### [Red Envelope Group of the Three Realms](#)

#### Chapter 2801: young master seatopple

The ocean divinity sect!

The central main palace!

An old man with curly hair, blue eyes, and a gorgeous white robe was sitting on the main seat!

This man was the Master of the Ocean divinity sect, poseos!

The ocean deity sect was a sect that passed down the heritage of the Western Orthodoxy. From the sect master to the disciples, most of them were descendants of the Western race!

There were humans, heavenly wings race, Titan race, elves race, dwarves race, and even blood race!

Sect master poseos was a rare merfolk!

His upper body was in the shape of a human, but under the gorgeous white robe, it was not a pair of human legs, but a tail covered with red scales and fins!

Of course, his cultivation was strong and he had already adapted to life on land. He could move freely on land by relying on his true essence!

Of course, the ocean divinity sect was near the North Sea, so it would be very easy for poseos to return to the water!

what did you just say?!

Poseos glared at the young disciple in the hall and shouted, "How many times have I said this? The Vice sect leader doesn't see outsiders! Why did you bring him here? Isn't this nonsense?"

please forgive me, sect master ... the young disciple said pitifully, "I didn't want to bring that person up, but ... He's too handsome ... I couldn't help but agree to it ..."

"What? Handsome?"

Hearing this, poseos became even more furious. "Just because the other party is handsome, you can disobey the sect master's orders? What kind of Bullsh \* t reason was that? He would go to the punishment Hall and receive thirty whips! Go back and reflect on your mistakes!"

"No... He's not just handsome! It's also very friendly!" "When I saw him, I felt an inexplicable sense of familiarity, so I couldn't bear to reject him ..." The young disciple explained hurriedly.

"It's getting more and more ridiculous!" you're my personal disciple, "poseos said angrily. when did you learn to lie with your eyes open? "

No... I'm not lying ... the young disciple hurriedly said, "He's just outside the door. If sect master doesn't believe me, you can ask him to come in and take a look! Can't you just not agree to see the Vice sect leader?"

“Good! Tell him to come in!”

“I don’t believe that that person can influence your decision with just his face!” Poseos said solemnly.

“Yes! “Sect master, please wait ...” The young disciple quickly ran out.

Soon, Chen Xiaobei and e Huo Yuntian were brought in!

Tian Peng had to continue to be a spy and couldn’t expose himself, so he stayed in the beautiful snake Union.

“Hmph! Wasn’t it just two men? What was so special about it? Uh ...”

Poseos looked at Chen Xiaobei disdainfully, but when he saw Chen Xiaobei’s face, he was stunned.

Chen Xiaobei was born with a handsome face, and with a smile on his face, it was easy for him to win the favor of others!

Most importantly, Chen Xiaobei’s face seemed to be hiding a magical charm!

Poseos was already getting on in years. Unless there was an unparalleled beauty standing in front of him, he would not be deeply attracted!

But at this moment, poseos ‘eyes were fixed on Chen Xiaobei!

In fact, poseos’s heart was filled with a strong sense of affection and intimacy, as if Chen Xiaobei was an old friend that he had not seen for a long time. Poseos was even willing to give Chen Xiaobei his heart and soul, and be honest with him!

In other words, if a peerless beauty was here, poseos would only be willing to communicate with her physically! But when Chen Xiaobei was standing right there, poseos was willing to treat Chen Xiaobei as a true friend!

The charm that Chen Xiaobei exuded was much more powerful than that of a beautiful woman! It was even more advanced!

“Sect leader! Why are you stunned, sect master?” The young disciple shouted in a low voice.

“Uh ...”

Poseos took a deep breath to calm himself down. “No... Nothing ... This young master is indeed handsome and extraordinary! It actually made this Lord feel like old friends at first sight!”

“Look! I’m not talking nonsense, am I?” The young disciple said, “ this young master really has a magical power. He makes people feel like they’re old friends at first sight. He’s very friendly! Sect master, you’ve wrongly accused me just now!”

“You ... No one will think you’re mute if you don’t speak!” Poseos’s old face flushed red as he snapped, “There’s nothing for you to do here, leave!”

“Yes, sir!” The young disciple left the main hall with a smirk on his face. It was rare to see the sect master suffer a loss, and he was secretly pleased!

“Young master! I already know why you’re here!” Poseos composed himself and said politely, “However, vice sect leader Deng is studying the sect’s secrets behind closed doors! It’s really not convenient to meet the young master! Please understand, young master!”

This was really a world that valued looks!

Chen Xiaobei sighed in his heart. In the past, he had travelled far and wide. Because of his young age, he was rarely valued by others, let alone treated with such courtesy!

At this moment, his charm had soared to twenty times its previous value. The attitude of outsiders had changed greatly!

“I can naturally understand sect master’s difficulties!”

“I just want you to pass on a message. I’m sure Deputy faction leader Deng will be willing to see me!” Chen Xiaobei said.

“Well, if it’s just a message, I can help!” Poseos nodded and did not make things difficult for Chen Xiaobei.

However, at this moment, a series of harsh curses came from the entrance of the hall!

“Numbed! Poseos! You old man, you’re helping others to pass on a message, but you’re not helping this young master Pass on a message! Are you looking down on our Fu hai city?”

A man with fish scales on his face and arms, wearing luxurious golden armor, barged in with a group of followers!

“Aiyaya! Isn’t this young master Sha hengtian?” Poseos trembled and greeted him with a smile.

Although this Sha hengtian had fish scales, he was not a Merman because he had legs. He should be an orc with the blood of the water race!

“Don’t be so cheeky in front of me!”

“I am the young city Lord of Fu hai city!” Sha hengtian shouted angrily. In terms of appearance, status, and identity, which part of her was not worthy of Deng Jie Yu? If Deng Jie Yu doesn’t come out to meet me, I will directly tear down your sea god sect!”

young master hengtian, please don’t be angry ... Please don’t be angry ... poseos’s face was filled with embarrassment as he said in a sad voice, “As you know, vice sect leader Deng’s strength is the same as mine! If she doesn’t want to see you, I can’t force her ...”

“Deng Jie Yu’s strength is the same as yours. Why are you so afraid of her?” Sha hengtian threatened. Aren’t you afraid that my father’s cultivation is one minor realm higher than yours?”

scared ... How can I not be scared ... poseos swallowed his saliva.”The reason why my ocean deity sect is able to gain a foothold within the ‘Northern spiritual region’ is all because of city Lord shark! This seat is not afraid of anyone, and I do not dare to not be afraid of City Master shark!”

“It’s good that you know!” “Call Deng Jie Yu out now, or else don’t blame me for being impolite!” Sha hengtian said coldly.

Poseos looked at Chen Xiaobei helplessly.

“You, go and tell Deng Jie Yu!” Chen Xiaobei shrugged and said, “Her brother is here!”

### Red Envelope Group of the Three Realms

#### **Chapter 2802: flicking**

“What? You’re vice sect leader Deng’s brother?”

Poseos’s expression froze for a moment before he heaved a sigh of relief. “If that’s the case, I believe vice sect leader Deng will definitely come out to meet you. I’ll go and invite her out immediately!”

Obviously, although Poseos was the sect leader, Deng Jie Yu already had the same cultivation as him, a seven-star earth-god! If Deng Junyu refused to come out, Poseos had no choice!

Now that Chen Xiaobei was Deng Junyu’s brother, Poseos could get Deng Junyu to come out and make Sha Hengtian happy. This would save them a lot of trouble!

“You are Deng Jie Yu’s brother? Are you trying to fool an idiot?”

Sha Hengtian gave Chen Xiaobei a disdainful look and said, “Your cultivation is only at the peak of the divine sea realm, which is far worse than Deng Junyu’s! How could a peerless genius like her have a useless brother like you?”

As soon as he said that, the followers behind him all started to sneer at him.

“I think this little waste is a liar, deliberately looking for an excuse to trick Deng Kunyu out! How could he be worthy of being Deng Jie Yu’s brother? What a joke!”

“Currently, all the young masters in the ‘Northern spiritual region’ have their eyes on Deng Jie Yu. They have tried all ways to meet her, but no one has succeeded! This little trash, an ant-like existence, actually had delusions of eating swan meat? What a joke! What a joke!”

“Little trash! Do you think you can get close to Deng Jie Yu? Why don’t you take a piss and look at yourself! Get lost! Don’t be an eyesore here!”

.....

The group of followers cursed and mocked Chen Xiaobei as if he was worthless.

From this, it could be seen that charm had no effect on people who were hostile!

Obviously, Sha Hengtian saw Chen Xiaobei as a love rival. He would not have a good impression of Chen Xiaobei, only a strong sense of hostility!

However, Chen Xiaobei did not care about them at all!

To Chen Xiaobei, these people were like a bunch of ants! Chen Xiaobei could not be bothered to lower himself to their level!

However, Chen Xiaobei’s silence was taken as weakness by the other party!

Sha hengtian approached him and said arrogantly, " "Little trash! Are you deaf? Or did he not have ears at all? We've already said this much, how do you still have the face to stand here? Did a dog eat your self-esteem?"

"Get lost!" Chen Xiaobei did not want to argue with an ant, so he only rewarded Sha hengtian with one word!

However, it was this simple word that shocked everyone present!

"What did you just say? I dare you to say that again!" Sha hengtian frowned, his face darkened and his eyes were filled with anger!

It should be known that the Sha family's ocean-overturning main city was considered to be an upper-middle level power within the 'Northern spiritual region'. It was even a level higher than the ocean deity sect!

With Fu hai city as the center, within a radius of 30000 li, Sha hengtian was treated like a boss wherever he went!

It wasn't an exaggeration to say that Sha hengtian had never heard anyone say 'get lost' to him!

To Sha hengtian, this was an absolute humiliation! It was a great humiliation!

As the saying went, the kind of master raised the kind of Lackey! All of the servants and guards of the Sha clan also followed suit and started to curse!

"Good for you, you little trash! How dare you speak to my young master like this! I think you're tired of living!"

do you know that my young master is already in the nascent soul realm? every year, my young master will kill hundreds of hot-headed young men like you!

"Little trash! Kneel down and apologize! Do you believe that my young master will make you beg for death?"

.....

In such a situation, even poseos hurriedly advised, " "This young master! The Sha clan is powerful and has a deep foundation. You definitely can not afford to offend them ... Quickly kneel down and apologize, and you might be able to keep your life! If this continues, you'll lose your life!"

Poseos had a good impression of Chen Xiaobei, but he did not dare to help Chen Xiaobei in the face of the terrifying existence of the Sha family. All he could do was to persuade Chen Xiaobei to beg for mercy!

However, Chen Xiaobei did not do anything. He did not even look at poseos, let alone kneel down and beg for mercy!

"Little trash! I think you really want to die!"

Sha hengtian gritted his teeth and roared, "I'll give you one last chance. Pay for your own cultivation and kneel down to beg for mercy! Otherwise, I'll break both your arms and legs and turn you into a complete waste!"

"Woof! Whoosh!"

Obviously, Sha hengtian wasn't joking. With a thought, two sharp Zhen Yuan blades appeared in his hands!

If Chen Xiaobei dared to say no, Sha hengtian would honor his words and cruelly cut off Chen Xiaobei's arms and legs! Let Chen Xiaobei wish he was dead!

"You're looking for death!" Chen Xiaobei's dark eyes were like a black hole that could devour everything, and a terrifying killing intent that could make people lose their will was released from them!

Chen Xiaobei did not care to argue with an ant, but since an ant had come to provoke him, Chen Xiaobei did not mind stepping on it!

"Ah? You actually want to fight with me? Are you crazy?" Sha hengtian's eyes were filled with disdain, a cold smile appeared on his face.

In Sha hengtian's eyes, Chen Xiaobei was just an arrogant piece of trash. He could kill a whole bunch of them with just one finger!

Sha hengtian was surprised and angry that Chen Xiaobei dared to fight him head-on!

How could Sha hengtian not be angry when a mere trash dared to look down on the young master of the Sha clan?

"Ka! Ka!"

Sha hengtian clenched his fists, his joints cracked and his veins popped out!

Obviously, Sha hengtian's patience had reached its limit, and he was about to attack Chen Xiaobei!

"Woof! Whoosh!"

Suddenly, Sha hengtian swung both his fists. His ethereal force was like a sharp blade on the back of his hands. One from the left and the other from the right, he punched at Chen Xiaobei's shoulders!

He was going to cut off both of Chen Xiaobei's arms! Cruel! Ruthless! Leaving no room for negotiation!

As expected of an original leveled cultivator, Sha hengtian's speed and strength were all superior! There was no suspense in this battle at all!

Sha hengtian grinned like a cruel beast, ready to torture Chen Xiaobei. He was determined to cut off Chen Xiaobei's limbs and make Chen Xiaobei cry for mercy!

In the surroundings, the servants and guards of the Sha clan all revealed a gloating sneer!

In their eyes, Sha hengtian's attack on Chen Xiaobei was like using a dragon-slaying knife to kill a chicken!

A mere trash like him could only be slaughtered by others!

“Whoosh!”

Chen Xiaobei raised his right hand and flicked his fingers.

There was no powerful ethereal force, nor was there any mystical dharmic form. Chen Xiaobei simply flicked his finger and a small purple-gold fire seed appeared!

In the next moment, everyone present was dumbfounded!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2803: grass on the wall**

“Beng! Beng!”

As soon as that tiny purple gold fire seed touched him, the genuine vitality on his fists shattered!

This meant that the power of the purple-gold fire seed could definitely suppress Sha hengtian’s true Yuan!

Whoosh ... Whoosh ...

Without the protection of the Zhen Yuan, Sha hengtian’s arms started to burn with purple-gold flames, starting from his fists!

“Uh ... Ah!”

Sha hengtian screamed out in pain as he tried his best to channel his protective Zhen Yuan, trying to separate the flame from his body!

However, his true essence had just been condensed when it collapsed instantly, unable to provide any protection at all!

Sha hengtian fell to the ground like a mad man, rolling and struggling desperately, trying to put out the purple-gold fire on his arms!

However, this kind of divine level heavenly flame was countless times higher than ordinary flames! There was no way to extinguish it!

Therefore, Sha hengtian could only watch as his skin burned, his muscles melted, his blood evaporated, and his bones turned black. Finally, he was turned into ashes!

In just a few seconds, Sha hengtian’s perfectly fine arms had been completely burnt!

However, sha hengtian’s nightmare had just begun!

The purple gold fire seed seemed to have a mind of its own. It turned around and ignited Sha hengtian’s legs!

Within a few seconds, both of Sha hengtian’s legs and the middle leg were completely burned away, leaving only a charred and stinky wound, which brought him a bone-piercing pain!

In an instant, poseos and all the servants and guards of the shark family were so shocked that their guts were about to split open. Their scalps turned numb, and their pupils contracted uncontrollably. They felt as if their hearts were about to jump out of their throats.

They were all frozen on the spot like stone sculptures. They didn't have any reaction for a long time and couldn't even speak!

In the end, it was Sha hengtian who broke the silence!

"Uh! Ah ... It hurts ... It hurts so much!"

Sha hengtian's face twisted, and he screamed hysterically. His arms and legs were burned to ashes! That kind of inhuman pain even made him want to die immediately. It was also a kind of release!

"Little bastard! I'm the young city Lord of Fu hai city! How dare you treat me like this! I guarantee that you will die a terrible death! It's very tragic!"

Sha hengtian was suffering from extreme pain every second, and his hatred for Chen Xiaobei was deepening every second!

If he could, he would want to eat Chen Xiaobei's flesh and drink his blood!

Hearing this roar, all the servants and guards of the Sha family came back to their senses and started to bark at Chen Xiaobei like a pack of vicious dogs!

"Little bastard! You actually dared to injure my young master! You're simply a lunatic! A madman who wants to die!"

"Do you think you're very powerful? If you hurt my young master in our Fu hai city's territory, don't even think about leaving alive!"

"Call for help! Brothers! Hurry up and call for help! We can't let this kid get away!"

As the group of servants and guards shouted, they took out their mobile phones and began to send a message to Fuhai city, asking for reinforcements!

"Young master ... You're in big trouble!"

Poseos quickly ran over and said in fear, "The sea overturning shark clan is the local tyrant of this thirty thousand li radius! If you provoke them, you're playing with your life! You leave! Hurry up! My ocean divinity sect doesn't dare to keep you! I don't dare to have anything to do with you!"

Obviously, poseos was drawing a clear line between himself and Chen Xiaobei. He was afraid that the reinforcements from Fuhai city would arrive and the entire Oceanus sect would be in trouble!

"I asked you to pass a message to Deng Jie Yu, did you do it?" Chen Xiaobei said.

Chen Xiaobei did not want to be friends with a fence-sitter like poseos. He did not care if they drew a line between them, but he had to meet Deng junyu!

"Young master! Don't refuse a toast only to drink a forfeit!"

Poseos's face froze for a moment, then he said solemnly, " don't think that I can't tell that the purple-gold heavenly flame you just activated is only at the six-star earth-god level. Don't force me to make a move!

Hearing this, Sha hengtian immediately became excited, " "Poseos! Quickly make your move! Help me cripple this little bastard! I'll definitely reward you handsomely later!"

"Heavy reward?"

Poseos's eyes lit up when he heard that. "If I want the White jade Island, Will Young master hengtian agree to it?"

Sha hengtian was furious,"poseos!" You're looting a burning house!" Under the White jade Island, there was a small spiritual vein! How can I just give it to you!"

Poseos shrugged his shoulders and said,"if that's the case, I don't want to make enemies with outsiders!" I can only advise this young master to leave as soon as possible!"

"You ..."

Sha hengtian gritted his teeth and said,"alright!" I promise you! As long as you help me cripple that little bastard! The White jade Island is yours!"

"Good! It's a deal!"

Poseos's eyes turned cold and he looked at Chen Xiaobei with a greedy look."Young master, you can't blame anyone else for what has happened! This old man advised you to leave, but you refused to! Now, you can only stay here forever!"

"Don't you dare!"

Just as poseos finished speaking, e Huo Yuntian, who had been silent the entire time, stared at him with eyes as cold as a Wolf's.

Indeed, Chen Xiaobei's witch Dragon Flame was only a six-star earth-god grade flame. He had no chance of winning against the seven-star earth-god poseos!

But e Huo Yuntian's attack was different. His cultivation was at the peak of the seven-star earth immortal realm, which was three minor realms higher than poseos. He could finish poseos off with a single finger!

"Don't be nervous, he can't hurt me!" Chen Xiaobei shrugged, not treating poseos as a dish at all.

Chen Xiaobei now had many trump cards in his hands, so it would be very easy for him to deal with poseos!

Of course, poseos wasn't stupid,"I can see that this young master is not an ordinary person!" To be so arrogant, he must have a strong foundation and a huge backer!"

"I just want you to pass a message to Deng Jie Yu, I don't want to hear your nonsense!" Chen Xiaobei was getting impatient.

I could've delivered a message, but now that you've offended the sea overturning shark clan, I can only say sorry! With a thought, Poseos directly released a mysterious true essence!

This stream of true essence did not attack, but was absorbed into the ground of the hall!

"Whoosh ..."

In the next moment, a violent true essence fluctuation completely enveloped the entire Hall!

The dazzling blue light interweaved into thousands of runes and burned a huge amount of spiritual Qi to form a powerful array!

"You guys have a Foundation! He had the strength! It's a pity that this is my territory!"

"This eight directional vast ocean formation has the power of a peak seven-star earth-god!" Poseos laughed proudly. With my ocean deity sect's spirit vein, which provides an unlimited supply of spiritual Qi, it should be enough to kill the two of you!"

E Huo Yuntian's complexion changed drastically as soon as he heard these words. His eyes were filled with deep worry.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2804**

2804 Your Majesty above

In a battle between cultivators of the same level, the formation would have a continuous supply of spiritual Qi from the spiritual vein, but E Huo Yuntian could only rely on the true essence in his Qi sea dantian!

E Huo Yuntian wasn't afraid of a direct confrontation. However, if it was a battle of attrition, a person's sea of Qi dantian simply couldn't compare to a spirit vein!

Moreover, the ocean deity sect still had two hundred thousand disciples. If all of them rushed to the scene and formed a battle formation, it would be enough to crush E Huo Yuntian!

Because of this, E Huo Yuntian's heart began to feel nervous. Although this battle had yet to begin, the result was basically already determined!

"Brat, you're already in a dead end, so you'd better surrender! If you force this old man to make a move, you'll definitely suffer all kinds of torture, and you'll wish you were dead!"

Poseos narrowed his eyes, his face filled with a sinister smile.

In the face of huge benefits, Poseos' little bit of good impression of Chen Xiaobei was not even worth mentioning!

On one side was the powerful Overlord shark family, and on the other was Chen Xiaobei! Poseos was a fence-sitter, so he naturally knew which side he should lean towards!

"Poseos! Don't waste your breath on that little bastard! He would directly cripple him! The White jade Island is yours! Hurry up!"

Sha hengtian's eyes were bloodshot, and he looked like a cold-blooded demon. He only had one thought in his mind, and that was to make Chen Xiaobei die a horrible death!

"I understand! I will definitely make young master hengtian satisfied!"

Poseos knew very well that the people from the Overlord shark family were on their way here. If they used the teleportation formation, they should be here soon. He had to act as soon as possible. Otherwise, once the people from the shark family arrived, it would not be poseos' turn to act!

"BOOM! BOOM! BOOM!"

With a thought from poseos, the formation in the hall suddenly activated three powerful waves of water ethereal force!

The three aeons combined into one and intertwined to form a huge Sea King Trident Dharma form!

Like a divine weapon, the huge Neptune Trident shone with a cold light. Although it was just a Dharma form, it was extremely sharp! It was as if it could cut through everything in the world!

oh no... The water attribute counters my fire attribute ... This battle is going to be even more difficult ...

E Huo Yuntian frowned and said in a low voice, "Master, I'll think of a way to tear a hole in the array. You can take the opportunity to escape! This was the only way! Otherwise, we won't be able to escape when the ocean deity sect disciples arrive!"

"Escape? It doesn't exist!"

Chen Xiaobei reached out his hand and said, "Hand over the fire-stabilizing Divine Blade!"

this ... e Huo Yuntian's expression froze, but he didn't dare to question it. He hurriedly handed over the fire-stabilizing Divine Blade with both hands.

"What's wrong? Do you still want to fight back? You don't know your place!"

Poseos sneered disdainfully, "right here, right now!" Unless you could produce an eight-star earth-god instrument that only 'Imperial city-level' forces could possess! Otherwise, you'll never be able to escape from me today!"

When e Huo Yuntian heard this, he worriedly said, "Master! My fire-stabilizing Divine Blade is on the same level as the eight directional vast ocean formation, and its attributes are also suppressed. If you were to use the blade, I'm afraid you would be instantly suppressed and would definitely lose!"

"Heh, how can a mere cup of water put out a fire that burns a mountain?" Chen Xiaobei grinned, held the fire-stabilizing divine saber in his hand, and unleashed its power!

"Boom boom boom!"

A huge fire Magic Image suddenly condensed!

The fire demon waved its claws and seemed to tear open a burning Door to Hell!

The extremely hot flames danced and boiled crazily as if they were going to burn everything in the world into ashes and even break time and space! Other than the raging fire, nothing else in the world existed!

“What a powerful treasure! It’s a peak seven-star earth-god instrument!”

Poseos’s face was filled with shock, but there was no fear. “What a pity. If this was a magic treasure of another attribute, it might be able to fight me! However, this battle blade is of the fire attribute, so you can only die!”

“The eight immensity sea! Annihilate the heavens and earth!”

die! Poseos roared. He used his faith to control the formation, activating its strongest power and aimed it at Chen Xiaobei’s head!

“Heaven-burning fire! The dry immensity sea!”

Chen Xiaobei did not even bat an eyelid as he swung the fire-stabilizing Divine Blade in his hand!

This slash alone would not be able to stop Poseos’s attack, but Chen Xiaobei still had a backup plan!

The ten thousand beast astral battle technique!

At the same time as he swung his blade, this celestial immortal level combat technique instantly activated! On the basis of the fire-stabilizing Divine blade’s combat strength, it was given a certain proportion of enhancement!

As a seven-star earth-god at the peak, the fire-stabilizing divine saber had been enhanced. Although its attributes were restrained, its combat strength had a huge advantage!

Just as Chen Xiaobei had said, even though water could suppress fire, a mere cup of water would not be able to put out the fire that was burning the mountain!

“Swish!”

The fire Dharma idol’s sharp claws tore through the sky and landed on the Sea King Trident Dharma idol like a meteorite!

In a battle of the same level, water subduing fire was indeed an advantage!

However, the ten thousand beast stellar battle technique had already made the fire-stabilizing divine saber’s level higher than the eight-sided vast sea formation! Even if it was only half a minor realm higher, it was enough to counter the attribute and suppress the weak water with fierce fire!

“Whoosh ...”

As expected, the Sea King Trident Dharma power was being pushed back and was about to collapse at any moment!

this ... This this this ... Poseos was instantly dumbfounded and swallowed his saliva. “What kind of power is this? My ... My ocean deity sect’s sect-guarding formation! He had actually been crushed! My God ... Is this an illusion?”

My God ... That kid is too strong ... Sha Hengtian and his servants were all shocked as if they had seen a ghost.

One must know that a peak seven-star earth-god instrument was a magical treasure that only the forces of the royal city could own!

Furthermore, Chen Xiaobei could also make this earth-god instrument unleash its power beyond its peak. Although it was not as powerful as an eight-star earth-god instrument, it was enough to make it invincible among its peers!

It was obvious that Chen Xiaobei had an extremely powerful force backing him up! Moreover, the foundation of this force was even much more robust than ordinary capital-level forces!

Chen Xiaobei alone was enough to crush all of them. If the faction behind Chen Xiaobei retaliated, they would all die a horrible death.

At the thought of this, everyone's heart turned cold! It was as if he had fallen into an ice abyss. He was so desperate that he almost suffocated!

"What's going on? What happened here?"

At this moment, a deep and dignified voice came from outside the hall!

The footsteps of thousands of people followed closely behind!

"Father! My father is here!"

Sha hengtian was instantly excited, "father!" You've come at the right time, quickly help me take revenge ..."

Poseos also became excited, "city Lord shark! It's good that you're here! We have your eight-star earth-god level battle formation! We can turn defeat into victory!"

The leader was none other than the overseer of the ocean-overturning city, Sha Qianfeng!

Both Sha hengtian and poseos were extremely excited!

But Sha Qianfeng was frozen in place. He looked at Chen Xiaobei, then at the fire-stabilizing Divine Blade, and his expression became extremely complicated!

Chen Xiaobei raised his eyebrows and said, "What are you looking at? Have you never seen a handsome guy before?"

"You little brat! You still dare to act tough even when you're about to die!" Sha hengtian bared his teeth and shouted, "Father! Why are you in a daze! I'm already in such a miserable state, and you still don't intend to help me take revenge?"

"Shut up!"

Sha Qianfeng glared at Sha hengtian and ran to Chen Xiaobei!

"Your Majesty, the North Mystic honorable King! Please accept my bow!"

Sha Qianfeng cupped his hands and bowed deeply to Chen Xiaobei!

Seeing this scene, everyone was dumbfounded!

## Red Envelope Group of the Three Realms

### Chapter 2805

2805 Two requests

Dumbfounded! They were dumbfounded!

Sha hengtian, posesos, and the servants and guards of the Sha family were all shocked as if they had seen a ghost. They could not believe their eyes when they saw Sha Qianfeng bowing to Chen Xiaobei!

Just a second ago, these guys were still excited, thinking that Sha Qianfeng had arrived in time and could help with the eight directional vast sea formation to turn the tables on Chen Xiaobei and turn the tables!

However, they had never expected this!

Not only did Sha Qianfeng not have any intention to attack Chen Xiaobei, he was extremely respectful to Chen Xiaobei! It was simply unbelievable!

“Father! Are you out of your mind?”

Sha hengtian felt a hundred thousand times critical damage in his heart, his face twisted as he screamed, “Look at me! Your heir! Two of his arms and three of his legs were burned to ashes! Do you know how much pain I’m in? Aren’t you going to help me take revenge?”

“Shut up! You idiot!” Sha Qianfeng’s face turned cold, and he shouted, “it’s enough that you’re looking for death. Don’t drag our entire family down with you!”

“What? I ... I’m courting death? Implicate the family?” Sha hengtian was even more stunned, he started to howl hysterically: “Father! Are you crazy? As long as you make a move, you can directly kill that kid! How could I have died? How would it implicate the family?”

“Idiot! If you don’t shut up, I can’t protect you!”

Sha Qianfeng glared at Sha hengtian and said, “This is His Majesty, the North Mystic honorable King, who controls the entire fire cloud region! In terms of strength and Foundation, he has even surpassed our ‘revered King Northern Spirit’!”

“What? He ... What kind of respectable King was he? He’s even more powerful than our ‘Northern spiritual venerable King’?” Sha hengtian was stunned, he couldn’t believe it, “This ... This is impossible! Father, you must be mistaken!”

From Sha Qianfeng and Sha hengtian’s reactions, it was clear that the news of Chen Xiaobei taking over the firecloud territory a month ago had not spread to the world yet!

After all, the position of the fire cloud region was at the southwest border of the Nanzhan state, while the northern spiritual region was at the extreme north of the Nanzhan state!

Each of the four continents in the earth-god Realm had 3000 large domains, 100000 cities, countless mountains and rivers, endless jungles and mountains, boundless deserts and wastelands, and no death zones!

The size of any state was so vast that it was unimaginable for ordinary people!

Because of this, even if it was very convenient to transmit information, it was difficult to spread it to everyone!

Just like now, Sha Hengtian, Poseos, and the servants and guards could not tell Chen Xiaobei's identity. They only thought that Chen Xiaobei was the young master of some powerful force!

It was obvious that they did not know about the North Mystic Lord's shocking feat!

However, Sha Qianfeng was different. As the Lord of a city, he was more or less capable of gathering information! He was naturally aware of such a huge matter as the fire cloud region changing owners!

However, between the fire cloud region and the northern spiritual region, one was located in the extreme Southwest while the other was in the extreme north. As such, Sha Qianfeng didn't take this information seriously, and didn't pass it down!

She did not expect that Chen Xiaobei would appear here, and that he would be offended by her stupid son!

Sha Qianfeng's heart was filled with panic!

"How could I be wrong?"

Sha Qianfeng said angrily, "The fire-stabilizing Divine Blade is here!" He crushed the "eight directional vast ocean formation" with a single Saber Strike! Even the previous fire cloud Supreme King, e Huo Yuntian, was unable to do such a thing! It's common sense that water can suppress fire. Only His Majesty, the North Mystic Lord, can suppress water with fire!"

this ... Sha Hengtian's expression froze, as if he was struck by lightning, "That's right ... That kid ... No! The young master broke the formation with one strike! Using fire to suppress water! It was indeed beyond common sense! He's not an ordinary person!"

"He's hiding his strength! That young master must be hiding his strength!"

Poseos gasped, his voice trembling and his pupils constricting. "We found out that he only has the strength at the peak of the spirit sea realm! But in reality, his strength has probably already exceeded the peak of a seven-star earth-god!"

"Nonsense! His Majesty, the Honorable King of North Mystic, had crushed e Huo Yuntian! One battle to decide the universe! His strength is naturally far above e Huo Yuntian's!"

you two idiots! Sha Qianfeng said sternly. you've offended His Majesty, the North Mystic Lord! You should thank His Majesty for sparing your lives!

Sha Hengtian and Poseos' faces instantly turned pale, their scalps tingling, and their hearts were about to jump out of their throats!

Respectable King!

This was the leader of a capital-level force!

In the northern spiritual region, the most powerful is the northern spiritual capital. The Sha family's Fu hai main city is only one of the many main cities under the flag of the northern spiritual capital!

In front of the northern spiritual capital, Fu hai city was simply trash! The ocean divinity sect was even less worth mentioning!

And this young man in front of him was actually the North Mystic honorable king who had seized the fire cloud region from the Huo Yuntian!

The strength of the fire cloud region was similar to that of the northern spiritual region! If the North Mystic Lord could take down the fire cloud region, he could naturally take down the northern spiritual region!

From this, it could be seen that in front of the North Mystic Lord, Fu hai city and the ocean deity sect were all useless!

With a single thought, it would not be difficult for the North Mystic Lord to annihilate Fu hai city and the ocean divinity sect!

“Plop!”

Poseos was a typical fence-sitter, and as soon as he saw that the wind was not right, he immediately knelt on the ground. “Your Majesty, please forgive me! It’s all my fault for being blind and offending you. I sincerely beg you to forgive me!”

Sha hengtian wasn’t stupid, he endured the pain and cried, “Your Majesty, the North Mystic honorable King! It’s a despicable person who had eyes but failed to recognize Mount Tai! I beg you to take into account that I’m already a good-for-nothing, please don’t lower yourself to my level ...”

The group of servants and guards knelt on the ground and kowtowed desperately, faster than chickens pecking rice!

“All of you shut your stinky mouths!”

“If an apology works, why do we need strength?” Chen Xiaobei said coldly. If you learn how to kneel and kowtow, won’t there be peace in the world?”

Everyone gasped at his words!

Obviously, Chen Xiaobei was not going to let them go so easily!

“Your Majesty, North Mystic honorable King! May I know what I can do to appease your anger and spare them?” Sha Qianfeng bowed and asked respectfully.

If they did not get Chen Xiaobei’s forgiveness, the entire Sha family would not be at peace! Sha Qianfeng didn’t dare to be disrespectful!

“I only have two requests!” I’m fine! Chen Xiaobei said, “if you agree to this, I’ll write off all the grudges!

“Good! Please speak! Please speak ... Sha Qianfeng heaved a sigh of relief.

Chen Xiaobei’s eyes were as cold as ice. “First, I want all the spirit stones of the ocean divinity sect! Second, I want the White jade Island in your Sha clan’s hands! Agree, and we’ll live in peace! If you don’t agree, you will bear the consequences!”

## Red Envelope Group of the Three Realms

### **Chapter 2806: dynasty's dignity**

In a war, it was only natural for the losing side to cede land and pay reparations!

Chen Xiaobei had already made it clear that he wanted the Sha family to give up their land and poseos to pay compensation!

If they agreed, this 'war' would come to an end. If they did not, they would have to continue to be prepared for Chen Xiaobei's wrath!

After all, Chen Xiaobei was no longer a person. He was now the symbol of a dynasty, and the face of a dynasty!

If anyone could offend Chen Xiaobei and then just beg for mercy, that would be it! Then wouldn't the North Mystic Lord's royal authority be a joke? What dignity and status did the people of the beixuan dynasty have?

As the saying goes, those who offend our country must be killed, no matter how strong they are!

All the offenders must pay the price! And he had to pay a painful price!

This was the only way that no one would dare to offend the North Mystic Lord's royal authority!

Only in this way could the people of the beixuan dynasty gain dignity and status, and be valued and treated well by outsiders!

Face was not given by others, but earned by oneself!

As long as Chen Xiaobei was strong and powerful enough, the entire beixuan dynasty would be respected! No one dared to offend him!

Since he had already said so much, both Sha Qianfeng and poseos naturally had no other choice!

"I'm willing to ..."

Sha Qianfeng nodded, and said in a low voice, "From today onwards, white jade Island officially belongs to His Majesty, the Honorable King of North Mystic! My Sha clan's people will all leave before sunset today!"

"I'm also willing to ..."

Poseos seemed to have lost his soul as he wailed, "I'll go to the Treasury now and take out all 70 million spirit stones ... To present to His Majesty, the Honorable King of North Mystic!"

As long as Chen Xiaobei was there, the Sha family would not dare to go back on their word!

As for the spirit stones, there was no problem! After all, the ocean divinity sect was only a third-rate main city-level force. Seventy million in cash reserves would not be too much of a deviation! Moreover, Chen Xiaobei was so strong that poseos would not dare to lie!

"Alright! This matter ends here!"

Chen Xiaobei threw the fire-stabilizing blade back to e Huo Yuntian and looked around, ” “In the future, no matter when, if you have the confidence and feel that your strength is enough, you can come back for revenge at any time! I, Chen Zhufeng, will fight you to the end!”

Domineering!

It was extremely powerful!

Chen Xiaobei’s casual words were filled with endless domineering power!

If you want revenge, then come at me! I, Chen Zhufeng, will fight you to the end!

These words weren’t for Sha Qianfeng and poseos to hear, but for the entire world to hear!

Chen Zhufeng would fight anyone who dared to offend the beixuan dynasty! He would definitely make him pay the most painful price!

In an instant, everyone fell silent!

Chen Xiaobei’s domineering aura had pierced through everyone’s heart. They were trembling and did not even dare to breathe!

Revenge?

Even if they were given a hundred million guts, they would definitely not dare to!

“Amazing! That’s bro bei!”

At this moment, a woman’s voice came from outside the hall. There was a hint of surprise in the praise!

“You’re here.” Chen Xiaobei raised his eyebrows and looked over.

He saw Deng Jie Yu wearing a green robe, walking in full of spirit: bro bei is here! How could I not come?  
”

The moment he said that, everyone was shocked again!

It must be known that Deng Jie Yu had broken through to the seven-star earth-god Realm. Her name had spread throughout the northern spiritual region. Countless high-ranking officials, rich and powerful young masters wanted to meet her. Even the princes of the northern spiritual Royal City had made several trips to meet her.

However, all of them, without exception, were refused entry, and even Deng Kunyu’s shadow was not seen!

However, at this time, not only did Deng Jie Yu show up, but he also came in person with a very respectful attitude!

This showed how extraordinary Chen Xiaobei was! Those princes and young masters simply couldn’t be compared!

.....

The back mountain of the ocean divinity sect.

Chen Xiaobei and Deng Junyu sat down in the pavilion, while Huo Yuntian stood guard in front of the pavilion.

First of all, I would like to thank Bro Bei!

"I was undercover in a brothel and almost lost my virginity in order to join the Ocean Divinity Sect! Thanks to Bro Bei's help, I was able to keep my innocence!"

"You know about it?" Chen Xiaobei raised his eyebrows.

"Yes, I am!"

"Bro Bei and Tian Peng were both wearing masks at that time, but Tu Xingsun told me the truth!" Deng Jie Yu said.

"You can still contact Earth Traveler Sun?" Who is your master? " Chen Xiaobei asked. Who is your master? " What do you want to do?"

Bro Bei, you're so direct!

Deng Jie Yu smiled and said, "I can't answer either of your questions!" All I can say is that my master and what I'm going to do have nothing to do with Bro Bei! In other words, we are not enemies!"

"If they're not enemies, then are they friends?" Chen Xiaobei asked.

Probably not friends ... Deng Jie Yu said, "After all, my contract master told me to stay away from you! After all, you're a great enemy of the clan of enlightenment, and I don't want to be implicated!"

"You're too narrow-minded if you think this way!" Chen Xiaobei raised his eyebrows. I may implicate you, but I can also help you! Don't forget, I'm now the North Mystic Lord who controls an entire region!"

"Bro Bei is right!" Deng Jie Yu's smile grew wider, "you've indeed shocked the world with your battle. This is not the same as before!" If not for that, I wouldn't have come out to meet you!"

"Heh, it seems that you really have something to ask me for help!" Chen Xiaobei laughed as well.

Bro Bei is a smart man. I won't beat around the bush! "I would like to borrow Bro Bei's cleansing Bodhi!" Deng Jie Yu said.

"A cleansing Bodhi?" This thing is a high-grade divine item, but it doesn't have any special abilities. Are you borrowing it to suppress evil? " Chen Xiaobei asked.

"Right!"

Deng Jie Yu nodded and said, "originally, my contract master could also give me something similar to pure yang!" However, in order to restrict you, Chanism forbade all Shangxian from privately giving out red packets to the human world. I had no choice but to borrow from you!"

"I can't." Chen Xiaobei shrugged and said helplessly.

"Bro Bei, don't be in such a hurry to reject me!" Deng Jie Yu said. As long as you agree to my request, I'll definitely reward you handsomely!"

“It’s not that I don’t want to agree to your request!” no! Chen Xiaobei said, “ the cleansing Bodhi was sealed by Lu Yue’s dark curse talisman. I’ve been waiting for Jiang Ziya to help me break the seal!

this ... Deng Jie Yu’s face sank and she was extremely disappointed: I’ve finally found a clue to the ‘Grand sui ghost tomb’ after much effort ... Without the cleansing Bodhi, all my previous efforts have been in vain ...

“What did you just say?” The taisui ghost tomb?” “Why do you want to investigate that place?” Chen Xiaobei asked. What does this have to do with your master?”

Deng Jie Yu was stunned and asked in confusion: “Bro bei, why are you so excited?”

“I was planning to go there!” Chen Xiaobei said.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2807**

2807 Damaged magic treasure

“What? You’re saying you want to go to the Grand Lunar ghost tomb?”

Deng Jie Yu was shocked, she could not believe what Chen Xiaobei had just said, “ “Don’t try to trick me into talking! I won’t tell you where the Grand Duke ghost tomb is!”

“Heh, you’re underestimating me!”

“The Grand suiyi ghost tomb is to the Northwest of the Nanzhan state!” The hinterland of senluo mountain, the source of taisui River! There’s a Rocky Hill there, and in the middle of the hill, there’s a ‘Yin Yang gate’. Ordinary people can’t see it, only those with Yin Yang eyes can see it at midnight!”

this ... This this this ... Deng Jie Yu’s whole body seemed to have been struck by lightning, and she was frozen in place, muttering to herself: “I’ve spent so much effort and effort to find out the top secret of the ocean divinity sect ... How do you know everything!”

“Heh, not only do I know, I know it even better than you!” “The Oceanus sect’s information is only on paper!” One of my men has been there before!”

The subordinate that Chen Xiaobei was talking about was none other than the ghost slave e huoyunshan!

Back then, Chen Xiaobei had found a seven treasures Crystal Zoysia in e huoyunshan’s treasure vault. From that, he deduced that the place where the seven treasures Crystal Zoysia grew must have the nine nethers evil Qi that was necessary to upgrade the netherspirit battlescouter!

And that place was the Grand suiyi ghost tomb!

E huoyunshan remembered everything about the Grand Duke ghost tomb and told Chen Xiaobei everything.

Therefore, not only did Chen Xiaobei know the location of the tomb, he also knew the situation inside!

If it was not for the fact that beiming Zhenfeng had brought him the secret of the demonic remains, Chen Xiaobei would not have come to the northern spiritual region. Instead, he would have gone straight to the taisui ghost tomb!

After all, his seven-star earth-god level netherspirit battlescouter was not enough. Chen Xiaobei had to upgrade it to the peak of a nine-star earth-god in order for it to be useful in the earth-god Realm!

The prerequisite for upgrading the netherspirit battlescouter was three core materials: nine nether evil Qi, netherworld relic, and Mithril!

Right now, they already knew the exact location of the murderous aura of the netherworld, and they also had clues about the nether relic from the Red Lotus Guild. All that was left was the cold day Mithril that they had yet to find out!

Shen gongpao's plan was getting closer and closer, so Chen Xiaobei had to find these three things as soon as possible!

"Since you know everything ... I can work with you ..." He said.

Deng Jie Yu's face was gloomy and she looked helpless. It seemed like she had no choice but to cooperate with Chen Xiaobei.

"You're afraid that if you don't cooperate with me, I'll beat you to it and take away what you want?" Said Chen Xiaobei with a smile.

"Don't worry! The thing I want is not the murderous aura of the netherworld!" Deng Jie Yu said, "when you unseal the cleansing Bodhi and go to get the evil Qi of the netherworld, just help me bring out whatever I want!" I'll still reward you handsomely!"

"I don't have to wait for the cleansing Bodhi to be unsealed!" Chen Xiaobei shrugged and said, "I'm so rich now. I can use the merit record to exchange for a similar magical treasure and talisman, and I can take action immediately!

"Yeah!"

Deng Jie Yu suddenly realized, "you've at least gained hundreds of billions of merit points by stopping the war in one region!" Even without the cleansing Bodhi, you can still freely enter and exit the Grand suisui ghost tomb!"

"Tell me, what do you want me to bring out for you?" Chen Xiaobei asked.

"The taisui destiny talisman!"

"It's not a magic weapon, and it doesn't have much use. It's just a token from Hengshan taisui!" Deng Jie Yu said. I can't tell you what use that thing has for me! But I promise that I will thank you heavily!"

"Don't worry, I'll definitely help you bring it out!" Chen Xiaobei smiled. He had already seen through everything.

Deng junyu said so much because she was afraid that Chen Xiaobei would take the things for himself.

But obviously, Chen Xiaobei had no intention of pocketing it! After all, helping Deng Jie Yu was equivalent to helping the person behind her!

Even if her contract master did not buy it, there was one person who would definitely repay Chen Xiaobei for her!

That person was earth traveler sun!

“I believe you! I’ll definitely do as I say!”

Deng Jie Yu nodded and said, “in addition, I suggest you exchange for a Celestial Soul seal talisman and a nine yang body protection talisman!” These two talismans are both one-star heaven immortal grade, but they are much, much cheaper than heaven immortal artifacts!”

“Good! I’ll remember that. Wait for my good news!” Chen Xiaobei grinned. He already had a plan in mind.

.....

After that, Chen Xiaobei summoned The Burning Sky Eagle, took E Huo Yuntian with him, and flew away from the ocean-God sect.

“Master, are you really going to help that woman who isn’t a friend bring her things back?” E Huo Yuntian asked with a frown.

“Of course! I, Chen Zhufeng, will not make any promises. Once I make a promise, I will do it!” Chen Xiaobei said.

“We must keep our promises to our friends! But that woman is not your friend!” “If you help her, you might not necessarily get any benefits. On the contrary, you might even invite danger!” E Huo Yuntian said worriedly.

“Who said I didn’t get any benefits?”

Of course not! Chen Xiaobei laughed. Originally, I wanted to go to the Taisui ancient tomb myself. Helping her was just a favor at no cost to me. It won’t take much effort! The point is, as long as her contract master doesn’t want to be my enemy, she won’t refuse if I ask for repayment!”

“In addition, I came here to see her, and she gave me the White Jade Island and 70 million upper spiritual stones! This was a huge surprise! Happiness came too suddenly, even I didn’t expect it!”

“The most important thing is that my luck has been off the charts! I have a premonition that this operation will definitely bring me an opportunity that I need the most!”

Chen Xiaobei was in a good mood!

When one’s luck was off the charts, one should walk around more often. Perhaps a pie would fall from the sky as one walked!

E Huo Yuntian thought that Chen Xiaobei was overestimating himself. How could something like luck be so good that it could be changed just like that?

Of course, as a loyal dog, e Huo Yuntian only thought about it in his heart and did not complain about Chen Xiaobei.

Chen Xiaobei did not bother to explain and took out five treasures!

The gold feather fan! Clear moon spiritual rhinoceros sword! Water-splitting mysterious blade! Yan fire Warblade! The earth suppressing Warhammer!

“Master, what are you doing?” E Huo Yuntian’s brows slightly furrowed. His eyes immediately scanned the surroundings. He thought that a powerful enemy had arrived!

These five magical items could help Chen Xiaobei cast the five elements Dao, and burst out the power of a seven-star earth-god! It was Chen Xiaobei’s strongest trump card!

“Why are you panicking? We’re sitting on The Burning Sky Warhawk’s back, so we’ll be very safe!” Chen Xiaobei arranged the five treasures in a row and observed them carefully.

E Huo Yuntian was extremely curious. His gaze also focused over, and he immediately exclaimed, “These ... These five magic treasures, why are there cracks on them? Wasn’t he fine just now?”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2808: leveling trump card**

The surface of the five Dharma Treasures had cracks of different degrees!

The cracks on the water-splitting mysterious dagger were the most numerous and the deepest, as if it would collapse at any time!

Next were the mystic gold feather fan, the Yan Huo Warblade, and the clear moon spiritual sword. These three magic treasures also had a lot of cracks on them, only slightly better than the dark aqua saber!

After the battle with e Huo Yuntian, Chen Xiaobei had never used these five magical items again. They were still fine during the battle, so why were they all cracked now?

This was truly inconceivable!

E Huo Yuntian was dumbfounded and couldn’t figure it out no matter how much he thought about it!

“The reason is simple!”

“The power of a magical item is like a human’s combat power!” Chen Xiaobei explained. The magic treasure itself was like a human’s body! When one’s physical strength was weaker than one’s battle prowess! If we use force, we’ll only suffer 800 losses!”

“These five treasures are only mid seven-star earth Immortals! However, I forcefully activated the power of a peak seven-star earth-god! The strength of the magic treasure itself could not support such a huge force! Naturally, cracks appeared on them!”

E Huo Yuntian heard this and came to a sudden realization, “No wonder! One cycle of master’s Dao of five elements is enough to stimulate the power of a peak seven-star earth-god. If it were to be

stimulated two or three more times, it would be enough to kill me in seconds! However, if that's the case, the five magical treasures will be completely destroyed!"

"Right!"

that's right! Chen Xiaobei nodded. the five elements Dao is very powerful! The cycle of the five elements could be endless! It could even stimulate a power that could cross several major realms! However, the price to pay is also quite huge!"

E Huo Yuntian's brows slightly furrowed as he said,"that's right ... Even though you used the five elements great Dao to defeat me, you can't use these five magic treasures anymore!" Even if they were at the same level, they could be destroyed at any time!"

what a pity! Chen Xiaobei frowned. my cultivation is not high enough! Otherwise, my physical strength would have greatly exceeded my combat power, and I would have been able to use my own quintessential essence to use the five elements Dao! It'll be very easy for you to fight those above your level!"

E Huo Yuntian said helplessly, " cultivation can't be rushed. After all, you're already at the peak stage of the divine sea realm. You'll need a lucky chance to break through to the next realm!

"Of course I know that!" As he spoke, Chen Xiaobei extended his right hand and took out the chaos Blood Sword!

this ... This is a six-star earth-god instrument?" E Huo Yuntian's face was filled with shock. He said in disbelief, it ... How could it be hidden in master's palm?"

"Essence devouring!"

Without explaining, Chen Xiaobei activated the chaos Blood sword's special ability!

Countless blood-colored spiritual patterns interweaved to form a huge beast's head. It opened its bloody mouth and swallowed the five spiritual treasures!

Then, the blood-red spiritual patterns pierced into the five Dharma Treasures like steel needles and began to devour the origins of the five Dharma Treasures!

"This ..." E Huo Yuntian was greatly alarmed: "Master! What are you doing? Those five magic treasures are on the verge of breaking down, how can they withstand this kind of torment?"

you said it yourself," Chen Xiaobei said calmly. these five magical items could be destroyed even if they were hit by the same level of power! I have no use for them! Right now, we're just letting them display their final value!"

"What ... What is going on?" E Huo Yuntian was puzzled.

I don't think so! Chen Xiaobei said. originally, my chaos Blood Sword only needed to consume three seven-star earth-god instruments to become a seven-star earth-god instrument!

however, these five magical equipment have been damaged, and their origins have been greatly weakened. Therefore, the chaos Blood Sword can only be upgraded to an early seven-star by adding all its origins!

“What? Upgrade?” E Huo Yuntian was even more shocked, “I’ve never heard of a magic weapon that can be upgraded like this!”

of course. In five days, the chaos Blood Sword will reach the early stage of seven-star earth-god Realm! of course not! Chen Xiaobei smiled. if it devours your fire-stabilizing blade, the chaos Blood Sword will reach the mid-tier seven-star earth-god level in ten days!

this ... e Huo Yuntian swallowed his saliva and said awkwardly, “ this isn’t worth it ... Using a peak seven-star to exchange for a mid-stage seven-star is too much of a loss!

“Look at you, I’m just making an analogy. I’m not really going to swallow the fire-stabilizing divine saber! Besides, even if I really did swallow it, I would definitely not lose out!”

“Because the chaos Blood Sword can grow into a divine weapon!” Chen Xiaobei said. At the very most, the fire-stabilizing divine saber could only grow into a peak earth-god instrument! The essence was countless times worse! After I become an immortal, the chaos Blood Sword will still be my trump card, while the fire-stabilizing blade will be trash!”

this ... e Huo Yuntian sucked in a breath of cold air and said awkwardly, “ “Master, aren’t you thinking too much? You’re only at the divine sea realm, far from the celestial immortal realm!”

“You’re making a fuss!” What if I told you that my goal is not to become a celestial immortal but to become a heavenly path Saint? Wouldn’t you be scared to death?”

“A heavenly ... Heavenly path Sage? What’s that?” E Huo Yuntian was dumbfounded. He had never heard of the existence of that realm.

“How can a Sparrow know the ambitions of a Swan?” Chen Xiaobei sighed and did not bother to explain.

After that, Chen Xiaobei kept the chaos Blood Sword and took out the heaven and earth smelt!

After Chen Xiaobei took down the eight fiery ramparts, he refined five seven-star earth-god instruments in the heaven and earth furnace, leaving only the water-splitting dark saber and the earth-suppressing hammer!

Other than that, Chen Xiaobei had also refined some high-tier earth-god items and some other Random Resources!

After a long period of refinement, these things had already turned into spiritual aura of heaven and earth!

“Hiss ...”

Chen Xiaobei took a deep breath and absorbed the rainbow spiritual aura into his body!

It was obvious that he could not increase his cultivation!

Chen Xiaobei was doing this to upgrade the witch Dragon Flame!

He had absorbed one-sixth of the heaven and earth's spiritual aura, which was equivalent to the amount refined by a mid-stage seven-star earth-god instrument!

The witch Dragon heavenly flame had been upgraded to the early stage of seven-star earth-god Realm!

Then, he absorbed the spiritual aura of heaven and earth that was equivalent to three mid-stage seven-star earth-god instruments!

The witch Dragon heavenly flame had been upgraded to the mid-stage seven-star earth-god Realm!

With that, the heaven and earth smelt was left with the heaven and earth spiritual aura of two middle-stage seven-star earth-god instruments! This part was temporarily useless. He would save it for later!

"We can start the descent!" "There's a teleportation formation leading to the senluo mountain in the Northwest in the main city ahead!" E Huo Yuntian said.

"Fen Tian! Let's go down!" Chen Xiaobei patted burning Hawk and kept the heaven and earth furnace.

.....

After passing through the portal, Chen Xiaobei and e Huo Yuntian arrived at senluo city, which was the closest to senluo mountain!

The myriad nature net was born from the two elements! A hundred different techniques, without the realm of the three religions!

This was an extremely pure Dao Faculty Main city!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2809: night raid**

The myriad forms net was born from the two elements! A hundred techniques could not surpass the three religions of man, enlightenment, and severity!

Just from the name of senluo city, one could tell that this wasn't only the Dao faculty's main city, but it was also the main city that inherited one of the three religions' orthodoxies!

The Jie sect had been destroyed in the last cataclysm and almost no orthodoxy was passed down!

It could be seen that senluo city either inherited the teachings of humanity from the Taishang Laojun or the teachings of enlightenment from the heavenly Lord Yuanshi!

It was very likely that in this main city, there would be existences who had reincarnated into earth Immortals!

However, Chen Xiaobei did not have the time to waste here. The moment he stepped out of the portal, he summoned Burning Sky Battle Eagle and brought e Huo Yuntian to senluo mountains!

.....

"Big brother! Did you see that? That kid is Chen Zhufeng!"

On a tall building in the city, a man in red battle armor squinted his eyes and looked at the sky!

It was clear that it was a sunny day, and they were in a house, but this man was holding an umbrella covered with gems. It was very strange!

“Third brother, you’re not mistaken! That was indeed Chen Zhufeng! He’s heading for Sen Luo mountain!”

On the side, a man with a blue face and a long beard was wearing a set of blue armor. He held a heavy sword that glowed coldly in his hands!

The words ‘earth, water, fire, and wind’ were engraved on the body of the sword. Although it was silent, it exuded an ancient and heavy sword Qi! It was as if it had traveled through the ancient times, mysterious and extraordinary!

“What should we do? Should we inform exalted immortal Shen?” The red-armored man holding the umbrella asked in a deep voice.

“There’s no need to inform us!”

The green-armored man with the heavy sword narrowed his eyes and said, “Exalted immortal Shen’s plan in the North Sea is perfect! Even if we inform him, he won’t let us take action!”

“Then What do you mean, big brother?” The man in red armor asked.

“We’ll do it ourselves! Get Chen Zhufeng!” The Azure-armored man’s eyes narrowed, and his battle intent surged.

I don’t think that’s a good idea ... the man in red armor frowned. “The higher-ups want us to fully cooperate with exalted immortal Shen. I’m afraid we’ll be punished for attacking without permission!”

“What are you afraid of? Our contract master is not Shen Gongbao!”

The green-armored man narrowed his eyes and said, “if we can’t deal with Chen Zhufeng, we’ll be punished for attacking him without permission! However, if we can take care of Chen Zhufeng, not only will we not be punished, but we will also be rewarded!”

“Right! What big brother said makes sense!”

The man in red armor weighed the umbrella in his hand and smiled confidently. “We have an ‘illusionary artifact’ in our hands, which can unleash the power of an eight-star earth-god! It was enough to kill Chen Zhufeng! As long as we get what the heavenly Lord Yuanshi wants, we’ll definitely be rewarded!”

“It’s not just a great reward!”

I lost contact with fourth brother, ” the green-armored man said in a deep voice. he was most likely captured by Chen Zhufeng! It was probably Chen Zhufeng’s fault that his second brother could not improve his cultivation! As long as we can take care of Chen Zhufeng, we four brothers of the mo family can be reunited and rise together!”

“Right! What big brother said makes sense!” The red-armored man’s eyes focused, and his battle intent immediately surged, “Let’s go!”

“Don’t rush!” The green-armored man narrowed his eyes and sneered, ” “Go and invite miss Qin here! Shen Gongbao is good at scheming, but we are not fools!”

“Good! I’ll go now!” of course! the red-armored man sneered. with young lady Qin accompanying us, our chances of winning will definitely soar!

.....

The senluo mountain range stretched for hundreds of millions of li! It was vast and majestic, as far as the eye could see!

If an ordinary person wanted to find the entrance to the Grand suiyu ghost tomb in the mountains, it would be like looking for a needle in a haystack. There was no trace of it at all!

However, Chen Xiaobei had found the hidden Rocky Hill with ease!

However, the Yin Yang gate of the taisui ghost tomb would only appear at midnight.

Fortunately, it was already dark, so he didn’t have to wait too long!

Chen Xiaobei was sitting cross-legged on a large rock. He looked like he was resting with his eyes closed, but in reality, he was thinking about how he could exchange his 54.4 billion new followers for the heavenly Dao rewards.

Based on the current situation, the heavenly Dao’s rewards included a battle Halo, a defense Halo, a luck Halo, a charm Halo, a lifespan Halo, a merit Halo, a cultivation Halo, and even a Halo that could reduce the power of the heavenly Tribulation!

Now that Chen Xiaobei had a level 4 cultivation Halo, with the same amount of time and spiritual Qi, he could achieve five times the effect of normal cultivation!

This time, if he exchanged all of them for the cultivation halos, he would be able to use up 45 billion new followers and get to level 10, which would increase his cultivation results by 11 times!

After that, Chen Xiaobei would have 9.4 billion new followers to choose another Halo!

This was not an easy multiple choice question. Every kind of Halo had its own use!

Chen Xiaobei had to choose the most useful one!

As the saying goes, don’t bite off more than you can chew!

If he were to upgrade many halos in a jumble, in the end, the level of each Halo would not be high! There wasn’t much effect!

Therefore, Chen Xiaobei’s best choice was to pick one or two of the most useful halos and focus his power on upgrading them to the highest level!

And so, here came the problem!

There were so many halos, which one should Chen Xiaobei choose as his second Halo?

“Zhufeng! Chen Zhufeng!”

At this moment, an excited voice came from not far away! It was as melodious as the wind chimes, and it instantly disrupted Chen Xiaobei's thoughts and attracted his gaze!

"Yitian!"

Chen Xiaobei did not expect to meet an old friend here and now!

Qin Yitian!

He was dressed in blue and held the heavenly Sword in his hand!

Her face was still clean and beautiful! His bearing was still valiant and heroic!

The heroic women of ancient times were exactly like this!

"Heavenly! What are you doing here?"

Chen Xiaobei went up to him and said excitedly, "When you woke up from your seclusion, you shattered half of The White Tiger Capital city! After that, there was no more news! It's great to see you here today!"

"What's wrong? Do you want me to return you The White Tiger Capital city?" Qin Yitian snorted and looked at Chen Xiaobei with her bright eyes.

"I'll tell you," Chen Xiaobei said with a smile. "You might not believe it, but I'm willing to trade ten White Tiger imperial cities for the chance to see you again!"

"Really?" Qin Yitian looked at Chen Xiaobei and asked in a cold tone, "If I want you to exchange your life for it, would you?"

"Impudent!" E Huo Yuntian immediately became alert. He stared at Qin Yitian with a fierce look and threatened, "If you dare to hurt my master, I'll make sure you die without an intact corpse!"

"Shut up! Who are you to speak here?"

Chen Xiaobei said, "Yitian and I are friends who have gone through life and death! Back then, she thought I was dead. In order to avenge me, she almost went crazy and went into seclusion! If she wants my life, I can give it to her!"

"Whoosh ..."

As soon as he finished speaking, a terrifying true essence suddenly exploded in the night sky!

The fatal blow came suddenly!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2810: head pierced**

"Woof! Buzzzzzz! Yi ..."

A burst of true essence shot up, and then countless brilliant, colorful spiritual lights shone in the night sky!

The color of these spiritual lights was crystal clear like gems!

Countless spiritual lights shone on each other, making it look like a dream. It was beautiful and mesmerizing under the night sky!

If it wasn't for the terrifying power hidden in it, it would make people feel romantic and wonderful!

"Master! There's an ambush!"

E Huo Yuntian screamed and rushed over, trying to protect Chen Xiaobei!

However, e Huo Yuntian did not expect that even with his speed as a seven-star earth-god, he would not be able to protect Chen Xiaobei in time!

The speed of this sudden attack was unbelievably fast!

In an instant, the spiritual light of countless gemstones intertwined to form a huge canopy Dharma image!

The umbrella had a diameter of 30000 meters and instantly covered the entire area! It had a majestic aura that could swallow the universe!

Who dared to think about it!

The time it took for the sky-shielding umbrella to form was only one step!

It was unbelievably fast!

"Swish!"

And when e Huo Yuntian took his second step, the sky-shielding umbrella had already launched the most fatal attack!

The spiritual light from countless gemstones condensed into a single point as if they were being focused by a magnifying glass! The beam of light that had reached the sky had become a seven-colored beam of light as thick as a finger when it reached Chen Xiaobei!

"Hiss ..."

By the time e Huo Yuntian took his third step, the seven-colored light beam had already hit Chen Xiaobei in between his eyebrows!

"BOOM!"

The master-protecting puppet shattered, unable to withstand the terrifying power!

Once the master-protecting puppet was destroyed, Chen Xiaobei had no more protection!

The seven-colored light beam was like a sharp sword, piercing through Chen Xiaobei's forehead and through his head!

"No! Don't ..."

E Huo Yuntian was in despair. Even though he was only two steps away from Chen Xiaobei, the attack was too fast! It even gave e Huo Yuntian a feeling of being so close yet so far away!

A mere two steps were like the ends of the earth. No matter how hard e Huo Yuntian tried, he was unable to cross it in time!

Although e Huo Yuntian had the strength of a peak seven-star earth-god, at this moment, he felt that he was pitifully weak! There was nothing he could do other than watch Chen Xiaobei's head get pierced!

"Chen Zhufeng ... Goodbye ..." He said.

Qin Yitian's expression did not change, as if she had already expected this!

There was no joy or sorrow on her clean face! His bright black eyes were emotionless!

It was as if Chen Xiaobei was not her life-and-death friend, but a stranger who had nothing to do with her!

After a while, when she saw that Chen Xiaobei was lying on the ground, motionless, Qin Yitian slowly looked at the trees in the distance and said coldly, "He's dead. You can come out now!"

"Whoosh ..."

The huge umbrella in the sky gradually disappeared!

Two figures walked out from the dark forest!

That's right! These two were the Azure-armored and Scarlet-armored men from senluo city!

The green-armored man's face was like bronze, and his beard was like copper. He held a heavy sword in his hand, and every step he took was heavy and powerful, full of momentum!

The man in red armor was a little confused. The umbrella that he always carried in his hand had disappeared. He was following them empty-handed!

"It's you! You're the ones who killed Chen Zhufeng!"

E huoyun was frozen on the spot, his face was filled with shock. He had never thought that Chen Xiaobei would be killed so easily!

Of course, thinking about it carefully, this was actually not strange at all!

Qin Yitian's appearance had made Chen Xiaobei let his guard down. The sky-shielding umbrella then launched a surprise attack, leaving Chen Xiaobei with no way to escape!

More importantly, the sky-shielding umbrella had the power of an eight-star earth-god! Even if e Huo Yuntian had protected it with his life, he would have died with Chen Xiaobei! He couldn't change the result at all!

"What are you talking about? There's nothing for you to do here, get lost if you don't want to die!"

The Scarlet-armored man rolled his eyes at e Huo Yuntian impatiently. It seemed that he didn't intend to kill e Huo Yuntian.

"Good! I'm leaving! I'll leave now ..."

E Huo Yuntian swallowed his saliva and was about to run away.

After all, e Huo Yuntian was not Chen Xiaobei's loyal dog. His life and death were controlled by the soul-hunting banner, so he had no choice but to be loyal to Chen Xiaobei!

Now that Chen Xiaobei was dead, the soul-hunting banner was without an owner!

E Huo Yuntian only needed to think of a way to take out his Gu worm, and he would be able to return to his normal state!

Against such a strong enemy, e Huo Yuntian would not care about Chen Xiaobei's body anymore. Escaping was the best choice!

But! E huoyuntian had just taken a step forward when a burst of pain came from his sea of Qi dantian!

It was the soul-hunting flag!

This Gu worm that should not be controlled by anyone actually moved! It bit e Huo Yuntian heavily! E Huo Yuntian looked at Chen Xiaobei, who was lying on the ground, as if he had been struck by lightning.

On Chen Xiaobei's forehead, there was a seven-colored light the size of a fingertip!

At first glance, it looked as if there was a hole in his head. A portion of the seven-colored spiritual light remained in the wound and did not dissipate!

However, upon closer inspection, it did not seem to be a hole!

This was because the light was parallel to Chen Xiaobei's skin! There were no protrusions or depressions! Most importantly, there was no blood!

Not a single drop of blood!

Could it be that Chen Xiaobei was still alive?

E Huo Yuntian's face was filled with bewilderment. Cold sweat poured down like raindrops.

If Chen Xiaobei was not dead and e Huo Yuntian wanted to escape, the soul hunting flag would have torn e Huo Yuntian's Dharmakaya and nascent soul apart, tearing his soul apart and making it impossible for e Huo Yuntian to reincarnate!

"What are you doing? Why aren't you leaving?" The Azure-armored man impatiently raised the heavy sword in his hand and pointed it at e Huo Yuntian as he angrily shouted.

this ... e Huo Yuntian didn't know whether he should stay or leave. His little heart felt cold. He had been forced to the point of tears!

"Big brother! Don't be rash!"

At this moment, it was the red armored man who stepped forward and pressed down on the heavy sword in the green armored man's hand. He said in a low voice, " this illusionary artifact can only be used once. Don't waste it on this insignificant person!

"I know my limits! I'm just scaring him!" The Azure-armored man coldly stared at e Huo Yuntian. He was extremely impatient.

yes! the man in red armor nodded. big brother, go and get Chen Zhufeng's interspatial ring and body! I'll talk to this guy!"

"Yes." The man in green armor snorted and walked toward Chen Xiaobei with his sword.

The Scarlet armored man walked over and threatened e Huo Yuntian, saying,"Our target is Chen Zhufeng! He's already dead, do you still want to work for him?"

E Huo Yuntian swallowed his saliva, not knowing how to reply.

"Who told you that I'm already dead?"

Who dared to think about it! Suddenly, Chen Xiaobei appeared in front of the green-armored man and said coldly, "Yinian! Heaven-severing!"
