Red Envelope Group of the Three Realms

Chapter 2651: foolish idiot

“Soul-hunting? It sounds very powerful!”

The waiter’s eyes brightened. He surrounded the little bug that looked like a red fire seed and looked left and right, up and down, extremely curious.

“Hahaha!”

Soul Hunter couldn’t help but laugh, “second brother!” I’m an invincible bull locket!”

“What? You’re the invincible bull locket?”

The waiter was shocked and puzzled, “How did you end up like this? Not only did you change your appearance, but even your essence has changed. I feel like you’re no longer an ordinary insect!”

bro bei used the witch race’s Secret technique to change my nature!

I’m a witchcraft spell now, ” Soul Hunter said excitedly. I’m very different from ordinary insects. The point is, I have a new super strong ability!

“A new ability?”

Xiao ‘er was a little surprised and asked, “bro bei!” Are you planning to use your new soul hunting ability to capture beiming Zhenfeng?”

“Yes, I am!”

yes! Chen Xiaobei nodded. just like you said, my strongest card, the pinnacle infinite sword formation, can’t capture beiming Zhenfeng. But, my new soul-hunting ability can!

One must know that the “ pinnacle infinite sword formation ” could only exert the power of a seven-star earth-god, and it was impossible to subdue beiming Zhenfeng in one strike. Instead, it would attract the other old guys.

If that was the case, Chen Xiaobei would be surrounded by six seven-star earth-god level cultivators. The pinnacle infinite sword formation would be broken and Chen Xiaobei would die.

The birth of soul Hunter could help Chen Xiaobei solve this problem and capture beiming Zhenfeng!

“I’m looking forward to it! I really want to see the new ability of soul hunting!” The waiter said impatiently.

“Let’s go! Let’s go and arrest him now!” Chen Xiaobei grinned and took out a high-tier prosperous monkey fur. “Watch my 72 transformations! Huu ...”

Chen Xiaobei blew on the fur and activated the high-tier prosperous monkey fur’s power, turning Chen Xiaobei into a small flying insect.

.....

Under the ice.

Chen Xiaobei activated his golden gaze fiery eyes and observed the cave that beiming Zhenfeng was digging.

The waiter was in charge of opening a path, crushing the hard ice with his teeth, and taking a shortcut to block beiming Zhenfeng.

Soul Hunter adjusted his state of mind and prepared his Esper ability, preparing to deliver a fatal blow to beiming Zhenfeng!

"That's strange ... Why is it that the deeper I dig, the higher the temperature is? Where did the terrifying extreme cold from earlier go?"

Beiming Zhenfeng used his Zhen Yuan to quickly dig down, while feeling puzzled by the change in the surrounding temperature.

He did not know that Chen Xiaobei had already taken the 10000-year-old ice soul. Therefore, the temperature of the entire space had started to rise.

"Something's wrong! There's something strange about this!"

Of course, beiming Zhenfeng was not stupid. The deeper he dug, the more he felt that something was wrong. "The 10000-year-old icesoul is very spiritual. Not only has its temperature risen, but I can't even feel its spiritual nature! Could it be that the ten-thousand-year-old ice soul has already been taken by someone else?"

With this in mind, beiming Zhenfeng took out his phone and planned to ask the other five old men if they had succeeded.

"What?"

Just as he was dialing the number, beiming Zhenfeng suddenly felt an itch on the back of his neck.

"Argh! What the hell is that?"

Beiming Zhenfeng didn't pay much attention to it at first, but in the next moment, he felt a tearing pain in his skin!

His skin had been torn apart by something!

What was even more terrifying was that the thing went straight through the hole and into beiming Zhenfeng's flesh!

"Uh! Ah ... It hurts!"

Beiming Zhenfeng was in so much pain that he gritted his teeth and said in shock, "My physique has reached the seven-star earth-god level, and my skin and muscles are comparable to seven-star dark steel! What was it? It actually injured me in an instant ... Furthermore, it's tearing apart my muscles and digging deeper into my body ..."

"Whoosh ..."

Right at this moment, a strange spiritual fluctuation was felt. Then, a young Man in Black appeared beside Beiming Zhenfeng.

“Chen ... Chen Zhufeng? How could it be you!”

Beiming Zhenfeng sucked in a breath of cold air. His pupils couldn't help but contract, and his body trembled violently. His heart almost jumped out of his throat.

Without a doubt, Chen Zhufeng was a terrible nightmare for The Six Forces!

In the past, as long as they fought with Chen Zhufeng, the six major forces would be trampled on and suffer great losses.

As a result, Chen Zhufeng's name had caused a huge psychological shadow in the hearts of the people from The Six Forces!

Whenever Chen Zhufeng's name was mentioned, the six major forces would turn pale and be filled with fear!

“Whoosh ...”

Beiming Zhenfeng was also a man who had experienced many storms and waves. Although he was scared, he was not so scared that he would admit defeat on the spot!

Beiming Zhenfeng immediately activated his seven-star earth-god ethereal force, ready to fight Chen Xiaobei to the death!

“Don't be in such a hurry to attack!”

Chen Xiaobei was not afraid at all. “Don't you want to ask what was it that got into your body? What effect will it have on you?”

“This ...”

Beiming Zhenfeng's expression froze for a moment, and he sucked in a cold breath again. The intense Zhen Yuan in his body also weakened a lot, “Did you get that thing? What ... What is that?”

All of a sudden, the fear in Beiming Zhenfeng's heart deepened!

Shen gongpao had already told them that Chen Xiaobei had the support of a sky immortal and had a lot of strange cards up his sleeve! Once they were hit, they would probably lose their lives!

When he realized that the thing that had entered his body was Chen Xiaobei's doing, Beiming Zhenfeng's heart turned cold!

“I've planted a soul hunting flag in your body!”

Chen Xiaobei raised his eyebrows and said, “As long as I give the order, it will suck your blood dry and turn you into a dried corpse!”

“Sucking blood?”

Beiming Zhenfeng's expression froze for a moment, but then he let out a sigh of relief and sneered, "Chen Zhufeng! You can't possibly think that you can deal with this old man like this, right?"

Chen Xiaobei raised his eyebrows and asked, "What's wrong? Do you really think you can escape from my Five Finger Mountain?"

"Hahaha ... Chen Zhufeng! I really didn't expect you to be such a stupid idiot!"

Beiming Zhenfeng laughed, "I've reached the seven-star earth-god Realm! I've completed my nascent soul realm and my Dharmakaya realm! Even if your venomous insects drain my blood essence, I can still fight you with my Dharmakaya! As long as this old man holds you back, the other five clan leaders will arrive and you will lose without a doubt!"

"Heh, I think you're the stupid idiot!"

Chen Xiaobei's lips curled into a devilish smile. "My Gu worm is called Soul Hunter, do you think it only knows how to suck blood?"

this ... darknorth Zhenfeng's expression froze, and his heart instantly tightened, "it ... What else can it do?!"

Red Envelope Group of the Three Realms

Chapter 2652: Dark Dragon tomb

"Since you're asking so sincerely, I'll be kind and tell you!"

Chen Xiaobei raised his brows and smiled evilly. "Soul hunting! As the name suggests, this type of witchcraft will prey on your soul! I will capture your soul! As long as I give the order, it can make your soul scatter and scatter, never to reincarnate!"

how ... How is this possible?!

Beiming Zhenfeng shook his head, "no!" You lied to me! There was no such thing in the world! Only the god of death could kill souls! What bullshit witchcraft spell! Don't give me that! I'm not a three-year-old kid! You can't scare me!"

"It seems that you won't shed tears until you see your coffin!" Chen Xiaobei raised his eyebrows and sneered.

"Hmph! You're more cunning than a Fox! This Bullsh * t soul hunting, you're making it up! Are you trying to scare me? Do you think I'm scared of you?"

"My soul is in my nascent soul, and my nascent soul is in my dharma body!" Beiming Zhenfeng said coldly. At the same time, my nascent soul and Dharmakaya have both reached great success! Don't tell me that your witchcraft spell can't hunt souls! Even if I can, I won't be able to break through the double protection of the nascent soul and the Dharmakaya!"

"Since you don't believe me, I'll have to let you experience it for yourself!" Chen Xiaobei raised his hand and snapped his fingers.

“Pretentious! I don’t believe in this!” Beiming Zhenfeng glared at Chen Xiaobei, certain that he was just bragging.

“Uh ... Uh! Ah ...”

However, before he could finish his words, beiming Zhenfeng screamed out in pain. He clutched his dantian tightly with both hands, feeling that the most important part of his body was about to explode!

“It hurts ... It hurts so much ... Ugh ...”

The dantian was the most important part of a cultivator’s body. It was also where the Dharmakaya and the nascent soul were located!

At this moment, beiming Zhenfeng let out a hysterical scream. The veins on his forehead popped out, and his body trembled violently. Cold sweat poured down his face like rain!

It looked like it was a thousand times more painful than a woman giving birth!

However, only beiming Zhenfeng knew that the pain was not physical, but spiritual!

Beiming Zhenfeng could clearly feel that his seven-star earth-god level dharma body was being torn apart by a terrifying force!

Then, the force went deeper and tore the nascent soul apart. It drilled into the nascent soul and into the core where the soul was!

This feeling was the same as just now! His skin had been bitten open by something, and that thing tore his flesh apart, all the way to the core of his sea of Qi dantian!

Of course, the pain just now was all physical pain! Beiming Zhenfeng could endure it! Because even if he abandoned his physical body, he could still live! Therefore, he didn’t need to worry too much about the physical pain!

However, the pain at this moment was mental pain! Beiming Zhenfeng couldn’t tolerate it because he couldn’t give up his dharma body and nascent soul!

Without the nascent soul and the Dharmakaya, the soul would have no sustenance, and the person would become a ghost and fall into the reincarnation of the earth! The power, status, glory, and wealth of this life would all vanish into thin air, not a single bit would be taken away!

However, what was even more terrifying was that at this moment, beiming Zhenfeng didn’t even have the chance to give up his Dharmakaya and nascent soul!

If he abandoned his Dharmakaya and Yuanying, he could at least enter the Earth and be reincarnated!

But now, beiming Zhenfeng’s soul had been captured by Soul Hunter. Chen Xiaobei could destroy his soul with just one order!

Once the soul dissipated, the person would completely disappear from the three worlds and six paths, and the chance of reincarnation would be completely lost!

Obviously, at this moment, beiming Zhenfeng was in a state where he could neither live nor die!

There were only two choices in front of him. One was to obey Chen Xiaobei and live on! Or resist Chen Xiaobei, and her soul would be destroyed and she would disappear completely!

Other than that, there was no third path for beiming Zhenfeng to choose!

“Plop ...”

After holding on for less than ten seconds, beiming Zhenfeng directly knelt on the ground.

“Chen Zhufeng ... No... Childe Chen! I beg you to spare my life ...”

“I know I’m useful to you ... Otherwise, you wouldn’t have said so much to me ... As long as you let me go, I’m willing to be your dog ... I’ll do whatever you want me to do!” Beiming Zhenfeng pleaded.

As the old saying goes, the more powerful a person is, the more afraid he is of death!

The emperors in ancient times all wanted to live forever. To put it bluntly, they were reluctant to lose the power, status, and wealth they had!

As the leader of a major force, beiming Zhenfeng’s status was extremely high, and he was rich!

After working hard for his entire life and going through countless hardships, he finally had these things. How could he be willing to let go of everything and die in peace?

He was afraid of death! Because he couldn’t bear to die!

Moreover, even if he wanted to die, he didn’t have the chance!

If he did not submit to Chen Xiaobei, his soul would be destroyed. That would not be called death, it would be an absolute disappearance! There was no chance of turning things around!

Because of that, beiming Zhenfeng had no other choice but to surrender and be Chen Xiaobei’s dog!

“At least you know what’s good for you!” Chen snapped his fingers again.

Then, the soul Hunter calmed down and stopped tormenting beiming Zhenfeng’s Dharmakaya and nascent soul.

Hu ... the pain disappeared, and beiming Zhenfeng heaved a sigh of relief. He wiped the cold sweat off his forehead and sat on the ground weakly.

“Tell me, where did your beiming family get this?”

Chen Xiaobei took out the special black beast bone from his infinite space ring and asked.

Beiming Zhenfeng’s expression changed slightly, and he seemed a little hesitant.

“Think clearly before you speak! Don’t play any tricks!”

the soul Hunters Association is still inside your body! If you want to harm me, even if I die, the soul Hunters will destroy your soul! Chen Xiaobei said.

“I don’t dare, I don’t dare ... Even if you lend me 10000 guts, I wouldn’t dare to harm you ...”

Beiming Zhenfeng swallowed his saliva and said in a deep voice, " "This beast bone was found by my beiming family's ancestor when he was traveling in Northern kuruzhou! It's said that it came from the Obsidian Dragon tomb!"

"Northern kuluzhou? The Obsidian Dragon tomb?" Chen Xiaobei was 70% convinced.

After all, the Black Beast bone was tainted with the darkness Demon Dragon's aura! If beiming Zhenfeng was making it up, there wouldn't be such a coincidence!

"Young master Chen ..."

Beiming Zhenfeng swallowed his saliva and said, " "I'm telling the truth! I still want to advise you! Don't ever go to that place!"

"Why don't you go?" Chen Xiaobei asked.

"Didn't you just say it?" beiming Zhenfeng asked, embarrassed. If you die, my soul will also be scattered! I don't want you to go, because I'm afraid you'll die there ..."

"Dead?"

Chen Xiaobei narrowed his eyes and asked, " "What is that place? Why did I die there?"

[Red Envelope Group of the Three Realms](#)

Chapter 2653: solitary trampling the heavens

A grave, a high grave!

The so-called Dragon tomb was the tomb of a true dragon!

Even if he used his toes to think, he knew that the dark Dragon tomb was no ordinary place!

However, Chen Xiaobei did not understand. If it was a Dragon tomb, it meant that the real Dragon was dead. Even if there was danger, it should be fatal!

"Young master, don't you know?"

Beiming Zhenfeng looked at Chen Xiaobei in surprise and said, " "The Obsidian Dragon tomb is one of the seven forbidden places in the earth-god Realm! Even a peak earth level deity would die if they went in!"

"What!"

Chen Xiaobei frowned and said, " "The Obsidian Dragon tomb is one of the seven forbidden grounds! It seems like I really can't go!"

One must know that the seven forbidden places in the earth-god Realm were the most terrifying Places under the heaven realm! Not to mention ordinary people, even the top ten forces in the earth-god Realm didn't dare to enter! They didn't even dare to get close!

Chen Xiaobei had heard of the endless Dead Sea before!

The 9,999 evil bone ghosts that were sealed in the spirit condensing space had escaped into the endless Dead Sea!

Chen Xiaobei had always wanted to capture those evil spirits and use them to make a super magical treasure with the blood God's deity-killing painting!

Unfortunately, because the endless Dead Sea was too terrifying, this plan had never been carried out!

Chen Xiaobei did not expect the Black Beast bone to come from another forbidden area!

Chen Xiaobei's plan to strengthen the Dragon's edge would have to be put on hold!

After all, with Chen Xiaobei's current strength, he was not strong enough to fight against any of the top forces. Even the top ten forces did not dare to enter the seven forbidden grounds. No matter how powerful Chen Xiaobei was, he would not take such a risk!

If he were to lose his life, all of Chen Xiaobei's other important plans would be for naught!

Chen Xiaobei knew what to do!

He would unify Jambu, unify the earth-god Realm, ascend to the heavenly realm, revitalize the tribe of severity, become a saint, and pass the infinite tribulation!

This series of plans was what Chen Xiaobei had to do!

Chen Xiaobei could not risk his life for the Dragon's edge!

"The Obsidian Dragon tomb ..."

Chen Xiaobei thought to himself, "I definitely can't go now, but I can ask immortal Dugu Zang and make some preparations this morning. It won't be too late to go when the time is right!"

"Young master Chen ... You ... Who did you say you wanted to ask?" Beiming Zhenfeng swallowed his saliva, his eyes wide open.

"Immortal Dugu Zang!" "She's my ally!" Chen Xiaobei said.

Obviously, Chen Xiaobei had mentioned Dugu Zang Xian on purpose to intimidate Beiming Zhenfeng and make him more fearful. Only then would Beiming Zhenfeng be more loyal!

After all, soul hunting wasn't like heavenly dog food, and it couldn't guarantee Beiming Zhenfeng's 100% loyalty.

That was why Chen Xiaobei wanted to intimidate Beiming Zhenfeng whenever he had the chance, to make him loyal to him!

"Oh my God ... Immortal Dugu Zang is actually your ally ..."

As expected, Beiming Zhenfeng's jaw dropped. He swallowed his saliva and looked at Chen Xiaobei with respect. Even his voice was trembling!

This was not strange at all!

One had to know that dugu zang Xian was the master of nine nether platform, one of the top ten forces! They had over ten thousand main cities under them! Any random city Lord would be much more powerful than beiming Zhenfeng!

Moreover, dugu zang had the heaven immortal tool, the universe dark seal, and his cultivation base was at the peak of the earth immortal realm. He could crush beiming Zhenfeng to death ten thousand times with just a casual move of his finger!

That was why when Chen Xiaobei mentioned dugu zang Xian, beiming Zhenfeng was so frightened that he would not dare to be disloyal to Chen Xiaobei no matter how bold he was!

Unfortunately, the high-tier heavenly dog biscuit could only be used on people below the seven-star earth-god level. Otherwise, Chen Xiaobei would not have to go through so much trouble and use immortal dugu zang to intimidate beiming Zhenfeng!

However, what Chen Xiaobei did not expect was that his mention of dugu zang Xian had turned the situation around!

“Young master Chen!”

Beiming Zhenfeng calmed himself down and said, “If immortal dugu zang is really your ally! You might even have a chance to enter the dark Dragon tomb!”

“Why?” Chen Xiaobei’s eyes lit up. “Could it be that immortal dugu zang is related to the Darkshadow Dragon tomb?”

“That’s right!”

of course! beiming Zhenfeng nodded and said, “dugu zang Xian’s father, the previous sacred Lord of the dark seal, dugu Tatian, once entered the dark Dragon tomb and came out alive!”

“This is great!”

Chen Xiaobei was surprised. “Immortal dugu zang’s father entered the Obsidian Dragon tomb and came out alive! As long as I can get his help, my plan can be carried out!”

“Uh ... Young master Chen, don’t tell me you don’t know?” Beiming Zhenfeng swallowed his saliva and said awkwardly, “Dugu Tatian is dead ...”

“What!” Chen Xiaobei frowned and said, “How could such a super expert die?”

“I don’t know the exact situation ...”

“However, there’s a well-known saying in the earth-god Realm that dugu Tatian did something that went against the heavenly Dao and was punished by the heavens. He was struck by lightning and died ...”

“There’s such a saying?”

Chen Xiaobei asked, “Does immortal dugu zang have any other family members?”

Beiming Zhenfeng shook his head. No... After dugu Tatian's death, countless people were fighting for the Dark Universe seal. The dugu family was besieged by countless forces to protect this heaven immortal item. Their family was destroyed ...

"What about immortal dugu zang? How did she manage to survive?" Chen Xiaobei continued to ask.

"When immortal dugu zang was young, he could have lost his life at any time due to his unique physique! I don't know where dugu Tatian found a mysterious Almighty and took dugu zang Xian away from the nine nether platform!"

"Seven thousand years later, when dugu zang returned to the nine nether platform, he already had the strength of a peak earth immortal!" Furthermore, he used his family bloodline to summon the heaven Earth dark seal that had been buried underground for a long time!"

it's a pity that the dugu family had been completely exterminated at that time, leaving only dugu zang Xian alive in this world!

after that, immortal dugu zang used his terrifying cultivation and the power of the universe dark seal to slaughter all his enemies!

hundreds of millions of lives were lost, forming a terrifying mountain of corpses and sea of blood. This also established dugu zang Xian's position and prestige as the new sacred Lord of the dark seal!

"Since then, the nine nether platform has been revived, and all the countries under it have submitted to it! Only then can we have a place in the top ten forces!"

Beiming Zhenfeng said slowly. His words were full of fear for dugu zang, but also obvious respect!

A little girl, her parents were dead, her whole family was exterminated, and she was able to take revenge all by herself and revive her country!

Even Chen Xiaobei could not help but respect dugu zang Xian!

Ding Ling Ling Ling

Chen Xiaobei's phone suddenly rang.

what? " Chen Xiaobei was surprised. why is it her? "

[Red Envelope Group of the Three Realms](#)

Chapter 2654: deadline

The name on the screen gave Chen Xiaobei a headache.

Xiao moxue.

"Strange ... Why would this girl call me?"

Chen Xiaobei frowned and wondered, " she was already unhappy with me during the sect competition, and there was a misunderstanding at the entrance of the beautiful snake Union. She should be extremely unhappy with me, so why would she take the initiative to contact me? "

Chen Xiaobei had a headache when it came to Xiao moxue.

Originally, Chen Xiaobei wanted to use the bet to trick Xiao moxue into agreeing to other requests instead of being the second wife.

Chen Xiaobei did not expect Xiao moxue to agree to be the second wife, and that ruined his plan.

Chen Xiaobei's plan had never failed, but Xiao moxue was the one who had a problem.

This might have something to do with Chen Xiaobei's lowered fate energy when he tried to pry into the secrets of heaven.

But somehow, Xiao moxue might be a hurdle for Chen Xiaobei.

"I don't care, let's see what she has to say first ..."

Chen Xiaobei took a deep breath and answered the call.

"Damn lecher! How long are you going to hang around in the beautiful serpent Union?"

Xiao moxue's angry voice came from the other end of the phone. "It's already the fourth day. Are you still not planning to come out?"

Obviously, Xiao moxue did not know that Chen Xiaobei had come to the Arctic tundra. She thought that Chen Xiaobei had been fooling around with the beautiful serpent gang for four days! She was even more certain that Chen Xiaobei was a super lecher!

"Heh, what's the rush?"

Chen Xiaobei was too lazy to explain, so he laughed and said, "Did you miss me too much, mistress? It's only been four days, and he's already so impatient? You want me to go back and pamper you?"

"You can go to hell! Only a ghost would want your pampering!"

Xiao moxue cursed and then laughed slyly, "The headquarters' review has been approved. In half an hour, it will be your deadline to report to the Pearl Hall! Don't blame me for not warning you!"

"What?"

wait! Chen Xiaobei was shocked. if half an hour is the deadline, why did you only inform me now? "

"I did it on purpose! I'm going to anger you to death, you bastard!"

I'm at the Pearl Hall right now, " Xiao moxue said with an evil smile. if it wasn't for Hall Master Fang, I wouldn't have called you!

"Do you think it's easy to take advantage of me, Xiao moxue? I have a hundred ways to take revenge on a shameless and lecherous hooligan like you!"

Without a doubt, Xiao moxue was a smart girl. She had a way of dealing with bad people.

She had agreed to be Chen Xiaobei's mistress during the sect competition so that her suitor could deal with Chen Xiaobei.

She had deliberately informed Chen Xiaobei to report to the Pearl Hall at the last minute so that he would miss this opportunity to be promoted.

If it was a normal bad guy, Xiao moxue would have given him a hard time.

Unfortunately, Chen Xiaobei was famous for being an experienced driver! Drifting, racing, and flirting with girls were a common occurrence!

In front of Chen Xiaobei, Xiao moxue's skills were too shallow!

"You're really too mischievous!"

Not only was Chen Xiaobei not angry, but he also smiled evilly and said, "I'm going to report to the Pearl Hall first, then I'll spank your butt!"

"Bastard! Stop talking nonsense!"

no! Xiao moxue said coldly, "there are strict rules on the time limit for this assembly. Those who are late will be considered to have forfeited! Even if you start putting on clothes now and run from the serpent Union to the teleportation portal, it's definitely too late!"

"What if I make it in time?" hehe! Chen Xiaobei laughed. do you dare to make another bet with me? "

"A bet ..."

Xiao moxue was a little hesitant, but in the end, she agreed. "Let's bet then! You're still talking to me, I don't believe you'll be able to make it in time!"

"Alright!"

"The loser has to agree to the winner's request unconditionally!" Chen Xiaobei said with a devilish smile. Don't go back on your word!"

"Deal!" whoever goes back on their word is a little turtle! Xiao moxue said in a deep voice.

"Chi ..."

Obviously, Chen Xiaobei would not make a bet that he was not confident in. As he spoke, he activated the returning bracelet.

After hanging up the phone, Chen Xiaobei glared at beiming Zhenfeng and threatened, "I'm leaving, but the soul Hunters Association will remain in your body! It can understand every word you say! If you dare to betray me, you should know the consequences!"

I don't dare, I don't dare ... beiming Zhenfeng was completely terrified, and he shook his head repeatedly, "I wouldn't dare to betray you even if you beat me to death!"

Without hesitation, Chen Xiaobei stepped through the portal.

.....

The returning bracelet's origin point was set at bei Xuan faction, and Chen Xiaobei was back in the faction in an instant.

He called Jin Fei over and activated the second returning bracelet. Then, he went back to green Mountain City.

At the moment, Jing Fei was in charge of helping LAN Mengcheng transport the first love peaches to different cities.

As the top town in the North of the Putuo region, green ash City had an extremely developed business system. Merchants from the thousands of main cities around it gathered there to trade.

As a result, Green Mountain Capital city became a large-scale business hub. Not only did merchants come and go here, but people from the entire Nanzhan state also liked to come here to buy things.

In order to facilitate the flow of merchants, this place had naturally become a large-scale transportation hub!

There were teleportation formations that could connect to almost any place in the Nanzhan state in Green Mountain Capital city!

That was why LAN Mengcheng and Grand Magus ding Shang had chosen verdant Azure as the first love peach distribution center. It was very convenient to distribute the peaches from here to anywhere!

Jing Fei was very familiar with the place. He brought Chen Xiaobei to the main city square where the portal was.

After giving the guards a few medium-grade spiritual stones, Chen Xiaobei did not even need to wait in line. He stepped into the formation that led to the Pearl Hall.

.....

Tianji city, Pearl Branch!

This was one of Tianji city's four major branches in the Nanzhan state.

The bright sun, the bright moon, the shining stars, and the bright pearl!

Although the Pearl Hall was the weakest of the four great halls, in terms of scale, it far exceeded the ordinary great powers of the Nanzhan state!

The millions of disciples under him were all at least at the primordial soul realm!

There were thousands of core disciples, ranging from three-star earth-god to five-star earth-god!

The cultivation of the core elders ranged from six-star to seven-star earth-god, and any one of them was equivalent to the leader of a large force!

The cultivation of the hall Master had reached the peak of the seven-star earth-god Realm. Although he had not made a breakthrough yet, he could still be considered one of the most powerful men in the world!

In comparison, the Putuo territory branch was simply weak! Even if all six of Chen Xiaobei's enemies joined forces, they would not be able to match up to the Pearl Hall's strength and heritage!

"Hmph!"

Xiao moxue had been looking at the teleportation portal. She was in a good mood. "That bastard Chen Zhufeng definitely won't be able to make it! If I win this bet, I'll definitely send him to the eunuch team ... Team ... Team ..."

Before he could finish his sentence, Xiao moxue was stunned as if she had been electrocuted.

The teleportation portal glowed, and a young Man in Black appeared. He had a cynical smile on his face, raised his hand, and smacked Xiao moxue's butt!

Red Envelope Group of the Three Realms

Chapter 2655: cultivation level restriction

how ... How is this possible?!

Xiao moxue could not believe her eyes.

Just a second ago, she was planning to send Chen Xiaobei to the eunuch team. But now, Chen Xiaobei was standing right in front of her.

It took Chen Xiaobei about three minutes from the moment he hung up the phone to the moment he appeared. There was still a long time before the deadline.

This meant that Chen Xiaobei had won the bet!

In just a second, Xiao moxue's mood changed from joy to sorrow. She felt so wronged that she even felt like crying!

"Mistress inksnow!"

Chen Xiaobei walked over and held Xiao moxue's soft and fair hands. He laughed and said, "I know you miss me, but you don't have to be so surprised to see me, do you? Look at you, dumbfounded. You're not ladylike at all!"

I ... Xiao moxue was so angry that she wanted to vomit blood. She lost the bet, her hand was held, and now she was being called ladylike!

Triple critical damage, it was simply too much!

"You must be young master Chen!"

Suddenly, an old man with white hair and a white beard walked over. He looked at Chen Xiaobei and Xiao moxue's hands and smiled.

"You let go!"

Xiao moxue quickly shook off Chen Xiaobei's hand and explained with a cold face, "Hall Master Fang, don't misunderstand! It's not what you're thinking!"

hehe, I've been through this before. Miss inksnow, you don't have to explain. I understand everything! Hall Master Fang raised an eyebrow as a meaningful smile appeared on his face.

Xiao moxue's face turned green. She was wailing in her heart. what do you know! It's not what you think!

Of course, Xiao moxue could only cry in her heart. After all, she had agreed to be Chen Xiaobei's mistress in front of 300000 people during the sect competition.

Even if Xiao moxue had mouths all over her body, she would not be able to explain herself. She might as well not explain herself and wait for her suitor to make a move on Chen Xiaobei.

"This must be young master Chen, Chen Zhufeng, right?"

Hall Master Fang looked at Chen Xiaobei with a kind smile and said, "Heroes come from the young! Young master Chen is indeed a man of striking appearance, his bearing is extraordinary!"

"Hall Master Fang, you flatter me!" Chen Xiaobei was amenable to coaxing but not coercion. If others were polite, Chen Xiaobei would naturally be polite.

"Young master Chen, you don't have to be so modest!"

Hall Master Fang smiled. The news of you defeating an opponent two major realms above you in the Putuo domain branch competition has spread. You're the young hero! I was afraid you wouldn't come, so I've been waiting for you for more than half a day!"

"It's my honor to be recognized by you, leader Fang!" Chen Xiaobei said. Since I'm not late, I'll definitely do my best to help you in the upcoming mission!"

"Good! That's great!"

"With young master Chen's help, we'll definitely have a major breakthrough in this operation!" Hall Master Fang was overjoyed.

"Hall Master Fang, you think too highly of me!"

I'm only at the divine sea realm! There are many people in the Pearl Hall who are stronger than me! Chen Xiaobei said. Whether or not there's a major breakthrough in this operation, I don't have the final say!"

Obviously, Chen Xiaobei was trying to get information out of him.

Before they left, elder Ming had reminded Chen Xiaobei that there were already a million disciples under the Pearl Hall. Why should he not use them? They just had to select a new batch of disciples from the branches to carry out the mission!

What Chen Xiaobei was trying to say was, "there are so many powerhouses in the Pearl Hall. You don't rely on anyone but me, Chen Xiaobei?" Wasn't this an unnecessary move?

"Young master Chen, you don't know!"

"The mission this time is to explore an ancient ruin!" Hall Master Fang explained. The entrance to the ruins was sealed by a powerful seal! Only those who are below the level of five-star earth-god can enter!"

"I've already sent my disciples to explore it! The conclusion is that any disciple below the three-star earth-god Realm will most likely die in the ruins!"

there are 1000 core disciples in the Pearl Hall. 100 of them are five-star earth-god level cultivators, but they can't enter the relic. The remaining 300 are four-star earth-god level cultivators and 600 are three-star earth-god level cultivators!

but to put it bluntly, three-star earth-level deities can only play a supporting role in the ruins. The ones who can really explore the ruins and search for opportunities are only the four-star earth-level deities!

however, this relic is very huge and very special. With only 300 four-star earth-level deities, we can't be sure that it's foolproof!

that's why I asked the 27 branches of the Pearl Hall to hold a sect competition. Each branch will choose three people, which makes a total of 81 people. Except for Childe Chen, all of them are four-star earth-god!

"In this way, there will be 380 four-star earth-god level cultivators, 600 three-star earth-god level cultivators, and Master Chen! The final success rate will definitely be greatly increased!"

Hall Master Fang explained the entire situation without any contradictions.

This way, Chen Xiaobei and elder Ming's doubts could be dispelled.

At the very least, there was no conspiracy behind Hall Master Fang's decision to hold the competition at the last minute. It was just to select as many four-star earth Immortals as possible to assist the disciples of the Pearl Hall in exploring the ruins.

"So I'm the weakest in this operation, elder Zhaoming?" Chen Xiaobei raised his eyebrows and continued to probe.

"Why would I?"

Hall Master Fang said seriously, " young master Chen, you can fight someone two realms higher than you. Your strength is obviously not weaker than an ordinary four-star earth-god! I dare to say that Childe Chen's strength is at the middle level among all the disciples in this operation!"

"Average level?" Chen Xiaobei raised his brows as he had a rough idea of the situation.

After all, the nascent Soul Stage was also divided into four minor realms: early, middle, late, peak.

Back then, Chen Xiaobei had only defeated Cheng zhanhu, who was in the early stage of the original level. He might not have been able to defeat an opponent in the last three small realms easily.

And in this operation, the majority of the disciples are at the early Yuanying stage.

From what Hall Master Fang could see, Chen Xiaobei's strength was above the early stage of the nascent soul realm. The other three levels below him were only average!

since my strength is only at the middle level, why do you still think that I can bring about a major breakthrough in the operation? " Chen Xiaobei continued to probe.

After all, it was impossible for Hall Master Fang to take a fancy to a middle-tier disciple for no reason!

"Young master Chen, aren't you asking the obvious?"

Hall Master Fang grinned and said, 'with your relationship with miss inksnow, she will definitely do her best to help! I'll just give you a few trump cards, and you'll have a major breakthrough in this operation.'

Chen Xiaobei was not happy to hear that.

Although Hall Master Fang appeared polite on the surface, he was actually a snobbish old fox!

[Red Envelope Group of the Three Realms](#)

Chapter 2656

2656 I'm an undercover

Leader Fang's words immediately showed Chen Xiaobei this person's character!

The old fox's politeness was not because of Chen Xiaobei's performance in the tournament, but because of the 'intimate' relationship between Chen Xiaobei and Xiao moxue!

In his eyes, Chen Xiaobei was Just a Gigolo who lived off a woman! He had to rely on Xiao moxue's help in order to perform well in the operation!

The more outstanding Chen Xiaobei's performance was, the greater the benefits Hall leader Fang would be able to obtain from the ruins!

That was why Hall Master Fang had left everyone else behind and ran to the portal to wait for Chen Xiaobei. He was afraid that Chen Xiaobei would not come!

If Chen Xiaobei did not show up, they would have lost Xiao moxue's help in this operation!

To put it bluntly, master Fang did not care about Chen Xiaobei at all. What he really cared about was whether Xiao moxue could help him in this operation!

"Heh, Hall Master Fang, don't worry!"

Chen raised his eyebrows and smiled. my inksnow will definitely do her best to help. Just watch me for this operation!

"Good! That's great!"

Hall Master Fang was overjoyed, and he smiled. "Then I won't disturb the two of you! The operation would begin in three days! I won't leave until I see you!"

With that said, Hall Master Fang walked away.

"Bastard!"

Xiao moxue glared at Chen Xiaobei, her pretty little face full of disdain. "Who is your inksnow? Who would do anything to help you? Stop having such a great dream! All of these don't exist!"

"Who said it doesn't exist?"

"You lost the bet to me just now!" Chen Xiaobei laughed. You're not going back on your word, are you?"

Xiao moxue's expression froze, and her heart began to palpitate.

The last time he lost the bet, Xiao moxue became Chen Xiaobei's concubine. Now that he lost again, who knew what Chen Xiaobei was up to!

"Why aren't you talking?"

I remember someone saying that whoever goes back on their word will be a little turtle! Chen Xiaobei said.

I ... Xiao moxue wanted to cry.

Never in his dreams did he expect that he would lose the bet again!

The little turtle was originally a nickname given to Chen Xiaobei, but now it had become a trap that Xiao moxue had dug for herself!

Xiao moxue was a famous young female genius in Videha! She was also a goddess who could cause the downfall of a city!

In the eyes of the world, she was simply a perfect existence!

If he were to carry the nickname of little turtle, the whole world would probably laugh their teeth off!

"I ... I didn't say I was going to deny it! What do you want, just bring it on!"

Xiao moxue gritted her teeth. Her pretty and delicate little face revealed a look of sacrifice. She was ready to go all out!

"Pfft ..."

Chen Xiaobei was amused by Xiao moxue's expression.

Although this girl liked to play small tricks, it had to be said that she was kind and upright. She would definitely not do something shameless like falling out with someone!

"Don't be so nervous!"

"I'm a gentleman!" Chen Xiaobei grinned. I won't ask for too much from you!"

Xiao moxue rolled her eyes at Chen Xiaobei.

He cursed in his heart. Have all the gentlemen in the world died? Even a hooligan like you has the nerve to call yourself a gentleman? This was simply an insult to the word 'gentleman'!

"What's wrong? You don't seem to be happy if I don't make any excessive requests."

Oh? " Chen Xiaobei raised his brows. could it be that you want me to make some excessive, heavy, or embarrassing requests? "

Xiao moxue's face turned green. She quickly said, " "No... I'm not unhappy! Please don't make any weird requests!"

This was too much! Heavy taste! It was so embarrassing!

Just thinking about it made Xiao moxue's scalp go numb and she had goosebumps all over her body!

“You’re really cute!”

Looking at Xiao moxue’s shocked and scared face, Chen Xiaobei was so happy that he could not close his mouth. I haven’t thought of any requests yet. We’ll talk about it in the future!

After that, Chen Xiaobei turned to leave.

“Stop right there!”

Xiao moxue frowned and said, “three days later, you will have to go on a mission!” Don’t You Want Me to help you?”

heh, that old fox thinks I’m a Gigolo. Do you think I, Chen Zhufeng, would live off you? ” Chen Xiaobei did not even turn around and left.

“This ...”

Xiao moxue was stunned. Her beautiful eyes stared at the back of the young man in Black.

This back view did not look like a hooligan or a lecher at all. Instead, from the inside out, it exuded a strong and overbearing aura!

Xiao moxue had thought that Chen Xiaobei would take advantage of the situation and use the bet to ask her for a trump card that would help with the mission. He might even ask for her ‘Natal earth-god instrument’!

However, Xiao moxue did not expect that Chen Xiaobei did not need any help at all. In fact, he did not even ask for anything!

Leader Fang was treating Chen Xiaobei as a gigolo!

Chen Xiaobei had used his actions to slap leader Fang’s face!

At that moment, Xiao moxue was in a daze again. She felt as if she had returned to the time of the Grand competition! It was back to the moment when Chen Xiaobei was pressing her down on the chair!

Chen Xiaobei’s aura was overbearing! Domineering! Even frivolous!

Xiao moxue couldn’t describe the feeling in that moment, but she could feel that this aura was very charming!

This was the aura that a man should have!

.....

“Bro bei, that old fox thinks you’re a pretty boy! Do you really plan to work for him three days later?”

Xiao ‘er climbed onto Chen’s shoulder and asked worriedly.

“Idiot!”

“I joined Tianji city as a spy!” Chen Xiaobei laughed. How could I possibly work for the heaven’s legacy city?”

“So you’re saying that you’re not going to participate in the operation in three days?” The waiter heaved a sigh of relief.

“Who said I’m not participating?”

“What do you do as a spy?” Chen Xiaobei asked. They’re hiding in the local area to obtain information and benefits for their own side!”

“What do you mean?” The waiter was a little confused.

“To me, Tianji city is a place!”

of course! Chen Xiaobei grinned evilly. since I’ve already gotten the important information, I’m going to turn the enemy’s benefits into my own!

Hearing this, the waiter’s eyes lit up. “I understand! Bro bei is going to take all the benefits from the remains!”

“That’s right!”

it’s a seal! Chen Xiaobei said expectantly. even that old fox with the surname Fang can’t break the seal on the entrance. I can only imagine that the person who placed the seal must be a super powerful being! He might even be an ancient true immortal!”

“It can be seen that the benefits in the ruins are beyond imagination! If I want to unify the Nanzhan state, I can’t let these benefits fall into the hands of the enemy. Otherwise, it’ll definitely become a disaster for me in the future!”

that’s right! Chen Xiaobei said. so, not only will I accept all these benefits, I will not leave a single hair behind for Tianji city!

“What a big tone you have!” Suddenly, a woman walked over and looked at Chen Xiaobei with a meaningful look.

[Red Envelope Group of the Three Realms](#)

Chapter 2657: eager to return

“Shit! Bro bei! The human prophecy you mentioned, your secret has been leaked!”

The waiter immediately became nervous and stared at the person with hostility.

Without a doubt, the unification of the Nanzhan state and the undercover operation in Tianji city were all Chen Xiaobei’s Secret!

Once an outsider heard this, the consequences would be unimaginable!

Chen Xiaobei knew the language of beasts, but most of the time, he only spoke to wild beasts that were not close to humans.

Because Xiao ‘er was already psychic and had been by Chen Xiaobei’s side for a long time, he understood the human language. For the sake of convenience, Chen Xiaobei did not speak the beast language.

He did not expect that someone would show up and hear Chen Xiaobei's Secret!

Xiao 'er was extremely nervous. If Chen Xiaobei gave the order, he would immediately attack the person who had come.

it's okay. She heard my secret, but I also know her secret!

Chen Xiaobei, however, was as calm as ever. He looked at the man with a smile and said, "Little maidservant! I haven't seen you for many days, come over and let me touch you. Have you gained weight or slimmed down?"

"Are you itching for a beating?" The woman glared at Chen Xiaobei coldly. Her eyes were as heroic as the man's!

"Someone lost a bet to me at the Dongsheng Chamber of Commerce and became my little servant girl. Are you trying to renege on your debt?" Chen Xiaobei raised his eyebrows and threatened, "Do you believe that I'll tell your master?"

The woman's expression froze, and her heroic spirit dissipated. Her tone immediately softened, "Don't tell master ... I ... I didn't say I was going to renege on my debt ..."

"This is more like it!" you're right! Chen Xiaobei chuckled. be my servant and you'll get a lot of benefits!

The woman looked helpless. She could not do anything to Chen.

"Little maidservant?"

bro bei? " Xiao 'er was shocked. bro bei ... You already knew her? "

"Yeah, I've known him for a long time!" she's the same as me! She's also a spy in Tianji city! Chen Xiaobei said.

That's right!

The man was none other than Lord scorching heat!

She had changed her name to Jun Yunqing and had been undercover for many years in the Putuo domain branch in Tianji city! She wanted to help her master investigate the secret of the divine time sand!

The reason why Chen Xiaobei joined Tianji city was because he had promised Lord scorching Heat's master that he would cooperate with Lord scorching Heat's investigation!

Coincidentally, Chen Xiaobei also needed to investigate the secret of the divine time sand!

Other than that, Chen Xiaobei also needed to find the Imperial Sun Crystal and the Holy eternal water through Tianji city's information!

At the same time, Chen Xiaobei also had to find a way to get close to the old prophet and investigate whether he was the same person as Xu Fu or if there was a hidden connection between them!

Of course, the most important thing was that Xu Fu was helping the clan of enlightenment to collect the weapon Mystic token so that he could find little Daji first!

That was why Chen Xiaobei had to get close to the old man of heavenly secrets and find out everything!

In Chen Xiaobei's heart, Daji had already occupied an irreplaceable position!

Back in Atlantis, if it was not for Daji's protection, Chen Xiaobei would have died a long time ago. He would not have been able to achieve what he had today!

Even though Chen Xiaobei had never been able to find Daji.

However, Chen Xiaobei had never forgotten about this.

Even if the heavens and earth were to fall, even if the world were to reverse, Chen Xiaobei would find little Daji and never let her suffer any harm again!

To achieve this goal, Chen Xiaobei had to be a good spy!

Getting closer to the elder of heavenly secrets meant that he was getting closer to victory!

"What's the matter?"

Chen Xiaobei's mind was in turmoil, but his face did not show any emotion.

"You're asking the obvious!"

Lord scorching heat composed himself and said, "we'll be setting off to explore the ruins in three days!" I'm here to remind you. When the time comes, I'll pretend not to know you! You have to be careful!"

"Why are you pretending not to know me?" Chen Xiaobei asked.

we're both spies. If we have a close relationship, one of us will be exposed and the other will be implicated!

"Let's pretend that we don't know each other. Even if one of us is exposed, the other can still continue to be a spy!" Said Lord scorching heat in a deep voice. This is also why I've never helped you after you joined the branch!"

"Yes, I understand!"

"But, why do you trust me so much?" Chen Xiaobei asked. Aren't you afraid that I'll expose you as well after I expose myself?"

"I'm not afraid!"

"You're the one my master has taken a fancy to!" Replied Lord scorching heat seriously. I don't have to believe you, but I will never not believe in shizun!"

"Who is your master?" why? " Chen Xiaobei asked. why are you so loyal to me? "

"This is not something you should be asking!"

"Remember what I said and do what you should do. Whether you can make a contribution this time will directly affect whether we can enter the headquarters in Tianji city!" Lord scorching heat said in a deep voice.

“Meritorious Service?”

Chen Xiaobei was taken aback. A moment ago, he was still planning to take all the benefits in the ruins, but now, he wanted to contribute to the Pearl Hall and get into the Tianji city headquarters!

If he swallowed all the benefits, how would he gain merit?

Obviously, this was another problem where one could not have both the fish and the bear Paw!

One could only say that ever since Chen Xiaobei peeked into the heavenly secrets, his fate had really dropped by a lot!

When one’s luck was high, one would never encounter such a difficult problem. Even if they did, they could kill two birds with one stone, killing both sides!

He had to think of a way to increase his fate energy!

“Don’t let your thoughts run wild!”

“I won’t let you swallow all the benefits!” Replied Lord scorching heat in a deep voice. In that case, neither of us will have a chance to make a contribution! If you’re seen by others, not only will you have to give up all the benefits, but you’ll also be crippled and expelled from the sect!”

I know what I’m doing ... Chen Xiaobei furrowed his brows. He knew the implications of this.

yes, you’re a smart person. You definitely know what to do! “I won’t say anymore. I’ve been away from the crowd for too long. I’ll be suspected!” Lord scorching Heat’s eyes narrowed.

“Mm, you can go!” Chen Xiaobei nodded.

As soon as Lord scorching heat left, the waiter immediately couldn’t hold it in any longer, what a pity ... This ruin might have been left behind by an ancient true immortal, but we can’t take the benefits inside ... Just thinking about it makes me depressed!

“Don’t worry! There’s still three days left, there must be a way!” let’s go back to bei Xuan faction first! Chen Xiaobei said.

“Why are we going back to bei Xuan faction?” The waiter was puzzled.

“Let’s go back and increase our fate energy! ‘Hehehe ...’ Chen Xiaobei grinned evilly.

“Bro bei ...”

“Increasing one’s fate energy is a serious matter. Why are you smiling so frivolously?” the waiter was stunned.

“Of course, a little kid like you wouldn’t understand this kind of thing!” Chen Xiaobei grinned evilly. He was eager to go home.

[Red Envelope Group of the Three Realms](#)

Chapter 2658: profound heart and ingenious plan

Bei Xuan faction.

With the help of the returning bracelet, Chen Xiaobei returned to the faction leader's chamber, which was also Chen Xiaobei's bedroom.

With the reconstruction of the royal city of beixuan, the newly built bei Xuan faction was a hundred times bigger than before. Naturally, Chen Xiaobei's bedroom had become his living quarters.

Other than that, Chen Xiaobei also had another chamber built in the palace. It was bigger and more luxurious!

However, Chen Xiaobei's family, friends, and disciples all lived in bei Xuan faction. That was why Chen Xiaobei had set the returning bracelet's origin point at the sleeping quarters in the faction! It would make it easier for Chen Xiaobei to meet his closest family members when he returned!

Of course, when Chen Xiaobei returned today, he did not see anyone.

Chen Zhongfu and Zhang Chui 'er had gone for a walk. Song Qincheng and LAN mengchen were busy with their business and were not around. Luo puti was still studying the secret of the first Queen of Saint Duke and was not around.

Liu xuanxin, Zhao Yun, Lu Bu, and Diao Chan were all cultivating the four phases absolute killing Mystic formation under Jiang Ziya's guidance, so they were naturally not around.

Hong Hai 'er, Nezha, Lin Nan, Wen yuan, and Murong Xiaoyao were all out and about, but they were nowhere to be seen.

Lin Xiang was a virtuous lady. Today, she helped old Wang interview for a new host, tomorrow, she helped LAN mengchen pick her first love peach, and the day after, she helped Xiang Yu and Ying Zheng build a medicinal wine factory. She had never been idle!

As for Chen Xiaobei's six direct disciples, five of them were studying the unique skills that Chen Xiaobei had taught them!

The remaining Xuanyuan tuohai naturally did not stay idle. He went into seclusion to train his physique with all his might, in order to lay a good foundation for learning the "sky-killing tyrant body technique"!

"Bro bei! We've come back just in time!"

no one is here! the waiter said excitedly. no one will disturb you from increasing your fate energy!

"You don't understand ..."

I can't increase my fate energy by myself! Chen Xiaobei said. I need someone to help me!

"You still need to cooperate?"

The waiter was stunned and immediately volunteered, "Me, me, me! I'll help bro bei!"

"Idiot! You can't ..."

no! Chen Xiaobei shook his head and said, "only xuanxin can help me increase my luck! No one else can!"

"No way ..."

“What should I do?” the waiter asked with a wronged expression. If big sister Xuan Xin can do it, why can’t I?”

this ... Chen Xiaobei did not know how to explain to Xiao ‘er about something inappropriate for children.

“Xiaobei! Why did you come back?” At this moment, an extremely pleasant voice came from nearby.

“Xuan Xin!”

Chen Xiaobei’s eyes lit up and asked, “Aren’t you supposed to be cultivating? Why are you here?”

Liu xuanxin quickly walked over and gently held Chen Xiaobei’s arm. maybe it’s because the heart of the fire Phoenix has improved my aptitude. I’ve already learned the first half of the [four phases absolute killing Mystic formation], so there’s no need for me to continue my closed-door cultivation!

“This is such a coincidence!”

Chen Xiaobei took out the other half of the ancient book from his infinite space ring and said, “This is the second half of the” four phases absolute killing Xuan formation “! You can continue your cultivation after this!”

“Xiaobei! You’re amazing! You’ve found the second half of the book so quickly!”

Liu xuanxin’s smile was as beautiful as a flower. “So, you came back today to give me the second half of the secret technique. You’re so good to me!”

“Uh ...”

“Actually, I came back for another matter!” Chen Xiaobei said.

“For what? Can I help you?” Liu xuanxin asked in a serious tone.

“I can! Only you can!” hehe ... Chen Xiaobei grinned. let’s go back to my room. I’ll tell you slowly. Hehehe ...

Liu xuanxin’s face turned red as she said, “You’re so annoying! The waiter is still here! It can understand!”

“Waiter! You should go back and cultivate!” Chen Xiaobei grinned and put Xiao ‘er into his ring.

“Why are you in such a hurry?” Liu xuanxin frowned, but a happy smile appeared on her face.

“You only know how to talk about me? Aren’t you worried?” Chen Xiaobei smiled and carried Liu xuanxin in his arms. Then, he went straight to his bedroom.

A quarter of an hour in the spring night was worth a thousand gold. Thirty thousand words were omitted here!

After they were done, Chen Xiaobei held Liu xuanxin in his arms and chatted with her on the bed. They told each other about the things that had happened recently.

There was nothing special about Liu xuanxin’s side.

However, Chen Xiaobei’s recent experiences piqued Liu xuanxin’s interest.

“You just said that you’re going to explore a relic in three days! You really want to take all the benefits for yourself, but this way, you won’t be able to make any contributions to the Pearl Hall, and you won’t have the chance to enter the headquarters of the heaven’s legacy city?”

Liu xuanxin raised her eyebrows and smiled. “This problem is easy to solve! As long as you use the doppelganger technique! One is for you to follow the main group, the other is for you to take all the benefits! This way, the Pearl Hall won’t be able to blame you!”

Chen Xiaobei was stunned and said, “ “It’s a good idea, but how would I know any cloning technique?”

“Idiot! Are you too busy?”

Liu xuanxin smiled and said, “ “Don’t you have No. 8 Luban? Make it look like you and follow the group! After you disguise yourself, you’ll devour all the treasures in front of everyone. Isn’t that the end?”

“Smart!”

“No. 8 Luban, become me! I’m going to complete the Pearl Hall’s mission!” I’ll change my appearance and pretend to be an enemy! In this way, he could complete the mission and swallow the benefits! Two birds with one stone!”

There was no doubt that Liu xuanxin and Chen Xiaobei’s super marriage was not just any ordinary amazing!

Just a moment ago, he couldn’t have his cake and eat it! At this moment, he had killed two birds with one stone!

“Xiaobei! Have you been too busy recently?” “With your intelligence, there’s no way you didn’t think of this!” Liu xuanxin said.

“Yeah ... I’ve been really busy recently ...”

yes! Chen Xiaobei nodded and said, “ half an hour ago, I was still in the northern ice fields! Then, he went to the Pearl Hall! Then, he returned to this place! Even the scholar heart can’t keep up with the rhythm!”

“It’s been too hard on you ... You’ve shouldered everything by yourself! but I’ve never heard you say that you’re tired ... Liu xuanxin’s heart ached. She sat up and massaged Chen Xiaobei’s shoulders gently.

“Don’t worry, I’m already used to it!”

Chen Xiaobei’s lips curled into a wise smile. “After resting for a while, my intelligence and wisdom have returned!”

“Oh?” “What did you think of this time?” Liu xuanxin’s eyes were filled with anticipation.

I plan to add one more thing to your suggestion just now, killing three birds with one stone! Chen Xiaobei’s dark eyes glowed with a demonic light.

[Red Envelope Group of the Three Realms](#)

Chapter 2659: using my blood

“Don’t keep me in suspense! Hurry up and tell me! What do you want to do?”

Liu xuanxin’s face was filled with anticipation. She had thought that her plan was perfect, but Chen Xiaobei could make it even more perfect!

This really piqued Liu xuanxin’s curiosity!

according to your plan, No. 8 Luban will become me, and I will disguise myself as the enemy. We will proceed with these two points according to the original plan!

Oh? ” Chen Xiaobei raised his eyebrows. but at the end, I can still use a prosperous monkey fur as an ‘enemy’ and kill this ‘enemy’ with my own hands!

“Oh! I understand!”

Liu xuanxin was smart. She immediately understood the key point.”According to my plan, you won’t be suspected, and at the same time, you’ll get all the benefits! But according to your plan, you can add another great merit to killing the enemy! This is indeed a brilliant plan to kill three birds with one stone!”

Chen Xiaobei nodded and smiled. by then, I’ll just pick up some garbage resources and say that I snatched them from the hands of the ‘enemy’! The Pearl Hall will definitely give me a great merit!”

“Xiaobei! You’re too smart!”

great! Liu xuanxin praised, ” as long as everything goes smoothly, even if you can’t enter the headquarters in Tianji city immediately, you can still use this contribution to gain a foothold in the Pearl Hall! The confidential information that we will be able to access will be far more than the Putuo territory branch!”

“Of course!”

yes! Chen Xiaobei nodded and said, ” Lord Chi Ling has done his research on the Putuo territory branch! Leave the Pearl Hall’s information to me! After all, Lord scorching Heat’s master has helped me before and he trusts me very much. I have to do something! Otherwise, you’ll feel bad!”

“You ... You value friendship too much!” Liu xuanxin asked.

“Isn’t it good to value friendship?” Chen Xiaobei retorted.

“Of course!”

“If you didn’t value friendship, we wouldn’t be where we are today!” Liu xuanxin said seriously. That’s why I still like you, who values relationships and loyalty!”

Ding!

Chen Xiaobei’s phone rang.

Chen Xiaobei looked at the screen and said, ” it’s a text from old Jiang. He’s free now. I have to go and find him!

“Is there anything else you haven’t told me?”

Liu xuanxin furrowed her brows and said worriedly, " "Are there any more dangers in this operation? You have to discuss this with elder Jiang! Yet, you didn't dare to tell me!"

"There's no danger! Look at how nervous you are!"

this has nothing to do with the ruins exploration! Chen Xiaobei explained. I didn't tell you because you can't help! After all, old Jiang was a true God before, so I'm going to ask him how to solve this!"

"You're lying!"

"You're just making up an excuse so that I won't worry!" Liu xuanxin said with a frown.

"Silly girl! There are no secrets between us that can't be told! Why would I make up an excuse?"

it's like this. I found a 10000-year-old icesoul in the icy Plains of the extreme north. With the help of a demonic spirit petrifying stone, I created an ice soul demonic spirit and turned it into a demon! Chen Xiaobei said.

"As long as I use the soul-blood contract, I'll be able to subdue this Ice Demon! But the problem is that signing a contract requires close contact and spiritual communication for a period of time!"

this Ice Demon won't retract its cold energy before I subdue it. If I forcefully sign a soul blood contract with it, I'm afraid I'll be frozen to death before I can complete the contract!

this 10000-year-old Ice Spirit is an eight-star earth-god level spirit. Other than old Jiang, no one else can help me with this! That's why I didn't tell you. I'm not making up a reason to lie to you!"

"I see ..."

Liu xuanxin nodded and said, " it's a pity that this ten-thousand-year-old ice soul has reached the eight-star earth-god level. If it was one more level, I would be able to help you!

"What? You can help me?" Chen Xiaobei was surprised. "How can I help?"

"Idiot! I've already learned the divine Phoenix's strange fire! With the fire Phoenix Heart! The strange fire that it emits has a natural restraining effect on cold things, so it's naturally easy to suppress cold Qi!"

Liu xuanxin frowned and said, " it's a pity that I'm only a seven-star earth-god, and I can't resist the cold air of an eight-star earth-god ...

"Good! That's great!"

Chen Xiaobei was so excited that he hugged Liu xuanxin and kissed her a dozen times. "You're truly worthy of being my fairy sister! You're here! I don't need to go to old Jiang!"

"Don't mess around ..."

Liu xuanxin pushed Chen Xiaobei away and said with a blushing face, " "Didn't I already tell you? My cultivation level is lower than the ten-thousand-year-old ice soul. I can't help you at all!"

"Listen to my explanation!"

yes! Chen Xiaobei calmed himself down and said, " the 10000-year-old ice soul not only needs the lighting stone, but also spiritual Qi! I don't have many spirit stones on hand, and I don't have the time to wait! Therefore, the spiritual aura of heaven and earth is used to replace the spiritual Qi!"

"Initially, the heaven Earth spiritual aura that I possessed could upgrade a six-star earth-god instrument to a seven-star earth-god instrument! However, when he was competing with the nine Grand shamans, he had used up a third of the spiritual aura of heaven and earth! I used up some more to increase my cultivation!"

"The remaining Heaven Earth spiritual aura can only help the ten-thousand-year-old ice soul to produce a six-star earth-god Level demon spirit! In other words, it has the body of an eight-star earth-god, but only a six-star earth-god cultivation!"

taking into account the level of the main body and the addition of cultivation, the cold air it exudes is about the peak of a six-star earth-god, close to the seven-star earth-god level!

Chen Xiaobei analyzed the whole situation in detail and came to an accurate conclusion.

Liu xuanxin was excited as well. "In that case, my seven-star earth-god divine Phoenix mystical flame can help you suppress the cold Qi of the ten-thousand-year-old ice soul!"

"That's right!"

Chen Xiaobei nodded and praised, " "This is fate! It's already destined that you'll be my goddess of luck! You're my goddess sister!"

In fact, Chen Xiaobei also had the witch Dragon Flame, but it was only a six-star earth-god level flame!

Even if Chen Xiaobei asked Jiang Ziya, he would still have to look for Liu xuanxin to solve this matter!

The world was full of strange things, and only Liu xuanxin could easily solve this problem that had been bothering Chen Xiaobei!

"Then what are we waiting for? Let's take action immediately!"

you're right! Liu xuanxin said impatiently. once you've subdued this Ice Demon, you'll be able to take action in three days!

"No rush! I still need to get some high-level earth-god blood to make a primordial spirit blood contract!"

I guess I'll have to make a trip to the icy Plains of the extreme north and ask that old dog, beiming Zhenfeng, to draw out some blood! Chen Xiaobei said.

"There's no need to go through so much trouble!" "My blood then!" Liu xuanxin said.

"No!" no! Chen Xiaobei refused. I don't want you to bleed!

"Try it!"

of course! Liu xuanxin smiled. I have the blood of the divine Phoenix in my body. Who knows, it might be able to give the 10000-year-old icesoul a different opportunity!

Red Envelope Group of the Three Realms

Chapter 2660: sudden change

“This ...”

Chen Xiaobei hesitated.

On one hand, he was reluctant to use Liu xuanxin’s blood. On the other hand, he was curious about what kind of special effects would happen if he used the divine Phoenix’s blood to make a primordial soul blood contract.

After all, Liu xuanxin was Chen Xiaobei’s lucky goddess. If something special really happened to her, it would be very beneficial to the 10000-year ice soul!

“Stop hesitating! This isn’t a big deal!”

Liu xuanxin used her ethereal force to cut her finger and urged, “Hurry up! Otherwise, my blood will have been in vain!”

“You’re too direct ...”

Chen Xiaobei did not know whether to laugh or cry, but what was done could not be undone. He could only release his ethereal force to catch Liu xuanxin’s blood.

After that, Chen Xiaobei took out the magical treasure that was used to make the primordial spirit blood contract. He started to draw Liu xuanxin’s blood together to form a seven-star earth-god primordial spirit blood contract!

“Done!”

Chen Xiaobei sealed the blood contract with a magical treasure and took out a few earth-god herbs.

The witch Dragon heavenly flame burned all the impurities in the medicine and the remaining essence of the medicine was directed to Liu xuanxin’s finger by her ethereal force.

The wound wasn’t big, nor was it serious. After coming into contact with the medicinal essence, it immediately healed.

“We’ll see! I told you this was just a small matter! There’s no need to hesitate at all!”

To calm Chen Xiaobei down, Liu xuanxin smiled and did not seem to care about the blood loss.

“Since you’ve already said so, I’d be too petty if I continued to be conflicted!”

Chen Xiaobei held Liu xuanxin’s hand and smiled. “Let’s go! Let’s go and subdue that Ice Spirit demon!”

Chen Xiaobei then brought Liu xuanxin into the Meru space.

At this moment, there was an independent small space in the Meru space.

This was because Chen Xiaobei was using the heaven and earth spiritual aura together with the ignition stone to create the 10000-year-old ice soul demonic spirit. So, it was much faster than using spiritual Qi!

Originally, the 10000-year-old ice soul only had a strong spiritual nature, but it had no consciousness or thought!

Grass, wood, earth, stone, wind, frost, rain, snow ... No matter what it was, as long as it had a 'soul', it was equivalent to having a 'life'!

This kind of 'life' did not just mean living! Instead, he could think on his own like a human! Free time! He could even cultivate cultivation techniques! Use your magic treasure!"

This kind of 'life' was actually an independent consciousness and thought!

Any object that had this 'life' would have its essence completely changed. From an object, it would become a demon!

At this moment, the special ability of the demon spirit petrification had given life to the 10000-year-old ice soul, and it had developed independent consciousness and thoughts!

Originally, an item had to undergo a minor Heavenly Tribulation to become a demon. However, with the help of the demon spirit petrification, the 10000-year-old ice soul avoided the test of a minor Heavenly Tribulation and successfully became a demon!

Then, the newborn ice soul spirit demon absorbed all the spiritual aura of heaven and earth and reached the level of a six-star earth-god!

"This little thing is so pretty ..."

Liu xuanxin walked over and carefully observed the ice soul spirit demon through the dimension wall.

It was a small, icy-blue light shadow, as ethereal as a ghost. However, the spiritual light it emitted was much stronger than that of a ghost. It was even comparable to a small, icy-Blue Sun!

Chen Xiaobei was not in the mood to enjoy the view. He said seriously, " "Xuan Xin, get ready! I'm going to dismantle this small space and release the icy soul spirit demon. Get ready to suppress it!"

"No problem! Just leave it to me!" Liu xuanxin nodded with confidence.

"Chi ... Chi ..."

Chen Xiaobei's mind flickered, and the surface of the independent space rippled like water, and it quickly disappeared!

"Whoosh ..."

In the next moment, a terrifying extreme cold suddenly burst out!

It was as if the ice River was flowing backward and the snow Mountain was collapsing. The entire world would fall into the Ice Age! Everything in the world would be frozen!

"Xuan Xin!"

Chen Xiaobei's pupils constricted, his heart thumped, and his scalp went numb. He felt like he could be frozen into an ice sculpture at any moment!

After all, Chen Xiaobei had already witnessed the terrifying coldness of the 10000-year-old icesoul when he was in the icy Plains of the extreme north.

At this moment, the 10000-year-old ice soul had already become a demon and had its own consciousness. It knew how to control the extreme cold better, and the temperature was even more terrifying than before! In addition, the distance between them was very close. Chen Xiaobei would definitely be frozen in an instant!

“Phoenix divine dance!”

However, Liu xuanxin had already made her move!

She would not allow Chen Xiaobei to be frozen, nor would she allow him to suffer any harm!

Boom ... Boom ... Boom ...

In the blink of an eye, two streaks of flames shot out from Liu xuanxin’s back and transformed into thousands of feathers, which intertwined to form a pair of huge fire Phoenix wings!

Liu xuanxin’s face was beautiful, and her body was perfect. Her wings were red like fire, and they gave off a holy light! Sacred and passionate, she was like the goddess of the blazing sun that had descended to the world, bringing endless light and warmth to all living beings!

“It’s so cool ...”

Chen Xiaobei was stunned by Liu xuanxin’s words.

“Whoosh! Whoosh!”

The Phoenix’s wings wrapped around Chen Xiaobei’s body and kept him out of the extreme cold!

Not only did Chen Xiaobei not feel the cold, but he also felt warm and comfortable. It was as if he was lying in Liu xuanxin’s arms. That feeling was so comfortable!

“Woof! Whoosh!”

Immediately after, the divine Phoenix’s wings unfurled in reverse. The flaming feathers scattered like flower petals and stars, filling the entire space in the blink of an eye!

At the same time, Liu xuanxin’s beautiful figure appeared in front of him. She was beautiful, like a song and dance!

Chen Xiaobei was mesmerized by the song!

In this gorgeous and beautiful scene, the floating flame feathers were like fire melting ice, causing the extreme cold in the entire space to dissipate rapidly!

There were also eighty-one large feathers that trapped the ice soul spirit demon, preventing it from releasing any more extreme frost!

“Xiaobei! You can start now!”

Liu xuanxin stood behind Chen Xiaobei, her Red Wings spread out. She was like Chen Xiaobei's Guardian goddess. Under the protection of the goddess 'holy light, Chen Xiaobei would not be hurt at all!

"Good! Next, it's up to me!"

Chen Xiaobei took out his primordial spirit blood contract and walked toward the icy soul spirit demon!

"Chi ..."

Chen Xiaobei reached out his hand and held the ice soul spirit demon up from the bottom, and started to communicate with it!

With the protection of the 81 feathers, Chen Xiaobei was not affected by the extreme cold at all! His other hand unleashed his true Yuan and began to leave an indestructible mark on the icy soul spirit demon's yuan Shen through the power of the yuan Shen blood contract!

"BOOM! BOOM! BOOM!"

However, Chen Xiaobei did not expect that the blood pact's special ability would trigger a change!

The 81 feathers lost control and struck the icy soul spirit demon like 81 bolts of lightning!
