Chapter 2671: dominating the entire scene

“What? Are you going to hit me as well?”

Lu Guangdu was furious.

He was the president of the Dongsheng Chamber of Commerce’s golden cloud City branch, and his status was on the same level as the leaders of ordinary major forces!

Usually, everyone was respectful and polite to him.

Even an arrogant person like young master Fang would not dare to say such arrogant words.

To Lu Guangdu, Chen Xiaobei’s words were a great insult. It was a blatant provocation that he could not tolerate!

“Guards!”

where are the guards? ” Lu Guangdu shouted. where are they? ” Capture this brat, lock him up in the dungeon, and hang him up until he dies!”

President ... the two shop assistants said awkwardly, ” “We’ve already contacted the guards, and they’re on their way! This kid won’t be jumping around for long!”

“Alright!” Lu Guangdu gritted his teeth and nodded.

“Good, your sister!”

At this moment, young master Fang said coldly with disdain, ” he’s just a piece of trash in the divine sea realm. Why are we waiting for the guards? we can just crush him.

“But ...”

no fighting is allowed in Jinyun city, ” Lu Guangdu said embarrassedly. only the guards can arrest people! If I were to make a move, I would break the rules of the city!”

“Heh, rules are used to restrict ordinary people!”

Young master Fang laughed sinisterly and said arrogantly, ” “My grandfather is the strongest person in the Pearl region. My words are the rules! Does the master of golden cloud City dare to control me?”

“Young master Fang is right!”

Lu Guangdu’s eyes narrowed as he channeled his ethereal force and approached Chen Xiaobei.

Young master Fang and Lu Guangdu had used their primordial spirit territory to check Chen Xiaobei’s cultivation and knew that he was only at the peak of the divine sea realm.

So, they did not take Chen Xiaobei seriously at all!

To them, killing Chen Xiaobei was like killing an ant! It was effortless, and he didn't have to bear any responsibility!

"Little brat! Die in peace!"

Young master Fang sneered disdainfully, "remember, in your next life, be a man with your tail between your legs!" As a lowly commoner, one should never provoke a high and mighty figure! Otherwise, your little life will be taken away in the blink of an eye!"

"Whoosh ..."

At the same time, Lu Guangdu's attack had already taken shape. His five-star earth-god ethereal force suddenly enveloped Chen Xiaobei.

Chen Xiaobei's expression did not change even when he was faced with such a situation. His heart did not waver at all. "You think you can be considered a Big Shot?"

"What?"

Young master Fang's eyes narrowed, and he roared in extreme displeasure, " "Numbed! Do you not even know who I am? I'm Fang longqi! The division leader of the Pearl division, Fang Yuanyuan, is my grandfather!"

"What? You're Fang longqi?" Chen Xiaobei was taken aback.

He had never expected that the notorious and evil-committing malignant tumor of the Pearl region would actually appear here!

However, after thinking about it carefully, this was not strange. The Golden cloud City was the closest to the Pearl Hall. It was completely reasonable for Fang longqi to come to the Dong Sheng Chamber of Commerce to make a deal for tomorrow's operation!

"What's wrong? Are you afraid?"

Fang longqi raised his chin and sneered arrogantly, " "You lowlifes just won't shed tears until you see your coffins! Now that you know this young master's identity, you can die in peace!"

"Oh, so it's you, grandson!"

Chen Xiaobei raised his brows and smiled. "A mere Pearl Hall is nothing in my eyes! Don't tell me you're not a Big Shot! Even if your grandfather was standing here, he would have to lower his head and admit defeat!"

what???"

Everyone was shocked by his words.

"You brat!" Fang longqi cursed. He still dared to act tough when death was at hand! My grandfather is the strongest person in the Pearl region, and he's bowing down to you? Do you think you're a true immortal from the heaven realm?"

The group of young people around them also started to curse.

“This kid is too pretentious! They don’t know how high the sky is!”

“Isn’t it? In the Pearl region, only other people would admit defeat to Hall Master Fang! I’ve never heard of Hall Master Fang admitting defeat to anyone!”

“Young master Fang only wanted him dead, but he dared to humiliate Hall Master Fang. Young master Fang will definitely make him beg for death!”

.....

“Little bastard! Not only did you humiliate me! He had even humiliated young master Fang and Hall Master Fang! I won’t let you off so easily!”

Lu Guangdu was ready for action. He said fiercely, “I will first cripple your cultivation! I’m pulling out the tendons of your hands and feet! Using true essence to drill into your skin, crushing your bones and flesh! I’ll let you be left with only your stinky skin!”

“Boom boom boom ...”

Before he could finish, Lu Guangdu’s ethereal force was already charging at Chen Xiaobei. The terrifying energy wave shook the entire Chamber of Commerce. The cold killing intent even caused the surrounding temperature to drop!

“Torture him!”

Fang longqi’s face was as ferocious as a hungry dog. “I want him to suffer a fate worse than death! I want him to regret being born into this world!”

The group of young people around them were all excited. Their faces were full of gloating, treating Chen Xiaobei’s torture as a good show to watch!

Even the two shop assistants who had their faces smashed by Chen Xiaobei were smiling excitedly, as if they had finally gotten their revenge!

However, in the next moment, everyone present felt as if they had been struck by lightning. Their pupils contracted, their scalps went numb, and cold sweat poured down like rain!

“Swish!”

Chen Xiaobei suddenly raised his hand and took out a purple-gold token!

“This ... This, this, this ...”

Lu Guangdu’s face turned pale and he almost peed his pants. this is the Dongsheng purple gold Royal token!?

“Plop ...”

Lu Guangdu’s legs went weak, and he knelt on the ground. His attack on Chen Xiaobei disappeared.

“Oh my God ... That ... That’s really the Dongsheng purple gold Royal token!” The two shop assistants gasped and looked at Chen Xiaobei with respect.

Not only did the two of them kneel on the ground, but they also kowtowed with all their might. The hard stone floor was cracked by their heads!

“Young master Fang, what is this Dongsheng purple gold Royal token? Why did President Lu just kneel down?” The group of young people were dumbfounded. They had never even heard of this thing.

“This ...”

Fang longqi gulped. Cold sweat was dripping down his forehead. He stuttered, “The purple gold Royal token is the most top-notch VIP token of the Dongsheng Chamber of Commerce! The person who had the purple gold Royal token could be on equal footing with the president of the Dongsheng Chamber of Commerce! They’re all Overlord-level existences!”

an Overlord?! The group of young people gasped and said in shock, “in other words, this kid’s status is even higher than Hall Master Fang’s?”

Fang longqi wiped his cold sweat and said, “my grandfather’s status is thousands of miles lower than his ... They’re not even on the same level ...”

Everyone was shocked by his words!

[Red Envelope Group of the Three Realms](#)

Chapter 2672: eating or not

It was too terrifying!

One must know that the Pearl Hall’s scale far exceeded that of an ordinary large force. It could be said to be the strongest in the Pearl region!

And the hall Master, Fang Yuanyuan, was the number one expert in the Pearl region!

With his own strength and his huge influence, Fang Yuanyuan was the number one person in the Pearl region. He could even be said to be the local tyrant of the Pearl region!

But now, Fang longqi had personally said that Fang Yuanyuan’s status was miles away from Chen Xiaobei’s!

This was simply unbelievable!

If Fang longqi had not said it, the others would not have believed it even if they were killed!

“Oh my God ... Who is this young master? Why have you come to our small golden cloud City ...”

The group of sumptuously dressed and arrogant rich second generation young masters instantly turned into a group of docile pugs. Their faces were full of smiles as they bowed and greeted Chen Xiaobei with utmost respect.

“Get lost! You don’t have the right to talk to me!”

Chen Xiaobei looked at the group of young people as if they were a bunch of trash. Even talking to them was a waste of saliva.

“Yes ...”

As soon as he said that, the group of young people were naturally extremely depressed.

One had to know that their ancestors had controlled a lot of power in Jinyun city and even in the Pearl region. They could be considered local tyrants!

Normally, they did evil things in the Pearl region, and almost no one dared to control them. They even had to worship them like they were Masters!

However, in front of Chen Xiaobei, they did not even have the right to speak! His face had exploded!

Each and every one of them was extremely depressed. However, no matter how depressed they were, they could only endure it and did not even dare to let out a fart!

After all, Chen Xiaobei had the Dongsheng purple gold Royal token! He had the same status as the president of the Dongsheng Chamber of Commerce!

Even if their ancestors were here, they would have to bow their heads in front of Chen Xiaobei, let alone these young people!

After all, this was the Dongsheng Chamber of Commerce! Disrespecting Chen Xiaobei here was the same as disrespecting the president of the Dongsheng Chamber of Commerce. It was the same as making an enemy of the entire Chamber of Commerce!

One must know that the reason why the Dongsheng Chamber of Commerce was able to achieve such a large scale was entirely because it had an amazing backer!

Among the four major forces in Videha, three of them were the shareholders of the Chamber of Commerce. Every year, they could get a huge amount of spiritual stones from the Chamber of Commerce, and at the same time, they would provide the Chamber of Commerce with many conveniences and protection!

Because of this, almost no one in the earth-god Realm dared to offend the Dongsheng Chamber of Commerce!

With the purple gold Royal token in his hand, Chen Xiaobei was like a god in the Dong Sheng Chamber of Commerce!

As long as Chen Xiaobei was in the Chamber of Commerce, the Dongsheng Chamber of Commerce would not only provide him with the best treatment, but also protect him! And the dignity of an Overlord!

Anyone who dared to hurt or offend Chen Xiaobei would be declaring war on the Dongsheng Chamber of Commerce!

If they couldn't even protect the guests at the purple gold respectable King level, the reputation of Dongsheng Chamber of Commerce would be completely lost, and their signboard would be smashed!

Of course, this was all based on the premise that Chen Xiaobei was in the Chamber of Commerce.

If Chen Xiaobei was not in the Dongsheng Chamber of Commerce and something happened to him somewhere else, the Chamber of Commerce would not be responsible for it!

may I ask ... How should I address this young master? ”

Lu Guangdu gulped and wanted to know more about Chen Xiaobei.

Chen Xiaobei snorted and said, ” “Hmph! What are you? I haven’t even asked you for your crimes, and you’re asking me about my situation?”

I don’t dare ... I don’t dare ... Lu Guangdu gasped and quickly kowtowed to the ground. ”Please don’t misunderstand ... Even if I ate a bear’s heart and a leopard’s gall, I wouldn’t dare to question you, young master!”

I’ve said it before! I’m going to hit you too! Chen Xiaobei said. Do you have any objections?”

“This ...”

Lu Guangdu was stunned and depressed, but he could only obediently raise his head and offer his face.

“No, I don’t have any objections ... Young master, you can just smoke ...”

At this moment, the dozens of guards in the city all rushed over and saw the scene in front of them.

The guards were all dumbfounded and couldn’t believe it. “Eh? What’s wrong with President Lu? He actually gave his face to someone else to slap? Did you take the wrong medicine?”

Lu Guangdu’s face turned green.

When the guards saw this scene, word of it spread from one person to ten, and from ten to a hundred. In less than a day, the entire city would know that he, the Honorable President Lu, had given himself face to be beaten up!

He, Lu Guangdu, would lose all his face and would never be able to lift his head again.

At that moment, not only the guards, but even Fang longqi and the group of young people felt their world view change and their scalps go numb!

Giving face for others to hit!

This was the first time they had seen such a spectacle!

“Hitting you will dirty my hands!”

“Slap yourself a hundred times!” Chen Xiaobei said with disdain. And then talk to me!”

“Yes ... I will ...”

Lu Guangdu was so depressed that he wanted to die, but he had no other choice but to do as he was told.

“Pa! Pa! Pa ...”

So, in full view of the public, Lu Guangdu swung his arms and began to slap himself hard.

Chen Xiaobei was watching from the side. Lu Guangdu did not dare to play any tricks. Every slap was loud and everyone could hear it clearly.

As for the two snobbish shop assistants, they had already peed their pants in fear.

According to the rules of the Dongsheng Chamber of Commerce, offending a purple-gold honored King-level guest with their status was a capital crime without mercy.

In order to save their lives, the two of them also learned from Lu Guangdu and began to slap themselves hard. Each time, they used all their strength to beat themselves until their skin split and their flesh split open, making them a bloody mess.

Fortunately, the two of them were like two ants in Chen Xiaobei's eyes. Chen Xiaobei did not even look at them, and naturally, he did not even bother to question them.

"It's your turn!"

Chen Xiaobei looked at Fang longqi coldly.

"Hiss ..."

Fang longqi took a deep breath and his pupils shrank. He trembled and his legs went weak. He knelt down.

young master, it's all my fault. I'm a dog who looked down on people and failed to recognize Mount Tai ... Please don't lower yourself to my level ... I beg you ...

Fang longqi didn't care about his face at all. He knelt on the ground and begged while kowtowing. He was more cowardly than a dog.

After all, Fang longqi had said that he wanted to kill Chen Xiaobei and make Chen Xiaobei suffer a fate worse than death! If Chen Xiaobei wanted to settle the score, he would not go too far even if he had to kill Fang longqi!

Fang longqi was a spoiled brat who was living under his grandfather's protection. He was definitely afraid of death!

As long as he could live, he didn't care about face or dignity! She was even willing to agree to all of Chen Xiaobei's requests!

Chen Xiaobei saw through her and smiled. "I have something here. If you eat it, we'll be good friends! If you don't eat, leave your life behind!"

[Red Envelope Group of the Three Realms](#)

Chapter 2673: hidden variable

e-eat something!?

Fang longqi was not stupid. He shook his head and said, young master, please let me off ... I don't dare to eat anything you give me ... You can ask for anything else. I'll agree to anything ...

"Do you think you can haggle with me?"

Chen Xiaobei said, "To eat or not to eat, choose one! There was no third option! You only have ten seconds to consider. If you exceed the time limit, I will take it as a rejection!"

“This ...”

Fang longqi fell into despair.

The more domineering Chen Xiaobei was, the more Fang longqi believed that Chen Xiaobei had an unfathomable background and a powerful backer. Therefore, he dared not bargain with Chen Xiaobei.

To eat or not to eat, to live or die!

Fang longqi had no other choice in this two-choice question!

“I ... I’ll eat ...”

Fang longqi gritted his teeth and made up his mind. In order to survive, he would give it his all.

“You’re smart!”

Chen Xiaobei then brought Fang longqi into the Meru space.

Chen Xiaobei took out a piece of high-grade heavenly dog biscuit and threw it to Fang longqi. “Eat it. After you’ve eaten it, the debt between us will be written off!”

“Alright ...”

Fang longqi was very afraid of death, so he did not dare to have any other thoughts. He could only eat the high-grade heavenly dog biscuit obediently.

“Master ...”

Soon, Fang longqi had become Chen Xiaobei’s loyal dog.

“Listen up!”

Chen Xiaobei then ordered, “Tomorrow, I’ll go to the ruins with the people from the Pearl Hall. At that time, pretend you don’t know me! When it’s necessary, look at my face and cooperate with me!”

“Yes, sir!” Fang longqi nodded and asked, “Master, Who are you? Why did he participate in the Pearl Hall’s operation? What do you want to do?”

“Why do you have so many questions?” don’t ask me anything! Just do what I say! Chen Xiaobei said.

“Yes, sir!” Fang longqi accepted the order and didn’t dare to ask anymore.

After that, Chen Xiaobei brought Fang longqi back to the real world.

Lu Guangdu’s 100 slaps had also ended. His fat face was swollen like a pig’s head, and the handprint on his cheek was clearly visible. There was blood at the corner of his mouth. He was in a very sorry state!

“Get over here!”

Chen Xiaobei took out a storage bracelet and said, “there’s a five-star earth-god demonic beast’s corpse in here. Give me a price and give it to me immediately!”

Chen Xiaobei then threw the storage bracelet to Lu Guangdu.

“Yes, sir ...”

Lu Guangdu held the storage bracelet in his hand. After spiritual communication, he could check the body of the demonic beast in the bracelet.

this is indeed a five-star earth-god level demonic beast ...

I can pay you 100 million upper-grade spiritual stones,” Lu Guangdu said in a deep voice. according to the price of a King-level honored guest of purple gold!

“Alright! Just pay directly!” Chen Xiaobei agreed without hesitation.

Chen Xiaobei had earned 30 million upper spiritual stones from selling the 4-star earth-god Sabre-arm Battlesuit.

Another 100 million had entered Chen Xiaobei’s account, and he was finally able to recover some of his savings.

With enough spiritual stones, Chen Xiaobei would have enough bargaining chips to get things done after entering the ruins.

Lu Guangdu immediately prepared the spiritual stones, put them in an empty storage bracelet, and handed them to Chen Xiaobei.

Chen Xiaobei took the money and left the Chamber of Commerce.

Seeing Chen Xiaobei leave, the crowd finally let out a sigh of relief.

“Young master Fang ...”

Lu Guangdu covered his face and asked, “What did that young master give you? You look perfectly fine to me!”

“Get lost!”

Fang longqi glared at Lu Guangdu with a ferocious look, as if he was a Tiger who wanted to eat meat and drink blood.

“Hiss ...”

Lu Guangdu gasped and didn’t dare to say anything. He stepped aside.

In Lu Guangdu’s impression, although Fang longqi was a spoilt rich kid who did all sorts of bad things, he had never had such a terrifying aura.

Lu Guangdu even felt that Fang longqi had become a different person.

“Young master Fang, are you alright?”

The group of young people immediately surrounded him, wanting to ask about his well-being.

“You guys get lost too!”

Fang longqi’s eyes were as cold as ice, and there was a terrifying killing intent in his aura.

A tyrannical pressure enveloped them, causing the group of young people to tremble in fear and retreat.

After the group of young people retreated, they were all dumbfounded.

As Fang longqi's lackeys, they had a good relationship with him. They couldn't understand why Fang longqi would treat them like this.

Fang longqi didn't explain and walked out of the Chamber of Commerce alone.

After Fang longqi left, Lu Guangdu and the group of young people looked at each other and came to the same conclusion.

Fang longqi must have taken the wrong medicine!

.....

Outside the Golden cloud City, in a forest without any signs of human habitation.

Fang longqi stood alone under the ancient tree, as if he was waiting for something.

The night was dark and the moonlight was dim. A figure walked over from the distance.

Under the ancient tree, the man and Fang longqi had a short conversation before they disappeared into the darkness.

Fang longqi calmed himself down and waited for a while more before he returned to the Pearl Hall.

.....

The next morning.

The entire Pearl Hall became lively.

The disciples who were going to explore the ruins had to set off today.

Due to the seal of the ruins, only disciples below the level of five-star earth-god could participate in the operation.

Although there was a cultivation limit, the Pearl Hall was large in scale and full of talents. As a result, there were still many disciples on this trip, nearly a thousand of them!

There were 600 three-star earth-god level cultivators, 381 four-star earth-god level cultivators, and Chen Xiaobei!

The sun had just risen when the team set off under Fang longqi's lead.

.....

The ancient ruin was located on the west side of the Nanzhan state, in a mountain near the West aparagodaniya state.

This mountain was called Tai Pan. Due to its special location, there was no direct teleportation formation. Therefore, everyone could only teleport to the nearest main city and then rely on flying swords to travel.

The scene of nearly a thousand people riding on flying swords was quite spectacular.

Fang longqi flew in the front. There were seven or eight people around him. They seemed to be on good terms.

The cultivation of this group of people had all reached the peak of the original level. They were the strongest of the group.

Not far behind them, there were more than 30 people, all of whom were powerhouses of the advanced stage of the original level.

After that, there were more than 60 people who were all in the middle stage of the original level.

Zhao tianzhe, who was from the same branch as Chen Xiaobei, was among them.

Close to 200 people followed behind him, all of whom were at the early stage of the nascent soul realm. Lord scorching heat was among them.

At the back were 300 three-star earth-level deities. Their cultivation was too low, so they were regarded as the last few by the nascent soul realm cultivators!

And at the very end, there was a fellow with an even lower cultivation!

Chen Xiaobei!

[Red Envelope Group of the Three Realms](#)

Chapter 2674: no friends

Chen Xiaobei did not have anyone he knew to go with him on this mission. Even though Lord scorching heat knew them, he had to pretend not to know them.

So, everyone was in groups of three to five, but Chen Xiaobei was alone.

This was the only exception among nearly a thousand people, so it naturally attracted a lot of strange gazes. Naturally, there was no lack of discussion behind his back.

The 600 golden elixir realm disciples were the closest to Chen Xiaobei, so they were the ones who were talking the most.

“Look at that kid! I used my primordial spirit domain to probe and found that his cultivation is only at the divine sea realm. Why did he follow me here?”

“You still don’t know? His name is Chen Zhufeng, and he defeated an original leveled cultivator who was two levels higher than him in the Putuo City branch competition!”

“What the f * ck! This was too heaven-defying! I’ve never seen or heard of a battle that was two realms higher than mine!”

“If he’s so powerful, why doesn’t he fly to the front? He could’ve walked with the Yuanying stage senior brothers and sisters, why did he follow us?”

“Although he can fight those above his level, his cultivation is still too low! Senior brothers at the peak of the Yuanying stage won’t put him in their eyes at all, and senior brothers and sisters at the middle and late stage won’t take a fancy to him either!”

“Well said! His senior brothers and sisters at the early Yuanying stage can’t even wait to please stronger people, so naturally, they don’t have time to pay attention to him!”

“Alright, lower your voices! In the end, his cultivation base is stronger than ours! If we talk about it in private and make him unhappy, we won’t have a good ending!”

“Tsk! What was there to be afraid of? Although our cultivations are low, we almost all have Yuanying stage senior brothers and sisters to protect us! If he dares to do anything to us, he’ll have to bear the consequences!”

“That’s right! A disciple of the Putuo territory branch had no foundation in the Pearl Hall! Although my cultivation is low, I’m not afraid of him!”

.....

The 600 golden elixir realm disciples were talking without restraint. They did not lower their voices at all, not afraid that Chen Xiaobei would hear them.

As the saying goes, a strong Dragon can not suppress a snake in its territory!

In their eyes, Chen Xiaobei was a newcomer without any Foundation. Even if he was as strong as a nascent soul cultivator, he would not be able to do much!

If there was really a conflict, would the 300 nascent soul disciples of the Pearl Hall not be able to suppress Chen Xiaobei?

These golden elixir disciples were usually the followers of the nascent soul disciples. With their big brothers and sisters looking after them, they did not think much of Chen Xiaobei.

Of course, there were exceptions among these six hundred people.

“Hello, senior brother Chen!”

A young man with red lips, white teeth, thick brows, and big eyes flew to Chen Xiaobei’s side and bowed respectfully.

“Hello,” he said.

I see! Chen Xiaobei nodded. why are you here instead of going with the others? ”

“I ...”

The young man pursed his lips and said in a low voice, “ I don’t have any other friends. No one cares about me even if I fly in front of them. If you don’t mind, I want to travel with you!

[ding Yingluo’s cultivation level: early gold core realm. Lifespan: [9788 years, physique: 5000000, combat power: 50 million, primordial spirit attack-three-star earth-god level!

Chen Xiaobei used his netherspirit battlescouter to check his cultivation and said, "I don't mind, but you have to tell me why you don't have any friends, right?"

"This ..."

The young man lowered his head and hesitated for a moment before saying, "I've offended senior brother Fang longqi before ... After that, no one dared to be my friend ..."

"So that's how it is."

why?" Chen Xiaobei asked, "since you've offended Fang longqi, why are you still in Pearl Hall?" Will he be able to tolerate you?"

originally, I was going to be expelled from the sect ... the young man said in a low voice, "it was my father who paid a huge price and sent a large number of treasures to Hall Master Fang to protect my identity as a disciple of the Pearl Hall!"

"Oh? In that case, your family background should be pretty good!" Chen Xiaobei asked again.

The young man bit his lips and said dejectedly, "my family background isn't that great ... My father is only a general at the Great Wall of green sky. In order to protect my identity as a disciple of the Pearl Hall, my father sold everything that could be sold at home!"

"The general of the Great Green Wall?" Chen Xiaobei's eyes lit up as he recalled the time he met Zhao Yun.

Verdant green main city was a top-tier strategic town in the North of Nanzhan state. It had an excellent geographical location and a large population.

For this treasured land, countless forces had launched Wars to attack Green Mountain for many years.

However, verdant Azure main city had never been threatened. In fact, it had always been peaceful because there was a great wall to the North of the main city that spanned hundreds of millions of miles!

Azure City and the surrounding Daoist factions had formed a massive Army. With Azure City as the foundation, they would resist all the factions that wanted to join them!

To the people of Green Mountain, the Great Wall was great, and so were the soldiers guarding it!

It was because of these soldiers 'life-and-death defense that verdant green main city was at peace!

The fact that the young man's father was a general at the Great Wall University piqued Chen Xiaobei's interest.

"What's your name?" Chen Xiaobei asked.

"Yue yefeng." The young man answered quickly.

"Alright, you'll follow me for the rest of the journey!" Chen Xiaobei said.

R-really?" Yue yefeng's eyes widened in disbelief."Senior brother Chen, aren't you afraid of being implicated by me and not being able to make other friends?"

Chen Xiaobei shrugged and said, "You know the answer, but you still ask! None of the people here treat me as a friend! Otherwise, you wouldn't have come to me, right?"

"Senior brother Chen is so smart ..."

Yue yefeng scratched his head and said awkwardly, "indeed, I saw that you didn't have any friends along the way, so I specially came to travel with you ..."

don't beat around the bush! Chen Xiaobei said. just tell me what you have in the future!

"Alright, I got it!" Yue yefeng nodded repeatedly.

"Yo! Isn't that Yue yefeng?"

At this moment, a young woman flew over from the front of the line and said sarcastically, "It's been almost two years since you offended young master Fang, right? You've finally found a new friend?"

Mingli ... Yue yefeng pursed his lips and his eyes revealed a hint of pain.

"Numbing!"

At this moment, another man flew over and glared at Yue yefeng. He shouted coldly, "You think you can call her Mingli? Call me young miss Fu!"

this ... Yue yefeng's face was filled with bitterness. He gritted his teeth and said, "Young miss Fu!"

"Hmph!"

"I only agreed to be your girlfriend because I saw that you're quite talented!" Fu Mingli said disdainfully. I didn't expect that you would be so stupid as to offend young master Fang! Fortunately, I was wise enough to dump you first! Otherwise, I'll be killed by you!"

Yue yefeng gritted his teeth and clenched his fists, but he was speechless.

The man beside him looked at Chen Xiaobei and said arrogantly, "Brother, I heard that you're quite strong. Come with me in the future! Your future will be ruined if you hang out with Yue yefeng!"

yes! Chen Xiaobei replied, "Yue yefeng is my companion. He didn't betray me, so I won't abandon him! As for you, you're not worthy of me following you!"

"What!"

The man was furious and roared, "do you f * cking know who I am?" Do you know who my brother is? I'm giving you a favor by letting you hang out with me! Don't be so ungrateful when I give you face!"

Chen Xiaobei did not change his expression and said, "Get out of my sight immediately. If you say another word, I'll give you a big slap!"

[Red Envelope Group of the Three Realms](#)

Chapter 2675

2675 Mid-stage nascent soul

"Numbing next door! You little brat, you simply don't know how to appreciate favors!"

“I’m Wang ziwu!” The man roared. My big brother is Wang chengsi! It’s fine if you f * cking refuse me! You actually dare to say you want to beat me up! You’re courting death! You’re courting death!”

Fu Mingli frowned and looked at Chen Xiaobei as if he was an idiot. “Little brat! There’s still time to kneel down and kowtow! Otherwise, you’ll really die an ugly death!”

Even Yue yefeng was shocked by Chen Xiaobei’s words. He quickly whispered, “Senior brother Chen! This is a big joke ... The Wang brothers are famous tyrants in the Pearl Hall. The Wang family behind them is also very powerful ...”

“Ten seconds are up!”

Chen Xiaobei did not take Yue yefeng’s advice seriously. He raised his hand and swung it at Wang ziwu!

“Numbing! You really dared to make a move! Do you think I’m a vegetarian?” Wang ziwu glared at him and raised his hand to fight back.

After all, Wang ziwu was an expert in the Golden elixir realm. An ordinary person would not be able to hit him.

Unfortunately, Wang ziwu was facing Chen Xiaobei!

Although Chen Xiaobei’s cultivation was low, his physical body had already reached the nascent soul level. The speed and strength of his physical body alone were enough to defeat a golden elixir cultivator!

“Pa!!!”

With a loud explosion, Wang ziwu was slapped in the face before he could even retaliate.

“Pfft ...”

Wang ziwu spat out a mouthful of blood and fell off the flying sword as he lost his balance.

“You ... You brat ... You actually dared to hit me ...”

Fu Mingli was dumbfounded. She looked at Chen Xiaobei as if he was a lunatic.

“Get lost!”

Chen Xiaobei released his aura and said, “Don’t think that I won’t hit you just because you’re a woman!”

“Hiss ...”

Fu Mingli sucked in a breath of cold air. Her heart instantly clenched, and her pupils contracted. She felt as if she was being stared at by a ferocious beast, and could be devoured alive at any moment.

Not daring to waste any more time, Fu Mingli turned her flying sword around and charged downward. She caught Prince afternoon and hurriedly flew forward.

“This is bad!”

Yue yefeng furrowed his brows and said with a worried expression, “Senior brother Chen! They must have gone to find Wang chengsi! That guy is a powerhouse in the middle stage of the original level.

Relying on the power of the Wang family, he is very powerful in the Pearl Hall. Those who dare to offend him will not have a good end!”

At the same time, the disciples in the Golden elixir realm in front were attracted by the roar and the slap just now. They had already seen everything and were pointing and discussing.

“That Chen Zhufeng is crazy, right? Did he slap Wang ziwu just because they didn’t agree? Isn’t this just looking for death?”

“Do you still need to ask? Wang ziwu had already gone to look for Wang chengsi! Even if Chen Zhufeng doesn’t die today, he’ll be skinned alive!”

“Previously, an unlucky person provoked Wang chengsi. In the end, Wang chengsi twisted his head off in the life and death Ring! After that, no one dared to offend the Wang brothers for many years!”

if that’s the case, then Chen Zhufeng will definitely die!

.....

Chen Xiaobei was not affected by the crowd’s discussion. He continued to fly on the cloud, not afraid of the Wang brothers.

“Senior brother Chen! You should retreat first! It’s too dangerous to stay here!” Yue yefeng frowned and was extremely worried.

Chen Xiaobei shrugged and said, “Who’s stronger, Wang chengsi or Fang longqi?”

“Ah?”

Yue yefeng was stunned for a moment before he said awkwardly, “Do you still need to ask? Of course, young master Fang was the best! In the Pearl Hall, the two Wang brothers were tyrants, while young master Fang was the devil incarnate! The two sides aren’t even on the same level!”

“What’s there to be afraid of?” Chen Xiaobei smiled.

“You’re not afraid?”

“Senior brother Chen, do you know young master Fang?” Yue yefeng asked in a low voice.

“I don’t.” Chen Xiaobei shrugged, still smiling.

“Damn it! You don’t know young master Fang and you dare to hit my brother! Don’t you know how to spell the word “death”?!” At this moment, a furious voice came from not far away.

Looking in the direction of the sound, an angry man was riding a flying sword and rushing over at an extremely fast speed.

Wang ziwu and Fu Mingli followed behind.

It was obvious that the man was Wang chengsi, who was in the intermediate stage of the nascent Soul Stage.

Seeing this, the 600 golden core disciples exclaimed again.

“Quickly look! Wang Chen had arrived! You’re so angry, but your bad temper hasn’t changed at all!”

“This is going to be a good show! Chen Zhufeng might be able to defeat an early nascent Soul Stage cultivator, but Wang chengsi is already in the mid nascent Soul Stage. He’s in the first minor realm and has 50 million combat power. I don’t believe that Chen Zhufeng can still win!”

it doesn’t matter even if Chen Zhufeng wins ... Wang chengsi and young master Fang are very close. As long as young master Fang steps in, Chen Zhufeng will die today, even if he has three heads and six arms!

that’s right ... The Wang brothers can do whatever they want in the Pearl Hall because they have a good relationship with young master Fang!

it seems like Chen Zhufeng is really going to die today!

.....

“I’m finished, I’m finished ...”

Yue yefeng’s face turned pale, and his eyes were filled with despair and self-blame.”Senior brother Chen ... It’s all my fault! I’ve implicated you! If I hadn’t come to travel with you, you wouldn’t have gotten into this trouble!”

“Ha, no need to be nervous.”

“This is not a problem for me!” Chen Xiaobei said. At most, it’s just a small show on the way!”

“Senior brother Chen ... How can you say such things when the fire is already burning your eyebrows?” Yue yefeng’s tears were almost falling. Wang chengsi will kill you!”

“Die!”

Before he could finish his sentence, Wang chengsi activated his ethereal force and was about to attack Chen Xiaobei without giving him a chance to explain.

“Boom boom boom ...”

With a burst of explosion, the dazzling gold attribute vital essence suddenly condensed in the air!

The Zhen Yuan transformed into a huge Metal Battle Tiger. Its face was ferocious, and its four claws were like blades. Its aura was violent and fierce, causing the spectating golden core disciples to be frightened and retreat continuously!

[ding Yingying’s cultivation base: mid-nascent Soul Stage. Lifespan: Year 12996, physical body: 200 million, combat power: 200 million, primordial spirit attack: three-star earth-god level!

Chen Xiaobei used his netherspirit battlescouter to check his opponent’s combat power.

Chen Xiaobei’s current physical strength was 150 million. There was a difference of 50 million between him and Wang chengsi.

If it was still like the sect competition, where he used the engulfing Four Seas and heaven-defying, he would not be able to defeat Wang chengsi.

“Senior brother Chen! Quickly run! It’ll be too late if you don’t run!” Yue yefeng was completely flustered. He wanted to knock Chen Xiaobei unconscious and carry him away.

“Run? Why did he run? I’m still waiting to see Wang chengsi get beaten up!” Chen Xiaobei was as calm as ever. He did not plan to escape or even resist.

Chapter 2676: for your own good

“Eh? You’re not running? Not even defending?”

Wang chengsi’s killing intent surged as he grinned. “Are you scared silly by me? This was no wonder! You are no match for me. You have no choice but to wait for your death!”

“Kill him! Kill him!” Wang ziwu and Fu Mingli were standing not too far away, waving their arms in excitement. They could not wait to see Chen Xiaobei get killed.

In the distance, the six hundred golden core disciples also showed gloating expressions. “This Chen Zhufeng is too much of a poser! I’m going to be struck by lightning!”

it’s over ... Wang chengsi is already rushing over ... Yue yefeng wailed. “Senior brother Chen, even if you want to run now, it’s completely too late ...” He said.

At that moment, almost everyone was certain that Chen Xiaobei was dead.

“Stop!”

However, at this moment, another roar came from behind!

“Swish!”

The next moment, an extreme shadow charged at him. Its speed was much faster than Wang chengsi’s, and it managed to stop Wang chengsi before he could attack Chen Xiaobei.

young ... Young master Fang!?

Wang chengsi was taken aback and asked, “Why did you come here personally? It’s just a small matter here, there’s no need for you to come out!”

“You call this a small matter?” Fang longqi narrowed his eyes and asked coldly.

“Of course!”

Wang chengsi grinned hideously, “he’s just a piece of trash from the Putuo territory’s branch. I can take care of him with one hand!” It was as easy as blowing off dust! Young master Fang, you don’t have to worry at all!”

Fang longqi’s face turned cold and he shouted, “Idiot! Do you think I’m here to help you?”

this ... Wang chengsi was taken aback. He swallowed his saliva and said, “Young master Fang ... What’s wrong with you? What’s our relationship? You ... You dare to scold me in public?”

“Nonsense! I’ve told you long ago that this operation is extremely important and there is no room for mistakes! But not only did you not prepare for the operation, you even bullied your companions! If this young master doesn’t scold you, should I praise you?”

“It’s just as you said, we’re close!” Fang longqi shouted. If I don’t care about you, others will think that I don’t care about this operation either! If everyone slackens off when we enter the remains, how can we complete this mission?”

I ... Wang chengsi swallowed his saliva, his face filled with shock.

Fang longqi was second to none in bullying his fellow disciples in the Pearl Hall.

Wang chengsi had learned how to bully his fellow disciples from Fang longqi.

However, Fang longqi seemed to have taken the wrong medicine today. He had transformed into the ‘Messenger of justice’ and started scolding Wang chengsi. Wang chengsi felt so wronged that he almost died.

“If you don’t say anything, I’ll take it that you’ve realized your mistake!”

Fang longqi’s eyes narrowed, and he raised his hand to slap her.

“Pa!”

A crisp sound was heard. Wang chengsi had never expected that after being scolded, he would be slapped in the face!

Caught off guard, Wang chengsi was directly sent flying and fell like a broken kite!

Everyone was dumbfounded by what they saw.

“What ... What is going on?” Yue yefeng was dumbfounded. He could not figure out what had happened to Fang longqi.

The six hundred golden core disciples in the distance all looked as if they had been electrocuted. Their eyes were as wide as a bull’s and their mouths were so wide open that a fist could fit in.

Fu Mingli’s brows were tightly furrowed. After she dumped Yue yefeng, she immediately ran into Wang ziwu’s arms all for the sake of Fang longqi, the big backer behind the Wang brothers!

But now, it seemed that the relationship between Fang longqi and the Wang brothers had changed!

Fu Mingli rolled her eyes slyly and looked at Yue yefeng. She shook her head and then looked at Chen Xiaobei!

Fu Mingli was a despicable person who sucked up to the powerful. If the two Wang brothers lost their power, she wouldn’t hesitate to find another backer!

“Brother!” Wang ziwu’s face was filled with shock. He immediately rode his flying sword and rushed down to catch Wang chengsi.

“Come here.” Fang longqi beckoned with his finger. Wang ziwu swallowed his saliva and flew over with Wang chengsi.

“Did I hit you too hard just now?” Fang longqi narrowed his eyes and looked at Wang chengsi.

Half of Wang chengsi’s face was swollen to the size of a pig’s head. Blood and broken teeth were splattered all over his body. His head was in excruciating pain, and it was already a miracle that he had not fainted.

“Chengsi! You should know that I hit you for your own good!” Fang longqi said with a serious face.

“This ...”

When Wang chengsi heard this, he cursed in his heart, but he could only force a smile on his face. “Yes ... Young master Fang is right ...”

“Mm, it’s good that you understand!” Fang longqi raised his eyebrows and sneered, “The next time you make a mistake, I’ll still punish you like just now!”

“What?” Wang chengsi’s face turned green. This slap had nearly crippled him. If he was hit a few more times, he would die!

“Alright! Everyone, listen to my command and land on the spot!”

Fang longqi waved his hand and ordered, “The entrance to the remains is in the forest below. After landing, everyone will walk for about ten minutes to reach the destination!”

Because of this, the team of nearly a thousand people immediately descended into the forest below.

After landing in the forest, everyone maintained their flying formation and walked into the dense forest.

Chen Xiaobei and Yue yefeng were still at the back of the group.

“Senior brother Chen ... You’re a god!”

Yue yefeng gulped and looked at Chen Xiaobei with admiration. “How did you know that Wang chengsi would get a beating? Didn’t you say you didn’t know young master Fang? But he was obviously helping you just now!”

I don’t know! Chen Xiaobei shrugged. I don’t know why he helped me! Maybe it’s because I’m more handsome!”

uh ... Yue yefeng was speechless. He had never seen such a narcissistic person.

.....

After a while, the team stopped moving forward.

It was obvious that they had arrived at the entrance to the ruins.

“Senior brother Chen, do you want to go to the front first?”

“Those with higher cultivation bases can enter the remains first!” Yue yefeng said. If there are any benefits, we can also get them first!”

“It doesn’t matter, it’s the same whether we advance first or later!” Chen Xiaobei shrugged.

“You’re not interested in the benefits in the remains at all?” Yue yefeng asked in surprise.

Chen Xiaobei shrugged. Those were just fleeting clouds! I didn’t come here to get any benefits!”

“Not for the benefit? Then why did you come?” Yue yefeng was dumbfounded.

“Can’t I tour the mountains and rivers?” wait here! Chen Xiaobei raised his eyebrows. I need to pee!
uh ... Yue yefeng was already sweating.

Almost all immortal cultivators didn’t need to eat or drink.

Why did Chen Xiaobei have to pee at this critical moment?

This was very strange!

Chapter 2677: sweltering hot land

It was obvious that Chen Xiaobei and Liu xuanxin had already come up with a plan of action before they came.

Chen Xiaobei could not wait any longer as he was about to enter the ruins.

With no one around, Chen Xiaobei took out No. 8 Luban, filled it with spiritual Qi, and transformed it into his appearance.

Chen Xiaobei then ordered No. 8 Luban to return to Yue yefeng’s side.

Chen Xiaobei put on his ghost mask and activated his Nightstalker outfit’s stealth ability. Then, he ran to the front of the group.

“Chi ...”

At the same time, Fang longqi was holding a strange spiritual artifact and casting a spell on a Bare Mountain wall.

As waves of spiritual fluctuations were transmitted over, special ripples gradually appeared on the bare stone wall. It was originally a rock, but it had become like water.

“Alright! The spatial gate to the ruins has been opened!”

Fang longqi put away the spiritual artifact and said, “ “Only those who are below the five-star earth-god Realm can pass through this space gate! However, there might be dangers beyond the level of five-star earth-god in this relic!”

Upon hearing this, the eight peak nascent soul realm disciples all said impatiently, “ don’t be afraid even if there’s danger. We all have the clan protection treasures in our hands. If we work together, we’ll definitely be invincible!

“Don’t rush!”

Fang longqi slowed down his speech and said, " "My grandfather sent people into the ruins to investigate before! It was full of danger. More than half of the people who investigated died, and those who survived were seriously injured! Don't be careless!"

"Understood!"

The eight disciples at the peak of the original level all nodded and said, " "We'll follow young master Fang closely and work together!"

"Chi ..."

At this moment, the spatial gate fluctuated.

"Eh? What was going on? I think someone went in just now!" A peak Yuanying stage disciple pointed at the space gate and said.

"Nonsense!"

Fang longqi rolled his eyes at the man and said, " "We have hundreds of pairs of eyes here, where is the shadow of a person?"

uh ... the man nodded, not daring to argue, " "Maybe I'm mistaken ..."

"Everyone, listen up!"

Fang longqi cleared his throat and said slowly, "This relic is very dangerous. I'll tell you what to pay attention to after entering ..."

In the next hour, Fang longqi nagged at everyone about their safety.

Many of them almost fell asleep, wondering if Fang longqi had taken the wrong medicine.

However, that was the effect Fang longqi wanted!

Fang longqi's one hour delay had earned Chen Xiaobei an hour!

That's right!

The abnormal fluctuations from the spatial gate just now meant that someone had indeed entered!

That person was Chen Xiaobei!

If Chen Xiaobei entered the remains first, he would be able to get the benefits first!

The longer Fang longqi stayed outside, the more opportunities Chen Xiaobei would have!

.....

Inside the ruins, it was a completely different scene.

This was a huge cave, no less than a thousand meters high and hundreds of meters wide. Even an Army with thousands of soldiers and horses could pass through it freely!

Furthermore, the temperature in the cave was extremely high. Even with Chen Xiaobei's strong body, he could not stand the heat. He had only taken a few steps and he was already drenched in sweat!

His sweat dripped down, and the moment it touched the ground, it was instantly evaporated, turning into a wisp of water vapor!

“Black soul!”

Chen Xiaobei released the Dark Soul from the Meru space and said, “Release a little bit of cold air! This damn place is too hot!”

“Yes, sir!”

With a thought from Xuan po, a stream of icy-blue cold air was released, causing the temperature around Chen Xiaobei to drop.

“Phew ... I feel much better!”

Chen Xiaobei let out a long breath and said, “with such a high temperature, even the body of a Yuanying stage cultivator is extremely hot. If a Jindan stage cultivator comes in, I’m afraid he’ll get a heat stroke in minutes!”

“Bro bei, don’t worry!”

Xuan po was very smart and said indifferently, “didn’t they send people to investigate earlier?” For this operation, we’ll definitely prepare some items to relieve the heat!”

“I can’t be bothered to worry about them!”

Chen Xiaobei said, “I’m just very unhappy with that old fox Fang! In such a dangerous place, he actually sent 600 disciples in the Golden elixir realm at one go! Isn’t this asking people to jump into the fire pit?”

“That old man is indeed unkind!” that’s right! Xuan po nodded and said, “that old man doesn’t care about the life and death of others for his own benefit!”

“Forget it! I’ll walk in front, and if there’s any danger, I’ll try my best to block it!” that’s right! Chen Xiaobei said, “at least we can protect the innocent people behind us!”

“Bro bei, you’re so kind!” Xuan po said with a face full of admiration.

“The heavenly Dao punishes evil and promotes good!” good! Chen Xiaobei said, “good will come back to you sooner or later!”

After that, Chen Xiaobei and Xuan po went deeper into the cave.

The first part of the journey was normal.

After all, that old fox, Fang Yuan, had already sent people to investigate. Many people had died, and they definitely didn’t die just because of the high temperature.

“Xuan po! Stop!”

Suddenly, Chen Xiaobei stopped in his tracks.

“What’s wrong? Is there a situation?” Xuan po asked in confusion.

yes! Chen Xiaobei nodded and said, " there are five bodies under that rock! There must be danger in that area!"

"A corpse? How come I didn't see it?" Xuan po opened his eyes wide and looked at it carefully for a long time, but he did not find anything.

I have fiery golden eyes, which can see through a certain range! Chen Xiaobei said.

"Fiery golden eyes? X-ray vision?" Xuan PO's admiration for Chen Xiaobei increased even more. "Bro bei! You're amazing!"

Chen Xiaobei did not say anything but continued to use his golden gaze fiery eyes to observe the surroundings.

"Any new discoveries?" Xuan po asked.

No... Chen shook his head.

"The five corpses might have been killed by a falling rock. It was just an accident. There's no danger!" Xuan po said after some thought.

"Impossible!"

what? " Chen Xiaobei's eyes narrowed. the person that old fox Fang Yuanyuan sent must be an expert. He would not be so stupid as to be crushed to death by the falling rocks! Moreover, the hardness of rocks was far inferior to the body of an immortal cultivator! You won't die even if you get hit!"

"If that's the case, there really is a hidden danger ahead!" Xuan po composed himself and said,"why don't I go and check it out first?" After all, I'm a six-star earth-god, so I shouldn't be in any danger!"

"We'll go together!" Chen Xiaobei took out the four demonic swords and the infinite sword formation, ready to fight.

"Whoosh ..."

Chen Xiaobei took a few steps forward, and his surroundings changed.

Chapter 2678: stage-clearing reward

"Boom boom boom ..."

With a strong spiritual fluctuation, the entire space was instantly set ablaze!

All directions, the walls, the ground, and even the ceiling of the cave were completely covered in fire!

The temperature in the cave was already extremely high, and with the addition of these strange flames that were driven by their spirituality, the temperature soared even more!

Boom ... Boom ... Boom ...

As the flames continued to burn, huge rocks kept falling from the top of the cave!

The cave was huge to begin with, and each of the falling rocks was as big as a truck!

The point was that these huge rocks were wrapped in flames. With the support of the mysterious spirituality in the space, their power had actually reached the level of two-star earth-god!

No wonder five people were crushed to death under that huge rock!

Chen Xiaobei only had two options. One was to pass through the flaming space, and the other was to retreat and escape the danger zone!

If it was an ordinary person who came here, they would definitely not dare to continue forward without knowing the situation ahead.

However, Chen Xiaobei was different!

To Chen Xiaobei, the fiery space in front of him was like a child's game. There was no challenge at all!

"Whoosh ..."

Without waiting for Chen Xiaobei's order, black soul released a powerful frost ethereal force.

Wherever the black soul passed, the flames would retreat and the temperature would drop sharply.

Even the falling rocks were frozen by the frost ethereal force and shattered upon contact. They could not even touch Chen Xiaobei.

bro bei! Look! There are so many burnt marks on the ground!

"If I'm not mistaken, those should be corpses that have been burnt to ashes. Looking at the number, there should be around twenty to thirty people!" Xuan po said.

"That's right! Those are indeed burnt ashes!"

"Fang Yuanyuan, that old thing! He's so inhumane!" Chen Xiaobei said. Sending a group of disciples with low cultivation to investigate is purely harming people!"

bro bei, how did you know that the person who came to investigate was weak?" Xuan po asked.

"Although it's very hot here, a two-star earth-god can withstand the high temperature by using his true core strength to protect himself! Those falling boulders are only enhanced with the strength of two-star earth-god, so if we join forces, we can completely resist them!"

but, look at the scene! There's no sign of resistance at all! Chen Xiaobei said. It was obvious that the cultivation of these dead people was not even at the two-star earth-god Realm! He was completely killed in seconds!"

"It really is like this!"

yes! Xuan po nodded and said, "it seems that old man Fang Yuanyuan deliberately sent a group of disciples with low cultivation to be cannon fodder!"

"That's right!"

“When the fire erupted, almost half of the people who were not loyal to the enemy chose to run away immediately!” Chen Xiaobei said. On the other hand, those who were loyal to Fang Yuan were unwilling to escape, and in the end, they all died without an intact corpse!”

When Xuan po heard this, he said angrily, “ Fang Yuanyuan, that old thing. He sent cannon fodder to investigate. He was already scamming people. He even specially scammed his own people! He’s really too detestable!”

“I already knew that this old fox wasn’t a good person!” what?! Chen Xiaobei said, “ but I didn’t expect him to be even more shameless and evil than I thought!

“We can’t be soft-hearted when dealing with this kind of person!” “Bro bei!” Xuan po said angrily. Let’s go quickly! Take away all the benefits in this cave and leave nothing for Fang Yuan!”

“I think so too!” Chen Xiaobei raised his eyebrows and quickened his pace.

.....

With Xuan PO’s protection, the burning space was not a threat at all. After a few minutes, they passed through it.

As Chen Xiaobei and black soul left the designated area, the fire in the space was extinguished.

“Isn’t the first stage too simple? There’s no challenge at all!”

“If the difficulty level is always at two-star earth-god level, I don’t think the owner of this ruin is that strong. I’m afraid he won’t leave anything good behind!” Xuan po said with a lack of interest.

“Don’t be careless!”

not even Fang Yuanyuan can break the formation that seals the entrance of the ruins! Chen Xiaobei said. It could be seen that the heritage Site’s master’s cultivation and Foundation far exceeded Fang Yuanyuan’s! The further we go, the more difficult the test will be!”

Xuan po thought for a while and asked, “what is the master of this monument thinking?” Setting up a seal that only allows those below the five-star earth-god level to enter, and then setting up multiple tests ... What’s the point of doing this?”

“Inheritance!”

I think the master of this ruin is looking for an heir. As long as we can pass his test, we will be able to inherit everything he has! Chen Xiaobei said.

“I see!”

“If we have to walk to the end to get the benefits, then did we pass the first stage for nothing?” Xuan po frowned.

Chen Xiaobei shrugged and said, “ there’s nothing we can do about it. After all, the ruins were left behind by others. They naturally have the final say in how they set it up!

what? ” Xuan po was a little disappointed. it would be great if I could get a reward for every level I pass!

Chen Xiaobei shook his head. don't let your thoughts run wild. It's better to speed up than anything else ... Hmm? "

Suddenly, Chen Xiaobei's expression changed.

"Ka! Ka! Ka ..."

A secret compartment suddenly opened on the stone wall in front of him.

There was a red brocade box in the middle.

Just this box alone was already shining with spiritual light. It was definitely not an ordinary item. The item inside the box must be even more valuable!

"Reward! That must be the reward for the first stage!"

Xuan po was excited. He flapped his Ice Wings and flew over to the box. He picked it up and flew back to Chen Xiaobei.

Chen Xiaobei's eyes lit up. "You're right, little guy! I think we'll get a reward for every level we pass!"

Xuan po was overjoyed to hear Chen Xiaobei's praise. "Hehe! If big sister Xuan Xin is the goddess of fortune, then I'm the lucky Little Star!"

"Yes, yes, yes! You're the lucky Little Star!" Chen Xiaobei patted Xuan PO's head and said, " "If it wasn't for you, I would have missed this reward!"

Xuan po passed the box over and urged,"Bro bei, take a look! Let's see what's inside!"

"Alright!"

Chen Xiaobei took the box and slowly opened it.

Inside the box was a pill as red as fire. It had a strong spiritual nature and was probably a four-star earth-god!

"The master of this monument is too careless, right?"

Xuan po looked at it and frowned. there are only pills. There are no instructions. How do we know what the effects are? " How dare you eat it?"

"Don't rush!"

Chen Xiaobei used his mind to communicate with the brocade box, " this brocade box is not an ordinary item. It should contain the relevant information!

"Whoosh ..."

Sure enough, after a simple spiritual communication, the brocade box showed a series of small words condensed from the red fire spiritual light like a projector!

this pill ... Chen Xiaobei was shocked. this pill is ...

Red Envelope Group of the Three Realms

Chapter 2679: exploding scorch blood

what is it!?

“Bro bei!” Xuan po asked anxiously. Don’t just say half of what you’re saying! This is so worrying! Hurry up and tell me, what kind of pill is that?”

“Explosive blood boiling pill!”

Chen Xiaobei said, “ this pill is a four-star earth-god level pill. As long as one’s cultivation base doesn’t exceed the pill’s level, one’s combat power will increase by 30% after consuming it. Furthermore, one’s attacks can be accompanied by explosive flame damage!

“Awesome!”

Xuan po swallowed his saliva and said in surprise, “ in other words, anyone below the level of five-star earth-god can not only increase their combat strength but also launch attacks with explosive flames after taking this pill. They can fight above their level!

“Yup ...”

that’s right! Chen Xiaobei nodded. increase combat power by 30%. It’s the same as my primordial Witch King combat enhancement training manual. This pill also has an additional flame Blast Attack. It’s even more powerful!

“Bro bei, what are you waiting for?” “Since this pill is so powerful, hurry up and eat it!” Xuan po said excitedly.

“No rush!”

no! Chen Xiaobei shook his head. the effect of this pill is good but it’s not permanent. The effect will only last for a short period of time. After that, the effect will disappear! I’ll keep it first and eat it when it’s necessary!”

so the pill doesn’t have a permanent effect ... Xuan po was slightly disappointed.

Obviously, although the effects of the explosive blood pill were better than the primordial Witch King combat enhancement training manual, it was far from comparable to the primordial Witch King combat enhancement training manual.

First of all, the primordial Witch King combat enhancement training manual’s effects were permanent.

Secondly, the primordial Witch King combat enhancement training manual did not have any level restrictions. As long as Chen Xiaobei’s cultivation did not exceed divine-tier, he could use it!

In comparison, the effects of the explosive blood boiling pill could only last for a short period of time. Moreover, it would have no effect on those who were above the level of four-star earth-god!

When he reached the divine level, the primordial Witch King combat enhancement training manual could increase his combat power by tens of billions.

However, the explosive blood boiling pill could only increase his combat power by tens of millions to 100 million at most!

It was obvious that this was the essential difference between a God and a four-star earth-god!

it seems like this pill is of little value to bro bei ...

“It’s tasteless, but it’s a pity to throw it away ...” Xuan po sighed.

“No!”

“The explosive blood boiling pill is still very useful to me right now!” At the crucial moment, the combination of the pill and Shen methodology can increase my battle power and catch the enemy off guard!”

combat strength?” Xuan po frowned and said worriedly, “combat strength requires the support of the physical body. If the physical body is not strong enough, it might be crushed by the excessive combat strength!

“Don’t worry!”

I have a nascent soul physical body now. I have also prepared the blood essence of a five-star earth-god demonic beast in my storage bracelet. I can train my body again at any time to reach the level of a five-star earth-god!

“It can’t be!”

bro bei is only in the divine sea realm! How could he have a nascent soul realm body?” Xuan po was shocked.

“This is the power of the” sky-killing tyrant body technique “!”

of course! Chen Xiaobei said, “although the cultivation speed of the sky-killing tyrant body technique is not very fast, the best thing about it is that it is not restricted by cultivation! Even if he had a weak cultivation level, he only needed a pool of beast blood to break through a major realm! I don’t need the guidance of a Master Teacher, and I don’t need to consume any additional resources!”

“Heavens! This “sky-killing tyrant body technique” is also a heaven-defying skill!”

Xuan PO’s face was full of surprise and he asked doubtfully, “Bro bei, why did you only prepare the blood of a 5-star demonic beast? Wouldn’t it be more convenient to capture all the six, seven, eight, and nine-star demonic beasts in one go?”

“Ha, it’s easy to say, but it’s hard to do it!”

five-star earth-god level demonic beasts are already very rare. If I didn’t increase my luck, I wouldn’t have been able to find them! Chen Xiaobei said with a bitter smile.

“Almost all six-star and seven-star demonic beasts have already produced demon spirits and transformed into demons! In the northern kuruzhou, he could be a formidable figure, leading a great demon force! It’s even more impossible to catch them easily!”

“Eight-star and nine-star demons are core members of the top ten forces, let alone capturing them! Even if we fight with all our might, we might not succeed!”

The bitter smile on Chen Xiaobei’s face deepened.

Although this “sky-killing tyrant body technique” was powerful, the further one went, the longer the cultivation time would be, and the more difficult it would be to obtain the beast blood required.

“After five-star, it would be as difficult as ascending to the heavens to cultivate the body!”

Chen Xiaobei sighed helplessly and said, “ moreover, I’m afraid that the corpses of demonic beasts after five-star will not be able to be sold anymore!

“Why can’t it be sold?” Xuan po asked in confusion.

that’s because the high-level big demon must have a complicated relationship with the forces behind it. Once it involves the top forces of the demon race, even the Dong Sheng Chamber of Commerce doesn’t dare to take over easily!

no! Chen Xiaobei said, “ whoever dares to take over the business will probably face the wrath of the top forces of the monster race! The consequences will be unimaginable!”

I see ... Xuan po swallowed his saliva and finally understood the implications behind this.

Chen Xiaobei had sold the body of a 5-star earth-god demonic beast for 100 million upper spiritual stones!

This price could be said to be surprisingly high! In fact, many people wouldn’t even believe it!

But in fact, this was not strange at all!

The reason why it could be sold at such a high price was that almost no one dared to buy the corpses of five-star demonic beasts and above! Even if a Chamber of Commerce dared to take over, they might not have the supply!

In other words, five-star and above were priceless!

The best demonic beast corpse that could be traded normally in the market was a five-star earth-god corpse!

However, the number of five-star earth-god level demonic beasts in the Nanzhan state was very small! If Chen Xiaobei was not lucky, he would not have found it so easily!

Because of this, the body of a five-star earth-god demonic beast was already a rare commodity!

The rarer something was, the more precious it would be! Good things are valued!

The corpses of five-star earth-god level demonic beasts were extremely rare and were the best in the market!

In addition, there was the privilege of the purple gold Wang token!

It was completely reasonable for it to be sold for 100 million upper spiritual stones!

“Let’s go! Let’s continue forward! Fang longqi can buy me about an hour. Although it only took me ten minutes here, the later stages will only get harder and harder. We have to hurry!”

Chen Xiaobei calmed himself down and quickened his pace.

Xuan po followed closely behind, releasing cold air to help Chen Xiaobei resist the rising temperature.

.....

After walking for a while, Chen Xiaobei and black soul suddenly stopped in their tracks, their faces filled with shock!

In front of them, there were hundreds of thousands of figures!

“What’s the situation? Why is there someone in front!”

Xuan po suddenly became nervous, “who are those people?” They actually entered the ruins earlier than us?”

“No...”

no! Chen Xiaobei shook his head and said, “ Fang longqi has the magical item to open the ruins! After he opened the door, I was the first one to enter. It’s impossible for anyone to enter before me!”

“What’s the situation with the figure in front?” Xuan po asked.

I’m not sure. Let’s go and take a look! Chen Xiaobei calmed himself down and walked over.

“Woof! Buzzzzzz! Yi ...”

As Chen Xiaobei and black soul got closer, they had probably stepped into the checkpoint area. All of the figures flew up and shuttled through the air at high speed.

In the next instant, those figures all burst into flames, lighting up the dark cave.

“This should be the second test!”

this is ... Chen Xiaobei said, “ the speed and strength of these burning men are almost at the three-star earth-god level. They are one whole realm stronger than before!

“This kind of trash is just a piece of cake!”

Xuan po raised a small hand and waved it casually. He shouted, “Ten thousand years of extreme frost!”

“Whoosh ...”

In the blink of an eye, an icy blue true essence gushed out like a river, rushing toward the thousands of burning men in front of him!

Xuan PO's true form was an eight-star earth-god, a ten-thousand-year-old Ice Spirit. His cultivation had reached the level of a meteor earth-god, and he had even formed a dharma body with the help of Liu xuanxin's divine Phoenix blood!

At this moment, although Xuan po had only released a wisp of true core strength, the power within it was already infinitely close to that of a seven-star earth-god!

"Hiss ... Hiss ... Hiss ..."

Wherever the extreme cold passed, the Burning Man was instantly extinguished without any ability to resist!

In an instant, the thousands of burning men were all extinguished. Only the rising green smoke could prove that they had once appeared!

"Ka ka ka ..."

Then, another secret compartment opened on the stone wall in front of him!

"Bro bei! We've cleared the game again! I'll help you get your reward!"

Xuan po grinned and flew over excitedly. He took out the reward from the secret compartment.

There was no brocade box in the secret compartment this time, only a Crimson jade talisman.

"Bro bei! Quickly take a look, what kind of treasure is this?" Xuan po handed the Jade talisman to Chen Xiaobei.

"Yes."

Chen Xiaobei nodded and started to communicate with the Jade talisman. this doesn't seem to be a Dharma Treasure, but the runes of a formation core ... Judging from the complexity of the runes, the level of the formation must be very high!

"I really don't understand, what is the master of this monument thinking?"

what?" Xuan po asked doubtfully. the reason why he left behind an explosive boiling blood pill in the first stage is probably to help the Challenger get through the later stages. However, there's only one rune left in this stage. It's completely useless!

"It should be useful!"

I'm not sure! Chen Xiaobei said, " the owner of this ruin is looking for an heir. The things he left behind must be related to the subsequent stages! If the Challenger can solve the riddle and use it correctly, he will definitely be able to get help!"

"It doesn't matter!"

Xuan po shrugged. even if the runes are useless, there's nothing to be afraid of. I'm here. I'll definitely be able to bring you through all the levels. Bro bei, you just have to lie down!

"Don't be happy too early!"

“Don’t forget that the master of the monument’s cultivation and Foundation are both higher than Fang Yuanyuan’s!” I’m afraid it won’t be that easy if you want to carry me to a sleeping victory!”

“Bro bei, why do you have to boost other people’s morale and destroy your own? Watch me! The next level will also be passed in seconds!” Xuan po was full of confidence. He flapped his Ice Wings and took the lead.

“Slow down!” Chen Xiaobei quickly caught up to her.

“Woof! Buzzzzzz! Yi ...”

Soon, black soul rushed to the next stage and thousands of burning men rushed out of the space.

This time, the strength and speed of the fiery man had reached the four-star earth-god level, which was a major realm higher than the previous round.

“Old trick? Wasn’t it just a little stronger? In front of me, you’re all trash!”

Xuan po did not put these people on fire in his eyes and shouted again, “Ten thousand years of extreme frost!”

“Whoosh ...”

The cold Qi gushed out like a long river, rolling and suppressing the entire space.

Even with the huge difference in their cultivation levels, they still maintained an overwhelming advantage.

In the blink of an eye, all the burning men in the space were completely extinguished, unable to resist at all.

“Hahaha! He’s been Insta-killed again!”

Xuan po rubbed his hands excitedly and stared at the rock wall with his eyes wide open, “Come out with the reward! I want to give it to bro bei as soon as possible!”

“Woof! Buzzzzzz! Yi ...”

However, the reward that he had been anticipating did not appear. Instead, there were even more burning men than before!

“What’s the situation? Don’t tell me you still haven’t passed this stage?”

Xuan PO’s expression froze and he waved his palm, “Ten thousand years of extreme frost!”

“Whoosh ...”

The extreme cold suppressed the entire area, once again extinguishing all the flames.

“Woof! Buzzzzzz! Yi ...”

However, before Xuan po could heave a sigh of relief, more flaming men appeared in the space!

In the beginning, there were only over a thousand burning men. At this moment, the number had increased to over three thousand!

“What ... What is going on?”

Xuan po was completely dumbfounded, ‘every time I attack, I have to consume my true core strength. However, not only am I unable to pass the test, but I’ll also attract more flaming men! If this continues, I won’t be able to pass even if I use up all my primeval essence!”

Obviously, Xuan PO’s cultivation level was high enough and his vital essence was also very rich. However, in the face of the endless number of flaming men, no matter how rich his vital essence was, it would be exhausted.

Once his ethereal force was exhausted, black soul would lose his combat power and become Chen Xiaobei’s burden. It would be a joke if he wanted to help Chen Xiaobei win!

“Xuan po! Come back here!”

By then, Chen Xiaobei had already arrived at the scene and said, “I’ll break through this level myself!”

“Bro bei! Don’t come any closer!”

Xuan po shouted, “this stage is too strange!” The number of flaming men was endless! More and more were killed! With your physical strength, you’ll definitely die if you’re surrounded!”

“Listen to me! Come back!”

Chen Xiaobei took out his deadly sunflower King Sword and said, “This level is very simple. I can break through it with a single sword strike!”

“What? One sword strike? This is impossible!”

Xuan PO’s face was filled with worry and he said solemnly, “Although the sword in your hand is of the yin fiend’s sunflower water attribute, it’s far inferior to my cold energy! Even I can’t break through, so what can your sword do?”

“Silly boy!”

“There are a lot of things that can’t be solved with strength alone!” Chen Xiaobei said with a smile. If you use your brain more, things will be much simpler!”

“Use your brain?” bro bei? ” Xuan po was confused. bro bei, what are you planning to do? ”

“Watch carefully!”

Chen Xiaobei let go of the deadly sunflower King Sword and threw it out!
