Chapter 2631: powerful enemy behind

“What has already ended?”

Uncle Tian’s brows furrowed slightly and he said unhappily, “I’m asking you again, elder judge, has the battle started? Why are you interrupting, you little trash?”

“Start immediately!”

“Our team has already wasted a lot of time!” The judge elder urged. If you don’t hurry up, you’ll be punished ... Punished ... To lie on the grass ... This, this, this ...”

“Pa!!!”

Before the judge could finish his sentence, he was interrupted by a crisp sound. He was so shocked that he couldn’t believe his eyes!

Just a moment ago, Chen Xiaobei was still three meters away from Tian boyin!

In that instant, Chen Xiaobei had already appeared where Tian boyin was standing. He swung his arm and slapped Tian boyin, sending him flying!

Right! You didn’t see wrong!

The first disciple of the fourth elder was sent flying 3600 degrees by Chen Xiaobei’s slap! He drew a beautiful arc in the air and flew off the stage, landing heavily ten meters away!

“Blargh! Pfft ...”

Tian boyin fell to the ground, causing large cracks to appear on the ground.

His neck tilted, and his teeth and blood spurted all over the ground! His eyes rolled back, and he fainted on the spot!

“You’re asking if the battle has started?”

Chen Xiaobei walked to the edge of the ring and smiled. “I’m telling you, it’s over! What’s wrong with that?”

“Whoosh ...”

As soon as he said that, the crowd exploded!

“What the hell? I just looked down at my phone. Why is senior brother Tian sleeping on the ground? This can’t be an illusion, right?”

“Senior brother Tian has been killed in seconds! That Chen Zhufeng only needed one slap to knock senior brother Tian out!”

Chen Zhufeng was too fast! Many of us didn’t even see him clearly!

“This is unbelievable! Senior brother Tian was the chief disciple of the fourth elder, and he had reached the later stage of the spirit sea realm! Could it be that Chen Zhufeng is at the peak of the divine ocean realm?”

“My God ... How can a warrior at the peak of the spirit sea realm be a newbie? This doesn't make any sense ... Such a genius should have been taken in by a big force long ago ...”

“This Chen Zhufeng! He's not an ordinary person ... We've underestimated him!”

The 300,000 people were all shocked and looked at Chen Xiaobei in a new light. They did not dare to underestimate him anymore!

At the top of the zhaixing Pavilion.

“Good boy!” Elder Ming praised with a smile. In a short five days, his cultivation had actually increased by another small realm! He had reached the peak of the spirit sea realm! This way, Xiao moxue will definitely take a fancy to you! Our plan will also be able to proceed smoothly!”

Five days ago, Chen Xiaobei was only at the late-stage of the divine ocean realm when he registered. At this moment, he had actually raised his cultivation level by one minor realm.

This surprised elder Ming, and made him believe that Chen Xiaobei had received some kind of inheritance that allowed his cultivation to improve so quickly.

However, elder Ming would never have guessed that Chen Xiaobei did not receive any legacy at all!

Chen Xiaobei had actually spent a few minutes on his way back to the base to level up this small realm!

That's right! It was only for a few minutes!

Originally, Chen Xiaobei had asked Baili tiantu to sell the body of the bladed-armed puppet so that he could use spiritual stones to cultivate.

However, time was of the essence. Even if he used the sunlight cache, his combat power would not increase by much.

At this critical moment, Chen Xiaobei took out the heaven and earth furnace!

Before Chen Xiaobei ransacked the CAO family's Treasury, there was still a lot of spiritual aura left in the heaven and earth furnace. After that, most of the resources in the Treasury had been refined by Chen Xiaobei.

As such, the amount of spiritual aura in the furnace was enough to upgrade the most ordinary six-star earth-god instrument to seven-star.

Originally, Chen Xiaobei could have used the heaven and earth spiritual aura to upgrade the witch Dragon Flame to seven stars.

However, when Chen Xiaobei was challenging the nine honourable shamans, he had used up a third of the heaven and earth's spiritual aura to upgrade the black Tiger spiritual blade.

The remaining two-thirds of the heaven and earth spiritual aura had always been stored within the heaven and earth smelt.

This time, time was tight, and it came in handy.

Chen Xiaobei had absorbed one-tenth of the spiritual aura, and his combat power had reached the peak of the divine sea realm!

[ding Yingluo's cultivation base: peak of divine sea realm. Lifespan: 30661 years, physique: 150 million, combat power: 37 million, primordial spirit attack-sacred level!]

Of course, combat strength was not like physical strength, which could not be increased limitlessly!

Once he reached his peak state, he would need to break through a major realm in order to continue to increase his combat power. Otherwise, no matter how much spiritual aura Chen Xiaobei absorbed, it would be useless!

Of course, to be able to raise one level within a few minutes would be a great help to Chen Xiaobei in the sect competition.

Just like earlier, Chen Xiaobei did not use any of his trump cards. He had used his own combat power to kill Tian boyin with one slap.

Hiding his trump card would help him in the later battles.

The reason why they could easily win this battle was naturally due to the spiritual aura of heaven and earth.

this Chen Zhufeng isn't that weak after all!

Xiao moxue's eyes flickered. Her gaze was filled with wisdom."However, with such a low cultivation, it's impossible for the old man to strongly recommend him! This Chen Zhufeng must still have some hidden cards!"

"Miss inksnow, you seem to care a lot about this Chen Zhufeng!" Chapter leader Wang asked carefully.

"No, who said I care about him?"

Xiao moxue shrugged her shoulders and said, "I just think that his strength is not bad. He killed an elder's chief disciple in one move. I'm looking at the first and second arenas. There hasn't been a clear winner yet!"

"As long as miss inksnow doesn't care about Chen Zhufeng!" Otherwise, I'm afraid that my direct disciple would hurt Chen Zhufeng!"

"Your personal disciple? Is he very strong?" Xiao moxue asked.

"I have a total of ten personal disciples! Among the seven golden elixir realm cultivators, two were in Group Three! One of the three nascent soul cultivators is in Group Three!"

"this is an arena tournament after all. Fists and legs have no eyes. If miss inksnow really cares about Chen Zhufeng, I will go and ask my disciple to show mercy! chapter leader Wang said with a smile.

“There’s no need for that!”

“If Chen Zhufeng has the ability, he should resolve the crisis himself!” Xiao moxue said calmly. If he doesn’t have the ability, I won’t even look at him again!”

“Understood!”

Branch leader Wang grinned and flattered, “Miss inksnow is fair and just! This one is full of admiration! With miss inksnow around, we will definitely be able to select the best talents for the headquarters!”

Xiao moxue did not say anything. Even though she said that she did not care about Chen Xiaobei, her eyes were still looking at him.

.....

“The first round of Group Three battles is over! 50 people were eliminated, and 10 people forfeited with serious injuries! The remaining 40 will continue to fight!”

Chen Zhufeng! the judge announced. Chen Zhufeng versus he Kuangshan!

[Red Envelope Group of the Three Realms](#)

Chapter 2632

2632 Divine sea versus golden core

“Senior brother he Kuangshan is going to fight again! His opponent in the first round had directly forfeited! I wonder how this match will turn out?”

“Nonsense! Senior brother he is the direct disciple of our branch leader. He is in the Golden elixir realm and is one of the top experts in the branch! Other than the top ten direct disciples, who else would dare to fight with senior brother he?”

“Well said! Although Chen Zhufeng had killed senior brother Tian, he was only at the peak of the spirit sea realm! He was a hundred and eight thousand miles away from the Golden elixir realm! Even if he has a hundred million guts, he wouldn’t dare to make a move against senior brother he!”

“That Chen Zhufeng sure is unlucky! He won easily in the first round, but he ran into senior brother he in the second round! Therefore, it was better to keep a low profile! You’ll have to pay for what you’ve done!”

“Isn’t it? If Chen Zhufeng dared to fight, he would be slapped away by senior brother he!”

The crowd was in a heated discussion.

Although Chen Xiaobei had shocked everyone in the first round of the battle, he was not the only one.

However, in the second round, Chen Xiaobei was going up against a golden elixir cultivator. No matter how impressed they were, they did not believe that Chen Xiaobei had any chance of winning!

“Aiya! Chen Zhufeng! You’re so unlucky!”

At the top of the zhaixing Pavilion, elder Ming heaved a long sigh and said helplessly, “As long as you don’t encounter a strong practitioner in the Golden elixir realm, you have the power to fight! However,

he directly ran into he Kuangshan! With a difference of one major realm, we'll definitely lose this battle!"

It was clear that Chen Xiaobei was unlucky to be punished by the heavens for prying into heaven's secrets.

If Chen Xiaobei were to meet any other opponent, he would be able to put up a fight. In the battle, Xiao moxue would be able to see Chen Xiaobei's strengths.

This way, even if Chen Xiaobei did not become the winner, he would still be able to get Xiao moxue's recognition.

But now, Chen Xiaobei and he Kuangshan were one major realm apart. He would be killed in an instant.

Xiao moxue could not see Chen Xiaobei's good points, so she would not accept him.

In the end, not only would Chen Xiaobei not be the winner, but he would also be completely ignored by Xiao moxue!

This was the last thing elder Ming wanted to see!

If that was the case, the plan that elder Ming and Chen Xiaobei had discussed earlier would be ruined.

He didn't know when he would have another chance like this.

On the grandstand.

Branch leader Wang pretended to Pat his mouth. "Aiyaya! Miss inksnow, look at my stinky mouth! I was just saying that Chen Zhufeng might meet my direct disciple. I didn't think that he would really meet him!"

"You don't need to test me anymore! I have nothing to do with Chen Zhufeng!"

Xiao moxue's eyes were clear and full of wisdom. "If Chen Zhufeng wins, I'll personally promote him! If he were to lose, it wouldn't affect me at all! I'll just treat him like air and completely ignore him!"

this ... faction leader Wang was taken aback. He had thought that Chen Xiaobei and Xiao moxue had some sort of relationship, but now that Xiao moxue had put it this way, it meant that Chen Xiaobei had nothing to do with her!

It could be said that Xiao moxue did not care about Chen Xiaobei's victory or defeat. She did not even care about Chen Xiaobei's life!

In fact, Xiao moxue had nothing to do with Chen Xiaobei!

In this world, the strong were respected!

With strength, one could be valued and respected by others! Without strength, one would be nothing but an ant. One would not even be worthy of looking at them!

To Xiao moxue, Chen Xiaobei was just a stranger!

If Chen Xiaobei was really capable and had good points, even if his cultivation was slightly low, Xiao moxue was willing to train him!

But if Chen Xiaobei did not have the ability, Xiao moxue would really treat Chen Xiaobei like air. Maybe after a few days, she would completely forget about Chen Zhufeng's name!

This was the reality!

The cold reality!

The fairy tales of princes and princesses were just fairy tales after all!

"Hahaha! Chen Zhufeng, you unlucky bastard! I'm actually up against senior brother he in the second round!"

Beside the ring, Chang weihu laughed continuously and was extremely happy. Tian boyin might not be able to avenge me, but senior brother he can definitely defeat Chen Zhufeng!

"Don't be happy too early! Chen Zhufeng might not dare to accept the challenge!"

PEI yeshui shook her head and said, "don't forget, senior brother he's opponent in the first round didn't even dare to step on the stage. He just forfeited!" Do you really think that Chen Zhufeng would cross a major realm and challenge senior brother he? Anyway, I don't believe it. "

that's right ... Chang weihu frowned slightly and said, " Chen Zhufeng isn't an idiot. How would he dare to fight someone one level higher than him? he's just looking for death!

"What if I dare to?" Suddenly, Chen Xiaobei appeared beside the two of them.

"Chen ... Chen Zhufeng! "What are you doing ..." Chang weihu and PEI yeshui both took a deep breath and retreated. When he saw Chen Xiaobei, he was like an old scholar who had just seen a Tiger. He was scared out of his wits.

After all, Chang weihu and PEI yeshui's cultivation level was similar to Tian boyin's.

If Chen Xiaobei could slap Tian boyin to death, then he could easily crush Chang weihu and PEI yeshui.

Previously, they had conflicts with Chen Xiaobei and were afraid that Chen Xiaobei was here for revenge.

"Don't be nervous! I won't do anything to you!"

but, you guys kept mocking me and even threatened to beat me up so badly that even my own mother wouldn't recognize me! Chen Xiaobei said. This makes me very unhappy!"

"What ... What do you want ..."

Chang weihu and PEI yeshui subconsciously hugged each other, their bodies trembling with nervousness. "We're warning you! Private fighting was strictly forbidden within the sect! If you dare to attack us, just wait for the punishment Hall's heavy punishment!"

"I said, I'm not fighting. I just want to make a bet with you!"

if I win the next battle, the two of you will kneel down and shout 'Grandpa Zhufeng, we're sorry!' Ten times! If I lose, I'll be at your disposal! How is it?"

"You ... You're telling the truth?" Chang weihu and PEI yeshui were stunned and couldn't believe their ears.

In their eyes, Chen Xiaobei had no chance of winning! There was no reason to make such a bet!

"Of course it's true!" Chen Xiaobei smiled. With so many people watching, Would I Lie to You?"

"Good! We'll bet with you!" Chang weihu and PEI yeshui gritted their teeth and agreed to the bet.

"Swish!"

At this moment, a wind howl resounded in all directions!

In the strong wind, a man who was nearly 30 years old jumped onto the ring with an extremely gorgeous body technique.

"As expected of senior brother he! He had already cultivated the "violent wind battle technique" to such a level! Not only is his movement technique magnificent, but his speed is also extremely fast!"

"Obviously, senior brother he is reminding Chen Zhufeng! One move from the howling wind movement technique is enough to defeat Chen Zhufeng!"

"There's no suspense! Chen Zhufeng will definitely give up!"

.....

Chen Xiaobei slowly made his way up the stairs and up to the ring, one step at a time.

Everyone was shocked by the scene!

Divine sea versus golden core!

Never before! There was no one after him!

[Red Envelope Group of the Three Realms](#)

Chapter 2633: capturing a Heavenly Dragon with one arm

"What the f * ck! That kid actually dared to go up the stage? Was he tired of living? Senior brother he can take his life in one move!"

"Is there a need to say this? Just look at senior brother he, he used the howling wind movement technique to go up the stage, moving nimbly and floating, incomparably carefree! Look at this kid, taking one step at a time, he's so weak!"

"Nonsense! What's that kid's cultivation level? isn't showing off his movement technique in front of senior brother he just making a fool of himself?"

The crowd was in a heated discussion. None of the 300000 people thought that Chen Xiaobei would win.

At the top of the zhaixing Pavilion.

Elder Ming frowned and said worriedly, "Chen Zhufeng! What the hell are you doing? Hurry up and forfeit! The moment he stepped onto the arena, he was destined to fight! He Kuangshan, who is in the Golden elixir realm, could kill you with one move!"

Obviously, elder Ming did not think that Chen Xiaobei would win. Once Chen Xiaobei's life was in danger, the Alliance and plan between the two of them would be ruined. It would never be realized!

That was why elder Ming would rather Chen Xiaobei give up than see him die in the ring!

On the grandstand.

Xiao moxue's beautiful eyes flashed with a strange light. She secretly praised, "Although Chen Zhufeng's cultivation isn't that high, he's got some guts! With this alone, he can defeat countless people!"

"This is clearly the ignorant being fearless!"

Chapter leader Wang sneered, "divine sea versus golden core!" What was the difference between this kind of battle and suicide? Chen Zhufeng must not have known he Kuangshan's strength, so he was not afraid! Once the battle starts, Chen Zhufeng will definitely lose!"

"Let's wait and see,"

Xiao moxue's beautiful eyes locked onto Chen Xiaobei and she said, "we'll find out soon whether Chen Zhufeng is a reckless man or a warrior!"

.....

In the third arena.

He Kuangshan stood proudly on the right side with his chin raised high. His eyes were full of contempt and disdain. "Little brat! Don't you know I, he Kuangshan?"

Chen Xiaobei stepped into the ring and stood on the left. He shrugged and said, "I didn't know him before, but I heard the discussion around me. You're he Kuangshan, the direct disciple of the branch leader. You're in the early stage of the Golden elixir realm and many people regard you as their idol!"

When he Kuangshan heard this, he raised his chin even higher and said arrogantly, "Since you've heard it, why haven't you forfeited? Do you want to die?"

Chen Xiaobei was not moved at all. He smiled and said, "Heh, I'm not trying to act cool! Even if I really want to die, you don't have the ability to kill me!"

"What? You dare say I can't kill you?"

He Kuangshan was furious and he roared in disdain, "In my eyes, you're nothing but an ant! If you give up obediently, you can still live! But if you really want to fight, I can crush you ten thousand times with one finger!"

"A finger? You're really awesome!"

Chen Xiaobei grinned and said, "I don't dare to act tough! I need at least a fist to crush you to death!"

“What? You’re going to crush me?”

He Kuangshan gritted his teeth like a wild boar whose anus had been poked. He was instantly enraged, “You ignorant fool! A mere divine sea realm dared to be so pretentious! I, he Kuangshan, will kill you today!”

Without a doubt, Chen Xiaobei, who was only at the divine sea realm, dared to claim that he could kill he Kuangshan with one punch! For he Kuangshan, who was in the Golden elixir realm, this was simply a humiliation! It was a great humiliation!

If he did not kill Chen Xiaobei, he would lose all his face in front of 300000 people.

“Whoosh ...”

Along with he Kuangshan’s furious roar, a terrifying true essence suddenly gathered around him.

The true energy was like a huge Dragon with he Kuangshan as the center.

The tremendous power contained in it even completely shattered the White clouds in the sky, causing the entire space to be filled with violent gales!

Moreover, before the long Wind Dragon landed, just the strong wind from the aftermath alone had already blown the 300000 people away!

One should know that all 300000 people present were one-star earth-god Realm!

One could only imagine how terrifying the wind Dragon was!

[ding Yingluo’s cultivation level: early gold core realm. Lifespan: [year 20133, physique: 5000000 combat power: 50 million, primordial spirit attack: one-star earth-god level!

That’s right! This was the power of the Golden elixir realm!

He Kuangshan did not hold back. He pushed his power to the maximum. He wanted to kill Chen Xiaobei with this one blow. He even wanted to use the wind to grind Chen Xiaobei into dust!

Only in this way could he eliminate the humiliation in he Kuangshan’s heart! Only then would it prove that gold core realm experts could not be humiliated!

“Gray wind! Desolate howling!”

He Kuangshan let out another earth-shaking battle cry, attracting everyone’s attention.

“Boom boom boom ...”

At the same time, the long wind berserk Dragon in the sky was like a Thunderbolt, falling with extreme speed and strength, directly towards Chen Xiaobei’s head!

“We’re dead! That brat will be killed by the wind in an instant, not even a piece of him will be left!” All 300,000 of them were certain that Chen Xiaobei was dead.

Chen Zhufeng, why ... Why did you have to die? ” elder Ming’s face was filled with bitterness.

hehe, you're indeed an ignorant hothead. You're still not admitting defeat at this point! Chapter leader Wang laughed and gloated.

Chen Zhufeng, is this all you've got? " Xiao moxue's brows furrowed. A moment ago, she thought that Chen Xiaobei was brave, but now, she was shaking her head in disappointment.

After all, based on the current situation, there was no suspense in the battle at all!

Without a doubt, in terms of speed and power, the Golden elixir realm was definitely superior to the divine sea realm!

Anyone at the divine sea realm would have died under this attack! Not even a corpse was left!

However, in the next second, an extremely shocking scene appeared in the ring!

50 million combat power, golden elixir realm, very strong indeed!

Chen Xiaobei raised his brows, took a step forward and said confidently, " "However, I, Chen Zhufeng, am stronger!"

The next moment, Chen Xiaobei stomped on the ground and threw a punch!

In front of the Dragon, his fist was as small as a speck of dust.

However, this tiny fist managed to block the wind Dragon's terrifying power!

On one side was the 3000-meter long wind true Yuan, and on the other side was the three-inch flesh fist!

Both sides were actually equally matched in a head-on confrontation!

No matter how hard he Kuangshan tried, the 3000-meter long wind Yuan mad dragon could not move forward at all!

In the eyes of the 300000 people, Chen Xiaobei had captured the Dragon with one arm.

What happened next shocked everyone to the core!

Chen Xiaobei used one arm to capture the Dragon and the other to kill it!

[Red Envelope Group of the Three Realms](#)

Chapter 2634: shocking four-seater

"How is that possible? This ... How is this possible!"

He Kuangshan was dumbfounded. He could not believe his eyes."Why? That kid is only in the spirit sea realm. How can he block my attack with one punch? This doesn't make any sense ..."

"He Kuangshan! Don't panic!"

At this moment, branch leader Wang stood up and shouted, " "That brat only has a strong physical body, that's why his defense is so amazing! But his cultivation is only at the spirit sea realm. He's no threat to you! You are standing in an undefeatable place! Slowly find an opportunity to beat him!"

“Master is right!”

Hearing this, he Kuangshan’s shock was slightly relieved. He laughed evilly, “Brat, I really couldn’t tell that your physical body has actually reached the Jindan stage! What a pity! With only defense and no combat power, you can’t even hurt a single hair on my head! But I can find a chance to seriously injure you! In the end, you’ll still be defeated without a doubt!”

“Who told you I don’t have any combat power?”

Chen Xiaobei used one arm to capture the Dragon, while he swung his other arm and shouted, “Billions of stars, lend me your origin power! The king of all beasts, the subjects of all life!”

“Whoosh ...”

go! Chen Xiaobei shouted, and a mysterious change burst out in an instant!

In Chen Xiaobei’s dantian, a small star Mark had evolved into a brilliant small universe!

The billions of stars were all gathered in Chen Xiaobei’s dantian!

It was like the vast universe that included the nine Heavens and the Milky Way!

“Whoosh! Whoosh! Whoosh ...”

The next moment, Chen Xiaobei’s ethereal force turned into fine threads of ethereal force that were thinner than a hair!

The billions of stars in Chen Xiaobei’s dantian were all connected by these ethereal threads!

Different gossamer connected to different stars and outlined different beasts!

A Dragon! A ferocious Tiger! An Eagle! Wild leopards ... All kinds of beasts appeared in this part of the Galaxy!

That’s right!

This was the profound profundity of the ten thousand beast astral battle technique!

All the beasts and the stars formed a hidden array in his dantian!

Once the battle art was activated, the invisibility formation would increase one’s current combat strength!

“The star of ten thousand beasts! A sovereign descending to the world!”

Chen Xiaobei growled again, and the image of the entire small universe appeared behind him!

“Shua shua shua ...”

In the next moment! All of a sudden, the small universe Dharma images in the star map rushed out!

Giant Dragons writhing, war Tigers dashing, eagles soaring, elephants charging ...

Over 10,000 ferocious beasts charged forward. Their vast might was like an Army of 10000 horses and horses, causing the earth to shake and the space to tremble!

my God ... This ... What's going on?!

Seeing this, he Kuangshan was even more shocked. His pupils contracted uncontrollably and his body trembled. He was so scared that he almost peed his pants!

This was because he Kuangshan could clearly feel a power that was even stronger than his own in addition to the mysterious scene in front of him!

And the source of that power was Chen Xiaobei's fist!

That's right!

The power of Chen Xiaobei's punch was above the 50 million combat power of a golden elixir!

The real cross-level battle was at this moment!

"BOOM!"

With a loud explosion, Chen Xiaobei's fist, carrying the power of the star of ten thousand beasts, exploded with a terrifying power!

In the blink of an eye, the long wind berserk Dragon exploded from the head as if it had been struck by lightning! It was crushed by the tens of thousands of beasts, crushed, and finally turned into ashes!

"Pfft ..."

Chen Xiaobei's dragon-slaying punch still had some power left. His ethereal force drew a beautiful arc in the air and went straight for he Kuangshan's face!

"Oh my God ... Help ... Help ... Uh! Pfft ..."

He Kuangshan was scared out of his wits. However, Chen Xiaobei's ethereal force hit his face halfway through his scream!

He Kuangshan spat out a mouthful of blood as he was sent flying 30 meters away. He landed heavily on the ground and half of his face was swollen like a pig's. His dead fish eyes rolled back and he was completely unconscious!

In an instant, the entire place was deathly silent!

The 300,000 people didn't make a single sound, and even the battles on the first and second arenas stopped.

It was as if everyone had been hit by a petrifying spell. They were completely stunned on the spot, not making a sound or moving.

Chen Xiaobei's punch had not only crushed he Kuangshan, but also everyone else's worldview!

Divine sea versus golden core!

Chen Xiaobei had won this unprecedented cross-level battle!

If they didn't see it with their own eyes, no one would believe it even if they were beaten to death!

“Judge elder, what are you doing?”

Chen Xiaobei raised his eyebrows and looked at the audience.

The elder of judgment trembled and his expression changed as if he was flipping through a book. He squeezed out a smile and announced loudly, “The second round of the third group, Chen Zhufeng wins! He Kuangshan lost!”

It was obvious that he Kuangshan was one of the top ten core disciples in the division. His status was much higher than that of the adjudicator elder.

Now that Chen Xiaobei had defeated he Kuangshan, even if his position was not higher than he Kuangshan’s, he would definitely be able to replace he Kuangshan.

The elder of the judging panel smiled and tried to please Chen Xiaobei.

“Whoosh ...”

At the same time, the surrounding 300000 people had also recovered from their shock and immediately burst into an uproar.

“This is unbelievable! Chen Zhufeng actually won!”

“A cross-level battle! This was a genuine cross-level battle! There had never been such a precedent in history! Chen Xiaobei is the first person to achieve this!”

“That’s too, too awesome! Shenhai fought a Jindan head-on, and it was shenhai who won! I feel like I’m dreaming!”

what a big slap in the face ... Just a moment ago, we all thought that Chen Zhufeng would lose. Now, it’s a big slap in the face!

“Yeah ... My face hurts! I won’t underestimate Chen Zhufeng anymore ... He’s really something!”

.....

“Grandpa Zhufeng! We know we were wrong! Zhufeng’s Grandpa! We know we were wrong! Zhufeng’s Grandpa! We know we were wrong ...”

At the same time, Chang weihu and PEI yeshui kneeled on the ground, shouting and kowtowing.

The sound of shouting was very clear, and the sound of kowtowing was also very loud! He really didn’t dare to be vague at all! He was afraid that Chen Xiaobei would not be satisfied!

“The two of you are really self-aware!”

Chen Xiaobei raised his eyebrows and laughed, “I haven’t even settled the score with you, and you’ve already admitted defeat! He was very enlightened! He has a bright future!”

“We can’t be unconscious ...”

After Chang weihu and PEI yeshui kowtowed, Chang weihu also smiled and said, “Grandpa Zhufeng, you’re so powerful ... If we don’t admit defeat, we’ll be dead!

Chen Xiaobei laughed disdainfully and ignored them. He turned to look at the Zhai Xing Pavilion.

Elder Ming was equally shocked. He gave Chen a thumbs up from afar.

“Chen Zhufeng! You’re not an ordinary person!”

“I was worried that you’d be killed,” elder Ming praised. “I didn’t expect you to defeat your opponent so easily!” A cross-level battle, an instant kill! This has simply subverted this old man’s three views, and is even more exaggerated than a dream!”

“Senior brother Chen!”

At this moment, a young disciple ran to the third arena.

“What’s the matter?” Chen Xiaobei asked.

The young disciple replied respectfully, “Miss inksnow has invited you to the grandstand. She has something to say to you!”

“Miss inksnow?” Chen Xiaobei raised his eyebrows and looked at the grandstand.

In the center seat, the beautiful woman was also looking at them.

[Red Envelope Group of the Three Realms](#)

Chapter 2635: entering my harem

On the grandstand.

Under everyone’s watchful eyes, Chen Xiaobei walked to the center of the room.

“You’re looking for me?”

Chen Xiaobei looked at Xiao moxue, sometimes looking at her beautiful face, and sometimes at her graceful figure.

“How audacious! When you see miss inksnow, why aren’t you kneeling to pay your respects?” Branch leader Wang glared at Chen Xiaobei and shouted.

Obviously, he Kuangshan was faction leader Wang’s direct disciple. Just a moment ago, he Kuangshan was still boasting about how powerful his direct disciple was and even asked Xiao moxue if she should show Chen Xiaobei mercy!

But Chen Xiaobei only needed one punch to kill he Kuangshan!

This result was equivalent to giving branch leader Wang a tight slap in the face, and this slap was much louder than slapping anyone else!

Naturally, leader Wang was not happy with Chen Xiaobei and wanted to take the chance to mess with him!

“There’s no need to bow!”

Xiao moxue waved her hand and did not give leader Wang a chance to mess with Chen Xiaobei.

Chapter leader Wang was naturally depressed, but he didn't say anything more. After all, Xiao moxue's status was far above branch leader Wang's!

Since Xiao moxue had already spoken, branch leader Wang had no right to speak!

"What's the matter?" Chen Xiaobei chuckled. He was secretly pleased when he saw leader Wang's expression.

"Let's introduce ourselves first."

Xiao moxue's bright eyes flickered and she said confidently, "My name is Xiao moxue, and I am the first disciple of the core third elder of Tianji city's headquarters! At the same time, I'm also one of the ten core disciples of Tianji city's headquarters! He was ranked ninth on the 'East victory war heroes ranking'! The young master of the Xiao family of East victory!"

"I'm Chen Zhufeng!" Chen Xiaobei shrugged and did not say anything else.

"It's over?" Xiao moxue's brows furrowed in confusion.

"I'm finished." Chen Xiaobei shrugged.

The thirty core elders could not help but sneer at the sight.

this Chen Zhufeng really knows his place!

Chapter leader Wang laughed sarcastically, "I know that miss inksnow is the beloved daughter of the heavens in Videha! The Halo title shone across the entire Videha! Of course, Chen Zhufeng would be too embarrassed to explain his situation in detail!"

"How can a grain of rice compete with the sun and moon?"

The elders beside him immediately chimed in, "In front of miss inksnow, no matter how much Chen Zhufeng introduced himself, he was just a joke! Hahaha ..."

Chen Xiaobei was not moved by the mockery from chapter leader Wang and the elders. He even felt like laughing.

Chen Xiaobei did not give a detailed introduction, not because he was afraid that he would lose to Xiao moxue, but because he was afraid that he would scare everyone to death!

He was the direct disciple of sect master Tongtian! The Good Brothers of the gods! The master of the contract with Emperor luohou, Jiang Taiyi! The new king of the nine Li Magus race! The master of the green Lotus seed of chaos! The master of the great void crack! He had divine skills, divine artifacts, and divine meridians!

Chen Xiaobei's self-introduction was not aimed at anyone. Everyone below the heavenly realm was trash!

"Branch leader Wang, your disciple lost because he was not as good as his opponent! If you keep picking on Chen Zhufeng, you'll only show that you're a petty man!"

Xiao moxue was an upright person, so she naturally couldn't bear to see branch leader Wang and the other elders bullying others.

yes, yes, yes ... Miss Inksnow is right to teach you a lesson! Chapter leader Wang and the other elders immediately shut their mouths, not daring to mock Chen Xiaobei anymore.

"Chen Zhufeng, let's get straight to the point!"

"Your performance just now was amazing," Xiao moxue said seriously. It was unprecedented to fight above one's level! I want to take you under my wing. From now on, I will train you well! I'll train you to be my most outstanding subordinate!"

Obviously, the battle had completely changed Xiao moxue's view of Chen Xiaobei.

Originally, Xiao moxue only treated Chen Xiaobei as an ordinary person. If Chen Xiaobei lost, Xiao moxue would treat him as air and ignore him!

But now, Xiao moxue had already seen Chen Xiaobei's extraordinary strength, and she was very interested in him!

In this world, the strong were respected! Power was an eternal truth!

Chen Xiaobei had shown enough power that he had turned from an invisible person to a precious child that Xiao moxue wanted to raise!

From this, one could see how important power was to immortal cultivators!

All of a sudden, all 300000 people, including leader Wang and all the core elders, were looking at Chen Xiaobei with envy!

To be appreciated by Xiao moxue was like a Sparrow being supported by a giant bird. It could soar up to the sky in a matter of minutes!

Such a good thing could only be imagined in the dreams of the 300000 people present.

At this moment, the thing that everyone could only dream of, was actually happening to Chen Xiaobei!

Even elder Ming, who was watching from afar, nodded his head in excitement. "That's great! Chen Zhufeng has gained Xiao moxue's recognition. My strong recommendation from before was not in vain! We've finally taken a huge step towards revenge!"

However, under the envious gazes of the crowd and the excited anticipation of elder Ming, Chen Xiaobei said something that would shock anyone.

"Gu Liang, you're thinking too much!"

Chen Xiaobei raised his eyebrows and said, "I don't need your training, and I don't want to be your subordinate. If there's nothing else, I'll go back and continue fighting!"

what?????"

As soon as he said that, the entire place exploded.

Including Xiao moxue and elder Ming, the 300000 people present were completely stunned by Chen Xiaobei's words!

The 300,000 faces were all filled with shock!

No one would have thought that Chen Xiaobei would reject Xiao moxue! He had rejected the great opportunity to rise to the top of the world!

As the saying goes, a man can save twenty years of hard work if he marries a rich woman.

In everyone's eyes, if Chen Xiaobei could get Xiao moxue's recognition, he would be able to save a few hundred years of hard work!

But Chen Xiaobei did not even blink and rejected her outright!

The 300,000 Yuan surrounding Chen Xiaobei looked like they had been appreciated by Xiao moxue even in their dreams. How they wished they could rush up to the stage, hang Chen Xiaobei up, and beat him to death!

Even elder Ming wanted to beat Chen Xiaobei up!

Elder Ming had used his life as a guarantee to strongly recommend Chen Xiaobei in front of Xiao moxue. It was not easy for Xiao moxue to accept Chen Xiaobei, but this once-in-a-thousand-years opportunity was instantly rejected by Chen Xiaobei!

This scene almost made elder Ming vomit blood!

"Chen Zhufeng!"

Xiao moxue's brows were tightly knitted together. Her beautiful eyes were filled with surprise. "Do you know what you rejected?"

Chen Xiaobei grinned and said, "I'm a man, after all. It won't be nice if word gets out that you've taken me in! If you can't bear to part with me, you can join my harem. I don't mind taking you in!"

As soon as he said that, the crowd exploded!

Chapter 2636

2636 Two major realms

"Crazy! This Chen Zhufeng was a complete lunatic! You actually dare to say such words that don't know the immensity of heaven and earth!"

"Miss inksnow is the pride of Videha! Eight-star earth-god Realm! Although Chen Zhufeng can fight above his level, he is just an ant in front of miss inksnow!"

"Moreover, miss inksnow's pursuers are all the top young talents in the earth-god Realm! They're all devoted to miss inksnow, unlike Chen Zhufeng, who wants to take miss inksnow into his harem!"

"What you're saying is that Chen Zhufeng already has a wife, and miss inksnow can only be the mistress! This was too much! That's the most outrageous request I've ever heard in my life!"

“Everyone, calm down! How dare Chen Zhufeng say something like that! It was purely a fancy way of courting death! He’s definitely going to suffer today!”

All of a sudden, all 300000 people were ridiculing Chen Xiaobei.

After all, the 300000 people in the audience were like Xiao moxue’s super fans! Xiao moxue was his super idol!

Their idol was being teased by Chen Xiaobei, and they could not stand it!

Their angry gazes were all locked onto Chen Xiaobei, and the invisible flames seemed to be able to burn Chen Xiaobei into ashes!

Of course, Chen Xiaobei was on the grandstand with Xiao moxue, the chapter leader, and the 30 core elders present. They would take care of Chen Xiaobei!

The 300,000 people were not qualified to make a move. They could only focus their attention on one point and wait for Chen Xiaobei to pay for his outrageous words!

At the top of the zhaixing Pavilion.

Elder Ming wanted to punch Chen Xiaobei in the face. “You little brat! I guarantee with my life that I strongly recommend you! Not only did you reject Xiao moxue, you even dared to flirt with her! You’re asking for it ... Our plan is going to be completely ruined in your hands ...”

Obviously, anyone with eyes would know that Xiao moxue was at the top of the pyramid in Dongsheng!

Even if it was someone on the same level as Xiao moxue, she would not let it go, let alone Chen Xiaobei!

One must know that Xiao moxue was not only one of the top ten core disciples of Tianji city, but also the young master of the Xiao family of Dongsheng. Coupled with her beautiful appearance, even some people who were stronger than her would have to give in to her!

It was no exaggeration to say that ever since Xiao moxue became famous, she had never suffered any losses!

It was precisely because of this that she had a perfect image in the eyes of the world and was regarded as a super idol by the young men and women of the Dao faculty!

Chen Xiaobei’s teasing of Xiao moxue in front of everyone had naturally aroused the anger of the brainless fans!

As for Xiao moxue herself, she would not let Chen Xiaobei off so easily!

On the grandstand.

“You little brat! What nonsense are you spouting?”

Chapter leader Wang was like a loyal dog protecting its master. He jumped up and yelled at Chen, “Miss Inksnow is the most distinguished guest of our branch! You actually dare to speak rudely! Kneel down and apologize!”

At the same time, the surrounding core elders also stood up and shouted in exasperation.

“You little brat! If you want to die, don’t drag our division into this! If we offend miss inksnow, we will all be implicated by you!”

“Quickly kneel down! I beg miss inksnow to forgive you! Otherwise, we’ll never let you off!”

“You little brat! What are you still doing there? I told you to kneel! Can’t you hear me?”

The core elders were so angry that they surrounded Chen Xiaobei and forced him to kneel down and apologize.

Xiao moxue did not say a word. She just looked at Chen with her beautiful eyes.

All 300,000 people were pointing fingers at Chen Xiaobei. The chapter leaders and core elders were all pressuring Chen Xiaobei, some even threatening him.

However, Chen Xiaobei’s face was as calm as ever, as if the people around him were just air.

even in the face of a landslide, his expression didn’t change. What a strong state of mind!

Xiao moxue was slightly shocked. She waved her hand and said, ” “All of you, back off. I’ll settle my own matters!”

“Yes, sir ...”

Chapter leader Wang and the core elders cupped their hands and returned to their seats.

However, they still looked at Chen Xiaobei with disgust and hostility.

This was because Chen Xiaobei was a disciple of the Putuo territory branch. If this matter was not resolved properly, they would all be implicated by Chen Xiaobei.

The pressure from the headquarters and the Xiao family was enough to make them collapse.

However, Xiao moxue was not like what the others thought.

Xiao moxue did not show any anger at Chen’s teasing. She said calmly, ” “As the saying goes, you are proud of your talent! Chen Zhufeng, you are a talent. Of course, you have the right to be proud! But if you’re too arrogant, you might lose many opportunities and even get into big trouble!”

“I’m not a child anymore, I don’t need you to teach me how to be a human!”

Chen Xiaobei shrugged and said, ” “I know very well what I’m doing! Everything is under my control!”

“Are you sure?”

“I’ll take you in, ” Xiao moxue said calmly. you don’t have to fight anymore. You can leave with me safely! This is the best choice for you! If you reject me, you will face an opponent in the nascent Soul Stage! Could it be that you’re capable of fighting someone two levels above you?”

“Why can’t I?” Chen Xiaobei shrugged.

Xiao moxue was stunned when she heard that. Her pretty face was filled with surprise. “Are you really a lunatic? Even a three-year-old kid wouldn’t believe that he could fight someone two major realms higher than him!”

“Before I killed he Kuangshan, even a three-year-old kid would not believe in fighting someone one level higher than him! Isn’t it?”

this ... Xiao moxue’s expression froze and she was speechless.

Indeed, before Chen Xiaobei, no one had ever been able to fight someone one level higher than him. No one would believe that it was true.

But Chen Xiaobei had done it!

It was the same at this moment. No one believed that a battle that was two cultivation realms higher would happen!

But Chen Xiaobei had absolute confidence!

“Impossible ... This is absolutely impossible ...”

Xiao moxue composed herself and shook her head. “Chen Zhufeng, you’re strong, but there’s no way you can fight someone two levels above you! Don’t tell me it’s you! No one in the world can do that!”

“Why don’t we make a bet?”

“If I lose, you can do whatever you want with my life!” Chen Xiaobei grinned. But if I win, you have to agree to enter my harem and be my mistress!”

“You ...”

Xiao moxue was furious when she heard that. She said seriously, “Chen Zhufeng! You’re too insatiable! I’m not angry at you for your impertinent words! I didn’t expect you to still be so stubborn! Do you think I, Xiao moxue, am a vegetarian?”

“Bet or not, just one word!”

of course! Chen Xiaobei grinned. if you admit defeat, I promise I won’t force you!

Chapter 2637: might of a powerful enemy

“Admit defeat? I will never!”

Xiao moxue was really pissed off by Chen Xiaobei. She was a good-tempered girl, but now her aura was soaring. “I’ll bet with you! When you lose, I’ll castrate you with my sword! I don’t want you to harm other girls!”

“Pfft ...”

Chen Xiaobei was annoyed and said, “A woman’s heart is the most vicious! I was just joking with you, but you actually want to send me to the eunuch squad ... No matter what, I can’t lose this battle!”

“Hmph! I’m going to open my eyes wide and see how you win!”

Xiao moxue glared at Chen Xiaobei and said, “Branch leader Wang! Tell your personal disciple! We must win this battle!”

“Don’t worry, miss inksnow!”

“In Group Three, my second direct disciple, Cheng zhanhu, will be the last!” Chapter leader Wang said confidently. Not only is he in the early stage of the original level, but he has also cultivated a powerful battle technique. His primordial spirit attacks are also very powerful. There’s no way he can lose to Chen Zhufeng!”

“Alright!”

Xiao moxue nodded in satisfaction and said, “ as long as we defeat Chen Zhufeng, I will reward Cheng zhanhu handsomely and report him to the headquarters first. I will ensure that he has a bright future!

“Aiyaya! This is great!”

Hearing this, branch leader Wang was overjoyed. “I’m here to thank miss inksnow on behalf of Cheng zhanhu!”

As the saying goes, when one person achieves Dao, his chickens and dogs will rise to the heavens!

Chapter leader Wang was Cheng zhanhu’s master. If Cheng zhanhu’s future was boundless, then chapter leader Wang would more or less benefit from it. This was a great thing!

“Go!” Xiao moxue waved her hand.

“Yes, sir!” Chapter leader Wang immediately turned around and personally ran down the grandstand to personally remind Cheng zhanhu.

“Chen Zhufeng! Did you hear that?”

Xiao moxue’s beautiful eyes were filled with anger. She said in an unpleasant tone, “ “If you admit defeat now, I can still give you another chance!”

“Admit defeat?”

I’m sorry. I’ve never recognized a taxi in my life. I don’t know how to do it! Why don’t you admit it once and let me learn from you?”

“Bah! I, Xiao moxue, will never admit defeat!” I won’t admit defeat to a hooligan like you! Xiao moxue gritted her teeth.

“Ha, don’t be in such a hurry to scold me!” Chen Xiaobei laughed and said, “ “Maybe one day, you’ll fall in love with a stinky hooligan like me!”

“You’re so shameless!”

Xiao moxue’s pretty face turned black with anger. She said fiercely, “ “I promise, I will definitely turn you into a little eunuch! Let’s see how you’re going to continue acting like a hooligan!”

“Heh, you’re thinking too much! You don’t even have a chance! You’d better be prepared to be my second wife!” Chen Xiaobei turned around and walked down the grandstand.

“Bastard!” Xiao moxue stomped her feet in anger. If there were not 300000 pairs of eyes watching, she would have pounced on Chen Xiaobei and fought him.

Seeing this, the surrounding core elders all consoled him.

miss inksnow, don't be angry. That kid can't win!

"There's no suspense! If that brat can win, this old man will even kill himself!"

"If that kid wins! This old man will follow his surname! It's not a problem even if you call him daddy!"

.....

Xiao moxue's anger subsided a little and she said coldly, "Of course I know that it's impossible for him to win. Who in this world can fight someone two levels higher than him? That's pure nonsense!"

At the top of the zhaixing Pavilion.

Elder Ming's face was filled with shock. His three views and moral integrity were shattered to the ground.

"Chen Zhufeng! You little rascal, what are you trying to do?"

Elder Ming sighed helplessly. first, he rejected Xiao moxue. Then, he flirted with her. Now, he's even betting his life on her! Could it be as the old saying goes? The word "color" was like a knife! Chen Zhufeng, are you willing to give up everything for beauty?"

"This old man watched Cheng zhanhu grow up! A seven-star earth-god level battle technique at the early stage of the nascent soul realm, a seven-star earth-god level primordial spirit attack! You, Chen Zhufeng, are no match for any of them! We will definitely lose this battle ..."

Elder Ming shook his head with a bitter expression and sighed. "I thought I'd met a true ally, but I didn't expect it to be such an unreliable hothead! Forget it ... I'll have to rely on myself to take revenge ..."

.....

In the third arena.

"The third round of Group Three, the finals! Chen Zhufeng versus Cheng zhanhu!"

Following the judge elder's shout, the gazes of 300000 people in the stadium focused on him.

"Swish!"

In the blink of an eye, a figure appeared on the ring at a speed that was difficult to be seen by the naked eye.

This person was Cheng zhanhu!

With his cultivation at the early stage of the nascent soul realm, except for the big shots on the grandstand, the 300000 people around him could hardly see his movements!

At the same time, Chen Xiaobei was still walking up the stairs, step by step.

"Little brat! I really admire your courage!"

Cheng zhanhu glanced at Chen Xiaobei and said, "Originally, I saw that you were a talent, so I wanted to persuade you to surrender and work for me in the future! Unfortunately, you have offended miss inksnow. My master has ordered me to destroy your sea of Qi dantian on the stage, and then destroy all your bones!"

Chen Xiaobei did not say anything and just stood there.

"Don't blame me for being too ruthless. If you want to blame someone, blame yourself for being too arrogant!" Cheng zhanhu's eyes narrowed, and his true essence surged.

"Boom boom boom ..."

With a series of explosions, Cheng zhanhu's Thunder true essence extended and almost covered the entire ring.

Because of branch leader Wang's orders, Cheng zhanhu had used all of his strength without holding back!

150 million combat power in the early stage of the original level!

In an instant, thunder and lightning intertwined, dazzling and dazzling!

The huge Thunderbolts that looked like flood Dragons seemed to tear the space apart and blast all obstacles into ashes!

"My God ... So scary ... Is this senior brother Cheng's true strength? When I saw him attack in the past, he was far from having this kind of power!"

"It's too terrifying! I don't even dare to look directly at this lightning ... My eyes are almost Blinded by the Light ..."

"What is senior martial brother Cheng thinking? Wasn't it just to deal with a weak chicken? Why did he have to use all his strength? This is like using a dragon slaying knife to kill a chicken!"

"I'll do my best! Chen Zhufeng was killed in one hit! Who asked him to desecrate miss inksnow! He asked for this!"

The 300,000 people in the stadium exclaimed in shock! While they marveled at Cheng zhanhu's strength, they also looked forward to Cheng zhanhu teaching Chen Xiaobei a lesson!

I'm dead ... I'm really dead this time ... elder Ming's face was pale, and his eyes were filled with sorrow.

"Miss inksnow! Everything has been arranged!"

Chen Zhufeng! leader Wang said with a smile, "with this attack, Chen Zhufeng will be completely crippled! Miss inksnow can do whatever she wants!"

Xiao moxue's brows furrowed slightly. She felt a sense of loss in her chest. "It's such a pity to be crippled like this ..."

All of a sudden, everyone thought that Chen Xiaobei would lose.

However, what happened next made everyone's pupils shrink and their scalps tingle!

Red Envelope Group of the Three Realms

Chapter 2638: super strong body

Swoosh ... Swoosh ...

In the blink of an eye, tens of thousands of lightning bolts intertwined and twisted. Not only was it Cheng zhanhu's true energy, but there was also the subtle lightning element in the air that gathered.

The wind and clouds suddenly changed, and the sun turned dark!

the lightning at the core began to grow larger and larger. It was more than five thousand meters long and three hundred meters in radius.

At first glance, it was like a huge Lightning Dragon that looked down on all the living beings in the world. It could decide the life and death of the world with a single move!

"The nascent Soul Stage is indeed powerful!"

Chen Xiaobei exclaimed in admiration.

Of course, Chen Xiaobei was not afraid at all! He was still as calm as ever!

"It's useless even if you know how powerful it is!"

Cheng zhanhu sneered, " from the moment you flirted with miss inksnow, your fate was already decided! Even if you kneel down and beg for mercy, you can't change anything!"

"Kneel and beg for mercy?"

Chen Xiaobei laughed, " don't be so full of yourself! Since I dare to stand here, I have absolute confidence in defeating you!"

what???"

Cheng zhanhu was taken aback and asked in surprise, "You're still not going to admit defeat? You still want to defeat me? I'm afraid you're really a lunatic!"

"Cut the crap! Let's fight directly!"

Chen Xiaobei shrugged and said, " Whether I'm crazy or not, we'll know soon enough!"

"Good! Since you're looking for death! I'll fulfill your wish!"

Cheng zhanhu's eyes narrowed, and his battle intent suddenly boiled!

Cheng zhanhu raised his arms high, as if he was holding back the 5000-meter Lightning Dragon in the air!

He swung his arms forward and the lightning was drawn towards Chen Xiaobei like a dragon emerging from the sea!

"Go to hell! Idiot!"

Cheng zhanhu laughed coldly. He looked at Chen Xiaobei as if he was looking at an idiot.

How could there be someone in this world who wanted to fight someone two levels higher than him? This was simply courting death! Seeking death!

At that moment, not only Cheng zhanhu, but also Xiao moxue, chapter leader Wang, all the core elders, all the onlookers, and even elder Ming, all of them were certain that Chen Xiaobei would lose!

However, in the next moment, everyone was so shocked that their pupils shrank and their scalps went numb!

“Boom boom boom ...”

The 5,000-meter Thunder Dragon, with 150 million combat power, was coming at Chen Xiaobei with unstoppable force. It was determined to take down Chen Xiaobei with this one attack.

Facing this terrifying attack, Chen Xiaobei did not even try to defend himself.

To the crowd, Chen Xiaobei must have been scared out of his wits as he stood there in a daze. Was he waiting for death?

The lightning Dragon was right in front of Chen Xiaobei. It would only take a moment for the battle to end.

At this moment of life and death, Chen Xiaobei finally made his move!

He faced the sky and suddenly roared!

“Devour! Four! The sea!”

Dragon scales appeared on the lower half of Chen Xiaobei’s face, making him look like a purple-gold mask!

In Chen Xiaobei’s mouth, there were even dragon teeth! It was white, sharp, and glistening with cold light!

When Chen Xiaobei bared his teeth, he looked like a dragon that could swallow mountains, rivers, and seas!

“Hiss ...”

The next moment, the giant Thunder Dragon was sucked into Chen Xiaobei’s mouth by a mysterious force, as if it had fallen into an endless black hole!

The lightning Dragon was so fast that it disappeared into Chen Xiaobei’s air in just two seconds. It was as if it had never been there, leaving no trace!

“This ... This, this, this ...”

Seeing this scene, everyone present was shocked to the core! His pupils contracted uncontrollably! His mind went blank! Cold sweat poured down like rain! His scalp went numb!

They would never have imagined that Chen Xiaobei would be able to take a full-force attack from a nascent soul cultivator!

Devouring true essence!

No one had ever seen or heard of such a strange thing!

Everyone's heart was hit by the strong impact of the nuclear explosion. Their three views collapsed, and they even wondered if it was an illusion!

"It's so cool to have a strong physical body!"

Chen Xiaobei grinned. He was in a very good mood.

If Chen Xiaobei did not have the support of his physical body, the four Seas would only be able to absorb a small portion of the enemy's power, and the master-protecting puppet would have to take the rest of the power! If he swallowed the excess energy, Chen Xiaobei's body might even explode and die!

But now, Chen Xiaobei already had an early stage nascent soul physical body, with a physical strength of 150 million!

Because of this, even if Chen Xiaobei swallowed the entire Thunder Dragon that Cheng zhanhu had transformed into, there would not be any adverse effects!

In fact, when he was fighting he Kuangshan, Chen Xiaobei had also relied on his physical body!

Chen Xiaobei's combat power was 37 million! After using the primordial Witch King combat enhancement training manual, he had reached 48.1 million! He had only managed to defeat he Kuangshan with 50 million combat power after using the ten thousand beast astral battle technique to increase his combat power!

Without the support of his physical body, Chen Xiaobei would not have been able to unleash such a powerful force, and naturally, he would not have been able to defeat he Kuangshan!

The reason why Chen Xiaobei dared to bet with Xiao moxue was because his strong physical body was his biggest trump card!

Even if he had to fight someone two realms higher, it would definitely not be a problem!

"Defy! Cang! Heavens!"

Chen Xiaobei did not waste any more time and let out another roar.

Suddenly, a purple-gold spiritual light burst out from Chen Xiaobei's back!

In the blink of an eye, the Dragon scales had covered Chen Xiaobei's back!

Dragon fins as sharp as blades grew out of Chen Xiaobei's spine!

"Swish!"

Then, the Dragon fin on Chen Xiaobei's back suddenly lit up like a rocket, and a powerful force burst out!

Chen Xiaobei's entire body was pushed forward by the powerful force behind him!

At that moment, most of the people in the audience could not see Chen Xiaobei's movements!

Only a handful of people above the nascent Soul Stage could see that Chen Xiaobei was now using a speed of 150 million combat power!

That's right!

This was the effect of the combination of devouring Four Seas and against the heaven!

Devouring Four Seas had devoured Cheng zhanhu's power, and heaven-defying had used this power to turn it into Chen Xiaobei's power!

"Oh my God ... Am I dreaming? How could that brat have the strength and speed of a nascent Soul Stage cultivator?"

Cheng zhanhu took a deep breath and immediately used his ethereal force to weave a lightning net in front of him to block Chen Xiaobei!

"Stop struggling! You've already lost!"

At the same time, Chen Xiaobei was already rushing toward them!

Behind him, the purple-gold spiritual light expanded to three thousand meters. It was like a pair of giant wings of a God, crossing the space in a spectacular way!

In front of him, a fist was thrown out, shattering the sky and earth!

[Red Envelope Group of the Three Realms](#)

Chapter 2639: paling in shock

"Swish!"

Chen Xiaobei's punch was boosted by his 150 million combat power and his own combat power!

Chen Xiaobei's fist was now stronger than Cheng zhanhu's!

The result was obvious!

Chen Xiaobei's fist landed on the lightning net and it was instantly shattered. It did not have any defensive effect at all!

"Blargh! Pfft ..."

Chen Xiaobei's fist landed squarely on Cheng zhanhu's face.

He spat out a mouthful of blood! Cheng zhanhu was directly sent flying a hundred meters away!

A large pit was smashed into the ground. Cheng zhanhu fell into the pit, twitching twice before his eyes rolled back and he fainted!

One punch!

Chen Xiaobei had killed his opponent with just one punch!

And this time, the opponent was at the early stage of the original level, much stronger than the previous Jindan stage opponent!

With this punch, the enemy was knocked unconscious. Chen Xiaobei had won!

At the same time, everyone at the scene felt as if they had been struck by lightning. As if they had been hit by a petrifying spell, they froze on the spot, their scalps numbing, their pupils contracting, and their hearts depressed!

Without a doubt, Chen Xiaobei's punch was a heaven-defying move in the eyes of the crowd!

If they didn't see it with their own eyes, no one would believe it even if they were beaten to death!

"Oh my God ... No wonder Chen Zhufeng dared to flirt with miss inksnow! It turns out that the strength he possesses is so terrifying!"

"This isn't a matter of strength! The main point was talent! To defeat someone two realms higher! No one under the heaven realm could do it! Just based on this, Chen Zhufeng is the number one genius in the human world!"

"That's right! Chen Zhufeng was only at the divine sea realm. If he was allowed to grow, he could even fight against a heaven immortal with his earth level deity body! That's the real cool and crazy!"

"Maybe miss inksnow will really be willing to enter Chen Zhufeng's harem! After all, you can't find another genius like Chen Zhufeng in the human world!"

"You're right ... In the long run! Chen Zhufeng had a lot of room for growth and a bright future! If you follow Chen Zhufeng now, you'll definitely benefit a lot in the future!"

.....

All of a sudden, the 300000 people on the scene burst out in unprecedented and intense exclamations.

Chen Xiaobei's display of strength had completely shocked them, and they were convinced of Chen Xiaobei's strength from the bottom of their hearts.

Moreover, almost everyone had acknowledged that Chen Xiaobei was the number one genius in the human world.

Some of them even began to think that Xiao moxue would really follow Chen Xiaobei.

At the top of the zhaixing Pavilion.

Elder Ming was dumbfounded. His eyes were as wide as a bull's, and his mouth was open so wide that a fist could fit in. However, he couldn't say anything for a long time.

Just a moment ago, elder Ming was so angry at Chen Xiaobei that he wanted to beat him up. He even sighed and gave up on Chen Xiaobei as an ally!

At this moment, the result of the battle was like a terrifying nuclear explosion. It gave elder Ming an unprecedented shock!

Elder Ming finally realized that Chen Xiaobei was an anomaly that could not be measured with common sense!

There were only things in the world that people could not think of, but there was nothing that Chen Xiaobei could not do!

Elder Ming had finally confirmed that Chen Xiaobei was his best ally. Only by joining forces with Chen Xiaobei could they realize their plan and seek justice for the two Blood Wars that had happened 3000 years ago!

From this moment on, no matter what happened, elder Ming and Chen Xiaobei's determination to form an alliance would not be shaken!

From this moment on, elder Ming was willing to trust Chen Xiaobei unconditionally! They were even willing to listen to Chen Xiaobei's orders!

.....

On the grandstand.

Chapter leader Wang and all the core elders were dumbfounded.

All of them were dumbstruck as they stood rooted to the ground, their three views shattered and their expressions twisted as if they had seen a ghost.

At the same time, their faces were red and hot, as if they had been slapped by invisible hands.

A moment ago, they had been pressuring Chen Xiaobei under the leadership of faction leader Wang. Faction leader Wang had even ordered he Kuangshan to destroy Chen Xiaobei's sea of Qi dantian and disable the seal on Chen Xiaobei's body!

However, when the battle ended, Chen Xiaobei was unharmed while he Kuangshan was sent flying with half of his face disfigured!

At this moment, the reality in front of them turned into a series of invisible slaps. It was a series of violent slaps. Chapter leader Wang and the core elders were all red in the face. They were so embarrassed that they wanted to find a hole to hide in.

how ... How is this possible?!

Of course, Xiao moxue was also slapped in the face.

This girl wanted to see Chen Xiaobei lose, and she even wanted to send him to join the eunuch team.

However, Chen Xiaobei ended the battle with a single punch, and Xiao moxue was slapped in the face!

She did not see Chen Xiaobei lose, let alone sending him to join the eunuch team. In the end, she even lost to Chen Xiaobei!

"Swish!"

Chen Xiaobei took a step forward and used the remaining power of heaven-defying to rush to the grandstand.

When the purple-gold dragon scales disappeared, Chen Xiaobei looked at Xiao moxue and said, "Little wife! You've already lost!"

I ... Xiao moxue's pretty face turned dark. She was so depressed that she wanted to die, but she could not refute.

This bet was set in front of 300000 people! Xiao moxue's status was high and she had a perfect image. She would never refuse to admit defeat!

But if she admitted defeat, Xiao moxue would have to admit that she was Chen Xiaobei's mistress!

Without a doubt, if this kind of thing were to spread, it would also destroy Xiao moxue's perfect image!

For a moment, Xiao moxue was in a dilemma.

However, not long after, Xiao moxue's clear and beautiful eyes suddenly turned slyly, as if she had come up with a wicked idea.

"Good! I'm willing to accept my loss!"

Xiao moxue openly admitted, " "From today onwards, I will be joining your harem! I hope you won't admit defeat!"

"Admit defeat?" "Didn't I already tell you?" Chen Xiaobei laughed. I've never admitted defeat!"

"Hehe, I hope you can maintain your confidence!" Xiao moxue was a smart girl. She would not let herself be taken advantage of. Since she had promised Chen Xiaobei, she must have thought of a way to save her image!

Of course, Chen Xiaobei was not one to be taken advantage of!

Chen Xiaobei walked over and placed his hands on the arms of Xiao moxue's chair. He leaned forward and almost touched her face!

you ... What do you want to do?!

Xiao moxue's body stiffened, and her face turned pale with shock.

you're my mistress! I'll give you a kiss first! That's not too much, is it? "

Chapter 2640

2640 She's different

"What? Give me a kiss?"

Xiao moxue's expression changed as if she had been struck by lightning.

Xiao moxue had never even held hands with a boy before. How could she accept being kissed?

"I'll beat you to death, you damn hooligan!"

Like an angry kitten, Xiao moxue raised her hand and slapped Chen Xiaobei's face.

Chen quickly reached out and grabbed Xiao moxue's wrist, preventing her from slapping his face.

Of course, at that moment, Xiao moxue's mind was in a mess. The slap was completely out of her instinct. She did not use any ethereal force. That was why Chen Xiaobei had caught her wrist.

If that was not the case, Chen Xiaobei would have been killed by the slap from the eight-star earth-god!

"You hooligan! Let me go!"

Xiao moxue was extremely angry. She was so angry that she wanted to kill someone.

But strangely, Chen Xiaobei was holding onto Xiao moxue's hand, almost touching her face. A strange feeling surged in her heart, making Xiao moxue's already chaotic thoughts even more untightly.

Chen Xiaobei's face was very handsome, and his dark eyes were like bottomless black holes, as if they could suck people's souls in!

Xiao moxue only knew that stinky men would lose their minds when they saw her beauty. She did not expect that she would lose her mind when she looked at Chen Xiaobei's face!

Was she bewitched by Chen Xiaobei's manly charm?

Thinking of this, Xiao moxue's cheeks burned and her heart beat wildly. Her little head went blank and she almost forgot who she was. What was he doing?

As for using his true energy, Xiao moxue had completely forgotten about it!

"As the mistress, how can you hit me?"

Chen Xiaobei grinned and said, "You can only touch me gently, just like this!"

Chen Xiaobei grabbed Xiao moxue's wrist and placed her little hand on his cheek.

At that moment, Xiao moxue was in a dazed state. Her mind was blank.

But in the eyes of the 300000 people, Xiao moxue was gently caressing Chen Xiaobei's cheek.

They were a perfect couple, and they were a harmonious couple. Almost everyone present believed that Xiao moxue had accepted Chen Xiaobei and officially confirmed their relationship.

"Chen Zhufeng! Can you not be so heaven-defying? Not only did he win against those two cultivation realms higher than him! And he even captured the heart of the goddess of joy in an instant! You're the real winner in life!"

"Chen Zhufeng! You're simply crazy, cool, and explosive! I'm convinced! I'm sincerely convinced!"

"Chen Zhufeng! From today onwards, you're my idol! I want to learn from you! I'll strive to defeat the enemy as soon as possible, marry the goddess, and set foot on the peak of my life!"

A burst of exclamations erupted from the crowd.

The 300,000 ordinary disciples were once again shocked by Chen Xiaobei's actions. A large portion of them had even become Chen Xiaobei's die-hard fans! He was in awe of Chen Xiaobei!

"What?"

Xiao moxue was disturbed by the noise and finally came back to her senses. She screamed, "Chen Zhufeng! What are you doing? Why are you holding my hand? Do you believe I'll beat you to death!"

Chen Xiaobei quickly let go and smiled evilly. you were the one who touched my face just now and said you wanted to do something embarrassing with me. Why did you turn against me so quickly?"

"What? I touched your face? Want to do something embarrassing with you? You're bullshitting ... Huh?" Just as Xiao moxue was about to curse, she suddenly realized that one of her small hands was really touching Chen Xiaobei's face.

The main point was that Chen Xiaobei was still leaning over Xiao moxue on the chair. The two of them were almost touching.

That scene was as ambiguous and embarrassing as it could get.

I ... Why would I do such a thing!? Xiao moxue quickly retracted her hand. She was dumbfounded and even began to doubt her life.

She had never even held a boy's hand before, so why was she so proactive today? This didn't make sense!

"Cough cough ..."

At this moment, branch leader Wang interrupted him with an apologetic expression, "miss inksnow, although I don't want to interrupt your fun ... The competition is over. Why don't you announce the result first before you continue with Chen Zhufeng?" the young man asked.

"Grand competition? That's right! I still have important matters to attend to!" Xiao moxue was stunned and pushed Chen Xiaobei away.

Chen Xiaobei had already gained a huge advantage, so he would not push his luck. He took a step back and left the grandstand.

Xiao moxue and branch leader Wang had a simple conversation. They basically had no different opinions.

"I declare! The final winners of this competition are ..."

Xiao moxue walked to the front of the stage and announced loudly, "Group One, Zhao tianzhe! Group two, Jun Yunqing! Group Three, Chen Zhufeng!"

When she said the name 'Chen Zhufeng', Xiao moxue couldn't help but emphasize it.

Thinking of that stinky hooligan, Xiao moxue clenched her teeth in hatred. It was as if her eyes were about to burst with anger!

Of course, Xiao moxue was an upright person. She would not forget her work for personal reasons!

Work must be done well, and personal grudges must be avenged in the future!

“I will report the name list of the three winners to the headquarters! The headquarters would make a final review based on the relevant information! If there’s no problem with the assessment, you can be promoted to a member of the Pearl Hall!”

there’s another reason, ” Xiao moxue said in a deep voice. the reason why the competition was held at the last minute is that the Pearl Hall needs a large number of people to explore an ancient ruin! We will set off immediately after we pass the examination. Please make your preparations!”

With that, Xiao moxue tapped the ground with the tips of her toes and flew into the air. In the blink of an eye, she disappeared from everyone’s sight.

After what had just happened, she had no face to stay.

At the top of the zhaixing Pavilion.

Chen Xiaobei hopped on and walked towards elder Ming.

After Chen Xiaobei’s display of power in today’s battle, a large group of bootlickers were ready to surround Chen Xiaobei.

Only the top of the zhaixing Pavilion would not be disturbed.

“Elder Ming, my performance wasn’t bad, right?” Chen Xiaobei asked with a smile.

Elder Ming pointed at his forehead and said awkwardly, ” “I’ve never had so much cold sweat in my life! It’s all because of you!”

everything is under my control. I don’t see anything that’s scary ... Chen Xiaobei said.

I have nothing to say about the previous two battles. Your talent is amazing, and you won beautifully!

“But in the end, you actually dared to touch Xiao moxue!” Elder Ming said. It really made this old man break out in a cold sweat! This old man was afraid that she would turn you into meat paste with one palm! Don’t you know that in your heart?”

“If it was any other woman, I would definitely not dare to do this!” I don’t think so! Chen Xiaobei shrugged. but Xiao moxue is different!

“What’s different about her?” Elder Ming asked in confusion.
