#### Chapter 2621: ins and outs

"If it was in the past, I would really not be afraid of death!"

Chen Xiaobei said seriously, " "But now, I have many things that I must do! There were still many people that needed to be protected! So, I won't allow myself to die!"

Elder Ming narrowed his eyes and asked, "since you don't want to die, why aren't you afraid at all?" Do you think I can't kill you?"

"Elder Ming is extremely powerful, probably even more powerful than the chapter leader. But that's why I'm not afraid!"

Chen Xiaobei raised his eyebrows and smiled. because if elder Ming really wanted to kill me, he wouldn't be standing here and talking to me in peace!

Elder Ming nodded and smiled. "Not only is your mental state strong, but you're also very smart! Baili tiantu was so scared that he peed his pants, but you were so calm that you saw through the key to the situation!"

"We ... We don't have to die?" Baili tiantu was paralyzed on the ground, his entire body drenched in cold sweat.

"Go down first, wait for me to contact you!" Chen Xiaobei waved his hand.

yes ... Bro bei, be careful ... Baili tiantu ran away from the scene as if he had just been granted a great pardon.

Chen Xiaobei looked away and asked, " "Elder Ming, you've heard our conversation, but you didn't kill me. There must be something I haven't figured out, right?"

"That's right! Your speculation is completely correct!" "But there are some secrets that you will never be able to guess!" Elder Ming said.

"Can you tell me, elder Ming?" Chen Xiaobei asked.

"Originally, I didn't trust you, so I definitely wouldn't tell you!"

"But I heard your conversation just now," elder Ming said in a deep voice, "and I know that you and I are on the same side! I can tell you all the secrets now!"

Chen Xiaobei's eyes lit up and he was all ears. "Please speak, elder Ming!"

yes! elder Ming nodded and said, " I'm a descendant of the Xiu clan. I can use my bloodline's ability to open a space gate! And the "four phases absolute killing Xuan formation" is the primer for the space gate!"

"Che clan?"

Chen Xiaobei was surprised. "What's the relationship between your race and mother Nuwa?"

“Of course it’s related!”

“Mother Nuwa’s blood flows in the body of the Xiu clan,” elder Ming said in a deep voice.

“It’s a pity that after so many years, the bloodline of the God of Slaughter is no longer pure and is getting thinner with each generation! In fact, tens of millions of years ago, the vast majority of our clansmen’s bloodlines were cut off, and we lost all our abilities!”

“If you have the pure bloodline of the God of Punisher, you can open a space gate and enter an alternate dimension at will! It was precisely because their bloodline was weak and impure that they had to use the [ four phases absolute killing Xuan formation ] as a guide!”

Xiu clan!? Chen Xiaobei was shocked.

He had never expected that he would meet a descendant of mother Nuwa in the earth-god Realm! This was even more surprising to Chen Xiaobei than meeting the witch tribe!

“Our Xiu clan isn’t a thriving clan! The powerful beings in the clan often imitated mother Nuwa and sacrificed themselves to save others! As a result, the entire race’s strength continued to weaken, and each generation was worse than the last!”

“After the ancient catastrophe, the che clan was almost exterminated,” elder Ming continued. As of now, apart from me, there’s no other Yi tribe in the Nanzhan state ...”

“That can’t be right!”

Chen Xiaobei frowned and said, “Elder Ming, you just said that my guess is completely correct. The che clan opened the space gate and led people to slaughter the four elements Royal City! Aren’t the descendants of the Qiang tribe in the Nanzhan state?”

“You’ll know the answer to this question after you’ve heard the whole story!”

Elder Ming took a deep breath and said in a deep voice, “30 million years ago, the four Xiang Royal City appeared! The Army was invincible, sweeping across half of the Nanzhan state! The forces in the remaining half of the state don’t want to be swallowed up by the four elements Royal City!”

“Therefore, they all joined forces and formed a united front to stop the Army of the four Xiang royal cities! Unfortunately, the troops of the four Xiang Royal City were strong and almost invincible! Even if the Alliance Army goes all out, it’ll be hard to win!”

“The Alliance’s defense line is about to be broken! However, a mysterious man came to our Qiang tribe and found our patriarch!”

“The mysterious person said that the four element Royal City is a human on the surface, but it is actually a sorcerer! The Sorcerer tribe is bloodthirsty and aggressive, and will bring endless wars to the Nanzhan state!”

“Once the Nanzhan state falls, the entire earth-god Realm will be plunged into endless war! When the time comes, the people will be in great misery, blood will flow like an ocean, and corpses will pile up like mountains!”

the che clan's leader believes in the great Dao of Nuwa and takes it upon himself to save the world. He bravely stepped forward and promised to help the mysterious person deal with the four Xiang Royal City!

therefore, the che clan's patriarch integrated the secret technique of opening the space gate into a heaven immortal Xuan formation technique and placed the book with the technique in the defeated Army so that the four Xiang Royal City could seize it!

"After the fourth Prime Minister King found the book, he thought that he had obtained an opportunity and couldn't wait to start cultivating! After he cultivated it, he personally named it the 'four phases absolute killing Mystic formation' and treated it as a family heirloom!"

after the cultivation technique was completed, the 'four symbols killing Mystic formation' was sent back to the Imperial City by the four symbols honorable King for the Crown Prince to cultivate!

"Just as the Crown Prince was cultivating, the che clan leader used a secret technique and the Xuan formation as a guide to open a space gate! He also brought the spatial treasure given by the mysterious person and brought three billion enemy troops into four element Royal City!"

at that time, the che clan leader and the mysterious person agreed that after the army entered the city, they would only control the four element Royal City and force the four element royal family to retreat. They would definitely not kill the innocent ...

"However, this agreement was like a fart. Not a single one of the three billion enemy soldiers kept it! As soon as he came out of the spatial treasure, there were immediately hundreds of people who cut the four element Prince into pieces!"

"Immediately after, the enemy troops launched a brutal and terrifying massacre! Old people, women, children, and even infants will not be spared!"

"Nine billion people, all dead! Blood dyed the entire capital red, and mutilated bodies filled the streets and squares! The entire four element Royal City has been turned into hell!"

"Those enemy troops are like the most brutal and greedy demons! He had killed all the people in four element Royal City and emptied the treasure vault of four element Royal City! And then, they began to cheer and celebrate in this hell!"

"Seeing this, the Xiu clan's leader is filled with endless regret! He had originally wanted to stop the war out of good intentions! However, it directly brought a catastrophe to the Sorcerer tribe!"

the number of dead people today has far exceeded the number of dead people on all battlefields since the war broke out!

"The point is, those who die on the battlefield are all soldiers, and there is no distinction between good and evil! However, 90% of the people who died here were innocent people!"

"This endless sin is simply the anger of both man and God, and the heavenly Dao can't tolerate it! The che clan leader only wanted to die to atone for his sins! However, at this moment, he discovered something that he would never have dreamed of!"

## Red Envelope Group of the Three Realms

### Chapter 2622

“What exactly happened?”

Chen Xiaobei's brows furrowed, his eyes cold as ice.

Chen Xiaobei's heart was boiling with anger. How he wished he could be there at the scene and help the innocent dead to kill all the evil enemies!

“Just as the che clan leader was about to commit suicide to atone for his sins, a mysterious person suddenly called! Tell the che clan's patriarch to quickly return to the clan to check!”

the Xiu clan's patriarch was worried about his people's safety. He had to suppress the thought of suicide and go through the space gate to return to the Xiu clan's territory!

the leader of the Xiu clan didn't expect that the enemy's other Army would invade the Xiu clan's territory and kill everyone in the Xiu clan, regardless of gender or age!

“Because the enemy's brutal massacre of the city is an extreme sin! Both man and God were enraged! The heavenly Dao would not tolerate this! Once the matter is leaked, all the people with a conscience in the entire earth-god Realm will come together to fight against it!”

therefore, in order to keep the secret, the mysterious man led the enemy's coalition Army and annihilated the Xiu clan! Just like that, the truth was completely buried, and no one knew ...”

At this point, elder Ming couldn't help but let out a long breath, as if a big stone had been lifted off his chest. His whole body was relieved of a heavy burden, and he suddenly felt much more relaxed.

There was no doubt that this matter had been weighing on elder Ming's heart. Before Chen Xiaobei's appearance, he had never told anyone that he had to bear the heavy burden of this secret alone.

Now that elder Ming had finally revealed his secret, he could trust Chen Xiaobei completely.

why? ” Chen Xiaobei frowned. if the Yi were exterminated and the truth was buried, then how did you know so much about it, elder Ming? ”

Elder Ming took a deep breath and said dejectedly, ” because ... I'm the che clan's patriarch ...

what??? ”

“You're the leader of the Qiang tribe?” Chen Xiaobei was shocked. Then why are you still alive?”

yes, ” elder Ming said in a low voice. back then, I hid in the dark and didn't show myself, so I wasn't killed ... The reason I've lived until today is to find out the mysterious man's identity and take revenge for the entire clan! We can also give the Sorcerer tribe an explanation!”

“I see!”

no wonder you're willing to be an old Guardian despite your high cultivation level! Chen Xiaobei said. so, you're here to spy on Tianji city and investigate the identity of our enemies!

There was no doubt that the culprit of the two massacres back then was that mysterious man!

First of all, the mysterious man had used the excuse of saving the world to trick the patriarch of the Qiang tribe into making a move!

Then, the mysterious man and the leader of the Xiu clan made an agreement. They would only control the four symbols Royal City and force the four symbols King to retreat. They would not kill the innocent people in the city! In the end, he went back on his word and massacred the entire four element Royal City!

In the end, in order to keep the secret, the mysterious man even extended his butcher's knife to the Qiang tribe! He had once again brought about a massacre!

If the enemies who massacred the city were inhumane demons, then this mysterious man was the source of this sin. He was the most vicious and evil ninth generation demon Emperor!

"This secret is a knot in this old man's heart that I will never be able to understand! As long as I'm still breathing, I won't give up on the investigation and I won't give up on revenge!"

"That's why I'm trying my best to join Tianji city!" Elder Ming said. I was originally summoned to the headquarters of Tianji city, but after I was discovered peeking at top-secret information, I was demoted to this place to guard the star picking Pavilion!"

elder Ming! Chen Xiaobei continued to ask, "elder Ming, since you've joined the secret Pavilion to investigate the identity of the mysterious man! Then why are you still looking for the "four phases absolute killing Xuan formation"?"

I want to try to open a spatial gate and search for the descendants of the nine Li Magus tribe!

first, I want to apologize to them, "elder Ming said bitterly. second, I want to join forces with them and take revenge together!

Oh? "Chen Xiaobei thought for a moment and asked, "elder Ming is more than 30 million years old, right? "

"Right!"

yes! elder Ming nodded. the che clan's lifespan is much longer than that of the human clan. Besides, I've already reached the nine-star earth-god Realm. My lifespan has been greatly extended! It won't be a problem for me to live another 30 million years!"

"Then how do you know that the mysterious man is still alive?" it's been 30 million years! Chen Xiaobei frowned. I'm afraid that person is long dead!

"I won't!"

"I read that guy's fortune every year," elder Ming said with certainty. Although his fate is concealed by a secret technique and I can't calculate his position and situation, I can calculate that he has always been alive!

"Fortune-telling?" "Elder Ming, you know how to do this?" Chen Xiaobei asked.

"Of course!"

“The ancestor of the eight trigrams, Fuxi, is also the ancestor of our Qiang tribe!” Elder Ming said in a deep voice. If I don’t even know how to read fortunes with my face, how can I still be the clan leader?”

Fuxi!? Chen Xiaobei was shocked again.

Fuxi was Nuwa’s elder brother. The eight trigrams of Tai Chi and the ancient characters were all created by Fuxi!

However, nüwa had the great virtue of mending the heavens and saving the world. She used her merit to vindicate her Dao and become a heavenly Sage!

Fuxi’s merits were not small either, but it was not enough to prove his Dao and become a saint. He could only be the head of the Three Sovereigns and Five Emperors, known as the heavenly Monarch!

“I’m ashamed to say this ...”

Elder Ming sighed, “ although Fuxi created the eight trigrams of Tai Chi, the essence of it has almost been lost after so many years. This old man only has a superficial understanding. Otherwise, I would have already figured out the specific situation of that mysterious man!”

“If it’s fortune-telling, maybe I can try!” Chen Xiaobei had already made up his mind.

“What? You know fortune-telling too?” Elder Ming’s expression froze, somewhat surprised.

I know a little, ” Chen Xiaobei said. but I know that prying into heaven’s secrets will incur heaven’s wrath. So, I won’t do it unless I have no other choice!

“I see ...”

Elder Ming shook his head and sighed. don’t waste your energy. That mysterious man used a secret technique to hide his fate. Even I can only tell if he’s Dead or Alive! If it were you, you would at most have the same result as me!”

“This might not be the case!” Chen Xiaobei chuckled and raised his palm. A mysterious spiritual rune Dharma appeared in his palm!

The spiritual rune was like the wind and water, spinning around Chen Xiaobei’s palm like a Whirlpool!

what ... What is this ... elder Ming gasped and exclaimed, ” “What a familiar feeling ... It’s like it came from the ancient times ... The origin of our Xiu clan is in it ...”

“This is the divine pattern of the eight trigrams!”

Chen Xiaobei’s eyes narrowed, and the vortex in his palm quickly subsided!

The Feng Shui spiritual patterns stabilized and formed a Tai Chi Eight Trigrams, floating above Chen Xiaobei’s palm!

**Chapter 2623: coming out of beixuan**

“Eight ... Eight Trigrams evolving divine pattern ...”

Elder Ming was taken aback. He couldn't help but swallow his saliva."Will this work? That mysterious person is definitely not an ordinary person. Don't fail your divination and be detected by him instead! If we beat the grass and alert the snake, it will be greatly disadvantageous to my revenge!"

"Don't worry! You're not the only one who wants revenge!"

I'm not! Chen Xiaobei said, " my real identity is the new Magus King of the nine Li ancient tribe. I want to avenge my people more than you do!

what??? " Elder Ming was stunned again. He couldn't believe his ears.

Normally, elder Ming would not believe it.

However, elder Ming had heard the conversation between Chen Xiaobei and Baili tiantu. He could guess that Chen Xiaobei had found the four elements Royal City and built a new beixuan Royal City.

If he wanted to use the ruins of four Xiang Royal City, he had to obtain the approval of everyone in the nine Li Magus race.

So, when Chen Xiaobei said that he was the new Magus King of Nine Li, elder Ming was willing to believe him!

"Chi ... Chi ..."

Chen Xiaobei did not waste any more time. He immediately communicated with the eight trigrams evolving divine pattern and began to calculate.

Soon, Chen Xiaobei stopped calculating and put away the eight trigrams evolving divine pattern!

"How is it? Any results?"

Elder Ming swallowed his saliva and asked impatiently.

it's just as elder Ming said. That guy's fate is hidden by a secret technique. It's at least a God-level secret technique! Chen Xiaobei said.

"That's right!"

Elder Ming nodded and said,"my divination skills are at the level of a divine immortal, but I can only make superficial calculations." It could be seen that the secret technique that this guy used to conceal his fate was definitely above that of a heaven immortal! So, it's not strange that you can't calculate anything else!"

"Who said I didn't calculate more?" Chen Xiaobei laughed. The eight trigrams evolving divine pattern was Taishang Laojun's. It was also a divine-tier item, and it was one of the higher-tier ones.

"What? You ... You've calculated more information than me?" Elder Ming's eyes widened in disbelief.

yes! Chen Xiaobei nodded. other than that, I've also calculated that the guy is in the northeast, which is Videha! In addition, his fate energy was extremely vigorous, and he even had the Qi of an Emperor! It was obvious that he was an Overlord in Videha! He can get wind and rain as he wishes!"

is ... Is this true ...? elder Ming's face was filled with shock and disbelief.

“I can use my life as a guarantee! This information is absolutely true!”

Chen Xiaobei frowned and sighed. “In order to calculate this information, I’ve already made an exception to pry into the secrets of the heavens. Although the divine retribution won’t be too heavy, my fate energy will probably decrease greatly in the near future ...”

The reason why Chen Xiaobei had not used the eight trigrams to form the divine pattern was because he was afraid of being punished by the heavens!

In bei Xuan faction, Chen Xiaobei had another loyal dog called clay Bodhisattva!

This clay Bodhisattva had been punished by the heavens because he had peeked into too many heavenly secrets!

He was weak and sickly, as thin as a stick, and even walking was difficult. The worst thing was that he would never be able to get married and have children in this life! Otherwise, he would really have a son without an anus!

Because of this, Chen Xiaobei was very restrained in using the eight trigrams evolving divine pattern! Unless he had no other choice, Chen Xiaobei would never do this!

At this moment, Chen Xiaobei had already taken the risk of being punished by the heavens by using the eight trigrams evolving divine pattern. What he had calculated was definitely true!

if that’s the case, our search area will be greatly reduced!

“There are three major forces in Videha!” Elder Ming’s eyes lit up. Tianji city! The hollow Jade temple! The Xuanyuan family! Since you’ve calculated that this guy is an Overlord, he must be one of the leaders of the three forces!”

“That’s right!”

of the three forces, I suspect that the old man of heavenly secrets is the one from heavenly secret City! Chen Xiaobei said.

“The elder of heavenly secrets?” “Why are you suspecting him the most?” elder Ming asked in confusion.

no! Chen Xiaobei shook his head. I can’t explain this in a few words. I’ll tell you later when I have the chance!

When he bought the Holy water of creation from the Dongsheng Chamber of Commerce, Tian Peng had said that the pool of holy water originally belonged to the devil-slaying Star Lord of the heavenly court!

And it was already confirmed that the demon Slayer Starlord had reincarnated into Xu Fu!

At the same time, elder Bai had used a spatial magical treasure to bring three billion people into four Xiang Royal City! It was clear that this spatial treasure was at least a high-rank immortal artifact, or even a divine artifact!

Obviously, only Xu Fu could afford something of this level!

In other words, devil-slaying star sovereign was Xu Fu, and Xu Fu was the old prophet. He was the mysterious person who had caused the two brutal massacres back then!

Obviously, it was not that Chen Xiaobei did not trust elder Ming, but the content was really complicated. Even if he explained it to him, elder Ming would not understand! He could only explain it later!

Of course, there was another possibility!

Perhaps, the old man of heavenly secrets was just Xu Fu's underling, and he had been running errands for Xu Fu the whole time!

Chen Xiaobei still needed solid evidence before he could make a final judgment! It was too early to tell elder Ming now!

"Then what should we do?" Elder Ming asked.

"It's simple!"

let's go! Chen Xiaobei said, " let's get through the competition and join the Pearl Hall! He would find another chance to enter the headquarters! As long as I can meet the old man of heavenly secrets, this mystery will be completely solved!"

"This is too difficult ..."

Elder Ming shook his head and sighed, " let's not talk about how your cultivation is too low. It's impossible for you to pass the competition. Even if you're lucky enough to pass, it won't be easy for you to meet the old prophet! I've never seen the old man of heavenly secrets since I snuck into the city!"

"No way ..."

Chen Xiaobei was surprised. you've been in Tianji city for nearly 30 million years. How can you not have seen the old man of Tianji even once? "

"No... I didn't sneak into Tianji city from the start ... Before I did, I visited all the places and investigated in private for a long time!"

"I only joined Tianji city about 1300 years ago!" Elder Ming said. He spent another few decades to sneak into the headquarters! However, not long after, I was demoted to guard the Zhai Xing Pavilion for seven hundred years!"

huh? " Chen Xiaobei was surprised. even so, you've been to Tianji city's headquarters before. Why didn't you see the old man of Tianji? "

"It's rumored that the elder of heavenly secrets is cultivating in seclusion in a place called the 'heavenly gate Palace', trying to break through to the celestial immortal's great Dao!" The young city Lord was in charge of all the affairs of Tianji city! Unless the situation of the world changes drastically, the elder of heavenly secrets will not come out of seclusion!"

"The world's structure has changed greatly?"

Chen Xiaobei smiled and said, " "That's simple! The royal city of beixuan! That was the time to change the world! I'm not afraid that old bastard won't show up!"

“What?” Elder Ming was shocked.

### Red Envelope Group of the Three Realms

#### **Chapter 2624: strange woman**

the appearance of beixuan has changed the world!?

Elder Ming was dumbfounded, and his voice trembled. “Young master Chen ... You ... What do you mean by that?”

I’ve already built my own beixuan Royal City on top of the ruins of the four Xiang Royal City. I’ve also received the firm support of all the members of the nine Li ancient race!

“My goal is not to lead them to hide in the mountains and live an ignoble life!” Instead, he would lead them to fight their way out of the mountains and unify the Nanzhan state, and even the earth-god Realm! I must reverse this universe!”

“Hiss ...”

Elder Ming gasped and said awkwardly, “ young master Chen ... I knew that you were not an ordinary person ... I never thought that you would have such great ambitions ...

you have to know that when four element Royal City was at its peak, the goal of four element honorable King was only to unify jambu. It was far from your ambition, young master ...

“Unify the earth-god Realm! Not only did the fourth Prime Minister King not have such ambition! Even the leaders of the top ten forces in the earth-god Realm never dared to think in this direction ...”

Obviously, elder Ming was once again shocked by Chen Xiaobei.

Although Ming long knew that Chen Xiaobei was arrogant and domineering, he did not expect Chen Xiaobei to be this arrogant!

“Elder Ming, if you don’t believe me, just wait and see!” Chen Xiaobei smiled. He knew that this was not just a casual remark. When the time was right, they would take action immediately!

“I’m willing to believe it ... But I have to remind you, young master Chen! The path you’re taking will be extremely dangerous! Because you will break the current balance of the earth-god Realm!”

“When you start a war in a city, you’ll become the enemy of an entire region,” elder Ming said in a deep voice. When one occupied a region, they would become the enemy of several regions! Once you’ve taken over several regions, you’ll become jambu’s Public Enemy! All the forces will join forces to deal with you, just like how they dealt with the four element Supreme King back then!”

“I’m already mentally prepared for this! Boss Ming, don’t worry!” Chen Xiaobei said, “ although this path is extremely dangerous, I’m not the four element Supreme King. I’m stronger than him!

hiss ... elder Ming instantly sucked in a breath of cold air. His state of mind had been ruthlessly shaken.

At that moment, elder Ming could clearly feel a strong pressure from Chen Xiaobei!

It was as if an Emperor had arrived, giving people a heavy feeling like a mountain or an ocean. It was even more like the vast and boundless universe, unfathomable!

Elder Ming could be considered to have experienced the vicissitudes of life, and his state of mind had long been unperturbed. But now, Chen Xiaobei's words had sent chills down his spine!

To elder Ming, this was a feeling he had never experienced before!

At that moment, elder Ming had 70% faith in Chen Xiaobei's ambition. He did not try to persuade him anymore and just waited to see!

"Oh right! Elder Ming! I still have one more question!"

what? " Chen Xiaobei asked, " wasn't the four symbols killing formation with you? Why didn't you make a copy? And now you're still looking for the first half?"

"That's because that mysterious person promised me that he would return the cultivation technique to me after taking down the four Xiang Royal City! In addition, the Alliance's defense line was about to break, and the situation was extremely urgent! This old man has to race against time to fuse the spatial secret technique, so I didn't have a copy of the entire technique ..."

"The point is that the technique is too mysterious," elder Ming said in a deep voice. "Furthermore, it's not a technique of our che clan, so I've never been able to learn it! Until now, I can only painstakingly search for the first half of the book before I can try to cultivate it!"

but, even if you can't find the first half, you can still open the portal. You don't have to learn it! Chen Xiaobei said.

that's right. Even if I don't find the first half of the cultivation technique, I can still use the foundation of the 'four phases absolute killing Xuan formation' to open a space gate!

"But if I can learn this finger technique, my strength will be greatly improved, and I'll have more confidence in my revenge in the future!" Moreover, celestial level finger techniques are very rare in the earth-god Realm. I've racked my brains to find the second half of it, so I naturally have to continue to find the first half!"

"Understood!"

alright! Chen Xiaobei nodded. from today onwards, we will form an official Alliance. We will work together and make our enemies pay for the blood feud between our two races!

"Alright!"

yes! elder Ming nodded heavily and said, " I'm willing to form an alliance with young master Chen! If I don't take revenge, I'm not a human!"

now, we trust each other and have reached a consensus!

"I'll leave now to make the final preparations for the sect competition!" Let's keep in touch!"

"Young master Chen! Why do you still want to participate in the sect competition?"

you're the Honorable Lord of North Mystic! elder Ming's brows furrowed. the success or failure of this matter depends on you alone! You can't risk your life!"

"Heh, I've been surrounded by danger all along the way! If I was afraid, I wouldn't be standing here today!" Chen Xiaobei smiled, turned around and left.

Looking at Chen Xiaobei's back, elder Ming fell into deep thought.

.....

Chen Xiaobei found Baili tiantu and left the branch with him.

there are five days left before the competition begins. I need to capture a four-star earth-god level demonic beast in these five days. It would be best if I can earn another ten million upper spiritual stones!

Chen Xiaobei told Baili tiantu his goal and said, " you're more familiar with the environment. Take me to catch some demonic beasts first!

"Bro bei, please root for me!" Baili tiantu flew on his sword and led the way while Chen Xiaobei followed closely behind on his somersault cloud.

After some time, the two of them successfully arrived at an ancient forest.

this is the forest on the west side of the ancient mountains. It's filled with magical beasts of all levels. To powerful adventurers, this is heaven!

"As long as we can find some high-grade earth-god herbs or capture high-grade earth-god beasts, we can easily earn a large number of spiritual stones!" Baili tiantu said.

"Good! We'll immediately enter the forest to catch the beasts!" Chen Xiaobei could not wait any longer and immediately lowered his altitude.

Baili tiantu was confused. bro bei, you should be improving your strength as soon as possible. Why do you have to capture a demonic beast? " We can't let demonic beasts enter the sect competition!"

"You won't understand even if I tell you. Just watch!" Chen Xiaobei was too lazy to explain. He spread out his primordial spirit territory and activated his golden gaze fiery eyes to observe his surroundings carefully.

If he could find clues in the environment, he would be able to find the magical beast in the target.

"Eh? That's ..."

Suddenly, Chen Xiaobei looked very surprised.

Not far ahead, an extremely beautiful woman appeared. However, this woman was extremely strange!

[Red Envelope Group of the Three Realms](#)

**Chapter 2625**

"What the f \* ck! What a pretty little nun!"

Baili tiantu was not as calm as Chen Xiaobei. He could not help but exclaim when he saw the beautiful woman.

“A little nun?”

what? ” Chen Xiaobei was surprised. I knew it ... How could such a beautiful woman be bald? ”

The girl had delicate features and her skin was as white as snow. In terms of looks, she was definitely a top-tier beauty with a score of 95 and above!

Moreover, not only was her appearance off the charts, but her figure was also extremely good! The light blue Monk robes were simple and unadorned, but when worn on her body, it had a different kind of otherworldly charm. It was graceful like the clouds and as kind as water!

However, because the woman was a monk, she had already cut off all her worries! His head was smooth and round like a jade ball, without a single strand of hair!

Of course, her looks were off the charts, her figure was hot, and her temperament was excellent. Even without hair, she was still a top beauty! This was without a doubt!

bro bei, why do you think the little nun ran away in such a panic? ”

Baili tiantu squinted his eyes and looked at the little nun’s body that was shaking as she ran. He could not help but smile!

“Mind your own business!”

“I’m a nun!” Chen Xiaobei said. He was a monk! Don’t tell me you still have other thoughts?”

uh ... Baili tiantu quickly retracted his gaze and said awkwardly, ” “Bro bei’s matter is the top priority! I shouldn’t have thought too much, and I shouldn’t have meddled in other people’s business!”

huh?!

Suddenly, Chen Xiaobei frowned and said, ” “You stay here! Without my orders, do not move!”

“Whoosh!”

After that, Chen Xiaobei rode on the somersault cloud and charged towards the little nun!

“What the f \* ck! Bro bei, you’re cheating!”

Baili tiantu’s eyes widened as he protested, ” “You told me not to meddle in other people’s business, and now you’re rushing over to meddle in other people’s business!”

“Boom boom boom ...”

At this moment, the ground behind the little nun suddenly burst open, and a huge exotic beast drilled out of the soil!

The giant beast looked like a Mantis, and its front claws were as sharp as knives. They split the earth as if it was cutting tofu.

However, the giant beast was not a Mantis. It had a bronze-like Shell, four legs as thick as giant trees, and a huge head that was covered in mane like a lion!

Chen Xiaobei had never seen or even heard of such a thing!

this ... This ... This is a bladearm Battlesuit!

Baili tiantu recognized the giant beast and immediately screamed in panic, " "This is an extremely powerful beast! To possess the power and physical strength of the primordial soul realm at birth!"

"This bladelike puppet is more than 30 meters long. I'm afraid it's already an adult! He has the strength and physique of a four-star earth-god at least!"

With this thought, Baili tiantu suddenly came to a realization. bro bei told me to mind my own business. It's all for my own good ... If I were to charge in like an idiot, I'm afraid I'd be killed instantly!

Without a doubt, Baili tiantu was only at the middle stage of the divine ocean realm. He would die in front of the giant beast!

"I'm finished ..."

On the other side, the little nun sensed the movement behind her. She turned around abruptly and saw the saber-armed puppet's saber-like forearms hacking down at her head!

This little nun was only sixteen or seventeen years old and looked very weak. In front of this giant beast, she would probably die without a doubt!

"Bursting flames! Sky rainbow descent!"

Chen Xiaobei stepped on the somersault cloud and charged at the little nun. He swung his sword with one hand and wrapped his other hand around the little nun's waist!

you ... What are you doing?!

The little nun's entire body stiffened, and she was completely dumbfounded!

This was the first time she had been touched by a man since she was young. She never expected that the first time would be so intimate!

"Nonsense! To save you, of course!"

Without hesitation, Chen Xiaobei used the somersault cloud to bring the little nun away from the danger zone!

The somersault cloud had reached the level of a four-star earth-god after combining the rainbow cloud and the spiritual shadow of the Magpie bridge. Moreover, in terms of speed, it was invincible among its peers!

"Wuwuwu ..."

The saber-armed puppet's Green eyes were filled with surprise when its prey suddenly disappeared!

However, an even more terrifying scene had already descended upon its head!

Just as Chen Xiaobei was about to save the puppet, the power of the five-star earth-god level spiritual sword was unleashed. It was enough to crush the saber-arm Battlesuit!

“Boom boom boom ...”

With a loud explosion, the terrifying flame that was as hot as the sun fell down like a rainbow from the nine Heavens. Both its strength and speed were extremely shocking!

“Pfft! Yi ...”

The long rainbow pierced through the top of the saber-arm Battlesuit’s head and rushed out from its jaw!

This attack directly penetrated the huge head of the saber-armed Battlesuit!

“Boom ...”

In the next moment, the huge body of the saber-arm puppet fell to the ground, dead.

At the same time, blood gushed out of the two holes on the puppet’s head. Brain matter, broken bones, and rotten flesh were all flowing out!

“Amitabha ... I’ve sinned ...”

The little nun seemed to be quite frightened. Her face was pale, her body was trembling, and her heart was beating fast.

“What sin? If I don’t kill it, you’ll be stuck between its teeth, do you understand?”

Chen Xiaobei sent the little nun back to the ground and immediately ran towards the body of the bladelike Battlesuit.

“Benefactor! “Don’t go over there ...” The little nun was shocked and immediately screamed.

“Why don’t you go over?” Chen Xiaobei did not listen to her and continued to charge forward.

After all, this bladelike armor was already a four-star earth-god, and was Chen Xiaobei’s target demonic beast! It could greatly increase Chen Xiaobei’s strength!

However, if too much blood essence was lost, it would lose its effect.

Therefore, Chen Xiaobei had to rush over and collect the body of the bladelike Battlesuit.

“Although the giant beast is dead, its nascent soul is still there!”

don’t worry! the little nun reminded him loudly, “saber-arm battlesuits are the offspring of immortal beasts. Their nascent soul is born with the natural ability to attack! Once you get close, don’t even think about getting away!”

“Whoosh!”

Before he finished his words, an extreme shadow rushed out of the body of the saber-armed puppet!

The extreme shadow was like a miniature version of a saber-armed Battlesuit. It looked almost the same as the real body, but it was only the size of a palm!

That's right! The tiny Ji Ying was the nascent soul of the saber-arm Battlesuit!

"Roar!"

Although the nascent soul was small, the pressure it exuded was no less than the original body. A terrifying roar shook the entire world!

"Young master! "Run!" The little nun screamed.

"Bro bei! Quickly retreat!"

Even Baili tiantu shouted, " the saber-arm Battlesuit's nascent soul attack is extremely special. Your weapon can't hurt it!

Chen Xiaobei smiled and said, " "What's the hurry? This battle! I will definitely win!"

#### **Chapter 2626: devouring all things**

"Benefactor! This is not a joke!"

The little nun was very kind and reminded him loudly, " if it were a normal nascent Soul Stage cultivator, they would be extremely weak after leaving their body and would not dare to fight you! However, the special ability of the saber-armed Battlesuit is that it can turn the nascent soul into a spirit and make it ethereal!"

"The main point is that this spirit body is of the Yang attribute, so you can only use extremely soft attacks against it! The Scarlet Flame sword in your hand can't hurt its nascent soul at all!"

This little nun was probably not an ordinary person. She knew the characteristics of the saber-arm Battlesuit very well, even more so than some experienced old men!

"Bro bei! You heard it, right?"

that's right! Baili tiantu quickly chimed in. the saber-arm Battlesuit's special ability makes its nascent soul invincible. You can't hurt it, but it can hurt you!

"Swish!"

Baili tiantu and the little nun tried to persuade him, but Chen Xiaobei did not seem to hear them. He stubbornly wielded his spiritual bursting flames sword and slashed at the saber-armed puppet's nascent soul.

"Hahaha ... Stupid humans! Your companions have reminded you! Why are you still so stubborn?"

The blade-armed puppet's nascent soul laughed and looked at Chen Xiaobei as if he was an idiot. my innate ability is the best protection for the nascent soul. Even if I stand here and let you hit me, you can't hurt me at all!

"Boom boom boom ..."

The next moment, the Scarlet flames attacked!

The extremely terrifying power seemed to melt the space and pierce through the void!

However, the saber-armed Battlesuit's nascent soul did not move at all. It was not afraid of Chen Xiaobei's attack at all!

"Swish!"

As expected! The red flame sword Qi rushed forward. Although it hit the saber-arm puppet's nascent soul, it did not touch anything, as if it had hit an illusion!

After the red flame sword Qi passed through it, the illusionary shadow condensed again, showing the nascent soul of the saber-armed puppet!

That tiny nascent soul was indeed not injured at all!

"Foolish humans! Did you see that? This is my yang soul nascent soul!"

haha! the nascent Soul Stage cultivator of the saber-armed Battlesuit laughed. in this state, you can't hurt me unless you can launch an extremely soft attack!

Chen Xiaobei was well-versed in the language of beasts, so he knew what the other party was talking about.

However, Chen Xiaobei was not moved at all. In fact, he even wanted to laugh.

But on the other side, the little nun and Baili tiantu could not understand what the saber-armed puppet was saying and were extremely anxious.

"Benefactor! You've already seen it, right? I'm not wrong!"

your sword can't hurt the saber-arm puppet's nascent soul, " the little nun said worriedly. besides, your cultivation is not high! Once the spiritual Qi in your sword is exhausted, you will die without a doubt!"

"Bro bei! Quickly retreat!"

"Don't you have no more spiritual stones?" Baili tiantu asked worriedly. It was only a matter of time before the spiritual energy of the flame burst Spirit King Sword was exhausted! It'll be too late if we don't retreat!"

"You want to run? That's impossible!"

The eyes of the saber-arm Battlesuit's nascent soul narrowed, and it roared with a murderous look, "

"You guys destroyed my body! I must take revenge for this! I'm going to tear your bodies apart and devour your souls, so that you will never be able to reincarnate!"

"What's the hurry? If you have the guts, take another move from me!" Not only did Chen Xiaobei not retreat, he even kept his flame burst spiritual King Sword.

"Eh? You can actually speak the language of beasts?"

The nascent Soul Stage cultivator of the saber-arm Battlesuit was dazed for a moment. He sneered, "You're so stupid that you can't be saved! I've told your companions eight hundred times, unless you can use an extremely soft attack, don't hurt me!"

"This might not be the case!"

Chen Xiaobei raised his brows and opened his right palm. A blood-red light burst out.

"Clang"

The sword whistled, and the blood-red light was sucked back into Chen Xiaobei's palm.

The blinding light gathered in Chen Xiaobei's palm and formed a blood-red sword!

That's right! It was the chaos Blood Sword!

what ... What's that?!

The nascent Soul Stage cultivator of the saber-arm Battlesuit was shocked, but he soon grinned hideously. "This sword's killing intent is extremely strong! The killing intent was extremely overbearing! Unfortunately, it was not of the feminine attribute! Even if I take a hundred moves from you, the result will be the same, let alone one!"

"I'm a man of my word. I'll do as I say!" Chen Xiaobei smiled and pointed the chaos Blood Sword at the puppet's nascent soul.

"Benefactor! What are you thinking? That's useless!" The little nun's beautiful brows were tightly locked together, and her pair of pink fists clutched at her clothes. She was extremely worried.

"Bro bei! you ... You're asking for it ... Baili tiantu did not know how powerful the chaos Blood Sword was, so he could not understand Chen Xiaobei's actions.

"Hmph! Idiot! If you can hurt me in the slightest! I'm willing to lose my life to you!" The saber-armed puppet's nascent soul did not care about Chen Xiaobei at all. He was looking at Chen Xiaobei as if he was an idiot!

"Your life is mine, of course!"

Chen Xiaobei growled, "Everything in the world has an essence! The divine might of chaos can devour anything!"

"Whoosh ..."

In an instant, his words were absolute!

Just as Chen Xiaobei finished his sentence, the chaos Blood Sword started to change!

The blood-red spiritual patterns on the sword spread out rapidly and condensed into the head of an extremely mysterious beast in the air!

"Swish!"

The next moment, the beast opened its mouth and lunged at the nascent soul of the saber-arm Battlesuit like a lion pouncing on a rabbit!

“Idiot! Didn’t you bring your brain with you?”

Seeing this, the nascent soul cultivator in the bladed-armed Battlesuit sneered at Chen Xiaobei, “This kind of attack doesn’t have the slightest bit of feminine attributes! Why are you still using it? It’s a total disgrace!”

Without a doubt, Chen Xiaobei had purposely used the spiritual bursting flames King Sword to lower the saber-armed Battlesuit’s guard.

At this moment, because the chaos Blood sword’s ability came from the chaos godly beast, it did not have any feminine attributes!

In this way, the nascent Soul Stage cultivator of the saber-arm Battlesuit was completely defenseless. He didn’t even Dodge, but just stood there proudly!

However, what happened next shocked the saber-armed puppet to the core! It had also caused it to walk towards death!

“Whoosh ...”

The leader of the giant beasts, which was covered in blood-red spiritual stripes, swallowed the nascent soul of the saber-armed puppet!

“Hiss ... Hiss ... Hiss ...”

Then, countless mysterious spiritual stripes pierced into the nascent soul of the puppet like silver needles!

Then, thousands of seven-colored halos were absorbed by the spirit runes and sent into the chaos Blood Sword!

That’s right! This was the new ability of the chaos Blood Sword!

Origin devouring!

The little nun and Baili tiantu were both dumbfounded and shocked to the extreme!

[Red Envelope Group of the Three Realms](#)

**Chapter 2627: super expert**

how ... How is this possible?!

The little nun was dumbfounded, and her fair and tender face was filled with shock.

“Bro bei! you’re so mean ... You’re slapping my face again ... Baili tiantu rubbed his face. Just a second ago, he was still saying that Chen Xiaobei was courting death. Now, reality had slapped him in the face.

“Cut the crap! We’ll leave immediately!”

With a wave of his hand, Chen Xiaobei kept the body of the saber-armed puppet into his infinite space ring and rode on the somersault cloud, flying into the sky.

At the same time, the behemoth's head, which was intertwined with mysterious spiritual patterns, was retracted into the chaos Blood Sword!

The chaos Blood Sword returned to Chen Xiaobei's palm.

The chaos Blood Sword was now a two-star earth-god level weapon. Although the saber-arm puppet's nascent soul was a four-star earth-god level weapon, it was not very fast, but it was not particularly slow either!

In about five days, he would be able to drain all of the origin!

At that time, the saber-armed puppet would really die!

The chaos Blood Sword would be upgraded again!

"Bro bei! Slow down ..."

Bai Litian hurriedly chased after him and said awkwardly, "Bro bei! Are you not going to care about that beautiful little nun?"

"Why do you care about her? Right now, my top priority is to increase my cultivation!" Without hesitation, Chen Xiaobei rode on the somersault cloud and flew away.

The little nun was extremely pretty, but Chen Xiaobei did not even spare her a second glance.

"Bro bei! It's not your style to not accept a beauty!"

Baili tiantu's mouth twitched and his face was full of doubt. moreover, that little nun is so weak. If we don't care about her, she will definitely die!

"Only death?"

Chen Xiaobei looked at Baili tiantu and said, "Do you know how high his cultivation is?"

"Cultivation?"

Baili tiantu was stunned and frowned. "That little nun is only sixteen or seventeen years old. How high can her cultivation be? I'm at most at the later primordial soul realm, I can't go any higher!"

"You might not believe me!" "That little nun's cultivation is above that of a seven-star earth-god!" Chen Xiaobei said.

"What? A seven-star?"

When Baili tiantu heard this, he was instantly dumbfounded. "Bro bei, are you kidding me? She's so strong, why did she run away just now?"

maybe it's because monks don't want to kill so easily, " Chen Xiaobei said. that's why she didn't attack the demonic beasts. It looks like she's running away!

this ... Baili tiantu thought for a while and asked, "bro bei, since you know her cultivation level, why did you still help her?"

"I didn't know when I opened it!"

that's right! Chen Xiaobei said, "I only used my netherspirit battlescouter to check the little nun's cultivation after I killed the bladelike Battlesuit! The netherspirit battlescouter is a seven-star earth-god level device, and it can only spy on cultivators below seven-star earth-god level!"

Baili tiantu swallowed his saliva and came to a sudden realization. "In other words, the netherworld Battlesuit can't see through the little nun's cultivation base! Therefore, her cultivation must be above that of a seven-star earth-god!"

"That's right!"

yes! Chen Xiaobei nodded. I was just being a busybody. Even without me, that little nun would still be able to leave this forest safely!

"I see!"

Baili tiantu nodded. no wonder bro bei would leave such a delicate beauty alone. It turns out that she's a super strong person who has been hiding her strength!

"Alright! Don't mention that little nun anymore!"

"I need to focus all my energy on the competition!" Chen Xiaobei said. Only by seizing this opportunity to rise will I be able to get closer to the elder of heavenly secrets!"

Baili tiantu nodded. if you want to pass the sect competition, you have to improve your strength. Otherwise, you won't be able to stand out among the thousands of soldiers! "You must know that the heaven dominating faction headquarters only takes in the top geniuses as disciples!"

"Enough nonsense! Let's Move!" Chen Xiaobei then brought Baili tiantu to a place where there was no one else.

If he entered the Meru dimension and then the verdant Emperor's divine gourd, no one would be able to notice him and disturb him.

"Boom ..."

Chen Xiaobei then took out the body of the bladelike Battlesuit!

"Hualala ..."

Without the spatial imprisonment, the body of the saber-armed puppet began to bleed again.

Chen Xiaobei immediately released his ethereal force and gathered the blood together, turning it into a huge blood ball.

Not long after, the blood in the bladed-armed puppet's body was completely drained. Chen Xiaobei used his ethereal force to form a giant blood ball with a radius of ten meters!

"Bro bei, what ... What are you doing?" Baili tiantu was stunned and shocked.

In the surroundings, there were more than a thousand Titan soldiers and their rhinoceros mounts. They were also stunned by the scene before their eyes.

“Don’t worry about what I’m going to do!”

I’ll give you the body of the saber-armed Battlesuit, and I’ll give you my Dongsheng purple gold Royal token. You have to bring me ten million superior-grade spiritual stones in five days. Can you do that? ” Chen Xiaobei said.

“Yes ... Of course you can!”

of course! Baili tiantu nodded heavily. the bladelike arm Battlesuit is a four-star earth-god beast. Its skin, bones, internal organs, and tendons are all four-star earth-god items! This complete corpse was definitely worth 10 million upper spiritual stones! With bro bei’s Dongsheng purple gold Royal token, we’ll definitely be able to sell it for an even higher price!”

“Alright! You can go!”

Chen Xiaobei took out the Dongsheng Chamber of Commerce’s purple gold Royal token and handed it to Baili tiantu. “Keep a low profile! Quickly go and quickly return! Don’t cause any trouble! Otherwise, I won’t be able to save you!”

“Understood!” Baili tiantu took the token and put away the saber-armed puppet’s body. Then, he left and returned to the real space.

This guy was Chen Xiaobei’s loyal dog. He was 100% loyal and would definitely follow Chen Xiaobei’s orders!

Chen Xiaobei did not have to worry about that. He took off his clothes and stepped into the blood ball!

The next moment, the sky killing tyrant body technique started to work!

That’s right! Chen Xiaobei wanted to use the blood essence of the Sabre-arm Battlesuit to train his body!

There were only five days left before the inter-sect tournament. Chen Xiaobei’s cultivation would not be able to break through to the Golden elixir realm. So, body refining was the only way for Chen Xiaobei to increase his strength quickly!

At the same time, Xiao Bo, the giant Sonic monster, was flying in the air. The imprisoned Titan soldiers did not dare to have any crooked thoughts. One by one, they obediently stepped forward and activated the sunlight cache!

Under the effect of time acceleration, Chen Xiaobei’s physical strength was increasing by the minute!

.....

In the blink of an eye, 120 hours had passed!

The five days were up, and the sect competition of the Putuo domain branch in Tianji city had officially begun!

## Red Envelope Group of the Three Realms

### **Chapter 2628: we're going to be late**

"Why isn't bro bei out yet? The sect's grand competition has already started ... He better not miss it because of his cultivation ..."

Outside the Meru space, Baili tiantu was anxious.

Baili tiantu could not get into Chen Xiaobei's personal space. He could not even make a call to Chen Xiaobei. All he could do was wait outside.

"Phew ..."

In the Sumeru space, Chen Xiaobei let out a long breath and finally stopped his body refining.

The huge ball of blood had shrunk by a third, and the bright red blood had become as transparent as water.

All the essence had been absorbed by Chen Xiaobei's body!

[ding Yingying's cultivation base: later stage of the divine sea realm. Lifespan: 30661 years, physique: 150 million, combat power: 32.8 million, primordial spirit attack-sacred level!]

"What the hell! One hundred and fifty million physical strength!"

Chen Xiaobei did not expect that his physique tempering would increase his physical strength by three times!

however, this is not surprising. The physical strength of a three-star earth-god is 50 million, and that of a four-star earth-god is 150 million. This ratio is very reasonable!

Naturally, Chen Xiaobei was in a good mood.

However, Chen Xiaobei still had a clear understanding of the price he had to pay.

"120 hours in the outside world is equivalent to nearly 20 years in the sunlight cache! My lifespan has also been consumed by a corresponding amount!"

20 years is not a lot, but as my body cultivation level increases, the time needed will increase as well. The next time, it might take 200 years, and the next time, it might take 2000 years! This is not a joke!"

Without a doubt, this "sky killing tyrant body technique" was a super cheat!

It could allow the body to exceed its limits and directly rise without any restrictions! Moreover, each time he advanced, it was a major realm! Within the Three Realms, there was almost no body tempering technique that could compare to it!

However, the more powerful the external hack, the greater the price to pay!

For now, Chen Xiaobei had only reached the level of a four-star earth-god physique. The amount of lifespan he would need to consume would only increase!

This was the same logic as the sunlight cache!

Chen Xiaobei had captured tens of thousands of little insects, and more than a thousand Titan soldiers and rhinoceros mounts.

The total amount of lifespan he had consumed was probably over ten million years!

One could only imagine how great the price of cheating was!

The sunlight cache was still fine as Chen Xiaobei could use it by capturing enemies.

However, Chen Xiaobei would have to depend on himself on how much energy he would need to use up the sky-killing tyrant body technique.

Because of this, in the history of the Sorcerer tribe, only the twelve ancestors of sorcerer and a few top great sorcerers could practice the sky-killing tyrant body technique. The others could only be envious, but they were not qualified to practice it!

“With this 150 million physical strength, I’ll basically have a place in the sect’s grand competition! Later, I will use the spiritual stones brought back by Baili tiantu to cultivate and increase my combat strength to the peak of the divine ocean realm!”

Chen Xiaobei was deep in his thoughts when he suddenly jumped up, “What the f \* ck! I almost forgot! Today is the day of the sect competition. Baili tiantu must be anxious!”

Chen Xiaobei quickly put on his clothes and returned to the real world.

“Bro bei! You’re finally out!”

Baili tiantu quickly came over and said anxiously, “The sect competition has already begun! We have to go back immediately. If we’re late, we’ll be considered to have forfeited!”

“Go! Go back immediately!” Chen Xiaobei summoned the somersault cloud and brought Baili tiantu back to the branch as fast as he could.

Fortunately, this forest was not far from the branch. With the somersault cloud’s speed as a peak four-star earth-god, they could return in more than ten minutes.

“Bring it back and talk about spirit stones?” Chen Xiaobei asked as they flew.

30 million upper spiritual stones! Baili tiantu grinned, took off the storage bracelet, and handed it to Chen Xiaobei.

Chen Xiaobei transferred the 30 million spiritual stones into his infinite space ring and praised, “Well done! I originally thought that it would be good if you could bring back 10 million. I didn’t expect you to actually bring back 30 million!”

it’s all thanks to bro bei!

“I went to the nearby Dongsheng Chamber of Commerce, and the head shopkeeper only offered me eight million!” Baili tiantu said. He was only willing to give me 10 million after I tried my best! Moreover, he’s not willing to increase the price!”

at that moment, I took out bro bei's Dongsheng purple gold Royal token, and the head shopkeeper was so scared that he peed his pants! Without a second word, he directly offered 30 million! They also promised me that no Chamber of Commerce would offer a higher price than this!"

Baili tiantu's face was full of admiration when he said that!

After all, it wasn't Baili tiantu's credit that it could be sold at such a high price, but the Dongsheng purple gold Wang token!

As long as he had this token, even if he was a pig, the Dongsheng Chamber of Commerce would have to receive him with the etiquette of a Supreme VIP! Regardless of the transaction, he had to offer the best price!

"The most important thing in doing business is 'integrity'! This Dongsheng Chamber of Commerce was quite good! We can continue working together in the future!"

Chen Xiaobei smiled and took the Dongsheng purple gold Royal token out of Baili tiantu's storage bracelet and put it away in his infinite space ring!

"Let's talk about future matters in the future!"

Baili tiantu asked seriously, "bro bei, are you ready for the sect competition?"

"Just a little bit more!" alright! Chen Xiaobei smiled. next, you will be the one controlling the sword!

Just as they were about to reach the branch, Chen Xiaobei quickly returned to the verdant Emperor's divine gourd.

this ... Baili tiantu was dumbfounded. He didn't have time to ask and could only summon his flying sword obediently and continue on his way back.

.....

Tianji city, Putuo domain branch, martial arts practice field.

At that moment, everyone in the sect had gathered.

300,000 ordinary disciples surrounded the martial arts practice field.

The 300 registered disciples gathered around the three rings in the center of the martial arts practice field according to their groups.

In front of the three rings, there was a grandstand.

The main seat in the center of the grandstand had been empty all along. No one had taken a seat.

The chapter leader and the core Grand Elder sat on the two sides of the main seat.

The remaining 28 core elders all lined up in a row, 14 on each side.

Although the sect competition this time was held at the last minute, its scale and grandness were definitely not inferior to any of the previous competitions!

Even elder Ming, who had never paid attention to the sect competition, was standing on the roof of Star Picking Pavilion, staring at the training field from afar.

The group drawing has already ended. Why isn't Chen Zhufeng here yet? If he's late, it's the same as forfeiting the match ... elder Ming frowned, his face full of worry.

"Old man, who is Chen Zhufeng? Why are you so concerned?" At this moment, an agile figure landed beside elder Ming.

### Red Envelope Group of the Three Realms

#### **Chapter 2629: strong recommendation**

"And you are?"

Elder Ming's brows furrowed slightly. His calm eyes, however, were moved by the person's appearance.

It was an extremely beautiful woman!

His black hair was like smoke, and his white clothes were like snow! She was like a fairy from the nine Heavens who didn't belong to the mortal world. She was so pure and holy that people could only look up to her and didn't dare to have any evil thoughts!

His brows were like small bridges, and his eyes were like flowing water! She was like a graceful lady who walked out of the ink paintings in Jiangnan. She was not ostentatious, not showing off, but she could make people unable to forget her!

He was riding the wind in the air, looking valiant and heroic! Although she was a woman, she had the aura of a woman who was not inferior to men!

In particular, his heroic posture as he crossed the sky could really be said to be as graceful as a swan and as strong as a Dragon!

Elder Ming had experienced many vicissitudes of life and had seen countless people. He had been in this world for a full three thousand years, and this was the first time he had been amazed!

"I'm Xiao Moxue!" The woman stood beside elder Ming with a faint smile on her lips, enough to stun all living beings.

Xiao ... Xiao Moxue!?

Elder Ming's expression changed. You are Xiao Moxue, one of the top ten core disciples of Tianji City? "

"Yes, it's me!" Xiao Moxue nodded.

Elder Ming gasped. Oh my God ... You should be sitting in the main seat in the center of the grandstand to preside over the sect competition. Why have you come to me? "

"I've seen it. In this Putuo City branch, your cultivation is the highest!" Xiao Moxue said with a smile. I'm sure your vision is also the highest! It's definitely the right choice to ask you first in this selection!"

"Miss Ink Snow, you're being too serious!"

I'm just a Pavilion guard, " elder Ming said in a deep voice. I've never asked about the sect's Affairs, so I don't know what kind of talent ...

"Didn't the old man just mention a name?"

Xiao moxue's eyes flickered and she smiled. "He's Chen Zhufeng! Since he can enter the lordmaster's eyes, he must be one of the top figures in this branch!"

Elder Ming was worried that Chen Xiaobei would be in danger in the tournament. Now that he had met Xiao moxue, he had to put in a few good words for Chen Xiaobei.

"Right! This Chen Zhufeng is really special!"

"Chen Zhufeng's cultivation isn't high, but he's always able to do shocking things!" Elder Ming said seriously. After the competition starts, miss inksnow must observe carefully! Even if Chen Zhufeng loses, don't ignore his advantage!"

"Understood!"

that's right! Xiao moxue nodded. so, you're saying that Chen Zhufeng's cultivation is not high yet, but he's worth training? "

"Right!"

"I'm willing to use my life as a guarantee!" Elder Ming said solemnly. Although Chen Zhufeng might lose this time, he was definitely a good seedling that only appeared once in a thousand years! As long as we carefully cultivate them, they will become great things in time!"

"Alright!"

Xiao moxue nodded and said, " although the talents selected this time must be used immediately. There is no time to train them. But if Chen Zhufeng is a good kid, I don't mind taking him in and training him for my own use!"

"Good! This is great!" Elder Ming immediately beamed with joy.

With Xiao moxue's words, even if Chen Xiaobei lost the tournament, he would at least have an escape route.

After all, Xiao moxue was one of the top ten core disciples of the Tianji city headquarters. Her status was extremely high. More importantly, she could freely enter and exit the Tianji city headquarters! He could also freely read some middle to high level secrets!

If Xiao moxue really accepted Chen Xiaobei, then everything would be much easier!

"Old man, do you have any other recommendations?" Xiao moxue was very patient and asked with a smile.

"There's nothing else,"

no! elder Ming shook his head. it's just as miss inksnow said. In this branch, the only person who is worthy of my attention is Chen Zhufeng!

Xiao moxue's Red lips were slightly pursed and her eyes were filled with curiosity. "I'm really looking forward to it! What kind of charm did Chen Zhufeng have? To actually be able to make lordmaster so strongly push!"

"Miss inksnow will know once you take a look!" Elder Ming smiled confidently.

Even though elder Ming was worried that Chen Xiaobei would lose the competition, Chen Xiaobei's many good points gave him enough confidence!

As long as Xiao moxue could see these merits, he was not afraid that she would not appreciate Chen Xiaobei!

"I'll wait and see with the old man's strong recommendation!"

Xiao moxue composed herself and said calmly, "Now, I should go down! After all, everyone from the branch is here. If I take too long, I'm afraid that they'll think that I'm being arrogant!"

"Miss inksnow, please!" Elder Ming spread his hands and watched Xiao moxue leave.

"Chi ..."

Xiao moxue touched the ground with the tip of her foot and flew up with the wind. She crossed thousands of meters in the air and in the blink of an eye, she was on the grandstand.

Just from this small movement, it could be seen that her cultivation was also extremely high!

.....

As Xiao moxue arrived, the entire place was in an uproar.

On the grandstand, the chapter leader and the thirty core elders all stood up and went to greet Xiao moxue with respect.

The 300,000 disciples in the martial arts practice field were all shocked to the deepest part of their souls as they screamed and cheered! Their admiration for Xiao moxue was hundreds of times stronger than the admiration of a brainless fan for a big star!

After all, Xiao moxue's beauty, cultivation, status, family background, and opportunities were all things that people could only look up to but not reach!

In everyone's eyes, Xiao moxue was a high and mighty goddess who could not be profaned or touched!

To many people, it was a great fortune to be able to see the goddess's beauty today! In fact, he would never have a second chance like this in his life!

"Branch leader Wang, the competition can begin!"

Xiao moxue had a good temper. She allowed the crowd to exclaim and shout. She waited until the crowd's enthusiasm died down before she suggested the start of the competition.

Of course, Xiao moxue was also deliberately stalling for time!

After all, Chen Zhufeng was not there yet!

Elder Ming had guaranteed it with his life and strongly recommended it. This had greatly aroused Xiao Moxue's curiosity. It would be a pity if she couldn't see Chen Zhufeng's performance!

Of course, he couldn't drag it out indefinitely.

There were more than 300 participants, and the winner had to be decided within a day. Xiao Moxue had to report to the headquarters on time. If she missed the time, she would fail her duty and be punished.

"Yes, sir!"

Chapter leader Wang immediately walked to the front of the stage and said, "Everyone, quiet down! Just now, all the participants have been divided into three groups!"

Next, each group will have a one-on-one battle internally. The winner will stay, and the loser will be eliminated. This will continue until the final winner is chosen from each group!

"And the three final winners will become the talents chosen by Miss Inksnow! I'll report all of them to the headquarters, and his future will be limitless!"

"If no one has any questions, then this chapter leader will officially announce! The sect competition this time! Begin!"

As soon as he said that, the crowd boiled.

.....

In the third arena.

The first match of Group Three! Chen Zhufeng versus Tian Boyin! The judge shouted.

### Red Envelope Group of the Three Realms

#### **Chapter 2630: has it started?**

"Hahaha! I'm so lucky to have fought a weak chicken in the first round without using much strength!"

Tian Boyin's figure was thin, and when he spoke, he was enigmatic. He was beaming with joy, and the word 'proud' was almost written on his face!

"What the f \* ck! Old Tian! You're really lucky!"

Chang Weihe bared his teeth and said with envy and jealousy, "Chen Zhufeng, that brat, he made me suffer a beating during the registration at the Jade wall! I've been dreaming about revenge for the past five days, but it's a pity that his opponent was you, not me!"

"Don't worry!"

Uncle Tian smiled coldly and said, "I'll take revenge for brother Chang!" I'm going to beat Chen Zhufeng up so badly that even his own mother won't be able to recognize him! After all, he also offended me on the day of registration at the Jade wall!"

Chang Weihe and Tian Boyin looked at each other and laughed out loud at the same time.

"Hehe, in my opinion, I'm afraid you two are happy for nothing!"

PEI yeshui's heavily made-up face revealed a look of disdain as she said, " "Chen Zhufeng didn't even come! How are you going to take revenge?"

"What? That kid didn't come?"

Chang weihu's brows furrowed and he said in disdain, " "That kid is indeed a pretentious prick! He didn't put the three of us in his eyes during the registration at the Jade wall, but he doesn't even dare to come today! After acting tough, he would run! I despise him!"

"It's never too late for a gentleman to take revenge!"

"That brat has offended the three of us. He might be able to hide today, but can he hide forever?" uncle Tian sneered.

"You're right!"

Chang weihu nodded heavily and said, "unless he's a turtle hiding in his shell for the rest of his life, not daring to show himself!" Otherwise, I'm going to get even with him!"

"Where are they? Why aren't you on stage yet?"

At this time, the elder of judgment urged loudly, " "The first battle of Group Three, Chen Zhufeng versus Tian boyin! If the participants don't show up, they'll forfeit and be eliminated!"

"Tian boyin is here!"

Tian boyin quickly went to the side of the judge elder and said in a weird tone, elder, you can announce the result now. That trash Chen Zhufeng doesn't even dare to fight me!

"Yeah, I think so too!"

yes! the judge elder nodded. you're the chief disciple of the fourth elder. Chen Zhufeng is just a newbie. It's completely within my expectations that he wouldn't dare to come!

As soon as he said that, the surrounding ordinary disciples who were watching immediately burst out laughing.

"As expected of senior brother Tian! He didn't need to make a move at all, and his reputation alone was enough to scare his opponent into not showing his face! It's really awesome!"

this isn't strange at all. He's just a newbie. Even if you lend him a hundred guts, he wouldn't dare to fight with senior brother Tian!

"Wasn't he acting all high and mighty on the day of registration at the Jade wall? But now, he didn't dare to show his face. Wouldn't that make him a coward? Hahaha ..."

Obviously, many people were there on the day of registration at the Jade wall. They had seen the fight between Chen Xiaobei and the three top disciples.

At that time, everyone thought that Chen Xiaobei had a backbone. But now, Chen Xiaobei did not dare to show up. In their minds, he was just a coward with a strong start but a weak finish.

Of course, the main reason was that Chen Xiaobei had already asked the crowd to leave before he even registered. That was why no one knew Chen Xiaobei's true strength. They thought that Chen Xiaobei was afraid of losing.

If they knew Chen Xiaobei's strength, they would understand that Chen Xiaobei was not afraid to come! There was a reason.

On the grandstand.

Xiao moxue's eyes were fixed on the third ring. Her crystal clear eyes gradually revealed a look of disappointment.

Originally, Xiao moxue was full of anticipation and wanted to take a good look at the talent that master Bai strongly recommended!

But great, he didn't see a talent, but he did see one!

Chapter leader Wang quickly asked respectfully, "Miss Inksnow, the battles on the No. 1 and No. 2 arenas are very exciting. Why are you looking at the No. 3 Arena, which is quiet? Is there something wrong?"

"It's nothing," Xiao moxue shook her head and shifted her gaze to the first and second arenas.

A mere b \* tch who didn't even dare to show her face wasn't worthy of Xiao moxue's attention.

At the top of the Zhaixing Pavilion.

"Chen Zhufeng! Where have you been?"

Elder Ming's brows furrowed, and he was extremely anxious. "It wasn't easy for me to help you get on Xiao moxue's good side! You're good! For five days and five nights, he could not get through to his phone! He didn't even show his face! Our plan is going to be completely ruined because of you ..."

"The time limit is up!"

At the same time, the elder of judgment was too lazy to wait any longer. He announced loudly, "Chen Zhufeng is absent! I hereby announce that Chen Zhufeng has abandoned ..."

"Hold on!"

At the last second, a light shout cut through the sky and attracted everyone's attention!

They saw a teenager in black descending from the sky!

His black hair and clothes fluttered in the wind! He was handsome and his eyes were deep! His bearing made people think of Immortals from beyond the heavens!

Under the gazes of tens of thousands of people, the black-clothed youth steadily landed on the third arena and said with a faint smile.

"Chen Zhufeng! I'm here!"

A stone that caused a thousand ripples!

The young man's arrival shocked everyone!

"No way! That kid actually dared to come?"

Chang weihu and PEI yeshui were both shocked, " "I can't believe that there are people in this world who aren't afraid of death!"

"He's not afraid of death! I'll fulfill his wish!" Tian boyin's eyes focused. He tapped the ground with the tip of his foot and jumped onto the stage in half a step.

Upon seeing this sight, the crowd was stunned for a moment before an uproar broke out.

"What the f \* ck! That Chen Zhufeng actually dared to come? This is clearly seeking death!"

I bet that senior brother Tian can cripple Chen Zhufeng with one move!

"Is there a need to bet? One was the chief disciple under the fourth elder, and the other was a newbie who had just entered the sect! There's no suspense in this battle!"

.....

"He's Chen Zhufeng?"

Xiao moxue raised her eyebrows. Her bright eyes were filled with curiosity again. "I told you, the old man isn't an ordinary person. His eyes won't be so bad! This Chen Zhufeng must be a man of substance!"

miss inksnow, do you know that Chen Zhufeng? " Branch leader Wang was dumbfounded. He never thought that someone in his branch would be valued by Xiao moxue.

"I don't."

Xiao moxue shook her head and said, " "The battle will proceed as usual, victory or defeat is all up to him!"

"Understood!" Branch leader Wang nodded heavily.

With just a word from Xiao moxue, Chen Xiaobei could have been the winner without a fight.

But Xiao moxue wanted to see Chen Xiaobei's strength. Leader Wang was a smart man, so he would naturally follow Xiao moxue's orders.

"This competition will follow the rules of the life and death Ring! Both parties could only rely on their own abilities to fight. The use of magic treasures, talismans, and other external assistance was strictly forbidden! Those who break the rules will be eliminated immediately and will be severely punished!"

The judge elder announced the rules.

"Has it started?" Tian boyin asked impatiently.

"It's already over!" Chen Xiaobei's lips curled into a frivolous smile.
