's enough for the earth-god Realm!"

"Thank you, bro bei! Long live bro bei! Long live!" Nezha took the fire leaving circle and loved it.

"Red Boy!"

Chen Xiaobei then took out a long spear that was wrapped in lightning and said, "This is the lightning sharp spear of the lightning division's spirit general! It was also a seven-star earth-god instrument! I'll be yours from now on!"

Red Boy danced around excitedly as he jumped. "Yay! Bro bei was so cool! Bro bei, you're so powerful!"

"Lin Nan!"

Chen Xiaobei then took out a long sword and said, "This is count of the wind's Fufeng sword! It was also a seven-star earth-god instrument! It's for your self-defense!"

thank you, bro bei!

Lin Nan was so touched that he said emotionally, "I never would've thought that I'd be able to get such a powerful magic treasure! Bro bei, you're so good to me!"

"We're all brothers! I naturally won't favor one over the other!"

of course! Chen Xiaobei chuckled. besides, I'll need the three of you to help me with many things in the future!

Hearing this, the three youths nodded heavily and said, "Bro bei, don't worry! You're our idol! We'll listen to you! If you ask us to head east, we will never head west! If you ask us to beat a dog, we won't chase a chicken!"

Seeing this scene, the crowd exploded.

"My God ... Am I hallucinating? His Majesty has given away three more seven-star earth-god instruments?"

"In addition to the previous ones, we've given out a total of seven seven-star earth-god instruments! Even the top ten forces can't compare to this ..."

"It's really strange! His Majesty had so many seven-star earth-god instruments, why didn't he use them himself? Just looking at it makes my heart ache for His Majesty!"

"What do you know? Those people just now were His Majesty's Good Brothers! My good brother! His Majesty's actions are a display of his loyalty and loyalty!"

"Well said! Share blessings and difficulties together! This was a true brother! Not only is His Majesty filial, but he also values friendship. This is really rare!"

The people of the witch tribe were pure and kind, and they admired Chen Xiaobei's filial piety and loyalty!

Other than shock, the witch tribesmen's admiration and respect for Chen Xiaobei had soared!

"Brother Zilong! Old brother Fengxian!"

Without stopping, Chen Xiaobei went to the other side and said, "I just snatched three pieces of Lord heavenly Smith's Wargod dark steel! I can help you strengthen your Silver Dragon Spear and heavenly halberd! If the strengthening is successful, they will all reach seven-star earth-god level!"

"Oh, really? This is great!" When Zhao Yun and Lu Bu heard this, they were naturally extremely excited.

Both of them had already received the legacy and the armor that Chen Xiaobei had given them. Now, Chen Xiaobei was helping them to strengthen their weapons. It was a one-stop service. He was so considerate!

Zhao Yun took out her Silver Dragon Spear and Lu Bu took out his heavenly halberd, handing them to Chen Xiaobei.

The people of the Sorcerer tribe heaved a sigh of relief.

"Your Majesty, have you finally finished delivering all your seven-star earth-god instruments? They're starting to deliver seven-star earth-god materials!"

"Do you think His Majesty is an immortal? Giving away seven seven seven-star earth-god instruments was already very impressive! How can you continue?"

"Isn't it? Even the top ten forces didn't have such power! His Majesty is already very, very awesome!"

.....

"Little Diao Chan!"

Suddenly, Chen Xiaobei took out a set of purple silk clothes and passed it to Diao Chan. "This is immortal Chi Jing's embroidered clothes of Midsummer Dream, one of the twelve golden Immortals of the clan of enlightenment! It's also my New Year's gift to you!"

"Wow! This silk dress is really too beautiful!"

Diao Chan's eyes were filled with stars and her face was filled with surprise, "Xiaobei Gege is the best! I, w-w-w-love this gift! Xiaobei Gege! Muah muah!"

"Muah!" Chen Xiaobei was amused by the cute Diao Chan.

However, the 900 million people around them were shocked. Their worldview was refreshed, and they even began to doubt life. "Heavens! The earth! How many seven-star earth-god instruments does His Majesty have? Another one?"

"Mengchen! Yuan 'er! Xiang Xiang! It's peaceful!"

Chen Xiaobei smiled and walked up to the four beauties. He took out four sets of exquisite brocade clothes and said, "these are the four-colored clothes of the four immortals of the holy mountain. They are all seven-star earth-god instruments. Each of you can choose one!"

"I want the blue one!" LAN Mengcheng's smile was like a flower, reserved and Noble.

"I want the orange one!" Wenyuan bounced around, full of youthful energy.

"I want the White one!" Lin Xiang was gentle like water, virtuous and gentle.

"You're flat! Your whole family will be leveled!" Murong Xiaoyao glared at Chen Xiaobei and snatched the last set of green clothes.

Chen squinted his eyes and looked at Xiaoyao's chest. "A pair of A's! I can't afford it!"

"A pair of aces? What do you mean by that?" Xiaoyao was confused.

Chen Xiaobei grinned like an old hand.

[Red Envelope Group of the Three Realms](#)

Chapter 2598: Everyone Is Happy

"A pair of aces! Bastard! I'll fight you to the death!"

Looking at Chen's expression, Xiaoyao realized that he was talking about the size of her breasts!

Xiaoyao was so angry that if the Three Sisters had not stopped her, she would have jumped on Chen and fought him!

At the same time, the crowd did not really care about Chen's teasing of Xiaoyao.

Everyone was shocked by the four seven-star earth-god instruments that Chen Xiaobei had given them.

"Oh my God! Could it be that our Emperor is really an immortal? In the blink of an eye, he has given away four seven-star earth-god instruments ..."

"A seven-star earth-god instrument is a very important treasure to the top ten forces! But in the hands of His Majesty, seven-star earth-god instruments are like cabbages in the market!"

"If today's incident were to spread, I'm afraid the entire earth-god World would be shocked!"

"This is too exaggerated! It felt like a dream! How many more seven-star earth-god instruments does His Majesty have?"

.....

"Everyone, don't worry! I've already given away all my seven-star earth-god instruments! Not a single one is left!" Chen Xiaobei shrugged and smiled.

When the commoners heard this, they could finally heave a sigh of relief.

Chen Xiaobei then added, " next, I'm going to give you three seven-star heaven immortal essence soul strange flame secret techniques!

As soon as he said that, the crowd exploded.

"Your Majesty ... You ... What did you say? Seven Star ... Heaven ... Heaven immortal level?"

"Is this a slip of the tongue? Your Majesty is probably going to say seven-star earth-god level!"

"Yes, yes, yes! It must have been a slip of the tongue! How could His Majesty possess a seven-star heaven immortal level secret technique? This is absolutely impossible!"

To the people, the series of seven-star earth-god instruments just now was shocking enough!

No matter how crazy their imaginations were, they would never believe that Chen Xiaobei could give them a seven-star divine immortal level secret technique! Furthermore, he had given away three sets at once!

This was far beyond the knowledge of mortals!

Even though the people were convinced by Chen Xiaobei, they could not believe that this was real!

"Qingcheng!"

Without explaining, Chen Xiaobei walked up to Song Qincheng, took out a secret technique and handed it to her. "This is immortal Yuding's "sun and moon in the sky" technique. After cultivating it, you can produce the sun and moon unusual fire! This kind of heavenly flame can grow to the level of a seven-star heaven immortal. It's extremely powerful!"

The so-called primordial spirit heavenly flame was an existence similar to the witch Dragon heavenly flame!

However, the witch Dragon heavenly flame was at the divine level and had more room for growth! Moreover, at the same level, the power of the witch Dragon heavenly flame would be even more powerful!

Of course, although the abnormal sun and moon flame could only reach the level of a seven-star heaven immortal, this level was definitely enough for them to use in the earth immortal world!

Song Qincheng pursed her red lips and shook her head. Xiaobei ... This secret skill is too high-level and precious. You should keep it for yourself ...

"We already have the most intimate relationship, why do you need to say these polite words?"

don't worry! Chen Xiaobei smiled gently. besides, you've helped me manage apocalypse Starfield and run my entertainment company. You've done a lot for me! I even thought that the level of this secret technique I gave you was too low!"

too low level???"

The 900 million people were all dumbfounded!

A seven-star heaven-God was the top existence in the earth-god Realm, and Chen Xiaobei was saying that it was too low? This was simply unreasonable!

Song Qincheng was a sensible person. She had to give Chen Xiaobei face in front of everyone. She nodded and said, " since that's the case, I'll take it. We can cultivate together later!

"Idiot! Have you forgotten the level of my witch Dragon heavenly flame?"

hehe ... Chen Xiaobei laughed. if it wasn't for the fact that I have to use witch dragon blood as a Foundation to cultivate the witch Dragon Flame, I would have shared this secret technique with you a long time ago!

"Oh! That's right!" Song Qincheng's eyes widened and she immediately reacted, " you have the witch Dragon heavenly flame. The 'art of the sun and moon in the sky' is useless to you!

"So, you should keep it well!" Chen Xiaobei smiled.

Seeing this, the 900 million people around were once again stunned.

"What's the situation? His Majesty doesn't even care about a seven-star heaven immortal secret art? This is crazy!"

"What is the witch Dragon heavenly flame? Could it be even more powerful than the primordial spirit strange flame of a seven-star heaven immortal?"

"Heavens! Who on earth is our Emperor? he's simply too unfathomable ..."

.....

"Subhuti!"

Without explaining, Chen Xiaobei went to Luo puti and took out a secret technique manual. this is Guangchengzi's " frost cold nine provinces Art ". After successfully cultivating it, it can produce the black frost Heavenly Fire. If you continue to cultivate it, you can also grow to the seven-star celestial immortal level!

thank you ... Luo puti did not say much. The Ice Queen's temperament was similar to the frost nine provinces technique.

Of course, although Luo puti looked cold on the surface, her heart had already been melted by Chen Xiaobei.

However, only Chen Xiaobei could see her gentleness.

In the eyes of others, Luo puti was still the Ice Queen who kept people at arm's length.

"Xuan Xin!"

Chen Xiaobei then went to Liu xuanxin and took out the third volume. this is venerable Black Phoenix's divine Phoenix deviant flame technique. It's also a seven-star heaven immortal, and it's perfect for you!

"Thank you!"

Liu xuanxin's lips curled up into a smile. "You are so good to me! I don't even know how to thank you!"

"This is very simple!" "We'll talk about it another day!" Chen Xiaobei said with a devilish smile.

Liu xuanxin's face turned red and she turned away from Chen Xiaobei.

The moment the three seven-star heaven immortal secret skills were sent out, the 900 million people present were shocked to the deepest part of their souls! His three views had been shattered to the point that it couldn't be more shattered! I've doubted it a hundred thousand times in my life!

To the 900 million people, there was only one word to describe their admiration for Chen Xiaobei!

By now, Chen Xiaobei had given out all the red packets that he had snatched from the Three Realms red envelope group.

All that was left was a drop of Dao ancestor's blood of chaos, goddess nūwa's one-inch Black Thunder of Nirvana, and heavenly Lord Yuanshi's golden core realm-breaking pill!

To Chen Xiaobei, giving away something would not be of much help to him, but it would benefit his family and friends! Therefore, Chen Xiaobei did not feel any heartache at all!

The rest of the items were of utmost importance to Chen Xiaobei! As long as he could use it well, it would bring Chen Xiaobei a huge benefit!

This way, even though Chen Xiaobei had given out a wave of benefits, his family and friends would also benefit greatly!

It was the best of both worlds and everyone was happy!

Of course, on such a good day like today, Chen Xiaobei would not be so selfish as to only give out benefits to his family and friends!

"The benefits haven't ended yet!"

of course! Chen Xiaobei grinned. everyone here today will get a share!

Chapter 2599: Nurturing Disciples

A stone that caused a thousand ripples!

Chen Xiaobei's nonchalant words had once again shocked everyone!

After all, Chen Xiaobei had just given away a lot of precious things!

The crowd could not imagine how Chen Xiaobei was going to distribute the benefits so that everyone could have a share.

"Let's start with the nine Grand shamans!"

Chen Xiaobei chuckled and took out the Grand gift package of Taiyin true deity's witchcraft.

After a quick look, there were more than ten ancient books in the gift bag, which covered almost all the secret skills of the wizard tribe!

The main point was that they were all at the divine fairy level!

"Shaman Lord yaoshu is skilled in witchcraft. This 'high level witchcraft' is for you!"

sky poison Supreme witch specializes in Voodoo techniques. I'll give you this 'poison Witch Heart Sutra'!

"The divine craftsman and honourable witch is skilled in forging weapons. This" the study of forging weapons "is for you!"

"The beast taming honourable witch is good at taming spirit beasts, this book is for you," spiritual witchcraft ""

Grand shaman ding Shang is skilled in business. This 'ancient witch treasure map' is for you!

the Budur sorcerer clan is good at body tempering. I'll give you this volume of the 'copper sorcerer undying technique'!

"The Berserker witch is good at close combat. I'll give you this volume of the Magus Berserker's eight extremes force!"

"Grand Magus Xuan Zhong is skilled in charging and breaking through enemy lines. I'll give you this" dark sorcerer nine battle formation "!"

"Grand shaman Xiaofeng is skilled in the winged cavalry celestial Army. I'll give you this volume of the heavenly witch meteor explosion!"

Chen Xiaobei used the ancient sorcery technique of the nine-book deity level and said, " "These secret Arts and magic arts were all left behind by the ancient sorcerer clan. They are extremely difficult to find even in the heavenly realm! I hope you can study it well, pass it on to your disciples, and carry it forward!"

"Heavens! This ... This is really a heaven immortal level sorcery ..."

The nine Grand shamans flipped through the ancient books in their hands and were so excited that they knelt on the ground and bowed to Chen Xiaobei.

"The ancient catastrophe caused the wizardry of our tribe! The secret techniques of ancient times were almost lost! For His Majesty to be able to find so many celestial immortal level sorcery Arts, it's like finding our original source Foundation!"

"No! Your Majesty has found these ancient sorcery Arts, which is equivalent to helping us find our lost souls!"

we firmly believe that the Sorcerer tribe will rise again under the leadership of Your Majesty and complete a great Renaissance that will surpass history!

"Long live Your Majesty! Long live! Long, long, long, long ..."

As the nine Grand shamans knelt down, the 900 million people around them also knelt down and cheered for Chen Xiaobei!

It was not an exaggeration to say that the nine books of ancient witchcraft that Chen Xiaobei had given to the people of the Jiuli tribe were of great importance and irreplaceable!

Almost half of the people there had become Chen Xiaobei's followers.

The remaining half would soon become Chen Xiaobei's followers.

"All of you, get up! Isn't it ruining the atmosphere if everyone kneels on such a good day?"

Chen Xiaobei grinned and waved to the other side. "Feng Qingyang! You six brothers, come over!"

"Yes, sir!"

With Feng Qingyang as the leader, Chen Xiaobei's six direct disciples walked over.

"Feng Qingyang!" Chen Xiaobei said. You're the eldest disciple! His heart was calm and experienced! I'll teach you my medical skills! As long as you can master it, you can do whatever you want in the heaven realm!"

Chen Xiaobei then took out the three medical books and handed them to Feng Qingyang.

These three medical books were Hua Tuo's nine Dragon acupuncture, Li Shizhen's Compendium of Materia Medica, and sun Simiao's notes of the king of medicine.

Back then, Chen Xiaobei had relied on three medical books to master all the medical skills in the world!

From earth to the earth-god Realm, his medical skills had brought Chen Xiaobei countless benefits. It could be said that it was Chen Xiaobei's famous skill!

"Disciple thanks master!" Feng Qingyang received the three medical books with both hands and immediately knelt down and kowtowed.

The teacher only cared about passing on knowledge!

Yet, his master wanted to pass on his skills!

Feng Qingyang was well aware of Chen Xiaobei's medical skills. He also knew that this was Chen Xiaobei's ultimate skill! Naturally, he was deeply grateful to Chen Xiaobei and was loyal to him!

Chen Xiaobei nodded and continued, "Tai yitan, you are the second disciple! You're from the Miao region, and you have a connection with the Sorcerer tribe! I'll teach you witchcraft! After learning it, it will be endlessly beneficial!"

"Disciple thanks master!" Tai yitan received the two ancient books with both hands, knelt down and kowtowed.

These two books were beginner level and intermediate level witchcraft that Taiyin true deity had given to Chen Xiaobei.

Although they were only elementary and intermediate, the contents of these two ancient books originated from the ancient times. Once one mastered them, one would be invincible in the Dao of witchcraft!

"Wu aofeng!"

"You're the third disciple!" He had a strong temperament and was very brave! I'll teach you the 'astral Beast Battle technique'. It's a heavenly immortal-grade battle technique. Once you master it, you'll be invincible among your peers!"

"Disciple thanks master! His master was so cool that it could explode the heavens! Mighty, domineering, and invincible!" Wu aofeng was also known as the face-smacking little tornado. He had a carefree personality, but he was very loyal.

Chen Xiaobei passed the astral Beast Battle technique to Wu aofeng in hopes that he could improve and become a strong warrior!

"Huo yuanba!"

"You're the fourth disciple!" Chen Xiaobei said. Your comprehension isn't low, and you're also able to remain calm. Master will pass on the art of artifact refining to you!"

"Disciple thanks master!" Huo yuanba took the ordinary notebook from Chen Xiaobei's hand. He was a little confused but still kowtowed to thank him.

"I don't have a real secret tool-refining skill! However, I have forged, strengthened, and even fused my own magic treasures more than once!"

"This notebook contains my personal notes on refining equipment!" Use this as your Foundation and step into the door of weapon refinement! Later, when I obtain the ancient secret skill, I will give it to you again!"

"This disciple understands! Thank you, master!" Huo yuanba kowtowed again.

Just as Chen Xiaobei had said, even though he had never really learned how to craft, he had already succeeded in casting, strengthening, and fusing many times!

With the scholar heart, Chen Xiaobei's own experience and insights would not be any worse than ordinary crafting skills!

For Huo yuanba, this gift was enough to make him a master craftsman! At least in the earth-god World, he could be one of the best!

"Xuanyuan tuohai!"

Chen Xiaobei said seriously, "You're the fifth disciple! It's because your bloodline and physical body are extremely special! I plan to teach you the body refining technique!"

"Disciple thanks master!" Xuanyuan taohai kneeled and kowtowed. He then took the ancient book from Chen Xiaobei with both hands.

This ancient book was the ancestral wizard level "sky-killing tyrant body technique"!

Chapter 2600: Internal Decision

Chen Xiaobei had obtained this heaven-killing tyrant body technique by chance!

According to Taiyin true deity, this secret technique had reached the level of an ancestral wizard, which was also the level of a Sage-to-be as Tian Peng had said!

Chen Xiaobei was only a two-star earth-god, but he had the physique of a three-star earth-god. This was all thanks to the sky-killing tyrant body technique!

In fact, if Chen Xiaobei could catch a higher level demonic beast and use its blood to refine his body, he could increase his physical strength limitlessly!

From this, it could be seen how overbearing the "sky killing tyrant body technique" was! He was simply a heaven-defying cheat!

Chen Xiaobei wanted to teach the heaven-killing tyrant body technique to Xuanyuan tuohai, with the same intention of turning him into a powerful general!

After all, Xuanyuan tuohai had the blood of the Xuanyuan family! Furthermore, it was mixed with the bloodline of the Wuji Saint Demon King!

When Chen Xiaobei first met Xuanyuan tuohai, the young man only had 1000 combat power, but his physical strength had reached a shocking 300000!

Even the elder of heavenly secrets had predicted that Xuanyuan tuohai's birth would bring an unprecedented catastrophe to the earth-god Realm!

It could be seen that this young man, Xuanyuan tuohai, had too many secrets, and was definitely worth nurturing!

Of course, most importantly, among Chen Xiaobei's family, friends, and disciples, only Xuanyuan tuohai had the chance to learn the sky-killing tyrant body technique!

That was because if he wanted to cultivate the "sky killing tyrant body technique," he had to go through a life and death trial of the tyrant body!

This trial was extremely brutal. Either you pass it successfully, or you die without an intact corpse!

Even someone as strong as Chen Xiaobei almost lost his life when he was in the trial of the mighty body!

One could only imagine how terrifying this trial was!

If not for this gate of hell, Chen Xiaobei would have taught his family and friends the sky-killing tyrant body technique!

Of course, there were countless mortals in the world, but those who could achieve great success were countable!

The greater the achievement, the greater the price one had to pay!

This was a principle that had never changed since ancient times!

It was like the path of cultivation. Others could use external forces to speed up their cultivation, but Chen Xiaobei could only rely on himself to advance step by step!

Chen Xiaobei would have to pay a huge price for this!

However, when they reached a certain height, those who had once used external forces to improve would stop completely and find it difficult to move forward! Chen Xiaobei, on the other hand, could still rely on himself to move forward step by step!

To wear a crown, one must bear the weight!

If one wanted to reach the end of the immortal path, one must endure the heavy tests along the way!

"This body refining secret technique is very special! After you learn it, it will benefit everyone! However, it's extremely difficult and dangerous to learn it!"

that's why you have to read this book first! Chen Xiaobei said. if you have the chance, you can decide if you want to practice it or not!

"This disciple will obey!" Xuanyuan tuohai was Chen Xiaobei's most loyal follower, so he would listen to everything Chen Xiaobei said.

If Chen Xiaobei was right, Xuanyuan tuohai would not even hesitate to give up his life if Chen Xiaobei said the word!

This was also the main reason why Chen Xiaobei had chosen to teach Xuanyuan tuohai the sky-killing tyrant body technique!

If it was anyone else, they definitely wouldn't allow it!

"Righteous Daoist!"

Chen Xiaobei looked to the other side and said, "You're the sixth disciple! I've already taught you alchemy! At this moment, I'll teach you the pill formulas of the "Jade face pill" and the "Wuji blood-clotting pill"! Study it carefully and try to form the pill as soon as possible!"

"Disciple thanks master!" Enlightened Yi ru kowtowed heavily and received the two pill recipes with both hands. He was extremely excited as if he had received the most precious treasure.

All six of Chen Xiaobei's direct disciples had received one of Chen Xiaobei's ultimate skills!

Under Chen Xiaobei's guidance, they would be able to learn the essence of the technique and grow into talents who could take charge of their own field!

In the near future, they would be able to help Chen Xiaobei solve his problems, and even use their knowledge to help Chen Xiaobei gain fame and fortune!

"I've said it before, everyone here today will get some benefits!"

Chen Xiaobei looked around at the crowd and said, "although I really want to give everyone an earth-god instrument, there are 900 million people here. Even the immortals have given so many!"

The moment he said that, the commoners expressed their understanding.

"Your Majesty, you don't have to be so polite! We're already very touched by your kind intentions!"

His Majesty has helped us find the ancient sorcery. Later on, Grand shaman will impart it to us. This is equivalent to giving us a benefit!

"Yeah! His Majesty has spent one billion upper spiritual stones to rebuild the capital, giving us a place to live. This is also a benefit!"

"Your Majesty! You've already been good enough to us! I really don't need to give you any other benefits!"

The people of the Sorcerer tribe were really simple and kind, and they understood the principle of being content. For Chen Xiaobei's sake, they did not want anything else!

"Everyone, there's no need to worry! I, Chen Zhufeng, will keep my word! Although I don't have any other gifts, I still have the royal city of beixuan!"

of course! Chen Xiaobei smiled. everyone here today, regardless of gender or age, can choose a courtyard and a shop of your own! In the future, you can use it yourself, or sell it and collect rent!"

Everyone was shocked by his words!

"Heavens! There was actually such a good thing? This way, a family of three can get three courtyards and three shops?"

"This benefit is the most practical for us common people! The most useful! With a courtyard and a shop, we can directly improve our lives!"

"That's right! When the royal city of beixuan is able to accommodate more people, the shops and courtyards will bring us a lot of profit! We don't have to worry about our lives anymore!"

"Your Majesty is wise! This benefit is what we, the common people, need the most!"

"Thank you, Your Majesty ... Long live Your Majesty! Long live! Long, long, long, long ..."

In an instant, the entire Royal City of beixuan was filled with earth-shattering cheers! The People's respect and love for Chen Xiaobei had reached its peak!

900 million new believers! The total number of believers was 10.9 billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

Unsurprisingly, all 900 million people had become Chen Xiaobei's followers.

From this moment on, the hearts of the people in the royal city of beixuan were united!

The king and his subjects were of one heart and mind! This base camp was completely settled!

As the saying goes, to resist foreign aggression, one must first stabilize the internal!

Now that the internal situation was settled, Chen Xiaobei could focus his energy on planning and preparing for the expansion!

"Xiaobei! You're so kind!"

Tian Peng and Gao Xiaolan walked towards Chen Xiaobei and said, " "Everyone received the benefits, why are we the only ones who didn't?"

of course! Chen Xiaobei grinned. but, your benefits are a secret. You have to tell me in private!
